About 3 o'clock last Saturday
afternoon fire broke out in the
residence occupied by Jas. P.

as there had been a fire in the
fireplace.

up the mill is already under
headway.—Herald.

"I was very nervous," writes Mrs. Mollie Mirse, of Carrsville, Ky., "had palpitation of the heart, and was irregular. On the advice of Mrs. Hattie Cain I took 2 bottles of Cardui and it did me more good than any medicine I ever took. I am 44 years old and the change has not left me, but I am lots better since taking Cardui."

Take CARDUI

The Woman's Tonic

Cardui is advertised and sold by its loving friends. The lady who advised Mrs. Mirse to take Cardui, had herself been cured of serious female trouble, by Cardui, so she knew what Cardui would do. If Cardui cured Mrs. Cain and Mrs. Mirse, it surely will cure you too. Won't you try it? Please do.

Self Culture Club Picnic.

The ladies of the Self Culture club arranged their annual picnic Monday afternoon in the grove north of the reunion grounds. They assembled there about 5 o'clock and at 6 o'clock their husbands or escorts and a few invited friends, together with the teachers in the public school and the graduating class, were summoned. The spread prepared by the ladies was delightful and after supper some of the gentlemen entertained the assembly with speech-making. The talks were all short, but were decidedly interesting and the audience appreciated them fully. Rev. F. M. Jackson spoke on woman's work in the church, Prof. Hart's subject was "Woman," E. B. Anderson told of what the Self Culture club had accomplished. J. C. Street made some suggestions for the future work of the club and E. M. Boon had for his text, "What I know about women and music," but did not get past the text. After the speeches Mrs. J. A. Hester of Mullin, who was a guest of the club, favored the audience with one of her most entertaining readings.

The occasion was greatly enjoyed and will be long remembered by all who were present.

POINDEXTER SPEAKS.

A Large Audience and a Good Speech Several Subjects Discussed.

Judge Wm. Poindexter, one of the candidates for Governor of this state, addressed a large audience at the Holiness tabernacle Thursday afternoon. He came in an automobile from Richland Springs, at which place he spoke the night previous. Rev. D. I. Haralson introduced the speaker in a short talk in which he said a number of complimentary things about the gentleman and his policies.

Mr. Poindexter's speech was well received and was along the lines of his speeches elsewhere, as published in the daily papers. He indulged in considerable levity at the expense of the other candidates, and in this he was heartily cheered by the supporters of all the candidates, who took his remarks in good part and as pleasantry. He also criticized the other candidates for their ideas on some political questions.

Judge Poindexter is a man of ability and has had considerable experience in public speaking and knows well how to preserve his voice and notwithstanding he has been in the campaign several months and has made from one to three speeches almost every day his voice is still strong and clear.

He left late in the afternoon for Mullin, where he had an appointment to speak at 7 o'clock.

Picnic At Democrat.

The Ramblers club of Democrat Texas will give their first annual picnic at the Baptist church on Wednesday, June 29, 1910.

The candidates are all invited to be with us on that date to present to the people their claim for office. The public in general are invited to come and bring well filled baskets and enjoy themselves with us.

Base ball. Plenty of water for man and beast. COMMITTEE.

To The Public.

It may be a matter of wonder among the people why they see so little of me, since I am a candidate for the office of Tax Assessor of Mills County. When I announced for the office it was my intention to make a thorough canvass of the county. About the time I intended to take the field, my father, who is very old, was taken seriously sick, and I felt it my duty to lay aside all personal interest and stay by him. In his continued illness I have been with him and shall continue to be so long as he needs me. I am a poor man and have some motherless children dependent upon me for support. Their interests now demand all of my time that I can possibly spare from my old father's bedside. For these reasons I am not certain that I shall be able to make anything like a canvass. I shall, however, send a personal letter to each and every voter, asking their support in the approaching primary. Please do not commit yourself till you hear from me!

Assuring one and all that I will appreciate any support given me, I am, Very respectfully,
S. G. WALKER.

CURE YOUR KIDNEYS.

No Need to Take Any Further Risks.

Why will people continue to suffer the agonies of kidney complaint, backaches, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney disease, cure yourself now, before diabetes, dropsy or bright's disease sets in. Can Goldthwaite residents demand more convincing proof than the following:

Mrs. T. L. Crawford, 106 W. College St., Brownwood, Texas, says: "I suffered from severe attacks of kidney trouble and was at times confined to my bed, scarcely able to move. The secretions from my kidneys were also unnatural. Doan's Kidney Pills have given me great relief and I have no doubt that I will eventually receive a permanent cure for their use."

Children's Day At Ebony.

Last Sunday, June 19, was Children's Day at the Baptist church at Ebony. Long before the time for opening the exercises a large crowd had gathered. The children met in the Methodist church, where they formed in regular order and from which they marched to the Baptist church a few hundred yards away. This church was beautifully and fittingly decorated for the occasion. The house was filled with people, while many had to remain on the outside. A well selected, well arranged program was rendered by the children in a manner that must have thrilled the heart of every parent present with pride. Much credit is due Miss Zoela Philen for the faithful and efficient training given the children for this occasion. A program of good length was rendered by forty or fifty children of ages ranging from little past babyhood to almost grown; and though several numbers were difficult not a break was made in the harmonious rendering of the entire program.

Surely that section should be proud of its boys and girls! I never saw a more promising lot of children. The value of public tasks like those of Sunday in fitting children for full and useful lives cannot be overestimated. The work of the day was of great worth to Ebony and to Mills county.

At the conclusion S. H. Allen talked on "Christian Education," and Reys. Briley and Hayes made most helpful and encouraging talks. These men, together with Mr. W. J. Philen, the Sunday school superintendent at that place, were very proud of the manner in which the children acquitted themselves. We all went away feeling helped by the day's exercises. May they continue in their good work and other communities follow their example.

Seniors and Juniors Entertained.

On last Monday evening the Senior and Junior classes were given a reception by "The Mothers and Teachers Club" in the home of Mr. and Mrs. Conro. Invitations were sent on picture postals of the school building to all members of the trustees and their wives.

When the guests arrived they were met by the receiving line, composed of the teachers of the school, and conducted to the punch bowl, which was presided over by Miss Lucie Conro, after which they were shown into the parlor which was profusely and uniquely decorated with postal cards. Each guest was given a writing pad, and told to go into another room where they would find postals of familiar scenes at which they must guess. To Mrs. W. W. Hart fell the prize, a booklet of Goldthwaite scenes, for the most correct answers, and Cleo Ford was awarded the consolation prize, a comic postal.

Next was given each one a postal on which to write a message to someone present, and instead of the address, the description of that person, and mail his card in the post office, which decorated in school colors, purple and gold. Miss Allen acted as postmistress and told each one as he called for the mail, that it would be advertised. The descriptions of the person to whom the card was written was then read, which caused much merriment.

Next dissected postals were passed and each must match his postal to find his partner for supper, which consisted of delicious cream and cake served upon the lawn.

At a late hour all reluctantly took their departure, expressing a wish for the long life of the Mothers and Teachers' club, which had been conducive of an evening of unalloyed pleasure. A GUEST.

Club Meeting.

The Mothers and Teachers Club met at the Presbyterian church Friday afternoon and a very enthusiastic meeting ensued.

A motion to give Mr. Walters a vote of thanks for making the tank for the school building free of charge, was put before the club and carried unanimously. Plans were perfected and committed to the seniors and juniors of the High School at Mr. Conro's home Monday evening.

It was decided to celebrate Tag Day on Friday, May 13, the day of Mr. Clements' Fountain Opening, and arrangements were made to aid and co-operate with Mr. Clements, who has been so kind as to give the club the benefit of one-half of the proceeds of his fountain opening.

After agreeing to continue the work once each month through the summer the club adjourned. REPORTER.

B. M. C. Entertained.

The Bachelor Maids Club was entertained last Friday evening, at the hospitable home of Mr. and Mrs. F. N. Irwin, Misses May Hurdle and Mattie Fletcher were hostesses.

A short while after the Maids had arrived they began making preparations to initiate three new candidates into the mysteries of the club, and the ceremony was carried through with all due formality. Score cards were passed and Bible questions were asked. Miss Clyde Lowrie being the fortunate one in answering most of the questions was awarded a dainty hat pin holder, and to Miss Carrie Saylor was given the booby prize, which was a very small butter mould. Next came a "peppy" contest. Pretty and dainty score cards were passed of yellow and white with a club rose painted in one corner and a penny tied in another with a yellow ribbon. Miss Lawrence Thompson was the winner in the contest and was awarded a beautiful ornament of yellow and white, while Miss Nora Hooks received the consolation prize, which was a small rubber doll. There were two offices to be filled as the secretary and reporter had sent in their resignations which were accepted. Misses Kate Fairman and Douglas Fox were respectively elected to these positions. Miss Maude Lowe was also appointed 2nd vice president. It was now time for the most interesting part of the evening's entertainment the serving of refreshments, consisting of delicious cream and cake.

As the hour was growing late the members of the club departed, each one regretting very much having to go, but went away hoping she would soon have the opportunity to visit May and Mattie again.

The club will be entertained next Friday evening, May 20, by Miss Bea Little. REPORTER.

The health officer of Chicago has purchased a large number of drinking cups for dogs and will have them kept filled with water at convenient places in order that the dogs may drink. He thinks this will greatly reduce the danger of rabies among the canines.

The Jewish immigration bureau announces that immigrants will be diverted from New York to the Southern states and investigations are now in progress in southern Louisiana looking to the colonizing of a large number of Jews from Russia and Germany.

Cartago, the ancient capital of Costa Rica was destroyed by an earthquake a few days ago and hundreds of people were killed. The shock was felt throughout Central America to some extent. Shortly after the earthquake an immense meteor of unusual brightness passed over the stricken city, and caused additional terror to the people.

Edward VII, king of England, died in Buckingham palace, London, last Friday afternoon at 5 o'clock. His death was not expected by the people of the kingdom, although they knew he had been sick for a few days, but his condition was not thought to be serious. His son George was proclaimed king immediately.

The head of the foundling asylum in New York says they are preparing to send another lot of the waifs to Texas, as soon as investigations are made as to the character of those applying for the care of the children. She says the report of the protest from the governor of this state or any other citizen against the importation of these orphans to Texas is incorrect and without foundation.

An explosion late Sunday afternoon wrecked the plant of the General Explosive company of Canada, situated a mile from Hull, Quebec, killed between ten and fifteen persons and injured scores of others. The force of the explosion was terrifying. The country for miles around was laid waste and many small dwellings in the city of Hull, on the side nearest the scene of the explosion, were flattened to the ground.

Lookout School House.

Editor Eagle:

As it has been some time since the Eagle had any news from this community, I will write a few of the latest happenings.

Health of the community is good at present.

Bro. Franklin preached Saturday and Sunday. He was called to the pastorate of Lookout church, R. W. Bynum having given up the work at this place.

B. F. Harris and wife of Indian Gap visited J. M. Harris Sunday.

It was a little girl that made her advent into J. M. Harris' home a few days ago, mother and child are doing well.

Rev. R. W. Bynum, our former pastor attended church at Lookout Sunday. He was on his way to McGirk to preach at that place.

There was a large crowd at the graveyard working Saturday.

Quite a crowd of Lookout young folks went to McGirk Sunday evening to hear Brother Bynum preach.

Getting dry in our part. Needing rain very badly to bring up the late cotton.

Will Tullie sold his farm on the mountain to Boyd McCarty and bought near McGirk.

Lookout protracted meeting will be in August, beginning about the second Sunday.

Some few of the people of this part heard Colquitt Friday of last week.

I will close and if this finds its way into print I will write again.

Hoping success to the Eagle, and its many readers. S. J.

Tie Game.

(Too late for last week)

Three to three was the result of ten hard fought innings between San Saba and Big Valley base ball teams last Saturday afternoon at San Saba park. No scores were made until the fourth when a nice little combination of hits netted the Big Valley nine two scores. With this the scoring stopped until the sixth, when San Saba rallied with a few bunts and fast base running and succeeded in scoring two runs. In the seventh San Saba sent another man around the diamond. In the ninth the Valley boys strained their efforts and added a run to their list, which now equaled the home team. San Saba ended the inning with three slow infield balls and flew out at first. Another inning was played but neither could score. Owing to the fatigued condition of the players it was decided not to play off the tie.

These teams were well matched although the San Saba nine had a little advantage as they were in some better practice. It was the first game Big Valley had played and they had also shifted some of their players to different positions, although Weaver did not play up to his usual standard on short stop and Norton on first, while special attention must be given House at second. He was alert and watchful the entire game and every ball that went his way was sure to be "sacked." Estep pitched a fine game for San Saba and his support was ideal. He was succeeded the last innings by Douglas Neither seemed afraid to throw hard, as they had a good catcher in the form of Jim Kelley. Neither team could claim a victory, and they seemed reasonably satisfied.

San Saba has a strong team and the visitors, though they were treated royally and given equal chances, found themselves up against it to win. R.P.

Hillary Wright of Star, who received a telephone message while in this city last Friday stating that his child had died, was surprised and delighted upon reaching home to find the little one alive and well. The child apparently died and remained in that condition for an hour or more when it revived and was soon all right. The friends of the young parents rejoice with them in the recovery of the child.

One of the items omitted by mistake from last issue was the acknowledgement of the receipt of a boxful of mulberries and a jar of honey from our appreciated friends, Misses Johnnie Bell and May Etta Harrison, daughters of our friend Mr. E. J. Harrison of South Bennett. The oversight was not caused by lack of appreciation of the kindness of the young ladies and we assure them that we hold them in grateful remembrance for this kindness as well as other similar favors in the past.

CONFEDERATE MEETING.

Date Fixed for Reunion—Camp of Young People to Organize.

A number of the members of Jeff Davis camp of Confederate veterans, together with the members of their families and some friends, met at the reunion grounds in this city last Saturday. This was the regular date for the meeting of the camp and it was decided to have an all day meeting at the grounds and organize a camp of Sons and Daughters of veterans. On account of the singing convention at Pleasant Grove, the school trustee election at Goldthwaite and other interference there was a small attendance of the young people and it was decided to defer the organization until next meeting, which will be the first Saturday in June.

The meeting was addressed by Hon. Joe F. Brown, Mr. S. H. Allen and members of the camp and the speeches were appreciated by the audience.

The time for the annual reunion was fixed for July 13, 14, 15, and the following committees were appointed to make arrangements for the annual meeting:

Committee to secure speakers and provide entertainment—L. G. Blackburn, D. M. Hoods, M. M. Hancock.

To sell and arrange privileges—Mrs. Calaway, Everitt, Campbell and S. H. Allen.

To receive and look after visiting comrades—A. V. Lane, W. B. Jackson, Z. D. Kemp, L. E. Patterson, R. J. Atkinson.

To secure badges—Rev. D. I. Haralson.

At a late hour in the afternoon the camp adjourned, after having spent a most enjoyable day.

Wooden Wedding Celebration.

On the evening of Friday, the 29th of April, Mr. and Mrs. J. L. Moss extended a hospitality to their friends by opening their home to them in celebration of the fifth anniversary of their marriage. As this was the wooden wedding each of the guests presented as gifts some article made of wood. A few of the numerous presents consisted of burnt-wood boxes, wall pockets, tables, Japanese trays, camp chairs, plate racks and other things, among which was a very handsome oak rocker presented by the Bachelor Maids club.

Upon entering the reception hall the guests were met by Mr. and Mrs. Moss. Then Mr. Tom Moss escorted each one to the punch table, which was presided over by Miss Minnie Rahl. The punch was served from a very large wooden bowl which was placed on a table decorated with real wood shavings and a wooden spoon was used for a ladle. After the guests were served with delicious punch they passed into the dining room to view the presents which had been received.

The lawn was prettily lighted up with electric lights and naturally drew the young folks out to pass some time in pleasant conversation, but after a while all passed into the house again to listen to and enjoy some delightful music. Then cards were passed round with instructions to write on them the name of the young lady present who was expected to be the next bride. Miss Attie Gidden received the highest number of votes and Mrs. Moss presented her with a beautiful burnt wood plaque "to begin housekeeping with."

Next the boys were allowed to draw cards from a hat to see who would be the next groom and Mr. Harry Porter drew the lucky (?) card and was presented with a jointed fishing rod and reel. Mr. and Mrs. Skaggs were voted the happiest married couple present and received a beautiful picture. Other contests and amusements were engaged in and enjoyed during the course of the evening. After this came a very interesting part of the program, the refreshments, which consisted of delicious ice cream and cake.

As it was growing very late by this time the guests departed, wishing Mr. and Mrs. Moss many more happy years of married life and hoping that they would entertain again soon. The party was composed of the Bachelor Maids and their escorts, together with quite a number of married friends of the host and hostess. A GUEST.

Club Picnic.

The Ladies Art Embroidery club picnic Tuesday afternoon was one of the most enjoyable social events of the week. The members invited their husbands or escorts and a few other friends to participate with them in this picnic and the time was most delightfully spent. The grove just north of the reunion grounds was selected for the gathering and the ladies assembled there about 4 o'clock in the afternoon and spent some time most pleasantly and made arrangements for supper. When all was in readiness autos or other vehicles were sent to town for the gentlemen and all reached the grounds between 6 and 7 o'clock and a most elaborate and elegant supper was spread. After supper a short while was spent in speech-making and conversation, and when the time came to disperse all felt that the evening was one of the most pleasant they had ever spent and the gentlemen and other friends of the members of the club felt thankful to them for arranging this pleasant affair.

Keep The Kitchen Cool!

The "Insurance" Gasoline Stove

Is exactly what its name implies—absolutely SAFE and there is no possible chance for an explosion or other damage. It is the only Gasoline burning stove in which provision is made for the prevention of the escape of oil or gas if the flame is blown out. It is much Cheaper to operate than a wood stove and enables the cook to keep the kitchen cool while preparing meals. A large number of ladies in Goldthwaite are now using these stoves and ranges and we refer to them to substantiate the statement that the "Insurance" is easy to operate, does not waste oil, does not flare up because of overflow of oil and is absolutely safe at all times. We have these stoves and ranges in different sizes and invite the ladies to call and let us demonstrate the many pleasing features of the "Insurance" gasoline burning stove.

REPUBLICAN MEETING.

Convention Held in Goldthwaite May 10, 1910.

Pursuant to call of Chairman Ross the Republicans gathered in Goldthwaite on above date and convened in the opera house instead of the court house, as the only suitable room in the latter building was occupied by the district court then in session.

The meeting was called to order by Chairman Ross and after the object of the convention was stated the following motions carried:

That the Republicans put out a county ticket—carried by unanimous vote.

That the chair appoint a committee of five to solicit competent and well fitted candidates for each of the several county offices—carried by unanimous vote.

For this purpose the following committee was chosen—J. V. Cockrum and A. F. Grant from precinct No. 1, Manceel Dogget from precinct No. 2, George King from precinct No. 3, and Joe Curtis from precinct No. 4.

The committee at once entered on its duties and was requested by Chairman Ross to report by Saturday, May 14.

Motion to adjourn carried.

A. J. HARRISON, Secy.

To the Voters of Mills County Texas.

Gentlemen: On account of the long and serious sickness of my wife and her subsequent death, I have been unable to get out among the people in the interest of my candidacy. I therefore take this method of asking your support. I have had a hard struggle and I need your help and support, and if elected I will serve you faithfully and honestly for the next two years and then retire. I shall be very busy for some time, but hope to get out some before the primary, and if I fail to see you don't get the idea that I don't want you vote for I do and will certainly appreciate it more than I ever did, I hope you will thoughtfully consider my claim and give me your hearty support, I will be ever grateful, etc.

DOING THEIR DUTY.

Scores of Goldthwaite Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty. When they fail to do this the kidneys are sick. Backaches and many kidney ills follow; Urinary troubles, diabetes. Doan's Kidney Pills cure them all. Goldthwaite people endorse our claim.

Mrs J. A. M. Johnson, seven and a half miles north of Goldthwaite, Texas, says: 'I was troubled for several years by kidney and bladder complaints. There was a constant pain across the small of my back, sometimes extending as far as my neck and the kidney secretions were also disordered. I tried numerous remedies, but found no relief until I began taking Doan's Kidney Pills, procured at Clements' Drug Store soon after beginning their use, all my troubles disappeared and my condition improved in every way. I think Doan's Kidney Pills unequalled as a cure for kidney complaint. It gives pleasure to recommend them.'

For sale by all dealers. Price 50c, Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Empowering for Testimony.
Dr. Johnson, leader,
Scripture reading, Acts 2, 3-4, Isa. 61, 1-8

No Christian is dispensed from the duty of testimony, W. A. Bailey.

But no Christian can be a successful witness without an empowering for this very thing, Miss Nina Page.

We must not dogmatize as to the relation of this empowering to other facts of Christian experience, Parm Childre.
The way to seek this empowering is to ask the Father for it, Miss Alpha Hearne,

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take **CARDUI**

The Woman's Tonic

The pains from which many women suffer every month are unnecessary. It's not safe to trust to strong drugs, right at the time of the pains. Better to take Cardui for a while, before and after, to strengthen the system and cure the cause. This is the sensible, the scientific, the right way. Try it.
