COMANCHE

The marriage of Miss Myrtle Brightman and Archie Mayes was solemnized Saturday evening at 8 o'clock at the home of Miss Brightman, which was Mr. and Mrs. Carmichael's residence, she having been left an orphan six years ago and has been under the care of Mrs. Carmichael, her aunt, ever since.

Excitement was raging for a short time Thursday afternoon when a mad dog was discovered in town. Constable Handley was immediately summoned and the chase began. Mr. Handley and Mr. Weathers pursued the dog for a considerable distance over the streets and across the square before an opportunity was given to shoot. The scene upon the public square reminded us of the Mexican revolution. People were running in every direction, some going into doors, others over fences and up telephone posts. The dog was finally killed near the Christian church, where services were then being held.—Chief.

Mrs. Edna Conolly died Sunday night of heart failure. She has been living in Lometa with her husband for a short time only. She leaves a 3-months-old babe.

BROWNWOOD

Sunday afternoon at the residence of Mr. R. L. Phillips two miles south of Brownwood Mr. J. L. Cross was united in marriage to Mrs. Fannie H. Koehler.

The difference between the County Commissioners' Court and Tax Assessor J. H. Miller in the matter of assessing the special road tax in the Brownwood road district for the past two years was finally adjusted by the court agreeing to pay Mr. Miller \$900 per year for the work. The court contended for sometime that \$500 a year was ample pay for the services, but finally agreed to the tax assessor's terms, and the incident is now closed.

Carl Hester, a young athlete, who pulled off mat performances

all through the United States and England, is a Brown county boy, and this week is enjoying a visit to his mother, Mrs. Ada Busby, and uncle, Young Hester, at Ohio, Carl left Brown county at the age of 15, and while yet under 21 years of age he has traveled through a greater portion of the states and all through England. Wrestling is his profession and from newspaper clippings he seems to have made good at it. In his rounds he has met and defeated some of the best ones going.

Saturday afternoon while little Arnold Ford was out hunting near his father's home in the Indian Creek community he was bitten by a hydrophobia cat and quite an ugly wound inflicted on the middle finger of his left hand. The little fellow thought his dog had treed a rabbit and put his hand into a hollow tree to get the rabbit and was attacked by the cat. When his father learned that it was a skunk that had bitten the child he made arrangements at once to take the boy to Austin for treatment at the Pasteur Institute and left Brownwood Sunday morning for the capital city.—Bulletin.

Judge Hartley tells us that he is considering a plan for placing an agricultural display room in the basement assembly hall of the court house. The plan is for a room in the shape of a Texas star with glass sidings nicely arranged where products of all kinds can be placed and properly cared for, to be used exclusively for farm products.—Star.

A TRADE EXCURSION.

A Plan for Securing More Trade for Goldthwaite Merchants.

The business men of Goldthwaite could well profit by the example of the larger cities in sending out trade getting excursions in the territory tributary to this town. The larger cities find it profitable to charter special trains to go into their trade territory, in order that their business men may get better acquainted with their customers and the same plan would, undoubtedly, be beneficial to the smaller towns. By making these business trips to the interior towns and surrounding country the business men will show to the people of the sections visited that they appreciate the trade from that territory and will also become better acquainted with the people and the conditions in all parts of the county.

If these business excursions are to be made, the summer time is the proper season to make them, while the business men have leisure and the people are all at home pursuing their accustomed vocations.

The Eagle would like to see the plan tried by the Goldthwaite business men.

A dispatch from Trinidad, Col., says: "To lose four legs in exactly the same manner is an experience well calculated to strain the credulity, but that is what has befallen Roy Thorpe, who fell from a train and had both legs cut off. He secured a pair of wooden legs. Yesterday while going from a neighboring town, Thorpe again fell under the car wheels and again lost his legs. This time, however, he was uninjured."

Charming Hospitality.

On Monday evening, April 17, Mr. and Mrs. E. B. Anderson entertained the wedding party of the Hicks-Humphries nuptials, after the rehearsal of the wedding. The party was conveyed in carriages to the beautiful Anderson home, where they were welcomed by the hostess, and after being relieved of their wraps they were ushered to a bower of trailing vines and beautiful flowers, where little Misses Laura Street and Eloise Anderson served refreshing pineapple punch. Above the punch table was suspended among the vines an illuminated plate bearing the names Hicks-Humphries.

When the guests had all been shown into the spacious parlor the hostess distributed cards with pencils attached with the instructions to see how many different words were combined in the names of the bridal couple. When time was called it was found that Miss Minnie Rahl had found the largest number of words—34 correct ones—and she was awarded an elegant basket of bonbons, which was ornamented by a cluster of white rose buds held in place by a bow of white satin ribbon.

After the awarding of the prize the guests were invited into the lovely dining room, which was profusely decorated with white roses and ferns, and white and green ribbons. A circle was formed and all marched around the table three times to wind up a charm, then the wedding cake, which was a large white cake decorated with rose buds and resting on a bed of ferns, was cut, Miss Lillie Martin securing the ring, Miss Lawrence Thompson the dime, Miss Minnie Rahl the thimble and Mrs. Carlton Abney the button. As each one drew the chosen slice of cake from the main portion they were served to delicious ice cream.

Upon returning to the parlor Mrs. Abney and Miss Hicks favored the merry company with several musical selections.

After having enjoyed a most pleasant evening the guests departed, thanking Mr. and Mrs. Anderson most heartily for the entertainment and showering their good wishes for the future upon the two young people who so soon were to begin their voyage upon the sea of matrimony.

Those present were: Miss Lois Humphries, John C. Hicks; Miss Callie Hicks, Frank Geeslin; Miss Lillie Martin, Wilbur Fierman; Miss Zella Prater, Allen Swain; Miss Lawrence Thompson, Edward Geeslin; Miss Minnie Rahl, Will Kirkpatrick; Miss Eddie Kelley, Mrs. Abney, Mr. Abney, Mrs. McCall, Laura Street and Eloise Anderson. Envy is the most cruel foe with which any man or woman ever had to contend. If you wrong your fellow man you may be forgiven, or if he has an imaginary grievance against you he may learn of his mistake and become your friend, but if he envies you, nothing you can do or leave undone will satisfy his longing for your down fall and destruction.

The Mexican insurgents declare that they will take the City of Mexico by June 1 unless President Diaz resigns and the demanded reforms are granted before that date. Perhaps these insurrectionists are too sanguine, but their success so far has been such as to justify their conclusion that they will take the country. It is claimed that 90 per cent of the Mexicans are in sympathy with the insurgents and if the estimate is anywhere in the neighborhood of right they are sure of victory.

Boasts for Texas.

Texas is the best country for sheep raising in the United States and Uncle Sam is increasing the number and improving the quality of his Texas flock rapidly. We have a million head of sheep valued at \$5,536,000, while our flock was valued at \$3,982,117 ten years ago. We take front rank in production in the sheep industry.

The climatic conditions in this state are the same as those of Japan and the silk worm is known to thrive in Texas. We had as well add \$100,000,000 to our annual products by giving this little insect an opportunity to work in Texas. Texas has such tremendous opportunities that one's mind must think through a magnifying glass in order to comprehend them.

The recent Federal Census report given out on the manufacture of woolen goods serves to illustrate the value of the factory to a community. The report shows the cost of the raw material manufactured in the United States was \$273,464,000 and the value added by the factory was \$146,380,000. It is production that makes a country prosperous and a dollar produced at the factory or the mine has as much prosperity in it as the dollar produced on the farm.

No farmer gets rich by the quantity of production. It is the price he gets for his products and economy and business judgment displayed in management that makes the farmer wealthy. We cannot pass a law that will increase the price of production or reduce the cost of plowing the land and marketing the crop. We must depend upon railroads and factories for marketing our products and upon improved mechanical appliances and the business ability of the farmer to reduce the cost of production and to more intelligently market his products.

According to the investigation made by Uncle Sam in the use of woolen goods as wearing apparel, the women do not wear as much clothing as the men, at least not in woolen goods; but when Uncle Sam has completed his inspection of Milady's wardrobe he may find some queer creations in silk and satin that may help in making up the deficiency. According to the Census Department report issued on April 4, the factory value of woolen goods used last year was \$419,826,000 and of this amount approximately \$298,134,000 is for wearing apparel. The women wear fewer clothes and cheaper clothes than the men, at least that is the record in woolen goods.

"It is too far from the farm to the table," said Col. B. F. Yoakum, and the railroad builder is right. Texas is a state of magnificent distances, but when we trace our products from the farm to the table the journey makes a trip from Texarkana to El Paso and return look like a walk across the street. Our cotton is shipped to the European factory and returned to America for consumption, completing a circuit of 10,000 miles on its useless journey to the factory. Our iron comes from Pittsburg, traveling half across the continent when the hills of east Texas are bursting with the finest iron ore in the world. Our farmers in many instances must travel 150 miles to a railroad while our banks are glutted with money seeking investment. Bring the factory and the railroad to the farm and we will all sit down at the same table and break bread together. — Commercial Secretaries.

SHARP, STABBING PAINS

Generally Tell of Sick Kidneys. A Goldthwaite Resident Shows You the Cure.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion, tells of weak, sick kidneys. Early signs of weakened kidneys are: backache, lame back, sharp, darting pains, dizzy spells, tired-out state, despondency. And there are usually disturbances of the urine—too frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's Kidney Pills are prepared especially for sick, weakened kidneys, backache and urinary disorders—have cured thousands of such cases. Doan's are endorsed throughout the civilized world—are recommended by Goldthwaite residents.

J. W. McAlexander, Goldthwaite, Texas, says: "On account of an intense pain across the small of my back, I could not work and when I stooped it seemed as if knives were being thrust into me. I also had difficulty in passing the kidney secretions. The contents of two boxes of Doan's Kidney Pills, procured at Clements' Drug Store, restored me to good health and freed me from pain. Whenever I hear anyone complaining of backache, I advise a trial of Doan's Kidney Pills."

Hewitt, Oklahoma.

Editor Eagle:

I thought I would pen a few happenings from Oklahoma, as we have had several good rains lately.

The health of our country is good, as far as I know.

I am well pleased with this grand state, while I would be glad to see my old friends in Mills county once more and if it is the good Lord's will I will see them soon.

Well, we are having an early spring this year. The common grass is good now. Farming is the order of the day. Corn is big enough to plow and some have gotten their corn plowed. Oats are looking well and some cotton planted. Gardens are looking well and prospects are good for a fruit crop, and berries are looking nice. I believe if a lot of my old friends could see this country they would leave down there and come up here, I sure did hate to leave down there and especially on account of my friends, which I left behind, but behold, when I got up here I found some more and, I think, a great deal better country for me. Of course, it might not suit everybody, but I am still well pleased.

Well, Mr. Editor, you will please find inclosed a check for \$2.00, for which please give me credit for same and oblige

Your friend,
W. J. HESTER,

Saw the Battle.

Miss Pearl Reed, daughter of Mr. M. H. Reed, sent the Eagle a copy of the Douglas, Arizona, Dispatch of last Friday giving an account of the battle across the line in Mexico. Miss Reed says: "I believe I told you I did not want to see any more fighting, but I could not resist when I got on Second Street yesterday. I could see the battle, but had not been there two minutes when the bullets began to fly around me. We ran to Fourth Street, where we stopped to rest. There the bullets began to fall thick again. Well, I went up to town and saw the 32 federals who surrendered. They looked awful. Some bare footed and partly clothed. I went to the Red Cross Hospital last night and saw eleven who were suffering terribly. The others were asleep and resting pretty well."

To the Public.

Call and get my prices on flour. I can please you in price and quality—W. E. PARDUE.

A Beautiful Wedding.

On Tuesday evening at 7:30 o'clock, amid an environment of beauty and dignity, the marriage of Miss Lois Humphries to Mr. John C. Hicks was solemnized at the Baptist church. The marriage service was read by Rev. F. M. Jackson of the M. E. church in the presence of countless friends of the contracting parties, who had filled the church before the appointed hour of the ceremony. This marriage came as the culmination of a number of social courtesies planned in compliment to the bride since the announcement of her engagement.

The floral embellishment of the church in which the wedding occurred was truly beautiful, the bridal tone of pink and white finding development throughout the elaborate decorations and accessories of the bridal party. From the center of the church a series of white arches, festooned with graceful vines and pink roses, spanned the two central aisles and terminated in a single arch leading to the chancel. This in turn, at a little distance, was surmounted by the main arch, which overreached the entire altar. From this arch was suspended a large bell of white roses that formed a canopy for the bride and groom during the ceremony. The space back of the altar had been transformed into a fretwork of pink and white roses, bordered with trailing vines with an embankment of ferns at the base.

Preceding the entrance of the bridal party the exquisite soprano voice of Miss Eddie Kelley, blended with the rich tenor of Mr. Carlton Abney, was heard in "To the End of the World with You," and with Mrs. Carlton Abney, the life-long friend of the bride, presiding at the organ the strains of the song melted into Mendelssohn's Wedding March, to which the bridal party entered the church.

The approach of the bridal procession was heralded by the ribbon bearers, little Misses Laura Street and Eloise Anderson, dressed in the daintiest of white lingerie frocks with pink sashes and hair bows. With broad bands of satin ribbon they designated the aisles for the bridal procession. Next came the ushers, Messrs. Edward Geeslin, Wilbur Fairman, Will Kirkpatrick and G. A. Swain, entering two by two in opposite aisles. They were followed by four lovely flower girls, Misses Lillie Martin, Lawrence Thompson, Zella Prater and Minnie Rahl, former classmates of the bride. They also entered in pairs and were gowned in white embroidered chiffon over pink silk with pink sashes and coiffure ornaments and carried arm bouquets of bridesmaid roses. Then came the maid of honor, Miss Callie Hicks, sister of the groom, clad in a pure white robe of lace and embroidery, and followed by the matron of honor, Mrs. Will Sturm McCall, sister of the bride. She was arrayed in pink messaline veiled with marquisette with inlets of gold net and chantilly lace and carried an arm bouquet of roses.

The bride entered on the arm of her uncle, Judge E. B. Anderson, by whom she was given in marriage, and was met at the altar by the groom, attended by his best man, Mr. Frank Geeslin. The bride was gowned in a magnificent creation of white marquisette over satin, en train, with elaborations of wide bands of Irish lace and chiffon folds. The filmy tulle veil was adjusted with a wreath of lillies of the valley and draped at the sides with clus-

ters of rose buds and she carried a chattelaine bouquet of bride roses.

During the ceremony the wedding party was grouped in circular effect about the altar and passed from the church with Lohengrin bridal music as the recessional. Later in the evening the bride donned her going away suit of natural color pongee with tailored hat, touched with coral and accessories to match. A merry crowd gathered at the station to see them off on their honeymoon and showered them with an abundance of rice and congratulations and as the train departed the bride tossed her bouquet to a bevy of girls and it was caught by Miss Minnie Gatlin.

After May 15, Mr. and Mrs. John C. Hicks will be at home in the attractive new bungalow which is being erected on Reynolds Street. A large array of presents from friends and relatives attest the popularity of this couple.

A number of out of town guests were present, including Mrs. Leon Harris and Mr. and Mrs. Carlton Abney of Lampasas, Miss Callie Hicks of San Angelo, Mr. Will Kirkpatrick and Mrs. John A. Heaster of Mullin, Mrs. Will McCall of Waco and Mrs. W. C. Crane of Franklin.

Farewell Reception.

The crowning event of the many festivities that have been given in compliment to the Easter bride, Miss Lois Humphries, whose marriage to Mr. John C. Hicks occurred Tuesday evening, was a most elaborate entertainment given by one of the bridesmaids, Miss Lawrence Thompson, on last Friday evening. All thought of inclement weather was forgotten in the cordial welcome accorded the guests by the gracious hostesses, Mrs. R. M. Thompson and daughter, The decorations throughout the house were in the bride's colors—pink and white. The punch bowl was banked in a profusion of Killarney roses, and here Miss Kate Fairman dispensed delicious fruit punch. The progressive game of "Travel" excited much interest and amusement. The journey began at Goldthwaite, stopping at intermediate points, until San Antonio, the final destination, was reached—San Antonio having been chosen by this couple as the city where their honeymoon will be spent, Miss Lillie Martin received the first prize—a miniature trunk filled with bon-bons, while Mrs. Gillespie received the consolation—a tiny suit case filled with candies. But the surprise of the evening to the bride-elect was a very "ohio" little suit case to which was attached a card from the B. M. C's., wishing all joy and happiness to Miss Lois, one of their charter members. On opening the suit case a handsome set of knives and forks was disclosed, being a wedding gift from the B. M. C's.

Dainty refreshments consisting of strawberry and Neapolitan ice cream, and pink cakes in heart shapes were then served. The evening's entertainment was then terminated by a toast from Mrs. John Scott to the bride and to the hostess by Mrs. W. S. McCall.

Those who participated in the delightful affair were: Misses Lillie Martin, Zella Prater, Ada Moore, Nora Hooks, Lawrence Thompson, Eddy Kelley, Mamie Kelley, Minnie Rahl, Beulah Rahl, Florence Welch, Kate Fairman, Lillie Grundy, Lois Humphries; Mesdames Will H. Trent, William Little, R. M. Thompson, J. W. Kelley, E. P. Thompson, E. B. Anderson, M. E. Thompson, John Scott, J. A. Gillespie, W. S. McCall of Waco, Leon Harris and Carlton Abney of Lampasas and W. C. Crane of Franklin.

Fare well Reception.

One of the most delightful occasions in the society circle of last week was in the home of Mr. and Mrs. R. M. Thompson Friday evening with Miss Lawrence as hostess and Miss Lois Humphries the honoree.

On entering the guests were ushered to the punch bowl that was placed in a beautiful bed of pink roses and foliage and was presided over by Miss Kate Fairman. The game for the evening was progressive "Travel," the foot table being Goldthwaite and head table, San Antonio; other tables were towns and stations between—Antelope Gap, Temple and Milano Junction. Miss Lois started at the foot table, Goldthwaite, but at the last game she reached San Antonio. Miss Lillie Martin received first prize—a "trunk" of candy, which was presented to Miss Lois with a suggestion this trunk be used on her trip to San Antonio. Miss Lillie also suggested something that would be appropriate and appreciative to bring back in the trunk. The consolation prize was awarded Mrs. Gillespie—a suit case of candy. The gift from the B. M. Club, a set of silver knives and forks, was presented to the honoree on this occasion in a very original and unique manner, being placed in a small suit case with a beautiful bouquet of La France roses adorning the case.

Another interesting feature of the evening was the delicious ices and cake in pink and white, to carry out the color scheme, the cake being in the shape of a heart on each guest's plate. On Miss Lois' were two hearts joined together that beat as one.

Musical selections by Mesdames Scott, McCall and Abney were very much enjoyed.

Those present were: Mesdames John Scott, W. H. Trent, M. E. Thompson, E. P. Thompson, W. T. Little, Kelley, Gillespie, Anderson, Harris, Abney of Lampasas, McCall of Waco and Crane of Franklin; Misses Lois Humphries, Lillie Martin, Ada Moore, Kate Fairman, Minnie and Beulah Rahl, Nora Hooks, Lillie Grundy, Mamie and Eddy Kelley, Zella Prater.

At a very late hour the guests bade Miss Lawrence adieu, voting her a most charming hostess.

Not seeing anything from Rock Springs in a long time I thought I would let you know it hasn't gone dead.

I don't believe anybody is on the sick list, except Graddma Stark.

I guess Gen. Green will come marching in with double force since this fine rain.

Proposed Amendment

TO THE STATE CONSTITUTION PROHIBITING THE MANUFACTURE, SALE, BARTER AND EXCHANGE OF INTOXICATING LIQUORS EXCEPT FOR MEDICINAL, SCIENTIFIC AND SACRAMENTAL PURPOSES.

HOUSE JOINT RESOLUTION No. 2.

A resolution proposing to amend the Constitution of the State of Texas, by amending Article 16, Section 20, thereof by striking out and repealing said section, and substituting in lieu thereof a new section 20, prohibiting the manufacture for purposes of sale, barter or exchange, and the sale, barter and exchange of intoxicating liquors, on and after the second Tuesday in January, A. D. 1912, within this State, except for medicinal, scientific and sacramental purposes, and providing that the Legislature of the State of Texas shall, at noon on the second Tuesday in January, A. D. 1912, by authority of this section, meet in session in the city of Austin, and pass efficient laws to enforce this section; providing, further, that this section shall not prevent any session of the Legislature from passing any law to enforce the same; and providing, further, that all laws in force when this amendment is adopted, providing penalties or forfeitures in relation to the manufacture, sale or transportation of intoxicating liquors, shall remain in full force and effect until modified or repealed; fixing the time for the election for the adoption or rejection of said proposed constitutional amendment, directing a proclamation thereof and making certain provisions for said election and the ballots thereof, and method of voting; prescribing certain duties for the Governor of this State, and making an appropriation to defray the expenses of said election.

BE IT RESOLVED by the Legislature of the State of Texas:

SECTION 1. That Article 16 of the Constitution of the State of Texas be amended by striking out and repealing Section 20 thereof, and substituting in lieu of said section 20 the following:

Section 20. The manufacture for purposes of sale, barter or exchange, and the sale, barter and exchange of intoxicating liquors on and after the second Tuesday in January, A. D. 1912, is hereby prohibited within this State, except for medicinal, scientific and sacramental purposes. The Legislature of the State of Texas shall, at noon, on the second Tuesday in January, A. D. 1912, by authority of this section, meet in session in the city of Austin, and pass efficient laws to enforce this section; but nothing in this section shall prevent any session of the Legislature from passing any law to enforce the same; and all laws in force when this amendment is adopted providing remedies, penalties or forfeitures in relation to the manufacture, sale or transportation of intoxicating liquors shall remain in full force and effect until modified or repealed.

SEC 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors for members of the Legislature at an election to be held throughout the State of Texas on the fourth Saturday in July, being the twenty-second day thereof, A. D. 1911. At said election the vote shall be by official ballot, which shall have printed or written at the top thereof in plain letters the words "Official Ballot."

Said ballot shall have also written or printed thereon the words "For Prohibition" and the words "Against Prohibition."

All the voters favoring said proposed amendment shall erase the words "Against Prohibition" by making a mark through the same, and those opposing it shall erase the words "For Prohibition." If a majority of the votes cast at said election shall be "For Prohibition" said amendment shall be declared adopted. If a majority of the votes shall be "Against Prohibition" said amendment shall be lost and so declared.

All the provisions of the general election laws as amended and in force at the time said election is held shall govern in all respects as to the qualifications of the electors, the method of holding such election, and in all other respects, as far as such election laws can be made applicable.

SEC 3. The Governor of this State is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the Constitution and laws of this State.

SEC 4. The sum of five thousand (\$5000) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury, not otherwise appropriated, to defray the expenses of such proclamation, publication and election.

Secretary of State.

Woman Commands Troops.

The Douglas, Arizona, Dispatch tells of a woman commanding a force of insurgents in the Mexican revolution. It says:

"The army advancing from the west may be a force under Madame Talamantes, the widow of the colonel who was shot by Chiapas at Sahuaripa, with his two sons. Colonel Ojeda did not wish to execute Talamantes when the federalists took the town, but Chiapas was not averse, and after taking out Talamantes' two sons whom he killed, he came to get Talamantes at night. Talamantes offered to pay \$20,000 if his sons were spared, even though he himself be executed, but all three were shot. Madame Talamantes offered the \$20,000 to equip a command to avenge the death of her husband and two sons. Her two daughters joined in the recruiting, and it is claimed that they have a force of rebels in the Ajo mountains."
