NUMBER THIRTY-SEVEN

37TH ANNUAL REUNION WAS FAR BETTER THAN WAS ANTICIPATED

The Thirty-Seventh Annual U. C. V. Reunion and American Legion Jubilee, which closed at the reunion grounds one mile south of Goldthwaite last night, was a success from every standpoint. Plenty of entertainment, plenty of amusement, plenty of refreshments and plenty of people.

From the opening Tuesday, fair crowds had filled the grounds until Thursday afternoon and evening, when some five or six thousand people were assembled there. And again yesterday at the barbecue an immense crowd was present.

Members of the local post of the American Legion, which had charge of the reunion this year, deserves credit for their efforts for the past few weeks in preparing so thoroughly for caring for so many people without friction or undue trouble.

The crowd was a jolly one throughout the three days and very little disturbance was noticed, due to the efficient efforts of Sheriff A. D. Karnes, Deputy Sheriff H. C. Ezzell, and their help.

Two of the chief attractions furnished by the American Legion members was the big free barbecue yesterday at noon, under the direction of E. T. Fairman, at which time some three thousand people were fed all the barbecue, bread, pickles, onions and coffee they could eat; and the American Legion Fireworks Display, in which the effects of a modern battlefield was duplicated by over \$150.00 worth of fireworks, especially made to give this effect. This entertainment, under the direction of Seaborn Allen, chairman of the American Legion Entertainment Committee, was witnessed by an estimated crowd of 4,000 people. Efforts were made by the American Legion to sell tickets at 25c each for this occasion, but out of the estimated 4,000 people, not one-fourth paid admission.

Speechings by Hon. Lon A. Smith, State Comptroller, Ernest G. Allbright and State Senator Joe Burkett, candidate for governor, were greatly appreciated by large audiences under the tabernacle for the three days; the singing convention under the direction of E. A. Obenhaus entertained many during the second afternoon, and the local talent plays under the direction of Mesdames J. A. Gillespie and John Berry and Miss Lucille Street received the approval of large audiences.

Hon. Phil H. Clements was master of ceremonies on the first day, U. C. V. Day; Judge J. C. Darroch for the second day, American Legion Day; and Judge Lon E. Patterson for the third day, Mills County Day.

An attraction which brought many to the grounds who otherwise would not have found the time to come, was the presentation of Al Jennings, evangelist and former outlaw, under the management of O. R. Jackson, of the Dixie Theatre here. A reception committee composed of W. C. Dew, T. F. Toland, Sheriff A. D. Karnes and C. T. Wilson met Mr. Jennings Wednesday morning and escorted him over the town and down to the reunion grounds. Mr. Jennings made several addresses during the three days to large audiences.

GOLDTHWAITE BAPTIST CHURCH.

We are to have a special sermon in the interest of the Sunday School tomorrow at the morning hour. Be at this service and see how nearly our Sunday School measures up to the A1 standard. At the evening hour the theme will be Twice Justified. Some passages of scripture that may seem to contradict will be explained. After tomorrow the pastor will be absent for three Sundays, but the pulpit will be supplied during his absence. The prospects for the Lord's work are very encouraging. We had a good meeting, and all phases of our work are growing.

Members of the Baptist Church, do not forget the annual conference Wednesday evening, August 1, at 8:15. We are anxious for every member that possibly can to be present. The church roll will be called, and very important business will be attended to. Officers for the ensuing year are to be elected, and reports will be given from the various organizations of the church. Eats will be served at the close of the service. You have no idea what a boost for the church this service will be if practically every member is present. We are a pure democracy. Church is vested in its members. vote. The authority of a Baptist Church is vested in its members. This kind of government is the best on earth if the members are loyal to attend the business meetings. You cannot afford to be absent from this service if you are able to come. Let's close the year's work with a great service.

Sunday School at 10, preaching at 11 and 8:15. Sunbeams at 4, B. Y. P. U. at 7:00, and Annual Conference Wednesday at 8:15. The public has a royal welcome to all our services.

One of the most enjoyable occasions of the Baptist Sunday School occurred last Sunday at the home of Mr. and Mrs. G. W. Jackson. Brother Jackson had invited the Men's Bible Class of which he is teacher, and Mrs. Jackson had invited the T. E. L. Class out to a watermelon eating at 4 o'clock in the afternoon.

The following were present: W. W. Condon, Mr. and Mrs. Luther Rudd, Mr. and Mrs. E. B. Anderson, Mr. and Mrs. J. D. Priddy, Mr. and Mrs. W. T. Sparkman, Mr. and Mrs. A. C. Langlitz, Mrs. J. C. Burdette; Mr. and Mrs. A. M. Hunt, Mr. and Mrs. F. A. Tippen, Mr. and Mrs. G. N. Atkinson, Mr. and Mrs. D. D. Kemper, Mr. and Mrs. R. V. Littlepage, Mr. and Mrs. L. B. Ashley, Mr. and Mrs. B. J. Youngsters present, lucky enough to have parents in one of these classes were Masters Atkinson, Tippin, Condon and Bowman; Misses Tippin, Sparkman, Littlepage, Ashley and Bowman.

The piece de resistance of the occasion consisted of fourteen fine cool watermelons. Thirteen of these fell victims to those present. After also disposing of a big bucket of peaches, the crowd declared they, individually and collectively, could not eat another bite.

Every one left with expressions of appreciation of the fine hospitality of Brother and Sister Jackson.—A Guest.

MRS. M. E. FLETCHER.

Mrs. M. E. Fletcher was born Jan. 29, 1843, in the state of Mississippi. Died July 10, 1923, at the residence of her son, John Keese, in Goldthwaite, Texas. Her home was with her daughter, Mrs. Will Chunn of Austin, but had come to spend the summer with her three sons, Messrs. John and Tom Keese and Monroe Fletcher. Mrs. Fletcher was the mother of eleven children, seven as the result of her first marriage to Mr. Thos. F. Keese, of which only four are now living: Mr. Jas. Keese of Oklahoma, Mrs. Lizzie Ross of Oklahoma, and Messrs. John and Tom Keese of Goldthwaite; and to her second marriage to Mr. Wm. H. Fletcher was born four children: Monroe Fletcher of Goldthwaite, Buford Fletcher of Arkansas, and Mrs. Mattie Chunn of Austin.

She was a consistent member of the Nazarene Church and died as she had lived, a devout Christian. It is because my own life has been enriched by the endearing memories of an intimate association with her for more than a quarter of a century that I beg to pay affectionate and grateful tribute to my friend and sister whom I honored and loved, and who was ever honored and loved by those who knew her best. She was indeed and in truth always and everywhere a noble woman, and in her death another splendid and victorious life on earth has ended, another of God's saints has passed to the Mystic City, another brave and true child of the King has joined the victors in Paradise. In thinking of Mrs. Fletcher the words of the old Hebrew poet comes instantly into mind, "Lord who shall abide in thy labor made Who shall dwell in thy holy hill? He that walketh uprightly and worketh righteousness, and speaketh the truth in his own heart. He that backbiteth not with his tongue, nor doeth evil to his neighbor." These words to my mind is a fine description of the life of our dear friend. She longed for the time to come when her Heavenly Father would call her home where suffering would cease and sorrows would never come. After the trials of many years of maturity she ended a well spent life peacefully trusting in the merits of a crucified Redeemer. She was ever quiet patient, long suffering and kind; she never wanted for herself nor was she ever puffed up. She did not seek her own, she was not easily provoked, she rejoiced not in iniquity, but rejoiced in the truth. She bore patiently and endured to the end. Her greatest ambition was to live up to the standard raised by Jesus of Nazareth the son of God. And that alone is the sort of life and character that shall never fail in this world or the world to come. At all times and under all conditions how entirely real she was. She was always just simply herself, absolutely free from every suggestion of aggressive self-assertion or display. She was genuine through and through. Her generosity of thought and feeling was spontaneous and abounding, and her hospitality was warm hearted and unstinted. Her ear was open to the troubles and perplexities of others. She was ever ready to administer to the needs of others of whatever name or religion.

At her funeral held by Bro. Lee of Goldthwaite, all her children were present except Mrs. Ross of Oklahoma, Mrs. Afelia Brown and her children, Misses Josephine, Hildergard and Louise,

DAVIS-RICHIE.

Thursday afternoon of last week at 3 o'clock, Andrew Davis and Miss Helen Richie were quietly married at the Methodist parsonage, Rev. Josephus Lee, pastor of the Methodist church here, performing the ceremony. They left on the Thursday evening train for Cisco, where Mr. Davis is engaged in the oil business, and where they will make their home.

Mrs. Davis is a daughter of Mr. and Mrs. Joe Richie, who live about three miles north of Goldthwaite, and is a young lady of refinement and culture. She has a host of friends among the younger set here. Mr. Davis is a son of Mr. and Mrs. S. A. Davis of Cisco and enjoys a good position there with the Sun Oil Co.

The Eagle joins their many friends in offering congratulations.

daughters of Earnest Fletcher (deceased) from Lometa, Mrs. Ed Palmer and Mrs. Jesse Carrol from Breckenridge, and Mrs. Jewel Mitchell from Arkansas attended the funeral of their grandmother and gave evidence of how they loved her. The children and grandchildren of the town did everything in their power to administer to her every want. Sad and heavy and full of sorrow are many hearts for that we shall see her face no more on earth but far deeper than all the sorrows and sadness is our great glad rejoicing of the splendid heritage of such a consistent life. After a little more than eighty years of faithfulness she rests from her labors. The strife is o'er, the battle done; The victory of life is won.

W. N. BOWDEN.

Friends of W. N. (Bill) Bowden will regret to learn of his death which occurred at his home in El Paso only a few days ago. His wife, two daughters and a son survive him. The late J. W. Bowden and Mrs. T. E. Elliott were brother and sister to him. The family came to Center City neighborhood nearly 50 years ago. On the organization of Mills County Bill Bowden was elected constable and for some years was active as a peace officer. He was modest and unassuming as an officer but never missed an opportunity to show his courage and efficiency.

He knew the inside of more than one jail where he became a volunteer inmate, that he might earn the secrets and plans of criminals who became his cell mates.

A Godsend to Me Says Mrs. Taylor

San Antonio Woman Praises Stella Vitae for Restoring Her to Health.

"Stella Vitae was a godsend to me and I wouldn't be without it for anything," said Mrs. Josephine Taylor, 1139 Durango St., San Antonio, Texas.

"Every month at the time of my periods my back would nearly kill me. I suffered from headaches, too, and even down in my legs was a misery that made it hard for me to stand any length of time. My food soured and gas caused such distress I could hardly stand it. I was nervous and lost so much sleep at night it made me feel droopy all during the day.

"I got one bottle of Stella Vitae and I have experienced such a great relief that I am going to do all I can to spread the good news of Stella Vitae among the women of this city."

Stella Vitae may be obtained from any druggist and the purchase price will be refunded if it fails to bring relief.—Adv.

JOHN WHATLEY DEAD.

The following clipping is taken from a Dallas newspaper. John Whatley was known in this city, he being a personal friend of Mrs. Hettie Urbach and Mrs. C. R. Taylor.

John Whatley, a member of Painters Union No. 53, died at a local sanitarium Tuesday night and was buried from Brewer's undertaking parlors Wednesday afternoon at 4 o'clock. The funeral was conducted by the local painter's union, of which he had long been a staunch member.

John Whatley was a native of Louisiana and came from fine old Southern stock. He had lived in Dallas for a number of years and was loved and respected by his associates because of his many virtues and excellent characteristics. John Whatley was as honest as it is possible for man to be, he was a Christian of the most sublime faith and he made the world better for having lived in it and by the example he set. If he ever did his fellow man an injury or an intentional wrong no one ever heard of it. His love and devotion to his aged mother, who preceded him to the Great Beyond, was beautiful and was frequently the subject of complimentary remark around Labor Temple, where he loved to spend his time when not employed.

John Whatley had for many years been afflicted with an incurable malady, which finally caused his death, but he was always brave and courageous even unto the end. His death will be the cause of regret and mourning by hundreds of friends in Dallas of other crafts and callings than

Enough to Feed Whole World

If a man could eat three square meals a day for a million five hundred ninety-eight thousand years, he would barely consume the 1,750,000,000 meals that the American Relief Administration has distributed in Russia in the first twenty-one months of its operation. If the present standing army of the United States, comprising 125,000 men, should be put on the same ration it could be fed three times a day for nearly 13 years. If the entire population of the earth should sit down at the table at one time these billion and three-quarters meals, distributed by the A. R. A. in Russia, would be sufficient to feed the entire multitude and there would be 3,000,000 meals to spare. If the billion and three-quarter meals were to be placed on twelve-inch dinner plates, one meal to a plate, the plates edge to edge would reach considerably more than 100 times the distance from New York to San Francisco.

On June 1, the American Relief Administration was still feeding some 3,000,000 Russian children a supplementary meal daily, and it will continue to provide child feeding supplies sufficient to meet the need until the coming harvest. When that harvest is gathered, it is agreed by the relief workers and the Soviet government officials that there will be enough grain in Russia to feed the entire population for a year to come and probably enough to provide an exportable surplus. Lee Kaminef, the acting head of the Russian Government, speaking for that government on the night of June 16, said to Colonel William N. Haskell and his American Associates of the A. R. A. in Moscow: "The thanks we give tonight are nothing compared with those of the millions of people whose lives were saved by the American Relief Administration. In Russia's hour of need America alone displayed courage enough to come to her aid."

Frequent Headaches

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of

Theford's

BLACK-DRAUGHT

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught. Sold everywhere.

Robs Calomel of Nausea, Danger

Medicinal Vitrues Retained and Improved — Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity,—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—(Adv.)

BACKACHE IS A WARNING.

Goldthwaite People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pains thru the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and dare especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Goldthwaite testimony.

Mrs. H. E. Moreland, S. Parks St., says: "I was troubled with my kidneys and bladder. At times I could hardly rest, the pains across my back were so severe. I was also troubled with headaches and had such spells of nervousness I couldn't rest at night. The action of my kidneys were irregular and mornings I had a tinget Doan's Kidney Pills—the same that Mrs. Moreland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Ad. 7-28.
ed, languid feeling and hardly felt like doing anything. I heard of Doan's Kidney Pills and got some at Clements' Drug Store. I highly recommend Doan's for they took all the soreness out of my back and regulated my kidneys. I am glad to say I haven't had a return of the trouble."

Hi Lo SUNFAST Hats

A Hat Is No Stronger Than Its Weakest Link

And the Links that you buy in a hat are Style-Color-Body.

Often Color is the weak link in a hat—it starts to fade almost while the hat is still new. *But not if it's a SUNFAST.* Color is guaranteed in a SUNFAST!

The brightness and snap of a SUNFAST never disappears.

And a SUNFAST has style. And it has body. It is a hat without a weakness!

We carry SUNFAST Hats—a Full Line. All styles—all colors. See them and get a better hat.
