THE CURRENCY QUESTION.

Notwithstanding the fact that thousands of our people are worrying themselves almost to death over the vexed question, even to the extent of neglecting their business, their homes and their duties to their families, there are still thousands upon thousands of smart, hard working, intelligent men pouring into the great Arkansas Valley, the Garden of the West, where the Atchison, Topeka and Santa Fe Railroad offers them their choice of 2,500,000 acres of the finest farming land in the world at almost their own prices.

The Davis Family Troupe, with their ladies cornet band and orchestra, are now on their tenth annual tour, and will be at the Methodist church, to-morrow (Friday) evening, and give one of their highly pleasing entertainments. This troupe is so well known that they need no praise from us. If you wish to enjoy yourself, go and hear them. Tickets, 35 cents; children between 12 and 5 years, 15 cents.

Col. L. F. Copeland, of Indiana, delivered his famous lecture on "Snobs and Snobbery," to a large and appreciative audience at the Methodist church, last Saturday evening. The lecture is one of the best it has ever been our good fortune to hear; it bubbles over with wit and satire, and withal contains good sound sense. He holds his audience through two hours, their interest unflagging, and they are sorry to hear him stop even then, and he leaves the impression that he could have gone on to an indefinite length on the same subject. Died, at his residence on High Prairie in this county, on Sunday, January 22, of dropsy, Mr. R. Vetter, aged 58 years. Mr. Vetter came to this county a few years ago, from Erie, Pa., accompanied by his family. He was a highly respected citizen, and his family have the sympathy of a large circle of friends, in their bereavement. He was a member of the Catholic Church, and was buried, Monday afternoon, near the church in Strong City, the Rev. Eather John E. Wellington, O. S. F., officiating at the funeral. Mr. Vetter leaves a wife, eleven children and several grandchildren to mourn his death. It is with a deep sense of regret that we are called upon to chronicle the death of J. A. Maynard, who departed this life last evening at half past five o'clock, at the corner of Fourth avenue and Sylvan street. A few days ago the deceased came from Colorado, where he had been superintending the works of the Consolidated White Gold and Silver Mining Company. The above is from the Emporia News of last Saturday. Mr. Maynard will be remembered by most of our citizens, having resided some years ago on a farm on Spring creek in this county, and many will regret to learn of his death.

Temperance meetings are now being held in this city at the M. E. church. Mrs. Maria B. Holyoke long officially connected with the Chicago temperance work, afterwards Corresponding Secretary and leader of the Illinois State Woman's Christian Temperance Union, and recently Nebraska State Leader, will speak on "The Needs of the Hour" and "Woman Her foe." With each lecture she will give an appropriate recitation and vocal solo. Her work in Kansas is with the sanction of Gov. St. John; and we understand she is an eloquent and earnest speaker. She gave a lecture, last night, and will give another, to night.

BURNS ANNIVERSARY FESTIVAL.

Last night the Burns Club of this city celebrated the 123d anniversary of the birth of Scotland's poet, Robert Burns, at the Union Hotel, at which the sturdy sons and fair daughters of that land that has produced its Bruce, Wallaces, McDonalds and other noted historical characters, enjoyed themselves together with friends and relatives, until about 2 o'clock, this morning, with vocal and instrumental music, toasts, recitations, and a most sumptuous supper; and right here we will say that the music on the bag pipes, by Mr. H. Jackson, was quite a treat to many who were present, and who had never before heard that instrument played. In fact the entertainment was most enjoyable, and it will be looked back to, in long years to come, by all who were present, as a beautiful island in the ocean of life at which they were permitted to land and refresh themselves with the sacred and hallowed memories of the past, and in the bonds of friendship, mingle together as one common family, with soul answering to soul and heart to heart in the affection of nativity and the bond of patriotism. The following is the programme as carried out: Toast—"The Queen." Response by M. A. Campbell, Chairman. Song—"God Save the Queen." Toast—"The President of the United States." Response by W. A. Morgan. Anthem—"My Country 'tis of Thee." Song, by Mr. Morrison. Toast—"The Land of Our Birth." Response by F. P. Cochran. "Tam O'Shanter," by R. Brash. Toast—"The Land of Our Adoption." Response by Dr. N. A. McCallum. Song, by Duncan McKenzie. Toast—"Success to the Burns Society." Response by F. P. Cochran. Song, by Mr. Morrison. Recitation, by D. McKenzie. Toast—"The Ladies." Responses by Dr. J. W. Stone and Mrs. W. A. Morgan. Song, by Tom Frew. Toast—"The Press." Response by W. E. Timmons. Recitation, by D. McKenzie. Toast—"The Burns Club of Cottonwood Falls." Response by F. P. Cochran. Toast—"The Prosperity, Growth and Progress of Cottonwood Falls." Response by Rev. A. Maxey. Toast—"Present and Absent Friends." Response by Rev. John Taylor. A vote of thanks to the host and hosts of the hotel, and to the President of the Burns Club, for the pleasant manner in which everything was conducted, was then adopted.
