## FATAL DIFFICULTY

In a difficulty at a dance at the home of Lindon Lane, in the Ridge community, last Friday night Knox Edmondson was stabbed and killed. Homer Beckham was charged with the killing and surrendered in Brownwood and was brought here to jail Saturday morning. An examining trial was held before Judge James Rahl Wednesday morning and bond was allowed in the sum of \$5000 to await the action of the grand jury, which convenes in this city May 2. He made the bond promptly and was released from custody.

Mr. Edmondson was a son of R. J. Edmondson, a pioneer farmer and rancher of the western part of the county. He was about 25 years of age and leaves a wife and two small children, besides his parents and other relatives in this county and elsewhere. His funeral was held at Regency Sunday and was attended by a large congregation.

Homer Beckham is a son of Tol Beckham of Elkins, former postmaster at Zephyr. He is about 21 years of age and unmarried.

Katherine Hodges gave a reading, "A Modern Grandmother." Mrs. C. A. Eacott displayed one of the pictures painted by Benjamin West, "William Penn's Treaty with the Indians," giving a brief account of the artist's life.

During the business session of the club, Mrs. Roy Rowntree, district chairman of committee on literacy, was chosen as a delegate to the sixth district Federation club meet at San Angelo, April 18, 19 and 20. ### Will Repair Bridge

A contract was made with Percy Smith for repairing and bracing the center pier of the Slack crossing bridge on the bayou. The court also expects to have some other repairs made on the bridge soon.

### Salaries Reduced

The court made some pretty heavy slashes in salaries and ex-officio allowances at this term. Beginning with their own salaries, the commissioners cut them 10 per cent and the allowance of the county judge and ex-officio superintendent was reduced 7½ per cent. The treasurer's fees were reduced from 1½ per cent on in and out to 1 per cent. The sheriff's ex-officio allowance was reduced 50 per cent, the district clerk 25 per cent, county attorney 20 per cent, the county agent 16 per cent.

No reduction was made in the county clerk's allowance and County Clerk Porter appeared before the court and suggested that his allowance be cut also, but the court stated that he was required to do so much work for which he received no pay at all that it would be manifestly unfair to reduce his allowance.

### LEGION TO MEET MONDAY

## WILL ABANDON TWO TRAINS

If the plan of the Santa Fe Railroad company is accepted by the state railroad commission two passenger trains on this road will be abandoned, i. e., the train arriving from Temple in the evening and the one coming from the west in the morning. This will give the town just one train each way every twenty-four hours, which will be the train coming from Temple each morning and the one from the west at 10 o'clock at night. Representatives of the railroad company circulated a document among the business men here this week agreeing for the two trains to be abandoned. Their statement showed that the railroad company was losing heavily by the operation of the two trains, neither of which received enough patronage to pay one-fourth of the expense of their operation. The matter will have to be submitted to the railroad commission and authority granted to take off the trains before such action can be taken.

## DISTRICT MEET

The Interscholastic League meet for this district will be held in Brownwood April 22-23. Winners in first four places of track and field events in both A and B, in the county meet, are eligible to attend the meet.

Mrs. Rowntree, one of the new members of the board, was present, but Mr. Summy, the other new member, was unable to be present, on account of the illness of his sister.

## SCHOOL PLAY

Nabors Creek school will entertain the public with a play at the close of school the night of April 22. The title of the play will be "Wild Ginger," and those taking part have been carefully trained and the cast well selected. There will be no charge for admission and a full house is assured.

## BONUS FIGHT IN CONGRESS

Advocates of the Patman bill, which provides for immediate payment of the so-called soldier bonus, appeared this week before the Ways and Means committee of the house of representatives in Washington and presented their reasons for favoring the bill.

If it is not reported favorably without delay, its sponsors plan to force it to the floor of the house for a vote. The leading opponents of the bill so far have been the secretary of the treasury and the head of the New York Federal Reserve Bank.

## BIRTHDAY CELEBRATION

Another milestone on the way of life was passed by Mrs. Sophia (Grandma) Schweining on last Sunday, April 10, when all of her children, except one son in far-away Oregon, and many of her grandchildren and great grandchildren gathered at the home of her daughter, Mrs. Henry Martin, to celebrate the occasion.

Lovely gifts of every description were showered upon Grandma on this, her eighty-ninth birthday. The home was filled with beautiful flowers of many kinds and baskets and bowls of delicious fruits were there also, besides many gifts of wearing apparel, to make glad the heart of the lovely old lady.

These home-comings and reunions are a great joy to the members of the family as well as bringing cheer and sunshine into the life of her who will never be able to look upon the earth's bright rays again in this physical life.

At noon a wonderful dinner, which had been prepared by the competent hands of the daughters, was spread for the forty-seven relatives and five guests, who were Mr. Wehmyer of San Antonio, Mr. and Mrs. R. M. Thompson and Mr. and Mrs. F. D. Webb. In the afternoon there were other friends and neighbors invited in to take communion with Grandma, which was administered by Rev. H. H. Dare and Rev. J. S. Bowles. After the communion service the hymn, "Blest Be the Tie That Binds" was sung, with Mrs. Chas. Dufner at the piano. Then two beautiful birthday cakes were brought in and presented to Grandma—one by Mrs. F. D. Webb, the other by Mrs. M. Y. Stokes, Jr., one with the word "Grandma" placed on in fancy icing, the other with the number "89" made with tiny candles, which Grandma attempted to blow out. The cakes were then cut and passed with glasses of punch to all present.

The afternoon guests were Mr. and Mrs. M. Y. Stokes, Jr., and two sons, Mrs. Frank Smith and her daughter, Miss Emmaline, from Dallas, Mrs. Stokes sang two very touching songs—"Oh, Time Take Me Back to My Mother" (by Bond) and "Friend of Mine." After which some other very sweet old hymns, favorites of Grandma's, were sung by all.

The relatives attending were: Mr. and Mrs. Emil Zuhlke, Mr. and Mrs. Alma Brockman, Mr. and Mrs. Chas. Dufner, Mrs. Roy Towers and son, Mr. and Mrs. E. A. Lange and four children, all of San Antonio; Mr. and Mrs. Will Hiller of Shive, Mr. Fred Schweining and daughter, Miss Erna, and son, Fred, Mrs. Sophia Thiers and little son, Otto, Mr. and Mrs. Dennis Fischer, Mr. and Mrs. Alfred Thiers and little daughter, Dora Betty, all of Roosevelt; Mr. and Mrs. T. A. Lange, Mason; Mr. George Schweining and three sons of Antlers, Okla., Mr. Alfred Schweining and daughter, Miss Mary, and two sons of Sonora, Mr. Geo. Schweining, Jr., and small son from Abilene, Mr. and Mrs. Ernest Hiller and three sons of Shive, Mr. and Mrs. Henry Martin and Mrs. Fred Martin and two daughters, Goldthwaite.

## BAPTIST CHURCH

Sunday being cold naturally made it an off day as far as Sunday school and church were concerned, but we are still looking for spring to arrive and when it comes doubtless we will go right on with our regular attendance, gradually increasing our number.

We have visited many places in the last few weeks, making talks and listening to others and we must confess that there seems to be more unrest, and dissatisfaction among the people than we have ever seen. The writer of these notes is about the only one we know that is satisfied. Even his wife is just a little restless since the closing of school, but she will be all right as soon as she gets used to eating her own cooking.

We do not believe that any one person or group of persons is responsible for this condition, but we believe that the people in general have had something to do with our present situation. We are just reaping what we have sown. The wise man said: "Where there is no vision the people perish." The word "perish" means "run wild," and that is exactly what we did and the reason for this everything was run on the money basis. Our government, churches, schools and social life, were all gauged by the money we had, and men sought positions because of the price paid and not for the service they might render to mankind. Certainly not all did this, but many did and we have spent our money for that which was not bread and today many of us are asking for the crumbs that fall from the man's table that looked into the future and saw that a day would come when the tide of the affairs among men would change. So many of us tried to keep up with the Greens, Blues and Reds, that we spent every dollar we made and today we are doing our best to stay up with the fellows in the social life and we are spending money that belongs to those who are feeding us. We know several homes that are almost bankrupted as a result of trying to "cope" with the big boys. The sooner some of us learn that little boats ought to stay close to the shore the better off the community in general will be.

We saw a picture the other day of a cross and on that cross was a man that had been nailed there by His enemies. At the foot of this cross was a woman with her arms around the feet of the one hanging on the cross and her eyes were fixed, looking into the face of the one on the cross, and these words were painted on the foot of the cross: "The world needs to come to the cross." Here is your solution to all our ills. If you are tired and weary, come to the cross. If you have a burden, come to the cross. If you have a sorrow, come to the cross. If you are hungry, come to the cross. If you are thirsty, come to the cross. If you need a friend, come to the cross. If you need a home, come to the cross. In my Father's house there is raiment, food, water and a home for those who will come to the cross.

My friends, if you are a Christian you have been to the cross, but some of you who read these lines have strayed away. No Christian can engage in some of the things you are engaged in and stay at the foot of the cross. If we could only get our church members to come and stay at the foot of the cross, most of our evils would be eliminated and society would be made a safe place for our boys and girls. Christian, will you allow me to appeal to you thru these notes to come back to the cross? Why, oh, why, can't we all gather around the cross and have all our misunderstandings short-comings and failures settled and love each other and love God and love His church?

Let every Baptist and as many others as will come to our church Sunday. Come in the right spirit. Come for the purpose of helping and being helped.

## SCHOLASTIC CENSUS

The scholastic census of the county has been taken, but all districts have not yet reported to the county judge. However, Judge Simpson estimates there will be an increase over last year. The total last year was 1466 and it will likely reach 1500 this year. This, of course, is outside the two independent districts. The Goldthwaite census shows 457 against 452 last year. It is hoped all the figures will be in by next week.

Lost 20 Pounds of Fat In Just Four Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast — it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at Hudson Bros., or any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

**TEXACO FIRE-CHIEF GASOLINE**

Developed for Fire Engines.  
Yours at no extra price

The U. S. Government specifies for its emergency use

“... a grade of motor fuel which is suitable for ambulances, fire-engines, emergency vehicles,—”

(Excerpt from Federal pamphlet VV-M-571, July 21, 1931)

The Texas Company produced it for your every-day use

—a vastly superior motor fuel with every quality which makes for finer carburetion and instant power. Authorities said that the gasoline specified by the Government could not be produced for general consumption at any reasonable price until—

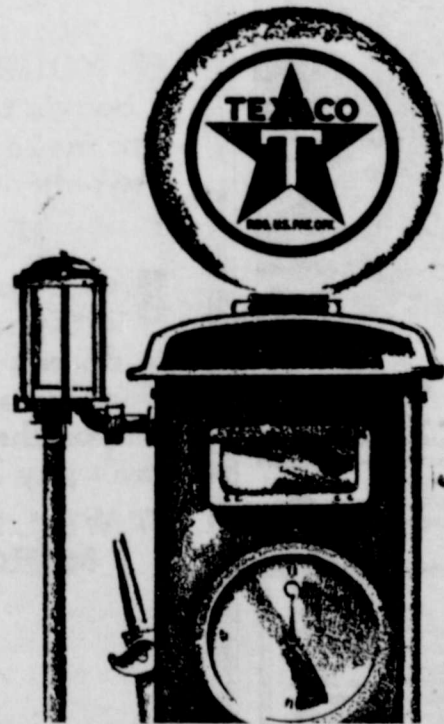

An advanced process, developed and perfected by The Texas Company, made possible the production of this “ideal” gasoline on a commercial scale and made it practical to offer it to you at no extra price.

That gasoline is the new Texaco Fire-Chief. It surpasses the highest U. S. Government specifications for “emergency” fuel. It is an anti-knock gasoline with an octane rating that is outstanding—it’s alive with snap, dash, action—brimming over with eager power.

Confirm this good news for yourself—today! One tankful of this sensational new gasoline will demonstrate power that is power. At 60,000 dealers in all our 48 States.

Women's rights it seems, were not settled when political equal suffrage was adopted. Equal rights for women is still the most important question in American life today, according to a questionnaire conducted among 6000 women by the editorial staff of the Country

Home. Fifty-one per cent of all the women who answered the questionnaire selected this as the “greatest and most important question” of a long series submitted for their selection. Most of them narrowed their interest down to money matters—the right of a wife as a partner to share fifty-fifty in the family income.

The arguments brought to bear on the subject were many and varied. A Kansas answer carried the following endorsement: “When I was thirty, I would have stuck up for the old idea that man is the natural head of the family. But now, at sixty-two, I am convinced that an actual partnership with the wife would be the salvation of many homes that otherwise will

be wretched or wrecked. Experience has demonstrated that, under our present system of equality in education and opportunity, woman is not only man's equal mentally, but often his superior in business acumen; and she is entitled to full participation in everything pertaining to the welfare of the home.” An Indiana woman wrote: “I

have traveled the whole road. This very question almost broke my heart. I let my husband get hold of all the money I got from my parents. He spent it all for his farm and his good. I have no modern conveniences, with an electric line right in front of our farm home. I have no water in the house. I draw cistern water. I had seven children for him and had to raise

chickens to clothe myself and the children. And what good was it all! There are no people in a shroud.”

The campaign has grown more  
interesting in the last few weeks  
and candidates are now inter-  
viewing the voters in all parts of  
the county every day. The re-  
sults of the July primary will no  
doubt bring some surprises and  
it is sure interest will grow in  
political matters until that time.

**Henry Taylor**

District Attorney Henry Tay-  
lor this week makes announce-  
ment of his candidacy for the  
office to succeed himself. He has  
made a splendid record in the  
office and has attracted to him-  
self many friends, because of his  
faithful and able discharge of  
his duty. He is always in his  
place looking after the state's  
interest in the trial of criminal  
cases or giving the grand jurors  
the benefit of his legal knowl-  
edge and his experience in the  
handling of indictments and  
evidence. He has never been un-  
fair to a person charged with an  
offense, but he is recognized as  
one of the most able prosecutors  
ever filling the office of district  
attorney in this district. His Mills  
county friends are enthusiastic  
in his support.

**CITY TEACHER SUCCEMBS  
AT ABILENE HOME**

Mrs. Cleo Scott, teacher in the  
Abilene public school system for  
nine years, died yesterday at  
1:35 p. m. at her home, 426 Palm  
street, following a brief illness  
of pneumonia. She had been  
teaching this year in the inter-  
mediate grades of Central school.

Funeral service is to be held  
this afternoon at 3:30 o'clock  
from the First Christian church,  
of which Mrs. Scott was a mem-  
ber. Dr. E. D. Salkeld, pastor,  
will officiate, and interment will  
be made in the Masonic cem-  
etry here.

Mrs. Scott was the former Cleo  
Ford, born at Thayer, Kan., Sep-  
tember 16, 1891. She was the  
daughter of Mr. and Mrs. C. H.  
Ford of Goldthwaite, who were  
at her bedside when death oc-  
curred.

Besides her parents, Mrs. Scott  
is survived by three children, Ed-  
ward, Madeline and Sarah Dell;  
two brothers, George C. Ford of  
Hampton, Ia., and Phil Ford of  
Abilene; two sisters, Mrs. Ruth  
Chambers of Abilene and Mrs.  
I. E. Barbour of El Campo.

With her parents, Mrs. Scott  
moved from Kansas to Gold-  
thwaite in 1899 and was gradu-  
ated from the high school there  
in 1908. Three years later she  
was married to J. P. Scott. After  
moving to Abilene she attended  
Abilene Christian college and  
Simmons university. She had  
been connected with the Abilene  
public schools for the past nine  
years.—Abilene Reporter.

The bereaved parents and oth-  
er relatives have the deep sym-  
pathy of the people of Mills coun-  
ty. Mrs. Scott grew to woman-  
hood here and was known and  
loved by a host of friends.

at the Brownwood hospital. We  
hope he will soon be able to be  
brought home.

Lenville Calder spent Saturday  
night with Lois Williams.

J. T. Edgins spent Sunday  
night with his sister, Mrs. Ruby  
French.

Viva Delbeck is still doing well.  
However, it is reported that it  
will be quite awhile before she  
will be able to return home, as  
some grafting of skin is neces-  
sary about her face before she  
will entirely recover.

Tommy Cryer and Miss Johnny  
Mosier called on Miss Vera Con-  
ner awhile Sunday afternoon.

The teachers have all got moved  
into the new teahouse.

The pupils and teachers are all  
very busy preparing a program  
for the close of school. Steady  
practice is now in progress on  
the play "Cabbage or Dollars" to  
be rendered by the high school  
pupils some time in the near fu-  
ture. Watch for the announce-  
ment of the date.

News is scarce this week, so I  
will ring off until something else  
happens around the "Point".  
BO-PEEP.

**MOUNT OLIVE**

This reporter was never as  
happy as he is tonight. I am  
happy to know I try and have  
to obey the laws that Uncle Sam  
has the nation to live by. I re-  
joice that I have neighbors that  
are afflicted the same way.

Before I proceed with the news  
I will say a few words about our  
school.

At present we have secured  
enough students to justify the  
addition of our third room. How-  
ever, we will be greatly pleased  
to have a greater plurality of  
transfers from our surrounding  
neighboring communities. What  
we need most of all is more co-  
operation. We are still after our  
school piano and the readers  
who were reared here at Mount  
Olive are kindly reminded to aid  
us in this purchase. This would  
be an excellent way to pay trib-  
ute to their home community.  
With the piano, our singing class  
will progress wonderfully rapid.  
The outsiders presented the  
play, "Happy Valley," Friday  
night and the schoolhouse hard-  
ly held the attendance. Now the  
school is preparing for the last  
of school and have decided to  
present the play, "Sh, Not So  
Loud!"

Our singing at Mr. Huckabee's  
Sunday afternoon was extreme-  
ly good. The new books arrived  
Saturday, just in time.

The Mount Olive singing class  
meets at Lee Stewart's Sunday  
night and everybody that loves  
to sing should attend. The class  
will sing out of "Tuneful Praise".  
Singing will begin at 7:45 p. m.  
Jap Brown entertained the  
young folks with a dance Satur-  
day night.

Vernon Harris and wife, stud-  
ents from John Tarleton, spent  
the week end with their parents,  
Mr. and Mrs. Bob Harris.

Miss Minnie Cody spent the  
week end at home.

In closing this reporter gives  
college farmers a word of ad-  
vice. To keep from cutting mat-  
ured cockleburrs, to prevent  
cows from distributing them,  
just cut the hair out of the cow's  
tail. This scheme saves lots of  
labor.

**AUTHORIZATION RECEIVED  
BY LOCAL JOHN DEERE  
DEALER**

R. L. Steen & Son, local John Deere dealers, announce that they have received authorization from John Deere Plow Co. to put into effect immediately an offer that guarantees a higher scale of prices on varying quantities of corn, wheat and cotton, in the purchase of John Deere tractors, combines, windrowers and threshers.

Many farmers, according to Mr. Steen, are in need of new machines in order to produce their crops economically. They are hesitating about buying new equipment because of the fear that prevailing low prices of farm products will continue.

To meet this situation, John Deere, through its local dealers, offers guaranteed prices. If the price of corn, wheat or cotton does not reach the guaranteed price at the time payment becomes due on notes given and maturing this fall, farmers buying machines included in the offer, will receive a credit to make up the difference.

R. L. Steen and Son are in position to explain in detail the workings of this offer and invite farmers interested to see them at their earliest convenience, in order that they may take advantage of this plan now so that their production costs can be kept down to the minimum this year.

**ROCK SPRINGS**

Sunday was another windy day. There was Sunday school at eleven, but no preaching, as Bro. Renfro went to Regency to conduct the funeral service of Mr. Edmondson. He was back for the singing in the afternoon and preached Sunday night.

From all reports the singing was better than it has ever been. We are glad more are getting interested. Don't forget to go to Center Point fourth Sunday afternoon.

We are glad to say J. M. Traylor is improving this week.

Duke Clements and wife took Mrs. Dwight Nickols from town, and Miss Bess Hutchings from Center Point and Mrs. Eula Nickols to Abilene to Mrs. Cleo Scott's funeral. Mrs. Scott was a cousin to all who went. It was a very sad funeral. She leaves one son and two daughters, besides a father and mother, two sisters and two brothers and other relatives who will miss her. It is our loss, but heaven's gain.

The teachers here are rustling for schools. We hope everyone gets a school sooner or later.

Mrs. Charley Miller and Alford Johnson and wife from west Texas visited in this community last week.

If this cold weather keeps up there will be some who will have to haul more wood.

There will be church Sunday morning by a preacher from Brownwood and in the afternoon there will be a program rendered by the young folk.

The W. M. U. met Monday afternoon with Mrs. W. A. Daniel with ten present. Mrs. Frank Davis was leader, but she was absent, so Mrs. Claud Smith read the twenty-fifth chapter of Matthew. We discussed the chapter. It was a good lesson. We are to meet next time with Mrs. Smith and Mrs. Harvey Dunkle will be leader.

like to say "thank you," but since  
that is impossible it is by this
