VOLUME FIFTY-FOUR

GOLDTHWAITE, MILLS COUNTY, TEXAS — FRIDAY, AUGUST 22, 1947

NUMBER ONE

LIONS CLUB HEAR REPORT FROM LIONS INTERNATIONAL MEET

The Goldthwaite Lions Club meeting in regular third Tuesday night meeting heard Lion W. E. Cantrell of Lometa report on the recent Lions International convention which he attended in San Francisco. Mr. Cantrell, former superintendent of the Goldthwaite schools, made a fine talk, which was enjoyed by the club members present.

The Lions also talked about the Turtle Race which was held here Wednesday afternoon and netted the club about \$140, which will be used to carry on civic enterprises undertaken by the club.

William Campbell's "33" won first place in the Turtle race and \$25 for its owner; Lester Bain won second and \$10, and O. O. Smith third and \$5. Campbell's No. "33" terrapin will be entered in the Brownwood American Legion district derby next Thursday, Aug. 28. The winner there will be entered in the state terrapin derby at Dallas.

MASONIC MEETING AT LAKE B'WOOD

Brownwood Lodge No. 279, A. F. & A. M., will hold its annual meeting on the shores of Lake Brownwood on August 22, 1947. All Master Masons are invited to hear an address by M. W. Grand Master, R. Bruce Brannon. The Master's Degree will be conferred in full form. The meeting will be held near the dam of Lake Brownwood, nine miles north of Brownwood. Interesting programs will start at 4:30 p. m. Barbecue supper. In case of rain the meeting will be held in Brownwood, Memorial Hall.

TOMORROW IS ELECTION DAY

Tomorrow, Saturday, Aug. 23, is special election day over Texas. One Constitutional Amendment is to be voted on -- to see if the voters of Texas want to use 5c of the Confederate Veterans fund to build additional college facilities over a period of 30 years for state supported colleges.

BANK TO BE CLOSED SATURDAY — ELECTION

The Trent State Bank will be closed Saturday, August 23, Constitutional Amendment election day. The Bank will also be closed Monday, Sept. 1, for Labor Day.

GIANTS BEAT DUBLIN 4-2 IN 11 INNING

Last Sunday the Goldthwaite Giants beat the Dublin Shamrocks 4 to 2 in eleven innings of thrilling base ball at Dublin. This win kept the Giants in the running for the league champions.

Goldthwaite played host to the league leading Metal Wells Resorters this coming Sunday, August 24. The Resorters have lost two games and the Goldthwaite boys have lost three. If Goldthwaite wins Sunday they will be tied for first with Mineral Wells.

A large crowd is expected to see this crucial contest. Game will be called at 3 p. m. at Legion Park.

"Why should I go to church or Sunday school while Dad plays golf or takes the auto out?" Many a youth has asked himself this.

Take Him to Church

Lessons learned in youth will never leave him. Give him the best possible moral foundation. He will go to church most willingly if you go also.

If you are not tied to another congregation, come Sunday and worship with us.

CAR STOLEN HERE LOCATED THIS WEEK

Mills County Sheriff W. L. Mahan and H. C. Carothers, owner of the 1940 Ford Coach stolen from in front of the Melba Theatre here on July 23, expect to leave soon for Amhurst, Lamb County, to return the car here.

The sheriff of Lamb County phoned Mr. Mahan this week that the car had been located at Amhurst and had been sold to an innocent purchaser. The man who stole the car has not yet been apprehended, but his name is known to officers.

Mr. Carothers' car was parked in front of the Melba the night of July 23 with the key in the lock. When he notified Sheriff Mahan he gave the last year's license number instead of this year's. Sheriff Mahan had a statewide broadcast made immediately and the next day re-broadcast the correct license number.

Citizens are cautioned not to leave keys in their cars, and if stolen to notify the sheriff immediately and be sure the correct 1947 license number is given together with motor number, model and make.

A NEW ARRIVAL

Little Wanda Aleen was born August 4th at the Hamilton Hospital. She weighed eight pounds. The proud parents are Mr. and Mrs. Dealbert Carter.

\$5 PENALTY FAILURE TO REGISTER CAR TITLE WITHIN 10 DAYS

Mill County Sheriff, Tax Assessor-Collector W. L. Mahan has received the following letter from State Highway Engineer D. C. Greer relative to transfer of titles to automobiles and registering of house trailers:

"Attached please find a copy of House Bill 75 which was passed at the regular session of the Fiftieth Legislature. This Bill provides for the reinstatement of the registration transfer and also provides that application for transfer of registration and title shall be filed within 10 days of the date of such transfer. A fee of 50 cents is required for transfer of registration and a penalty of \$5.00 is imposed for failure to apply within the required number of days."

"House Bill No. 254 passed by the 50th Legislature authorizes this Department to charge a fee of \$1.00 for each serial number assigned to a House Trailer and for each motor number assigned to a motor vehicle when the owner has installed a new or rebuilt motor and when such motor does not carry a motor number. "This law becomes effective September 5, 1947. Application for assignment of a serial or motor number must be made on Form 65 and sent to this department with proper evidence of ownership. After September 5, 1947, a fee of \$1.00 in cash must accompany each application. The evidence and the assigned number will be returned to the applicant."

NOTICE OF ELECTION

Notice is hereby given that an election will be held at the Midway Schoolhouse on Friday, August 29, 1947 to determine whether or not a majority of the qualified voters residing in the Midway Common School District No. 51 favor consolidation of the Midway District No. 51 with the Goldthwaite Independent School District for school purposes.

JOHN L. PATTERSON, Co. Judge, Mills County. 8-22-27.

SCHOOLS TO OPEN ON SEPTEMBER 8TH

At a recent meeting of the Board of Trustees of the Goldthwaite Independent School District, it was decided to open the 1947-48 term of the Goldthwaite Schools on the second Monday in September—Sept. 8. Indications point to the best term in the school's history.

Misses Abbie and Ruth Ervin spent last week-end in Ranger with relatives.

Seven Home Football Games Here During Season - Sept. 26 To Nov. 21

Although the Goldthwaite Eagles have been dealt a stunning blow by circumstances beyond their control they still exemplify their fighting spirit and determination that have always made them a strong contender in District 32-A by not quitting or giving up but by pointing toward the 1947 season with high hopes and enthusiasm.

The Eagles' 1947 home schedule promises to be the longest in their history—with seven home games. These games will bring to town such worthy opponents as Austin's School for the Deaf St. Edwards University's High School, San Marcos Baptist Academy Waco Methodist Home and others. These teams have left the toughest Class A high schools in the state in their wake in recent years. However, the Eagles wish to assure their supporters that they refuse to be a breather for any Class A competition this season.

With a forward wall composed of returning lettermen such as Carlin Wicker, converted from tackle to center, shows promise of being the best pivot man in Eagle history; Worth Long Hamill Lynch and Douglas Humphries will be able to mix it with the best of high school guards; Gene Long, Don Humphries and Wilbur Heath, all give huskies that won't take a back seat for any Class A tackle this season. The Eagles find themselves weakest at the end position with three small wingmen back from last year. All played a lot of ball last season and the rougher the going gets the more they dig in. They're Wayne Wilcox, Harold Kahus and Jackie Gerald. Besides these boys the Eagles have such promising youngsters in line as Billy Hansen, Red Miller, David Hill, Jesse Hammond,

Billy Rahl, Billy Mac Stark and several others. The Eagles have a backfield made up of four returning lettermen and several other boys who show a lot of promise. The lettermen are Billy Miller, Jimmy Laughlin, Dick Lindsey and Herman Anderson. The best performances of these four boys is evidence enough that they can deliver the goods. Other boys who will lay a lot in the Eagle backfield are John Alex Miller and R. H. Johnson. In spring training John Alex looked like a coach's dream, especially on defense. Johnson wasn't out for spring training but played a lot of ball last season and has the makings of a fine field general. Other backs that will be in there making the first string hustle will be Billie Joe Heath, Larry Simmons and Ralph Massey. The Eagles will start practice the second day of school, the 9th of September. They play their first game at home September 26 with Waco Orphans Home.

COUNTY AGENT NEWS --

WHEAT FARMERS
The U. S. Department of Agriculture in the past 10 years has released 30 new and improved varieties of wheat to be used by the American farmers.

For the farmer here in the West Cross Timber Section, the variety known as "The Austin Winter Wheat" seems to be best adapted.

The Austin Winter Wheat is not as winter hardy as some varieties of wheat, but it will stand the cold weather as far north as the Fort Worth-Dallas area. Its chief asset is that it is very resistant to stem rust and head smut.

A good per cent of our farmers are already planting Austin Wheat Seed and to those who have not tried it I recommend that you try it this fall as I believe you will certainly increase your yield.

BOARD OF EQUALIZATION APPOINTED AT COUNCIL MEETING

A Board of Equalization of five members was appointed by the Goldthwaite City Council at a special meeting Wednesday night to equalize city taxes in order that money may be available to build sidewalks leading to the Goldthwaite school buildings. The members of the board of equalization announce they will meet as soon as possible, probably next week.

The City Council appointed the following men to compose

Fans, let's get behind the Eagles and stay behind them, because this season more than ever before they need your utmost support. The following is the home schedule:

SAFETY TIP OF THE WEEK

DREAMERS TAKE WARNING
If you happen to dream about killing a bear, that's lucky, according to dream books. But if you just dream about seeing a bear, that's bad—you're warned to avoid overconfidence and to be careful when travelling.

Dreamers, and all people who tend to get sleepy after too many hours behind the wheel, need that warning. Fatigue is an opiate—reactions become slower, judgement dulls, although the driver is hardly aware of it. Lulled by the rhythm of the engine hypnotized by the ribbon of road ahead, an overtired brain often blanks out for a short second—long enough for the wheels to wander from the road, long enough for a fatal sideswipe or head-on collision.

National Conservation Bureau safety specialists say the best cure for fatigue is prevention—limiting hours of driving; pulling up at intervals for a cup of coffee or a bite to eat. Dreaming of bears is always luckier in bed than on the highway!

"OUR TOWN IS DOING ALL RIGHT ... THANK YOU!"

"The other day a visitor from another city inquired how our town is getting along since we own and operate our own Electric Utility System.

"I was mighty happy and proud to tell him that we are meeting our obligations, paying for our electric system, and enjoying the same low rates which we adopted before the war.

Our summer revival with Bro. J. B. Tidmore, minister of the Church of Christ at Lometa, doing the preaching, will begin this Friday night. Dinner on the ground Sunday. You are cordially invited to attend.

A shower fell here Monday morning cooling the atmosphere and running off the house enough to water the flower beds.

The White reunion met at the river at Regency August 8, 9, and 10. Mrs. Martha Louise White, who will be 88 October 2, the oldest member of the family, lives with her daughter, Mrs. Henry Egger at Regency.

Five of her children, Herbert of Tankersley, Cuver of Mountain Home, Ark., Mrs. Willie Egger of Regency, Leslie of Mertzson, and Mory of McCamey and also a stepson, J. L. (Bud) White, of Leuders were present. One son, Ira, of Lufkin did not attend. One daughter, Mrs. Jack Griffin, died in the flu rage of 1919. Her son, Melvin Griffin, of Houston together with his wife and their charming nine-month old daughter, Nancy Ann were present.

Mrs. Herbert White and four of their daughters, Mrs. Oneita Fields of San Angelo, Mrs. Imogene Griffin and Jerry Nell of San Angelo, Mrs. Warren Clendenen together with her husband and two sons, Walter Von and Leon of Ozona, and Miss Mary Ellen White of Albene

Christian College were present. From the Leslie White family, Mr. and Mrs. L. D. White of Mertzson and Mr. and Mrs. Harry White of Houston were present. From the Mory White family, Mrs. White and a son, Marvin, and wife and baby, Edward, of Fort Stockton were present.

The Buck White family was represented by one son, Clyde, and wife of Baird, and two daughters, Mrs. Farris Bennett, and husband of Baird and Mrs. Ila Falls of Bowie. Mrs. Falls had with her, Sally White, daughter of her brother, Welton White, of Amarillo. Sally is the only grandchild of Buck White.

The J. D. White family came to this community about 1893. They bought a place along Buffalo

CHOICE BILLY FOR CONGRESSMAN— O. C. Fisher, San Angelo, takes a peek at the fleece of this choice billy, which was purchased by Adolph Stieler, Comfort, Bryant Hunt, and Fred T. Earwood, (standing left to right) both of Sonora, on a high bid of \$680 at the 27th annual sale of the Texas Angora Goat Raisers' Association in Fredericksburg. Lad holding billy is Charles Orr, 17, young Rock-

falo Creek not far from the river where they lived till all their children were grown and married. The place is still the property of Mrs. White. Among the visitors to the reunion were Mrs. Edna Dwyer, Mr. and Mrs. Austin Cawyer and Edna Beth, Mr. and Mrs. Cecil Egger and Ynell, Mrs. Annie Curtis, Mrs. Melvin Pafford and children, Mr. and Mrs. J. R. Briley, Mr. and Mrs. Charles Griffin and Henry and Johnny, and Ernest Malone. One of the things we most enjoyed was the presence of Cuver White, Bud White, and Mr. and Mrs. Herbert White and their daughters, Mrs. Griffin and Jerry Nell, Mrs. Clendenen, and Miss Mary Ellen White when they met with us for Sunday morning worship. Clayton Egger of Jacksonville spent the weekend with his mother, Mrs. Effie Egger. Mr. and Mrs. Hubert Reeves had their children's tonsils removed Saturday. The Wilmeth clan including Mr. and Mrs. J. R. Wilmeth of Brownwood, Mr. and Mrs. Ralph Wilmeth and children of Brooksmith, Mr. and Mrs. Aus-

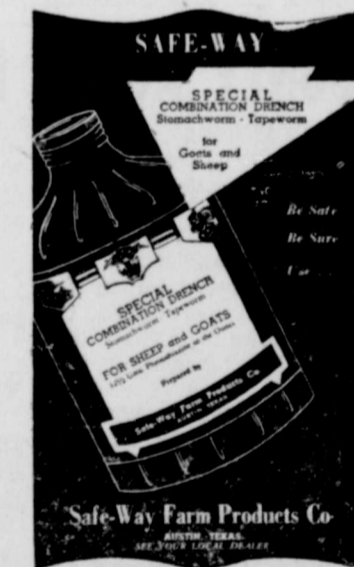

tin Cawyer and Edna Beth of Orange, Mrs. Nelle Malone, Ernest Malone, Mrs. Paul McClung and children of Plainview, Mr. and Mrs. J. R. Briley, Mr. and Mrs. Wm. A. Belich and Billy and Mrs. Edna Dwyer met at the Dwyer home Wednesday for a buffet dinner and a delightful swim in the river in the afternoon. The Wilmeth house, occupied by the Taylor Duncans, is looking up with a nice new coat of paint. The Briley home joined the march of progress last week and installed a butane plant with a beautiful new stove in the kitchen. We hear the Blue Thompson

family are visiting Carlsbad Cavern and touring Colorado this week. In compan with Mr. and Mrs. Austin Cawyer, Mrs. Edna Dwyer and J. E. Egger, we made a business trip to Goldthwaite Monday. And that five miles of newly paved farm to market road out our way really is a thriller. If it should ever reach out here, we would feel that we had reached a new era. The cotton insect has started getting the one bale out of every seven that he usually gets in Texas. Insect control is necessary if Texas farmers get that extra bale to the gin.

RYE VALLEY SCHOOL DISTRICT ATTACHED

In its meeting of Tuesday, August 12, 1947 the Mills County Board of Education made an order to abolishing the Rye Valley District No. 24 and attached Rye Valley District to the Goldthwaite Independent School District. This order was made under authority given County Boards of Education by Article 2742 - 1, Sec. 1 relating to dormant school districts.

COLOR, THRILLS IN FILM STORY OF MUSIC GENIUS

Intriguing and delightful entertainment, as keenly conceived as the spectacular whiplashing duel that provides but one of its many highlights, sounds the keynote for Universal-International's romantic musical extravaganza, "Song of Scheherazade," which opens at the Melba Theatre Saturday 10:30 p. m., Sunday and Monday.

Done in the warm tints and chromes of Technicolor, the production doesn't miss a page in the book of audience appeal. Each phase of the presentation has been paced for interest and enjoyment, from the dashing, heart-stirring story of one of Rimsky-Korsakoff's early adventures in love, to the expert blending of the composer's most popular musical masterpieces into the romance.

Added to these fortunate qualities is the imposing player list, headed by co-stars Yvonne De Carlo, captivating dancing beauty; Brian Donlevy, character artist, and Jean Pierre Aumont, the charming and personable French actor.

Miss De Carlo, in a full-scale classic dancing role, gives a fiery interpretation of the vivacious Spanish girl who carries on her clandestine terpsichorean career in a shoddy Moroccan cafe.

Donlevy, swaggering, hard-bitten captain of a Russian Naval training ship, stamps out a rugged and stormy character that should rank with his best screen interpretations.

Aumont is sincere, suave and capable in his convincing portrayal of Midshipman Rimsky-Korsakoff.

Eve Arden sparkles in a whimsical characterization, and Philip Reed is engagingly handsome as a Russian Prince.

WARNER'S LAUGH RIOT AT MELBA THEATRE

When a millionaire auto tycoon, who rose from humble beginnings with little more than a tremendous store of energy and a fierce individualism, re-enters being turned out to pasture on his palatial west coast estate, his only recourse is to secretly buy a run-down filling station with a poor but ambitious young man. At least that is what happens in Warner Bros.' exciting new comedy-romance, "That Way With Women," starring Dane Clark, Martha Vickers and Sydney Greenstreet, showing Saturday night only at the Melba.

"WESTERNER" UNFOLDS SWEEPING SPECTACLE DRAMA

Action-filled scenes, suspenseful drama and romance with a punch sweep across the screen in Samuel Goldwyn's "The Westerner," which opens Tuesday at the Melba Theatre through Film Classics release. "The Westerner" has Gary Cooper in the title role, and the supporting cast features such brilliant players as Walter Brennan, Doris Day, Fred Stone, Lillian Bond and Forrest Tucker.

Cooper plays the part of herman, outdoor role which has made him one of the screen's top-notch actors, portraying quick-on-the-trigger Cole Harder, who drifts into the wild and woolly town of Vinegarfoot in the roaring days of the '80's when there raged a bitter and long protracted battle between the cattlemen and the homesteaders. Cooper comes to grips

WELCH FAMILY REUNION

Twenty-two family groups, all descendants of the late Mr. and Mrs. W. H. Welch, met last Friday, Saturday and Sunday, August 14-16, 1947, at the Cabin Area of the 36th Division State Park, Brownwood, for a reunion of eighty relatives and many friends of the Welch families.

Climax of the three-day vacation festivities—including feast-

ing and visiting at the Mess Hall, boating, swimming, and fishing at the lake, and dancing and games at the clubhouse—was the very appropriate Sunday School and Church service conducted Sunday morning by the Reverend Ross Welch, pastor of the Methodist Church at Nixon, Texas, in which he paid high tribute to Grandma Welch whose children and grandchildren all hold high standards for her great-grandchildren to meet.

Several family groups from each of the four generations of the Welch family made up a congregation of eighty people, every one of whom was a relative of every one present.

At the business meeting held Saturday afternoon representatives from all the family groups voted unanimously to make the reunion an annual event and made plans for the one for next year to be held the third week-end in August 1948 at the same place unless reservations can be made for cabins at a more nearly central location.

Preparations were made for providing copies of the family tree for each member of the Welch family, and information was collected from the following members who attended the reunion:

Mr. and Mrs. Jimmy Welch, Goldthwaite; Mr. and Mrs. Noble Welch, Grandfalls; Mr. and Mrs. George Tubbs, San An-

tonio; Mr. and Mrs. Riley Welch, Sterling City; Mr. and Mrs. C. S. Welch, Goldthwaite; Mr. and Mrs. John R. Welch, Sterling City; Mr. and Mrs. Darrell Welch, Pyote; Mr. and Mrs. Tom Lasly, Seminole; Miss Lucille Welch, Goldthwaite; Mrs. Sallie Scrivner, Dermott; Welch Scrivner and son, Dermott; Mrs. Walter D. Lasly and children, Breckenridge; Mr. and Mrs. Walter Tubbs and family, Goldthwaite; Mr. and Mrs. Bill Sam Welch and family, Grandfalls; Mr. and Mrs. Ralph Welch and family, Post; Mr. and Mrs. Myrtle Welch and family, Denver City; Mr. and Mrs. Floyd Welch and family, Crane; Mr. and Mrs. W. B. Welch and family, Sterling City; Mr. and Mrs. Raymond Welch and family, Harlingen; Mr. and Mrs. Ross Welch and family, Nixon; Mr. and Mrs. Harry Welch and family, Goldthwaite; Mr. and Mrs. Jack Welch and family, Goldthwaite; Mr. and Mrs. Earl Welch and family, Water Valley; Mr. and Mrs. Tommy Lewis and family, Rising Star.

Guests of the Welches at the reunion included Mr. and Mrs. W. A. Gregory of Breckenridge, Mr. and Mrs. Mack Cotton of Brownwood, Mr. and Mrs. Tom House of Goldthwaite, Mrs. Maggie Martin of San Angelo, Mr. and Mrs. W. C. Aiken and family of Rising Star, Mr. and Mrs. Jim Harris and son of Goldthwaite, and Mrs. Garnet Mangum of Nixon.

TEXTILE CLASS AT TARLETON COLLEGE

**GOLDTHWAITE GIRLS
AT JOHN TARLETON**

Stephenville, Aug. 20 — Because Tarleton College, Stephenville, has an ROTC unit and is a branch of Texas A and M, many West Texans are unaware that it is a coeducational school. Actually that the school is a branch of Texas A and M is misleading to many who do not understand that its relation to A and M lies only in the fact that the same Board of Directors governs the school, just as the same board of directors governs all teachers colleges. Otherwise it is a separate, individual institution. That girls attend Tarleton is only one example of its not being a branch of Texas A and M in the sense that the general public usually interprets such.

Many people familiar with Tarleton often ask, "Do girls go there, too?" Last year more than 500 girls enrolled in the junior college which stresses not only the first two years of basic work for academic degrees but also terminal courses for those who plan to attend college only one or two years.

One or two terminal courses in business administration and home economics are particularly popular with the Tarleton coed. A one year terminal course in business administration equips a student to go immediately into positions as office workers, stenographers, secretaries and to pass civil service examinations for such positions. A two-year terminal course in this department prepares students for more advanced business positions. Two year basic courses in business administration are also

offered to those who wish to go on to a senior college for a B. A. degree.

The following girls took home economics at John Tarleton College last spring semester:

Tommy Ann Booker, daughter of Mr. and Mrs. T. G. Booker, Brockie McCasland, daughter of Mr. and Mrs. H. B. McCasland, Janie Simpson, daughter of Mr. and Mrs. Mohler L. Simpson, Marialyce Smith, daughter of Mr. and Mrs. Barton Smith.

All of the girls are from Goldthwaite.

SCALLORN

By MRS. ORA BLACK
The Baptist revival which was in progress here for the past 2 week closed Sunday afternoon with one addition to the church. Rev. Campbell proved himself to be truly a man of God. As he goes from here to Brownwood later to take up his work at Howard Payne College we wish for him Gods blessings.

C. H. Black was honored Sunday by a birthday dinner given in the home of his mother. There were 27 relatives present to help make the day one long to be remembered. Everything in the way of something good to eat was spread under the shade of the oak trees where everyone ate to his hearts content and then some. Present from Brownwood were Mrs. S. M. Black, H. B. Bradely, recently from Ark., Mr. and Mrs. Bates Friend and four children, Mr. and Mrs. Ford Allen Mrs. Norma Pikerand and two children, Mr. and Mrs. Curtis Mosley and Pat of Leaday and Mr. and Mrs. C. H. Black and children.

Mrs. Elza Laughlin of Blanket is visiting here this week with Mr. and Mrs. Barney Laughlin and Mr. and Mrs. Ernest Johnston.

Sunday guests of Mr. and Mrs. Frank Hines were Mr. and Mrs. John Allen Todd and son Richard of Santa Anna and Mrs. Doster and son of Coleman.

Mr. and Mrs. Charles came over from Mullin last Thursday for a visit with her mother, Ora Black and son Billie.

Mr. and Mrs. Terrell Casbeer and Mr. and Mrs. Elmer Geeslin were Sunday guests of Mrs. Emma Huffstutler. In the afternoon they called in the Willis Hill home.

Prentiss Moore of Houston was a guest Sunday of Mr. and Mrs. Fields Hines.

Mr. and Mrs. John S. Kuykendall and little son of Brownwood called Sunday morning with his parents, Mr. and Mrs. John Kuykendall.

Altha Mae Eckert who has been visiting in Austin with her sister, Mrs. Hobert Smith returned here Saturday to the home of her parents.

Cecil Mallory of Houston was a guest last week of Mr. and Mrs. Fate Eckert and family.

Summary Of Southwest Farm Markets

Most farm products sold the week to close mostly 25 to 75 cents lower. Grain markets showed more settled tendencies last week. Wheat and barley changed very little, while corn and oats made slight gains, and sorghums closed a little higher after some fluctuation. Varying weather conditions in the corn belt affected the daily market on feed

grains, and more new crop Texas corn was sold.

Top quality eggs sold a trifle higher on most southwest markets last week, and hens strengthened slightly at Dallas. Heavy hens brought 23 to 25 cents per pound at Dallas. Best white candled eggs sold around 50 cents a dozen, and mixed about 45.

Most steers, yearlings, and heifers sold strong to \$1 or more higher at Denver and Oklahoma City last week, but grassers fell as much as 50 cents at the latter market, and yearlings weakened at San Antonio. Good cows brought \$14 to \$15 at Houston and San Antonio.

Sheep and lambs moved at a strong to sharply higher price at Fort Worth last week, but spring lambs showed some weakness at Oklahoma City and Denver, and feeder lambs and goats fell at San Antonio. Medium to good spring lambs brought \$20 to \$23.50 at Fort Worth and Wichita.

Hog prices dropped \$2 to \$3.50 at Denver last week, while at Oklahoma City slaughter classes lost 50 cents, and pigs fell \$2 to \$3.

Blue Bonnet Club

The Blue Bonnet Club met with Skipping July 25 with six members present and six absent. We had three visitors: Mrs. Charley Skipping, Miss Mildred Skipping and Mrs. Moore. We are always glad to have visitors.

We spent the evening in quilting and having a good time. We had a little business meeting, after which Mrs. Skipping and her daughter served refreshments. We gave Mrs. Moore a birthday shower and the next meeting will be Mrs. Maggie Faulkner and Mrs. Letha Featherston's birthday.

At a late hour we all departed for home. We will meet with Mrs. Clyde Featherston August 27.—REPORTER

SHEPHERD AND FAITH

MISS MERLENE DEARSON AND LEROY STACY ARE UNITED IN CHURCH CEREMONY AT PRIDDY

On Sunday evening, August 3rd, at 7:45, Miss Merlene Dearson and LeRoy Stacy were united in marriage at the Zion's Lutheran Church at Priddy, Texas.

The single ring ceremony was performed by Rev. A. H. Muehlbrad before the candle lighted altar which was decorated with ferns and pot plants.

The couple was attended by Miss Darlene Long and James Miller of Goldthwaite. For the processional Miss Malenda Niemann played the traditional Mendelssohn's Wedding March and for recessional she used the selection "Always."

The bride was dressed in a fitted suit of coca brown with white blouse and gloves. She wore a large picture hat and a corsage of white carnations.

Many friends and relatives of the young couple attended the ceremony and the elaborate reception which was held on the lawn at the home of the bride's parents. The large selection of gifts and the many expressions of congratulations showed the esteem in which people hold Merlene and LeRoy.

Merlene is the charming daughter of Mr. and Mrs. Ed.

CHRISTIAN SCIENCE SERVICES

"Mind" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 24.

The Golden Text is: "Righteous art thou, O Lord, and upright are thy judgements. . . Give me understanding and I shall live" Psalms 119: 137, 144.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations" (Psalm 33:11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Few deny the hypothesis that intelligence, apart from man and matter, governs the universe; and it is generally admitted that this intelligence is the eternal Mind or divine Principle, Love" (page 270).

Miss Lubke and Mr. Schuster Wedded In Ring Ceremony

Miss Merlene Lubke, the daughter of Mrs. Otto Stahnke and Wilford Schuster, the son of Mr. and Mrs. Emil Schuster of Priddy, were married on August 8 at Zion's Lutheran Church at 4 p. m.

The Rev. A. H. Muehlbrad read the ceremony before a candlelit altar decorated with fern and pink gladioluses.

Miss Ruby Nell Limmer played the wedding music and accompanied Miss Viola Limmer who sang "Always".

The wedding party included Miss Ramona Schuster as maid of honor, Lee Lubke served as best man, Miss Anna Lou Dreeckhammer and Miss Doris Lee Timm as bridesmaids, Gilbert Schlee and Leroy Wagner as groomsmen, Betty Jean Limmer and Roxie Kay Ohlenbusch as flower girls and Gaylen Wayne Marwitz as ring-bearer.

The bride, given in marriage by her step-father, Otto Stahnke, wore a white satin gown with fitted bodice and sweetheart neckline. Her fingertip veil fell from a crown of net trimmed with clusters of orange blossoms. She carried a white Bible topped with an orchid and streamers of white satin ribbon.

Immediately following the reception the couple left for Yellowstone National Park and Salt Lake City.

The couple will make their home near Priddy where Mr. Schuster is engaged in farming and ranching.

TERRY BLAKE, 14 PREACHES AT CHURCH OF CHRIST

Terry Blake, the 14 year old son of M. E. Blake, who is the minister of the church of Christ in Goldthwaite, preached his first sermon Sunday morning. In the absence of his Dad, Terry filled the pulpit at both morning and evening services. Mr. Blake was out of the city, preaching at Lometa.

Terry selected for his subject for his morning sermon, "Great Faith" and for the evening "When Does Faith Save". Both lessons were well delivered. Speaking with the ease and grace of one of much more experience, Terry established himself as a very promising young Gospel preacher. He received many compliments and much encouragement from those who heard him. Many of the older people declared that they had never heard one so young do so well.

The Blakes moved to Goldthwaite the first of June from Gregton in East Texas. Terry attended Pine Tree High School as a sophomore this fall. On graduation from High School, Terry plans to enter Abilene Christian College, at Abilene to study for the ministry.

The Blakes have another son, Jack, 13 years old, who will be a freshman in High this fall. Jack is also active in Church and Sunday School work. Mrs. Blake, an excellent Bible teacher, works with the church in teaching, adding much to the effectiveness of the work of her husband.

PRIDDY PASTOR OBSERVED SPECIAL ANNIVERSARY AUG. 13

Zion's Lutheran Church of Priddy, honored its pastor, A. H. Muehlbrad and family with a special anniversary service. In fact it was a double anniversary; in the morning of August 13th, pastor Muehlbrad observed his 25th Anniversary of Ordination to the Ministry. Rev. C. N. Roth of Winters, Texas, the President of the Texas District of the American Lutheran Church, delivered the message. In the afternoon, Rev. and Mrs. Muehlbrad observed their 25th Wedding Anniversary with Rev. Gus Sager of Bartlett delivering the message, and Rev. I. M. Mansur, a former pastor of Zion's, reading the Silver Wedding Anniversary ritual.

The members of the congregation served a bounteous dinner and lunch to visitors from Abilene, Bartlett, Killeen, McGregor, Temple, Olney, Taylor, Beausley, Brenham and other points. Zion's Church presented pastor Muehlbrad a well filled purse, and the Missionary Society and friends presented Mrs. Muehlbrad some money and gifts.

During his twenty-five years of ministry, Pastor Muehlbrad has served three congregations. His first charge was the Wichita Falls parish, including Wichita Falls, Maybell, Seymour, Olney, Megargie, and Gainesville. He served this field for ten and one-half years. In 1933 he moved to Sagerton, and served the Sagerton and Haskell congregations for nearly nine years. In December, 1941, he came to Priddy.

God has blessed the marriage of Pastor and Mrs. Muehlbrad with three sons. The oldest, Luther, has been attending Texas Lutheran College, Seguin, and Capital University and Seminary at Columbus, Ohio, preparing for the holy ministry. At present he is serving St. Paul's Lutheran Church at Galveston; at the end of which he will return to Toledo, Ohio for a year of intern work. Emory, a former student of Texas Lutheran College, attended Daniel Baker in Brownwood this summer, and is planning to attend Texas University this

winter. He is a veteran of 28 months in the U. S. Navy. Delvin Lee, a graduate of Priddy High School, will attend Texas Lutheran College at Seguin in September.

COOLING RAIN FALLS WEDNESDAY P. M.

A cooling rain which registered 29-100ths of an inch in the government gauge kept here by Harry Allen fell in Goldthwaite late Wednesday afternoon. This was the first fall of any consequence since July 18, when 85-100ths of an inch was recorded.

This year has been the driest year here since 1933. The total fall to date for this year registered 12.12 inches. Only 1.39 inches of moisture has fallen here during June, July and August to date, although many places in the county have seen more. In 1933, which also saw a dry summer, the rain started early in September and over 10

inches of moisture was recorded here during that month alone. This September very likely will see much rainfall.

Home Demonstration Clubs' Picnic

Twenty-five people attended the first annual H. D. Picnic which was held at Hancock Park in Lampasas, Texas on August 19, 1947.

The morning was spent with swimming and talking. At the noon hour a delicious covered dish luncheon was spread and the group enjoyed the meal under the beautiful shade trees.

Handicraft which consisted of etching glass, photography and finishing the afternoon with a swim was the afternoon program.

The following clubs and

members were present: Goldthwaite — Mesdames Shirley Nickols, Eula Nickols, Jake Long, L. A. Cole, Jake Brown, David Straley, Lee Long, and Miss Berylene Turner; Jones Valley—Mesdames Harvey Hale J. D. Berry and Miss Vera Mae Bell; Scallorn—Mesdames Gordon Miller, Field Hines, Dutch Smith, Miss Greta Sue Hines, Big Valley—Mrs. E. L. Pass; Star—Mrs. LeRoy Beard, M. B. Harrison, Charlie Rickel and Charlie House; and the Home Demonstration Agent, Mrs. Emogene Haensch. Children attending were Patricia Nickols, Pamela Berry and David Cole.

HANGAR STORY
A clean shaven Eagle reporter, crowding 26 and party appeared at the Club Hangar Tuesday night—and received an invitation to come out on "teenagers' night. That could have been an insult to the middle-aged men, but a compliment to the ladies. Anyway the hostesses were forgiving and the children to dance with the older folks.

SANTA FE EMPLOYEE SUFFERS SHOCK

A Santa Fe employee, member of a transit gang working here, received a live shock Tuesday and was taken to Dr. Boone's office for shock treatment.

The worker contacted a live wire carrying only 110 volts, but due to the fact that he was working without a shirt and perspiration caused double shock. He was knocked out temporarily, but in a few hours was back on the job.

AUTOS MUST BE SAFE

It is an indisputable fact that over 90 per cent of the traffic accidents which annually take the lives of some 33,000 persons could have been avoided.

Pure mechanical failure, according to some safety experts, accounts for less than one per cent of automobile accidents.

It is true that in many fatal accidents, mechanical failure was a contributing cause—brakes failed to grab, lights went out, steering apparatus didn't respond properly.

Individual responsibility can stop this menace. Every member of the American public must take it upon himself to accept the responsibility of observing the rules of safety and the road.

At the same time, the police and administrative officials of our states have the responsibility of minimizing the hazards caused by those careless people who fail or refuse to obey the rules.

If thousands of persons are to be saved from needless death this coming year and in the years to follow, periodic required motor vehicle inspection by all states would seem to be an important prerequisite.

BURNING A MILLION DOLLARS

Frank A. Christensen, president of the National Board of Fire Underwriters, recently said that about a year ago he predicted that direct waste by fire might exceed the staggering sum of \$1,000,000,000 a year by 1953—if the American people did not fight it with every resource at their command.

That forecast, he continued, was wrong by about three years. If the recent rate of increase continues, we will cross the billion-dollar mark by April, 1950.

Never in our history was the fire problem so grave. In 1941, the loss was \$300,000,000. In the twelve months ending last April, the loss was more than twice as great—\$616,000,000.

The organizations and individuals whose business it is to prevent fire and to educate the public, are doing a fine job. Their efforts have been doubled and redoubled. But they can't get results without a far greater measure of public understanding and cooperation than they have been given so far.

WHAT THE CONSUMER WANTS

At various times polls have been made of consumer needs, desires and eccentricities. And the answers show why there is plenty of room for all kinds of stores, from independents to chains, and from gigantic department stores to little specialty shops.

One segment of the consuming public is primarily interested in price. It compares the prices of competing retailers and always goes where the most is offered for the money.

Another segment is interested in certain trademarked brands, and buys only in stores which carry those it favors.

Still another segment places service high on the list of its requirements. It wants delivery of goods to the home, the charge account privilege, a very liberal policy in exchange, etc., and it is willing to pay the added costs that these and other services entail.

Plain Facts About Honesty

LESSON TEXT FOR AUGUST 24—Proverbs 3:3; 11:1, 3; 12:17-22; 14:5; 23:10, 11.

MEMORY SELECTION—Prove all things; hold fast that which is good. Abstain from all appearance of evil.—1 Thessalonians 5:21, 22.

EDITOR'S NOTE: Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

By WILLIAM CULBERTSON, D. D. Of The Moody Bible Institute, Chicago.

THE Bible's presentation of the subject of uprightness of living, or plain, downright honesty in everyday contacts, is recognized by all who have given any attention to what it has to say.

The high ethical standard demanded by the Word of God is another evidence of its divine origin. Were men to evolve a moral standard of their own, it is quite evident that that standard would not be very much higher than their own attainments; in fact, the probability is that the standard would be lower than the attainment of some. However, the Bible allows for no deviation from the standard.

We who by nature are the children of wrath have undoubtedly failed when we measure our lives against God's pattern. How needful is God's work of providing and effecting salvation! Those who have been born of God are then confronted with living a life that meets the divine standard.

I. A Plea for Honesty (Prov. 3:3). HOW good it is when the Christian has a reputation for integrity in all his dealings. However, that outward manifestation is possible only if there is inward reality. Therefore, we move in order of emphasis to the greater truth at the conclusion of the verse. Truth is to be written upon the tablet of the heart.

Here is the plea for heart honesty. It is not enough by plausible argument or by feigned conduct to appear honest before men. It is necessary rather to have motives so sincere, to have a heart so honest, that all we do and say will reflect a character that is honorable.

It is out of the fullness of the heart that man speaketh: As the heart is, so is the man. Let us give attention therefore to this word from God.

II. A Factual Presentation of Honesty (Prov. 11:1, 3; 12:17-22; 14:5).

THESE passages of Scripture bring to our attention the consequences of dishonesty as well as the rewards of honesty.

For example, we know that dishonesty is an abomination to God (Prov. 11:1; 12:22); that perversity of heart has its own reward, in that the perpetrator of evil is sooner or later ensnared in his own sin (Prov. 11:3); that a lying tongue may be victorious, but that victory is short lived (Prov. 12:19).

On the other hand, the rewards of honesty are also made apparent, for we are told that probity of character is God's delight (Prov. 11:3; 12:22); that the very integrity of the upright shall be a guide to them (Prov. 11:3); that blessings to others flow from the tongue of the wise (Prov. 12:18); and that the 'p of truth shall be established forever (Prov. 12:19).

III. God and the Life of Honesty (Prov. 23:10, 11).

THE reference here to the ancient landmark has to do with the removal of such evidences as would prove the claim of individuals to certain property.

We are to respect the rights of others. Honesty involves more than correctness of speech; it implies rightness of life. No subtlety of reasoning can lead us to the conclusion that we may have God's approval if by unfair means we take that which belongs to another.

Particular attention is given to the fact that we are to have regard for the fatherless. The Word of God constantly gives special attention to the fatherless and the widows. It would seem that God will particularly mark as amiss any unfair advantage taken over these individuals. In fact, this text stresses that God as their Redeemer will plead their cause against anyone taking advantage of them. Of course, there can be only one result when God opposes, and that is disaster to the individual who occasions his wrath.

Perhaps it is that very sense of helplessness that makes the fatherless depend upon him. It is certain that until we feel our need of God, we shall go on in our self-sufficiency without him. When our own lack of strength becomes apparent, then it is that we turn to him, and then it is that he is willing to be our Redeemer.

Let us dare to face the implication of these texts. Unless we commend our God to men by our upright lives, we shall have to suffer the consequences of our dishonesty in divine displeasure.

from people suffering undulant fever, the form which Bang's (brucellosis) takes in humans. Apparently this disease is becoming widespread in Texas, and there is no dependable cure. Milk from diseased cows is one cause. Pasteurization, however, is said by experts to make milk safe for drinking. Ten years ago Texas had around two thousand herds accredited free of Bang's disease. Now we have around five hundred.

Look now for an increase in cotton insects, which have been fairly tame so far this year in the extremely hot weather. County agents and insecticide dealers have dependable guides for spraying and dusting. In recent years, insects have taken one bale out of every seven of the Texas crop, which makes quite a difference in farmers' income.

The Texas Rose Festival is being revived at Tyler this year, October 2, 3, 4 and 5, after a wartime lapse. Bigger and better, they say, with 150,000 buds, 125 varieties to be used. Parade, gorgeous floats, gorgeous queen and attendants, etc.

NEW CROP PEANUTS FIND GOOD DEMAND

Peanut picking went forward with increasing tempo in South Texas this week, according to the Production and Marketing Administration, U. S. Department of Agriculture. Farmers' stock peanuts met good demand in that section, with more shellers preparing to begin opera-

Fairly good demand greeted new shelled goods at slightly higher prices. Shelled No. 1 Spanish sold in carlots at 16 3-4 cent per pound. Little oil sold, and only small quantities of meal moved at around \$80 per ton in less-than-carlots.

Light scattered showers proved of little help to growing peanuts. Early plantings on the heavier soils wilted badly. However, August 1 conditions indicated a total U. S. crop of 2 billion, 137 million pounds picked and threshed, according to the Bureau of Agricultural Economics crop reports. Such a yield would be roughly 100 million pounds greater than last year, and slightly above the five year average. Higher estimated yields per acre offset reduced planted acreage.

Philip Nickols and wife and Mrs. Nickols took John Earl Roberts to Abilene last Wednesday. They found Mrs. Roberts feeling better since her operation the week before.

Miss Laura Petsick is in the city again after a month in the Seminary at Fort Worth.

Livestock often acquire anthrax through infected feed. Calves require more vitamin A in cold weather than in warm weather.

Texas' climate varies from tropical in the Rio Grande Valley to very cold in the Northwest corner around Dalhart and Amarillo. Annual snowfall in Texas averages 2 at Houston to 20.8 at Amarillo.

Turkeys may be fed 10 to 15 per cent less grain when they have access to green pastures. For the past three years, September was the peak month for out-breaks of sleeping sickness in horses.

JOE B. KARNES — O. O. SMITH

**IN THE STILL OF THE NIGHT
A MAN DIED**

He had worked late—he was tired—thoughtlessly he walked to the right along the darkened highway. Beyond the turn of the road were the lights of home.

Speeding through the early darkness, a driver urged his car along, hugging the edge of the road. A dim shape, a sudden sickening jolt—and the terrorized driver, his car careening, sped on—around the curve, past the lighted cottage beside the road. And in the still of the night, a man died.

These are the ingredients of accidents and death at night. Often the victim contributes to his own death by not walking to the left, facing traffic. But far too many pay with their lives for the reckless driving of the hit-and-run car coward. To him self-preservation is more urgent than the saving of a life.

To his kind let this be a warning. Of all highway and traffic violators, the hit-and-run driver fares worst. Sooner or later, his crime leads to prison and disgrace.

The highways shall be cleared of these auto highwaymen.

This advertisement is presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation through their Press and Publisher Associations.

OLD MAN 100

(Continued from front page)

until tomorrow what should have been done 25 years ago! And when the sweet-voiced thing vocalist neighbor of the Old Man's told him she was going away to study singing, he said: "Good! How far away?"

It took the Old Man a long time to figure it out, but he now thinks the 7th was trying to be cute when he sternly asked her: "Why haven't you mended these socks?" The 7th said: "Did you buy that coat you promised me?" And when the Old Man said "No—no," the 7th came back with: "Well, if you can't give a wrap I don't give a darn."

And once when the Old Man was running a one-man barber shop here in Goldthwaite—that was a long time ago—he hung out a sign one day that said: "Closed on account of improved financial condition. May open again next week."

The Old Man knows some people around here who ain't very amusing. In fact, they can't even entertain a doubt. Also a fool and his money are soon parted.

And when the diner asked what kind of pudding is this, the waitress replied: "We call it college pudding, sir. Like it?" Diner—"No. I'm afraid there's an egg in it that ought to have been expelled."

Once when the Old Man was learning to fly he came to grief suddenly on a farm. He explained to the farmer: "I was trying to make a record." And the farmer said: "Well, you've made it. You be the first man in these parts who climbed down a tree without having to climb up it first."

Now, don't tell nobody—but once when the Old Man was in jail a woman welfare worker asked him: "Have you any plans for the future when your sentence expires?" The Old Man told her solemnly: "Yes. I've got the plans of two jewelry stores and a post office to start with."

WEATHER PROFIT—
The Old Man admits he ain't too good on predicting when rain will come here when we are having a dry spell, and everybody is somehow wanting rain when it gets dry—but maybe he can get his new invention to working so's to make a next February day come this August—when it maybe will be more appreciated by our citizens. Anyway, last June when it first got hot, the Old Man told his many readers in this column that he would try to have a cold

day come in August, which everybody is always saying it will be before somethings or other happens. The Old Man said then he would have it come August 24 or 26, he disremembered which, and now will have to make both days cold—or be called a newcomer or something worse. Now, don't go dragging out your longhandies yet, until the Old Man finds out for sure if his invention works. The Old Man also figures to please the Boss some by dragging in a three-day rain next Sunday, Monday, Tuesday, and then have it come a good rain on September 2 and 3. If it don't—then you know the Old Man didn't get his raise yet. If it does—the Old Man figures to get a job in the gov't. weather predictin' office, in the rain, cold and heat distributing dept. which ain't being run right now. If he works up to enough authority there, he figures to later to do away with summer and winter and have the four seasons spring, fall, spring, fall. Also—but this may take some time—if he can get them unions to back him, he's going to shorten the work week some more and make the seven days of the week Sunday, Saturday, Sunday, Saturday, Sunday, Saturday, and Sunday. Everybody works Saturday mornings, gets his pay at dinner time, and gets a much-deserved rest that afternoon and Sunday.

'LOOK UP AND LIVE'

Alta I. Starnes, who was formerly Alta Kemper, is the author of a devotional feature recently purchased by the Fort Worth Press, titled "Look Up and Live". Some months ago, "Look Up and Live" appeared in the Eagle on the editorial page, but will be written from a slightly different angle for the Press.

Mrs. Starnes is a sister of Mrs. Grover Dalton and daughter of the late Rev. and Mrs. D. D. Kemper.

Mr. and Mrs. Elmer Geeslin and Mr. and Mrs. Jessie Ball and little Jimmy visited Mrs. Tom Hufstutler. Sunday Mrs. Casbeer attended church.

Mr. and Mrs. Nolen Mallory and Polly returned to Turkey, Tex., where Mr. Mallory is working.

Grandmother Williams has returned home from Arizona where she has been visiting.

Mr. and Mrs. P. R. Jordan and children spent Sunday in the Hancock Park in Lampasas.

Mrs. Fred Barton returned Saturday from a three weeks visit with her son and wife, Mr. and Mrs. Ernest Barton. Mrs. Barton has been in the hospital, but is out now and doing nicely.

San Saba Peak—

—MRS. DUTCH SMITH

Mr. and Mrs. Victor Williams and Betty have moved to the Heatherly place on the river. They will live there until they get their minds made up as to where they want to live.

Mrs. Fate Eckert is in Austin entertaining a new granddaughter who came to make her home with Mr. and Mrs. DeSpain. Her name is Mollie Lou.

Mrs. Ward Carlile is in the hospital in Moursia for treatments. WaEunice is staying with her aunt while her mother is away.

HOWARD PAYNE MAKES READY FOR INCREASE THIS FALL

Among the provisions for an expected increase in enrollment at Howard Payne College this fall is a newly created Art Department, which will offer a major and minor in art.

The fall semester at Howard Payne will begin with Freshman Orientation to be held at 8 a. m. September 9 in the J. L. Mims Auditorium on the Howard Payne Campus. Registration will be on September 10 and 11 and classes begin September 12.

Directing the new art department is Charles Stewart, assisted by his wife, Mrs. Maurine Stewart, both 1946 graduates of The University of Texas School of Fine Arts.

Stress will be placed on art education and on commercial lettering, layout and design, and simple illustrations. Private lessons are offered in painting and courses are being planned in the crafts—pottery, ceramics, simple sculpture, weaving, and woodcarving.

Courses scheduled for the fall semester include art history, commercial art, art media, and two art education courses.

The art department is housed in a new building, which includes offices and three completely equipped art laboratories.

NORTH BENNETT BAPTIST CHURCH

The revival began Friday night at North Bennett with Rev. Leslie Bell, pastor of the Loving Ave. Baptist Church, Ft. Worth, doing the preaching. To date, Monday, there have been four conversions and five additions to the church.

Monday morning at 11 o'clock was the greatest service the pastor has witnessed in his 22 years in the ministry. The pastor's youngest brother, Alirs, surrendered to the call to preach. Alirs is well known, as he grew up in this country, and all remember his services in the Navy. He came out with seventeen battle stars. What a record! But God was preparing him for the greatest service of all - to preach the blessed gospel of the Lord Jesus Christ. He will preach his first sermon Sunday afternoon at 2:30 o'clock at the church. There will be the baptizing in the afternoon, also. So the entire public is invited to attend these services.
J. C. Weathers, Pastor

STEP UP EGG PRODUCTION with TEXO POULTRY FEEDS

THE EGG making machinery of the hen is an amazing mechanism. Like any other factory, to function economically and at a high rate it requires just the right kind of raw materials. TEXO POULTRY FEEDS are formulated to meet the nutritive requirements of high producing hens as revealed by extensive tests and research. They have what it takes to build high egg production.
