NUMBER TWENTY-ONE

Highlights Of Achievements During Gov. Jester's First Year In Office

(EDITOR'S NOTE — The following article listing the outstanding accomplishments of Gov. Beauford Jester's administration during his first year as head of the state government was written for The Dallas News by William M. Thornton, chief of the News' Austin Bureau. It is not likely that Gov. Jester will have opposition for his second term, due to the almost universal satisfaction his administration has received over the state.)

Outstanding accomplishment in the public welfare is recorded during the first year of Gov. Beauford H. Jester's administration.

High on the calendar was Jester's victory against imposing additional taxes on the people of Texas following the wartime burden of taxation. He has been thoroughly vindicated as all major state funds go into the new year with strangle balances and with no deficiencies to sight.

All of Jester's appointments to state office were confirmed by the Senate, following several years of friction between preceding governors and the Senate resulting in a number of rejections.

Creation of a State Administration Cabinet to improve the public services was a Jester original.

Settlement of the Odessa telephone strike was regarded as of unusual public interest. San Marcos and Sweetwater labor disputes also had attention.

Jester's all-out campaign to protect the school's billion-dollar oil reserves has attracted national notice.

Prompted by the Panhandle, Texas City and East Texas disasters, Jester has set up a "command post" for instant relief action in calamities or disaster.

Jester appointed a state-wide fire prevention committee, he is encouraging a West Texas Water Conference early in 1948 and work is under way on a program for the future economic and industrial development of Texas.

The Texas National Guard received emergency appropriations to take care of its greater strength and the Texas State Guard Reserve Corps was created.

An adult probation and parole law was passed to make effective an amendment adopted by the people.

A constitutional amendment was submitted for the 1948 elections providing a compulsory plan of senatorial and representative redistricting. Jester urged redistricting.

Jester is visiting all state departments (Continued on last page)

W. E. HEATLY OUT FOR SECOND TERM AS REPRESENTATIVE

W. E. Heatly of De Leon, Comanche County, this week authorized The Eagle to announce his candidacy for reelection to his second term as State Representative from the Texas 104th Representative District, composed of Mills and Comanche Counties. His name will be found in the Political Announcement Column of this newspaper.

Mr. Heatly was first elected to the office of State Representative in the elections two years ago, and was present at the session last year. He is asking for a second term. At present he and Mrs. Heatly are teaching school at Priddy while the legislature is inactive.

Mr. Heatly's candidacy is subject, of course, to the Democratic Primary to be held the fourth Saturday in July, this year the 24th. He announces he will make a statement to the voters at a later date.

GOLDTHWAITE PT-A

The Goldthwaite P. T. A. will meet Wednesday, Jan. 14, at regular time in the Grammar School Auditorium. The following program will be rendered: Leader, Mrs. Robert Steen. Special music, Mrs. John Berry.

Prayer, Rev. M. E. Blake. Keynotes to World Peace.—M. Y. Stokes, Jr.

There will be a special meeting of the executive committee at 3:00 Wed. Jan. 14 in the Grammar School Auditorium to discuss some important matters. We urge each members presence.

Mrs. A. L. Carroll spent Wednesday in Goldthwaite.

W. L. MAHAN ENTERS RACE FOR SHERIFF ASSESSOR-COLLECTOR

W. L. Mahan this week authorized The Eagle to announce his candidacy for re-election to his second term as Sheriff, Tax Assessor-Collector of Mills County, subject to action of the July 24th Democratic Primary. His name will be found in the Political Announcement Column.

Wiley Mahan has served the citizens in the office of Sheriff, Tax Assessor-Collector for the past year with almost universal satisfaction, and needs no introduction to the voters. He has lived in the county since 1904, and prior to taking office last January owned and operated a ranch southeast of town. He is 47 years old.

Mr. Mahan says he realizes he has made mistakes in the past, but hopes to profit by the experience he has gained during his past year in office. Sheriff Mahan, in thanking the voters for their past favors, and cooperation, and asking their support, vote and influence in his race for a second term, feels that his past experience qualifies him exceptionally well, and promises to fulfill the duties of this office to the very best of his ability.

Out of town relatives and friends who were here for the funeral of Mrs. M. A. Warren on Wednesday, Dec. 31 were: Mrs. M. R. Weatherly and daughter Ann of Fort Worth, Mr. and Mrs. H. Patterson of Dallas, Mr. and Mrs. H. C. Young, Mrs. C. O. Longliere, Mrs. Cyrus W. Fields, Mrs. Banner Sneed of Evant, Mr. and Mrs. Bill Hatley and daughter, Mrs. Vernon Ligon of Adamsville.

Miss Thelma Graham of Abilene spent last week-end with her grand-parents, Mr. and Mrs. E. L. Pass.

L. B. PORTER ENTERS RACE FOR COUNTY JUDGE MILLS COUNTY

L. B. Porter has authorized The Eagle to enter his name in the Political Announcement Column this week as a candidate, subject of course, to Judge and Ex-officio County School Superintendent of Mills County, subject, of course, to action of the Democratic Primaries this summer.

Mr. Porter, being a native of Mills County and having served as a public servant of the people of Mills County in various capacities, says that he feels like he knows the people and understands their needs sufficiently to qualify him for office. He began teaching school in Mills County in 1914, and holds a Life Certificate for teaching. He has reared and educated five children, all graduating from the Goldthwaite High School.

Having served several terms as County Clerk of Mills County, Lewis Porter has a working knowledge of the affairs of the county and the work and business of the Commissioners and County Courts.

Having served in the U. S. Naval Reserve during the First World War, he has taken an active part in the American Legion since its organization, served two terms as Commander of the local Post, and has been the only Service Officer the Post has had for the past 21 years. He has always taken an active interest in the veterans' claims and the claims of their families, and has also served the county as Service Officer for the Red Cross. Mr. Porter also served as Acting Postmaster for five and a half years during the last World War.

As the election is several months off yet, Mr. Porter is asking that the voters take this as a personal solicitation for their vote and influence, and assures them he will try to see each and every one personally before the July 24 Democratic Primary.

A. T. PRIBBLE ANNOUNCES FOR COUNTY ATTORNEY

A. T. Pribble, this week authorized The Eagle to announce him as a candidate for re-election to the office of County Attorney of Mills County, subject to the July Democratic Primary. His name will be found in its regular place in the Political Announcement Column in this issue.

Arthur Pribble is known by practically every man in the county, having come to this section when he was seven years of age, settling in the North Brown community and later moving into town. He was elected as Mills County Attorney the first time in 1902, and has held the office off and on many times since. His slogan has been and will continue to be: "Justice will be done."

Mr. Pribble takes this method to ask the vote, support, and influence of the electorate of the county.

Those who visited in the Walker Berry home over the weekend were: Mr. and Mrs. Dennis Nix, Mr. and Mrs. Ray Berry, Mr. and Mrs. Hubert Berry, Otho Loyd Crawford, Mrs. Bud Oden, Mrs. Earl Ethridge and Joe, and L. B. Bramblett.

CITY COUNCIL GETS PROPOSAL FOR HI-LINE CONSTRUCTION

As a result of conferences between Mayor Long, Utilities Manager Barnett, and Lower Colorado River Authority Officials, the following letter of proposal has been received:

Lower Colorado River Authority

P. O. Box 1153
AUSTIN 3, TEXAS
December 30, 1947

Mr. W. C. Barnett, Manager
City of Goldthwaite Utilities
Goldthwaite, Texas
Dear Mr. Barnett:

During a recent conference with you and Mayor Long, we discussed the various possibilities of providing sufficient line capacity for the anticipated electrical requirements of your distribution system.

Since the City of Goldthwaite purchases its electrical requirements from the Authority at the Lometa Substation and transmits over the City's 12.5 kv. line, a distance of approximately nineteen miles, for utilization in its distribution system, increases in future loads will eventually overload the present Lometa-Goldthwaite 12.5 kv. line. Under the present arrangement it would be necessary that the City increase the size of the conductor, which would require an expenditure of approximately \$15,000.

During our discussion, you indicated that the City of Goldthwaite would be interested in obtaining a point of delivery near Goldthwaite in lieu of the Lometa point of delivery, even to the extent of transferring to the Authority the ownership of the 12.5 kv. line between Lometa and Goldthwaite, provided that such arrangement would be advantageous to the City of Goldthwaite. I have given consideration to the various possibilities of providing proper facilities to maintain satisfactory service for loads up to ten times your normal requirements in accordance with the suggestions made during the conference referred to above. I am, therefore, willing to recommend to our General Manager and Board of Directors the following proposal:

1. The City of Goldthwaite to convey to the Authority the 12.5 kv. line from the city limits of Lometa to a point at or near Goldthwaite for \$1.00 and other benefits derived.

2. The Hamilton County Electric Cooperative Association to construct the necessary lines and facilities to serve the rural customers now receiving service from the line to be conveyed under Item 1 above. In order that said Cooperative may obtain an additional point of delivery at Goldthwaite, this Cooperative will be required to agree to this item.

3. The Authority to convert the 12.5 kv. line described under Item 1 above to 69 kv., and to construct a 69 kv. to 12.5 kv. (Continued on last page)

JESS TULLOS FOR RE-ELECTION FOR COMMISSIONER NO. 1

In the Eagle's Announcement Column this week will be found the name of Jess Y. Tullus, who has authorized this paper to announce his candidacy for reelection to the office of Mills County Commissioner from Precinct One, subject to the action of the voters in the coming July 24 Democratic Primary.

Mr. Tullus has served the precinct as County Commissioner with almost universal satisfaction, and due to his past experience he knows the road needs of the precinct as well as the affairs of the business end of the Commissioners Court job. He needs no introduction to the voters, being a native of the county.

He says if elected he will do the best he can. Mr. Tullus thanks the citizens for their support and courtesies in the past, and asks their continued vote and influence in the coming election.

MRS. BERTHA WEATHERS FOR RE-ELECTION AS CO. TREASURER

In the Eagle's Announcement Column this week will appear the name of Mrs. Bertha Weathers, who has authorized us to announce her candidacy for reelection to the office of Mills County Treasurer, subject to the July Democratic Primary.

Mrs. Weathers has served the public faithfully, courteously and well as County Treasurer, and is familiar with every detail of the job. She thanks the voters for their support in the past, and asks their continued vote and influence in her race for re-election.

Mrs. Weathers says she appreciates every courtesy that has been extended to her by the citizenship generally. She has been faithful in discharging the official duties of the office, and will be more efficient after having had the experience of serving the people.

Mrs. Bruce Archer and children are convalescing from a recent illness.

SENIOR NEWS
The Seniors have been very busy studying for mid-term tests. Here's hoping that we all make our grades.

Our ball teams are going fine. Conference starts next week. Let's all help both teams as much as we can by attending every game.

We ordered our invitations, diplomas and decided on the color of caps and gowns today.

JUNIOR NEWS
The Juniors are quite busy

this week. Since this six-weeks is mid-term we are all studying hard. We hope that everyone will pass.
We Juniors have made plans for our Junior-Senior Banquet. We decided to have the Banquet in the Brownwood Hotel. It is to be formal.
We will continue our study of Grammar two days a week and will study Literature three days a week after mid-term.

FRESHMAN REPORT

The class is still planning a skating party though they have not come to a definite decision on the date. They hope to have it soon.
We are ready and willing but we can't say how able for our mid-term tests, here's hoping!
We are enjoying the ball games and the freshmen are out rooting for our teams and we hope to continue and win the district.
We hope that there will be more news next week.

CHARLES HEAD

Charles is the fifteen year old son of Mr. and Mrs. C. C. Head of the Center City community. With his dark hair and blue eyes and mind, makes him a very handsome and witty boy. Charles was elected the most handsome Junior boy this year and he is also active in sports. He has played football two years, lettering this year only. He plays basketball, volleyball and soft ball.
Good luck, Charles, because you'll need it, says the Junior Class, for his future.
Likes best—To get on the good side of the Bookkeeping teacher.
Dislikes—Studying and staying home.
Ambition—To graduate.

ZANE Z. HENRY

Zane is the handsome, sixteen year old son of Mr. and Mrs. N. N. Henry of Star. He has dark hair and blue-green eyes. He stands five feet and eight inches.
Zane is very active in sports, being on the main string in football for two years and basketball for three years. He also plays basketball, volleyball, and every other sport which is played on the campus. He was elected the 'best athletic' of Star High School last year.
We wish him great success in whatever he undertakes.
Likes best—Sports and women.
Dislikes—Noisy teachers.
Ambition—Professional football player.

DOWN ANNA MAE'S ALLEY

Bruce, you and Loveta certainly make a cute couple.
Another new appearance was Allen and Corene. Keep it up kids.
Velda W. you're seeing a lot of Hico lately. We know you enjoy it.
Looks as if Bobbie Lee is keeping Jerry busy. Jerry, won't it be lonesome while he's in Dallas?
Mary Jo, isn't it awful that Charles had to go back to college? We know you miss him.
It looks as if the little affair between Mary Leigh and the sailor is still going strong.
Ruth Ell and Cecil have been together and awful lot lately. Now we know they were trying to keep memories alive while he's away.
Alleean, what's happened between you and Ozina? We wonder.
Dorothy and Billy seem to be doing okay. Keep it up.
The Christmas spirit seems to be still with Christine and Roland. At least they look pleased.
Billie Gail, what's this we hear about you and Wade Knight?
Geraldine, you and Buck look nice together. Happy landing.
An old love affair never dies, does it Freda and "Huck", Sue and Voyd?

Swing Of Southwest Farm Markets

(By USDA)

Strong markets for cotton, grains, cattle and sheep offset even to lower trends on most other southwest farm products last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Cotton sales dropped by a third during the holiday-shortened week. Demand eased some, but prices scored net advances of 50 cents to a dollar a bale.

Grain markets partly recovered from the Christmas week slump to register net gains. Corn and oats met particularly active request and prices advanced around five to ten cents per bushel. Wheat moved continued rather heavy.

Egg prices continued downward the past week in anticipation of seasonal increase in pro-

duction, despite good demand. Active request sustained poultry prices, and fowl advanced four or five cents a pound at New Orleans. Most current receipt eggs sold at 45 to 50 cents a dozen, and heavy hens 23 to 26 cents a pound.

Strong cattle markets showed gains of mainly 25 cents to \$2 for the week.

Calves and vealers led the advance. Houston paid \$23 to \$26 for good calves, as Oklahoma City took choice lots to \$26.

Butcher hogs and sows sold unevenly 25 cents to \$1.25 lower during the past week except at San Antonio where opposite trends held sway. San Antonio and Fort Worth paid \$27.50 for top butcher hogs, as Oklahoma City reached \$28.25. Bulk of sows brought \$23 to \$25 at most markets.

Lambs moved generally at prices 50 cents to \$2 higher than a week earlier, and other sheep gained up to 75 cents. Denver bought choice lambs at \$26.25, within 50 cents of the 1947 peak.

More active contracting of wool found buyers willing to pay 50 cents per grease pound at Texas points for well grown fine staples from the spring clip.

EBONY

By Mrs. Clementine Wilmeth Briley
(Written for last week)

Christmas came quite happy to our community bringing us beautiful days, the loveliest of moonlit nights, and delightful Christmas guests.

Mr. and Mrs. W. C. Whittenberg and children, Cline and Jack, went to Goldthwaite to the home of Mr. and Mrs. P. R. Reid for Christmas dinner. Other guests there were Mr. and Mrs. Dale Reid and children, Benna and Judy, of Rock Springs, Mr. and Mrs. Cloud Mashburn of Big Valley, and Mr. and Mrs. Lester Dellis and daughter, Joy, of Fort Worth.

Mr. and Mrs. J. E. Egger and Jerry attended a family Christmas dinner at the home of Mr. and Mrs. A. W. Hanna at Indian Creek.

Mrs. Angus Burn returned to Van Horn to spend Christmas with her sister, Mrs. J. E. Bean.

Mrs. Irene Reeves spent Christmas with her daughter and husband, Mr. and Mrs. B. Singleton. The Singletons have moved from Menard to Eldorado.

Mr. and Mrs. Blue Thompson had present for Christmas dinner all their children including Mr. and Mrs. J. R. Reeves and Sherry, Ezelle, Miss Edith of Big Spring, Dorothy of Dublin, and Lila Jo of John Tarleton College.

The Thompsons also had as guests during the holidays her brother and wife, Mr. and Mrs. Robert Cole, and her nephew and wife, Mr. and Mrs. Aubrey Cole, and son, Pruitt, all of Friendswood.

Mrs. Hattie Whittenburg spent Christmas with Mr. and Mrs. Jack Williams at Indian Creek.

Mrs. Brownie White, who has been staying for sometime at the home of her brother, S. H. Reeves, helping take care of her mother, Mrs. Sarah Ann Reeves, left Tuesday before Christmas for her home in Los Angeles.

Clayton Egger of Jacksonville is spending the holidays with his mother, Mrs. Effie Egger.

Mrs. Glen Egger is visiting her brother at Grand Prairie.

Cleda and Wanda Egger are staying with their grandparents, Mr. and Mrs. Mack Egger at Brownwood.

The Shetland pony belonging to little Annette Duncan,

daughter of Mr. and Mrs. Taylor Duncan, died during Christmas week.

Bill Belich of Texas Tech arrived at the Briley home Friday night before Christmas for a two weeks vacation.

Mr. and Mrs. Blue Thompson went to Morgan Sunday to visit Mr. Thompson's brother.

Mr. and Mrs. Lee Boren from across the river spent Sunday with Mr. and Mrs. Taylor Duncan.

Mr. and Mrs. O. R. Mitchell and children, Marilyn, Carol Jean, and Robert, of Beaumont arrived at the Briley home Saturday before Christmas. But as O. R. had to report for work Friday morning, they left for home Christmas day.

Mr. and Mrs. Austin Cawyer and Edna Beth of Orange arrived at the Dwyer home Saturday night. They returned to Orange Monday after Christmas.

Sunday before Christmas, Bro. Carrell of Abilene Christian College preached for us. We had dinner on the ground and quite a number were present, including the Crowders, Hannas, and Williams from Indian Creek, the Wilmeths from Beaumont, the Cawyers from Orange, and Numa Crowder from Abilene.

The Wilmeth clan met at the Dwyer home for Christmas dinner. All four of the children of the late Mrs. Clara Wilmeth, Mrs. J. R. Briley, J. R. Wilmeth, Mrs. Edna Dwyer, and Mrs. Grace Bateman, were present. All their families were present save the Mitchell family and Sylvia Gene Wilmeth of Fort Worth, daughter of the late Capt. Lillard Wilmeth. Mrs. Bateman said she had received Mrs. Dwyer's Christmas greeting, but had not noticed until Tuesday the invitation to the family reunion Christmas dinner.

She decided at once to come. She brought with her Christmas turkey and fruit cake, her husband, her two sons, Jo and John Robert, and her guests, her husband's sister, Mrs. Bodie Jones, and her daughter, Bama Bell, of Dallas.

Other guests present were Mr. and Mrs. Ralph Wilmeth and children, Lucy Gale, Nancy, and Joe, of Brooksmith; Mr. and Mrs. Paul McClung and children, Martha Nell and Larry, of Lamest; Mr. and Mrs. Wayne Taylor and daughter, Pat of Lawton, Okla.; Miss Marie Wilmeth of Abilene Christian College; Mr. and Mrs. Wm. A. Belich and Billy; Ernest Malone; Mr. and Mrs. Austin Cawyer and Edna Beth; and Carol Jean Mitchell. As the Mitchells left out Christmas morning they met the Batemans coming in. So they all got to see one another anyhow.

While here, the Mitchells were guests for supper at the home of Mr. and Mrs. Hubert Reeves on Sunday night. Also Whittenburgs, Cecil Eggers, and Mitchells met Tuesday night at the Dwyer home.

Hubert Reeves is wrecking some buildings he bought at the Camp Bowie sale, and is hauling the lumber preparatory to start building their new home.

The Griffins spent Christmas with Mr. and Mrs. Hubert McMullen at Indian Creek.

Ross Wolfe, Stephenville nurseryman, says fruit growers are inclined to prune their trees too much around the bottom branches, leaving the fruit to grow high in the trees.

In giving New Year's greetings over WBAP 820, Mr. Wolfe predicted a great future for fruit production in the West Choss Timbers section of Texas.

Ill with cancer, his continued interest in agricultural matters, his will to live and general optimistic attitude has attracted nationwide attention.

The poultry outlook for 1948 isn't so bad in the eyes of T. A. Hensaring, secretary of the Texas Poultry Improvement Association (formerly Texas Baby Chick Ass'n). He says shortened red meat supplies should keep the demand for poultry products up to a fair level this year. The TPIA annual convention will be held September 13-16 in Galveston.

George Haggard, gen'l manager of the Texas Power Reserve Electric Co-op, headquarters at Austin, has been named assistant to Claude Wickard, Rural Electrification Administrator. Haggard formerly was employed by the Texas Farm Bureau Federation.

The seriousness of the foot and mouth disease outbreak in Mexico is finally being recognized by some of the larger publications in this country. A reference to the disease is made in a serial by Clarence Buntington Kelland running currently in a popular nationally-circulated magazine.

County and community stock shows are beginning to come off all over the southwest now, climaxing in such large events as the Southwestern Exposition and Fat Stock Show at Fort Worth January 30 to February 3.

Farmers and ranchmen, don't forget your 1947 income tax estimate due on January 15, with final accounting due March 15.

If you are planning to buy a farm, it wouldn't be a bad idea to get a soil analysis run on it before you invest your money. Experts can tell to what use the soil is best adapted, and whether its long time value would justify the price asked.

In a county-wide rat killing program, Nueces county agent Henry Alsmeyer and some rodent experts last March put out "1080" (rat poison) on 815 farms at about \$1.60 per building. They repeated in October, and altogether picked up 15,681 dead rats, plus 25 percent picked up later by farmers. On one farm 300 were killed, and the farmer said they'd been eating more every day than three shoats. Alsmeyer estimated 23 cars of grain were saved in a year as a result of these activities.

NOW—make a date to OIL-PLATE!

BEST WAY TO BABY that great new '48... or to keep "Old Faithful" going while you wait... is to make a date to OIL-PLATE... with Conoco Nth!

Nth Motor Oil (patented) contains a special ingredient that fastens an extra film of lubricant so closely to metal surfaces that cylinder walls and all working parts are OIL-PLATED!

This means extra protection from winter's hard "dry-friction" starts

because extra OIL-PLATING actually resists gravity! Won't all drain down, even overnight! And that's why, also, whether you're standing still or running hot... you're extra-protected from metal-eating combustion acids... from "dry" friction... from sludge and carbon due to wear!

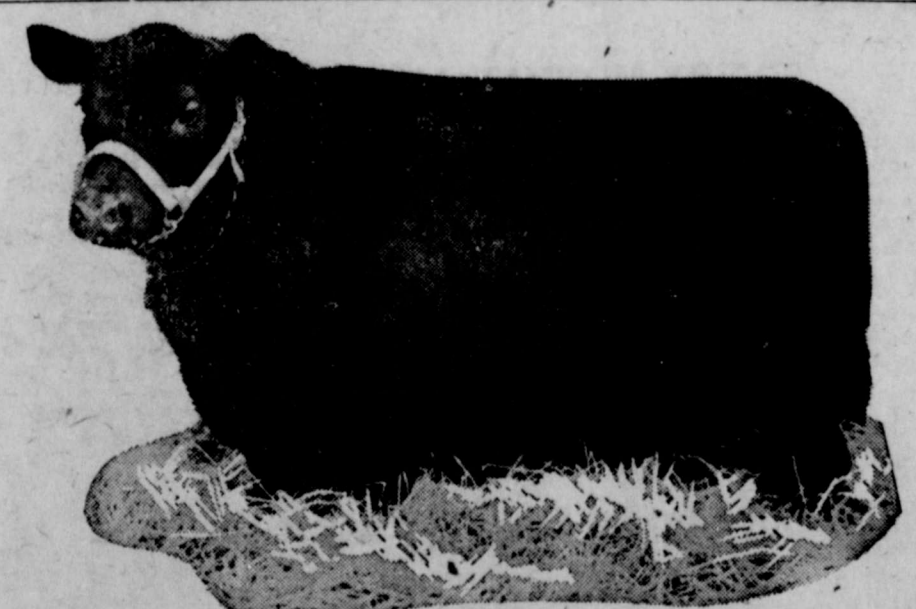

Get extra starting power... get extra pickup... get extra mileage... make a date to OIL-PLATE your engine today!

Golden Gloves Boxing Elimination To Be Held At Legion Hall Friday

Co-sponsored by the Goldthwaite Lions Club, the American Legion and VFW Posts, a Golden Gloves elimination tournament will be held at Legion Hall here next Friday night, January 16, beginning at 8 o'clock. In connection, there will be exhibition boxing matches between San Saba and Goldthwaite boxers.

Winners in the elimination contests here will go to San Saba to compete January 22, 23 and 24 with boxers from this—one of two sanctioned Golden Gloves districts—composed of San Saba, Mills, Llano, McCullough and Lampasas Counties. Winners there will go to the Brownwood regional meet to be held on January 29, 30 and 31. About two weeks later, winners will compete in the state meet at Fort Worth, then on to Chicago for the Western Division

meet, and last to New York City. Rusty Hoxton of San Saba is general chairman for the district tournament. Coach Larry Dalton of Goldthwaite, who will have charge of the local eliminations, has announced the following Mills County men who will compete here next Friday night:

- James Miller, welterweight. Raymond Mitchell, featherweight. Charlie Davis, bantamweight. Lawrence Dalton, lightweight. Bobby Lawson, middleweight. Herman Anderson, lightweight. Ed Dennard, heavyweight. Yet to be classified: Billie Miller, Hamil Lynch, Red Miller, Harold Kauhs. Others will also be on the card, as will a match between the Seabolt twins. More details will appear in next week's Eagle.

Lions Hear Rev. Lowry Make Talk On Church And International Crisis

The Goldthwaite Lions Club in regular first Tuesday night meeting at The Hangar, heard the Rev. M. Dick Lowry, pastor of the Goldthwaite Methodist Church, make an excellent talk on "The Church and the International Crisis." Guests introduced at the meeting included the Rev. Jim Ashcraft, pastor of the Church of the Nazarene, and Douglas Jones.

Lion President Jesse J. Saert read a Christmas card from the Meyer family, thanking the club for glasses furnished their daughter. He also read a letter from Lions International President saying the month of January has been designated the month to honor the founder of Lionism, Melville Jones, and that the International goal was a membership of 400,000. Individual clubs are urged to carefully select and ask them to become members of the Lions Club, the best and most active service in the world. President Saert also reported that W. Duren, secretary, had turned Goldthwaite membership on time again. He read a letter from the San Saba club urging each member to try to ease the membership during this month. On motion, the House will be invited to guest speaker before the Ladies' Night meeting of local club. Lion Fred Steves was asked to invite an orchestra from Lampasas to furnish entertainment at some meeting.

Larry Dalton, coach for County Golden Gloves tournament, told of the district to be held in San Saba on January 22 and 23, and plans for elimination for Mills County boxers before that date. Outlets are already being

held. On motion, the Club voted to co-sponsor the tournament here with the American Legion and VFW. Plans are to hold eliminations soon at the Legion Hall here.

The Rev. Mr. Lowry, in starting his talk on "The Church and the International Crisis," first told of commentators and others who believe the year 1948 would be one of gloom and uncertainty and maybe see the beginning of World War III, and said that newspapers print scary heads to help sell papers, and we are now getting distorted news in the form of propaganda. The Russian people revolted 30 years ago against one of the most dastardly atrocities the world has ever known when they killed off the czars and their satellites who had kept the Russian people in slavery for centuries, and now felt a little cocky with their newfound independence and their rise to the second greatest power after World War II. The speaker said Stalin has the Russian people behind him and he is revered by all the Russians. After the terrible German atrocities, he said, the Russian people now want peace and security that it might not happen to them again. Rev. Lowry said he believed we need not fear an atomic war with Russia or any other country, and that we should not fear Russia because of our resources and our manufacturing power which is greater than that of all the rest of the world.

After saying that economics is the root of all wars, the speaker said we should advocate a tolerance of patience with Russia to give their people a chance to settle down some. We need a spiritual movement in this country in helping us maintain patience to get along with other nations. Rev. Lowry thinks we can get along with Russia despite the fact they are acting childish right now.

A round table discussion of the subject followed.

GOLDTHWAITE HAVE ENTRIES DUSTON SHOW

City of Goldthwaite will be represented at the 1948 Fat Stock Show and Exposition which opens January 31 and continues through February 15 at Sam Coliseum when the 16-day program will be packed with outstanding livestock exhibition thrills, and other educational and entertainment features.

More than 7500 head of stock expected, and \$80,000 appropriated for this phase. Stock exposition will surpass that of any previous year. First time in the 15-year history of this gigantic South enterprise, the livestock show will not be held in first week, and the second week show officials re-

that Goldthwaite exhibitors and entries tabulated thus far include the following: Boys' Livestock Show: Robert H. Johnson, two fat steers and one lamb; James Honton, two fat steers; W. V. Honton, two fat steers; Davis Owens, one fat steer; John Owens, one fat steer; Sammie Owens, one fat steer; Allen Poe, two fat steers and one lamb; Roland Poe, one fat steer; Don Reynolds, two fat steers; and Marion Reynolds, two fat steers.

FORMER PASTOR HERE IS NEW BAYLOR PRESIDENT

DR. WM. R. WHITE
Genial Dr. William R. White, who was recently elected president of 103-year-old Baylor University to succeed Pat M. Neff, has a record of service to Baptist of the South and of Texas in virtually all positions in that denomination's power to bestow.

Now the pastor of the First Baptist Church in Austin, Dr. White is also chairman of the Texas Baptist Executive Board, a member of the Baylor Board of Trustees, and formerly was president of Hardin-Simmons University, executive secretary of the Baptist General Convention of Texas, and editorial secretary of the Southern Baptist Sunday School Board at Nashville, Tennessee.

Dr. White will follow two laymen as president of the largest Baptist school in the world—the late Dr. Samuel P. Brooks and Pat M. Neff.

Baylor's new president was born near Brownboro, in East Texas. He took one year of work at Baylor, then was forced by poor health to complete his work for his bachelor of arts degree at Howard Payne College, Brownwood. He received a master's and doctor's degree in theology from the Southwestern Baptist Theological Seminary in Fort-Worth. Dr. White also has received honorary doctorates of divinity from Howard Payne and from Baylor.

Dr. White is a former pastor of the First Baptist Church in Goldthwaite, having filled the pulpit here from March 1917 to 1919,—about two and a half years, and is well known and liked in this vicinity.

He delivered the dedicatory address at the ground breaking ceremonies for the new Baptist Church here two years ago.

PRESIDENT TRUMAN TALKS ON RADIO ON STATE OF THE NATION

Beginning Wednesday at 12:30 and continuing for about 40 minutes, President Truman delivered an address before a joint session of the House and Senate in the House Chamber. The address was broadcast over the major networks.

Highlights of his State of the Nation talk included: Extend and raise Social Security benefits to all people. Nationally financed socialized medical care program. Comprehensive insurance program to protect the people from all hazards. Federal financial aid for public schools.

An executive department set up for health, education and security.

Better, more and cheaper housing and extension and continuation of rent control.

Veteran's program a success, with 2 million vets being helped through school.

More soil conservation, reforestation, and dams.

Fourteen million more men and women on jobs now than in 1938. During the last 10 years farmers and wage-earners have made tremendous gains. Standard of living can be lifted 10 times more than 10 years ago.

Price support program to be modernized and extended. Recommended minimum wage increase from 40 to 75 cents an hour.

Vetoed Taft-Hartley Labor Act, but would enforce it as long as it remained law.

For world economic recovery and worthy trade. U. S. must maintain strong armed forces. For universal compulsory military training.

Peace efforts so far have been blocked. Urged U. S. to extend financial support to down-and-out European nations, with special program for China. Recommended an initial appropriation of 6.8 billions for the first 15 months.

Must curb inflation as we enter 1948. Inflation threatens strife and depression. Urges no cut in taxes as long as we have inflation. Recom-

APPLE A DAY IN MANY A WAY

When apples are plentiful, preserve them in many different ways to add variety as well as make possible a better balanced diet. You know the saying, "An apple a day keeps the doctor away."

APPLE SAUCE
1 gallon sliced apples, 1 cup boiling water, 1 cup sugar (more may be used), 1-4 cup lemon juice if desired.

Good cooking apples with slightly tart flavor make the best sauce or butter. Wash apples thoroughly. Cut into small pieces without removing peelings and cores, provided a good sieve is available; otherwise, remove peeling and core. Cut into small pieces and in this way it is not necessary to press through a sieve. Add boiling water. Cover utensil. Cook until tender, (about 20 minutes). Press apples with peelings and cores through sieve. Add sugar. Pack while hot in hot, clean jars and process in a water bath 10 minutes.

APPLE BUTTER
1 gallon apples, 1 pint water or apple cider, 1 pound sugar (brown is best), 1 teaspoon salt, 1-4 cup lemon juice if desired.

The following spices may or may not be used according to taste: 1 teaspoon ground cinnamon, 1-2 teaspoon ground cloves, 1-2 teaspoon ground allspice.

Follow directions for apple sauce above. When the sugar and spices are added, return to the fire and cook slowly for about 1 hour. Stir continually. The butter should be very thick and give a sputtering or thick bubbling sound as it cooks. Add

rendred a \$40 reduction on income tax with \$40 for each dependent as a cost of living credit, loss to be made up by increase in taxes on corporations. Whole world looks to United States for leadership—and it is time to rededicate ourselves.

lemon juice and salt. Cook 15 minutes longer. Pour into clean hot jars. Seal. PROCESS IN WATER BATH 5 MINUTES.
APPLE-GRAPE BUTTER
A variation of apple butter can be made by substituting and 1-2 pints pure grape for the 1 pint water. Follow directions the same as for apple butter.

PICKLED APPLES
1 pound apples, cut in four 2-3 pound sugar, 2-3 cup vinegar, 1 cup water, cinnamon stick, cloves, 3 slices lemon.

Boil the sugar, the vinegar, the water, and the spices 15 minutes. Add the apples and cook the mixture slowly until the apples are clear and tender. Pour it in hot clean jars, seal, and process in water bath 10 minutes.

APPLE-CARROT CONSERVE
2 cups chopped peeled cored apples, 2 cups grated ground carrots, 1 lemon slice, 1/2 cup sugar, 1/2 cup water, 2 and 2-3 cup sugar, 1-2 teaspoon salt, (1 orange may be substituted for lemon for variety).

Cook all together until the fruit is transparent and has transparent syrup. It takes about 45 minutes to an hour. Pour into hot clean jars. Seal and process in water bath 10 minutes.

JET-PROPELLED CHICKS
You'll think you have 'em when you use Dr. Salsbury's REN-O-SAL at a growing time. These chicks really get up and grow with REN-O-SAL in their diet. It's an easy-to-use drinking-water medicine—just drop 2 tablets in each gallon of water. Use it right from the start of the chicks' lives. REN-O-SAL at a higher dosage is also effective for preventing the spread of cecal caecidiosis in the flock. Keep it handy for this purpose.

Golden Gloves Boxing Elimination To Be Held At Legion Hall Friday

Co-sponsored by the Goldthwaite Lions Club, the American Legion and VFW Posts, a Golden Gloves elimination tournament will be held at Legion Hall here next Friday night, January 16, beginning at 8 o'clock. In connection, there will be exhibition boxing matches between San Saba and Goldthwaite boxers.

Winners in the elimination contests here will go to San Saba to compete January 22, 23 and 24 with boxers from this — one of two sanctioned Golden Gloves districts — composed of San Saba, Mills, Llano, McCullough and Lampasas Counties. Winners there will go to the Brownwood regional meet to be held on January 29, 30 and 31. About two weeks later, winners will compete in the state meet at Fort Worth, then on to Chicago for the Western Division

meet, and last to New York City. Rusty Horton of San Saba is general chairman for the district tournament. Coach Larry Dalton of Goldthwaite, who will have charge of the local eliminations, has announced the following Mills County men who will compete here next Friday night:

James Miller, welterweight. Raymond Mitchell, featherweight. Charlie Davis, bantamweight. Lawrence Dalton, lightweight. Bobby Lawson, middleweight. Herman Anderson, lightweight. Ed Dennard, heavyweight.

Yet to be classified: Billie Miller, Hamil Lynch, Red Miller, Harold Kauhns. Others will also be on the card, as will a match between the Seabolt twins.

More details will appear in next week's Eagle.

Lions Hear Rev. Lowry Make Talk On Church And International Crisis

The Goldthwaite Lions Club in regular first Tuesday night meeting at The Hangar, heard the Rev. M. Dick Lowry, pastor of the Goldthwaite Methodist Church, make an excellent talk on "The Church and the International Crisis." Guests introduced at the meeting included the Rev. Jim Ashcraft, pastor of the Church of the Nazarene, and Douglas Jones.

Lion President Jesse J. Saeert read a Christmas card from the Meyer family, thanking the club for glasses furnished their daughter. He also read a letter from Lions International President saying the month of January has been designated the month to honor the founder of Lionism, Mel Jones, and that the International goal was a membership of 400,000. Individual clubs are urged to carefully select and ask them to become members of the Lions Club, the best and most active service in the world. President Saeert also reported that W. Duren, secretary, had turned Goldthwaite membership on time again. He read a letter from the San Saba club urging each member to try to ease the membership during this month. On motion, the House will be invited to request speaker before the Ladies' Night meeting of local club. Lion Fred Steves was asked to invite an orchestra from Lampasas to furnish entertainment at some meeting.

Lowry reported that the Christmas Activities committee composed of himself and Stephens and Grumbles, bought eleven boxes of fruits and nuts and distributed them to a list of ten during the Christmas days.

Larry Dalton, coach for County Golden Gloves tournament, told of the district to be held in San Saba on February 22 and 23, and plans elimination for Mills County boxers before that date. Outlets are already being

held. On motion, the Club voted to co-sponsor the tournament here with the American Legion and VFW. Plans are to hold eliminations soon at the Legion Hall here.

The Rev. Mr. Lowry, in starting his talk on "The Church and the International Crisis," first told of commentators and others who believe the year 1948 would be one of gloom and uncertainty and maybe see the beginning of World War III, and said that newspapers print scary heads to help sell papers, and we are now getting distorted news in the form of propaganda. The Russian people revolted 30 years ago against one of the most dastardly atrocities the world has ever known when they killed off the czars and their satellites who had kept the Russian people in slavery for centuries, and now felt a little cocky with their newfound independence and their rise to the second greatest power after World War II. The speaker said Stalin has the Russian people behind him and he is revered by all the Russians. After the terrible German atrocities, he said, the Russian people now want peace and security that it might not happen to them again. Rev. Lowry said he believed we need not fear an atomic war with Russia or any other country, and that we should not fear Russia because of our resources and our manufacturing power which is greater than that of all the rest of the world.

After saying that economics is the root of all wars, the speaker said we should advocate a tolerance of patience with Russia to give their people a chance to settle down some. We need a spiritual movement in this country in helping us maintain patience to get along with other nations. Rev. Lowry thinks we can get along with Russia despite the fact they are acting childish right now.

A round table discussion of the subject followed.

FORMER PASTOR HERE IS NEW BAYLOR PRESIDENT

DR. WM. R. WHITE
 Genial Dr. William R. White, who was recently elected president of 103-year-old Baylor University to succeed Pat M. Neff, has a record of service to Baptist of the South and of Texas in virtually all positions in that denomination's power to bestow.

Now the pastor of the First Baptist Church in Austin, Dr. White is also chairman of the Texas Baptist Executive Board, a member of the Baylor Board of Trustees, and formerly was president of Hardin-Simmons University, executive secretary of the Baptist General Convention of Texas, and editorial secretary of the Southern Baptist Sunday School Board at Nashville, Tennessee.

Dr. White will follow two laymen as president of the largest Baptist school in the world—the late Dr. Samuel P. Brooks and Pat M. Neff.

Baylor's new president was born near Brownboro, in East Texas. He took one year of work at Baylor, then was forced by poor health to complete his work for his bachelor of arts degree at Howard Payne College, Brownwood. He received a master's and doctor's degree in theology from the Southwestern Baptist Theological Seminary in Fort-Worth. Dr. White also has received honorary doctorates of divinity from Howard Payne and from Baylor.

Dr. White is a former pastor of the First Baptist Church in Goldthwaite, having filled the pulpit here from March 1917 to 1919,—about two and a half years, and is well known and liked in this vicinity.

He delivered the dedicatory address at the ground breaking ceremonies for the new Baptist Church here two years ago.

PRESIDENT TRUMAN TALKS ON RADIO ON STATE OF THE NATION

Beginning Wednesday at 12:30 and continuing for about 40 minutes, President Truman delivered an address before a joint session of the House and Senate in the House Chamber. The address was broadcast over the major networks.

Highlights of his State of the Nation talk included:

- Extend and raise Social Security benefits to all people.
- Nationally financed socialized medical care program.
- Comprehensive insurance program to protect the people from all hazards.
- Federal financial aid for public schools.
- An executive department set up for health, education and security.
- Better, more and cheaper housing and extension and continuance of rent control.
- Veteran's program a success, with 2 million vets being helped through school.
- More soil conservation, reforestation, and dams.
- Fourteen million more men and women on jobs now than in 1938. During the last 10 years farmers and wage-earners have made tremendous gains. Standard of living can be lifted 10 times more than 10 years ago.
- Price support program to be modernized and extended.
- Recommended minimum wage increase from 40 to 75 cents an hour.
- Vetoed Taft-Hartley Labor Act, but would enforce it as long as it remained law.
- For world economic recovery and wofly trade.
- U. S. must maintain strong armed forces. For universal compulsory military training.
- Peace efforts so far have been blocked.
- Urged U. S. to extend financial support to down-and-out European nations, with special program for China. Recommended an initial appropriation of 6.8 billions for the first 15 months.
- Must curb inflation as we enter 1948. Inflation threatens strife and depression.
- Urges no cut in taxes as long as we have inflation. Recommended

APPLE A DAY IN MANY A WAY

When apples are plentiful, preserve them in many different ways to add variety as well as make possible a better balanced diet. You know the saying, "An apple a day keeps the doctor away."

APPLE SAUCE
 1 gallon sliced apples, 1 cup boiling water, 1 cup sugar (more may be used), 1-4 cup lemon juice if desired.
 Good cooking apples with slightly tart flavor make the best sauce or butter. Wash apples thoroughly. Cut into small pieces without removing peelings and cores, provided a good sieve is available; otherwise, remove peeling and core. Cut into small pieces and in this way it is not necessary to press through a sieve. Add boiling water. Cover utensil. Cook until tender, (about 20 minutes). Press apples with peelings and cores through sieve. Add sugar. Pack while hot in hot, clean jars and process in a water bath 10 minutes.

APPLE BUTTER
 1 gallon apples, 1 pint water or apple cider, 1 pound sugar (brown is best), 1 teaspoon salt, 1-4 cup lemon juice if desired.
 The following spices may or may not be used according to taste: 1 teaspoon ground cinnamon, 1-2 teaspoon ground cloves, 1-2 teaspoon ground allspice.
 Follow directions for apple sauce above. When the sugar and spices are added, return to the fire and cook slowly for about 1 hour. Stir continuously. The butter should be very thick and give a sputtering or thick bubbling sound as it cooks. Add a \$40 reduction on income tax with \$40 for each dependent as a cost of living credit, loss to be made up by increase in taxes on corporations.
 Whole world looks to United States for leadership—and it is time to rededicate ourselves.

lemon juice and salt. Cook minutes longer. Pour whole into clean hot jars. Seal process in water bath 5 minutes.

APPLE-GRAPE BUTTER
 A variation of apple butter can be made by substituting and 1-2 pints pure grape for the 1 pint water. Follow other directions the same as for apple butter.

PICKLED APPLES
 1 pound apples, cut in four 2-3 pound sugar, 2-3 cup vinegar, 1 cup water, cinnamon stick, cloves, 3 slices lemon.
 Boil the sugar, the vinegar, the water, and the spices minutes. Add the apples and cook the mixture slowly until the apples are clear and tender. Pour in hot clean jars. Seal and process in water bath 10 minutes.

APPLE-CARROT CONSERVE
 2 cups chopped peeled and cored apples, 2 cups grated ground carrots, 1 lemon sliced thin or ground, 1-2 cup water, 2 and 2-3 cup sugar, 1-2 teaspoon salt, (1 orange may be substituted for lemon for variety).
 Cook all together until the fruit is transparent and has a transparent sirup. It takes about 45 minutes to an hour. Pour into hot clean jars. Seal and process in water bath 10 minutes.

Mr. and Mrs. Wesley Head moved their home from their ranch in the Center City community to Goldthwaite last week. They are now located on the lot purchased from Mrs. R. M. Thompson on North Reynolds and First Street.

DEATH stalks the highway at night, says the Texas Safety Association. Nightly traffic death rates are three times higher than day. The Texas Safety Association asks motorists to hold speed down and dim your lights for approaching cars.

THREE HIGH STARS ENACT TOP ROLES IN 'THEY WOULDN'T BELIEVE ME'

Robert Young, Susan Hayward and Jane Greer receive acclaim for fine performances in the stellar roles of RKO Radio's new dramatic offering, "They Won't Believe Me," the story of a charming weakling who plays havoc with the lives of three women who love him.

Married to a wealthy wife, likeable New York playboy Larry Ballantine (Robert Young) can live the carefree life he craves. Women fall for his charm, and he makes no effort to resist them. His wife, Gretta (Jane Greer), knows of his weakness and fights to keep him loyal to her by the only means she has—her money. When Larry falls heavily for one of her friends, Janice Bell (Susan Hayward), Gretta buys him a luxurious estate in California, and for the time being, Janice is forgotten.

In Los Angeles, Larry becomes emotionally involved with gold-digger Verna Carlson (Susan Hayward). When Gretta finds out she buys a remote ranch in the High Sierras. By threatening to close her purse-strings, Gretta forces Larry to go along, but he still manages to find ways to meet, Verna and they plot to clean out Gretta's bank account and elope. Tragedy follows swiftly, and the story mounts to a smash climax with Janice taking a prominent part in bringing about Larry's retribution.

Sunday and Monday at the Melba Theatre.

THE RED STALLION

This picture caters to the wide and ever-present interest in horse pictures. It should please because it contains the time-honored essentials: a boy, a horse and a dog. The story is filmed in pleasing Cinecolor, which especially aids to the natural beauty and attractiveness of this type of subject.

Ted Donaldson, the boy, and his horse are the mainstays of the picture. In the woods he finds a young colt, whom he calls "Red." He raises and trains the young horse. The colt, the boy and his dog "Daisy" become devoted companions. Jane Darwell, as the grand-mother, finds that her ranch will have to be auctioned to pay debts. The lad decides he will try to raise money by selling his beloved "Red" and trains him as a race horse. In the happy ending the boy sells a half interest in the horse and gets enough money to pay the debts.

Robert Paige, as a horse trainer, and Noreen Nash supply the romantic interest. Miss Darwell and Guy Kibbee, the old reliable, give good support.

Fourth Generation Celebration

(The Lexington Enterprise)
This Holiday Season was made complete on Christmas Day for Mr. and Mrs. W. M. Johnston of Lexington, Texas, when they had with them their three daughters and their husbands, their grandchildren and great-grandchildren, completing a fourth generation of the Johnston family.

After the Xmas dinner, all gathered around the Christmas tree where a lovely program was enjoyed by all, marking another Anniversary of the Coming of the Christ Child.

Besides Mr. and Mrs. Johnston, Mr. and Mrs. S. P. Peebles and sons, Sam Parker, Wyley Marshall and E. M., Mr. and Mrs. Raymond Lewis and daughter, Jimmanne, Mr. and Mrs. Fred Woodard and children, Kay Ellen Woodard and Fred Peebles Woodard, Mr. and Mrs. H. H. Seawell and son, Harry David, all of Lexington, and Mr. and Mrs. Robert Weaver of Waco, Texas, were all present to enjoy this memorable occasion.

Mrs. Ascenia Peebles, another great-grandparent, contributed to this delightful gathering as a welcome caller in the afternoon.

Tate-Henderson

(Coleman County Chronical)
Miss Frances Ann Tate, daughter of Mr. and Mrs. C. E. Tate, and William Curtis Henderson, son of Mr. and Mrs. W. H. Henderson, were married Saturday evening at the First Baptist Church.

The Rev. James M. Bradford, pastor of the First Baptist Church in Lufkin, performed the double ring ceremony. The altar was decorated with white mums against a background of woodwardia fern and white tapers in Swedish steel candelabra, the pews were marked with tapers, white satin bows and pom pom mums.

Mrs. John B. Warren, Jr., organist, played the traditional wedding marches and accompanied Mrs. Carroll Lowrie of Corpus Christi, cousin of the bride, who sang "One Alone", "Because" and the "Lord's Prayer."

The bride, given in marriage by her father, wore an original model bridal gown of white faille, with fitted bodice and yoke of illusion outlined with seed pearls.

For traveling the bride chose a suit of grey gabardine with black accessories, with the orchids from her bouquet pinned to the lapel of her coat.

After a trip to points of interest in Louisiana and Arkansas, Mr. and Mrs. Henderson are at home in Bryan, where he is a student at A&M College.

Mr. and Mrs. Tate are former residents of Goldthwaite. Mr. Tate was manager of Lamkin Bros. Grocery when it opened here. Miss Tate is a niece of Miss Lula Davis of this city.

Amid the colorful and attractively decorated Christmas scene of the C. A. Eacott's home was an old fashioned outdoor fireplace, with logs heaped high, with a red glow animated with love, which extended through the top of the chimney. The old iron pot on the right with fire aglow underneath; chandelier hanging above the mantel with blue lamps made merry many children as well as others during the holiday season. C little girl said to Mr. Eacott's town, "You sure are a sw man to let Old Santa live do there. I saw the chimney comes from." Many other expressions makes known to they were very happy about So that is the Christmas Spirit "To live beside the road and a friend to man," and m him merry.

payments to veterans the Dallas Branch Area during the year amounted to more than \$425,000,000. This included disability compensation, death claims, insurance settlements, and tuition and subsistence to

veterans in schools or training. At the end of the year, VA was paying disability compensation to 181,000 veterans in the three states.

More than 43,000 loans on homes, farms or businesses were granted by VA during 1947, bringing the cumulated total for the three states to 75,200 loans with \$227,460,000 guaranteed by the government.

Veterans in training in the three-state area at year's end totaled almost 254,000. The number in school or institutional work increased 63 percent compared with a 15 percent decrease in the number of veterans training on the job.

Around 75,000 veterans reinstated lapsed National Service Life Insurance amounting to \$510,000,000 during the year.

Postal laws and regulations pertaining to delivery of checks for many benefits administered by VA have been modified for the greater conveniences of veterans and beneficiaries.

The new regulations allow checks to be placed in city and county post office boxes, and in mail receptacles on the

PERSONAL PARAGRAPHS

Mr. and Mrs. Nelson Waggoner of Center City spent Tuesday guests of Mrs. Will Burks. Mr. and Mrs. J. B. Ferguson Post are visiting Mr. and Mrs. Vance. Mr. and Mrs. John Howell and Mr. and Mrs. Clyde Estep attended the funeral of Mr. Harrell at Georgetown Tuesday afternoon. Mr. B. Hughes and John Howell were in the hospital. Mr. Hughes was rushed to the Medical Arts Hospital for an emergency appendectomy. His little daughter, Ida, who underwent the same operation last week, was brought home Tuesday and is doing well. Mr. and Mrs. Jesse Saegert and Gene went to Seguin for a week-end visit with his parents, and Mrs. J. F. Saegert.

Little Miss Ann Weatherby of Hamilton spent the week-end with her grand-parents, Mr. and Mrs. Walter Weatherby. O. S. Strickland and grandchildren C. W. and Ollie Strickland of Hamilton spent New Year's day with his sister, Mrs. John W. Roberts, and Mr. Roberts. Mr. and Mrs. Sam Taylor brought his sister, Mrs. Hettie Urback, home Sunday. She spent the two weeks holidays in San Saba with the Taylors. Mrs. Hettie also visited her niece Mrs. Gray Burks and family at Cherokee. Mr. and Mrs. A. Shocklee and grand-son, Alex Shocklee III of Beard spent the week-end with his sister, Mrs. D. G. Barnett and Mr. Barnett. Mrs. Otis Grey of San Marcos spent a few days during Christmas with her parents, Mr. and Mrs. J. A. Hester. Mr. and Mrs. John Keese returned from a week's visit with their children in Arkansas and Oklahoma.

Mrs. O. L. Woody returned Sunday after a few days visit in San Antonio with her daughter, Mrs. F. J. Cartwright and family. Mrs. J. E. Greathouse is spending a few days in Lometa with her daughter, Mrs. G. Kirby and family. Mr. and Mrs. D. A. Hamilton spent Sunday with their daughter, Mrs. George Willis, and family at Comanche. Mr. and Mrs. H. E. Patton and Mrs. J. H. Randolph spent the holidays in Austin. The Pattons visited in the home of her mother, Mrs. T. A. Andrews. They also visited relatives in Houston, San Marcos and West Point. Mrs. Randolph visited her sister, Mrs. Haskell Smith, and family in Austin and relatives in Belton, Temple and Troy. They returned home last week.

The Weatherbys attended a dinner at the home of their sister, Mrs. A. F. Taylor at Eastland Monday, Dec. 29. Those who attended were; Mr. and Mrs. W. J. Weatherby, Mr. and Mrs. Jim Weatherby, Mrs. Omar Weatherby, Mrs. Talbot Ledbetter and Mr. and Mrs. Roy Weatherby of Mullin. Mr. and Mrs. B. L. Means and Steve Dallas and Mr. and Mrs. R. W. Hester and Richard of Fort Worth have returned to their homes after visiting with home folks during the holidays. Mr. and Mrs. Ervin Hurdle and son of Victoria visited friends in Goldthwaite Friday of last week. They also went to the graves of his parents and were impressed over the improvements made at the Goldthwaite Memorial Cemetery. Rev. and Mrs. D. A. Bryant and son Truett of Mexia, after attending Dr. Davis' funeral in Brownwood, stopped in Goldthwaite to attend the Fellowship supper of the Baptist Church Friday of last week. They spent the night in the home of Mr. and Mrs. J. H. DuBose. Tommie Joe Palmer arrived in Ballinger Sunday, January 4th, to make his home with his parents, Mr. and Mrs. Edward Eugene Palmer. The grand parents are Mr. and Mrs. Joe Palmer of Goldthwaite.

Robert Edwin Johnson (Bobby) and Miss Allene Cryer surprised their friends last Tuesday afternoon, Jan. 3, 1948, by driving to the Methodist Parsonage and getting married. Rev. M. Dick Lowry performed the single ring ceremony. They left immediately for a short honeymoon. Bobby is the son of Mr. and Mrs. W. M. Johnson and has spent his entire life here except for the two years he spent with the navy in the European Theatre during the war. Allene is the daughter of Mr. and Mrs. F. C. Cryer of Mullin. There she spent her school days and finished high school. Since then she has been employed by the Bell Telephone Company in Brownwood. The young couple are happily located in Mrs. Mamie Winsor's apartment and Bobby will be associated with his father in the oil business.

GIRL SCOUT COUNCIL

Miss Bobby Wash, area executive of girl scouting, will be in Goldthwaite, Monday and Tuesday, Jan. 19 and 20. Miss Wash and the local council are anxious to organize a new Brownie troop. We have around 40 little girls who want to come into scouting. The program for the two days will include individual conferences for new leaders, training in crafts and song and games for all girl scout workers. A complete schedule will be in next week Eagle.

We need new leaders. The girls need you. Do you need them?

GOLDTHWAITE GIRL SCOUTS

Troop 1. Brownies with Leaders Mrs. Hollis Blackwell and Mrs. Leonard Archer are studying nature. Monday afternoon they had a picnic and went on a hike to observe nature. Troop 4 with Mrs. M. E. Blake and Mrs. Dave Straley as leaders made candy and took to the shut-ins and sang Carols for them during Christmas week. The Brownies gathered old and used toys last month and the Cub scouts put them in order to give for Christmas. Troop 2 with Mrs. Charlie McLain and Mrs. Jacob Saylor

put on a Christmas pageant for the Garden Club Dec. 18. Troop 3, Mrs. Ector Great-house leader, made Christmas cards and wreaths last month. They were very artistic. Troop 5, Senior troop with Mrs. D. B. McCombs and Mrs. Y. B. Johnson as leaders, are studying homemaking, and are giving a tea, to carry out their work, next month. They also helped with the Christmas pageant for the Garden Club in December. They were entertained by their leaders, with a skating trip to Brownwood Christmas week.

CARD OF THANKS

We wish to thank you for the many kind words and deeds at the time of the death of our

sister. Elem Berry and family, John Berry and family, Will Berry and family, Mrs. Lela Kelly and family, Bob Miller and Henry Skoog of North Dakota, now Golden in the part of Texas, west of Llano, saw a doe, but bagged no game, were very much impressed with the attractiveness of the sister. A. WILLIAMS, CHIROPRACTOR NEW IN B'WOOD

E. T. A. WILLIAMS, A. Williams, Chiropractor, moved to Brownwood from San Antonio and opened office at 1101 Third Street. Williams is 47, a native married and has a two-son.

The above appeared in Brownwood Bulletin, there is an addition to their they now have a boy who is old they plan to

received his Chiropractic education at the Palmer School Chiropractic in Davenport, Iowa, where he was licensed to practice.

Williams, wife, also a Chiropractor, give you that, said the family moved to Brownwood because her husband loves to fish and hunt in spare time and was attracted to Lake Brownwood, but his reason is that he the friendliness of Brownwood people and the principles stand for.

Williams has a well equipped office and says he practices Chiropractic methods. His office was opened for business Monday, Dec. 14, 1947.

Williams practiced in Abilene, Texas until just before the when he was called into pioneering service of the War with which he has been connected prior to studying Chiropractic. He was only recently released and returned to professional career.

Williams is a member of Masonic and Knights of this lodges and is a past

chancellor of the latter and a DOKK. But he says the highest honor he has attained was when he was ordained a Baptist deacon. He is an ardent dry, advocates tithing and believes that another world conflict could be averted through missionary work if people concentrated one-tenth as hard in taking the Gospel to the world during times of peace as in death and destruction in times of war; but he also believes in a strong national defense program.

About the "Center of Texas" it has been changed many times and can be changed many times more by changing the boundaries as we did when we gave up New Mexico, Arizona and California, and, as we recently did by adding part of the Gulf of Mexico; but "The Heart O Texas" will never be moved and this Area is "IT", Dr. Williams says.

BROWN - MILLS SOIL CONSERVATION NEWS

VERNON CARR, Brookesmith. No. 523—TEXAS

G. G. GOSS, Chairman, Rt. 1, Rising Star. Comprising all Farms and Ranches in Brown and Mills Counties—Approximately 1,057,280 Acres.

W. A. HILL, Goldthwaite. CHARLIE BYNUM, Rt. 1, Zephyr.

Cooperators with the Brown-Mills Soil Conservation District are busy planting their Madrid clover seed. Although the weather has delayed planting, many farmers are going ahead with their plans to sow their Madrid Clover seed early. Past experience of several farmers have indicated that November planting made the best growth and furnished more grazing, but last year late December planting survived the severe winter. Clover planted in March has done well here. Madrid clover is noted for its winter hardiness, its drought resistance, leafiness and fine stems.

Because Madrid Sweet Clover is a biennial soil building legume the District Supervisors and Soil Conservation Service technicians are strongly recommending that more farmers and ranchers try Madrid clover to use as summer grazing. The clover planted now will furnish potential grazing from April until May of next year.

Jim Soules, in the Star Conservation Group overseeded his oats with Madrid clover and phosphate in 36 inch rows during March of last year. When he harvested his oats with a combine the clover was taller than his oats. He baled the oat straw and clover into hay that was considered excellent. During the summer he grazed the clover with his cows and calves. The calves were weighed each week and Mr. Soules

says that they gained an average of three pounds per day. Mr. Soules will get winter and spring grazing now from the same planting and will expect a seed crop this summer about July. Since Madrid clover furnishes excellent grazing through the summer months many ranchers can see they can rest one of their pastures during the summer and fall months.

The District Supervisors, J. H. Priddy and W. A. Hill, are furnishing the cooperators of the District a drill that will put out fertilizer and as little as two pounds of clover seed per acre. Most farmers are planting three pounds of clover per acre broadcast and baout one pound in rows. The Supervisors also have small attachments for row planters for loan.

Mr. Priddy has been instrumental in securing and distributing 2300 pounds of Madrid clover seed to the cooperators of Brown-Mills District. For a successful planting of Madrid clover it is recommended that phosphate fertilizer be used, that the seed be inoculated with the sweet clover culture, the seed should be covered not over one-half inches deep on a firm seed bed, and not grazed or mow any closer than three to six inches from the ground. Leave enough leaves to develop a vigorous root system. Pictures of Madrid clover may be seen in the Trent State Bank.

PEANUTS AND PEANUT OIL SHOW STRENGTH

Shelled peanuts found a little stronger market this week, according to the U. S. Department of Agriculture's Production and Marketing Administration. More active inquiry was reported, but demand continued rather light. Quotable prices ranged around 16 1-2 cents a pound for No. 1 Spanish.

Some farmer's stock peanuts still moved to market at support prices. However, lots now being generally show some damage.

Peanut oil again showed some strength, and sales went at 29 1-2 to 30 cents a pound in carlots, basis prime crude of 5 per cent refining loss. Peanut meal held firm at \$90 to \$92 a ton in carload lots, f. o. b. the mills.

SCOUTS PLANT ONE HUNDRED TREES

One hundred Sycamore trees were planted along the waterfront at the new Camp Billy Gibbons by forty-eight Scouts and Scouters who attended the winter camp December 29, 30 and 31. These trees were selected by a committee due to the fact that they made a very quick growth and will be large enough to make a good shade sooner than any other tree.

Since the group in attendance at the winter camp had very comfortable weather the first two days, most activities that are engaged in there in summer were carried out. Two campfire ceremonies were held, with Uncle John Gibbons (Mr. and Mrs. Gibbons have given the Comanche Trail Council a deed to the 100 acre camp site) and Scoutmaster J. B. Boler of Richland Springs attending the

first of the two ceremonies. Men and boys were in attendance from: Breakenridge, Eastland, Stephenville, Brownwood, Lampasas, Richland Springs and Mullin.

G. N. Quiri, Scout Executive, and Steve Potts, Field Executive directed the camp with the assistance of the Scoutmasters from the above mentioned towns.

FAMILY GATHERING

On Sunday, January 4, Mr. and Mrs. J. H. Long were made very happy when all of their children and grand children gathered in their home to spend the day.

They were Mr. and Mrs. Lynn Nix and daughter Earlene of Goldthwaite, Mrs. L. B. Bramblett and children Patsy, Peggy, Pete, Carolyn and Carlton of Mullin, Henry Long at home, Mrs. Jack Davis and children Wanda, Wayne and Vera Mae, Mrs. Beatrice Schmidt and sons John Randle and Freddie of Goldthwaite, Mr. and Mrs. Jack Cartwright and son Jackie, Jr. of Goose Creek and Miss Darlene of Goldthwaite.

Also visiting in their home were two of Mrs. Long's brothers, Sam W. Randles of Pritchett, Colorado and Ed Randles of Fort Worth and Larry McCasland of Goldthwaite. Mr. and Mrs. Grover Dalton called in the afternoon.

JANUARY 31 DEADLINE DATE TO PAY POLL TAX FOR VOTING

To yesterday morning, 1,026 poll taxes has been paid at the Mills County Tax Assessor-Collector's office in the court house here.

Readers are reminded that this is a national election year, with a president, Vice-President, Senator, Congressman, and all state, district, county and precinct officers to be selected. January 31 is deadline date to pay poll taxes to vote this year.

Mr. and Mrs. E. C. Ecklund from Shefman and Mrs. H. D. Davee of San Saba visited last Saturday night and Sunday in the home of Mr. and Mrs. Terrell Casbeer. On Tuesday night Mr. and Mrs. R. A. Cox visited with them, and Mr. and Mrs. F. W. Chadwick came out from town and spent the day with them Wednesday.

How smart do you have to be to have money?

HAVE YOU EVER said about someone who had more money than you . . . "Where did that fat-head get his money? Why, I'm twice as smart as he ever was." Well, we don't doubt it for a minute. But . . . are you as smart about one little thing as he is? Are you smart enough to save money as well as earn it? Many an otherwise smart person never could—until now. But thanks to the Payroll Savings Plan, millions now are building themselves a cozy future with U.S. Savings Bonds. The beautiful part of these plans is that you don't have to keep exerting your will power pay after payday, making the effort to save. You just use that old will power once—by signing up for Payroll Savings. Then your saving is done for you—automatically. So don't envy the fellow you're "smarter" than. Let the other fellow envy you! Start the New Year right! Join the Payroll Savings Plan right away!

Sure saving because it's automatic—U.S. Savings Bonds

SCIENTIFIC CATTLE FEEDING IMPORTANT

The American Meat Institute has launched a program to provide American consumers with a maximum quantity of meat—and at the same time help conserve grain for shipment abroad under whatever European aid program the government finally adopts. The plan is based on making the best possible use in 1948 of the available supply of corn — the crop which was hit unusually hard in 1947 by drought and hot weather. In carrying out the work, the packing industry will work closely with the agricultural colleges, the Department of Agriculture, and other interested agencies. One very important phase of the plan is to bring to the attention of farmers and livestock producers the results of scientific studies which point to the most efficient utilization of feeds of all kinds. As the Elizabeth, New Jersey, Journal put it, "The Meat Institute, in placing scientific methods at the disposal of farmers and furthering conservation programs, is demonstrating once again it is not a packer's 'lobby,' but a practical conscientious trade organization." It is not generally known how excellent a job the packers have done in meeting an abnormal demand for meat — and at a profit to themselves of less than a cent per pound. They are vitally interested in the grain problem, as are farmers and the public at large. The best efforts of everyone involved, and careful conservation of our resources, will be needed to solve it.

WITH DIGNITY AND CONFIDENCE

The sole threat to the peace of the world lies in the deterioration in relations between the United States and the Soviet Union, and the inability of these two powers to reconcile their policies.

That problem will not be solved by "tough talk" — nor by implications that we can be just as war-like as Russia. And it will not be solved by building up, among our own people, an almost pathological fear of Russia.

Within their limitations, the Soviet leaders are realists. They are impressed by deeds — not by words. And that is true of all the European countries which sooner or later will have to make a choice between a totalitarian government and some form of democratic government. The influence and prestige of the United States will grow in direct proportion to what we do rather than what we say.

We must, of course, maintain our military strength. We must also show by demonstration that our system can out-produce any other system. We must prove beyond the shadow of a doubt our faith in free enterprise at home before we hope to "sell" the merits of free enterprise abroad. We must deal with all powers, Russia included, with dignity and confidence. That is the only possible road to a peaceful solution of world problems.

CHRISTIAN SCIENCE SERVICE

"Sacrament" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 11. The Golden Text is: "The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all" (II Corinthians 13:14). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the Lord spoke unto Moses, saying, Speak unto all the Congregation of the children of Israel, and say unto them, Ye shall be holy: for I the Lord your God am holy" (Leviticus 19:1, 2). The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We should strive to reach the point where God is revealed, and the cornerstone of all spiritual building is purity. (page 241).

Uncle Sam Says

How many things have you had to forego because you did not save up money to pay for them? Perhaps in your own experience you missed an unusual opportunity to get ahead or to make a dream come true. You simply didn't have enough money. Millions of Americans are buying Savings Bonds either on the partial payment plan where they work or on the Bond-A-Month Plan where by your bank deducts the full amount of a Bond monthly from the money you have on deposit. They will be ready for opportunities, but how about you? U. S. Treasury Department

WHAT WE KNOW OF GOD

Lesson for January 11, 1948

THE Scripture for Sunday's lesson is Isaiah 40:28-31, Matthew 6:9, John 14:8-14, and Acts 17:22-31, with Psalm 33 as the devotional reading.

God Our Maker

"HE GIVES to all men life and breath and everything." Acts 17:25. One of our daily prayers should be to thank God that he has let us open our eyes to the beauty of another dawn. We must not take it for granted. It is the goodness and mercy of God that permits us to open our eyes, to breathe, to have food, to think. He gives us life and breath and everything.

And He is Our Father

NOT only is God the Creator and Sustainer of the physical universe; but he is also our Father. He knows us each by name. He cares for the sparrows, simply because they are sparrows. He cares for us because we are his children, made in his image, capable of fellowship with him. The end of man, as the Catechism clearly teaches, is to enjoy God and glorify him forever.

Show Us the Father

READ again John 14:8-14, and join with Philip in the prayer, "Show us the Father," Jesus answered Philip, saying, "He that hath seen me hath seen the Father." We come to know God as Father through Jesus Christ, and only through Jesus Christ.

Belief in God Today

THE Bible is a Book for today—any day, every day. It reveals the purpose of creation, both of the universe and man himself. It reveals the loving concern of God for every soul. It portrays his forbearance and his mercy and his exceeding kindness, even to sinful men and women who reject his love.

Covington-Kelly

On December 26, 1947, Valle Lee Covington became the bride of Arnold Kelley at the home of Rev. M. E. Blake, pastor of the Church of Christ of Goldthwaite.

Those attending the wedding were Jamie Brown, Goldthwaite; R. G. Kelly, Goldthwaite; Herbert Howard, Molline; and Bonnie Brown, Brownwood, Texas. The bride chose a grey suit with black accessories. She is the daughter of Mr. and Mrs. Walter Covington of Molline. The groom is a son of Mr. and Mrs. L. O. Kelly of Pleasant Grove, and is employed at The Eagle Office.

The couple have made their home in Goldthwaite.

Goldthwaite Public Library

Recent gifts to the Goldthwaite Public Library are: "The Valley of Decision," Davenport, from Mrs. J. M. Spinks; "The Crisis," Churchill, from Mrs. Henry Martin; "Straw in the South Wind," Donald Joseble, from Mrs. John Barr of Sherman.

Six new juvenils, "Proud Destiny," "Feuchwanger and the Moneyman," Costair, have been added by purchase.

The Lions Club has paid in their annual gift of five dollars.

By these gifts of books and money the Library continues to grow.—Mrs. John Schooler, Librarian.

Mr. and Mrs. W. R. Shipp Entertained

Mrs. L. J. Krebs of Dallas honored her sister and husband Mr. and Mrs. W. R. Shipp, by holding open house at their home in Priddy, Friday afternoon, December 26, 1947, from 2 until 4 o'clock.

The occasion was to observe their 25th wedding anniversary. The house was appropriately decorated with a Christmas tree and holly. A large white candle formed the centerpiece of the refreshment table.

Rev. A. H. Muehlbrad of Priddy led the group in singing Christmas Carols, and then spoke an appropriate message on the sacredness of marriage. Patricia Anne Krabs of Dallas rendered several selections on the accordion including the "Anniversary Song".

After the short program Mr. and Mrs. Shipp, assisted by their son Billie Shipp and Miss Anna Belle Wasserman opened show. A number of new speciality acts will be included with the popular rodeo events.

the large assortment of beautiful gifts.

Refreshments consisting of white cake, bell shaped cookies and mints were served with coffee and cocoa, poured by Mrs. Harvey Kesler and Mrs. J. L. Tomlin assisted by Miss Elenor Jeske and others. Mrs. C. A. Rea had charge of the guest book.

Friends and relatives from Hamilton, Shive, Pottsville, Dallas, Heborn and Hearne joined with their Priddy friends in offering Mr. and Mrs. Shipp congratulations and wishing them many more years of happiness.

Mrs. Melita Wesson

Mrs. Melita (J. S.) Wesson was born in 1863 at Giddings in Lee County, Texas and died January 2, 1948 in Goldthwaite at the age of 85.

In 1882, she was converted and united with the Church of Christ.

She was preceded in death by her husband, James Stockton Wesson, and five children. The deceased is survived by one daughter, Mrs. Julia Taylor of Goldthwaite; two sons, Chaig of Goldthwaite and R. W. of Lampasas. She is also survived by twenty-four grandchildren and twenty-nine great-grandchildren.

Funeral services were conducted at the Church of Christ on January 2, Rev. Joseph L. Emery and Rev. M. E. Blake as ministers in charge. Interment was in Goldthwaite Memorial Cemetery.

COUNTY AGRICULTURAL AGENT'S OFFICE DAYS

We regret to inform you that the County Agent's Office will be closed part of every week due to losing our secretary, Mrs. LaVerne Roberts. She has been very efficient in her duties and has kept the office open to the public at all times in the absence of the County Agent or Home Demonstration Agent.

The secretary's salary has been in the past paid by the State Farm Labor Funds. These funds are cut off effective January 1, 1948; therefore, there will be no secretary in the office after that date.

Our tentative schedule will be to keep the County Agent's Office open every Monday and Saturday, with Tues., Wed., Thurs., and Fri. spent in the field. Anytime during the above 4 days that the Agents are not in the field at work, they will be found in the office. Please don't forget that Monday and Saturday will be designated as office days, and you will find us here at that time. Don't attempt to phone us as we are losing our phone along with the secretary, as it has been paid for with Farm Labor funds; therefore you will have to see us in person on Monday or Saturday.

Remember and watch the Eagle as we are trying the above as only a tentative schedule, and we may change from time to time, and we will let you know if we do. We regret that the above has happened.

—Darius B. McCombs, County Agent; Mrs. Emagene Haensch, County, H. D. Agent.

CONCRETE MASONRY solves your livestock housing problem

THOUSANDS of thrifty farmers are money ahead because they use economical, long-lasting, firesafe concrete masonry for poultry houses, dairy barns, hog houses, granaries, implement sheds and milk houses. Concrete's moderate first cost, lifetime service and low upkeep all add up to low annual construction.

Write today for helpful free literature on any farm building or livestock housing problem. See your local concrete products manufacturer on your next trip to town.

Always insist on concrete masonry units which meet the specifications of the American Society for Testing Materials (ASTM).

OLD MAN 100

(Continued from page 1.)

And when the 3rd told Old Hunnert the first morning after: "You must not expect me to give up my girlhood ways all at once," Old Hunnert told her; "That's all right, little girl; go on taking an allowance from your father just as if nothing had happened."

The baby had a cute ma, and Old Hunnert wanted to make a good impression on her, so he leaned over the cradle and said: "O-o-o. You look so sweet I could eat you!" Baby—"The hell you could; you don't have any teeth."

And when Tillie asked, "Do you like the men who are always trying to kiss you or the other kind?" Blondie said: "What other kind?"

And when the new stenog asked the office boy how long he had been working here, he said: "Ever since the boss threatened to fire me."

And the other day they approached an old-timer here for a donation to build a fence around the cemetery, and he refused, saying: "What's the use of building a fence? Them that's in it can't get out, 'an them that's out don't want to get in."

And when Old Hunnert said to the 5th, "Let's get married or something," the 5th came right back with, "We'll get married or nothing."

And when the 7th got mad and said: "I want an explanation and I want the truth," Old Hunnert told her: "Well, make up your mind. You can't have both."

When he told the 7th, "After I get up in the morning and shave I feel 20 years younger," the 7th told the Old Man: "You should shave before you go to bed, dearie."

When little Helen Hunt found a purse containing \$21.50, she came to the Eagle Office for the Boss to advise for the owner. The ad read like this: "The party who lost a purse containing \$21.50 can go to Helen Hunt for it."

And when the Goldthwaite mother said to daughter: "Now, Evelyn, what did you do when that soldier kissed you last night?" daughter said: "Well, when I wanted to scream, I couldn't; and then when I could, I didn't want to."

She paints; she powders; she reads risqué stories; she drinks her liquor; she cusses, too; she eats lobster at midnight; she does lots of things she oughtn't to, but dad gum it, she's my gramma... and I love her.

INCOME TAX RETURNS

Farmers, as you know, January 15 is the final date for you to file your income tax declaration. Why not file both the return and declaration both by the 15th and be through with them? If you need an entry copy of either 1040 or 1040F call by my office on Mondays or Saturdays and I will supply you with them.

Don't forget to get those declarations in by January 15, as that is the dead line.

DOWNE COMFORTS

For sometime the Marketing Committee has been confronted with questions such as these: "Why hasn't my order for Downe fabrics been filled as yet?" and "When may I expect delivery?" These questions have been answered in a recent letter from the manufacturers. Our best information is that deliveries cannot start before late late Summer or early Fall. With these schedules in mind, we are reluctantly obliged to cancel all orders. We have their pledge that we will be notified in simple time to reinstate our order. When we do hear from them again, they will be in a position to assure deliveries on a definite schedule. New samples, colors, sizes and prices will accompany such notification.

The Mills County Marketing Committee of HD Council wishes to thank all of those who had orders for their patience and understanding in the long awaited orders. The money is being returned and if you have not received your money please call at the HD office.

LCRA ELECTS NEW OFFICERS

AUSTIN, Jan. 5 -- The Board of Directors of the Lower Colorado River Authority in their annual meeting recently re-elected Orville Buttery of Liano as chairman. Mr. Buttery has been a member of the Board since May 10, 1943 and has served as chairman since January 1, 1947.

The Board also elected P. R. Hamill of Bay City as vice chairman, succeeding R. D. Wright of Wharton, who had served in that capacity since January 1, 1947. Mr. Wright will continue to serve on the Board.

All other board and staff officers were re-elected and W. S. Gideon of Austin was appointed chief counsel and assistant general manager.

Mr. Gideon has served his partnership in the law firm of Powell-Wirtz-Rauhut and Gideon to be with the Authority on a full-time basis. He has served as chief counsel since January 2, 1940. He is now located in the General Office in Austin where he will handle all legal work and assist the general manager in an executive capacity.

A. B. Spires of Austin was re-elected secretary of the Board and Mr. Max Starcke was re-elected as general manager. Other staff officers who were re-elected are Grady Faubion, treasurer; R. A. Lucksinger, auditor; and G. E. Schmitt, assistant general manager and chief engineer.

Charles over the holidays: Lyndon Davis and wife of San Bernardino, Calif.; Mr. and Mrs. Howard Ehrhridge and sons of Grand Prairie; Mrs. Dial Raney and son and daughter of Ranger; Mrs. A. D. Smith and daughter of Mission; Mrs. C. O. Stark and Mrs. Joe Bayliss of Goldthwaite; Bill Norwood and family of Coleman; and Mr. and Mrs. W. G. Kelcy and daughter of Mullin.

HIGHLINE

substation at or near the City of Goldthwaite. The estimated cost of the conversion of the line and substation construction is between \$60,000 and \$64,000.

4. Amend the power agreement between the Authority and the City of Goldthwaite in order to change the point of delivery from the Lometa Substation to the proposed Goldthwaite Substation and extend termination date to give the City of Goldthwaite a thirty-year contract from the date of this amended agreement.

The above proposal appears to be of mutual benefit to all parties concerned in that (a) it reduces the line losses and maintenance expense of the City of Goldthwaite in an amount estimated to be \$3,000 a year, and also eliminates the necessity of future expenditures to provide additional capacity; (b) the Hamilton County Electric Cooperative receives a new point of delivery in the Goldthwaite area which will materially assist in extending electrical service to many farmers in Mills County; and (c) the Authority receives additional revenue from the new customers to be served by the Cooperative.

After you have reviewed the above proposal and discussed same with Mayor Long and your City Council, and if same is acceptable, please advise in order that I may present the proposal for consideration by officials of the Authority.

Yours very truly,
G. E. SCHMITT
Assistant General Manager
and Chief Engineer

The people of Goldthwaite will be asked to decide on this proposal, if approved by the Authorities' Board of Directors. The City Council favors such a deal and the following letter has been written to the Authority:

January 6th, 1948
Mr. G. E. Schmitt
L C R A
Austin, Texas
Dear Mr. Schmitt:

At a meeting of our City Council, held last evening, your letter of proposal on Hi-line deal was read and discussed.

I am instructed to inform you that the City Council will proceed, in line with the points mentioned, and place their stamp of approval on this project. You realize, of course, that before clear title can be given to the line, that an election must be held in Goldthwaite, and a release secured from our Bond Holders.

Before we go to the expense of an election however, it would be wise for us to have assurance that such a deal will be carried out by your Authority.

We are publicizing the proposal in our local paper and will be glad to hear from you further at your earliest convenience.

Very truly
W. C. Barnett

More about this subject will appear in a later issue of The Eagle.

partments and institutions to obtain personal information as to their operation. He also visits stricken areas in order to direct relief activities.

There were sixty-eight bills passed by the last legislature relating to education alone. A rundown of the more important of these include the following:

Raising annually the scholastic apportionment to a record-breaking high of \$55 of \$38,000,000, fixing a \$2,000 minimum pay for schoolteachers as well as bonus for the preceding session, \$18,000,000 for rural aid, largest in history of Texas; an increase of \$10,000,000 for higher education, urged by Jester; establishment of a Negro university of the first class, federal job training for veterans, increased amounts for junior colleges, provision for grouping small schools to improve instruction, providing more free textbooks and in more subjects, establishing schools for exceptional and crippled children, giving full status to 186 county vocational schools to train veterans, submission of a constitutional amendment, adopted by the people, providing a permanent method of financing sixteen state institutions of higher education, and the inauguration of an educational survey looking to overhauling and modernizing the public school system of Texas.

Public health was also high on the Jester card of accomplishment, as the following will attest.

East Texas State Tuberculosis Sanatorium for whites created, State Tuberculosis Sanatorium for Negroes relocated, Weaver H. Baker Memorial Sanatorium for whites established, \$828,480 appropriated for cancer research with \$608,620 allocated for the second year, \$25,000 additional for research at State Medical College, Texan Hospital survey and construction art, expansion of State Health Department, strengthening the clean dish-utensil law in public eating places, pure food law made stronger, active support food conservation program.

Agriculture came in for attention with acts tiding the State Department of Agriculture, A&M experiment stations, forestry service and public fairs and livestock exhibitions.

Cattle interests saw the enactment of bills combatting the dread foot-and-mouth disease and Beng's diseases.

Labor came in for an increase in workmen's compensation benefits and also to include occupational diseases.

Insurance action was covered in nineteen different enactments.

Public safety ranked high with a uniform traffic law for Texas, highway patrolmen almost doubled, provision for teaching driving safety in the schools, increased personnel and funds for the State Public Safety Department and development of a highway safety action program to be offered a statewide conference in 1948. Good neighbor relations made substantial progress with the Good Neighbor Commission made permanent, plan adopted to aid Latin-American students at state schools, appointment of Latin Americans on Veterans Affairs Commission and on Regents for Arts and Industries College and establishment of a special commission to study the Mexican labor situation with a view of improvement.

Veterans Affairs Commission was created to aid veterans in obtaining benefits and to protect them against abuses and exploitation.
