NEW METHODIST PASTOR TO HOLD SERVICES SUNDAY

The Rev. Ed. H. Lovelace, pastor of the Methodist Church at Sterling City for the past six years and appointed at the recent Kerrville District Conference to supply the church here, will hold his first services at the First Methodist Church next Sunday morning and night at the regular hours.

The Rev. M. Dick Lowry, pastor of the church here for the last two years, will leave today for Kennedy, where he has been appointed as pastor of the First Methodist Church, and will open services there Sunday morning.

Rev. Lowry and family have made many friends here and throughout the vicinity during their two-year residence who will deeply regret to see them leave but will wish for them much success in their new assignment. They are citizens of which any city can be proud.

RED CROSS ANNUAL MEETING

The Mills County Chapter of the American Red Cross will hold its annual meeting at 10:00 a. m. June 11, 1949 in the Commissioners Court room for the consideration of reports, the election of officers, and the transaction of such other business as may properly come before the meeting.

Those holding membership in the Mills County Chapter for the year 1949 are expected to attend the meeting and vote.

BRIAN SMITH, Ex. Secretary.

AVAILABILITY OF MED. RESERVES FOR SHORT DUTY TOURS ASKED

Austin, May 27—Reserve officers of the Army Medical, Dental, and Veterinary Corps have been asked by Major General R. W. Bliss, The Surgeon General of the Army, to signify their availability for short periods of service ranging from one to 29 days a month, in order to help relieve the Army's critical shortages of these professional personnel, Colonel Oscar B. Abbott, Executive for the Texas Military District, announced here this week.

If response to the questionnaires is sufficiently encouraging, reserve officers may volunteer for such short terms of service and perform professional duties at Army or Air Force hospitals and medical installations located in their geographic area. If 5,000 Reserve officers volunteer for only three days a month for a year's time, the man-hours thus contributed would be equal to the full-time service of 600 physicians, dentists, and veterinarians.

DAV IDENTIFICATION TAG GETS KEYS BACK FOR LOCAL MAN

The Disabled American Veterans has returned a set of lost keys to Boyd Hunt, Goldthwaite, Texas.

Attached to the keys was a DAV Identio-Tag, miniature license tag for key-rings, which is distributed to 30,000,000 motorists each year and the replica of their state license plates enables the DAV to return 5,000 keys a month from its national headquarters in Cincinnati.

In addition to key-loss insurance, the Identio-Tag through contributions enables the DAV to maintain its free rehabilitation service for disabled veterans and their dependents.

Last year the DAV obtained more than \$18,000,000 in benefits for disabled veterans and their families. The organization has the largest staff of national service officers of any veterans organization.

Keys are returned to owners from all over the world. One of the most unusual key losses and returns saw a Cincinnati grainery employee lose his set in a sack of oats. The keys were found when the sack was opened aboard a freighter in the English Channel enroute to Poland and they made their way back via the DAV.

For the motorists who wish extra Identio-Tags for extra sets of keys, the DAV has established a special order department, which handles more than 100,000 requests each year.

The DAV Identio-Tag plant is owned and operated by the DAV in the interests of disabled veterans and employs disabled veterans in their manufacture.

Grain Crop Harvest To Be In Full Swing In Mills County Next Week

Harvesting of Mills County's large acreage grain crop is to get under way in full-swing proportions next week.

Weather the past ten days has been perfect for the ripening of the grain, which in places had been badly damaged by rust.

Consensus of opinion here is that in spots the crop will be "good", while in other spots it will be poor. Price for both wheat and oats is away down from last year, due, it is said, to lack of storage facilities to meet government price-support requirements. Oats are reported selling in nearby counties for less than half the government price support figure.

ANNUAL 4-H ROUND-UP DATES SET

The dates for the annual 4-H Club Round-Up on the campus of Texas A. & M. College have been set for June 14 and 15, Acting Extension Director J. D. Prewitt of Texas A. & M. College announced recently.

The Round-Up is the big event of the 4-H club year in Texas. For the first time since 1940 the boys' livestock judging contests and the girls' dairy foods demonstrations will be held in conjunction with the Round-Up. Mr. Prewitt said. Contests will be held June 13.

County quotas have been set at two boys, two girls and two adult leaders, with contests in the dairy foods demonstrations and the state 4-H dress revue over and above the quotas.

The annual conference of Texas county agricultural and home demonstration agents will follow the Round-Up on June 16 and 17.

Petroff To Be Brought Back Here After Extradition From Los Angeles

Boris G. Petroff, 31, who tunneled out of the Mills County jail here May 18 while awaiting transfer to the pen after having received two years on his plea of guilty to forgery, will be brought back to the Goldthwaite jail early in July.

Sheriff Wiley L. Mahan this week received a telegram from the Los Angeles, Calif., sheriff stating that the extradition hearing for Petroff had been set for July 1. Sheriff Mahan will be there then to bring Petroff back to the pen.

Petroff was picked up in Los Angeles on Thursday of last week, after one week of liberty after his jailbreak here. Immediately after the break, Sheriff Mahan wired the Los Angeles sheriff the address of Petroff's

FARM BUREAU ASKS PRESIDENT FOR GRAIN STORAGE

WACO, June 1—J. Walter Hammond, president of the Texas Farm Bureau Federation, today went straight to the president of the United States with his fight to provide Texas grain producers with ample storage which would spare them the loss of millions of dollars on the 1949 crop. Hammond dispatched a telegram to President Truman after the price of wheat dropped to \$1.55 in the area where harvest is underway.

"I have made an appeal to all other sources for help to no avail," Hammond told President Truman. "Gravity of situation and urgency for immediate action would justify unusual procedures and this appeal for consideration by the president."

"The grain harvest has started in Texas," Hammond said in his telegram to the president, "and producers are faced with prospects of losing millions of dollars because of acute shortage of approved storage necessary to producers in securing government loans. Carry-over of grains from last year and failure of Congress to give Secretary authority to acquire storage partly responsible for this alarming situation. Matter further complicated by refusal of elevators to accept wheat for government loan although there is ample storage for wheat being bought by elevators at \$1.55 a bushel. Farmers confronted with same problem during 1948 harvest which resulted in loss of millions of dollars. Situation more critical now. Farmers insisting that relief be given."

After digging a small hole he could wiggle through in the two-foot rock wall here with the iron part of a small shovel, a broken broom stick and the leg from a small wood stove, Petroff left a note in his cell stating that his wife was waiting for him outside and that by the time the sheriff read the note he would be long gone. The sheriff thinks this was to throw officers off his track. An Abernathy Construction Company truck, missing the next morning, was found abandoned at Brownwood early that day with the key in the switch. The truck had developed a leak in the gas line.

Lone Star Gas Company To Start Construction Work Here Next Week

M. L. Bird of Abilene, in charge of the West Texas Division of the Lone Star Gas Company covering everything west of Fort Worth, and H. P. Portwood of Dallas, who is to be in charge of Lone Star engineering and construction of gas distribution systems here and at Lometa first, then on to Kerrville, were in Goldthwaite Tuesday making arrangements for construction work to start on Goldthwaite distribution lines within a week.

Headquarters for construction crews and warehouse here will be the quonset buildings recently erected on Front Street next to Wylie's Laundry. Construction crews and material will be moved in there the middle or latter part of next week.

Work on the survey for the main pipe line from the Pottsville gas field to Goldthwaite is now under way. Lone Star hopes to have natural gas in Goldthwaite and Lometa before Christmas. Main line is to be run from Pottsville to Goldthwaite, San Saba, Llano, Fredericksburg and Kerrville, also to Lometa, Lampasas, Bertram, Burnet and Marble Falls.

with work of laying the gas distribution lines to start the following Monday. Mr. Portwood said all local labor if available would be used with the exception of a half a dozen skilled workers that will be sent here by the company. The scale for common labor is to 93 cents plus an hour, he said. Construction foreman here is to be J. E. Bartley.

"Symphony In Song From The Garden" Presented By Garden Club

The Goldthwaite Garden Club will have their flower show, "Symphony In Song From The Garden," in the San Saba PCA Office here tomorrow, June 4. Hours: 1:00 o'clock to 5 p. m.

The public and especially all flower growers are cordially invited to see these beautiful arrangements.

Flowers in the horticultural and arrangement classes will be judged by accredited judges

from out of town. All entries must conform to the schedule on page eleven of this paper.

The Flower Show Committee will have a flower arrangement clinic at the Baptist Educational Building tomorrow night, June 3, at 7:30. All club members are urged to bring the flowers they intend to enter in the flower show Saturday and receive instructions on how to arrange them.

Fourth Annual Goldthwaite Rodeo Draws Big Crowds Here Last Week

Goldthwaite's Fourth Annual Rodeo, staged here by Buck and Tommie Steiner, Rodeo Producers of Austin, last Friday night, Saturday afternoon and Saturday night was one of the best ever seen in this city. Large crowds attended both night performances, but the Saturday afternoon crowd was light.

Steiner & Son brought some of the toughest horses, steers and bulls here that can be

found anywhere. Cowboy performers were more numerous than could be placed in the three performances. An added attraction on the last night was a local amateur steer riding contest, which afforded much amusement. Delton Barnett rode his steer clear across the arena to the back fence, but when the steer was about to crash into the fence he jumped, falling on and breaking his right arm.

LLANO RODEO STAGED THIS WEEK-END

A caravan of Llano Rodeo boosters stopped off in Goldthwaite last Saturday to advertise the Llano RCA-approved Rodeo and Homecoming, which is now on. A parade yesterday afternoon started off the festivities, with Rodeo shows last night, tonight and Saturday night, June 2, 3 and 4.

'TEXAS WRANGLERS' IN PERSON AT BALL PARK HERE SAT. NITE

The Original "Texas Wranglers," in person will stage a performance here at Municipal Baseball Park Saturday night, beginning at 8:30. They advertise an all-star cast of Radio, Stage and Recording artists, and feature "Smoky Boy," the Hollywood horse educated to do 50 outstanding tricks. He adds, subtracts, divides, dances, does a cripple act—and kisses the ladies.

The show, one and a half hours of clean entertainment, is coming here under the auspices of the Municipal Ball Park Association.

SCHOOL CONSOLIDATION ELECTION IS CALLED FOR JUNE 18

There has been an election called in the Ebony School Community and the Mullin Independent School District to consolidate the Ebony School with Mullin. The election will be held on June 18 at Ebony and Mullin for the consolidation. The Ebony School has been contracting to Mullin for the past several years.

I'm sure you'll like Ford's new 4-Speed Transmission

• Maybe you enjoy slow farming . . . but there's no money in it. If I can show you faster farming . . . with no more work, you'll be interested, won't you?

All right, just take one feature of the Ford Tractor, the 4-speed transmission. On the road I'll give you up to 12 1/2 miles per hour. In third speed (top field working speed), I'll give you 6 miles per hour. And so on down . . . each speed, even the reverse, is faster. Saves lots of hours in a year.

Won't you let me demonstrate this Ford Tractor (and its Dearborn Implements) on your farm? I have something special in parts and service, too.

FORMER LOCAL MAN NOW IN COLORADO

Dr. M. M. Vick, a nephew of Mrs. J. H. Randolph of this city who operated a dry goods and men's furnishing store here for five years for Mr. Randolph, was written up in a recent issue of the Loveland, Colo., Roundup in the "Know Your Business Folks" column.

KNOW YOUR BUSINESS FOLKS

This week the "man of the week" is a native-born Texan, transplanted to Loveland, and now in spite of his youthful appearance, in years of service is one of Loveland's oldest doctors.

Dr. Vick was born at Rule, Texas and attended elementary and high school there. Following graduation, he managed a dry goods and men's furnishing store at Goldthwaite, Texas for

five years. He then attended and was graduated from the Kirksville College of Osteopathy and Surgery in 1930. His first practice was at Cisco, Texas. Later that year he came to Loveland and opened offices in the Rialto Theatre Building, where he has conducted a general practice, specializing in rectal surgery in which field he has acquired the proficiency of "certified proctologist". He occupied that location, until April 15th of this year when he moved to 205 West Fourth St.

M. M. (his first name is Morris) is a member of the Rotary Club, Masons, Shriners, Elks, and the Chamber of Commerce. He is a member of the Christian Church.

Mrs. Vick is the former Gladys Hamilton, granddaughter of the late G. A. Hamilton, pioneer rancher and banker. She is a native Loveland girl. They have one son, David, 12, who attends Garfield school. The Vicks live at 605 West Fourth Street.

1949 Goldthwaite High School Senior Class Prophecy

The Prophetic Newspaper of the Senior Class of 1949, "The Eagle's Tale," official newspaper of the Class of 1949, to be published in 1964, carries information concerning the members of that class.

Glaring from the newstand we see these astounding headlines:

"BILLY HANSON Appointed Secretary of Navy." Reading from the article below, we learned that he was appointed to replace ROBERT HENRY JOHNSON. Johnson was asked to resign because of his communistic beliefs.

In the upper right hand corner of the front page we see MARY COLLIER, a famous Metropolitan Opera singer. Miss Collier is serving a thirty-day jail sentence for singing on the streets of Durenville without a license.

We read that JESSE HAMMOND, the multimillionaire, is giving \$50,000 to the newly established Owen's Oweing Business School. TAYLOR OWEN is the sole owner of the school.

Reading farther down the column, we see this information: MARY KATHERINE PALMER has accepted the GENE LONG case. Gene is charged with negligence by REV. WILBUR HEATH, pastor of the First Baptist Church. Long is janitor of the church, and he states, "I was late to work because I fell in a mud puddle and had to go home to change clothes."

Turning to the society page, we see that MRS. LA VERNE HALE is having her home on Capitol Hill redecorated by MISS JIMMIE RITA SIMPSON. Mrs. Hale's purpose is to entertain her children's friends.

HAMIL LYNCH and RAYMOND MITCHELL are making final plans for the opening day of the "Lynch-Mitchell Day Nursery."

MISS GRETA BARNETT, America's number one acrobat, has announced her engagement to the owner of Ringling Bros. Circus. But MARGARET BARTON, strip-tease dancer for the same firm, appears to have a different idea about the matter. She has bought the circus and refuses to give Miss Barnett a day's absence from the show.

IRA LEE BYRD is now top salesman for the "RAHL Rocket Industry." He sells rockets to sight-seeing people who have trouble with their rockets on the way to the moon.

KAY CLEMENTS is now owner of Clements' Millinery Shop on Fifth Avenue, New York City.

GEORGE LEE CLINE was hired yesterday as vocalist for the Caradan Corn Crooksters.

Mrs. Lon McAllister, the former JESSIE LOU GEESLIN, accepted a job as typist for David C. Selznick. As a result of this act, her husband sued for divorce on the grounds—no support.

ADA MARGARET GEESLIN celebrated her tenth anniversary as manager of the Smith Orphan Home in Seattle, Washington.

MISS PEARL COOK, present warden of Sing Sing Penitentiary, is on her vacation to South America.

SYDNEY BROOKS, mechanic on Battleship Texas, has been awarded a medal for quick thinking and fast action for saving the life of BETTY WILFORD'S prize Persian kitten. Betty, who has a degree in Homemaking, is now owner of a Persian cat farm in Bozar, Texas.

HAROLD LLOYD REYNOLDS, the Justice of Peace, performed his one thousandth marriage today.

Mrs. Bob Jones, the former JANET SOULES, has a morning program over station G-U-M on which she gives advice to teenagers on "How to Get Your Man."

NELDA JONES is now married to a window cleaner. Their home is on the thirteenth floor of the Saylor Hotel.

SUSIE HAIRSTON is now running a reducing school. Her motto is "To Change Your Figure, Leave Your Change With Susie."

RALPH NOWELL is now a hat model in Deavie's Man Shop.

PAT LOCKRIDGE who finished nurses training in '33 and did Foreign Mission Work in China, is now a radio giggle over station G-U-M.

EENIE BOB LONG is now editor of the Teenage Page of this paper.

Walter Leonard, present owner of the Brooklyn Dodgers, has hired for his now coach, CARLIN WICKER.

BILLY JOE HEATH is employed as hat boy for the Brooklyn Dodgers.

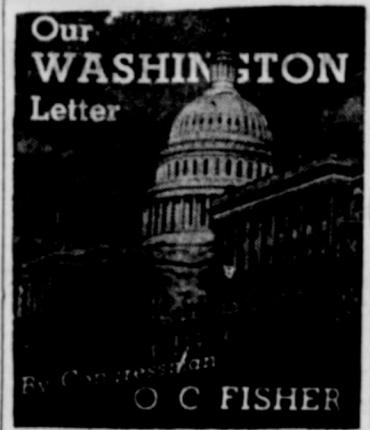

Miss Billy Joe Heath, the former MODENE LETBETTER, will begin her first year as Professor of Etiquette in Vassar Girls' College, as soon as she obtains her divorce from Mr. Heath.

DAVID HUMPHRIES is supervisor of Mills County Soil Conservation. Next week he will begin a project for JOHNNY MAX HEAD, flea trainer for Ringling Brothers Circus. Johnny Max made his first million last

week. NELDA HODGES, who is still single, completed her first successful year as manager of "Lonely Heart's Club."

NELDA KOEN is known as the Majah. She is the most successful fortune teller of the day.

SCOTTIE VAUGHAN is taking Jane Russell's place in the movies. Her first picture is "We Three and Scottie."

ODDS AND ENDS

News was spotted on Capitol Hill last week. It was the pre-Memorial Day lull. In the cloak rooms there was talk about the British turning Communist. Gerhart Eisler loose, the Atomic Energy Commission got some deserved panning, and the indictments against Harry Bridges came in for some airing.

Then, too, there was the usual seasonal guessing of when the session will end. Normally, the end would come at the end of July. Senator Lucas, the Senate Democratic leader, has threatened to insist on continuing until the "Fair Deal" program is enacted. But Speaker Rayburn is known to frown on that idea.

The other day Lucas decided to agree with the Speaker, and told the press: "The President's program is rather extensive and covers considerable territory. It all can't be passed overnight. The disposition of Congress will be to adjourn!"

Despite President Truman's defense of Chairman David E. Lilienthal, of the Atomic Energy Commission, Lilienthal's prestige on Capitol Hill has gone into quite a slump in recent weeks. In the first place, he defended the Commission's practice of giving \$1600 Government scholarships to Communist students engaged in advanced atomic research. At least two Communist students are known to be using such scholarships at present, and there may be others. But Congress is prohibiting that in the future.

Then, too, Lilienthal has ad-

mitted he was entitled to criticism for waiting seven weeks to report to the F. B. I. the theft on an ounce of U-235, a highly valued and secret liquid used in atomic bombs.

The indictments against pro-Communist Harry Bridges came as no surprise to many. It had been known the Department of Justice had been working on the case for the past year or more. Last week the Federal Grand Jury indicted the West Coast labor leader for perjury and conspiracy to defraud the Government.

It all grew out of the rather phony release of Bridges by a Supreme Court decision, after his deportation had been ordered by the Immigration Commissioner and the then Attorney General Biddle. The issue was whether he was a Commie. Bridges had sworn he was not, and the Government witnesses swore otherwise. The Supreme Court majority ruled the evidence insufficient, blurted about civil rights and ordered him released. Bridges then got his citizenship papers, as American Communists applauded.

But later Mrs. Bridges divorced her husband, with whom she had lived as his common law wife for years. Then Mrs. Bridges told plenty, and other witnesses have shown up. She told of the Commie meetings held in their homes, and corroborated Harry Lundberg, a right-wing West Coast labor leader, who had testified that Harry once asked him to join the Communist Party. That took place in the Bridges' home and Mrs. Bridges overheard it.

When I was in San Francisco last Fall with a committee investigating the 100-day-old shipping strike (which we found to be Communist-inspired) I was given the name of a lumberjack who had roomed with Bridges years ago in Seattle, and I was told the timber worker would swear Bridges was a devout Commie at that time. He will undoubtedly be a material witness when the trial takes place.

If Bridges is convicted, his citizenship will be revoked and he will again be subject to deportation. Now that CIO Presi-

Speaking of labor leaders, old John L. Lewis is expected to call his strike about July 1st and will probably let it run for a month or six weeks. He made a talk the other day to a group of career women at lunch and offered to answer questions. One of them brightened up and asked: "Mr. Lewis, what kind of hair tonic do you use?"

Harper - Hastings Vows Solemnized At Star

The marriage of Miss Doris Harper, daughter of Mr. and Mrs. P. O. Harper of Star, to Thomas Hastings, son of Mrs. S. W. Hastings of Sasakwa, Okla., was solemnized Saturday at 7 p. m. in the Star Baptist Church.

Dr. W. A. Todd, assisted by Dr. D. D. Tidwell and Dr. Joe McClain, officiated at the ceremony. They are members of the Howard Payne College Bible department of which the bride has served as secretary.

Vows were exchanged before an altar decorated with palms and bridal arrangements of spring flowers.

Miss Emily Nail played traditional wedding music and accompanied Francis Smith, who sang "Because" and "I Love You Truly."

Miss Janie Poppell of Floresville was maid of honor and Mrs. Glen Shave of Evant served as matron of honor. Mrs. S. L. Harris of Joshua was the bride's attendant. William White of Houston was best man and Ed Carlee of Brownwood and Rev. S. L. Harris of Joshua were groomsmen. Billy Harper and Culver Emdy of Star served as ushers, and lit the candles.

The bride, given in marriage by her father, P. O. Harper, wore a ballerina length dress of white crepe, designed with a lace yoke, tight-fitted sleeves and a full circular skirt. Her fingertip veil of illusion fell from a headdress of starched net. She carried a white Bible topped with two gardenias.

Miss Poppell chose a dress of pink crepe, Mrs. Shave wore a blue pastel crepe dress and Mrs. Harris chose pastel green. They all wore accessories of white and corsages of white gladioli. The bride's mother chose a dress of pink with black and white accessories.

When the couple left on a short wedding trip the bride chose a suit of blue butcher linen with cocoa brown and white accessories. They will make their home in Brownwood, where the bridegroom is a student in Howard Payne. Mrs. Hastings is a graduate of Howard Payne, where she was a member of Who's Who in American Colleges and Universities

and Alpha Chi honorary society. Her husband is a former student of Arizona State College and served in the 541st Parachute Infantry during the war.

An informal reception was held in the home of the bride. Miss Ione Waddell of San Antonio presided at the bride's book. The three tiered wedding cake was topped by a miniature bride and groom. Mrs. W. A. Todd had charge of serving, assisted by Misses Alice and Christine Rickel, Janie Miles, Frances Beard and Dorothy Waddell of Star.

SCALLORN

By ORA BLACK
The weather is perfect for grain cutting which got underway in our section this week. Generally speaking the grain is fine; the best for several years.

Mrs. Flo Wilke had better than 600 bales of grain put up on her ranch last week, with more to be harvested.

Rain is badly needed out our way. Gardens are suffering from intense heat and lack of moisture; however, corn is holding up remarkably well.

Rev. Cloud, Mrs. Cloud and son, Charles, from Brownwood were guests Sunday of Mr. and Mrs. Wayne Henry and family. The writer spent the week end in Brownwood visiting relatives. The niece, Mrs. Ford Allen, who is ill with cancer has been taken to the Medical Arts Hospital for emergency treatment.

Guests over the week end of Dee Jones were a sister, Mrs. Myrtle Hoy of Seattle, Washington. A brother, O. K. Jones and wife from Abilene and another sister, Mrs. Jack Neal of Houston.

Burl and Junior Conradt of Long Cove visited Sunday with the Wayne Henry family.

Jane Black, who recently graduated from Lometa School with high honors is now employed at Stone Smith Clinic in Lometa as receptionist and book keeper.

Billie John Eckert of Goldthwaite spent the week end here with his grandparents, Mr. and Mrs. John Kuykendall.

Mr. and Mrs. Gene Turberville and little daughter, Franc-

es and Laura Lee will spend the week end visiting relatives in Llano and attending the rodeo.

SAN SABA PEAK

By MRS. DUTCH SMITH
As it has been some time since I have written the news I will tell a few things the Smiths have been doing that I know about.

Mr. and Mrs. Dutch Smith and sons, C. S. Jr. and Johnny and Margaret Ann Brown attended the Goldthwaite Rodeo, the best one Goldthwaite has had. We sure enjoyed it.

Johnny Smith went back to Tarleton but C. S. stayed until Monday evening.

Oh yes, the Fate Eckerts are very happy to announce that

Old Spot has a calf. Mr. and Mrs. Fate Eckert and Altha Mae visited in Round Rock and Austin over the week end.

Mr. and Mrs. Stone from Coleman visited their daughter and family Wednesday night and Thursday. Rocky went home with them for a few days visit.

Mrs. W. B. Wooster visited Mrs. P. R. Jardon, Saturday. Mr. and Mrs. Dutch Smith and son, C. S. Jr. visited the Terril Casbeers Sunday.

Melkin Dee Conner of Waco is visiting his aunt, Mrs. Dutch Smith.

Mr. and Mrs. John Harris and Jim Hunt were in the Dutch Smith home Saturday.

Miss Wanda Kelley visited Nan Hightower Saturday night.

Mrs. Forest Straley and children, also Mrs. Betty Straley of Goldthwaite visited with Mrs. Tom Hall and Louis Monday.

Joe Harris of Baird Texas visited in the Dutch Smith home Monday morning.

Mrs. Fred Whittenburg and Mrs. Dutch Smith entertained the Sub Debs with a party Monday night.

Mr. and Mrs. Jess Ball and Jimmie returned to Houston after visiting the Dutch Smith family.

Mr. Elmer Geeslin visited in the Terril Casbeer home over the week end.

San Saba Peak was very well represented in the parade Friday evening. Those who rode were Mr. and Mrs. Loyd King and Fred, Mr. P. R. Jardon and son, Dudley, Mrs. Dutch Smith and son, C. S. Jr.

Mrs. Dutch Smith and nephew, visited her uncle and aunt, Monday evening.

Mr. Bud Ripple and Mrs. Fanny Mullin, Mrs. W. B. Wooster are running the ranch while Mr. Wooster is in Houston on business.

Mr. and Mrs. Ward Carlisle had company Sunday but we failed to get their names.

Miss Doris Stone is visiting her sister, Mrs. Loyd King. She also attended the rodeo.

We were very sorry to hear about Uncle Bill Milligan of the Bend being in such a critical condition. We have known him all of our lives.

BIRTHS

Mr. and Mrs. Bill Holland are the proud parents of a little daughter, Brinda Gay, who made her arrival May 27, at Smith-Childress Clinic.

WARNER COMEDY, 'JUNE BRIDE' IS A REAL LAUGH HIT

"June Bride" is a real comedy

Bette Davis laughs and laughs and long with Robert Montgomery in this new Warner Bros. film which opened Friday at the Melba Theatre. A new Bette, trim and stylish you see in "June Bride," with Bob opposite her in one of his most charming flip-roles, the result is a treat in exceptional proportions.

Bette plays a successful magazine editor, who hires and fires ease. Bob comes back into the picture after a European assignment, and is put on her staff. He creates a problem, as the

two still go for each other in a way. When the staff moves into Crestville, Indiana to build up their special June feature, their affair takes on added zest.

'THE PALEFACE'

When Bob Hope dons a ten-gallon hat and a brace of shoot-in' irons, and heads for the wide, open spaces where men are men and women are Jane Russell, fans can expect the laughing time of their movie-going lives. That's what happens in Paramount's new Bob Hope comedy in Technicolor, "The Paleface," which arrives next Sunday at the Melba Theatre with plenty of Indians, rip-roaring action and rib-tickling situations.

According to the movie grapevine, Bob is really a riot, as a traveling dentist long on the laughing gas but short on cour-

age. He gets tangled up with sharp-shooting Calamity Jane, played by Miss Russell, a gorgeous thorn in the side of the law. Jane is induced by the harassed authorities to undertake the dangerous job of finding out who is smuggling arms to the Indians. In order to divert attention from her activities, the resourceful Jane uses the unwitting Bob as a decoy and makes every one believe—including Bob—that he is the fightin'est fool in the West.

Unfortunately, Jane builds Bob and his ego up to such a point that the foolhardy "hero" blunders into all kinds of trouble from which it becomes increasingly dangerous and difficult to extricate him. What happens when both of them are captured by the Indians is said to constitute some of the funniest action ever put on film.

Mrs. Walter Fairman

Goldthwaite and Mills County suffered a great loss in the passing of Mrs. Walter Fairman May 25, 1949.
 She was born Stella Prater in Denton County, Texas, Jan. 26, 1883, and came to Goldthwaite in 1894 with her parents, the late Mr. and Mrs. J. T. Prater. After finishing the Goldthwaite schools, she attended Sam Houston State Teachers' College, at Huntsville, Texas. She taught in the Mills County Schools until April 16, 1904, when she was united in marriage to Walter Fairman. For more than forty-five years, they have lived at the same location, Parker and First Streets.

In business, church and society, she was recognized as a force for good. Her love for others, democratic nature, and sense of justice enabled her to succeed in all of her worthy undertakings.
 She was converted in her youth and affiliated with the Baptist church, to which she has meant much through the years. At her death she was a member of the Furnishings Committee for the new church now under construction.

Mrs. Fairman was an active member of the Art and Civic Club and the Merry Wives Club as well as other social and cultural organizations.
 Strong believers in education, Mr. and Mrs. Fairman enabled many to attend college who would have been unable to do so without their assistance.
 She will always live in the hearts of those whose lives were enriched by her graciousness, cheerful disposition and generosity. No respecter of rank or class, she loved all for their true worth. She was conscientious, fair and unselfish in all dealings with her fellowman. Few citizens of Mills County have made a more lasting impression than did she. To live in the hearts of those we love is not to die.

Surviving are her husband, Mr. Walter Fairman; three sisters, Mrs. Myra Clark, El Paso, Mrs. Blanche Taylor, Nevada, Texas, and Mrs. Zella Youngblood, Dallas; two nephews, Sam H. Allen of Houston and James Albert Taylor of Oklahoma City.

Pallbearers were: Earl Summy, Ed Gilliam, John Patterson, Joe Palmer, J. H. DuBose, Ray Duren, W. P. Woody.

Jeff Lowrie of Corpus Christi Honorary pallbearers were: R. E. Clements, O. H. Yarborough, Marvin Hodges, C. M. Burch, Dr. Ruel Slaughter, W. H. Linkenhoger, R. E. Ross, El Paso, Monroe Fletcher, Neal Dickerson, R. V. Littlepage, John Hester, Roy Rountree, of Houston, J. C. Thomas, Jr., Fort Worth, J. R. Parker, S. P. Sullivan, J. G. Berry, W. D. Marshall, E. A. Kline, E. C. Strickland, of Brady, Edward Geeslin, Brady, J. H. Saylor, Rev. L. L. Hays, Dow Hudson, W. H. Nelson.
 Out-of-town friends attending Mrs. Fairman's funeral included: Stanley Cobbs, Kingsville; Mrs. W. E. Fairman, Marshall; Mrs. Barney McGrath, Dallas; Mrs. George Potts, Dallas; Mr. Fairman Marshall, Houston; Mr.

and Mrs. Fred McKenzie, Alice; Mrs. Ray Ford and two sons, of Mathis; Mr. and Mrs. J. A. Taylor, Nevada, Texas.
 James Albert Taylor, Oklahoma City; Mrs. John N. Jones, Llano; Mrs. Norman Weatherby, Brownwood; Mrs. Frank Taylor, Hamilton; Mr. and Mrs. T. C. Page, Nevada, Texas; Mrs. Kathleen Painter, Miss Florence and Fred B. Greenwood of Brownwood.
 E. C. Strickland, Brady; Mr. and Mrs. Edward Geeslin, Brady; Mrs. Billie Parsons, Waco; Mrs. Carroll Lowrie, Corpus Christi; Jeff Lowrie, Corpus Christi; Rev. and Mrs. Dawson, Hico; Rev. and Mrs. Bryant of Kingsville; Mr. and Mrs. Sam H. Allen, Houston; Mr. and Mrs. J. A. Youngblood, Dallas.

CARD OF THANKS

Words are inadequate to express our deep appreciation for expressions of sympathy in the passing of our loved one.
 The many and varied kindnesses are but another indication of the fact that the people of Goldthwaite and Mills County are without equal in times of sorrow.
 May God bless each of you.
 The Family of
 Mrs. Walter Fairman.

SCIENCE SERVICES**

God the Only Cause and
"The Lord" is the subject of the
on-Sermon which will be
in all Churches of Christ,
on Sunday, June 5.

The Golden Text is: "Thou
worthy, O Lord, to receive
praise and honour and power:
thou hast created all things,
for thy pleasure they are
were created" (Revelation

Among the citations which
prise the Lesson?—Sermon is
following from the Bible:
ne, O Lord, is the greatness,
the power, and the glory,
the victory, and the ma-
jesty for all that is in the
heaven and in the earth is
thyne; in the kingdom, O
and thou art exalted as
above all" (I Chronicles

The Lesson-Sermon also in-
cludes the following passage
from the Christian Science text-
"Science and Health with
unto the Scriptures" by Mary
Eddy: "He is divine Prin-
ciple, the universal cause,
the only creator, and there is
no other self-existence. He is
inclusive, and is reflected by
all that is real and eternal and
nothing else" (page 331).

**COMMENDED ON
GOOD RECORDS**

The following clipping was
taken from "Wingspread," a
paper published at Randolph
Field every Friday:—

The 3514th Maintenance Sqdn.
this week announced their out-
standing crews for the month
of April. All maintenance per-
sonnel, as well as crew chiefs
and their assistants are to be
highly commended for the out-
standing record they have set.
Only through hard work, fore-
sight, and complete cooperation
between flight and ground
crews, could so many hours of
flight be recorded.

One of the high flying C-47's,
crewed by M/Sgt. Robert Wal-
ton and S/Sgt. Cabra Avey, was
in commission 20 days, totaling
104 hours and received no write-
ups by post inspectors.

In commending the men for
their exceptionally fine work,
Major Albert E. Orcutt, 3514th
Maintenance Officer, made it
very plain that the ground crew
are no longer the forgotten men
and that all maintenance per-
sonnel were to be congratulated,
not only for their full coopera-
tion, but also for the highly
skilled maintenance work turned
out by them.

**MISS PAULA ANN TULLOS, MR. WILLIAM
WOOD CANNON EXCHANGE VOWS**

Among the beautiful wed-
dings which have spotlighted
the bridal calendar, one of the
loveliest was that in which Miss
Paula Ann Tullos, charming
daughter of Mr. and Mrs. B. H.
Tullos, San Fernando, and Wil-
liam Wood Cannon, son of Mr.
and Mrs. Herman Cannon, Sr.,
Los Angeles, exchanged their
marriage vows.

For the eventful evening, The
Christian Church of San Fer-
nando had been transformed
into a fragrant garden of all-
white flowers, with cathedral
tapers lighting the raised white
covered chancel. To the strains
of Lohengrins Bridal March
and on the arm of her brother-
in-law, Floyd Hart, the bride
approached the chancel where
she was given in marriage.

Bro. L. C. Moore, local pastor,
performed the double ring cer-
emony, uniting one of San Fer-
nando's most popular young
couples.

The bride wore an exquisite
Classic style gown of traditional
slipper satin, fashioned with
sweetheart neckline, lovely long
pointed sleeves, and closely fit-
ted bodice which buttoned in
back from top to bottom with
tiny self-covered buttons, the
full skirt graduated into a
train. Her three-tiered finger
lip veil of tulle fell from a Mary
Queen of Scott Cap which defi-
nitely accentuated their South-
ern Air. Her cascaded bouquet
of red Sweetheart roses and
orange blossoms tied with white
satin ribbon with roses in the
showers, completed the deligh-
tful bridal picture. The tradi-
tional "something old, some-
thing new, something borrowed
and something blue, and a
pence in the shoe" was observed
by the bride. For sentiment, the
bride wore the wedding gown
also worn by her sisters.

Three Sisters Attend
As matron of honor, the
bride chose Mrs. Floyd Hart
who was gowned in green tulle
fashioned with sweetheart neck-
line, fitted bodice and full
skirt, and carried a white col-
onial lace nosegay of cerise as-
ters centered with white daisies
and tied with cerise satin
streamers. The bride's matrons,
identically gowned, were Mrs.
Benson Ingraham in orchid
tulle carrying a nosegay of yel-
low daisies centered with orchid
asters and tied with yellow
showered streamers; and Mrs.
D. P. Post in yellow tulle carry-
ing a nosegay of orchid asters
centered with yellow daisies
and tied with orchid showered
streamers. Little Sandra Gale
Hart, niece of the bride, was
flower girl and was in all-white,
her silk organdy gown being
fashioned after the matron of
honor's gown. Her colonial lace
basket with orange blossoms on
the handle, was filled with red
rose petals which she sprinkled
upon the white carpeted aisle
as she immediately preceded
the bride to the chancel. Acting
as ring bearer and carrying the
satin pillow on which were tied
the rings, was Andrea Kaye
Hart. Pamela Hart also in or-
gandy, was honorary junior
bridesmaid.

Best man to the groom was
Daniel Ferrand. Serving as
groomsman and ushers were
D. P. Post and W. E. Bailey
wearing white carnation bou-
tonnières. The grooms bouton-

niers was a red rose com-
plimenting his bride's bouquet.
Photographer for the evening
was Herman Cannon, Jr., broth-
er of the groom.

Preceding the Lohengrin
processional, David Alexander
sang "Because" and as a duet
he sang with Miss Carroll Joy-
ner "Always". They were ac-
companied by Miss Shirley
Story who also gave a pre-nup-
tial medley of music and a mu-
ted rendition of The Lord's
Prayer throughout the marriage
ceremony.

Wedding Reception

Following the wedding a re-
ception was held in the large
banquet room of the church,
where a beautiful all-white
three tiered cake centered the
table laid in Irish linen. Large
white asters and crystal candi-
labra flanked the centerpiece.
Receiving the friends at the re-
ception were Mrs. Tullos, who
chose for her daughter's wed-
ding a gown of soft green crepe
with harmonizing accessories
and tallsman rose corsage;
Mrs. Cannon, the groom's moth-
er in electric blue with pink ac-
cessories and tallsman rose cor-
sage; the wedded couple and
feminine members of the wed-
ding party. After the bride and
groom cut the traditional slices,
the honor of cutting and
serving the cake was given to
the groom's sister, Mrs. Jim
Wright, assisted by his sister-
in-law, Mrs. Herman Cannon,
Jr. Alternating at the crystal
punch service were Misses Mar-
lyn Pinkham and Patty Ruthe.
Miss Sonja Hazen placed gold
embossed napkins and pastel
colored rice bag favors on the
plates of the guests, while Miss
Jo Ann Erickson presided at the
Bride's guest book.

Subsequently the newly weds
departed for their honeymoon
to Lake Arrowhead, in the beau-
tiful San Bernardino Mountains.
For the trip, the new Mrs. Can-
non wore a beige-grey double-
breasted all wool suit with navy
accessories. She wore a corsage
of red roses and a lovely rhin-
estone necklace and matching
bracelet, the gift of her groom.

Upon their return they are at
home in San Fernando to their
many friends. Mrs. Cannon was
born in Archer City, Texas,
where she attended school for
a few years, having finished
grammar school in Goldth-
waite, Texas. Later moving to
California, she entered San
Fernando High School from
which she graduated in 1947.
Since graduation she has been
employed by the Southern
California Telephone Company.
Mr. Cannon, a native Califor-
nian, received his education in
California schools and is now
a co-partner in a private busi-
ness concern.

Nuptial Entertainments

Wedding plans, showers and
parties were mixed together in
the San Fernando seasonal
potpourri as Miss Tullos and
Mr. Cannon's engagement was
announced by Mr. and Mrs.
Tullos. Two attractively ap-
pointed and most recent post-
nuptial affairs were given last
week end. The newly weds were
feted at a linen shower, and
party given by Miss Jo Ann
Erickson for members of the
Telephone Company personnell,
San Fernando. The following

**SCHOOL STUDENTS
SHOULD GET SOCIAL
SECURITY ACCT NO.**

"Now is the time for school
students to obtain social secur-
ity account number cards if
they expect to work this sum-
mer," James B. Marley, man-
ager of the Austin social security
office, said this week.

"Many boys and girls have al-
ready found jobs, and are just
waiting for the last day of
school. They can get a blank
application from their local
postmaster, or write us for a
social security card, 105 Brown
Building, Austin. By doing this,
they will also avoid the rush
that we have during June every
year."

"More employers are becom-
ing insistent that any person,
must have his social security
card with him when he comes
to work for the first time. They
have learned this is one sure
way to avoid trouble and in-
convenience later. By getting
the account number at once,
employers are prepared to re-
port it with the quarterly social
security tax contributions. Social
Security benefit payments
depend on average monthly
wages as shown on the records
of the Social Security Adminis-
tration. For that reason, it is
important that account num-
bers be reported to insure that
all wage credits are posted cor-
rectly to the proper social secur-
ity account."

HILLSIDE MISSION

By LIDA BYRNE

A man said: "Happiness won't
buy money."

A smile will buy a lot of
things, and friends sometimes
put a person at the top rung of
the ladder financially, but while
we are climbing to the top we
need to be sure not to push
somebody else down; if we do
sorrow and remorse will be

Big Valley H. D. Club

(Written For Last Week.)

The Big Valley H. D. Club met
May 19, with Mrs. Marge Doak,
ten members, three visitors and
Miss Hintz were present.

Roll call was answered with
the "Kind of Bedroom floor I
Prefer."

The president read the card

from the Jones Valley Club ac-
cepting the invitation for the
picnic supper on June 10. (This
was stated in the last report as
June 3, I am sorry about this
mistake). A round table discus-
sion was had concerning the
details of this supper. Mrs. Es-
telle Knowles, Mrs. Grace
Woods, and Mrs. Robert Doak
were chosen as the Recreation
Committee.

Miss Hintz gave a talk on
Bedroom Accessories.

We enjoyed the visitors pres-
ent and urge them to attend
any of our meetings.

After the hostess served de-
licious ice cream and cake, we
adjourned to meet with Mrs. Es-
telle Knowles on June 2. This
program will be on Textile
Painting. Mrs. E. D. Roberson
will have charge of the pro-
gram. Mrs. Roberson has shown
the club at various times some
of her work of this time and it
is very pretty. If you can come
we are sure you will enjoy learn-
ing more about this type of
painting. —Reporter.

Change In Pay For Legislators Not Understood By Texas Voters

By JOE BELDEN, Director, The Texas Poll
AUSTIN, Texas, May 31—Most Texas voters don't know how much a member of the Legislature is paid. Lacking this basic information, the public today is not prepared to support a raise in pay for the lawmakers.

This finding by The Texas Poll indicates that a proposed constitutional amendment to be voted on September 24 may be defeated unless its backers conduct an effective selling campaign. The amendment, besides giving each lawmaker an annual salary of \$3,600, would require the Legislature to meet in regular session every year instead of every other year.

Eight out of every ten qualified voters questioned in the latest statewide survey by The Texas Poll were found to be either uninformed or misinformed about how much pay a lawmaker receives from the state. Even so, the weight of opinion among this group was that the legislators are receiving about the right amount or too much. Only 14 per cent felt they were being paid too little.

On the other hand, only about two out of every ten qualified voters were found to be informed about legislators' pay. Fifty per cent of these said they thought the lawmakers are underpaid.

The poll shows that voters, as a group, are slightly better informed than the general public because they pay more attention to what goes on in the Legislature. However, about four out of every ten voters admitted they paid very little or no attention to legislative affairs.

Interviewers in all parts of the state put these questions to a cross section of the adult population:

1. "How much attention do you pay to what goes on in the Legislature—a great deal of attention, some, very little or none at all?"

Response	Qualified Voters	All Adults
Great deal	19%	14%
Some	42	39
Very little	29	32
None	10	15

2. "Do you think members of the Legislature are paid too much, too little, or about the right amount?"

Response	Qualified Voters	All Adults
Too much	12%	12%
Too little	22	19
About right	41	36
No opinion	25	33

3. "Do you know how much a member of the Legislature is paid? (If so) How much?"

Response	Qualified Voters	All Adults
Right answer	17%	14%
Wrong answer	11	8
Don't know	77	78

No direct questions were asked about the proposed pay raise amendment because not many people are familiar with its provisions. The fact that the amendment includes the requirement of annual sessions may have some effect on its chance of approval. In a special election four years ago, however, Texans voted 3 to 1 against increasing legislators' pay.

The lawmakers are now paid for only the days they are in

session. The rate is \$10 per day for the first 120 days of a regular session, and \$5 a day thereafter if the session lasts longer than 120 days. For special sessions, which last 30 days, members are paid at the rate of \$10 a day. Regular sessions are held every other year, while special sessions convene only when called by the Governor.

Joseph M. Spinks

Joseph Monroe Spinks was born July 28, 1874. He died at his home May 26, 1949 at 12:15 a. m. Mr. Spinks was an old settler of Mills County, Texas, coming here with his parents at the age of 17 years, and settling on Browns Creek, which is now the Center Point Community. He had lived 58 years on the same farm home where his parents moved to in 1891. He was the youngest of four children. His parents and two sisters preceded him in death many years ago. One brother, J. W. Spinks of Mullin, survives.

Joe, Spinks, as his friends and acquaintances knew him, was married to Miss Maude Davis June 9, 1901, and to this union was born 12 children, all of whom survive him. He was active in school offices and church work in the Center Point Community for many years.

Mr. Spinks' eyesight began to fail several years ago, and he was unable to get out among his neighbors and friends, then his health failed also about two years ago. He was brought to Goldthwaite April 27 to his daughter's, Mrs. T. L. Hammond's home.

On Monday, May 2, he was carried to a Brownwood hospital where everything was done but to no avail. On Monday, May 23, he was brought back to Goldthwaite where he died early Thursday morning.

All his children, except one daughter, had been at his bedside the past month of his life.

Funeral services for Mr. Spinks were held in the Methodist Church at Mullin at 5:30 May 26, burial in Oak View Cemetery at Mullin, Texas.

Pallbearers were: T. L. Hammond, Joe Anderson, T. O. Ray, Milton Nieschel, C. B. Cox and Horace Cox.

His wife and the following children survive: Mrs. T. O. Ray, Austin; Mrs. Will Harmon, Carlton; Mrs. T. L. Hammond, Goldthwaite; Mrs. Joe Anderson, Fort Worth; Mrs. Roy Turner, Great Lakes, Ill.; Mrs. Jack Leverette, Fort Stockton; Marvin, L. D., Howard, Lindy Spinks of Goldthwaite; Ivan of Leuders, and Carl Spinks of Briggs, Texas.

Fifteen granddaughters, three grandsons, two great-granddaughters, five great-grandsons survive.

Out-of-town friends and relatives who attended the funeral of Mr. Spinks were: Mr. and Mrs. Claude Webb, Leuders; Mr. and Mrs. R. C. Haggard, Fort Worth; Mr. and Mrs. Vernon Purselley, Fort Worth; Mr. and Mrs. Jack Deere, Fort Worth; R. Y. Black, Albany; Mr. and Mrs. C. B. Cox and Horace of Leuders; Mrs. V. Conner and children of Miles; Mr. and Mrs. W. Wilson of Colorado City, Texas; Mr. and Mrs. Alfred Anderson and Mrs. R. V. Leverette, Brownwood.

Center City H. D. Club

The Center City H. D. Club met in the home of Mrs. Homer McCasland on May 26. Sixteen members answered roll call with "The Kind of Bedroom Floors I Prefer."

Miss Hintz was unavoidably delayed and while awaiting her several games were played, some of which were very hilarious.

Miss Hintz gave an interesting talk on bedroom accessories. Delicious refreshments were served to the sixteen members and four visitors. We were happy to have Mrs. Gertrude Head, Mrs. Jess Petrick, Mrs. Clarence Cesslin and Mrs. Lee Walton. We hope they will meet with us often.

Our next meeting will be with Mrs. Jack Elms on June 2.

FARM AND RANCH CHATTER

WITH LAYNE BEATY, FORT WORTH
6:30 AM Week Days—10:15 AM Sundays

People we run across in our bustling around Texas often, after shaking hands, step back to take a better squint at us, then say, "Well you don't look a bit like I figured".

Considering that it might be disappointing to pursue the question, we have never yet found out just how they had us pictured.

In a way, it must be a little bit like some of these romances by mail we read about.

It's black-eyed pea time, nearly cantaloupe time, getting close to watermelon time, and there are even some peaches ripening, but we still like to keep a few pecans in easy reach.

We caught Phil Luker putting the graduation issue of his Wise County Messenger to bed at Decatur on Thursday of last week. Like most newspaper folk, he was reluctant to shake hands while working at the press, not knowing, I suppose, that we still have a few smudges of printer's ink under our epidermis.

Phil was so busy he missed one of the best demonstrations of brush control work we've ever seen. Over a thousand farmers and stockmen (it had rained that morning) turned out to Edgar Cowling's place a mile from Bridgeport, to see bulldozers, roller cutters, sprayers, saws, airplane sprayers and other equipment demonstrate the latest ways of fighting mesquite, post oak, etc., in pastures.

We used to hear about "mesquite eradication". Now, such ambitious talk has been modified to "mesquite control". Several ways have been established to keep it whipped down, but none yet to get rid of it permanently without poisoning the soil.

The new director of the Texas Agricultural Extension Service (county agent work) is a man likely to be a popular administrator. He is George G. (Hoot) Gibson, a six-foot-two, red-haired dairy specialist. He can practice law, too, and all this, plus his years of experience in the ranks of extension work, give him excellent tools for the job. He's a native Texan, and graduated from Texas A. and M. but got his masters degree at Iowa State College after which he was extension dairyman in the corn state for a while. He got his law training at Texas University.

Besides having been a county agent, a farm boy, dairy specialist for the extension service, he managed a big farm near Waco for several years.

Not only all that, but Gibson has the appetite and digestive tract to take in stride all the barbecues, fish fries, banquets and dinners that go along with the job.

We read that there still are over 75,000 one-room schools in this country. Lots of sound book-learning has been dishied out in such places but it looks like the increasing tempo of modern life is tolling the bell for them. We know of a number now being used for barns, etc. The one-room school was fine for a different era.

Receives Degree

Harold Dee Roberson, son of Mr. and Mrs. Erie D. Roberson, will receive his degree from Texas A. & M. on June 3rd.

He graduated from Goldthwaite High School in the Spring of 1944 and entered Texas A. & M. the fall of the same year.

He is receiving his Bachelor of Science degree in the field of Animal Husbandry.

Harold was on the A. & M. Livestock Judging Team in 1948 and was Superintendent of the horse division of the Little Southwestern Livestock Show and Exposition.

Mr. and Mrs. Erie D. Roberson and Robert Lee, attended the graduation exercises.

Mrs. Dan Chastain went to Kerrville to bring back her son, Erie Daniel Chastain, who is a student of Schreiner Institute. He will be home for the summer.

PERSONAL PARAGRAPHS

Mr. Levi Auldridge was brought home Sunday from Brownwood where he had been in the hospital several days. He had as visitors Sunday his brother, Horace, and family of Copperas Cove, her sister, Mr. and Mrs. Joe Wilkins, and her brother, Fred Turner, of Gatesville and another brother, Rev and Mrs. Urban Turner, and girls of Landon, Texas.

Brownwood and Mrs. Myrtle Stewart of Grand Prairie visited with their parents, Mr. and Mrs. Obenhaus Saturday and Sunday.

Mr. and Mrs. V. O. Tolle and little son, Jimmy, of Houston, were here for a visit with her parents, Mr. and Mrs. Jim Kelly.

Those who visited in the C. M. Head home Sunday afternoon were Woodie Head and family, Arnold Head, wife and little John, F. M. Head, wife and Ronnie, Miss Gertrude Head and Ollie McNeil, Vergil Sparkman, wife and two little daughters and Miss Wandilene Head.

Ray Blackburn received a telegram that his daughter, Mrs. M. L. Conway, arrived in Okinawa, May 31, and was well and happy.

L. B. Porter Jr. and family of Fort Worth flew down Saturday and spent a few hours with his parents, and flew back to Fort Worth in the afternoon.

Misses Billye Jim Page and Elaine Andrews of the Texas University were week end guests of Mr. and Mrs. J. C. Faulkner and Mrs. Kate Page.

Rebuilding Lives and Homes Begins

Top, in Cape Girardeau, Mo., shelter, Red Cross Nurse Marie Brooks for Kenneth Probst, one of family of 13 who lost all possessions May 21 tornado which leveled 21 city blocks. Emergency feeding, shelter, medical care is followed by Red Cross aid in restoring possessions and health to victims of storms whose own resources cannot meet needs. Below, Red Cross building expert checks demolished 5-room home Robert Gilmer, Amarillo, Texas, veteran, who lost everything in May tornado. Expert will follow through on this and scores of other homes, complete or partial building and repair is financed entirely from Red Cross disaster funds. Three-quarter million dollars has been set aside for such long-range help to storm and flood victims stricken in states in first three weeks of May. Aid is always given outright on basis of what is needed to restore family to normal life; can range from kitchen equipment to entire, new furnished home or medical care for as many years as it takes disaster victims to recover.

DALLAS STATE FAIR PREMIUM LIST BIG

Farmers and ranchers of the Southwest will take home more premium money from the State Fair of Texas this fall than ever before in history.

This news is announced in the 1949 State Fair Premium List, first copies of which are now in the mails inviting all pure-bred livestock breeders to exhibit their herds and flocks at the 1949 exposition.

The Premium List was published a month earlier this year to give farmers and ranchmen more time to plan and prepare the exhibits which they will show to some 2,000,000 visitors when the Fair opens on Oct. 8 for its 16-day run.

Total premium will be \$65,235. Premiums for the various divisions are: Beef cattle (Aberdeen Angus, Brahman, Hereford, Shorthorn), \$25,200; dairy cattle (Guernsey, Holstein - Friesian, Jersey and Milking Shorthorn), \$12,900; swine, \$8,250; sheep, \$3,213; Angora goats, \$732; Palomino and Quarter Horses, \$4,750; special herdsmen awards, \$350; and Junior Livestock Show, \$9,840.

Opening day will see the greatest display of livestock ever shown at the Texas exposition, with the main feature the National Aberdeen - Angus Show. State Fair officials said.

Dates for the Junior Livestock Show have been extended from four days to one week as a result of growing interest in this phase of the Fair. Last year 400 exhibitors from 154 counties brought 1057 animals to the Junior Show.

For the first time in many years 4-H Club girls with livestock projects will be permitted to exhibit in all divisions of the Junior Livestock Show.

The State Fair has expanded its facilities for swine shows, officials confidently expect to break all records in this division again this year.

New pens are being provided for sheep and Angora goats; and 166 of the most modern stalls have been added for the Palomino and Quarter Horse show.

The foreword of the premium list contains an invitation from Governor Beauford H. Jester to residents in every state to visit the State Fair and enjoy a panoramic view of the inexhaustible resources of the state, and to view the achievements of the entire Southwest country in agriculture, livestock, arts, science and industry.

Requests for copies of the State Fair Premium List should be addressed to State Fair of Texas, Dallas 10, Texas.

TODAY'S QUOTATION

Where there is no choice, we do well to make no difficulty.—George MacDonald.

Health Notes

There is an old slang expression that would make a good slogan for living a longer and more comfortable life, and that is "Be your age". According to the State Health Officer, Dr. Geo. W. Cox, many persons injure their health and endanger their life through indulgence in exercises and vigorous sports unsuited for their age and physical condition.

"While a young man in prime physical condition may benefit from a fast game of tennis, older men and women have been known to collapse and suffer serious heart attacks following such a game. The same thing applies to golfing, swimming and other vigorous sports," Dr. Cox said.

During the hot summer months, it is of especial importance that you know your physical limitations and indulge in only such activities as will benefit, and not harm your physical condition.

"Persons of middle age should never participate in activities requiring violent physical exertion, and should confine their physical exercise to such bounds as their doctor prescribes," Cox asserted.

The State Health Officer suggested that all persons of middle age be examined by their physician, before planning their summer vacation activities. A vacation can easily be more exhausting than refreshing, and in such event, more harm than benefit results from the time thus spent. Fishing, boating, hiking in moderation, and many other light recreations can be engaged in by the older people who must avoid heart strain, and it is a wise precaution to have your doctor advise you as to what sort of vacation you should plan.

With 14 reported cases of diphtheria within the past week, and a total of 397 cases reported in the first 19 weeks of this year, Dr. Geo. W. Cox, State Health Officer, is urging Texas parents to have their immunized children Shick tested to determine immunity, and if inoculation is necessary, to have it done immediately.

"There is a widespread belief that once immunity is established, it lasts forever," the State Health Officer said. "This is not always true. In some cases it diminishes and finally dies out, and reinoculation is necessary in order to protect the child.

"Every child who will enter school next term should be inoculated or Shick tested now, because it takes from three to nine months for immunity to be completely established after the injection is administered."

As long as cases of diphtheria occur, a child is in danger unless protected by immunization. The germs throw off a powerful poison which goes all through the body. It is particu-

larly harmful to the heart, blood vessels, nerves and kidneys, and serious complications often accompany the disease. Some of the most dangerous complications are bronchopneumonia, to which the patient is particularly susceptible; paralysis, which may last for days or for as long as 3 or 4 months; or permanent injury to heart, nerves or kidneys. "The best thing to do with diphtheria, is to stop it before it starts," Dr. Cox said. "When toxoid is injected under the

skin, the system manufactures a disease-fighting antitoxin which can successfully resist the disease. Children of school age should be inoculated or Schick tested now, so that immunity will be established or nearly so, before the opening of the next school term."

WE'RE OFF TO THE OCEAN

By Estelle McCurry

The wolf is nearer in your door than he was 24 hours ago. Does that startle you?

While we are worrying ourselves into neurosis over the plight of the world and spending billions of dollars in an earnest effort to solve the world's ills, let's face the enemy that is lurking right here in the heart of the United States—an enemy deadlier to our country than any foreign force that may be arrayed against us.

It does not glitter but there is gold in plain mud, whether red or black, just mud. Old Man River is dumping millions of tons of it into the Gulf of Mexico every 24 hours.

All the muddy flood waters that tumble into the Mississippi river, every creek and stream headed toward it are loaded with mud—invaluable mud. It's the top soil of a great basin, 2,000 miles wide, lying between the Rockies and the Alleghanies. Billions of dollars' worth of the top soil that covered this vast valley has slithered into the ocean since Thomas Jefferson bought it.

Every year the equivalent of 100,000 farms of 200 acres each slips into the sea. If this loss of top soil continues this bread basket of America—and presently of the world—will be as fertile as the deserts of China.

In the last 15 years our country has suffered a greater loss in actual cash value than any nation endured from the war. You are sharing in this loss in spite of more dollars in your pockets.

The Nile makes Egypt richer each year by depositing silt over its valley. The Mississippi is making the United States poorer every year. The "Big Muddy" seems lazy sometimes in its peaceful, harmless looking breadth but it is carrying the wealth and power of our nation straight into the ocean. We are getting down to the sub-soil rapidly and sub-soil farming means starvation.

Our cities can be blown away, burned up or bombed out but, given manpower, they can be built back within a year probably better than ever. Man cannot bring back the "good earth" that is sloshed into the sea. It is gone forever.

The great southwest, according to scientists, is being threatened. The Dust Bowl will be on the boil again. (An aside to Oklahomans: It has been raining. But the more it rains the faster we get into the Gulf of Mexico if we don't farm to save this red earth.)

There is only one way to keep the top soil on the farm and the dust out of the air. It's nature's way. It sounds simple. So simple that a great many people ignores the truth of it.

Rolling ground must be covered with grasses, trees and shrubs. If a slope is cultivated it must be terraced by contour plowing and planted to soil-saving crops.

But it cannot be hit and miss, here a hill and there a hill. A far-seeing farmer trying to save his own farm while a short-sighted one across the road or over in the next county farms for the season and says, "What's the future to me! I am planting for now and high prices."

It must be concerted effort. Every hill and slope must be saved. Each citizen of these United States, whether city dweller, farmer or villager, should be plunked out of complacency.

The greatest nation in the world is headed for starvation if the southwest again wallows in the dust and the Mississippi Valley is not kept out of the ocean.

Mental habits of self-control, self-reliance, and concentration or their opposites, are formed when a child is two to five years old, and are seldom changed in later years.

Setting a standard for Chevrolet owners, the company's rivers have for the third consecutive year won industrial safety honors in their home of Flint, Mich.

Since air expands with temperature increases, the Chevrolet Service Department advises a close check on tire pressures during hot weather months. Recommended front and rear pressures on the 1949 Chevrolets are 24 pounds per tire.

Mr. and Mrs. J. D. Bryan celebrated their sixtieth wedding anniversary at their home northeast of Goldthwaite Thursday, June 1. Next week the Eagle will carry an interesting account of how they met and were married back in 1879.

A heavy hail Tuesday evening caused considerable damage to corn and fruit in several localities, mostly west of Pecan Bayou.

With a maximum of 1.17 inches of rainfall for one day and a total of 4.58 inches rain, the moisture for the last month was well distributed over the period.

Mr. and Mrs. Ben W. Davis and sons, Benny and Loy, moved here from Wichita Falls Saturday and are occupying the house formerly occupied by A. F. Marricle. Mr. Davis began work in the post office here yesterday.

Thursday evening, Mr. and Mrs. W. W. Reynolds entertained with an open house, announcing the engagement of their daughter, Miss Martha Lou Audra Reynolds to Raymond Harper Williams, son of Mr. and Mrs. Joe Williams of Brownwood.

Friends here have received invitations to the Skinner-Smith wedding that is to take place in Tyler, June 10. W. T. Smith will be remembered as principal of the grammar school here several years ago, and Miss Skinner taught in the grammar school.

Mr. and Mrs. Bruce Hannah and daughter, Mary, left Wednesday for their home in Aransas Pass, after a very pleasant visit with her parents, Mr. and Mrs. W. H. Linkenhogor.

Mr. and Mrs. W. T. Mathis and son, Jack, of Kingsville passed through Goldthwaite last week on their way to cool Colorado for a two week's vacation. Mr. and Mrs. Dave Clements, their daughter and son-in-law, joined them here for the trip.

Behold The Man!

Lesson for June 5, 1949

LAST JANUARY a man in Holland wrote to the high court of the new nation of Israel, petitioning for a review, now nearly 2,000 years afterwards, of the trial of Jesus by the court at Jerusalem in the year 30 A. D. That court may never review the case, and perhaps has no legal right to do so. But history has reviewed it, and reversed it. Jesus was tried by at least four tribunals on the early morning of the first Good Friday. But the verdict of history is that the courts were guilty, one and all, while the prisoner was innocent.

Dr. Foreman

Sentence first, Verdict afterwards

BESIDES the informal hearing before the ex-high priest Annas, there was the formal trial before the High Priest Caiaphas. He presided over the Sanhedrin, the supreme court of the Jews at that time. It was a learned tribunal, venerated all over the Jewish world. As the lawyers might say, its writ ran everywhere; its decisions were quoted as precedent in Alexandria, Babylon, Spain. You might have expected it to be dignified, honorable. But not on that night, with that victim.

You might as well expect a pack of wolves, starved in mid-winter, to be dignified and honorable with a sheep in their circle. These men, and their intimate friends, had been described by the Prisoner, not long before, in words that stuck in their brains like arrowheads. "Whited sepulchres . . . full of all uncleanness . . . ye say, and do not . . . yet devour widows' houses . . . blind guides . . . offspring of vipers . . ."

If there had been any hope that they might change, Jesus would not have used such words. So they had made up their minds: He must die. Now was their hour, while the city slept. Leader of the pack was this Caiaphas. As the farce of a trial went on and the high priest by grace of Rome faced Jesus, High Priest by the grace of God, what did he see in Jesus' eyes?

That Fox

IF CALAPHAS was a wolf, Herod was a fox. It was Jesus' nickname for him. On that April morning this fox had the surprise of his lifetime. Before he could collect his wits, he was facing the very man whom his private police force had been vainly trying to arrest—Jesus of Nazareth. Two kings faced each other in Herod's hall that morning. The one wearing a robe and crown, seated on some kind of throne, was one of the most unkingly men who ever bore the royal title. The other, in plainest citizens' clothes, and no crown, no throne to be seen, was the one real king who has lived among men.

"Suffered Under Pontius Pilate"

PONTIUS PILATE, procurator of Judea, deputy plenipotentiary of his Imperial Majesty, sat on his judgment seat and looked at Jesus. Six times he had looked at him; six times he had made certain that this young prisoner was an innocent man, and six times he had said so, even in the face of the mob.

The noises in the street confused him. He could not hear, down through the centuries, the voices of millions of men, women and children, rising up week after week and repeating the words, almost like a curse: "—and in Jesus Christ, His only Son, our Lord, who . . . suffered under Pontius Pilate." The voices in the street drowned the voices of the centuries.

But if, as Pontius Pilate turned Jesus over to the will of those who hated him, he had dared to look into Jesus' eyes, and what would he have seen?

To this very day, and to the end of time, in all places and among all men, this Christ whom the world holds in chains is yet the Judge of every man. Men may say of Jesus what they wish, and he will be silent still. But in his eyes is the verdict. A man is judged by his own judgment of Jesus Christ. And you, too, facing you, he looks straight through you. What do you see in Jesus' eyes?

Chevrolet's trade-mark, which has appeared literally billions of times through its use on products, in advertising and literature, had as its inspiration a piece of hotel wall paper. According to the story, W. C. Durant copied the design from a wall paper figure that would be distinctive. All military and airports are wind velocities systems.

MRS. IRA TONEY

Mrs. Ira Toney was born on May 24, 1886, in Alabama, and passed away Friday evening at the family home near Goldthwaite. She had been in failing health for several years, however, no alarm had been felt over her condition by her family until some hours before her passing.

The deceased was born Florence Boozer and was the daughter of Mr. and Mrs. William H. Boozer, who, with their family, came to Texas in 1896. They first located at Omaha and it was in 1906 that the family came to this (Runnels) county and settled near Norton. She was married there to Mr. Ira L. Toney on December 25, 1912. The couple began their married life at Buffalo Gap and later moved to the Drasco Community in 1914. The family lived in

this vicinity until six months ago, when a relocation was made at a ranch home near Goldthwaite. During the years spent in this (Drasco) community, Mr. and Mrs. Toney were most active in the civic and church activities. Mrs. Toney affiliated with the Methodist Church in early life and held membership with this (Drasco) church.

Funeral services were held Sunday afternoon at 3 o'clock from the Methodist Church of Drasco. The pastor, Rev. J. P. Adair, officiating, along with Rev. J. B. Norton, former Drasco pastor and now of Talpa. The remains were conveyed to Winters Saturday evening to await funeral hour. Pallbearers were: M. L. Dobbins, Carlton Dobbins, J. B. Belew, Woodrow Belew, Frank Simpson, Chester Smith, J. C. Belew, and Merrell Wilson. Interment was in Winters Fairview Cemetery.

Weekly Swing of SOUTHWEST FARM MARKETS
PRODUCTION AND MARKETING ADMINISTRATION, U. S. D. A.

Only hogs made firm advances in this week's trade at southwest farm markets, reports the Production & Marketing Administration, U. S. Dept. of Agriculture.

Liberal egg supplies moved slowly but steadily into trade channels this week with little change in prices at wholesale levels. Most southwest markets quoted current receipts at 38 to 39 cents per dozen while farm prices averaged mostly 37 cents. This was somewhat higher than last year at this time.

Both light and heavy hens lost a penny or more at some southwest terminals early last week. Heavy hens brought mostly 25 to 28 cents per pound at Texas wholesale centers and mostly 28 to 31 at other southwest markets. Fryers held about steady at 28 to 29 cents. Turkey breeder hens brought 25 cents per pound at Fort Worth and toms 27, U. S. No. 1 grade.

Southwest cash grain markets were rather quiet this week, waiting for the now crop to start rolling. Prices began their seasonal decline with losses of 5 to 8 cents per bushel on wheat, 7 to 8 on oats and minor losses on corn and barley. Sorghums reversed this trend to gain 2 cents per 100 pounds and sold at \$2.67 to \$2.72. No. 1 new crop wheat closed Friday at \$2.10 to \$2.15 and Fort Worth oats at 75 1/4 to 76 1/4.

Hogs went up mostly \$1 to \$1.75 per 100 pounds at southwest markets and as much as \$2.50 at some midwest terminals, largest weekly gains this month. Active trading for the holiday week end and improved dressed pork demand were supporting factors. Late top prices for butchers ranged from \$19.75 at Fort Worth to \$21.50 at Kansas City.

Cattle prices generally moved toward higher levels last week except for some losses at Houston and Fort Worth. Advances of 50 cents to \$1 per 100 pounds were registered at southwest terminals and even sharper gains in the midwest.

Spring lambs gained 25 to 50 cents at Texas markets, but lost as much at Denver and dropped 50 cents to \$1 per 100 pounds at Kansas terminals.

Week-end guests of the Duke Clements family at their lake cabin were George Sessions Perry, noted author and popular feature writer for the SATURDAY EVENING POST, lumberman Mike Lee, and T. A. Weems, ex-Rice star and one-time player with the Brooklyn Dodger football team, all of Rockdale, Texas.

JAKE HARRISON CHAMPION SKEET SHOOTER OF SO. CAL.

Friends here of James "Jake" Harrison, a boy reared in Goldthwaite and who went to Hollywood and made good, will be interested to know he is now acting as technical advisor and doing all the championship shooting as well as a role in a picture being made at M.G.M. Studios entitled "Annie Get Your Gun," starring Judy Garland and Howard Keel. Jake is teaching both to handle the guns and will do what shooting

they have to do behind the camera.

The following is taken from the Los Angeles Times:

SANTA ANA, May 8—A new champion was inducted into office yesterday as Southland skeet fans wound up their two-day Southern California Championship matches at the Laguna Gun Club in Santa Ana.

Scoring 100 hits in as many targets in the 12-gauge all-bore class, Jake Harrison, Hollywood Muskeeter, yesterday was crowned Southland king.

Harrison edged Maynard Henry, 1940 State trap champ, by the slim margin of one point. Henry rang up a 99x100 to nab first place in Class AA.

Alex Kerr, with a 98x100 score, was second and Howard Choe, Angelus Mesa gunner, was third with 97x100.

In the five-man team matches, the "Dubs" from Santa Monica won both the first and second team prizes with identical scores of 474x500. In the two-man team, Harrison and Lee Greenway combined under the "Dubs" colors to take that event with a 195x200 and Henry and Howard Vermillion (Angelus Mesa) were second with 192x200.

Rep. Chambers Of May Wants Texas Gas 'Dedication' Stopped

HCR-18 By Chambers
In the newspapers of Thursday, May 19th, there appeared a story stating that the Coastal Pipeline Company was going to file an application before the Federal Power Commission to build a 30-inch pipeline 1,000 miles long from Texas to Virginia. The same story mentioned the Piedmont Pipeline Company that also is applying for a certificate to build a big-inch pipeline to North Carolina.

Texas may be sure that both of them will be built, as the Texas Railroad Commission never opposes these applications. A few weeks earlier I noticed that the Gulf Coast Northern Pipeline Company was going to build the biggest big-inch, a 34-inch line to Chicago. Last month the Federal Power Commission granted permits to the Texas Gas Transmission Company to build a 26-inch pipeline to the North-East, and another to the Truckline Gas Company to build a line of the same size to Iowa.

The Tennessee Gas Transmission Company is going to double its capacity and increase its take to more than a billion feet a day, and so is the Texas Eastern Gas Transmission Company and the El Paso Natural Gas Company.

The Transcontinental, not yet complete, is planning to increase its capacity by a couple of hundred million feet per day.

The total capacity of these new lines and of the increase in existing systems will be nearly our billion feet a day.

The gas that goes to the new pipelines will come from wells and fields 'dedicated' to them by contract, and they 'dedicate' enough gas to last the pipeline for at least 20 years.

There is great significance to Texas in the dedication of our state's gas reserves. Recently, in the Supreme Court, in the oral argument of the Federal Power

Commission Vs. Panhandle Eastern Pipeline Co., the question came up as to who would get gas, which in this case was Kansas gas, when there wasn't enough for both Kansas and the out-of-state users. The answer was that the gas 'dedicated' to the interstate pipeline, being in interstate commerce, would get preference. This caused Mr. Justice Jackson to observe that the gas producing state might be worse off than the state which gets its gas from a distant state whose reserves are dedicated to the interstate pipelines.

Many may ponder the soundness of the law and the wisdom of the authors of the Tenth Amendment. There is little doubt as to who will get the last gas from Texas. It will be the pipelines that we permitted to secure the dedication while we sat idly by.

Texas industries will be burning wood while people in Philadelphia and Detroit are frying eggs or warming their feet with Texas gas.

The problem is serious, but it can be solved. The Senate of the State of Texas has before it a resolution, HCR-18, that I introduced, directing the Texas Railroad Commission to appear before the Federal Power Commission and oppose the granting of these permits. If this resolution is passed, we can expect to see these permits denied instead of approved, and we can look forward to Texas future with less fear of dying cities and decaying industries.

If this Resolution is not adopted this session, we may expect Texas to become an industrial wilderness. For when we have to buy our gas from the coal produced gas of Pennsylvania, we won't be able to compete with industry in the coal-rich states of the North-East.

If enough people will write asking their Senators to support the House Concurrent Resolu-

GWIN THE CLEANER INSTALLS NEW PANTS SHAPER

Gwin, the cleaner, has recently installed a new piece of equipment, a pants shaper, in his modern dry cleaning shop. It is a new type of machine, just out on the market. By a process of steaming and shaping by spring tractions, the pants are brought back to the original length and shape. If they have been shrunk in dry cleaning and spotting, Mr. Gwin invites all come by and see this new of his friends and customers to machine.

WHY EDITORS LEAVE TOWN—

Now, friend J. F. A. Manuel of Caradan brought in to Old Hunnert this week a news item that he clipped out of the Galveston Semi-Weekly News about 50 years ago—and said this just about fit O. H. Here's the piece: Somebody sent the editor of the Poketown Gazette a few bottles of home brew. The same day he received for publication a wedding announcement and notice of an auction sale. In them days editors set most of their own type, and here's how the piece came out: "Wm. Smith and Miss Lucy Anderson were disposed of at public auction at my farm one mile east of a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about seventy guests, including two milch cows, six mules and one sled. Rev. Jackson tied the nuptial knot with 20 feet of hay rope and the bridal couple left on one good gang plow for an extended trip with terms to suit purchasers. They will be at home to their friends with one good baby buggy and a few kitchen utensils after ten

months from date of sale to responsible parties and some 50 chickens."

MADE WRONG—

As afore writ, Old Hunnert can't see where Mother Nature did such a hot job on his anatomy—if she'd made him right he would be as sleepy when it is time to go to bed as he is when it is time to get up. Also, she should have put some kinda cog in his brain (maybe brains) so's he could remember where he parked his car the last time.

Onct, between the 3rd and 4th, or 4th and 5th, summers, Old Hunnert got matrimonially inclined agin. So he did what every smart man should do—put an ad in the paper. His'n read: "Farmer, age 74 wishes to meet girl around 30 years old who owns tractor. Please enclose picture of tractor." And, by gum, she worked.

Once here when a Jew store burned up, the Boss told o. h. to get the story. He asked the owner what caused the fire, and the owner said "Friction." The mortgage rubbed too hard against the insurance policy.

Fan Mail—A man writes in to o. h. as per follows: "Dear O. S. (he should'a made it o. h.), I am 69 1/2, have \$100,000 and plan to marry a girl of 18. Do you think she can really care for me?" Answer—Certainly; there are 100,000 reasons why she can care.

Nowadays it's easier to find a better half than better quarters. And, in the good old days a man could be down to his last

buck and still know where his last three meals were coming from.

"Mother, who is my nearest relative?" "I am, dear—and your father is the closest."

And jest this week when O. H. was getting his hair cut for 1949, he remarked to the barber: "Your dog seems very fond of watching you cut hair." Barber: "It ain't that, I sometimes snip off a bit of the customer's ear."

Old Hun.—"Doc, I snore so loud that I wake myself up." Doc—"In that case I would advise sleeping in another room."

Then there was the absent-minded professor who sat down at the breakfast table, poured milk on his head and scratched his cornflakes.

NEW INVENTIONS—

Old Hunnert has been working on two new inventions that when perfected oughter make him friends and make it easier for him to influence people. Here's what happened: Some of his husband friends jest before spring, knowing their wives would ask them to help with spring housecleaning, wanted o. h. to invent something to make the day-by-day spring housecleaning easier—especially for them husbands. O. H. thought all spring without any results, and now that summer's here and if them husbands can remember this to next year, here something that'll help them: To make spring day-by-day housecleaning easier, jest put it off until tomorrow, day-by-day. Here's another new invention

that oughter get, mist some; Mom ain't working here for get an
