There were 22 girls, 2 leaders and agent in attendance. Those attending were: Lorraine Burdette, Dorothy Cline, Merlene Reynolds and Joyce Hart of Goldthwaite Club; Ruby Nell Limmer, Joane Koppe, Odell Seilheimer of Priddy Club; La Joy Clary, Gloria Sheldon, May Bell Cox and Merlene Woodard of Star; Shirley Ann Eilers, Peggy Lawson, Ynell Egger, Peggy Bramblett, Bonez Wasserman, Sue Rowlett, Coleta Roundtree, Joan Rowlett, Shirley Rowlett, Joy Anderson, Mary Anderson of Mullin; Mrs. Lewis Burdette, Mrs. L. B. Hart and Miss Ella Hintz.

In the general assembly Thursday morning Joyce Hart was elected Camp Chairman, Merlene Reynolds, Camp Inspector and Gloria Sheldon and Ruby Nell Limmer, song leaders. These officers very ably performed their duties during camp. Recreation was lead by Joyce Hart assisted by Zonez Wasserman.

The Blue Bonnet girls of Star who broadcast each Saturday morning over K. C. L. W. were present and gave several selections which were enjoyed by the girls very much.

Those who did not attend camp missed a very enjoyable time. Make your plans now to be at camp next year.

We wish to thank the ladies who donated much of the food, and their time to make camp so successful.

## Dr. George C. Baker To Preach Twice Daily At Methodist Revival

The revival at the Goldthwaite Methodist Church will begin Friday night of this week at 8:00 when Dr. George C. Baker, Jr. of Dallas will bring the first message in the series of services. Dr. Baker will preach again Saturday night at 8:00 and Sunday at 11:00 A. M. and 8:00 P. M.

Beginning next Monday the weekday schedule will be as follows: 9:30 A. M. Prayer Service; 10:00 A. M. and 8:00 P. M. Preaching by Dr. Baker. The revival will continue through Sunday, August 7th.

Dr. Baker is one of the outstanding preachers of this entire area and a cordial invitation is extended to all in this immediate vicinity to hear him.

A high light of the revival will be the congregational singing preceding each service which will consist of the old gospel songs and will be under the direction of the pastor, Rev. Ed H. Lovelace. There will also be special music for each service furnished by the Adult and Youth Choirs of the church and solos from time to time by Mrs. Baker.

Mrs. John Berry is the organist, Mrs. Hope Schulze the assistant organist, and the choirs are under the direction of Mrs. Sam Sullivan, Adult Choir, and Mrs. Talbot Ledbetter, Youth Choir.

The schedule for special services for children and young people will be announced later.

## GOLDTHWAITE CUBS WIN 2 GAMES HERE

Pos Kerby, manager, announces that the Goldthwaite Cubs will go to Aleman next Sunday afternoon to play the Aleman baseball team a double-header. Aleman is leading in the Cowhouse Basin League.

Last Sunday the Cubs, at Municipal Ball Park here, took on the strong Evant team in a double-header, winning both games, 12 to 2, and 8 to 0.

## JAYCEES HAVE REGULAR MEET WEDNESDAY NIGHT

The Goldthwaite Junior Chamber of Commerce, in regular fourth Wednesday night meeting at The Hangar, made plans for future civic work and appointed some committees.

President Jesse J. Saegert asked Secretary Glen Collier to read the minutes of the last meeting, which were approved.

The board of directors will meet before next regular meeting night and decide on a change of first monthly meeting from second Tuesday to second Wednesday. Members will be notified by cards.

The Christmas toy committee, composed of Bally Rudd, R. C. McCollum, and Jesse Saegert, asked that Mills county people bring in broken and used Christmas toys to the Rudd Filling Station to be made into new ones by the Jaycees and given to children at Christmas.

The president appointed Larry Dalton as Christmas Activities chairman, to work with the State Jaycee committee.

Gerald Head was appointed Historian for the club, and is to send in to state headquarters a 700-word history of the local organization.

A motion passed to look into the feasibility of bringing two negro football teams to play on the local field during the football season. Bert Brewer and Bally Rudd were appointed a committee to look into the matter.

The Jaycee Ladies' Softball committee is to try to get a negro ladies' team to come here to play the local ladies.

## Arthritis Quarantine Raised In Mills County; Precautions Are Urged

The Mills County Arthritis Quarantine has been raised with the exception of one farm known as the G. E. Fox place in the extreme S. W. corner of the County.

There is a precaution that the stockmen should take: There should be no cattle sent to market until they have been vaccinated for at least 6 weeks, as there is a Federal law against offering any cattle for food consumption that has been vaccinated for a period less than 6 weeks.

## ARROW MILLS TO STORE CCC LOAN SORGHUMS

(Brownwood Bulletin)

Arrow Mills of Brownwood will begin receiving Brown county grain sorghum for storage under the Commodity Credit Corporation loan program on Thursday or Friday of this week, the Brown County Agricultural Conservation Association office announced.

Only sorghum containing not over 11.5 per cent moisture content will be accepted for storage by Arrow Mills, the ACA office said. For this reason, it was suggested that farmers may find it advisable to delay harvesting a little to permit the grain to dry out so that it won't exceed the moisture content restriction.

The grain sorghum loan rate for Brown county is \$2.05 per hundredweight, less 20 1/2 cents for storage costs.

The CCC will loan money on grain sorghum containing up to 14 per cent moisture, but sorghum containing over 11.5 per cent will not be accepted by Arrow Mills, it was stated.

## Very Few Voters Know About Constitutional Amendments To Be Voted On, The Texas Poll Shows

By JOE BELDEN  
 Director, The Texas Poll  
 Austin, July 23.—Very few Texans seem to be interested in the record number of constitutional amendments proposed by their State Legislature.

Even repeal of the poll tax, the most controversial change suggested by the lawmakers, has not made much of an impression upon the public mind. Only six per cent of the qualified voters questioned in a recent statewide survey could name poll tax repeal as one of the amendments to be voted on. Three per cent were aware that the Legislature had submitted an amendment to make women eligible to serve on juries. Less than one per cent could recall each of the other eight amendments.

The ten amendments, the greatest number ever to be proposed by the Legislature in a single session, will become effective only if approved by the voters in a special election November 8.

The purpose of the amendments are as follows:  
 1. To repeal the poll tax as a requirement to vote.  
 2. To make women eligible to serve on juries.  
 3. To permit the Legislature to set up rural fire prevention districts.  
 4. To raise pay of legislators to \$3,600 per year, and to require the Legislature to meet annually.  
 5. To permit the Legislature to set up city-county health units.

6. To authorize civil service systems for county employees in counties of over 75,000 population.  
 7. To allow lunacy cases to be tried before a judge, without jury, when either the person, his lawyer, or a relative waives trial by jury.  
 8. To authorize creation of county hospital districts by vote of the people in a district.  
 9. To authorize a statewide retirement system for county officials and employees.

10. To allow a district judge in a district having more than one county to issue orders enforceable in any county in the district without his having to go to the particular county to issue the order.

The Texas Poll tested public interest in these amendments one week before the Legislature decided to change the election date from September 24 to November 8. The September 24 date had stood until the closing days of the session, and the Secretary of State had gone ahead with statewide publication of the amendments in preparation for the election as originally planned.

Interviewers asked a cross section of the adult population this question:  
 "On September 24, a special election will be held on a number of propositions to change the Texas Constitution. Which of the propositions have you heard or read about?"

	All Voters	Adults Only
Named one or more correctly	7%	10%
Couldn't recall any	93	90
	100%	100%

The above figures do not necessarily mean that all those who couldn't recall any of the amendments had never heard or read about any of them. Some persons might have heard or read about one or more, but their interest was not sufficient to retain the information. Interviewers for the poll were instructed not to help any one refresh his memory.

This test showed that qualified voters are slightly more interested in the amendments than the general adult public. For instance, while six per cent of the voters knew about the poll tax repeal amendment, only four per cent of all the adults questioned said they had heard or read about it. The women-only-juries proposal was recalled by only one per cent of the general public, as compared to three per cent of the voters.

**GALVESTON, July 25**—The appointment of O. H. Osborn as assistant general manager of the Gulf, Colorado and Santa Fe Railway, with headquarters at Galveston, was announced last week by J. P. Cowley, vice president and general manager. Osborn will succeed John N. Landreth, who has been promoted to the position of assistant to the vice president, operating at Chicago. Both appointments are effective July 20.

Landreth leaves the Gulf lines after having been assistant general manager since January 1 of this year. He made many friends in that brief period both in railroad spheres and in public life. He is one of the youngest men to advance to the important position.

Osborn, another young railroad official, is no newcomer to Texas, nor to the Gulf Lines. He was formerly superintendent at Galveston and later at Fort Worth, leaving the latter post for broadening experience on the Santa Fe System. He comes to Galveston from Emporia, Kansas, where he has been serving as superintendent of the Eastern division of the Santa Fe Eastern Lines.

### Health Notes

There is no more emphatic proof of the power of ignorance and carelessness to spread disease than is shown by the continued ravages of tuberculosis, which is responsible for more deaths between the ages of fifteen and forty-five than any other disease.

Despite the knowledge of its cause, spread, and curative procedures, tuberculosis continues to be a grave public health problem, and today it holds fifth place among the killing diseases in this State. This fact exists even though the majority of tuberculosis patients could have their condition arrested, if it were recognized early and proper treatment applied.

These facts are disclosed by Dr. Geo. W. Cox, State Health Officer, who says, "treatment of the early recognized case is essential to recovery. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be prevented. A more widespread appreciation of this fact would result in the saving of thousands of lives."

The State Health Officer added: "When a diagnosis of active tuberculosis has been made, examination of all other members of the family should follow as a matter of course. Tuberculosis runs in families, not because of any special susceptibility, but because it is communicable and easily transmitted from one member of the family to others."

To reduce the number of deaths caused by tuberculosis Dr. Cox urges periodic examinations of all adults, including chest X-rays; frequent check-ups by physicians where active cases and their contacts are known; isolation or hospitalization of active tuberculosis cases, and a more intelligent application of hygienic living principles.

### H-D COUNCIL TO HAVE CAKE WALK

The Mills Co. H. D. Council is sponsoring a cake walk Saturday night, July 30, at 8:00 o'clock. The members of the H. D. Clubs are furnishing the cakes. Everyone is invited to come and have a good time and take home a delicious cake.

### A Poem

A sweet little old lady  
 Lives all alone  
 You can tell who she is  
 by the flowers she has grown.  
 Her name is Leila S. Roberts  
 Everyone adores  
 She calls to me cheerfully  
 "Hello," standing there in her door.  
 No one works any harder  
 than this little lady do  
 Her flowers prove it  
 There red, white, and blue.

A honeysuckle vine on  
 the corner and a rose, too.  
 Morning Glories cover her wall  
 that she loves so true.

Sweet William Poppy she likes  
 Carnations, Roses, and Pinks,  
 All keep her busy with no  
 time to think.

Snapdragons, Moss, and Phlox  
 Petunia, Verbena, Zennia,  
 And a lot more.  
 Come to see her at Caradan  
 Store.

## On your vacation trip...

stop for an afternoon at Baytown

If your vacation leads you down our way, you'll find a visit to Humble's Baytown refinery a highlight of your trip. It is one of the great oil refineries in the world, processing about 200,000 barrels of crude oil daily into such diverse products as gasoline and asphalt, motor oils and insecticides.

Tours of the refinery start at 2:00 p.m. every day. First, you find out what you're going to see; then you're taken on a comfortable bus tour of the plant with a guide to tell you what goes on. The children are welcome.

A visit to Baytown will give you a glimpse of the results of scientific research by the oil industry; for unless you see a modern refinery, you'd never suspect that it can break up crude oil molecules and reconstruct them into other molecules of wider service to you in your daily life... A visit to Baytown will show you how the petroleum industry supplies many of the necessities of modern living, and how energetically the industry works to supply them. For throughout the United States, oil refineries like Baytown work night and day to supply you with petroleum products of continuously improved quality and continuously increased diversity.

If you can't visit Baytown in person, ask for a copy of this book; address your request to

## MISS CASBEER ELECTED BAPTIST PARLEY DELEGATE

(Austin American.)

Miss Pearl Casbeer was elected a delegate to the Baptist WMU meeting in Ridgcrest, N. C., the first two weeks in August at a recent meeting of the Moonbeam Tong Circle of the First Baptist Church Women's Missionary Society held at the Austin Woman's Club.

Miss Casbeer was also elected to follow Miss Nell Scales as chairman of the group. Miss Wilma Williams presented the devotional period, and Mrs. Victor Countz accompanied by Mrs. Derward Nollner sang "What If It Were Today?"

"Paul's letter to the Ephesians" was discussed by Mrs. L. B. Randerson, and Miss Georgia Lou West was in charge of the social hour.

Members and guests present included Misses Gwen Couch, Georgia Lou West, Estelle Jones, Pearl Casbeer, Evelyn Taylor, Zaida Beth Ruble, Agnes Ingraham, Nell Scales, Wilma Williams, Greola Randerson and Mary Sue Stubblefield.

Also Mesdames Fred R. Glass, Wilma Byrd, L. K. Hightowers, Charles Birdwell, V. L. Brooks, Derwood Nollner, L. B. Randerson, Victor Countz and Bennie Joe Davis.

Miss Casbeer is the daughter of Mrs. M. E. Casbeer of Gold-

thwaite. She taught school several years before going to Austin where she is now employed with the postal department in that city.

## THOMPSON-RUSSELL VOWS SOLEMNIZED

Miss Edith Thompson, daughter of Mr. and Mrs. Blue Thompson of Ebony, was married to George Russell of Big Spring, Saturday evening, July 16, in the prayer chapel of the First Methodist Church in Brownwood. The Reverend Gafford performed the lovely doubling ceremony before an altar banked with palms and candle-

bra. The bridegroom is the son of Mr. Ben Russell of New Mexico, and the late Mrs. Russell.

The bride was attired in a brown and white striped stone-cutter's dress with brown accessories. Her corsage was of gardenias.

The maid of honor, Miss Elfa Schrank, wore a black dress with black accessories and a corsage of pink carnations. Mr. Ray Cantrell served as best man. After a wedding trip to East Texas, the couple will be at home in Big Spring.

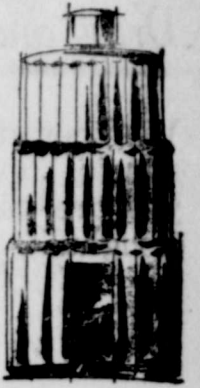

Mr. and Mrs. Joe S. Langford went to Temple Tuesday to visit his mother, Mrs. Joe Langford who underwent a major operation last week at the Kings Daughters Hospital. She is doing nicely.

## 90th Birthday Celebration

On Thursday, July 21st the relatives and friends of Mrs. Anna Greenwood, of Houston, decided that the occasion should be note-worthy of a real celebration due the charming lady who has passed so many years and reared a fine family of eight children—five daughters and three sons, and is still active in the home. She takes a great interest in politics and church affairs, visits friends and takes auto drives with her daughters.

Relatives and friends came from far and near to make the day a success; some spent the entire day, while others came in the afternoon from 3 o'clock until late evening.

Beautiful flowers of all kinds decorated the living rooms and dining room where on the lace laid dining table two large beautifully decorated birthday cakes graced the flower decked table. These were gifts also, one friend brought lovely corsages for the honoree and house party. Many handsome and useful presents were given the lady, while birthday cards came in the early mail expressing wishes for many years yet of a useful happy life.

Mrs. Greenwood has been a member of the First Methodist Church forty years and has been a regular attendant until recently. Her sight is not so good. She listens over the radio to sermons and is a regular radio fan. Therefore she keeps up with all the news of the day.

All the family were present except a granddaughter, a daughter and a grandson as it was impossible for them to attend.

Cake and brick ice cream were served in beautiful hand-painted plates and soon good-byes were said to end a most delightful and long to be remembered birthday of one who deserved every good gift and honor that can be bestowed on her.

—Mrs. R. M. Thompson.

## Birthday Party

Larry Hill celebrated his ninth birthday, Wednesday, July 20th, with a party.

Thirty six little friends, each bringing a lovely gift, joined him at his home to help make this a very happy occasion.

Misses Barbara Williams, Carolyn Graves and Virginia Hill directed the group in outdoor games, parlor tricks, and contests. Prizes were won by Bob Bain, Donald Padgett and Junior Benningfield.

Refreshments of ice cream and cake were served to the following:

Bill Woodard, Howard Campbell, R. T. Padgett, C. M. Smith, Weldon Hill, and the Honoree.

## NEEDLE REMOVED FROM CHEST OF 4-YEAR-OLD BOY FROM GOLDTHWAITE

Hollis Blackwell, Jr., four-year-old son of Mr. and Mrs. Hollis Blackwell of Goldthwaite, underwent surgery at Brownwood Memorial Hospital Monday afternoon for removal of a needle from his chest.

The child fell on the needle while playing near his mother, who was sewing.

The attending physician said the needle did not puncture the lungs. The condition of the boy is good and he was removed to his home Monday night.

Mr. and Mrs. J. N. Faith and family of Austin spent the week end in Goldthwaite.

## Miss Thompson, Bride-Elect, Honored

Miss Edith Thompson, bride-elect of George Russell, was honored with a miscellaneous shower in the home of Miss Elfa Schrank, Priddy, Texas, from 4 to 6 P. M., Wednesday, July 13. Guests were greeted at the door by Miss Schrank and Miss Thompson, then directed to the best book, presided over by Mrs. Norman Schrank. The house was beautifully decorated throughout with daisies, ferns, gladioli, and feverfew.

The table was laid with a lace cloth, and white gladioli and feverfew flanked the crystal punch bowl. Punch and sodas were served by Mrs. Norman Schrank.

Miss Thompson is the daughter of Mr. and Mrs. Blue Thompson of Ebony.

The following persons "showed" the honoree with gifts and wishes: Mrs. H. A. Teinert, Charlie Meyer, Mrs. N. G. Norm, Norma Faye and Jerry, Neomi Stephen, Miss Dot Thompson, Miss Beth Miller, Jo Alcorn, Mrs. Bonnyie Kelly, Mrs. Alma Kesler, Mrs. Shipp, Miss Elfa Schrank, Bruno Schrank, Mrs. Clara Rost, Mrs. Ed Schrank, Mrs. Roarck, Mrs. Norman Schrank, Mrs. Eugene Egger, Mrs. Thompson, Mrs. Cecil Egger, Miss Ynell Egger, Mrs. Taylor, Mrs. Duncan and Annette, Miss Fouse, Mrs. D. B. Aldridge, Jimmie Ed Samples, Mrs. Head, Mrs. Nora Harris, S. E. Ragsdale, Mrs. Hubbees, Mrs. Ray Duren, Joe Biggs, Miss Jo Thompson, Mrs. Lee Priddy, Miss Marjorie Priddy, and Mrs. Maud Priddy.

Mr. and Mrs. Alfred Albertthal of Park, Washington visited recently here with his daughter, Mrs. Marvin Hodges and Mrs. Hodges. While the Albertthals were here, their sister, H. O. Williams and son, who spent several days in the Hodges home.

**SAN SABA PEAK**  
By MRS. DUTCH SMITH

I failed to get my letter written last week.

There has been quite a lot happening.

Mr. and Mrs. P. R. Jordon and children visited last week in Paducah with relatives and attending to business.

Mr. and Mrs. Loyd King and Rocky visited in Talpa, attended the Coleman Rodeo, and on Sunday Mr. King visited his mother in San Angelo. They returned home Sunday night.

Mr. and Mrs. Dutch Smith and son, C. S. Jr. visited her parents, Mr. and Mrs. John Harris Monday evening.

Quite a few of the neighbors went to the river Friday night. The men went down in the afternoon and the ladies came later with the eats, water melons and ice cream.

Those who enjoyed the picnic were Mr. and Mrs. P. R. Jordon and Robert, Loretta and Sandy, Mr. and Mrs. Loyd King and son, Rocky, Mr. and Mrs. Fate Eckert and Althea Mae, Mr. and Mrs. Velmer Gage, Mr. and Mrs. Dutch Smith and son, C. S. Jr. and Fred Coombs.

The ladies stayed until about eleven or twelve and came home. The men caught lots of fish.

They enjoyed a fish Fry in the home of Mr. and Mrs. Dutch Smith Saturday night.

There were twenty-eight who enjoyed this enjoyable occasion.

Mr. and Mrs. Allen Eckert and family of Rosco visited his brother, Fate Eckert and family.

Miss Althea Mae Eckert spent Saturday night in town with friends.

Mrs. Terrel Casbeer, Mrs. Dutch Smith, Mrs. Carl Covington and Judy were in Brownwood shopping Tuesday. Mr. and Mrs. Fate Eckert and Althea Mae were called to Dallas to be with their daughter, Mrs. Nolan Mallary, who with her two children are ill in their home in Dallas.

Mr. and Mrs. Fred Laughlin were in the Dutch Smith home Saturday night and helped them eat fish.

### HILLSIDE MISSION

By LIDA BYRNE

Bishop Moore of the Methodist Church told the story of a Kansas farmer who had struggled with the question of tithing.

After consultation with his preacher and some desperate praying the farmer reached the decision to say: "Lord, my farm and all of my property is Thine. I am Thy manager. Use us both to thy glory." And peace came into his heart.

Not long afterwards grasshoppers moved in on the farm. It was near harvest time and the hoppers were not there long until everything was stripped. Corn stalks were bare, and the wheat had been cut down to the roots.

The farmer went to town. He met a neighbor who said: "Looks like the hoppers are going to clean you out. Won't have anything left, will you?"

"Nope," the farmer replied. I calculate they'll take about every thing, but that's all right."

"Ain't you worried?"

"Nope."

"How come?"

The farmer said: "About four weeks ago I gave that farm to the Lord. Since that time I've just been managing it for Him. It's His now, and I'm not so worried about what's happening to it, and those grasshoppers are His too, and if He wants to pasture His own grasshoppers on His own farm, then I guess I haven't any reason to worry about it.

### Big Valley H. D. Club

The Big Valley H. D. Club met Friday, July 22, with Mrs. C. A. Page. There were fifteen members and four visitors present.

After a business meeting the sheets of aluminum, ordered by several members, was handed out to them.

Miss Hintz then gave a demonstration on "Glove Making," and had patterns available for those who choose to use them.

Mrs. Sena Ezzell, who lived for many years in this community, but who is making her home in Ft. Worth now, was one of the visitors that we enjoyed having.

Mrs. Ezzell states she was proud of the opportunity of visiting with these, her old friends, again.

After thanking Mrs. Page for an enjoyable afternoon the club adjourned until its next regular meeting the first Thursday in September. —Reporter.

JACK JERRY REID & WALKER

A two-year "trial run" on three farm products—wool, eggs and potatoes of the controversial new Brannan farm program, was voted down by the House last week. Instead, the present farm price support program was continued for a year, with cottonseed and mohair added.

At the same time the House voted to repeal the Aiken flexible price support system scheduled to go into effect next January.

The bill now goes to the Senate Committee on Agriculture, where hearings on the future program have been conducted, and the question of whether a new or changed farm program will be enacted at this session will depend upon what the Senate does about it.

Of particular significance to our district was the addition of mohair to the list of commodities upon which the Secretary of Agriculture would be required to apply a support program. Under present law, such support is permitted but the Secretary has refused to provide any relief. Therefore, it has been apparent for some time that if our mohair industry was to be provided any aid under the farm program it would have to be made mandatory.

Several months ago Ernest Williams and Jake Mayfield, Secretary and First Vice President, respectively, of the Sheep and Goat Raisers Assn., came to Washington and we made an appeal to the Committee on Agriculture to include mohair in any new legislation to be reported. Largely through the efforts of Rep. Bob Poage, a member of the Committee, mohair was added and was included in a new bill.

The new bill, however, was de-

feated on the floor of the House last week, and the Gore substitute was adopted, continuing the present laws for another year. But I offered an amendment on the floor to the Gore substitute to have mohair included in the present program, and it was unanimously adopted.

It is impossible to know at what price mohair will be supported, if the bill is finally enacted. Under the bill passed by the House, the ceiling price would be 90% of parity, or about 60c per pound average. The exact figure would have to be set by the Secretary of Agriculture and would undoubtedly be considerably lower than the 90% ceiling.

Climaxing efforts that have been going on for two years, the agreement whereby the Pedernales Electric Cooperative will be divided and made into two coops, was finally approved the other day by Claude Wickard, the REA Administrator.

The dividing line between the two will follow in general the division line of the 21st Congressional district—with the Pedernales group operating principally in the district formerly represented by Lyndon Johnson and now by Homer Thornberry of Austin.

The Pedernales coop had simply grown so big it was unwieldy. Until the division was made, it was the biggest REA coop in the Nation. Much of the credit for finally getting the split concluded is due Arthur Stehling, of Fredericksburg, Attorney for the Pedernales.

It is believed that the new Central Texas organization will be able to serve better in the area it will cover, and more attention can be given to expansion to provide added service at reasonable rates to more and more farm and ranch families. The headquarters of the Central Texas unit will be at Fredericksburg.

Of interest to farmers are two new bulletins the Department of Agriculture has recently published dealing with grain storage. One bulletin, No. 2009, is entitled "Storage of Small Grains and Shelled Corn on the Farm," and the other, Farmers' Bulletin 2010, "Storage of Ear Corn on the Farm." These two bulletins contain the latest information

### 1949 POSTAL RECEIPTS ABOVE THOSE OF 1948

Goldthwaite Post Office continues to sell more stamps each month. Postal receipts for the 6 months period from January 1, through June 30, 1949 were \$8,488.16 as against \$7,510.02 for the same period in 1948, an increase of 9%. The receipts for the Fiscal year 1949 were \$17,163.16 as compared with \$15,842.49 for the Fiscal year 1948.

### Sylvester Says:

"Do you believe I'm Santa Claus? I'd like to deliver this house to you at low cost, but—

About \$2500. of this \$10,000. house is tax costs. Since 1939 about \$1,250. in taxes have been added to the cost of this house."

Senator Byrd of Virginia suggests some places to cut government costs that will save you some money. Salaries for Federal employees—now 7 billion dollars; grants in aid 2 1/2 billion dollars; in public works underway or proposed—30 billion dollars; yearly interest on trust fund reserves—1 billion dollars.

Meaningless, isn't it, except that it's your money that's being spent, and it's your living costs that are going up.

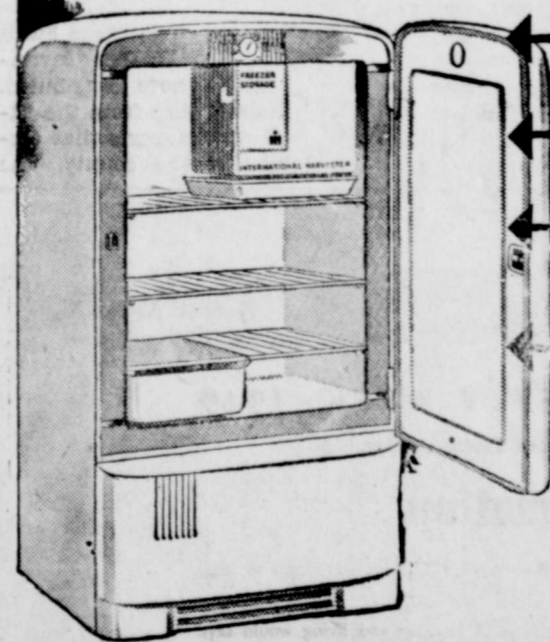

Oh yes, if all low-income families are housed in public units under present social planner recommendations, it will cost an additional 150-200 billion dollars.

Do you still believe in Santa Claus?

on storage structures and storage and condition of grain, and will be sent by me to any who request them.

My thanks go to John Rowland & Sons, who operate Men's stores in Del Rio and Uvalde, for the Ter. All summer suit they recently presented to me. The Rowlands have been featuring this suit which contains 50% mohair and 50% virgin wool. It is not only a cool, crease-resistant and attractive product, but it is a mighty good thing for the mohair growers to know that a high-mohair content suit is being featured. More and more of that over the country would solve the mohair problem in a hurry.

## Sweet Clover And Soil Management In Texas Blacklands District

(Reprinted from The Progressive Farmer, December 1947)  
(By J. R. JOHNSTON)

Soil and crop management is the farmer's most important job. The standard of living enjoyed on the farm is dependent on high production. And this in turn depends on good soil and crop management. Organic matter and nitrogen are the key to the Blackland farmer's soil management job. The sweetclovers are the best adapted legumes for the soils of this area. They produce an abundance of this all-important organic matter and nitrogen. So why not say, "sweetclover is the key to soil management in Texas Blacklands?"

**Best Crop in Blacklands**  
Sweetclover aids in control of soil erosion. During 1946, a corn plot on a 4 per cent slope lost 20 tons of soil per acre to soil erosion. A Hubam sweetclover plot beside the corn lost only 1/4 of 1 ton of soil per acre. Sweetclover holds on to the soil. The corn permitted 30 times greater loss.

Sweetclover is the best soil improving crop for the area. In two-year rotations of corn and Hubam sweetclover, corn yields are 35 to 40 per cent higher than they are when corn follows corn. In some years 75 per cent more corn is produced where corn follows Hubam for seed or hay production. Cotton production is increased 50 to 100 per cent when this crop follows Hubam sweetclover in a two-year rotation. Moreover, losses due to root rot are materially reduced where cotton follows sweetclover.

Sweetclover is one of the outstanding cash crops grown in this area. As a cash crop sweetclover has three important uses—grazing, hay, and seed production. During 1948, four months' grazing of Hubam sweetclover produced 309 pounds of beef per acre. During 1947, fall planted Madrid sweetclover with oats has been grazed with amazing results. This sweetclover was still green and furnishing good grazing on Aug. 1, 1947 after 10 weeks of drouth, and the steers were gaining nearly 2 pounds per head per day.

Sweetclover cut for hay, just before blooming, and properly cured, is as nutritious as alfalfa hay. It is not as palatable as alfalfa, however. Cattle have to develop a taste for it. Cattle also have to learn to eat green sweetclover, the same as they do the hay.

Sweetclover seed production in Texas Blacklands is good. Much of the seed produced here is sold to Northern markets. Yields of 700-900 pounds of Hubam sweetclover seed per acre are common. However, 200-500 pounds per acre is the general average.

### How to Be Successful

There are six points you should pay attention to, if you are to be very successful as a grower of sweetclover.

1. The planting seed should have a low percentage of hard seed. All sweetclover seed should be scarified if you want a quick and uniform stand. Scarification scratches the hard seed coat. It permits moisture to be taken up by the seed which insures prompt germination. Some seed companies scarify their seed before sacking them for sale, so you may be able to get seed scarified commercially.

2. Seeding rate: The sweetclovers should be sowed at about 10 pounds per acre for the thinner and less fertile soils; 12-15 pounds per acre for the more fertile soils.

3. Date of seeding: Fall seeding of sweetclovers in the Southern Blacklands has proved to be more profitable than spring seedings. Early fall seedings give winter cover for soil protection. They also produce more grazing, and produce more seed. You get a larger increase in yield from phosphate applied with fall seeding than from spring seeding and fertilization.

4. Type of seedbed: Plant sweetclover on a firm, smooth seedbed. Never plant on a loose seedbed. Sweetclover seed are small. They should be planted about 1/2 inch deep. If the seed are below 1 inch in depth, chances are they will not come up. A loose seedbed usually allows the seed to be covered considerably deeper than 1/2 inch. Rolling or cultipacking after planting insures uniform and prompt germination.

5. Inoculation: Always inoculate your sweetclover seed when you plant unless the land has had a good sweetclover crop on it before. Inoculation costs very little. It is cheap insurance.

6. Phosphate fertilization: Phosphate fertilization in many cases means the difference between success and failure with sweetclover in the Blacklands. The poor and worn-out soils need more phosphate per acre than do the richer and more fertile soils. If the band placement method of applying fertilizer is used, 100 to 200 pounds of 20 per cent superphosphate is sufficient. If the phosphate is spread on the land and disked in, 400 to 700 pounds per acre should be applied for best results. Band placement of fertilizer and seeding of sweetclover can be accomplished in one operation. This is done by using a grain drill which is equip-

ped with a small seed attachment and fertilizer distributor. Placing the fertilizer band 2 inches below the seed will give maximum results.

### Varieties of Sweet Clover

The two outstanding varieties of sweetclover for this area are Hubam and Madrid. Hubam is a white-blossom annual sweetclover, whereas Madrid is a yellow-blossom biennial. The sweetclovers, such as Madrid, are not successfully planted in the spring on root rot infested land.

The Blackland Experiment Station has found fall plantings of Madrid sweetclover to be satisfactory in several respects. First, when Madrid is planted in September, it becomes well established and is more winter hardy than Hubam. Secondly, it matures a seed crop the first summer after planting. Third, it seems to resist root rot more effectively than when spring planted. Fourth, it stays green all summer and fall, even after making a seed crop—in fact it blooms continuously until frost.

Mellilotus indica, a yellow-blossom annual sweetclover, is valuable for winter grazing and green manure. This variety is best adapted to the low lime areas of the southern part of the Blacklands.

Evergreen sweetclover, a white-blossom biennial, has done well in preliminary tests at Temple during 1947.

## 4-H LEADS THE WAY

College Station 4-H club members in Refugio county working under the direction of county extension agents L. A. Weiss and Bess Vogt, are doing something about farm and home safety in their county.

Last year, one hundred of them enrolled in farm safety work and they set about to make every one in Refugio county safety conscious. Motion pictures were used to start the program and from there the boys and girls took over.

They made a safety survey that included just about every family in the county and from this report they located the hazards not only on the farms but in the homes. They marked 9,000 hazards with cardboard signs bearing the skull and cross-bone. Dwight Huffman, of the Ti-Well 4-H Club, says you could see these markers about every place in the county. "We didn't even pass up the courthouse," he adds. "The hazard had to be removed before the marker could be taken down and you'd be surprised how fast they disappeared," he said.

Copies of two very fine bulletins, "Safety Guide for the Farm and Home Front" and "Invitation to Live" were distributed. Nancy Rabke, also from the Ti-Well 4-H Club, reports that service clubs in the county, the

commissioner's court, the local 4-H leaders and the school teachers all helped conduct the program. "In fact", she says, "every one cooperated with us to make the program successful."

Travis Nelman, from the Bonnie View 4-H Club, says "I probably wouldn't be wearing an artificial limb today, if I had known about this work earlier. I stole a ride on my dad's combine in the summer of 1946 and some way got my leg in the combine cylinder. My advice to all boys and girls is; obey your parents and be very careful around farm machinery."

Right now the 4-H'ers are working with the oil companies on a program to get all the barrels used for gasoline storage painted red. They are trying to get a "drivers education" class in every school and they think it will be done. All of the hazards are being re-checked and of course they are entered in the statewide Farm and Home Safety Contest. The newest addition to the program—and it's being set up now by the county extension agents Weiss and Vogt—is a permanent Refugio County Safety Council.

The 4-H boys and girls of Refugio county are very modest when telling about this safety program, but they are very

proud of the plaque they won last year for putting on the best farm and home safety program in the entire state of Texas. They are out to repeat on this honor and they're hoping that one of their members will be selected as the best 4-H safety demonstrator in the state.

## BIRTHS

Little Miss Glenna Loraine Armstrong made her arrival at noon Friday, July 22, at the Seaton Hospital, Austin. She weighed 6 lbs., 11 oz. She is the little daughter of Mr. and Mrs. Glenn L. Armstrong. Her paternal grandmother is Mrs. Annie Armstrong and maternal grandparents are Mr. and Mrs. Lewis Covington, all of Goldthwaite.

### UNDERGOES SURGERY

Freddie Lynn Schmidt, little four-year-old son of Mrs. John Roy Wallace of Mullin, underwent surgery at the Medical Arts Hospital in Brownwood Thursday morning. At last report he was doing as well as could be expected. Friends and relatives here wish for the little lad a speedy recovery.

—Eagle Want Adds Get Results—

Mr. and Mrs. C. D. Turbeville and Paula Ray returned Friday of last week from a two weeks' visit in Santa Ana, California, with their daughter, Mr. and Mrs. Paul Hughston. While there they attended the Golden Cup Horse Races at Santa Anita, Calif.

Mr. and Mrs. H. B. Lockhart, son, Bruce, and daughter, Mrs. Patty Paxton, and her little daughter, Pamela, of Corpus Christi are here visiting relatives.

Mrs. Annie Armstrong Morgan of Fort Worth spent a week end in Austin, getting acquainted with their little granddaughter, Glenna Loraine Armstrong.

O. C. Bates and Willie Morgan of Fort Worth and Mrs. James W. Bookers, son, Jim, of San Antonio were week end visitors in the home of Mr. and Mrs. Luther Bookers. They all returned home Sunday except Jim, who is going to spend the remainder of the summer with his grandparents.

# Do You Get Your Money's Worth in Today's Home Appliances?

If You Need a New Appliance For Your Kitchen or Home Laundry, Be Sure To Read the Truth About Present-Day Quality and Prices!

WITH SO MANY conflicting value for your money in a good stories making the rounds about all lines of merchandise and their prices, you may be wondering about the true value of today's appliances.

THE FACT IS, you get more real electric appliance today than in almost any other purchase you can make.

AS AN EXAMPLE, we have a new 1949 Hotpoint 6-cubic foot refrigerator that you can buy for \$189.75—only \$10 more than the same size and kind cost in 1939—yet it's a great deal better. With today's dollar worth just 60 cents in terms of the 1939 dollar, we can honestly say that the actual cost of this new, post-war refrigerator is really a LOT LESS.

BY COMPARISON, look at the price increase in automobiles, houses, or almost anything else you buy—up from 50 to more than 100 per cent.

IF YOU ARE THINKING of buying a new appliance, we see no reason for you to wait. We honestly believe that at today's low prices you will get the greatest dollar-for-dollar values in appliance history.

QUALITY is at an all-time high. From new post-war factories Hotpoint brings you new, modern appliances that are as fine as technical facilities and human skill can produce, and we sincerely believe that you'll never buy a poor appliance with the Hotpoint name on it.

AT YOUR NEXT opportunity, look over the new Hotpoint ranges, refrigerators, automatic washers, dishwashers and other appliances. We think you'll agree that you can "Look to Hotpoint for the Finest-First"—and be sure of the most for your money—right now!

## NATIONAL FARM SAFETY WEEK, 1949

By the President of the United States of America

### A Proclamation

WHEREAS unsafe practices continue to cause needless injuries and death to farm people; and

WHEREAS widespread adoption of safer ways of working and living would save thousands of people from tragic injury or accidental death:

NOW, THEREFORE, I, HARRY S. TRUMAN, President of the United States of America, do hereby call upon the Nation to observe the week commencing July 24, 1949, as National Farm Safety Week, and I request all organizations and persons interested in farm life and welfare to join in a continuing drive against practices which endanger farm people in their homes, in the fields, and on the highways. I also urge each member of every farm family to study the hazards associated with rural life with a view to performing all tasks in the safest manner possible every day throughout the year.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this twenty-eighth day of March in the year of our Lord nineteen hundred and forty-nine, and of the Independence of the United States of America the one hundred and seventy-third.

By the President:

*Harry S. Truman*  
Secretary of State

Hog prices broke sharply about the middle of last week after several days' steady climb. Net changes from a week ago varied by class and market, but most were lower for the week. Top butchers closed Monday \$21.25 at Fort Worth.

Lambs and yearlings showed further declines this week at most markets, while ewes were uneven. Medium and good spring lambs brought \$20 at San Antonio, and \$19 to \$21 at Fort Worth. Good and choice spring lambs cashed at \$22 at Oklahoma City. Denver paid \$25 for choice 83 to 97 pound San Luis Valley spring lambs.

Little trading took place in wool or mohair this week. Barley prices advanced 10 to 11 cents a bushel during the past week, and wheat and oats around 4 cents. White corn declined almost 5 cents, but oats and sorghums showed little change. No. 1 ordinary wheat closed Monday at \$2.20. 1/2 at Texas common points. No. 2 yellow milo brought \$2.15 to \$2.25 a hundred pounds.

Very good demand for spring chickens pushed prices up a cent or two higher than a week ago. Arkansas fryers delivered to Dallas at 39 cents a pound Monday, and Fort Worth paid mostly 27 to 28. Hens held barely steady to weak. Canned eggs moved in good demand. North Texas markets paid 15 for mixed and 56 for whites. Lessee on cotton for the week ranged from \$1 to mostly \$3.50 a bale. Middling closed Monday at 30.55 a pound at Dallas and

## REVIVAL SERVICES

(The Mullin Enterprise.) The Revival Meeting at the Baptist Church started last Friday; the local pastor did the preaching until Sunday night. At the Sunday morning services two converts were announced.

Rev. Eric A. Folsom of Tucson, Arizona has been doing the preaching since the Sunday evening service. There has been a good attendance and splendid interest is being shown at all the services.

Your presence and cooperation is desired. Come and lend your efforts and influence to the success of the meeting.

## CHAPPEL HILL—

By PEARL CRAWFORD

Miss Mildred Stevens visited her aunt, Mrs. W. G. Berrington and family in Waco. Miss Lola May Berrington accompanied her home for a visit.

Lewis Conner gave his home folks a surprise Saturday. He is visiting his parents, Mr. and Mrs. W. L. Conner.

Mr. and Mrs. Tom Stevens, Edwin and Mildred, were Sunday guests of Mrs. R. A. Stevens and Miss Lola.

Mr. and Mrs. L. C. Smith, Mrs. Omer Hill, Elvis and Glynn of Wingate, Mr. and Mrs. Tom Stevens and Edwin, Bob, Merle, Ruth and Ruby Reynolds, Mr. and Mrs. A. L. Crawford and William G., Vergil Bramblett, G. H. Crawford visited Mr. and Mrs. O. A. Evans and Mr. and Mrs. Jim Evans.

Mr. and Mrs. Alford Brown and daughter attended preaching at Duren Sunday.

Mr. and Mrs. W. L. Conner and daughters attended the meeting at Priddy.

Mr. and Mrs. A. L. Crawford and William G. were Sunday guests of B. J. Pearl and George Crawford.

## MRS. J. B. HARPER

Mrs. J. B. Harper was born, March 31, 1912 in Pancoake, Texas, Coryell County and passed away in Gaston Hospital in Dallas, July 26, 1949, after several months of illness.

She was the daughter of Mrs. J. A. Holland, Mullin, and the late J. A. Holland.

Reese as we all knew her, was converted and united with the Baptist Church of Mullin, Texas, in 1941, and remained faithful to her Lord and Church the remainder of her life.

The funeral services were held at the First Baptist Church in Mullin, July 27, at 3:00 p. m., conducted by Rev. Claud Tipps of Grand Prairie, Texas, assisted by Rev. H. C. Garber, her church pastor.

Rev. Garber read the scripture, and Rev. Tipps, a long-time friend and pastor of the family, paid a very fitting tribute to Reese's life, after which he led in prayer.

Rev. Talsom of Tucson, Arizona sang a solo, "Peace in Jesus" accompanied by Mrs. Mabel Kemp at the piano. Mrs. Jewel Ivy led the choir while they sang "Farther Along," and "Precious Memories".

Burial services were in Oak View Cemetery under the direction of The Ivy Funeral Home, Dallas, Texas.

The Pallbearers were Joe David Gibbs, Houston, Texas; Jimmy Holland, San Angelo, Texas; M. S. Savoy, Fort Worth, Texas; James Holland, Dallas; Fred Soules, Decatur; Marshall Ethridge, Mullin.

Survivors are her husband, mother and two brothers, Johnnie Holland of Zephyr, and Joe Holland, San Angelo, Texas; a large number of nephews and nieces and other relatives.

Mr. and Mrs. Auery Armstrong of Carrizo Springs visited their son, Earl Armstrong and family. Ronnie (Butch) Armstrong went home with them for a several weeks visit.

## H. D. Club

The club met with Mrs. Tom McArthur with eight present and two visitors, Mrs. Glenn Lewis and Miss Joyce Hart.

We had our business meeting. Miss Hintz gave some more hints on glove making. We started an awfully pretty tray. Some of the ladies will finish it this week.

The next meeting will be in Mrs. Oscar Burns' home September the thirteenth at two-thirty. September the third the club is having a Bazaar so watch your paper and see where it will be.

There wont be any meeting during the month of August. Mrs. McArthur served delicious cake and punch with the help of Mrs. Glenn Lewis and Miss

Joyce Hart.

Remember September the thirteenth we meet with Mrs. Oscar Burns west of town on the Hanna Valley road. —Reporter.

 a newcomer in the field of spon-  
 sored 4-H activities is well lan-  
 chored in Texas, according to the  
 State Extension office, A. & M.  
 College of Texas.

Introduced only last year, the  
 program has already chalked up  
 an unusually good record which  
 includes training 7,150 junior  
 and 4,390 adult 4-H leaders in  
 recreation. In addition 1,053  
 clubs in 44 states were awarded  
 blue ribbons for outstanding  
 performance; 350 counties won  
 \$25 each in cash toward buying  
 recreational equipment; 21 states  
 received \$50 each for crafts  
 premiums, while five boys and  
 three girls were given educa-  
 tional trips to the 4-H Club Con-  
 gress in Chicago.

A total of \$25,280 will again be  
 awarded in the same manner by

 "I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson, San Benito, who was in bad shape, is also very much better and her blood pressure down considerable. This garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure or heart trouble."

BY DORA GOODE

Those who visited Granny and Mr. and Mrs. J. W. Hamilton during the past week end were Mr. and Mrs. Elbert Hamilton and daughter, Bette Kaye, of Ft. Worth; also, Mr. and Mrs. Harold Hamilton, Mr. and Mrs. Jim Hamilton and daughter, Shirley, all of Beeville; also, Mr. Wendell Hamilton of St. Louis, and Granny's sister, Mrs. R. H. Yongue and daughters, Ruth and Aurora, of Gatesville. Billie Gail Soules was home a few days ago between semesters. She is in McMurry again this summer.

Grannie Hamilton is visiting Mr. and Mrs. J. Y. Hamilton of Evant and attending the Baptist revival.

Mrs. J. W. Mason and children of Ft. Worth visited the John Witty family last week. Hubert Teague of New Braunfels, spent last Monday night with his brother and wife, Mr. and Mrs. L. J. Teague.

Mrs. Lonnie Baker and little granddaughter, LaJune, spent

the week end with her daughter, Mrs. Johnny Fuller, of Brownwood.

Donald Goode and wife and little son, Eric, of San Antonio, were Sunday guests with Mr. and Mrs. B. P. Goode.

Mr. and Mrs. Ray Gardner of Cherokee, stopped over the week end with the Goode families, enroute to Burkburnett to visit his parents; also, to Leavenworth, Kansas, to see her father, then on to Marshalltown, Iowa to see other relatives.

Mrs. Harve Miles died Sunday after an operation and severe illness.

Billie Harper is reported doing nicely.

Mesdames Emma Jeske, Lizzie Garrett, Alpha Teague and Winnie Rickle attended The Church of Christ revival at McGirk several times last week.

**WHEAT VARIETIES  
EXPAND IN AREA**

College Station—The acreage of hard red winter wheats has expanded in recent years into the North Central area of the state as better varieties have become available, says J. E. Adams, head of the Texas A. & M. College department of agronomy. Either hard or soft red winter varieties may be grown in the area north of Dallas-Ft. Worth but only rust resistant varieties or very early maturing ones should be grown in the Rolling Plains area.

Results of recent tests by the Texas Agricultural Experiment Sub-stations in the northern part of the Rolling Plains show that, of the early maturing varieties of hard wheats, Wichita is recommended because of its better baking qualities. Triumph is about two days earlier than Early Blackhull in the North Central area, plants are shorter in height and it stands better than Wichita or Early Blackhull. The grain of Triumph is of good test weight and of approved quality for general purpose flours. The early maturing varieties are all highly susceptible to rust but usually escape serious injury because of their earliness.

In the group of later maturing hard wheats, Comanche and Westar are similar in appearance, although Comanche is often shorter and slightly earlier. Comanche is resistant to bunt and both varieties are moderately resistant to leaf rust. Both are susceptible to stem rust and loose smut, and both produce flour of high quality for commercial baking.

The soft red winter wheat varieties Red May, Denton, Fulz, Mediterranean and Austin have not yielded as well as the better varieties of hard wheat at the Denton and Greenville stations. The research workers suggest that recommended hard wheat varieties be substituted for them.

These wheat variety tests were conducted under the supervision of Superintendents J. Roy Quinby, of the Chillicothe station; L. E. Brooks, of the Iowa Park station; D. I. Hooten,

of the Greenville station; B. C. Mrs. E. W. Baker and daughter, Miss Rebecca, of Kansas City, Mo., were visitors in the home of their niece and cousin, Mrs. D. V. Henderson last Friday.

Mr. and Mrs. J. B. Baker and children of Ranger were guests in the home of their cousin, Mr. and Mrs. D. V. Henderson last Friday.

Mr. and Mrs. Loy Long and son, Bennie Bob, and Betty Shoe make of Lometa, returned recently from a vacation trip to Corpus Christi.

On Saturday and Sunday, Mrs. Ruby Sullivan of San Angelo visited her mother, Mrs. F. D. Webb.

Mrs. Ed Marshall of Yoakum recently visited in the home of a meeting of the Baptist Deacons Sunday, offer for a pipe organ for their new Baptist church from Walter Fairman in memory of his wife was gratefully accepted.

Langley, of the Stephenville station; R. E. Dickson, of the Spur station; J. R. Johnston, of the Temple station and D. I. Dudley and agronomist and small-grain research leader I. M. Atkins, of the Denton station.

The county extension agents or the nearest Experiment Station can supply the per acre yield figures for the varieties tested. It is given in a May 1949 Texas Agricultural Experiment Station progress report. They also have information on the prevention and control of leaf rust, stem rust, stinking smut and loose smut.

**TEXAS AND INDIANA  
BATTLE FOR HONORS**

COLLEGE STATION — More of this state's junior farmers will have to enroll in the National Junior Vegetable Growers Association if Texas is to maintain the record it has established during the past few months, according to J. F. Rosborough, extension horticulturist at College Station.

The Lone Star Junior growers, after leading the nation for several months in membership standings of the NJVGA, dropped into the runner-up position a few days ago when Indiana took the lead. Mr. Rosborough explained that the unexpected increase in Hoosier membership more than doubled the number of Indiana growers who competed for A & P Food Stores' \$6,000 in awards and scholarships last year. The awards are offered to outstanding perform-

ers in the association's Production-Marketing contest which is designed to educate the nation's young farmers in modern and efficient methods for producing and marketing vegetables.

Rosborough, who heads the NJVGA program in Texas, pointed out that the state can regain leadership if unenrolled junior growers will obtain membership cards at once. Boys and girls between 14 and 21 years of age are eligible for membership and may obtain necessary application forms by writing to J. F. Rosborough, extension horticulturist, College Station, or by contacting their county 4-H Club agent.

Texas had five winners in the national Production-Marketing competition last year. They were Doris Marie Prater, Lubbock; Myrlos Waters, Rio Hondo; Margie Fogle and Josie Slaghter, both of Marshall; and Betty Jane Fitzgerald, Chireno.

**Careful Planning**

**Is ESSENTIAL For Satisfactory Telephone Service!**

It's easy to lift the receiver and talk to friends, neighbors, folks you do business with and people in distant places, but it costs a lot of money to provide satisfactory telephone service. Careful planning is the only way that current demands and future requirements can be handled. Rising costs of equipment, materials and labor make the job of providing satisfactory service increasingly difficult with present low telephone rates.

But careful planning and cooperation of telephone subscribers will enable The Southwestern States Telephone Company to complete the big construction and installation job now under way to provide more telephones for more people.
