Donkey Softball Game - G'waite X-es Vs. American Legion Mon. P.M.

Get ready for another big night of laughs!

It's an all-local show—except the pack-ahes.

The American Legion softball team has challenged the all-star Goldthwaite X-es for a matched game of softball at Municipal Park here next Monday night, starting promptly at eight o'clock.

Team captains have been selected, and both teams will go all out (on donkeys) to win this b-all game (the "all" meaning the spills they get from riding the tough Mexican burros). Each man has to fur-

nish his own liniment for afterward.

All profits from the game go to the American Legion Building Fund. Legion Hall is now undergoing a face-lifting on the inside, the ceiling being raised and the interior sheet-rocked, ceiling and sides. Other improvements are to be made later.

There'll be plenty of laughs—and plenty of chills, thrills and spills when these teams ride those tough Mexican Burros in the softball game Monday night. Both teams will be composed of "all-stars."

Goldthwaite Pastor To Start Third Year With Baptist Church Sunday

Next Sunday, Sept. 18, the Rev. Joseph L. Emery begins his third year as pastor of the First Baptist Church in Goldthwaite.

He has seen a nearly-new church building and fixtures completely destroyed by fire, and a new structure, larger and better, rise on the same spot. The new building is rapidly nearing completion, and it is hoped to be ready to hold services therein the latter part of October. The new building will cost about \$80,000, with new fixtures about \$20,000 more. To be installed is a new 700-pipe, two manual pipe organ now under construction—a gift to the church by Walter Fairman of Goldthwaite in memory of his late wife, Stella Prater Fairman.

During Rev. Emery's pastorate here, there have been 75 conversions, and 94 other additions to the First Baptist Church. Total membership now is 739, with 497 resident membership. The church has spent in the last two years for all causes approximately \$105,000.

Rev. Emery is Moderator for the Mills County Baptist Association, and clerk of the Executive Board of District 16. He is a tireless church worker, and has made many friends among all denominations in this section during his two-year residence. Mrs. Emery is pianist and organist, and takes an active part in work of the church, being Counselor for the Girls Auxiliary.

Officers of the church are: Pastor—Joseph L. Emery. Assistant to Pastor—Walter Langston. Pastor's Secretary—Miss Greta Sue Hines. Sunday School Superintendent—O. B. Hale. Training Union Director—Charles Haensch. Treasurer—W. P. Duren. Chairman of Board of Deacons—J. N. Faith. President W. M. U.—Mrs. Charles Haensch. President of Brotherhood—John L. Gwin. Deacons are: W. P. Duren,

REV. JOSEPH L. EMERY

Hamilton Bulldogs Run Over Eagles In Matched Game Last Friday Night

The double team (offensive and defensive) of Coach Pete Roach of the Hamilton Bulldogs proved too much for the light and inexperienced Goldthwaite Eagles as they met here in a practice game at Eagle Field last Friday night. Final score was 30 to 0, favor of the Bulldogs.

Tonight (Friday) Coach Wilson Lucas will take the Eagles to Coleman for a matched game. A large crowd of Eagle fans will also accompany the team.

Coach Wilson Lucas said yesterday the Eagles football team would leave by bus for Coleman about 4:30 this afternoon. The High School Band and the Eagles Pep Squad will also go by bus. A large crowd of Mills County fans will also be at Hefford Field, Coleman, at game time

—8 tonight. Coleman Blue-cats beat Eastland last Friday night there, 19 to 0.

Neither of these games count in District 22-A standing. The Eagles have an open date on September 23. First Conference game for the Eagles will be on Sept. 30, when they play Burnet there. Next home game will be with Mason here on Oct. 7.

In the Hamilton-Goldthwaite game last Friday night, the Bulldogs had 15 returning lettermen from last year, while the Eagles have only three. "Rusty" McCollum, 190-pound Hamilton fullback, scored four touchdowns for the Bulldogs in the first half of play, while James McKie, Hamilton 155-pound right half, scored two touchdowns for his team in the last quarter. Hamilton's goal kicker had an off night.

Eagle Captain "Red" Miller starred for the locals.

G'waite Jaycees Hear Col. Walker At Regular Meeting Wed. Night

Guest speaker before the Goldthwaite Junior Chamber of Commerce at regular meeting Wednesday night at The Hanger was Col. I. G. Walker of Waco, instructor for the Army Organized Reserve Corps, Waco District.

President Jesse Saegert asked Secretary Glenn Collier to read minutes of last meeting, which were approved. Brian Smith was a visitor.

President Saegert introduced Col. Walker with a few well-chosen words. He had been invited to speak before the Jaycees. Col. Walker returned in May of this year from Japan, after being on Gen. MacArthur's staff there for 18 months. He has also served four years as instructor at A. & M. College, and has an Army service record totaling 34 years.

The speaker spoke first on the Organized Reserve, one of State Jaycees' main projects, which is now open to both officers and enlisted men. Lieut. L. A. Sparkman is in charge of organizing a postal unit of the Reserve in Goldthwaite, with one officer and six men signed up.

Col. Walker said the purpose of the Organized Reserve was to hold our trained men in reserve and in readiness should

the United States be suddenly attacked. He said the next war would start without warning. If it comes, with a terrific blow at us at the place where it would hurt most. The problem of Organized Reserve has become so serious that it is now a civic affair. He said the Reserve needed men badly, and that freedom is not free—we have to work for it.

The government pays the men for training in uniform two nights a month, besides retirement pay. Col. Walker cited the time element, saying we can't make a fighting man in a day.

Col. Walker told of some of his experiences on MacArthur's staff in Japan, saying no one knows the Oriental mind. He believes Japan can shortly take over and run their own government. The Japanese people will not turn to Communism, he believes, and they are recovering from the last war much faster than is Europe, due to Gen. MacArthur's rule there. The speaker gave his listeners an insight into Japanese family life, where the women do all the drudgery work, and cited an instance of a sign in an undertaking parlor which read: "Have your friends and

E. E. Madding, Fort Worth, Appointed Manager Here For Lone Star Gas

Appointment of Lone Star Gas Company's managerial personnel to direct operations of natural gas distribution systems recently established at San Saba, Goldthwaite, Lometa and Llano has been announced by M. L. Bird of Abilene, division superintendent for the gas company. The four towns will comprise a Lone Star district and district headquarters will be in San Saba with subdistrict headquarters in Goldthwaite, Mr. Bird said.

Lone Star Gas Company is constructing a 149-mile major

pipe line from Hamilton County to Kerrville which will deliver natural gas to distribution systems constructed by the company at Fredericksburg, Kerrville, Lampasas, Burnet, Marble Falls and Bertram and the four points comprising the San Saba district.

James B. Knowles of Fort Worth, 22-year employee of Lone Star Gas Company, has been appointed manager of the San Saba district. E. E. Madding, also of Fort Worth, is manager of the San Saba district's subdistrict which includes

J. B. KNOWLES District Manager

MONTHLY BOY SCOUT FIELD EXECUTIVE POW-WOW AT MULLIN

The first of regular monthly Pow-Wow of the Boy Scouts of the South District will take place at the School House of Mullin at 7:30 p. m. on Monday, September 19th. These Pow-Wows are held in order to give the Scoutmasters and Committeemen and other workers in the Boy Scouts of America an opportunity of getting together to discuss their problems and plan future programs, and also for fun and fellowship.

Dr. T. C. Graves of Goldthwaite will serve as Chairman of the Pow-Wow. He announced that a full program has been planned for the evening. This program will include a showing of the new "Camp Billy Gibbons" summer camp movie. This is about a thirty minute, full color film of the Boy Scouts at their summer camp. Dr. Graves has indicated that the film is one of the best the Scouts have had.

Also on the program of the Pow-Wow will be Charles Conrad of Goldthwaite, Bob Ware of Lampasas, John Hall and Roger Van Cleve of San Saba and Lee Tesson of Richland Springs.

Mr. Williams, superintendent of schools at Mullin, tells us that he is preparing a good supper for those attending. Troop 46 of Mullin, which is sponsored by Mullin School will

BRANTLY HUDSON JR. New Boy Scout Field Executive

Brantly Hudson Jr. is the new Boy Scout Field Executive for the South and Central Districts of Comanche Trail Council. Mr. and Mrs. Hudson are residing in Goldthwaite.

He will be hosts for the Pow-Wow. Scoutmaster Jack Cooksey of Mullin will have an opening ceremony for the meet and supper will be served directly afterwards. After supper the program for the evening will begin and the meet will be ended by a showing of the 1949 Camp Billy Gibbons Movie.

All Scouters of Mills, Lampasas and San Saba counties are invited to attend.

'Eagles Club' Organized Tuesday Night; Barbecue At Lunchroom Next Thursday Night, September 22

On last Tuesday evening at 8:00 p. m. a group of men met in the district court room to discuss football and other sports and activities connected with the public school system.

It was pointed out that there was dire need for public support of various school activities. Coach Lucas gave an interesting talk on the activities of clubs in other localities. Superintendent Patton stressed the point of cooperation between patrons and teachers to insure a well rounded school program, the object of which is to build character and develop personalities of school students.

It was decided to form an organization to be known as The Eagles Club and encourage the membership in this club of all citizens who have the welfare of these activities at heart and are willing to give time necessary to help carry out these ideals.

The club was then organized and the following officers were

electd:
President—Freddie Marshall.
1st Vice Pres.—L. R. Rudd
2nd Vice Pres.—Walter Langston.

Secretary—Howard Hoover.
Treasurer—Alfred Carter.
It is planned to hold meetings of this organization at the school, and put on programs of entertainment and instruction in the fundamentals of football and other activities, so that fans may be well informed on the rules of the game and to encourage good sportsmanship both on and off the field.

On Thursday night, September 22nd at 7:30 open house will be held, barbecue will be served at the school lunch room and a program of athletics put on for entertainment and instruction. Tickets are on sale for the meal. It is hoped that the organization can be perfected at this meeting. Bring your suggestions and criticisms, have a good time and learn more about school program.

HIGHWAY COSTS JUMP

Maintenance of the State Highway system for fiscal year beginning Sept. 1st, will cost \$17,895,295.00, the Highway Commission's budget estimates.

This represents an increase of \$2,716,083 over costs for the current year.

A 2.241 mile expansion of the highway system since last September accounts for most of this increase, D. C. Greer, State Highway Engineer said. However, he noted that the average annual upkeep cost per mile will advance \$48 to a new high of \$527.

The total State maintained system, including Farm to market and Primary State Highways now totals 32,038 miles, Mr. Greer reported.

As the State builds or takes over a mile of road, the maintenance becomes a permanent obligation of the State Highway Department.

Mr. Greer estimated that the Department would have a total of 16,700 miles of Farm-to-Market roads under the wheels of traffic by 1952.

ACCIDENTAL DEATHS

Are accidents now the leading cause of death in America?

In a sense—yes. That is the statement made in the 1949 edition of "Accident Facts," statistical yearbook of the National Safety Council.

Accidents take a greater toll of productive years than any one natural cause of death, according to a study by the American Medical Association.

More actual deaths still are caused by heart disease, cancer and cerebral hemorrhage. But the report points out that such deaths usually befall older persons after their working lifetimes are ended.

In the usual working age span of 20 to 65, accidents claimed 1,750,000 work years; heart disease, 1,680,000; pneumonia, 1,110,000 and cancer, 1,040,000.

It is estimated that enough gasoline is wasted each year in Texas because of improper adjustments on farm tractors to fill 2,160 tank cars—each holding 10,000 gallons.

Wheat producers should plant only those varieties of wheat that have good baking qualities as well as good yielding qualities.

Soft protein foods are subject to quick spoilage at warm temperatures. In many cases, this spoilage is responsible for illness when there is no sign of it in smell, taste or appearance.

GROWTH OF POLIO CARE TEAM

1938

1949

Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before—because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, a physician and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire TEAM of professional workers. This expanded care has cost National Foundation Chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO care of your local Post Office.

WHEN THE OLD BIRD WAS YOUNGER

TEN YEARS AGO

(Taken from Eagle Files, September 15, 1934.)

The football season will officially get under way in Goldthwaite, Friday night, September 15th, when the Goldthwaite Eagles meet the Killen High School team on the local field. The starting line-up will probably be: Ends, L. E. Alton Rose; R. E. Buck Ellis; tackles, L. T. Jerome Kirby; R. T. Coke Long; Guards, L. G. Sam Graves; P. G. Gordon Henry; Center, Fred McKenzie; Q. B. A. H. Smith; L. H. Charlie McLean; R. H. Bob Castles; F. B. Darwin Denson.

Thursday, Sept. 7th, marked the 60th wedding anniversary of Mr. and Mrs. M. F. Wallace, of Mullin, a well known couple of Mills County.

Mr. and Mrs. Clyde Weatherby and Mr. and Mrs. Geo. Golightly, of Hamilton, spent the week end at the Waller Weatherby cottage at Lake Merritt.

Mr. and Mrs. Jack Reid and Edward Dean Dickerson accompanied Helen Reid to Austin Sunday where she entered Seton Infirmary for training in the school of nursing.

Mr. and Mrs. George B. Snady and Miss Bessie Kate Lewis have bought from Ben Hurdle his farm near the Pleasant Grove Community. The trade was made some weeks ago where Mr. and Mrs. Snady are now located.

Mr. and Mrs. John Keese went to Austin Sunday to take their grandsons, Homer and Robert Hill De Wolfe, home after spending a few weeks here.

Mrs. J. T. Morris took Dorothy Eunice and Katherine Bledsoe to Stephenville Sunday where they will enter John Tarleton College for the coming year.

Horace Tillman Kirby, weight ten pounds, arrived at the home of Mr. and Mrs. Horace Kirby here on Monday, September 4th, at 5:20 a. m.

A double golden wedding was celebrated Sunday afternoon from 4 to 8 by Mr. and Mrs. F. F. Kirby and Mr. and Mrs. T. J. Kirby. Among those who attended from Goldthwaite were Mr. and Mrs. Jake Kirby; Mrs. Oscar Burns and daughter, Evelyn and Miss Maudie Kirby.

J. N. Bayley and Knox Duncan of Alvarado returned last Thursday from a few days trip to Monterey, Mexico.

Mrs. Joy E. Fessler had the misfortune of falling from the back porch of her home Monday afternoon. She fractured a bone in her left leg, but is doing nicely.

Members of the Goldthwaite Garden Club who attended the district meeting of garden clubs at Brady Wednesday were Messdames John G. Berry, Joe A. Palmer, L. E. Miller, and J. M. Campbell.

22 YEARS AGO

(Taken From Eagle Files, Sept. 16, 1927.)

Goldthwaite High School opened this year with an unprecedented enrollment of over 200 students.

The teachers are: D. A. Newton, Superintendent; E. D. Stringer, Science; Miss Kathleen Wright, Latin; Miss Abba Doyle Elkins, Lower English; Miss Agnes Newton, Higher English; Miss Virginia Kerfoot, Math; Miss Love Gatlin, History.

Workmen last Saturday completed installing Hudson Bros. new \$3,500 liquid 100 percent mechanical soda fountain. This fountain is the last word in soft drink dispensaries.

Miss Essie Brim of Hurst Springs, came in the latter part of the week to spend the winter months here with the J. D. Brim family and attend Goldthwaite Public School.

Julian Evans has accepted a position at Hudson Bros. new fountain taking the place of M. D. Queen, who is attending school.

Born to Mr. and Mrs. Clem Hodges of the Moline community, a baby boy last Monday morning.

Mr. and Mrs. Joe Townson of Lampasas spent Thursday night of last week here visiting in the Dow Hudson home.

Dr. and Mrs. J. E. Brookings spent last Tuesday afternoon and evening in Brownwood at a medical Association. Dr. Brookings stated that he listened to some very interesting discussions on Infantile Paralysis, Pallegra and other subjects.

Joe Taff of Beeville, Texas, has been spending his vacation here renewing old acquaintance.

G. D. McMullen of Indian Creek Community had business in town the first of the week.

Mr. and Mrs. W. R. Melton and son of Arlington and Mrs. J. A. Pruett of Grand Prairie spent the week end visiting their sister, Mrs. B. F. Geeslin and family.

Mrs. Tom Meadows left last Thursday for her home in Mexia, after a visit with her parents, Mr. and Mrs. C. L. Stephens.

Miss Mina Steen left Monday morning for Brownwood, where she will attend Daniel Baker College.

Mr. and Mrs. Kelly Soward of Robstown visited Mr. and Mrs. Albert Hunt last week. They were accompanied home by Albert Jr., who will visit there for a few days.

Mr. and Mrs. M. Kelly Soward of Robstown visited Mr. and Mrs. Albert Hunt last week. They were accompanied home by Albert Jr., who will visit there for a few days.

SCRIPTURE: Psalms 15: 24:1-6; 143:8-10; DEVOTIONAL READING: Psalms 25:4-10.

Religion and Habits

Lesson for September 18, 1949

IF RELIGION is not moral, it is a poor, flimsy, no-good religion. If morality is not religious, it soon cracks. Religion has to be moral and morality has to be religious, or else both of them lose their excuse for existence. This is not a new idea. It was in the Bible long ago. Our Psalms for this week are among those that bring out this truth: God is interested in how people live.

He is interested in what they do seven days and seven nights a week; he is interested in their habits as much as their souls. Psalms 15 and 24 are so plain on this point that they need no explaining.

Churches and Liquor Don't Mix
TRUTH, that right religion and right behavior are twins, lights up all of life like a floodlight; but since this is our temperance lesson, let us focus it more or less on one spot.

It is a sore spot: the drink habit. Why does the church make such a fuss about people drinking? Catholic churches are opposed to liquor in excess, and most Protestant churches are opposed to liquor, period.

The movies have made the "binge," the hangover, almost respectable; but the church knows better. Why? Will the time ever come when the churches are not opposed to the liquor business? No, it will not; because the churches know what liquor does.

The minister is usually the man (along with the lawyer and doctor and the sheriff) who has to pick up the pieces when drink gets a man or a woman and breaks up a family. The minister gets behind the scenes, he knows that some funerals would not have been funerals if it had not been for drink.

The car that "went out of control," the disease that should not have been fatal, the family quarrel that grew to hatred and violence—he sees enough of these caused by alcohol, to have no illusions about the stuff.

A Psalm in Reverse
IF THERE is a single reader of these lines who imagines that religion is only a "matter of the soul" and has nothing to do with what people eat or drink, then let him try a little experiment with the 15th Psalm.

As it stands in the Bible, it is a description of the kind of man who can appear without shame before God—in short, of the religious-and-moral man.

Now beginning with verse 2, take the Psalm phrase by phrase, and see how false and ridiculous it is if you try to make the description fit the man with the drink habit.

"The victim of drink walketh uprightly, and worketh righteousness—!" Quite the contrary, he seems to be doing his best to ruin his own happiness and that of others.

"The drunkard speaketh the truth in his heart"—! There is one truth he never speaks in his heart: I am a drunkard. The one thing the victim of alcohol never admits till it is too late (if ever) is the hold which alcohol has on him. "He that backbiteth not with his tongue, nor taketh up a reproach against his neighbor"—!

Contempt Is No Cure
WELL, read on for yourself. The slave to alcohol (and many a man is chained to it, who would feel insulted if you called him an alcoholic) certainly does not fit the description of the man whose life God approves.

But the Christian will by no means think his duty done merely by sitting in the sear of his seat, or being an abstemious himself, or even by helping those who have fallen into the pit. He will remember that an ounce of prevention is worth a pound of cure.

The liquor business has no conscience. It sometimes comes out with pious remarks about temperance—but it keeps right on advertising, it knows no law but profit. The only whole-hearted workers for temperance will always be the people who make no money out of it.

And the most effective workers for temperance will be those who themselves, in all their habits, give examples in life of what they preach.

'LIFE OF RILEY' JOY FOR AND OLD

Free rein in his determined effort to screen with fidelity the human element and humor which characterize the air program. The picture plays Saturday night Prevue, Sunday and Monday at the Melba Theatre.

Laughs and pathos are intermingled in "The Life of Riley," which tells an honest story of the tribulations and spirited struggles of an American family living in the \$60-a-week income bracket.

"STREETS OF LAREDO"
Film fans are going to have an opportunity to see some of America's most breathtaking beautiful country, photographed for the first time, when Paramount's Technicolor Western drama, "Streets of Laredo" arrived last night at the Melba Theatre. Word from Hollywood is that no production undertaking in years has surpassed Paramount's all-out search for never-before-filmed locations that took the Technicolor camera crews a thousand miles from the movie capital.

According to those who have already seen the picture, which co-stars William Holden, William Bendix, Macdonald Carey and Mona Freeman, "Streets of Laredo" boasts such pictorial natural beauty as has not been seen on the screen in many a moon. More than seventy-five per cent of the spectacular action in the film was photographed outdoors, most of it in colorful, picturesque New Mexico.

Against this background of rare scenic beauty is told the exciting story of three friends, outlaws in young Texas, whose affection for each other was the only law they knew. Circumstances separate them,

forcing Holden and Bendix to become Texas Rangers against their will, Carey continuing to flout the law and expecting his erstwhile partners-in-crime to work with him. What changes Holden and Bendix into good Rangers faced with the necessity of capturing or killing their old friend, and how the girl loved by Holden and Carey resolves their life-and-death problem, is said to make "Streets of Laredo" one of the most thrilling outdoor adventures the screen has offered in a long time.

Mr. and Mrs. Guy Weems of Rotan are visiting here with Mrs. Weems' brother, H. T. Vaughan, and family and her parents, Mr. and Mrs. J. H. Vaughan.

New officers of the Junior G. A.'s have also been installed recently. They are: President, Betsy Smith; Vice President, Clara Faye Jernigan; Secretary, Lana Archer; Treasurer, Linda Archer. Their counselors are Mrs. Halley Jernigan and Mrs. W. B. Langston.

Parent-Teacher Association
Membership in your local P. T. Miss Elfa Schrank Becomes Bride Of A. H. Cantrell In Church Ceremony

Langstons Entertain With Party

The Pals Class of the First Baptist Church Sunday School enjoyed a party in the home of Mr. and Mrs. Walter Langston, Saturday night, September 10th, at 7:30 o'clock.

Delicious refreshments consisting of tuna sandwiches, salted nuts, candy, and cold drinks were served to the following:

Misses Lorena Lewis, Janie Ruth Simpson, Earlene Nix, Sue Ross, and Elizabeth Stockton, and Herman Anderson, Velon Reese, Bobby Lawson, Doug Collier, Winell Page, and the host and hostess, Mr. and Mrs. Langston. Mrs. Langston is the new teacher of this class.

Bykota Class To Have Annual Party

The Bykota Sunday School Class of the First Baptist Church are having their annual birthday party at Lake Merritt Friday night, September 16 at 7:30 o'clock. All members are urged to be present and bring a picnic lunch with plate, fork, spoon and glass. Bread, ice and drinks will be furnished.

Baptist G. A.s Install Officers

New officers of the Intermediate Girls' Auxiliary of the First Baptist Church have been recently installed. They are: President, Sybil Ann Reid; Vice President, Angeline Smith; Secretary, Mildred Hale; Treasurer, Barbara Vaughan; Librarian, Betty John Jackson; Program Chairman, Bobbie Blackburn; Membership Chairman, Patsy Hale; Social Chairman, Jane Long; Stewardship, Margaret Galloway, Community Missions, Dorothy Helen Featherston. Their counselor is Mrs. Joseph L. Emery.

Zion's Lutheran Church of Priddy was the scene Sunday afternoon, August 28th, of the wedding of Miss Elfa Schrank of Priddy, and A. H. Cantrell of Big Spring.

The bride is the daughter of Mr. and Mrs. Bruno Schrank of Priddy. The bridegroom is the son of Mr. and Mrs. E. H. Cantrell of Athens, Texas.

Rev. A. H. Muehlbrad, pastor of the Lutheran Church of Priddy, performed the double ceremony.

Ruby Nell Limmer, organist, played the wedding marches and nuptial music. She also accompanied Mrs. Norman Schrank who sang "Because." During the ceremony Miss Limmer played "Always."

The altar of the church was decorated with white Asters and graduated candelabra holding white tapers.

Sandra Jean Schrank was flower girl. She wore white organza over taffeta. She carried a nosegay of blue carnations and maline bows with satin streamers.

George Russell, of Big Spring, attended the groom as best man.

Matron of honor was Mrs. George Russell. She wore a blue taffeta gown with tightly fitted bodice and full circular skirt. She carried a nosegay of pink carnations and maline bows with lace net streamers.

The bride given in marriage by her brother, Norman, wore an ivory satin gown designed with fitted bodice with deeply carved neckline and a yoke of illusion, outlined in floral detail delicately traced in tiny seed pearls. The full skirt extended into a cathedral train and the long fitted sleeves terminated over the hands in petal points. Her finger tip veil of illusion was caught to a coronet embroidered with seed pearls. She carried a white Bible topped with white carnations and tube roses. Tube roses were tied in the long satin streamers falling from the Bible. Following the wedding, Mr.

and Mrs. Bruno Schrank held a reception in their home.

A three-tier wedding cake, surrounded by white asters and greenery, featured the bride's table where Mrs. Ed Schrank and Mrs. Raymond Schrank presided.

Punch was served from a crystal punch bowl. Ruby Nell Limmer registered guests in the bride's book.

Mr. and Mrs. Cantrell left immediately for a week's wedding trip to New Orleans. For traveling the bride wore a toast brown gabardine suit with beige and brown accessories. She wore a bronze chrysanthemum corsage.

They will make their home in Big Spring where Mr. Cantrell is employed by the T. & P. Railroad, and Mrs. Cantrell will teach at East ward.

Among the prenuptial courtesies for the bride was a shower given in Priddy with Mrs. Tom Frank Priddy, Mrs. Otto Sellheimer, and Mrs. Norman Schrank as co-hostesses.

White carnations and fern were used in the decorations.

In the receiving line were Mrs. Priddy, Mrs. Sellheimer, Mrs. Norman Schrank, Elfa Schrank, the honoree, and Mrs. Bruno Schrank, mother of the honoree.

An arrangement of white carnations and fern centered the lace covered tea table. Mrs. Norman Duren and Mrs. Ewell Priddy served punch and cookies. Registering guests in the bride's book was Miss Beth Miller.

Approximately 70 guests registered and quite a number more sent gifts.

Out of town guests were Mrs. Norman Duren, Mary Beth Miller, Goldthwaite; Mrs. E. W. Bossie, Mrs. Ernestine Wagner, Mrs. E. L. Lucas, Shive; Mrs. D. B. Aldridge, Comanche.

Mrs. C. F. Stubblefield was brought to her home Friday of last week from a Gorman hospital. She and her son, Sam, were painfully injured in a car wreck near Carbon last week.

Mrs. Ann Northington of Garland is visiting her sister, Mrs. J. C. Stark.

"What You Want—When You Want It."

Students'

Farewell Social

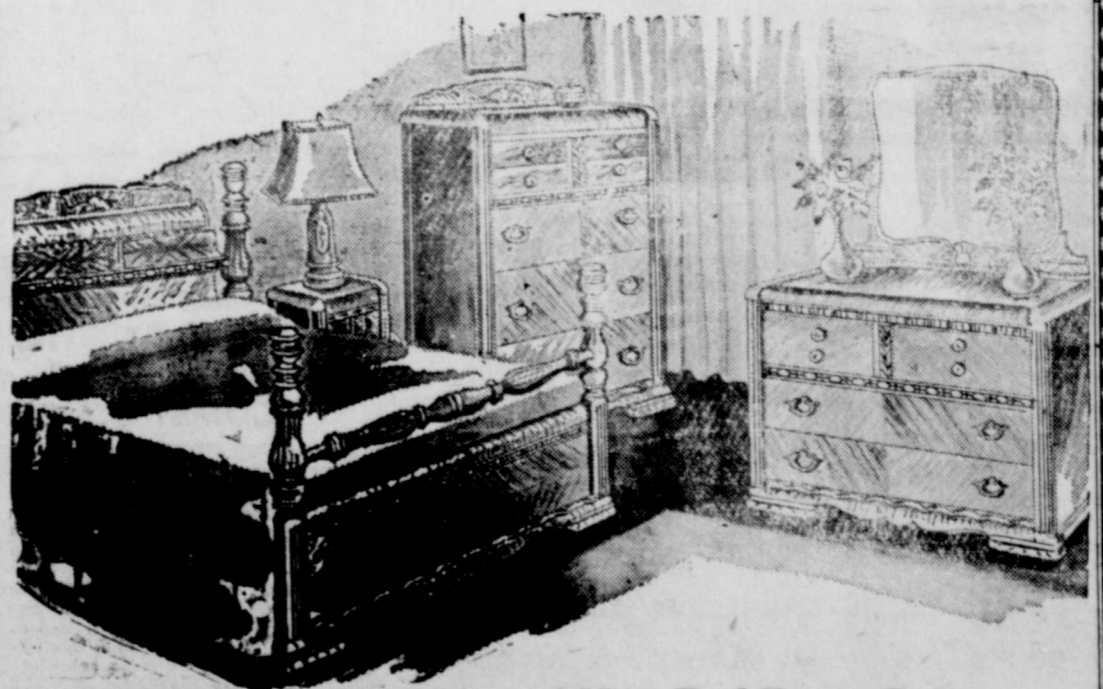

Rev. and Mrs. Joseph L. Emery entertained with an open house for the college students of the First Baptist Church, Sunday evening, September 3rd, after the worship services.

Games which had to do with names of colleges and descriptions of college life set the pace for the evening's entertainment. Each of the students also received a little booklet in which he wrote the college address of everyone present. These will serve as address books throughout the coming year.

After refreshments and more "college talk" the campus-bound merrymakers said good-night, some of them for the last time before entering school.

Those present were: Herman Anderson, Billy Collier, Elizabeth Stockton, Sue Ross, Vera Mae Bell, Janet Soules, Scottie Vaughan, Ralph Nowell, Raymond Mitchell, Jimmie Rita Simpson, Janie Ruth Simpson, Floyd Sansom, George Wesley Jackson, Taylor Owen, Mary Katherine Palmer, Winston Faith, Pat Lockridge, Bobby Burks, Billy Joe Heath, James Wesson, and Jack Simpson.

CHAPPELL HILL

This community has been blessed with a good rain. Two and one-half inches of rain fell at the B. J. Crawford farm.

While the cotton suffered some during the long hot drought, yet it is far better than was thought possible a few weeks ago.

Mr. Tom Stevens and Love Stankey have been having wind mill trouble and the stock was bogging down in the dry tanks. I am sure they welcome the big rain.

Mr. J. C. Bramblett and Mr. N. C. Karnes have harvested a nice crop of small grain this week.

Mr. Fritz Teman and son, Melvin, have just finished cutting feed for Mr. N. C. Karnes, and Mr. G. H. Crawford. Mr. Teman said he would begin to harvest his cotton crop in a few days. He thinks the yield is expected to be much better than was indicated a month ago.

Mr. W. L. Conner worked for Mr. N. C. Karnes last week.

Mr. and Mrs. Mark Manuel and son returned to Ft. Worth after spending a few days at their farm.

Miss Pearl Crawford visited Mrs. Los Stevens, Wednesday. Also, Mrs. M. C. Karnes, Mr. and Mrs. B. F. Humphries were looking over their farm Saturday and made a short visit in the Crawford home.

Mrs. Blanch Barton of Bryan, Texas has moved back to her

home. Her son, George, has about got their new house finished. We welcome Mrs. Barton and Mr. and Mrs. George Barton in our midst.

Mr. G. H. Crawford visited in the Evans home, Saturday afternoon. G. H. Crawford and O. A. Evans made a pop call to Priddy.

Mrs. Tom Stevens, Mildred and Edwin were Sunday guests in the A. L. Crawford home.

Mr. Tom Stevens visited Sunday with Uncle Jim and Aunt Selma Evans. We hope all the sick folks have a speedy recovery.

Mr. and Mrs. A. L. Crawford and William G. visited a while with B. J., George and Pearl Crawford Sunday night.

Mr. C. H. Bramblett said Frank Scott was sick and he would be happy if some of his old friends would drop in to see him.

Mr. A. L. Crawford called in the Jim Evans and B. J. Crawford homes Monday.

We have some cold an influenza around.

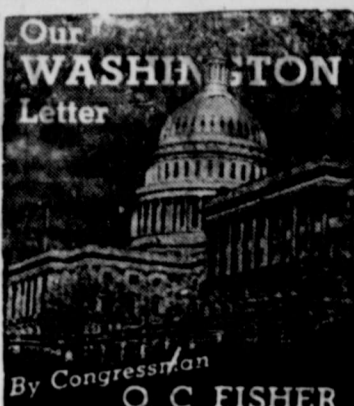

"Taken all in all everything is lovely."

We all enjoyed Mrs. Clemie Ivy's news.

RETURN FROM VACATION

Mrs. Millard Cockrum and daughter, Sarah Jane returned recently from a vacation trip to the coast. They accompanied Miss Annie Laurie Petsick to Alvir where Miss Petsick is employed as a teacher, and remained there as her guests. Together, the three visited Galveston, Texas City, San Jacinto and Houston. Miss Petick recently purchased the Mrs. H. B. Johnson home on Hutchings Street and plans to be at home in Goldthwaite during the summer months.

Charles Edward Davis left Saturday for Richland, Texas, where he is to teach school this term.

(The Newsletter is written this week by Miss Helen Routh, Secretary to Congressman Fisher, who is in Texas briefly during the recess.)

One of the duller places I know of is Capitol Hill during a congressional recess. Only a handful of Members remain here during recesses—those who have special assignments that keep them in Washington. And when recesses occur, a good portion of the office staffs move homeward too. Offices are usually opened in the home districts, particularly when the recess lasts several weeks.

In the present instance, we who work in congressional offices look on the recess as a necessary nuisance. The time is too short to justify the opening of an office in the district, and time and expense will not permit us to travel as far away as Texas and then return almost immediately. If we had our way about it, we'd prefer to 'keep plowing until the crop is laid by' and then go home and not be interrupted for awhile. Congressman Fisher, however, went to the district for two weeks. He plans to be back here by September 21.

But the recess does give us a chance to catch up with the office work. The mail, which is somewhat lighter during recess, brings us interesting new work to do, new contacts to make, and various types of service to perform for those who write us. There is something new and different each day.

Then, too, the going is made more interesting by the visits of our friends and constituents. They are always welcome. The other day, for example, Mr. and Mrs. Doyle Lane of Veribest came by, along with Mrs. Ovie D. Clark. Mrs. Clark is from Goldthwaite and is the wife of Major Clark, formerly of Good-fellow Field but now head of the ROTC program at Maryland University. The Lanes drove up from Texas to visit friends and see Washington for the first time. From here they went to Cleveland to witness a big air show.

A few days ago honorable J. Ed Johnson, formerly of Brownwood and now of Dallas, along with Mr. H. L. Cravens of Brownwood, came by to see us.

Jack Hight, of San Angelo, arrived in the Capital recently to take a course that may last a year in Georgetown University. His specialty will be foreign affairs and consular work.

Another visitor was genial E. E. (Pat) Murphy, also of San Angelo. At about the same time came Margaret Stites, a teacher in the San Angelo College, along with Frances and Mary Routh, the latter two from my home town of Ballinger.

Mr. and Mrs. Louis Lourig, with Dick and Marilyn, now living at Pekin, Illinois, but formerly of Del Rio, visited us recently. Mr. Lourig, a long-time personal friend of Congressman Fisher, is engaged in the newspaper business and was vacationing in Washington.

Judge and Mrs. Lamar Thaxton and daughter, Gertrude, of Mason, came by accompanied by a son-in-law, D. K. Chris Fenberry, Jr., the latter now attending the University of North Carolina at Durham.

Other visitors who dropped by were Mr. Walter E. Sud-

darth, of San Angelo, and Forrest Kyle, the publisher of Brown County Gazette in Brown County.

The Washington papers have been full of five-percent news of late, and it seems to be quite a common topic of talk on Capitol Hill. I sometimes think congressional office staffs follow those proceeding with as much or more interest than do the Members. After all, our bosses have so many other things to do and think about. I remember hearing one person say this about John Maragon the other day: "I've known him around here for years, and now imagine a small potato like John setting the whole Nation agog by trying to throw his weight around among folks who probably paid very little attention to him."

And everyone seems to have

his or her opinion about General Vaughan and his attempts to put in good words for his friends. Most everyone I have heard mention it agree that the General used bad judgment in using his influence while in the White House on petty things, and that such activity detracts from the dignity of his office of Military aide to the President of the United States. Whether or not General Vaughan has done anything criminally wrong, I don't know; probably not, according to the papers. But it seems to me that just the investigation and exposure of the activities of these people will alone serve a very good purpose by helping to prevent these things from happening in the future.

One paper carried this little ditty, captioned Vaughtanted Axiom:

In Washington's swirl
Of favor and fetter

Know-how's nice
But know-whom's better

Marvin Burkes received a telegram Saturday stating that his brother, Andrew, had died of typhoid fever, New Mexico. He was 45 years old. Andrew was Captain in the Missouri National Guard.

Mr. and Mrs. Marvin visited a while Sunday with his sister-in-law, Mrs. Burkes, in the Moore Community.

Guests in the home of Mrs. D. A. Hamilton and niece, Hamilton of Kingsburg, Staff Sgt. and Mrs. Farmer and family of tonio. On Monday Mrs. Willis and Tommie Joe anche visited her parents and Mrs. Hamilton.

RECIPE OF THE WEEK

by Mary Lee Taylor

Creamed Dried Beef in Toast Shells

Broadcast: September 17, 1949

8 slices bread
3 tablespoons melted butter or margarine
1 cup shredded dried beef

1 can condensed cream of chicken soup
1/2 cup Fat Milk
3 tablespoons water
few grains pepper

Turn on oven; set at moderate (375° F.). Remove crusts from bread. Bread soaked with melted butter. Press buttered side down into 8 three-inch muffin cups. Bake 10 minutes, or until light brown. Meanwhile, cream dried beef with hot water. Drain dry on cloth or paper towel. Stir in milk, water and pepper. Heat slowly until thoroughly hot. Spoon in toast shells. Bake 5 minutes.

Whisk cream soup also can be used.

What's phosphorus to a pig?

Just a half a pound of your 250-lb. pig is phosphorus. This seems a small amount. But without it, your pig would die. And there are other minerals just as vital to livestock. Some they need in quite large amounts... calcium and sodium as well as phosphorus. Others we call trace elements. These they need in very small amounts... such as cobalt, iron, copper and manganese. But your animals do need these trace elements. The people at the agricultural colleges have proved that past all doubt. Some minerals are a "must" if you want to raise healthy, fast-gaining cattle. That goes for hogs and hens, too. For example, these are found that... in Dade County, Florida, are short of copper and iron. Callam County, Washington, needs zinc to check goiter. They know that San Diego County, California, hasn't enough phosphorus. In Aroostook County, Maine, the scarce mineral is cobalt. Ranchers and farmers in these four corners of the country have this problem. Their feeds and forages are short of one or more vital minerals. Many other areas share the problem, including parts of the great Corn Belt.

MONEY and MEAT—In the fall months we run into an unusual situation in the livestock-meat packing industry. At that time we often see the year's high market for top finished beef cattle. And this top price usually is being paid when the average price for all cattle is moving in the opposite direction.

The high price is explained by the fact that during the fall we usually have the shortest supply of the year of well finished, long fed cattle. Brisk demand for this short supply naturally will force the price up.

The lower average price results from the annual move to market of huge numbers of grass-fed cattle.

About 20 per cent of all the cattle and lambs slaughtered during a whole year must be handled in September and October. Meat from these animals being slaughtered any given day generally is on the dinner table in less than 14 days.

Folks aren't likely to have any more money to spend on food during the fall months than in February, when fewer meat animals are being marketed.

Since beef and lamb is largely a fresh meat business, there's a lot of meat to be sold during the fall months. Consequently, since consumers have no more money to spend, meat prices have to be lowered. And that's just what happens, as it usually does with an increased amount of meat to be sold and no increase in the amount of money with which to buy it. These lower meat prices are most noticeable, of course, in the large consuming centers where surplus supplies always can be moved at a price.

Naturally, then, livestock prices follow meat prices. Producers should keep in mind that the prices they receive for their livestock are governed by what the packer can get for the meat and the by-products. This is perfectly demonstrated, as we have pointed out above, when the price for one kind of cattle, in short supply, is moving up at the same time that prices of other cattle, in heavy supply, are moving down.

But you ask, "How can I spot animals which suffer from mineral shortage?" It's not too easy. If the lack is serious, your stock may have rickets, "big neck," anemia or other ailments. But there are some early symptoms you can spot. These are bone chewing, loss of appetite, slow gains, rough and scabby coats. Or just a general unthrifty condition gives you the clue. If you start feeding a mineral which contains the essential trace elements, you may bring them around fast. But if that doesn't work, then you should consult your veterinarian, county agent or agricultural college. The common mineral deficiencies in your area are known. By feeding mineral-balanced rations, you can correct these lacks. Or you can build up the mineral content of the soil. Either, or both, of these will help you grow healthier livestock, at a lower cost.

Supplemental Mineral for Wintering Range Ewes

by William H. Burkitt
 Montana State College

Thirteen mineral elements are known to be necessary for normal functioning of an animal body. However, this does not mean that all 13 must be supplied in a mineral mixture. Many of them are present, under ideal feeding conditions, in sufficient amounts for feeding ewes. Those lacking in Montana include sodium and chlorine (salt), iodine, phosphorus, and possibly cobalt.

Lack of sufficient iodine in the ration of pregnant ewes results in lambs being born with "big neck" (goiter). Thin wool in lambs may also result. If weak or sick lambs have shown "big neck" or thin wool at birth in past years, stabilized iodized salt should definitely be fed the ewes this winter.

Phosphorus deficiency may exist in wintering range ewes, particularly if there is little or no supplemental feeding. Abortions and weak lambs may result from deficient phosphorus. Pregnant ewes should have from 0.16% to 0.18% phosphorus in their feed. Many grass hays and mature range grasses contain less than 0.15% phosphorus and some contain as low as 0.04% phosphorus. Bone meal, defluorinated rock phosphates, and monophosphate are satisfactory sources of phosphorus. Palatability and consumption may be improved by mixing with salt.

Cobalt is believed to be needed by microorganisms in the paunch. A lack results in loss of appetite, less feed consumption, and eventually starvation. A possible cobalt deficiency may be checked against by mixing 1 ounce of cobalt salt with each 100 pounds of stock salt. Cobalt carbonate, cobalt chloride, or sulfate are all satisfactory. (Editor's note: The principles of nutrition discussed above apply to all kinds of livestock and in all parts of the country.)

Hello Again!

We are glad to be back with the Swift page of information and ideas. What did we do all summer? Well, among other things, we visited with farmers, ranchers, agricultural editors and educators. And we rounded up the facts we need to make these messages interesting and useful to you producers. As we said away back in 1944—"This is your page, and we welcome suggestions from our readers." We still do. Just write to me at Swift & Company, Chicago 9, Illinois... And when you're in Chicago, drop in and see us.

LET'S SUPPORT OUR "MEAT TEAM"—You know, times change—but some folks don't change with the times. I'm thinking of the type of man who always thinks that someone is getting the best of him in business. He sells a load of steers. No matter what his return, he's not satisfied—the packer, the commission man, the retailer—somebody else always gets a "bigger slice." But, during this past summer, I talked to a lot of people about the livestock-meat industry and our mutual problems. And I found a refreshing, encouraging attitude—"Sure, we got problems. Who hasn't these days? But if producer, packer and retailer work together as the 'meat team,' we'll work things out..." It's just good business to have a decent regard for the contributions made by other members of your team. I hope you have followed the "Meat Team" advertisements of the American Meat Institute and will talk to your neighbors about them.

FACT CONFIRMED—Out in the West, whenever I passed a town with a local meat-packing plant, I thought, "This town, out here where there is lots of livestock, is well served by that local plant. But what about the distant cities filled with meat eaters and no nearby livestock production to speak of?" I know for a fact that meat has to travel an average of more than 1,000 miles to reach those consumers. The only way they can get meat is through the low-cost processing and marketing services provided by nationwide meat packers, like Swift & Company.

F.M. Simpson.
 Agricultural Research Dept.

Martha Logan Recipe for FRENCH MEATWICH
 Make sandwich of 2 slices of bread, using 1 slice of cold meat and 1 slice of cheese as the filling. Dip each sandwich into a mixture made of 1 slightly beaten egg and 1/4 cup milk. Fry in a small amount of butter, margarine or clear drippings over low heat. Turn to brown. Serve at once with cole slaw or fruit salad.

FREE! The Story of Poultry
 Children and grownups, too—here's another booklet in Swift's popular Elementary Science Series. Like the others in the series (on Soils, Plants, Meat Animals and Grass), "The Story of Poultry" (Booklet E) gives the answers to many interesting questions. Do you know—
 Where the first chickens came from?
 Which breed of poultry is native to America?
 How the shell gets around an egg?
 You'll find the answers to these and dozens of other questions in "The Story of Poultry." Lots of pictures—easy-to-read words. Write for your copy today and show this notice to your school teacher. Yes, there are free copies for every kid in your class, if requested by your teacher. If you'd like the other booklets in the series mentioned above, ask for them, too. They are all FREE! Address your letters:

Polio Foundation Asks Dimes and Dollars Now to Pay for Patient Care in Epidemic of Infantile Paralysis Throughout Country

With thousands of children and adults in hospitals today as the result of current widespread polio epidemics, and with as many new cases likely to develop in the months just ahead, the National Foundation for Infantile Paralysis has launched a Polio Epidemic Emergency Drive to provide immediate funds for patient care.

The price-tag on this year's epidemic will be so enormous, according to Basil O'Connor, National Foundation President, that \$14,500,000 must be raised to meet the national polio bill.

During 1948, when there were 27,908 cases in the country; the highest number since the record total in 1916, the National Foundation and its Chapters spent \$17,000,000 in March of Dimes funds to provide epidemic services, he said. With even more cases this year, it looks as though it may cost \$25,000,000 in 1949 to pay for that part of medical and hospital care which families cannot pay themselves.

By the end of August, as much money had been advanced in epidemic aid to National Foundation Chapters whose March of Dimes funds have been exhausted by the cost of care as was sent in all of 1948. The nation's total number of cases now is as large as a full year's toll in previous years, with predictions for at least double that number before December 31.

Furthermore, it is estimated that a minimum of \$5,000,000 will be required to continue helping 1948 patients who still need clinic or hospital treatment. The National Foundation gives assistance as long as medical care is necessary, regardless of age, race, creed or color. The money raised in the Polio Epidemic Emergency Drive will be used exclusively for services to polio patients in all states, Mr. O'Connor said. Contributions may be mailed to POLIO, care of your local Post Office.

"This emergency drive is our only hope of providing care for patients without slowing up scientific research and professional education programs of the National Foundation," Mr. O'Connor explained. "It is an ironical fact that this heavy incidence, severely taxing March of Dimes resources, comes at a time when the nation's leading scientists are more hopeful of finding an answer to the problem than ever before."

"Scientists working under 68 March of Dimes grants at top medical and educational institutions are waging the largest research attack ever attempted against a single disease in this country, supported by March of Dimes funds. We must not interrupt the search for a solution because of lack of funds. We must—and we shall be able to do both jobs—help pay for the care of the stricken while finding a means of prevention or control—if the American people contribute now to carry the work through until the next March of Dimes in January."

Progress since 1938 when the National Foundation was formed, was irrefuted by Mr. O'Connor as follows:
 More than \$23,500,000 has gone into a control, curative, research, and education program seeking control of polio and training of experts—virologists, orthopedists, pediatricians, public health physicians, nurses, physical therapists, and other medical workers who make up the professional army now battling the disease in laboratories and hospitals.

At least 588,000,000 had gone for patient care, prior to 1948, in payment of polio bills families could not meet themselves in staffing and equipping polio centers for modern care and treatment, in establishing equipment depots in six strategic locations throughout the country from which respirators, hot pack machines, beds, cribs and other emergency supplies can be rapidly dispatched to hard-hit areas.

"We know now that fully 75% of those stricken make good recoveries if good treatment is available," Mr. O'Connor said. "Surely no one would deny a child a three-to-one chance for recovery because of lack of money."

The address is POLIO, care of your local Post Office. Send as much as you can—as fast as you can—today!

HUMBLE TO BROADCAST S-W GAMES

Humble Oil & Refining Company today announced that it will broadcast Southwest Conference football games again this year. 1949 will be Humble's sixteenth consecutive season for broadcasting. First games to be broadcast will be those to be played on Saturday, September 17.

Broadcasting crews this year will feature the familiar voices of regular sportscasters Kern Tips, Ves Box, Charlie Jordan, Bill Michaels, Jerry Doggett, Fred Kincaid, Alec Chesser, Eddie Barker, and Bill Newkirk, plus several additions to the announcers' corps.

The Texas University-Texas Tech game in Austin will go on the air at 1:50 p.m. over stations KTRH, Houston; KRLD, Dallas. Kern Tips and Alec Chesser will be announcers.

Also at 1:50 p.m. the T.C.U.-Kansas game in Lawrence, Kan., will be broadcast over stations WBAP-820, Fort Worth; KPRC, Houston; and WOAI, San Antonio. Charlie Jordan will be play-by-play announcer, assisted by Jerry Doggett.

The evening broadcast will start at 8:00 p.m. and feature the Texas A&M-Villanova game at College Station, with Ves Box and Fred Kincaid announcing. Broadcast may be heard over stations KFJZ, Fort Worth; WRR, Dallas; KGKL, San Angelo; and KBWD, Brownwood.

Earl Clements had as his guests Sunday for dinner John Hester and wife and Mrs. Eula Nickols out at The Hangar.

Mr. and Mrs. Sam Sullivan returned Wednesday of last week from a three weeks' trip in Colorado, where they visited Col. L. E. J. Browne and family, at Tucumari, New Mexico, with Brown Martin and family, and in Lubbock with Mr. and Mrs. D. A. Trent.

Mr. and Mrs. Gerald Head and children went to Denver City, Texas, where they visited in the homes of his brothers, Mr. and Mrs. Wilson Head and Mr. and Mrs. Lendon Head over the week end. They also attended the football game Friday night.

Omar Warren of Rankin was here Monday of last week visiting his brother, Cicero Warren and family.

—Eagle want ads get results—

Good rains, ranging from showers to over two inches, fell over Mills County on Thursday of last week.

Harry Allen's government gauge here in town recorded 1.32 inches precipitation, while some places reported two inches and over. This brings the total rainfall here in Goldthwaite for this year to date to 16.43 inches.

Showers and misting rain fell over the county Wednesday of this week.

Rainfall recorded in August here totaled 1.25 inches, as follows: Aug. 7, .01; Aug. 8, .41; Aug. 9, .10; Aug. 15, .25; Aug. 16, .17; Aug. 27, .13; Aug. 31, .18; total, 1.25.

Rainfall by months for 1949 follows:

January	3.30
February	1.51
March	2.17
April	5.12
May	1.48
June	2.04
July	2.04
August	1.25
September to 8th	1.32

PREVUE VISITORS

Among visitors to the Livestock-Prevue here last Saturday from out of town were former Mills County Agent Darius B. McCombs, who has just completed a special course at A & M College, and C. O. Norton, fine Hereford breeder of Weatherford, formerly of Mills County. They were both enthusiastic about the livestock shown here.

HAMILTON COUNTY SINGING SUNDAY

President Ollie McDurmitt announces the Hamilton County singing next Sunday at the Littleville Baptist Church, Hamilton. Everybody is invited.

James C. Caraway left last Friday for Port Lavaca, after a ten day visit with his parents, Mr. and Mrs. P. K. Caraway. He has accepted a position with the Aluminum Company of America.

Mrs. Ben Massey escaped serious injuries when she fell at her home Wednesday. She was not seriously injured but badly bruised.

The Baptist Women's Missionary Society held a social and business meeting Saturday afternoon at the home of Mrs. Warren Duren. Officers were installed for the ensuing year. They were installed by the Associational president, Mrs. Cash. An interesting book review, The Big Fisherman, was given by Mrs. Roy Wilkins.

Chester Berry, son of Mr. and Mrs. Britt Berry, had the misfortune of getting his arm broken Monday while at school. He is doing nicely.

Mr. and Mrs. Buel Condon and children of Dallas were here Sunday visiting his aunts, Mr. and Mrs. W. D. Marshall and Mrs. J. D. Urquhart.

Mrs. C. T. Cave, Tommy and Carol of Graham visited Mrs. Tom Cave and Miss Ruby Sunday. They were on their way to Austin where Tommy will re-enter the University.

Recently Mr. and Mrs. Marshall Miller, Jr., and Mr. and Mrs. Marshall Miller, Sr., made a trip to the Ozarks in Arkansas. Mrs. Marshall Miller, Sr., stopped at Sulphur Springs, Texas, for a visit with her daughter, Mrs. Sam Smith and Mr. Smith.

Mr. and Mrs. Blake Forehand of Rising Star were here one day the first of last week to visit his aunt, Mrs. W. D. Marshall, who is seriously ill.

Tuesday of last week guests in the home of Mr. and Mrs. R. L. Cooner were Mrs. Odie Kinney of Stamford and the latter's mother, Mrs. George Clark of Comanche.

Mrs. Kate Forehand and daughters of Big Springs were on their way to Austin Sunday and stopped for a visit with Mr. and Mrs. W. D. Marshall and Mrs. J. D. Urquhart.

The Jaycees are wanting old toys to be rebuilt and give away to underprivileged children at Xmas. Bring them to Rudd Service Station.

Mrs. J. M. Roberts returned home from Jal, New Mexico, last week where she spent five weeks with her daughter, Mrs. Vernon McCasland and family. Her little grandson, John Doyle McCasland, accompanied her to Goldthwaite for a visit. She received a message Sept. 12th, that Mr. and Mrs. McCasland are the proud parents of a fine baby girl, named Charlott.

Bring old and broken toys to Rudd Service Station to be re-worked for children for Christmas.—JAYCEES

Baptist Memorial Hospital in San Antonio—Greta Barnett.

Hot Springs, New Mexico Business School—Margaret Barton.

4 C's Business College at Waco—Mary Collier, Nelda Jones.

CRITICALLY INJURED IN AUTO ACCIDENT

Jack Koen, 22, of Goldthwaite is in a critical condition at Brownwood Memorial Hospital after his car turned over last Friday night on U. S. Highway 284 three-fourths of a mile south of town.

The attending physician said

Koen's chest was crushed, with both lungs involved; his collarbone broken and several ribs fractured.

The physician described his condition as "critical and serious," but said he probably will

recover. Latest report is that he has slightly improved but is still in a critical condition.

The accident occurred about 7:45 p. m. when another car passed Koen's vehicle, then made a U-turn on the highway.

Attempting to avoid hitting the other car, Koen turned. The cars collided, with the impact having a severe effect on Koen's car.

—Eagle want ads get results—

Mrs. Claude A. Eacott accompanied her Nora and Claude Ann Lovett to Brownwood the week before last. Claude Ann spent the summer with her uncle and aunt, Mr. and Mrs. Eacott.

ADMISSION— 30c And 60c

CENTER CITY—

By C. M. HEAD
We had Jimmie Head from Lometa and there were other good singers from Goldthwaite, Star and North Bennett, and we wouldn't fail to mention our fine congregation of listeners, some who never sing

but wear a smile of approval, and add much to the occasion; among whom were our friend, Will Taylor and wife and daughter-in-law, from Hamilton. We appreciate all our friends, if we have a friend who doesn't like to sing or hear singing, just let him have his

way about it. Just go right on; sit down in the dirt and play mumblepeg. We were too late to get this in the mail last week, so we went over to North Bennett Sunday evening the 11th we had a nice crowd and some good singing.

The Methodist revival is in progress at Center City this week having services in the morning at 10:00 a. m. and 7:45 in the evening with Rev. Farmer doing the preaching.

tise for us. On the 4th of September we had a get-together at our home. My wife had a birthday on September 2nd. Bill Sparkman has a birthday on the 4th of September Bill Huggins has a birthday on the 5th of September, so a few of us—just 33, were at our home for dinner. Now don't begin to think my wife got dinner for all these. They brought dinner with them and what a time we had. After dinner we had singing in the home. At 2:30 we went

over to the church where folks gather for singing. We didn't have seats enough. They came from all about. We had one quartette four Miles long, and they could sing! We had one quartette that was all Head and they could sing too. We also had a quartette from Gatesville. Say, they can sing! We appreciate their coming over to help us out; and there is the Dennis Girls' Trio. How they can sing! And there was Professor Huggins and wife from Brownwood.

**Caradan
Community Club**

The Community Club met September 2 with Mrs. Charley Bachlor. A large number of ladies were present; so a quilt was quilted out that afternoon.

Every one was glad to have so many visitors with us for the afternoon. They were Mrs. Conie Lawson, Clifford Rose, Garner Carr, Bessie Stacy, Mildred Horton, Reta Bell Horton, and Mrs. Wilcox.

Mrs. Bachlor served banana cake and punch to twelve ladies and four children.

We adjourned to meet with Mrs. Sevier, September 16. Bring your embroidery hoops. —Reporter.

**South Bennett
Blue Bonnet Club**

Our Club met with Mrs. Clyde Harrison, August 25 with an all day meeting. The day was spent quilting. Two quilts were finished and a wonderful dinner was served to eight members and five visitors. The visitors were Mrs. Collier, Mrs. Vaughan from town, Mrs. Linne Horton and Reta Bell, Mrs. Ruth Simpson, and five children.

All received a gift and in the afternoon cake and ice cream was served.

Our next meeting will be for Mrs. J. C. Petty at Mrs. E. D. Ferguson's September 22. Every member come and bring your quilts and bring some one with you. —Reporter.

**Girl Scout
Court Of Awards**

A combined Court of Awards and Council Meeting was held at the Girl Scout little house September 10th, 1949 with a large attendance of Scouts and Scouters present.

Troop V with Mrs. L. V. Benningfield and Mrs. Smith as leaders "flew" up into Girl Scouting. They had been Brownie Scouts. Sixteen Brownies flew up.

Troop 3 with Mrs. R. C. Blackburn and Mrs. T. G. Graves as leaders won merit badges.

Troop 4 with Mrs. Reynolds as leader won merit badges from the five fields of scouting also.

In the Council Meeting new officers were elected for the coming year. They are as follows:

President—Mrs. Fred Reynolds.
Vice-Pres.—Mrs. O. O. Smith.
Secretary—Mrs. George Reece.
Treasurer—Carl Letbetter.
Reporter—Mrs. Carl Letbetter.

Program Chairman—Mrs. Jacob Taylor.

Training Chairman—Mrs. Jim Weatherby.

Camp Chairman—Ray Duren.
Nomination Chairman—Mrs. Roy Wilkins.

Mrs. Weatherby announced that an area executive would be in Goldthwaite, September 27th to conduct a training school. We would like for every mother of a scout to be present.

On Tuesday night, September 27 a covered dish dinner will be served in the lunch room to all persons interested in Girl Scouts. The parents, Girl Council and any other interested person are all asked to enjoy this occasion.—Reporter.

SAN SABA PEAK—

By MRS. DUTCH SMITH
We had a nice rain last Thursday afternoon.

Mr. and Mrs. Lloyd King and Rocky spent the week end in Sterling City and San Angelo visiting Mr. King's mother, Mrs. C. F. Hodges, and other relatives.

Jess Ball, who is in the McCloskey Hospital, came home over the week end. He had to go back Monday morning. Mrs. Ball and Jammie are staying with her parents, Mr. and Mrs. Dutch Smith.

Mr. and Mrs. Fate Eckert and Altha Mae left last Thursday for a visit with their daughters and their families. They visited Mr. and Mrs. France De Spain and children at Roundrock and Mr. and Mrs. Hobart Smith and girls at Austin. They also visited other relatives in Austin. Mr. Eckert remained to help Mr. De Spain gather corn.

Mr. and Mrs. Dutch Smith and boys, Mr. and Mrs. Jess Ball and son spent Sunday in the Velmer Gate home.

Mr. and Mrs. Ward Carlisle are moving to Lometa. We hate to see them move, but hope they will like their new home.

Billy Gage returned to Los Angeles, California after a visit with his parents, Mr. and Mrs. J. V. Gage.

Lou Etta and Dudley Jordan returned from a vacation trip to Cleveland, Ohio, Canada, and Niagara Falls. They went with Mr. Jordan's parents.

Mrs. P. R. Jordan and Sandy returned from a visit with her mother at Paducah, Texas. They also visited relatives in New Mexico.

Mrs. Dutch Smith, Mrs. Jess Ball and Jimmie visited Mrs. Loyd King and Rocky Monday morning.

Mrs. La Delle Geeslin spent this week end with her parents, Mr. and Mrs. T. A. Casbeer. Grandmother Casbeer returned to her home in Sherman after a visit with Mr. and Mrs. T. A. Casbeer.

Mr. and Mrs. Dutch Smith and boys went to Burnet Saturday night to the Lometa and Burnet football game.

Mr. and Mrs. Jess Ball and son visited in the T. A. Casbeer home awhile Saturday night.

Mr. and Mrs. P. R. Jordan and children visited in the Dutch Smith home Sunday night.

School Supplies—HUDSON DRUG.

SCALLORN

By OMA ELACK
Sunday, September 11, 1949, record attendance day at Sunday School, with a total of 64 members. An even larger crowd attended church. Lunch was served at the noon hour.

Mr. and Mrs. Floyd Smith of Evans, Mr. and Mrs. Buck McMullen of Killen were Sunday visitors of the Arlie Obanon family and attended church.

Mr. and Mrs. McKenzie and great grandson of Long Cove were at church, guests of the Clark Bristows.

Hardy Bradley of Brownwood and Mr. and Mrs. O. B. Fomby of Cross Cut were Sunday guests of the C. H. Blacks

and Mrs. Carl... Coleman were in the Cox home for Day.

Mr. and Mrs. Armstrong and Mrs. Randy... of Corpus Christi visited last week with the Barney Laughlin's, Will Laughlin and Mrs. Johnston homes.

Mrs. B. E. Baker and son Chris of Shreveport, La., were week end guests of

Mrs. Milton Walters... and Mr. and Mrs. Janice... visited in... home Saturday

Mr. H. Black took Jane to... Monday, where she... at Howard

Mrs. Leon Johnson... Sunday to be with their brother-in-law, Willford Massey who was... in the Medical Arts Hospital.

Mmes. Wrinkle and Nickols enjoyed the singing at Harry Oglesby's Sunday night.

BIG TRADE-IN SALE

TO INTRODUCE **B.F. Goodrich** "Rythm Ride"

\$14.75

6.00-16 PLUS TAX

LIFETIME GUARANTEE

We'll go all the way on a trade-in allowance for your present tires to get you started on new B.F. Goodrich Silvertowns with "Rythm Ride" to give you a far smoother, safer, longer ride.

STOP AND SEE HOW IT'S DIFFERENT! FEEL HOW IT RIDES!

Rythmic-flexing Cords make the difference!

Most other cords flex out of rythm like a crew that's out of beat. Cord body is far stiffer. Danger areas result.

BFG cords flex in rythm like a precision-trained racing crew. Cord body is pliant, ride is smoother, safer, longer.

High Blood Pressure
 Hardening of Arteries, Pains In Left Arm And Side—
 Elmer G. Johnson, President of Harlingen State Bank, Harlingen, Texas, writes on Feb. 20, 1948:
 "Please send another bottle of Liquid Garlic, also send a bottle to my sister-in-law, Mrs. Hulda C. Dutton, 45 Atwater Terrace, Springfield, Mo.
 "I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson, San Benito, who was in bad shape, is also very much better and her blood pressure down considerable. This garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure or heart trouble."

YOUR DOLLARS GO FAR

... and so will you in this big rugged Dodge

You could pay a thousand dollars more and still not get all the extra roominess... ease of handling... famous dependability of Dodge

HERE'S extra value... extra value you can see and feel. You see the extra comfort in the wider, longer, higher interiors that give real stretch-out roominess for all. You feel the extra thrill that comes from the new "Get-Away" engine... stepped up in power and squeezing extra miles from every tankful of gas. And with it all the proved smoothness of Dodge Gyrol Fluid Drive to take the jerks and jolts out of stop-and-go traffic.

You get all this, plus the famous Dodge dependability that means long car life, low-cost upkeep, high re-sale. Your dollars go farther when you buy Dodge! See your Dodge dealer now.

MORE for your money! More head room—elbow room—leg room! Seats are knee-level... support your legs for relaxing rides mile after mile.

MORE for your money! Luggage space big as all outdoors. Spring-balanced lid raises and lowers at the touch of your finger.

HOLLYWOOD, CAL. — "At last a car that makes it easy for a woman to step in and out of gracefully! That's my new Dodge!" —Miss K. Roberto Williams, 4451 Simpson Ave.

Come in... See the AMAZING LOW PRICES Coronet Meadowbrook Wayfarer with gyrol Fluid Drive

NEW DODGE Just a few dollars more than the lowest priced cars

CLINE MOTOR CO.

LITTLE'S "Since 1898"

LONE STAR

(Continued from page one.)
 as Goldthwaite and Lometa. Residing at Goldthwaite, Maddening will work under the supervision of District Manager Knowles. Until permanent offices are established at San Saba and Goldthwaite the two men may be reached at Lone Star warehouses in their respective towns. Llano has also been designated as a subdistrict in the San Saba district and the Llano subdistrict manager will be announced in the near future.
 Knowles began his career with Lone Star Gas Company in Fort Worth in September of 1927, working as a shop helper, meter setter and meter reader. In 1937 he was assigned to appliance installation and in 1942 was classified as a service man for all types of gas equipment. In the early part of 1947 he was named foreman in Fort Worth on general air conditioning and central heating plant installations.
 Knowles attended the public schools of Hico, his birthplace, and graduated from high school at Clayton, New Mexico. He is a member of the Baptist Church, the Masonic Lodge and the Odd Fellow Lodge. Mrs. Knowles is the former Lillian Inez Terrell of Vernon.
 E. E. Maddening, the subdistrict manager at Goldthwaite, was born at Ranger, the son of the late R. A. Maddening. He graduated from high school at Handley, where he joined Lone Star Gas Company in 1933. In 1937 he was transferred to Fort Worth as meter shop helper and a year later was assigned to meter repair work, meter setting, appliance adjusting and installation as well as the installation of house piping for liquefied petroleum gas customers. In September of 1942 he enlisted in the United States Coast Guard, serving thirty-seven months, fourteen of which were in the Southwest Pacific. He resumed work with Lone Star in Fort Worth on October 1, 1945.
 Maddening is a member of the Baptist Church and his hobbies are golf and fishing. Mrs. Maddening is the former Loree Owens of Stephenville. The Maddening youngster is Wanda Faye Maddening, age 2 1/2 years.
 Appointments in Lone Star's Waco division include Robert L. Croxdale, chief clerk at Mexia, as manager of the Lampasas district. Jack E. Slidham, chief clerk for the company's Cameron district, is manager of the Lampasas district's subdistrict which includes Burnet, Marble Falls and Bertram. C. M. George, distribution plant engineer at Wichita Falls, has been appointed manager of the Fredericksburg district. G. S.

W. W. PAASCH, Pastor.

Cone is Lone Star manager at Kerrville.
 Lone Star Gas Company is a Texas public service organization which owns and operates gas distribution systems in more than 340 cities and towns in Texas and Oklahoma. The company, which supplies a complete fuel service for almost 500,000 customers, was chartered by the State of Texas in 1909 and pioneered the Southwest in the long distance transmission of natural gas from the fields to local distribution systems.
 The company's natural gas supply is supported by more than 1,500 wells penetrating huge gas reserves in 75 separate and widely scattered fields in Texas and Oklahoma. Its far-flung network of pipe lines connected to these wells totals almost 6,000 miles and pipe in its local distribution plants exceeds 6,500 miles.

JAYCEES

(Continued from page one)
 relatives undertook here." Japan raises two crops a year—rice and wheat.
 Col. Walker has taken an active part in two world wars, and says he may be in a third. "We will be the first line troops of the world if the next war comes," he concluded. His address was much appreciated by the listeners.

CEMETERY WORKING AT CARADAN

As we did not work the cemetery at Caradan the 9th, we want to work it September 23, on Friday. Everybody come.—W. D. Denton, Com.

Prevue, Barbecue, Auction Here Saturday Drew Large Crowd

The 4-H Club and FFA Prevue of fine calves, the hog show, the barbecue and auction sale put on here last Saturday at the Mills County Agricultural Building by the Mills County Livestock Raisers' Association netted the association about \$475, which will be applied to pay off indebtedness on the building.
 Despite threatening weather all day, a good-sized crowd viewed some of the finest calves in the world which are now on feed by Mills County FFA and 4-H Club boys and girls. Around 35 calves were exhibited, in addition to sheep and the Sears hog show. At noon a fine barbecue was served at \$1 per plate.
 In the afternoon Delton Barnett conducted the auction. All profits went on the indebtedness.
 In the Sears hog show, there were five gilts, one boar, and two groups of three fat hogs. Wayne Poe, Star, won first place with his gilt; W. V. Horton, Jr., second; Merion Reynolds, third; Callie Sides, fourth; and Jackie Brown, fifth.
 Group of three fat hogs: Bill Beard, Star, first; and Ernest O'Neal, Jr., second.
 In the sheep division, Pena Barnett exhibited a Southdown lamb; Myron Hillman, Jr., eight head of sheep, and Bobby Lett-better, two head.

TO DALLAS FAIR

County Agent George Reese and V-A Teacher Y. B. Johnson will oversee 4-H Club boys and girls and FFA boys exhibits at the Dallas Fair Livestock Show. The heavy calves, already entered at the Dallas show and not shown here, will be on dis-

play at the Fair show Monday, Oct. 17, with the following Friday, Oct. 21.
 Four-H Club owners calves include: Floy W. Hereford calf named "Champ"; Merion Reynolds calf named "H.M. T. Hereford"; Modene Hereford called "Winston".
 FFA entry will be by Reynolds with a Hereford called "Halbert." FFA also have sheep entered Dallas Fair Show.
 Yesterday Judge Porco called "Halbert." FFA also have sheep entered Dallas Fair Show.
 "How many have been in court since once, yer, yer long ago?" "A—H.M. T. Hereford." "Where he here?" "In the..."
