Dew Library Is About To Qualify To Serve County

The Commissioners' Court of Mills County, meeting next Monday, will consider proposals made last Monday by a group of citizens who are exerting their efforts to make the Jennie Trent Dew Memorial Library a facility of service to the entire County.

Last Monday's meeting was addressed by Judge James A. Steele of Burnet, who has had extensive experience in obtaining the most value from library services.

Judge Steele spoke to leaders of the Goldthwaite and Mills County communities, including representatives of service, civic, social and cultural clubs; to County officials, school superintendents, members of the County School Board, and a number of other interested persons.

The purpose of the meeting last Monday was to prepare for the Commissioners' Court proposals by which it is hoped the Jennie Trent Dew Memorial Library will be able to qualify as a public-supported institution so that it may take the greatest possible facilities, including librarian service and circulating or mobile libraries to all citizens of the County.

Such qualification also would give the Jennie Trent Dew Memorial Library access, on a loan basis, to books from the Texas State Library. Although the Jennie Trent Dew Memorial Library is being built with funds from the Jennie Trent Dew estate, and although it will be supported partially by an endowment from the same estate, public-spirited citizens are anxious that the proper steps will be taken to enable it to function also as a free public library for the benefit of the greatest possible number of persons in Mills County.

Mrs. A. G. Langford visited last week in Lometa with her daughter, Mrs. Bill Whittenburg and family.

Mr. and Mrs. J. J. Kirby of Meridian spent the latter part of last week with Mr. and Mrs. Hollis Blackwell.

May Grand Jury Indicts Three At Monday Meet

The May Grand Jury, which met at the Mills County Court House last Monday, handed up indictments of three men—

William S. Riley, Herman Buckelew and Rodney V. Long. Long was indicted on a charge of removing mortgaged property from the County. Riley and Buckelew were indicted on 12 counts each of burglary with intent to commit theft. In addition, each was indicted on one count of robbery with firearms.

The members of the Grand Jury were Charles Conradt, Foreman; J. R. Horton, Caradan; J. C. Bramblett, Mullin; W. R. Shipp, Priddy; Ed Dearson, Priddy; W. H. Reeves, Mullin; A. G. Wasserman, Mullin; F. A. Cobb, Mullin; H. B. Curtis, Goldthwaite; W. A. Triplett, Mullin; Grady Carothers, Goldthwaite; and W. E. Beckham, Goldthwaite.

The indictments were returned to District Judge Wesley Dice by District Attorney James K. Everts.

Early trials of the indicted persons are expected.

The Jury Commissioners who selected the Grand Jury were E. B. Hodges, Albert Schumann, and J. B. Burnett.

THE SILLY SIX IN 1894

Ever since the Eagle last March published an interview with Eugene Thompson, now of Dallas, telling how some young gentlemen who called themselves the "High Toned Dudes" once upon a time dated some young ladies called the "Silly Six," there have been numerous nostalgic requests for a photograph of the "Silly Six." The "High Toned Dudes" apparently burned their pictures, but the

"Silly Six" are pictured above. Standing in the rear, is Mrs. Allie Humphries McCall, now of Waco. Seated, left to right, are Mrs. Amelia Ashley Cheat-ham, now deceased; Eddie Rahl Hawkins, now of Wilcox, Arizona; May Ferguson Knox, now of Dallas; Gertrude Cunningham Clements, now deceased; and Eszow Barton Sneed. The Eagle is indebted to R. E. Clements for the photograph.

Goldthwaite Scouts Will Join In Brownwood Circus Saturday

Fifty or more persons from Goldthwaite, including Cub Scouts, Boy Scouts, their leaders and parents, will go to Brownwood tomorrow, Saturday, to participate in an eight-county Boy Scout Circus to be held in Brownwood's Memorial Hall.

It is expected that about 1,000 Scouts of the Comanche Trail Council will participate in the circus which will start at 7:30 o'clock tomorrow night.

Goldthwaite Scoutmaster Charles Conradt said that his Scouts will build a bridge, as they did at the recent Lions Club Talent Show, while Cubmaster Ben R. Day said that at Brownwood his Cubs would present a "green-eyed dragon

with a happy disposition." The Cub Scouts, in full uniform, have been asked to meet at the First Baptist Church at 2:30 o'clock Saturday afternoon for a rehearsal. They will leave for Brownwood at 3:15 o'clock. After a rehearsal in Brownwood, the youngsters will have supper and a rest before the start of the big show—the second ever staged by the Comanche Trail Council.

Parents are invited not only to attend the circus at Brownwood but also to assist in providing transportation for Cubs, Boy Scouts and Explorers. Scout leaders point out that the Brownwood circus ranks as the major activity of the year for Scouts and Scouters.

Lions Nominate Charles Conradt To Be President

The Lions Club of Goldthwaite, meeting at the Hangar last Tuesday night, nominated a slate of officers who are due to be elected at the next Club meeting on the night of May 16.

At Tuesday night's meeting, President Warren Duren appointed a Committee to investigate proposals for cooperation in new telephone communication between Goldthwaite and rural areas. Marsh Johnson is Chairman of the Committee.

Harold Yarborough reported on the financing of trophies to be awarded to Mills County 4-H Club and Future Farmers of America champions, and Dr. M. A. Childress exhibited a motion picture film on tuberculosis.

Mary Katherine Palmer, student at Texas Tech at Lubbock was a week end guest of her parents, Mr. and Mrs. Harry Palmer.

Mrs. Little To Be Inducted As P-T-A President

At the meeting, a special feature will be presented by the Cub Scouts, and Mrs. Oran W. Carothers will lead a discussion on "Team Work in the Business World." Mrs. W. E. Cantrell will speak on "Your Child—His Career."

H. D. Training

H. D. Club leaders from Center City, Scallorn, Mullin and Goldthwaite last Tuesday attended a training session in the making of corsages at the office of Home Demonstration Agent, Ella Hintz. The leaders will pass on their training to H. D. Club members at various meetings in the near future. Ten leaders were present for the training.

Mr. and Mrs. Charles Hicks of Cameron visited his mother, Mrs. J. M. Hicks Sunday.

TOM FULLER CHARGED WITH ASSAULT WITH INTENT TO MURDER AFTER SHOOTING BOB COCKRUM AND LUTHER BOOKER WEDNESDAY

Suffering from what was described medically as an acute psychotic reaction, Tom Fuller, who lived some three miles south of Goldthwaite, late Wednesday afternoon inflicted shotgun wounds on Luther Booker of Goldthwaite and R. L. "Bob" Cockrum of Rt. 1. Shotgun pellets struck the cheek of E. T. Fairman, President of the Trent State Bank, and another pellet bounced off the hand of the Rev. Ed H. Lovelace, Pastor of the First Methodist Church, without breaking the skin.

Telephone Co-op To Provide Dial Phone Service

Probability that the projected rural service to be provided by the Central Texas Telephone Cooperative will be equipped with modern dial telephones developed this week when Ed Maddox of the telephone division of the Rural Electrification Administration in Washington conferred with the Directors of the Cooperative, it was announced by President Willis Hill.

Mr. Maddox and W. B. Chesser, REA Regional Director for REA applications and loans, with headquarters in Waco, met with Mr. Hill, Secretary Ernest Wilson, Vice President Warren Duren, and Directors Walter Marwitz and Delton Barnett. They outlined plans and requirements for the installation of rural dial telephone systems and discussed obtaining federal aid for the Central Texas Telephone Cooperative.

Mr. Maddox said the REA is determined that rural areas should have the most modern and dependable telephone service obtainable. To help to achieve the objective, the federal government has made available 35-year loans at the low interest rate of two per cent.

During his visit, Mr. Maddox made it clear that the projected telephone service will be set up to handle only the initial applicants for service. Accordingly, applications should be made early so there can be proper planning for automatic switchboards, trunk lines, and the other requirements for a network of rural, dial telephones. GIRL SCOUTS

The Goldthwaite Girl Scouts will have a supper and program at the School Lunchroom at 7:30 o'clock next Monday night. Awards will be made to the Girl Scouts. Parents are urged to be present and mothers are asked to take a covered dish to contribute to the supper.

It Was Wet All Over But Wetter In Some Places

The past week brought some more good rain to Mills County, including a rat-tat-tat of hail last Saturday night.

In Goldthwaite, the rainfall was measured on Harry Allen's gauge as 1.27 inches.

On the D. D. Henry farm, 2½ miles southeast of Star, Mr. Henry measured the rainfall as one-half of an inch.

Herman Ford, about three miles southwest of Star, said the rainfall added up to three-fourths of an inch. The Mullin Enterprise reported an inch and a half of rain out Mullin way, thereby showing that the rain did not fall on all alike in the same volume.

The possibility of injuries to other persons was diminished by the cool courage of Mr. Fairman, the calm patience of School Board Chairman C. C. Collier, and intervention by Deputy Sheriff Clyde Cockrum, who shot accurately and without danger to passersby in order to disarm Fuller who, for some 40 or 45 minutes, had occupied a position with his double-barrel shotgun in the west entrance to the Fairman Co., Inc., showroom, one block north of the Goldthwaite Square.

Two charges of assault with intent to murder have been lodged against Fuller by Sheriff Wiley L. Mahan. When Fuller is released from the Medical Arts Hospital at Brownwood, probably early next week, he will be brought forward for a hearing, or examination before trial. Grand Jury action will be taken later.

Soil Saving Week Set For Mid-May To Honor Farmers

District Supervisors J. H. Priddy and W. A. Hill are making plans for Soil Conservation District Week from May 15 to May 21. Mr. Priddy is making arrangements for several groups of farmers and ranchers to attend the Save the Soil and Save Texas Awards Banquet which will be held in Dublin on Saturday night, May 20.

Charlie Swindle will receive a plaque at the banquet for having been selected as the outstanding conservation farmer of the Brown-Mills Soil Conservation District. While this District did not have any Regional or State winners, the Washboard Conservation Group will attend the Banquet as guests of the Brown-Mills District in recognition of their outstanding work as a conservation group.

Dr. T. C. Graves also will attend the Dublin banquet as guest of the District for his unselfish service to the cause of soil conservation.

Soil Stewardship Sunday will be observed in most of the churches in the District. The Supervisors have provided information for the Ministers of all Churches who wish to participate in the observance of this special service.

A special program to commemorate the work of the Soil Conservation Districts will be broadcast from Houston on Tuesday night, May 16, at 9:00 o'clock. The work of conservation farmers throughout the state will be recognized and high-lighted all during the week of May 15 to 21.

Post Office Hours Remain Unchanged

Acting Postmaster Lucile Fairman announced this week that despite a program of postal economy, the hours in the Goldthwaite Post Office, so far as the public is concerned, remain unchanged. The threat of a Saturday closing at 5:30 p. m., has been averted and the Post Office will remain open until six o'clock as usual, Postmaster Fairman said.

Mrs. J. M. Campbell returned last week from a few weeks visit with her sister and other relatives in San Antonio.

Fuller's period of menacing many persons with his shotgun was ended when Deputy Sheriff Cockrum, firing from a counter at the Fairman Company with a pump shotgun, struck him in the arm. Some pellets lodged in Fuller's abdomen and he will be kept in hospital under guard until physicians believe the danger of peritonitis, and any other complications, has passed.

Bob Cockrum, about 65, was shot in the right leg. As the Eagle went to press his condition was described as good by the Medical Arts Hospital in Brownwood although Wednesday night there was fear that his wounds and the excitement of Fuller's actions might aggravate an existing heart ailment.

Mr. Booker who was Fuller's first victim, was about due to be released from the Memorial Hospital in Brownwood as the Eagle went to press.

In chronological order, here is what happened at the Fairman Company's showroom late Wednesday afternoon:

Armed with his shotgun, Fuller, who has a wife and two sons, appeared at the Fairman Company. He carried a notice from the Goldthwaite Independent School District showing a 1948-1949 school tax delinquency of \$22.27. The notice, signed by W. C. Henry, called for payment of the tax and (Continued on Back Page.)

4-H Livestock Judges Compete In State Contest

The Mills County 4-H Livestock Judging Team, the members of which are Merion Reynolds, Dana Saylor, Sammy Owen and Allen Poe, will compete in the State contest at A. and M. College at College Station on June 12, it was announced this week by County Agent George Reese.

The local boys qualified for the State competition by winning second place at the District 8 Meet at Tarleton State College at Stephenville on April 18. At Tarleton, they competed against teams from 18 counties in the Districts.

Mr. Reese said that in the June 12 contest at A. and M. College the competition will be tougher. At that time, the Mills County 4-H Club Livestock Judging Team will be up against 27 other teams that also placed high in District Meets.

LIBRARY SERVICE FOR ALL THE COUNTY

Some of the best of the most recent news is the determination to make the Jennie Trent Dew Memorial Library in Goldthwaite not merely a benefit to Goldthwaite, but a facility to serve all of Mills County. The Jennie Trent Dew Memorial Library as a building, is rapidly becoming a fact, but like Churches and schools, libraries must be more than simply bricks and mortar. They must be more than just repositories for books and meeting places. Books are of no value unless they are read. They have to be circulated. The proper functioning and the best value to be had from any library depends in large measure upon the services of a trained librarian whose time and knowledge will be available to as many people as possible. Some of the best libraries in the country render valuable service through mobile distribution units. In Mills County this week, the sparkplugs of the Jennie Trent Dew Memorial Library, County officials, school superintendents and civic and cultural leaders launched an effort to see to it that the library will become truly a facility for the entire County. That was a follow-up to the previous merging of the resources of the Dew and the former Goldthwaite Public Library. It is important to everybody whose reading is above the level of comic books to have the new effort succeed and it should have the support of the County, officially, and if advisable, of the State, too. More power to those who have set out to make the Jennie Trent Dew Memorial Library an instrument of service to all of Mills County.

MILLS 4-H'ERS POINT TOWARDS BIG DAY

On June 12, a Mills County Livestock Judging Team will compete at A. and M. College against 27 other 4-H teams. In this competition and under the guidance of County Agent George Reese, our own boys will be Merion Reynolds, Dana Saylor, Sammy Owens and Allen Poe. They acquitted themselves well at Tarleton College on April 20, when they qualified for the State competition next month. We hope that they will come back from College Station next month with new honors.

H. D. CLUBS MAKE BETTER LIVING

It has become almost routine to read about the H. D. or Home Demonstration Clubs in the Eagle. But such news ought not to be allowed to become humdrum or routine, and this is a good time for reminder that the week now closing has been National Home Demonstration Week. During the week, H. D. Clubs in 56,000 American communities have been stressing the theme, "Today's Home Builds Tomorrow's World." From a small beginning back in 1913, there are now three million American women participating in the work of H. D. Clubs throughout the nation. The H. D. enrollment in Texas last year was 43,000. In Mills County, Miss Ella Hintz is the H. D. agent; the news itself, week in and week out, shows her devotion to her work. Many others work to attain the goals of the H. D. Clubs. Names here that come most immediately to mind are those of Mrs. Eula Nickols, Mrs. L. B. Hart, Mrs. Dutch Smith, Mrs. A. L. Cole, Mrs. George Fletcher of Mullin, and Mrs. Don Geeslin of Center City. We are bound to have overlooked many others, but the important point is that among us there are many women who devote a great deal of time and energy to helping County Home Demonstration Agents spread information on nutrition, food production and preservation, home management, use of equipment, family relations, clothing, community activities, consumer buying and the training of volunteer leaders. That gives just a partial idea of the tremendous value of H. D. work.

THREATS, INTIMIDATIONS—AND FREEDOM

The past week saw an attempt to dictate to this newspaper what it should print and what it should not print. The attempt was accompanied by a threat of intimidation. It came also with the implication that Americans from outside Texas might not find Texans as American as other Americans. We do not believe that. We also take this opportunity to re-assert our belief that freedom is for everybody, and not merely for those who regard themselves as among the chosen few. We reject the idea that freedom of speech and freedom of the press is limited to saying and printing only that to which those who seek to dictate would subscribe. Again, we believe in freedom—and let the chips fall where they may.

Our WASHINGTON Letter

Aside from the cost of potato supports, the farm program has actually cost the taxpayers only \$140 million during the 17 years it has been in effect, according to figures recently compiled by the Commodity Credit Corporation.
This is a far cry from the outlandish claims that have appeared in some newspaper stories and over the radio in recent months. One irresponsible columnist said the cotton supports cost \$600 million! A month or so ago a new lobby was chartered, called "Abolition of Farm Price Supports, Inc."
Other press reports have put the net CCC losses at \$4 billion, and there have been other misleading and confusing stories on the subject.
Now, what is the truth about the farm program? No one can defend the cost of the aid to potato growers. Other perishables have been too expensive for a sound system. Hearings are now under way to find better answers to these problems. Certainly they must be taken out of the red or their costs greatly reduced if the program is to continue as applied to them.
An analysis of various estimates reveal that high total figures of support costs include such items as section 32 funds and the wartime consumer subsidy costs neither of which have anything to do with price supports. Section 32 funds (representing 30% of customs receipts on agricultural imports) have not been expended for price supports at all. That money goes for research, export subsidies, school lunches, etc. Yet the total of \$1,743,960,000 spent under section 32 is often included in the cost estimates for price supports in newspaper stories on the subject. Another frequent error reporters fall into is the inclusion of \$2 billion in price support outlays by CCC, which was actually spent for consumer food subsidies under the OPA program during the war and had nothing to do with support of farm products at all.
The CCC has reported a break-down of its activities since the farm program began in 1933, thru Feb. 28, 1950, showing a net loss under price supports on commodities acquired and disposed of, in the amount of \$495,000,000. Here are the important items:

Commodities on which there were net gains:	
Cotton	\$206 million
Tobacco	5.3 million
Soybeans	4.8 million
Other	1.1 million
TOTAL	\$217.2 million
Commodities on which there were net losses:	
Potatoes, Irish	\$355.4 million
Wool	90.4 million
(Does not include \$60 million profit by government on wool bought from Britain during war and later sold)	
Peanuts	60.2 million
Corn	46.8 "
Wheat	43.5 "
Eggs	39.2 "
Hemp and hemp fiber	21.5 "
Sugar beets	16.5 "
Grain sorghums	12.5 "
Other	27.0 "
Other	27.0 "
TOTAL	\$713.0 million
Net Loss	495.8 "

In other words, according to the CCC official report, losses totalling \$713 million under price supports on commodities acquired and disposed of are partially off-set by profits of \$217 million on other commodities, leaving a net 17 year loss of \$495,800,000. If we subtract the cost of supporting potatoes

The Eagle's
By The Editor

This is a footnote to previous accounts of the travail endured by the editor in trying to persuade public eating places to broil his steaks rare. A few nights ago he was at the Hangar with his wife and son enjoying a sirloin, broiled rare when along came young Del Barnett, who is 8 today. The conversation went like this: Del Barnett: "What's that?" The Editor: "That, Dell, is a steak." Del Barnett: "It isn't done, is it?"

The editor has other tribulations. His son Harve wants to raise chickens, sell the eggs to his mother at profiteering rates and use the proceeds from his handiwork for the purchase of a horse. Harve's mother wants NO part of chickens because, she says, they make noises, especially in the early morning, and wake her up. D. D. Tate has provided her with plenty of ammunition to use in support of her arguments against Harve. Mr. Tate did that by announcing that during the past 40 days his Eggers handled 2,906 cases containing 87,183 dozen eggs. That, Harve's mother points out, adds up to 1,046,196 cackles, thereby making her more determined than ever not to have chickens on her premises.

Said premises, incidentally, are the R. L. Cooner place on Fisher Street, formerly known as the Little place, where the L. H. Littles, grandparents of Raymond "Since 1898" Little, lived for so many years. Mr. and Mrs. Cooner have been marvelous to the editor and his family. Rarely have we seen anybody move so fast, especially as a matter of consideration for somebody else. What happened to the Cooners ought never to happen to any persons so nice as they are. A week ago, and in the midst of their own hectic packing, the Cooners had the editor's chattels descend upon them—far ahead of schedule. Before the Cooners could move their own belongings, they were so kind as to drop their own activities in order to make space for the editor's chattels. The Ekins family is deeply grateful to them.

Until further notice, Mr. and Mrs. Cooner will be living in Austin, at 511 East 38 1/2 Street. We hope they will be as happy in Austin as the editor and his family figure on being on Fisher Street. Moving time was made much easier for us, also, by the help of many other persons, including Joe Huffman, who scrambled around for help to unload the moving van; the Southwestern States Telephone Company, and the City Utilities of the Municipality of Goldthwaite. Our abiding gratitude to everybody who helped to make moving so much easier than otherwise it would have been. Even so, the editor has made a resolution never to move again; it is too hard on his wife.

The only low spot connected with moving involved the disappearance last Sunday night of young Harve's cocker spaniel, Rusty. But the crisis was ended, thanks to the timely assistance of Mrs. Mary Bigham of the Goldthwaite Grammar School. By Monday morning, and after Rusty had been missing for 17 hours, both Harve and his mother were in tears, and the editor had to interrupt his editing to go searching for Rusty. While he was searching in vain, his wife went to the Grammar School, where Mrs.

Self Culture Club Entertains Husbands With Music And Turkey

Husbands won official recognition as people, albeit probably; very much in need of culture, when the Self Culture Club of Goldthwaite entertained them at the Hangar last Friday night, April 28.

Lest the lure of culture itself might not be sufficient, the ladies of the Self Culture Club arranged for the John Jacksons to feed turkey, with all the trimmings, to the male bipeds present. That did it, and this reporter, who witnessed the departure of the husbands from the occasion, is able to certify that full of turkey, they looked reasonably happy.

(Editor's Note: It is only fair to Mrs. Cecil Parker, the Reporter for the Self Culture Club, to state that there has been considerable reportorial and editorial tampering with her story about last Friday night's clambake. Mrs. Parker is responsible only for the facts, and not the surmises, in this story.)

It is pertinent to report that last Friday night's session, with husbands, was the last of the Self Culture Club for the season. (Another Editor's Note: What Miss Earlene Nix will do to fill this space during the intervals of the "off-season" is her problem.)

Whatever happened to the gentlemen who attended was the responsibility of a Committee composed of Mrs. E. T. Fairman, Mrs. Harold Yarborough and Mrs. H. D. Schulze. Instead of black and blue, the usual color for husbands, the Committee worked out a color scheme of blue and white. Bluebonnets grew out of miniature Texases that were scattered along the tables and which pointed to a large oil painting of bluebonnets in Texas. The painting, appropriately enough, was on the wall.

There was music—good music—under the direction of Mrs. Sam Sullivan, who sang "Hills of Home," and "Will o the Whisp." Mrs. Ed Lovelace played a piano solo—Eckstein's "Rhapsody in Pastel," and Mrs. Schulze and Mrs. Marsh Johnson sang "Pond Lillies," with Mrs. Lovelace as the accompanist.

The guests were Marsh Johnson, J. H. Saylor, C. C. Saylor, J. A. Hester, O. H. Yarborough, H. E. Patton, Cecil Parker, Harold Yarborough, Ray Duren, H. D. Schulze, T. M. Glass and Sam Sullivan.

Since it was husband's night, no discourtesy is intended in stating at the last that Mrs. O. C. Weatherby also was a guest.

There were 42 present, in addition to the members of the Self Culture Club.

GHS Juniors Are Tight-Lipped About Senior Banquet Tonight

The Junior Class of the Goldthwaite High School and its sponsor, Mrs. Hoyt Cockrell, were among the most mysterious people in town this week, all because of the Junior-Senior banquet at the School Gymnasium at eight o'clock tonight, Friday.

The mystery was due to the fact that the Juniors, who will be hosts and hostesses to the Class of 1950 tonight, do not want the Seniors to know what is in store for them.

Fred Smart, Junior Class President, was just as mysterious as Mrs. Cockrell when the Eagle tried to learn what is to happen in the School Gym tonight. Mr. Smart did break down enough to say that about

110 persons will attend the Junior-Senior banquet tonight. He told a couple of secrets to the Eagle reporter but he was stopped from telling any more since secrets do a newspaperman no good. The Eagle wants information for publication; it can hardly be a party to the concealing of secrets from Seniors.

Maybe by next week the secrecy will be over and if the Juniors won't tell what happened, perhaps the Seniors will.

Because Mrs. Philip Nickols of the Melba Theater is not a one to hide her light under a bushel, what is known is that after the banquet tonight, Friday, the GHS Class of '50 will be presented on the stage of the MELBA THEATER.

Concert Series Tickets Offered By Mrs. Sullivan

Mrs. Sam Sullivan, Goldthwaite Chairman, announced this week the availability of season tickets for the Community Concerts at Brownwood. Subscriptions for the 1950-51 season must be made before noon tomorrow, Saturday, Mrs. Sullivan said. Applications for tickets should be made to Mrs. Sullivan or to Mrs. T. C. Graves.

Subscriptions for adults are available for the entire series at \$3.00 for adults, including \$1.00 tax, and for students at \$3.00, including 50 cents federal tax. The concerts, held annually at Howard Payne College at Brownwood, present famous vocal and instrumental artists. The program and dates for the forthcoming season will be announced later but, Mrs. Sullivan said, the important news is that the deadline for subscriptions is Saturday noon.

Mr. and Mrs. L. D. Ledbetter of Dallas visited over the weekend with their cousins, Ola Howell, Roy and Truman Hill. Mr. Ledbetter is employed as a police guard at the Federal Reserve National Bank of Dallas, and Mrs. Ledbetter is employed by the Woolen Uniform Company.

Goldthwaite PTA Highly Honored At Conventon

A delegation of members of the Goldthwaite P-T. A. attended a district convention of the Association at Stephenville on April 25 and 26 as the guests of Mrs. Raymond Little.

The members of the delegation, in addition to Mrs. Little, were Mrs. Mohler Simpson, Mrs. F. K. Jones, Mrs. W. C. Barnett and Mrs. Delton Barnett. They brought home significant honors.

The theme of the gathering was "We Build a World, Child by Child." The chief speakers were Mrs. Howard Maughan, representing the National Congress of the P-T. A., and Dr. Edwin Waggener, head of the Department of Education at Tarleton State College.

When it came to awarding certificates for courses in parent education, Goldthwaite won recognition far beyond the average. Eleven certificates were awarded to Goldthwaite for having completed the courses in parent education.

Mr. and Mrs. D. L. Wheeler Jr. of Brady left Monday after spending the week end with his parents, Mr. and Mrs. D. L. Wheeler, Sr. and other relatives.

'50 lend grace and enchantment to the Eagle office as, with the greatest of enthusiasm, they plug "Just Ducky."

This year's Senior Play is being directed by Mrs. Oran W. Carothers, who is the faculty sponsor of the Class of '50. Mrs. Carothers this week gave assurance that there will be a play (Just Ducky) on the night of May 12, but the performance will go on the boards only after the surmounting of grave difficulties. At one time, measles threatened an end to rehearsals.

"Now, if we don't have mumps, we'll have a play," Mrs. Carothers said this week. Other difficulties have included the following:

1 — Ann Sebolt's "Daddy." It seems that "Daddy" exercises rigid control over Miss Ann's hours. "Daddy's" demands on her time have interfered seriously with rehearsals for "Just Ducky." The Eagle will present (1) cancelled and therefore useless penny postage stamp to the first person who accurately identifies "Daddy" to this newspaper's editorial staff. (The editor wants to know the secret of "Daddy's" power over Ann Sebolt.)

2 — Joann Partridge. The difficulty here is Miss Joann's timidity. Perhaps she is just shy, but the story is that Miss Partridge breaks in the churches. After all, Director Carothers asks only for a friendly, comradely male arm around her, but Miss Joann so far has not been putting up with such goings on. This reporter offers as advice, freely given, the borrowing of Ann Sebolt's "Daddy" to tame Joann Partridge.

3 — Nell Carman Wilkins. Miss Nell Carman is taking her part in "Just Ducky" too seriously. Her part requires writing to the "Letters to the Lovelorn" columns in newspapers. The rumor is that Miss Wilkins is working on her part OUTSIDE rehearsals. Write to the Eagle, Miss Wilkins. Its editor once substituted for Dorothy Dix, and he assures you that any reply to any letter you may write will stand your pretty hair on end.

There will be further news of "Just Ducky" next week. Meanwhile, rehearsals continue, with difficulties, by members of the cast who are: Mack Robertson, Jane Ann Steen, Nell "Lovelorn" Carman Wilkins, Larry Simmons, Sybil Ann Reid, "Red" Miller, "Daddy's" Ann Sebolt, Billy Mack Stark, Cecil Williams, John Cook, Gall "Dimples" McNeil and Joann "Timid" Partridge.

Mrs. Omar Harvey and children left Saturday for their home at San Antonio after spending 10 days with Mr. and Mrs. Ira O. Harvey.

With Sad Hearts, Goldthwaite Bids Farewell To The Emerys

The last week in Goldthwaite of the Rev. Joseph L. Emery, Pastor of the First Baptist Church, and Mrs. Emery, was busy indeed, but it was also a tribute to them and an expression of the affectionate regard that the entire community has for them.

Next Sunday will be the last in Goldthwaite for Brother Emery, and Mrs. Emery, who is the Church organist. Brother Emery has accepted a call to become Pastor of the Riverside Baptist Church in Houston. He will occupy his new pulpit as Pastor on May 14.

Last Sunday morning, at the Downtown Men's Bible Class at the Melba Theater, and in response to a suggestion by President Delton Barnett, 91 members of the Class voted unanimously to pay their respects to Brother Emery. Accordingly, last Sunday night, the Downtown Men's Bible Class assembled at the Baptist Educational Building on Fisher Street and then marched in a body to the Sanctuary to hear Brother Emery preach and to show his parishiners how well they sing under the leadership of W. C. Frazier.

Last Monday afternoon, Brother Emery visited the Goldthwaite Grammar School, where he spoke to the pupils, telling them the story of the "loaves and the fishes" and how Moses brought water from the rock. He invited the pupils to visit the Emerys in Houston.

On Wednesday evening, Brother Emery and Mrs. Emery were entertained at a covered dish supper by the wives of the Deacons of the First Baptist Church. In addition to the Emerys, the guests were the Deacons and the members of their families. The members of the Board of Deacons of the First Baptist Church are:

J. N. Faith, Chairman; T. F. Sansom, H. C. Schunke, W. P. McCullough, Jim Rudd, E. A. Obenhaus, R. V. Littlepage, Warren P. Duren, Grady Carothers, F. P. Bowman, Charles Haensch, G. W. Jackson, O. B. Bell, Frank Hines, Field Hines, Charles Conradt, O. B. Hale, Loy Long, Ed Gilliam, J. C. Morgan, and J. H. DuBose.

Tomorrow night, Saturday night, at 7:30 o'clock, there will be a reception for Brother Emery and Mrs. Emery in the Chapel of the First Baptist Church. The reception will be sponsored by the Women's Missionary Union, of which Mrs. Charles Haensch is the President. Mrs. Haensch said that everybody in the community, as well as members of the First Baptist Church, is invited to the farewell reception for the Emerys.

Today, Friday, is a very important day in the lives of Brother and Mrs. Emery. At Fort Worth today, Brother Emery will receive his degree as a Bachelor of Divinity from the Southwestern Baptist Theological Seminary, while Mrs. Emery will receive her degree as a Master in Religious Education.

On Sunday, at both the morning and evening Services of Worship, Brother Emery will occupy the pulpit of the First Baptist Church as Pastor for the last time. The morning service will be broadcast by radio station KCLW at Hamilton—900 on your radio dial.

During the evening, 44 young people enjoyed folk games, table tennis and other games. Principal-designate Jack Locklear of the Goldthwaite High School was the Caller for the folk games. Ice cream was served to the young guests by their hosts and hostesses.

The weekly Thursday night periods of recreation at the School Gymnasium represent a project of the Goldthwaite Youth Council. Local civic organizations and clubs, which also are represented on the Youth Council, take turns in providing the programs for the Youth Nights.

Now we've got something here at Star that we want to get cornered and hold. Gas? Yes, a chance to get gas. The main line runs right by us, and all we need is thirty-five signers to land the animal. Let's get it done without dilly dallying which may result in not at all.

Christian Science Services

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 7.

The Golden Text is: "When I said, My foot slippeth; thy mercy, O Lord, held me up" (Psalms 94:12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "This I say then, Walk in the Spirit, and ye shall not fulfill the lust of the flesh" (Galatians 5:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you;' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal" (page 476).

Mrs. Chas. Frizzell took her mother, Mrs. F. D. Webb to Lampasas Sunday to visit Mrs. J. H. Henry who underwent an operation for a fractured hip at Rollins-Brooks Hospital. She is doing nicely.

John Worley is recuperating from a tonsilectomy he underwent at Hamilton. He and his grandfather, J. P. Gerald of Hamilton spent several days last week at Buchanan Dam.

"Here's the inside story of party-line telephones..."

Telephone Cable Individual Wire

If you cut a telephone cable in two, you'd see that it was full of wires—a hundred. This cable will carry 50 conversations at once, each taking two wires.

Fifty pairs of wires, serving fifty telephones. But let's say this telephone cable runs through a neighborhood where not 50, but 200 families need telephone service.

By sharing the lines among them—four families to each line—all can have telephones. Some families prefer four-party service. Others will want two-party or individual-line telephones when they are available. But for the time being it is best, we think, that as many families as possible get service through sharing.

Party-line service is as good as

telephone users make it. When they are as friendly and considerate about using the same telephone line as they are about using the sidewalk, or a bus, or a restaurant—then party-line service is good.

Those who need two-party or individual-line service will have it when we are able to add all the extra equipment it will take to supply it. We keep careful records of each request for a different type of service. In those neighborhoods where we have enough plant to permit it now, we are filling these requests. This is a continuing program, and we appreciate the patience of those waiting.

Mullin HD Club Entertained At Fletcher Home

Mrs. Geo. Fletcher, president, was hostess to the Mullin Home Demonstration Club, Friday, at her home in Mullin with members of the Jones Valley Club as guests. Mrs. Raymond Neel gave a demonstration on "A Labor Saving Landscape for the Farm Home". Pictures, charts and diagrams were shown to stress the importance of making the landscape frame the house and to make the house look as if it belonged to the location, also to emphasize outstanding features and correct or screen architectural weakness of the house or surrounding buildings. Special emphasis was placed on beginning the project with a good plan, which should be kept plain, neat and simple and should reflect the personality of the owner, as well as having convenience, comfort and beauty; whether for a new home or rearranging the planting for an old one. Common errors made by home makers in landscaping were pointed out for each home presents its own problems.

Plans for the next meeting were announced. All members are invited to the all day affair in the home of Mrs. C. C. Wright May 12th with a covered dish luncheon at noon. Mattress and spring covers will be the main feature of the program.

A refreshment plate with frosted drinks were served to: Mrs. C. C. Wright, Mrs. Raymond F. Neel and Mrs. Geo. Fletcher of Mullin and guests from the Jones Valley club: Mrs. Luther Jernigan, Mrs. Albert Tulley, Mrs. Hawley Jernigan, Mrs. Raymond Wilcox, and their children, also Mrs. Fisher and children of Lubbock.

Pictured above are Buck and Tommy Steiner, who will produce the big Rodeo at the Jernigan arena, three miles east of Goldthwaite, on the nights of June 8, 9 and 10. The Rodeo, sponsored by the Mills County

Rodeo Association, will be, as in the past, a memorial to the veterans of Mills County. Posters to advertise the Rodeo now are being printed, and committees appointed by President Malcolm Jernigan of the Association are hard at work on ar-

rangements for contestants, the big kick-off parade through Goldthwaite on June 8, and the decorations that will help to make Rodeo Time a Festive Time. At the start of the Rodeo each night, there will be bull riding by strictly amateur tal-

ent from the County. Other major events will be calf roping, bronc riding and a contest for women onlp. Buck and Tommy Steiner have assured the Mills County Rodeo Association that they have lined up the finest stock and equipment obtainable.

John L. Boland Comes Home For Good Visit

John L. Boland of Bay City, formerly of Goldthwaite, was a late April visitor on his old stamping grounds.

Mr. Boland, who moved to Bay City from Goldthwaite in 1942, visited with his daughter, Mrs. Charles S. Cobb at Bangs, in Brown County, and he had a reunion with kinfolk in and around Mullin. They included his brothers, J. H. Boland and F. A. Boland of Mullin. There also were visits to Mrs. Boland's sister, Mrs. W. S. Chesser, also of Mullin.

Although Mr. Boland has lived away from Mills County for eight years, he has kept in touch with people and events in Mills County. He is a valued reader of the Eagle, and he writes to the Old Bird which, as Mr. Boland says, takes some doing "for a fellow like me with a double case of laziness."

While he was here, Mr. Boland got a big kick out of the fact that at the Steen Hardware store he was able to buy some water bottles that were unobtainable down on the coast. That, Mr. Boland, is a tip for you to do all your shopping here. You can mail your

Also while he was here, Mr. Boland kept wishing wistfully that Mills County farmers would go to the bottom with him on that matter of his Bay City neighbor who grew an ear of corn with a shadow weighing 40 pounds. But they didn't and Mr. Boland still doesn't know the weight of the corn cob itself.

What's the secret of the "UNRUFFLED" RIDE?

SOME car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only.

Some say the drive is important—how power is transmitted to the rear wheels.

We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation.

Some stress tires—so you'll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wash out all "after-bounce."

Then there are frames—and car weight—and engine mountings, which on Buick are a very special kind used nowhere else.

They're all important—yet the plain truth is no one of these things—or two or three—gives a ride you can truly call "unruffled."

We feel it takes all of them—springs, tires, shock absorbers, drive, engine mountings—carefully and precisely brought into balance with each other.

You can see why we think so in any Buick—SPECIAL, SUPER or ROADMASTER.

You can feel it on the roadstones

and car tracks, washboard grades and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflo Drive!

So we would like you to try a ride that is truly "unruffled." Free of harshness—undisturbed by jounces and jitter—level—steady-going—smooth.

Just ask any Buick dealer for a chance to try out any Buick. You'll find it "the ride of a lifetime"—and the buy of a lifetime too!

*Dynaflo Drive is standard on ROADMASTER optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Only Buick has Dynaflo—and with it goes!

CAVALIER

The racket in the Square last Tuesday was advertising for "Cavalier" cigarettes. One of the cars in a very miniature parade tooted the above-pictured bonhomme who came into the Eagle office to describe himself as "tall, dashing and handsome." He made somewhat of an impression on our advertising-minded Miss Earlene Nix, but our Miss Ruth Ervin's heart didn't even flutter. (Note to the R. J. Reynolds Tobacco Company: We spelled "Cavalier" correctly.)

News Of The Brown-Mills Soil Conservation District

George Tieman of the Pflugger Conservation Group has started construction of one mile of small channal type terraces. The Terraces are emptying on a native grass pasture. This type of terrace outlet is preferable over an excavated water way, which must be seeded to grasses and terracing postponed until the grass is established.

The following farmers have made coordinate conservation plans with the Supervisors of the Brown-Mills Soil Conservation District. Soil Conservation Service personnel assisted these farmers in developing their plan. Lowell Burkes of the Mt. Olive Neighbor group; H. Y. Rufe and son, Richard Hohertz, and J. W. King of the Priddy No. 5 Neighbor Group; and Fritz Tieman, and N. C. Karnes of the Chappel Hill Neighbor Group.

(Continued from Editorial page)

from this the total net loss amounts to the \$140 million.

Now, just what has been the extent of this agricultural price stabilization program whereby price floors have been put under certain commodities? Since 1933, the CCC reports, it has extended to 43 million bales of cotton, one billion pounds of tobacco, two billion bushels of corn, and 2 1/2 billion bushels of wheat.

But, what about present inventories and loans? The report shows that at present the total quantity under loans and inventory amount to 6.3 million bales of cotton; 365 million pounds of tobacco; 731 million bushels of corn; and 470 million bushels of wheat.

It is pointed out that these investments and loans are in the main desirable risks, and should involve but limited losses. The perishables, of course, will cause greater losses.

It is interesting to note that since 1933 the total invested in price supports of all commodities has been over \$10 billion, and according to CCC figures, the loss to date has been less than 5c out of each dollar used.

It is hoped that new legislation will remove more of the bugs from the farm program and that a method can be devised whereby the unworkable parts may be corrected or eliminated and the sound portions maintained and improved. If that can be done, farm prices may be stabilized and the cost to the tax payers held within reason. But it's a tough job to accomplish all of that.

Lions, Red Cross Took Fine Cakes To Waco Sunday

The Goldthwaite Lions Club, in cooperation with the Mills County Chapter of the American Red Cross, entertained disabled soldiers and sailors and former servicemen at the Veterans Hospital in Waco last Sunday.

Lathan Jernigan and Elizabeth Haggood went along to provide piano music for the veterans. Warren Duren, President of the Lions Club; Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross; and D. D. Tate were the hosts for the party.

In response to a call from Mr. Smith, Mills County housewives provided 26 good, homemade cakes. Mr. Smith, who had asked for only 15 cakes, says thank you, for himself and the veterans.

Several trial plantings of Evergreen Sweetclover have been made by the cooperators of the Brown-Mills Soil Conservation District for observational studies.

Last Monday night Don Clark, Vocational Agriculture teacher at Mullin, showed "Prairie Harvest" and "The People Together" to an attentive group of adults and students of the Mullin School District. These movies were obtained for Mr. Clark by the Soil Conservation Service.

Mr. Elmer Embrey of the Washboard Neighbor Group has started deferment on another native pasture. Two pastures were deferred last year from June 1 until frost, and Mr. Embrey was well pleased with the amount of seed, plant growth, and root growth he received. He is chiefly interested in allowing his native grasses to re-

Ford does it again

Ford's the first car ever to receive the coveted New York Fashion Academy medal in two consecutive years

All the world of Fashion looks to New York's famed Fashion Academy as an authority on style. So it's no wonder Ford is proud to receive their medal as "Fashion Car of the Year" for the second straight year. Never before was a car honored by two Fashion Academy Awards in a row! Here's proof that Ford has succeeded in bringing style to the low-price field—style even far costlier cars can't match.

Named "Fashion Car of the Year" second year in a row

And handsome is as handsome does. A "Test Drive" will show you the quality that makes the '50 Ford the one fine car in its field. You'll feel the smooth, quiet getaway power of Ford's new V-8 engine (or advanced "Six" if you prefer). You'll feel the 35% easier acting King Size Brakes. You'll feel the "Mid Ship" comfort of Ford's 13-way stronger "Life-guard" Body . . . now "sound-conditioned." Yes, here's quality you'll see, hear and feel when you "Test Drive" the '50 Ford.

 that new generations, with their vitality and drive, could harness their energies and channel them in their native places. I think that all of you who read this column would be jolted right to your back teeth if you were to sit down and tot up the number of people who were born here, but who do not live here now and who have no intention of ever coming back except for brief visits to ancestral hearths.

There can be great opportunities here. There can be a glorious future. But unless we are to stagnate, our young persons must be "sold" on them and be made to understand that they can realize their ambitions and have happy lives right at home. It does not make sense to expect every child to want to follow in the footsteps of a father or a mother. In many cases, children have seen parents with poor rewards for lives of toil, heartache and worry. To their credit, they say "that is not for me." But those of us who still carry the torch have an obligation to get into the minds and hearts of our young people, learn what they want, and then help them to have it here—and not away from here.

So long as the economic planners and the architects of the so-called "Welfare State" in Washington are not having their own way entirely, American youngsters are entitled to believe that a part of their heritage is freedom of opportunity. They are correct in being loyal to themselves and to the families they hope to rear. But they have a right to expect that those of us who are older, despite the strains and cares of living, will make our very first business the providing of opportunities for the generation that is coming up. If our children must be "sold" on the way of life that the basic agricultural economy of Mills County offers, then the selling has to be in homes. We impose too great a burden if we thrust the future entirely onto the shoulders of a handful of vocational agricultural teachers and County agents. How all of us meet both a threat and a challenge, will determine the future of Mills County.

Mr. and Mrs. Joe Dennis of Ranger visited Sunday in the homes of Mr. and Mrs. John H. Long and Mr. and Mrs. Lynn Nix.

Red Sox To Play Gatesville At Ball Park May 6

The Goldthwaite Red Sox, thus far undefeated in the 1950 baseball season, will play Gatesville at the Ball Park at eight o'clock tomorrow night, Saturday. The Red Sox were to have played Gatesville in the season curtain raiser last month but the game was rained out.

Last Saturday night the Goldthwaite team maintained its winning streak by trimming the Austin Palominos, an all-negro team, by a score of 11 to 8.

Manager Howard Hoover said that Saturday night Y. B. Johnson probably will be the starting pitcher for Goldthwaite, with Charles Conradt behind the plate.

Rural Telephones

Secretary Wilson said that progress continues in the signing-up of subscribers to the projected service. Those who have not yet done so should communicate with the officers of the Cooperative or with County Judge L. B. Porter at the Mills County Court House.

Last report from F. F. Flatt at the Scott and White Hospital, where he underwent an emergency operation, was that he was doing as well as could be expected.

Mr. and Mrs. Loyd Eckert visited relatives and friends in Miles and San Angelo last week.

Softball League Games To Start At 7:30 Tuesday

Play at the Ball Park in the Goldthwaite Softball League last Tuesday night resulted in a victory by the First Baptist Church team over the Lions Club by a score of 11 to 5, while the team sponsored by the First Methodist Church defeated the American Legion 10 to 9.

Next Tuesday night, Park Board Secretary W. C. Barnett announced, the games will start at 7:30 o'clock—a half hour earlier than in the past. Tuesday should be a big night, for it will bring the Baptist and Methodist Church teams into opposition. Also next Tuesday night, the American Legion will play the Lions Club.

So far, the teams sponsored by the Methodist and Baptist Churches have not been defeated.

CENTER CITY H. D. CLUB

The club met April 27 with Mrs. Dealbert Carter. The topic for discussion was "Importance of Sleep." Miss Ella Hintz gave an interesting demonstration on the correct way to make a bed in order to sleep in comfort.

The program was cut short in order to honor Mrs. Roscoe Karnes with a pink and blue shower.

Refreshments were served to 15 members and a number of guests. The club adjourned to meet May 10 with Mrs. Arnold Head.

Play Safe, Lucile!

Mrs. Lucile Fairman, Goldthwaite Acting Postmaster, this week was appointed an Honorary Director of the Texas Safety Council. Mrs. Fairman's appointment came with a letter from Pierce P. Brooks of Dallas, President of the Texas Safety Council.

Fuller Shoots

(Continued From First Page.)
 warned that if not paid 30 days from May 1, it would be put in the hands of an attorney for collection.

Upon arrival at the Fairman Company, Fuller demanded an interview with Mr. Collier. As Mr. Collier approached, Fuller tossed his tax delinquency notice on the ground and, flourishing his gun, ordered Parts Manager V. A. Hudson to pick it up and hand it to Mr. Collier. As Mr. Collier sought to reason with Fuller, the gun, amidst a long harangue, was pointed at the School Board Chairman.

During the opening phases of the episode, Mr. Booker, who also is about 65 and who has known Fuller for a long time, emerged from the Mills County Locker Corporation. He called to Fuller, saying: "Tommy, put that gun down and get yourself some rocks." At once Fuller fired across the street. The blast struck at the feet of Mr. Booker, who was peppered with pellets from the head down to his feet.

While Mr. Booker was being treated at the clinic of Dr. M. A. Childress before being removed to hospital, Roy Wilkins, a School Board member, arrived on the scene and also tried to reason with Fuller. Fuller refused to listen to Mr. Wilkins and he sent him to get Hollis Blackwell, who, according to Fuller, was his "only friend." At the same time, Fuller kept his gun on Mr. Collier, saying: "When you leave here, they'll haul you off."

With Mr. Collier under the gun, Mr. Fairman arrived, and at the same time Bob Cockrum, uncle of Deputy Sheriff Cockrum, appeared at the north entrance to the Fairman Company. Mr. Bob Cockrum, who also knew Fuller well, tried to approach the armed man, saying: "Tommy, you wouldn't shoot me." Fuller replied: "Bob, I will, I'll shoot you if you don't get out." Mr. Cockrum told Fuller to go ahead and shoot, so Fuller shot, and Mr. Fairman

was struck in the cheek, near the mouth, and a pellet grazed the hand of Brother Lovelace.

Mr. Cockrum, bleeding profusely, was treated at the Slaughter Clinic on Fisher Street before he was removed to hospital.

At that point, Mr. Fairman took up a stance only a few feet from Fuller and with nothing between him and the waving gun but air, Mr. Fairman tried patiently to reason with Fuller, who ranted against what he alleged to be a School Board threat to seize his home, dispossess his ill wife and children—although there never was any such threat. Despite the danger, Mr. Fairman courageously kept Fuller occupied until Deputy Sheriff Cockrum was able to fire. Earlier attempts by the Deputy to disarm Fuller were prevented by the appearance of persons outside the building and within gun range.

Just as Deputy Sheriff Cockrum fired, Fuller dropped his own gun and Mr. Fairman stepped out of the way. Fuller at first believed his own gun had gone off when he heard the blast of Deputy Cockrum's accurate fire. Fuller did not realize he had been shot until Deputy Cockrum reached his side. By that time, all the fight was out of Fuller and his first words to Deputy Cockrum were: "Don't hurt me." Fuller also was led to the Childress Clinic.

The 40 or 45 minutes that the affair lasted saw the gathering of a considerable crowd at the northwest corner of the Square. Attorney William G. Yarborough had put in a call for the Highway Patrol and for assistance from Brownwood, but the calls were cancelled following the arrival of Deputy Cockrum.

At the time, Sheriff Mahan was out of town. Sheriff Mahan had gone to the Darrington Farm, 25 miles beyond Sugarland, and to Sugarland Farm No. 2, to pick up William S. Riley and Herman Buckelew, who were indicted by the May Grand Jury last Monday.

Fuller admitted to several witnesses that he had had "a few drinks" before he went to threaten Mr. Collier, after hav-

ing opened his tax delinquency notice, that had arrived in the mail last Tuesday. Dr. Childress expressed the opinion that Fuller suffered from at least a temporary mental imbalance and that his feeling of being persecuted resulted in "an acute psychotic reaction."

Fuller was born in Alabama. He has been in Mills County since about 1922. He drove a truck, did odd jobs, and worked some on a tract of some 11 acres where he made his home, south of Goldthwaite.

Fuller's activities of Wednesday gave Goldthwaite considerable notoriety—including accounts of a "reign of terror" in out-of-town newspapers. Accounts of the shootings were broadcast and the Eagle was deluged with telephone calls from news services and other newspapers.

(Editor's Note: Elsewhere in this issue of the Eagle there is a brief item kidding Mr. Booker about San Saba Peak. At the Childress Clinic, Mr. Booker, with a big grin, said he hoped the item would stay in the Eagle. It did.)

Mrs. F. E. Cave and Mrs. Dave Taylor of Plainview left Tuesday after spending several days with Mrs. Tom Cave and Miss Ruby Cave.
