4-H And FFA Livestock Judges Get Set For Big Contest At State Fair

Mills County 4-H And FFA Exhibit At Dallas Fair

Mills County livestock, including calves, sheep, turkeys and broilers, will be well represented at the State Fair of Texas at Dallas. There will be entries by the Future Farmers of America and by members of 4-H Clubs.

County Agriculture Agent George G. Reese, describing the 4-H Club exhibits this week, listed the following:

Two Southdown lambs to be exhibited by Armand Zoe Clary.

Two steers, to be exhibited by Wayne Poe and Dana Saylor.

Broilers to be exhibited by Harold Clary and Armand Zoe Clary.

Fifty turkeys to be exhibited by Margaret McCasland, Kay McCasland, Van Wilson McCasland, Armand Zoe Clary and Harold Clary—each of whom will show five Toms and five hens.

Myron Hillman of Rt. 1, Mullin, a member of the F.F.A. at the Mullin High School, will have entries in the Southdown Sheep Division of the Fair, which will start tomorrow, Saturday, and run through October 21.

Bobby Letbetter of the Goldthwaite Future Farmers of America will exhibit an Aberdeen-Angus calf at Dallas and Y. B. Johnson, Jr., will show his Southdown ram that took the championship at the last January Show of the Mills County Livestock Raisers Association.

Turkeys will be judged at the State Fair of Texas on Saturday of this week. Club steers and sheep will be judged on October 18 and broilers will be judged on October 17.

Phone Co-op News Hoped For Soon

Secretary Ernest E. Wilson and Director Delton Barnett of the Central Texas Telephone Cooperative were expected to return from Washington to Goldthwaite on Friday of this week. They will be greeted by high hope that they will have with them the proceeds of a federal loan to make the Co-op a going concern.

Mr. and Mrs. B. A. Hodges, Nelda and Joe Charles visited the Paul Myar family at Georgetown and helped Mark Myar celebrate his second birthday.

Goldthwaite Eaglets Beat DeLeon And Evant To Remain Undeclared

Don't anybody ever again dare to call them the Pee-wees. They are the Eaglets—the junior football team of the Goldthwaite Schools and on Tuesday night of this week, playing in Goldthwaite, they ran wild against Evant. On Thursday night of last week the Eaglets beat DeLeon 12 to 6 at DeLeon. Undeclared this season, the Eaglets have been praised to the skies by the teams they have whipped.

On Thursday night of last week Left Halfback Lester Geeslin scored both touchdowns against DeLeon. In the game, H. T. Vaughan was knocked out and he stayed out until the next day, but by Tuesday night of this week he

was in there again, playing his heart out against Evant. In fact, the first touchdown against Evant Tuesday night was by Vaughan, who ran 20 yards to put the pigskin over the goal line. Geeslin kicked the extra point.

The second Eaglet touchdown of the game came when Jimmy Dale Thorne ran 45 yards for a touchdown and, of course, Geeslin kicked the extra point. Then, on a pass, Bobby Elliott to Kenneth Perry, the Eaglets scored again. They ran into a 15 yards penalty for holding and then failed to make the extra point on an attempted pass, Penn Barnett to Vaughan.

Members of the Mills County 4-H team are Dana Saylor, Merion Reynolds, Bobby Zane Egger and Davis Owens. Members of the F.F.A. team are John Carothers, now a student at Baylor University; Bill Parker, a Junior at the Goldthwaite High School; Harvey Parker, who now is working in an oil field near Midland; and James Kemp, who now is employed in Goldthwaite by V. C. Bradford at his Western Auto Associate Store.

The teams, led by Mr. Reese and Mr. Johnson, will report for competition in Dallas at 7:30 o'clock next Tuesday morning. In the case of each team, the scores of the three top men will be the ones that count in figuring the championship. Judging will be of cattle, sheep, hogs and quarter horses.

After the competition at Dallas, the F.F.A. team will report for competition as representatives of all of Texas at the American Royal Show in (Continued on Back Page.)

Brother Finley Ill

Minister A. B. Finley of the Church of Christ in Goldthwaite is seriously ill at Gaston Hospital in Dallas, where Mrs. Finley and their children are at his bedside. Brother Finley was scheduled to submit to major surgery on Wednesday morning of this week. He has been in ill health for some time.

Methodists Start Evangel-Mission Here On Sunday

County Trustees Pass On Priddy School Bus Issue

Meeting on Monday of this week at the Court House office of County Schools Superintendent Lewis B. Porter, the Mills County Board of School Trustees resolved, at least temporarily, a dispute between the Goldthwaite and Priddy Independent School Districts.

On motion of Cecil Egger, the Board voted to permit a Priddy school bus on route number 17 to operate inside the territory of the Goldthwaite Independent School District on condition that the bus would not take to school at Priddy scholastics claimed by the Goldthwaite Independent School District.

The motion by Mr. Egger was seconded by J. H. Priddy. Voting for it were Mr. Egger, A. A. Downey and Mr. Priddy. Present but not voting was Howard Campbell. Jim Soules, President of the Board, votes only in case of the necessity of breaking a tie.

School Superintendent T. M. Cash of Priddy spoke in behalf of the Priddy viewpoint on the long-standing difference that involves part of the Mt. Olive community. The Goldthwaite Independent School District was not represented at the meeting.

Eric D. Roberson, Co-ordinator of Vocational Schools, appeared before the Board to discuss matters pertaining to Vocational Schools. Mr. Roberson was authorized to employ Carl Letbetter to appraise welding equipment, including that at the GI School at Mullin. Such equipment may be sold if it appears desirable to do so.

Big Army Maneuvers Planned For Spring

Santa Fe Railroad officials, headed by Trainmaster W. A. J. Carter of Temple, and several officers from Fourth Army Corps Headquarters at Fort Sam Houston, came to Goldthwaite on Wednesday of this week to confer with Y. E. Hoover, Goldthwaite Santa Fe Railroad chief. The purpose of the conference was to coordinate railroad activities with those of the Fourth Army in preparation for major military maneuvers in this area next spring. During the maneuvers, the railroad will be heavily involved in troop movements.

375 Volunteer Blood Donors Are Required For Red Cross Program

Mrs. A. L. Whittaker, Mills County Recruitment Chairman for the American Red Cross blood donor program, announced this week the appointment of Mrs. T. C. Graves to enlist blood donors in Goldthwaite and of Mrs. John G. Berry to organize the blood donor program in Mullin, Priddy, Star and in rural districts.

Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, said that the Bloodmobile Unit of the North Texas National Defense Blood Center of the Red Cross will come to Goldthwaite from Fort Worth upon assurance that 375 persons have agreed to be blood

donors. Expressing belief that the Goldthwaite High School Eagles will play their best football of the year against Lometa at Lometa tonight, Friday, Coach Carl Knox said this week that he expected the Lometa opposition also would make a supreme effort against the Goldthwaite players.

On Friday night of last week, Lometa defeated Richland Springs 13 to 7 in the final seconds of play while at Cross Plains the Eagles were losing 27 to 7 in a game with the Cross Plains Buffalos.

(A detailed account of the Goldthwaite-Cross Plains game as written by R. C. McCollum appears on another page of this week's Eagle.)

As the time for the clash with Lometa neared, all indications were that Coach Knox would have a starting lineup for the game but not much more. There was doubt that James Partridge would be able to play because of a sprained ankle that has had him limping for the past two weeks. Also, there was doubt that Bobby Letbetter would be able to get into the game against Lometa because of an injury to his back that he suffered in the game against Cross Plains. As the Eagle went to press, the prospect was that Coach Knox would have one substitute—Wayne Roberts—for the Lometa contest this Friday night.

"Our boys are in good spirits," Coach Knox said. "We have had some good workouts since the tangle with the Cross Plains Buffalos. I believe that the Eagles will play one of their better games against Lometa, win or lose. Let's remember, however, that the Lometa players also will be out to play their best football Friday night."

From all the talk this week, much of Mills County planned to drive down to Lometa to see this Friday night's football game.

Weather Report

That sprinkle last Friday morning, which Harry Allen could not measure because it was so slight, was described as "dew" by the Eagle's Roy Lee Hill—who now says that any man who would predict "no rain until Christmas" is a fool. Such a short memory!

Hospital Patients

The San Saba Memorial Hospital announced that among their patients admitted this week were Mrs. F. A. Cobb and Mrs. Henry Eilers, both of Mullin.

Fines Assessed As Safety Laws Get Enforcement

Continuing traffic violations in Goldthwaite and Mills County resulted in several additional entries on the docket of Justice of the Peace E. A. Obenhaus as again this week Sheriff C. F. Stubblefield urged regard for safety regulations and took further steps for the protection of children in the vicinity of the Goldthwaite Schools.

Among the latest entries on the docket of Justice of the Peace Obenhaus were the following:

Culver Rann Emby of Star, charged by Highway Patrolman Billie R. McElroy with speeding, pleaded guilty, fined \$10.00 and costs of \$9.00.

Noble Humphries of Goldthwaite, charged with reckless driving in a complaint signed by a citizen, Mrs. H. R. Ekins of Goldthwaite. This case is pending on the docket of Justice of the Peace Obenhaus.

W. Lee Watson, charged with passing in a no passing zone by Patrolman McElroy, pleaded guilty, fined \$19.00 including costs.

Jack Chaney, charged by Highway Patrolman McElroy with running a stop sign, pleaded guilty, fined \$14.00 including costs.

Doyle Head of Center City, charged by Patrolman McElroy with passing in a no passing zone, pleaded guilty, fined \$19.00, including costs.

W. N. Crawford, charged by Patrolman McElroy with speeding in Goldthwaite in excess of 45 miles per hour; case dismissed.

J. C. Matlock, charged by Patrolman McElroy with passing in a no passing zone, pleaded guilty, fined \$10.00 and costs of \$9.00.

\$201.78 For Eagles

Goldthwaite's share of the football game at Cross Plains on Friday night of last week was \$201.78. It was announced by School Board Secretary Ray Duren.

Wonderful News

J. Hobart Priddy was re-elected to the Board of Supervisors of the Mills-Brown Soil Conservation District at a meeting at the GI School in Mullin on Tuesday night of this week. Mr. Priddy, an ardent soil and water conservationist, represents subdivision three of the District on the Board.

Opposing Motions Before Judge Dice

Motions by Counsel for the Plaintiff and Defense in the case of A. L. Reese versus the City of Goldthwaite were scheduled to be heard on Thursday of this week by District Judge Wesley Dice in the District Court Room of the Mills County Court House. Attorneys Byron L. McClellan of Gatesville and C. O. MacMillan of Stephenville will move that the Court permanently enjoin the City from polluting Bulls Creek by waste from the Goldthwaite sewerage disposal plant. Defense Counselors J. C. Darroch of Brownwood and E. B. Gilliam, Jr., of Goldthwaite, will argue for a judgment in favor of the City. On September 20 a jury held that Goldthwaite's sewerage disposal plant does pollute Bulls Creek and does create a public nuisance but it held also that Mr. Reese had not suffered special damages.

The Eagle's Eye
H. R. Ekins

Preparing the news week's Eagle when I popped my own wife's story is on this same page. The fines assessed on people who violate the traffic safety on the highways and the State of Texas. It seems to me that the State should sign against reckless driving. That is still before the Justice of the Peace Obenhaus.

Go on to say why I of my wife for having a complaint against her. I would like to see every reader of the Eagle not only our news week about traffic laws, but also the editorial on the efforts of P. Stubblefield to get the children as they go to school. And I think that everybody read in this week's Eagle about the third highway Mills County this year.

My wife and I went against Noble Humphries. What will happen next? Humphries is ahead before Justice of the Peace Obenhaus remains so long as the case has not been settled. I properly comment on the case and I will write my wife's complaint, considering to have been a good citizenship. So

Stubblefield, Deputy Sheriff Cookrum and Highway Patrolmen Billie R. McElroy and Jess Askey were on the job 24 hours. But apparently the smart-alex speedsters, corner cutters, corner cutters and those who use motor vehicles "to passing zones" their selfish selves in the job 24 hours a

wants to make all of us into cops. But all the every day violations of the laws that endanger the lives of adults and children. If the only way we can keep the streets safe and on the job of Mills County is by filing complaints the reckless, ruthless not only of the law man decency, then I working the Sheriff's office of the County and my good friend the Peace Obenhaus

SO LITTLE FOR SO MUCH

This month of October provides an opportunity and a privilege. Civilians at home are asked to contribute a relatively small amount of money for the United Service Organizations. It would seem that not a single person among us would fail to take advantage of both the opportunity and the privilege—for the USO is the means by which American young men in the armed services of their country may have recreational and comfort facilities that otherwise would not be provided for them.

Vice President Warren P. Duren of the Trent State Bank is the USO fund campaign director for the region that embraces Mills, San Saba and Llano Counties. The Mills County Chairman is Ray Duren of Yarborough & Duren.

According to the last figures that were compiled by the USO, there were 54 Mills County men in the Army, Air Force, Navy and Marines. The figure now is higher; it will go still higher. Our men, serving us, were summoned back to active duty as reservists; many of them volunteered; some of them were called by the Selective Service Board. Only a few have made service in the armed forces a career. For most of our men, response to the call of duty in the uniforms of their country meant interrupting education programs. It has meant separation from their families. Some have given up jobs or they have abandoned businesses. The dislocation of their lives has been something that few of those whose lives have not been dislocated would want to face.

Most of us know personally each and every Mills County man who is in the armed services. They are our friends or relatives. The fact that they are serving both at home and abroad and subject always to orders that they must obey, ought to bring home to all of us personally the sacrifices that are being made for us. And in Mills County, what are we asked to give to the USO? A paltry \$560.00.

It would seem that by the time next week's Eagle rolls off the press, Ray Duren should be able to announce that the Mills County quota of \$560.00 for the USO has been exceeded, in generous measure. Without any solicitation, the money requested should be delivered voluntarily, each according to our means, either to Ray Duren at Yarborough & Duren or to Warren P. Duren at the Trent State Bank.

Every person among us knows at first hand what military service means to our young men by way of disrupted lives—to say nothing of the grave risks that any or all of them may be called upon to make at any time. Every person in Mills County—men, women and children—is asked to give about a dime apiece to the USO.

For goodness sake, it will be a disgrace if we cannot report to our men in the armed services next week that the Mills County USO quota was topped immediately. The men who are serving all of us in the armed forces receive and read this newspaper. We must, quickly, let them know of our gratitude to them as expressed in a small measure of degree through the USO.

NATIONAL NEWSPAPER WEEK

The only space that the Eagle will give to the current National Newspaper Week is right here because we believe that our solemn obligation is to publish the best newspaper possible within our limitations every week and to pass up making a big whoop-tee-do about it just because somebody decided to put us in the running with national prune day, be-kind-to-your-liver-week, and so on. We think that if we publish a newspaper that serves and interests our readers and provides a valuable medium for advertisers, a National Newspaper Week is about as superfluous as would be a wipe-your-nose-day. Since the subject has been brought up, however, we will make a bow toward National Newspaper Week to the extent of recalling the platform which the late, great Joseph Pulitzer left for the St. Louis Post-Dispatch. It was, boiled down, "always fight for progress and reform, never tolerate injustice or corruption, never lack sympathy with the poor, never belong to any party, always oppose privileged classes and public plunderers, always remain devoted to the public welfare, always be drastically independent; never be afraid to attack wrong..." That is for us, and it is all that we have to print on the occasion of National Newspaper Week.

THE VERY BEST OF LUCK, KIDS

Mills County 4-H Club livestock judges and their opposite numbers from the F.F.A. at the Goldthwaite High School will compete in the big time at Dallas next week. We wish the highest possible success to both teams. We know that you will do your level best.

George Ballard, 22, was instantly killed, and Jim Weathers 21, was seriously injured early Wednesday morning when their car ran off the highway at a culvert and hit a tree in the ditch. Funeral services for Mr. Ballard were held yesterday afternoon at 3 o'clock in the Baptist Church here. Interment followed in Odd Fellows Cemetery, a half mile from where he received the fatal injury.

Floyd Blair has bought the interest of his two former partners in the Goldthwaite Piggly Wiggly Grocery Store, and is now sole owner of the new Piggly Wiggly which opens in the same location Saturday morning, following the disastrous fire it suffered about three weeks ago.

At sunrise Sunday, September 28, Miss Helen Reid and Jimmie Frizzell were quietly married at the home of the bride's parents, Mr. and Mrs. Jack Reid. Rev. E. E. Dawson officiated in the single ring ceremony.

Mr. and Mrs. W. T. Keese were given a pleasant surprise last weekend by having six of their eight children come to visit them. Those enjoying the get-together were: Mr. and Mrs. Frank Keese and Francine of Long Beach, Calif.; Mrs. P. D. Mitchell of Bakersfield, Calif.; Mrs. Edd Palmer of Albany, Texas, Mr. and Mrs. Reece Tarver and twin daughters of Kilgore, Mr. and Mrs. H. U. Jarrett and children of Palestine, and Mr. and Mrs. Walters Hester and son of Cameron.

Miss Katherine Miller, daughter of Mr. and Mrs. Tom Miller, was carried to Temple Monday and underwent an appendectomy Tuesday morning.

Rev. W. R. White, president of Hardin-Simmons University of Abilene, and Mrs. White stopped for a few hours in Goldthwaite to visit old-time friends. Rev. White delivered the Sunday morning message to a large crowd at the Baptist Church.

Mr. and Mrs. Oliver Lynn Vierling of Junction spent a few hours Tuesday afternoon in the Henry Martin home.

Miss Lollie Obenhaus, who has been in Temple for a few weeks, returned home last week.

Miss Fay Pyles and Lowell Wickoff were married at the home of the bride's aunt, Mrs. Jim Culwell, Sept. 27, at 7:30 p. m. Mrs. Wickoff is the daughter of Mrs. Fern Pyles of this city.

Dwain Barron of Beaumont was a guest in the Mrs. R. L. Armstrong home Saturday and Sunday.

Floyd Sansom is a student at Howard Payne at Brownwood. Willis Aubrey Crook and Ernest Rambo of Daniel Baker College spent the weekend in the J. N. Crook home.

Mr. and Mrs. Jack Long and son, Jack Earl, Mrs. Grace Wooden and daughter, Martha Francis, attended the circus at Waco Wednesday night.

J. N. Keese has leased his monument business to E. B. Adams, and he and Mrs. Keese are leaving soon for Austin to stay during the next school term. Mr. Keese has been in the monument business for 50 years. He started advertising in the Eagle in 1905 and has carried a card in the paper since. For 46 years readers of the Eagle have seen Mr. Keese's card, which was not taken out until last week, when Mr. Keese leased his business.

Mr. and Mrs. Adams have moved to Goldthwaite and are living in the D. D. McBride residence. Their daughter has entered school here.

**GUEST
EDITORIAL**

(Editor's Note: The news every day makes it clearer that ethics, morality — just plain honesty — in relation to our public servants, are major issues before the American people. Even a war of world-wide scope could hardly remove questions of graft, corruption and bad faith from the next major election campaign. In the following article Bascom N. Timmons points out that the Chairman of both the Democratic and Republican parties have become involved in the stench that becomes increasingly offensive to the nostrils of decent people. The article by Mr. Timmons is well worth reading.)

By BASCOM N. TIMMONS

No octopus in its death throes could lash out to twist its tentacles around as many people of political prominence as has the Reconstruction Finance Corporation, nor could any story of an octopus, real or figurative, be quite as fantastic as that being unfolded before the Hovee senate subcommittee, involving as it does the chairmen of both national political parties.

Both Democratic and Republican senators have had a welcome opportunity for some breast beating with the Republicans excelling, in this department, because a number of them see a chance to force their unpopular chairman, Guy G. Gabrielson, out of his job and at the same time set an example of high principle with which to taunt their Democratic adversaries.

It is one of these situations of which you can rightly say, "if it were not so serious, it would be ridiculous," but it is serious — extremely so. Right now Chairman Gabrielson of the Republican national committee is under more pressure than Chairman William M. Boyle, Jr. The investigating subcommittee presided over by impartial Senator Clyde R. Hovee, Democrat, North Carolina, has evidence that Gabrielson three times this year has called at the RFC in behalf of the Carthage Hydrocol Corporation.

There was nothing out of order with Gabrielson's request which was that the Hydrocol company loan at the RFC, due October 1, representing the balance of an original \$18,500,000 financing of a Brownsville, Texas, plant, of which the government agency took \$9,000,000, should be extended. But the Republicans, riding high on the strength of their charges of irregularities within the administration, particularly in the RFC, could hardly have been more chagrined than to learn that one of the leaders of their party, who is president and legal counsel of Hydrocol, Inc., for which he draws \$15,000 a year (he gets no salary as chairman of the Republican national committee but a good expense account) had been seeking favors for his company from a government agency. Democratic senators are still chortling.

The betting at Washington is that Gabrielson will be out of the committee within a month. That will satisfy many Republicans who think he has been a mere figurehead when a vigorous and aggressive man is needed in the chairmanship. It will also give them a chance to crow that they quickly repudiated their chairman when he became involved in the RFC revelations, while Democratic Chairman Boyle stayed on (as it is understood he is determined to do).

Boyle's situation is amazing not so much for his connection with it as for the fantastic disclosures already made or about to be made about the American Lithofold Company of St. Louis, which Boyle once represented as counsel. The investigation of his record revolves around when he received fees from the company, for helping get a \$565,000 RFC loan.

The Lithofold Company, hitherto virtually unknown, paid James P. Finnegan, former collector of internal revenue at St. Louis, \$45,000 and a \$6000 Christmas bonus for services of

of the business.

Rev. E. J. Isenhour, late of the Mullin neighborhood, has moved to this city and is attending Prof. Hatcher's school.

The Eagle's A

By The Editor

Last week Sheriff C. F. Stubblefield, with an assist from Norman Duren, obtained and placed in position more signs to warn all motorists that there is a school — and consequently children — on Hanna Valley Road in Goldthwaite.

The State Highway Department, the safety committee of the Harry F. Edmondson Post number 289, the American Legion, and now Sheriff Stubblefield all have placed signs on the Hanna Valley Road approaches to the Goldthwaite Schools, giving ample warning of the presence of children either at play or going to and from school.

Despite the warnings, adults in cars and pickups continue to make Hanna Valley Road near the school a speedway. The latest signs that were obtained by Sheriff Stubblefield and Norman Duren are definitely marked "School Zone, 15 Miles Per Hour." Yet, there are cars and pickups who can't or won't read or who do not care whether they endanger the life of a child or run the risk of bringing terrible heart-break into somebody's home.

In addition to the efforts by the Sheriff, the Highway Department, the P.-T. A., the Texas Highway Patrol and the safety committee of the American Legion to make streets and highways safe for Goldthwaite children, Superintendent of Schools E. E. Patton has, for a long time, conducted a safety campaign among older children who are allowed to drive cars. Presumably, there will be an intensification of Mr. Patton's educational effort in behalf of safe driving because this year, during the first five weeks of school, some of the youngsters have been hot-rod-ding around the school and especially on Hanna Valley Road during recess, study hall and lunchroom periods.

It is safe to say that before these words get into print Mr. Patton will have taken steps to let the hot-rod-ders among the High School pupils know that he is aware of their hot-rod-ding. It is safe to say, also, that Sheriff Stubblefield did not make those "15 Miles Per Hour" signs available for the Hanna Valley Road approaches to the school just for fun. Both the Sheriff and the Highway Patrol intend to see to it that if law

Family disputes, extramarital affairs and all the makings of a lurid front page story have been strongly hinted at.

There is no suggestion that Chairman Boyle is involved in any of the more sensational phases of this story. He has even in the event subsequent testimony indicates that he is tied to the political influence angle a little more closely than his statements concede. So far, the closest the investigation has come to the revelation that his former law firm is still receiving fees from American Lithofold. Blair Pool Sounds Keynote Self Culture Club's New Year

A meeting of the members of the Self Culture Club of Goldthwaite was held Thursday afternoon at the home of Mrs. M. Glass with Mrs. M. Glass as co-hostess to a group of guests and record attendance of who heard a challenging review of "Discipline and Discovery" by Mrs. Blair, Reporter, of the Pool of Valley.

Mrs. Pool told her absorbed audience that she chose to review "Discipline and Discovery" because it was a book so appropriate to the start of the new year of the Self Culture Club.

Prior to the review by Mrs. Pool, Sharlyne Schulze was presented in two piano numbers before the Self Culture Club.

For the meeting, Mrs. Glass and her co-hostess, Mrs. Summy, had arranged decorations of green and white—the colors of the Self Culture Club. The decorative theme extended to the refreshments.

The next meeting of the Self Culture Club will be held on Thursday afternoon of next week at the home of Mrs. H. E. Patton with Mrs. L. E. Miller as co-hostess and Mrs. Claude Saylor as the Program Chairman.

Mrs. Blair will present a review and a discussion of a widely read magazine article, "I Married Alaska," and Mrs. J. H. Saylor will give "Lady Hamilton's Necklace."

Also scheduled to appear on the Self Culture Club program on Thursday afternoon of next week are pianists Janell Jernigan and Tom Cody Graves.

CHANTER

JANE ANN STEEN

EAGLE PHOTO BY WICKER STUDIO
Miss Jane Ann Steen, daughter of Mr. and Mrs. Robert L. Steen of Goldthwaite, is business manager of the Year Book of McMurry College at Abilene, it was announced this week. It was announced also by McMurray College that Miss Steen, a Sophomore, has become a member of the Chanters, a mixed choral group that is directed by Dr. Richard C. von Ende and which has achieved a widespread reputation. About 45 McMurry College students have been selected to serve with the Chanters this year. The Chanters have two major tours of Texas on their schedule. At McMurry College, Miss Steen also is a member of Sigma Tau Delta, the Future Teachers of America and of TTP.

PTA Will Present Mrs. Stokes Next Tuesday At 4:00

The Goldthwaite Parent-Teacher Association has issued both an urgent and a cordial invitation to a lecture by Mrs. M. Y. Stokes, Jr., at 4:00 o'clock next Tuesday afternoon at the Grammar School Auditorium.

Mrs. Stokes will speak on "The Behaviors and Personalities of Children, Ages One to Six." She is a specialist in the field of child psychology and continues to pursue her studies on the subject as a student at Daniel Baker College.

Members of the P-T-A pointed out that the lecture by Mrs. Stokes will be of general interest. Parents, of course, who have children in the age bracket to be considered by Mrs. Stokes will have a special interest but it was emphasized, also, that many grandparents often care for young grandchildren, even for extended periods, and the discussion by Mrs. Stokes also will be of deep interest to them.

Further, couples who do not yet have children or whose youngsters are not yet in the one year to six years group will find the lecture by Mrs. Stokes of great interest by way of preparation for the future, officers of the P-T-A. said. Mrs. Stokes will be presented by the P-T-A. next Tuesday afternoon as a public service—part of the organization's parent education program. There will be no admission charge.

Mrs. Jack Porter Made Center City H. D. President

With Mrs. J. Sherwood Owens presiding in the absence of Mrs. Jack Elms, President, who was ill, the Center City Home Demonstration Club met on Thursday of last week with Mrs. Ronson as the hostess. Mrs. Jack Porter was elected President, Mrs. Dale McCasland was chosen Vice President and Mrs. Arnold Head was elected to serve as Secretary-Treasurer.

Mrs. Carey Owens was named delegate to the Mills County Home Demonstration Council, which will meet at 2:30 tomorrow afternoon, Saturday, at the Mills County Court House.

Mrs. Head reported that the Center City HD Club is preparing a box of clothing to be sent to the Methodist Church and she asked that those who are preparing articles for it have them ready by October 25.

Last Thursday afternoon's meeting was attended by 15 persons. The next meeting will be held on Wednesday of next week with President Porter as the hostess and with textile painting the project for the afternoon.

BIRTHS

Mr. and Mrs. Floyd Daniel of Route 1, Goldthwaite, are the proud parents of a son born Friday, September 28, at 11:45 p. m., in the San Saba Memorial Hospital. He weighed 7 pounds and 5 ounces at birth, and has been named Mark Wayne.

The maternal grandparents are Mr. and Mrs. Truman Vaughan, and the paternal grandparents are Mr. and Mrs. R. F. Daniel, all of Route 1, Goldthwaite. The baby's mother is the former Jerol Vaughan.

Mr. and Mrs. Gary Schwieling of Goldthwaite are the parents of a son born Thursday, September 27, in the San Saba Memorial Hospital. He weighed 8 pounds and 15 ounces at birth and has been named Garrett Grant.

An all-day clinic, featuring an authoritative lecture and a demonstration, will be conducted under the auspices of the Goldthwaite Garden Club at the Jennie Trent Dew Library on Saturday, October 13.

Mrs. E. O. Shepherd, Garden Club Reporter, said that the clinic would begin at 9:30 o'clock on the morning of October 13 with a lecture on "Color and Flower Arrangement" by Mrs. Earl B. White of Meridian. Mrs. White is the Recording Secretary for the State Garden Clubs of Texas, Inc., and she is a recognized authority on flower arrangement.

Following the morning lecture, there will be a demonstration of flower arrangements at one o'clock in the afternoon of October 13, with Mrs. White conducting the demonstration and answering questions.

Both the lecture and the demonstration will be open to all interested persons, in addition to Garden Club members, Mrs. Shepherd said. The fee for both the morning lecture and the afternoon demonstration will be \$1.00.

Grand Daughter Of Brother Hays Wed September 21

The First Baptist Church of Brookshire was the scene of the wedding ceremony of Miss Gwendolyn Ann Hays and Lt. Richard C. Freeman, September 21. The bride is the granddaughter of the Rev. and Mrs. L. L. Hays of near Goldthwaite. Her parents are Dr. and Mrs. Lawrence Hays of 1408 Avenue D, Brownwood.

The bride, a graduate of Gatesville High School and Baylor University, was given in marriage by her father. Her uncle, the Rev. J. M. Hays, pastor of the Brookshire church, read the double-ring ceremony. Mrs. J. M. Hays was vocalist.

The bride's sister, Miss Ronda Beth Hays, Brownwood, was the maid of honor, and Lt. Arthur Bigelow was best man.

Following the ceremony, a reception was held in the home of Rev. and Mrs. Hays.

Lt. Freeman received his wings at Goodfellow Air Base, San Angelo, and has been a trainer pilot at Ellington AFB, Houston, for two years. He is the son of Mr. and Mrs. P. E. Freeman of Enid, Oklahoma.

The Freemans are at home in Houston following a honeymoon in Colorado Springs, Colo.

Coffee Coupons Needed For Library

If you have been putting Admiration coffee coupons under the box of soap flakes near the kitchen sink or by the salt shaker on the kitchen table, please gather them up and take them to Mrs. V. A. Hudson at the office of the County Judge in the Court House. Mrs. Hudson is collecting these coupons in her capacity as Secretary of the Jennie Trent Dew Library Committee. She will be able to provide the Library with a 48 cup electric coffee urn if enough Admiration coffee coupons are delivered to her. So please take those coupons from their hiding places in and around the kitchen and deliver them to Mrs. Hudson. She suspects that there are plenty of Admiration coffee coupons around. She said very wistfully this week that if only she had them, she could get on with the job of completing the Library's kitchen equipment.

Mr. and Mrs. M. C. Waldon spent the weekend in Grand Prairie with her mother, Mrs. Myrtle Stuart, and other relatives.

SWEETHEART

ANN WORLEY

Ann Worley, 14, daughter of Mr. and Mrs. C. E. Worley, has been elected 1951-1952 Sweetheart of the Eagle Chapter, Future Farmers of America, of the Goldthwaite High School. She has the added distinction of being the first freshman to have been so honored.

Miss Worley was elected by votes cast at a penny a vote—by adults as well as students. In the contest 16,667 votes were cast and 6,750 of them went to Miss Worley. The others were divided among Alice Sparkman, Senior; Wanda Kelly, Junior; and Jane Long, Sophomore.

As result of the contest, the Treasury of the Eagles Chapter of the F.F.A., to which Y. B. Johnson, Jr., is Advisor, was made richer by \$166.67. That contribution to the F.F.A. Treasury helped to defray the expenses that will be incurred next week when the F.F.A. livestock judging team goes to Dallas to compete in the State Fair of Texas, and then on to compete in the American Royal Show at Kansas City.

Next spring, Miss Worley will compete in the contest for selection of District F.F.A. Sweetheart at San Saba. Also next spring, she will be crowned Queen at the annual banquet of the Eagle Chapter, Future Farmers of America.

Mrs. J. T. Ayers, wife of the Pastor of the First Baptist Church of Goldthwaite, visited her family in Corsicana early this week with the Ayers' daughter, Miss Annette.

News Of Scallorn

By ORA BLACK

No change in the weather out our way—just dry and hot!

Sunday was a good day at our Church. A nice size crowd present. A splendid message by the Pastor, Rev. Pankhurst, and a fine spirit manifested by the membership.

Next Sunday one of our fine young men, Bill Bishop, will be ordained as deacon. Rev. Cloud, a former Pastor of the Church but now of Novice, will give the charge to the newly elected deacon and to the Church, while Rev. Garner Childers, Pastor of the Big Valley Church, will bring the sermon. An all-day program is planned with lunch served under the tabernacle. The ordination service is scheduled for 3:00 o'clock in the afternoon. Visitors are cordially invited.

Tuesday our sister, Mrs. S. M. Black of Brownwood, and a

sister-in-law, Mrs. Edna Luckhart and grandson, David Luckhart, of Columbus, Ohio, spent the day in our home. The Luckharts, after spending most of a month visiting relatives in Texas towns, left Wednesday for their home.

Mrs. Richard Locke and mother-in-law, Mrs. James Locke of Goldthwaite, were guests last week of Mrs. Silas Burk.

Elza Laughlin of Blanket visited here Tuesday with his mother.

Mrs. Manuel Bishop called Wednesday afternoon with Mrs. C. H. Black.

Mrs. W. A. Burk, a sister-in-law of Mrs. Silas Burk of Eden, and a sister, Mrs. G. B. Stephens, and niece, Mrs. Leroy Pfluger and Mrs. Mildred Anderson and daughter were guests last week of Mr. and Mrs. Silas Burk.

Mrs. Charles Wright of Mullin was a guest Friday of her mother, Ora Black.

Mr. and Mrs. Fields Hines and son, Gregory, were in San Angelo over the weekend as guests of Mr. and Mrs. Glen Casey. As they passed through Ballinger they attended Sunday morning Worship at the First Baptist Church, where the Rev. Joe Emery is Pastor.

After attending the H. D. Club Wednesday, which met with Mrs. Lloyd King, Mrs. Frank Hines, Greta Sue, Mrs. Fields Hines and the writer drove by the Barney Laughlin home to inspect their new house which is under construction. Mrs. Laughlin, a very gracious hostess, invited us out to see how they had equipped their implement shed into very attractive living quarters while the new house was being built. Even the kitchen sink had been placed in a convenient place with running water, electricity, rugs over the dirt floor, with all other household articles moved out to make living in camp-style ideal. The Laughlins, with their son, Ulen, hope to get in their new house before cold weather.

Mrs. Gordon McWhorter and little daughter of Goldthwaite visited Thursday with a sister, Mrs. C. H. Black.

Mrs. Cora Ford of Lometa spent the weekend here with Mrs. John Harris and attended Church Sunday morning.

The Rev. Pankhurst and family of Brownwood were luncheon guests of the C. H. Blacks Sunday, and were guests in the afternoon of Mr. and Mrs. John Kuykendall.

Mr. and Mrs. T. A. Casbeer called Wednesday evening with Mr. and Mrs. Vernon O'Bannon. Guests Thursday evening of Mr. and Mrs. John Kuykendall were Mr. and Mrs. Frank Hines and Greta Sue.

Mr. and Mrs. Manuel Bishop had as their guests Sunday Mr. and Mrs. Luther Brown, Mr. and Mrs. Bill Bishop and Preston Bishop.

Miss Greta Sue Hines was a guest Sunday of Mrs. Galloway, whose home is in Goldthwaite.

Mr. and Mrs. Ross Bull of California spent Monday night with his cousin, Mrs. Marshall Miller, and Mr. Miller.

Hudson. He was sticking green, penny stamps on envelopes for people who get their bad news in boxes at the Goldthwaite Post Office. And all by himself, off in a corner alone, was County Clerk Summy. Befitting the dignity of the County Clerk, HE was sticking purple three cent stamps on envelopes for those persons who get their bad news in rural mail boxes or at Star, Mullin, Priddy, Moline and Caradan.

While all that was going on, Sheriff Stubblefield was out, putting down crime. In his office, across the corridor from the scene of impressive activity in the office of the County Clerk, Deputies Cockrum and Patterson were screaming at the Eagle for more envelopes for more tax notices. They were chock-a-block with statistics, which is why they come so far down in this story. And W. B. Summy was at home, recuperating from a heart ailment that doubtless was brought on by having spent so much time over tax rolls.

Here is what Deputies Patterson and Cockrum had to contribute to the story: The 2,203 tax notices added up to bills having a grand total of \$5,619,965.00. Of that amount \$4,873,920.00 has been billed against people who live in Mills County. The remaining \$746,045.00 has been billed to the Santa Fe Railroad, banks, to those who are listed on the unrendered tax roll, and to public utilities.

If you pay your County and State taxes during October you get a discount of 3 per cent. During November the bargain rate will be at a deduction of 2 per cent. Come December, you get only 1 per cent off for paying up to Sheriff Stubblefield, and there will be NO discount during January.

"Penalties begin next February 1," Deputies Patterson and Cockrum said grimly.

They have many more statistics to which the public is entitled and which the Sheriff, his Deputies, and their Minions across the hall would like to toss around. But they will have to come some other week. After all, this is all the space anybody deserves on so unpleasant a subject as tax notices.

By the way, Mrs. John L. Gwin, County School Nurse, helped out on the job of getting those pink tax notices to you. But give the girl credit—when she realized what she had been lured into, she quit. Good for you, Mrs. Gwin.

Star F. F. A. Boys Help Center City Build New Church

The way the Center City community has been pitching in to make possible a new Methodist Church out there made the Rev. C. A. Hogan, Pastor, glow with happiness this week.

"Already the old Church House has been torn down and we are running the lines for what we hope will be the foundations of the new Church," Brother Hogan said. He added that all of the work that has been done so far has been volunteer.

"Even the entire vocational agriculture class from the Star School came out to Center City and they pulled the nails from the lumber that has been piled up neatly now that the old Church House has been taken down," Brother Hogan said.

Precise plans for the projected new Methodist Church at Center City have not yet been agreed upon. The reason for that is the determination of the congregation of the Center City Methodist Church to stay within its budget.

"The more money we receive the closer we can come to realizing our dreams for the Church," Brother Hogan said. He did not say so, but the Eagle repeats what it reported last week — that checks and money orders, contributions large and small, will make it possible for there to be a new Methodist Church at Center City. Any aid that you may be able to provide ought to be sent at once to Brother Hogan at Star or to Carey Owens, Rt. 3, Goldthwaite, Texas.

The saying is that the Lord helps those who help themselves. Well, the people of Center City are helping themselves; they are giving of money, time and labor. They deserve all of the help they can get—and soon. So please shower down with those contributions.

Adult volunteers who have helped in the work toward a new Center City Methodist Church so far in addition to Brother Hogan are Clarence Geeslin, Jack Elms, J. Sherwood Owens, Charley Welch, Harry Welch, John C. Blackwell, Tom Watson, Joe Green, Joe Dietz, A. A. Carter, F. A. Carr, Walter Tubbs, Ercher McCasland, Hollis Hendry and Tom House.

Don Martin of Fort Worth visited over the weekend in the home of his grandparents, Mr. and Mrs. S. Kuykendall, and with other relatives and friends.

Miss Bobbie Blackburn of John Tarleton College at Stephenville spent the weekend with her parents, Mr. and Mrs. R. G. Blackburn, and family.

Drought Resistant Grasses Make Excellent Stand In Mills County

By CHARLES O. HAENISCH

Seedlings of Oklahoma native grass mixture, Sideoats grama, and King Ranch bluestem observed last week were proving that once a grass is established it has a good chance of survival during dry periods. These plantings were made in 1948, '49, and '50 by various cooperators of the Brown-Mills Soil Conservation District. The seedlings that had developed a good root system were well on their way toward making matured plants.

In the spring of 1950, A. J. "Pete" Smith decided to plant some native grass mixture. The area on which the seeding was to be made was composed of needle grass and other undesirable vegetation. Pete did not want to disturb the vegetation that was there. He obtained a special plow from the District. This plow had an off-set disc which disturbed only a small percentage of the composition. As a check plot Mr. Smith left a portion of the area to be seeded untouched. By the use of the grass seed drill owned by the District, the entire area was seeded.

On the check plot few seedlings were found, these being in a weakened condition. On the portion where the special plow had been used a good stand of Big bluestem, Indiangrass, and Sideoats grama were found. These plants were in a healthy condition and were beginning to form seed stalks.

Seedlings on the J. A. Williams farm near Mullin were making good progress. An old retired field was seeded to various grasses in 1948, 1949, and 1950. Matured bunches of Little bluestem and King Ranch bluestem were noticed. Young Sideoats grama seedlings planted in 1950 were up to a good stand.

Johnny Fallon, northwest of

Goldthwaite, has been well repaid for the five acres of King Ranch bluestem planted in the fall of 1949. Johnny has combined seed from the five acres twice and many of the seed plots over the County came from the seed Johnny harvested. Last year five acres of Sideoats grama was planted in the lower portion of the field. Johnny has recently combined seed from this plot and plans to plant some of the seed to other areas on his farm.

Switchgrass, a choice native grass which has become rare in this area, was found in a field seeded to a native grass mixture on L. B. Burnham's farm near Goldthwaite. This field has previously been in vetch and rye. In the spring of 1950 it was seeded to the mixture. Last week seedlings of Switchgrass, Indiangrass, Big bluestem, Little bluestem, Sideoats grama, and other choice native grasses were found. These plants were in an excellent condition and some were beginning to make seed. Next year these seedlings should make a good seed source for Mr. Burnham.

These plantings and other plantings over this area should furnish grass seed in the near future to farmers and ranchers interested in seeding grass.

Mullin Boy Scouts

Registration of Mullin Boy Scout Troop 46 with Hillrey Dufner as Scoutmaster, Jack E. Lowe and Andrew G. Sweet as Advisors; and H. Howard Homsley, Rex Williams and Don Clark as Troop Committeemen, was announced this week. The Troop is sponsored by the Mullin High School. Troop Scouts are Jimmy Wilkins, Charlie Bramblett, Wilbur Chesser, Ross Rowlett, Thurman Warren and Jimmie White. Explorer Scouts are Larry Walton, W. H. Simpson, Roy Davis, Bill Lowe, Conrad Simpson, and Eugene Ingram.

Miss Darlene Long of Fort Worth spent the weekend in the home of her parents, Mr. and Mrs. J. H. Long. She also visited other relatives and friends while here.

Mr. and Mrs. L. B. Bramblett and family of Mullin were Sunday guests in the home of her parents, Mr. and Mrs. J. H. Long. They also visited in the home of her sister, Mrs. Lynn Nix, and family.

Wedding Rite By Brother L. L. Hays

The Rev. L. L. Hays, who has solemnized so many marriages down through the years that he has lost track of the number of them, officiated at his home on Tuesday night of last week at the wedding of Byron Bagley and Edith Little, both of Brownwood. Mr. Bagley is the son of the late R. L. Bagley, who at one time was a Baptist missionary with headquarters in Goldthwaite. Sister Hays was a witness to the wedding.

Duren, Moreland, Daniel, See Mud!

Ray Duren, School Board Chairman; Jess Moreland and Walton Daniel arrived in Goldthwaite in mid-afternoon of Thursday of last week with two new buses for the Goldthwaite Independent School District which they drove 1,400 miles from the factory in Lima, Ohio. They were only three days on the road and they paused only for brief rests and for food. Their speed of travel had to be throttled down because the buses were new and governors prevented excessive speeds.

"We drove through six states other than Texas," Mr. Duren said upon the return of the peripatetic trio. "In each of the six states there was mud, but Texas was as dry as we had left it. We knew we were home as soon as we could no longer see mud."

Quarterback Club Meets On Monday

The Quarterback Club will meet at the Vocational Agriculture Building at the Goldthwaite School at eight o'clock on Monday night of next week. At a regular meeting last Monday night the members saw motion picture films of the Goldthwaite-Dublin game and they also were impressed by a film of the 1949 SMU-Notre Dame game that was exhibited by Coach Carl Knox. President E. B. Gilliam, Jr., of the Quarterback Club this week urged all members to attend next Monday night's meeting.

TB, Bang's Tests Made On 45 Farms

Operating on about 45 farms on which upwards of 200 cattle were tested, the Mills County Vocational School ran tests for TB and Bang's disease on Thursday and Friday of last week.

The tests were made by Dr. W. R. Benson, veterinarian of San Saba, Director Erie D. Roberson of the Mills County Vocational School said.

In the course of making the tests Mr. Roberson, Dr. Benson, Oran W. Carothers and M. B. Harrison, the latter two being instructors at the GI School, traveled about 235 miles. Results of the tests will be made known after laboratory reports have been returned from Fort Worth.

Baptist WMU Meets At Scallorn Friday

The annual associational meeting of the Mills County Baptist Women's Missionary Union will be held today, Friday, starting at 1:00 p. m., at the Scallorn Baptist Church.

After a service of song and praise, devotionals and reports by Chairmen, the Nominating Committee will report. There will be special music and the missionary speaker will be Mrs. Avis McCullough.

Reports will be made on Stewardship by Mrs. Betty Garber, on program and literature by Mrs. J. T. Ayers, on community missions by Mrs. Ernest Pankhurst, on benevolence by Mrs. Wayne Henry and on Bible and mission study by Mrs. R. E. Davis.

Eagles Lose To Cross Plains As A 210 Pounder Stymies Gary Head

By R. C. McCOLLUM

The Goldthwaite Eagles seemed to be just there during the first half against Cross Plains at Cross Plains on Friday night of last week but they came back in the second half to play a bang-up ball game—with the exception of one play. On that play, Cross Plains intercepted a pass and ran 70 yards for their fourth and final touchdown. By the way, the score was Cross Plains 27, Goldthwaite 7.

Bad breaks still were with the Eagles. At noon on the day of the game at Cross Plains, James Partridge sprained his ankle. He did not play a down against the Cross Plains Buffaloes.

At the start, the Eagles lost the toss of the coin. The Buffaloes chose to receive. Bobby Letbetter kicked a good one to about the 20 yard line and the Buffaloes brought the kickoff back 15 yards. Cross Plains then picked up five yards and 15 yards for a first down. They were penalized five yards on the next play for illegal formation and then the Buffaloes lost two yards on a fine, bruising tackle by Vernon Whitley. Vernon broke through on the next play and nailed the Buffalo ball carrier for a 10 yards loss. Then the Eagles got the ball when they held Cross Plains to a gain of only three yards.

John Gilliam nipped up three yards from a formation play and Dick Lindsay snapped the ball and carried for three yards more. After Whitley carried for another three yards, John Gilliam got off a 30 yards punt.

Cross Plains then ran into penalty trouble. Two clipping penalties were called against the Buffaloes and on the same series of downs they were punished for a backfield in motion.

Yet they went on to score their first touchdown. The kick for extra point was good but the Buffaloes were caught holding and were penalized 15 yards. The next try was blocked by a hard-charging Eagle line.

The Eagles got the ball on a short kickoff that was caught by Gary Head, who carried five yards as the quarter ended. Starting the second quarter Lindsay carried for six yards, Gilliam for three and Whitley five for the first down of the game for the Eagles. Lindsay nipped up four yards, Gilliam lost a yard on an end sweep and then Gilliam threw a bull's eye pass to Hobson Miller for ten yards and a first down.

Lindsay carried for four yards and then came Vernon Whitley to make ten yards and another first down.

On the next play the Eagles suffered their first and only 15 yard penalty of the game for holding. After that, Goldthwaite had difficulty in getting started again. There was an incomplete pass, a fumble and recovery by Lindsay and a completed throw by Lindsay but then there the Buffaloes moved in to stop the scoring threat. The Buffaloes caught Lindsay's pass and pranced up the field for 25 yards. Then Cross Plains picked up 15 yards and a first down. On the next two successive plays the Buffaloes were penalized 30 yards, 15 for holding and 15 for clipping. But the next play caught the Eagles napping and Cross Plains completed a 43 yards pass for a touchdown. The kick for extra point was good and the score was 13 to 0.

The Eagles fumbled the kickoff and Cross Plains recovered on Goldthwaite's 38 yard line. On the first play, the Buffaloes went all the way for a touchdown, kicked the extra point, and ran the score up to 20 to 0. Hobson Miller took the short Cross Plains kick and went six yards. Then Lindsay and Whitley were held for no gains. Gilliam carried for six yards and then punted for 35 yards. Cross Plains picked up two more first downs, one on a pass and the other on two running plays before the half ended.

The Eagles had their choice and chose to receive. After John Gilliam was thrown for a loss of three yards the Eagles were penalized five yards for offside. On the next play the Buffaloes were penalized 15 yards for unnecessary roughness—for piling on after the whistle had blown. Then Gilliam carried the pigskin for ten yards and a first down. He did it again, carrying 12 yards for another first down.

Gilliam picked up three yards and then threw two incomplete passes. Then Lindsay threw a pass and a Buffalo snapped it up and carried for 70 yards and a touchdown. With the extra point good, the score was 27 to 0. All the Buffaloes could do from that point on to the end of the ball game was to get two first downs—and two 15 yard penalties.

Whitley took the Buffalo kickoff and raced back 20 yards. Gilliam nipped up a yard, threw two incomplete passes and punted 40 yards. The Buffaloes were held and they punted for 25 yards. Whitley picked up four yards and Gilliam carried for three but a five yard penalty on the next play set the Eagles back again. Gilliam carried for three yards, Whitley for one and Gilliam carried for five yards to the Cross Plains three yard line. A pass play failed and Cross Plains took over on their own three yard line.

The Buffaloes caught the Eagles napping again and got off a punt that rolled dead on the Cross Plains 39 yard line. On the first play the Eagles were offside; then Gilliam danced and pranced for 16 yards and a first down, Gilliam carried for seven yards, threw an incomplete pass and then carried eight yards for a first down.

Gilliam carried the ball twice for five and three yards. Lindsay received the handoff from Gilliam and threw a perfect jump pass to Hobson Miller in the end zone for the first and only touchdown for the Eagles. Bobby Letbetter kicked the extra point.

Cross Plains received the Goldthwaite kickoff and picked up two first downs before the game ended.

By way of some comments: Gary Head played against the biggest Buffalo—a 210 pounder—and he really took a beating. So far as I could see, Cross Plains did not publish a program and so the weights of the Buffalo players are not available. The way the Eagles were talking after the Cross Plains game, their spirits still are high with Lometa coming up.

Byrd Appointed To Lone Star Gas Management Here

Appointment of L. C. Byrd as manager of the Lone Star Gas Company's distribution properties at Goldthwaite and Lometa has been announced by R. H.

L. C. BYRD
Gray of Abilene, division superintendent. He succeeds E. E.

Madding who has been transferred to Hamilton as manager for the gas company.

The new gas company manager for this territory was born at Como, and attended school at Electra, where he joined Lone Star on February 27, 1946, in the distribution department. In March, 1948, he was appointed foreman of a crew installing heavy duty gas equipment in Lone Star's West Texas territory. From that assignment he went to San Saba on August 1, 1949, as district foreman when Lone Star began serving a vast new territory in the Texas Hill Country. His managerial appointment became effective on October 1. Mr. Byrd will have headquarters in Goldthwaite.

During World War II Mr. Byrd was with the United States Army Signal Corps, being discharged in 1945 as a sergeant. As a lineman in communications maintenance and installation, he was in France and England for nine months.

At San Saba, Mr. Byrd was a member of the Junior Chamber of Commerce and the Volunteer Fire Department. He is a Baptist. Mrs. Byrd is the form-

Waddell, 11, Runs Business Grit Sales Into Double Volume

Gene Waddell, 11, runs the business of selling Grit, which calls itself America's Greatest Family Newspaper, in Goldthwaite. The other one is Wesley.)

At the moment, Gene's major business is selling Grit, which calls itself America's Greatest Family Newspaper which, of course, cannot be so long as the Goldthwaite Eagle is around. Gene has been selling Grit for the past four months. He took the business over from David Cole, who is the son of Mr. and Mrs. A. L. Cole. David professed to have grown tired of the enterprise but it has been noted that he keeps very close tabs on the actual business operations of Gene Waddell.

"How is business?" Gene was asked this week. That question made him grin all over, because business is good. When Gene took over Grit sales in Goldthwaite from David Cole four months ago there were only 14 customers. Now Gene has 33 customers.

"How do you account for the brisk trade?" was another question that was put to Gene.

"Well," he replied, "my folks sure have been helping. Also I took over the business that was being done by a boy named Reynolds. No, I don't know his first name."

Whether Gene ran that young chap whose last name is Reynolds out of business is not clear. His idea is that the opposition just quit, leaving him with a monopoly.

Gene is very frank about his business. He says his profit on the sale of each copy of Grit is four cents, and he doesn't care if the Bureau of Internal Revenue knows that. Whether David Cole gets a cut on the four cents per Grit is not known.

Goldthwaite Has Close Tie With Church At Hico

Mrs. R. C. Epperson last weekend attended the 50th anniversary of the founding of the Methodist Church at Hico where her brother, the Rev. J. W. Leggett of George West, preached the anniversary sermon at the evening service of worship.

Many former members and former Pastors attended the anniversary observances, which included a noon-day meal on the Church grounds, an afternoon service at which the history of the Church was read, and special music.

On Anniversary Sunday the morning sermon was preached by Brother Pittman. He, and Brother Leggett, were the only two men who went into the Ministry from the Hico Church in its entire history.

Henceforth, on the anniversary of the founding of the Church, there will be a homecoming Sunday each year, Mrs. Epperson said.

but there must be some reason why he hangs around so close to Gene Waddell while collections are being made.

As for his other business activities, Gene Waddell mows lawns and cleans yards. He is in the sixth grade at the Goldthwaite Grammar School and he will do practically anything that a young man of 11 can do to earn an honest buck.

Gene has a sister, Billie, who is five. She has not yet entered the business world, her brother says.

Next Garden Club Paper Pickup December 1st So Please Save Up

You have left only two months in which to save a big stack of wastepaper for the Cemetery Committee of the Goldthwaite Garden Club. The next pickup of old newspapers, cartons, magazines and unbound books will be on December 1, according to a reminder that was issued this week by Mrs. John G. Berry, Chairman of the Garden Club's Cemetery Committee.

As everybody ought to know by now, wastepaper that is collected in Mills County is trucked free of charge to Waco by Jess Moreland who sells it and then brings the money back to help the Garden Club to complete work on the east side enclosure of the Goldthwaite Memorial Cemetery.

On Tuesday of this week Mr. Moreland trucked 11,125 pounds of wastepaper to Waco and

brought back \$38.94 for the Garden Club's Cemetery Committee. He figures, on using a whole fleet of trucks after the next pickup.

Along about December 1 the Boy Scouts will make another paper pickup in Goldthwaite and about the same time persons who live outside the city limits will be asked to take their contributions of wastepaper to the H. E. Moreland & Son warehouse on the south side of the Square. So, during the next two months, Mrs. Berry said, please don't throw away any wastepaper—just save it for the December 1 pickup that will be

Jamie Brown Home On Leave After Long Navy Service In Combat Area

Jamie Brown, son of Mr. and Mrs. George Brown of Rt. 3, Goldthwaite, arrived home on a 30 days furlough from Navy duty in Far Eastern waters on Thursday of last week. On the previous Sunday he had landed in San Francisco after a quick flight from Japan. His visit home means a great deal to him since, during the past three years, Jamie Brown has spent only two months in the United States.

Now an Electrician's Mate 3/c, Mr. Brown has 5 1/2 years of service in the Navy behind him. He is a veteran of World War II, although he is only 24 now.

Mr. Brown, while a student at Goldthwaite High School, enlisted in the Navy in April of 1944. He was discharged in June of 1946 and then went back to school, graduating from the Goldthwaite High School as a member of the Class of 1948. From November of 1944 to June of 1946 he served as a member of the crew of the LST 676.

After he was graduated from the Goldthwaite High School, Mr. Brown re-enlisted in the Navy. In October of 1948 he was sent to duty on the island of Salpan. He returned to San Francisco in May of last year but two months later, following the outbreak of hostilities in Korea, he sailed for Japan aboard the PF 21—a patrol frigate. Since then his ship has been operating out of Kobe and the Yokosuka Naval Base.

The fact that Jamie Brown is a cousin of the Eagle's Arnold Kenneth Kelly and that fact that he was graduated from the Goldthwaite High School in the same Class as the Eagle's Miss Earlene Nix has nothing to do with this story, whatsoever. Jamie Brown earned the right to be written about the hard way.

In September of last year he was in the brilliant and daring invasion by United States forces of Inchon, Korea. His ship, the PF 21, was a part of the escort squadron that cleared the way for the ships carrying the invading troops. Subsequently the PF 21 was assigned to radio and weather patrol duty.

On the basis of his first-hand acquaintance with the people of Japan Mr. Brown believes that they have changed from the pursuit of war as a primary objective to a people desiring to live at peace and under democratic principles. He expressed opinion that the recently signed Peace Treaty with Japan had made a good and favorable impression upon the Japanese.

"Before World War II and their defeat, the Japanese were extremists," he said. "I think now they are coming into balance between the extremes of warlike aggressiveness and deceitful obeisance."

Mr. Brown is due to report back for further Navy duty in San Francisco on October 25. Then he will be assigned to duty aboard a DE—a destroyer escort.

Myron J. Walton Serves At Troop Carrier Station

Following a furlough after long and perilous duty in Korea, M/Sgt. Myron J. Walton, son of Mr. and Mrs. J. D. Walton of Center Point, now is on service with the 36th Troop Carrier Squadron of the 314th Troop Carrier Wing at Sewart Air Force Base in Tennessee. M/Sgt. Walton, who recently visited Goldthwaite with his pretty wife, Louise, will have been in the Air Force ten years next month.

After he was assigned to his Troop Carrier outfit at Sewart Air Force base, M/Sgt. Walton was given a public information questionnaire. After he filled in the answers, it was sent to the Eagle by Captain Franklin A. Campbell and it shows that when M/Sgt. Walton gives answers to questions, they are short and to the point.

For example, he was asked to describe his tour of service overseas and the duties thereof. "Flying combat missions," was the answer that Myron J. Walton wrote on his questionnaire.

There was a lot of space on the official blank for the listing of theater ribbons, decorations, etc.

"One Air Medal," wrote M/Sgt. Walton as casually as some of the rest of us might sneeze.

At Sewart Air Force Base, Myron Walton is a senior acting mechanic. His wife lives in Nashville.

Methodist Men Choose Patterson Club President

John L. Patterson was elected President of the reactivated Men's Club of the First Methodist Church in Goldthwaite at a meeting on Thursday night of last week.

Other officers who were elected were Julian Evans, Vice President; Howard Campbell, Secretary-Treasurer; Norman Duren, Song Leader; W. M. Johnson, Program Chairman; Guy Rudd, Recreation Chairman; William G. Yarborough, Refreshment Chairman; and Dr. T. C. Graves, Invitation Chairman.

Regular meeting nights of the Goldthwaite Methodist Men's Club will be on the second and fourth Thursdays of each month. The next meeting will be held on the night of October 25 so as not to conflict with the Evangelistic mission meeting at the Methodist Church on Thursday night of next week.

Others who attended the reactivation meeting in addition to those previously named were the Rev. Ed H. Lovelace, Pastor; Claude Saylor and Pete Burks. It was agreed that refreshments will be served at each meeting.

Miss Mary Collier visited in Waco over the weekend.

Mills County Baptists Plan To Build Cabin On Lake Brownwood

When the Mills County Baptist Associational Workers meet in conference at the Star Baptist Church on Monday of next week they will receive a report from the Rev. J. T. Ayers, Pastor of the First Baptist Church of Goldthwaite; T. C. Chaney of Mullin, and T. Floyd Sanson on plans to build a large cabin for Mills County Baptists at the Baptist Encampment Grounds on Lake Brownwood.

Brother Ayers said this week that the project already has been approved and it is hoped now that with volunteer labor and material Mills County Baptists may have a sizeable cabin on Lake Brownwood at a cost of no more than \$2,000.00. The cost will be divided among all Baptist Churches of the County on the basis of membership.

The Conference at Star next Monday night will begin at 5:45 o'clock with a meeting of the Board and a W. M. S. meeting. After supper by the host Church there will be a service of song and praise, routine reports and announcements, and a reading of The Church Covenant, which will be the theme of the meeting.

The Rev. Garner Childers of Big Valley will speak on "The Support of the Church" while "Daily Christian Living" will be discussed by the Rev. Landre

Lee of Long Cove. There special music by the Rev. Jones, Assistant Pastor of the First Baptist Church in Goldthwaite, and the Rev. James man of Caradan will give "Brotherly Love."

Mrs. Harvey Home To Shining Varnish

After a sojourn of several weeks in Chicago, where she was a guest of her daughter, Mrs. Lane Boogher, and Mr. Boogher, Mrs. Ira O. Harvey returned to Goldthwaite on Saturday of last week. She made the last lap of the journey by car with Mr. Harvey, who had driven to meet her in Fort Worth, where they visited briefly with Mr. and Mrs. Wayman Harvey and Richard and Jim. Upon her return, Mrs. Harvey found her furniture glistening, thanks to toil by Mr. Harvey with varnish and a brush.

Here's what has really happened to your telephone bill!

Shopping nowadays is a reminder of what a bargain your telephone service is. Not only has telephone service gone up far less in price than most other things during the last ten years, but it has also increased in quantity and improved in quality.

Considering that wages and family income have about doubled, telephone service stands out as a bigger bargain and a relatively smaller item in the family budget than it was ten years ago.

Where Money to Expand and Improve Service Comes From

It doesn't come from the money you pay us for telephone service... that money goes to pay wages, taxes and other operating costs. The money to build new facilities must come from people with money to invest. That's why the future of telephone service depends on the Company's continued ability to pay for the use of money invested in telephone facilities.

Big Valley Baptist Pastor Cat In Church In His Stride

Rev. Carey Miller, until pastor of the Big Valley church, has been succeeded by the Rev. J. W. Williamson, who is a student at Howard Payne College. Miller, whose Pastorate was at Cresson, near Fort Worth, received considerable attention this week when, on the newspaper's editorial page, he printed an article by the Rev. J. W. Williamson, "George's Sermon." The article

reverent and attentive while George went through such irreverent antics. Lips were bitten in brave attempts to keep straight faces. After Brother Miller failed to respond to George's maneuvers, the tom cat trotted across the platform where Mrs. Lawrence Brothers sat at the piano—and started courting Mrs. Brothers. When she paid no heed, George jumped off the platform and pranced down the aisle, looking deliberately from one side to the other. Just trying to attract attention, that cat.

The preaching continued without further interruption.

Bible Class To Elect Officers Sunday Morning

All members of the Downtown Men's Bible Class of Goldthwaite, which meets at 9:30 a. m., every Sunday on the north side of the Square, were urged this week by their Vice President, Luther Ray Rudd, to attend the meeting of the Class next Sunday morning, when officers for the coming year will be elected.

Mr. Rudd said that at last Sunday morning's session the Class was gratified to receive a telegram from its President, Delton Barnett, who was in Washington on business for the Central Texas Telephone Co-operative.

Also, Mr. Rudd said, and in order to avoid conflicts with football games, the Downtown Men's Bible Class will have its Singing at 7:30 o'clock next Tuesday night at the Baptist Youth Center on Fisher Street.

Mr. and Mrs. Tom Lasley visited last weekend with Mr. and Mrs. Charlie Welch at Center City. Mr. Welch is Mrs. Lasley's brother.

Third Highway Fatality Of Year At Brown's Creek

The third highway fatality of 1951 in Mills County was recorded as the result of an automobile accident on highway 84 at Brown's Creek, about four miles north of Goldthwaite, at 2:50 o'clock on Thursday morning of last week. Sheriff C. F. Stubblefield said that four Fort Hood soldiers, who had been visiting the families of two of them in Brownwood, were returning to Fort Hood when the driver, Richard Brehm of Nebraska, apparently went to sleep and lost control of the passenger car.

Brehm died at Memorial Hospital in Brownwood on Friday morning of last week. Suffering only minor injuries was Alton D. Smith of Brownwood. After the car ran off on the left side of the road, sheared off three guard posts, landed on its nose after skidding 30 feet and then came to rest top down, Smith pulled the others from the wreckage and flagged down a passing car.

Sheriff Stubblefield was notified. After summoning two Fairman-Wilkins ambulances, Sheriff Stubblefield investigated at the scene of the wreck. He took D. W. Risinger of Brownwood to hospital while the other injured men, who included Robert Oliveris of Hawaii, were taken to hospital in the Fairman-Wilkins ambulances.

Following the accident Sheriff Stubblefield communicated with the Provost Marshal at Fort Hood. Smith, Risinger and Oliveris later were transferred to a Fort Hood hospital in military ambulances. Brehm died of his injuries in Memorial Hospital at Brownwood.

Patty Ann Randles Beats Polio Attack

Patty Ann Randles, daughter of Mr. and Mrs. Edd Randles, formerly of the Live Oak community, has been stricken by poliomyelitis, but, according to good news that came from her mother this week, her case is described by the physicians as mild and Patty is doing nicely in hospital at Fort Worth.

Patty Ann, who moved to Fort Worth with her parents during world war II, will be eleven next November 27. It is to be hoped, Patty Ann, that as you go on through life, you will get your name into the newspapers for reasons happier than illness.

When you were less than six months old, Patty Ann, the Eagle published in its issue of April 4, 1941 that you were recovering from an attack of German measles.

Hurry up and get well and come back to Mills County soon for a visit. All of your friends here are pulling for you to make a complete recovery from polio.

Most everyone has a little more cotton to pick. Weldon Karnes of Brownwood visited B. J. and George Crawford in the cotton patch Thursday morning. Mr. Karnes said he thought that all of the farmers have lots to be thankful for. They have all made some feed and cotton. Weldon will help his brother, N. C., finish harvesting his crop.

We had some cool, damp weather Thursday and Friday. At this writing, it has begun to warm up, as we turn the page over to the beautiful month of October.

W. P. Ledbetter took a bale of cotton to the gin last Monday. Mr. and Mrs. Neil Ledbetter are helping with the cotton.

A. L. and G. H. Crawford took a bale of cotton to the gin Friday for Dad.

We were happy to hear from Mr. and Mrs. Shipp.

They also went to the Ed Dearson grocery store. Mrs. Le Roy Stacy told them that Mr. and Mrs. Ed Dearson were called to a Temple Hospital to be at the bed side of Mr. Dearson's aged father.

B. F. Humphries, Junior and Charles, have been gathering corn at their mountain farm.

G. W. Blackburn was at the Bill Partin home Thursday and Mr. Blackburn and Mr. Partin did some cow trading.

Leo Tiemann helped N. C. Karnes stack feed Wednesday.

W. L. Conner baled hay at his farm during last week.

J. C. Bramblett and L. Stahnke sowed grain during last week. Jess Ivy and A. L. Crawford are breaking land. It looks as though all the farmers are making preparations to start another crop.

J. C. Bramblett visited his parents, Mr. and Mrs. C. M. Bramblett, last Tuesday. Mr. Bramblett did some work on his father's field fence Thursday.

Mr. and Mrs. Bill Partin and sons went to Brownwood Saturday to do some shopping.

Mrs. O. C. Weatherby and Mrs. Langford visited Mr. and Mrs. Roger Smith Sunday afternoon.

Mr. and Mrs. W. L. Conner, Mary and Dorothy, attended church and dinner on the ground at Mullin Sunday. Bro. Macy did the preaching.

Mrs. Odene Huron of Goldthwaite spent the weekend with her parents, Mr. and Mrs. Billie McNeerlin and Gene. Mrs. McNeerlin and Gene and Mrs. Huron went driving Sunday afternoon.

Mr. and Mrs. A. L. Crawford and William G. visited Mrs. R. A. Stevens and Miss Lola Saturday night.

C. M. Bramblett was on the sick list a few days during last week. At last report he was feeling much better.

Mr. and Mrs. Roger Smith attended the stock sale at Brownwood last Wednesday.

Brother L. L. Hays Has Medical Check

The Rev. L. L. Hays returned to his home near Trigger Mountain last week after nearly three days at Scott and White Memorial Hospital in Temple where he received medical treatment and had a physical checkup. Despite his physical adversities, Brother Hays reflected his usual cherry disposition and his happy philosophy when he visited around the Square in Goldthwaite on Friday of last week.

Mrs. I. Z. Woodard of Brady visited relatives and friends in Mills County on Thursday of last week while Mr. Woodard was making a business trip to Fort Worth and while their children, Miss Betty Carol and Bobby, were busy practicing on their band instruments at their home in Brady.

Eagle's Eye

(Continued From First Page.)

Every week I have mothers come to me and plead with me to do what I can to protect their children on the streets. I am not a law enforcement officer. I can only publish the names of those persons who are charged with traffic violations. I can only plead with people at the wheels of motor vehicles not to drive at excessive speeds, not to pass in no passing zones, not to ignore stop signs and traffic lights and not to hot-rod as ridiculous show-offs either in town or out on the countryside.

Our law enforcement officers have done everything they can by way of persuasion, education and enforcement. But the reckless disregard for human life goes on by people who obviously are not responsible enough to be allowed behind the wheel of a motor vehicle. If enough of those who really care about the value of human life and if enough people are indignant about the hot-rodgers, the speedsters, the passers in no passing zones and the corner cutters, then let them have gumption enough to go and file their complaints against the offenders and be willing to testify against them in Court.

As I have written, I am mighty proud that my wife thought enough of her own child and the children of our friends and neighbors to go to the Court House last Monday and file a complaint against Noble Humphries for reckless driving. I hope that enough other mothers who also care will be willing to follow her example.

What if they do get gabbed about? People get gabbed about anyway, no matter what they do. They ought to be willing to have tongues wag into weariness if concerted action can help to stop the hot-rodging, the speeding, the corner cutting, the running through stop signs and traffic lights and the passing in no passing zones.

A motor vehicle is a lethal weapon in the wrong hands. I want to see an end to irresponsibility on our streets and highways, an end to the abuse of the privilege of being allowed to drive a motor vehicle—and an end to complicity in the face of having so many potential murderers among us.

Don't Say Peewee

(Continued From First Page.)

Coach Carl Knox, Assistant Coach Jack Locklear and R. C. McCollum, who reported last Tuesday night's game to the Eagle, were breathless as they went on to describe the game. They told of how Geeslin intercepted a pass returned it 53 yards for a touchdown and then ran the extra point. On the next play Tommy Burks ran 18 yards for a touchdown and he ran the extra point.

With Evant becoming more and more demoralized, Bobby Elliott pushed over a quarterback's sneak three yards for a touchdown. The extra point failed on a pass. Elliott to Vaughan. Finally, Penn Barnett ran 14 yards for a touchdown after Bobby Elliott, in the longest run of the game, had raced 57 yards from scrimmage. The extra point was good on a pass, Barnett to Thorne.

Oh yes, after all that, Evant scored on a 19 yards pass. Remember, don't anybody call the Eagle's Pee-wees any more—ever again.

Many a good name has been left out of this story. Coach Knox used his entire squad of Eagles and there just is not space enough in this week's Eagle to name all of them.

School Board Secretary Ray Duren said that the freewill offering at the gate by those lucky persons who went to see the indomitable Eagles play amounted to \$46.07.

I will print every bit of news that I can get about traffic violations—whether it be about a drunk weaving along the highway in a car or pickup, whether it be about a smart alek kid showing off to his ziri friend, or whether it be about an adult who just steps on the gas without bothering to think that in his path there might be a life in danger—a life that could be snuffed out into death.

Mrs. J. Everett Evans and Miss Gladys Evans spent last week at Center City visiting Mr. and Mrs. Oscar Hill.

Dorman Explains New Provisions For FHA Loans

The Farmers Home Administration, of which Willis A. Hill, Charley D. Swindle and Willie H. Wasserman are the Committeemen for Mills County, this week published an extended explanation of the newly-enacted Public Law 123, by which borrowing farmers will be better able to make adjustments in farming operations, increase production and work out balanced farm and home management plans.

George M. Dorman, F.H.A. Supervisor who is available for consultation at the Mills County Court House every Tuesday morning, made the following statement:

"The law, amending the Farmers Home Administration Act of 1946, enables the agency to make loans for farm operating expenses up to \$7,000 for an initial loan and places a ceiling of \$10,000 on the indebtedness outstanding at any one time. The maximum repayment period is seven years. Previously the initial loan was limited to \$3,500, the maximum indebtedness to \$5,000 and the maximum repayment period to five years.

"In amending the loan terms, Congress recognized that the costs of farm operating expenses have increased sharply in recent years," Mr. Dorman added. A farmer who required a \$3,500 loan in 1946 for annual operating expenses and the purchase of machinery and livestock would have required a loan of \$5,900 for the same purpose in 1951.

"The main objective of the Farmers Home Administration is to help family farm operators make the most efficient use of their land and family labor supply.

"The new loan terms will be of great help in achieving this goal. In the past we have had to turn down many young veterans and other farmers who came to us for assistance simply because we could not provide them with adequate financing under our previous loan limitations to enable them to work out a balanced farming system."

Mr. and Mrs. Voy Vaughn McCasland and children, Rodney and Connie of Mt. Pleasant spent the weekend in the home of his parents, Mr. and Mrs. J. B. McCasland.

Bill Stubblefield of Atlanta, Georgia visited Sheriff and Mrs. C. F. Stubblefield over the weekend.

Livestock Judges

(Continued From First Page.)

Kansas City on Friday of next week (Elsewhere in this week's Eagle there is an article telling of the designation of Miss Ann Worley as Sweetheart of the Future Farmers of America of the Goldthwaite High School. Votes that were cast in the contest for F.F.A. sweetheart at a penny a vote will help to defray the expenses of the F.F.A. livestock judges on the Kansas City trip.)

In addition to the competition at the State Fair of Texas, the Mills County and Goldthwaite 4-H and F.F.A. teams will be feted at a banquet next week, along with the members of the teams from Robert Lee and Ballinger and from Wheeler and Nueces Counties.

Under the guidance of Mr. Johnson and Mr. Reese, a great deal of hard work has gone into preparation for the forthcoming competition. Every Saturday the members of the 4-H team have worked on hogs at the H. R. Collier place on Route 3, on quarter horses with Bob Collins, on sheep at P. R. Jordan's place and on beef at Raymond Horton's place. In addition, there has been "skull practice" in the office of County Agent Reese.

Members of the F. F. A. livestock judging team have been working out on various farms and ranches in Mills County. They will work on cattle tomorrow, Saturday, at Tarleton State College at Stephenville. The F. F. A. livestock judges also have worked out at the Mark Moss Quarter Horse Ranch in Llano County.

James Kemp, who will be a member of the F. F. A. team at Dallas, will not go on to the judging competition at the American Royal Show in Kansas City, where there will be contestants representing all of the 48 States of the country.

Evangel-Mission

addressed by Brother Tidwell. The Rev. Walter W. Lipps of Llano will preside and the singing will be conducted by the Rev. George Ricker of Bertram.

Brother Tidwell was graduated from Southern Methodist University in 1941 and from the Perkins School of Theology at S.M.U. in 1945. The membership of his present Charge at Friona is 450—about comparable to that of the First Methodist Church in Goldthwaite.

The Evangelistic Mission which the Methodists of Texas are conducting throughout the month of October has attracted nation-wide attention and interest. During the October 7-14 period here, the Methodist

Church chimes will sound nightly at six o'clock, calling the people of all creeds and denominations to prayer.

Traffic Violations

(Continued From First Page.)

Joe Nastroca, charged by Patrolman McElroy with running a stop sign, pleaded guilty, ordered to pay \$14.00, including costs. Payment is to be made October 7, according to docket notation.

Donnie Dee McDougal, charged by Patrolman McElroy with speeding, pleaded guilty, fined \$19.00, including costs.

Julius P. Rez, charged by Patrolman McElroy with failure to possess operator's license, fined \$1.00 and costs of \$9.00 after plea of guilty.

A case that has been pending, that of Sam Barnett, was terminated by a plea of guilty to a charge of speeding by Patrolman McElroy. The penalty was a fine of \$10.00 and payment of costs of \$9.00.

that provides recreational facilities for American men and women in the armed services. The Mills County quota for the drive is \$560.00. All quotas for given areas are based on the number of men from such areas who are in the armed forces of the United States.

"Only through the USO can our individual Counties maintain home ties with our young men and women in military service," Mr. Ray Duren said this week. "Each of us here in Mills County will want to do everything possible to make this appeal for USO funds an immediate success. The USO means well-planned recreation and entertainment programs for our young people who are serving their country."

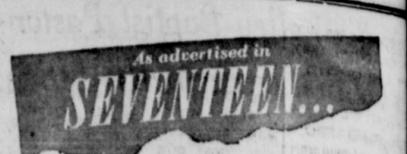

(The attention of readers is invited to an editorial on the USO fund campaign that appears on page two of this week's Eagle.)

Mr. and Mrs. Otto Jackson of San Antonio spent the weekend visiting his sisters, Mrs. Hettie Williams and Miss Flora Jackson and the Leon Jackson family.

Mrs. Willis Hill returned Friday of last week from a two weeks visit with her son, Forrest and family of Berkeley, California.

Charles Bachelor of Abilene spent the weekend with home folks.

Mrs. J. O. Coffey of Crane is visiting her uncle, Bruce Perry, and Mrs. Perry and other relatives here.
