Mullin School Head Issues Full Financial Report And Accounting

When the Board of Trustees of the Mullin Independent School District met this week with Superintendent H. Howard Homsley they were provided with a completely detailed statement of the financial condition of the Mullin School from September 1 through November 20 of this year.

In submitting such an accounting, which he intends to continue at regular intervals, Mr. Homsley was following a practice that proved most successful while he was Superintendent of the Three Way Schools at Maple. He said that mimeographed copies of such financial statements will be available at all times to voters and citizens of the Mullin School District so that they may be fully informed on school affairs.

The first page of the financial report gave an accounting of receipts, totaling \$15,564.88, and of expenditures, totaling \$18,147.74. In an introduction Mr. Homsley explained the deficit of \$2,582.86 by asserting that October tax collections had not been separated and deposited by the time the report was

prepared. "Had I had the October collection to show on this report it would have been a much different story so far as the deficit is concerned," Mr. Homsley wrote. "All in all, I believe we are getting along within our budget."

The second page of the report lists in detail the Mullin school's interest and sinking fund, which is used exclusively for the retirement of bonds and accumulated interest.

"This fund is in good shape," Mr. Homsley said.

The last two pages of the report showed the condition of the activity and lunchroom funds.

The report by Mr. Homsley is indeed complete. It lists the entire payroll, from superintendent to janitor. It shows an expenditure of as little as \$1.25 for laundering football pants. It shows the costs of administration, instruction, plant maintenance, transportation and auxiliary services.

A conspicuous feature of the report is the fact that the source of all funds is detailed and every expenditure right down to the last cent, is listed.

Senator Connally Answers Local Baptist Protest On Vatican Envoy

In response to a protest by the Mills County Baptist Workers Association Conference against establishment of United States diplomatic relations with Vatican City, the Rev. J. T. Ayers, Moderator, this week received a letter from Senator Tom Connally. Previously an acknowledgement of the protest had been received from the office of Senator Lyndon B. Johnson but as yet there has been no reply from President Truman, to whom the protest also was addressed.

In his letter to Brother Ayers, Senator Connally wrote as follows:

"This will acknowledge your communications with regard to the nomination by the President of an Ambassador to the Vatican."

"Not being confirmed at the session which has just terminated,

the nomination of General Mark Clark failed and is dead. If the President should resubmit the nomination when Congress convenes in January, 1952, I shall oppose it.

"As I publicly stated, I shall not vote for the confirmation of General Clark because of his conduct at the Rapido River in Italy during World War II. He discriminated against and mistreated troops of the 36th Division and other Texas troops. I do not favor him as an Ambassador anywhere.

"Should the President nominate any other person for such post you may rest assured that the Foreign Relations Committee will give the whole question its best attention and that a searching inquiry will be made respecting this matter in the light of historical precedents, legal authority, national traditions and high policy."

Senator Connally is Chairman of the Senate Committee on Foreign Relations.

Bible Class Asks For Toys To Be Fixed At GI School As Xmas Gifts

Santa Claus again this year will be represented in Mills County by the Downtown Men's Bible Class of Goldthwaite—the members of which will see to it that Christmas will have real

meaning for all children, no matter how scarce money will be at their home.

Frank P. Bowman and R. E. Clements are compiling a list of children who might be overlooked if the Bible Class were not determined that nothing of the sort will happen.

Harold Wills said this week that as they did last year, the students at the Mills County Vocational School will repair and repaint donated toys so that the Santa Clauses of the Bible Class will have some good gifts to distribute to those on the list that is being compiled by Mr. Clements and Mr. Bow-

man. So where do you come in? You can help very much by taking toys that can be repaired and painted to the GI School any day except Sunday. There they will be worked on by experts of the class in carpentry. But it takes time for such work and so the sooner you take the toys to be refinished at the GI School the better.

Also, you can help Mr. Bowman and Mr. Clements by drawing their attention to any children who might not have a good Christmas unless the members of the Downtown Men's Bible Class remembered the Golden Rule and took into account the true spirit of the Yuletide.

In the weeks between now and Christmas there will be more about the Yuletide plans of the Downtown Men's Bible Class of Goldthwaite. But the important thing for the moment is to take those toys to the GI School so that they may be fixed up and painted in plenty of time.

192 Volunteers Enroll As Donors In Blood Program

Meeting at the Mills County Court House on Tuesday morning of this week volunteer workers moved rapidly ahead toward completing preparations for the visit to Goldthwaite of the American Red Cross Bloodmobile unit on December 7—the tenth anniversary of Pearl Harbor Day.

At the meeting Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, reported that 192 persons had volunteered to be blood donors on December 7 to help to replenish America's seriously depleted stocks of blood and whole plasma.

"More are needed," Mr. Smith said. "Please register as blood donors just as soon as you can."

Present for last Tuesday morning's meeting was W. H. Reaves, field representative of the North Texas national defense blood center of the American Red Cross. Mr. Reaves interpreted the blood program, explained the seriousness of the emergency that confronts the country with respect to depleted blood banks, told why donations of blood are needed so urgently and outlined the specific duties of the volunteer workers who will assist the technicians who will come to the Bloodmobile unit at the First Baptist Church in Goldthwaite on December 7.

Also present for the meeting were Warren P. Duren, Vice President of the Mills County Chapter of the American Red Cross; Mrs. A. L. Whitaker, blood program chairman of the Chapter; Mrs. T. C. Graves, Goldthwaite voluntary donor chairman; Mrs. John G. Berry, who is in charge of voluntary activity in Mullin, Star, Priddy and rural districts; and members of their committees.

Red Cross representatives from San Saba and McCulloch Counties sat-in on the meeting so as to be briefed for the Bloodmobile unit's visits to their areas. In the course of the meeting members of the Lions Club at Zephyr stuck their heads in the door and said how much they would like to help out in the program.

During his visit to Goldthwaite this week Mr. Reaves emphasized the extent to which hundreds of thousands of men and women in the Armed Services have been volunteering as blood donors.

"If it had not been for our people in the armed forces our supplies of whole blood and plasma would have been exhausted completely," Mr. Reaves said. "Men and women in uniform already are making great sacrifices. Civilians should follow their example."

Lions Speaker Sees Weakness Under Red Rule

About 80 members of the Goldthwaite Lions Club, their ladies and their guests, on Tuesday night of this week heard Dr. Edward Taborsky, who formerly was high in the State Councils of Czechoslovakia, express the hope that all-out war with Russia could be avoided by taking advantage of weaknesses behind the Iron Curtain and by maintaining so high a degree of American armed might that peoples oppressed by the Reds would be encouraged to revolt against their masters in the Kremlin in Moscow.

4-H CLUB LIVESTOCK JUDGES COMPETE TODAY AS REPRESENTATIVES OF ALL TEXAS AT THE CHICAGO INTERNATIONAL EXPOSITION

Texas Aberdeen-Angus Association Boosts 4-H Trip

Just before they left for the International Livestock Exposition at Chicago last week the Mills County 4-H Club livestock judging team—grand champions of Texas—were given a great lift when, spontaneously, the Texas Aberdeen-Angus Association contributed \$175.00 to the expenses of the trip.

Last Friday Tommy Stewart, Secretary of the Texas Aberdeen-Angus Association, drove to Goldthwaite from his headquarters in Cleburne and presented the \$175.00 check to Merion Reynolds, Dana Saylor, Bobby Zane Egger, Davis Owens and County Agriculture Agent George G. Reese.

In addition to the financial help from the Texas Aberdeen-Angus Association and those who were listed on an Honor Roll on the first page of last week's Eagle, contributions to the expenses of the expedition to Chicago also were made by the following:

Harper Implement Co., A. & A. Paint and Supply Co., Sam Henry Rahl, Will Rahl, Will Rose, Hollis Blackwell, Randolph Lumber Co., J. L. Fuqua, Melba Theater and Fred D. Reynolds.

Also, Collier Grocery, William G. Yarborough, Yarborough & Duren, Clements' Drug, Blackburn Variety Store, H. B. Davis Variety Store, the Coffee Shop, County Clerk Earl Summy, Deputy Sheriff Clyde Cockrum, County Judge Lewis B. Porter,

Backed by a substantial number of the citizens of Mills County and aided greatly by the Texas Aberdeen-Angus Association, the Mills County Commissioners Court and the Trent State Bank, the members of the Texas champion 4-H Club live-

stock. Their supreme test comes today, Friday, when they judge draft horses, cattle, hogs and sheep—with the hopes of their thousands of friends back home riding with them.

The boys, who were accompanied to Chicago by County Agriculture Agent George G. Reese, have kept in touch with the Eagle as they traveled. The first communication was sent by Dana Saylor from Springfield, Missouri, last Saturday night. Dana wrote as follows:

"Arrived in Springfield, Mo., at 8:00 p. m., after driving 594 miles. We ate breakfast at Hamilton, Texas, at 7:00 a. m. We

stock judging team from Mills County will compete today in Chicago against similar teams from all of the States of the Union.

Merion Reynolds, Dana Saylor, Bobby Zane Egger and Davis Owens left for the Chicago International Livestock Exposition on Saturday of last

then drove steadily until noon, when we stopped at Atoka, Okla., for lunch. After leaving Atoka we stopped only once for gas. We are seeing some fine country, including water and snow, which I have not seen in a long time. I wish Mills County had some of it, since the people back home need it! In Oklahoma we were slowed up by detours and rough roads which had been caused by the ice and snow previously."

Last Sunday night, Bobby Zane Egger wrote from Urbana, Illinois, as follows:

THANKSGIVING

Officially, it will be Thanksgiving Day in Goldthwaite and Mills County on Thursday of NEXT week. For details on the closing of business establishments and other angles of the Grand Confusion, please turn to page six of this week's Eagle.

Lee Kendall, L. F. Bain, Doc Laughlin, R. T. Padgett, Harper Feed Company, and John Fisher Wigley.

Also, San Saba Production Credit Association, the Lone Star Gas Company, Deputy Sheriff John L. Patterson, Seth Whetstone, Mrs. Flo Wilke, S. M. McCasland, and A. A. Downey.

January 8 Set As Date For Play Here By All-American Redheads

January 8 has been set as the date on which the All-American Redheads—all of them pretty girls who must cart around gallons of henna rinse—will take on the very flower of male basketball players in Mills County at the Goldthwaite School gymnasium.

The big event, which is to occur on the night of January 8, will be sponsored by the Goldthwaite Quarterback Club.

On January 8 and at once he sent out QB Club talent scouts to recruit Mills County amateurs—mere men—who will be capable of playing the "world's champion girls' basketball club."

The Redheads, only one of whom is pictured on this page, book only men's teams and they play straight men's rules. Group photographs of the Redheads this week caused a certain bachelor in the Eagle's composing room to resume practicing wolf whistles and catcalls so, for the time-being, it has been deemed wise to print the pictures of the glamorous dames one at a time.

Press agents call the Redheads "wizards of the court" and originators of such basketball antics as the "piggy back," "the Congo line," "finger ball spinning," and the "under legs dribble." As soon as the Quarterback Club heard about all that, it was decided that for the January 8 competition against the Redheads it would be necessary to call on Mullin, Priddy and Star to reinforce the male basketball players in Goldthwaite.

Solemn consideration to the challenge of the Redheads will be given at an important meeting of the Quarterback Club on the night of December 10, when new officers will be elected at the Vocational Agriculture Building at the School. Meanwhile, there has been circulated a petition for the reelection of President Gilliam who is threatened with having to play as a member of the Mills County male team against the Redheads unless he yields to the call to continued service.

BETTY BRADSHAW
 E. B. Gilliam, Jr., President of the Club, this week received confirmation that the Redheads will make their first appearance in this territory in Goldthwaite

New FM Road To Run From Star To Lampasas Line

More farm-to-market road construction in Mills County was announced this week by D. C. Greer, State Highway Engineer of the Texas Highway Department.

Mr. Greer said that in Mills County there will be built a farm-to-market road from the end of spur 183 at Star south to the Lampasas County Line, a distance of approximately seven miles.

The stretch, Mr. Greer said, "is hereby designated subject to the availability of funds" as established and appropriated by the last session of the Texas Legislature.

Mr. Greer said that the new road work also will be subject to the condition that Mills County will furnish all of the required right-of-way free of cost to the State.

"Upon acceptance of the provisions of this order by the proper officials of Mills County," Mr. Greer said, "the State Highway Engineer is directed to proceed with the preparation of plans for construction." After construction, the State will maintain the road.

Boy Scout Funds

Approximately \$900.00 or a little more was raised last week by adult teams that made a dawn-to-dusk campaign for funds for the Comanche Trail Council of the Boy Scouts of America, it was announced this week by W. C. Barnett, auditor of the fund. The amount raised included approximately \$25.00 that was contributed by spectators at a basketball game in the Mullin School gymnasium last Friday night.

HOW ABOUT THAT PINT OF BLOOD?

December 7, the tenth anniversary of Pearl Harbor Day, is coming very soon.

That will be the day on which the Bloodmobile unit of the American Red Cross will come to Goldthwaite to accept donations of blood for the men and women in the Armed Services of the United States and for the civilian defense program.

Have you registered as a blood donor?

That is a vital question, especially if you are able to give only one pint of blood at a time when your country needs it.

On every page of the Eagle this week there is a reminder that our country's supplies of whole blood and plasma have been depleted. Lives are at stake and lives may well be lost unless America's blood banks are replenished. That is why public-spirited citizens and business establishments in Goldthwaite have joined together in hope that by means of this week's Eagle the absolute necessity of responding to the call for volunteer blood donors will be impressed upon everybody.

As this editorial was being written, nearly 200 residents of Mills County had registered to keep an appointment with the Bloodmobile unit at the First Baptist Church on December 7—the anniversary of the "day that will live in infamy."

Many more are needed.

If you have received a postcard from the Mills County Chapter of the American Red Cross asking you to register as a blood donor and if you have not yet sent in your registration, will you please do so at once? Please.

If you have not received a postcard or if you have not been approached by a Red Cross volunteer worker, will you please take the initiative yourself. It is easy.

You can register with Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross. You can register with Mrs. A. L. Whittaker, who is the Chapter's Blood Program Chairman. You can register with Mrs. T. C. Graves, who is Chairman of the volunteer registration effort in Goldthwaite or you can register with Mrs. John G. Berry, who is conducting the volunteer program in Mullin, Priddy and Star and in rural communities.

If you are between 18 and 21 you need to have only the written consent of your parents to be a donor. If you are over 21 you need to be in good health and to have a willingness to help to serve your country and especially those who are making costly sacrifices for you. No pain or "hurt" of any sort will be involved. You can even avoid inconvenience by indicating to the Red Cross workers what will be the best time on December 7 for you to visit the Bloodmobile unit at the First Baptist Church.

Americans always are confident that those who fight for us never will let us down. We must not let them down.

Have you registered as a blood donor? If not, can you look yourself in the eyes when you see yourself in the mirror?

SANTA CLAUS LIVES RIGHT HERE

As in previous years, the Downtown Men's Bible Class of Goldthwaite again this year will see to it that children who otherwise might be overlooked by Santa Claus will not be disappointed when Christmas comes. You can help by being an assistant to Santa Claus. Please read a news article in this week's Eagle about how the students at the Mills County Vocational School will repair and paint toys that will be distributed by the Santa Clauses of the Bible Class to children who might have a sorry Christmas if it were not for the men of compassion and goodwill in our midst. Please, as soon as possible, take any toys that you might have to the GI School so that they can be fixed up as good as new in plenty of time to gladden anxious little hearts on Christmas morning.

TOP POST FOR BILL STUBBLEFIELD

His many friends will be happy over the appointment of William T. "Bill" Stubblefield to the post of Director of Station Relations for the National Association of Radio and Television Broadcasters in Washington. That is a very important job. We are happy for Bill and we share in the pride of his parents, Sheriff and Mrs. C. F. Stubblefield.

GUEST EDITORIAL

(Editor's Note: It is to be hoped that Americans who have been so complacent over the war that our men have been fighting in the Far East will finally have been shocked into realization of the true nature of the Red enemy by the confirmed Communist atrocities in Korea. Under the title, "Reds' Mass Murder," the Houston Chronicle has published an editorial on this shocking subject. It follows in the paragraphs below:)

The worst fears of Americans, and particularly of the families of our fighting men listed as "missing" in Korea have been confirmed.

The chief of the army's judge advocate section reports that 5500 American prisoners of war have been murdered by the Chinese Reds and North Koreans.

With savagery almost unknown in modern times, the enemy forces have slaughtered a total of 5790 United Nations soldier prisoners; some 250,000 Korean civilians, and possibly 11,000 South Korean soldier prisoners.

This revelation is so shocking as to be almost stupefying. Words cannot do justice to the loathing which the civilized world feels for the enemy's bestial conduct.

Yet, the revelation cannot be said to be unexpected. Americans have feared that many or most of the 45,335 men listed as "missing" had been slaughtered. Deep down in their hearts many Americans have strongly anticipated the worst for a long time.

The only thing really surprising about the report of the Eighth Army's legal chief is that it was so long deferred. There were many rumors and some verified reports of North Korean atrocities during the first weeks of fighting, nearly a year and a half ago. Since then there has been little news of this nature. Why is it that only now are we being told the full facts, so far as the army has been able to ascertain them?

Surely it has nothing to do with the rejection of the Soviet demand for the seating of Red China in the United Nations. Public opinion in this country, and presumably in a majority of member nations, was dead against admission of Red China already.

If there is any particular significance in the timing of the horrible announcement—other than that the judge advocate's section has just now completed its findings—it may be connected with the ill-fated truce talks.

After more than four months of off-and-on negotiations, the cease-fire sessions appear once more to be on the point of breaking up in complete failure. The enemy is demanding immediate establishment of a hard-and-fast demarcation line and buffer zone now. The allies are rejecting this demand on the ground that it automatically would establish the cease fire and take the military pressure off the Reds, permitting them to stall indefinitely on the other armistice terms.

If the negotiations are broken off finally and irrevocably, American public opinion will be divided between getting out of Korea and throwing everything we have at the enemy in order to push the last Chinese off the peninsula and unite the country through full victory.

W. S. Bickham of Big Valley left Sunday for Galveston to complete his studies in the medical college.

Miss Etta Grundy expects to go to Hawley's, Matagorda County, Monday to carry Mr. Pierce's little daughter, who has been cared for since the death of her mother by Mrs. R. M. Thompson.

The Eagle's Ac

By The Editor

This space this week is for Coach Carl Knox. He wants to tell the Goldthwaite community of his gratitude for support that was given during the 1951 football season to the Goldthwaite High School Eagles. Most of his remarks also are in behalf of the members of the football squad but some of them were pointed to the members of the squad.

"Looking back on the season and considering the attitude of the players, we had as successful a year as if we had won the conference title," Coach Knox said. "The boys simply refused to get down-hearted and they ended the year with a splendid victory over Llano. I am happy that we had such high morale, whether the going was good or bad."

Coach Knox said that he and the Eagles wanted to extend special thanks to the Goldthwaite Quarterback Club. Its members helped out during games. They provided transportation for squad members after practice sessions. The Quarterback Club made film studies of actual games. Its members sold season tickets for home games. "Generally, and in ways too numerous to be listed, the Quarterback Club boosted morale," Coach Knox said. "The Quarterback Club more than met the purposes for which it was organized."

In looking back on the gridiron season, Coach Knox said that he was grateful to the School Board and to Superintendent H. E. Patton for consistent support of the football program and for the understanding of problems that always was forthcoming. "It helps both a coach and a team to be aware of the backing of the School Board and the School Administrators," Coach Knox said.

Coach Knox had many other "thank you's." In them he included the Goldthwaite Lions Club for having entertained the Eagles at a football banquet. He pointed out that throughout the season Yarborough & Duren had provided refreshments for the players between halves of games both at home and away from home.

"So many individuals helped that it would not be possible to list all of them," Coach Knox said. "But special thanks are due to Everett Holland, Voyd Lee Doggett, Charles Conrad and Y. B. Johnson, Jr., for their generosity in acting, without charge, as officials for games in which the Eagles or junior team played."

"Harmon Frazier was on the time clock and he was of invaluable assistance to us. We owe

to him.

If the administration at last has decided that General MacArthur was right last spring when he said "There is no substitute for victory," the issuance of this atrocity roundup will tend to solidify public opinion behind the strongest measures.

In the meantime, change the figures of American dead in the Korean "police action." To more than 16,000 killed in action add 5500 murdered prisoners of war for a total of at least 22,000 American fighting men dead in Korea.

Coach Knox was enthusiastic in his praise of student managers of the team. "Joe Hodges and Wayne Elliott were the best of them," Coach Knox said. "They put in many hours of work. They lined up the team in the best manner ever once gripping a football. They were the best of them," Coach Knox said. "I am grateful to Wayne and Joe Hodges."

As for the members of the squad, Coach Knox was proud of them. "The way they played was the manner in which we pitched into new work some heart-breaking. Friday Night Is Time For Reunion Of Class Of 1948

The reunion of the Class of 1948 of the High School will be held Friday, at the 7:00 o'clock. Mr. Nix, who just returned from his trip to the East, will be the guest speaker. by popular demand she is to take her new son, Paul, to the reunion. S/Sgt. Simpson is recuperating from hospitalization so his status in relation to the reunion is in doubt.

Mr. and Mrs. Floyd Daniel. She is the former Jerol Vaughan. They are expected to take their son, Mark, who is a month younger than Paul Simpson.

Mr. and Mrs. Jerry Jackson. Jerry was a member of the Class of 1948.

Bobby Burks. Hey, girls! He is an eligible bachelor.

Doris Smith. She is sure to attend the reunion just to get away from that switchboard.

Mrs. Arnold Scott. She is the former Betty Jean Featherston. Her son Paul has been invited.

If Daddy Arnold comes home from Carswell Air Force Base in time for the reunion he simply must attend because so many of the 48'ers are so anxious to meet him.

Mrs. Margaret Thompson of Italy, Texas, is urgently invited to attend. She was sponsor of the Class of 1948 and so far she has missed only one of the reunions.

Tonight, Friday, the members of the Class of 1948 will consider the wisdom of holding their fifth reunion on the night of November 30—same place, same time. That project arises from the fact that there are so many Thanksgivings this year.

er sisters, thereby confusing the neighbors considerably. Be it noted that any remarks about the youthful buoyancy of Mrs. Page and Mrs. Maxwell do not involve the flinging of any asparagus in the direction of pretty Dorothy Page Harvey.

The Omar Harveys returned to San Antonio last Sunday and the Weyman Harveys returned to Fort Worth on Monday, after completing plans for a big bird hunting expedition with the BIRD DOG Ted during the first week of December. Mr. and Mrs. Boogher returned to Chicago on Tuesday—but by way of Fort Worth instead of Los Angeles.

Mrs. L. E. Miller was among those who helped to welcome the various returning Harveys during their home-coming weekend.

Geslin-Hardcastle Rites December 16

The betrothal and approaching marriage of Ada Margaret Geslin, daughter of Hubert C. Geslin of Goldthwaite, to Billy Ray Hardcastle, son of Mr. and Mrs. J. W. Hardcastle of Meridian, was announced this week.

The wedding will be solemnized at the First Methodist Church in Goldthwaite on December 16.

The wedding will be solemnized at the First Methodist Church in Goldthwaite on December 16.

MISS NELDA RUTH HODGES IS WED TO CHARLES WILLINGHAM

Eagle Photograph By Gibbons-Smith of Brownwood.

MRS. CHARLES WILLINGHAM

Miss Nelda Ruth Hodges became the bride of Charles Willingham of Corsicana, Texas, in the Church of Christ of Goldthwaite at 4:00 o'clock Saturday afternoon, November 17.

The double ring ceremony marked solemnization of the marriage rites.

J. R. Willingham, Sr., of Corsicana, father of the groom, performed the ceremony. Mr. and Mrs. Allen W. Hardgrave of Goldthwaite sang "O, Promise Me" and "I Love You Truly." Paul Mayr of Georgetown sang "Because," and a chorus sang the "Bridal Chorus" from Lohengrin.

The bride is the daughter of Mr. and Mrs. B. A. Hodges of 1414 Parker Street, Goldthwaite. The bridegroom is the son of Mr. and Mrs. J. R. Willingham of Corsicana.

For the wedding, the Church of Christ was decorated attractively with white gladiolas. The bridal couple took their vows under an arch of greenery and white flowers.

Honor attendant was Mrs. Paul Mayr of Georgetown, sister of the bride. The bridesmatron was Mrs. James R. Milstead of Sweetwater, and Donna Kay Hardgrave of Goldthwaite was flower girl.

Best man was J. Roy Willingham, Jr., of Abilene, brother of the groom. Joe Hodges of Goldthwaite, brother of the bride, was groomsman. Ushers were Alton Wilson and Clint Howeth, both of Abilene Christian College. Charles Brown and Arthur Brown, nephews of the groom, lighted the candles.

The bride, given in marriage by her father, wore a dress of white slipper satin, designed with a molded bodice embroidered with seed pearls and a full gathered skirt. The scalloped yoke was of nylon illusion with a row of seed pearls at the round neckline. The sleeves

came to points over her hands. Her veil of Alencan-type lace, with scalloped edges fell from a lace calot and extended to the waist. She carried white gardenias with ribbon streamers on her college sorority's Bible.

The feminine attendants wore identical gowns of Nile green taffeta, fashioned with scalloped necklines, molded bodices and full skirts, similar to the bride's. They wore matching short veils of nylon net and carried green gardenias on white Bibles. The flower girl also wore a Nile green taffeta dress with a tiered skirt.

The mothers of both the bride and groom wore gray. Their costumes were touched off by white gardenias.

The wedding reception was held at the home of the bride's parents. In the house party were Mes. Allen W. Hardgrave and C. F. Stubblefield; Misses Linouise Dellis, Marian Todd, Shirley Belcher, and Barbara Thompson, all of Abilene Christian College. The table was laid with a cut work cloth and decorated with white chrysanthemums and crystal candle holders.

When Mr. and Mrs. Willingham left for Austin, the bride wore a light brown suit with brown accessories. The couple will live at 1206 San Antonio Street, Austin.

Out-of-town guests included Mr. and Mrs. J. R. Willingham, Sr., Corsicana; Mr. and Mrs. J. R. Willingham, Jr., and Michael, Abilene; Mr. and Mrs. C. A. Brown, Charles and Arthur, Pauls Valley, Oklahoma; Mrs. Leon Coleman and Mark, Wellington; Lee Hodges, Brady; John Flynn and Eugene Hirl of the armed services.

Mr. and Mrs. Allan Horton of Waco spent the weekend in the home of Mr. and Mrs. M. F. Horton.

Mullin Plans Great Home-Coming For School "Ex-es" December 22

All former students and teachers of the Mullin Schools were being paged this week so that they may be advised of big news—that there will be a great home-coming at Mullin on December 22. Plans are in the making to revive and restore a former tradition that has faded a bit during recent years and the idea is to get started right now so as to bring everybody home to Mullin for the Saturday before Christmas.

Mrs. Lewis Pafford is Chairman of the Committee that is making arrangements for the December 22 home-coming at Mullin. Working with her is Mrs. Glynn Sanders, President of the Mullin Parent-Teacher Association.

"We plan to send invitations to all former students and teachers of the Mullin Schools," Mrs. Sanders said this week. "We have been given access to

the permanent records. But so many persons have moved and there is so much uncertainty about so many addresses that we shall appreciate the cooperation of everybody in helping us to see to it that everybody is invited."

Mrs. Sanders suggested that known addresses of former Mullin students and teachers be sent to her or to Mrs. Pafford. She suggested that persons now living in Mills County who know of the whereabouts of Mullin "ex-es" can help a great deal by advising the Committee of their addresses.

"Please let your children, your relatives and your friends know of the big Mullin home-coming on December 22," Mrs. Sanders said. She added that between now and the time for the home-coming further details of plans for it will be announced.

Report By Mrs. J. H. Saylor Wins Women's Clubs Federation Award

Federation Day Is Observed By Art, Civic Club

Federation Day was observed by the Goldthwaite Art and Civic Club at the Jennie Trent Dew Library a week ago last Saturday when Mrs. Hubert Baker of San Saba, incoming President of the Sixth District of the Texas Federation of Women's Clubs, was the principal speaker.

The gathering also was addressed by Mrs. U. R. Payne, formerly Vice President of the District. Mrs. Baker spoke on "Today's Home" and Mrs. Payne's discussion was on the responsibility of women at the ballot box.

Tea was served to members and guests, who were greeted in the receiving line by the guests speakers, Mrs. Jeff D. Jackson of Lampasas, who is Mrs. Baker's predecessor; and officers of the Art and Civic Club, of which Mrs. Voyd Lee Doggett is President. There were many guests from Goldthwaite and from out of town.

A program before the addresses of the speakers included dancing by Karyn Glass, piano solos by Martha Carolyn Graves and Lathon Jernigan, and a vocal number by Kathryn Horton. Mrs. Mary Ellen Schulze played the piano as the members and guests arrived for the Federation Day meeting.

One of the current projects of the Art and Civic Club is the Care - For - Korea Campaign, under which members are making donations for the relief of civilian victims of war in Korea. The campaign also is a project of the General Federation of Women's Clubs, with which the Art and Civic Club is affiliated.

Sewing Club Will Exchange Presents

With Mrs. M. C. Partridge, the newly-elected President, assuming her duties of office, the Ladies' Sewing Club of the Pleasant Grove and Seallorn Communities met on Thursday afternoon of last week at the home of Mrs. Thurman Head. Other newly-elected officers of the Club are Mrs. Silas Holcomb, Secretary-Treasurer; and Mrs. M. C. Bishop, Reporter.

The next meeting, Mrs. Bishop said, will be held on December 13 when sewing will be combined with an exchange of gifts. Mrs. W. G. Bishop will be the hostess for the December 13 meeting. The Club is anxious to welcome new members.

Youth Night Singing

Enthusiastic members of the Downtown Men's Bible Class of Goldthwaite this week issued reminder that tonight, Friday, the regular Singing of the Class will take the form of a "Youth Night," with Bill Huggins and his quartette as the outstanding attractions. The Singing will start at 7:00 o'clock at the Baptist Youth Center on Fisher Street. Everybody is invited but a special invitation has been extended to young persons.

Bill Stubblefield Is Appointed To High Position In Washington

William T. "Bill" Stubblefield, son of Sheriff and Mrs. C. F. Stubblefield, has been appointed to a highly important post in the American communications industry—that of Director of Station Relations for the National Association of Radio and Television Broadcasters. The appointment becomes effective December 1, when Mr. Stubblefield will assume his new duties at the main headquarters of the NARTB in Washington.

Prior to his appointment to his new and important post in Washington, Mr. Stubblefield was accountant executive in the station relations department of the Associated Program Service, with headquarters in Atlanta, Ga.

The appointment of Mr. Stubblefield was announced by Harold E. Fellows, President of the National Association of Radio and Television Broadcasters, which includes in its membership all of the radio and television broadcasting outlets in the United States.

Mr. Stubblefield has been in the radio industry since 1939, when he became an announcer for KONO in San Antonio. After

World War II, in which he served as a radio officer in the United States Merchants Marine, Mr. Stubblefield became a management consultant and directed the construction of several Texas radio stations. He joined Capitol Records in 1949 as a field representative in the South.

Formerly a student at the University of Texas, Mr. Stubblefield is married to the former Mary Cynthia Looney of Rio Grande City. They have a son, "Little Bill," who is 2. While Mr. Stubblefield settles in his new post in Washington and finds living quarters for his family, Mrs. Stubblefield and "Little Bill" will sojourn in Rio Grande City.

In his new position Mr. Stubblefield will do considerable traveling in order to keep in personal touch with radio and television stations throughout the country. He will make many public addresses—in fact, he has been booked already for several speeches, including one in Philadelphia on December 18. Headquarters of the NARTB are in the heart of Washington, about six blocks from the White House.

Dale Henry Wins Air Cadet Rank

Kenneth Dale Henry, son of K. B. Henry of Mullin, has been selected to serve as a First Lieutenant in the Air Force ROTC at the University of Texas in Austin, it was announced this week. He was among 64 Air Force ROTC students who were selected for ranks equivalent to those of commissioned officers.

Peggy and Mr. and Mrs. E. I. Oxley were visitors last weekend in Monahans with Mrs. Carrie Henry.

Mr. and Mrs. Jesse Williams of Ft. Worth were week-end visitors with Mr. and Mrs. F. E. Leineweber.

Mrs. J. H. Rangolph and Mrs. Dora Pardue of Goldthwaite were visitors Sunday with Mr. and Mrs. R. H. Patterson.

R. C. McCollum Tots Up Figures On Eagles' 1951 Football Season

By R. C. McCOLLUM

For the benefit of football fans who like to hold post-mortems and who, between seasons, like to ponder both team and individual performances, here is a statistical account of the 1951 season of the Goldthwaite Eagles:

The figures show that in ten games the Eagles made 94 first downs. The most were 17 against Llano and the least were five against Marble Falls.

During the season the Eagles gained 1,261 yards rushing—with a maximum of 252 against Llano and a minimum of 53 yards against Comanche.

The Eagles gained 678 yards by passing. The top passing netted 125 yards against Mason. At the bottom of the list of gains by passing was 15 yards against Cross Plains.

Here are some more figures:

Eagle touchdowns, 12.

Points after touchdowns, 7—all by Bobby Letbetter.

Safeties, 1—against Marble Falls.

Total points scored by the Eagles, 81. John Gilliam scored eight touchdowns while Vernon Whitley, Wayne Roberts, Hob-

son Miller and John Dean Stark scored one touchdown apiece.

Gilliam punted 30 times for 1,301 yards or 34 1/3 yards per kick. One of his punts was blocked. He returned 12 kickoffs for 374 yards and two touchdowns, and he intercepted one pass.

Vernon Whitley carried the ball 70 times for 281 yards and lost 13 yards. He caught 21 passes for 274 yards and attempted one pass that was incomplete. Whitley returned one punt for 20 yards and returned 16 kickoffs for 332 yards. Whitley also intercepted one pass.

Dick Lindsay carried 26 times for 80 yards and lost 46 yards. He caught two passes for 18 yards. Lindsay attempted 60 passes and completed 25 of them for 306 yards, including two for touchdowns. Ten of Lindsay's passes were intercepted and 25 were not completed. Lindsay punted nine times for 236 yards or an average of 29 1/2 yards. Two of his punts were blocked. He returned two punts for 21 yards and Lindsay also returned five kickoffs for 72 yards.

Joe Hammond carried 20 times for 67 yards and lost only seven yards. He caught six passes for 49 yards; attempted two passes for 15 yards—one complete and one incomplete. He returned two punts for 19 yards and intercepted one pass.

Bobby Letbetter carried the ball two times for a loss of seven yards, caught a pass for 13 yards, kicked seven extra points out of 12 tries and returned two kickoffs for 32 yards.

Jimmy Dale Thorn caught two passes for eleven yards. H. T. Vaughan returned a kickoff for eight yards. Hobson Miller caught nine passes for 102 yards and touchdowns. He returned one punt for ten yards and intercepted two passes.

John Dean Stark caught five passes for 66 yards and one touchdown. Wayne Roberts caught one pass for 21 yards and one touchdown. He carried the ball once for one yard, returned a punt for ten yards, returned a kick-off for 22 yards and intercepted

Thanksgiving Day In Mills County Is November 29

Although some business establishments observed Thanksgiving Day on Thursday of this week, Thursday of next week will be Thanksgiving Day officially in Goldthwaite and Mills County.

The Trent State Bank, which closed on Thursday of this week, also will close on Thursday of next week.

The Goldthwaite Post Office observed Thanksgiving Day on Thursday of this week when there were no rural deliveries and when there was window service only for one hour in the morning. On Thursday of next week the Post Office will operate as usual, including regular full-time service and rural deliveries on all routes. Any delays in deliveries of this week's Eagle were due to the suspension of rural deliveries on Thursday, November 22.

The Goldthwaite Eagle will be closed next Thursday. The publication schedule will be advanced by 24 hours next week so all news and advertising material should be delivered to the Eagle one day early.

Amidst the confusion, the Class of 1948 of the Goldthwaite High School caught itself with the possibility of reunions on Friday night of this week and again on Friday night of next week. All members and attachments of the Class of 1948 are hereby notified that in all probability there will be a reunion on the night of November 30 at the Hangar. Don't let that keep you 48'ers from going to the Hangar tonight, Friday, because by so doing you can get in on the first of the two 1951 reunions.

The Goldthwaite Schools closed on Thursday and Friday of this week but there will be classes as usual next week.

Next year things will be different. By act of the Texas Legislature, in Texas Thanksgiving Day always will be the last Thursday in November. More about that next year.

Mr. and Mrs. C. A. Womack returned last Friday from a visit in Houston.

News Of The Ebony Community

By Clementine Wilmet Briley

We see autumn on the hills—more somber than in other years—yet enchanting and delightful, enamoring "with its beauty."

At the Reeves place Monday we saw a patch of rye up to a good stand. Stanley said he had decided to risk enough seed to plant a small patch, but he was about through throwing seed away. He said he planted a hundred acres of grain in the spring and reaped nothing from it.

The White place now belongs to a Mr. Proctor of Eden. Blue Thompson has sowed it in grain for him. It is up to a pretty stand.

Mrs. Lem Egger spent Tuesday with her friend, Mrs. Edna Dwyer, while Lem and Taylor Duncan went to San Angelo looking for cattle to buy.

Mrs. Hattie Whittenburg of Brownwood is spending a few days with Mr. and Mrs. Charm Whittenburg.

Mrs. Edna Dwyer had for guests Sunday, Nov. 11, Mr. and Mrs. J. R. Briley and Mr. and Mrs. Henry Egger. The occasion was a birthday dinner, honoring Mrs. Briley and Mr. Egger. The menu included baked chicken and dressing, cranberry sauce, home-canned snap blackeyed peas, creamed potatoes, lettuce and tomato salad, and white cake with whipped cream and cherries.

Hubert and Stanley Reeves have purchased a pear burner and are preparing to beat the drouth by feeding prickly pear. They find it hard to keep from setting the grass on fire.

Ynell Egger of Southwest State College spent the weekend with her parents, Mr. and Mrs. Cecil Egger.

In a restaurant last week we met up with our neighbors, Mr. and Mrs. Blue Thompson and had a nice visit. They had been to Brady the day before. Mr. Thompson is buying baby calves to raise.

While waiting in the doctor's office Wednesday, in came a big policeman and sat down across the room from me. In a moment I recognized him as my old pupil, Loe Meek. I didn't lose any time making myself known to him, and we had a happy chat. He said Mrs. Meek, a longtime shut-in—is as sweet as she ever was, and is as pert as a cricket.

Sunday we squeezed Mrs. Dwyer in with us in our pickup cab, and after church we went to Indian Creek to see Miss Cora Posey, but found her not

News Of Star

By DORA GOODE

Mr. and Mrs. Charles Baker and children and O. C. Baker of Carlsbad, New Mexico, spent last week with their mother, Mrs. Lonnie Baker.

Mrs. Lawrence DuPuy is quite sick at this writing. Mrs. Shorty Horton of Goldthwaite visited with her Monday afternoon.

Mr. and Mrs. H. C. Knowles of Austin spent a few days with relatives last week.

Aunt Maggie Soules has been sick the past week.

Mr. and Mrs. Robert Goode of Fort Worth were in home recently.

Miss Billie Gail Soules is recuperating from an appendectomy operation. Meanwhile Mrs. Shelby Hawkins of Molline is holding down her room at school.

Some grain has been sown and ready for the rains.

Mr. and Mrs. Lant Adams are now at Pleasant Valley, near Post, for the ginning season.

W. E. Harrell, of Moody, stopped by one day last week, on his way home from Coleman, for a short visit with Christian Goode and his mother.

Mrs. S. L. Beaver, of Houston, was a recent visitor in our community.

It's getting around time for us to be thankful for the blessings we enjoy, or rather to celebrate with prayer and praise. Those of us who can't afford a turkey can be thankful that we're in this good, dry and bright climate, instead of among the hills of Italy, where floods are sweeping away homes, and all that the people have.

John DuPuy and family, of Fort Worth, and Dude DuPuy, of Austin, came in Monday night to see their mother, who has been quite sick.

Our Chester Edward Brooks Finds A Girl—"Sweet Enough" For Him

Most reporters, usually when they are young, either write poetry or dream of becoming poets—probably because of an

CHESTER EDWARD BROOKS inner urge toward literary merit higher than mere journalism. The Eagle's Chester Edward

Brooks, who also is a member of the Junior Class of the Goldthwaite High School, is no exception.

Our Chester has reported many an item that has been printed in the Eagle during the past few months. That is why he is pictured here with that big PRESS card on his hat—a press card that should get him through police lines anywhere. But what Our Chester did not report was that he had taken to writing poetry. Since he was following a journalistic pattern that now ranks as a tradition, he had no need to hide his light under a bushel. Nevertheless, it was another Eagle reporter—one who has not yet taken to poetry—who discovered Our Chester's secret predilection, and tattled on him to the editor.

The editor, having written some poetry himself many years ago—poetry which he has kept at the bottom of an old trunk for more than three decades—remembered that only one of his inspirations by the muse ever got published. Accordingly, it was decided that nothing worse would happen to Our Chester Edward Brooks. The hope is that his literary career, as it blooms, will be better—including poetry.

Our Mr. Brooks has written a poem entitled, "My Sweetheart." Two reporters were assigned to the task of discovering to whom the poem was written. Their efforts have been completely unsuccessful. Our Chester Edward Brooks stubbornly refuses to identify the little lady he had in mind when he wrote "My Sweetheart." There is no doubt, of course, that he had himself in mind when he wrote the last line of the first verse, which describes "My Sweetheart" as "Sweet, even enough for me." If SHE knows who she is, will she please drop in at the Eagle office so that the colleagues of Our Chester Edward Brooks can see some real inspiration on the hoof—or maybe in high heels would be a nicer way to put it. While the Eagle staff waits for a call by "My Sweetheart," here is the poem to her that has been the cause of so much discussion:

MY SWEETHEART

By Chester Edward Brooks
Sweet as the flowers that blossom in the lane,
Sweet as the roses from her wedding train;
Sweet? Yes, sweet as can be—
Sweet, even enough for me.
Sweet as a field of clover
Sweet as the beehives in October;
Pure as a mountain stream
in springtime—
Pure and pretty and all mine.
With lips as red as the purest wine;
Sweet and pure as the finest work of art—
Sweet and playful—that's my sweetheart!

Members of the Future Farmers of America at Mullin have elected Melva Pafford as their Chapter "sweetheart" and the Mullin Future Homemakers of America have selected Wayne Mosier to be their "beau." Miss Pafford is a member of the Senior Class of the Mullin High School while Wayne Mosier is a Freshman.

Ruth Knox of Arlington, Miss Carolyn King and Miss Grade of Dallas were night guests of Miss brother, Carl Knox. On the foursome attended T.C.U.-Texas game in Wimberley, where they spent the week end on a dude ranch.

Elam Kelly and daughter, Brenda, spent the week end with relatives.

"Old Hap's" Big Laguna Desponda Breaks Into News Of Soil Service

By CHARLES O. HAENISCH

The weak link of any farm pond is the spillway. Experience has shown that if the spillway is not protected by vegetation, erosion becomes inevitable. Farmers and ranchers cooperating with the Brown-Mills Soil Conservation District who have built ponds are doing something about the spillways.

E. H. Hapgood of the Big Valley community had a pond built last spring. He purchased approximately 20 bales of King Ranch bluestem hay. The hay was ground and scattered over the spillway and on the dam. Because of the extremely dry summer and fall he had very little success with the seeding, but he plans to seed it again this spring.

L. B. Burnham, Jr. is now in the process of having a pond built. The spillway will have to be excavated to a depth of approximately three feet. King Ranch bluestem will be used in the seeding of the spillway and the dam. This seeding will take place sometimes in the spring.

Mr. Burnham thinks that the King Ranch bluestem will be adequate because of the dense growth produced from the plant. After seeding the spillway a temporary fence is planned, to prevent the stock from tramping and injuring the small seed-

lings. After the grass is well established the fence will be removed. Mr. Burnham points out that there is another big problem in maintaining a farm pond that often is overlooked by many people. That is the problem of wave action against the dam. He plans to solve this problem by rip rapping the dam at water level and at the end of the dam with large flat rocks. He believes that a structure as expensive as a pond should be protected so as to last as long as possible.

Some ponds such as the one on the Leston Berry farm near Pleasant Grove have a natural spillway. It is not necessary to cut the spillway on these ponds and the native vegetation is not disturbed. Seeding, in these cases, is not necessary and little or no erosion takes place.

Farmers and ranchers whose ponds do not have an adequate spillway should be planning now to seed them this spring. For the average size pond approximately five pounds of good King Ranch bluestem seed will be sufficient to get a good stand. The additional labor spent on this job will pay dividends in the future.

Gospel Hall To Have Convocation Starting Dec. 26

Plans for a Convocation at the Gospel Hall in Goldthwaite from December 26 through January 1 were announced this week by the Rev. E. W. Dickson as he mailed out several hundred invitations to people from far and near to come to join in the services that will be held daily, morning, afternoon and night, during the Convocation period.

Brother Dickson said that a number of persons are expected to come to Goldthwaite for the Convocation, including visiting speakers and singers. He said that further plans will be announced later, including the possibility that there may be requests for rooms in private homes to accommodate visitors to the Convocation.

Houston Chronicle Pictures Sheriff

Did you see the handsome countenance of our own Sheriff C. F. Stubblefield in the magazine section of last Sunday's Houston Chronicle? Well, if you missed it, the Sheriff was there in a photograph which depicted him, along with other law en-

forcement officers, in an equipped portable display of the Texas Department of Public Safety. The photograph layout, in which Stubblefield was included, was included in the Texas-wide communications network that is able to officers of Sheriff Stubblefield through the radio equipment of his car.

Americans Are Rolling Up Their Sleeves

Career girls and carpenters... truck drivers and teachers... bankers and bakers and pretty homemakers - everybody with a conscience is rolling up his and her sleeves to help meet the crisis of a depleted blood reserve.

Your Armed Forces are short 300,000 pints a month. Men, your men, on "Heart-break Ridge" have been hit. Tomorrow it may be at some other place with a strange name. And maybe the blood won't be

there. And the fighting man who might die... will die.

Your Defense Department and your Red Cross have reminded you that blood is needed. Secretary of Defense Lovett says the situation is perilous. Our top military men in Korea say it's perilous.

So roll up your sleeve... join the thousands of Americans who are giving blood regularly, cheerfully! How about making an appointment... today!

Final Vote Returns

Final returns from the constitutional amendment election in Mills County on November 13 showed that a total of 554 citizens voted, County Clerk Earl Summy said this week. The only amendment that was approved in Mills County was number 4, providing for increased land loan assistance to veterans. It was carried 361 to 175. Amendment 5, concerning old age and other State benefits, was defeated 343 to 205. Amendment 5 was approved in only two Mills County towns—Fisher (Democrat) and Regency.

Army Reports "Good Progress" In Planning Big Military Maneuvers

A progress report on preparations for impending Army and Air Force maneuvers in this area was issued this week by Headquarters of the First Armored Division at Fort Hood, Major General Bruce C. Clarke, commanding.

The report expressed gratification over cooperation by land owners and County Commissioners in working out plans for the maneuvers and it said that for its part, the Army will be considerate of the rights of civilians. The report follows:

"Progress in obtaining land easement agreements from civilians in the area to the west and north of Fort Hood for the joint Army and Air Force 1952 maneuver, Operation Long Horn, has been highly pleasing and exceeds expectations, according to a report by John R. Slay, civilian in charge of the Real Estate Office at Fort Hood.

"Commissioners Courts have agreed to permit the Army to use County roads. The Army in turn has agreed to repair any damage and to strengthen doubtful bridges beforehand at Army expense. In addition, crews will be stationed along the roads to keep civilian traffic moving for the three week period.

"A group of ten field men, backed up by three others at the Fort Hood office, has been in the field for a full week. The work of obtaining land permits, which are nothing more than agreements to trespass, is under the direction of the Galveston District Engineer.

"Present plans propose a December 31 completion date for the work of clearing the way for 1952's major maneuver effort. The three week operation will take place in late March and early April. For planning purposes, the clearance rights should be complete by the end of the year.

"Major General Bruce C. Clarke, commander of the First Armored Division and Fort Hood, has expressed gratification for the splendid cooperation shown Army authorities by the people of this area.

"Newspapers around Fort Hood have expressed almost unanimous approval of Operation Long Horn.

"The easement agreements do not permit the Army to use any buildings and do not provide for lease or purchase of property. They are simply agreements to allow troops to bivouac and pass over land during the field exercises.

"The Army will set up a special claims office during the operation for immediate minor repairs and to receive claims on the government, which is liable for any unrepaired damages resulting from use of the property for the operation."

School Bus Hit

A Goldthwaite school bus, driven by Cruz Corona and carrying a number of children on their way home from class, was struck from the rear on Wednesday afternoon of last week at the intersection of highway 16 and Simpson Lane, 5 1/4 miles southwest of Goldthwaite, by a car driven by Woodrow Wilson Reed of Abilene. Deputy Sheriff Clyde Cockrum, who investigated, said that at the time Mr. Corona's bus had stopped to discharge passengers. A pickup and Reed's car were following too close. The pickup swerved around the standing school bus and continued on its way, without stopping. The front right fender of Reed's car struck the left rear corner of the bus. Deputy Sheriff Cockrum estimated damage to Reed's car at \$100.00 and damage to the school bus at \$20.00. There were no injuries.

Woodards Light

Tired but happy after a gay trip that took them to Havana, Cuba, by way of Dallas and Miami, Fla., Mr. and Mrs. I. Z. Woodard of Brady, formerly of Goldthwaite, returned to their home last week. They made their journey as guests of the International Harvester Company—which had recognized Mr. Woodard's outstanding salesmanship in the sales of refrigerators and home freezers. On Thursday of last week Mrs. Pauline Woodard returned to Goldthwaite after staying in Brady to care for her grandchildren, Betty Carol and Bob, while I. Z. and Izetta were traveling.

Methodist Chimes Silent For Awhile

If you have been missing the tones of the chimes of the First Methodist Church in Goldthwaite it is because they have been returned to the manufacturer for an overhauling. The Rev. Ed H. Lovelace, Pastor, said it was hoped that the chimes would be back in place very soon so they may be heard as they sound the call to worship.

You Were Going to Give Blood?

TELL IT TO THIS MARINE!

What are the chances of a wounded GI coming through?
That depends—on blood. Without blood, fatalities would go up sharply. With blood, we save 97 out of every 100 who reach even the most forward hospitals.

So blood will tell. Your blood.

Of course you intend to give blood. The butcher, the banker, the milkman, the mayor . . . all Americans are "rolling up their sleeves" these days.

But wounds won't wait . . . and right now, your Armed Forces are short 300,000 pints of blood a month. That means we're dipping into precious reserves . . . scraping the bottom of a barrel that should be overflowing if our men are to live for democracy!

Make that date today, won't you? And keep it. Don't wait till it's too late. There's no percentage in one American giving his blood the hard way . . . when you can save it the easy way.

Daughter Of The Wilford Grays Lands In Japan

Mr. and Mrs. Wilford Gray of Goldthwaite this week received the glad news that their daughter, Mrs. Roger R. Beaty, and her son, R. H. Beaty, had landed safely in Japan to join their husband and father. They had waited for two years for the family to be reunited.

Mrs. Beaty is the former Willie Faye Gray. Her husband, a Staff Sergeant, is one of the original veterans of the war in Korea, where he made the first landing with the renowned First Cavalry Division. S/Sgt. Beaty went through all of the rugged combat of last winter. He was wounded three times in the course of the campaigning up and down the Korean peninsula.

On Tuesday of this week Mr

Happy Birthdays To All Three Morelands

Maintaining a custom of 31 years that has been interrupted at times only because of wartime service, Mrs. H. E. Moreland last Sunday honored the birthday anniversaries of her husband, Hugh, and their sons, Jesse and Lester. In addition to the guests of honor and the hostess, Mrs. Jesse Moreland and Jan and Dennis were present, as was Mrs. Lester Moreland, of course. The rest of this story is in Mrs. H. E. Moreland's own words. Here they are:

"There is no use to mention any ages. The boys, of course, are in their young days. Pop Moreland prefers that nobody know his age for fear that some would think he is growing old."

Nobody who knows Pop would have any such idea, Mrs. Moreland. His step is just as springy as that of his long-striding son Jesse. Happy birthday Hugh, Jesse and Lester.

and Mrs. Gray were notified that their daughter and grandson had arrived in Tokyo to join S/Sgt. Beaty. Prior to going to Japan Mrs. Beaty and R. H. made their home in Harlingen. Their photograph was published in the Valley Morning Star of Harlingen last month when they were given permission to join S/Sgt. Beaty in Japan.

Mr. and Mrs. Walter Simpson, Miss Robbie Gene Simpson, and Mr. and Mrs. M. L. Knight and little daughter, Martha, left Sunday for a visit with their daughter and sister, Mr. and Mrs. Albert Rowland and sons, Jim and Lee, at Alamogordo, New Mexico.

Lions Speaker

(Continued From First Page.)

At a dinner gathering at the Hangar Dr. Taborsky talked in terms of his own experiences with Josef Stalin personally and in sprightly fashion he related grim but amusing stories to illustrate the seething unrest among the people of both Russia and the satellite countries.

"We must build our strength to such an extent that Stalin no longer can say that he is the strongest," Dr. Taborsky said. "If we are strong we may never have to use our strength except as intimidation. Conditions for an uprising behind the Iron Curtain do exist but there is a pattern for victory in the cold war that may keep us from having to resort to a hot war. The risks are great and the possibility of a hot war is great, but the greatest of the risks that we face is to do nothing. Until the issues have been resolved we must exploit the weaknesses behind the Iron Curtain."

Dr. Taborsky, who now is a member of the faculty of the University of Texas, said that the most propitious moment for the worldwide opponents of red communism will come when Stalin dies.

"Then," he said, "his followers will search for a new Protector and in the course of so doing, the tyrannical regime that Stalin has built and controlled may fly asunder. Our prayer should be that Stalin be preserved to us to create more weaknesses behind the Iron Curtain for so long as he may be needed and that he pass on at just the right time for us to turn the weaknesses behind the Iron Curtain to our advantage."

Dr. Taborsky served in the Czechoslovak Ministry of Foreign Affairs but resigned when the Nazis took over his country. During World War II he served in exile as Secretary to President Benes of Czechoslovakia and then as Minister to Sweden after his country was liberated. He resigned his post in Stockholm when the Reds took over in Prague. Since then he has taught in various American universities and has devoted a great deal of time to telling the American people about the communist menace and the means he sees of fighting it.

At Tuesday night's meeting Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, appealed for volunteer blood donors when the Bloodmobile unit comes to Goldthwaite on December 7. There was a deeply moving appeal, also, by Harold Yarborough. In supporting Mr. Smith's appeal Mr. Yarborough told how, in World War II, his own life had been saved by blood transfusions.

"I have four pints of somebody else's blood in me," Mr. Yarborough said. "I know not who the donors were. But they saved my life and that is why I can thank God that I am here. The blood you give right here on December 7 may save the lives of your own relatives or friends. Please give."

Lions President Ray Duren was the official host for the meeting. Warren P. Duren was the program chairman.

In his main address, Dr. Taborsky drove home as the salient points of his belief in the chance of an eruption in the communist world the idea of the following weakness behind the Iron Curtain:

1— The disappointments and disillusionments that people have suffered under the red yoke.

2— The confirmed fact that a majority of people living under red rule are against communism—even if they call themselves "radishes"—red on the outside but white on the inside.

3— The low living standards that prevail in Communist countries despite promises of the rulers to improve the lot of the people.

Dr. Taborsky, who said that Stalin uses communism merely as an instrument and not because of any sincere belief in the doctrine, insisted that the weaknesses behind the Iron Curtain are not just transitory but are so great that they include tension inside the Communist Party itself. He described Stalin himself as a shrewd, cynical unscrupulous man completely lacking in moral principles.

June Marie Tyson Center Of Reunion

Seaman Apprentice June Marie Tyson of the Waves came home on furlough last week after completing "boot camp" at the U. S. Naval Training Station at Great Lakes, Ill., and her return resulted in a family reunion last Sunday at the home of her mother, Mrs. Frankie Tyson.

Present for the reunion were Frankie, Yona and O'Daniel Tyson, Roy Tyson, Sr., of Levelland, Mrs. Fred Sullivan and Nancy of Rt. 2, Goldthwaite; Mr. and Mrs. Charles Tyson and Billy and Tiny of Levelland, Mr. and Mrs. Reed Tyson and Wayne and Mr. and Mrs. Roy Tyson, Jr., and Alice Faye and Teresca Carol, all of El Paso.

At the end of her furlough Seaman Apprentice Tyson was to be assigned to duty at a Navy shore establishment but at the time of the reunion she did not know where her station would be.

Livestock Judges

(Continued From First Page.)

"We are spending the night in Urbana and we will be ready to practice judging (of draft horses) in the morning. We have seen some wonderful farming country in Central Illinois. The weather has been fine for traveling. We left Springfield, Mo., at 5:30 o'clock this morning and arrived in Urbana at 4:30 p. m. We drove around the University of Illinois."

The next communication, written last Monday night, was from Davis Owens. Davis wrote as follows:

"We are getting along fine in practicing for the big contest at Chicago. Today we worked out at the University of Illinois. We judged sheep, horses and cattle. Our competition was a bunch of college boys. I think we did pretty good. Tomorrow we practice on draft horses at the Lynwood Farm in Carmel, Indiana. Then it will be on to Chicago. It is getting plenty cold up here for us Texans. We have seen lots of good farming land."

The schedule for the boys as announced by County Agent Reese prior to their departure also called for practice judging at Purdue University in Indiana.
