Basketball Season Comes To Close Last Friday Night

By PEGGY JONES
The basketball season came to
an end Friday night, February
13 at the local boys and girls
met Llano in the High School
Gymnasium here.
The local sextette downed the
visiting girls from Llano 35-25.
Maxwell Long again paced her
males as she sank 20 points. At
the beginning of the game it
seemed that the Llano girls
might keep pace with the local
girls as they continually kept
two guards on the pivot girl.
But as the game progressed,
the girls began to change and the
girls from Goldthwaite came
behind to win the game.
It was a hard fought game
and the way for the home town
girls. Goldthwaite led by a small
margin in most of the game but
the visiting five not to be out-
come back to win the
game. Gary Head led his
team with a total of sixteen

Local Churches To Observe World Day Of Prayer

In observance of the World
Day of Prayer, the sanctuaries
of the Nazarene, the Baptist
and Methodist Churches of
Goldthwaite will be open all day
Saturday so that those wishing
to do so may stop by for prayer
and meditation. At 11:00 a. m.,
an announcement will be broad-
cast from the Methodist Church
and, as a reminder, chimes will
be played on the hour until
6:00 p. m.
There will be no formal ser-

with Christians around the
world in prayers for peace and
brotherhood.

In addition to team honors,

also were among the ten top
boys of the state in the contest
and were awarded \$125.00 in

The local team was accom-
panied by Y. B. Johnson, Jr.,
vocational agriculture instruc-
tor. They left Goldthwaite Fri-
day night and returned early
Sunday morning.
In reporting on the trip and
activities of the contest Mr.
Johnson stated that during the
day when the winners were an-
nounced all teams, except the
first place winner, were given
their awards and the top honor
winners were told to be at the
Rodeo in the evening. That
night the show was stopped and
the winning team, along with
the ten top boys of the state,
of which two were Goldthwaite
boys who were also on the win-
ning team, were brought into
the center of the Coliseum and
under a battery of flood lights
the top team was presented
their trophy. Also the individ-
ual ten boys were presented
their awards and the three
members in the winning team
received a gold medal award.
The trophy which was brought

Hill Country League Baseball Starts April 19

Hill Country League Team
managers voted to open the
1953 league games on Sunday,
April 19th, with each team to
play two rounds this season.
The managers felt that three
rounds of play would stretch
the playoffs, allowing for rain-
ed out games, too far into the
football season, and thus voted
to play only two rounds.
The complete schedule will be
announced within a few weeks,
probably following their March
10th meeting.
Teams now members of the
Hill Country League include:
Fredericksburg Giants; Goldth-
waite Red Sox; Comfort; Boer-
ne; Camp Stanley; Junction;

**EVERYONE SHOULD BE INTERESTED**

Last week we carried in the Eagle considerable information regarding the proposed project of providing a swimming pool for Goldthwaite and Mills County.

We commented on the matter editorially, giving some concrete information on what Revenue Bonds are and how they do not become a tax burden on the city or individual tax payer.

There also appeared an explanation on the entire subject which was prepared by the Lions Club Swimming pool committee which has been working on the project for some time.

More information is being presented in this issue which should be of interest to everyone in this community and we invite our readers to check all facts as they are presented this week and in the weeks to come before the special election on March 7.

**"DEAR MAMA MIA"**

Every television addict is familiar with the weekly show "Life With Luigi" starring J. Carroll Naish. In one episode, Luigi, the Italian immigrant lad who now runs an antique shop in his adopted country, reached the conclusion that he should buy "a little piece of America" in the form of a share of common stock. His description of the purchase in a mythical letter to his mother is a gem of homely economics, telling in a few simple words about all there is to tell of the principle of American corporate enterprise.

"Dear Mama Mia," says Luigi, "I'm got twenty dollars free and clear, tax free. And I'm going to use this money to buy a little piece of America. I'm going to invest in the stock market. In case you don't know what means the stock market . . . I'll explain: It's like you and everybody in the village own the same chicken. You can't eat it — you just own it.

"Now if the chicken lays an egg, that's a small dividend. If it lays six eggs, that's a big dividend. If it don't lay any eggs at all, you better take a good look at the chicken . . . maybe it's a rooster."

There are millions of "Luigies" in this country. They count on the chicken continuing to lay eggs. If it doesn't — well, pretty soon there is no chicken. And that is the way it is with industries that keep this country going. They either earn some dividends for Luigi and his thrifty brethren who have invested hard earned savings in them or pretty soon there will be no production — and no sources of tax revenue.

This is why the soap boxers who decry profits and the profit motive, whether they realize it or not, are calling for an end to the entire American system of enterprise and representative government.

Inside your telephone are hundreds of parts . . . ingenious mechanisms of copper and steel and brass and plastic.

Inside a Central Office switchboard are thousands upon thousands of parts . . . relays and contacts and resistors and electronic tubes.

Each of these parts is important. But all of them together are nowhere near so important as the men and women who make them work . . . alert, reliable men and women who are on the job around the clock to make your telephone service so dependable in emergencies, so useful every day in the year.

**VIC'S . . . SOLILOQUY**

A few days ago Charles Frizelle gave us an item which appeared in a recent issue of "Selective Service" publication that appears to have some interesting highlights relating to experiences of a World War One inductee. Charles is Mills County representative of the Selective Service Board and thought some of our readers might enjoy seeing this article—it could prove interesting to many. We agree with him and are reprinting it in its full text as follows:

**"THINK ARMY LIFE IS TOUGH THESE DAYS? READ WHAT HAPPENED DURING WORLD WAR I."**

The following contribution, author unknown, relates some of the "Experiences" of a World War I inductee.

I am one of the fellows who made the world safe for Democracy. I fought and I fought and I fought—but I had to go anyway. I was called in Class "A." The next time I want to be in Class "B," be here when they come back. I remember when I registered. I went up to a desk and the man in charge was my milkman. He was bold enough to ask, "What's your name?" I said, "You know my name." "What's your name?" he barked, so I told him August Childs. He said, "Are you alien?" I said, "No, I feel fine."

The day I went to camp, I guess they didn't think I would live long. The first fellow I saw wrote on my card "Flying Corpse." I went a little further and some fellow said, "Look what the wind's blowing in." I said, "Wind, nothing. The draft is doing it." On the second morning, they put clothes on me. What an outfit. As soon as you are in it, you think you can fight anybody. They have two sizes—too small and too large. I passed an officer all dressed up with a funny belt and all the stuff. He said, calling after me, "Didn't you notice my uniform when you passed?" I said, "Yes, what are you kicking about? Look what they give me."

Three days later we sailed for France. Marching down the pier I had more luck. I had a sergeant who stuttered and it took him so long to say "Halt" that 27 of us marched overboard. They pulled us out and lined us up on the pier and the Captain came by and said, "Fall in!" I said, "I've already been in, Sir." I was on the boat 12 days; seasick 12 days. Nothing going down and everything coming up. Leaned over the railing all

the time. In the middle of one of my best leans, the Captain rushed up and said, "What Company are you in?" I said, "I'm all by myself, Sir." He asked if the Brigadier was up yet. I said, "It I swallowed it, it's up." Talk about dumb people—I said to one of the fellows, "I guess we have dropped the anchor," and he replied, "I knew they would lose it. It has been hanging out ever since we left New York."

Well, we landed in France. We were immediately sent to the trenches. After three nights in the trenches, the cannons started to roar and the shells started to pass. I was shaking with terror. I tried to hide behind a tree, but there were not enough trees for the officers. The Captain came around and said, "Five o'clock we go over the top." "Captain, I would like a word with you." "What it it?" he asked. "Captain, I would like to have a furlough." He said, "Haven't you got any red blood in you?" I said, "Yes, but I don't want to see it."

At five o'clock we went over the top. 10,000 Germans came at us. "The way they looked at me you'd think I was the one who started the war." Our Captain yelled, "Fire at Will," but I didn't know any of their names. I guess the fellow behind me thought I was Will. He fired his gun and shot me in the excitement.

Mr. and Mrs. Bruce Burney and children, Bobby and Jimmy, of San Antonio, and Mrs. Lona Gardner Burney, of Evant, visited relatives here one day last week.

Norman Lee, little son of Mr. and Mrs. Herman Lee, had the misfortune, in a fall last week, to break an arm at the elbow.

Mr. and Mrs. Robert Goode and little son, Bob, of Fort Worth, spent Sunday with the Goode families.

Mr. and Mrs. Joe A. Kreid, of Evant, were visitors Sunday afternoon, with Mrs. Dora Goode and son, Christian.

Granny Hamilton is still with us. Some days she is better, and then again she almost slips away. She is being cared for by Mrs. John Hamilton. But her daughters, Mrs. Lola Childre, and Mrs. Zulu Livingstone, have been with her the past week. Also, the other children have been in and out.

Little Henry Sims, second son of Brother and Sister Sims, was honored with a birthday party, his sixth birthday, last Saturday afternoon. Refreshments consisted of cheese, sandwiches, stuffed olives, cake and drinks. The cake was heart-shaped with six candles on it, as the guests sang "Happy Birthday." Henry blew out the candles. The little guests present were, Eric Goode, Darrell Hunt, Robert Hunt, Gary Boykin, Marcia Harper, Karry Harper, Mack Kincheloe, Deloris Kincheloe, Carlon Earl Wall, Linda Cook, Ronda Cook, Sandra Moore, and the honoree's brothers, Le Ramon and Jackie Sims. Those who couldn't come, but sent gifts, were, Norman Lee, Sheryll Casbeer, and Beverly Kelso. Henry received many nice gifts, and all had a most lovely party, leaving Henry and his brothers many good wishes for another year.

Well, after seeing that old wet moon in the west, we all have hope for a greener year. Here's hoping the old saying comes true. Anyway, it's the first wet moon we've seen in quite a spell.

**Superintendent Jones Presents Facts About Matter Of Teachers' Salaries**

By J. T. JONES

It seems that many people are not aware of the fact that teachers of Goldthwaite and Mills County Schools are paid on a State Minimum Salary schedule and any school that pays or offers to pay less than the stipulated salary will be deprived of all state monies in the form of salaries and operational expenses, transportation and per capita payments.

With but few exceptions, every teacher in Mills County is paid on the minimum schedule, while many counties and school districts pay well above the minimum schedule and a few districts pay as much as \$1,200 per year above schedule.

It has been noted that many believe the tax increase voted in our school districts will go to pay teachers an increased salary. This is not the case as our schedule is determined on a state level and paid through Gilmer-Aiken Funds, Mullin, Star and Goldthwaite all have the same rate of \$1.50 on the one hundred dollar valuation while Priddy is still on the \$1.00 rate. Each teacher in the county is paid according to the training in college and the actual experience in the schools. Priddy teachers are paid the same basis as a teacher in the other

three districts of the county. The tax recently voted in Goldthwaite Independent School District will be used to improve the facilities of the Goldthwaite School plants. It is anticipated that the elementary school will have a new roof and new plastered walls along with new shades and some new equipment in the way of desks and furniture.

The several teachers of Goldthwaite have expressed gratitude to patrons for the vote in increasing the tax rate because it will mean better lighted and ventilated class rooms and equipment for our pupils and not because it will mean a single increase in salaries.

Mayor Charlie T. Wilson spent last Thursday in Coleman. He was accompanied home by Mrs. Wilson. Mrs. Wilson had been at the bedside of her mother, Mrs. L. R. Hendry, who has been seriously ill the past three weeks.

**Ebony News**

By Clementine Wilmeth Briley

This week we salute Ezelle Thompson and Joe Reeves, our Ebony boys who won honors in the Houston Fat Stock Show. I had not heard right when I said last week that Ezelle got \$100 for his lamb. His lamb was reserve champion at the Houston Show, and brought near \$400 with a few more premiums added. Joe Reeves got 53c a pound for his two fat calves. Then he was in the calf scramble, and was the first to catch his calf and take it across the line.

Mrs. Brownie Reeves White arrived here last week from Los Angeles and is visiting Mr. and Mrs. Stanley Reeves. She is also spending part time with her

mother, Mrs. Sarah Ann Reeves, in Brownwood.

Mrs. Hawkins White of Brownsville, sister of Mrs. Stanley Reeves, has also visited in the Reeves home this past week.

Mrs. Effie Egger spent this past week in Houston visiting her son, Clayton Egger.

Mrs. Blue Thompson tells me that she and Mr. Thompson visited their daughter, Mrs. Don Lewis, in Fort Worth, and while there enjoyed television and attended the Fort Worth Stock Show.

Mrs. Hattie Whittenburg, 84, passed away Tuesday night, Feb.

10, at the home of her daughter, Mrs. Edward Egger, in Brownwood. Before her marriage she was Miss Hattie Dribred. She went to school at Howard Payne College in its early days, and became one of the earliest teachers in this part of the country. She taught several schools at old Buffalo Schoolhouse and many of the oldsters around here went to school to her. I went to school to her there in 1890-1891. I remember Miss Hattie as a trim little person with a sparkle in her eye and a mirthful spirit that concealed a wise heart. After her marriage to W. A. Whittenburg they bought a large tract of land in this community and made this their home the rest of their life. And to all of us she was always "Miss Hattie."

She is survived by one son, W. C. Whittenburg, of Ebony; two daughters, Mrs. Levy Williams of Indian Creek and Mrs. Marguerite Egger of Brownwood; one brother, Albert Dribred, of Brownwood; and three grandchildren. Funeral services were in the Chapel of Memories, Davis Morris Funeral Home, Brownwood, with David Allan, Minister of the Austin Avenue Church of Christ, officiating. She had been a member of the Church of Christ since she was a girl. Burial was in Ebony cemetery beside her husband who preceded her in 1938.

Mr. and Mrs. Charles Dennard and children of Fort Worth spent the weekend here with their parents, Mr. and Mrs. Clyde Faulkner and Mr. and Mrs. Hugh Dennard.

Mr. and Mrs. V. C. Bradford had as their guests last Sunday her mother, Mrs. Farmer of

Willie Karnes of Oklahoma visited his mother, Mrs. Karnes, last week. Also a niece of Mrs. Karnes, Mr. and Mrs. Risinger of Lubbock, visited in the Karnes home.

### Local School Men Attend Austin Meeting

On Monday of last week, County Superintendent John L. Patterson, and Superintendent of Schools J. T. Jones motored to Austin for a Committee Meeting in the Senate on Senate Bill 24 by A. M. Aikins, Warren McDonald, Joe Russell, Kilmer Corbin, Doyle Willis, J. B. Rogers and Wayne Wagonseller. The meeting was well attended by people from all over the State of Texas and all showed much enthusiasm on its final passage. The Senate Chamber was packed to capacity and many were turned away be-

cause of lack of standing room. Proponents showed that the objective of the bill was to raise the base pay for teachers from \$2,400.00 per year to \$3,000.00 per year for persons with a Bachelor Degree — with a \$50.00 per month raise in base pay of all teachers in Texas with degrees.

Proponents based their pleas for the Bill's passage on the following facts: 1—All employees in Texas draw an average of \$2,985.00. — Every teacher should draw an average salary. 2— We have 2,400 sub-standard teachers in Texas — There is no place in Texas for a weak teacher. 3— In 1949 Texas stood 12th among the States on teacher pay — Today we stand 26th. 4— Last year on September openings of school 2,200 teaching vacancies existed in our public schools, we must have qualified teachers or we spend more money than the teachers cost in our Penal institutions of our state. In other words, we will pay for the education even though we do not get it. 5— Texas will have 30,000 new students in its public schools next year — 1,200 new teachers will be needed to teach those students. 6— We have 10,000 teachers in the State of Texas who are between 55 and 65 years of age; another 20,000 are above 45 years of age; thus we have 30,000 teachers to replace within the next 20 years. Without the State Raise, teachers will not be attracted to the profession.

By OLETA COFFMAN

We had another good attendance at Sunday School and Church Sunday. Rev. Ramon Sims filled his regular appointment.

Those present at the Valentine party Saturday night at the J. C. Horner's had a nice time. There were four present with birthdays in February. Some thirty guests registered. The hostess served delicious cookies, hot chocolate and coffee.

Mr. and Mrs. Vick Collett visited recently with Mr. and Mrs. Aubry "Pee Wee" Head, who have moved near Goldthwaite. They helped them hang paper while there.

Sunday visitors with Mr. and Mrs. W. T. Alexander were Mr. and Mrs. J. Frank Davis of Rock Springs and Mr. and Mrs. K. Coffman.

Mr. and Mrs. Hollis Hendry visited Sunday afternoon with Mr. and Mrs. John Blackwell.

Mrs. Ola Howell, Roy and Truman Hill visited last Sunday afternoon with Mr. and Mrs. Oscar Hill.

Rev. and Mrs. Sims and boys were luncheon guests with Mr. and Mrs. Frank Carr Sunday.

Mr. and Mrs. K. Coffman visited Sunday afternoon with J. F. Deats and Joe Deats.

Rev. and Mrs. Sims and boys, Mr. and Mrs. Frank Carr, Mr. and Mrs. K. Coffman and children visited Sunday afternoon with Mr. and Mrs. J. W. Coffman. Mrs. Coffman is a recent victim of the flu.

Brother C. A. Hogan is improving the place he bought last year. Most of you know he bought the Methodist Parsonage, now occupied by Mr. and Mrs. J. W. Coffman. He has built a front porch and still has lumber piled around.

There has been some gardening here. Several have peas up and other things planted. I wonder if they'll be nipped. Some folks think we won't have any more winter. But I would be surprised if we didn't.

Mr. and Mrs. Luther Piper and children of Brownwood and Mr. and Mrs. Harry Welch and Carlos visited Mr. and Mrs. Edd Knight Sunday.

Claude Nall visited his wife Sunday in Zephyr. She has been there working, but thinks she will soon be home.

Mr. and Mrs. J. C. Horner visited Sunday afternoon with Mr. and Mrs. Vick Collett.

Mr. and Mrs. Oscar Hill visited Sunday evening with Mr. and Mrs. Hollis Hendry.
