City Negotiates For Revenue Bonds

Electric Department Is Now Owner Of Final \$27,000. In Bond Issue

\$1,565.00 Interest Saving Is Effected

The City Council in extraordinary session the past month has negotiated a deal through Central Investment Company of Dallas, Texas, with owners of outstanding City of Goldthwaite Electric Revenue Bonds, whereby the City Electric Department becomes owner of the bonds, some of which do not mature until 1961. In this transaction a saving of \$1,565.00 in interest payment on the outstanding \$27,000.00 will be realized.

This is the last and only indebtedness against the municipally owned electric system, which came into existence in 1941. The initial investment was \$75,000.00 in bonds and \$7,500.00 in warrants which were retired some time ago.

From this \$82,500.00 investment has grown the system which now has assets of well over \$175,000.00 with the only liabilities being its own customer deposits of approximately \$3,600.00.

During these years the system has been continually expanded to serve additional customers and load, with all improvements paid for from its own revenues, and has paid to city general

fund \$1,000.00 in each of several years in lieu of taxes.

In addition, the electric department has made possible in large part the Municipal Ball Park, the Municipal Park and Swimming Pool and has contributed largely to all city activities the past 15 years.

This has been done with no increase in rate schedules which are little above the cheapest in the United States.

The Lower Colorado River Authority from which the system buys power is now in the process of beginning construction of a 69,000 volt line to Goldthwaite which will insure adequate capacity for years to come.

The City Electric Utility went in business with the slogan "Patronize Your Municipal System and Keep the Dividends at Home."

The above statement bears out the wisdom of so doing. The remaining outstanding indebtedness for the City of Goldthwaite now stands at \$71,500.00.

Of this amount \$34,500. is in water and sewer revenue bonds, \$20,500. series 1945, water and \$14,000. series 1935, sewer.

A total of \$23,500. is in city tax supported bonds for water works, \$5,500. series 1942 and \$18,000. series 1949.

Outstanding warrants amount to \$13,500. with \$6,000. series 1953 street improvements and \$7,500. series 1956 water works.

Homecoming For Ex-Students And Teachers Dec. 1

Arrangements have been completed for the homecoming of all ex-students, teachers and friends of Goldthwaite High School for Saturday night, December 1, in the gymnasium of Goldthwaite High School.

There will be a talk fest at 5:00 o'clock followed by an interesting program prepared by Dr. T. C. Graves.

Dinner will be served in the school lunch room at 7:00 o'clock, at \$1.25 per plate. Reservations for the dinner are now open and everyone planning to attend is requested if possible to get reservations in by November 15.

All ex-students, teachers and friends are urged to attend and enjoy the good things that have been prepared for them, according to Delton Barnett president, and Mrs. Mamie Palmer, secretary of the association.

Red Cross Chapter Has Special Meet

The Mills County Red Cross chapter will have a special meeting on Thursday, November 15, at 4:00 p.m. in the commissioners court room in the courthouse, it was announced this week by Harold Yarborough, chairman.

Purpose of the meeting is to discuss whether the local chapter will continue to participate in the Red Cross blood program.

Everyone interested in the Red Cross chapter, and the work and good that has been done through participation in the blood program, is urged to be at this meeting.

Large Majority Of Mills County Voters Favor Eisenhower-Nixon

VICE-PRESIDENT RICHARD M. NIXON

A large majority of Mills County voters favored the Eisenhower-Nixon Ticket over Stevenson-Kefauver according to incomplete, unofficial returns from Tuesday's general election.

Unofficial returns from 18 boxes, 17 complete, showed 809 votes cast in Mills county for Eisenhower-Nixon while Stevenson-Kefauver received 563. This report covers all boxes with the exception of Mt. Olive and approximately 200 ballots in box 19, Goldthwaite. These figures were tallied at 3:00 p. m. Wednesday as the Eagle went to press while no reports had been received from the Mt. Olive box and remaining ballots in box 19 were still being counted.

This reveals that a good majority of Mills County voters followed the trend of Texas and the nation in re-electing Eisenhower and Nixon for the second

term. In the governor's race Price Daniel received 1108 votes while Bryant got 107 and 175 were write-in votes for W. Lee O'Daniel. This count is also incomplete and unofficial.

All eight amendments apparently carried by a good majority also returns showed.

Official returns from the general election will be carried in the Eagle after they are completed and certified by the Commissioners Court.

SPECIAL ELECTION NEXT TUESDAY

Special Amendment election will be held next Tuesday, November 13. All voting boxes in Mills County will be open for voters to cast their ballot on a proposed constitutional Amendment giving the Legislature the power to provide for assistance not to exceed Twenty Dollars (\$20) a month out of State funds for each needy individual, eighteen (18) years of age or older, who is a resident of the State of Texas and who is permanently and totally disabled by reason of his mental or physical handicap.

Postmaster Lucile Fairman attended the Postmasters convention which was held at the Hotel Brownwood, Brownwood, last Friday and Saturday. There were over 100 postmasters present. Saturday at 1:30 p.m., a special meeting was held on the discussion of handling Christmas mail. Winell Page, Ed Thornton and Jimmy Leonhard, clerks in the Goldthwaite post office, were present for this meeting.

More Members For Historical Society

Membership in Mills County Historical Society continues to grow and many biographies are being received by Mrs. Flora G. Bowles each week.

Following is a list of new members and the towns they represent: Grover Dalton, Mullin; Dora Oden, Mrs. M. E. Archer, Jane Hamilton, E. D. Hamilton, all of Goldthwaite; Lester C. Weatherby, Erna Mae Weatherby and Mabel McCormick Kemp of Fort Worth; J. Conn Cunningham, Fort Stockton; Mrs. Mary C. Burch, Austin; Belle Hester Wilsford, Corpus Christi; Laura Nelson and Sadie Owens Head, Goldthwaite; W. M. Lewis, Bowie; Mrs. M. M. Pafford, Mullin; Vashti Power Murray, Poteau, Oklahoma; Dr. Paul Power, Waco, and Ruth Power Morris, Brownwood.

Mr. and Mrs. E. B. Gilliam Jr. attended the 10th annual meeting of the Texas Railroad Lawyers at Dallas, last week.

POST OFFICE HOLIDAY

The post office in Goldthwaite will be closed on November 12 instead of November 11 as the 11th falls on Sunday. There will be window service for one hour after the mail is put up, but there will be no rural deliveries on that day. All incoming and outgoing mail will be dispatched the same as usual.

Goldthwaite Schools List Honor Roll For First Six Weeks Period

The Goldthwaite school officials have decided to present an honor roll each six weeks this year. Included on this honor roll will be all students making an average of A or above 90, according to an announcement by Supt. J. T. Jones.

The faculty hopes that this will be an encouragement to the students and will also be an avenue through which the school patrons may be informed of the school program. Below is a list arranged by grades beginning with the seventh grade.

SEVENTH GRADE
Martha Bunting, Angulene Koen, Danna Thorne, Patricia Wright, Pamela Berry, Linda Featherston, Virginia Martinez, Robert McKenzie, Janis Moreland, Jimmy Blackburn, Kay Campbell, Ronnie Clige and Janell Jernigan.

Eagles Defeat Rising Star 19-14;

Play Llano Yellowjackets Nov. 16

By JERRY COLLIER

The Goldthwaite Eagles journeyed to Rising Star last Friday and defeated the Wildcats by a low margin of 19-

14. Captains for the Eagles were Connie Todd, Johnny Vaughan and Charles Reynolds. Kalienbaugh was the captain for the Wildcats.

The Eagles received and were on the 20. Vaughan and Kirby consistently picked up and a pass was completed to Kirby for 7. With the ball on the five, Johnny Vaughan, a senior, carried the ball across the goal line for six yards. Kirby attempted to kick the extra point, but it was blocked. The Eagles kicked-off to J. C. Butler was brought back on the 33. Bert Agnew Howard Walker brought the ball up to about the 52 and the Eagles had to kick on the 50. The Eagles started out on the 20 again. A pass was completed to Eddy Jones for 15 yards. Vaughan and Kirby led up nine yards before the end of the first quarter. The Eagles made nine first downs and the Wildcats one in the first quarter.

Johnny Vaughan picked up 25 yards in five downs and the ball down to the 40 yard line. Phillip Edgington took the ball around the end and over the line for 15 yards. The Eagles second TD. Timon kicked the extra point for a 13-0 score. The Wildcats kicked on the 31 on the 10. Bert Agnew picked up 15 yards before they were

forced to kick on the fourth. The Eagles brought the ball back to the 30. Johnny Vaughan brought the ball down to the Wildcats 36. Bert Agnew intercepted one of the Eagles passes on the 16 and picked up about four yards before the Wildcats were forced to kick on the fourth. The Eagles got the ball on the 50 yard line and Kirby made four yards before they were forced to kick on the fourth. The Wildcats were stopped on the 18. Phillip Edgington intercepted one of the Wildcats passes and ran all the way back up to the 48 before being stopped. Vaughan made 12 yards, then the Eagles took a 19 yard loss on the last play before the half. The Eagles made six first downs and the Wildcats made none in the second period.

Rising Star received the ball at the beginning of the third and Jack Kalienbaugh made his way back to the 44. Bert Agnew brought the ball up to the Eagles 40 before the Wildcats were forced to kick on the fourth. Kirby brought the ball back to the Wildcats 32 before the ball went over. The Wildcats were again forced to kick on the fourth. Phillip Edgington was stopped on the 19. Vaughan and Kirby brought the ball back to the 50 by the end of the third quarter. The Eagles made three first downs to the Wildcats two in the third period.

The Eagles brought the ball down to the 29 and then attempted a pass. The pass was intercepted by J. C. Butler, (Continued on Back Page)

SOLILOQUY

PAINFUL PROGRESS

The Texas Safety Association reports that in 1930, about the time the automobile age really began to roll, two out of five traffic accident fatalities were pedestrians. Now, it is only about one out of five.

In other words, in 25 years pedestrian deaths have dropped from about 40 per cent of our national traffic toll to a little over 20 per cent.

That would suggest we are making progress in pedestrian protection, as undoubtedly we are. Ceaseless education, better street lighting, walk-wait traffic lights—these are some of the things that have brought improvement. Gains have been made despite the fact that the proportion of drivers in our total population is much greater than it was 25 years ago.

Despite such favorable influences, 8,400 pedestrians died on streets and highways last year. Progress is slow and painful—to the pedestrian often very painful.

Texas Safety Association figures show that pedestrians traffic victims are most often persons who have never driven a car, and consequently have less understanding of distance, speed, lighting, stopping ability—the limitations of the man behind the wheel.

We need to push every physical protection for the pedestrian—lighting, street and signal engineering, overpasses and tunnels. We need firm and fair enforcement of regulations applying to both motorists and those on foot.

But most of all we need to teach both the common sense of sharing the earth and the paths man has built across it. The horn-honking and fist-shaking conflict one observes on almost any street corner is senseless.

The motorist has a great obligation imposed not only by law but by the sobering realization that his steel armor will always win over yielding flesh.

The pedestrian must surrender some of his heritage of walking where and as he chooses.

The man on foot and the man on wheels must learn to live together in a spirit of courtesy and fair play.

POLIO—A NEEDLESS RISK

Americans love to take a chance. That's why we have peanut vendors and multibillion dollar industrial giants and a way of life that makes us the most fortunate people in the world.

But Americans neither love nor respect the fellow who takes the "you-can't-win" kind of chance. He is the reason for most of our automobile accidents, our sucker lists, for much of our avoidable loss of life, health and fortune.

Until only last year the crippling disease called polio was pretty much like lightning in the sense that we never knew where it would strike and if it happened to hit one of our own, there was little we could do but call the doctor, pray, and turn to the March of Dimes to help us face up to the cruel blow.

That isn't so today. With the backing of that same March of Dimes, science has taken better than 80 per cent of the chance out of polio. We have Salk vaccine. By that high percentage, we can protect ourselves and our children. And those of us who don't take advantage of this tremendous discovery are now taking the "you-can't-win" kind of chance.

Yes, your young child or your teenager or—if you are a young adult—you yourself, may go through life and get by without the Salk vaccine. But when we didn't have that vaccine, a certain number of thousands of human beings in America were crippled each year by polio. To those who don't get the vaccine injections, it can still happen.

Why risk being one of them? Why subject your children to that risk? Why not take the three seconds required for each of three shots that will do so much to remove this unnecessary risk from your life and your family? See your doctor about it today!

CAPITALISTIC EXPLOITATION!!!

"It must have come as a decided shock to the Communist sphere of influence—but the American capitalist is a woman," says Taxpayer's Dollar, a publication of the Chamber of Commerce of the United States.

The reference is to a recent survey which produced the fact that women shareowners—notably housewives and non-employed women—now outnumber men.

The same survey also produced a number of other facts which must have shocked the Communists—inasmuch as Communist doctrine is based on the theory that capitalism mercilessly exploits and impoverishes the many while vastly enriching the few. Here are some of those facts: Close to 9 million individuals own stocks in our corporations. Two-thirds of them all have annual incomes of less than \$7,500. The typical shareowner is 48 years old—four years younger than was the case four years ago, when a similar survey was made. The greatest growth in shareownership has taken place not in the great cities and centers of finance, but in the smaller communities—those of from 2,500 to 25,000 population.

It has been said that what we are creating in this country is a "People's Capitalism." That is a felicitous term—as accurate as it is vivid. It simply means that we have a system in which millions of people can use a part of their savings to buy a personal interest in American enterprise, that their incomes are large enough to permit such investment and that more and more people are taking advantage of the opportunity. If this is capitalistic exploitation of the masses, the whole world needs a lot more of it.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from the files of the Eagle November 8, 1946)

Mr. and Mrs. J. W. Weathers of Goldthwaite will celebrate their golden wedding anniversary Sunday, November 10, with open house at their farm home.

The late H. G. Bodkin, chairman of the Mills County Chapter American Red Cross at the first part of World War II, and Brian Smith, chairman after Mr. Bodkin's death to the end of the war, this week received from the American Red Cross a certificate in recognition of meritorious service performed in behalf of the nation, her armed forces, and suffering humanity in the second World War. This certificate was signed by President Harry S. Truman and Basil O'Conner, chairman of the American Red Cross and dated October 25.

The Woman's Society of Christian Service of the Methodist Church spent a few hours at the home of Mrs. A. M. Crews on her 80th birthday.

Mrs. George Frazier passed away at her home in Goldthwaite Monday afternoon at 3:00 o'clock after a long illness.

On Saturday morning, October 26, at 11:00 a.m. Miss Dorothy N. Krebs of Louisville, Ky., became the bride of Robert M. Smith of Goldthwaite.

Ginger, a six months old palamino filly belonging to Kathleen Clements, went to the Horse Show at Stephenville Monday and won champion in her class then won grand champion of all palaminos. She won second place in the quarter-horse division.

Good rains have fallen over Mills County during the past

week, a total of 1.13 inches being measured by the government gauge kept by Harry Allen here in town. This brings the total rainfall here for the year to date 24.24 inches.

25 YEARS AGO—

(Taken from the Eagle files of November 6, 1931)

Postmaster Harrison received a cablegram from his daughter, Mrs. Barnett Buck, better known in Goldthwaite as Miss Joyce Harrison, filed in Shanghai, China at 3 p.m. November 3. The cablegram was delivered to Mr. Harrison several hours before 3:00 p.m. on that showing that man has devised means of heading old Sol, or rather beating our mundane sphere in its daily revolutions.

Marriage licenses were issued this week by County Clerk L. B. Porter to James Elder and Miss Essie Griffin of South Bennett and E. M. Mohan and Miss Gladys Harris of the North Bennett community.

Mr. and Mrs. W. P. Weaver received a message Monday telling of the death of his brother, Mr. Sam Weaver, at his home in Wellington. His death was attributed to heart failure. Mr. and Mrs. Weaver left immediately to attend the funeral and be with the family.

W. H. Oglesby reports 4,112 bales of cotton ginned in Mills County prior to October 18, 1931, as compared with 3,506 bales for the same time in 1930.

Mrs. T. F. Elliott died in the sanitarium in Bryan last Thursday afternoon at 2:00 o'clock, and her remains were interred in the cemetery at Iola, Grimes County, Friday. She was reared in the Center City community and was a daughter of the lamented Mr. A. C. Jones, and sister of Messrs. Walter, Austin, and Paul Jones of this county.

Robert Hashaw, an old citizen of the county, died at his home in this city last Saturday and his remains were interred in the Big Valley Cemetery Sunday morning.

50 YEARS AGO—

(Taken from the Eagle files of November 10, 1906)

John Carroll this week bought the A. J. Weathers place east of town from S. E. Mayo and will move it as soon as he can get possession. He has rented his home place to Poke Brim.

Some mighty fine cotton pickers live in this county and they are not all grown folks either, J. H. Moore's 6-year-old son, who weighs 42 pounds, picked 72 pounds of cotton the other day in five hours.

J. W. McNeil's 12-year-old son, Clois, picked 344 pounds in Willis Harris field last Saturday and he lost some time in moving from one patch to another and the cotton was not extra good.

Mr. W. D. Fisher died at his home near Mullin last Saturday after a long illness. He was 57 years of age and for 30 years he resided in the neighborhood of Mullin.

Sheriff Ezzell announces the appointment of C. W. Lindsey as deputy sheriff. Mr. Ezzell expects to enter upon his official duties a week from Monday.

A. O. Hanna and family left yesterday for their new home at Duke, Greer County, Oklahoma.

M. Hearne and family, relatives of W. F. Hearne, arrived from Valler County this week and will reside in the Payne community for the present and perhaps permanently.

MULLIN HALLOWE'EN

QUEEN—Geleta Pyburn, popular junior in Mullin High School, was crowned queen of the Halloween Festival held at Mullin last week. She was crowned by King Jimmy White, also a junior, who is pictured here with her. The King and Queen reigned during a very colorful floor show entitled "The Castle by the Sea," in which students from both grade school and high school participated.

Geleta is the daughter of Mr. and Mrs. H. L. Pyburn Jr., and Jimmy is the son of Mr. and Mrs. Fowler White, all of Mullin.

By MRS. DUTCH SMITH

Well, we received that wonderful rain that we have been needing so long.

Bill Hightower was in the Dutch Smith home Monday and helped Dutch work with his sheep.

Owen Smith of Arlington spent last Tuesday night with his uncle and aunt, the Dutch Smiths.

Mrs. Dutch Smith accompanied Mr. and Mrs. Glenn Nickols to the Workers Meeting at Big Valley.

Mrs. Webb Laughlin and Mrs. Dutch Smith attended the funeral services for Mrs. Eddie Rahl Hawkins in Goldthwaite Friday.

Several from this community attended the party at the Fred Laughlins Saturday night.

Mrs. Bill Hightower visited in the Fred Laughlin home one day last week.

We received a letter from our son, Chili, who lives in Corsicana telling us about the A&M-Baylor game.

We also had a letter from our daughter in Houston telling us our grandson, Jesse Loyd, had his things packed and said he was coming to our house. We are very anxious for the grandchildren to come see us

for we are plain home see them.

Mr. and Mrs. L. W. W. of Brownwood were at his mother, Mrs. J. W. W. Friday night.

Girl Scout Troop 8 Meeting Is Held Tuesday October 23

BY JUDY DALTON
Girl Scout Troop 8 met October 23 at the home of Mrs. Houston Duren, with Mrs. Duren as leader and Mrs. Larry Dal-

ton assisting her. We had a business meeting followed by patrol meetings then the Court of Honor. Plans are being made for handiwork.

Refreshments were served by Patricia Wright.

For our program, Frances Grumbles from the Cozette Beauty Shop gave us some tips on the care of our hair, nails and skin. Each girl had the opportunity to ask questions about any beauty problem that she might have. We all left the meeting with the feeling that we had learned a lot. We appreciate the efforts of Mrs. Grumbles and our leaders.

It was announced at the meeting that our next meeting would be a first aid class by Lee Tesson.

Mrs. Horton Hosts Art And Civic Club

The Art and Civic Club met Thursday afternoon, October 23, in the home of Mrs. M. F. Horton.

Mrs. Jack Elms gave a talk on teaching "Safety To Our Children" and Mrs. Ben Egger, art chairman, showed color slides of the New York show "New Dimension," a courtesy of the Celanese Corporation.

Refreshments of pumpkin pie and coffee were served from a lovely table which carried out the Thanksgiving theme.

Next meeting will be at the Jennie Trent Dew Library and Miss Love Gatlin will give a book review.

It's easy to put this much sugar into one cup BUT HOW WOULD YOU MIX IT IN 5,330 CUPS?

a problem of the same proportion is facing most feed companies in mixing about 1/3 oz. of stilbestrol into one ton of cattle feed

The Food and Drug Administration in its approval for use of stilbestrol has set about 1/3 oz. per ton as the right amount for this powerful growth stimulant. That means it is added in the proportion of only 1 part to 90,800 parts. It must be mixed so that cattle get just the right amount... too little stilbestrol in their ration won't produce maximum gains... too much in their ration can prove toxic. Yes, it is a big mixing problem for most feed companies—but not for Purina, with its exclusive Micro-Mixing process.

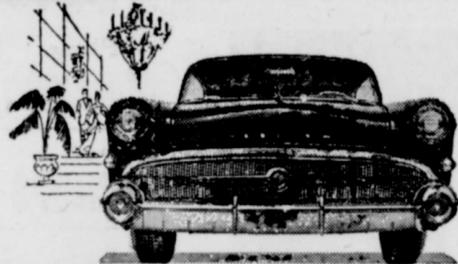

MICRO-MIXING is accurate to the 1/10,000,000 part!

Modern mixing equipment plus the technical skill of Purina engineers, laboratory technicians, and mill employees makes such a mixing job routine for Purina. Purina's Micro-Mixing is a quality control process that assures you every bite is mixed just right. Every animal gets its fair share when you feed Purina Steer Fatena or Beef Chow with stilbestrol added. That means that you go to market with a much more even bunch of cattle.

NOW AVAILABLE at your Purina Dealer's—Steer Fatena and Beef Chow with stilbestrol, MICRO-MIXED—every bite mixed just right.

Newest Buick Yet

YOU know all that talk you've been hearing about the 1957 new car models being really new?

Well, in the case of the 1957 Buicks it's true—*gospel true*.

We mean these 1957 Buicks are new in the precise and literal sense. We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and

compression from their 364-cubic-inch displacement.

And we mean, most of all, an advanced new Variable Pitch Dynaflo*—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

District Boy Scout Leaders To Have Annual Session Here Monday

The annual meeting for all leaders in the Boy Scouts of America in the South-Central District will be held Monday, November 12, in Goldthwaite in the elementary school lunchroom for dinner beginning at 7:30 p.m.

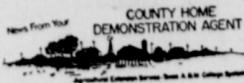

Col. M. Y. Stokes (retired) of Goldthwaite will be the speaker. Reports of activities in the District will be presented and officers for 1957 will be elected and installed.

"The Scouting District includes: Brown, Lampasas, Mills, and San Saba counties and Comanche and Rising Star. It is expected that some 200 en-

thusiasts for the Boy Scout program will attend this meeting," according to Warren P. Duren of Goldthwaite, district chairman. Reservations for the dinner are being made through local Scouting leaders.

Dr. V. Cyrus Barcus will be the master of ceremonies. Special music will be presented by a choral group from Comanche Trail Council.

John Thorpe Venable has received his discharge from the U. S. Navy after four years service and is now visiting his parents, Mr. and Mrs. Henry Venable.

BY LUCY MAY BURRUS

Friday, November 9, at 2:00 p.m. is the time; the H. D. office is the place for a meeting of representative women over the county to discuss the Home Demonstration programs as it now is and plan ways which the agent and others could use to reach more people with the home economics information available.

It is hoped that there will be a large crowd of women in attendance so that the results from the study and plans will represent the thinking of women from all parts of the county.

Women from communities are especially invited so that plans can be made for getting information to those wanting it in other ways than through Home Demonstration clubs.

This Saturday, November 10 is National 4-H Achievement Day. On this day all over the United States, activities will be engaged in which will honor the 4-H members and the 4-H adult leaders. Our observance here in Mills County can only be a small one as the girls 4-H Clubs were organized only last January. Four girls were chosen to receive clothing achievement pins. They are the four who received blue ribbons in the dress revue in July. They are Hilda Mae Franks, Tommie Sue Copeland, Mildred Spinn and Carolyn Spinn.

I want to take this opportunity to thank the adult lead-

Last Rites For James M. Lindsey Are Held In Caradan Last Friday

Funeral services for James Mason Lindsey, 74, were held in the Caradan Church Friday, November 2, at 2:00 o'clock. Services were conducted by Elder Jesse Bass of Abilene.

James Mason Lindsey, son of the late Mr. and Mrs. J. M. Lindsey, was born December 20, 1881 in Bandera County and passed away at his home in Caradan November 1. He moved to the Caradan community 40 years ago and made his home there the remainder of his life. He was a member of the Primitive Baptist Church.

On December 13, 1903 he was united in marriage with Miss Minnie Holmes of Killeen. To this union five children were born. He was preceded in death by two sons who died in their youth.

Survivors are the widow, Mrs. Minnie Lindsey of Caradan; three daughters, Mrs. Drue Cline, Mrs. Joe Ruth Bessent and Mrs. Odessa Tubbs, all of Caradan; four grandchildren;

two great-grandchildren; one brother, W. W. Lindsey of Levelland; five sisters, Mrs. Leora Bishop of Killeen, Mrs. Annie Mitchell of Amarillo, Mrs. May Millie Weison of Port Arthur and Mrs. Ruth Walker of Copperas Cove; other relatives and a host of friends.

Palbearers were James Henry Bishop, J. C. Walker, Herbert Marrow, Herbert Dykes, James M. Lindsey and Cecil Redding. Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with interment in the Caradan Cemetery.

Horseback Trio Makes Stop Here

Jess Moore, self-styled good will ambassador, his son, Loyd, 21, and daughter, Dorothy, 15, of Pryor, Oklahoma were guests of Luther Jernigan at his ranch home west of here Thursday night of last week.

The Moores are on a self-financed horseback trip around the world that will take four years to complete. They travel at the rate of 25 miles per day.

After leaving Goldthwaite they went to San Saba and planned to go on to Laredo. From there they will cross the Rio Grande into Old Mexico, on into Central America, down the East Coast to South America, then to Brazil, Africa and Egypt.

Mr. Moore is a farmer and building contractor and is interested in the customs and the way folks of other countries live. He has always had an ambition

to write a book and while on his travels and a five-year-old daughter will remain at home in home while he is on the road. He also has a married daughter living in Alaska.

Mr. and Mrs. Hugh Forest Smith Complimented With Bridal Shower

Mr. and Mrs. Hugh Forest Smith, a recent bride and groom, were honored with a wedding shower in the home of Mr. and Mrs. Ulric Martin in Big Valley Saturday night, October 27.

Hosts for the shower were Messrs. and Mrs. Ulric Martin, L. L. Parker, C. A. Page and Connie Knowles.

The party rooms decorations and refreshments carried out the Halloween theme. The mantle was centered with an arrangement of pyracantha berries flanked by black cats.

On arrival the honorees were presented a yellow corsage and boutonniere by Miss Judy Long.

After several games were played and prizes awarded the lucky couple, proved to be Mr. and Mrs. Smith who caught the prize catch, a lovely array of gifts concealed in a fish pond.

After viewing the gifts guests were directed to the refreshment table which was laid with an

orange cloth and centered with a lovely cake, decorated with yellow roses, bearing the inscription, Best Wishes Always. Misses Belinda Whitley and Joy Marrs served black and orange cup cakes with gaily decorated faces, coffee and cocoa and large orange peanut candies. Miss Judy Long registered the guests.

Out-of-town guests in attendance were the bride's parents, Mr. and Mrs. Ollie Hughes and son, Andy, of Cisco; Mr. and Mrs. Tuck Tucker and Earl of Zephyr; David Bohannon of Arlington and Mr. and Mrs. Otto Bynum of San Saba.

Several who were unable to attend sent gifts.

Mr. and Mrs. R. L. Steen had as their guests last weekend Mr. and Mrs. Jim Bob Steen and son, James, of Marfa and Mr. and Mrs. Thurman Johnson of Waco.

New Employees For Goldthwaite Home And Auto Supply

F. M. Stephens, who was in the dry cleaning business here for several years, has accepted employment at the Goldthwaite Home & Auto Store, which is owned by Mrs. Joe B. Karnes.

The service department of the store will be under the supervision of Sanford Musgrove, who has just completed a specialized instruction course in radio and television.

Mrs. Karnes, Mr. Stephens and Mr. Musgrove extend a cordial invitation to everyone to visit the Goldthwaite Home & Auto Store when in need of electrical appliances or call them when in need of radio or television service.

Former Resident Injured In Kansas

Word has been received here of the serious injury of Mrs. R. B. Balentine (the former Norma Ruth Featherston) daughter of Mr. and Mrs. Carl Featherston of Brownwood and formerly of Goldthwaite.

Mrs. Balentine received a serious back injury in a car wreck on October 15 at Wichita, Kansas. She will have to remain in a cast for several months. Her mother, Mrs. Featherston, wishes that all her friends and relatives would send a card shower to Mrs. Balentine at 2035 South Kansas Avenue, Wichita, Kansas.

Mrs. Featherston plans to leave Saturday, November 10, for Kansas to help care for her daughter and to relieve Mrs. Dick Adkins, another daughter of Norman, Oklahoma, who is with Mrs. Balentine now. Mrs. Henry Featherston of Goldthwaite will accompany her to Kansas for a weekend visit with her granddaughter.

CROP Trick or Treat Conducted Saturday

The young people and children of several of the churches of Goldthwaite united Saturday night in a "Trick or Treat" program sponsored by CROP (Christian Rural Overseas Program) for overseas relief intended especially for children.

One hundred and six dollars and nineteen cents was deposited in the bank Monday morning. Any additional contributions or funds outstanding may be turned in at the bank to Glynn Collier who is acting as treasurer.

Mrs. M. Y. Stokes, adult chairman, and Billy Ray Blackburn, youth chairman of the drive, have expressed appreciation for all who participated or contributed to the fund.

Beauty Operators Attend Meeting At San Saba Monday

Mmes: Frances Grumbles, Ola Mae Wilkey and Louise Walker attended the Heart of Texas Unit meeting which was held at the San Saba Hotel on Monday night of this week.

After a delicious dinner, the group held their business meeting and plans were made to have outstanding artists at the future meetings. The next meeting will be held at Brady

on December 3 and there will be a hair styling contest with out of town judges. Non members may attend these meetings for a small admission fee unless here is a banquet in which case the admission fee is dropped and the non members only pay for their banquet ticket.

The three operators mentioned above are the only members so far from the Goldthwaite area but they are hoping to have others join the group soon.

Mr. and Mrs. W. W. Ligon and Misses Ruth and Abbie Ervin attended the 50th wedding anniversary celebration of Mr. and Mrs. C. W. Hoover in the home of their son, Maurice Hoover, in Lampasas Sunday afternoon.

THE CASE OF THE SMALL FARMER

An alarming note has been struck in the hearts of farmers to whom living directly from the land they own has become a way of life.

The word comes from the fogged thinking of armchair economists who say "the day of the small farmer is over."

Such a statement is a direct slap to the principles of Democracy.

If the day of the small farmer is over, so is the day of competitive free enterprise, the basis of our economy. If the small farmer is being sucked under by forces of "the times," then times are bad.

These armchair strategists have said that big, cooperative farms are the modern, efficient way to keep agricultural economy running right. They say that whether we like it or not, that's what farming should come to.

Such thinking is preposterous, and for a number of reasons.

In the first place, most people who own and operate farms and ranches are there because, however tough and confining the work, that's what they would rather do than anything in the world. They're not there primarily to get rich, although their investment certainly warrants them a decent living. They're there to live and raise their families next to the soil.

They are proud, too, these small farmers. Proud of their independence and proud of the land they hold. That's why the price of land is dear even in the face of farm depression and drought as it exists today. Their

land is more than a piece of property and a title; it is a symbol of their freedom to live and work as they choose.

Should this freedom ever be infringed on through monopolistic greed, the food and fibre resources of this nation would be in grave danger. More than that, the millions of small businessmen who owe their survival directly to circulating farm economy would be dashed to ruin.

And when it gets right down to doing the chores and planting and harvesting the crops, there must be a farmer on the spot to do it. Would these high-minded revolutionists re-instate tenant farming to solve a labor problem on large, corporation controlled farms?

The independent farmer who grew up from the nightmare of tenancy through his own honest effort and the processes of a democratic government does not desire to release what he has gained. Nor does he want to become a "hired hand" in a "large farm" system.

Whatever the times are, the small farmer has a vital place in them. So long as America is free, it will be that way.

Troop Seven Girl Scouts Elect Officers

BY JUDY BENNINGFIELD

Girl Scouts of Troop 7 met at the Girl Scout House at 5:30 Tuesday of last week. We elected officers as follows: President, Betsy Glass; vice-president, Carol McNeil; secretary, Shirley Shipman; reporter, Judy Benningfield.

Other members present were Lucille and Shirley Humphries and Barbara Turbiville. Nibbles were served by Betsy Glass.

The troop is planning on having a fun-packed, exciting and adventurous year. Leaders are Mrs. H. C. McNeil and Mrs. T. M. Glass. Program aid is Lavana Benningfield.

Mr. and Mrs. Curb and daughter of Comanche visited friends here Sunday.

Maneva Spinks And Thurman Warren Exchange Marriage Vows Saturday

Miss Maneva Spinks became the bride of Thurman Warren Saturday evening, October 27, at 6:30 o'clock in the home of the bride's parents. Rev. Morgan R. Beach, pastor of the First Baptist Church of Mullin, read the impressive double ring ceremony.

The bride is the daughter of Mr. and Mrs. M. M. Spinks of Route 1, Zephyr, and the groom is the son of Mr. and Mrs. C. R. Warren of Mullin.

Vows were repeated beneath an arch of gold, decorated with fall flowers and banked with greenery.

The bride was lovely in a handmade ballerina-length dress of white satin. The fitted bodice, overlaid with nylon lace featured long sleeves which came to points over the hands and a high rounded neckline. Her double tiered shoulder-length veil fell from a cap sprinkled with sequins. The bridal bouquet was an arrangement of white carnations with blue ribbon streamers atop a white Bible.

Mrs. Hamil Lynch, sister of the groom, served as matron of honor. She wore a heather blue dress and black accessories. Hamil Lynch served as best man.

Mrs. Spinks chose for her daughter's wedding a navy faille dress, black accessories and a white carnation corsage. The bridegroom's mother chose a gray and blue print silk dress, trimmed in black velvet, black accessories and a white carnation corsage. Mrs. Mary Calder, grandmother of the bride, wore a print dress with black accessories.

Immediately following the ceremony a reception was held. The bride's table was laid with a lace cloth over white and centered with an arrangement of fern and dahlias. The five-tiered wedding cake, baked by Mrs. C. E. Fergerson, sister of the bride, was decorated with tiny blue rosebuds and bows and topped with a miniature bride and groom.

Punch and coffee was served by Mrs. Roy Routh, sister of the bride and the cake was served by Mrs. Johnny Head, sister of the groom.

For traveling Mrs. Warren chose a gray suit, black accessories and a white carnation corsage.

The couple is now at home at 4408 McCart St., Fort Worth.

Guests included Mrs. Mary Calder, Miss Martha Calder, Mr. and Mrs. C. R. Warren and Mickey of Mullin; Mr. and Mrs. M. M. Spinks and Douglas of Zephyr; Mr. and Mrs. Roy Routh, Ken, Debbie and Jan of Ballinger; Mr. and Mrs. C. E. Fergerson, Dwain and Gwenda of Dallas; Mr. and Mrs. R. D. Wilcox, Lana and Larry, Mr. and Mrs. Hamil Lynch, Ronny and Debra of Goldthwaite; Mr. and Mrs. Johnny Max Head, Sherry and Cindy of Stuttgart, Arkansas.

Suddenly you know how modern a range should be—

flame-fast gas ranges

alone offer faster all-around cooking!

EXCITING NEW FEATURES

-  Cook-Saver Automatic Top Burner Control.
-  Built-in Rotisserie.
-  Simmer Flame.
-  Automatic Clock-Controlled Oven.

You don't have to wait around with gas! Dinner's ready when you and your family want it! Just a touch of your fingers and you have any heat you want *instantly*... a low simmer or a high boil flame. That's because gas, and only gas, has a flame that is instantly hot. Unlike electric range elements, gas range top burners don't need a time lapse to accumulate and create heat. No wonder smart women say that faster, truly modern cooking is cooking with flame-fast gas.

DON'T BE FOOLED. For what it costs you to cook electrically for ONE year, you can cook for more than FOUR years with modern flame-fast gas!

SAFEST COOKING EVER! American Gas Association seal assures reliability. Fire insurance statistics prove gas is safer.

SIZZLING TRADE-INS NOW on your gas or electric range. Cook modern—change today to a new ultra modern gas range.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the AAA.

Clementine Wilmeth Briley Writes Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

El Paso's weather—usually so mild—has been so rough these days this Monday the wind was a gale and the air with dust.

Friday evening Mrs. Byrd, Saba-Brownwood friend, came to tell me that our friend, Mrs. Joe Boyd, had been in the hospital and not to live. Fifty years old he had boarded with Mr. Boyd when I taught school at the creek. She was then the wife of Dr. Cearnels. So one of our old friends had here in El Paso.

Monday night on Sunday I decided to go see Mrs. Boyd at the hospital we found her unconscious. Her son, Cearnels, and wife of N. M. were there. Her sisters, Mrs. Emma Boyd, George Parsons, and Mrs. Delray had come from Goldthwaite to be with her. Mr. Mordant Grady from here in El Paso were there.

Those cup towels for Carol Jean's wedding present hadn't been hemmed yet, so Wednesday I called my friend, Mrs. Phillip A. Shaw. She had a brand new sewing machine which her children gave her for Christmas. She invited me over that very evening. So Grace took me, and Mrs. Shaw said she would bring me home. It turned out that Mrs. Shaw hemmed all the cup towels and darned those that had holes in them. Her machine is one of those new models that can do everything. Just after she brought me home, Mrs. Grady called to tell me that Mrs. Boyd had passed away.

Today at two o'clock John and Johnny and I attended the funeral at the little Valley Church of the Nazarene where she had so long been a faithful member. Beautiful flowers spoke a language of love. The minister said her place could never be filled.

Mordant Grady was one of the pallbearers. Mrs. Byrd was there. Also the three sisters and her son, Auzie, and wife were there. Her daughter, Phoebe, and husband (Earl Foyd) and the grandsons, Sidney and Milton Boyd came from Brownwood. She was laid to rest beside her husband in El Paso's beautiful Evergreen Cemetery.

Mr. and Mrs. R. H. Kennedy of Nederland spent the weekend with his sister, Mrs. M. F. Horton and Mr. Horton.

THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of testing, the '57 Pontiac is on display tomorrow! Even a brief once-over of Pontiac's sleek new lines tells you that you're in at the start of a styling revolution. And that glistening sheath conceals a carload of engineering "firsts"—all polished to watch-work perfection in the toughest test ever given a new car.

This '57 Pontiac pounded the road through 100,000 miles of tests . . . through it all Pontiac engineers refined and perfected every feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eights in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic* to give you the smoothest riding, easiest-handling—and safest—new car ever to hit the road!

See and drive this new '57 Pontiac. Sample in a single mile all that's been proved by 100,000 miles of testing.

*An extra-cost option.

AND THE FIRST CAR AT ANY PRICE WITH . . .

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

NEW INTERIOR STYLING—WITH THE "OFF-THE-SHOULDER" LOOK—a fashion "first" for '57—perfectly color-matched with the exterior.

NEW STRATO-STREAK V-8—270 h.p. in Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation of the year—a new suspension system based on a big 124- or 122-inch wheelbase.

CONGRATULATIONS, BOYS AND GIRLS.
We are happy to report all the sick folks are better. Floyd Daniel, who suffered with a sore arm, is much improved and W. T. Partin's arm has been removed from the cast.

Floyd and Cecil Partin, Jack Koen, Mr. and Mrs. F. H. Tiemann and this scribe helped Mr. and Mrs. W. T. Partin with their turkeys last Wednesday. They carried a large flock of turkeys to the market at Comanche Wednesday.

A large crowd from here attended the school play and Halloween carnival at Priddy Saturday night. Al Langford of Goldthwaite won the nice big turkey, which was raised by A. L. Crawford. I did not learn the names of the others that won prizes.

The Priddy boys played Sidney last Wednesday night for their first game. The score was 26 to 14 in favor of Priddy.

We were sorry to learn that William Ivy's hands and arms were badly burned last Wednesday afternoon. He is being treated at the Comanche hospital.

R. F. Daniel's pickup burned last Friday afternoon. Mrs. Daniel, Mrs. Floyd Daniel and Mark had returned in the pickup from Goldthwaite and parked it in front of the house when they discovered it was afire.

Mr. and Mrs. Woodrow Ratliff, Ronald, Wayne and Steve attended a family reunion in San Saba last Saturday and Sunday.

Mr. and Mrs. C. A. Karnes, Mr. and Mrs. Weldon Karnes and family, Mr. and Mrs. N. C. Karnes and family of Brownwood visited Mr. and Mrs. Stone Shipman and daughters last Wednesday. The Karnes families were called to Goldthwaite to attend the funeral services of Mrs. Nora Gorley, their sister and aunt, and a former resident of this community. We extend our sympathy to her loved ones.

Mr. and Mrs. Pearl Shipman visited Mr. and Mrs. W. A. Elms Thursday night.

Mr. and Mrs. T. V. Stevens, Mrs. Verda Price and children were recent guests of Mr. and Mrs. A. L. Crawford and William G.

Mr. and Mrs. Mark Manuel and family of Fort Worth spent the weekend with their parents, Mr. and Mrs. Luther Geeslin and Mr. and Mrs. Avera Manuel.

A. L. Crawford and William G. attended the ball game at Sidney Wednesday night.

Mr. and Mrs. G. G. Price of Arlington, California arrived last Wednesday for a visit with friends and former neighbors.

Fred Perry of Dallas came last week for his parents, Mr. and Mrs. Bruce Perry. We hope their health will improve during their stay in Dallas.

Recent guests in the Woodrow Ratliff home were Mrs. Floyd Daniel and Mark, Mrs. Carl Evans and family, Mrs. W. P. Oxford, Billy, Lynn and Mack and William G. Crawford.

Mr. and Mrs. Leo Tiemann of Dumas attended the Priddy homecoming last Saturday and visited their parents, Mr. and Mrs. Otto Kunkle and Mr. and Mrs. F. H. Tiemann.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

WHO HAS THE RIGHT OF WAY?

Possibly the most mystifying of all traffic rules to the average driver are those relating to "Right of Way" at an intersection. In reality, however, these rules are quite simple.

In trying to understand the laws regulating intersecting traffic, it is best to start off with the premise that all streets are of equal dignity, legally speaking. Traffic signs and signals may vary this rule somewhat, but when in doubt it is safest to assume that all drivers crossing your path have a claim to the right of way equal to your own.

Obviously, however, in many cases one driver or the other will be legally entitled to the right of way. When it becomes necessary to determine right of way in a particular situation, the driver who reaches the intersection first, or who is going to get there first, is ordinarily favored.

But when two automobiles are an equal distance from the intersection, that one approaching from the other driver's right normally has the right of way.

Some intersections are known as "courtesy corners," having a stop sign or a flashing red signal facing each direction of approach. The first driver reaching the corner and coming to a complete stop will normally have the right of way over other vehicles not already in the intersection. However, don't depend too much on the other fellow's courtesy, and be sure to keep a "proper look-out" and your car under "proper control," as explained in a previous column.

At intersections involving one through street and another street having a stop sign, a driver approaching the stop sign and coming to a full stop is ordinarily said to have the right of way over vehicles approaching on the through street but not already in the intersection.

However, this last rule must be qualified by saying that you should not proceed, cross or turn onto the through street until you can do so without interfering with oncoming traffic. In other words, if an approaching car will arrive within the intersection before you are completely clear, wait just a little longer. The same rules apply to entering a highway from a side road containing a stop sign.

Many drivers violate the rules of right of way covering left-hand turns at intersections. When turning left, you should always be on the inside (or

center) lane, displaying the proper hand signal. You must allow all cars coming from the opposite direction, already in the intersection, to pass through before completing your turn. Even when the intersection is cleared, do not proceed unless other oncoming traffic is far enough away to be able to see your signal and slow down to allow you to turn with safety to all concerned.

Stay in the inside lane until your left-hand turn is entirely completed, and only then move gradually over to the right-hand lane if you wish. When turning right, stay in the right-hand lane at all times. Do not swing wide into the center lane, as to do so is unnecessary, unlawful and dangerous.

Many detailed rules and suggestions for safe driving are included in the official "Texas Driving Handbook" which is available to any person requesting same from the Texas Department of Public Safety, Drivers License Division, Austin, Texas.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Mrs. O. K. Berry has returned home from a months stay in Fort Worth with Mr. and Mrs. Van McCasland and little son. She was well entertained by her grandson.

Mr. and Mrs. L. W. Weathers of Brownwood were guests of his mother, Mrs. J. W. Weathers Sunday. In the afternoon they attended the C. W. Hoovers 50th Wedding Anniversary celebration in Lampasas.

Duren Quilters Enjoy Luncheon

Members of the Duren Quilting Club met at the Duren church, Tuesday, October 23, for an all-day meeting. Two quilts were finished, one for Mrs. C. C. Wright and the other for Mrs. E. J. Cox.

At the noon hour the following ladies enjoyed a covered-dish luncheon: Mmes. R. C. Dur-

en, Jessie Black, Maggie Ward, J. E. Smith, W. L. Daniel, Henry Gibbard, Ralph Duren and son, Lula Hobbs, C. C. Wright, E. J. Cox and children.

Mrs. Lula Hobbs was honored with a birthday party.

At the next meeting in November Mrs. W. L. Daniel and Mrs. Lula Hobbs will have quilts ready for the ladies to work on.

Goldthwaite Home Demonstration Club Elects New Officers Last Week

The Goldthwaite Home Demonstration Club met Tuesday afternoon of last week with Mrs. Levi Aldridge. Thirteen members, two visitors and two new members were present.

Mrs. Oscar Burns, president, was program leader. The Club Prayer and Club Pledge were repeated in unison. Roll call was answered with "What I

Like About October." Minutes of the previous meeting were read by the secretary, Mrs. Stacy McCasland and the Council Finance Chairman, Mrs. Forest Straley, gave a report. Mrs. Dutch Smith, nominating committee chairman, presented the following list of names for officers for the coming year and all were elected:

Dealers Display 1957 Oldsmobile Starting Tomorrow

Oldsmobile for 1957 has completed the most sweeping model change in the past 20 years, with distinctive styling innovations and mechanical improvements in every one of the 17 body styles in three series of cars. The body is completely new, creating a fashion-new exterior appearance with deeper bumpers and a redesigned grille. Mechanical and structural advances include a new

wider and heavier chassis, new "pivot-poise" front suspension of a design that resists dipping, improved rear suspension, a new 277-h.p. "Rocket" engine, known as the T-400 due to its high torque throughout the driving range, and new 14-inch wheels.

Outstanding styling note is the accent stripe, an Oldsmobile exclusive, that runs more than half the length of the car's side panels between narrow chrome moldings. This marks the first new style trend in exterior color application since Oldsmobile introduced two-tone color styling in the body in 1954. The accent stripe permits a new two-tone effect, with the car painted one color and the accent stripe in a contrasting color. However, the conventional two-tone styling is still available as an optional extra.

The 1957 Oldsmobiles will go on display in dealer showrooms throughout the nation on Friday of this week.

Four new body styles have been added to the 1957 Oldsmobile line—three Fiesta station wagon models and an economy priced "88" convertible coupe. The division of body styles for 1957 includes seven in the Golden Rocket "88" series, six in the Super "88" series and four in the Starfire "98" series.

Odd Fact

In Chicago, a policeman captured a gunman, after spotting feet sticking out from under a bed in his home, by jumping on the bed and breaking it down on top of the man.

Mrs. Forest Straley will be hostess to the club Tuesday, November 13.

Football

(Continued from Page One)

Wildcat quarterback, on the 20 and he made his way all the way down the field and over the line for the Wildcats first TD. Butler then kicked the extra point. Johnny Vaughan carried the ball back to the 45 on the kickoff, then made a 38 yard run on the first play. On the next play, Kirby made a 17 yard run, crossing the line for the Eagles final TD. Kirby attempted to kick the extra point, but it was blocked. Howard Walker made his way back to the 42 on the kick-off. Bert Agnew brought the ball down to the one yard line, then ran the ball over for the Wildcats second and final TD. J. C. Butler kicked the extra point. Edgington was stopped on the 31 on the kick-off. Vaughan and Kirby picked up about 32 yards before the end of the game. The Eagles made six first downs to the Wildcats four in the last period.

The final score was 19 to 14 in the Eagles' favor.

OPEN DATE FRIDAY: PLAY JACKETS NEXT

The Eagles will have an open date this Friday night, then on the following Friday night, November 16, they will journey to Llano to play the Llano Yellowjackets for their last game of the season. The Yellowjackets lost to Cross Plains last Friday night with a score of 43-13. Everyone go to the Llano-Goldthwaite game November 16 and boost the Eagles to another victory.

"B" TEAM TO PLAY BULLDOGS THURSDAY

The Eagles "B" team will play the Hamilton Bulldogs "B" team on the local field tonight (Thursday). The game will start at 7:30 p.m.

P-TA And Faculty To Present Harvest Queen Carnival At Gym Friday Night

The faculty of Goldthwaite schools in cooperation with the local P-TA will present a Harvest Queen carnival program in the gymnasium this Friday night at 8:00 o'clock.

Each room in the elementary school has nominated a candidate for Harvest Queen who has selected a boy as an escort. The winner will be determined by admission vote at the door and the one receiving the greatest number of votes will be crowned Harvest Queen and all

others will form the court and will participate in the crowning ceremony. There will be an admission charge for all pupils and the money will be used for P-TA activities for the year.

Preceding the program a senior class will offer a giving supper in the cafeteria beginning at 6:00 o'clock and continuing at 7:00 p.m. Tickets are now from any senior.
