

Whittlin'

By Dolph Moten

Jack Patterson, this department's farmer friend from Rhea, came in early this week to tell us the "sale" I advertised here last week had been postponed.

"They put it off four more years," Jack says. Maybe so.

The sale bill may do little toward helping the present White House occupants dispose of their for-sale items, but it sure did help sell Blades.

Maybe I shouldn't tell that.

A lot of people thought the idea was very amusing. Others didn't think it was so blasted funny. But, everybody was a good sport. That, in itself, is worth a whole lot.

Join the Bovina Lions Club and become a careful driver. Lions club members have been having talks (two) about highway safety. Also saw a movie on the subject at the last meeting.

The programs are enough to make you think about safety. As a matter of fact, they'll scare you bad enough to slow you down for a few days, at least.

A Lions Club member says he thinks the whole town should have an opportunity to hear such talks. I'll admit they're worthwhile.

Maybe you've heard there has been some talk of installing a blinker light at the intersection of Third Street and Highway 60.

Patrolman Cecil McNeil, who spoke at the Thursday meeting of the Lions Club, was asked what he thought about the traffic safety act. He said, "I wouldn't rest if I lived in this town until there was a blinker light at that intersection."

That's how a man who understands traffic safety feels about the light. That's enough to sell me. I think we should have one.

The Boost Bovina program, complete with a prize give-away gets underway Saturday afternoon. Be sure to be on hand. If for no other reason, be on hand so you can criticize the way the idea is handled. Maybe that'll make you feel useful. Of course, it'll be a lot better if you are around to Boost Bovina.

Aubrey Brock got the following tips for the Hunter from a brother in Wyoming. Maybe local hunters will be interested.

Tips For The Hunter
Instructions you must have for your hunting trip:

First, you need a fast car—so you can beat the other hunters to the best spots. One that will do, say 90 or 100 m.p.h. That will give you a chance of being killed before you get out in the woods. And save some other hunter some ammo and the mess of shooting you.

One or two cases of whiskey, four cases of beer, and lots of ammo. Food, tents and sleeping bags take up a lot of space. So get another case of whiskey instead.

Be sure to shoot at anything that moves, or looks as if it might. If it's not a deer, there's always a chance it might be your mother-in-law.

If you decide to skin it, be sure to roll it around in the dirt, leaves and pine needles. Then wrap it in newspapers as they will stick well, and the printer's ink has the delicate flavor of burnt rubber. This will enable you to read this fall's paper next February.

Now drag it out to the car, throw it over the hood as close to the radiator as possible, so it will get all the heat, dust, etc.

On the way home, stop at a tavern. So you can tell the other Lers how you killed it, at 300 yards. Between the eyes.

Be sure to stay at the tavern until you are sure the locker plant you want to hang your deer in has been closed for the night and the operator is sound asleep (or most likely having a nightmare).

He will no doubt have several hanging around. So make sure he cuts yours first—and makes it all into choice steaks and chops.

Minters Visit In Tucumcari, N. M.

Mr. and Mrs. Henry Minter and daughter spent Sunday in Tucumcari, N. M. They were guests in the home of her sister and family, Mr. and Mrs. T. O. Bell and children.

The Minter's son, Billy, accompanied his uncle and family, Mr. and Mrs. Harry Harroy and sons, of Clovis to Albuquerque, N. M. Friday night. While there, the group attended the New Mexico State Fair.

Boost Bovina Program Saturday

O'Hair Tractor Burns Saturday

A tractor belonging to Fred O'Hair caught fire Saturday morning near a butane tank on his farm 5 1/2 miles south and one mile east of Bovina.

Bovina Volunteer Fire Department answered the call and had the flames out in a few minutes after arrival.

Damage to the tractor included the ruining of the two rear tires as well as other parts of the machine that would burn. Origin of the fire was unknown.

Henry Minter, a member of the fire department, says O'Hair and the fire department were lucky the butane tank didn't explode.

Mustangs Play Hart There Thursday Night

After three losing efforts in as many attempts, Coach Bob Willis' Bovina Mustangs will be trying to get in the win list Thursday night when they do battle with the oft-defeated Hart team Thursday night at Hart.

The game was scheduled for Friday night, but it has been moved up a day to enable some members of the local team to go to the state fair in Dallas this weekend.

Mustangs are expected to be in good physical condition following last week's game with Turkey. Willis reports that no serious injuries resulted from the game and that his charges are more than eager to "win one."

The date of the Kress game has also been changed. It will be played on Saturday, October 27, at 2:00 p. m., instead of Friday, October 26 at 8:00 p. m. at Kress. Reason for the change is so that the game will fit better into the Kress homecoming program.

Last season, the Mustangs downed Hart by a 33-12 count.

This is the second year for the Hart school to play 11-man football and the local team, for the first time this season, is the favorite.

Starting lineup is expected to be about the same as started last week against Turkey. That includes Barraza, Lawlis, Smith, and Horn in the backfield and Brandon, Brito, Adams, Glasscock, Baca, Steelman, and Haney from right end to left end in the line.

Billy Burnam, sophomore back, who was injured in the Farwell game, was out of action Friday night. There is a good chance that he will be able to play against Hart.

FIRE FIGHTERS ALL—Bovina Volunteer Fire Department members are shown hurrying to the Fred O'Hair tractor fire Saturday morning at Okla Lane. Members of the department pictured are, from left to right, Weldon Moody, Ed Hutto, Herman Estes, Henry Minter, Roy Fuller, Elton Venable. The men put out the fire in a matter of minutes.

Beat Mustangs, 13-0—

Turkey Turks Turn Trick

It was the same old story for the Bovina Mustangs Friday night at Mustang Field—they just couldn't keep rolling long enough to score—and the Turkey Turks pounded out a 13-0 victory. It was the third loss of the season for the youthful Mustangs.

The locals started out like "a house afire," but they couldn't come up with a scoring punch. The score could have been worse, however. Turkey pass receivers fall through their fingers when they could have scored had they caught the ball.

Neil Smith took the opening kickoff on the 18 yard line and returned it to the 21. Mike Barraza and James Lawlis, in a carry each, moved the ball to 31. From that point, Smith went across the left side, turned to the left when the defenders expected him to go to the

right and was loose to the 11-yard line before he was caught from behind.

Barraza and Lawlis carried one time each and Smith twice to move the ball down to the five where it went over to the Turks on downs. They moved the ball back to the Mustang 40 before they were forced to punt. The punt went out of bounds on Bovina's 11.

After five plays that netted a one yard loss, and an automatic first down because of pass interference, Smith passed to Horn complete on the 29. However, on the next play Turkey recovered a Mustang fumble and the first quarter ended.

The Turks scored late in the second quarter and early in the third.

They made their first touchdown after taking a Smith punt on their own 45 and returned to the 42.

A long pass was good for 30 yards and a first down on the Bovina 12. Three ground plays pushed the ball to the three. With fourth down and one yard to go, Quarterback David Blume went through the line on a keeper play and the score was 6-0. James Lipscomb's place kick just cleared the cross-bar and the visitors led 7-0.

Smith took the kickoff on his 20 and was in the clear momentarily before he was swarmed by Turks on the 42. However, a Mustang fumble gave the ball to the Turks on the next play. Turkey was in possession of the ball on Bovina's 20-yard line at the half.

The winners scored without losing the ball in the third period. Sonny Brito's kickoff was returned to the 29. Three plays and two first downs put the ball on the Bovina 39. From that point, Blume passed to Billy Joe Turner, who scampered across the goal line without a hand being laid on him, to make the score 13-0.

Lipscomb's placement was short and the score remained.

The teams played between the 20 yard lines in the fourth quarter and neither made a serious threat. The Mustangs worked their plays

In an attempt to create more business in Bovina, Bovina merchants, aided by the Bovina Junior Chamber of Commerce, are set to launch a series of promotions on Saturday afternoons. First of the programs is Saturday.

It starts with the free kids movie at 2:30 in Mustang Theatre. The Bovina High School Band, under the direction of W. Wayne Stevens, will play from 4:00 to 4:30 and a give-away will be at 4:30.

Script totaling \$15, \$10, and \$5 will be given to three lucky people present.

Customers may register for the prizes at any of the 37 participat-

Pee Wees Romp On Lazbuddie

Coach Bob Willis' junior high Mustangs ran rough-shod over Lazbuddie juniors Tuesday night at Mustang Field, 45-6.

Willis had 33 players in uniform and 33 players saw action. The Lazbuddie team was never in the game as the locals jumped to an early first quarter lead.

Individual stars were hard to single out in the run-away. All the Mustangs did a top job—both offensively and defensively. Even when the local lineup was filled with substitutes, the visitors couldn't get back in the game.

The win leaves the Mustangs with a two won—one loss record.

ing businesses. The three part program is:

1. Each merchant contributes \$2 weekly paid in advance.

2. Money is used by Bovina Junior Chamber of Commerce for:

a. A \$15, \$10, \$5 cash give-away each Saturday afternoon. Script, instead of money, will be used. The script will be redeemable in merchandise from any of the sponsoring merchants.

b. Free matinee movie at Mustang Theatre each Saturday prior to the give-away. The show will be for children under 12 and will be offered as an added inducement to people to remain in Bovina and make their purchases on Saturday.

c. Remaining money, if any, will be used to advertise the Boost Business Day in various forms and to pay for other necessary expenses.

Participating businesses are S. E. Cone Grain and Seed Co., The Bovina Blade, Mustang Theatre, Bonds' Gulf, Bovina Beauty Shop, Wines Produce, Venable Cleaners, Combs Grocery, Trimble Barber Shop, and Wilson Food Store;

Also, Esquire Cleaners, Gaines Hardware Co., Queen's Slaughtering, Paul Jones Service Station, Charles Oil Co., Rhodes Service Station, Sudderth "66" Service, Bovina Restaurant, and Ward's Welding;

Also, ABC Drug, Bovina Butane Service, Bovina Farm Chemicals, Edd's Auto Service, Southside Service Station, Bovina Drug, C. R. Elliott Real Estate, Bovina Variety, and Williams Mercantile Co.;

Also, Bovina Implement Co., Kerby and Alverson Welding, Bovina Service Station, Alva J. Hudson Plumbing, O. W. Rhinehart Real Estate, Macon Elevator, First National Bank, Frank Smith Plumbing and Cicero Smith Lumber Co.

Jaycees See Crop Picture

Bovina Jaycees saw a movie concerning Christian Rural Overseas Program Saturday noon at a regular meeting in Bovina Restaurant. A discussion followed on handling contributions for the program. However, no definite plans were made.

The date of the charter banquet-dance was changed from Saturday, October 13, to Tuesday, October 9 at 8:00 p. m. Reason for the change was so F. E. Hightower, state Jaycee president, could be present. Hightower will be the main speaker of the evening.

Roy M. Crawford will be master of ceremonies at the dinner. The banquet-dance will be held in the American Legion Hall. Invitations have been mailed to some 16 Junior Chamber of Commerce organizations in the area.

Little discussion was held at the Saturday meeting concerning the Boost Bovina program that the Jaycees and local merchants are sponsoring. However, the program will get underway Saturday afternoon. Thirty-seven businesses are participating in the program.

Mark Charles, Billy Ray Horton, and Larry Berry were named to take a Marcum-Claborn ambulance to the Bovina-Hart football game at Hart Thursday night. Tommy Bonds, head of the ambulance committee, made the appointments.

TO THE BOVINA FIRE DEPARTMENT, FRIENDS AND NEIGHBORS—

Thanks a million for putting out the fire at our place Saturday morning. May God bless each of you.

O'Hair Family

McCutchan And Son Home from Hospital

E. L. (Jack) McCutchan and son, Keith, returned home Sunday afternoon. They had spent the past week in Northwest Texas Hospital in Amarillo, where Keith had undergone bone surgery. A bone was taken from his father's hip and placed in the boy's right arm. Keith was released from the hospital Friday and Jack was released Sunday morning.

Visit Grandmother

Mr. and Mrs. Don McCutchan of Dumas visited over the weekend in the home of his grandmother, Mrs. Minnie McCutchan. They were also guests in the home of his uncle and aunt, Mr. and Mrs. A. R. McCutchan, before returning home Sunday evening.

Thursday—

Lions Club Sees Safety Show

For the second time in as many meetings, the Bovina Lions Club heard a talk on highway safety Thursday night during a regular meeting at Bovina Restaurant.

Highway Patrolmen Joe O'Rear and Cecil McNeil were present at the meeting. McNeil gave a talk on safety and showed a film, "The Case of Officer Hallibrand."

"We're having to many people killed on our highways," McNeil told the Lions. "It is our desire as well as that of the department to work with and cooperate with local communities in eliminating this death toll."

"Too many average people feel that our death rate in Texas—2500—is something that we have to put up with. We don't believe we have to have it and we have to get the people to quit thinking as they do," he went on.

Changing his topic to something "closer to home," McNeil said,

"I'll assure you that we don't scheme against people to catch them."

About radar he said, "One motorist signaling to another about radar in the area is one of the biggest aids we've had. It gets people to cut down on their driving speed."

Causes for accidents listed by McNeil in order of their importance are speed, driving while drinking, being on wrong side of road, disregarding warning or stop signs, improper passing, not having right-of-way, following too close, and improper parking.

Following the program, club members voted to move the meeting time up from 8:00 p. m. to 7:30 p. m.

Mrs. Howard Ellison has been ill all this week. She has been confined to her bed at home due to a virus and flu attack.

Burglars Hit Station

Rhodes Gulf Service Station in Bovina was robbed of some eight or ten dollars and some cigarettes and candy sometime Sunday night, Aubrey Rhodes, owner of the business, says.

The thief (s) gained entrance to the building by breaking a window between the wash room, which was left open, and the main part of the building.

The money stolen was the change that had been left in the cash register. Rhodes says he has no way of knowing just how much money is missing or how much candy and cigarettes were taken.

The inside of the building had its contents "scattered" Rhodes says and it looked as if the burglars were looking for money.

The break-in was not discovered until Monday morning when Tom Rhodes, employee of the service station, opened the business.

It is reported that two youths, believed to be guilty of the local break-in, were captured Monday in Clovis.

Delivers Message At Pentecostal Church

Wednesday evening guests in the home of Mr. and Mrs. A. R. McCutchan were Rev. and Mrs. Fred Jones of Oklahoma City, Okla., and Mr. and Mrs. John Fielder of Dimmitt. Rev. Jones returned to Bovina Sunday morning and delivered the morning sermon at the Bovina Pentecostal Holiness Church in the absence of Rev. A. T. Kersey, supply pastor.

Among the local residents who attended the Saturday evening football game between West Texas and Sul Ross at Canyon were Mr. and Mrs. Billie Sudderth, Mr. and Mrs. Paul Jones, Dale Malcom and Art Mast.

"HE WENT IN HERE"—Aubrey Rhodes, owner of Rhodes Gulf Service Station on Highway 60 in Bovina is pointing to the broken window in his station building where a burglar entered sometime Sunday night. The loss, including cash, cigarettes and candy, totaled \$12-\$15.

Quickels Return Home Monday

Mr. and Mrs. Ike Quickel returned home Monday afternoon from a ten day trip. They took his mother, Mrs. Lula Quickel, home to Woodward, Okla., and visited with other friends and relatives. They were guests in the home of his brothers and families, Mr. and Mrs. Herbert Quickel at Wellington, Kansas and with Mr. and Mrs. Homer Quickel at Wichita, Kans. In Missouri, they visited with Mrs. Quickel's cousin, Mrs. L. L. Cole at Amoret and toured part of Arkansas, returning home via Yale, Okla., where they visited with Mrs. Grace Hayes Foster, a former high school teacher of both Mr. and Mrs. Quickel.

Gleaner Class Has Supper and Social

The Gleaners Sunday School Class of the First Baptist Church met Tuesday evening in Bovina Restaurant. The members' husbands were special guest for the meal of chicken and dressing. It was served buffet style and those present were seated at two long tables. The oriental theme was carried out in the decorations, with various oriental flags placed on the walls. Centerpieces of driftwood logs, Korean and Japanese figurines and miniature umbrellas graced the length of each table.

Mrs. Johny Horn gave a review of the book, "Billy Graham's Diary in Korea." Following the meal, members of the class held a business meeting with Mrs. Roy Fuller, outgoing president, in charge. Election of officers was held and those to fill the offices for the coming year are class teacher, Mrs. P. A. Adams; assistant teacher, Mrs. Frank

Truitt; president, Mrs. Dennis Williams; vice-president, Mrs. Jack Feagan; secretary-treasurer, Mrs. Virgil Goodwin; assistant secretary-treasurer, Mrs. C. R. Brandon; personal ministry, Mrs. A. D. Cumpton; and reporter, Mrs. Tony Ivy.

Hostesses for the social were Mrs. Frank Truitt, Mrs. Alvin Glascock, Mrs. P. A. Adams, Mrs. Art Mast and Mrs. Cumpton.

Among those present were Mr. and Mrs. Herman Estes, Mr. and Mrs. Alvin Glascock, Mr. and Mrs. Henry Minter, Mr. and Mrs. Dennis Williams, Mr. and Mrs. Tony Ivy, Mr. and Mrs. P. A. Adams, Mr. and Mrs. Arnold Hromas, Mr. and Mrs. Alva J. Hudson, Mr. and Mrs. Johny Horn, Rev. and Mrs. Virgil Goodwin, Mr. and Mrs. Frank Truitt and Mr. and Mrs. Roy Fuller.

To Lockney

Mrs. Vernon Campbell and Mrs. George Turner spent Thursday in Lockney visiting with friends and relatives. Mrs. Turner was a guest in the home of her daughter-in-law and family, Mr. and Mrs. Tommas Montandon and children, and Mrs. Campbell spent the day with Mrs. Clem Vaughan. Both local women are former residents of the Lockney area.

Harvest Time...

Time to reap the joys of ELECTRIC COOKING!

You can live better electrically when you cook electrically.

It's the traditional time of the year to reap the joys of harvest and it's time, too, to reap the joys of electric cooking. If you're not yet one of the millions of modern women who already cook electrically, then it's time you learned how easy electric cooking is. Take cleanliness, for example. Electric cooking is clean... no messy pan bottoms to clean because nothing burns onto the tops of electric elements or the bottoms of pans. Ovens are insulated on ALL SIX SIDES and they're automatic... just set and forget... whole meals cook for you automatically. It's harvest time... time for you to reap the joys of electric cooking.

HOW DO YOU LIKE YOUR COOKING... electrically, you can have it either way, conventional, free-standing models or the delightful new custom built-ins. Your Reddy Kilowatt Dealer can help you choose.

Foundation Work "Awfully Slow": Will Slack Off

Progress on a county-wide effort to raise money for establishment of a Plains station for the Texas Research Foundation is "awfully slow" this week, according to Gilbert Kaltwasser, Parmer County director.

Pledges to date total only about \$3,000, he says, and many workers have not made reports on contacts they were scheduled to make. Kaltwasser gave two reasons for the draggy campaign, and said that he had been advised by Jesse Osborn of Muleshoe to "slack off" on the drive until some points have been made clear. Osborn is general chairman of the drive for this area.

One report that has undermined the work is that Hale County, which had garnered \$265,000 to attract the station, has pulled out of the Plains-wide effort in the hope that with such a large amount of money it will be able to underwrite a station of its own.

Directors of the Foundation at Renner have never announced where the station would be put if the financing campaign is successful, but it has been hinted that it would be in northern Lamb County.

In addition, a half section of sod land in southwestern Castro County has been offered as a station location, and it is considered a possibility that this might swing the project to that spot.

A breakfast to boost the work in

the Farwell area, including Oklahoma Lane and Lariat, has been cancelled. It was to have been in Farwell Monday morning.

Farmer's Union Sets Meet

Members of the Parmer County Farmers Union will meet Thursday night at the Friona High School. They will elect officers for the coming year, in addition to naming delegates to the state convention.

State Farmers Union President Alex Dickie will be present and will address the group. He is from Denton, and may possibly bring other Union officials with him to the meeting.

W. L. "Preach" Edelman, county FU president, says that the group now has 262 members in Parmer County, and that he anticipates widespread interest in the meeting.

With that membership, Parmer County will be entitled to nine delegates to the state convention, he says.

THE HAPPY HOMEMAKER

A remark which we heard a fellow make several years ago comes to our mind very often. He said, "There is no end to the things women can think of to mix together and call salad." At different times we have thought that he might have said, "There is no end to the things women can think of."

This idea was brought forcibly to our mind recently as we were reading a list of things that different women have thought of to use a home freezer for. Three that were especially interesting to us are being printed below. Hope you like them.

My favorite trick is to draw air out of plastic freezer bags after the food has been placed in them by using soda straws. Insert a straw in the top of the bag as it is bunched together between the fingers. Draw out as much air as possible by suction. As the bag pulls in, pull the straw out gently and pinch the bag tightly so no air re-enters while it is being fastened.

Add a decorative touch to the punch bowl by freezing a flower, preferably a red rose, in a block of ice. An empty cottage cheese carton makes a fine container. Fasten the rose to the bottom of the carton to keep it from floating. Fill with water and freeze.

There are three things to remember: first, you can't fill up a freezer in one day. Second, no matter how big a freezer you own or will own, you'll wish it were larger. Third, a freezer can't be a miracle worker without you. You are the brains behind your freezer.

There are so many lovely printed corduroy fabrics on the market this fall. If you decide to use any of them or any other fabric that has a nap or up and down, be sure you have all pieces of your pattern running the right direction. This can very easily be done by marking arrows with chalk on the selvage, or by sticking pins with the heads all turned one direction.

When buying any material that needs to be cut all in one direction, it will be necessary to buy more material than for materials on which you can lay your pattern pieces either way.

If you have trouble with zippers hanging (and who doesn't at one time or another?), a thin coat of liquid wax applied occasionally will help keep them running more smoothly.

Another thing which will help keep zippers in working order is to make sure they are fastened before the garment is laundered. This will often prevent torn garments.

Did you know that feather pillows may be washed in your automatic washer? We didn't until we read an article in a farm magazine a few months ago.

A salad which is very pretty and tasteful is made by combining 1/2 cup shredded raw carrots, 1 cup shredded cabbage, 1/2 cup shredded radishes and 1 nine ounce can pineapple chunks with salt and mayonnaise.

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep us OUT of war.

That's why I still like Ike—better than ever!

Yours truly,
Tex

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Harvest Rolls Along Fastest in History

The mechanical marvel of the combine and the age-old drudgery of boll pulling painted contrasting pictures of the Parmer County area harvest scene this week.

Harvesting of area feed grains and early cotton rolled along at a merry clip—possibly history's earliest operation on such a large scale. Ginnings at the county's 13 installations are already numbered in the hundreds of bales, and hundreds of acres of maize have been hauled to the elevators.

County Agent Joe Jones, after a survey of the county on Tuesday, noticed these things:

Combines are in operation throughout the area, unhampered by adverse weather conditions. Yields of grain sorghums have been good. James Mabry of the Hub is reported to have made 6,000 pounds with Martin's.

Other more common varieties are yielding well, too, says the agent, but he says he would prefer to wait a few weeks before he makes any predictions on hybrid yields. Some early reports are trickling in on this new development in seed breeding.

Looking at the cotton picture, the agent says there is lots of defoliation being practiced by growers who are after an early mechanical harvest.

Defoliants are being used to prematurely kill the cotton plant and force it to shed its leaves. The fields will then be ready for mechanical stripping of the bolls from the stalks.

"It's too early to tell whether this will be a money-making proposition or not," says Jones. "It could rain and cause the savings that could be expected from

the strippers to be cut or eliminated." Still, the majority of cotton farmers are staying with the practice of hiring hand labor to enter the fields and pull the early opening cotton. This early cotton is nearly always better in grade and brings a higher price.

Most of the cotton being pulled is grading light spot and white, with the latter classification prevailing. Staple is improved this year compared with 1955 also, notes Jones.

Some farmers have been able to get a bale an acre from the first hand pulling, which is considered very good.

"We have about 41,000 acres of cotton in the county," says the agent, "and I believe that we will make 50,000 bales from it this year."

There is considerable activity for minor cash crops, too. Picking

of corn is proceeding at a fast rate, especially since the advent of the corn borer in many fields.

A windy spell might result in large losses to corn growers at this point, predict farm observers, and the farmers aren't waiting any longer than is absolutely necessary to get the ears out of the fields.

Carrots, beets, turnips, lettuce, and radishes that are being grown on a few farms, mostly in the northeastern part of the county, are progressing nicely, Agent Jones reports.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

"Scotch lite" stickers are available free at the office. They provide added visibility protection for cotton trailers, trucks, cars and bicycles when they are operated at night. They may be life savers if used on the sides of tractors and trailers, too, where other reflectors normally are not used.

We believe that cotton farmers interested in seeing the state cotton acreage reserve limited to 2 percent instead of 10 percent as it is now, should be sure their Farm Bureau membership is in good standing before November 1. There are sections of Texas that have been receiving cotton acreage from the larger reserve the last couple of years that will probably vote against the cut in the state convention.

County Farm Bureaus in those

Eligibility Facts Listed for Feed

Farmers and stockmen who wonder if they are eligible for the government's emergency feed program can examine the following requirements which have been released from the Parmer County FHA office:

"Subject to the following conditions, any established farmer or stockman whose principal occupation is farming or ranching and whose financial condition is such that he requires assistance under this program in order to maintain his foundation herd of livestock and continue his livestock operation, is eligible for assistance under the Emergency Feed Program.

"The fact that the purchase of hay or other feed at regular prices may not be profitable to the applicant is not sufficient to qualify him for assistance.

"The principal occupation of an applicant may be considered to be either the occupation from which he received at least one half of his net income for the calendar year next preceding the date of this application, or the occupation to which he devoted at least one half of his time during such year."

No Word Yet On Hay Program

Reports the first of the week that the USDA has released an additional \$5 million in funds to refinance a drought emergency hay program in Texas have not resulted in confirmations on the county level, says John Zahn of the county FHA office.

Zahn, however, says that he expects to have orders on the new program "by the latter part of the week" and that it would be necessary for the changes to come through channels from Washington.

Only last week the roughage aid was suspended after USDA officials had commented that applications "exceeded the expected demand." Originally, \$1 million had been put into the plan.

The feed grain portion of the emergency program is not affected by these recent developments. Parmer County has been re-established as a drought disaster county only about four weeks.

The Parmer County Implement Co. News

"The Place Where Most People Trade" Wednesday, Oct. 3, 1956, Friona, Texas

Our friend plans to buy land with all her surplus money. It's the only thing they aren't making more of, she says.

— PCIC —
Since Mary's cafe burned, a lot of Friona folks have been eating at the school cafeteria. Makes it hard on Junior when he complains about the cafeteria food and his Mother replies, "We thought it was wonderful when we ate there."

— PCIC —
The pair of cowboys had been on the trail for two days with a herd of cattle. During that time neither men nor animals had had any water. At last they caught sight of a small stream and the cattle dashed in. One of the cowboys had gone up a little way above them to drink when he noticed that his companion was scooping up a hatful of water where the cattle had stirred it up. "Come up here where it ain't so muddy," the first one called out. "It don't matter," his comrade replied, "I'm gonna drink it all, anyhow."

— PCIC —
We have two new employees at the Parmer County Implement company. Mr. Sherman Atwood, the bookkeeper, is from Amarillo. He is married and he and his wife plan to move to Friona soon. Sherman is staying at the Floyd Reeves until his wife can join him. Mr. Mason Love is the new parts man. He is from Melrose, New Mexico, and has moved his family to Friona. They live north of the Pentecostal Church. Mason is enjoying Friona because of the irrigation farmers here. He says it's so dry at Melrose the farmers may forget how to farm.

— PCIC —
Mr. and Mrs. Ben Jordan and small daughter visited in Floydada this weekend with the Darrell Robbins. Darrell is farming in Floydada now. He used to live in Friona and is a grandson of the J. W. Baxters.

— PCIC —
The new McCormick Rotary Cutter speeds up the decomposition of crop residues. It has a heavy duty cutting and a thorough pulverizing action. It works faster in the heaviest stalks. Call 2091 for a demonstration.

— PCIC —
Holliis Horton has been on the sick list this week. Though he is much better now he has been very ill with encephalitis.

Farmers are now entering the season for the hardest use of their tractors in harvesting and fall plowing. A pre-season checkup by one of the competent mechanics at the Parmer County Implement Company helps to insure that the valves, piston rings, and bearings are all in top working order.

— PCIC —
Noticed Sonny Graham's column "Graham Crackers" made the editorial page of the Amarillo Daily. It's always fun to see something from your home town paper get some recognition. We heartily endorse Sonny's idea of paying hourly wages according to what a man is worth but we wonder how some folks would be able to live on that little.

— PCIC —
Friona Chiefs will go to Dimmitt Friday night for their ball game. Friona's band also plans to go. How about lots of Friona folks driving over there to cheer for the home team?

— PCIC —
One of the things that are easy for children to handle these days are their parents.

— PCIC —
Completing the corn harvest as soon as possible after the corn is ready is always desirable. Most of the trouble with the picker comes late in the season when dry stalks often present a problem. Let us demonstrate an I. H. corn picker on your farm.

— PCIC —
They were raising money to repair the church and a committee member called on Uncle Walt. "Can't give nothing," he said. "But," the churchman insisted, "you owe more to the Lord than you do anybody." "Yes, that's so," Uncle Walt replied, "but he ain't pushin' me like my other creditors are."

— PCIC —
Jake and Minnie Lamb are fishing at Hot Springs again. Hope Jake catches some more big ones but you can't depend on him. We can depend on his wife to bring back lots of smaller ones though.

— PCIC —
To POWER-UP for tough fall jobs visit our parts department for I. H. approved spark plugs, I. H. oil filters, I. H. hoses, I. H. belts, I. H. seat pads, I. H. mufflers and I. H. approved batteries and cables. Douglas has a good stock of them all and our prices are right.

areas are exceeding their membership goals, we hear, too. We are reasonably sure that the decision reached in the Texas Farm Bureau convention will determine the amount of reserve. Our case against the Smith-Doxey classing discrepancies can be greatly strengthened by your membership, too. The classing, of course, affects your income, whether you sell or put your cotton in the loan.

.....
We should think the advocates of the necessity of federal aid to education would give some thought to who built and put public schools into operation in the first place. We certainly hope the average citizen will remember that money for such things can be raised on the local level for about half what it costs to route it through Washington.

Farm Bureau, locally and on state and national levels, is vigorously opposing such federal "aid" moves to insure local control of educational institutions.

.....
We would like to suggest that you hear the radio program, Farm Bureau Round-up. It is an unusually good and interesting report on agricultural situations prepared by agricultural editors of several Texas radio stations. KPAN, Hereford, carries it at 12:45 on Saturdays. KLYN, Amarillo, at 6 a. m., and KFDA at 6:10 a. m., all on Saturday. If you listen to Lubbock, the following stations carry it on Saturdays: KCBD, 6:45; KSEL, 7:15, and KFYO at 8:15, all in the morning.

.....
Consider this: As a roaring lion, and a raging bear; so is a wicked ruler over the poor people. Proverbs 28:15.

LIFE—FARMER'S LIABILITY—FIRE—AUTO

This is a wonderful time of the year. Beautiful days, chilly nights, no sand storms. The only thing that would improve the weather is rain and more rain, but while you wait for rain, why not visit the Parmer County Implement Company and trade for a new Oldsmobile? Soon we will have the 1957 Oldsmobiles on our show floor but right now we are offering unbelievable bargains on the 1956 Oldsmobile.

— PCIC —
Have you seen one of the McCormick No. 31 loaders? They are one of the major labor saving devices on any farm. Come by our store and let us show you one.

— PCIC —
The Football Booster's Club is raising money to buy some equipment to take movies of all the football games. Some of the equipment has been purchased and some borrowed so the boys saw themselves in action on the screen this week. Coach Huffman thinks this will be an excellent way to teach the boys what they are doing right and what they are doing wrong. If you could help on this project call 2682 for Pudge Kendrick or 5221 for Hollis Horton.

— PCIC —
For easier, more economical farming you can't beat a Farmall 400. Call 2091—We will bring one out and let you drive it in your own field.

— PCIC —
J. L. Marcum is nursing a very bad knee this week. He was helping move some furniture across the street this week when he stumbled and fell on the sharp edge of the curb and fractured his kneecap.

— PCIC —
Don't fail to spread your stalks. We have both I. H. and Servis shredders. Either with an eight foot I. H. Tandem does two operations in one.

— PCIC —
Harry Ratliff will soon return as pharmacist at the Parmer County Community Hospital. Jim Baxter, manager of the hospital, has been doing double duty in the pharmacy thru the summer. Mr. and Mrs. Ratliff will live in Uncle John White's house.

— PCIC —
We are still selling sodium chlorate to kill Johnson grass. This is the best time of the year to put it on. For future protection to your land don't fail to kill your Johnson grass.

Loan Program Facts To Be Explained In Monday Meeting

Details of the recently revised loan programs for farmers desiring to borrow money from the government for operation and investment capital will be aired at a meeting Monday at the courthouse in Farwell.

The program, which was expanded September 4, has been liberalized in certain respects, including the amount of money that can be borrowed, and the time in which repayment can be made, says John Zahn of the county FHA office.

To attend the program, which is to begin at 2:30, will be the county FHA committee, agricultural agency officials, bankers, equipment dealers, bulk oil dealers, the county judge, a representative from the Federal Land Bank, and others who have dealing with borrowers.

Zahn expects from 60 to 70 persons to be in attendance.

Ceilings on loans have been increased from \$10,000 to \$20,000, but security restrictions and interest remain the same, he said. In addition, certain reclassifications in types of loans have been made.

LICE CONTROL IMPORTANT

Since most Texas livestock, due to the prolonged drouth, are being fed, the job of controlling lice and ticks can be effectively and economically carried out. Herds generally are confined to smaller areas and thus are readily accessible for spraying or dipping. Parasite free livestock will better utilize the feed they receive and will go into the winter season in a stronger condition.

A cat's whiskers are delicate sense organs which help him find his way about.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Technicians of the Soil Conservation Service have been busy the past several weeks assisting farmers lay out row directions for wheat planting. There seems to be more interest in wheat planting this year after the better than average crop we had last year.

If you have a water problem on your wheat, contact the SCS technicians in Friona and let them assist you with it.

On wheat following grain sorghum be sure to use commercial fertilizer to decompose your old plant residues and provide plant food for the wheat. This will make a great difference in your yields, as well as improve your soil.

The windy season will soon be upon us and now is the time for us to make preparations to keep our soil at home.

While on the W. H. Drager farm the other day we were discussing the aspects of conservation relating to wind and water and Drager made a statement I have thought about and will pass it on to you.

"The topsoil, which consists of some 6 inches in this country, is worth 150 or more dollars per acre and the subsoil is worth 30 or less dollars per acre to us."

When we let our land blow or wash we are taking that many dollars out of our pockets.

The depth of topsoil in this area seems to fool a lot of people. It seems most folks think it is about 3 feet deep. It is actually 6 inches topsoil and 18 inches to 36 inches of subsoil. The productivity decreases as you go down the soil profile.

Let's prepare now to keep our valuable topsoil at home and use it for our own production and for those who live here in the future.

If you are planning to plant vetch or winter peas on sorghum or corn land it should be done by October 15. Actually, better results will be had with vetch than peas. Seeding rates: pure stand vetch 15 to 20 pounds per acre.

4-H Club meetings were the main topics for the HD Agent this week. I met with the junior and senior 4-H Clubs in Friona, Lazbuddie, and Bovina. The clubs in Farwell will meet one day next week. The purpose of these meetings was to elect new officers and to get new club rolls. Regular programs will be held beginning in October.

Family Food Spending Today
Food spending in the United States has climbed to a high peak, according to extension foods and nutrition specialists.

Average expenditure for food and alcoholic beverages (including the money value of food produced and consumed on farms) is estimated at almost \$450 per capita for the year 1955—or about \$1.25 per person a day. This is about 3 1/3 times what it was in the pre-war period. Much of this is due to price increases, but even after allowing for price increases, food expenditures are now about 1 1/2 times what they were in 1935-39.

Meals and snacks away from home account for some of this increase in food expenditures. Meals and beverages consumed away from home now make up about one-fifth of the \$450 total.

Families are buying more "convenience foods," but a large share of the family food budget still goes for foods that require considerable preparation. Meat, poultry and fish (excluding canned and ready-to-eat items) take 26 percent of the food budget; milk, cream and cheese—14 percent; eggs—4 percent; fresh vegetables, including potatoes and fresh fruits—14 percent.

October Plentiful Foods Listed
The harvest moon of October will shine on a cornucopia bulging with plentiful foods. This despite the prolonged drouth which has cut deeply into agricultural production in many states of the nation.

The USDA's Agricultural Marketing Service, Southwestern Regional Office, Dallas, reports that protein-rich foods dominate the October list.

These include beef turkeys, stewing chickens, broilers and fryers, as well as eggs, peanut butter, cheese, milk and other dairy products.

Potatoes and cabbage are the only vegetables carried on the October listing of plentiful foods.

A Norwegian mile is seven times as long as the American mile.

A sphygmometer is a blood pressure recording instrument.

Farmers Watch Crops As Frost Date Nears

Farmer County area farmers, wary of a repeat performance on last year's freeze of October 6, are keeping an eye on their crops, the calendar, and the weather this week.

Last year's nipping frost killed sappy cotton plants on thousands of acres of cotton and seriously reduced both quality and yield, but this fall has been ideal for the development and maturity of the

fleecy product. Also, soggy weather in early September hurt area cotton. This year, it's been anything but soggy.

Friday Last Day For Wheat Signups

Friday, October 5 is the deadline for farmers to place acreage in the 1957 acreage reserve program, announces Prentice Mills, Parmer County ASC manager, this week.

The program will be similar in operation to this year's, except that farmers will be permitted to graze the crop until December 31. Acreage payments have been set at \$5.95 dryland and \$11.90 irrigated, per acre, before planting. To date, 43 applications have been made by wheat farmers.

A "hope-chest" in England is known as a "bottom drawer."

The vatican in Rome has 1100 rooms.

Young People's Party Held Friday Night

WMU of the First Baptist Church was hostess Friday evening at a social for the young people of the community. The young people gathered at the church following the football game for games of table tennis and shuffleboard and refreshments of sandwiches, cold drinks and cookies.

Adults present were Rev. and Mrs. Virgil Goodwin, Mr. and Mrs. Don Murphy, Mrs. Leslie McCain and Mrs. Roy Fuller.

Young people attending were Nancy Cumpston, Dick Horn, Terry Adams, Alfred Moody, Sue Moody, Barbara Taylor, Nicki Woelfel, James Lawlis, Gary Kent Glasscock, Jerry Burnett and Ramey Brandon.

Others were Joan Kay Ezell, Phil Caldwell, Jack Feagan, Roy Taylor, James Stevens, Doyle Wasson, John Larenz, and Dickie Steelman.

Woman's Study Club Has Dinner for Faculty And Ministers Thurs.

Teachers of Bovina Public Schools, their husbands and wives, and the ministers and wives of the Bovina Baptist and Methodist Churches were special guests Thursday evening at a dinner given by the Bovina Woman's Study Club. Husbands of the members were also guests.

The supper was held in the Woman's Study Club House and was the first social function of the season for the club.

The meal was served buffet style, with a menu featuring fried chicken and all the trimmings. It was served in lazy susans from a table laid with a yellow cloth. The centerpiece was an arrangement of fall flowers. A number of gayly covered card tables provided an ideal place for the group to eat and visit together. Other bouquets of fall flowers graced the room.

The invocation was given by W. E. Thornton and Mrs. Lloyd C. Battey, president of the club, gave the address of welcome.

Mrs. Aubra Ellison introduced the guests. They were Mr. and Mrs. Warren Morton, Mr. and Mrs. J. B. Morton, Mr. and Mrs. Roy Crawford, Mr. and Mrs. Wayne Stevens, Mr. and Mrs. Jimmy Ware, Miss Grace Paul, Miss Lillian Fisher, and Miss Ruby Hulse.

Other guests were Mrs. Aubrey Rhodes, Mrs. Hazel Rigdon, Mr. and Mrs. Pat Terry, Mr. and Mrs. W. E. Thornton and Aubra Ellison, Rev. and Mrs. W. R. Beard and Rev. and Mrs. Virgil Goodwin were also present.

Members and husbands present

for the dinner were Mr. and Mrs. Amos Shockley, Mr. and Mrs. Buck Ellison, Mr. and Mrs. Bill Bradshaw, Mr. and Mrs. Johnie Horn, Mr. and Mrs. E. H. Moody, Mr. and Mrs. Lloyd C. Battey, Mr. and Mrs. Troy Fuller, Mr. and Mrs. Lewis Pesch, Mr. and Mrs. Art Mast and Mr. and Mrs. Rouel Barren;

Also, Mr. and Mrs. O. W. Rhinehart, Mr. and Mrs. P. A. Adams, Mr. and Mrs. Arnold Hromas, Mr. and Mrs. Clarence Jones and Mr. and Mrs. Leslie McCain;

Also, Mr. and Mrs. Charles A. Ross, Mr. and Mrs. A. B. Wilkinson, Mr. and Mrs. Earl Stevenson, Mr. and Mrs. Billie Sudderth and Mr. and Mrs. A. L. Hartzog.

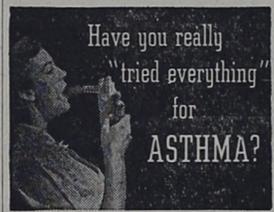

Others were Mrs. Ovid Lawlis, Mrs. Warren Embree, Mrs. Reagan Looney, Mrs. Joe M. Brown and Mrs. A. M. Martin.

Visiting In Moore Home

Mr. and Mrs. James Berry and son of Clovis are visiting in the home of her parents, Mr. and Mrs. L. C. Moore. They have been here a week and plan to stay until the end of harvest. Also visiting Sunday in the Moore home were Berrys' parents, Mr. and Mrs. E. A. Berry of Portales, and Mr. and Mrs. C. M. Campbell and son, Tony, of Clovis. Others spending Sunday with the L. C. Moore's were their sons and families, Mr. and Mrs. L. C. Moore, Jr. and daughter, Debra, of Amarillo and Mr. and Mrs. Joe Moore of Bovina.

From Portales

Mr. and Mrs. Al Zigginfus of Portales, N. M., visited Sunday with old friends of this area. Among them were Mr. and Mrs. Buck Ellison and Mr. and Mrs. Frank Ayres.

WMU Installs Officers Tuesday At Luncheon

The WMU of the First Baptist Church met Wednesday for installation of new officers. Mrs. Glen Wilson of Kress was in charge of the installation services.

The group met in the church annex at 11:30 a. m. for a covered dish luncheon and Mrs. Wilson gave the invocation. She also gave a short talk on the "Personalities of Hands," using placards showing different types of things done by the hands of workers. While installing the officers, Mrs. Wilson presented each with a symbol of their new office.

New officers installed were president, Mrs. Bobby Englant; first vice-president, Mrs. Don Murphy; second vice-president, Mrs. Roy Fuller; secretary-treasurer, Mrs. Virgil Goodwin; and Mrs. Leslie McCain, social chairman.

Others were Mrs. Ovid Lawlis, young people's director; Mrs. Johnny Horn, missions chairman; Mrs. Wayne Garth, prayer chairman; Mrs. P. A. Adams, community missions chairman; Mrs. Charles Hawkins, stewardship chairman; and Mrs. Troy Fuller, Bible chairman.

Mrs. Don Murphy was installed as young women's auxiliary counselor, Mrs. Ovid Lawlis; intermediate girls auxiliary counselor, Mrs. Alva Hudson, junior girls auxiliary counselor and Sunbeam leaders are Mrs. Bill Lane and Mrs. Kenneth Horton.

Mrs. Adams also gave a talk and showed posters which carried out the depth of her talk, which was on the excuses given by people for not participating in church work. Mrs. Roy Fuller gave the closing prayer.

Others present for the luncheon and installation were Mrs. J. A. Taylor, Mrs. W. W. Wilcox, Mrs. J. O. Combs, Mrs. A. M. Martin, Mrs. E. H. Moody, Mrs. Eddie Ray Hutto, Mrs. Boye Taylor, Mrs. Arnold Hromas, Mrs. R. N. Williford, Mrs. J. R. Glover and Mrs. J. S. Williams.

Quilting Club With Mrs. Johnson

Members of the Bovina Quilting Club met Friday in the home of Mrs. Levi Johnson. Following a covered dish luncheon, the women completed two quilts. Those present for the all day meeting were Mrs. Lloyd Killough, Mrs. Mel Gunn, Mrs. Will Parker, Mrs. Tom Rhodes, Mrs. Fred Roberts, Mrs. Bessie Caldwell, Mrs. Buck Ellison, Mrs. Tom Griffith and the hostess.

Guests present for the day were Mrs. Bill Venable, Mrs. James Boardman, and Mrs. Billy Marshall.

To Clovis

Mr. and Mrs. R. N. Williford, accompanied by Mrs. J. Sam Gaines, spent Tuesday, September 25, visiting in the home of Mr. and Mrs. H. L. Tidenberg of Clovis.

Marzie Lynn Circle Hears Two Talks

Marzie Lynn Circle of the Methodist Church met Tuesday afternoon for a regular weekly meeting. The group sang "Help Somebody Today" and Mrs. George Turner gave the devotional. Mrs. Turner also gave the opening prayer.

The program for the day consisted of talks given by Mrs. Turner and Mrs. Floyd Dunavant. Mrs. Dunavant spoke on "The New Quadrinnium in a New World Situation" and Mrs. Turner delivered a talk on "Christian Social Relations in the Philippines."

During a brief business session, the women made plans to serve chili, pie and coffee election night, which is November 6. More details about this supper will be given at a later date.

Those present for the meeting were Mrs. Dunavant, Mrs. Turner, Mrs. Jimmy Charles, Mrs. Wilbur Charles, Mrs. Earl Ware and Mrs. Rouel Barron.

Church of Christ Women in Gunn Home

Women of the Bovina Church of Christ gathered Monday evening in the home of Mrs. Mel Gunn for an evening of visiting and playing "finch" while their husbands attended a business meeting at the church.

Those present were Mrs. Billy Marshall and children, Joyce, Billy, Jr. and Melaney; Mrs. J. R. Caldwell, Mrs. Levi Johnson, Mrs. James Boardman, Miss Mary Hartwell and Mrs. Thomas Rhodes and daughter, Rhonda. The men returned to the Gunn home after their meeting and refreshments of cake, coffee and hot chocolate were served by the hosts.

Rainbows Meet Monday Night

Members of the Bovina Order of Rainbow for Girls met Monday evening in the Masonic Hall for a regular meeting.

Girls present for the meeting were Mary Hartsell, Sherri Lynn Langer, Harriette Lou Charles, Carole Hammonds, Charlotte Hromas, Kay Leake and Bettye Mae Stevens.

Others were Janice Leake, Virginia Embree, Joy Redden, Sandra Martin, and Sandra Rhinehart.

Adults present were Mrs. Julia Leake, Mrs. Flossie Rhinehart and O. W. Rhinehart.

Mrs. Leake, Bovina Mother Advisor to the Order of Rainbow for Girls, says a new Rainbow assembly will be instituted Saturday evening, October 6, at 7:00 p. m. Mrs. Martha Marie Whitfield, Supreme Inspector of Texas, from Dallas, will be in charge of the organizational meeting. Mrs. Leake urges all members of the Bovina Order to attend this meeting.

Visit Son In Canyon

Mr. and Mrs. A. C. Teter visited over the weekend with their son and family, Mr. and Mrs. A. C. Teter, Jr., of Canyon. Their son is attending West Texas at Canyon and is majoring in chemistry.

Mr. and Mrs. J. E. Sikes spent Sunday visiting in the home of Mr. and Mrs. E. A. Lambert, who live near Lubbock.

METHODIST CHURCH NEWS Rev. W. R. Beaird, Pastor

Church School, 9:45 a. m., public worship, 11:00 a. m. and 7:30 p. m. Group discussions, Sunday 6:45 p. m., Marzie Lynn Circle, Tuesday, 2:30 p. m., Dorcas Circle, Wednesday, 11:00 a. m., Choir practice, Wednesday 7:30 p. m. and Methodist Men, Saturday 6:00 a. m.

Rally Day Sunday

We would like for every member of the Methodist Church in Bovina to cooperate fully in making next Sunday at both Church School and Church services a Rally Day in the truest sense of the word. Our church school begins promptly at 9:45 a. m. No goals for attendance have been set. Each class in the church school will determine the goal for next Sunday's attendance. Come, won't you?

This is the season of the year that we look forward to a special Christmas program of fine music. Much practice and hard work is a necessity. We want a full choir each Wednesday night for practice. We have a good leader in Mrs. Bedford Caldwell and a faithful pianist in Mrs. Doris Wilson. We need you as a choir member each Wednesday evening. I know that we can count on you.

Methodist Men
Saturday morning of this week is the regular meeting time for the Methodist Men's breakfast at the church. Arrangements will be made by the officers of the organization for the cooks and program. Men! Make your plans to be present for a fine fellowship together Saturday at 6:00 a. m.

Make Sunday a day of worship for you and your family. Attend services at the church of your choice.

Mr. and Mrs. Loren West of Abernathy visited Tuesday of last week in the home of his sister and family, Mr. and Mrs. Billie Suderth.

Whites Return From Iowa Vacation

Mr. and Mrs. Odis White returned home Monday of last week from a two-weeks' vacation. They went to Chariton, Iowa, where they were guests in the home of Mr. and Mrs. Paul Lang, parents of their son's wife, Mrs. Bob Kelley. The local couple got their first look at their new grandson, Tim. They also drove to Minnesota and watched their son, Bob, play professional football with the Philadelphia Eagles against the Pittsburgh Steelers. They then returned to Chariton where they and Mr. and Mrs. Lang went to Colfax, Iowa to
