First Peanuts Of '49 Crop All Here At Support Price

Warm Weather To Harvesting

The 1949 season into Eastland county was rolling into the first week as perfect weather exped the harvesting of the record crop.

Johnston of Flatwood was the first truckload of peanuts to be shipped from Eastland Monday, and got a price for about \$3 a bushel for

Bob Vaught, the buyer, averaged about 20 bushels an acre on 35 acres he

of coarsoads of peanuts had shipped from Eastland to the plants Thursday as Frank Vaught and possibly other were loading the nuts out.

weather remained warm and perfect for harvesting Eastland County crop, and were losing no time turning the peanuts to dry.

ough the peanuts were good prices on the basis government support prices, it reported that peanut hay at the lowest price in many years was selling in the field at 35 cents per bale.

Van Hoy said that with these and other club fund-raising activities, it is hoped to raise enough money this year to pay off the entire club debt and create a fund for band purposes.

The club now owes about \$2200 for uniforms and \$300 for band instruments, but has about \$280 on hand.

Large sums already have been paid for instrument repairs.

ported that during the week farmers over Texas re-mostly government support for their peanuts, with No. 1 selling at 16 and a half pound.

are content of the new favorable, and the quality is better than a year was reported.

being paid were about as a year ago.

A reported that more stock peanuts were milled the past season than in any year on record.

total reached 2,020,000,000 the report said, with net to export and for crush-largest on record.

Bureau Drive Members Set

50 workers are expected part in the Eastland County Bureau membership drive in which it is hoped to 300 Farm Bureau members the county, President E. Howell said this week.

ounty drive will be part statewide enrollment week in which 10,000 volunteers are scheduled to seek new members.

groups have prospered organization," Blackwell, the past few years, farmers what organization can them, even when membership. Texas farmers are from experience that it business to be organized. Now that 1950 will hold erners? But they know that Bureau will be on guard tect their interests."

Red Toad Derby Licenses Given

who entered horned the first Old Rip Horned Derby this week received the poster board certifying to the fact they are members in the Eastland Rip Horned Toad Derby. Certificates of membership received by Horned Toad Chairman L. E. McGraw, and that the charter members of their status as could be more likely to with another entry fee in owner's derby.

certificates were distributed to H. J. Tanner, Eastland of Commerce manager.

Band Club Begins Concerted Drive To Pay Off Debt

A concerted drive to raise cash for paying off the entire debt of the Eastland Band Booster Club was decided on at a meeting of the club Tuesday night.

The club decided to take up the offer of Morton Valley people and use the Morton Valley gym one night a week for skating, with an admission charge to raise money.

The Morton Valley group had offered to let the club use the gym and the skates, for nothing except upkeep of the skates and payment of the utility bills.

Club President Aubrey Van Hoy said the first night of skating probably will be a week from the coming Monday, with skating on each Monday night after that.

The club also proposed to have a weekly bingo game to raise cash, but a definite decision on this was awaiting the finding of a suitable place that could be had for the entire school year.

Van Hoy said that with these and other club fund-raising activities, it is hoped to raise enough money this year to pay off the entire club debt and create a fund for band purposes.

The club now owes about \$2200 for uniforms and \$300 for band instruments, but has about \$280 on hand.

Large sums already have been paid for instrument repairs.

Cemetery Fees Placed In Effect

Fees for maintenance of lots at the Eastland Cemetery will go into effect Friday, City Manager I. C. Heck announced this week.

Heck had announced the policy of charging fees earlier, and said then they would be collected with water bills, as garbage collection fees are now.

However, he announced this week that this cannot be done. The cemetery fees may be paid with water bills if desired, he said.

Fees are 50 cents per month or \$6 per year for upkeep of full size 20 foot by 20 foot lot, and half that amount, for a half size or 10 foot by 20 foot lot, Heck said.

It was estimated that there are 3500 graves in the cemetery.

Heck asked those who own lots to contact the City Hall at once.

He said the fees paid will cover care of the lots only, and the city will continue to maintain the roadways, trees and shrubbery.

Baptists To Have Annual Pie Supper

The annual pie supper of the First Baptist Church will be held at 7:30 p. m. Wednesday of next week.

The supper was originally scheduled for Monday, but was postponed, said the pastor, Rev. L. M. Chapman.

The affair also will be the first meeting of the church in the new church year, and a program for the coming year's work will be discussed, said Mr. Chapman.

Sunday, the church will adopt a budget for the coming year.

J. U. Johnson Due To Return Home Soon

J. U. Johnson, who underwent an operation last week end in the Baird Hospital, was reported as getting along well Thursday.

Johnson, owner of the Eastland Bakery, was reported as needing a blood transfusion to regain his strength before returning home.

Mrs. Johnson, manager of the Mode O' Day Shop in Eastland, has been with Johnson in the hospital almost continuously since the operation.

She said doctors indicated her husband will be able to return home in a few days.

Side Issues

By HENRY G. VERMILLION

A. B. Cornelius, large and genial Texaco dealer in Eastland, is in the Graham Hospital in Cisco with a brain concussion received a few days ago in the most peculiar way.

A. B. was just starting to sit down in his living room, the way I heard it, when his 10-year-old son Albert snatched the chair from under him as a practical joke.

The joke backfired, however, as such things too often do, when A. B. lost his balance completely and banged his head against the sill of a nearby low window.

Result: Concussion. He was reported doing reasonably well.

Have received more compliments, I believe, on the column I wrote last week on the parking meter situation than on any similar piece of writing I have ever done in more than 20 years of writing for newspapers of various kinds.

Although I said in the column that I believed 80 percent or more of the merchants of Eastland now opposed the meters I didn't realize how many other people were strongly opposed to them also. I received a number of telephone calls and visits from those who wished to congratulate or thank me, and was stopped numerous times on the street. One woman and one man said they were for the meters, and didn't agree with the views of the others I have reported.

All this has rather overwhelmed me, since I started out largely in sympathy with the purpose of the meters, and in strong accord with the views of those who held that the meters were bound to come sooner or later, and it might as well be now.

But it has seemed to me during the past three weeks or so that a strong tide has risen against the meters and I think the city administration will be making a grave mistake if they do not recognize the fact that it has arisen.

You people out there who elect public officials would be surprised at the number of such officials who, upon getting elected, almost immediately begin to think they know far more about what is good for you than you do yourself, in the way of public policy.

As a reporter I have spent a lot of time around public officials, and you might be surprised how many I have heard in some version or other of this thought: "The people won't like this, but we'll do it first and then let them learn about it, and after awhile they'll get used to it."

My own idea is that every time this tactic is used, it weakens our system of democratic government, because to me the basic principle of our American way is the rule of the majority, and the respect of those in office for the people and their wishes.

Perhaps the foregoing does not apply too well to the parking meter. (Continued on page 8)

Dixieland To Resume Drilling At No. 1 Poe

Resumption of drilling at the J. T. Poe No. 1 oil test at Long Branch, west of Carbon, will be resumed at once, Mrs. Frances B. Stratton, president of the Dixieland Petroleum Corp. said this week.

Mrs. Stratton said that Smugler Mining Co., Ltd., a Nevada corporation which heretofore has been engaged only in mining activities, will be associated in deepening the test, which had been drilled to a depth of 1335 feet when the death of Jack Stratton, husband of Mrs. Stratton, halted activity more than a year ago.

Oney Drilling Company of Graham will drill the hole under contract. Mrs. Stratton said, with L. L. (Bill) Oney in charge of the drilling operations. Oney is a native of Eastland County and was reared in Gorman.

Mrs. O. H. Larner and son George of Lubbock are visiting in Eastland with Mrs. Larner's parents, Mr. and Mrs. A. J. Blevins, Sr.

Mavericks Favored Over De Leon In District Contest

The 1949 Eastland High School Mavericks, who have yet to score a point in a football game, should taste victory Friday night when they go to De Leon for a conference game with the equally point-less De Leon Bearcats.

Even Weeping Wendell Siebert, who had called the turn correctly on the Coleman and Albany losses by the Mavericks, believed his charges should win from De Leon, which has six or seven freshman starters and was kicked around rather sadly by Class B Rising Star and Cross Plains.

The Mavericks will entertain Graham's B team on Maverick Field Thursday night of next week. Graham is coached by John Little, former Eastland coach.

Siebert said the B team game was scheduled simply because at schedule making time no Class A team could be matched on any date Eastland had open.

Siebert said his only real fear in the De Leon game is over-confidence and he was not too afraid of that, because his charges on the whole seemed sharp and ready this week.

There was a question of whether 205-pound Tackle Bill Sikes, who was sorely missed in the Albany game, will be ready to go. He had an infected toe, and was out on the field this week, but did little work.

Otherwise the team seemed to be ready.

Larry Falls, letterman end who looked sharpest at ball carrying against Albany, will be used as a ball carrier against De Leon if he doesn't have to play in the line, as he did during most of the Albany contest.

Marion Thompson apparently clinched the quarterback spot in the Albany game, and is due to start there, with Doug King as an offensive halfback, Jim Spalding as another, and Roy Smith at fullback. The line will remain about the same.

Siebert this week praised the play of Lenard Quarles at center, Smith and Falls in the Albany game, but said the Albany team was just too strong for Eastland.

The Mavericks did run up nine first downs against Albany, as many as Albany got, but all the Mavericks' drives were contained by Albany, while it seemed that every few minutes an Albany back was breaking loose and running for a score.

The Lions actually did make a touchdown that didn't count because of a penalty.

Albany's touchdowns came on runs of one yard by Clovis Riley in the first quarter, 35 yards by Ronnie Macon in the second quarter, 13 yards by Riley in the third quarter, and 84 yards by Keith Witherspoon in the fourth quarter. It was Witherspoon's touchdown gallop that was called back.

The closest Eastland got to the Albany goal in the first half was the Albany 28, and a fumble ended that drive. In the second half, though, with Albany's second string in much of the time, the Mavericks twice drove to the Lions eight, and both times were held.

Roy Smith played the best game of his career, and showed real power on several ball-carrying attempts.

The Mavericks looked generally a lot improved over their first game efforts, but showed a fatal weakness on defense in the middle of the line, where Sikes had been playing on defense.

MACHINERY MOVED TO QUINN TEST

Jack Chamberlain Associates were moving in machinery this week for drilling their No. 1 Guy Quinn on a location about two miles east of Eastland.

The well will be a shallow test, Chamberlain said. He said spudding in will take place about Sunday if all goes well.

JONES FAMILY MOVES FROM GLADEWATER

Mr. and Mrs. Maurice Jones and two sons, Billy and Michael, of Gladewater, moved to Eastland this week and are living on New Street.

Mr. Jones is employed as parts man for the Lamb Motor Company.

Petitions Circulated Against Parking Meters In Eastland

County To Have Peanuts At Fair

Eastland County will have the only exhibit of growing peanuts at the Texas State Fair in Dallas this year, George Lane of Eastland said this week.

The booth will be part of the State Fair's greatest experiment in farm exhibits. This year the exhibits will feature growing plants, in as lifelike settings as possible.

Oct. 11 has been designated as Eastland County Peanut Day at the Fair, Lane said. He urged all who can to attend the fair that day and see the Eastland County booth.

On the following day, Lane said, or Oct. 12, more than 300 Texas farmers who have paid off their Farmers Home Administration tenant purchase loans more than 30 years before due will be awarded certificates of achievement at ceremonies in Fair Park Auditorium at the fair.

Lane said that of the 6,000 FHA loans made in Texas, nearly one-third already have been paid off, long before due date.

Dogies Defeated By Ranger, 7 To 6

Eastland Junior High School's football Dogies, after absorbing an unexpected 7-6 loss to the Ranger Bullpups Wednesday night, will take on another arch-rival at Maverick Field at 8 p. m. Tuesday when they meet the Cisco Junior High eleven.

The game, as usual with such contests, will rate a toss-up.

The Eastland-Ranger game was about as even as the score indicates, with each side making five first downs.

Ranger scored first on a 54-yard drive with Charles Massagee running over for the score from the Eastland 19 early in the second quarter. The point was made on a line plunge.

A recovered Ranger fumble in the third quarter lead to the Eastland touchdown. A couple of alert Eastland linemen fell on the fumble on the Ranger 15, and after Gil Gaeta had lost to the 28 on an attempted pass, Gerald Ables tucked the ball under his arm on the next play, took off around left end, and raced untouched for the score.

But Gaeta's plunge for point was short, and it lost Eastland the game.

Gaet's worth to the team was well demonstrated just before the half when he was taken out after getting a blade of grass in his windpipe. In four plays the Dogies made six yards, and then had a punt blocked.

But Gaeta coughed or sneezed out the bothersome blade of grass and played the entire second half at quarterback.

Both Ranger and Eastland teams Wednesday were studied with boys who appeared to be fine prospects for high school football players in another year or two.

Eastland starters were Gaeta, Ables, Jamie Jessop and Laverne Meroney in the backfield, and Eekey Jordan, Jimmy Jumper, Derald Harris, Gerald Harris, Alan Vermillion, Butch Harbin and Snag Hansen in the line.

Mrs. Chamberlain's Father Succumbs

Mr. and Mrs. Jack Chamberlain returned to Eastland last week after attending the funeral of Mrs. Chamberlain's father, James Thomas Roland, 88, who died Sept. 7 at Long Pine, Neb.

Survivors include the widow and nine children in addition to Mrs. Chamberlain.

Mr. and Mrs. Chamberlain were accompanied home by Mrs. Roland, who will visit with them for about a month, after which Mr. and Mrs. Chamberlain plan to accompany her to California.

Club To Sponsor Chili Supper And Games

The Band Booster's Club will sponsor a chili supper and game night Tuesday, Oct. 4 in the former Eastland Furniture Store building starting at 7 p. m.

Home made chili, pie, and coffee will be sold and "42" and bridge games will be played.

All proceeds will go to furnish busses for the transportation of the Eastland High School Band.

Mrs. L. D. Harris is general chairman for the entire program. Mrs. E. K. Henderson is chairman of the foods committee.

Mrs. Gayland Poe, assisted by Mesdames Joe Stephen and C. W. Hoffmann, will have charge of the bridge games, and Mesdames L. S. Young, Waverly Messengale, and Henry Van Geem are to have charge of the "42" games.

Everyone was urged to attend.

E.H.S. Band To Play At State Fair Oct. 19

Backers of the Eastland High School Band were searching for ways and means Thursday to take the band to Dallas Oct. 19 to perform at the fair on Texas Music Educators' Day, Wednesday, Oct. 19.

Nevertheless, the Maverick Band will go to the fair, and the trip has been underwritten by the Band Boosters Club. President Aubrey Van Hoy said Thursday afternoon.

The Eastland band is one of only 20 from Texas High Schools invited to play at the fair on Texas Music Educators' Day, Wednesday, Oct. 19.

Also to appear will be 20 school chorals organizations and five orchestras. All will take part in the "Marchiesta" in the Cotton Bowl that night, to be followed by the annual State Fair fireworks display.

Van Hoy said the Band Boosters Club was proud of the 55-piece band and of Director T. R. Atwood for the honor they have won for Eastland. The record is particularly outstanding when it is considered that Eastland had no band three years ago, he said.

The Maverick band will give a 25-minute concert of its own on the fair grounds some time during its day at the fair, and will take part in three numbers in the "Marchiest" massed band concert.

The local organization must be afforded transportation to and from Dallas and the noon meal, Van Hoy said. The State Fair Association will pay for the evening meal.

Atwood said invitations to play at the fair are based largely on ratings in contests of the previous year.

Hagaman Nominated As Stockmen Head

Leslie Hagaman of Ranger was nominated for president of the Eastland County Livestock Association at a meeting of the group in the Courthouse in Eastland Tuesday night.

A. Z. Myrick of Cisco was nominated for vice-president, C. M. McCain of Eastland for treasurer and County Agent J. M. Cooper of Eastland for secretary.

The group also completed plans for the annual meeting and barbecue in the Eastland City Park the night of Oct. 20 when the election of officers will be held.

METHODISTS AIM AT FULL CHURCH

The membership of the First Methodist Church is working this week toward the aim of filling the church sanctuary and balcony for the regular Sunday morning services which start at 10:50 a. m. This is a rally by the membership to promote attendance, said Rev. J. Morris Boiley, pastor.

Mrs. L. A. Parrish of Houston spent the week end visiting her parents, Mr. and Mrs. R. L. Jones of 519 South Walnut Street.

Signers Ask For Removal, Or For Citywide Election

A number of petitions calling on the City Commission to discontinue parking meters in Eastland, or at least to call an election on the meters, were being circulated this week.

A number of businessmen said the petitions were the outgrowth of sentiment against the meters that has grown largely since they were installed in Eastland.

Carl Johnson, always an outspoken opponent of the meters, said only two businessmen had failed to sign the petition he was taking around, and one of them said he didn't favor the meters, but didn't want to get involved in a controversy.

Ben Hammer, who had a petition also, said it was planned to circulate the petitions in the residential areas of Eastland also.

Word on the petitions is as follows:

"TO THE CITY COMMISSION OF EASTLAND, TEXAS

"We, Business men of the City of Eastland, Citizens of Eastland, Texas, Citizens of the trade territory of Eastland, Texas, and Citizens of Eastland County, Texas, hereby respectfully petition the City Commissioners of the City of Eastland, Texas to do that which is necessary, at this time, to discontinue the use of Parking Meters in the City of Eastland.

"We believe that Parking Meters have been used a sufficient length of time to conclusively prove that they do not serve the best interests of the City of Eastland, its entire citizenship and its entire trade territory and that they should be removed or discontinued at this time.

"If the City Commissioners do not feel that they should take active steps to remove or discontinue them at this time, then we respectfully request that the citizens of the City of Eastland be permitted to officially vote on the issue of whether they should be retained or discontinued.

"We respectfully request that early action be taken for the best interests of the merchants and citizens of the City of Eastland and its trade territory. We believe that the City Commission should take early action to remove or discontinue Parking Meters. BUT IF NOT THEN WE FEEL THAT THE PEOPLE SHOULD BE PERMITTED TO VOICE THEIR OPINION BY BEING PERMITTED TO VOTE ON THE ISSUE."

Funeral Service Held For Mrs. Weaver

Private funeral services were held Monday afternoon in the Hammer Funeral Home for Mrs. Joseph M. Weaver, who was found dead in bed Sunday morning by members of her family.

Mrs. Weaver, resident of Eastland since 1917 and wife of one of Eastland's most prominent oil men, had been ill for several months.

She was a member of the Christian Science Church, and Christian Science services were held before her burial in the Eastland Cemetery.

Survivors include her husband and three daughters, Mrs. Don Russell, Mrs. Wilson Owen and Mrs. John Latrobe.

Mrs. Weaver in the days of the oil boom and after had an active part in the social and civic activities of Eastland.

She and her husband came here from West Virginia.

DWAINE DENNISES PARENTS OF DAUGHTER

Mr. and Mrs. Dwaine Dennis of South Oklawm, Street are the parents of a daughter, Pamela Jeane, born Monday, Sept. 26, at the West Texas Clinic in Ranger.

Grandparents are Mr. and Mrs. Wayne White of Eastland and Mr. and Mrs. Joe Dennis of Ranger.

and Mrs. Curtis Blackwell Jackie and Mr. and Mrs. Earl Blackwell, Jr. and family spent day in Fort Worth.

and Mrs. S. E. Lumley were guests of Mr. and Mrs. Ben recently.

visitors Sunday in the Curtis Blackwell home were her parents, and Mrs. Herman Nerger, Mr. Mrs. O. E. Blackwell and family Mr. and Mrs. Earl Blackwell and family and Misses Donna Vinetta Blackwell of Ranger.

are glad to report that Mr. Strickler, with a walking cane, able to be on the streets at Saturday afternoon. His smile was good to see, and he talked to his many friends as he expressed his thanks for

all the cards and flowers and visits which helped cheer his stay in the Fort Worth hospital and while recuperating here at his home.

Mrs. Mattie Walton was returned to her home in Ranger last Wednesday following a six weeks stay in the John Sealey Hospital in Galveston. Her condition is considered very grave and no hope is given for her recovery.

Dee Rodgers was ill with a cold last week and many others in the community have had recent attacks

Mr. and Mrs. Bob Watson of Eastland were callers Sunday afternoon in the Sanford Lemley home. Mr. Watson is a retired mail carrier and Mrs. Watson will be remembered by the local old-

timers as Mattie Mansker.

Other visitors in the Lemley home were little Miss Joy Love, Mr. and Mrs. Bill Tucker and Billy, and Mr. and Mrs. Dick Gray of Gorman.

Mr. and Mrs. Joe Hudson and Mr. and Mrs. Sanford Lemley were shopping in Fort Worth Monday.

Mrs. John Love was in Waco Wednesday attending a Farm Bureau Training Institute for insurance agents for the organization.

Mr. and Mrs. Bill Simpson had as their guests Sunday, Mr. and Mrs. Joe Hudson.

Mr. and Mrs. Elwood Minchew of Breckenridge were visitors in the Julia Blackwell home Sunday. Another guest over the week end was Mrs. Barry of Fort Worth, who will be remembered as Ruth Davidson.

Mr. and Mrs. Arlon Merritt of Moran attended church services at Alameda Sunday and visited in the Idos Echol home.

The wienie and marshmallow roast at the Alameda school house Friday night was attended by 12 Salem Home Demonstration Club members and their families. Following the wienie roast, all gathered in the gym for the fun program. Adults and youngsters alike joined in the games which were arranged so that all might participate. Basket ball men versus the women was quite a contest.

—Yea, the reporter could tell just how many years since she had played basketball—and of course the men won.

The club plans a party of this kind once a month, on the fourth Friday night, and it will be for all in the community, so do plan to come.

Harvesting gets underway in this community today as John Shook called out a crew to pile 12 acres of peanuts near Ranger, which were planted early. Some farmers are planning to combine their crops when ready.

A tired but happy five, who returned Friday evening from the 3 day State T. H. D. A. meeting at Mineral Wells, were the three county delegates, Mrs. M. W. Grieger of Flatwood, Mrs. Cora Plumlee of the Word Club and Mrs. Emma Ferrell of Cheaney. Mrs. Bill Tucker of Salem and Mrs. John Love, driver of the car, were there as visitors.

Mrs. Clyde Bethany is visiting her son Pete Bethany and wife in Clifton Arizona. Another son, El Roy Bethany, who is on leave from the navy, will spend his leave time there.

News Items From CARBON

By SPECIAL CORRESPONDENT

Rev. Lively Brown of the Comanche East Circuit has been assigned to the Carbon Methodist Church and is expected to arrive with his family this week. They have two children.

Mrs. Austin Hollywood was honored with a pink and blue shower at the home of Mrs. E. F. Jackson Saturday afternoon. Many dainty gifts were received.

Mr. and Mrs. Maurice of Dallas visited his parents, Mr. and Mrs. S. S. Sherrill Sunday.

William Reagan of Cisco and Mrs. Harold Reagan of Washington, D. C. visited with Mr. and Mrs. Harry Hall Sunday.

The name of Calvin Gilbert was omitted from the list of Carbon students last week. He is attending N. T. S. T. C. at Denton.

Mrs. Lloyd Arnold was hostess at a pink and blue shower honoring Mrs. Abb Putnam Wednesday afternoon. Many dainty gifts were received and cake and punch were served the guests.

Visiting in the home of Mr. and Mrs. R. L. Huckabee over the week end were Dr. and Mrs. Shoemaker

of Ohio, Mr. and Mrs. Garland Loudermilk and Roberta of Stephenville, and Mrs. F. L. Crabtree and Frances Ross of Jennings, La.

Mr. and Mrs. Elmer Walker have returned from San Antonio where they visited their new granddaughter, Cynthia Dale, daughter of Mr. and Mrs. Wayne Walker.

Mrs. C. V. Ables visited her daughter, Mrs. J. B. Walker in Cisco Saturday.

Henry Hall visited his sister, Mrs. Myrtle Johns in Cisco Saturday.

Mrs. Fred Foley visited Mrs. Lucile Foley in Gorman hospital Thursday.

Mrs. Sam Fritt and children of Dublin visited her grand-parents Mr. and Mrs. John Phelps this week.

Lee Roy Craig, who has been hospitalized in Blackwell Hospital of injuries received at the rock crusher, is reported to be improving.

Guests of Mr. and Mrs. C. J. Williams last week were her aunt, Mrs. Frank Crabtree and her chauffeur, Frances Ross, who were

enroute to California.

Troy Foley of Abilene visited his mother, Mrs. Laura Foley last Friday.

Monty Walker of San Antonio is visiting his parents, Mr. and Mrs. Elmer Walker.

Mr. and Mrs. A. C. Underwood are spending the week end with their son, Gene Underwood in

Clifton, Arizona.

Mrs. George Clark spent the week end with her sister, Mrs. Walter Boyd in Cisco.

Mrs. H. M. Weston is visiting her daughter and family near Haskell.

Mr. and Mrs. T. E. Robertson and children spent the week end in Westover visiting her parents, Mr. and Mrs. W. W. Parker.

EXCITING
To be the talk of million people in Lone Star cities on Lone

DIFFERENT
The first of its kind than 10 other homes

ACT WILL HELP LOW-INCOME FARMER

This is the home of a purple heart veteran. He has a fairly good house with electricity but no outbuildings, and he needs additional acreage to make his farm pay. He can get the money for his buildings and land from the Farmers Home administration under terms of the new housing act. Interest will be small, term for repayment will be long.

(This is the first of two articles explaining the function of the Federal Home Administration.)

JOE JOHNSON, typical low-income farmer, frequently occupies a house that no amount of living in could make a home.

The latest census shows that about two and one-half to three million live in farm houses that don't meet standards of decent, safe, and sanitary living. Nearly half the inadequate houses are beyond repair. So the new housing act passed this summer will be a boon to thousands of families.

As soon as congress appropriates funds to start the program, here's how it will work: Johnson may go to his local county office of the Farmers Home administration and apply for a loan to build a new house.

His application must be approved by the county committee composed of three local farmers. To be eligible, he must be unable to get the credit he needs anywhere else to build or make housing improvements. If he meets the necessary requirements, he will get a loan which can be repaid in annual installments at 4 per cent interest over a period up to 33 years.

If Johnson had a house that could be repaired instead of replaced, he could apply for a housing improvement loan. By far the majority of loans are expected to be for repairs. In addition to fixing up his house, Johnson also needed repairs to his barn or shed, his loan can include money for these too.

Because most loans will be for repairs, they will average about \$2,200.

The program will take into account many kinds of farm family housing needs. For example, if Johnson lacked enough income to support his family, he could increase his earnings by buying 20 more acres or by clearing some acres on his farm, he could get a loan either to enlarge or develop his place.

If he were a tenant, he could not get one of the new loans, but his landlord could apply for the credit to build or repair the house or other farm structure, or to enlarge or develop the farm.

Still another possibility would occur if he were an owner but too poor to qualify for a farm housing loan. He could apply for a grant, not to exceed \$500, to make his house or other buildings safe and sanitary.

pearance and pleasing personality.

The waitresses of the hotels in Mineral Wells expressed their appreciation of the visiting women for not smoking and using ash trays.

A visiting world traveler, listening in on one session, commended the group on splendid attention.

Well conducted and well attended work shops in the five phases of T. H. D. A. work will be ably presented back in the home counties and clubs by the enthusiastic delegates.

Two counties presented a women's chorus of rural voices in several song numbers with fine renditions.

Meeting state officials and members of extension staffs, meeting old friends and making new ones are some of the anticipated pleasures, as well as enjoying the evenings of recreation, which always are a part of the T. H. D. A. program.

We can not think of a more laughable spectacle than the presentation of a "womanless wedding" by the Mineral Wells Lions Club for the visitors' entertainment, nor the following night's "masked parade," in which some 750 club members participated, with prizes offered in several events.

Certainly, one's memory is a storehouse of lasting impressions.

GRISHAM MOVES INTO TOWN

District Attorney and Mrs. N. E. Grisham and family have moved into Eastland from their farm home and are living at 209 East Valley Street.

Grisham said anyone wishing to contact him on official business at night can reach him by phoning 658.

Lions Club Hears Talk By Siebert

Members of the Eastland Lions Club Tuesday heard Eastland High School Coach Wendell Siebert in a short talk on his football team, its development to date and its future prospects.

Siebert said the team had improved considerably, despite its 26-0 loss to Albany last week. Albany just had an outstanding team, he said.

Lack of reserve strength is the greatest handicap the Mavericks face, Siebert explained in detail. He only has about 15 real football players, he said.

General Chairman Joe Collins of the club's fund-raising campaign said \$312 had been turned over to him from sales of tickets in the drive. Money will be used in the club's sight conservation program.

Mrs. Mealie Baker of Stephenville is visiting in Eastland in the home of Mr. and Mrs. H. E. Basham.

THE CORN TOP'S RIPE Off The Deep End

Knott A. Grain

"In a tense and hazardous descent 2,300 feet into the Pacific ocean in a five-foot steel ball, Otis Barton, a Boston engineer, set a record for deep-sea diving by an individual."

Some people will sink to any depths to establish some kind of a record. This was an altitude record in reverse.

Mr. Barton evidently is a person who likes to get below the surface of things.

The steel ball was equipped with its own air supply, lights, cameras, two observation windows and telephone. If it's in a rent-control area, we'll take it. That is, if the landlord will promise to send a man out to mow the fish.

Mr. Barton was in constant communication with the surface — didn't want to miss any of the "five-percenters" investigation.

The steel ball was lowered by a winch. He isn't the first man to be let down by a woman.

Mr. Barton was getting his oxygen from bottles within the ball. He may not have thought of it at the time, but if he established extended residence down there, his home would be a darned difficult stop for the milk man to make.

On the way down and back, he reported a continuous parade of small luminous marine creatures, variously resembling jellyfish, eels, squids, shrimp and worms. Well, we generally meet the craziest people too, when we travel. We've yet to meet a squid, but one time there was a couple of octopuses in the seat behind us.

One part of his report said "There's a luminous worm dancing a jig outside the window." Probably some drunk waiting for the elevator. Did he tap on the window and say "Roof garden, please?"

Mr. Barton said all signs of surface light vanished at the 1,000-foot level and it became so cold he was afraid of getting a cramp. Somebody should have warned him: he could be investigated for receiving a "deep freeze."

Plan Now

to give your portrait at Christmas time

It's a lasting gift that's genuinely appreciated. Let us arrange a sitting for you before the annual rush begins.

Read About ALL These Great Hotpoint Features!

New Hotpoint Automatic Washer With Swirlaway WATER ACTION

The WOND-R-DIAL It's Wonderful!

Fluid Drive

Fluid Drive Transmission—a wonderful Hotpoint feature that means quiet operation, fewer moving parts, less vibration, no bolting to floor.

Sediment Ejector

Specially constructed "trap" collects dirt solids and flushes them into drain tub. From drain tub they are pumped out of washer.

Spin Tub

Spins clothes "damp-dry" at rate of 625-650 revolutions per minute. The gleaming white enameled tub handles clothes gently.

Overflow Rinse

Scum, soap curds, dirt, are carried off at top of tub, then pumped out of drain with rinse water. Dirt cannot re-enter your clothes!

Thriftivator

Specially designed for the Hotpoint Automatic Washer. Thriftivator Washing Action assures better, cleaner, more thorough washing, rinsing.

OUTWASHES THEM ALL!

Packed with great new features, top-loading Hotpoint Automatic Washer gives you cleaner, whiter washes. You use less hot water—save soap—save clothes!

Only \$2.85 Per Week after low down payment!

SEE IT HERE!

The Plumbing Cost Can Be Added To The Easy Payment Plan

Wond-R-Dial

Controls The Temperature! The Wond-R-Dial lets you select your own water temperature, for whatever items you wish to wash. Select hot, warm, cold, or any water mixture you need or want!

Wond-R-Dial

Controls The Amount Of Water! The Wond-R-Dial permits you to select the correct amount of water for the size of your wash load. This saves precious hot water and enables you to do a small wash whenever you wish!

Wond-R-Dial

Controls The Time! With the Wond-R-Dial you "dial in" your own particular washing cycle, for however long or short a period of time you desire—this selection gives you shorter, more care-free wash days!

Wond-R-Dial

Gives You Washing Selectivity! Again the Wond-R-Dial! With it you can lengthen, shorten, repeat, skip, or stop any phase of the washing operation at any time—all at the simple touch of a finger!

Washes - Rinses Three Times

Spin Dries - Shuts Off Automatically

Billy Don Turner Has Party On Birthday

Billy Don Turner, son of Mr. and Mrs. E. J. Turner, celebrated his eighth birthday with a party given Tuesday afternoon by his mother in their home at 307 North Lamar Street.

Ice cream and cake were served to the guests and small books were given as favors.

Those attending were Charlotte Vaught, Carol Ann Henry, Julia Cornelius, Betty Walker, Sandy Taylor, Martha Freese, Patricia Ann Fullen, Gail Walters, Jane Howell, Clinton Ray Humphrey, Nicky Arther Gene Reagan, Jimmie Webb, Jerry Johnson, Tony Jordan, Don Massengale, and Trevette Vermillion.

Officers Elected By Susan Steele Class

The Susan Steele Bible Class of the First Methodist Church met Thursday afternoon for their regular monthly meeting.

An election of officers and teachers for the new year was held with the following elected: Mrs. Ina Bean, teacher; Mrs. R. C. Ferguson, assistant teacher; Mrs. R. L. Watson, president; Mrs. T. M. Johnson, vice president; Mrs. O. O. Mickle, secretary; Mrs. Maud Braly, assistant secretary; and Mrs. May Harrison, organist.

Mrs. J. H. Taylor gave the devotional. At noon a covered dish luncheon consisting of fried chicken with all the trimmings was served.

Mrs. H. E. Basham returned home Saturday from the Ranger General Hospital, where she underwent major surgery several weeks ago. She is reported doing nicely.

MUSIC CLUB TO HAVE MEETING

The Eastland Music Study Club will have its opening meeting of the season Wednesday, Oct. 5 in the Womens Club.

The meeting will begin at 7:30 p. m.

Mrs. Frost Hostess To Turner Circle

The Turner Circle of the W. S. C. S. of the First Methodist Church met Monday afternoon in the home of Mrs. Cyrus Frost, hostess, with Mesdames Roy Townsend, Fred Davenport, and Frank Day serving as co-hostesses.

Mrs. N. P. McCarney presided over the business session in the absence of Mrs. Turner. Mrs. Earl Bender and Mrs. Toncie Johnson were elected as leaders of the circle.

Refreshments were served by the hostesses.

Among those present not previously mentioned were Mesdames Milburn Long, John D. McRea, J. L. Cottingham, Ora B. Jones, George Cross, Cecil Collings, T. L. Fagg, R. E. Sikes, and a visitor, Mrs. LeBouf of Electra.

METHODIST RADIO REMINDER GIVEN

A reminder of the radio program, "The Methodist Hour," to be heard each Sunday at 7:30 a. m. for the next three months over Station WFAA, was given this week by the First Methodist Church of Eastland.

Bishop W. C. Martin of Dallas is the speaker on the program.

Two thirds of the U. S. Senate must concur to make a treaty valid.

Niagara Falls lies between Lake Ontario and Lake Erie.

Mrs. Clegg Honored In Memorial Service

A memorial service program, given in honor of Mrs. Margaret Clegg, life-long member of the Fifty Year Pioneer Club, was conducted at the club's regular meeting Tuesday in the home of Mrs. E. E. Wood.

Mrs. Ella Westbrook of Fort Worth, formerly of Eastland, was present for the meeting.

A covered dish luncheon was served at noon.

The next meeting is to be Oct. 25 in the home of Mrs. May Harrison at 213 South Daugherty Street.

Members present included Mesdames W. S. Barber, Ida Morris, Josie Jones, Anna Day, Sally Hill, Exer Hunt, Maud Braly, I. J. Killough, Ora B. Jones, Tonnie Johnson, Lizzie Bendy, Iona Sikes, Mattie Watson, E. E. Wood, Hanna Lindsey, Mrs. Westbrook, and Miss Sally Day.

Visitors were Mesdames Ruth Harris, Julia Wesson, and Mr. E. E. Wood.

Mrs. Doyle Installed As Sorority Officer

Mrs. Mattie Doyle was installed as extension officer for the Zeta Pi chapter of Beta Sigma Phi sorority at the regular meeting in the American Legion Club room Tuesday night.

Mrs. M. H. Perry presided for the business meeting.

An announcement was made of the International Night program to be given at 7 p. m. Tuesday, Oct. 4, at the Woman's Club, with Rev. J. B. Blunk, pastor of the First Christian Church, as guest speaker.

Mrs. Doyle presented the program on the theme of "Happiness."

Fifteen members were present.

METHODIST YOUNG PEOPLE WIN BANNER

The young people of the First Methodist Church of Eastland won the attendance banner for the second successive month at the Cisco District meeting held in Cisco Monday night.

The group will have their Oct. meeting at the First Methodist Church in Eastland.

Gleaners Class Installs Officers

Installation of new officers of the Gleaners Class of the First Baptist Church was conducted by Mrs. I. C. Inzer in a meeting held Thursday morning in the church.

Mrs. Aubrey Shafer was installed as president.

Other new officers are Mrs. B. K. Rhea, membership chairman, Mrs. Lewis Fagan, personal ministry chairman, Mrs. Bob Gilchrist, stewardship chairman, Mrs. E. H. Culbertson, fellowship chairman, and Mrs. E. L. Graham, class secretary.

Group captains are Mesdames Aubrey Dendy, E. L. Middleton, Raymond McCord, Clyde Horner, Frank Sayre and H. C. Westfall.

Following the installation program, refreshments were served by the hostesses, Mesdames Lewis Barber, Charlie Butler, and Bill Adams.

Three Are Hostesses At Theatre Party

Mrs. Pat Miller, assisted by Mesdames Robert Clinton and Glen Boyd, entertained members of the Beta Sigma Phi sorority with a theatre party Saturday evening.

Following the picture show, the group returned to Mrs. Miller's home, where they were served ice cream and cookies.

Members attending were Mesdames Mattie Doyle, J. T. Cooper, Milton Fullen, Eugene Hickman, Gayland Poe, Oscar Avera, Steve Potts, R. D. Estes, Bill Walters, M. H. Perry, Jimmy Harkrider, R. N. Whitehead, Mrs. Miller and Mrs. Clinton.

COURT MARTIAL . . . A navy court martial holds proceedings against Patrick James Ryan, accused of desertion (on stand). Ryan claims he missed his ship in San Remo, Italy, in 1918, made his way to Nice, France, where he was arrested by authorities who refused to believe he was American. He says he was "shanghaied" into the Foreign Legion for 15 months of service and was beaten, forced to lie under Sahara desert sun for 24 hours and made to kneel in a crowded broomstick. He was sentenced for unauthorized absence, but the desertion charge was dismissed.

FIVE RULES REDUCE RURAL FIRE LOSS

A destructive farm fire might have been brought under control if a sufficient water supply had been at hand. Many times firemen responding to an alarm can do nothing but watch homes and barns because water supplies are inadequate.

PRECAUTIONS taken during Fire Prevention Week, Oct. 9 to 15, will help prevent farm fires from developing into major losses, says the National Fire Underwriters.

1. Fires take 3,500 lives and destroy \$100,000,000 in property each year. To prevent farm fires, call your neighbors' attention to fire safety.

2. How to call fire department: Be sure that you know the fire department will respond to your farm. Write in for calling department near phone.

3. Extinguishers hung in places. Follow instructions regarding inspection and re-filling. Hang a card on each extinguisher listing types of fires on which it should be used.

4. Be sure water supply is sufficient.

5. To help your neighbors, do not try to use phone after you hear fire whistle. Often the telephone operator has the job of contacting volunteers. If you are on a party line and someone is trying to report a fire, hang up.

6. If you hear about a fire in your area, don't try to race the fire engine to the scene. Help out by filling all available milk cans with water, and then drive to the scene. The water can be used to fill the booster tanks of the fire trucks. At the fire do not park on the road, near buildings, or near any water supply source.

7. In many areas, companies operating large oil or milk tank trucks cooperate in bringing water to fire scenes. Volunteer fire companies in some areas have organized women's auxiliaries which help fire fighters by preparing refreshments and serving them in the fire area.

8. In LaPeer, Mich., a number of milk cans are kept at the fire station at all times, filled with water. After the fire truck responds to an alarm, the milk cans are loaded on a city truck, and driven to the fire. This means an additional 200 to 300 gallons of water, readily available. A sprinkler truck carrying 500 to 600 gallons is also used.

Chrysler New Yorker...

NEW YORKER 4-DOOR SEDAN

does more than you'll ask of any car

...Let the car prove it!

Try driving without shifting in the car with the simplest automatic transmission of all . . . the car that gives you complete control.

Wade through flood and storm that would stall any other car! You've first and only waterproof ignition system on any passenger car.

Look under the fenders and body, there's protective undercoating no other car gets at the factory. Look at the Safety Rim wheels . . . blowouts can't throw a tire under almost any normal driving.

See how common sense and imagination in engineering and research make you more comfortable. With chair-height seats. With beautiful interiors for full size people.

Telephone your nearby Chrysler dealer . . . he will bring the car to your door. In any body style, 4-door Sedan, Club Coupe, Convertible Coupe, the powerful 8-cylinder New Yorker will do more for you than you've asked of any other car.

Spend 15 minutes with

We live up to your Buick's promise!

FOR sure, at this time of year you want a full measure of real driving sport from your Buick—an eager answer to your toe on the gas treadle, softly obedient brakes, a willing wheel that steers for you without effort. Let's just say—you want the royal ride that only a Buick can give you!

All this you'll get, and more, if your Buick gets the care it deserves. Not just a peek here, a poke there—but real Buick care! Our kind of care!

You don't pay any more for Buick-experienced workmanship and know-how, or for our Buick-trained skills, or for the fact that every part, every adjustment and operation is just what the factory has specified.

Yet there's a thrilling difference in the way your Buick behaves under our careful care. Bring it to us next time you want lubrication, or an adjustment, or a thoroughgoing checkup—and give yourself a mighty pleasant surprise!

You get 2-for-1 with Lubricare

One of our biggest bargain-offers is Lubricare—complete, elaborately thorough lubrication plus a stem-to-stern checkup of your Buick and its general health. Pay us just for the lubricants it needs; the diagnosis is a service we're glad to give! How about driving in this week?

Mrs. Heflin Speaks For Presbyterians

Mrs. Earl Heflin, who recently returned from Japan where she lived for two years with her husband, M-Sgt. Heflin of the occupation forces, spoke at the First Presbyterian Church in Eastland Sunday morning.

Mrs. Heflin told of personal experiences in Japan, and of her impressions of the customs and practices of the Japanese people.

She taught English to some of the Japanese young people, and was instrumental in converting some to Christianity.

Mrs. Heflin was accompanied to Eastland by her father, R. A. Henderson, who now lives in Rising Star.

NOTICE
CEMETERY LOTS MAINTENANCE
Effective October 1, 1949 (beginning of the City's new Fiscal Year) there will be a monthly charge of 50c per lot (20'x20') and 25c per half lot (20'x10') for MAINTENANCE. This can be paid in advance or added to your monthly water bill.
It is impossible to tie in the cemetery lot owners with the water meter records, as originally figured. Therefore, we will request all cemetery lot owners who want the City to maintain their lots to get in touch with this office immediately, so your lot will be kept in the shape you desire. Let us make our Cemetery a BEAUTY SPOT of our FAIR CITY.
CITY OF EASTLAND

STURMS ARE PARENTS OF INFANT SON

Mr. and Mrs. Joe Paul Sturm of Breckenridge are parents of a son, Eddie Eugene, born Sept. 14. Mr. and Mrs. W. J. Graham and Mr. and Mrs. W. E. Tankersley are grandparents of the baby, and Mr. and Mrs. J. L. Funk and Mrs. A. L. Sturm are great-grandparents. Great-great grandmothers are Mrs. Mollie Fisher and Mrs. W. H. Hard.

SIDE ISSUES . . .

(Continued From Page One)
er case, but it has applied a lot of times to various situations in Eastland and Eastland County, and now at least I've gotten it off my chest.

My son Alan played in his first real football game with the Eastland Junior High team the other night against Ranger, and performed in a way that made me proud of him.

But after the game he said he was a bit puzzled by those who praised his playing, since he had been just doing what Coach Joe Williams had told him to do.

Also, he said, he didn't know whether he was doing all that very well, since the flow of the game around him was too swift and fluid for him to follow from his guard position.

People watching from the stand knew a lot more about the progress of the game than he did, Alan said.
And all this I recall from my own few football experiences as true. Most of you who have played football, especially if your experience was in the line, will recognize it also.

Congratulations of the first order are due the Eastland High School Band on the honor it won in being invited to the State Fair of Texas, and to Bandmaster T. R. Atwood for his work as teacher and conductor.
