25 cents

The Merkel Mail will be closed Friday for a wedding. Cable Cut Offs will be performed Friday, if you have not paid your cable you will need to do it by Thursday at 5:00 p.m.

Ray Pack & Halfbreed will again be featured at Fun Day

Fun Day is only 9 days away

Merkel's Third Annual Fun Day, set July 3rd at the Merkel City Park is just ten days away and so far, for the third straight year, Johnny Starbuck leads the way in ticket sales.

Money raised from those sales will go to purchase new playground equipment for the park. In the past two years, ticket sales funded the construction of the Reunion Shelter and bathrooms at the city park.

Fun Day will get started at 10 p.m. and will last at least until 10 p.m. Live Country and Western music will be presented throughout the day and Ray Pack will again serve as master of ceremonies.

There will be all types of food and drink

concessions and Bingo games will be conducted from Noon until 4 p.m. and then from 5 until 9 p.m. Those games will be conducted by the Merkel Emergency Medical Service, who is trying to raise money for a new facility to house the ambulances and related equipment.

Drawing for prizes, donated by local merchants will be held throughout the day and tickets for those drawings are still 25 cents each or 5 for \$1.

There are still some spaces left for arts-crafts-flea markets or whatever booths and those can be reserved by calling Marsha Sue Justice at 928-5017, Salinda Giesler and 928-5407 or the Merkel Chamber of Commerce at 928-5722.

Fun Day, one more time, Tom's chip, students do well...

by Cloy A. Richards
How many tickets have you purchased for the drawings at our third annual Fun Day?

Those quarters will go to purchase new playground equipment for the city park this year and it takes quite a few quarters to buy that equipment. City Manager J. A. Sadler told me Monday the equipment they are looking at is good, sturdy equipment that does not come cheap.

Don't tell me that noone has asked you yet. You may purchase the tickets at Starbuck's and Ben Franklin's. You may also purchase those tickets at Fun Day.

Some good ol' Country and Western music will be played all day, and half into the night for your entertainment and I am sure the food and goodies will be just as good as they always are.

Set aside at least part of July 3rd, or the whole day for that matter and make it to the City Park.

The Richards bunch had a great time in San Antonio this weekend attending the festivities for Matt and Tracy's wedding. Matt is my wife's brother and an occasional golf adversary of mine.

It was a beautiful wedding and about the only complaint I had was the sniffing of Melanie and my daughter, Kim, they of course cried from start to finish-never could undersand that.

This weekend, I guess there will be tears from those two as we head to College Station for Glenn and Suzies wedding and the Richards-Ray family reunion. The clan is coming in from South Dakota, Arkansas and Oklahoma, as well as all parts of the Lone Star State and it should be a dandy. I still maintain I hope Suzy knows what she is doing and that Glenn could not ask for a better deal than he is getting. (I wonder, now that he is about to be married if I can start spelling his name with a capital G)

I'll be honest, I was a little upset when Tom Watson chipped in on 17 at Pebble Beach to knock

out my beloved Jack at the U. S. Open.

But my, o' my, what a shot. Watson said afterwards he had told his caddy he was going to knock it in and during his victory dance on 17, he pointed at him and said I told ya so. I know Watson will never forget that shot as well as anyone else that happened to be watching Sunday afternoon.

We were spared the violent weather of the weekend that hit in Colorado City and Coleman. Crops in those areas took quite a beating and when the farmers are taking a beating on crop prices, that just doesn't seem right.

The Mail has an article this week about results from the Texas Assessment of Basic Skills Test (TABS) that may make for some pretty dry reading, but hidden between the lines is one fact. Each year, MISD students have improved on the tests.

Those of you that have past due City of Merkel water bills, had best make plans to take care of them, or find yourself without water.

Council published a notice in last week's Mail that said late bills will be marked final notice and if the bill is not paid, or proper arrangements to pay the bill are not made, service will be discontinued.

Twenty-eight thousand dollars is too much money to be carrying in the past due column.

Congratulations are in order for Steve and Robbie Freeman, who tied the proverbial knots in ceremonies here Saturday.

Sieve and Robbie are good people and Robbie will make a good addition to MISD's staff this year. I hear the weather broke just in time Saturday for them to have their outdoor ceremony at the Freeman home and that it was a grand affair. Even ol' Bradley made it from Oklahoma City.

Results from TABS tests told, MISD students fare well

The following is a detailed account of MISD students performances on the Texas Assessment of Basic Skills (TABS) tests given in February to MISD third, fifth and ninth grade students. The tests are designed as a tool to inform MISD

where emphasis needs to be placed to upgrade current performance levels.

The students were tested in mathematics, reading and writing and the results were broken down campus by campus.

"CHARLIE BAKER OF MERKEL, TEXAS
LOST 15 LBS. IN 14 DAYS !!!"

After consulting with a well-known Doctor in
Sweetwater, Texas and hearing that being
overweight by 15 lbs. was like carrying a
bowling ball with you all day, I decided to do
something about it.

On March 25, 1982 I weighed 190 lbs. Using a
diet recommended by the Doctor I lost 15 lbs.
in 14 days. I was able to reach my desired
weight on April 8, 1982. Being an Insurance
Executive, I do not have the time for a
vigorous exercise program, and on this diet
there is no required exercise. I am so excited
about losing this amount of weight in such a
short time that I would like to provide
everyone in the Merkel and surrounding areas
the same opportunity.

For a free consultation please call Charlie or
Marilyn Baker at 928-5528. We have a recorder
on our phone in the event we are not home.
Please leave your name and phone number
and we will get back with you as soon as
possible.
