## Bull Town Bulletins

By Bill Ellis

THE CURRENT "LION" Magazine contains an interesting article, tracing the development of computers, particularly home computers. It points out that in 1976, two college drop-outs, Steve Wozniak and Steve Jobs, sold a beat-up Volkswagen van and a calculator.

With \$1,500 in research capital, they set up shop in a garage and developed an idea into a new product. Their invention was the first low-priced home computer. The couple went on to found Apple Computer Corporation, which today is one of several companies in the booming new industry.

Home computers were once limited to primitive games played on television screens, but now have evolved into economical ways of solving problems and retrieving information. Compact units the size of a portable TV set and electric typewriter can now accomplish what once could be done only by giant computers which filled entire rooms.

The development of the computer industry is illustrated by a statement by James Finke, president of Commodore International, Inc., one of the computer producers: "From the beginning of time through 1980 there were approximately one million computer systems. During calendar year 1982, Commodore itself will produce that many."

The field is becoming highly competitive. Besides Apple and Commodore, other computer manufacturers are Atari, Texas Instruments, Tandy, APF and Mattel, just to name a few. And in 1981, two other corporate giants entered the field—Xerox Corporation and International Business Machines (IBM).

It is predicted that those companies will survive who are able to continue to build better and smaller computers at lower prices. This phenomenon is said to be unique to the electronics industry.

One writer said "Had the automobile developed at a pace equivalent to the computer during the past 20 years, today a Rolls Royce would cost less than \$3, get three million miles to the gallon and deliver enough power to drive the Queen Elizabeth II."

Some of the possible uses for computers in the home include storing all family financial information (that would be handy about this time every year), balancing bank accounts, monitoring credit card purchases, computing income taxes and setting up budgets.

With the proper equipment, a computer could also adjust heating and cooling systems, teach foreign languages and music, and retrieve information from large central computer banks.

Microprocessor silicon "chips," about half the size of a fingernail are responsible for the incredible memory capacity of the new generation of computers. Since the first integrated circuits were introduced in 1960, the number of elements that can be built into a single chip has doubled each year.

Today, there are 100,000 transistors encompassed into one chip. Transistors less than 1/30th the width of a human hair now can store information, and perform computing jobs.

Dean Gillette, a scientist at Bell Laboratories says "Today \$10 microprocessors can be built with the computing power of machines that cost \$100,000 two decades ago. We believe the doubling of densities can continue through the 1980s, and one million active elements per chip will be possible."

So, if you are interested in a computer for your home or small business, just hang in there. The industry is bound to have one suited to your needs, and at a price you can afford in the near future.

## Band To Play In UIL Event

The members of the Bovina Mustang Band will be in UIL concert and sight-reading competition Thursday, April 8, in the Dimmitt High School auditorium, as they will be playing their concert selections beginning at 11:30 a.m. and continue with their sight-reading piece at 12 noon.

The concert numbers include "Salutation March," by Seitz/Yoder, "Toccato for Band" by Frank Erickson, and "Lethbridge Overture" by James D. Ployhar.

This contest is one of the three the band is involved in during the course of the year, and the Bovina band is directed by Tom Karvonen.

There is no charge for the contest and the community is urged to go to Dimmitt to support these high school musicians as they compete for Bovina.

## School Sets Easter Break

Bovina schools announced Monday that school would be dismissed early Thursday in observance of Easter.

Buses will run at 2:30 p.m. when school is dismissed and there will be no school Friday, April 9 or Monday, April 12 but classes will resume on Tuesday, April 13 at their regularly scheduled time.

JUST IN TIME FOR SPRING....Shown are two cuties who are both looking forward to Easter this year. Richard Beauchamp, son of Mr. and Mrs. Garry Beauchamp, and his pal, new born Toggenburg, belonging to Tony and Dottie Neal, seem to be getting along fine. With Easter this Sunday, and spring on the way, all things seem to take on a new lustre and glow...that is, if the sand will quit blowing long enough! Anyway, Happy Easter from everyone at the Blade!

# McCain Brothers Make It Big In OKC

By JANET WILKE

Ben and Butch McCain, undoubtedly, made their mark on the TV viewers in Oklahoma as they were the subject of a feature in the Oklahoma City Times newspaper recently.

The article entitled, "Hi Y' All! I'm Ben, I'm Butch" by Joe Angus, outlined the brothers' past, from their start in Bovina to their

## Lions To Have Sale

The Bovina Lions are sweeping the town Wednesday, April 14 during the Bovina Lion's Club annual broom and mop sale.

The Bovina Lion's Club will be selling brooms, mops, brushes, ironing board covers, towels, dish cloths and many other top quality household items. All manufactured by Texas blind workmen in Texas Lighthouse.

All proceeds will be used to buy eyeglasses for needy children. The caravan truck will be located at Bovina Supermarket. Homes and businesses will be canvassed.

The Bovina Lion's Club will also be sponsoring an Easter Egg Hunt this Sunday in C.E. Trimble's pasture at 2 p.m. All community children are invited.

successful careers in TV in Oklahoma.

Being possibly the only brother news team in the entire southwest, and maybe even in the United States, the McCains have been involved in television newscasting since their early days in college, when they both worked at the college radio stations.

Their success brought them into television, when Ben, the older brother, was hired by KTVY in Oklahoma City two years ago. Then brother Butch, after finishing college, needed a job and it just so happened that Channel 4 in Oklahoma City was looking for a weather man, and Butch got the job.

Angus' article stated that both McCain boys have a rather hectic schedule, with Butch getting up each morning as early as 4 a.m. and Ben rising an hour later at 5 a.m. in order to get on with the day's business.

However, for the Bovina brothers, life is not all work and no play, as they often times accept an offer to entertain and make other personal appearances. The pair are managed by Robbie Robertson, a sportscaster for Channel 4, who might, states Angus, have been one of the McCain's "long, lost cousins."

To add to their already long list of accomplishments, the brothers McCain were asked to be the guest emcees for the Miss Altus, Oklahoma pageant the past weekend.

Attending the pageant from Bovina were the boys' mother, Mrs. Rose McCain, and Mrs. Doris Wilson, who was the McCains' piano and vocal teacher for so many years here.

They were on hand when Shena Cooper, a 25 year old basketball coach was named 1982 Miss Altus.

Special dignitaries who were also on hand included the current Miss America, Elizabeth Ward, formerly Miss Arkansas, who turned 21 during the course of the Miss Altus pageant, to which the crowd sang "Happy Birthday."

Miss America was also hosted to a song by the McCain brothers, "There's Only One You," and it was obvious by the pictures in the Altus, Oklahoma paper that she was charmed.

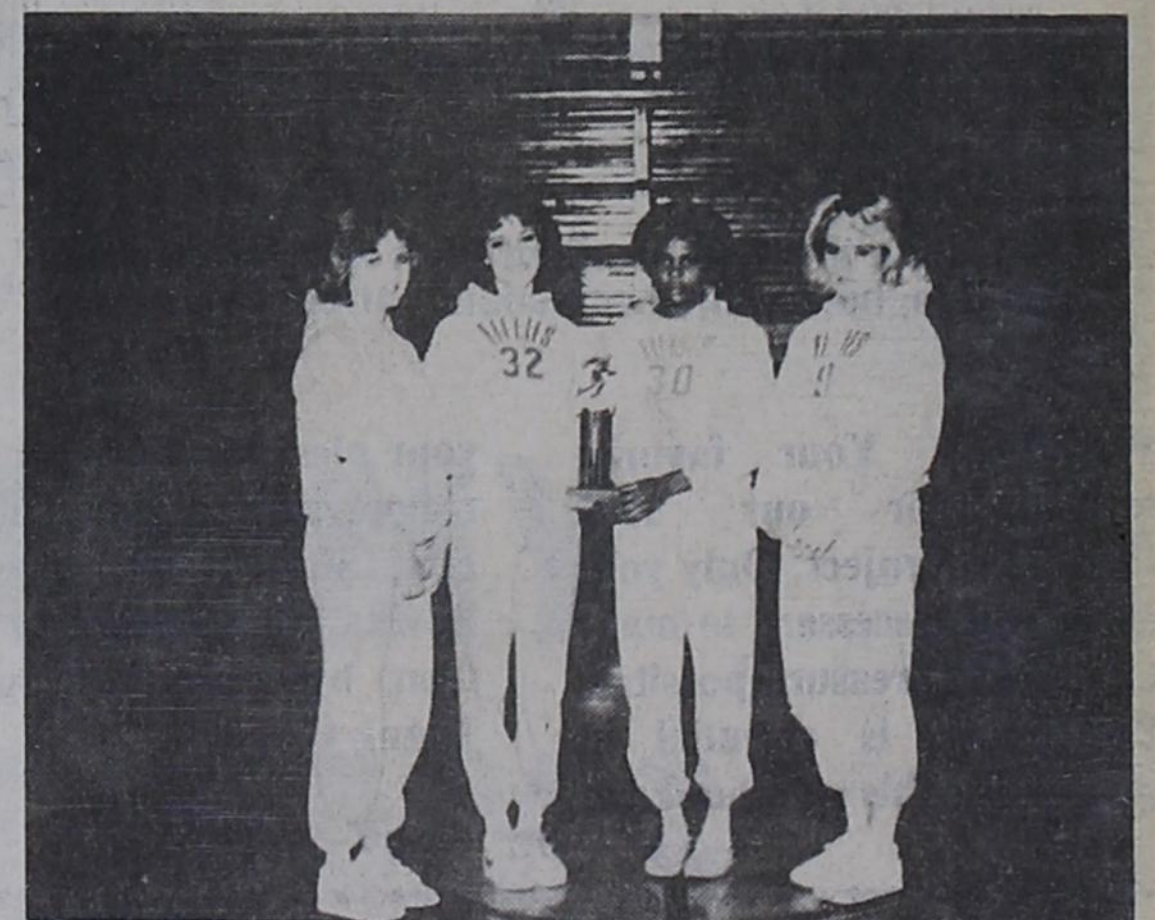

Following the pageant, the McCain boys and Miss America and her parents all went to an after-pageant dinner.

The trip was an experience for Mrs. Wilson who said, afterwards, she was able to talk to Miss America as well as take part in some of the festivities in which Ben and Butch were involved.

One of the top judges for the pageant said the McCain brothers were ranked number one in broadcast TV in Oklahoma.

But, according to many in Bovina, this is no secret, as the talented

McCains have been a long time local favorite for years.

REGIONAL BOUND....Shown are Bovina High School girls who participated in the 800 meter relay and finished first with a time of 1:53.92 in the district track meet. They will advance to regional in Odessa. Shown, left to right are, Rande Cupit, Sonya Mayfield, Lisa Shepherd and Susan Fancher. This group will also compete in the 400 meter relay.

## Santa Fe Hearings Are Slated

The Railroad Commission has scheduled a public hearing in Amarillo on the application of the Atchison, Topeka, and Santa Fe Railway Co. to close its agency stations in 12 cities.

Santa Fe proposes to discontinue its agencies in Happy, Tulia, BOVINA, Canadian, Dumas, Etter, FRIONA, Hereford, Kings Mill, Pampa, Panhandle and Stratford. The railway plans to serve Happy and Tulia through a regional agency in Plainview, and the other towns through a similar facility in Amarillo.

Santa Fe also wants to dismantle the depot buildings in Happy, BOVINA, Etter, FRIONA, Kings Mill, Panhandle and Stratford.

The hearings will begin at 9 a.m. on April 26 in Amarillo at the Hilton Hotel, I-40 East at Lakeside Drive.

Before a railroad company can close its agency station in a particular town, it must show that the public convenience and necessity will not be adversely affected by transfer of the agency's functions to another location.

## Bond Issue Passes Big

By JANET WILKE

With approximately 68 per cent of the registered voters in Bovina turning out for the elections, the water bond improvement issue passed with a resounding win, 266 voting for the issue and 22 voting against.

The voters will now see their water project improvements, which will amount to \$210,000 begin to materialize.

In the city races, Dale Gober will take over the reigns of Bovina as mayor as he was the winner in the mayor's race by an 18-vote margin, 151 to Owen Patton's 133.

Aldermen Garry Beauchamp, Joe Jones and B.J. Charles ran in uncontested races for the aldermen's race, and they received the following votes: Charles, 233; Beauchamp, 217; and Jones, 217. There were a few votes cast as write-ins.

In the school board elections, in which there were six men running for two places, Don Teague and Steve Sherrill were the front-runners in the election, as Teague made it on the board with 149 votes, and Sherrill received 162 votes.

Others in the board race included Billy Lynn Marshall, Jr. with 100 votes, Larry Hodnett with 89, Lowell Boozier with 68 and Wayne McClaran with 62.

# Blade's Edge

Commentary From The Editor

By Janet Wilke

The votes are in and counted, and Bovina has elected a new mayor and two or three new city aldermen, in addition to two new school board members.

Congratulations to all the new electees, and I hope and pray that each of you will carry on the responsibilities of your offices with much concern and dedication, for the decision you make will affect many people.

Dale Gober will take over the reigns of the city of Bovina as mayor and Garry Beauchamp, Joe Jones and Billy J. Charles will be seated as the aldermen as a result of the election.

In the school board race, Don Teague and Steve Sherrill will assume the tasks of setting the trend of education in Bovina for the next few years.

None of these elected officials have an easy task before them. They are all faced with the ever-increasing issues of inflation, higher taxes and lower budgets.

So, we ask each of you, as citizens of Bovina, and supporters of Bovina schools, to appreciate these gentlemen for the duties they have to contend with...theirs is not an easy task by any means.

And, instead of criticizing them, give them your support, belief, and concern. They deserve it, and no one wins when only complaints are passed out.

Bovina showed by passing the water improvement bond, that it believed there was a real and necessary need for improvements for the water situation.

I can tell you, first hand, that I know that all of the city officials were genuinely worried about the situation, and many expressed these sentiments personally to me.

I feel that the Blade did its job in informing each of you of the gravity of this situation, and I want to personally express to you the fact that at no time did we ever mean to scare anyone into voting one way or another.

However, I will say that we believed that the passage of the bond issue was regarded to be in Bovina's best interest, and I still feel that way.

I am also sure that if there had been any way the city officials could have corrected the water problem for a lesser amount of money, and by any other means than the one they pursued, I feel quite sure that they would have gone the alternative route.

I also feel sure that if the city can possibly get through the drilling, and purchase of the new well, etc. for less money than the \$210,000, I know they will make every effort to do so.

After all, the city aldermen, the mayor, and city manager also are taxpayers and just as you, they want as low a water rate as they can get.

# Flyin' Fillies Take Third In District Competition

Bovina's Flyin' Fillies took third place in the 3-AA district track contest which was held Saturday, April 3 in Farwell.

Bovina was placed behind Kress and Vega, and gained a third place title with 74 total points.

Bovina High School had many competitors who will be advancing on to the regional contests at Odessa, April 23-24.

Among those include the Bovina High School girls' 800 meter relay teams of Rande Cupit, a sophomore, Sonya Mayfield, a freshman, Lisa Shepherd, a junior, and Susan Fancher, also a junior. This team won the 800 meter event with a time of 1:53.92.

Bovina's mile relay team also placed first in that event with a time of 4:29.03, and the team consisted of Rande Cupit, Stacey Whitecotton, a sophomore, Sonya Mayfield, and Gail Turner, a sophomore.

The 400 meter relay team will also advance to regional although they placed second. Their time was 53.66 and the team members are Rande Cupit, Sonya Mayfield, Lisa Shepherd and Susan Fancher.

In individual events, senior Connie Shelby won herself a second place medal in the shot put as she heaved the shot a distance of 36 feet, 2 1/4 inches, which topped her all time best effort by two feet.

In the 400 meter dash, Gail Turner placed second and will advance on to Odessa, and Gail's time was 66.17.

Others who finished high in the district contest but who will not be qualifying for regional include Lisa Shepherd in the triple jump, as she jumped 31 feet, 6 3/4 inches for a third place finish.

Also Casey Riddle was a sixth place finisher in the discus with a throw of 71 feet, 3 1/2 inches.

In the 800 meter run, freshman Shana Gober came in third for Bovina with a time of 3:47.03, and Lisa Schilling was a fifth place finisher with a time of 2:55.69.

Lisa Shepherd finished third and Susan Fancher finished sixth in the 100 meter dash. Shepherd's time was 13.37 and Fancher's was 13.61.

At Odessa the schedule of events beginning Friday (the preliminaries) will include the 400 meter relay beginning at 3 p.m. April 23, followed by the 800 meter relay at 4 p.m., the 400 meter dash at 4:15 p.m. and the 1600 meter relay at 5 p.m. All at the Odessa High School track.

The finals of the shot put will also be held Friday, April 23 at 2:30 p.m. at the Olton High School field.

For those qualifying in the prelims, and advancing to the second round, there will be the following rules:

To qualify in individual events the winners will be the first four finishers.

In the relays, there will be two heats, and the first four winners in each heat will advance to the finals.

Finals will be held Saturday at OHS field and they will be as follows:

400 meter relay: 1:30 p.m.,

Saturday, April 24.

800 meter relay: 2:30 p.m. Saturday.

400 meter dash: 2:45 p.m. Saturday and 1600 meter relay: 3:30 p.m. Saturday.

For those in Bovina who won't be attending the regional contest but would like to send cards, flowers, or telegrams to boost the spirit of the Fillies who will be in competition, the team will be staying at the Villa Holiday Inn, in Midland, Texas. Cards, letters, and telegrams should be addressed to the Bovina Girls Track Team, c/o Coach Paul Topliff.

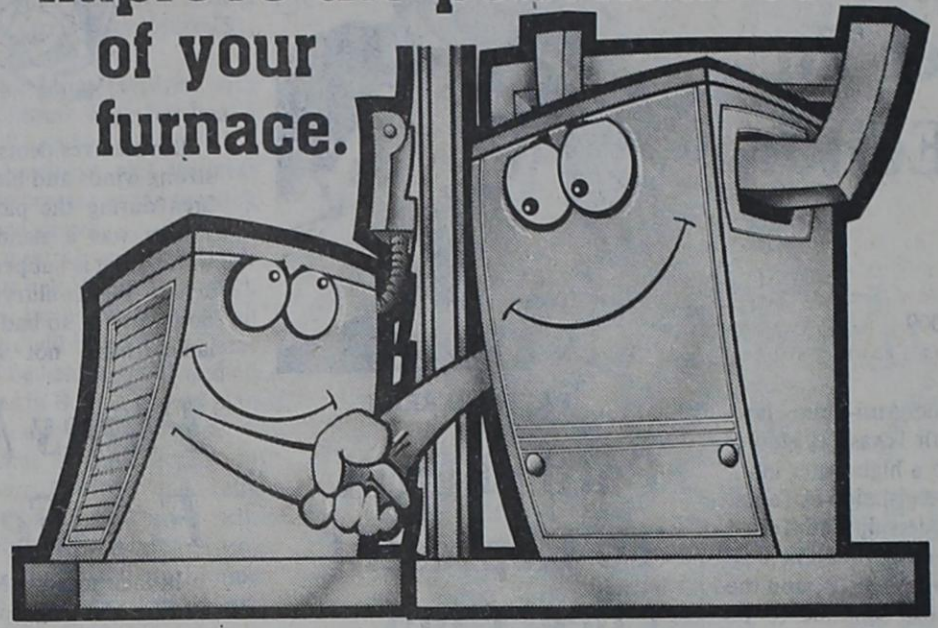

The Fillies have had a strong track program since they won State in 1978, and according to Coach Topliff, the team this year has seen a lot of progress, and within a few years' time, should be the main district contender.

The Bovina girls will leave town Thursday, April 22 and return from their trip to regional Saturday, April 24 after the meet is over.

An air conditioner can improve the performance of your furnace.

## An air conditioner?

A very special air conditioner called the add-on heat pump. It cools in summer and heats in winter. And it works with whatever kind of furnace you have.

The add-on heat pump will improve the performance of your furnace by keeping it off completely during a good portion of the winter. The add-on heat pump can satisfy your home's heating requirements more economically when temperatures are above 30° or so. That's about 80% of our area's normal heating season.

Then, when summer comes, the heat pump becomes a cool pump, efficiently air conditioning the home. So, when you're in the market for air conditioning, look into the add-on heat pump.

## Letter To The Editor

Mr. Bill Ellis  
 Publisher  
 Bovina Blade  
 Drawer B  
 Bovina, Texas 79009

Dear Mr. Ellis:

The Anti-Crime/Anti-Drug laws enacted by the 67th Texas Legislature clearly established a high water mark for law and order legislation in Texas.

Texas' state leadership and Texas' citizens must not be complacent with this victory under their belts, and the war on crime must continue to be waged. Therefore, in September of last year, I sent a letter to Texas' criminal justice community urging them to identify areas of the criminal justice system which could be effectively corrected and addressed through legislation as part of my 1983 Anti-Crime Program. Their strong response was to toughen our laws on "driving-while-intoxicated."

At the very forefront of my 1983 Anti-Crime Program will be legislation imposing tougher penalties for those convicted of the DWI offense. Nationwide, drunk drivers each year take thousands of lives and, in 1980, it was estimated that nearly one-half of Texas' traffic fatalities were alcohol-related. These statistics, coupled with the staggering property losses each year from DWI, clearly indicate that tougher laws are needed to make our streets and highways safer.

In December, 1981, I created a Task Force on Traffic Safety to study Texas' DWI-related traffic fatality problem and make recommendations on legislative actions to be taken to address this issue. In addition, I am pleased to announce that I endorse the goals of MADD (Mothers Against Drunk Drivers), and my office is working with the Texas MADD Chapters to develop and fine tune necessary legislative solutions to Texas' DWI problem. When specific legislative proposals have been developed, they will be sent to you.

I am firmly committed to ensuring that tougher DWI laws are enacted in Texas in 1983, but a successful attack on the drunk driving problem demands action by all Texans. I ask that you join with me in making the citizens of Texas aware of the magnitude of this problem and the need for strong DWI legislation and strict enforcement of DWI laws. Texas' highways are no place for drunk drivers, and we must do all we can to get them off the roads.

Sincerely,  
 Bill Clements  
 Governor

## Patti Sherrill To Represent Local Club

Patti Sherrill, 16, daughter of J.E. and Pat Sherrill, will represent the Bovina Lion's Club in District 2 T-1 competition in the annual Lion's Club queen contest, which will be held in Dalhart April 17-18.

Miss Sherrill is a junior at Bovina High School and is active in many areas of school including band, the National Honor Society, and is editor of the school annual.

She will be in competition with some 20 other area high school girls for the District Queen title, which will be presented Sunday, April 18 in the Dalhart High School auditorium.

The queen's contest judging will begin at 2:30 p.m. April 18, and the contestants will be judged in three categories: in a dance routine, wearing blue jeans, a long sleeved white shirt or blouse, and white socks; area two, casual wear, and area three: formal wear.

The queen's contest will be the culmination of a variety of activities which will begin for the contestants Saturday, April 17 at 10 a.m.

Good luck to Patti at the District contest.

FRIDAY--Tuna sandwiches, pork and beans, carrot sticks, plum cobbler, potato chips and milk.

Bovina residents have endured strong winds and blowing dust in our area during the past week and last Friday was a dandy but when we watch what is happening weather wise across the country, we realize we don't have it so bad after all...If you ladies have not enrolled in the

## Plans Made For Fete

In their meeting Monday night, the Bovina Mustang Boosters elected new officers and also made plans for the annual Athletic Banquet, which is set for May 14.

In the officer elections, the new president is Wayne McClaran, vice president is Mac Glasscock, secretary is Sandra Clayton and treasurer is Paula Whitecotton.

Plans being finalized for the banquet include the following committee which were appointed Monday night:

Food, Paula Whitecotton; decorations, Becky Topliff; publicity, Sue McClaran; set up, Elaine Glasscock; programs, Sandra Clayton; serving, Brenda Riddle; tickets, Barbara Lowe and clean up, Isabell Gilbreath.

The athletic banquet will be at 7:30 p.m. May 14.

## Three Students Place In UIL Literary Meet

Catherine Koelzer, Andy Alexander and Mark Clayton all placed high in UIL Literary competition in Canyon last week, according to their sponsor, Mrs. Karen Renner.

Miss Koelzer was the district winning news writer in journalism, as she carried away the first place honors. Alexander placed in two events, as he garnered a third place in the journalism headline writing and then came back to place third, along with Mark Clayton, in debate.

Bovina's One-Act Play cast, who swept the district honors, was named alternate in the area contest in Canyon last week.

Others placing well for Bovina were Wendy Sherrill, fourth in ready writing; Bret Whitten, fourth in editorials; Karl Willard, sixth in editorials; Kathy Moore, fourth in typewriting; Beverly Barrett, fifth in typewriting; and Bobby Robledo, fifth in informative speaking.

McCain of Fieldton...we congratulate these young men on their advancing careers and understand Oklahoma is very proud of the boys as we are...Ben and Butch now have a morning show on KTVY Channel 4 in Oklahoma City...We are not able to get them on our TVs but I know one day we will be able to see them because you can bet your hat, these boys are headed for national television...Many of you have asked when Shugart's Studio will be in Bovina...the date has been set for May 10, so mark your calendar...

## NEWS AROUND TOWN...

Kelly, daughter of Donna and Larry Mitchell was hospitalized Sunday in Muleshoe suffering from double pneumonia. Kelly's grandmother, Martha Garner, was telling me if her condition continued to improve she would be leaving the hospital at the end of the week.

Susan Kerby was hospitalized in Muleshoe last week suffering with a stomach virus. She entered the hospital on Monday and got out Friday. She spent a couple of days with her mother before returning home.

We want to remind you about the Kirkpatrick's style show sponsored by the Woman's Study Club which will be held Thursday of this week at the Methodist Church with Norma Whitten narrating. The show will feature Easter attire and the latest spring fashions.

Ginger Bowman is in Bovina

visiting her parents, Jim and Anita Guest. Ginger's husband Robert works for a company that is employed by several governments. Right now they are working to build dams on the Sinai Desert. Robert is one of the many who maintains the equipment. Ginger said she would be with her parents for about three months, before joining her husband providing everything works out.

We received a release from the Country Squire Dinner Theatre in Amarillo and they tell us spotlights this spring at the Theatre will be on the all-family favorite musical "South Pacific."

Von and Opal Bowen had a house full of company visiting Sunday. Their great niece and her family, Glenda Kay and Stan Letcher and sons, Scott, Adam and Jamin of Pennsylvania; other relatives, Glenn and Kay Kelly and sons James and John of Pleasant Hill; great nephew Richard Kelly and his friend Leslie Elliott and her daughter Brandy, and Dub and Regina Bratcher of Lubbock.

Glenda Kay is the daughter of Glenn and Kay Kelly of Pleasant Hill. The Letchers live in Pennsylvania and Stan works in New York City for the FBI. They plan to stay about two weeks before returning home.

We understand about 75 people attended the community luncheon last Saturday sponsored by the First Baptist Church. Reports are that the food was delicious and a good fellowship was enjoyed by all who attended.

Freda and Buck Lloyd enjoyed weekend company: Freda's sister and brother-in-law, Lou and Kyle Taylor of Chadron, Nebraska. They came last Friday and left Tuesday of this week. Also visiting the Lloyd's were their daughter Penny Lawlis and her daughters Jody and Jane of Amarillo.

Nettie Rhinehart entered the Friona hospital last week suffering

with pneumonia. Her daughter Joyce Hammonds told me her mother's condition had improved but she didn't know when she would be released.

Mrs. W.W. Wilcox entered the Friona hospital last Friday and Monday her daughter took her to Lubbock where she is undergoing tests on her heart.

Torfiro and Patsy Mejia of Memphis celebrated their birthdays with a get-together and a meal with their daughter Esther and Joe Steelman last Saturday. Several members of the family were with them.

Thank you for helping with the Scoops...Have a lovely Easter... Scooter.

## Disneyland Trip Planned By Seniors

The Bovina seniors made \$950 off their senior plays/dinner theater Sunday and are looking forward to using the money to make a long-awaited senior trip to Disneyland after school is out.

According to senior sponsor, Betty Elizondo, the seniors entertained about 200 people Sunday, and after a sumptuous meal of ham, salads, hot rolls and apple cobbler, which was provided by the seniors' mothers, the guests proceeded to the auditorium to be held captive by the talents of the senior class members.

"Foxy Grandma," "Ghost For Rent," and "The Hood of Sherwood," kept all the attendants in stitches all throughout the plays.

The seniors would like to express their appreciation to Jay Sherrill and Kena Arthur for their assistance in building the props for the plays, and also to all the Bovina High School teachers for their cooperation during the play practice.

Sponsors for the senior class are Betty Elizondo, Robert Ulibarri and Lawrence Widner.

## Producers Set Cotton Meeting On April 12

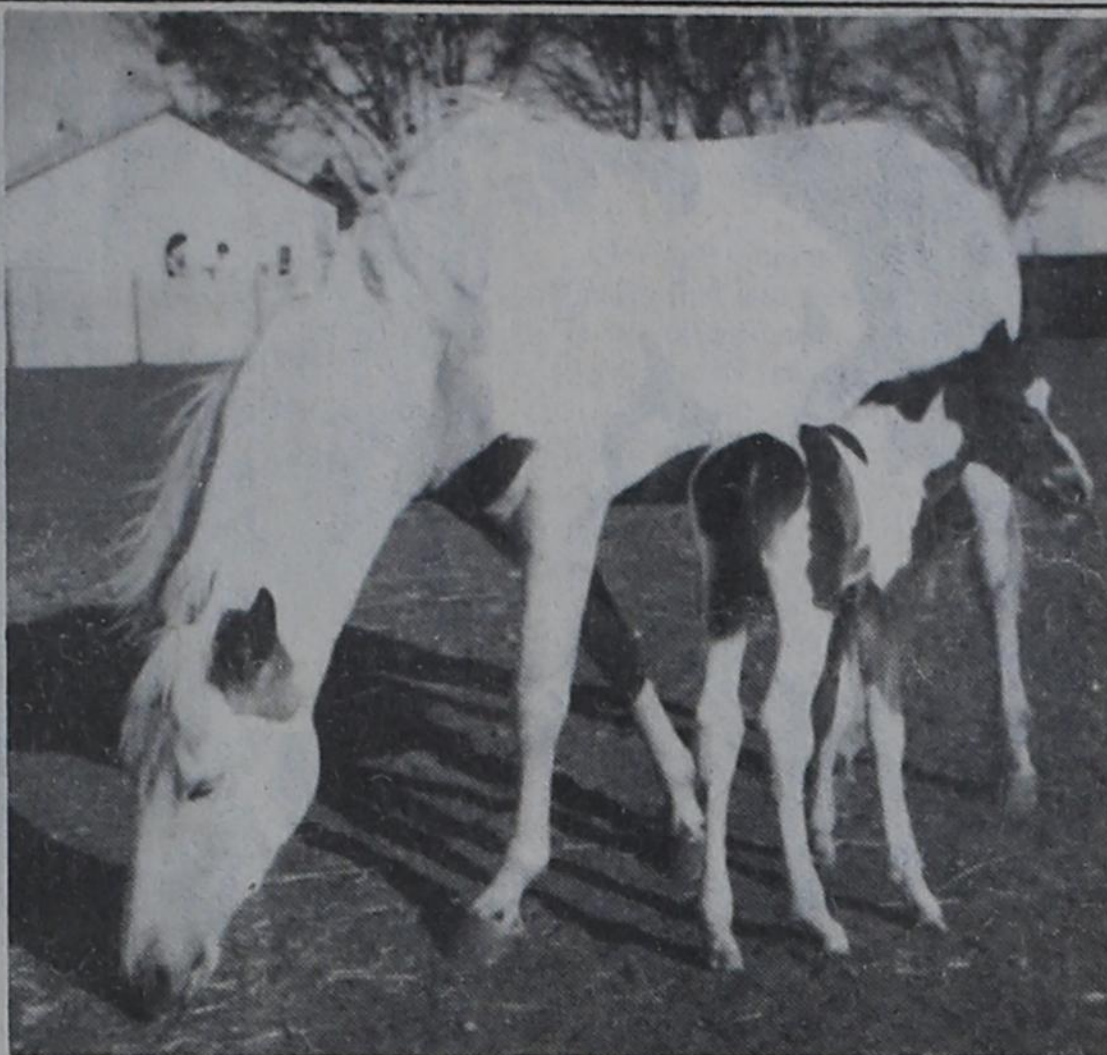

Parmer County cotton producers and agribusinessmen will elect a Businessman Director to Plains Cotton Growers, Inc. at a 7 a.m. breakfast meeting on Monday, April 12 at the Bovina Restaurant.

Announcement of the election comes from Bert Williams of Farwell, Parmer County Producer Director to the 25-county cotton organization, and JeDon Gallman of Friona, current Businessman Director.

Each of the counties in PCG territory has two directors, one a businessman and the other a cotton producer. They are elected on alternate years for two-year terms. Each is eligible for re-election every second year.

All producers and businessmen are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG staff member will conduct the election, review and answer questions about recent and planned PCG activities.

**NEW ADDITION....**Shown is the new colt belonging to Emma and Larry Williams. The colt was born March 31, weighed 85 pounds and was 42 inches long. The name chosen for the colt is "Dr. Pepper-Sugar Free" which is still pending. His mother is owned by the Williamses and is an APHA Paint mare named Clabber Sugar (Sugar), and the father, who is owned by Terry and Vicki Stull, is named Marty Doc and is an AQHA cutting horse. The new baby shows alot of color and classic Doc Bar confirmation. Congratulations, Emma and Larry.

## Senior Citizens Host Luncheon On March 31

The Bovina Senior Citizens hosted their monthly luncheon on March 31, with 42 members present.

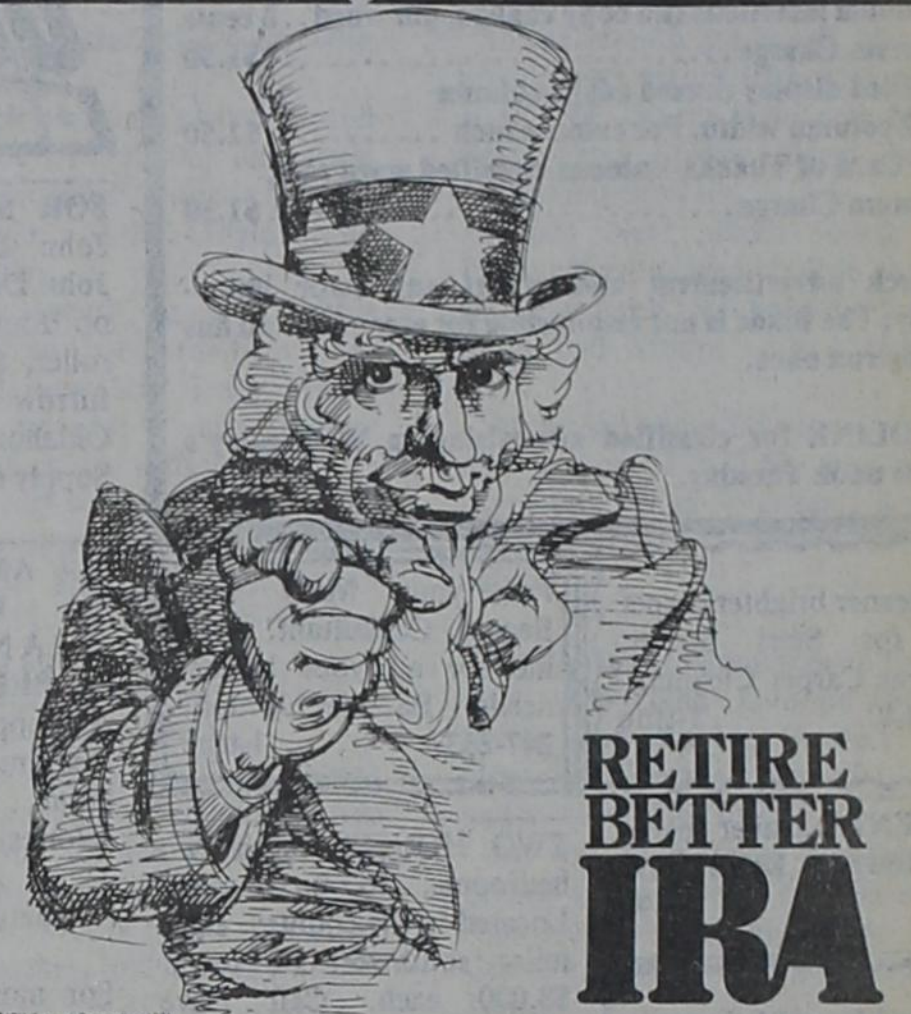

Many of the ladies involved with the Senior Citizens had finished a king-sized quilt and a baby quilt.

After the luncheon and business meeting, those present at the meeting sang and played games.

The next meeting of the Senior Citizens will be held April 14 at which time the April birthday party for all Senior Citizens will be held. The next luncheon will be held April 28 and all Senior Citizens in Bovina should plan on coming and may bring a friend.

Those present at the meeting on March 31 were Clifford and Julia Leake, W.F. Hill, Jr., Maurine Bell, Charlsie Eubanks, Maesie Flynn, Alice Moore, Lillie Fuller, Minnie and Howard Kelso, Earl and Mary Richards, Bobby Cumpston, Montie Turner, French and Nellie Crook, Hattie Burnett, Oma Gunn, J.J. At General Telephone We're Not Simply Talking About Service Improvements We're Making Them In Bovina

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 400 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.

	Texas PUC Standards	Most Current Figure
% customer calls answered promptly by service office/repair service	90	97.8
% service order commitments met as promised	90	100
% local calls completed on 1st try	98	100
% direct dialed long distance calls completed on 1st try	95	96.6

Southwestern Public Service primarily provides electric utility service to a population of more than 1 million in a 45,000-square-mile area of the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

**Land Bank Officials Attend Conference**

James B. Glaze of Muleshoe has just returned from Houston when he represented the Federal Land Bank Association of Muleshoe at the 37th Annual Stockholders' Meeting of the Federal Land Bank of Texas. The meeting, held at the Westin Oaks Hotel, was attended by members of the 56 Federal Land Bank

Associations in Texas. There were approximately 700 persons in attendance at the March 19 meeting.

In his report to the stockholders, Thomas H. Benson, Land Bank president, said that the demand for loans made 1981 the largest year in the Bank's history, with 3,638 loans closed for a total of \$408.2 million. This compares to 1980 figures of 3,774 loans closed for a total of \$322.3 million.

"While we see some real problems in extending credit, we do not see the demand lessening, and anticipate that our growth will continue," Benson said.

"In many sections of the state we are the only active long-term lender," he continued. "This we view as an opportunity as well as an awesome responsibility."

"There's a severe problem in agriculture today," Naylor said. "And many farmers are facing their second or third year of negative cash flow."

"We can't continue to face high interest rates that are two to three points higher than we can afford."

The Federal Land Bank of Texas makes long-term loans on farms, ranches and rural residences and currently has 39,059 loans for approximately \$2.1 billion outstanding.

The Federal Land Bank Association of Muleshoe makes and services loans in this area.

Members of the board of directors are: Gorden Duncan, president; James B. Glaze, vice president; Jim Claunch, Arlin Hartzog and William V. Gromowsky.

Attending from this area was William C. Liles, president of the association.
