

Whittlin'

By Dolph Moten

Well, just like I knew it couldn't happen.

The Fightin' Texas Aggies were outscored by the 'sips from Texas University. Not beaten, no, not beaten by any means but outscored.

Bear Bryant, the Aggie coach, said that the Steers played like they owned A&M and he is getting paid \$15,000 a year to figure out what is going on. And I'm not getting that much money but wait. I haven't been in this business a year yet. Who knows? Maybe I ought to figure out an answer myself.

Many, many reasons for the upset have been given by various individuals. But I will be more honest than most and say that I just flat don't know what happened.

One thing that was working in A&M's disfavor was this column last week. Actually, I think that I should have been proud enough of the fact that I predicted (and was right) that A&M would win over favored TCU and let it go at that. But nonetheless, if anybody ever crawled out on a limb and then sawed it off, I did last week.

One sidelight on the column that I hated was that it was almost injurious to my wife's health. We left town before The Blade was out last week and consequently she didn't read this column until we returned after the game.

She almost laughed herself to death.

Incidentally, to Texas 21, A&M 6, the individuals who signed the sympathy card that was addressed to me, I want to say "thank you." It couldn't have come at a time when it was needed more. Such acts of kindness will always be appreciated. Though I have a sneaky feeling that this wasn't an act of kindness.

Next year A&M plays Texas Tech in the Cotton Bowl in Dallas early in the season.

For that one, I can hardly wait. Might even go so far as to stick my peck out again.

Surely I couldn't be so wrong two times in a row. Anyway, I think that is one that will be worth waiting for.

One, believe it or not, group of people bother me worse than the one that kids me about the outcome of the Turkey Day game. That group is the one that just feels sorry for me and other people that were for A&M because it wasn't a closer contest.

I'd say that Bovina is having more than its share of fires.

The high school basketball tournament that school officials had a hard time getting scheduled is going to be held December 15, 16, and 17. Maybe it will serve as a lot of sporting entertainment as well as get our minds off this crazy football business.

But just a little more about football before it is moth-balled until another year, it was nice to have three Bovina Mustang footballers on the All-District 3-B squad. But I think that one player from the Bovina squad was left off that should have had a top spot.

His case proves that you don't get much glory for being consistent. However, I thought that he was outstandingly consistent and deserved a place on the All-District team. However, everybody can't be satisfied. And I am sure that throughout the district more people are dissatisfied than satisfied.

Was also surprised to learn that the Farwell Steers, who were tied with the Mustangs for fourth place in the district, didn't have a man on the first team.

Had they played all season like they did in Bovina, it is likely that they would have had a representative(s) on the first team.

Hate to see Bovina and Farwell in two different districts as will be the case next year since the Steers are moving into Class A. The teams will, of course, still play each other but the game will be earlier in the season than it has been in the past and no district championship can be decided by the outcome of the game. However, it is doubtful that these facts will take any of the glory out of winning the contest.

And too, it is good for schools to grow. Shows a sign of progress. Maybe we'll move up to Class A, too, in a very few years.

This broom sale coming up tomorrow with the Lions promised to be something.

Not that I think any members of (Continued On Last Page)

A BROOM-SELLING FIGHT will take place in and around Bovina Thursday, December 1, when two teams of Lions Club members will have a contest to see which team can sell the most brooms. The teams sold approximately \$1500 worth last year. Aubrey Brock, left, and Gene Ezell show for the cameraman that the contest may go farther than just selling as they "mix it up a little," using whisk brooms for weapons. The snap that may be seen attached to Brock's belt is used to carry the broom when it is not in "use." Members of the club have been carrying a broom for the past week to advertise the sale. Brock will captain the Brock Broom Brokers, and Ezell is a member of the opposing Sudderth Sweep Sellers, which will be captained by Billy Sudderth.

BROOM BROKERS — SWEEP SELLERS

Lions Broom Sale Starts Thursday

Bovina Lions Club members will sell brooms, whisk, house, ware-house, and other types, as well as mops, floor mats, ironing board covers and ironing board pads and other items Thursday, December 1.

The group will be divided into two teams to make a contest of the campaign. The two teams will be headed by Aubrey Brock and Billie Sudderth. The same two men were captains of the teams last year when approximately \$1500 worth of merchandise was sold.

There was some dispute about last year's winning team but both team captains are confident of winning the approaching contest.

Members of Brock's team, the Brock Broom Brokers, are Leon Grissom, assistant captain, Arlin Hartzog, Allen Cumpton, Joe Wilson, J. E. Sherrill, E. B. Caldwell, Robert Berggren, Vernon Estes, W. H. Willoughby, J. W. Wright, Harry J. Charles, George Trimble, Dolph Moten, A. L. Glasscock and O. W. Rhinehart.

The Sudderth Sweep Sellers include Wendol Christian, Troy Fuller, Frank P. Wilson, Ovid Lawlis, Tom Caldwell, Pat Kunselman, Henry Minter, Aubra Ellison, O. D. Bingham, W. E. Williams, Al Kerby, Gene Ezell, Warren Embree, C. P. Warren, and Jimmie Charles.

The idea behind the broom sale is to raise money for the club.

The teams will meet in front of the post office at 8:00 Thursday

Seventh and Eighth Grade Teams Play Friona

The Seventh and Eighth Grade Girls' basketball team of the local school played their first game Wednesday afternoon at 4:30 in Friona.

Tuesday R. E. Everett named 12 who made up the team for their first trip.

Serving on the "A" team as forwards were Jackie Davies, Joy Redden, and Verna Marie Estes. Guards on the first team were Lexie Stevenson, Harriette Charles and Celia Berry.

Comprising the "B" team as forwards were Claudia O'Hair, Judy Roach, and Valeria Meier. "B" team guards were Penny Lloyd, Shirley Boyd and Barbara Jean Rea.

Fire Department Fights Two Local Fires

Bovina's Volunteer Fire Department was called to Oklahoma Lane Wednesday at noon to extinguish a minor fire in L&H Gin. The fire's origin was unknown, according to Dave Wines, one of the firemen who helped stop the blaze.

The fire was inside the gin building and did little damage, Wines said. Most of the damage was done by the water that was used to put out the fire. Members of local fire department that accompanied the fire truck to the fire were Wines, Elton Venable and Danny Pounds.

Another fire Friday afternoon about 4:30 p. m. called the department out again, this time to Triplet Feeding Company in Bovina where some cotton burrs were burning. The burrs had, apparently, been set fire by a truck's exhaust that had backed into the pile while unloading more burrs.

Wines and Henry Minter were the members of the fire department who helped extinguish this blaze that threatened to do more damage than it did.

Wines said no estimate was made as to the amount of damage that was done.

High School Fillies Win Three, Lose One

The Bovina High School Fillies played four more practice games this week in preparation of the conference season which will begin in January.

Monday night, the "B" girls defeated Morton 40-36. Janice Richards and Nancy Cumpton scored 14 points each, while Joan Kay Ezell accounted for the remaining 12 points.

Sue Stephens made 14 points for the Morton girls, with Jean Cagle making 10 and Pat Halloman making 8.

The score by quarters was Bovina 10, Morton 6, in the first, 24-15 at the end of the second and 32-27 in the third.

The Morton "A" team won over the Bovina "A" girls, 54-36. The score by quarters shows that in the first, Bovina was out in front 14-8, and also in the second, 20-19. But after the half, the visitors pushed ahead 35-30.

Dee Pounds and Ellen Berry scored 16 and 15 points in the game. Kay Leake made 12 and Pauline Lloyd added the other four.

Jean Ramsey made a total of 30 points for the Morton team while Ruth Browning made 20 and Sue Gattis made four.

Tuesday night, both Filly teams traveled to Hart and again defeated them.

The "B" girls won, 44-27, keeping ahead of the Hart girls in all four quarters of play as the score indicates: Bovina 13, Hart 6, in the first, 30-14 in the second quarter, and 38-20 in the third.

Janice Richards scored 26 points and Nancy Cumpton and Joan Kay Ezell made nine each. Robbie Robertson was high point for Hart, with nine. Sandy Johnson made six, Ruby Featherston made eight, and Jane Bennight made four.

In the "A" game, Pauline Lloyd made 16 free shots out of 23 tried, and added six field goals for a total of 28 points scored. Ellen Berry scored 16 points and Dee Pounds made six. Ruth Smithson made 19 points for Hart, Ione Van Vliet made 12, and Sue Savage made two.

The score by quarters was: Bovina 15, Hart four, in the first quarter, 25-15 in the second, 40-20, and the final score was 50-32.

HIGHLIGHTS—

Mustangs Close Season With 4 Wins, 6 Losses

By Dolph Moten

Bovina's hot and cold Mustangs ended their 10-game 1955 football season—their first under Coach Bob Wills—with a four win, six lost record. The team was hampered by injuries to key players throughout the season.

Backs Billy Richards and Neil Smith and Tackle Sonny Brito were lost for at least parts of the season because of injuries. Freshman End Ferman Kelso was also out of action because of an injury.

Wills' 1956 team will be minus—because of graduation—such stalwarts as Quarterback Darrell Read, Halfback-Quarterback Richards and Tailback, Larry Ezell. Graduation will also take its toll

on the line in the form of Ends Erith Hawkins and Kenneth Estes and Tackle Lynn Isham, and Center Jerry Loflin.

The Mustangs scored 127 total points during the season against 149 for the opposition. They tallied 13 extra points against 13 for the opponents.

A summary of the 10 games: **SPRINGLAKE 19, BOVINA 0** The Sandel twins, Ronald and Donald, were too much for the locals in the season's opener. They led the Springlake Wolverines to a 19-0 victory at Mustang Field. Bovina made 5 first downs against 15 for Class A Springlake.

HAPPY 28, BOVINA 0 The Class A Happy Cowboys scored one in each of the four

FIRE!

184 Bales Unginned Cotton Destroyed at Bovina Gin

A \$50,000 fire, inspired by a 65 mile per hour north wind, raged across two sections of Bovina Gin Company's yard Sunday morning and threatened to cause even more destruction before it was controlled.

A total of 184 bales of cotton were destroyed in the fire—Bovina's second of the month. Also burned with the cotton were 58 trailers, said Charlie Barton, one of the gin's owners.

All of the loss was covered by insurance.

The gin and the office and scales were not damaged by the blaze.

Fire departments from Bovina, Texico-Farwell, Clovis, Muleshoe, and Clovis Air Force Base were called to help extinguish the flames. Members of the Bovina Volunteer Fire Department kept a watch on the town of Bovina so that they would be near should the fire spread to nearby buildings. The gin is located on the north side of town.

The fire broke out about 11:00 a. m. just after the strong wind had blown in and the wind blew sparks onto the trailer loads of cotton from the pit where burrs were being burned. Since the weather was acting "different" and employees of the gin were afraid the wind would start blowing, no additional burrs had been put in the pit during the hour preceding the fire, Barton said.

The gin is located just off Highway 60 and this is its first year of operation. Other owners are Barton's father, H. C. Barton, and W. E. Hitt.

The first trailers to catch fire were 500-700 feet away from the burr pit. The trailers had been placed in three different areas in an attempt to keep the fire from destroying all the cotton on the grounds, should there be one, Barton said. However, sparks were blown into two of the sections. Some 95-100 bales of cotton that were in the other group were saved.

Ginning started again as usual Monday. Barton said that they were trying to settle the insurance on the trailers first so that the farmers could get the remainder of the crop in. The value of the lost cotton will be determined by taking an average of the lint, seed, grade, and staple length of the individual owners' previously ginned cotton. Barton said that that was the only way to arrive at any estimate about what to pay the farmers.

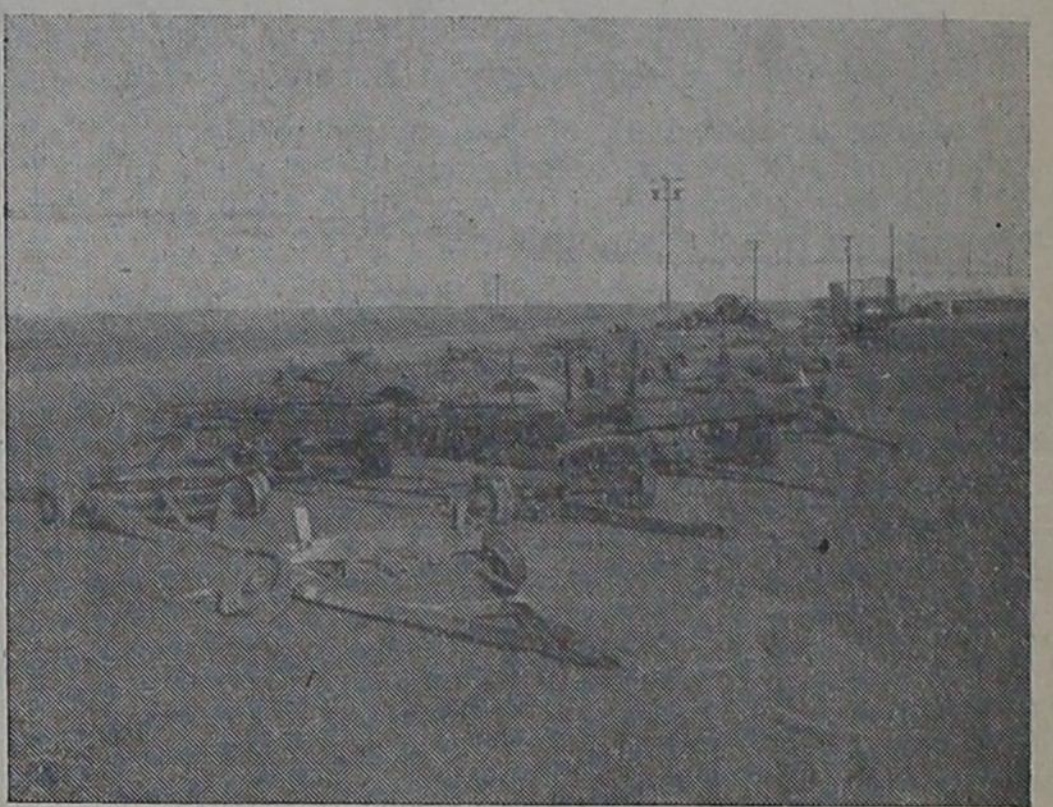

Bovina Wheat Grower's elevator was damaged considerably by fire November 11.

"My Dad has been in the business for 32 years and I've been in it for five and neither of us has ever lost a trailer," Barton said, "but we sure made up for our good luck this time."

Students Home From Tech and West Texas

Students home from college for the Thanksgiving holidays included: Ted Walling, Glendon Sudderth, Huey Lowrie, Mr. and Mrs. Eddie Steelman, Dyalitha Bradshaw, Sondra Jefferson and Evelyn Steelman all from West Texas State in Canyon.

Students from Texas Tech were Donald Lloyd, Margaret Verner, Reginald Jones, Edmund Hobdy, Mark Charles, Billy Woelful, Mr. and Mrs. Leon Ware and Mr. and Mrs. Jim Ware.

PART OF THE REMAINS of the \$50,000 fire that swept across the yard of Bovina Gin Company Sunday morning about 11 o'clock are shown above. The fire had died down enough by 2 p. m., so that everything else was out of danger, but the 58 trailers that were in the fire were destroyed. A total of 184 bales of cotton were burned with the trailers. The fire started when sparks from the pit where burrs were being burned were blown by a 65-mile-per-hour wind onto the cotton that was waiting to be ginned.

1 ON SECOND TEAM—

3 '55 Mustangs Make All-District

The fourth place Mustangs and the third place Anton Bulldogs dominated the District 3-B All-District football team that was selected by officials from the district schools Monday night in Bovina.

Bovina and Anton each had three players among the All-District group. Plains and Kress, the district champion, had two apiece and Whitharral had one. Hart and Farwell, the league's other two members, did not place a man on the first team.

Darrell Read, quarterback, Jerry Loflin, center, and Lynn Isham, tackle were the three Bovina players selected to the "dream team."

The Farwell Steers and the Kress Kangaroos had three men each on the second team. Plains had two and Whitharral, Anton, and Bovina had one each.

Erith Hawkins of the Mustangs was placed on the second team at an end position. All the first team members are seniors.

Backs on the first team are Charles Denney from Whitharral, Jerry Brantley from Plains, Willis Detwiler of Anton, and Read.

Linemen: Loflin at center, Earl Robertson from Plains and Don Brazil of Anton at guards; and Isham and Bill Boggs from Kress, tackles. The ends are John Bass from Anton and Jimmy Brinkley from Kress.

Second team backs included Kenneth Blount from Plains, Larry Johnson from Kress, Truitt Hardage from Farwell, and Billy Grant from Amherst.

Named to the second team line were Gerald Hardage from Far-

well center; guards; Bob Gaylon of Kress and Jerry Owens of Farwell; at tackles, Red Billingsley of Plains and Edgar Edwards from Whitharral; and at ends, Hawkins, and Jerry Jernigan from Kress.

The second team is composed of six seniors and five juniors.

Kress had a 7-0 district record. Following in order behind Kress; Plains with a 5-2 mark, Anton in third place with 4-3, Bovina and Farwell tied for fourth with 3-4 records, Amherst with 2-5, and Hart in the cellar with 0-7.

Lazbuddie and Happy will be added to District 3-B next year and will move to other circuits. Lazbuddie will play 11-man football next season instead of the six-man which they played this year. Farwell, the other Parmer County team that is making a change, will compete in Class A in the 1956 campaign.

Bovina's Coach Bob Wills announced the following tentative schedule for the 1956 season for his Mustangs: September 7, Springlake; September 14, Farwell; October 5, Hart; October 12, Kress; November 2, Amherst; November 9, Lazbuddie; and November 16, Whitharral. All of the games are away from home with the exception of Amherst and possibly Happy. October 19 is an open date for the locals.

Mr. and Mrs. Joe W. Bell, who formerly farmed near Bovina, but now live in Clovis, were in Bovina Monday. The Bells are thinking of building a home in Bovina.

SEVEN LETTERMEN—

Channing First Cage Opponent

With seven returning lettermen from last year's state tournament team, Coach Bob Wills has basketball practice underway for the first game of the new season against Channing Friday, December 2, at Williford Gym in Bovina.

The lettermen—Erith Hawkins, Billy Richards, Billy Johnson, Darrell Read, Larry Ezell, Neil Smith, and Jerry Loflin—will average in height almost six feet. Smith at 5 feet, 9 inches is the shortest of the group and Hawkins at 6 feet, 2 inches the tallest.

A total of 37 candidates are out for the team, however 12 of the total are freshmen and will play as a freshman team. The squad will be selected sometime this week, Wills said.

All of the football squad turned out for basketball practice.

The probable starting lineup against Channing is Hawkins, Read, Ezell, Smith and Johnson. Both girls' and boys' teams will compete against Channing.

A list of the candidates for the team aside from those previously mentioned includes Marvin Young, French Crook, Denny Ware, Paul Harrison, Junius Williams, Terry Adams, Donald Jones, Dick Horn, James Whitesides, George Baca, and Mike Barraza.

Others are Leon Richards, Lynn Isham, Dickie Steelman, Ferman Kelso, Don Bandy, Charles Haney, Jerry Burnett, Billy Burnam, Donnie Springs, Ronnie Isham, Rammy Brandon, Gene Stephens, and Julius Bradshaw.

Also, Billy Routt, James Lawlis, Phil Caldwell, Joe Ben Pena, Sonny Brito, and Micheal O'Hare.

THE BOVINA BLADE

Second-Class Privileges Authorized at Bovina, Texas

EDITORIAL COMMENT

Do Something . . .

Bovina property owners are standing in the way of progress.

Down through the years the alleys in Bovina have had little use aside from being used as a route by which trash could be hauled away. However, the time is fast approaching when they will be put to a more productive use.

The long-awaited sewer system is coming!

Because of that lack of use, many residents have let some of the alleys become congested with barns, chicken houses, fences, and other things that have no business being in an alley in the first place.

City officials, we understand, have talked to various property owners about these obstacles in the alleys and the owners agreed that the stuff should be moved. But, they seem to think in some cases the city should be out the expense of moving it.

City officials feel that since the city was not responsible for the things setting in the alley in the first place that it shouldn't have to be responsible for getting it out. And they are right.

We have to make a way for the sewer system that is going to get started not later than 60 days from now. There will probably be better feelings on the subject all the way around if the individuals will take care of their own alleys.

Because if the city has to do the moving, and is it hoped that it won't, it is very probable that not as much care will be taken by whoever the city employees to do as would be done by the individual to whom the nearby property belongs.

Enough hard work was done by the city officials in getting the sewer system idea over. Let's don't let it ball up over blocked alleys.

Gathering at Happy

Mr. and Mrs. Aubra Ellison, Sue Hoffer, Donna Smith, and Donna Jean Hobby visited Mrs. Ellison's father and sister, William Purnell and Miss Benny Purnell, of Happy during the Thanksgiving holidays. Other guests included Mr. and Mrs. Fred Hoffer and Stephanie, of Amarillo, Mr. and Mrs. Raymond Purnell and daughters of Abilene, James Allen Lunsford, from Hardin-Simmons University, Mrs. Ted Tidwell and daughter, of Canyon, and Mrs. Vivian Wesley of Happy.

In Earth

Mr. and Mrs. Odis White, and Mrs. Mandy Kelly visited in the home of Mrs. Kelly's son and his family, Mr. and Mrs. Lester Kelly in Earth, Sunday.

It's A Girl

Mr. and Mrs. Sammy Sudderth are the parents of a baby girl born Wednesday morning at the Parmer County Hospital at Friona. They named the young lady, Kathy Louise.

Have Dinner

Mr. and Mrs. Byron Turner and Gary, and their daughter, Mrs. Kevin Dearth of Odessa, Mr. and Mrs. Wesley Ayres and Dianna of Clovis, Mr. and Mrs. Buck Ellison, Mr. and Mrs. C. W. Grissom, Mr. and Mrs. Robert Read, and

Mr. and Mrs. Howard Ellison and boys had their Thanksgiving dinner Sunday in the home of Mr. and Mrs. Frank Ayres.

Visit Parents

Mr. and Mrs. Billy Marshall and Mr. and Mrs. James Boardman visited Mrs. Marshall's and Mrs. Boardman's parents, Mr. and Mrs. Emfinger, at Lamesa during the Thanksgiving holidays.

See New Baby

Mrs. Buck Ellison, Mrs. Nat Read, Mrs. Robert Read and Mrs. Frank Ayres visited Mrs. Sam Sudderth and her new daughter in the Friona hospital Thursday.

With Lanes

Thanksgiving dinner guests in the home of Mr. and Mrs. Bill L. Lane included Mr. and Mrs. Jim Lane, Vickie, Jimmie, and Susan, of Muleshoe, and Mr. and Mrs. Alton Hobby, Edmund and Donna Jean.

To Wheeler

Mr. and Mrs. N. E. White Jr. and Harve Alverson visited Mrs. White's aunt and her family, Mr. and Mrs. Claude Parker of Wheeler, Thursday.

Mr. and Mrs. H. W. Alderson were Thanksgiving dinner guests in the home of Mr. and Mrs. Bill Denney and children Thursday.

At Last! Speed-Cooking With Controlled Heat!

Many of you have enjoyed the easy convenience and many savings of speed-cooking "without looking," in a pressure pan that gives you automatically controlled pressure, at your choice of 5, 10, or 15 lbs. But the big news, today, is an electric pressure pan that adds automatically controlled heat to its already familiar advantage of selective pressure! There's never been anything like it, anywhere! This newest development means that now you can fry, stew, braise and boil as well as pressure cook and can, all in this new completely different appliance. By setting the heat control at 175 degrees, food can also be kept serving-hot until needed. This new electric pan can be used anywhere, in the home or in cabins, trailers, cottages or on the patio. Simply plug it into any standard 110-120 volt AC outlet and you're ready to prepare dozens of tempting dishes. Laura Wilson, of the Mirro Test Kitchen, has prepared this special "test recipe," to demonstrate how practical the full heat range of this newest electrical sensation really is. Try it yourself, and see!

- Mexican Scramble**
- 2 lbs. round steak, cubed
 - 6 tbsps. onions, chopped
 - 2 tbsps. green pepper, chopped
 - 4 tbsps. fat
 - 2 tpsps. salt
 - 1/4 teaspoon pepper
 - 2 No. 2 cans whole kernel corn (drained)
 - 2-1/2 cups tomato juice
 - 1 tsp. chili powder
1. Plug in Mirro-Matic Electric Pressure Pan, set Thermo Heat Control at 300°, to brown meat, onion, and pepper in hot fat. Add salt and pepper.
 2. Add corn, tomato juice, and chili powder.
 3. Cover and set Selective Pressure Control at "10". When Control jiggles change Thermo Heat Control to "10". Cook 20 minutes.
 4. Disconnect pan. Reduce heat under faucet. Remove cover.
 5. Connect pan and set Heat Control at 212°. Thicken gravy with 2 tbsps. cornstarch dissolved in 1/4 cup cold water.
 6. Reduce Heat Control setting to 175°, to keep Mexican Scramble serving-hot, without further cooking.

Land Board To Accept Application Requests

Earl Rudder, Commissioner of the General Land Office, announced from Austin that the Veterans' Land Board would accept requests for application forms to purchase land through the veteran's land program beginning October 31, 1955. Rudder stressed that all requests must be by mail. Requests received before October 31, 1955, will not be honored, and will be returned.

Rudder continued that the requests received the five-day period of the first week, beginning Monday, October 31, will be placed in a locked box, and then be drawn and numbered. A limited number will be mailed application forms immediately. The remainder will be notified of their relative position. After that first week, requests for application forms will be numbered consecutively as received.

Rudder cautioned veterans on the following matters:

- (1) Old application forms will not be honored since entirely new forms have been written under the amended Veterans Land Act. These application forms can be obtained by written request to the Veterans' Land Board ONLY.
- (2) The veteran should not send checks or cash with the request for application forms.
- (3) The veteran's request must clearly set out his mailing address.
- (4) The veteran should have the tract selected which he wishes to purchase before requesting application forms as veterans will have only 30 days from the date the forms are mailed from the Veterans' Land Board to complete and return them.

Rudder concluded his announcement saying, "This system which we will use is designed to eliminate accumulation of paper work, enable the veteran and seller to conduct their business promptly, and to secure efficient utilization of the Veterans' Land Board personnel."

Serving on the Veterans' Land Board committee for Parmer County are Loyde Brewer, Bass Elliott and R. W. Anderson.

A Bucket Full Of Christmas Ideas

The whole family can "get in the act" to make this unusual and easy Christmas decoration. A pail which comes with 25 pounds of a controlled suds detergent now contains a complete pattern-for-Santa. On one side of the sheet, 25 inches by 38 inches, are stamped the eight pattern pieces and complete directions for putting Santa together, and directions for pasting in eyes, eyebrows, nose, mouth, and beard are plainly marked. The pail and pattern, some bright paper, scissors, and a pot of paste are all you need.

The reverse side of the sheet shows six specific ways Santa can be used as a cheery decoration. Here is a perfect container for a gift of fruit. What to do with Christmas cards? Use Santa. Need a bright new stand for your Christmas tree? Use Santa. The pattern sheet suggests a gold paper wrap-around, blue eyes, a red nose, white whiskers, eyebrows, and cap.

Christmas-spirited Big Sister or Junior home on vacation can join in the fun and have Santa ready in a jiffy. Even Dad-with-a-knack could help Mom with this decoration—and enjoy it.

With Parents

Ted Brock visited his parents, Mr. and Mrs. Aubrey Brock, during the Thanksgiving holidays. Ted lives in Boulder, Colo.

Come Home

Mr. and Mrs. Leon Ware and son, Mike, and Mr. and Mrs. Jim Ware, all of Texas Tech visited in the home of Jim's and Leon's parents, Mr. and Mrs. Earl Ware over the Thanksgiving holidays.

Celebrates Birthday

Linda Johnston celebrated her eighth birthday Saturday with a party. After the party, Linda and her guests, Elaine Fuller and Linda Sue Willoughby, attended the show at the local theatre. Linda is the daughter of Mr. and Mrs. R. S. Johnston, Jr.

Visit Brother

Mr. and Mrs. Buck Lloyd, Pauline, Penny and Philip spent Thanksgiving Day in Amarillo visiting Mrs. Lloyd's brother and his family, Mr. and Mrs. Fred Hartsfield and boys.

Second Thanksgiving

Mrs. Reagan Looney and Mrs. Ronald Berggren visited their mother, Mrs. H. A. Nichols, of Amarillo Sunday. They also had a second Thanksgiving dinner there. Another daughter, and her family, Mr. and Mrs. Max Wade and daughters of Groom were also present.

More Modern Than Mistletoe

The Christmas turkey is growing plumper every day, and there's a new crispness in the air that fairly shouts the holidays are on their way. Sleigh bells will soon be jingling on the roof tops, and already Mother is scurrying around making gay Christmas decorations to dress up the house for Santa's annual visit.

She may take her cue from the magic of snow by using sparkling white foam plastic in all its varied shapes. This versatile decorative material can be easily made into eye-catching centerpieces, doorpieces, tree ornaments and many other things that reflect all the gaiety and joyousness of the holiday season.

Perhaps she'll make a Kissing Ball like the one shown. It's so easy to do, and fun besides. Just take a plain snowball of plastic foam, about 6 inches in diameter, and cover it very lightly with glue. Use one of the special plastic foam glues available in all variety stores.

To add sparkle, sprinkle with glitter in green or silver and allow to dry for a few minutes. Then tap the ball sharply to remove excess glitter. Cut two pieces of red satin ribbon, 1/2 inch wide, each long enough to go completely around the ball; fasten in place with straight pins so that the ball is quartered.

Pin star sequins in place at random over the ball. Gummed paper stars may be used if sequins are not available. At the bottom of the ball fasten a few sprigs of prepared princess pine or mistletoe.

Finally, insert a bit of pipe cleaner bent to form a loop at center top of the ball, and attach to this a length of ribbon for a hanger. Make a separate bow of the ribbon and attach at top of ball to cover pipe cleaner and add the finishing touch. Hang the finished Kissing Ball from a ceiling light fixture or in a doorway or archway to spark the Christmas fun.

QUESTIONS AND ANSWERS

Q—I understand that if I apply for disability compensation within a year from my discharge and am found eligible, the payments can be made retroactive to the date following my discharge. What happens if that one-year deadline falls on a Saturday, Sunday or holiday?

A—If it falls on Saturday, Sunday or a holiday, your one-year deadline will be extended to cover the next regular working day.

Q—I am going to school under the Korean GI Bill. Would I also be entitled to a GI loan to buy a house?

A—You would be entitled to a GI loan, even though you are in school under the Korean GI Bill—provided your lender will

make the loan. The law does not prohibit simultaneous use of both benefits.

Q—If I enroll in a correspondence course under the Korean GI Bill before my starting cut-off date, will I be permitted to switch to classroom training in the same field, after that date has passed?

A—No. A correspondence course is considered a program of training within itself. A change from correspondence training to classroom training would be considered a change of program, regardless of the subject of the course. Changes of program generally are not permitted after a veteran's starting cut-off date has passed.

Q—I want to change the beneficiaries of my GI insurance policy. Must I inform the present bene-

ficiaries of my action?
A—No. You have the right to change beneficiaries at any time, without their consent or knowledge.

The name David means beloved.

Professor: "Richard, is it wise to economize?"

Richard: "I don't think so. I know a man who took long steps to keep from wearing out his 4 dollar shoes, and he split his eight dollar pants."

Interviewer: "Had any experience?"

Applicant: "Used to be a dairymaid in a candy factory."
Interviewer: "What did you do there?"

Applicant: "Milk chocolates."

Lady: "Now then, plumber, you'll be careful with my new polished hardwood floors won't you?"

Plumber: "You needn't worry none about me, lady—I got good spikes on my shoes."

"Nothing Knocks on Bovina But Opportunity"

THE PARING KNIFE

By JEANIE MOTEN

Letters to Santa are beginning to come in. We're sending them on to Santa, and he is going to send them back in time for our Christmas issue.

Have talked to several mothers who have told us that since we'll probably get so many anyway, they didn't think they'd send theirs in. Hope everyone doesn't feel that way. We would like to print as many as you will send.

And if we get so many that we run out of space, we might even leave out the columns written by the editor and wife.

The other day Olan Turner told his wife, Letha, that he was going out to change a tire on some farm machinery and that if he weren't back by midnight, to come after him as there was a chance that the machine would fall on him.

Around about 11:30, Letha did just that. But she couldn't find him anywhere. Finally located him at one of the local gins. Doing what? Playing checkers.

Good thing she loved him to start with.

Texas University vs. Texas A&M? The Fightin' Texas Aggie Band put on a spectacular half-time performance.

Procrastination is a very ugly word; and granted, it has an ugly meaning. But braggadocio has an even uglier one.

All you women have heard and seen that husbands leave doors open, drawers unshut, lids off bottles, etc.

But have you ever just barely managed to get up in the morning, cooked breakfast, lowered yourself into a chair to eat it, picked up the pepper to flavor an already unappealing egg, only to find your husband (bless their hearts) had left the top of the pepper shaker unscrewed; consequently emptied the contents of said shaker on aforementioned egg?

Somebody was just awfully nice to Dolph this weekend. We hadn't been home from down state 12 hours before he got a card in the mail expressing "kind thoughts and deepest sympathy for you in your sorrow."

No name signed to it, though. Just inscribed, "Texas 21. A&M 6."

Why is it that a wife, trying to prove to her husband that she's a good driver and after entreating for the privilege of driving part way on a long trip and after being granted permission for same, always gets on the wrong road at least two or three times?

While at the Gene Snells playing Spell-O-Gram (a horrible game; horrible because 'tis similar to Scrabble), the only distractions were three little Snells. Loveable, but distractions none-the-less.

Think there is a slight possibility that "the distractions" subconsciously affected our playing. One player spelled d-i-n, and another

Methodist Clubs Have Indian Dinner

The Bovina Methodist Women's Society of Christ and the Wesleyan Service Guild had an Indian dinner in the Fellowship Hall of the Methodist Church recently.

The members have been studying the Indians and the problems which pertain to them. The study was being conducted so that the club members might better understand the problems and therefore be of more help to the Indians.

Mrs. Floyd Dunavant gave "Litany of Thanksgiving" from the Methodist Woman. She was assisted by Mrs. Jimmie Charles who led the group in the response.

The dinner was prepared by the WSCS and served from a table decorated in the Indian motif carrying out the fall colors with oak leaves and squaw corn from each end to the middle. The center piece was arranged with a miniature wigwam and Indian figures around a campfire.

The remainder of the evening was spent with the showing of a film, "Strangers in Their Own Land." The film told a story of one family of Indian Americans who moved from the reservation to a city and their troubles in becoming accustomed to a new way of life.

Those present of the WSCS were Mrs. Billie Sudderth, Mrs. Floyd Dunavant, Mrs. Jimmie Charles, Mrs. William Thornton, Mrs. John Booher, Mrs. Vernon Estes, Mrs. Earl Ware, Mrs. Rouel Barron and Mrs. Wilbur Charles.

spelled the word b-r-a-t-s.

Read in a magazine the other day where a male was giving his views on certain characteristics of women. He said that a woman's bad qualities were always said to be the fault of a man. But that a man's good traits could be attributed to the help of a woman.

At first thought he must have been just a little sour on life, but then got to thinking about it. You know, I had no bad qualities before marriage; and Dolph had a few good ones, though he does possess more now.

Isn't that the way it is at your house?

Certainly enjoyed our vacation last week. Though the part of Central Texas we visited doesn't have such things as irrigation, from all appearances it seems to be progressing right along.

Don't know what I was expecting. Guess all the kidding Dolph gets about coming from the backwoods had begun to take hold of my opinion. Was even beginning to feel sorry for someone having their roots in such a deprived environment.

But it's just not that way. And speaking from a beauty standpoint, you simply can't beat the trees bedecked with multi-colored leaves and rolling hills.

But my roots are on the high, dry, sandy plains, and was happy to get home.

Wesleyan Guild Ends Indian Study

The members of the Wesleyan Service Guild of The Bovina Methodist Church met in the home of Mrs. W. R. Beard Monday night to hold their last study on the Indian American.

After a short business meeting, the study, led by Mrs. Bedford Caldwell, was begun. The subject for discussion was "The Ministry of the Church to Indians."

Taking part in the discussion were Mrs. Wilbur Charles, who gave a talk on "The Cherokees," and Mrs. Wayne Stevens, whose topic was "The Yumas." Mrs. W. E. Williams discussed "Methods and Techniques." "The Lost Colony" was discussed by Mrs. Margaret Caldwell.

As a result of the study, it was decided that gifts of money and clothing would be sent to the Indian Mission in Farmington, N. M.

Mrs. W. R. Beard closed the study with the devotional and prayer. Then soft drinks and candy were served.

Those present were Mrs. W. R. Beard, Mrs. Wayne Stevens, Mrs. Wilbur Charles, Mrs. Wayne Young, Mrs. W. E. Williams, Miss Grace Paul, Mrs. Margaret Caldwell, Mrs. Bedford Caldwell and Miss Rita Caldwell.

METHODIST CHURCH NEWS

BEAUTY TIPS.....by June Norton

Owner and Operator
JUNE'S BEAUTY SALON
Phone 4291

Persistence is one of the very best beauty hints that could be practical.

Persistence in good daily care—not just 12 hours a day but 24 hours.

If you use packs, don't stop at giving yourself just one, one might help some but several would do more good.

If you have a good line of cosmetics—use it—all of it. Some women leave the make-up and the eye creme, masks and packs, skin fresheners, and astringents, etc., in the dressing table drawer to spoil. Yes, it will spoil if left unused for some time, especially if it has been opened and of course, most of it has been used once.

Use all of it and be persistent in your beauty routine. It may save you from looking years older than

you are some of these days.

23-11c

At Williams Home

Guests in the W. E. Williams home for Thanksgiving dinner were the Rev. and Mrs. L. L. Hill of Canyon, and their children, Edwin Hill of Southwestern Medical School in Dallas, and Miss Ella Hill, of McMurry College in Abilene. Also Mrs. C. M. Brown and daughter, Becky, of Boise City, Okla., Rev. and Mrs. George Small and children, Sharon and Mauri, of Plainview who spent the night.

Other guests calling during the day were Mrs. W. R. Beard and her daughter, Miss Catherine Beard, who teaches school in Midland.

With Johnstons

Thanksgiving dinner guests in the home of the Bob Johnstons included: Mrs. Johnston's mother, Mrs. J. W. Roberts, and a sister, Mrs. Gene Macy, both of Clovis, also another sister, Margaret, of Lubbock. Other visitors were H. B. Rector of Lubbock, and Miss Celia Berry.

Program on Status of Women

The Marzie Lynn Circle of the WSCS met in the parlor of the Bovina Methodist Church for a program on the status of women. Mrs. J. H. Jones presented the program, after which Mrs. Rouel Barron gave a "Commission of the Status of Women."

Those attending the Monday meeting were Mesdames William Thornton, Jimmie Charles, Billie Sudderth, John Booher, Rouel Barron, O. H. Jones, Wilbur Charles, and Mrs. Earl Ware.

Ray Buster Circle Has Bible Study

The Ray Buster Circle of Women's Missionary Union, met in the home of Mrs. A. J. Routt, for Bible study. Rev. Virgil Goodwin, pastor of the First Baptist Church led the Bible study. Those attending were Mrs. J. O. Combs, Mrs. R. N. Williford, Rev. and Mrs. Goodwin, and the hostess, Mrs. A. J. Routt.

G. A. 's Study Forward Steps

The Junior Girls Auxiliary of the First Baptist Church met in the educational building of the Baptist Church in regular session. The girls studied for their forward steps and marked their Standard of Excellence.

Janet Gooch led the benediction, to close the meeting.

Those attending were Lou Ann Goodwin, Frances Fuller and Janet Gooch. The leaders were Mrs. J. W. Gooch and Mrs. Virgil Goodwin.

Stevenson In Chicago With Tech Team

Oakley Stevenson, son of Mr. and Mrs. Earl Stevenson, is in Chicago with the Texas Tech livestock judging team. The team, consisting of six boys, is competing in the International Livestock Exposition, November 24-30. Oakley, who lives in Lubbock, is a student at Texas Tech.

Visit Son In Hospital

Mr. and Mrs. Elton Venable, Margaret Jo and Radford, and Mr. and Mrs. Oscar Venable visited Sunday with the Oscar Venables' son, Chester, of Amarillo, who is in the Northwest Texas Hospital at Amarillo.

Suggestions on Poultry Culling Offered

COLLEGE STATION—Culling, one of the oldest flock management practices used by poultrymen for maintaining high egg production, is less important today because of changes being made in flock handling methods. Little culling, except to remove the hopelessly sick or unthrifty birds, should now be needed for the first eight to nine months of production. Ben Wormeli, extension poultry husbandman, says taking a young hen from the flock just because she fails to lay for a few days is a sure way to cut income.

Wormeli adds that this may seem to contradict former recommendations about culling but it doesn't. He says egg producers who are most successful replace the entire laying flock with pullets at the end of each laying year. Thereby eliminating the job of trying to select the best hens to carry over for the second year of production. Too, the specialist explains, breeding methods have been intensified to the extent that where top quality chicks have been used the resulting flock will lay at a rate for eight or nine months that makes

culling of healthy hens unnecessary. If a flock of top bred birds is not laying at a high rate, Wormeli says the poultryman had best do some checking on the care and management his hens have been receiving. When corrections are made, the flock should return to a satisfactory rate of lay.

The poultryman has an investment of from \$1.75 to \$2.25 in a pullet by the time she begins to produce. This cost, points out Wormeli, must be recovered along with the expense of keeping her in production before any profit can be realized. The replacement flock must be well bred to justify these costs.

If a hen is removed by close culling early in the laying year, she is a sure money loser because she didn't have a chance to pay off the investment. Studies are now indicating, says the specialist, that a hen may take as long as a two weeks pause and lay a profitable number of eggs before the end of the laying year. If she had been culled early, this couldn't happen.

On the other hand, Wormeli says if the hen goes out of production near the end of the laying year, she should be culled because there isn't sufficient time for her

the Snapshot Guild

For special people on your list, have prints made of your favorite color snapshots and slip them into a gray folder you can get from your photo dealer.

It's a Greeting Only You Could Send!

Of all the many Christmas cards we received from our friends last year, those we enjoyed the most and remembered the longest were the photographic ones.

And the reason? Simply because the picture each sender had selected made a unique and very personal message out of the usual traditional Yuletide greeting. In every instance—whether the picture in question was the latest addition to the family, a favorite pet amid gaily wrapped packages, the family gathered around the fireplace, or a view of the front door—the card expressed a warm, intimate feeling that its greeting was "especially for you."

With Christmas coming up fast, it's not a bit too early to begin thinking about having a photographic card made. Run through the pages of your album and see whether there's a snapshot of the whole family that would make a good card. If so, take the negative to your photo dealer, select a style of folder or mount you like, and he'll carry on from there.

If you prefer to start out with a brand-new picture, however,

there's still time to do that, too. Get the family together, arrange a suitable background, and take a series of shots. (If you're to appear in the picture, be sure to have a friend on hand to click the shutter for you!)

You might want to get out some of your Christmas decorations, even if it seems like rushing the season a bit. An evergreen bough trimmed with some ornaments and tinsel can be used to excellent advantage. By placing it in the foreground, you can create the illusion of part of a tree, which will lend a Christmas-like touch as well as an effect of depth to your picture.

Should you prefer color in your cards, your dealer has slip-in mounts with an appropriate Christmas message, too. All you need to do is select your favorite color negative and have as many prints made as the number of names on your card list. Each one slips neatly into the space provided and is ready to be put into its envelope for addressing.

—John Van Guilder

to make a recovery and produce a worthwhile number of eggs.

These studies point up the need for poultrymen to be very careful about buying only chicks for the laying flock which have the very best breeding in them, says Wormeli. Too, he says, research findings are showing there is a correlation between losses in chicks and mortality in the flocks produced from the chicks.

Know the records not only from the standpoint of eggs produced but

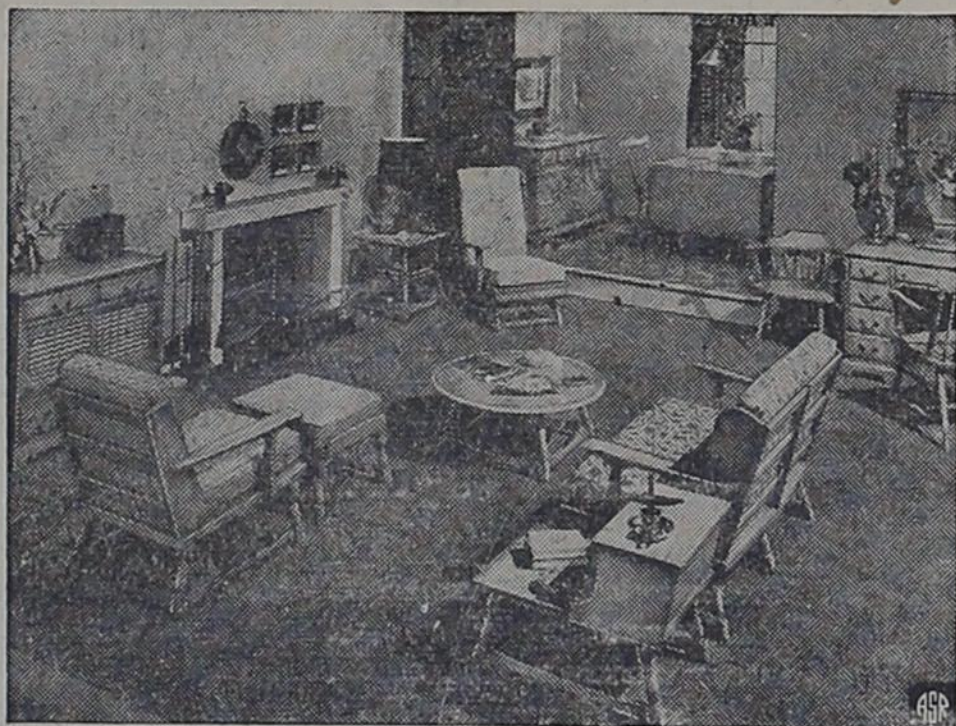

also the weight of eggs and the mortality record of the flocks from which replacement chicks are purchased, advises Wormeli. Buy the ones which are bred to lay.

Visit Parents

Mr. and Mrs. R. V. Gunn, Sandra and Doug, visited Mrs. Gunn's parents, Mr. and Mrs. J. M. Gunn during the Thanksgiving holidays. The R. V. Gunns live in Great Bend, Kansas.

Decorator's Notebook

by Alicia Joyce

Now that the holiday season is definitely on the way, the living and dining areas of your home are certain to get double and triple duty. If you plan them with furnishings like these, your holiday living and entertaining should be as enjoyable for you as it will be for your family and friends.

Furniture in Early American styling with a fine patina wood finish will set a warm mellow mood in any room. Both practical and fashionable are the louvred sliding doors on the buffet and chest pieces. At the same time, each has more than adequate drawer space. There are deep drawers under the storage section for linens, and shallow drawers above for silver and other miscellany.

This grouping is especially ideal for the living room with a fireplace. The seating pieces are loungy and comfortable. The lovely and attractive linen upholstery over foam rubber cushions is zippered along the sides for simple removal when cleaning is necessary.

You'll appreciate, too, the variety of sizes and shapes of occasional tables in this group. There is the dainty square for a small corner, a circular for the center of a grouping, and a step table for chair-side use for still another variation.

This surely is a furniture grouping designed to answer all the requirements for functional holiday living for you, your family and your friends.

THE HOLY GHOST CONVERTS

1. CONVERSION IS NECESSARY TO SALVATION
Matthew 18,3—Except ye be converted, ye shall not enter into the kingdom of God.
2. MAN CANNOT CONVERT HIMSELF
1 Corinthians 2,14—The natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.
Romans 8,7—The carnal mind is enmity against God.
3. CONVERSION IS ACCOMPLISHED BY THE HOLY SPIRIT
1 Corinthians 12,3—No man can say that Jesus is the Lord, but by the Holy Ghost.
4. THE HOLY SPIRIT USES MEANS TO CONVERT
Romans 10,17—Faith cometh by hearing, and hearing by the Word of God.
Titus 3,5—Not by works of righteousness which we have done, but according to His mercy He saved us by the washing of regeneration and renewing of the Holy Ghost.
5. THE HOLY SPIRIT CONTINUES TO EXERT INFLUENCE ON THE CONVERTED
1 Corinthians 6,11—But ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus and by the Spirit of our God.

ST. JOHN'S LUTHERAN CHURCH

Lariat, Texas
GENE OESCH, Pastor

At one time, man thought natural gas was a mysterious god who had to be appeased. Today, it's man's servant, supplying the heat that cooks every meal in 33 million U. S. homes.

Last year 100 Red Cross clubmobile girls provided supplemental recreational activities each month to 185,000 members of the U. S. 8th Army stationed in Korea.

The American Red Cross operates 45 regional blood centers and 110 bloodmobile units in collecting blood throughout the country for both civilian and defense use.

Seventy cents out of every dollar spent on disaster relief by the American Red Cross, is used for long-term help to the victims, in-

cluding the repairing and rebuilding of homes and small businesses, the replacing of household furnishings, and extended medical aid.

In 1954 the American Red Cross processed 1,158,000 cases for servicemen seeking Red Cross aid at military installations and hospitals, in the states and overseas.

"I shore wish I had my wife back," sighed the mountaineer. "Where is she?" asked a friend. "Sold her for a jug of mountain dew." "I reckon you're beginning to miss her." "Nope, I'm thirsty agin."

An ephemeral insect is one which is short-lived.

Molasses Barbecued Meats

Finger-length spareribs, glazed and seasoned with a molasses barbecue sauce, make most winning hot appetizers for parties. Cut the familiar way, the barbecued spareribs will be a popular dish for the family.

Canned baked beans, topped with frankfurters, are the better of taste with a savory molasses barbecue sauce stirred in before heating. Barbecued chicken, perennial favorite, can be baked or broiled with the same splendid molasses barbecue sauce.

Delicate unsulphured molasses contrasts taste-wise with the nip of prepared mustard in an easy barbecue sauce which can be made up in quantity without refrigeration. One basic recipe yields the seasoning touch to a number of favorite family meats.

Molasses Barbecue Sauce

- | | |
|--------------------------------------|------------------------------------|
| 4 tablespoons unsulphured molasses | 2 tablespoons Worcestershire sauce |
| 4 tablespoons prepared mustard | 2 teaspoons Tabasco |
| 3 tablespoons vinegar or lemon juice | 1/2 teaspoon kitchen bouquet |

Thoroughly combine unsulphured molasses and prepared mustard. Gradually stir in vinegar and Worcestershire sauce. Add Tabasco and kitchen bouquet; mix well. YIELD: 3/4 cup.

Appetizer Spareribs: Brush spareribs cut in serving portions with Molasses Barbecue Sauce. Bake in a moderate oven, (350°F.) 1 1/2 hours, brushing frequently.

Barbecued Chicken: Brush broiler halves with Molasses Barbecue Sauce; sprinkle with salt. Broil slowly, regulating heat, turning chicken and basting often. Broil 30 to 45 minutes, or until tender.

Baked Beans Pigaritz: Add 2 tablespoons Molasses Barbecue Sauce to each can baked beans; mix well. Simmer 15 minutes; top with heated frankfurters. Or bake beans and frankfurters in a moderate oven, (350°F.) 35 minutes.

From New York

Mr. and Mrs. O. W. Rhinehart had guests in their home during the Thanksgiving holidays. Among those guests was their daughter, Mrs. Bill Hagens of New York City. Sunday, Mr. and Mrs. Jack Hammonds and sons, of Clovis, and Mr. and Mrs. O. M. Hammonds, also had dinner with the Rhineharts.

Mr. and Mrs. Gene Pierce, and son, Doug, visited Mrs. Pierce's parents, Mr. and Mrs. Bob Rule, of Friona, during the holidays.

With Calaways

Mr. and Mrs. Paul Jones, and Randy, and Mr. and Mrs. Henry Reynolds were dinner guests of the C. L. Calaways' Thanksgiving Day. Mrs. Jones is a daughter of Mr. and Mrs. Calaway.

Stout woman—I want to return this washing machine. Salesman—Why, what's wrong with it?

Stout woman—Every time I get in the thing the paddles knock me off my feet.

To Burkburnett

Mrs. J. W. Wright left Bovina Thursday morning for Burkburnett, where her father was seriously ill. J. W. and their sons joined her there for the Thanksgiving holidays.

Go To Tulsa

Mr. and Mrs. Grady Sorley and children left Bovina Wednesday for Tulsa, Okla., to visit his brother and family, Mr. and Mrs. D. W. Sorley for the Thanksgiving holidays.

Visit In Cisco

Mr. and Mrs. Kenneth Horton and children, Mrs. Grace Horton, and Mr. and Mrs. Jim Guinn and children of Friona, spent the past weekend visiting Mr. and Mrs. Will Rhynes of Cisco.

Venables Visit

Mr. and Mrs. Oscar Venable, Mr. and Mrs. Elton Venable, Radford and Margaret Jo were dinner guests in the home of Mr. and Mrs. Vester Venable of Farwell during Thanksgiving. Vester and Elton are brothers.

Dinner Guests

Dinner guests in the George Whitesides home Thanksgiving were Mr. and Mrs. W. L. Tucker and family of Lovington, N. M., Mrs. L. E. Vandier of Spero, Oklahoma, and Mr. and Mrs. Bill Whitesides.

Mr. and Mrs. Billy Ray Horton and son, Mike, visited in Clovis Thanksgiving Day.

Home On Furlough

Private David Everett is home on furlough from the third Armored Division which is stationed near Fort Knox, Ky. He arrived home Thursday afternoon and will return to camp Sunday, December 4. David is the son of Mr. and Mrs. R. E. Everett.

In Amarillo

Mr. and Mrs. Rouel Barron and Jerry, and Mr. and Mrs. P. D. Barron visited in Amarillo Thursday with Mr. and Mrs. Grady Truitt and son, Jimmy.

The name "White House" was first used during Teddy Roosevelt's administration.

The legal definition of "infant" is any person not of age.

It takes about 200 bolls of cotton to make a good white shirt, figuring 3/4 pound of lint cotton per shirt. This year's cotton acreage would make a strip about 9 miles wide and 3,000 miles long.

Activity and Accident Rate May Climb

COLLEGE STATION—Farms across Texas are humming with activity. Harvest season in full-swing means longer hours of hard work with more highway travel for farm residents.

It is also the season, says W. L. Ulich, extension agricultural engineer, when farm accident statistics usually take a sharp turn upward. More and complicated machinery is used during the harvest season than for any other period of the year and the long hours on the job means more fatigue, both heavy contributors to farm accidents. Hauling the farm produce to market means more highway travel and increased chances for traffic accidents, cautions the specialist. Ulich believes that farm families can reduce accidents greatly if they'll answer a simple question. "Can I possibly get hurt doing the job this way?" If the answer is yes, better change the method of doing the job or be more careful and always alert, says the engineer.

Automobile-tractor wrecks usually increase during the fall because tractors often are used to pull trailers loaded with cotton, grain and other farm products. "be Sure," warns Ulich, "that your tractor is properly lighted if it is to be on the highway after dark."

Pork Chops a la Dixie

Tasty Pork Chops a la Dixie is a dish your family will look forward to having often. Prepared this savory Dixie way, the pork flavor is developed to the fullest. Browned chops are simmered in an easy to make Creole sauce, then served over fluffy white tender cooked rice.

Pork Chops A La Dixie Over Fluffy, Tender White Rice
Fresh Fruit Salad Garlic Bread Prune Pudding

- Ingredients:
6 pork chops
2 cups tomato juice
1 1/2 tablespoons Worcestershire sauce
1 teaspoon salt
1/2 teaspoon pepper
Dash of Tabasco sauce
1 teaspoon lemon juice
1/4 cup chopped green pepper
1 cup uncooked white rice
1 teaspoon salt
2 cups water

Method—Trim some of the fat from the chops and fry out. Remove the pieces of browned fat. Add the pork chops and brown slowly on both sides. Add the tomato juice, Worcestershire sauce, salt, pepper, Tabasco sauce, lemon juice and green pepper. Cover and cook slowly for 40 minutes or until the chops are tender.

While the pork chops cook, put the rice, salt and water in a 2- quart saucepan and bring to a vigorous boil. Turn the heat as low as possible. Cover and leave this low heat for 14 minutes. Remove saucepan from the heat but keep the lid on for 10 minutes. To serve, arrange the rice on a hot platter. Place the pork chops over the rice, and pour the Creole sauce over the rice and chops—or serve it in a separate dish. This recipe makes 6 servings.

Whittlin

(Continued From Page 1)

the teams are dishonest but judging by the hard time that was had last year in determining a winning team, I think that it might be wise to hire a referee.

However, individuals who specialize in refereeing broom sale contests are probably few and far between. And since they are few and far between, maybe everything will work out for the best without a referee. Both captains feel extremely confident of victory. That is all well and good but I know how the loser is going to feel after the thing is over.

I've had some experience in being on the losing side.

END SEASON—

(Continued from page 1.)

Opening 3-B contest by the underdog Amherst Bulldogs at Amherst. The winners scored in the first and last quarters in a game that found Bovina having one of its "cold" spells. A 24-yard Read to Ezell pass was good for the Mustangs' lone touchdown.

BOVINA 28—PLAINS 27

The gifted toe of Quarterback

Showing at the **MUSTANG** In Bovina

Matinee Every Sat. Afternoon at 2 p.m. Open at 7:00 Every Night

Tues.-Wed.Thur. Nov. 29-30 & Dec. 1

Friday & Saturday Dec. 2 & 3

"Magnificent Matador"

Sunday & Monday Dec. 4 & 5

Darrell Read and the determination of the Mustang line spelled the difference as the locals slipped by favored Plains 28-27. On the rebound from the unexpected loss to Amherst the week before, Bovina picked up its first district win in this one. Read kicked four consecutive points after touchdown.

BOVINA 33—HART 12

Playing before a smaller-than-usual home crowd, the Mustangs romped over the winless Hart Bulldogs 33-12 in this one. A substitute-filled lineup allowed underdog Hart to score two touchdowns late in the game after Bovina had taken a 21-0 halftime lead.

KRESS 13—BOVINA 6

Playing an inspired brand of football against the team that eventually won the district, the Mustangs tried hard to stage an upset over the favored Kress Kangaroos but couldn't quite turn the trick as the score ended 13-6 with Bovina on the short end.

Rated a two to four touchdown underdog, the locals tied up the game 6-6 in the third quarter but Kress came back with a touchdown and an extra point in the fourth quarter to salt the game away.

ANTON 26—BOVINA 7

The Mustangs, suffering an "off" night after being "up" against Kress the week before, went down in defeat in the hands of the Anton Bulldogs. The locals were never in the running for this one and trailed 19-0 at the half.

FARWELL 6—BOVINA 0

Nuff said. **BOVINA 33—WHITHARRAL 0** Ending the season in fine style, the Mustangs galloped smoothly and confidently over the Whitharral Panthers at Mustang Field 33-0. This was one of the "on" nights for the locals and they had no trouble, as the score indicates, in winning. The squad's seniors were honorary captains for the game.

And those seniors that were captains of that game will leave a gap that will be hard to fill next year.

Dorene Hawkins Circle Has Bible Study

The Dorene Hawkins Circle of the Women's Missionary Union met at the First Baptist Church Tuesday afternoon for Bible study. Mrs. Dean McCollum was in charge of the study.

Those attending the meeting were Mesdames La Trice Garth, Juanda Murphy, J. D. Kelley, Dean McCollum, Bobby Kelley, and Glen Kelley.

Visit in Amarillo

Mr. and Mrs. Paul Jones and Randy spent the weekend in the home of Mr. and Mrs. John Lawson of Amarillo. While visiting in Amarillo, the Joneses attended the Stinnett-Springlake bi-district football game there Saturday.

With Joneses

Mr. and Mrs. Wallace H. Rogers and Mr. and Mrs. Jerry Rogers had Thanksgiving dinner Thursday in the home of Mr. and Mrs. J. T. Jones.

Visits Brother

Rev. and Mrs. Virgil Goodwin, John and Lou Ann, visited Rev. Goodwin's brother and his family, Mr. and Mrs. Jack Goodwin, who live in Prescott, Ariz., during the Thanksgiving holidays. The Goodwins returned to Bovina Saturday night.

Mr. and Mrs. Pete Davies and children and Mr. and Mrs. Dick Shoneck, of Clovis had dinner Thursday with Mr. Davies' and Mrs. Shoneck's parents.

Order of the Rainbow Has Initiation Monday

In the traditional ceremony of the Order of the Rainbow for girls, Nita Beth Estes and Charlotte Hromas were initiated into the Bovina Assembly Number 158, Monday night. After the initiation, a business meeting was held and the date for the annual Rainbow Christmas party was set on the 19th of December.

In the dining room downstairs, refreshments of homemade cookies and punch were served to Miss-

es Fern Tipton, L'Orchid Latham, Murlene Crook, Phyllis Magness, and Judy Garrett, from Farwell; Janie Alverson, Nita Beth Estes, Charlotte Hromas, Joy Redden, Harriet Charles, Kay Leake, Jo Carol Wiley, Celia Berry, Carole Hammonds, Brenda Jones, Patsy Richards and Donna Jean Hobdy. Mrs. Alton Hobdy, Mrs. Julia Leake, and R. A. Hartsell, also attended the meeting. Mary Hartsell visited the assembly.

On the 5th of December, the regular business meeting will be held. Visitors from the Eastern Star and Masonic Lodge are in-

vited.

Visit Mexico During Holidays

Mr. and Mrs. J. B. Morton, of O'Donnell, Mr. and Mrs. Wilbur Charles, and Mrs. Stanley Baker, of Altus, Okla., took a trip to Juarez, Mexico, during the Thanksgiving holidays. Mrs. Morton, Mrs. Charles and Mrs. Baker are sisters. They returned to Bovina Saturday night and visited with another sister, Mrs. Frank Smith, Sunday.

At Rockwood

Herman Estes, and children, Kenneth and Susie, visited his parents, Mr. and Mrs. Matt Estes of Rockwood, during the Thanksgiving holidays. While they were gone, Mrs. Herman Estes and Mrs. Lucy Shamblin were dinner guests Thanksgiving Day, in the home of Mr. and Mrs. Eddie Redden.

Margaret Charles and Joyce Hammonds attended the Friona Chapter of the Order of the Eastern Star Monday night.

DID YOU KNOW?

Did you know that oil companies, like tire manufacturers have three different price classes of motor oils?

Did you know that motor oils sold by retail stores and mail order houses are made by major oil companies and for a consideration are branded with the name of the seller?

Did you know that no oil company will sell its BEST grade of oil under these conditions?

Did you know that there is a H. D. (high detergent) oil available in all three price classes?

Did you know that crude oil is high, that labor is high, that machinery is high, and that no company can manufacture a good grade of motor oil and sell it at a cheap price?

There is available for every standard brand of oil a set of specifications.

Come by and let's talk specifications.

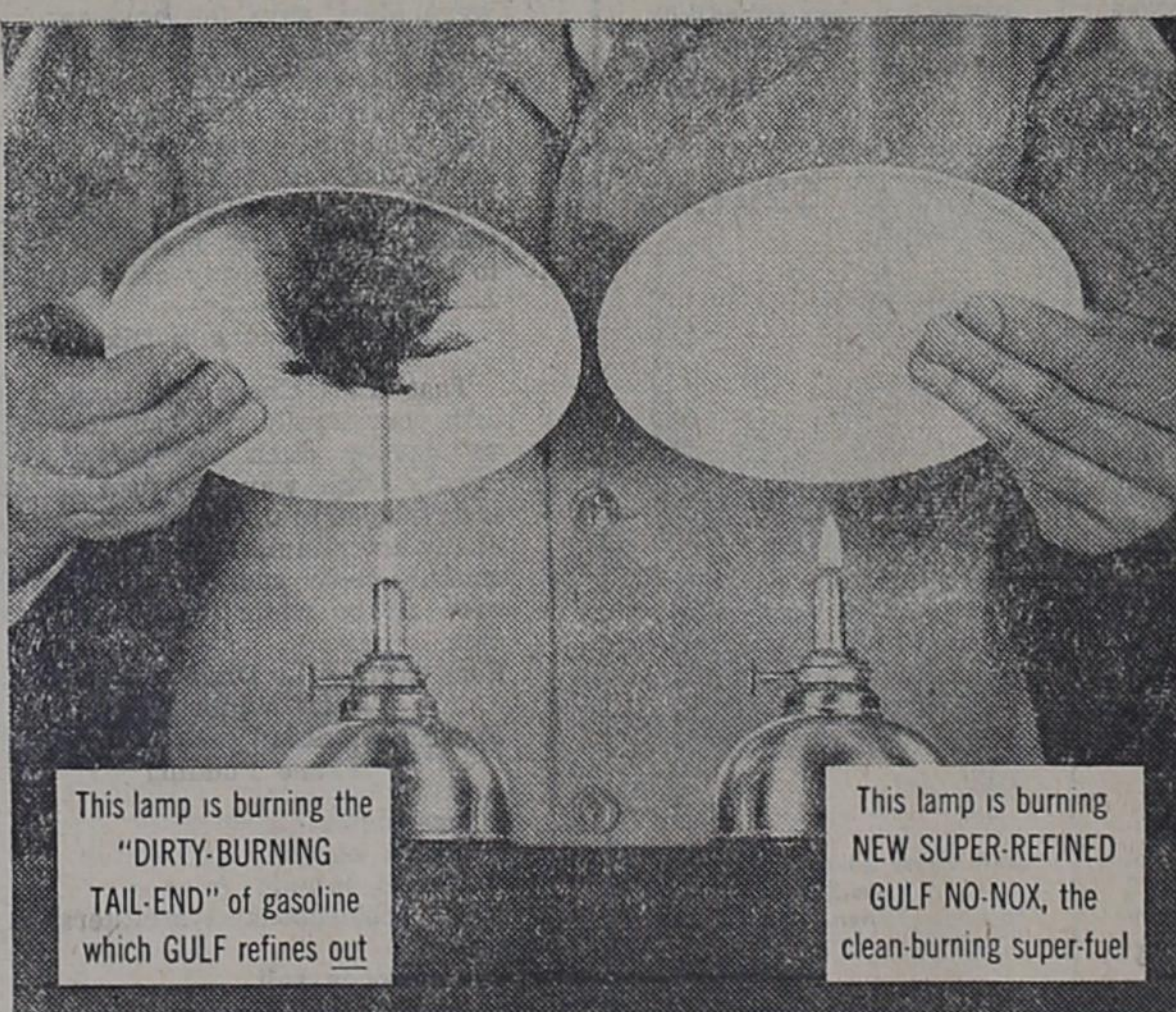

Our company has been manufacturing quality oils for 54 years. It has one of the largest petroleum research laboratories in the world. We can give you the benefit of that experience and research and meet or beat the price or quality of all grades with Gulf Supreme, Gulf Lube, Gulf Lube H. D., Gulfpride, Gulfpride H. D. or Gulfpride Select.

GULF OIL CORP.

TOMMY BONDS

— Wholesale and Retail —

New Gulf No-Nox gives you not just the highest octane but... full working octane

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

Remember this picture? This is Gulf's famous burner demonstration—proof of what a difference Gulf super-refining makes. Notice that Gulf refines out the "dirty-burning tail-end" of gasoline... instead of fighting it, inside your engine, with so-called "miracle-additives." That's why new, clean-burning Gulf NO-NOX can promise you not just highest octane, but full working octane.

because it's super-refined to burn clean

No gasoline, no matter how high the octane, can keep on giving you full power from your engine unless it burns clean.

That's why New Gulf NO-NOX is your best gasoline buy. In making new NO-NOX, Gulf refines out the "dirty-burning tail-end" of gasoline, the No. 1 troublemaker in today's high-compression engines.

As a result, you get a clean-burning gasoline that gives you:

- More complete engine protection than you get with so-called "miracle-additive" gasolines
- Extra gasoline mileage in the kind of short-trip, stop-and-go driving motorists do most
- Freedom from vapor lock, stalling and stumbling in hot-weather driving
- No knock, no surface pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf No-Nox Gasoline and **New Gulfpride H.D. Select Motor Oil**

The only motor oil in the world that's super-refined by the Alchlor Process for modern high-compression engines.

- Controls carbon—cause of knock, pre-ignition, valve failure.
- Combats corrosive acids, rust and deposits on engine parts.
- Assures lower oil consumption than "all-season" oils.
- Provides the toughest protective film ever developed.

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30—for each season.

PLOW DOWN PHILLIPS 66 AGRICULTURAL AMMONIA NOW!

Get your crops off to a good start... plow down ammonia this fall.

Fall applied Phillips 66 Agricultural Ammonia helps your soil break down stalks, roots and other crop residues. It speeds up decomposition. It enriches the soil... improves structure and fertility. Your soils work easier in the spring. No trash to interfere with planting.

With several years experience to back them up, many successful farmers report higher yields from fall applied ammonia than from equivalent nitrogen applied in the spring.

Get the facts on fall plow down of Phillips 66 Agricultural Ammonia!
