LIONS ROAR

There were only a few Lions out to the regular meeting last Thursday night, but quite a lot was accomplished, and everyone had a fine time. Our only guest for the meeting was Jack Hoggard, who is a part time Hedley resident, and who did a fine job in getting a paying carnival into Hedley for the Cotton Festival.

It was voted to set up a program in addition to our project of the month, whereby the entire community has a hand in choosing the project we will use. There will be a suggestion box located in some of the business houses in Hedley, and anyone who wishes to may drop a suggestion into the box telling something they think the Lions Club should sponsor. It may be a big project, or a small one. All suggestions are welcome. The club will then go over all the suggestions, and pick the one they think merits their attention first. If there is some special project, and several people want to present it in person, they can meet with the Lions Club Board of Directors, any time there are as many as four

of them behind one suggestion.

The club decided not to meet on Thanksgiving which would be our regular meeting night. We'll have the chili supper this Thursday night, starting at 5:30, and furnishing all the chili you can eat for 75¢. Stephens-Davis

Miss Linda Kay Davis and John Lee Stephens were united in marriage at 8 p. m. on Nov. 13 at the First Baptist Church. Rev. J. S. Tipton read the double ring ceremony.

Miss Sharon Davis, sister of the bride, was maid of honor, and Bobby Stephens, brother of the groom, served as best man.

The bride wore a blue wool sheath dress with embroidered jacket and matching hat. She carried a pearl covered Bible.

Appropriate wedding music was played by Miss Patti Patton.

The bride is the daughter of Mrs. Elva Davis and was a 1959 graduate of Hedley High School. The groom is the son of Mr. and Mrs. John Stephens and was also a 1959 graduate of Hedley High School. Both bride and groom are attending Clarendon Junior College at this time.

Chili Supper to Aid Crippled Children

Members of Lions Clubs throughout Texas this month are pausing to pay recognition to their camp for crippled children which has given 4,284 handicapped youngsters a new dimension of freedom since it was opened in 1953.

The camp, located at Kerrville in the Hill Country of Central Texas, is free to any crippled blind, deaf or mute child between the ages of 7 and 16. The 16 permanent buildings dotting the 504 hillside acres represent an investment of more than \$600,000.

At the camp, these youngsters who have been denied a normal childhood through no fault of their own learn to shed their shyness imposed by their handicaps. By mutual association with other handicapped children and by skillful and gentle counseling, these youngsters have found the freedom to grow, mentally and spiritually, into useful citizens of tomorrow.

Hedley Lions Club's tribute to the camp for this year is in the form of a fund raising project. The club invites everyone to come out to their chili supper on Thursday night, Nov. 19. You can eat all the chili you want, then visit or play games. The serving will start early so that those who wish to attend the church services in
