VOL. 56

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 11, 1966

NO. 17

Resolution of Respect Joe Holland

Whereas, the Supreme Architect of the Universe in His Infinite Wisdom has called our Brother, Tommy W. Bain, from the fields of labor to rest in that House not made with human hands, everlasting and eternal.

Now therefore be it resolved that Hedley Lodge A. F. & A. M. No 991, "Pause for a moment with reverent breath to speak of the angel whom mortals call death, the gavel has sounded which none disobey, and for friend true and tried we sorrow today."

"Who shall ascend into the hills of the Lord,

Or who shall stand in His Holy Place?

He that hath clean hands and a pure heart

Lord, who shall abide in thy Tabernacle?

Who shall abide or dwell in thy Holy Hill?

He that walketh uprightly and worketh

Righteousness and speaketh the truth in his heart."

Be it further resolved, that we submit a copy of this resolution of respect to the family of our departed brother, a copy for publication, and a third copy to be given to the secretary of Hedley Lodge A. F. & A. M. No 991 to be regularly entered upon the minutes thereof.

Respectfully submitted,
The Committee:
Forest Morton
Frank Lindsey Jr.
Virgil McPherson

The Road Report . . . BY ARBA

"About one-half of fatal accidents are single-car accidents."

Faulty driving, emergencies and distractions are the main cause of single-car accidents involving women. Those involving men are usually the result of speed, drinking or drowsiness. The chances of being involved in a single-car accident are about 2½ times greater if the driver is alone.

WATCH FOR THESE SEALS OF PROTECTION—When one of these three seals appears on a product or scale in the supermarket or on service station gasoline pumps, it means an inspector of the Texas Department of Agriculture has made a consumer protection inspection. The seals, bearing the signature of Commissioner John C. White, assure Texas housewives and motorists of getting full value, measure, or quality for the shopping dollar on such commodities as eggs, pre-packaged meats and foods and gasoline.

Trees and Shrubs Available

Texas farmers and ranchmen can get low cost trees and shrubs for windbreak, soil stabilization and Christmas tree plantings, reports Bill Smith, Extension forester. Application forms for ordering the trees from the Texas Forest Service are available at the offices of local county agents. Planting stock available includes black walnut, catalpa, mulberry, bois d'arc, loblolly pine, red cedar, sycamore and euonymus.

Check Stored Grain

Damaged grain can result from moisture migration at this season, and W S Allen, Extension agricultural engineer at Texas A & M University, suggests a check of grain storage be made now. Deterioration, he adds, may be found near the top center of the grain bin if damage is from moisture migration.
