Hedley School States Its Free Lunch Policy

Superintendent Garlon Freeman has announced that the Hedley schools will again this year provide free, or lunches at a reduced price to children whose families cannot afford to pay the full price. Regular priced school lunches are Elementary 35¢, High School 40¢ school employees 40¢ and visitors \$1.00. He said that forms had been made available showing family size and income eligibility requirements.

In deciding if children are eligible for either a free or reduced price lunch, we will also take into consideration any unusual circumstances such as prolonged illness, unexpected expenses due to disaster, seasonal unemployment and similar emergency situations.

All applications will be reviewed by Freeman within three days and parents notified promptly as to the decision. Freeman said that if children were found to be eligible to receive reduced price lunches, parents would be notified as to the amount they will be expected to pay.

Any parent who feels that they cannot pay the amount listed, or whose application is rejected may appeal the decision Freeman said. All applications will be handled privately and information will be kept strictly confidential, he said. Children who receive free or reduced lunches will be treated in the same manner as those who pay the full price for the lunches. Every possible effort will be made to make sure that no one other than

City Sales Tax

The City of Hedley having received a petition, bearing the names of a sufficient number of qualified voters, requesting that an election be held to adopt the local sales and use tax in the City of Hedley an election for such purpose has been called for Sept. 18, 1971, at the City Hall in Hedley. Ross Springer has been named Presiding Judge and L. D. Messer Alternate Presiding Judge, and two clerks will be appointed by Mr Springer

If the issue carries, the tax will be at the rate of 1%, and will be collected together with the state sales tax making a total of .5% sales tax, which is the same as in most of our neighboring towns

Many Hedley citizens have spoken in favor of this tax. Everyone knows, of course that the city has lost a substantial amount in tax valuations. Also, due to state regulations, the cost of operation of the city junk ground has had considerable increase

Hedley's Greenbelt water payments increased \$76 per month for the fiscal year which began July 1st, making our monthly water payment now \$1030

The city is trying to absorb the increased water cost and the increased cost on the junk ground without raising the water rates. The sales tax could be a great help in this effort.

Incidentally, please investigate the water rates of some other towns, and we believe you will appreciate your local rates more

New Law

Austin—A new state law effective Aug 30 will no longer permit Texas motorists to stop and then pass a school bus which is loading or unloading children.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said the new law, passed by the 62nd Legislature, applies in both cities and rural areas and requires motorists moving both directions on the same roadway with a school bus to stop and remain stopped as long as the flashing lights on the bus are in operation.

Mr and Mrs Lee Roy Conrad of Amarillo visited the Roy McKees over the week end.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
