

### Meet Mrs. Dodson, School Tax Lady

By SALLY WHITESIDES

A new face is being seen now days in Bovina Independent School District Tax office. It is the face of Mrs. Roy B. Dodson, who took over the duties of that office the first day of March.

Mrs. Dodson was born in Center, which is about sixty miles from Shreveport, Louisiana. She received her training in business administration in a business college at Dallas. She, and her parents, Mr. and Mrs. E. C. Strawn, moved to West Texas in 1923.

Working first in the school tax office in Olton, she met and later married her husband, Roy, who was an electrician at that time. He now owns and operates a farm seven miles west of Bovina. They have a son, Roy Charles, 15, who is a freshman in high school.

Although Mrs. Dodson has worked most of her married life, her home is still her main interest. She is a music enthusiast and enjoys semi-classical and "slow" popular music in her leisure hours. Several years ago, she took up piano lessons, but had to drop them because of her heavy work schedule.

A pleasant, warm person to be around, Mrs. Dodson is intensely interested in the young people of today and is always ready to cooperate in any way with teachers and students for the improvement of the school system.

The Dodsons moved to Bovina in February from Littlefield, where they had made their home for many years. She worked, under the direction of Mrs. Letha Turner, former tax assessor-collector, for about two weeks prior to taking over the duties completely.

As tax assessor-collector, Mrs. Dodson is well qualified. She has worked a total of over nine years in such positions. Part of this time in Olton, but more recently in Lamb County Tax office in Littlefield.

The first school tax assessor and collector for Bovina schools was J. S. Potts. He was named to the post shortly after Bovina became an independent school district in 1928. Others who have been in charge of the duties since have been M. H. Martin, A. J. Routt and Mrs. Turner.

As an independent school district, taxes amounting to approximately \$100,000 annually are levied and collected for this school. All of this money goes to the upkeep and expenditures of the local public school. This amount does not completely cover all the expenses of the school. The state of Texas allows a certain percentage in addition for the use of the Bovina Schools from the state budget each year.

Mrs. Dodson's duties are to keep an itemized budget account of the expenditures of the school — such as teachers' wages, maintenance of school buildings and buses, bus drivers' salaries and the purchase of all equipment. This is in addition to the assessing and collecting of the school taxes for the area.

The valuation of the properties is done by the school board, rather than the assessor-collector. Members of the school board are Earl Stevenson, president, Boye Taylor, Elmo Dean, A. C. Teter,

Ovid Lawlis, E. A. Steelman and Wendol Christian. They set the value of the property. It is Mrs. Dodson's duty to make out and balance the books of the school.

The Dodson family is well pleased with their new home here in town; (they bought the former home of Mr. and Mrs. Turner) but have found one disappointment since moving here. Their son, Roy Charles, is very interested in Boy Scout work. He has been an active member of the Boys Scouts for about three years and received his God and Country Badge for outstanding service, about the time they moved to Bovina. His father, also interested in scouting, has been a counselor for the past two years in the Spade and Muleshoe area. Dodson says he is willing and eager to do anything possible to assist others to start a Boy Scout Troop in Bovina.

Mrs. Dodson holds a life membership in the Texas Congress of Parent and Teachers Association. She was awarded this honor about three years ago for outstanding service in the Lamb County PTA. Mrs. Dodson now holds the office of secretary of the Lamb County Council of the Parent-Teachers Association.

Another interest in this busy woman's life is her Eastern Star work. She has been an active member of the OES for about seven years and held the position of Conductress prior to moving to Bovina. They are also active members of Bovina First Baptist Church.

Another hobby of the family is horticulture. She, especially, loves growing plants of any sort and has a much coveted "green thumb" when it comes to growing things.

Thus this charming, cooperative lady, who so recently took her place on the payroll of the Bovina Schools, is settling down to being a homemaker as well as professional woman in Bovina. Those who will meet her in the future are sure to agree with those who are already associated with her; she is already a part of the busy life of Bovina community.

#### Baptist Members Present Play

A play, cast from members of the Women's Missionary Union of the First Baptist Church, and under the direction of Mrs. Arnold Hromas, was presented Sunday evening in the sanctuary of the church. The play, "The Life and Work of Annie Armstrong" was done in four scenes. It was about the life of an outstanding home missionary. She was born and reared in the middle of the nineteenth century and she was the organizer of the WMU and did a great deal of work with American Indians.

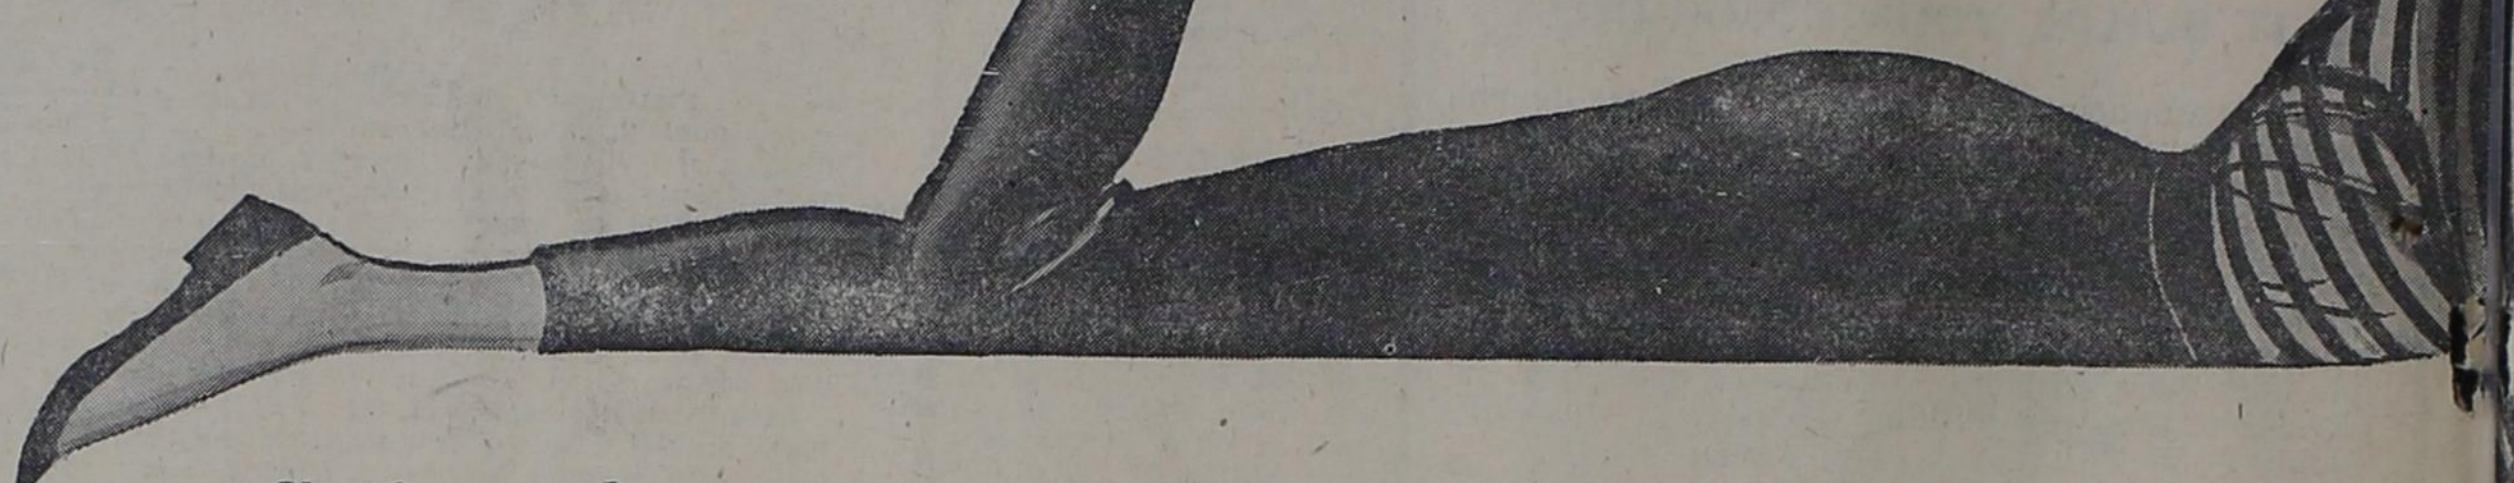

Those taking part in the play were Mr. and Mrs. Don Murphy, Mrs. R. N. Williford, Mrs. Ovid Lawlis, Mrs. Bobby Englant, Mrs. Leslie McCain, Mrs. J. D. Kirkpatrick, Ken Horn and Mrs. Virgil Goodwin.

Special music was given by Leslie McCain and Grady Sorley. The play, which told the story of the missionary's life, was an introduction to the members of the church of the annual Annie Armstrong Missionary donations, which go toward mission work.

#### To Pala Duro

Rev. and Mrs. Goodwin took their children, John and Lou Ann, to Palo Duro Canyon Friday for the day. They had a picnic in the canyon and spent the afternoon touring the museum in Canyon. They were accompanied by Ken Horn, son of Mr. and Mrs. Johnie Horn.

### 4-H Girls Have Good Breakfast Demonstration

Members of Junior Girls 4-H Club met Thursday morning, February 28, in the Homemaking Cottage for a demonstration. Miss Jimmie Lou Wainscott, County Home Demonstration agent, gave the girls a demonstration of "good" and "poor" breakfasts. She lectured the girls on what makes a nutritious breakfast.

During a business meeting, the group made plans for National 4-H Week and also discussed plans for concession stands at the County Calf Show, to be held in April in Friona. Money derived from the sale of concessions will go toward sending county delegates to the 4-H Roundup in August.

Among those present for the meeting were Donna Suddarth, Nellie Bea Crook, Joyce Burnett, Shirley Joplin, Mary Ramirez, Joyce Marshall, Ann Lynn Wilson, Elizabeth Drager, Judy Crawford, Jeanie Ivy, Dixie Hartzog, Virginia Rea and Miss Wainscott.

### Mrs. Kunselman Hostess To Dorcas Circle Members

Mrs. Pat Kunselman was hostess Wednesday to the regular meeting of the Dorcas Circle of the Methodist Church. The meeting was held in the new home of Mrs. Kunselman's mother, Mrs. John Wilson.

The group gathered in the forenoon and had a covered dish dinner before the meeting was called to order. During the business session, with Mrs. Earl Richards, chairman of the circle, in charge; Mrs. G. A. Bandy read the minutes of the previous meeting, followed by a roll call. It was answered by the recitation of each member's favorite Bible scripture.

Mrs. Bandy, secretary, also read a letter from Waco Methodist Home for children, expressing the appreciation of William Capps for his birthday present. The group also was told by Mrs. Bandy that she had received a letter from the manager of the home informing them of plans for William's spring wardrobe. Members voted to send \$50 to the home to cover this expense. William Capps is a boy, living in the home, who has become the project of the Dorcas Circle. They provide him with clothes, gifts and a few extras.

The group discussed money raising campaigns and decided to continue making tea towels for sale to the public. It was also announced by Mrs. Grissom that World Day of Prayer would be held Friday afternoon in the church.

The program for the day was under the direction of Mrs. L. M. Grissom. She gave a report on the fifth chapter of the book, "Paul's Letters to the Churches," from which they have been studying for some time. The devotional was given by Mrs. I. W. Quickel and Mrs. L. H. Pesch gave the opening prayer. The meeting was closed with the circle benediction.

Guests for the dinner, other than members, were Pat Kunselman, A. G. White and Vickie and John Art Kunselman. Mrs. Wilbur Charles

visited briefly with the group.

Members present were Miss Lola Grissom, Mrs. Wilson, Mrs. Mabel Newberry, Mrs. T. J. Hopingardner, Mrs. Lloyd C. Battey, Mrs. Earl Richards, Mrs. Frank Wilson, Mrs. Quickel, Mrs. Kunselman, Mrs. Bandy, Mrs. Elmer Lowrie, Mrs. Grissom and Mrs. Pesch.

The next meeting will be held Wednesday, April 3, in the home of Mrs. Richards.

### Congratulations

Airman first class and Mrs. Bob Webb became parents of a daughter in Farmer County Community Hospital in Friona. The little girl, Barbara Kay, was born Tuesday of last week and weighed six pounds.

Her father, who was home on furlough for the event, is stationed in Georgia. Mother and daughter were released from the hospital Sunday afternoon.

### From Nebraska

Visiting in the home of Mr. and Mrs. L. M. Grissom is their daughter, Mrs. Bill Crume and baby son, Don Delane, of Lincoln, Nebraska. They arrived Wednesday of last week and plan to spend about two more weeks with her parents here. Her husband, First Lt. Bill Crume, who is permanently stationed in Lincoln, is now at Wichita, Kansas for further training.

### Methodist Church Has Day of Prayer

"Who Shall Separate Us" was the theme of the afternoon services held at the Methodist Church Friday evening. Members of the church were commemorating the all church world-wide day of prayer services.

"Who Shall Separate Us From Those Who Live Behind the So-Called Iron Curtain" was an article read by Mrs. L. M. Grissom. The article was written by Serena Vasady, who recently escaped from Hungary.

### To Amarillo

Carrol Burnam went to Amarillo Friday afternoon to visit with his sister and husband, Mr. and Mrs. Erith Hawkins. He and Mr. and Mrs. Hawkins returned to Bovina Saturday where they visited with friends and relatives. Mr. and Mrs. Hawkins were guests in the home of her parents, Mr. and Mrs. Bill Burnam and with his parents, Mr. and Mrs. Roy Hawkins.

Mr. Businessman, advertising is the most economical method of making a product easier to sell.

### Mrs. Caldwell Is Hostess To Guild Meeting Monday

Members of Bovina Wesleyan Service Guild met Monday evening in the home of Mrs. Margaret Caldwell for a regular meeting. Mrs. Bedford Caldwell continued the study of "The Church in Southeast Asia."

During a business meeting, held under the direction of Mrs. Zonalynn Stevens, president, a discussion was held about attending the annual area meeting of the Wesleyan Service Guild. The two day convention will be held Saturday and Sunday, March 23-24, in Snyder. It was agreed by members to send Mrs. Stevens, president, and Mrs. Sally Whitesides, secretary, to this meeting.

Mrs. Bedford Caldwell is in charge of the study now in progress. Others taking part on the program were Mrs. Margaret Caldwell, Miss Rita Caldwell, Mrs. Elsie Block, Mrs. Leola Williams, Mrs. Whitesides, Miss Grace Paul and Miss Lillian Fisher.

St. Patrick's Day colors of green and white were used by the hostess and her daughter, Miss Rita Caldwell, in the serving of refreshments of angel food cake and lime sherbit. The table was laid with a white damask cloth and a centerpiece of a cut glass hat, banded

with green ribbon, and a white pipe, also trimmed in green. Green tapers flanked the arrangement.

Those present for the meeting were Miss Fisher, Mrs. Williams, Mrs. Margaret Caldwell, Mrs. Fleta Terry, Mrs. Lucille Farrell, Mrs. Zonalynn Stevens, Miss Rita Caldwell, Mrs. Whitesides, Mrs. Sue Charles, Mrs. Bedford Caldwell, Mrs. Juanita Hastings, Miss Paul, Mrs. Block and Mrs. Nettie Charles.

Next meeting will be the conclusion of the present study. It will be Monday evening, March 25, in the fellowship hall of the Methodist Church.

Mrs. Margaret Charles, Worthy Matron of the Bovina Order of Eastern Star, announced the next meeting of the Bovina OES will be Thursday evening, March 21, and will honor all past matrons and past patrons. Mrs. Charles will be in charge of the program and Mrs. Evelyn Macon, Mrs. Emma Beard and Mrs. Mary Ruth Martin will be hostesses for the meeting.

Mrs. Charles urges all past matrons and past patrons to attend.

### Study Club Has Annual Texas Day

"The State of Texas" was the theme of the program Monday afternoon when members of Bovina Woman's Study Club met in the club house. The meeting was scheduled three days ahead of the usual date due to conflict with the district Woman's Study Club convention to be held in Amarillo Thursday and Friday of this week.

The meeting was called to order and Mrs. Bill Bradshaw, acting secretary, read the roll. Roll call was answered with a tall tale about Texas.

Reports were given by several committees. Mrs. Buck Ellison reported the planting of trees around the club house and plans were made to acquire additional gravel for the club house parking area.

A round table discussion was held by members on the traffic problems of Bovina and the civic committee was assigned to investigate the traffic and other law enforcement problems. Mrs. A. B. Wilkinson made a motion for investigation and the motion was carried.

### To Missouri

E. M. Ware accompanied his wife's brother, Clell Windom, of Amarillo, to Wabelo, Missouri the early part of last week. Mrs. Ware spent Friday, Saturday, Sunday and Monday, visiting with her brother's wife, Mrs. Windom of Amarillo.

### Marzie Lynn Circle Completes Study

Mrs. Rouel Barron directed the study of the closing chapter of the book, "Youth in a Responsible Society" at a regular meeting of the Marzie Lynn Circle Tuesday afternoon of last week. The meeting was held in the parlor of the church.

Mrs. Billie Sudderth, who usually teaches the lesson, was ill and Mrs. Barron was substituting for her. Others who helped were Mrs. Earl Stevenson who spoke on "Schools in Transition" and "The Patterns in Adjustment." "Response to the Supreme Court Decisions on Segregation" was also discussed by Mrs. Stevenson.

The group sang songs led by Mrs. E. M. Ware. The meeting was closed with the circle benediction.

Those present for the afternoon were Mrs. Barron, Mrs. Stevenson, Mrs. Eddie Redden, Mrs. O. H. Jones, Mrs. Frank Hastings and Mrs. Ware.

Mrs. Wilbur Charles led the group in prayer and Mrs. Bedford Caldwell led the singing, accompanied by Mrs. Margaret Caldwell on the piano.

Mrs. H. J. Charles gave the call to worship and Mrs. Pesch and Mrs. G. A. Bandy also took parts.

Others present and assisting with the study were Mrs. Eddie Redden, Mrs. E. M. Ware, Mrs. C. F. Hastings, Mrs. George Turner, and Rita Caldwell.

Mrs. Amos Steelman, Mrs. A. B. Wilkinson, Mrs. Ike Quickel, Mrs. O. W. Rhinehart, Mrs. J. R. Caldwell, Mrs. E. J. Hodges, and Mrs. Frank Pesch.

Mrs. Troy Fuller, Mrs. Lewis Pesch, Mrs. P. A. Adams and Mrs. Amos Shockey were named to the club house committee and Mrs. Charles A. Ross, Mrs. Ovid Lawlis, Mrs. Joe M. Brown and Mrs. Billie Sudderth were named to the civic committee.

The membership committee will be made up of Mrs. Arnold Hromas, Mrs. Johnnie Horn, Mrs. Art Mast and Mrs. Arlin Hartzog.

Mrs. Ellison was in charge of part of the program, telling several legends about Texas. She told a legend about the sandhills south of Muleshoe once being a flowing river; how one great sandstorm choked the river and filled it in with sand. From that time, hundreds of years ago, Mrs. Ellison brought history up to date with the development of the land. She acquired her material from state offices in Austin.

Mrs. Clarence Jones spoke on the "True Greatness of Texas," telling the size, population and industries of the state. She gave a historical background of the state, telling how it has been an independent nation, has served under six flags, and many other parts of its history. She also made a points to mention last, but not least, the friendly spirit of the people of the state.

Following the meeting, Mrs. J. P. Macon was hostess and served refreshments of lemon bisque, topped with cherries, with coffee and tea. The hall was decorated with spring flowers and a floral centerpiece of apricot blossoms graced the table.

The next regular meeting of the club will be Thursday, March 28, in the club house.

### Masons and OES Honored In Friona

Bovina members of the Order of Eastern Star and Masons were honored Monday evening with a program and meal by the members of the Friona Chapters of OES and Masons. Hereford Chapters were also honored at the meeting.

Colored slides were shown of the Eastern Star temple in Washington, D. C., and a snack supper was provided.

Those attending from Bovina were Mrs. Aubrey Brock, Mr. and Mrs. H. J. Charles, Mrs. Reagan Looney, Mrs. Mary Ruth Martin, Mrs. Roylene Keel and Mrs. Roy Hawkins.

Friona's honoring of the two neighbor chapters is an annual event due to the Friona Chapters being made up of part of the original members of the two other chapters.

AT KICK-OFF BANQUET — Addressing Farm Bureau members at the annual kick-off banquet Monday night was Millard Shivers, standing. Also at the speaker's table to Shivers' right are Hub King, Mr. and Mrs. Gilbert Kaltwasser, and Raymond Euler.

## Shivers Peps Drive For Farm Bureau At Kick-Off Meeting

Millard Shivers, organizational director for Texas Farm Bureau, pepped up membership workers at a banquet Monday night which started the annual drive for membership in Parmer County for the Farm Bureau. Membership goal is 650.

Speaking to a crowd of 100 persons, the Texas FB man reviewed the fundamentals of Farm Bureau as an organization and gave workers some practical working knowledge to be applied to their jobs of getting new members and keeping old ones.

Also on hand for the session was Hub King of Lamesa, who is state director for District II, which includes Parmer County. King took the floor for a few minutes to talk legislative matters. Jack Patterson, chairman of the membership drive in the county, presented captains and workers from the various communities, and the meeting had an informal "get-acquainted" air.

Shivers, who told his audience that the farm population has dwindled to less than 13 percent

of the population of the nation, reviewed the problems of surpluses and markets which face agriculture today.

He had a sharp tongue for critics of Bureau policy who have stood for any fixed political ideologies. "In the past," he said, "we have stood for rigid price supports, and we have stood for flexible supports. We have had American Farm Bureau presidents who were Republicans, and we have had presidents who were Democrats."

He underscored the pliability of Bureau policy, which is revised "from the grass roots up" each year, and changes as the ideas of Farm Bureau membership changes.

Shivers said that Farm Bureau has noticed that surplus agriculture commodities have been accumulated under both rigid and flexible price support programs, and that the real need is for development of markets.

To illustrate how impractical it is to control surpluses with acreage allotments, he read off the acreage cuts of various basic commodities that would be needed to bring production in line with demand.

In a question-and-answer session following his talk, the director said, "the government is not a market, and never has been."

County FB President Gilbert Kaltwasser talked for a few minutes, emphasizing the Bureau's belief that free enterprise, individual initiative, and freedom of choice constitute basic components of policy. "Big government makes small men," he said at one point.

"Controls may help for a while, but sooner or later, government will dominate us."

## County FB Leaders Attend Dist. II Meet

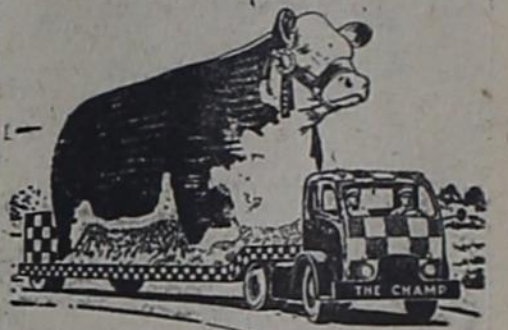

Gilbert Kaltwasser, Jack Patterson and Harry Hamilton, president, vice-president and legislative director, respectively, attended a District II Farm Bureau meeting in Lubbock last Thursday. The meeting, held in the Lubbock Hotel, was called by Hub King, state director, to discuss necessary action in obtaining further needed legislation affecting farmers.

Also attending was J. T. Jones. Additional appropriations to Extension Service and experiment stations for use in furthering research, egg grading and the labeling law, water legislation, more leniency in the use of farm licensed pickups, redistricting of commissioners precincts were among the subjects aired.

Upon their return, the men expressed concern about some of the proposals being made for a water law in the state. It seems that there is a concerted effort again to deliver the water under the owner's land to the state in order that the state may direct the use of it. "Farm Bureau has helped defeat passage of legislation previously," according to Hamilton, "and we need the support of every Parmer County farmer and property owner in defeating it again," he added.

Farm Bureau officials have conferred with Governor Price Daniel in their efforts to gain the needed appropriations for research and marketing projects within Extension Service and experiment stations, said Kaltwasser, and "it is important that we make every effort to gain this legislation in the interest of continued volume-profit production of our commodities." Dan Arnold, secretary of Oklahoma Farm Bureau, was principal speaker at a banquet in the evening.

### SOIL CONVERSATION

"Grasses and Legumes Make a Salad Bowl Out of a Dust Bowl"

Soil Conservation Society of America

Crows know that grasses and legumes make a nutritious diet for livestock and safe cover for the land. No "black dusts" on this farm. You too can grow such crops. See your local soil conservation district soon.

#### SOIL CONSERVATION DISTRICT NEWS

#### OUR SOIL ★ OUR STRENGTH

The Parmer County Soil Conservation District board of supervisors have worked up a newsletter to send to each civic organization, church group, farm organization, and any other interested group on a conservation program to be presented by the supervisor of that subdivision.

If you are interested in a conservation program and did not receive a list, please contact Steve Messenger for one of those. The supervisors thought this would be a good way of getting over to the local citizens and farmers what the district can do for them. A list of selected conservation films are

available for use on the program also. Contact your supervisor to arrange for the program.

We are having good participation in the tree program sponsored by the district. To the present date, we have applications for 350 potted Arizona Cypress trees. We are still taking applications for these trees. You may make applications in Friona at Steve Messenger's office, or at County Agent Joe Jones' office in the county courthouse.

Interest in the District-sponsored essay contest on soil and water conservation is growing. Several have been around to pick up some information on the District and its activities. If we can help in any way, let us know.

Mr. Businessman, sales records prove that it is much more economical and efficient to conduct consistent and frequent advertising.

## Jr. Stock Show Set For April

Parmer County's annual Junior Livestock Show will be Friday, April 12. This decision was made by directors of the Parmer County Dairy Show and Fair, parent organization.

The directors assembled at the Villa Cafe in Friona Monday evening. Present were County Agent Joe Jones, general superintendent; Clyde Hays, vice-president; Bill Sheehan, secretary-treasurer; and Ellis Tatum, Jack Black, and J. T. Gee. The latter two men are FFA advisors from Lazbuddie and Friona.

This was the first action to be taken on the show this year, and plans are as yet incomplete. The show will be in the fairbarns in Friona, and will feature stock of FFA and 4-H youngsters of the county. Agent Jones will arrange for judges.

### NEWS FROM THE FARM BUREAU

By RAYMOND EULER

According to USDA, 16,155,230 acres of land were signed up under the 1957 acreage reserve program of the soil bank through February 22. If all those comply, they can earn nearly \$415 million. That figure is an average of about \$12.57 per acre, according to our division.

President Gilbert Kaltwasser came in with a telegram from Senator Andy Rogers Saturday, requesting him to contact Parmer County egg producers and urge them to give written support to the Texas egg grading and labeling bill. Gilbert contacted all he could locate, and they indicated they would write their support to Rogers. The bill is similar in purpose to the field seed labeling bill sponsored by Farm Bureau which passed last year.

It would protect Texas producers of quality eggs from competition with unlabeled eggs culled from adjoining states and dumped on Texas markets. It is a protective measure for the consumer as well as the producer. Large out-of-state egg distributors are lobbying

strongly against passage of this bill which would result in their having to produce better quality eggs, since Texas is the only dumping ground for them. Other states have such laws.

If you are familiar with the battle Texas electric co-ops have been engaged in the last few years, you will be interested in the ruling handed down recently by the Texas Supreme Court regarding the Texas Rural Cooperative Act. Number one is that it would be illegal for the co-op to serve the farm of a man who lives in town. Number four ruling is that it would be perfectly legal for the co-op to build a line into a city like Dallas or Amarillo to serve an old co-op member who moved from the farm into town.

"Supreme" is beginning to sound like a joke when used in relation to the high courts of our land. These rulings, believe it or not, are the law in Texas at the present moment. Representative Jameson is introducing a bill (HB 547) which would amend the TECCA to provide a sensible specific legal rights definition for Texas Co-ops.

Consider this: He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the Lord. Proverbs 17:15.

### 4-H News

Lazbuddie Junior Boys 4-H News  
Gary Mac Brown, Reporter

The Lazbuddie junior boys 4-H Club met in the sixth grade room at school on February 26. The meeting was called to order by president Calvin Mason. The minutes

were read by Eugene Houston, secretary. The pledge leader, Terry Darling, led the club in the 4-H pledge. The meeting was then turned over to Joe Jones, county agent. He talked about how to fertilize the land for crop contests. He also discussed varieties of hybrid sorghums that would be good to use. We had one new member, Kenneth McGehee.

Mr. Businessman, the wisest use of advertising is built on consistent plugging.
