

## WHITTLIN'

By DOLPH MOTEN

Congratulations, Republicans, on your success at the polls last week.

We hope you get accomplished what you want in the next four years.

We don't think you'll like it if you do, but maybe we'll be wrong.

Parmer County, to the surprise of no one, really, went for Nixon like a duck going for water. The GOP presidential candidate got just over half of Parmer's 3146 votes. Humphrey and Wallace fairly evenly divided the remainder with the Democratic candidate getting 833 of those and Wallace 730.

In the losing effort, Democratically speaking, Bovina continues to be the Demo stronghold in the county. The total here was 206 for Nixon and 202 for Humphrey. Percentage-wise, that was a heap better than HHH did in any of the other boxes in this county. Without the Wallace vote here, which totaled 136, Humphrey would probably have had the lead by a good margin.

In three of the nine boxes in the county, including absentee, Wallace ran second to Nixon and ahead of Humphrey. Friona was one of the three.

In the race for state representative, Parmer went for the district winner, Democrat Bill Clayton, as he outpolled Frank Ford of Hereford, 1598 to 1339. Ford carried three boxes, Black, Rhea and Friona. Clayton ran stronger in Bovina and Oklahoma Lane than he did anywhere else. Oklahoma Lane gave him a margin of 2-1 while in Bovina it was better than 3-2.

Ford lacked only 11 of getting as many votes in the box here as did Nixon. Nixon had 206 as previously mentioned while Ford's total was 195.

We were disappointed that our box went for Bob Price, the Republican who was running for re-election, in the congressional race. Here again, though, Bovina did so much better for the Democratic candidate, Dick Brown, than did the other boxes that we were still almost proud of it if it's possible to have any pride about a losing cause.

Needless to say, Humphrey made a tremendous race. This is especially true when you consider how far behind the polls showed him to be some 30 days prior to the election.

Bovina Business Football Contest continues to feature great competition. The percentage of accuracy of the two leaders is above the .780 mark at this late stage of the game. We've contended all during the years of the contest that .750 was about good enough to win the grand prize.

We could be wrong this year, though. Subconsciously, we may be making the contest picks easier this year, but we don't think so; it's our opinion that the players are just better this year than ever before.

The contest still has four weeks to run, including this one, however, and it just may be that the percentage will dip down there where it belongs before it's all over.

Last week had the first professional game of the contest, Dallas vs. New York. Almost everybody and his brother picked Dallas, a three-touchdown favorite. New York won, of course. That may give an indication of things to come as later on in the contest period, when many of the picks will be of the pro variety. That one last week was just to give the contestants a little professional picking practice before the bulk of the games are that kind.

Billy Whitecotton is somewhat bitter about the contest. He turned in a perfect entry week before last, the first ever in the contest, he figured, and we didn't much blame him for thinking that way. But, Mrs. Jon Lin Riddle had a perfect entry the same week also and the two divided first and second place prize money. Each of them got \$4 instead of getting \$5.

Whitecotton expressed that touch of bitterness on his entry last week. In addition to the

## File Charges After Truck, Grain Stolen

A 1968 red 2-ton Ford truck and about 21,000 pounds of grain were taken Friday night from the A. D. Wilkinson farm north of Bovina, which is farmed by M. H. Carson.

Charges of stealing grain were filed against Anthony Jesko after the grain was found in his barn, located west of Bovina. He has posted bond of \$1,000, according to Deputy Sheriff Henry Minter. The truck has not been recovered.

## For Schools --

## Approve Auditor's Report

School board members of Bovina Independent School District met in regular session Monday night.

Major business was approval of the audit report, submitted the board by James Mason and Reid Warner, auditors of Douglas, Mason and Nickels of Lubbock.

The board also approved the tax rolls, L. F. Jacobs, superintendent said, along with other routine business.

The detailed audit report appears on an inside page in this week's issue of The Blade for the fiscal year ending Aug. 31, 1968.

The report shows that Bovina Independent School District had an opening cash balance of \$37,768.54 on Sept. 1, 1967; total cash receipts, \$736,561.52; total cash disbursements, \$713,893.87 during the past school year.

## To Students --

## Minister Gives Veteran Talk

Mickey Patterson, former member of the Marine Corps and minister of Bovina Church of Christ, was the principal speaker at the Veteran's Day program Monday, sponsored in Bovina Schools by the Student Council.

U. S. Post Office in Bovina and the First State Bank of Bovina were closed in observance of Veterans Day Monday. Master of ceremonies for the program was Rodney Murphy, who was on state with those participating in the program. World War I veteran, W. E. Williams, was stage guest.

The colors were presented by Boy Scouts Widdy Gromowsky and Randy Monk to the accompaniment of the high school band, which also played several numbers. Miss Deborah Hawkins and the band led the students in singing "The Star Spangled Banner."

Invocation was given by Rev. J. B. Fowler, pastor of Bovina United Methodist Church.

Gary Carson, president of the Student Council, gave a brief speech. He said one out of five men in the United States have served their country since 1918. "We are honoring the veterans today, not because of their number, but because of their sacrifice. Thank God for men who answered their nation's call."

Bobby Redden read a poem, "Crede" by Lieberman, followed by the "Hymn of Freedom" by the band.

## Saturday Night --

## Juniors To Present Play 'Rest Assured'

"Rest Assured," a three-act comedy by Donald Payton is the title of the Junior Play to be presented at 7:30 p.m. Saturday in Bovina Schools auditorium.

Admission will be \$1.25 for adults and \$1 for students at the door. However, advance tickets may be purchased for \$1 and .75 cents, respectively.

The production is under the direction of the class sponsors, Mrs. Roger Ezell and Truck Lusk.

The cast includes Bruce Caldwell as Mr. Morlock; Candy Wilson, Mrs. Morlock; Mary, their daughter, Pam Grissom; Jessica, a daughter, Kay Truitt; Mildred, the maid, Nancy Mitchell; Joe Lanconi, Mary's fiancé, Randy Barrett; Luigi Lanconi, Joe's papa, Mike Gee; Martha, Luigi's wife, Doris Corn; Lucifer, from "down below", Stephen Sherrill; Miss Akers, Morlock's secretary, Suzanne Wilson; George Plew,

attorney, Stuart McMeans; Mrs. Schmalz, Jo Pierson; Dr. Brown, Royce Grissom; Mr. Black, the mortician, Wilton Cox; Jake, newsboy, Steven Wiseman; and Mrs. Frinck, washerwoman, Betty Kesler.

The play is a situation comedy involving the engaged couple and the distrust of their fathers, who die, but come back to watch their movements.

The cast has been in rehearsals the past few weeks.

REHEARSAL -- Annual Junior Class play, "Rest Assured," which will be presented here Saturday night, is in its final preparation stages at Bovina High School. Kay Truitt tends Nancy Mitchell in a fainting scene. Looking on are Pam Grissom, Candy Wilson, Suzanne Wilson, Stuart McMeans, Royce Grissom, Stephen Sherrill, Mike Gee, Wilton Cox and Bruce Caldwell.

## Lead Tied Again --

## Bill Roberts Winner Of Football Contest

The lead is once more tied up in the 1968 Bovina Business Cotton Bowl Football Contest.

Jimmie Clements and Bill Roberts command the top positions with total of 70 after nine weeks.

Roberts was the first place winner this week, picking nine winners, along with 10 others, and coming closest to the tie-breaker. Mrs. Mary Jane Wilson took the second place \$3 prize, while A. L. Nuttall and Lloyd Gober tied for third and split \$1.

Others naming nine winners correctly were Teresa Page, M. H. Carson, Herman Gerles, Kenneth V. Horn, Lavolda Hawkins, Houston Bartless and H. J. Charles.

Why have men died in battle, he asked, "There has to be an answer."

Violence began when time began, as cited throughout the Old Testament.

All men seek liberty, and yet true liberty is impossible, because one man's liberty stops where another man's nose begins. However, he continued, the world needs responsible liberty. It was this that caused men to fight for freedom.

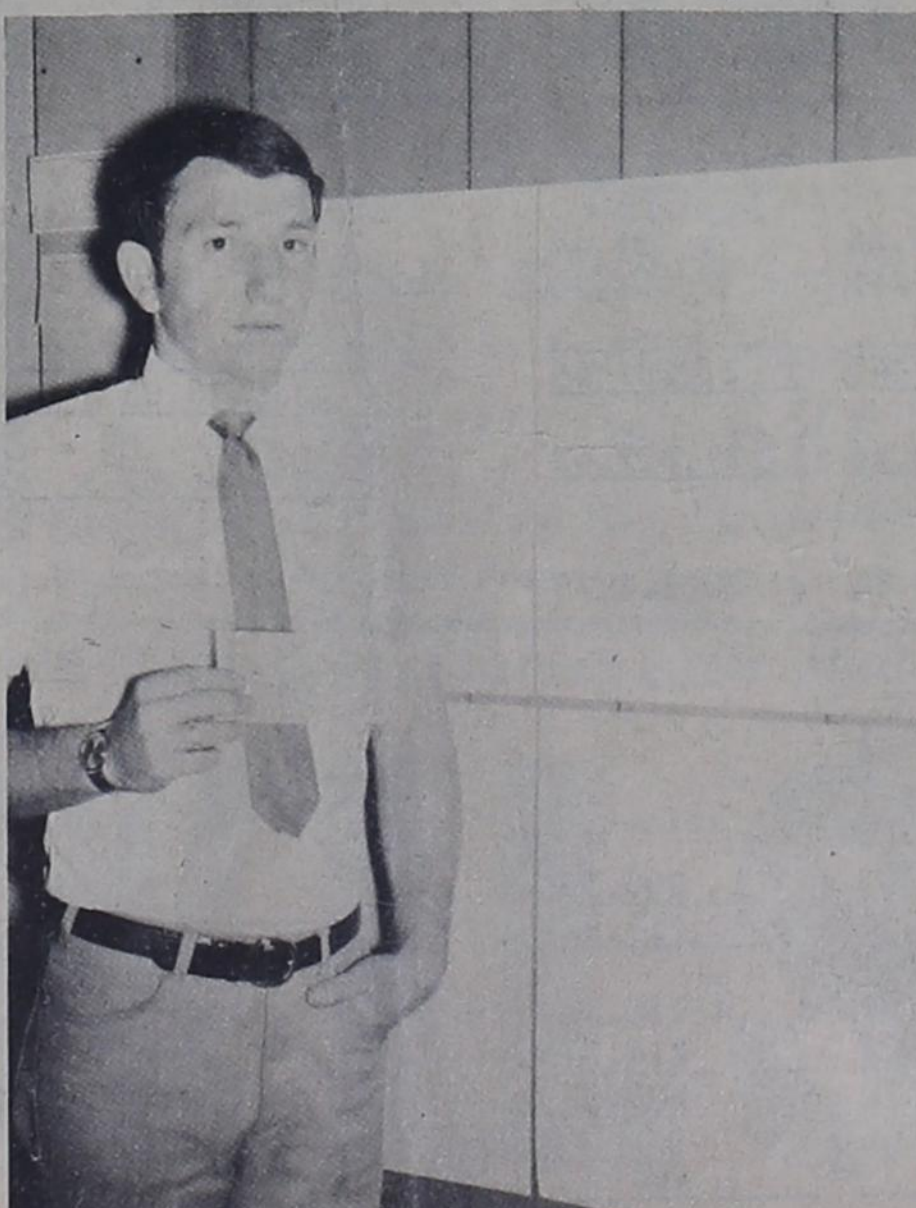

"Our nation is going through a trying, testing time. Someday we will obtain the serenity we seek. Of this I am convinced," Patterson continued.

He quoted Thomas Jefferson, who spoke at a time when the colonies were suppressed by England, "The God who gave us life gave us liberty at the same time."

In a time when so many say "I'd rather be red than dead," Patterson stated, "NO! I'd rather be dead than red, I refuse to believe my comrades have died in vain."

Of domestic tranquillity, he noted the trials of this nation, but said if one wished to see rioting, they should follow him to some of the other countries of the world.

NAMES NINE WINNERS -- Bill Roberts won the \$5 first prize in Bovina Business Cotton Bowl Football Contest this week and pulled up a game to tie Jimmie Clements for the lead. Four more weeks remain in this year's contest.

WET FLUFF -- The heavy-coated Chow of the Earl Whittens was unconcerned Friday morning when Bovina awoke to two inches of the season's first snow. In fact, "King" was probably enjoying it more than most farmers of the area, who are beginning to strip their cotton crop.

## In Welding --

## Four-Session Class Slated

A four-session farm welding course for adult farmers will begin here Monday and continue through Thursday under sponsorship of Vocational Agriculture Department in Bovina High School.

Sessions will begin each evening at 7:30 in the ag building. An entry fee of \$5 will be charged.

C. B. Edwards, welding specialist with the Vocational Agriculture Division of Texas Education Agency and the Department of Agricultural Engineering at Texas A&M, will be the instructor.

He will be available during the four days to assist farmers with problems on their farms, according to John Paul Jones, vocational agriculture teacher here.

The short course will be adjusted to wishes and interests of farmers, Edwards says, but he expects to cover such subjects as safety in welding, factors controlled by the operator in running a bead, striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing and pipe welding.

Farm Welding Short Course Certificates will be presented those who attend all the training sessions.

## Change Time For Bingo

Time has been changed to 8 p.m. each Saturday for bingo games sponsored by Knights of Columbus in St. Ann's Parish Hall, members say.

It has previously been held at 9 p.m.

The events are for the benefit of St. Ann's church building fund.

## Snow, Rain Measure .22

Winter weather arrived in Bovina and West Texas Friday morning, over a month ahead of the official calendar schedule.

Two inches of snow was measured here, according to Weatherman W. E. Williams. Moisture, including rain that fell preceding the snow, measured .22.

The temperature dropped to 20 degrees on Monday morning, the coldest recording made so far this fall.

Snow melted quickly Friday, however, since the thermometer soon climbed above the freezing mark.

## Bus, Weather Reports Set

Announcements concerning school during bad weather will be announced on radio stations KGNC in Amarillo and KNNN in Friona, according to L. F. Jacobs, superintendent.

Such announcements are made on KGNC from 6 to 8:30 a.m., and particularly during the roundup on area schools at 7:30 a.m.

When busses cannot travel except on pavement, the cooperation of the parents is appreciated, Jacobs said, in bringing their children to meet the bus.

## Former Postmaster --

## Stagner Rites Saturday

Funeral services for Johnny L. Stagner, 57, of Clovis and former Bovina postmaster, were held at 2 p.m. Saturday in the First Methodist Church in Clovis.

Dr. E. E. Hamilton, pastor, officiated with burial following in Lawhaven Memorial Garden in Clovis.

Mr. Stagner died at 10:30 p.m. Wednesday in Methodist Hospital, Lubbock, where he had been a patient 11 days.

Born in 1910 at Cone in Crosby County, Mr. Stagner came to Bovina in 1918. He attended the Bovina Schools.

Mr. Stagner served as postmaster of the Bovina Post Office from September, 1933 until April, 1935. He was also employed by the State Highway Department here.

He moved to Clovis about 1937 and was owner of the American Salvage Co.

Survivors include his wife, Georgia, of Clovis; three sons, Morris of Clovis, Johnny of Santa Anna, Calif., and Donald of the home; a brother, Jack of Ruidoso; two sisters, Mrs. H. L. Tidenberg of Clovis and Mrs. Carroll McCleskey of Albuquerque; and four grandchildren.

He was the nephew of Mrs. J. N. Gunn of Bovina.

## Clinic Board --

## Plans Pledge Collection Try

A renewed effort is being made to collect pledges previously made to Bovina Medical Center, Inc.

Decision to launch the new program was made at a regular monthly meeting of the medical center's board of directors Monday night.

Meeting with the board were two members of the original finance committee for the drive, Billy Marshall and Rev. J. B. Fowler, Jr.

Total pledges outstanding add up to \$2675, A. M. Wilson, board president, told the group. Making up this total are pledges on demand, \$625; Pledges stated time now due or past due, \$1250; and pledges not yet due, \$800.

Those present at the Monday night session agreed to contact those who have pledges outstanding as well as the people who have agreed that they might contribute more to the fund.

The clinic association is presently in debt by approximately \$6500. This amount is expected to total approximately \$7500 by next July when the rent-free deal with Dr. Cornelius Blessius expires. Part of the utility bills are now being paid by the corporation as a part of the original agreement with the doctor.

People who have pledges outstanding can be expected to be contacted by a representative of the clinic association in the near future, Wilson says.

**Wins Two --**

**Farwell Loses To 7th Grade**

Bovina won the seventh grade football game here Thursday night when Farwell teams were visitors, but the eighth grade and "B" team lost their battles. The Colts were winners 26-8

in the seventh grade game, scoring in each of the four quarters.

First touchdown was tallied in the first quarter when Billy Shelby ran 35 yards to the goal

line. Extra points attempt was not good.

Longest run for a score in the evening came in the second quarter when Tony Serna broke loose and scampered 65 yards

for six points. Keith Moore ran over for two extra points. Half time ended with Bovina in front 14-0.

The third quarter saw Billy Shelby again cross the goal line, this time from 10 yards out. Farwell made its lone touchdown and extra points in the period.

Final score was marked up after Serna went over from the three.

Defensive standouts were Moore, Joe Delgado and Shelby, Coach Bill Nicholas said.

Eighth graders took a 38-12 loss from Farwell after the young Steers scored 14 points in the first quarter.

Bovina retaliated with a 25 yard pass play from Kim Rundell to Alan Cockerham for six points, but Farwell went for paydirt once more before the half ended, 22-6.

Farwell made its fourth TD in the third quarter. In the last period Bovina again made six points on a 4-yard pass from Rundell to Kary Moore, who carried the pigskin across.

In the last three minutes of play, Farwell made its last scoring effort to end the game 38-12.

Outstanding on defense in the eighth grade clash were Rundell, Johnny Wellborn and Weldon Beardain.

"B" team had it worst night of the year, losing to Farwell 30-0.

Farwell scored the first two times they had the ball, but the score stood at 14-0 at half-time.

Coach Roger Ezell said the team has one more game this season, however, when the Colts travel to Vega.

**Letters To The Editor**

Letter to the editor:

Music is food for the soul, and there is an indefinable sense of accomplishment, the feeling of a job well done, that builds character and is the stuff of which greatness is made. How can the band perform well at marching contest Tuesday if they don't practice? It takes more than an hour a day to learn the music and the step.

What matter if not one of these children makes music a career? The band is surely something one is in because he wants to be --- it is not required to graduate, nor does anyone stand on enrollment day recruiting band students.

But if they are in the band, don't we want them to do well, for their own sakes, for that feeling of accomplishment?

It is a fast-paced and difficult world they are getting ready to step into. Who is to say what is most important for them to do to prepare for it? If all that they learn in band is the discipline of marching, to love music, and to at least try to do whatever they are doing well, then the time and the effort and the trips to the school house are

# 15 Accidents During October

The Texas Highway Patrol investigated 15 accidents on rural highways in Parmer County during the month of October, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, seven persons injured and an estimated property damage of \$17,125.

The rural traffic accident summary for this county during the first ten months of 1968 shows a total of 108 accidents resulting in five persons killed, 65 persons injured, and an estimated property damage of \$78,757.

noted to be dangerous months in traffic and especially for pedestrians. Much is heard about the drinking driver and his responsibility for many serious accidents. Seldom is it known that many pedestrians have met

their death on the streets and highways because they had been drinking to the extent that they were unaware of the danger they faced as they staggered along the road.

The sergeant stated the familiar saying, "If you drink, don't drive," might be changed to apply to the drinking pedestrian, "If you drink, don't walk--in traffic!"

# 55 Farmers Receive Loans

During fiscal year 1968, 55 Parmer County farm families availed themselves of Farmers Home Administration operating loan credit, Billy R. Boling, County Supervisor announces. Boling said that \$124,040 was advanced during the 12 months ending June 30 for such expenses as new machinery and equipment, livestock, fertilizer, feed, seed, pasture improvement, and fencing. Operating loan funds also were used to refinance debts and pay family living expenses.

"This type of credit," Doling said, "has enabled many small farm operators to stay on the land."

As the fiscal year ended, farm families that included nearly 440,000 people nation-wide were benefiting from the program which serves family farmers who can find no other

source of necessary operating loan credit.

Loans are being made through county offices of the Farmers Home Administration serving all rural areas of the United States. All loans are accompanied by technical assistance in farm and financial management. The local FHA county office is located at 708 Avenue A, Farwell.

In addition to operating loans, Farmers Home Administration makes loans to purchase and develop farms, to develop community water supply systems, to obtain housing in rural areas, including housing for

farm laborers and senior citizens, and to meet the emergency credit needs of farmers who suffer from a natural disaster such as hail, flood, or drought.

# Irrigation Tests

By County Agent Ronnie McNutt  
How should a farmer manage irrigation water for maximum profit? That's a big question facing farmers. Decisions that put available irrigation water to its maximum producing power are not always evident.

C. W. Bowman, who farms six miles west of Bovina, and County Agricultural Agent Ronnie McNutt have teamed up to provide some answers to this question.

Cotton is being grown this year on Bowman's farm under four different irrigation practices or moisture levels. Results of this irrigation demonstration will be guides on which to base irrigation management decisions.

One plot has received only one irrigation during the growing season. It was applied on August 6 at peak bloom which is the maximum water requirement period for the cotton plant. Every furrow was irrigated.

Another plot received two irrigations, one on July 15 and the second on August 6. The first irrigation was applied when the first bloom appeared and the second, at peak bloom. Every furrow was irrigated during both applications.

Still another plot received the same two irrigations on July 15 and August 6. In this plot only alternate furrows were irrigated instead of each furrow.

The last plot received three irrigations. These were applied on July 15, August 6 and August 22. Every other furrow was irrigated during each application.

Bowman kept irrigation cost records, these being the application costs of fuel and labor. They can be deducted from the cotton income to determine the most profitable irrigation practice. A major factor influencing cotton production and profit is quality. Cotton from each plot will be graded to determine quality variations from the different irrigation practices.

Bowman farms on one-half-mile rows. Siphon tubes were set on 15 rows and left 12 hours for each irrigation. Well or pump capacity was measured to determine the amount of the irrigations.

Bowman planted the four irrigation plots to Paymaster 111 the last of April. He applied 150 pounds of 18-46-0 and 50 pounds of anhydrous ammonia. A fifth plot, irrigated three times, alternate row, is planted to Gregg.

Results will be available after harvest and will also be printed in the Parmer County Agricultural Demonstration Handbook which will be released by McNutt next winter.

A similar demonstration was conducted on grain sorghum on the Ronald Minyen farm.

FAIRYLAND -- Nursery rhymes in Fairyland was the theme of the FHA Mother-Daughter salad supper Thursday night in Bovina Schools cafeteria.

## 'Fairyland' Decor Highlights Mother-Daughter Salad Supper

Members of Future Homemakers of America entertained their mothers with a salad supper Thursday night in Bovina Schools cafeteria when the theme was "Fairyland."

Miss Nancy Mitchell, president of FHA, presided at the event and Miss Vici Stallings gave the invocation.

A large fairy castle decorated the walls, while tables were centered with replicas of nursery rhymes.

Entertainment was built around the theme, with Mrs. Betty Hawkins presenting a brief talk on the "evils of nursery rhymes."

FHA tradition was carried out when "little" sisters presented "big" sisters with pillows and in turn were presented long-stemmed red roses.

Anyone interested is invited to attend.

The benediction was given by Debra Kirkpatrick.

In mother's contests, winners were awarded stars. Prettiest mothers were Mrs. Mary Ruth Redden and Mrs. J. D. Kirkpatrick.

Attending the Sunday meeting were 13 members and one visitor, Mrs. Matilda Baca.

Bred and wine will be offered by Mrs. Pete DeLeon and Mrs. Ruben Uriegas.

The group played "42" and watched the election returns.

Among those attending were the Stevens' daughter and family, Mr. and Mrs. Charles Hartman and baby of Plainview.

and Mrs. Herman Estes. Those having the heaviest purses were Mrs. Dean McCallum and Mrs. Hawkins.

"Sin and corruption; corruption and sin! Can't you two ever get together without talking shop?"

**Ways To Draw Near To God**

Read Ephesians 6:10-20

Be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. —Romans 12:2

RAVELERS aboard ships in the Arctic region often see a startling sight. They see surface ice flowing in one direction and icebergs knifing through that ice in the opposite direction. They credit the sight to optical illusion.

The fact is the visible part of an iceberg composes only about one-ninth of its total mass. Thus the submerged mass of ice sinks so deep in the water that the undercurrent, not the surface current, controls the direction in which the iceberg moves.

Today togetherness is replacing individuality, and popular opinion is determining moral standards. Amid the surface flow of such things, are we allowing ourselves to be swept along in silence? Do we lack sufficient spiritual depth to have the Holy Spirit give direction to our lives? Christ can give us the necessary depth to bring us into the deep-running current of the divine power and will.

**PRAYER:** Our heavenly Father, renew us in heart and mind. This day grant to us the strength to live and move steadily in the current of Thy divine will. For Jesus' sake. Amen.

PRESENTATION OF COLORS -- Rodney Murphy, Mickey Patterson and W. E. Williams stand at attention as the colors were presented by Boy Scouts Widdy Gromowsky and Randy Monk during the Veteran's Day program in the Bovina School Monday morning. Patterson, a former Marine, was the speaker. The High School band played patriotic music for the event.

### Cars Damaged In Accident

Two cars were damaged at 4:30 p.m. Sunday in an accident on Seventh Street in the school grounds and one passenger was treated and released at Bovina Medical Center.

Sheryl Lane, passenger in one of the automobiles, received a whiplash and received treatment.

William Vincent Gromowsky, driver of a 1965 Plymouth, came from behind the bus shop going south, made a "U" turn and

started north. He was hit in the right side by a 1968 Ford driven by Charlie Eugene Lane of Dimmitt.

Damage to the Gromowsky vehicle was estimated at \$800, and about \$400 damage was estimated to the Ford.

The accident was investigated by Ronald Mitchell, city marshal.

Disturbance of the peace charges were filed on three juveniles Sunday for actions

committed between 5 and 6 a.m. They were fined \$15 each, Mitchell said.

### USED CLOTHING: YOUR GIFT TO THE WORLD'S POOR

Over 40 million of the earth's destitute in more than 70 countries benefit from your donations of used but serviceable garments and bedding to the Catholic Bishops' Thanksgiving Clothing Campaign. Take your contributions to your neighborhood Catholic church during the month of November.

### CLOTHES HELP EVEN THE ODDS

The earth's "have nots" outnumber the "haves" by 2 to 1. You can help to reduce the odds by giving your used clothes through the Catholic Bishops' Clothing Campaign in November.

Did you know that: Red squirrels are very jealous and regard each other as possible enemies. They guard their food cache at all times . . . against brotherly theft.

Steers Stampede For 14th Straight --

# Farwell Continues Domination Over Mustangs; Score 48-0

The Farwell Steers continued impressively on to their next week's district championship showdown battle with Sudan Friday night in Steer Stadium as they gored the Bovina Mustangs, 48-0.

The Steers jumped off to a 14-point lead in the first quarter on a pass interception return and a punt return to erase whatever hopes the Mustangs might have had of pulling an upset and winning their first game from the Steers since '54.

The Farwell players, evidently remembering their narrow, 7-6 win over the Mustangs a year ago, played a fired-up brand of football. The Mustangs were never in the game after the opening minutes. Near the end of the game, Farwell scores seemed to be coming with monotonous regularity as far as Bovina fans were concerned.

The game was played in cold temperatures, but the snow which had fallen on the field Friday morning was melted by gametime. The field was soggy from the moisture, however.

The defeat was the worst slapped on the Mustangs by the Steers in the 14 years it's been since Bovina won the traditional Farmer County battle. The score in '63 was almost as bad, but not quite, 46-0.

The Ponies received the opening kickoff and gave their supporters some short-lived hope as they picked up two first downs and showed promise of driving for a TD. Rodney Mur-

phy returned the opening game kickoff from the goal line to the 26. Quarterback Mike Beauchamp made three and then Fullback Royce Sisk made six and then one for the first down at the 36. Halfback Stuart McMeans picked up nine yards on his first carry and then Halfback Dean Stanberry reeled off 11 yards and a first down at the Farwell 44. After that, the ball game belonged to Farwell. Sisk was forced to no gain and then with a second down and 10 situation, Beauchamp threw a pass which was intercepted by

Dean Stovall and returned to the Bovina 15 yard line. The Steers had the score in three plays with Craig Phillips going the final five yards. Al Phillips kicked his first of six extra points during the game to make the score 7-0. Farwell had its second score some two minutes later. The Mustangs were forced to punt after receiving Farwell's kickoff. Bobby Redden got off a good kick from his own 27. Stovall fielded it at his 33 and raced 67 yards for the six-pointer behind crisp downfield

blocking. Phillips' kick made the score 14-0.

The Steers got their third TD on a 68-yard drive which originated at their own 32. The drive took 12 plays with Al Phillips going the final two yards. Big play in the march was a 30-yard pass from Quarterback Greg Hargrove to Kyle Sheets.

That concluded the first half scoring. The Mustangs lost their best scoring opportunity in the game late in the first half. Johnie Hugh Horn recovered a fumble of a punt at the Farwell 37 giving his team a first down there. Beauchamp lost four, then Halfback Donny Dyer ran for seven. Beauchamp passed to Stanberry for a 15-yard gain and a first down at the 19. McMeans picked up one to the 18 and then a McMeans pass was intercepted in the endzone and returned to the 21 and the threat was killed.

The Steers galloped for 27 more points in the last half, with 20 of those coming in the final period.

The game was exceptionally free of penalties. As it ended up, the Bovina team was penalized three times for 23 yards and Farwell was handicapped twice for 20 yards, but the first flag wasn't thrown until late in the third period.

McMeans was the leading ballcarrier for Bovina with 57 net yards in 19 attempts. Sisk carried 16 times for 51 yards. Dyer was eight for 43 and Stanberry made 16 yards in three trips.

The game was reasonably well attended considering the severe weather. However, the stands weren't filled to overflowing as they sometimes are for Bovina-Farwell games.

The loss brought the Mustangs' season record to 5-4. In district play, they are 2-2 with losses to Sudan and Farwell and wins over Springlake-Earth and Kress.

Hart Here --

## Cage Schedule Begins Tuesday

Basketball season gets into full swing for Bovina teams Tuesday night when Hart boys and girls varsity and "B" boys initiate a full night of games in Williford Gymnasium.

Fillies will enter the contest with two games with Muleshoe under their belts. It will be the first encounter for the Mustangs.

Game time is 5:30 p.m.

Coach Truck Lusk's Mustangs will report for workouts Monday, following the completion of football season Friday night.

The young Fillies, coached by Bill Nitcholas, had been

working out previous to the Muleshoe games.

Games are scheduled throughout the season on Tuesday and Friday nights with three tournaments on tap at Friona, Whiteface and Farwell. A "B" team tournament is set here in December and the Junior High District tourney will be played in Bovina in February.

Other Junior High games are scheduled for Monday nights, beginning Nov. 25 when Bovina goes to Sudan.

On Nov. 22, the Mustangs, Fillies and "B" boys travel to Nazareth.

By Muleshoe --

## Fillies Downed In Cage Debut

Bovina Fillies basketball squad met the Muleshoe girls here Tuesday night of last week in the first cage tilt of the season.

The Muleshoe girls outclassed the young Bovina team by a score of 48-8 after toppling the "B" team 88-8.

Halftime score of the varsity game was 23-4.

Jan Gromowsky made four points for the Fillies, one a 35-

foot shot in the fading seconds of the game. Twyla Hutto and Debra Kirkpatrick were responsible for two points each. Other forwards on the varsity squad are Barbara Griffith and Darlene Murphy.

Although outscored heavily, the guards played a fairly good defense against the stronger team. Seeing action at guard duty were Toni Pinner, Lea Looney, Meloney Marshall, Pam Grissom, Kim Gober, Marilyn Allen and Debra Nuttall.

The "B" team saw Muleshoe ahead 52-4 at halftime before winning by the big 88-8 margin. Cindy Barrett scored all of Bovina's eight points. Other forwards are Debbie Gober, Patti Foley and Loy Christian.

Filling the guard positions this year are Lynette Joplin, Christy Mast, Cathy Mast, Kay Truitt, Jo Pierson, Nena Spicer and Lajuana Hastings.

The two teams played a return match at Muleshoe Tuesday night.

## Pvt. Hillock Earns Badge

PLEIKU, VIETNAM -- There is one Army badge that only combat infantrymen can wear -- The Combat Infantryman Badge. It was awarded to Private First Class Steven K. Hillock near Pleiku, Vietnam, October 15.

Pvt. Hillock, whose parents, Mr. and Mrs. Vernon E. Symcox, live on Route 1, Farwell, is assigned as a rifleman with Company E, 1st Battalion of the 4th Infantry Division's 8th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against an enemy. It is not awarded to members of other combat arms, such as artillery, armor or engineers.

In honor of its singular meaning, the badge is worn above all other awards and decorations, over the left breast. It is a blue rectangle with a silver rifle mounted on it and a curved wreath at the top. Subsequent awards are represented by stars in the center of the wreath.

## Relative Dies In California

Mrs. E. W. (Pet) McCutchan, 67, sister-in-law of Jack and A. R. McCutchan of Bovina, died at Ukiah, Calif. Tuesday, Nov. 5. She was the victim of a heart attack.

Funeral services were held there at 2 p.m. Friday.

Attending were Jack McCutchan and nephews, Don and Buster McCutchan of Dumas.

Among survivors are her father, Rev. J. G. Powell of McLean, who is 104 years of age.

## High School Band Goes To Contest

Bovina High School marching band, 59 members strong, participated in the University Interscholastic League marching contest Tuesday afternoon at Levelland.

Twirlers entered competition at 1:30 p.m. and the band, under direction of James Andrews, performed at 2:30 p.m.

Results of the contest will be announced next week.

Only the marching events are held in the fall in Texas. This spring the band will compete in sight reading and concert contests.

## 4-H Selling Calendars

Members of Bovina 4-H Club will have started a calendar campaign to raise funds for a community project for the Christmas season, according to Mrs. Wayne Magness, adult leader.

Community and birthday calendars will be sold area residents for \$1 each. Birthday names attached to the calendar will be 10 cents extra and anniversary names 25 cents extra. Community meetings and activities will already be on the calendars, Mrs. Magness said.

Anyone wishing to order a calendar may call Mrs. Magness at 225-4475 or Sue Monk at 238-3592.

## Larry Dendy In Training

SAN DIEGO -- Seaman Recruit Larry D. Dendy, USN, 19, son of Mr. and Mrs. W. E. Dendy of 403 E. 8th St., Bovina, is undergoing nine weeks of basic training at the Naval Training Center here.

He is receiving instructions in Naval customs, courtesies and organization, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty.

A program of physical fitness, military drill and inspections keeps the recruits mentally and physically alert during their training.

His Navy Classification tests will determine whether he will be assigned to a school, shore station or ship after his graduation.

With Win Over Vega --

# Bovina Gridsters Can Have Winning Season

With the opportunity to close out the season with their first winning record in three years, the Bovina Mustangs take on the Vega Longhorns here Friday at 7:30 p.m. in the year's finale for both teams.

With a win over the Longhorns, the Mustangs would finish '68 play with a 604 mark after going 2-8 during each of the past two seasons. A loss to Vega would leave the season record at the .500 level, 5-5.

The game will probably be rated a toss-up event though the Mustangs possibly have a light edge when comparative scores are considered.

Farwell defeated Vega only 28-0 while running over the Ponies, 48-0. After that, though, the comparative score

edge goes to the Maroon and White. Kress defeated the Longhorns, 19-0, while the Mustangs outscored the Kangaroos, 14-12. Happy won over Vega, 14-0, and the Bovina boys downed Happy, 6-0. Sudan blasted Vega, 47-0, and defeated Bovina, 46-6.

In last week's game, the Longhorns eeked out a 23-22 decision over the Springlake-Earth Wolverines. Earlier, the Mustangs bumped S-E, 28-12.

Roy Stone, Bovina coach, says, "Vega has a pretty good football team. They're expected to be about our calibre."

The Mustang mentor points out he was disappointed in his team's one-sided loss to Farwell last week. "A loss to Farwell isn't any worse than a loss to some other team," he said.

"but it hurts longer." The Mustangs are expected to be in good physical condition for the endgame to the 1968 gridiron campaign.

This will be the first year for the two teams to play as members of the same Class A district. Vega was promoted into the district this year from Class B. Before Bovina was advanced to Class A, the teams competed against each other in the same Class B loop.

By winning this week's Vega game, the Mustangs would finish in third place in the district, behind Sudan and Farwell. Those two teams play Friday night at Sudan to decide the district championship.

If the hat you bought was the wrong size...

you'll know it.

## But what about buying fertilizer?

Applying the wrong fertilizer formulation won't show up as fast as a hat that doesn't fit. It might show up only as less hearty growth than you'd expected. Harvest could produce just under your original goals.

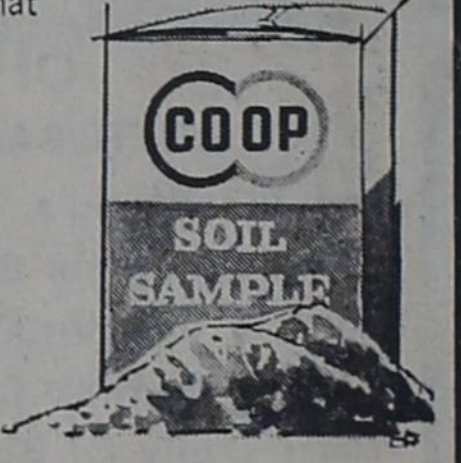

But there's a way to know. A CO-OP Soil Test.

Fertilizer needs are different because no two soils are alike. Careful soil testing is the only way to know exactly what is needed. Your CO-OP is ready with whatever it takes... the exact combination of nutrients to produce profits.

When you're buying fertilizer, there's a way to know what is exactly right. As sure as a tape measure in a clothing shop, a CO-OP Soil Test.
