Jaycees Plan Turkey Shoot Dec. 16, 17, 18

Thursday morning's downpour failed to dampen the enthusiasm of Jaycee members who met for breakfast in the Club Room of Paramount Hotel. Reports from the meeting indicate that they will be a busy group during the holiday season.

The Martin Building will be the site of another Jaycee-sponsored "Turkey Shoot" to be held December 16, 17, 18. The hours will be announced later.

This affair will differ from the pre-Thanksgiving event in that instead of turkeys, gift certificates will be awarded. A five-dollar certificate will be awarded every hour. These certificates will be redeemable at any place of business in Ranger.

Grand prizes of a \$25 gift certificate in the men's division, \$15 certificate in the ladies division, and \$10 certificate in the junior division will be awarded the top shooters. Proceeds from this project will be used to purchase equipment for the Jaycee-sponsored Boy Scout Troop No. 88.

Other projects include cooperation with Chamber of Commerce in Christmas parade and distribution of candy Saturday, Dec. 4; and assisting with holiday decorations on Main Street.

TOWN TALK (Continued from page 1)

ONE OF THE principal topics of conversation over the weekend and the first part of this week — the weather. Temps skidded to chilling levels Saturday morning, dove to similar marks Sunday. Then Monday morning the Mercury dipped to 34, a nd most reports Tuesday indicated the low was just a hair above the freezing mark.

Earl Conner, Jr., well known Eastland County attorney and former DA, will defend Mrs. Shirley Sue Harvick of Ranger, charged with murder with malice in the recent shooting death of her husband. Prosecutor will be District Attorney Perry T. Brown.

The blotter at Ranger Police Dept. shows there were no arrests here over the weekend. "It's been real quiet," says a Ranger Man Tuesday morning suggested that The Times publish the names of juveniles charged with criminal offenses — and the names of their parents. It was his thought that such procedure would be an effective method of deterring some of the delinquent activity in the area.

MANY HAPPY returns to the following Rangerites who will be having birthdays during the coming week: Sunday — Freddie Blackwell, Brenda K. Taylor.

Monday — Shiela Graham, Sandra Allsup, Mrs. A. B. Halbert.

Tuesday — Mary Pouncey, Susan Woods, Tommy Stanford, Mary Anna Herweck and Rodney Craig.

Wednesday — Vicky Ewing, David Rogers, Jackie Gibbs, Alex Roberson, James Battle, Susan Hamilton.

Thursday — Greta Gohlke, Mrs. Lula Powell, David O. Allsup, Mrs. W. P. Powell.

Friday — Gary Harton, Mae Weaver, Gary Wayne Horton, D'Nettie Rhodes.

Saturday — Donna Fyffe, Mrs. T. E. Bankston, Jana Childress, Brad Doss.

MAYOR Morris Newnham said preliminary efforts are being expended to make possible razing the old Southland Hotel Bldg. on South Austin Street. A trustee sale presently is planned, but an attorney for the lien holders has notified city officials that he is having difficulty in locating clients who have moved to New Mexico. The sale, the attorney informed, would be held as soon as they are contacted. It is possible, however, that the structure can be condemned and torn down by the City of Ranger under term of the new municipal building code ordinance recently enacted by the City Commission.

17-Year-Olds Steal Pecans From Grower

Seven hundred pounds of bagged pecans, stolen Sunday night from the farm of B.B. Freeman, east of Ranger, were recovered Monday after Constable Ralph Veal and Sheriff Lefty Sublett picked up two 17-year-old boys Monday afternoon and a short time later the pair led the officers to the cache in an old abandoned house east of the Chaney community.

All the loot was recovered. However, no charges had been filed Tuesday afternoon.

WANTED PAIR — (Continued from Page 1.)

ana license plates and a Texas safety inspection sticker. In the vehicle were seven suit cases containing about \$800 worth of new clothing.

Several stolen courtesy cards also were found in the vehicle.

Both men were well dressed. Only weapon found was a hunting knife stuck in the belt of one of them.

Police Chief Ogden and Sheriff Sublett said that the pair were charged in Eastland County only with leaving the scene of the accident—a misdemeanor—and each had signed a waiver of extradition.

The men, local officers said, are wanted for burglary in Bossier City, La. Other warrants for their arrest have been issued in Mississippi, Fort Worth and Dallas. Stone served a three-year term in the Texas Penitentiary at Huntsville.

TWO INJURED IN ACCIDENT ON HIGHWAY

Midweek drizzles, poor visibility and rain-slick pavement caused a rash of accidents over Eastland County.

In Ranger Wednesday morning at 11:40, a 1964 Chevrolet, driven by Bill Wilson Lee, plowed into a 1965 Ford Falcon, driven by Wayne M. Satterwhite on U. S. Highway 80 east at the Frigid Queen. The impact was nearly head-on.

Both cars were badly damaged and both drivers were taken to Ranger General Hospital. Lee was released a short time later, but Satterwhite's injuries were more serious.

Satterwhite was charged with blame in the two-car collision. A Ranger Junior College from Breckenridge, Satterwhite was driving a car borrowed from Charles Abraham, also of Breckenridge.

No one was hurt in another two-car accident on U. S. Highway 80 west near Max Law's Premier Service Station Thursday at 5:15 p.m.

Henry James Duke of Luke Air Force Base, Arizona, slammed into the rear of a 1957 Ford, driven by Luther Woodruff of Ranger. The airman was driving a Ford Falcon. He was charged with tail-gaiting—following another vehicle too closely—and was given a ticket by a patrolman of the Ranger Police Dept.

Patrolmen from Sgt. Sosebee's area including Brownwood, Coleman, Cross Plains, Albany, Breckenridge and Eastland were present as well as Breckenridge and Brownwood W&M men and the local inspection supervisor.

**Ladies Bible
Class Meets
November 30**

The Ladies Bible Class of Mesquite and Rusk St. Church of Christ met on Tuesday, Nov. 30, for Bible Study, with the Minister, Gary Beauchamp directing the lesson.

Topic for the day was "The Prince of The World," based on John 12:31.

Comments: As we strive to live above the aims and affections of the world, we face an adversary who is determined to defeat us; yet many people give little thought to the person and work of Satan. The majority of earth's peoples serve him. People of all ages are subject to his various appeals. He entices the young, (2 Tim. 2:2) with desire for popularity, and evil companions. In middle age, temptation takes the form of worldly care, desire for riches and prestige, and old age experiences sorrow, self-pity, and sensitiveness born of loneliness, which generates grudges and discontent.

When a person ceases to serve the Lord, Satan has won a victory.

There were several food items brought for the pantry. Illness prevented several members from attending. Those present were Mmes. L. H. Gohlke, Reed Campbell, A. G. Langley, O. G. Lanier, Kenneth Brown, John Gulley, Sude Jones, Georgia Langford E. J. Bernard W. (Pete) Queen recently retired as crew foreman of Lone Star Gas Company's Pipeline Department in Gordon after 42 years with the company.

Queen was born in Lipan in 1900. He was raised on a farm and grew to love farming.

He began his career with Lone Star in Lipan in 1922. While living in Lipan, Queen was in four separate pipeline districts—Mineral Wells, Joshua, Ranger, and Gordon. In 1945, he was transferred to Gordon.

He married the former Ada Perry of Lipan in 1930. The couple has three children.

"About the most excitement I've had with the company was when we had a fire while we were doing some repairs on Line 'O,'" Queen stated.

**Mission Study

Held Tuesday**

Using the theme, "A Living Sacrifice," WMU of Second Baptist Church conducted a four-part program at the church on Tuesday.

Beginning at 10 a.m., two phases of Christian Stewardship, "My Life" and "My Prayer" were discussed.

At noon a covered dish luncheon was served with husbands of members as guests.

The afternoon session was given to the presentation of "My Home" and "My Money." The fifth topic, "My All," will be given at the evening worship service on Sunday.

Thirteen members and one guest were present.

**RJC 'ANNS' SPLIT
TWIN BILL DUELS
SATURDAY NIGHT**

Ranger Junior College's "Range Ann" cagers split a against Rivercrest High School in Talco Saturday night.

In the opener, the Range Anns' "B" team handily defeated Rivercrest High, 55-14. Donna Aldridge of Grandview paced the offensive attack for the Purple & White femmes, meshing a total of 22 points.

High scorer for the losers was Skeeter Logan who racked up eight points.

It was a different story in the "A" skirmish, however, as Rivercrest thundered to a 47-41 triumph. Katy Fry, sharpshooter for the winners, scored 24 points.

Gloria Goolsby of Spanish Fort was high-pointner for the losing Range Anns with 17 points.

The RJC girls' cage squad, first in the history of the Ranger College, was accompanied to Talco by Coach and Mrs. Ronald Butler and Miss Sanya Sulivan. They returned to Ranger, Sunday.

**STAFFORD, LONE STAR
RETIREE, WILL ENJOY
FISHING & DOMINOES**

"When you drive a truck all your life, too many unusual things are always happening to mention," laughed John W. Stafford, who recently retired from Lone Star Gas Company as heavy equipment operator "A" in the Pipeline Department.

A real "old-timer," Stafford began his company service in Ranger in 1922. His first job was driving a truck. In 1940, he was transferred to the Pipeline Department.

Stafford was born in 1900 in Telephone, Texas, and was raised on a farm in Fannin County. He married the former Maudie Robinson in 1919. The couple has three children.

His retirement plans call for indulging in two of his favorite hobbies—playing dominoes and fishing. Fishing comes at the top of the list of things to do. He also loves to have cookouts at his home for friends.

Enthusiastic about Lone Star's retirement program and stock plan, Stafford said: "I have always enjoyed work-

ing for Lone Star Gas Company and will miss the many friends I made while working with the company."

Summer - Rested Native Grasses Providing Top Forage in County

By Eastland County Soil Conservation Service

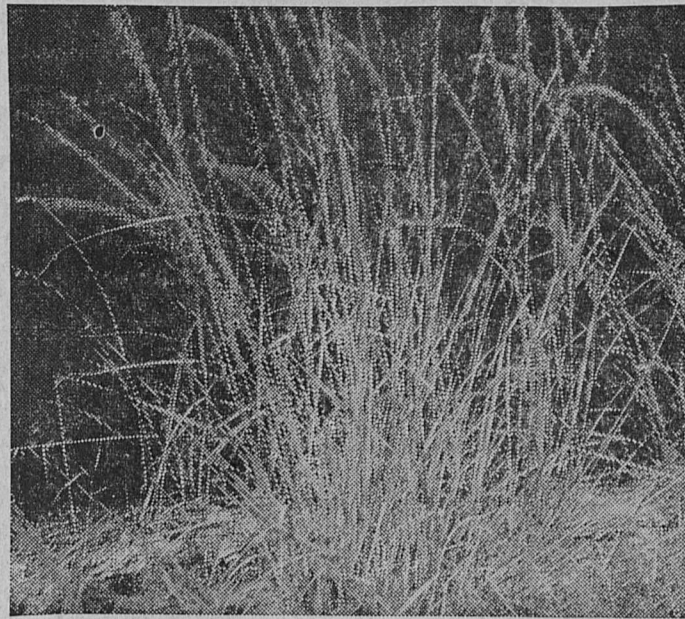

side are a brilliant hue. Peas and grass seed are rapidly dropping their outside husks. Only a crisp frost was needed to make the sea-

son complete. Winter can not be far away. Among the scenic sights to be found in the country side are a number of pastures rested from grazing last summer. In mid-September these pastures had generally stayed partially green but made little growth due to absence of effective rainfall since late May. Today, due to fall rains and delayed frost, these pastures look overgrown with luxuriant grass. Seed heads are waving in spite of scorching drought while the grass was in the boot stage last August.

In contrast, native grassland which was pastured all summer even under light stocking, has produced much less forage. Grass grazed all summer just did not have the vigor needed for recovery when September rains finally fell.

No seed heads are seen in these pastures as livestock cropped the scattered heads while they were in the dough stage. Some 40 pastures in this area, totaling about 6-7,000 acres are known to have been rested this past summer in this vicinity. Others were rested for a portion of the summer. A large portion of these pastures had some type of brush control and reseeding treatment this spring or in 1964. Incidentally many of the pastures reseeded in 1964 and rested the second time this year showed very few grass seedlings until this fall.

For wintering cattle and goats the fall produced forage in these rested pastures is more valuable in many respects than hay in the barn. The better native grasses cure out into palatable forage needing only a small amount of protein supplement to make a balanced diet. In addition to the cured out warm season grass, these pastures have ankle-deep Texas winter grass and winter annuals on many sites. Texas winter grass is well known for its ability to fatten livestock. On continuously grazed pastures

ARTISTIC GRASS — As picture-perfect as a fine etching, is this gallery-quality exposure of native Eastland County grass at its best. Side-out grama plant showing full seasons growth without being grazed. Better native grasses such as side-outs cure out into hay on the ground as good as hay in the barn for wintering livestock. (SCS Photo)

Texas winter grass is making little growth as the stock are keeping it bit off to the ground and the plants are stunted. The majority of the operators resting pastures this summer were able to do so by producing their summer grazing with Coastal bermuda. Due to dry weather the production of Coastal was much below what would be considered normal for this area.

use for Coastal Bermuda. The combination of Coastal Bermuda in summer and native rangeland in winter holds much promise as a new system of livestock and land management for this area. This system provides perfect conservation of our land as cropland is put under permanent grass cover and on native range the better grasses such as little bluestem and side-outs grama are allowed to grow unmolested all summer. Forage production can be expected to increase each year with improved soil conditions and better grass vigor. The old system common to this area of grazing native grass year long and attempting to provide additional winter forage with hay and small grain on cropland is becoming less profitable each year. Under this system native grass can be improved only if stocking rates are drastically reduced.

Eight Coyotes Trapped Last Month in County

A total of eight coyotes were caught by government trapper in Eastland County during the month of November, according to Alvin Kincaid, secretary of the Eastland County Predatory Animal Control. Mr. Kincaid also reported that over 400 coyotes were trapped in Shackelford County during the past 12 months.

Rising Star Man Named District Masonic Leader

Fred Price of Rising Star has been named District Deputy Grand Master of Masons for Masonic District No. 73, which includes eight Masonic Lodges in Eastland and Stephens Counties. Price is a member of the Rising Star Baptist Church. The appointment was made by the newly-elected Grand Master of Masons in Texas, H. W. Fullingim of Odessa, as the 130th Annual Communication of the Grand Lodge of Texas, was concluded in Waco December 2.
