

## 50 Years Ago

The Sonora merchants complain that since the railroad commission has been in operation their freight rates have been increased twenty per cent.

—50—

The directors of the National Saddle Horse Breeders Association have decided that animals must show five distinct gaits, viz, 1 walk, 2 trot, 3 rack, 4 canter, 5 running walk, fox trot or slow pace.

—50—

Cleveland named the baby Ruth.

—50—

I scream, at Mrs. Stewart's to-night.

—50—

Get your girl and take a cooler at the Baptist festival tonight. Don't forget to attend the ice cream festival in aid of the Baptist church to be given at the residence of Mrs. W. A. Stewart. Come and help the good cause, as it may be the cause of saving you from going to the place where there is no ice cream.

—50—

We owe Wm. Sandherr an apology for the local mention he received last week. It was the handsome Billie Saunders we had referred to and as the shoe may not fit friend Sandherr's foot we retract.

—50—

News comes that the Standard Oil Company has obtained absolute and entire control of the German market. Formerly great monopolies were the creatures of kingly favor; now, neither kings or emperors can prevent them.

—50—

F. M. Drake of Ozona was in the metropolis last Saturday.

—50—

D. B. Cusenbary, our hustling mutton buyer has a large lot of mutton en route for the Paradise which he has bought up about Ballinger and Miles Station.

—50—

Dr. Jones reports the following births: September 29th Mr. and Mrs. H. Knusenberger a girl.

October 9th, Mr. and Mrs. L.M. James a boy.

October 14th, Mr. and Mrs. Charles Sewell, a girl.

October 15th, Mr. and Mrs. Chris Mienecke, a boy.

—50—

Peter Robinson, the well known cow and sheep man, was on our streets on Tuesday.

—50—

George S. Allison on Saturday bought from Doc Fowler 8 head of Cusenbary bucks.

## E. F. Tillman Former Sutton Ranchman Buried Tuesday

E. F. Tillman, former ranchman of Sutton and Menard counties, was buried in Brownwood Tuesday. He served as livestock agent of the Frisco railroad for 40 years.

Surviving are the widow; daughters, Mrs. Joe Blakeney and Mrs. John S. Allison of San Angelo, and Mrs. W. J. Wilkinson of Menard; sons, Bill Tillman of Fort Worth and A. Y. Tillman of Menard.

## Ranchmen Asked To Make Plans For 1942 Defense Production

Ranchmen of this section are being asked to make plans for their 1942 Defense production and a report on production made in 1941, according to Clay Atchison, County Agent.

Requested to come to the local courthouse tomorrow, (Friday), November 21, between the hours of 9 and 5 o'clock, ranchmen will be assisted in filling out a farm and ranch defense program plan sheet for each ranch. This plan must be filled in and signed before an application for payment for the 1941 program can be completed, it was pointed out.

"The Government has obligated itself to produce sufficient food for one hundred and thirty million Americans and ten million British for the year 1942 and in addition an adequate reserve supply. Providing for this part of National Defense is the duty of the ranchman and farmers of America," Atchison stated.

Ranch and farm operators are being asked to cooperate by producing for market an increase of 18 percent beef cattle and six percent sheep in 1942 along with an increase in marketing of other products.

## L. M. Penick Died Here Sunday; Buried At Terrell Monday

L. M. Penick, 77, died at the home of his son, J. T. Penick here Sunday following a long illness. Funeral services were conducted in Terrell Monday. The body was taken overland. He had lived here in the home of his son for the past several years.

Survivors include a son, J. T. Penick, of Sonora, a daughter, Mrs. Fred Kyle of Terrell, two grandchildren, Dorothy and Billy, Penick and two great grandchildren, Georgie Sue Norris and Yvonne Penick.

## This Turkey's Neck Is Safe

Holding the ax over his head doesn't scare this turkey a bit! He was declared the Grand Champion of Texas at the State Fair, and he knows these San Antonio students at Texas State College for Women, Mary Ann Curlee, left, Audreen Southwell, and Jo Meree Ridgway, aren't going to chop his head off for anybody's Thanksgiving dinner. The W. T. Halls of Denton own the turkey the girls are threatening.

## Three Auto Mishaps Occur Last Week

Three car and truck accidents occurred Friday, Sunday, and on Tuesday to cause the first break in a four week record of safety in Sutton County.

An Alamo Freight line truck broke an axle 13 miles out on the Del Rio road Friday afternoon. The driver was uninjured and the cargo was not damaged.

Another Alamo Freight truck ran off the embankment 11 miles west of Ozona Sunday morning. Although the driver suffered only minor bruises, the cargo of whisky was almost a total loss. Only explanation received so far was that the driver "guessed he went to sleep."

Tuesday morning at dawn a Ford sedan driven by an unidentified woman and accompanied by another woman and three children, struck a bridge abutment 15 miles west of Ozona and was demolished. Only minor injuries were received by the passengers. According to word received here, the driver said she must have gone to sleep.

## State And Federal Highway Signs Are Replaced Near Here

State and Federal highway signs on 150 miles of road in this district were being replaced with larger signs this week by a group of highway men in charge of H. P. Largent, maintenance foreman of the State Highway department.

Mr. Largent said that generally about this time of the year, the signs were repaired and repainted. In addition to replacing the markers, all the poles were repainted.

A welcomed addition to the roadside park system in Sutton County, was the installation of rest rooms at Simmons Park, 5 miles west of Sonora.

## Scouts To Appear Before Board Of Review Monday

A Board of Review for Boy Scouts coming up for advancement before the Court of Honor will be held Monday night at the Scout Hall. All Scouts who have been working to pass tests for Tenderfoot, Second Class, First Class, or merit badges, should appear before the board for personal conferences.

The Court of Honor will probably be held early in December.

## U.S.O. Fund Exceeds Initial Goal; Will Be Expanded

The initial goal for funds for the United Service Organizations has been exceeded, according to a letter received this week by H. V. Stokes, local Chairman of the drive, from Thomas E. Dewey, national chairman. "We set out to raise \$10,760,000, and we will total \$16,000,000 shortly," the letter stated. After local sharing of defense needs, the Citizens Committee share for entertainment, and campaign expenses, the USO will have net \$13,400,000 for operations, Mr. Stokes was informed.

"Financially, we are ahead of our original goal, but behind the needs of present budgets," it was said. "Because of the great Army expansion we now need even more than the original quota and that we will be able to do much more than was originally expected," Dewey said.

"The operating program, as you doubtless know, was delayed for three months by the failure of government agencies to progress rapidly enough with the building program. This has now been solved by transfer of the job to the Army and 107 building contracts have now actually been let. We have been assured by the Army that 240 USO buildings will be ready by December 25th.

"Meanwhile, the USO has not been resting on its oars. Throughout the country, and in the Canal Zone, Hawaii, Alaska, Newfoundland and the West Indies, we have 293 units in operation, with 161 as actual clubs for the men in service. More than 600 workers are now on the job, in rented quarters outside the camps, and on 24-hour duty with troops on maneuvers," the letter said.

Lt. and Mrs. John Hull, who are stationed at March Field, California, are visiting their parents, Mrs. Clyde Gardner and Mr. and Mrs. Fred Hull.

The Sonora Woman's Club will sponsor the Thanksgiving dance, Saturday, November 29. adv.

## Both Thanksgiving Days Observed By Some Here

### Six Boys Will Enter Army Service On December 3rd

Six Sonora young men will report on December 3 for induction into the United States Army, according to the local draft board. The boys will enter service at Ft. Sam Houston, San Antonio under the selective service act.

Those that have been notified to report December 3 are Albert Adam Daugh, Vincent Astor Rousche, Albert Andrese Esodedo, Jesus Alsero Ramirez, Herbert Elvin Speece, and Leo Verdo Barrera Cardenas.

### TWO NEW PATROLMEN HAVE BEEN STATIONED HERE

Two new members of the State Highway Patrol have been stationed in Sonora. J. C. Golden will be in charge of driver's licenses and will work six county seats. Brooks Powell will patrol with Glenn Warner, regular patrolman. Mr. Powell and Mr. Goden have moved their families here.

### Red Cross Drive Is Progressing Here

Conscious of the tremendous additional tasks to perform and the hundreds of thousands to be cared for in England and other war-torn countries of Europe, the annual Red Cross membership drive in Sonora is expected to exceed the total of last year, according to Mrs. Joel Shelton, Sutton county chairman.

With only one of the worker's reports complete, a total of \$178.50 donations, and 171 memberships were reported by H. P. Largent, Mrs. Shelton said.

Memberships in the drive cost \$1.00, it was pointed out. Of this amount, 50c remains in the local chapter for use in this locality while the remaining 50c goes to national headquarters, it was explained. Of larger donations, the 50c goes to national headquarters and the remainder of the donation is kept in the local fund for use at home, she said.

Efforts to secure additional memberships will be redoubled as the closing date for the campaign nears. Sonora citizens are expected to increase the number of memberships substantially this year, is the opinion of those in charge of the drive.

### Five Wheels, Tires Stolen Monday Night

Car strippers had a busy evening Monday night, taking the wheel and tire from Gomer Menick's truck, and stripping all wheels and tires from two trailers belonging to Andrew Moore and Jess Barker. The trailers were parked at the race track.

## RANGE PROGRAM WILL NOT BE EXTENDED DUE TO PARTS SHORTAGE

The 1941 Range program will not be extended due to difficulties encountered in this section because of a shortage of farm and range machine parts, and must be completed by November 30, according to information received

### Two Thanksgivings Better Than One

Two Thanksgiving days, to pause in appreciation for the bountiful blessings that have come to Sonora business firms and citizens, are appropriate, indeed, is the opinion of many local people. Not only is this the common opinion, but at least one Thanksgiving day will be celebrated by most Sonora firms. Members of some establishments will divide the two days, some taking the first date, while others will celebrate the holidays next week.

Grocery stores, the post office and a number of other firms will take the second holiday, while others took Thursday this week. The bank celebrated Thursday this week and will also be closed on Thursday of next week, the traditional Thanksgiving day.

This business of two Thanksgivings isn't such a bad idea, opinioned local citizens. Those who can't celebrate one day, may be able to do so the following week, and besides, we here in Sonora, have plenty for which to be thankful anyway.

The E. F. Vander Stucken store here will close every day at 6:00 o'clock, except Saturdays, it was announced by that firm this week.

### Dr. J. F. Howell Bags First Deer of Season

Dr. J. Franklin Howell became the ranking nimrod of the season Sunday morning when he brought in the first buck killed in Sutton County this year. Dr. Howell's buck was an eight pointer weighing about 140 pounds, and was entered Sunday at noon.

The second and third deer killed were brought in by Mr. and Mrs. Mack Cauthorn at 5:30 o'clock.

Other bucks were brought in by Leonard Gibbs at 8:30 o'clock, Mutt McIntosh at 9 o'clock, G. G. Slack at 9 o'clock, and Bill Fields at 9:45 o'clock Monday morning.

### Mrs. Carl Ray Buried Here; Passed Away In California

Mrs. Carl Ray, 36, who died last week in Hollywood, California was buried here Friday, Nov. 14. She is survived by her husband, and a cousin, Mrs. Harvey Morris.

Services were held at the Methodist church, Reverend L. K. Brown officiating. Interment was at the Sonora Burial Park.

Pallbearers were R. D. Trainer, Jodie Trainer, W. C. Gilmore, Neill Rousche, James Barton, and Hollis Long.

Mrs. Ray was the former Miss Ruby Martin, and was born in Christoval, moving here about 1915.

## MILITARY DEMANDS TO REQUIRE FULL 1942 PRODUCTION OF WOOL

According to a San Antonio Express Associated Press dispatch Tuesday the prospect that the 1942 domestic production of wool will be insufficient to more than meet military demands in the United States next year was foreseen Tuesday by the Research Institute of America, a private business information service which keeps in close touch with responsible authorities.

This outlook for wool supplies is contained in a report "priorities and allocations" designed to show businessmen and industrial-

its how to cope with defense supply problems through the office for emergency management.

The research institute offered a table showing "the latest, most accurate picture of the scarce materials left over to meet civilian demand after defense needs are taken care of."

It indicates that, for the remainder of this year, there will be only one pound of aluminum available for civilian purposes for ever 52 pounds of civilian demand, but that this situation will improve next year to the extent that civilian demands will be only six times the available supply.

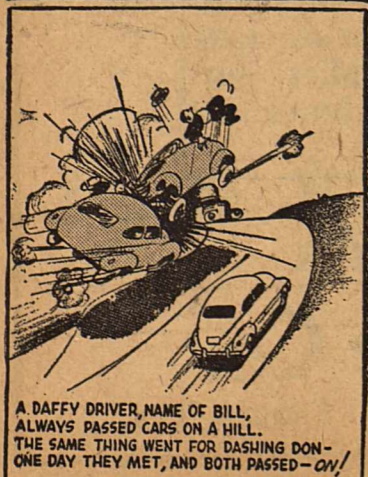

Officials of the institute said government, plans indicated the available wool supply would be needed for the armed forces next year and that the supply was being limited by lack of shipping space from Australia and by lack of wool processing facilities in the United States.

The institute advised industrialists to survey their inventories of scarce material carefully as the new year approaches.

### UNDERGOES APPENDECTOMY

Harold Schweining was operated upon for appendicitis last week in San Antonio. He is reported resting comfortably at the P&S Hospital there.

## TRAFFIC TIPS AND QUIPS

A DAFFY DRIVER, NAME OF BILL, ALWAYS PASSED CARS ON A HILL. THE SAME THING WENT FOR DASHING DOWN ONE DAY THEY MET, AND BOTH PASSED—OH!

Miss Georgia Nance is home from Sul Ross and is visiting her parents, Mr. and Mrs. R.C. Nance.

Dock Simmons, who is a student of Sul Ross (is spending the Thanksgiving holidays with his parents, Mr. and Mrs. Arthur Simmons.

**Methodist Group Meets To Study**

"Roots of American Democracy" is the study of the Methodist Women's Society. The organization met at the home of Mrs. B. W. Hutcherson Friday afternoon and Mrs. O. G. Babcock conducted the study. Present were Mesdames Fred Nichols, J. W. Fields, John Kring, J. D. Lowrey, L. K. Brown, J. W. Trainer, John Dragoo, and Robert Rees

Mrs. Henry Greenhill, Mrs. Cliff Johnson and Duard Archer were ni San Angelo Monday.

Most of the nation's 16 egg-drying plants are located in Texas, Oklahoma, and Missouri. By January 1, the total will reach 37, with most of the new ones in the Corn Belt.

**Sonora Pearl Beer Distributor Wins Statewide Honors**

Laurels have been won by Wirt Stephenson, Pearl Beer distributor for Sonora and vicinity, whose organization has just won statewide honors among Pearl Beer distributors throughout Texas, for showing the highest percentage of increased sales last month, over the same month a year ago, making it the "Pearl Beer Distributor of the Month" for the State of Texas, according to a communication received today from the San Antonio Brewing Association, San Antonio, Texas.

The announcement came in the form of a congratulatory letter and certificate of honorable award, received by Wirt Stephenson, local Pearl Beer distributor, from B. B. McGimsey, Vice-president and general manager of the San Antonio Brewing Association, who praised Stephenson and the men of his staff for the energy and initiative shown in obtaining the record sales increase.

Stating that the Pearl Brewery has enjoyed constantly increasing sales, month after month, year after year, since repeal, the McGimsey announcement went on to say that it was the Sonora distributorship which was responsible for the highest percentage of increase among all Pearl Beer distributors in Texas for the month of October, 1941, as compared with the month of October, 1940.

The Sonora Company showed an 80.3 per cent increase for the period mentioned, an unprecedented record for the local organization, made all the more sensational by the fact that the same group topped all previous yearly sales records in the year 1940.

Although the local sales organization topped the list for sales increases during October, it serves but to illustrate the steadily increasing popularity of Pearl Beer all over the State, which is being met by a continuous program of expansion at the Brewery, which enables it to brew thousands of more barrels of Pearl Beer each year, and yet assure the public that every bottle of it is always fully aged.

When asked for a statement regarding his tremendous increase, Stephenson said, "We are proud of our record, and the 'Distributor-of-the-Month' award is a compliment to every member of our organization — a compliment to Pearl Beers itself, and a compliment to the Pearl Beer advertising carried in this paper. It proves that as long as we back a fine product, like Texas' own Pearl Beer, which is itself backed by 55 years of continuous brewing experience, that the people of Son-

**Junior Class To Benefit From Dance Concert Monday**

The Junior Class is to benefit from the dance recital, sponsored by the Sonora Music Club when it presents Elsie Jordan, creative modern dancer of Salt Lake City in the High School Auditorium on next Monday evening, November 24 at 7:30.

Miss Jordan is a former student of the great Mary Wigman and has danced professionally in motion pictures and on the New York Stage. At the present, she is an instructor in the McCune School of Music and Art in Salt Lake City.

Becky Almond, a well known pianist of Salt Lake City, will be the accompanist and will present a group of piano solos as well.

Costumes for Miss Jordan are designed by Mathews and executed by Naurine Nielson. All are colorful and striking and lend much charm to the beauty of dances.

Tickets, which are being sold by the Junior Class, are 40c for adults, 25c for high school students and 15c for grammar school students and 15c for high school students and 15c for grammar school students.

**P. T. A. Study Club Meets At Home Of Mrs. Cusenbary**

The Parent-Teacher's Association Study Club met at the home of Mrs. Ben Cusenbary Tuesday afternoon for the first of the four meetings to be held this year. Mrs. E. D. Shurley, study leader, conducted the program.

Topic of the year to be discussed by the group is "Defense Begins at Home," and is taken from the National Parent Teacher's Magazine.

Three articles were discussed by the group. They were: "The Homemakers Take Over," by Astan Smith; "Does Money Make the Man?" by Helen W. Atwater, and "To Market We Go," by Russell M. Wilder, M. D., and Mary A. Foley.

Attending were Mesdames Joe B. Ross, John Eaton, Jr., Carnie Wyatt, Ben Mittel, W. H. Dameron, I. B. Boughton, W. R. Cusenbary, Cliff Johnson, George A. Smith, Vernon Hamilton, Shurley, and Ben Cusenbary.

## BEAUTY AND HARMONY IN SMALL HOMES

The idea of endowing the low-cost home with charm and beauty regardless of its size is no longer a new one, but seldom is the effect achieved as successfully as here. The house is simple and unpretentious, yet it has the dignity wanted in a home. The interior plan offers nothing new but is a logical and comfortable room arrangement. The living room is unusually large with a fireplace flanked by two windows, while on the front is an attractive bay window. The bedrooms and bathroom are connected by a hallway which provides complete privacy.

In the Mid-west this property was valued at \$5,600 and was financed with a Federal Housing Administration insured mortgage of \$5,000. Average monthly payments on a 25-year mortgage of this amount, exclusive of taxes and hazard insurance, total approximately \$29. The cost of the property will vary in other localities.

### DEFENSE BOND Quiz

Q. Who said: "I only regret that I have but one life to lose for my country?"

A. Nathan Hale, who gave his life for America, like great numbers of his fellow countrymen. We are only asked to lend our dollars for Defense Bonds and Stamps to defend the liberty for which they died.

Q. Where I work there is no payroll allotment plan for the buying of Defense Savings Bonds and Stamps. How can I get one started?

A. This depends on your position, and the kind of organization in which you are employed. Generally speaking, your immediate superior would be the proper person to receive your suggestion that you would like to have a voluntary payroll allotment plan introduced. The firm's bank can supply information about such a plan.

NOTE.—To buy Defense Bonds and Stamps go to the nearest post office, bank or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at retail stores.

New Zealand troops in the Fiji islands get one good break for which they are envied. They get beer in their camp canteens at considerably below the price paid by civilians. This is due to the colonial government's waiving of duty on beer intended for soldiers. A counterpart of this legislative policy may also be found in many American states, where state taxes have been waived on beer sold at army post exchanges.

Cannibalism and feather picking, vices which sometimes develop in poultry flocks, can be cured quickly by adding an extra 2 to four per cent salt to the ration.

Mrs. J. M. Huling and daughter of San Angelo spent Tuesday and Wednesday visiting relatives and friends in Sonora.

Two scientists at the Texas College of Arts and Industries report their experiments indicate that "blue bugs" play a role in the transmission of fowl paralysis.

MCHAIR WEEKLY THAT A MATTER of vital importance to the interest of this particular section, as well as every section of southwest Texas is the proposed highway, known as Federal Highway No. 277, which is being pushed by Dallas, Fort Worth, Cleburne, Walnut Springs, Hamilton, Goldthwaite, San Saba, Mason, Junction and other sections that will be traversed by this important highway between Del Rio and Dallas, intersecting Highway No. 41 and No. 55 at Rocksprings.

UVALDE RESIDENTS are beset by one of the worst plagues of rats and mice in the city's history. No reason for the recent sudden increase in the number of the rodents can be advanced but both residential and business sections are reporting that the pests are more numerous than ever before.

Some month ago a campaign was conducted here with good success against the rodents, but the need for another campaign is now more apparent than ever. —Uvalde Leader-News.

LOANS FOR THE production of 1942 crops are now available to farmers in Bell and Williamson Counties and applications for these loans are now being received at Walter Miller's Office, Belton, Texas, Chamber of Commerce, Taylor, Texas, and Chamber of Commerce, Georgetown, Texas, according to Eric E. Brown, Field Supervisor for the Emergency Crop Loan Section of the Farm Credit Administration.—Bartlett Tribune.

BASED ON THE RECORD made in the first seven months of 1941, plus a strong demand and an advancing market, a farm cash income exceeding that of any single year in a decade is indicated in reports just released by the Texas Farm and Ranch Publishing Company.

The Bureau of Agriculture Economics, the report disclosed, reports a 25 plus per cent increase in farm cash income for the Southwest during the first seven months of this year, with indications that the increase will be more than maintained during the rest of the year.

In 1940 the farm cash income in the Southwest totaled \$1,118,341,000. On the basis of a 25 per cent increase this year the income will total approximately \$1,397,000,000.—Rockdale Reporter.

THE "FOUR POINT HEALTH Conservation program" of the Maria School system last week stressed physical examination of freshman and sophomore girls.

Miss Tompkins who is in charge of the check up on this group said that the services of physicians and specialists is required and the present test has been made on eyes and teeth, by Dr. Monroe Slack, and Dr. C. H. Slaton, who are giving of their time. Out of twenty-four girls examined, one serious eye case was found, with two or three minor troubles. The dentist found three cases demanding immediate attention, with several minor needs. There is greater need for dental work than eye treatment. —Big Bend Sentinel.

APPARENTLY THE ONLY LIFE in a pre-Armistice Day wool market was the sale of the Willie Bevans clip of 100,000 pounds of wool Monday to Jack Allison of Munro. Kincaid Edgehill, Inc., at 4 1/2 cents per pound.

The wool was sold by the Menard Wool and Mohair Company, managed by Henry Vandec-Stucken. Twenty-five per cent was lamb wool. The wool clip is of a Delaine Rambouillet cross. Bevans ranches 20 miles from Menard.

Buyers predicted a lifeless day in the wool trade today in Texas, with Boston firms closing as well as many of the West Texas storage houses.—Menard News.

LAST THURSDAY WAS A RED LETTER day for the Junction Livestock Auction Company when 601 sheep and goats, 135 cattle, three horses and six hogs passed through the ring, bringing satisfactory prices.

Among the consignors were Governor Coke Stevenson who sold two steers to W. R. Capps, Mason; two steers to W. K. Murchison, Menard, and one steer to T. J. Forgey, Ballinger.

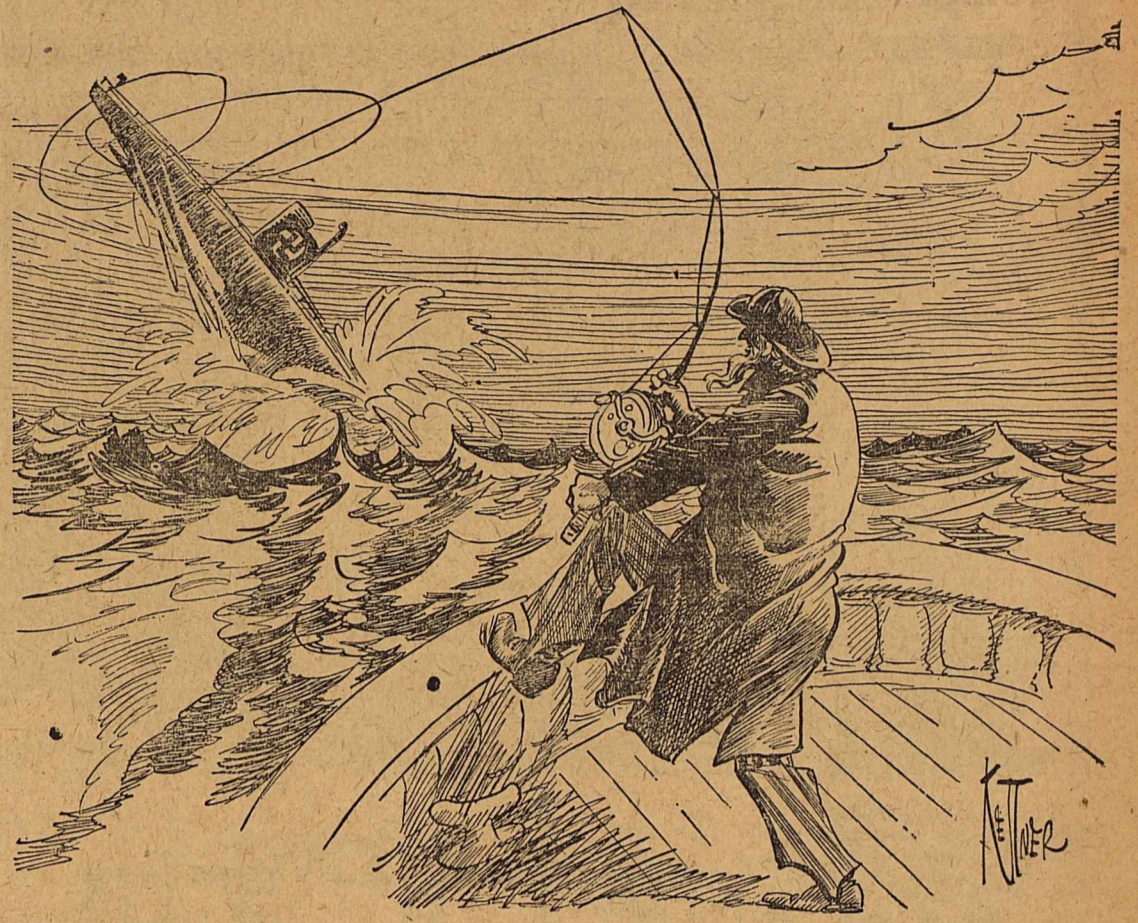

A Rambouillet buck donated to the Hill Country Fair Association was bought by Noble Jobs for \$4.75. Seaton Prentice sold to H. H. Kothmann nine calves, averaging 408 pounds at \$11.25 per cwt. Mrs. Jack Turner sold two heavy steers—one weighing \$1,055 to W. R. Capps for \$97.45, another weighing 1235 lbs. to W. K. Murchison for \$100.03. H. K. Caldwell sold to C. Speck 56 mixed lambs at \$6.20 a head.—Junction Eagle.

THE ARMY CUT A wide swath in the ranks of recent Minnesota journalism graduates this fall. Arthur Buckman was sent way over to Manila, P.I., as a second lieutenant in the coast artillery, while Jon Bjornson has been training at the marine officers camp, Quantico, Va. Charles Roberts, Chicago Tribune reporter, is on leave of absence from the paper as a naval reserve, attached to the publicity division. Roger Cowell is first sergeant with the 216th coast artillery, Camp Haan, Riverside, Calif., while George Ludcke is in training with the marine corps at Quantico, Va.

Robert Lyness left Elmhurst Publications, Elmhurst, Ill., to enter the army and Harold Gaucker, former copy reader on the Minneapolis Star-Journal is doing public relations work at Camp Haard, Riverside, Calif. With him is Second Lieutenant Linus Ward, one of three chosen for the special course from his outfit at Fort Monroe, Va.

Herchel Caplan left the Amarillo (Texas) Daily Globe for an October army assignment with the information section. Francis ("Gus") Cooper, who took a position as reporter and photographer for the Rochester (Minn.) Bulletin, following his graduation in June, is with the marines at Quantico, while Douglas Lyness, who had just started as a reporter on the St. Paul Pioneer Press, was sent to the Great Lakes Naval station, Chicago.—Publishers Auxiliary.

Time To Put Up Or Shut Up??

ACCORDING to Demaree Bess, author of an article "Put Up or Shut Up," in the current Saturday Evening Post, it is time for America to do something. Mr. Bess states that we have gone too far to get out, that the only thing to do is accept our fate as saviors of Britain and pitch in and help them win the war. Mr. Bess is a very frank man. He admits that the British have never entertained the idea that their forty million could beat Germany's eighty million and only used the old gag, "give us the tools and we'll win the war" as a stepping stone towards American involvement. He further states that the British, for the first time, criticized Roosevelt severely when he failed to bring America in after the meeting with Churchill. Perhaps Mr. Bess' biggest point, however, was that in America there is too much propagandizing and too little factual reporting. This is undoubtedly true and has caused much confusion.

Mr. Bess' article brings us right down to the case of Mr. Charles L. South, representative from this district, who, in a recent speech to Congress, advised caution, full computation of the cost, be-

fore deciding whether America wants to get into open war with Germany. Mr. South was severely criticized for stating that America should wait and give England a chance to do something. The English are not going to do anything, mainly because they can't. The one thing they can do is make an honest appeal to the United States for help; when they do, they will get it. But to date, the British have done absolutely nothing in the way of coming out in plain language and saying "Neighbor we need help; we can't win without you, and if you believe in our cause, come on."

We believe that we might have voted to arm merchantmen, but we know we would try our best to make Americans realize that to date the American army is NOT PREPARED, and that it would be a good idea to let England fight or cry openly for help. Concisely, America's entry into the war is going to be a huge horse trade with England. Let's let them say something.

Meanwhile, persistent rumors reach our ears that a man who owns some coal mines up East is have a little trouble with the help.

RACES SCHEDULED SUN.

Two races are scheduled for Sunday. Granville Barker's Workman will run against Straight-up owned by Miers Savell, and Meecat owned by Mrs. Mack Caution will race Bay Barney, Jess Barker owner. It was understood Wednesday that Sonny Crowell will ride Meecat and Dal Licata, Baby Boerne.

Farm Youth Training Provided In New Bill

Farm youth training will benefit as a result of the passage in congress of H.R. 4530, a bill providing for a modest appropriation which will make it possible for the Agricultural Colleges to place one or more extension agents in each county to devote full time to youth which should triple or quadruple present 4-H enrollment. The bill has the endorsement of the Land-Grant Colleges, the National Grange, National Committee on Boys and Girls Club work, church groups and more than a score of other national organizations.

Science has proved that work-experience in real life situations is the most effective kind of training for most people. The 4-H club and Rural youth bill provides just such training, according to its sponsors. It will give all rural youth an opportunity to achieve a high degree of efficiency.

The bill would appropriate funds to be distributed to the various states to carry on training programs for rural youths, of which Texas and Sutton county would receive shares.

Sonora Defeats Big Lake Wildcats

By Rudolph  
Sonora's hot and cold Broncos, closing out their season last night displaced a flashy aerial attack to turn back the favored Big Lake Wildcats, 13-7.

The game, played in Big Lake under the arcs, saw Hudson ramming the line for the first counter in the second period, and then, after the Cats had knotted the score, witnessed a spectacular aerial assault with Berger on the throwing end. The Broncos edged ahead in the final period when Ory, blocking back, caught a pass in the end zone.

Johnnie Keating's Orchestra will play for the Sonora Woman's club Benefit Dance, November 29. Place to be announced later.

FOUND—Fountain pen and pencil in front of postoffice. Owner may have same by describing and paying for this ad. News office.

By ABNER GORDON  
THE reasonable rates and long term payments offered under Federal Housing Administration loans make home ownership and modernization a most desirable investment. F.H.A. building loans actually bring monthly costs as low as rent, while improvements may be enjoyed as paid for in small installments.

Typical of the possibilities under F.H.A. financing, a modern bathroom—complete with tub, basin and water closet—can be installed for only \$12.80 a month over a period of three years, while a new one-car garage can be paid for over the same space of time with monthly installments around \$4.50.

Q.—Some of our steel knives and forks have worked loose from their handles. What cement is best to assure a firm bond?

A.—An excellent cement for the purpose is mixed in the proportion of one pound of litharge to two and two-thirds fluid ounces of commercial glycerine to which is added two-thirds ounce of plain water. Apply freely immediately upon preparing as this cement dries solidly in a quarter of an hour, usually becoming too stiff to pour in about five or six minutes. The resulting bond should provide a lifetime of service.

Q.—Why do some paints streak or even wash away while others wear well for a long time?

A.—Streaking and washing is the inevitable result of the use of paints which contain pigments soluble in water or which form soluble compounds by chemical reactions after application. This is why quality specifications invariably call for pure white lead and oil, or, at least, a high lead content ready-mixed paint. White lead never develops water soluble compounds, while a pure white lead paint film is impervious to the action of moisture.

\$500

Reward

I will pay \$500.00 to any person furnishing information leading to the arrest and conviction of anyone stealing any kind of livestock from any ranch in which I am interested.

## With The Churches Go To Church Every Sunday

**METHODIST CHURCH**  
Mens' Bible Class, 9:30 a.m.  
Sunday school, 9:45 a.m.  
Morning worship, 10:45 a.m.  
League Service, 6 p.m.  
Evening Worship, 7 p.m.  
Choir practice, Wed., 7 p.m.

During the morning worship service the Board of Stewards and the Sunday School Superintendent will be installed for the new conference year's work. The installation service will take on the aspect of an ordination service of an Annual Conference. The following members will be installed, Wallace Demaron, W. E. Caldwell, Joe Logan, Cay Atchison, O. L. Richardson, Ben Cusenbary, Edwin Sawyer, Robert Halbert, Jack

Mrs. A. F. Moffitt of Brownwood is visiting her parents, Mr. and Mrs. Ralph Trainer.

Mrs. Alla Aldwell returned Sunday after a two-weeks visit in San Antonio.

Mann, Dee Word, C. H. Davis, Edgar Shurley, J. D. Lowrey, Joe Berger, Dr. Joel Shelton, Collier Shurley, Nobel Prentice, and Mrs. Rex Cusenbary as Communion Steward.

### BAPTIST CHURCH

The Pulpit Committee of the Baptist Church met Wednesday night at the church and selected Fred A. DeLashaw of Paint Rock to succeed Rev. P. D. Fullingim, recently resigned. Officials stated Thursday morning that the new minister would fill the pulpit Sunday morning at 11 o'clock, and at the evening service at 7:30 p.m. Sunday school will be conducted at 10 a.m.

Mr. and Mrs. Pat Cooper of Ft. Stockton is visiting friends and relatives here.

Mrs. Ned Kade of Caldwell is visiting Mr. and Mrs. Edwin Sawyer.

### Recent Bride Is Given Gift Tea

Mrs. Melvin Hearn, recent bride, was honored with a gift party and tea Sunday afternoon at the home of Mrs. Mat Adams. Hostesses were Mrs. Tom Guest and Miss Merle Ory.

Vases of cut flowers in pastel shades decorated the house. Centering the white linen covered table was an arrangement of lavender and white chrysanthemums.

Mrs. Guest presided at the bride's book and Miss Ory at the tea service. Mrs. Hearn was Miss Marion Adams of Sonora before her recent marriage in Ozona.

The guest list included Mesdames Newt Poteet, George Hearn, Wilton Baggett, Jimmy Gatlin, Kathleen Isaacs, H. A. McKee, Marion Adams, Alfred Cooper, Homer Fitzgerald, Terry Baker, G. T. Rhode, Elward Glascock, Vernon Morris, G. W. Archer, Alfred Thiers of San Antonio, J. T. Sellman, Wes Granger, Jim Wilson, Mat Adams, Sam Adams, Tom McKee, Joe McKee, John Merck, Amy Wilson, Bob Wilson, Mary McKee, of Hamilton, Side McKee, Alvin Holmig, Arch Ory, G. B. Baker, Monroe Wright, Lee Hill, Jim Decker, George Burleson, Burt Rhode, Fannie Franks, Asa Halum, Rena Trainer, Artie Joy;

### Mrs. L. H. McGhee Presides At Meet

Mrs. L. H. McGhee, president of the Baptist Missionary Society presided at the business session when the organization met at the church Wednesday afternoon for their weekly meeting.

To open the meeting the ladies sang a song which was followed by a prayer by Mrs. Alfred Cooper. Mrs. McGhee read the devotional and also dismissed the group.

Members present were Mesdames Lawrence Nichols, G. G. Stephenson, Cooper, Orien Webb, Lee Hart, Pearl Martin and Powell.

Glenn Lee (Sonny) Crowell is home for a short visit. Sonny will probably ride in Sunday's race at the track.

Otis Westbrook, Fort McKavett, was visiting here last Saturday with old friends. Mr. Westbrook moved from here about two years ago.

Misses Mary Jo Rape, Symaleane Isaacs, Mary Louise Hearn of Roosevelt, Bernice McKee, Annie Duncan, Pat Reiley, Fannie Sellman, Sbil Burleson and Louise Brisco.

### Taylor's Colonial Home Built Around Priceless Heirlooms

The home recently completed for the J. W. Taylors is one story and the architecture is colonial. In planning the home, Mrs. Taylor took into consideration her many antiques and heirlooms. The exterior is painted white and a green roof and shutters are used in contrast with the whiteness of the home.

The entrance hall is papered in silver with an embossed design. The only furniture is a small table and mirror, and a closet completes the hall.

On three walls of the living room is paper identical to that in the hall and the fourth wall is paneled. The fire place and bookshelves occupy most of the wall space on this side. The windows are draped in coral side panels which are designed with large flowers. Among the priceless possessions of Mrs. Taylor that are used to furnish the living room are a table that was her great grandmother's, a chair that belonged to her grandmother, a rocker that was her great, great, aunt's, a blown vase that was brought from Germany and a French clock that is seventy-five years old. The Williamsburg divan has been in the family for many years.

An arch connects the living room and the dining room. The walls of this room are covered in old ivory with yellow and silver vertical designed paper. In one corner is a cabinet in which Mrs. Taylor has her selection of demi-tasse cups. A Welch dresser, a drop leaf, gate leg table, ladder-back chair and a walnut, marble-top table that was her grandmother's is the furniture occupying this room.

Next to the dining room is the kitchen. White walls and fixtures, and yellow linoleum and curtains are used. The linoleum is monogrammed with JTB.

The small hallway forms the entrance from the living room into either of the bedrooms, kitchen or bath. It is papered in the same paper as the dining room. Coral and blue is the theme carried out

in the bath room and fixtures. Above the coral tile finish is a silver and coral lilies on a blue-background paper. The fixtures are coral and the blue linoleum is monogrammed.

Yellow is the predominating color in the masters bedroom. Early American furniture is chosen for this room, and the bed is covered with a yellow spread and the windows are draped with yellow curtains. Yellow paper is also used.

The dressing table and stool in the guest bedroom are draped with white Point d'Esprit and are covered with a pink quilted topping. The poster bed was Mrs. Taylor's great grandmother's and the settee belonged to her grandmother, who also crocheted the bedspread. The walls are covered with pink paper with embossed vertical stripes.

Light fixtures are colonial brass and all the doors are cross and open Bible style. Hardwood flooring is used in all the rooms with the exception of the kitchen and bath. Venetian blinds cover the windows. All of these make up a home that is complete and livable in every respect.

Miss Margaret Faye Smith, daughter of Mr. Velma L. Shurley, was elected Bluebonnet Belle nominee of the West Texas Club at the University of Texas.

**HOPE FOR BETTER POST-WAR WORLD**

College Station.—A message of hope for a better post-war civilization and of appreciation for the part food will play in achieving that better world was presented to R. M. Evans, national AAA administrator, by Mary Louise Gehring, Baylor University student from Oakdale, La., on behalf of the student body of the University. The occasion was a state-

wide Food-for-Freedom rally at Waco attended by farmers from every corner of Texas who heard Evans tell of British needs for American food.

The immigration and naturalization service of the Department of Justice has denied applications of several Texas organizations for permission to import Mexican farm labor to harvest feed and cotton crops this year.

**Red Cross Sends Relief To War-Torn Europe; Urges Continued Sacrifice**

War relief valued at \$49,753,515 has been given in the past 25 months to the nations of Europe, Asia and the Middle East by and through the American Red Cross, Chairman Norman H. Davis announced here.

The dollar value includes shipments and commitments through September 30, not including an estimated \$200,000 worth of medicine, surgical and hospital supplies recently shipped U. S. S. R. from England. The figure includes \$244,312 worth of medical and hospital supplies shipped and purchased for shipment in the United States for Russian war wounded.

Of the total relief figure, Mr. Davis pointed out, \$25,160,000 represents relief made available by the American Red Cross, including a valuation of \$12,568,562 for Red Cross chapter-produced garments and surgical dressings, and for donations of ambulances and other articles received through Red Cross Chapters. The remainder of the relief, \$24,593,504 represents

the value of supplies purchased with government funds and distributed by the American Red Cross.

Chairman Davis said Great Britain had received the largest portion of American Red Cross foreign war relief—a total of \$30,327,305. Relief to Great Britain reached its peak amount during September, he said. A total of 32 vessels that month shipped American Red Cross supplies to British ports, valued at more than \$2,000,000. American Red Cross aids to the British Middle East now total \$2,329,021.

In making this 25 months report of the war relief operations of the American Red Cross, Chairman Davis pointed out that the relief referred to has been made possible by the Red Cross war relief fund contributed by the public in the summer of 1940, and by supplies purchased by the U. S. Government for foreign war relief. The campaign for members in the annual roll call of the Red Cross, to be

held throughout the nation from November 11-30, is to obtain funds for the support of the domestic activities of the organization, Mr. Davis said.

Relief to prisoners of war is being extended through the facilities of the International Red Cross Committee, whose delegates are free to visit prison camps and observe the distribution. Standard food parcels and bulk shipments of clothing, shoes, and soap valued at \$520,488 have been provided by the American Red Cross since the program was inaugurated in January, 1941.

Of the garments, knitted and sewed, made in Red Cross Chapters by women volunteers, 6,400,591 had been shipped up to September 30 and 28,331,772 surgical dressings had been shipped. More than 1,104,000 blankets had been sent to the various countries for hospitals, for wounded, for bomb shelters, and for homeless civilians.

The relief to the British Isles, provided through the chapter-produced articles, and not including the vast quantities of manufactured garments, shoes, medical and surgical supplies, include such items as: bandages and surgical dressings, 21,786,000; hospital garments, 565,000; knitted sweaters, 1,630,000; other knitted garments, 879,000; children's clothing, 1,459,000; women's clothing, 511,000; layettes, 253,000; women's kits, 39,000; air raid shelter suits, 10,000.

By Mrs. E. G. Reese

Mr. W. F. Bugg caught a 31 pound catfish while fishing at Devil's Lake last week.

Mr. and Mrs. J. E. Barber and Donald Gene visited relatives in San Angelo last week-end.

Miss Estell Smith visited in Balinger last week-end.

Mr. and Mrs. A. G. Lee and Elizabeth Ann attended the Texas-T. C. U. ball game in Austin Saturday.

Mr. and Mrs. R. C. Callan were in Del Rio Friday.

Mr. W. D. Campbell was in Junction Friday.

Mr. and Mrs. Geo. Ard of Sta. A visited at Station B Saturday and Sunday. They were the overnight guests of Mr. and Mrs. T. M. Tomerlin and Jeanne Claire.

R. G. Ross, Carl Gardner, Mr. A. R. Thacker, Mr. Reese, and Mr. Geo. Ard of Station A attended the Masonic Lodge in Roosevelt Saturday.

Mr. and Mrs. Seth Lancaster and Jo Richard visited here parents, Mr. and Mrs. R. C. Callan Sunday.

E. S. Reese, R. G. Ross, and W. E. DuBois of Sonora were in McCamey Monday.

F. R. Arnold and Mrs. (Mutt) Averett were at Station B Monday.

Mr. and Mrs. E. G. Reese, Mrs. W. J. Jones and Mrs. Pearl Martin were in San Angelo Tuesday.

**Students Planning Post-War Economy**

College Station.—"May food become a means of molding the kind of post war society in which youth may grow up without the fear of rattling sabers or ravaging armies."

"We hope that food may not be used merely as a weapon of war or a bulwark of defense but as a major consideration in the treaty by which the post-war civilization will be determined," the message continued.

With these words, delivered by Mary Louise Gehring, Baylor University student from Oakdale, La., the students of that school paid tribute to the nation-wide Food-for-Freedom campaign now underway throughout the United States.

At a state-wide Food-for-Freedom rally in Waco, attended by farmers from every center of Texas, Miss Gehring delivered the message to R. M. Evans, national AAA administrator, on behalf of the student body. Evans was the principal speaker at the meeting and told Texas farmers what he learned during a recent trip to England to study British food needs.

"The students of Baylor University are like all other young people in the United States. We, as well as they, are keenly interested in international developments; for all of us realize how closely our future—our businesses, our homes, our national security, is linked with that of the rest of the world."

**I GIVE YOU TEXAS**

By Boyce House

I never visit Laredo but what I remember it as it was when I first saw it, in November of 1920. Upon alighting from the I. & G. N. train, the traveler found out what had happened to a goodly portion of the hacks over the United States that had been displaced by taxis, for a line of 25 frayed carriages drawn by sad nags was in waiting, each with a shouting Mexican driver.

The principal streets were not paved but there were stepping stones at the intersections and the drivers of carriages and of flivvers would stop and let the pedestrian escape being spattered with mud and water.

There were orange trees and exotic blooms and you heard Spanish on all sides—even from the motormen and the policemen. There were more signs in Spanish than in English; and a soda dispenser, after filling your order (which you'd given in English) would resume his conversation with friends in Spanish.

It was all very picturesque—but it made one who was young and far from home feel very lonesome. For three days the weather did its best to add to the feeling of depression for a slow, cold drizzle fell. One who was seeking sunshine in which to build up his strength was bound to think longingly, under such circumstances, of the little town of Cotulla—half-way between San Antonio and Laredo—where the train had stopped and all the passengers hurried over to a long table in the hotel sat down to a meal of bountiful proportions.

And so it is hardly to be wondered at what I retraced my journey as far as Cotulla and spent a winter there.

Laredo has changed greatly in 21 years. Can it really be that 21 full years have passed since then? Streets are paved; hacks have disappeared; coffee shops and hotel rooms are air-conditioned; stores are modern; but there is still the atmosphere of romance—dark-eyed señoritas, musical Spanish, vendors with trays of queer candy, lovely parks, and just below the city (now twice the population of 1920) rolls the Rio Grande and on the other side is a foreign land.

Coming events cast their shadows a long way before. The first political announcement, your columnist has noted has already appeared in the Fort Bend Reporter and it is that of C. D. (Clem) Myers for county clerk, "subject to the action of the Democratic primaries in July, 1942, and the endorsement of the Jay-bird Association."

The clamor for a special session of the Legislature has died down to a whisper before the press and public throughout the state, united in opposing needless turmoil and expense.

The Postoffice Department in Washington was looking up titles in Baton Rouge, La., with the idea of securing a site for a new Postoffice. The favored site looked good but the title was guaranteed only as far back as 1803. That would satisfy most of us; but the Government is particular; so the Department demanded that the title be traced back to the source, regardless. In due course the explanation arrived, signed by the attorney for the owners of the land: "Please be advised that the Government of France in the year 1803 acquired title from the Government of Spain, which government acquired title by discovery of one Christopher Columbus, traveler and explorer, a resident of Genoa, Italy, who (by agreement

**Thanksgiving Motif Used At Club Party Given Thursday**

Mrs. Ella Wallace entertained five tables of members and guests of the Pastime Club, at her home Thursday afternoon. A Thanksgiving motif was carried out in the room decorations and party appointments.

High club prize was won by Mrs. Joe Berger and Mrs. Preston C. Lightfoot and Mrs. Francis Wood tied for the high guest prize.

Vases of chrysanthemums were placed in all the party rooms.

A salad course and hot punch was served to Mesdames Hix Hall, Noble Prentice, Wood, Rose Thorp, Rita Ross, Robert Rees, Berger, Lightfoot, V. L. Cory, Tom Sandherr, J. A. Cauthorn, Earl Lomax, O. G. Babcock, C. A. Tyler Jack Turney, W. E. Caldwell, Paul Turney, J. F. Howell, Hi Eastland, and J. W. Trainer.

concerning the acquisition of title to any lands discovered) traveled and explored under the sponsorship and patronage of her majesty, the Queen of Spain. The Queen of Spain verified her arrangement and received the sanction of her title by consent of the Pope, a resident of Rome, Italy, an ex officio representative and vice regent of Jesus Christ. Jesus Christ was Son and Heir Apparent of God. God made Louisiana. I trust this complies with your request."

The Government accepted the title. (Clipped from Exchange)

Wisdom from great writers: Youth is a blunder; manhood a struggle; old age a regret.

Nothing great was ever achieved without enthusiasm.

The only way to have a friend is to be one.

**Mrs. Taylor Given Dessert Bridge In Honor Of Mother**

Mrs. J. W. Taylor honored her mother, Mrs. C. W. Settles with a dessert bridge Tuesday afternoon at her home. Eight tables of guests were entertained.

High score went to Mrs. Collier Shurley, second high to Mrs. Ella Wallace and Mrs. Settles was presented a gift. Vases of red and pink chrysanthemums were used as room decorations and small bouquets of red chrysanthemums were placed on each table. The patriotic color theme was carried out in the bridge appointments and gift wrapping.

Attending were Mesdames Henry Decker, R. C. Vicars, R. A. Halbert, Dewitt Lancaster, Ed Mayfield, Collier Shurley, Earl Duncan, Joe Brasher, John Hull of March Field, Calif., Preston Frater, Lem Johnson, G. H. Davis, Dan Cauthorn, Hix Hall, Josie McDonald, J. F. Howell, E. E. Sawyer, Earl Lomax, Rita Ross, Johnny Hamby, J. W. Trainer, Paul Turney, Jack Turney, Ella Wallace, Seth Lancaster, W. P. Truitt, A. C. Elliott, Edwin Sawyer, H. A. Ward, of Oakwood, Rae Eastland and Ned Kade of Caldwell.

Approximately 29,000,000 acres of land were resceded to grass by deferred grazing in the United States in 1940. To conserve water for livestock some 75,000 earthen dams and reservoirs were built, or more than twice a many as in 1939.

A balanced ration fed according to production is the most economical method of producing milk. On good green pasture three pounds of grain per gallon of milk should be fed. With hay and silage as roughage, feed up to four pounds of grain per gallon.

### Time To Control Screwworm Fly Population

The next three months very largely will decide the size of the screwworm fly population of next spring, according to Cameron Siddall, entomologist of the A. and M. College Extension Service. During November, December and January the normal population is large, but unless the insects can reproduce they cannot survive the winter period. To reproduce they must find open wounds in warm blooded animals in which to lay their eggs.

Siddall says that if the birth of young and wound-creating operations were suspended during this critical period the fly would be eradicated in most, if not all, of the winter survival areas, which lies largely in the Balcones Escarpment region. Where these control practices of birth management and wounding, which include shearing cuts, are not possible, the desired break in winter survival can be obtained by careful treatment of all wounds every three days with the new and superior remedy, Smear No. 62. But the elimination of wounds is simpler and more economical than wound treatment, and prevention of screwworm breeding is more certain in complete absence of the wounds.

The imperative need of these preventing measures lies in the fact that the December and January flies are the parents of practically all of those which come out of the ground in the early spring months.

Most recent reports show that, as in past years, the western Balcones Escarpment has not only the heaviest population of flies, but this year the condition is more marked than previously. The prospects are favorable, too for building up a high population of the fly on the eastern escarpment early in November. The current situation forecasts a serious condition. The present adult population is sufficient to infest wounds during November and produce pupae to supply a rather high population the last of December and first

Miss Jonniemai Edmonson, teacher in the Sonora schools is spending her Thanksgiving holidays in Hillsboro with relatives and friends.

part of January for a heavy winter carryover.

"Ranchmen should not allow themselves to be lulled into believing that there will not be many flies this fall because there were relatively few cases of worms in August and September," Siddall says. "Forewarned, they should prepare to give the most careful protection to the young which may be dropped in December and January."

The Sonora Woman's Club will sponsor the Thanksgiving Dance on Saturday, November 29. adv.

### MAN WRESTLES WILD DEER

Yes sir, this is the time of year it happens. A wild deer will tackle almost anything.

Over in Polk County the deer's human antagonist was Vic Nash, who lost his shirt and considerable peace of mind in a wrestling match with a big buck, the Lufkin Daily News reports.

Nash is a member of an oil exploration party. He said he was walking down a narrow forest path and saw a deer approaching. Neither Nash nor the deer would turn to right or left, so a first-class wrestling match took place. The deer charged and knocked Nash to the ground. Nash got up then, and after fighting furiously, threw the deer to the ground.

Then Nash headed for the nearest settlement.

"The deer kept charging me the entire distance," said Nash. "He chased me about a mile. Then some people saw the deer close behind me and started yelling. Their yells finally scared him away."

In the struggle Nash's shirt was torn off. The battle took place near the town of Corrigan.
