

GRAHAM ATTENDING STATE GOVERNMENT CONFERENCE IN CHICAGO

Rep. Callan Graham, one of the ten members of the House appointed by Speaker of the House Durwood Manford to the Legislative Council set up by the 51st Legislature, left Wednesday to represent the council at a conference on state government in Chicago Thursday and Friday.

Others going from the Council are Manford and Sam Hanna of Dallas. They are making the round trip by air. Rep. Graham took a plane at Austin and expects to

return at the airport there at midnight Friday.

At the conference the effectiveness of the Legislative Councils in the 20 or more states where the system has been in operation for some time is to be studied.

The Councils are composed of ten members of the House appointed by the Speaker and five from the Senate appointed by the Lieutenant Governor, who continue in session after the Legislature disbands to prepare a legislative program for consideration by the next Legislature. The Lt. Governor presides.

SETH LANCASTER

Ed Stewart Named Texas Chairman March Of Dimes

Ed S. Stewart, prominent Abilene businessman, has been appointed Texas State Chairman of the 1950 March of Dimes, Basil O'Connor, president of the National Foundation for Infantile Paralysis, announced today. It is Stewart's second year as head of the fund raising appeal in Texas.

As chairman, Stewart will be in over-all charge of planning and organizing the annual polio drive, and will coordinate activities of all city and county campaign directors in the state.

The March of Dimes is conducted each January by the National Foundation and its 2,800 county chapters to finance the nationwide fight against polio in the fields of patient care, scientific research and professional education. The 1950 appeal will be held January 16-31.

Stewart, a native of Waco, has been long active in civic affairs and welfare work. A West Texas food broker for 17 years, he is now owner of the Abilene Candy Manufacturing Company. During the first World War he served overseas with the Army's Corps of Engineers. A past president of the Abilene Chamber of Commerce and the Rotary Club, he was Taylor County director of the American Red Cross War Fund in 1943 and 1944.

Commenting on Stewart's re-appointment to Texas' top March of Dimes post, O'Connor declared that the National Foundation is now facing the "most crucial period" in its twelve-year history.

He described the 1949 polio epidemic as the worst on record, with more than 40,000 cases expected by the end of the year. "By December," he said, "the National Foundation and its chapters will have spent \$31,000,000 assisting polio victims throughout the nation."

O'Connor also pointed out that

CLARK ADVISES OF SOCIAL SECURITY INSURANCE ANGLE

"All workers under social security should tell their families of the insurance policy that they have with the Federal Government," said George Clark, manager of the San Angelo office of the Social Security Administration. "Many workers think of social security as providing only retirement benefits and fail to take into consider-

ation their insurance coverage in case of death." According to Clark, many workers, prior to the passage of the Social Security Act, realized that they could not save enough to provide for their dependents in case of the worker's death and that they could not afford to carry enough insurance to give adequate protection for their loved ones.

Old-age and survivors insurance has largely overcome this economic fact by providing a basic insurance plan whereby the worker, at a minimum cost, assures himself of a monthly retirement benefit and also provides monthly checks in case of his death for his minor children, his widow, and in some cases, for his dependent parents.

The worker pays for his insurance through deductions from his pay check and benefits are payable as a matter of right. "It is truly an insurance program," said Clark.

by mid-summer the national epidemic aid fund had run "dangerously low" and the organization was forced to conduct the recent Polio Epidemic Emergency Drive as a "stop-gap" measure to carry it over until the regular March of Dimes campaign in January.

From January 1 through September 30, he said, the National Foundation sent more than \$7,000,000 to hard-hit chapters whose own March of Dimes treasuries were exhausted caring for local polio patients.

G. E. Ellis and sister, Mrs. Nellie Allen, were in San Antonio Monday.

Bride - Elect Honored With Shower Thursday

Mrs. Charles F. Browné was hostess Thursday afternoon at St. John's Parish House at a Canasta party and linen shower honoring Miss Billye Blackburn, who is to be married to Edwin S. Mayer, Jr., Saturday.

High score was won by Miss Tris Scott, consolation prize was won by Mrs. Edwin Thompson, and Mrs. Tom Darrow won the bingo prize.

At the end of the games the gifts were presented to the honoree in a linen closet decorated with the figure of a bride and the inscription, "Billye's Linen Closet," on the door. Arrangements of white dahlias in copper containers were used in decorating the room. Desert, sandwich courses and coffee were served and the hostess was assisted by Mesdames Louis Davis, Stanley Hauser and Tom Darrow.

Those present were Mesdames Jean Derebery, Joseph Vander Stucken, Darrow, Leo Merrill, J. W. Neville, Frank Bond, Howard Millican, Clark Stroud, Lee Fawcett, J. W. Pepper, Thompson, Vestel Askew, Hauser, Joe Blackburn of Seymour, Clay Puckett John Ward, Edwin C. Miller, Davis, Annella Stites, Bill Fields, E. F. Vander Stucken, Edwin S. Mayer, Sr., J. F. Hamby, George H. Neill. Also Misses Alice Karnes, Tris Scott and the honoree.

Methodist Ladies Observe Annual Week Of Prayer

A joint meeting Monday of the Women's Society or Christian Service and the Wesleyan Service Guild ended the annual "Week of Prayer" program at the Methodist Church. Afternoon program and worship, supper, and evening program and worship were held.

Mrs. O. G. Babcock was worship leader in the afternoon with Mrs. G. H. Hall as organist. Mrs. W. L. Davis and Mrs. Dave Locklin talked on the Methodist Mission schools in Japan. Mrs. J. T. Sellman told of the work of the Wesley Community House in Nashville, Tenn. Mrs. W. H. Marshall read the Scripture lessons.

Following the covered dish supper, Mrs. Clayton Hamilton led the worship service. Mrs. S. M. Loeffler was organist. Miss Norma Shivers, Mrs. Ellen Ray and Mrs. Leonard Caldwell told of the needs of community centers in Korea. Mrs. J. Wray Campbell spoke of the work of rebuilding Maynard-Columbus Hospital in Nome, Alaska, and an offering was taken for mission projects. Mrs. C. E. Scott described activities of the Mission School in Manila, P. I.

WSCS Completes Study Course

Keynote of the final session Wednesday afternoon on "Japan Begins Again," was taken from a book by William C. Kerr. Mrs. W. L. Davis was mission study leader in charge of study.

Mrs. A. W. Awalt led the worship service and Mrs. Loeffler played a piano selection. Miss Norma Shivers told of the lives and customs of Japanese and Korean people as seen by an American couple who had lived in the two countries. Mrs. Marshall and Mrs. Locklin modeled different types of Japanese and Korean apparel.

A delegation of nine W.S.C.S. members from Eldorado appeared on the program. They included Mrs. J. E. Tisdale, program leader, and Mesdames E. Peaters, R. J. Alexander, A. T. Wright, Ben Hext, Luke Thomason, Mickey Holcomb and Arthur Davis.

Also present from Eldorado were Mesdames D. E. DeLong, T. H. Alexander and Miss Mary A. Johnson.

Tea was served during the afternoon with Mrs. J. F. Howell and Mrs. W. H. Dameron as hostesses. An arrangement of chrysanthemums was used as a centerpiece, and other fall flowers were used about the room.

Forty-one members and guests were present.

THIS TASTES GOOD IN TEXAS
Meat Stew
2 lbs. shoulder cut into 2" cubes
½ cup flour
1-1/4 teaspoons salt
3 tablespoons shortening
2 cups water
1 bay leaf
1/4 teaspoon pepper
6 medium onions
6 medium sweet potatoes or

irish potatoes
1 can or package of frozen green beans
Dredge meat in flour. Brown on all sides in shortening. Season. Add water. Cover and simmer 2½ hours or until tender. About 45 minutes before the end of cooking time add onions and sweet potatoes. Cook beans separately and serve with stew. Thicken liquid for gravy.

from the ranch country

Son of a gun

Mesquite, the invading weed tree, which has infested some 55 million acres of Texas range land may soon be shivering to its bud zone.

The Texas Agricultural Experiment Station's research work on mesquite control has been concentrated at the Spur station since 1938. Station superintendent R. E. Dickson has directed the work; associate station agronomist C. E. Fisher has been working with various chemicals in an effort to perfect a cheap, simple way to kill mesquite and Dale W. Young, associate station agronomist, has also assisted with the research.

Kerosene, which works fairly well on sandy and porous soils but usually costs too much, and sodium arsenite which is cheaper but dangerous to both man and animals have been the chemicals most widely used and recommended in the past.

Those attending a recent field day were told that 5,000 mixtures of various chemicals had been tested on mesquite at Spur during the past few years. Chemicals are first tried on individual trees in the nursery and then on 20 tree plots. Those showing promise are further tested on 5-acre plots and application is by airplane spraying. One hundred of these 5-acre plots have been treated with the chemicals that have shown best in the preliminary tests. Treatments were made during the spring, summer and fall of this year.

Results so far indicate that 2,4,5-T and formulations thereof are far superior to any formulations of 2,4-D for mesquite control or eradication. Top kill of mesquites is running up to 95 percent and root kill 25 percent with solu-

tions of 2,4,5-T applied in diesel oil and water in May of this year. Final permanent kill cannot be determined until next spring and Fisher advises ranchmen to wait and see before using any of the chemicals. The cost of the material and application, according to Dale Young, should not run over \$3.50 per acre.

Fisher says if you have only a few mesquite trees to kill, an application of pure 2,4-D amine applied with a paint brush to the cut stump should do the job. Those with an acre or so, may spray a 1 per cent solution of 2,4,5-T in diesel or kerosene in a band around the tree from the ground up to 30 inches high and expect satisfactory control. Ranchmen and operators who have large acreages of mesquite to control are advised to wait and observe the results next spring at the Spur Station.

Fisher and his co-workers do not expect to get a 100 percent permanent kill, but are hoping they'll be able to recommend a chemical which will give low-cost control of the mesquite for 5 years. The increased forage production during this period should more than pay for the control program. Spring applications of these chemicals have also given excellent control of such weeds as sunflower, russian thistle, purple nightshade, annual broomweed, buffalo bur and many other troublesome range weeds.

Proper stocking to maintain a good cover of grass on the pastures will become even more important with mesquite control. The mesquites, though robbing the grass of needed moisture, have served to protect a lot of our good

YOUR HEALTH

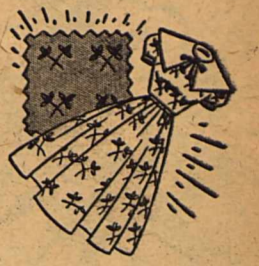

Lockjaw, or tetanus, is a very serious disease caused by a tiny germ that looks like a stick with a ball one end -- something like a microscopic lollipop, says Dr. Geo. W. Cox, State Health Officer. This ball is called a spore and it is the seed of the germ. Lockjaw germs are found in the soil, especially in manured soil of the barnyard or garden; in blank cartridges; etc. -- in fact, just about everywhere. These germs grow best in wounds where there is considerable tissue destruction and in which chips of glass, wood splinters, or grains of dirt have been embedded.

Every accident seen by the physician must be considered from the lockjaw angle; and whenever there is any question, tetanus antitoxin should be given, for it is the antitoxin that has helped to keep the incidence of lockjaw at its low level. Your physician will advise you as to its use. Its advantages are that it gives only temporary protection; it does not get rid of the lockjaw germs in the wound; and it does sometimes cause hives and other disagreeable symptoms for a few days, particularly if the subject has had previous injections. Should lockjaw develop, it requires

Head your Buick for our fountain of youth

Now's the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and

let us clean summer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

Tear out this check list—bring it in with your Buick

Fall Checkup — Lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.

Adjust — Carburetor, distributor.

Clean — Air cleaner.

Flush — Crankcase, cooling system.

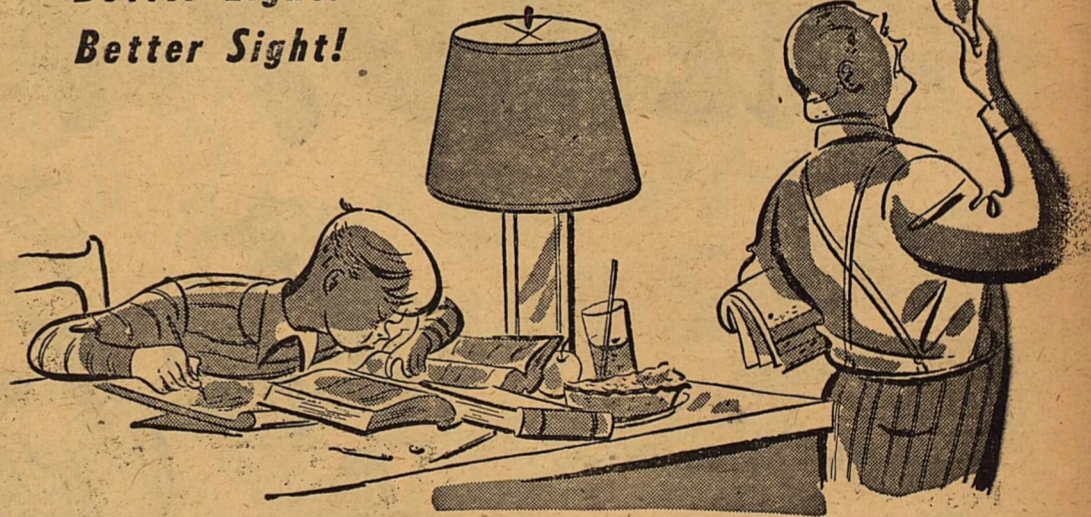

Estimate — Antifreeze requirements.

ALSO — Lubricate (bumper-to-bumper lubrication and inspection).

Buick care keeps Buicks best

FILL EMPTY SOCKETS WITH RIGHT-SIZE LAMP BULBS

Is Small Fry falling short on his long division? Maybe there's a bulbsnatcher behind it all. A child who has trouble seeing his homework may be heading for trouble—not just with Teacher—but with his eyes, too. Empty lamp sockets usually start people robbing one socket to fill another. That's why it's so important that every lamp socket be filled with the right-sized bulb.

A sure cure for bulbsnatching is to have plenty of spare lamp bulbs on hand, so see your nearest lamp dealer right away! Get the right size bulbs for each seeing job in your home.

SONORAN'S FATHER BURIED IN LAMPASAS MONDAY
Funeral services for D. T. Briggs, 72, father of Mrs. Joe Brown Ross of Sonora, were conducted Monday afternoon at the Methodist Church in Lampasas at 3 o'clock. Mr. Briggs died Sunday morning following a long illness.

A native of Lampasas, Mr. Briggs was in the furniture business and was prominent in civic affairs, a member of the Methodist Church Board of Stewards and a Mason.
He is survived by his wife, four sons and one daughter, Mrs. Ross.

CARD OF THANKS
We wish to express our grateful appreciation for the many kindnesses extended to us during our recent loss.
Henry Greenhill
The Archer Family.

Baptists To Ask \$2 1/2 Millions For Worldwide Causes

For the first time in its 101 years, the Baptist General Convention of Texas, meeting in El Paso November 1-3, will hear a recommendation that half of a five-million-dollar budget be designated for worldwide causes.

Denominational causes within the state, which would receive the other two-and-one-half-million-dollars, have generally been allowed more than fifty per cent of the receipts. Besides the regular budget, the convention is expected to accept another five-million-dollar goal for individual gifts to Baptist institutions. This would be the second consecutive year for the ten-million-dollar project.

Annual pre-convention meetings of the Woman's Missionary Union and the Men's Brotherhood are scheduled for Monday and Tuesday, October 31 and November 1, in El Paso. The general convention will begin Tuesday evening. Approximately 3,000 Baptists are expected for the general meeting.

Well-known denominational leaders from Texas, Tennessee, Oklahoma and Louisiana will speak during the three-day convention. Among these are Dr. Duke McCall, executive secretary of the Southern Baptist convention, Nashville,

Tenn.; Dr. Forrest Feezer, pastor of the First Baptist Church, Waco; Dr. J. Howard Williams, state executive secretary, Dallas; and Dr. W. A. Criswell, pastor, First Baptist Church, Dallas.

President of the convention is Dr. Wallace Bassett, for thirty-one years pastor of the Cliff Temple Baptist Church, Dallas. Dr. J. H. Landes, Wichita Falls, is to preach the annual convention sermon. Both Bassett and Landes were elected at the centennial meeting in Houston last year.

The convention will hear financial and service reports from the twenty departments of denominational work, and from the nine Baptist

MISSIONARY UNION HAS BUSINESS MEETING
The Women's Missionary Union met Wednesday at the church for a business meeting. The song, "Bring Them In," was sung by those attending. Opening prayer was given by Mrs. T. F. Kennermer. Mrs. Bob Odom gave the devotional. The minutes were read and approved and the closing prayer was given by Mrs. Lawrence Nichols. Mrs. W. O. Crites dismissed the society.

From where I sit... by Joe Marsh

For The Ladies: A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' worth. Another was living on bananas and skim milk!

I might have known the missus would get the bug, too, and sure enough the other day she asks me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I says, "the only diet I would ever recommend to anyone is simply moderation. I wouldn't trust any of those get-thin-quick diets. Simply cut down on desserts, bread, butter, sweets and fats—but when you do, even do your cutting down moderately."

From where I sit, moderation is the watchword. Moderation with food, with smoking or with the enjoyment of a friendly glass of temperate beer or ale. Actually, moderation adds to the enjoyment of just about anything.

HOUSTON STILL LEADS STATE AS NO. 1 BUILDER

Texas building permits issued in September fell 9 per cent from August...

Plainview turned in the largest August-to-September increase in building permits-196 per cent.

August-to-September declines ranged from 3 per cent in Midland to 75 per cent in Big Spring.

Compared with September 1948, large increases in building permits in September 1949 were turned in by Temple, Denton, Port Arthur, Amarillo, Gainesville, Edinburg, and Austin...

Totaling \$6,476,486, Houston turned in the greatest amount of building permits for September.

Fewer Cowboys, More Cowboy Boots Seen Today, Says Texas Writer

Ever since there has really been a Southwest, there have been cows and cowboys and cowboy boots.

During October, Justin & Sons, Fort Worth, famous makers of cowboy boots, are celebrating the company's 70th anniversary...

The heel, in those long ago days, was usually two inches and sometimes it was a quarter of an inch, or even half an inch, higher than that.

FIRE ALARM SUNDAY

The week's only fire alarm was turned in Sunday morning at 10:55 o'clock when a small blaze was reported by W. E. Gatlin.

HOUSE FOR RENT: 3 rooms and bath. Furnished. Phone 26052.

Many who wear boots are not cowboys at all. Many of them have never so much as seen a ranch; most of them do little or no riding.

Yes, as the old-time colored exporter said, "The world do move" and the style of just about every thing changes-including cowboy boots.

Cover Artist Here

Mr. and Mrs. Jack Welch and daughters, Ruth Marie and Janet, of Valhalla, N. Y. arrived Tuesday for a visit with his sister, Mrs. C. A. Tyler, and Mr. and Mrs. H. W. Evans.

Mr. and Mrs. Bill Taylor, Gordon and Rebecca Sue, of Rock-springs were guests of Mrs. Taylor's mother, Mrs. C. A. Tyler, last weekend.

ROOM FOR RENT: Private entrance, private bath. Call Mrs. Jane Hamilton. 1tp2

LOST: Male Pekinese, red and black. Weighs 12 pounds. Has only one eye. Answers to name of "Stinky." \$10 reward for return to Mrs. Bill Whitehead. Call 22691 or 3003. 1tc2

Most of the people
most of the time...

A few people from time to time get caught in get-rich-quick schemes like buying "gold bricks" at bargain prices.

A lot more fall for ideas like the doughnuts-and-coffee-and-a-dollar-bill Pyramid Clubs.

But most Americans realize that the only sound-and-certain way to accumulate money is by regular savings.

And it's a testimonial to their good sense that sales of U. S. Savings Bonds during the past year have reached a new high.

All you need to get started on your bond-buying program is your pen and the slip of paper you can get from your employer or bank.

Sign up today for regular saving with U. S. Savings Bonds—on the Payroll Savings Plan, if you're on a payroll, or through the Bond-A-Month Plan at your bank.

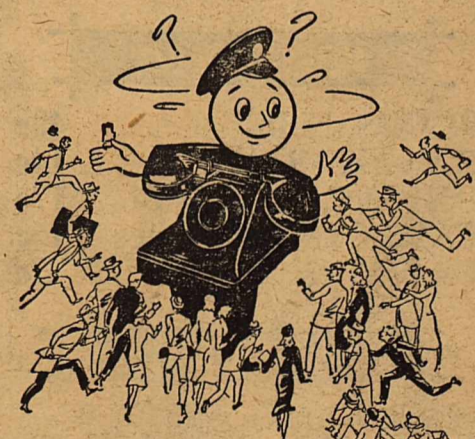

Automatic saving is sure saving U.S. SAVINGS BONDS

TRAFFIC IS TERRIFIC!

Local and long distance telephone traffic have reached an all time high today. The demand for new service is at an equally high level. We still cannot obtain much of the equipment we need to handle this tremendous traffic as well as the demand for telephone service. Yet we are installing more telephones and servicing more calls than ever before. Yes, traffic is terrific in every phase of telephone service today. And we will continue to keep our service expansion "terrific" as well.

The San Angelo Telephone Co.
