

Final Approval Given On Hospital

Notice to contractors that bids for construction of the Lillian M. Hudspeth Memorial Hospital will be accepted Wednesday afternoon, January 11, 1950 at 3:30 o'clock in the District Courtroom, was published this week following final approval of plans by the state and federal governments. Six weeks must elapse between final approval of plans and acceptance of bids.

In a telegram Tuesday to R. A. Halbert, president of the hospital association, William R. O'Connell, architect of the Hospital Survey and Construction Division of the State Health Department, stated: "Plans and specifications for Sutton County Hospital approved. You may issue them to bidders. Letter Follows."

Architect John G. Becker of San Angelo, who also received notice of the approval Tuesday, said, "The Lillian M. Hudspeth Memorial Hospital will be the swankest hospital in Texas and you can quote me on that." Becker added that the structure will have 28 rooms, ten of which will be private patient rooms. There will be 27 beds in the hospital.

The final approval brings to a climax several years of work and planning by the late Roy Hudspeth and L. W. Elliott, prominent local attorney and civic worker, and vice-president of the association.

Elliott personally handled the making of nearly all of the \$51,000 in pledges by Sutton County people, as well as handling the tremendous amount of legal work involved. He has been the driving force behind the hospital movement since he first got the idea twenty-odd years ago.

Next week's edition of the News will carry a drawing of the new hospital.

Governor Calls For Support Of Xmas Seal Sale

Governor Allan Shivers today issued an official memorandum urging the people of Texas to be "generous" in their support of the 1949 Christmas Seal Sale of the Texas Tuberculosis Association and its affiliated county associations. The Seal Sale opens Monday, November 21, and continues through December 25 -- the period officially designated by Governor Shivers as Christmas Seal Month.

Stressing the fact that tuberculosis is spread from person to person, the Governor praised the tuberculosis control program of the Texas Tuberculosis Association, particularly its projects, and those of county associations, directed at helping to find the estimated 25,000 "unknown" cases of tuberculosis in Texas. These unknown cases, he explained, are those not reported to the health authorities. Many of them are early cases and the people themselves may not know they are ill since tuberculosis has no obvious symptoms in an early stage, he said.

In issuing his official memorandum the Governor said: "The more we support the work of tuberculosis associations, the closer we shall be to victory over tuberculosis in Texas. Since the annual Christmas Seal Sale constitutes the sole support of State and local associations, we take an active part in the fight against this disease every time we buy and use Christmas Seals."

The text of Governor Shivers' memorandum follows: Tuberculosis is a leading cause of death in our State and takes the lives of more young people, in the productive years from 15 to 44, than any other disease. This dreadful disease is spread from person to person and therefore must be recognized as a major public health problem.

A well-planned program for the control of tuberculosis is being conducted in Texas by the Texas Tuberculosis Association and its affiliated county associations. The work of these associations is supported by the sale of Christmas Seals.

RESERVE CORPS TO MEET HERE TUESDAY NIGHT

Andy Truden, Major F. A. Res., and Tom Darrow, Captain C. E. Res., were in Austin this past Saturday and Sunday attending a reserve administration training assembly. Arrangements and plans were made to activate the reserve training company to be formed here in Sonora.

Former enlisted men of the Army, Navy, Marine Corps and Coast Guard are urged to attend a meeting at the Court House next Tuesday night, November 29, at 7:30 o'clock.

Tom Darrow, Captain C. E. Res., will discuss the Army Reserve Training Program and the opportunities available to all servicemen for extra pay and retirement privileges.

Firemen Called Saturday

Local firemen were called out Saturday afternoon at 5:30 o'clock when a trash or grass fire near the residences of Mrs. Lottie Turney and Frank Mayhew was reported. Negligible damage was done.

Mrs. Fannie Gahagan of Abilene is the guest of her daughter, Mrs. George E. Smith and family this week. Mrs. Gahagan is also visiting her brothers, L. E. Johnson and Cliff Johnson.

Visiting her parents in Denton today and Saturday is Miss Betty Lou Campbell.

The Lions Roar

A cake auctioned off by the Wesleyan Service Guild brought \$17.50 Tuesday following the luncheon in the Methodist Church basement. Tom Ratliff was auctioneer and Dee Word was spotter. First National Bank was the buyer.

On the program was Rudolph Garza, blind pianist, who played three numbers. The program committee for December was announced and consists of Howard Milligan, chairman, J. M. Rabon and Gene Robinson.

H. M. Smith announced that the March of Dimes campaign to raise money to combat infantile paralysis would begin in January.

Boys' Livestock Show Will Have \$7,650 Premiums

The boys' livestock show entries will compete for cash awards totaling \$7,650 at the Southwestern Exposition and Fat Stock Show, Jan. 27 through Feb. 5, the management announces.

Always one of the most interesting features of the entire exposition, the boys' show has a great, long-range value because here is given recognition to the work of the youths who will be leaders in the livestock industry not many years hence.

Not only the cash awards and the coveted ribbons but also the attention bestowed by the Stock Show visitors on all the entries stimulate the boys' interest in raising the highest type of livestock and with proper feeding and improved methods.

Two of the red letter days of the Stock Show each year are the one especially honoring the Future Farmers of America and the Future Homemakers and the other day in honor of the 4-H Club boys and girls. On those days, thousands of happy girls and boys from all over Texas go through the Show entrance, through the shows and rides on the midway, view the fine livestock and cheer the rodeo and horse show. Saturday, Jan. 28, will be FFA and Future Homemakers' day and Monday, Jan. 30, will be 4-H Club boys and girls day.

The boys' livestock show exhibits animals which have been fed and cared for by Texas boys, between the ages of 10 and 20. The feeding practices and keeping of records have been done under the supervision of county agents or vocational agricultural teachers. Entries close Dec. 12. Stall and pen fees must accompany the entries.

In the fat steer competition of the boy's show, three breeds will be shown -- Hereford, Aberdeen-Angus and Shorthorns -- and the premiums amount to \$3,187. After the champion of each breed has been chosen, the boys' club grand champion is selected. Then each of the bred champions competes with the champion of the open show for the breed championship of the entire show. The final contest brings together the three bred champions for the title of

Lions Club To Sponsor Christmas Decoration Contests This Year

The Sonora Lions Club will again sponsor a home decorating and store decorating contest during this Christmas season, it was announced following a committee meeting after the luncheon Tuesday.

Three valuable merchandise prizes will be awarded to the three best-decorated homes. Residence owners are invited to start decorating anytime after December 1. No home decoration will be judged after December 20. Any type of decoration in the Christmas motif may be used and the home itself, a window, of the yard may be used as a basis for the decoration.

Store windows will also be judged on a first, second and third basis, and the winners will be recognized, but no prizes awarded. Business entries will be judged December 10.

It was also decided that the club will assist the city in decorating the streets in the business section for Christmas.

LOCAL BAPTIST CHURCH PLANS SPECIAL MEETING

Special services will be held twice daily at the First Baptist Church from Sunday, November 27, through December 4, according to the Rev. J. E. Eldridge, pastor. The Rev. Vernon Shaw of Park Heights Baptist Church, San Angelo, will speak twice daily -- 7 to 7:45 o'clock each morning, and at 7:30 o'clock each evening. Lowell Queen of the First Baptist, San Angelo, will be song leader.

Scouts' District Court Of Honor Held Monday

The Boy Scout District Court of Honor was held Monday night at the Scout Hall, with Scouts and executives from Sonora, Ozona and San Angelo present. Presiding officer was Lea Roy Aldwell. J. B. Morriss, Scout field executive from San Angelo, was also present.

Awarded merit badges were Joe David Ross, Eddie Smith, Edward Valliant and Oscar Carpenter. Robert Guest received his second class badge and Edward Valliant received the star badge, emblematic of having earned five merit badges.

Explorer membership cards were issued to Joe David Ross, Eddie Smith, Edward Valliant, Oscar Carpenter, H. W. Kile and Jodie Minnick.

RUDY BITTLE, ORVILLE ANTHONY GIVEN HONOR

The Sonora Broncos, although enjoying only a .500 district season, placed two men, Rudy Bittle and Orville Anthony, on the All-District 6-B team at a meeting of district coaches here Monday.

In naming players to the first and second all-district teams, each coach listed a few of his outstanding players. Coaches voted on the boys, one at a time, and no coach was permitted to vote when the name of one of his players came up. Those receiving the most votes were placed on the first team and in cases where agreement could not be reached it was necessary to name extra men.

FIRST TEAM: Ends: B. Cox, Iraan; Biggs, Eldorado; Tackles: (3) Holder, Iraan; Anthony, Sonora; Holt, Reagan; Guards: Stanton, Iraan; Schoolcraft, Junction; Center: Gray, Iraan; Backs: (5) Bittle, Sonora; Huddleston, Iraan; Dempsey, Iraan; Evans, Junction; Smith, Ozona.

SECOND TEAM: Ends: Galindo, Sonora; Menzies, Menard; Tackles: Whitlock, Junction; Speck, Menard; Guards: (3) Meinecke, Ozona; Trimble, Menard; Harris, Junction; Center: Oden, Ozona; Backs: Kring, Sonora; Cox, Iraan; Crumbley, Junction; Zimmerman, Menard.

Boys named to the first and second teams will attend an all-district banquet at Ozona December 12. The annual event is sponsored by the Ozona Lions Club and will have as its speaker, Harry Stiteler, Texas A&M coach.

Menard Takes Last Game 20-0

The Menard Yellowjackets Friday night became the only team this year to hold the Sonora Broncos scoreless, taking the final contest of the season 20-0. The game was an even one until Gene Henderson, Sonora quarterback, went out of the game with an injured leg.

With the Broncos desperately trying to get back in the game via a passing attack, the Jackets intercepted two which resulted in touchdowns, and built the score up to 20-0.

Thus did the Broncos wind up fourth in the district with a won 3, lost 3 record, an excellent one considering the previous experience most of this year's team had.

VOTERS REMINDED POLL TAX AMENDMENT FAILED

Citizens who wish to vote in next year's elections are reminded that the proposed amendment to the state constitution providing for abolition of the poll tax failed to carry in the recent election, and it will be necessary to buy a poll tax in order to vote in next year's elections.

Several who ordinarily paid their poll taxes when they paid their county, state and school taxes failed to do so this year thinking that the amendment would carry. These are especially reminded to pay the poll tax if they wish to vote next year.

The annual event is sponsored by the Ozona Lions Club and will have as its speaker, Harry Stiteler, Texas A&M coach.

THIS SCENE greeted visitors to the first grade class taught by Miss Christine Legg Friday at the homecoming and dedication of the new Elementary School. The room is typical of the modern classrooms in the new building. Behind the counter at the rear is a locker area for pupils' coats, and at the front of the room is the boys' washroom. The lavatory and drinking fountain are conveniently located between.

When this photo was made, the pupils were doing routine classwork.

Large Crowd Attends School Day Friday

Classroom visits, dedication ceremonies, barbecue, parade, football and dancing were the order of the day Friday, when several hundred visitors attended the Sonora students' homecoming and dedication of the new Elementary School.

Main speaker was Judge L. J. Wardlaw, former teacher and attorney here and now living in retirement in Fort Worth. Judge Wardlaw, recalled many interesting incidents of the early days here and commented on the steady growth of Sonora and her school system.

Mrs. E. F. Vander Stucken, as the oldest feminine ex-student to register at the homecoming, was named queen of the parade. The largest class represented in the parade was the class of 1918, which rode on a float with its teacher, Mrs. L. E. Johnson. Four bands, commercial floats, class and school floats, a mounted section, bicycle section and novelty section took part.

Visiting In Cuero

Mr. and Mrs. George H. Neill and daughter, Nancy, left Tuesday for Cuero, where they will be the guests of Mrs. Neill's sisters, Miss Bertha Harris and Mrs. Fielding Breden and family. Their daughter, Miss Jane Neill, student at the University of Texas, will join them in Cuero.

Attend SOME Church, Sunday.

MRS. AUTREY BRIDGES, who is teacher of the other section of the first grade, is shown here conducting a reading circle in one corner of the room. Use of tables and chairs for such purposes enables other pupils to work at their desks at other tasks, while Mrs.

Bridges gives beginning readers more individual attention.

... Son of a gun ...

We had a visit with Rudolph Garza, Sonora's blind pianist, Tuesday after his appearance on the Lions Club program. Garza told us he has been playing since he was either 4 or 6 years old -- he doesn't remember which. He is entirely self-taught and has perfect pitch. He is now 25 and told us he gets a lot of pleasure out of playing, especially since it is his main recreation.

We don't consider ourselves a Deems Taylor, Jr., since we received most of our musical education listening to Ernest Tubbs' "Swell San Angelo" on the Club Cafe juke box, but we think Rudolph is a better than average pianist on the whole, and an excellent one as far as being self-taught is concerned. More people should be able to hear him.

—(?*½\$*?)—
We have heard about some cautious men in our time, but we are now convinced we had only a nodding acquaintance with deliberation prior to hearing this story about an elderly hunter:

He was out with Sam Allison a few days ago, when a buck was sighted. Sam stopped the pickup and the gentleman stepped to the ground. He carefully raised his rifle, took aim, then lowered the rifle and reached in the pickup. He pulled out a cleaning rod, and, after making his weapon safe, swabbed out the bore with a clean patch.

Now he was ready again. He drew another bead, then put the rifle down again. This time he opened the breech and squirted a drop of oil on the mechanism. By this time we presume Allison had his finger nails eaten back to his elbows, but the elderly gentleman and the buck were perfectly calm. The hunter took a third dead aim and this time let fly. Sure enough, the buck went antlers over teakettle and there was meat for the skillet.

We still think a guy can be too careful.

—(?*½\$*?)—
And still speaking of hunting, two little 10-year-old girls brought in about as nice a pair of bucks as we've seen this season. Tom Elaine Espy, daughter of Mr. and Mrs. Howard Espy, got a 12-pointer, while Nancy Bess Wilson, daughter of Mr. and Mrs. Duke Wilson, got a 10-point buck. Nancy Bess' was the heaviest buck reported through last Thursday, weighing 127. Incidentally, last year two little 9-year-old girls brought in two of the best bucks killed. Their names? Tommy Tommy Espy and Nancy Wilson.

—(?*½\$*?)—
The Boyd Lovelaces returned Monday from a week's trip to Monterey, and report that Mexico is really after American tourist business. Main streets of Monterey are being widened 20 feet on each side, the city is cleaned up, service in hotels and cafes has improved, and the \$8.65 exchange rate makes it all twice as good for a vacation spot. Lovelace said Mexican customs men have removed practically every barrier to facilitate passage across the border. When you get on the other side at Reynosa, porters remove your luggage from the car, display it to customs men, pack everything up again and you're on your way in less than five minutes. The standard tip is two pesos. Let's see, now. Two pesos divided into \$8.65 is ah-well, anyhow, if you don't have two pesos you don't have any business going down there in the first place. Mr. Lovelace said he HAD two pesos.

—(?*½\$*?)—
One of our favorite sayings is: "The fly that buzzes loudest gets swatted first." But, after all, sayings and proverbs and the like don't mean a whole lot. If you don't believe it, take a look at these: "Fools rush in where angels fear to tread." and "He who hesitates is lost."

YOUR HEALTH

The schools of Texas have been in session for several weeks. The routine screening tests by teachers and nurses, or the physical examinations of the children by physicians have been completed. They are complete so far as the nurse, teacher, or examiner is concerned, but the "follow-up" to correct any abnormal conditions disclosed is yet to be done. To make these screening tests and the follow-up examinations of the greatest value, the needed care for correction of defects should be available. This is the responsibility of the parents of each child in order that a maximum of health may be his lot, declared Dr. Geo. W. Cox, State Health Officer.
 Health is a cardinal attribute of living. With the best health a child may have, he will do his best work, will have joy in play, and will grow to be the most efficient

citizen he is capable of being. The future of our country is in the hands of these children who are now in school.
 All adults as well as the parents of the school age children should feel the responsibility and privilege of sharing in a sound and safe future for our country by helping to build good health for the children of today.
 Through the check made each year in the schools the gross defects may be learned, and a more detailed examination may be made by the family physician, with treatment for correction of these defects as he finds necessary.
 Immunization against the diseases, for which known protection is available, should be given all children unless their physician finds contraindication.
 Your physician is your best friend and guardian of your health.

Army To Release 30,000 Selectees Starting Dec. 1

AUSTIN, Nov. 21 — The Army plans to offer discharges to 30,000 men who entered the military service under provisions of the Selective Service Act, Texas Military District announced here today.
 Upon completion of 12 months service, these men will be offered immediate discharge beginning December 1. It is anticipated that most of these men will take advantage of the offer.
 Several thousand trained young soldiers will be phased back to civilian life during the next several months with an obligation to serve in one of the civilian components for three to five years, depending on the type of organization they join. This should prove a valuable asset to the Organized

Reserve Corps.
 The program will affect some 24,000 inductees and 6,000 21-month Army enlistees, who are expected to request separation. However, all 30,000 of the men affected will be offered these options:
 1. Immediate separation from the Army, following the completion of 12 months of service, with the Reserve component obligations provided by the law.
 2. Completion of 21 months of service, with the same Reserve component obligation.
 3. Completion of a tour of 33 months of service, which would wipe out all obligations to enter a Reserve component after separation.
 4. Enlistment in the Regular Army for a period of three or more years, which would, of course, remove any Reserve component obligation.

Funds Drive For Boys' Ranch Being Readied

Meeting with a group of representative citizens headed by Scott Peters in Ozona last week, the Executive Committee of Boys' Ranch of West Texas reported good progress recently in efforts to establish the West Texas institution designed to care for homeless, neglected and dependent boys of this area.

This meeting was one of a series scheduled for the month of November to be held in strategic towns in the 32-county area of West Texas from Ft. Davis to Brownwood to be served by Boys' Ranch, the purpose of which is to initiate the beginning phase of a drive for funds necessary for retirement of a \$50,000 indebtedness on the Ranch property and re-

quired facilities necessary to the care of boys.

The Ranch, a 960-acre heavily wooded tract, located on Spring Creek near Tankersly, was purchased last year at a cost of \$75,000, and is described as fully adequate for planned activities of the boy citizens and ranch projects designed to make the home partially self-sustaining.

Boys' Ranch is operating now under the supervision of an experienced ranch foreman. One boy, a victim of parental discord and neglect, is already on the ranch and a barracks-type building is now being remodeled preparatory to admitting five more boys within the next sixty days.

Some livestock, including cattle and sheep, have been donated to the ranch, and a feed crop consisting of several thousand bundles of feed and some two thousand bushels of oats, all produced on the farm land in the ranch, are in storage to feed stock. The farm land has been replanted in oats and a good stand has developed, the committee reported.

Applications of boys throughout the region to be served will be considered by a citizenship committee and admitted on recommendation of their county judge.

Considerable building will be necessary before the Ranch will be equipped to care for its capacity.

At the meeting in Ozona, Sol Mayer stated that 345 boys were actually committed to the State Training School at Gatesville during the period, 1936-45, from the 32 counties Boys' Ranch is to serve, because there was no one to care for them, not having committed a crime at all. He pointed out that juvenile delinquency cases are more frequent in our urban areas but none of our towns are so isolated that they cannot be affected by what goes on in their adjacent communities.

Mayer further stated that 59 per cent of county welfare unit activities throughout the region are spent on "dependency-neglect cases"; those products of broken homes, parental inadequacies, unmarried mothers, abandonment, and working mothers. From this group, the boys admitted to Boys' Ranch will be chosen, rehabilitated, and discharged if (1) it is found that the natural parents have become capable of giving them satisfactory home, educational and church requisites to a wholesome upbringing; (2) a home suitable to all requirements is offered by another family than his own; (3) he graduates from high school and takes a job or goes to college.

Pursuant to the Executive Committee's visit to Ozona, Ralph Jones was named Chairman in charge of solicitations and P. T. Robison, vice-chairman. Their committee will solicit contributions for Crockett County's part toward the indebtedness against the ranch and for an operating fund.

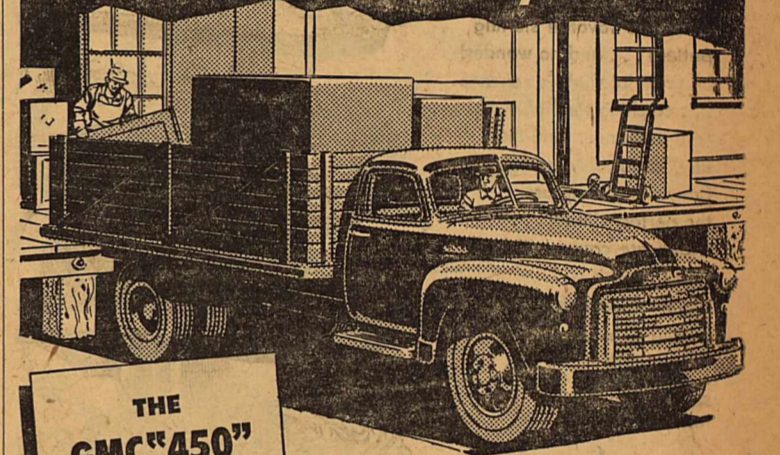

Members of the Executive Committee attending the Ozona meeting were Sol Mayer, E. E. Armistead, Carl Runge and Fred Y. Becker, and Mrs. Doris Davis Johnson, Executive Secretary.

Music Club To Sponsor Concert

Dr. Eric Scramin will be spon-
sored in a concert here, according
to plans made by the Sonora
Music Club which met last Wed-
nesday night in St. John's Epis-
copal parish house.

The group also voted to purchase
four tickets to the San Angelo
Symphony concerts. Mrs. George
Barrow presided over the meeting,
and Mrs. Stanley Mayfield was
program leader.

The program centered around
"Songs." Mrs. Malcolm Bollinger
sang "By the Bend of the River"
by Edwards and "Prayer Perfect"
by Stenson with Mrs. Louie Train-
er being accompanist. Miss Marie
Watkins accompanied by Mrs. E.
D. Shurley, sang "Thanks Be To
God" by Dixon. An anthem,
"Praise the Lord, O Jerusalem" by
Mauder, was sung by the club
chorus, directed by Miss Watkins.

Refreshments were served to
members and guests.

EASTER STAR CHAPTER HEARS OF CANDIAN TRIP

Mrs. W. P. McConnell Jr. told
of her recent visit to the General
Grand Chapter in Toronto, Can-
ada, at a meeting last week of the
OES at the Masonic Hall.

Due to the vacancy created by
the resignation of Mrs. Margaret
Tipton, Mrs. J. E. Eldridge was
installed as chaplain.

After the chapter voted to buy
chairs, committees were named for
next week's meeting. To be in
charge of refreshments are Mrs.
Lave Locklin and Mrs. Seth Lan-
caster, and in charge of decora-
tions are Mmes. Rose Thor and
Robert Kelley.

Visitors included Mrs. Mattie
Arnold of Harper; Mmes. Augusta
West, Faye Watson, Phoebe Neill
and Jessie Lee Spencer of Eldo-
rado; and Mrs. Horace C. Byrd
of Brownwood.

Coffee, open-face sandwiches and
nuts were served to the 40 present.

Wesleyan Guild Presents Play

A play, "The Voice of the Na-
tions," was presented by the Wes-
leyan Service Guild Tuesday night
at the Methodist Church. The
opening address, "The Advance of
Christ," was given by the Rev. W.
H. Marshall.

Mrs. Malcolm Bollinger sang
"The Lord's Prayer" as the bene-

diction.
At the tea following the pro-
gram, the table was laid with a
lace cloth over one of green satin.
Mums were used in the center-
piece. Mrs. J. F. Howell served the
cake and Mrs. W. H. Marshall
poured punch. Hostesses were
Mmes. Leonard Caldwell, J. Wray
Campbell, Bess Davis and Clayton
Hamilton. About 40 guests attend-
ed.

Elliott School News
 The meaning of Thanksgiving was the central theme of the assembly program at L. W. Elliott School Wednesday afternoon. Mrs. McGilvary, second grade teacher, gave a talk on the history of Thanksgiving in regard to its origin and what it means to us today. The audience sang several Thanksgiving songs and listened to several more played on the school's new record player. Some of the songs were: "America," "Hail Columbia," "America The Beautiful," "Come Ye Thankful People, Come," and "Harvest Song."
 The sixth grade Social Studies class has embarked on an extensive study entitled, "Know Your Community." Each pupil is preparing a booklet depicting Sonora and the surrounding community in three phases: Historical background, natural environment and social environment. All information is being gathered and categorized according to its place in the booklet. The best booklet will be chosen at the end of the study and placed in the L. W. Elliott School library. The pupils say that they have already learned much concerning their community that they did not know previously.
 The second and third grades have finished their study of the circus. The study was climaxed by a film entitled, "A Trip Through The Belgian Congo." Multitudes of wild animals such as zebras, giraffes, elephants, monkeys, lions, were viewed in their native habitat. Both classes enjoyed the film very much.

Mr. and Mrs. H. R. Hay and children are in Fort Worth for a holiday visit. Both their parents live there.
 Mr. and Mrs. T. M. Harvey are spending their Thanksgiving holiday on a trip to the Carlsbad Caverns.
 Coach Buddy Hawkins is visiting in Nacogdoches this weekend, while Coach Billy Willard is visiting in Snyder and Wortham.

Get our Buick care and relax!

Now is the time to get ready — for getting the most fun, the most use out of your Buick in the months ahead.
 Quick-trigger starts, that is. A lively, quiet motor—a chassis that rides you in lazy comfort, without squeaks.

And remember that with the days getting shorter you'll want your lights bright and "on the beam." Roads will be wetter—so be sure your tires have good safe treads, and your brakes are adjusted for smooth gentle stopping.

Skilled in the special care of Buicks as we are, knowing your Buick and the factory-engineered methods of keeping it always at its best, we can give you all this surely and inexpensively.
 Drive in *this week*. Time's coming when we'll be crowded with rush orders—and it's easier to give you the best service in a hurry when our schedule is open. Just tell us you want our quick but thoroughgoing checkup on all the points listed below. Leave your Buick in our hands, and our special brand of Buick care will relieve you of any car-worries in the coming winter months!

A LOOK AT THE BOOK

By DR. BOB JONES, JR.

PRESIDENT OF BOB JONES UNIVERSITY GREENVILLE, SOUTH CAROLINA

Christ came to the country of the Galarenes, and they asked Him to depart from their coast. Why?

There was a poor outcast creature possessed of many demons living in the tombs of the hillsides. From this fierce, unhappy creature the Lord Jesus Christ cast out the tormenting spirits, permitting them to go into a herd of swine. Unwilling to give habitation to the spirits that had controlled the man, the swine ran into the sea and were drowned. (Mark 5:1-17). These Gadarenes had the wrong sense of value. They thought more of their pigs than they did of a man. They asked the Son of God to leave them because they pre-

ferred to see a man in the grip of demons than to lose some swine.

Some people are like that today. They think more of temporal gain than they do of eternal values. Some men are so busy attending to business that they have no time for their families, and in struggling to accumulate a fortune they let their own children go to destruction.

There are many people who refuse to let the Lord Jesus Christ come into their lives because they want to hold on to some selfish ambition or evil habit or sinful practice. They reject the Saviour because they do not want to give up some fleeting pleasure or worldly idol. They would rather

have a few pigs than the presence of the Son of God and all the joy which His salvation brings. They would rather have hogs than heaven, pork rather than paradise. Christ says, "I am come that they might have life, and that they might have it more abundantly," but the Gadarenes among us prefer to keep their pigs. Indeed, there is a strange kinship between such men and their swine—both are satisfied with the gratification of the senses and both lack appreciation of intangible realities. The Lord Jesus Christ comes with an emphasis on the things of the Spirit, the unseen, permanent things. "What shall it profit a man," says Jesus, "if he shall gain the whole world and lose his own

The Texas Interscholastic League is still the nation's largest organization of its kind, according to 1948-49 membership and participation figures.

League members are 1,500 Texas junior and senior high schools and over 900 elementary schools. Last year 371,258 students participated in League-sponsored activities ranging from baseball to original oration.

ist. University of Texas Professor W. Gordon Whaley, director of the University's Plant Research Institute and Cellulose Research Laboratory, claims that developing new types of plants will help solve the land resources problem.

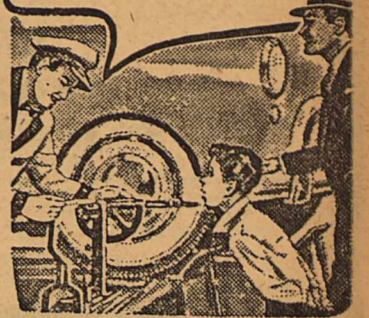

"Breeding plants to convert more energy per unit of fertility taken from the soil is a vital research problem. The present situation also calls for strenuous efforts to arrest soil erosion and loss of soil fertility and to develop a fertile top soil on the many badly-damaged land areas," Dr. Whaley says.

A former U. S. Agriculture Department senior geneticist in the Plant Industry Bureau, the University of Texas botany professor says soil conservation groups often paint too dark a picture of U. S. land resources.

Grand Champions—1949 Feeder Show

CHICAGO—These thick, blocky Hereford feeder calves were declared the Grand Champion load of all breeds in the recent Chicago Feeder Cattle Show of 157 carloads of calves and yearlings. Shown by the Bar 13 ranch, Sheridan, Wyoming, these Hereford calves averaged 427 pounds per head and sold for \$60 per cwt. In addition to the sale price the Bar 13 Ranch received \$620 in prize money from the Chicago Union Stock Yards and the American Hereford Association, Kansas City, Mo.

TEXAS' USO PROGRAM is discussed by Anne Revere, Hollywood character actress, and T. E. Braniff, state campaign chairman of the drive to raise \$500,000 in Texas for the continuation of the "home away from home" services of USO to the enlarged peacetime armed forces. Miss Revere was in Texas to participate in USO shows at the Veterans Administration Hospitals in the state. She and Braniff talked over the needs of the 98,000 young Texas men and women now in the armed forces.

Sunbeam WAFFLE BAKER

Four golden, crispy-tender waffles in one baking! No confusion, waiting. No delay! The new Sunbeam is the only waffle baker with an 80-inch over-all baking area. Over twice the usual area! Yet, think of it, the Sunbeam occupies little more space on your table than ordinary waffle bakers. All lustrous chrome plate and smartly styled.

Fully automatic, too, has a red Indicator light that tells when the grids are at the correct non-stick heat to put in batter, and also tells you when the waffle is done. Due to its special construction the batter can't overflow the grid. And you can set the Sunbeam for light, medium or dark waffles.

Weekly Swing of SOUTHWEST FARM MARKETS

Southwest farm products sold generally steady to higher during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Texas mohair sold in large volume at steady prices of 50 cents a pound for adult and 75 cents for kid hair. Little wool business took place in the southwest.

Feeder lambs sold mostly 25 cents to \$1. lower for the week, but most other sheep and lambs were little changed. Top lambs sold around \$23 to \$23.50. Mature goats lost 25 to 50 cents at San Antonio, although kids held firm. Common mixed nannies and wethers brought \$7.75 to \$8. Kids ranged from \$5 to \$5.75 per head.

Most of the people most of the time...

A few people from time to time get caught in get-rich-quick schemes like buying "gold bricks" at bargain prices.

A lot more fall for ideas like the doughnuts-and-coffee-and-a-dollar-bill Pyramid Clubs.

But most Americans realize that the only sound-and-certain way to accumulate money is by regular savings.

And it's a testimonial to their good sense that sales of U. S. Savings Bonds during the past year have reached a new high.

All you need to get started on your bond-buying program is your pen and the slip of paper you can get from your employer or bank.

Sign up today for regular saving with U. S. Savings Bonds - on the Payroll Savings Plan, if you're on a payroll, or through the Bond-A-Month Plan at your bank.

TRAFFIC IS TERRIFIC!

Local and long distance telephone traffic have reached an all time high today. The demand for new service is at an equally high level. We still cannot obtain much of the equipment we need to handle this tremendous traffic as well as the demand for telephone service. Yet we are installing more telephones and servicing more calls than ever before. Yes, traffic is terrific in every phase of telephone service today. And we will continue to keep our service expansion "terrific" as well.
