THIRTY-EIGHTH WEEK

Hospital To Be Opened Sunday

The Lillian M. Hudspeth Memorial Hospital, a half-million dollar project said by architects and medical men to be the finest structure of its type in Texas, will be formally opened Sunday afternoon at 1 o'clock.

Officiating at the opening ceremonies will be R. A. Halbert, president of the hospital board, L. W. Elliott, vice-president, State Senator Dorsey Hardeman, who will be the principal speaker and two representatives of the Texas Health Department. The Rev. J. E. Winslow, rector of St. John's Episcopal Church, will give the invocation.

Following the opening ceremonies, guided tours will be conducted until 4 o'clock. Monday morning the hospital will be ready to accept patients.

The hospital is governed by a 21-member board of directors headed by Halbert, Elliott and George H. Neill, treasurer, and the following: Mrs. Roy E. Aldwell, S. H. Allison, Joe Berger, Mrs. Mack Cauthorn, Dan Cauthorn, Mrs. W. R. Cusenbary, Mrs. G. H. Davis, Fred T. Earwood, Bryan Hunt, B. W. Hutcherson, Joe F. Logan, Ed. C. Mayfield, Ben F. Meckel, Clay Puckett, Joe Brown Ross, Mrs. E. E. Sawyer, Joe M. Vander Stucken, and Mrs. J. A. Ward, Jr.

Actual operation of the hospital is the responsibility of William Burge, administrator, who will work with an annual budget of approximately \$63,000 and oversee a staff of thirteen at present. Should the need arise, the staff may be increased to 21.

There will be no resident physician at the hospital and no one doctor will be in charge of the hospital. All Sonora physicians, Dr. J. F. Howell, Dr. Charles F. Browne and Dr. W. E. Lockhart will use the hospital as may any other physician or surgeon who is accredited by the American Medical Association.

Charges at the hospital will be slightly lower than at most hospitals because it is felt by the administrator and the board that a non-profit organization, such as the hospital is, should make every effort to reduce costs to the patient. Many Sutton County people made contributions when the project was started.

Members of the staff are Miss Jo McClelland, receptionist and stenographer, Mrs. Arty Berzman, dietician, Mrs. Jewell Jennings, kitchen assistant, Gomer Minnick, maintenance, Mrs. Dan Blackwood and Mrs. Gypsy Johnson, registered nurses; Mrs. Boyd Lovelace, Mrs. Glen Dye, Mrs. Rex LeBlou, and Mrs. Virgie Elaney, practical nurses; Ernestina Gomez, maid; Jesus Martinez and Frutoso Chavarria, attendants.

The hospital is completely air conditioned, has an auxiliary water pressure system, two large ice machines which manufacture crushed ice and ice cubes, telephone plugs in all rooms; built in oxygen system, an elevator, central clock system, central fire alarm system and many other modern features which will be explained to visitors Sunday.

The hospital is also equipped with an electrocardiograph, for use in diagnosing heart cases.

Nepo Martinez, who received a serious back injury in an auto wreck three weeks ago, is home from the hospital and is reported improving.

Attend SOME Church Sunday

Auction Sale Nets \$5,800

Final results of the Lions Club's Fourteenth Annual Auction Sale, held last Thursday afternoon sent total receipts to \$5,800 with still a few donations to come in.

This was the first sale in four years which was not a record. The 1950 total was \$6,200, the 1949 sale brought in \$5,628 and the 1948 sale realized \$4,800. A dance was not held following the sale this year.

Top sale of the auction was made when 30 bidders, mostly ranchmen, chipped in \$50 each to buy the registered Polled Hereford donated by R. A. Halbert and Lee Fawcett. The buyers donated the bull to the Sutton County 4-H Club. Those taking part in the purchase are: J. S. Holman, Miers Savell, A. B. Hightower, W. L. Miers, S. H. Allison, Elliott Brothers, Fred T. Earwood, Sonora Wool and Mohair Company, Sol Mayer, C. T. Jones, Dave Locklin, Sonora Feed and Supply, C. T. Jones, Jr., Nathan's Jewelry, Moore and Neill, Bill Fields, Lea Roy Aldwell, Dan Cauthorn, First National Bank, W. R. Cusenbary, Joe B. Ross, Joe M. Vander Stucken, Ben Cusenbary, Son Allison, Ben F. Meckel, Edwin Sawyer, Thos. Morris, Buzzie Stokes, Lea Allison, Geo. Brockman, Bryan Hunt.

Donations included the following: Gandy Creamery, \$35.00; G. H. Hall, \$25.00; L. R. Valiant, \$25.00; Bankston Motor Co., C. C. Smith, representative, \$25.00.

High feed bills plus the fact that the sale is held during the hottest part of the day, thus keeping the crowd down, were given as reasons why the total was not higher. But Lions Club officials said they were very pleased with the result.

"The cooperation of the ranchmen and businessmen in donating stock and merchandise to the sale, then turning right around and buying it back again so the Lions Club will have operating funds, is really a fine thing to see," said S. M. Kerbow, president-elect of the club and general chairman of this year's show and sale.

"I don't believe you can find another situation like this anywhere in the country," he added.

Feed Store Changes Name

Lin Turney, manager and part owner of the H. V. Stokes Feed Company, announced this week that effective July 1, 1951. The name of the company will be Stockmen's Feed Co.

Turney issued the following statement: "Since Buzzie has sold his interest in the store and since his company in San Angelo is named the Stokes Feed and Seed Company, it was felt that it would reduce confusion to change the name of the Sonora Company."

Other owners are Bryan Hunt and George H. (Jack) Neill. Turney also said there is to be no change in management of the company.

Guests of Mr. and Mrs. O. C. Ogden last week were Mrs. Ogden's mother, Mrs. D. P. Mears of San Angelo, Mr. and Mrs. W. H. Gookian of Corpus Christi, and Mr. and Mrs. W. W. Davis and son Jackie, of Eldorado.

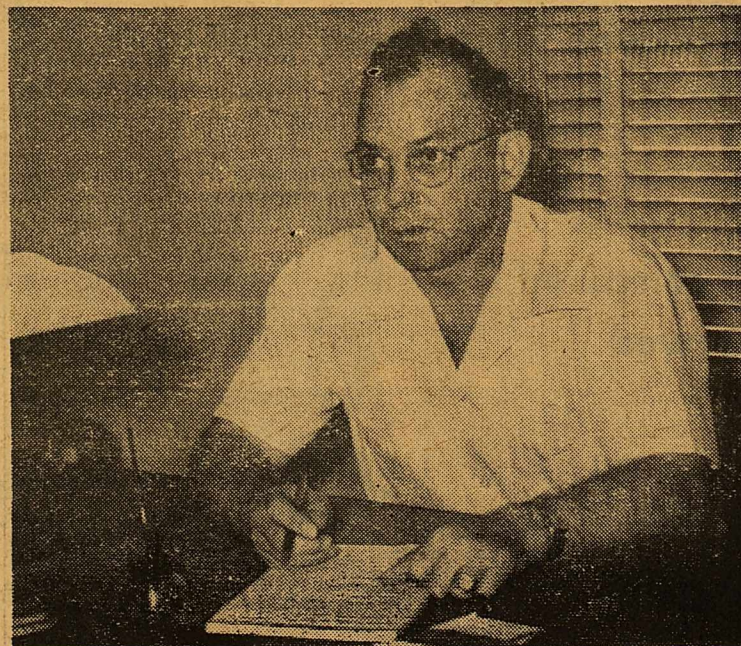

R. A. Halbert
President

L. W. Elliott
Vice-President

George H. Neill
Treasurer

William Burge, administrator of the Lillian M. Hudspeth Memorial Hospital, comes to Sonora from Corpus Christi. A former Naval officer, Burge has had twenty years experience in Navy hospitals and is a laboratory technician and x-ray technician. He is in charge of the staff of thirteen.

Two pictures are missing from this edition. They are those of Mrs. Roy Hudspeth, for whom the hospital was named, and Roy Hudspeth, whose original gift of \$50,000 started the project, and whose bequest of a ranch to the hospital, enables it to be at least partially endowed. Photos of Mr. and Mrs. Hudspeth will be published as soon as they arrive.

Mr. and Mrs. Frank Bergg and daughter, Betty Lou, of Crane, were guests of Mr. and Mrs. Pete Ballard this week. Maxine Ballard returned to Crane with the Berggs.

Mr. and Mrs. Roy Byrd and children are visiting friends and relatives in Barnhart this week.

STONE MASONRY AND CONCRETE WORK

Mr. and Mrs. J. A. Ward, Jr., and Mr. and Mrs. Rip Ward had as their guests this week, Mrs. O. C. Gaines and children, Kathryn and John Will, of Oklahoma City. Mrs. Gaines is a sister of the Wards.

Bill Stallings, Humble Seismograph Co. employee, returned Saturday from San Angelo, where he received treatment for a back injury.

DELIVERY ROOM- Pictured above is the delivery room of the new hospital. Described by physicians as one of the finest and best equipped in this part of the state, the room is located in the northeast corner on the second floor.

OPERATING ROOM- Shown here is a view of the surgery of the new Lillian M. Hudspeth Memorial Hospital which is to be opened Sunday. The surgery has the finest equipment available and will be a most valuable addition to Sonora's medical facilities.

SOUTHERN GEOPHYSICAL MOVES CREW HERE

The Southern Geophysical Company Fort Worth has moved a crew here and is expecting between twelve and twenty families about the middle of July.

Those who are here now are Roy Smith, party chief who came here from Canada, and Mrs. Smith, Arthur B. Tinsley, Jnuce graduate of Texas A. & M. College, Mr. and Mrs. Lee Roy Purdue of Colorado City, N. L. Tidwell of Big Springs, William Hornsby, New Jersey, Richard M. Nice, Austin, W. R. Milroy, who recently returned from Saudi Arabia. Don Blankenship, seismologist from the Fort Worth office, will spend some time here. The company will work southwest of Sonora.

Wool Contest Offers Oregon Trip As Prize

On Monday, April 23, a meeting was held at the Cactus Hotel in San Angelo when some of the Hill Country Chapter Auxiliary members met with officers of the Women's Auxiliary of the TS & GRA for a very important session to discuss plans for the "Make It Yourself With Wool" Style Show which will be held in Kerrville during the Wool and Mohair Festival in October.

The meeting was held in the Spanish Room during the luncheon hour and plans for prizes to be awarded in the Texas contest were made. There will be a first, second and third prize in both the junior and senior classes of the

sewing contest, this year instead of the first, second and third for dresses, coat and suit class in years before. First prize will be a \$100 Bond, Second prize will be a \$50 Bond and Third prize will be a \$25 Bond. There will also be a grand prize winner in each class and these winners will be sent to the Annual Convention in El Paso in November as well as to the National Convention of the National Wool Growers Association in Portland, Oregon, in December. The expenses of these two trips will be paid for by the Women's Auxiliary of the TS & GRA. A chaperone will accompany the girls on the trip to Portland. The high point winner of the State Style show to be held on October 5 in Kerrville will also be crowned the "Texas Wool and Mohair Shepherdess," the title she will bear for a year.

Brochures with all existing rules are now being distributed from the Wool Bureau in New York regarding the contest and the Texas Women's Auxiliary is adding an in-

teresting pamphlet to it telling about the Shepherdess title for a lucky Texas girl to win.

Those attending the meeting were Mrs. J. W. Vance, Wool Growers' Auxiliary president and National Sewing Contest director, along with her Auxiliary secretary, Mrs. Faye Gill, both of Coleman. Mrs. R. L. Walker, Women's Auxiliary president of Fort Stockton, Mrs. Willie B. Wilson, San Angelo, the Texas Sewing contest director, Miss Sue Flanagan, Auxiliary publicity chairman, San Angelo, and Mrs. Ernest Williams, San Angelo, whose husband is the secretary of the TS & GRA. Those attending from Kerrville were Mrs. Ross Snodgrass, president of the Hill Country Chapter, Mrs. Felix Real, Jr.,

Festival Display Chairman, and Mrs. Hondo Crouch, of Comfort, who is the Style Show Director.

Further plans are underway for the housing and entertainment that will be provided for the contestants while they will be in Kerrville for the Festival activities.

Personals

R. C. Vicars, who was taken ill while in San Antonio on a pleasure trip, is being released from the hospital and is expected home this week.

Mr. and Mrs. W. A. McCoy and sons returned last week from a ten-day trip to Waco and Buchanan Lake.

Mr and Mrs. George E. Smith have as their guests Mrs. Fannie Gahagan and daughters, Barbara and Jamie, of Abilene, and Mrs. Lynn Heffler and sons, Eric and David, of Stephenville. Also visiting them are Mrs. Bob Graves and sons, Charles and Joel of Cotulla.

Mr. and Mrs. E. D. LeBleu and daughters, Janic and Joan Gail, of San Angelo, were the guests of the Rex Leblus Sunday.

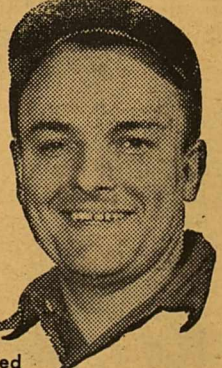

Mrs. Clay Puckett and children, Mary and David, are spending this week in Marfa with Mrs. Puckett's parents, Mr. and Mrs. E. F. King.

Mr. and Mrs. T. M. Harvey spent the weekend in Dallas and Greenville with friends and relatives. They have as their guest this week their niece, Martha Nell Ewer of Odessa.

116,713 Boys And Girls Active In Texas 4-H Club Work

Midway of the century 116,713 Texas rural boys and girls were enrolled in 4-H demonstrational work in agriculture and home economics. This great army of youths organized into 4,793 clubs "to make the best better," represented one out of every seven boys and girls of admissible age in the state. By groups they numbered 94,063 white and 24,174 Negro boys and girls.

The supreme value of this practical educational work conducted by the A. & M. College Extension Service is its formative influence upon youth. It touches all phases

of agriculture and homemaking in the form of demonstrations. Doing it themselves not only removes prejudices against methods, but teaches that advanced practices in the business of farming and ranching are economical and profitable. In learning by doing, club members averaged 1.87 demonstrations in 1950 and 73 percent completed them. As a consequence, youth demonstration work reached 67,782 farm and ranch homes and 21,146 others.

The most popular demonstration on the basis of the number participating was swine, with poultry

(including turkeys), beef cattle, home gardens, dairy cattle and sheep next in order. Clothing topped the list with home economics demonstrators, while foods, home furnishings and room improvement, home gardens and food preservation followed. It is worth noting however, that girls did not overlook opportunities to demonstrate their versatility in agricultural demonstrations popular with boys. In 1950, they conducted demonstrations with poultry, dairy and beef cattle, sheep, swine, and horses and mules. All demonstrations were supervised by county Extension agents.

According to the state leaders, obtaining and training adult and junior volunteer leaders was a major problem. Notwithstanding, 9,964 such leaders were available to work with the clubs largely as a result of 2,754 leader training meetings during the year. Meanwhile, the Texas 4-H council and 118 community 4-H clubs were organized.

Other activities included holding 15 district laboratories, and 15 district 4-H camps attended by 3,750 boys and girls. Seven of the camps were conducted jointly. A total of 1,200 boys and girls and 250 adult leaders from over the state were present at the annual state 4-H Round-up, while 33 Texas delegates attended the National 4-H Congress at Chicago. Five of these were sectional and national awards winners. A total of 3,824 club members were awarded medals in county award programs, while recognition awards were presented to persons, other than adult

leaders, who had contributed to the promotion of 4-H work. Eight county, two district and two statewide recipients were thus honored. A progressive four-phase program sponsored by the Sears-Roebuck Foundation in cooperation with the Extension Service, attracted large participation by 4-H Club members in 1950. The foundation furnished original and replacement breeding stock for swine in 161 counties; dairying in 54; poultry in 44; and sheep in six. A state 4-H Club leader is responsible for the operational portion of the program, while county agricultural agents supervise carrying it out.

Club demonstrators with livestock exhibited freely at state and national stock shows and in many cases placed highly in class judging. But the major trend is toward the production of a good type of commercial beef animal.

RENOVATING STANDS OF BLUESTEM AIDS CATTLE WEIGHT GAIN

Renovating established stands of King Ranch bluestem grass and fertilizing with a combination of nitrogen and phosphoric acid will greatly improve the yield and quality of forage grown on low fertility soils. This fact was determined in a recent study made by the Texas Agricultural Experiment Station.

Dr. R. C. Potts, agronomist in charge of forage investigations for the station, pointed out that forage containing less than 6.0 percent protein and 0.33 percent phosphoric acid is considered deficient for livestock production. "Steers made very poor gains while grazing on three and four-year-old pure stands of unfertilized K. R. bluestem during the summer of 1949 at the Beville Experiment Station," said Potts. "Forage collected from these stands in late summer had a protein content of only 2.25 per cent and a phosphoric acid content of 0.13 per cent."

On the renovated area, the phosphoric acid content of the forage was increased from 0.19 to 0.35 per cent by fertilizing with 64 pounds of nitrogen and 80 pounds of phosphoric acid. And the protein content was increased from 6.63 to 8.31 per cent.

On the undisturbed area, the nitrogen-phosphate combination in

nitrogen-phosphate combination increased the protein content from 5.87 to 7.62 percent. The phosphoric acid content was increased from 0.18 to 0.30 per cent, which was still below the requirement for good livestock production.

Dry forage yields were increased from 350 to 1,330 pounds per acre on the renovated area by applying the nitrogen-phosphate combination. An increase from 720 pounds to 1,440 was obtained on the undisturbed area. Neither nitrogen alone nor phosphate alone gave much increase in forage yields.

Potts said, "Nitrogen alone increased the protein and potash contents of the forage. And phosphate in combination with nitrogen almost doubled the phosphoric acid content of the forage. Phosphate alone significantly increased the phosphoric acid content of the plants on both the renovated and undisturbed areas."

Most of the grass turned brown in September, but that on the phosphated areas remained green.

The results obtained thus far in the experiment are given in Progress Report 1371, prepared by Potts and other experiment station workers. This report is available from the Publications Office, College Station, Texas.

Personal Notes

Mrs. Frank Potmesil, who has been under treatment in a San Angelo hospital, has returned home.

Guests of Mr. and Mrs. A. A. Cowser are Mrs. Cowser's aunt, Mrs. Dorothy Buchanan, and Mrs. Jennie Stephens of Bryan.

M. and Mrs. Troy Spratt and daughters, of Fort Worth are here visiting Mrs. Spratt's parents, Mr. and Mrs. L. V. Clark.

Mr. and Mrs. H. B. Cooper are leaving next week for a vacation in Ruidiso, New Mexico.

Robert Lovelace returned Sunday from Camp Polk, La., where he trained with the San Angelo National Guard.

Mr. and Mrs. Harry Harrison have returned from a two-week vacation. They visited Mrs. Harrison's brother, A. H. Auld, at Corsicana, and her sister and family.

Mr. and Mrs. C. S. Southerlin at Selman City. They also fished at Cherokee Lake, La.

Mrs. Pearl Crites is in Houston for a visit with her son, R. E. Crites.

Mrs. Grace Palmer of Houston is visiting Mr. and Mrs. Arthur Carroll this week. Mrs. Carroll is Mrs. Palmer's daughter.

California Visitors Here
Guests of Mr. and Mrs. H. V. Morris this week is Mrs. Morris' mother, Mrs. A. E. Martin of Fallbrook, Calif., and their son and family, Mr. and Mrs. Vernon Morris of Los Angeles.

Need a cure for truck troubles?

THESE days, when it's more important than ever that your present equipment keeps hauling smoothly—do you find little troubles eating away your trucking profits?

As a result, you can get better performance with less time lost for repairs. Our mechanics know where truck troubles start—prevent them at their source.

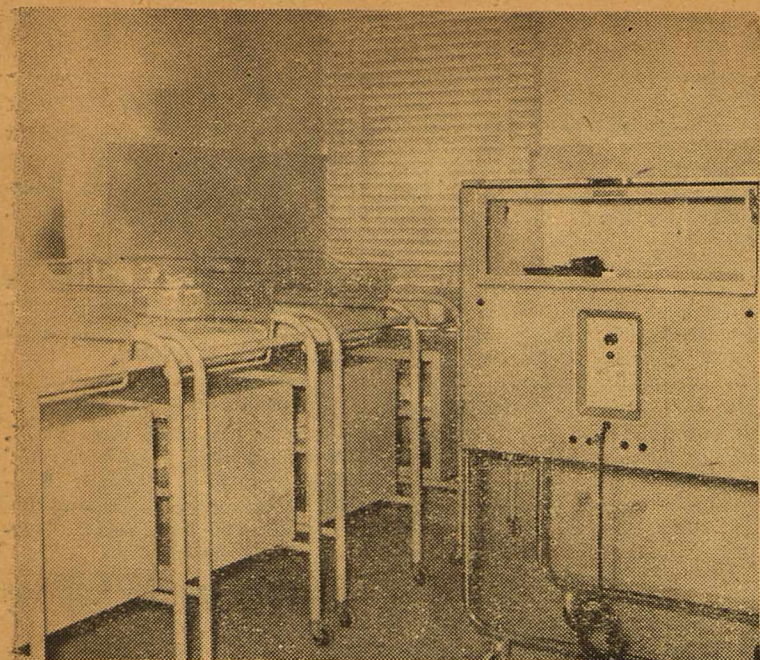

We can help your truck turn in low-cost mileage years longer—and save money for you 3 ways at the same time!

If you want to get more years of service from the trucks you now own, and like your service fast and fair—you'll like the way we work!

Regular, periodic checkups at our service department will correct those "pings" and shimmies before they can grow into costly repairs.

Get more 'run' for your money!

ALBERT WARD HONORS COUSINS WITH PARTY

Albert Ward honored his cousins, Miss Gathryn Gaines and John Will Gaines of Oklahoma City with a canasta party Thursday night at his ranch home.

High scores were won by Elsie Street and Shannon Ratliff and both honorees were presented with a gift.

Cake and frosted cokes were served to the following: Joe Richard Lancaster, Martha Jean Valiant, Bill Ratliff, Shannon Ratliff, Jan Keng, Dorsey Carroll, Elsie Street, Connie Locklin, Jack Berry Johnson, Joe Bailey Renfro, Lou Ann Adkins, June Henderson, John F. Howell, Rose Alice Turney, George Spinks, Betsy Ross, Tracy Crites, Marla Schwiening, Donald Fuqua and Priscilla Pfister.

Also attending were Mrs. J. A. Cauthorn and Mrs. O. C. Gaines of Oklahoma City.

Butane Dealers Safety Course Held Last Week

On Monday, Tuesday, and Wednesday nights of this week, the Butane Dealers and their employees from Ozona, Sonora and Eldorado met in the City Hall here to attend the third training course in butane gas and its equipment.

Truman Adkins, who is rated as a butane training specialist, conducted the three-night meeting, which covered approximately 10 hours of class time. Adkins is representing the University of Texas and the Texas Butane Dealers Assoc. The entire state of Texas is being covered, offering these courses to each man who is connected with the butane industry.

This course includes the source of characteristics of butane and propane, pumps, meters, and butane carburation. Customer and employee relations and the proper installation and service on all types of gas-fired appliances was also covered.

Adkins stated that the attendance and cooperation of the dealers and their men in this area was splendid.

Happy Birthday

Friday, June 29, Marilyn Margaret Mittel
Saturday, June 30, None
Sunday, July 1, Lewis Ponder Johnson
Monday, July 2, Edward Farrell Smith, Barbara Ann Chalk
Tuesday, July 3, Freddy Fields, Ethel Morris, Mrs. J. F. Hamby
Wednesday, July 3, Linda Joyce Spraggins, Mrs. Leo Snelson
Thursday, July 5, Mrs. M. O. Britt, Yvonne Denis Pennick, A. R. Montgomery

Personal Notes

Mr. and Mrs. R. E. Clark have as their guests this week Mr. and Mrs. J. W. Gipson and children of Odessa.

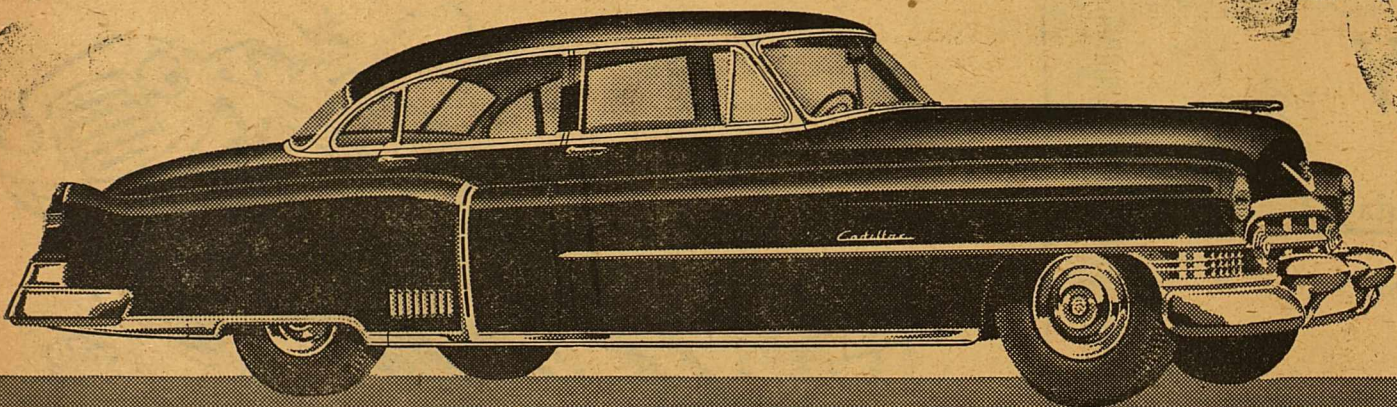

Mr. and Mrs. Joseph Shield and children from Collinsville, Ill., were guests of Mr. and Mrs. James Brodnax last week.

Mr. and Mrs. Norman S. Davis and son, Gary, and Mrs. C. A. Tyler were guests last week of Mr. and Mrs. W. C. Vernon in Wimberly.

M. M. Stokes, who was taken to a San Angelo hospital last Wednesday for an emergency operation, is reported to be getting along nicely.

Jerry Chavers of Seguin was here last week visiting his mother, Mrs. A. B. Hightower.

Patience Will Reward You!

Standard equipment, accessories and trim illustrated are subject to change without notice.

Let us say, just for the sake of emphasizing a truth, that we are talking about you.

All your life, since you were old enough to see and understand, you have known that Cadillac represents unquestioned supremacy in the motor car world.

And you have said that—"when the time arrived"—you would own a Cadillac.

Now, "the time has arrived." You have reached the point in your endeavors where you feel you are entitled to a Cadillac—and all the things it represents.

But you hear that some delay in delivery has become unavoidable.

"Maybe," you think, "there is a substitute. Perhaps some other car, which I can get more quickly, would do."

For the sake of your own welfare—please listen to this:

There is only *one* car which is recognized wherever highways lead as the "Standard of the World."

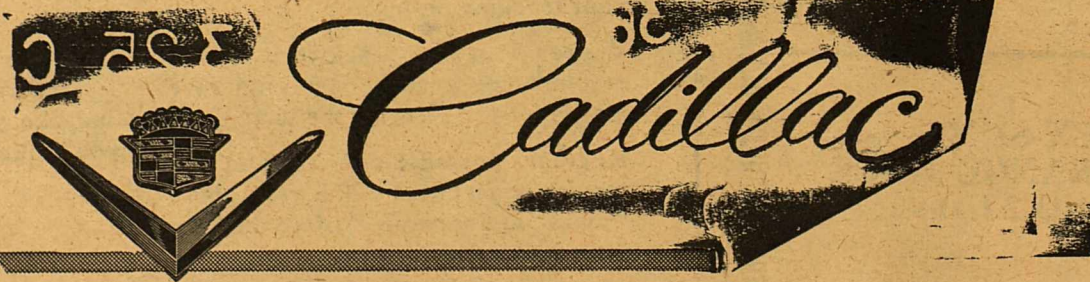

There is only *one* car which is held in the highest respect by newsboys and millionaires alike.

There is only *one* car which is the hope and the ideal of motorists everywhere.

And there is only *one* car which you, yourself, really and truly want.

So stand firm in your convictions! Be patient! For patience will bring you the richest reward in the motor car world. It will bring you—a Cadillac!

See your Cadillac dealer today—and get your name on his order list.

Our WASHINGTON Letter

Most of the people in the 21st district believe we cannot "go it alone" in the struggle against world communism. They believe overwhelmingly that further communist expansion in the Far East and in Europe would endanger American security here at home. Ninety percent of them approve American participation in the Atlantic Pact and the joint defense under General Eisenhower.

These reactions are disclosed in the more than 12,000 responses to the questionnaires which I recently sent to the people in our 27-county district.

More than 25% of those to whom polls were sent returned them, several thousand with interesting and revealing comments. This is probably the highest percentage of responses ever recorded in a Congressional polling operation of this nature. The average, I am told, runs 10 to 15 percent.

PMA payments to farmers and ranchmen to help pay for certain range practices would be substantially reduced if the pollsters had their way about it. On that issue to vote was 76% for reduction, 20% against, and 4 percent with no opinion. In a further breakdown by occupation, the tabulation reveals that among farmers and ranchmen 72% favor the PMA reduction, 25% oppose, and 3 percent have no opinion. In occupations other than ranching and farming, the score was 77% for, 17% against and 6 percent with no opinion.

Answers to the first two questions reveal numbers of modified answers many pointing out that military considerations were involved which called for expert judgment.

By questions, here are the results:

1. Do you favor an amendment to the Constitution removing from the President the exclusive authority which the constitution now gives him for making appointments and replacements of military Field Commanders? Yes - 53% No - 43%.

2. Do you subscribe to General MacArthur's proposal that there be: (1) intensification of our economic blockade against China and the imposition of a naval blockade against the China coast; (2) removal of restrictions on air reconnaissance of China's coastal areas and of Manchuria; and (3) removal of restrictions on the Chinese Nationalists on Formosa with logistical support to contribute to their effective operation against the Chinese mainland? Yes 69 percent No 19 percent.

3. Do you consider the prevention of Communist expansion in the Far East as being vital to our own American security? Yes 91%, No 5%.

4. Do you believe that a year from now the United States will be in a better position, relatively speaking, to wage a global war if one is forced upon us than at present? Yes 73 percent No 17 percent.

5. Do you think the U. S. should take steps now to build up an army of Japanese soldiers to be ready to fight the Communists if Japan is attacked. Yes 90 percent; No 5 percent.

6. Do you regard the continued independence of Western European countries and their freedom from Russian control as being vital to our own American security? Yes 94 percent; No 4 percent.

7. Do you believe Western Germany should be permitted and encouraged to rearm, provided there is ample protection against a revival of Prussian militarism? Yes 87 percent; No 7 percent.

8. Do you believe the U. S. is doing right in cooperating (by providing some troops and military equipment) with the 12 Atlantic Pact countries of Europe in creating a joint defense under General Eisenhower against possible Communist aggression. Yes 90 percent; No 5 percent.

9. Do you favor the adoption of a universal military training program requiring all able-bodied men who have not had military service to have a least 6 months of military training? Yes 83 percent; No 13 percent.

10. Do you approve of the actions of Congress in investigating and exposing Communists in and out of Government, and of other investigations (such as RFC, Organized Crime, Five Percenters, etc.) being conducted under directions of Congress? Yes 97 percent; No 1 percent.

11. Do think the RFC should be abolished? Yes 63 percent; No 20 percent.

12. Should Congress make substantial reduction in PMA payments to farmers and ranchmen

for range practices such as drilling water wells, building dams, mesquite eradication, etc., during this emergency? Yes 76 percent; No; percent.

13. Should taxes be raised, if necessary, on a pay-as-you-go plan, or adequate defense appropriations, provided all non-essential spending is eliminated? Yes 83 percent; No 12 percent.

14. Do you favor amending the Wage and Hour law to increase the present work week to at least 44 hours, during this emergency? Yes 85 percent; No 10 percent.

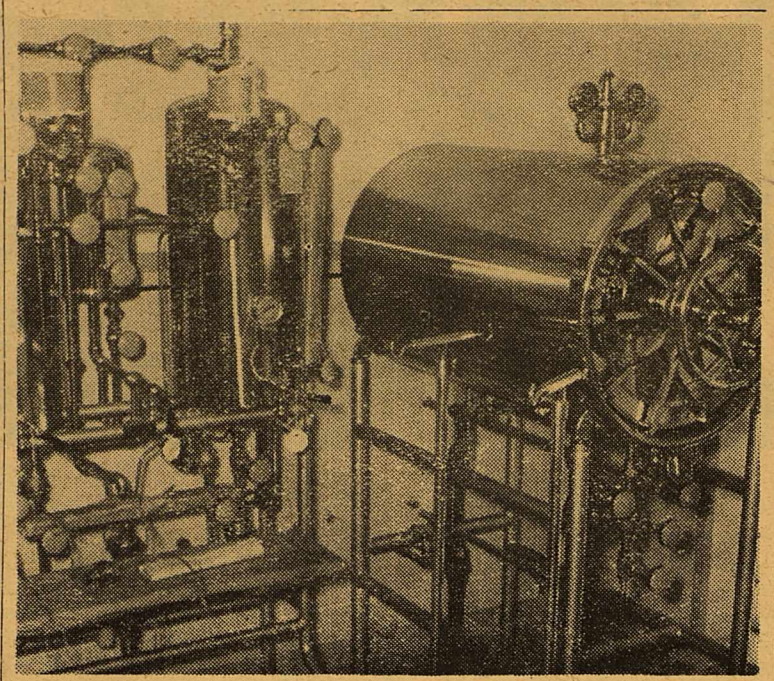

15. The President's budget message contended that in the interest of national defense the Congress should enact the so-called Fair-

NOTICE: Three wash skirts were delivered to wrong party by laundry. Please return to Doris J. Mayer, Box 5266. 1 to 38.

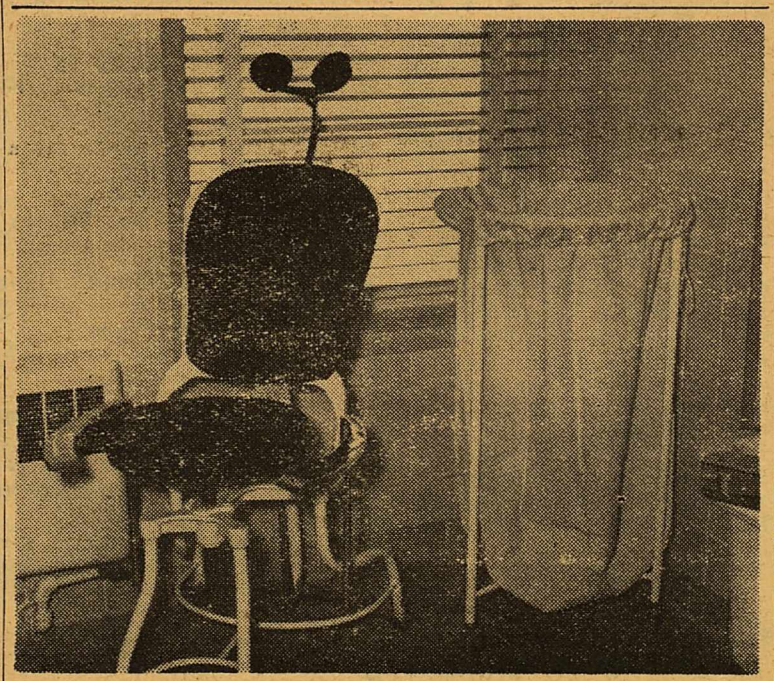

LOST: Doberman Pinscher named Henry and belonging to Mrs. Tom Driskell is missing since Sunday. Any information will be appreciated. Call Mrs. Vernon Hamilton, 1tc38.

LOST: .22 repeating Winchester rifle with scope. Lost below ford at Camp Allison. Please return to Dr. J. F. Howell. 1 to 38.

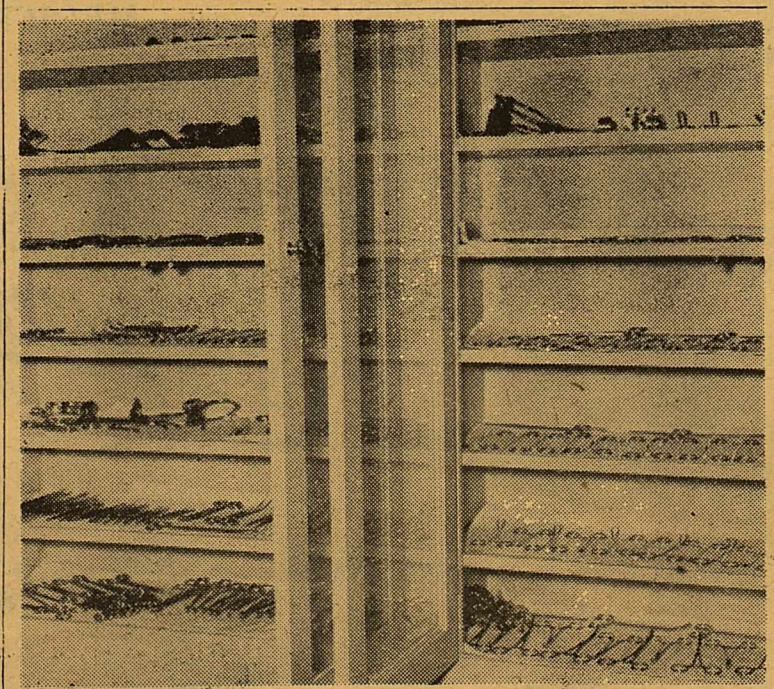

Deal program by including Socialized Medicine, the Brannan Farm Plan, and Civil Rights. Do you agree? Yes 6 percent; No 87 percent.

The autoclave, or big sterilizer is near the surgery and will be used principally for the sterilization of surgical instruments. Tremendous steam pressure is built up in the autoclave, enough to kill all bacteria.

A small treatment room is provided for doctors' use on the second floor.

The surgeons' instrument closet, surgery, shown above, is located next to the

Personal Notes

Pvt David Franks who is stationed at North Fort Hood, was home last weekend.

Mr. and Mrs. R. Lee Owen have returned from a two-week's vacation in Brownsville, Brownwood, Abilene, and Artesia, N. M.

Earl Johnson, who is stationed with the navy at Corpus Christi, was home visiting his parents, Mr. and Mrs. E. E. Johnson, last weekend. He brought as his guests, Ted Moore and Bill McLain, who are also stationed at Corpus Christi.

Mr and Mrs. George Miller, who are here with Party 27, Stanolind

Oil Co., left last week on a vacation to Kansas.

Mr. and Mrs. T. R. Cox and family are spending their vacation in Levelland and Abilene.

Port Brannon returned this week from his vacation in Oklahoma. He is with Stanolind Party 27.

Mr. and Mrs. E. M. Raley left this week for a visit with their parents in Hamblin.

Mrs. Roy Sewell and children, and Mrs. H. A. Gustavus and children, Mrs. Bill Pudue, Mary Francis Fennell, Nancy Purdue, Roxy Hill, and Patricia Ward, of Ozona, came over Thursday for a swimming

party and picnic at Simmons Park.

Mr. and Mrs. A. Fred Spinks have as their guests Mrs. L. C. Lang of Burnett and Mrs. E. A. Martin of Waco.

Attend PMA Meeting
The Sutton County PMA, Committee attended the district PMA meeting at Marfa Wednesday and Thursday. Purpose of the meeting was to work out the 1952 ACA program. Those attending from here were W. B. McMillan, C. T. Jones, Jr., Thomas Morriss, and Mrs. O. C. Ogden. Twenty-two counties were represented.

Attend SOME Church Sunday. Drive safely! Observe stop signs.

During 1950 Texas 4-H boys made history with their exhibits of fat steers at the major stock shows of the nation. Grandchampionships were won at the State Fair of Texas; International at Chicago; American Royal Kansas City and Houston and San Antonio fat stock shows.

In tests conducted by the Texas Agricultural Experiment Station, dry forage yields were increased from 350 to 1,330 pounds per acre on renovated K. R. bluestem pasture by applying a combination nitrogen-phosphate fertilizer.

Business visitors at Station B this week were F. P. McManahan, O. P. Albright and R. F. Peters of Houston.

ELEMENTARY TEACHERS STILL SCARCE COMMODITY ON TEACHING MARKET

Elementary school teachers continue to be the scarcest commodity on the education labor market, it was reported by Dr. Hob Gray, Teacher Placement director at the University of Texas. Second greatest demand is for librarians. In high schools, English teachers are needed. Many requests have been received also for counselors and for teachers of women's physical and health education.

Guests of Mr. and Mrs. J. W. Neville this week were Mrs. Neville's mother, Mrs. J. A. Davidson, and her sister, Mrs. Hayward Shull and children, all of Winters.

Sixteen of the 21 directors of the Lillian M. Hudspeth Memorial Hospital are shown at a meeting held in March, 1950, when bids for construction were opened. Left to right front row are R. A. Halbert, president, Mesdames G. H. Davis, E. E. Sawyer, J. A. Ward, Jr., Mack Cauthorn, and W. R. Cusenbary. Second row: John G. Becker, architect, Joe F. Logan, Joe Berger, Joe M. Vander Stucken, George H. Neill, Joe Brown Ross and B. W. Hutcherson. Third row: Clay Puckett, Bryan Hunt, Dan Cauthorn, and L. W. Elliott, Vice-president of the hospital.

Our WASHINGTON Letter

By Congressman **O. C. FISHER**

"Know Your Government" was the subject theme of the 21st annual Four-H Club Camp held in Washington last week. From all over America came young men and women to report on the activities of this popular rural youth movement which sets the pace for

American rural progress.

Texas sent Roger Landers, Jr., Menard, and E. P. Wicker of Lubbock, both representing the Texas 4-H boys, while the girls were represented by Mary Helen Keith of Whiteface and Billie Jean Walker of Big Springs.

There were four from each State and Territory. Sixteen foreign countries sent delegates. Altogether there are two million 4-H members, in the U. S.

Texas could well be proud of the four picked to speak for the 116,237 boys and girls who are club members in the Lone Star State. Roger Landers, Jr., tall, popular, able and modest, looked like young "Mr. Texas" as he towered above most others at the convention and while acting as chairman for the Texas group. A Number One honor freshman at Texas A. & M. last year, Roger combines academic brilliance with a lot of common sense and initiative to be a natural born leader in anything he might undertake.

PRECEDING THE FOUR-H Clubbers to Washington was a group of honor high school students from Brownwood and Austin. On a conducted tour which included the nation's capitol, New York, and other points of interest, the students stopped over here for two days. While in Washington they had breakfast with Senators Connolly, Johnson, Rep Thornberry of Austin, and myself.

The trip was sponsored by Mr. Leroy Preston, Principal of Brownwood High School, along with Mr. and Mrs. Douglas King,

teachers of Austin. Brownwood students on the trip were: Charlene Capps, Jane Watson, Robert Roberson, Louisa Bane, Craig Woodson, Eula Kate Neely, Joan Blake, Carolyn Shaw, Gene Bartholomew, and Ann Watson.

Among other recent visitors have been: Walter Harmand, President of the Texas Farm Bureau Federation; Mr. & Mrs. W. M. Stool of Del Rio; Mr. & Mrs. R. O. Ratliff of Del Rio; Robert L. Crouch of San Angelo, now stationed at the Navy Yard in Washington. Phil Wills, formerly of San Angelo, now of Ft. Worth; Mrs. Lena W. Taylor of Boerne, with Farmers Home Administration; Dick Connally of Brownwood; Mr. & Mrs. N. R. Huggins and daughter, Judy, of San Angelo; Hon. W. A. Kessler of Uvalde; and Mayor & Mrs. Army Rust of San Angelo. Earlier we were favored by a visit from Mr. and Mrs. Ted Logan, and Mr. & Mrs. John Logan, also of San Angelo. They were en route to Atlantic City to the Rotary Convention.

Mr. and Mrs. Ratliff visited Air Force Major S. W. McDonald, his wife and two children. Mrs. McDonald is a daughter of the Ratliffs.

Another recent visitor was Mr. Walter W. Knopp, now Assistant Director of Immigration in Buffalo, N. Y. A native of Stonewall, Mr. Knopp entered government service in 1915, and has made an enviable record with the Immigration Service in several important assignments over the Nation.

Attend SOME Church Sunday.

Personal Notes

Mr. and Mrs. Clayton Hamilton and son were the guests of her parents, Mr. and Mrs. R. M. Burgoyne Thursday in San Antonio. Mrs. Hamilton will remain for a week's visit.

her son and family, Capt. and Mrs. C. T. Driskell.

Mr. and Mrs. E. L. Wallace and children from Yarbrough Allen, a pumping station near Monahans, were guests of Mr. and Mrs. L. B. Stovall this week.

Mr. and Mrs. Cecil Carr and children visited their parents and for Waco where she is the guest of friends in McCamey last weekend.

May, deceased; Irve Ellis, if living, and if dead, the Unknown Heirs of Irve Ellis deceased; Asa Robertson and Anna Robertson, if living, and if dead, the Unknown Heirs of Asa Robertson and Anna Robertson, deceased; J. P. McConnell, if living, and if dead, the Unknown Heirs of J. P. McConnell, deceased; Henry Leifeste, Jr., if living, and if dead, the Unknown Heirs of Henry Leifeste, Jr., deceased; Jacob Bauer, if living, and if dead, the Unknown Heirs of Jacob Bauer, deceased; Henry F. Keinschmidt, if living, and if dead, the Unknown Heirs of Henry Keinschmidt, deceased; Anna Margaretha Vogel and Johann Gottlieb Vogel, if living, and if dead, the Unknown Heirs of Anna Margaretha Vogel and Johann Gottlieb Vogel, deceased; and Nicolas Bayreuther, if living, and if dead, the Unknown Heirs of Nicolas Bayreuther, deceased.

You and each of you are hereby commanded to appear before the District Court of Sutton County, Texas, to be held at the courthouse of said county in the City of Sonora, Sutton County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of the issuance hereof; that is to say, at or before, 10 o'clock A. M. of Monday the 30 day of July, 1951, and answer the petition of W. A. Miers, Stella Keene, a widow, H. C. Saunders, and Bryan Hunt, plaintiffs, in Cause Number 1102 styled W. A. Miers, et al. vs. August Meckel, et al., in which the said W. A. Miers, Stella Keene, a widow, H. C. Saunders, and Bryan Hunt are plaintiffs, and August Meckel and Sabina (or Sabine) Meckel, if living and if dead, the Unknown Heirs, of August Meckel and Sabina (or Sabine) Meckel, deceased; A. W. May, if living, and if dead, the Unknown Heirs of A. W. May, deceased; Irve Ellis, if living, and if dead, the Unknown Heirs of Irve Ellis, deceased; Asa Robertson and Anna Robertson, if living, and if dead, the Unknown Heirs of Asa Robertson and Anna Robertson, deceased; J. P. McConnell, if living, and if dead, the Unknown Heirs of J. P. McConnell, deceased; Henry Leifeste, Jr., if living, and if dead, the Unknown Heirs of Henry Leifeste, Jr., deceased; Jacob Bauer, if living, and if dead, the Unknown Heirs of Jacob Bauer, deceased; Henry F. Keinschmidt, if living, and if dead, the Unknown Heirs

of Henry Keinschmidt, deceased; Anna Margaretha Vogel and Johann Gottlieb Vogel, if living, and if dead, the Unknown Heirs of Anna Margaretha Vogel and Johann Gottlieb Vogel, deceased; and Nicolas Bayreuther, if living, and if dead, the Unknown Heirs of Nicolas Bayreuther, deceased are defendants, which petition was filed in said Court on the 15 day of June, 1951 and the nature of which said suit is as follows:

A suit for trespass to try title and to remove the cloud from the title to certain land and premises in Sutton County, Texas, title to and right of possession being claimed by plaintiffs, said land being described as follows, to-wit:

Survey No. 13, in Sutton County, Texas, (formerly in Crockett County, Texas), on the waters of Devil's River, a tributary of the Rio Grande, granted to Nicolas Bayreuther, assignee of E. L. & R. R. Ry. Co., containing approximately 609.6 acres of land, by virtue of Land Scrip No. 1528 issued by the Commissioner of the General Land Office May 6th, 1881, and also involved in said suit is 506.1 acres of land out of said

Survey No. 13, sold by W. A. Miers to Stella Keene by deed dated, February 19, 1951, recorded in Vol. 49, page 356 of the Deed Records of Sutton County, Texas.

The said W. A. Miers claims 103.6 acres in Survey 13 in fee simple, subject to an oil and gas lease in favor of Stanolind Oil & Gas Company, with a one-eighth royalty reserved to the said W. A. Miers. The said Stella Keene claims the 506.1 acres in fee simple subject to an oil and gas lease in favor of H. C. Saunders, with a one-eighth royalty reserved to said Stella Keene. The said H. C. Saunders and Bryan Hunt claim under said oil and gas lease jointly, with said royalty reserved as aforesaid. The plaintiffs plead the three, five, ten and twenty-five years statutes of limitation.

If this citation is not served within 90 days after date of its issuance, it shall be returned unused.

Witness F. L. McKinney, Clerk of the District Court of Sutton County, Texas.

Given under my hand and seal of said court at office in the City of Sonora, this 15 day of June, A. D. 1951.

F. L. McKinney

Where Have You Been all its Life ?

THIS ad is addressed to the fellow known as "the man on the street."

From that vantage point, you must have noticed that a lot of folks are driving 1951 Buicks.

You must have noted that you can spot one of these beauties—by its sparkling forefront—its gleaming fender ports—(three for the SPECIAL and SUPER, four for the ROADMASTER)—and by its fluent grace of lines and contours.

You've probably noticed, also, that these Buicks give a good account of themselves in traffic—ease to a gentle stop—get away to a nimble start when the light says, "Go."

You may even have noticed that these cars have a level-gaited stride that traces, as we've said before, to the fact that each wheel rides beneath its own coil spring.

But what we'd like to know is—when are you going to try one?

It's about time you climbed in the driver's seat.

It's about time that you sensed for yourself the thrill that comes from feeling your shoulders sink back in the cushions, when your toe gives the gas treadle a gentle nudge.

It's about time for you to be on the receiving end of those admiring glances which are the due of folks smart enough to pick the smart buy of the year.

What's holding you back? It can't be prices—for as you can quickly discover for yourself, you can own a SPECIAL for less than the price of some sixes—and SUPERS or ROADMASTERS are just as smart a buy in their fields.

So why not end the suspense? The welcome mat is out at our showrooms. We hope to greet you soon.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLOW DRIVE—saves strain on driver and car, cuts servicing costs
 - FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel
 - PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection
 - WHITE-GLOW INSTRUMENTS—assure greater clarity, especially at night
 - TORQUE-TUBE DRIVE—seals the chassis, steadies ride, improves driving control
 - 4-WHEEL COIL SPRINGING—cushions and levels the ride, saves servicing costs
 - DUAL VENTILATION—outside air fed separately to right or left of front compartment
 - SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum
 - DREAMLINE STYLING—lapered, car-length fenders, gleaming sweepers on most models
- Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

What's going on in Sonora . .

Mr. and Mrs. J. A. Ward, Jr., Burnett Hospital Tuesday. His condition is serious The road to the Hudspeth hospital was paved Saturday night in Spur Mr. and Mrs. S. H. Allison had Mr. and Mrs. Willie B. Whitehead as their guests last weekend. Vestrymen of St John's Episcopal Church bought the Ford Allen home last week at a reported price of \$15,000. The home will be used for a rectory and the old rectory will be offered for sale W. N. Biggs, father of L. O. Biggs, underwent an operation in the Mrs. Marion Elliott and sons,

Bill and Al are in Franklin visiting her parents, Mr. and Mrs. R. W. Cole Rusty Turney, quarter horse owned by Jack Turney, won first in the gelding division at the Del Rio Quarter Horse Show and Stanley Mayfield's Bo Sis won third in the yearling class Mrs. O. L. Carpenter had an unusual experience during the rain June 18. Coming toward Sonora from the Experiment Station, she was waiting for a draw to run down when an unloaded car transport came along and offered Mrs. Carpenter and car a ride across. She accepted, drove up the runway and was soon on the other side, The most conservative tourist in the U. S. paid Sonora a visit last week. As he rounded the corner by the new Ratliff Store, a bottle fell out of the car and shattered on the pavement. The tourist parked his car, got out and picked up every piece of the glass Mr. and Mrs. Billy Kring are moving back to Sonora from Monahans. Mrs. Kring and son are already here and he is expected next week The new elevator in the bank building is about ready for operation. It is the third elevator in Sonora. The first one was installed in the home of Mr. and Mrs. L. W. Elliott and the second was put in the Hudspeth Memorial Hospital Mrs. J. F. Howell and sons, John F. and Charlie, returned Wednesday from a week's visit in Perryton with her daughter and family, Mr. and Mrs. Jack M. Allen. They also visited Mr. and Mrs. P. C. Lightfoot in Sweetwater. Lightfoot is with the Veterans Administration there Lawrence Nichols and Harold Friess took Robert Guest and Turney Friess and 15 other Boy Scouts from neighboring districts on a 10-day hike into the mountains near Philmont, N. M. They will return about July 3 Guests of Mr. and Mrs. Earl Lomax this week were Mr. and Mrs. Gerald Mann, who flew down from Dallas; Judy Greer and Jo Nell Eperon of Rocksprings and Donald Roberts of Menard.

Defense is your job, too!

Searching our coastal waters for unidentified submarines, this Navy blimp pilot is constantly on the alert to protect American shores. His blimp carries the most effective airborne detection gear in the world, enabling him to pinpoint and track a target even when it is submerged. And he is doing a vitally important job in defense of America.

Defense is your job, too. And one of the best ways for you to do your part is by keeping yourself and your country economically strong. Buy U. S. Defense* Bonds now and regularly. Go to the pay office where you work and sign up for the Payroll Savings Plan or join the Bond-A-Month Plan where you bank. But don't put it off—do it today!

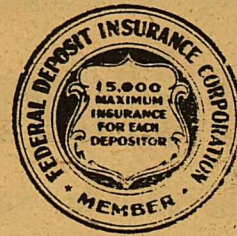

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not \$25—but as much as \$33.33—if you just hold it the extra ten years! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

***U. S. Savings Bonds are Defense Bonds Buy them regularly!**
