

Sonora Schools Open Thursday

Sonora schools will open Thursday morning with a complete faculty, E. A. Brodhead, superintendent of schools, announced this week. This year's faculty numbers thirty-six.

Staff activities begin Sunday evening with a supper for principals and members of the coaching staff at the Brodhead home.

Monday morning at 10 o'clock a general staff meeting will be held at the Elementary School cafeteria.

Monday evening at 7 o'clock the local unit of the Texas State Teachers Association will sponsor a barbecue at the Edgar Shurley ranch honoring members of the school staff and faculty and their families and members of the school board and their families.

Tuesday at noon male members of the faculty will be guests of the Sonora Lions Club.

ELLIOTT KINDERGARDEN
Brodhead also reported that there has been a request for a kindergarten at the Elliott School. If there is enough demand for a kindergarten, one will be organized. The school will furnish the room and work materials. Tuition fee will be \$7.50 per month.

BEGINNING STUDENTS
To enter a Sonora school this September, a child must have reached or will reach the age of six by November 1, 1953. To enter kindergarten, a child must have reached or will reach the age of five by November 1, 1953.

All students entering kindergarten or the first grade must bring their birth certificates.

VACCINATIONS
The Sonora schools do not have a regulation requiring smallpox vaccination before entering school, but all parents of children entering school are urged to have their children vaccinated, Brodhead said.

DRIVERS EDUCATION
The Sonora schools have a qualified teacher for a driver education course, but do not have a car. If a car is procured, the course can be set up.

ADVANCED TYPING
The schools have purchased six new typewriters for instruction purposes and will offer advanced students training in dictaphone and transcriber work.

Mr. and Mrs. J. S. Morgan had as their guests last weekend Mr. and Mrs. W. B. Morgan of Boyd, Virgil Morgan of Field Creek and Barry Bevins, a grandson, of Corpus Christi.

Mrs. H. R. Fields and daughters, Janet and Debbie, of Junction spent Monday here as the guests of her mother, Mrs. G. B. Rankhorn, and sister Miss Betty Rankhorn.

Mrs. Earl Duncan and daughter, Alice Lee, and mother, Mrs. Winnie West are on a two weeks vacation trip through the Yellowstone National Park, Wyo.

Mr. and Mrs. James Patton of Ballinger were the guests last Sunday of Mr. and Mrs. Curtis Nicholas.

Mr. and Mrs. Jim Perry had as their guests last weekend their sister Mrs. Ira Fuqua and brother Joe Hobbs and families of Brownwood.

Mr. and Mrs. Fred Nichols had as guests last weekend their daughter, Mrs. H. R. Allison, of Amarillo, and son, John Nichols of Eden and their families.

Man Hurt In Freak Auto Mishap Tuesday

Because he had presence of mind enough to plug a severed jugular vein with his finger, J. B. Coward, San Antonio 6th lease dealer, is alive today.

It happened late Tuesday night as Coward was driving toward Sonora enroute to California. About 20 miles east of here he spotted a cedar post dangling from the top of an approaching truck. Just before the vehicles met the post fell free and shot through Coward's windshield end first striking him of the left side of the neck and severing the anterior jugular.

Coward told Herman Moore, State Highway Patrol, he stuck his finger in the wound and stopped most of the bleeding. He managed to drive to the Castle Courts and J. Wray Cambell, owner, brought him to town for treatment.

Coward told Moore he was alone at the time of the accident. Afraid he would die from loss of blood, he wrote in blood on the side of his car, "I think it was a truck."

Coward left by plane Thursday for California.

Davis Rites Held Saturday In Del Rio

Mrs. Nettie Coalson Davis, 64, wife of Linn Davis, died Friday afternoon at her home in Del Rio after an illness of four months.

Funeral services were held Saturday at 5 o'clock in the Doran Chapel. Rev. E. M. Skinner, pastor of the First Baptist Church, officiated. Burial was made in the Masonic Cemetery under the direction of the Doran Funeral Home.

Mrs. Davis was born October 31, 1889, in Mason County, the daughter of Mr. and Mrs. C. M. Coalson. She was married to Linn Davis January 13, 1907, in McCullough County and the couple established their home in Val Verde County, ranching in the Loma Alta country.

Her husband, Linn Davis, her mother, Mrs. C. M. Coalson, of Brady, three daughters, two granddaughters, a brother and a sister survive. The daughters are Mrs. W. R. Whitehead, Mrs. Jack Lane, and Mrs. George Tomlinson of Loma Alta; the grandchildren are Miss Lou Emma Whitehead and Walter Linn Whitehead. The sister is Mrs. Louis Rhode of Brady and the brother is A. M. Coalson of Brady.

Pallbearers were Husie Miers, Sam McBe, Lloyd Carter, C. W. Wardlaw, Horace Wawcett, Feliz Harrison, Dee Harrison and L. D. Whitehead.

Lawrence Pyka spent last Friday, Saturday and Sunday in Fredericksburg with his relatives and attended the Gillespie County Fair.

Mr. and Mrs. George Barrow and son, George Allen, left for Corpus Christi Thursday where they will visit their daughter and son-in-law, Mr. and Mrs. Jerrel Hardesty and son, Danny.

The faculty of the high school features four new members.

Dan Blocker of Alpine is a graduate of Sul Ross College and will teach speech and English.

Miss Elaine Chapman of Ozona is a graduate of Sul Ross College and will teach commercial science and assist in the main office.

Miss Dorothea Caskey, Waco, will teach science. She is a Baylor University graduate.

S. G. Mayfield of Austin will teach math and science. He is a retired U. S. Navy officer, graduate of the U. S. Naval Academy and the University of Texas.

Other members of the high school faculty are Norman S. Davis, principal, W. D. Bradley, Jr., Mrs. W. H. Dameron, Miss Dudley Hambright, John W. Kenner, Miss Anne Palmer, Miss Jewel Pye, Joe H. Turner, and Oliver W. Wuest, Mrs. O. L. Carpenter is secretary.

Rex W. Lowe has been appointed supervising principal of elementary schools, and Robert E. King will be principal of Central Elementary School.

Members of the faculty at Central are Mrs. Buford Adams, Mrs. Antrey Bridges, Mrs. W. D. Bradley, Jr., Miss Emma Hamilton, Miss Virginia Lewis, Mrs. Rex W. Lowe, Mrs. A. E. Newton, Mrs. E. D. Shurley, Mrs. Ruth White, and Mrs. Emerald Smith. Mrs. Smith, the only newcomer on the staff, is from Greenville and took her degree from East Texas State Teachers College at Commerce.

Carl W. Jones will return as principal of the Elliott School. Members of the staff there are Buford Adams, Mrs. Morgan Davis of Rocksprings, Jack Fry, Mrs. Ruth Kirkland, Mrs. Bill McGilvray, Mrs. Andrew Moore, Miss Jane Neill, Miss Vera Stewart, Mrs. Wesley Sykes and Mrs. Betty Ruth Samuels.

Both Mrs. Moore and Miss Neill are Sonorans. Mrs. Moore took her degree from North State at Denton, and Miss Neill is a graduate of the University of Texas. Teacher at the Negro School will be Mrs. Fannie Mae Barnes, San Angelo, a graduate of Wiley College and Prairie View Normal.

GETS MASTER'S DEGREE

Carl W. Jones, principal of the L. W. Elliott School, will receive his master of science degree tonight in ceremonies at East Texas State Teachers College, Commerce.

Drouth Study Shows Rainfall Short Two Years In Five In West Texas

Weather conditions must be taken into account when range management plans are being made and grazing should be a sustained yield basis. According to A. H. Walker, range specialist for the Texas Agricultural Extension Service, a study of rainfall records and range conditions over most any 10 average year period will show drouth conditions a rather common occurrence.

Recent studies, he says, show that rainfall is short one year in five in the eastern section of the state and two out of five in the western part. In the range country in 10 average years, one year can be expected to be almost a complete drouth; two years will have very low rainfall and the other seven years will be near average or above.

Grazing the range on a sustained yield basis, explains Walker, means leaving enough seed and plant residue on the land during the good years to furnish forage for livestock without extra forage feeding during the bad years. Normally, he adds, grass producers from 50 to 70 percent more growth than it needs to survive. This amount of forage can be grazed with the remaining 30 to 50 percent left to insure seed production and a reserve food supply for the plant itself. Generally, it is best to graze only about half of the forage production, says the specialist.

To back up the value of this range grazing practice, Walker cites a six year study made on the Spur Experiment Station. Yearling steers were grazed on 12 native grass pastures. On six of the pastures 71 steers were allowed to remove 51 percent of the grass by grazing. On the other six pastures 108 steers utilized 76 percent of the grass. During the 146 day grazing period the 71 steers gained 10,508 pounds as against 10,044 pounds for the 108 steers. When steers were graded 58 percent of the 71 graded good or better compared with 3 percent for the 108 which had grazed off 76 percent of the available grass.

The six properly used pastures stocked with 37 fewer steers—actually produced more beef and the steers sold for more money because of their higher quality. But more important, says Walker, was the fact that the properly used pastures were left in much better condition.

Beginning in 1941, a five year deferred grazing plan was started at the Sonora Station. Three pastures on the Station were not grazed from May to September of each year during the test period. A summary of the test shows that sum-

FORTY-NINTH WEEK

Midland Firm To Drill Wildcat On Sam Allison Ranch

The British American Oil Producing Co., of Midland has filed application to drill a 6,800-foot rotary wildcat, its 1 Sam Allison, 14 miles southeast of Sonora in Sutton County.

Operations on the prospector will begin August 30. Estimated elevation is 2,295 feet.

Location, on a 640-acre tract, is 1,650 feet from the south and 2,310 feet from the east lines of 7-B-HE&WT.

The prospector is 1.1-8 miles northeast of No. 2 Bryan Hunt, a 7,000-foot Ellenburger wildcat, which was drilling below 5,578 feet in lime at the latest report.

It was 1 1/4 miles northwest of Norsworthy 2 Shannon Clarkson, plugged and abandoned January 6 at 6,886 feet on elevation of 2,277 feet. Operator reported no tops and no shows.

It is also 3 1/2-8 miles east of Norsworthy 1 Fields, plugged and abandoned April 12 at 6,182 feet on elevation of 2,306 feet. No shows and no tops were reported.

HEFLIN SERVICES THURSDAY

Graveside services were held Thursday in San Angelo for Jim Hefflin, brother of Lum Hefflin and Mrs. O. E. Merriam of Sonora. He died in Fort Stockton last Tuesday.

Hefflin was born in McCulloch County and raised in Sonora. He moved to Fort Stockton in 1946.

He is also survived by his wife, five daughters and four sons.

Betty Jane Moore of Granbury was the guest last week of her aunt and uncle, Mr. and Mrs. Herman Moore, and sons.

Mr. and Mrs. Harold Friess and sons are in Dallas this week where Joe will receive medical treatment.

Miss Doris Davidson of Houston spent several days last week as the guest of Miss Jane Neill.

HIGH SCHOOL STUDENTS TO REGISTER TODAY

Registration for 11th and 12th grade high school students will be held this morning at the high school. Registration for ninth and tenth grade students will be held this afternoon, and all new students entering high school will register tomorrow. Norman S. Davis, high school principal, announced this week. Eighth grade students report to Room 10, high school building, Thursday morning at 8:45 o'clock.

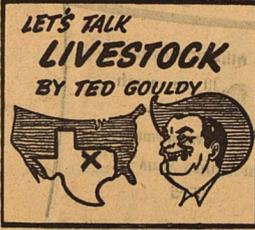

Wallace Well Finals At 86 Barrel Flow

A Sutton County Strawn reef lime discovery, Ashland Oil & Refining Company et al 1 W. D. Wallace, 67-14-TW&NG, 17 miles southeast of Sonora, has been completed for a daily flowing potential of 86.72 barrels of 33 gravity oil plus 11 percent basic sediment and water.

Gas-oil ratio was 3,200-1. Production was through a 20-64-inch choke and perforations between 5,006-26 feet.

The Strawn was topped at 5,000 feet on derrick floor elevation of 2,290 feet.

The project drilled to total depth of 6,650 feet in the Ellenburger, where salt water was logged.

Fort Worth—Corn Belt observers, according to an article compiled by Homer Hush in Wallace's Farmer this month, seem to be coming around to the view that June was the "low" time for cattle. This thrusts into the discard the idea that was prevalent in those parts that late Fall would be the better buying time for feeders.

Corn Belt observers, Hush reports, also that rains in the drouth areas will "strengthen the hands" of the cattle growers. Yep! There's no argument there.

In fact, on the basis of Monday's cattle trade, it looks like the stocker and feeder buyers were unlimbering and more orders were on hand than was the case for the past couple of weeks. At Fort Worth Monday here was the biggest cattle and calf run since July—about 8,500 head. Twelve markets had 139,000 cattle and calves.

Despite this big offering, stockers and feeders sold strong to unevenly higher at Fort Worth. Some of the just fairly good kinds, that had to sell for slaughter a week ago, sold well to stocker buyers, a decided improvement.

Slaughter steers and yearlings were steady to weak. Slaughter calves ruled firm. Cows were steady to 50 cents lower, and the larger portion sold steady. Some buyers tried to buy cows sharply lower by 50 cents to \$1 per hundred and complained that cows here were higher, grade for grade, than at other major markets.

Salesmen successfully resisted these bearish offers. Bulls closed 50 cents lower.

Good and choice fed steers and yearlings drew \$18 to \$21.50 and choice to prime drylot cattle are quotable dollars above that range. Common and medium butcher stuff sold from \$11 to \$17; with ratty yearlings from \$8 to \$10.

Fat cows drew \$9.50 to \$12.50; canners and cutters sold from \$6.5 to \$9.50. Some straight barreled western or Brahman type cutters are quotable over \$9.50. Bulls sold from \$8 to \$12.50.

Good and choice fat calves cleared at \$14 to \$18; and common and medium butcher sorts sold from \$10 to \$13, with culls from \$7 to \$9.

Good and choice stocker steer calves drew \$14 to \$18.50 with stocker steer yearlings from \$16.50 downward. Stocker steers drew \$17 down. Stocker cows changed hands at \$8 to \$14.

Hogs were 25 cents lower and topped at \$25.75 to \$26 at Fort Worth. Sows drew \$19 to \$22.

Sheep and lambs drew generally steady prices. Medium, good and choice fat lambs sold for \$17 to \$21, and fancy fat lambs of the right weights in load lots were quotable higher. Cull lambs sold down around \$12.

Stocker and feeder lambs drew \$12 to \$15. Fat yearlings drew \$14 to \$17 and old wethers sold from \$7 to \$10. Slaughter ewes cashed at \$5 to \$6.50. Solid-mouthed breed-

Coach Joe Turner and his 1953 Broncos, potentially one of the strongest teams ever fielded here, will take the field Tuesday for a heavy session of workouts designed to put the boys in top shape for their opener with the Reagan Owls September 18, in Big Lake. The following week the Turnermen play the Iraan Braves in Iraan, then return to Sonora for their first home game October 2 against the Menard Yellowjackets.

Turner and his assistants, Oliver Wuest, Jack Fry and John Kenner, admit that Sonora will be strong this year.

"But," Turner says, "All District 6-A teams will be stronger this year, particularly Junction, last year's district winner. Junction has probably the largest team in the

PHYSICAL EXAMS

All boys reporting for football practice Tuesday, September 1, must pass a physical examination first. Office of both local physicians will be open at 2 o'clock Sunday afternoon to give these examinations.

All boys trying out for the football team will meet Monday afternoon at 1:30 o'clock for a get-acquainted meeting, Coach Joe Turner announced.

district, closely followed by Menard with a wealth of material consisting of a big forward wall of three-year veterans."

"Larry Wilkins' Ozona Lions still have Carlitz around to operate their spread and cannot be taken lightly. Eden lost little in the way of players via graduation. Eldorado, whose spring practice was cut short due to their coach being recalled to the service, is an unknown quantity, but they have plenty of big boys," the coach concluded.

At present there are 31 boys out but this may be increased two or three when practice starts.

Local Small Claims Court Now In Effect

Among many other Acts passed by the last legislature, House Bill No. 495 was passed, creating a Small Claims Court. Under this bill a Small Claims Court was created in each county, with the Justice of the Peace sitting as judge of said court.

The Small Claims Court shall have jurisdiction in all actions for the recovery of money, where the amount does not exceed \$50.00, except when the claim is for wages or salary earned or work or labor performed, the amount shall be \$100.00.

Commencement of action is done by the claimant filing a sworn affidavit of his claim before the Judge of the Small Claims Court; there are no formal pleadings other than the affidavit. The judge shall hold an informal hearing with the sole objective of dispensing speedy justice between the parties.

This act does not expressly dispense with the necessity of the services of an attorney, but the provisions of this act do make it unnecessary for any claimant in the small claims court to have the services of an attorney.

Congratulations To These NEW PARENTS

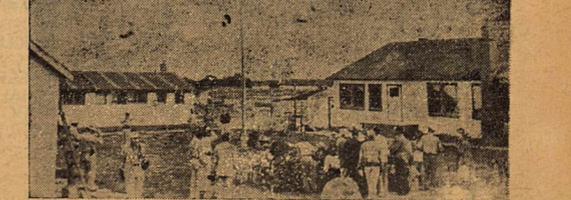

Mr. and Mrs. J. L. Thompson are parents of a daughter, Jeanette Rae, born Wednesday at Hudspeth Memorial Hospital. The baby weighed seven pounds, three ounces.

Grandparents are Mr. and Mrs. Tom Wall and Mrs. Nelly Thompson of Luling.

Franklin Neeley, 6, son of Mr. and Mrs. Leon Neeley, has returned from San Angelo where he underwent an eye operation. His condition is reported as satisfactory.

W. A. McCoy is recovering from an emergency appendectomy performed here this week.

TEXAS FFA AWARD WINNER

Fred Reed, national vice president of the Future Farmers of America, congratulates J. P. Cowley, vice president and general manager of the Santa Fe Railway, who received the degree of Honorary Lone Star Farmer at the recent annual convention of the Texas FFA Association at Fort Worth. Cowley was awarded the degree for the Santa Fe Railway's activity in supporting the FFA program.

Your Health

"Texas health officials are making every effort to improve the sanitary conditions of public eating places, and in addition schools are conducted to instruct foodhandlers. Moreover there are laws, rules and regulations requiring the use of approved equipment and methods in such establishments. Nevertheless, one of the most forceful influences for sanitation is not being used and this is the public's unfavorable reaction toward dirty and insanitary places," states Dr. Geo. W. Cox, State Health Officer.

"The public cannot do the job entirely, nor can health department bring about desirable and essential practices without the help of the public. As for hygienic practices, persons serving food and drink should be clean; should not cough and sneeze over the utensils and material served; should keep their hands away from their mouth and nose, hair and face; should handle all utensils by the outside instead of putting their fingers on the inside of service utensils. These are conditions a person can see, and unless these safeguards are practiced, disease may result."

Also, milk served can be appraised by the patron. Texas law requires that a milk bottle cap state grade of milk and whether it is raw or pasteurized. However, if milk is brought to patron in a glass, he cannot know whether it is from a graded supply or whether it is raw or pasteurized, but if served properly in its original container, with covered cap and legal label, the patron can secure from the label the information he should have before ever being willing to drink strange milk.

The patron should note sanitation conditions in food establishments. Are the floors, walls, ceiling clean? Are table and counters clean? Are pie and other ready-to-serve foods protected from dust dirt, and flies? Are flies prevalent?

"Be assured that what can be seen as a patron at the table or counter usually will be many times better, cleaner, and safer than conditions in the kitchen and other places out of sight of the patron," Dr. Cox warns.

MRS. DURL WRIGHT FETED WITH SURPRISE SHOWER

Mrs. E. L. Harris honored her sister-in-law, Mrs. Durl Wright, with a surprise shower Friday afternoon at her home.

A sandwich plate, cookies, brownies and punch were served to twelve guests.

Mr. and Mrs. Wright were married July 26, in Villa Acuna, Mexico, at the Catholic priest's home. Mrs. Wright was the former Miss Patsy Monk, daughter of Mr. and Mrs. T. R. Monk of Odessa and Wright is the son of Leonard Wright and Mrs. Harvey Kelley of Del Rio.

Mr. and Mrs. Boyd Lovelace accompanied their daughter and son-in-law, Mr. and Mrs. Joseph D. Seale to Waurika, Okla., where they plan to visit his mother, Mrs. Grace Seale. Saturday they will fly to Chester, Penn., where Seale is stationed with the Armed Forces.

THE TREATMENT FOR POLIO ORIGINATED BY THIS COURAGEOUS AUSTRALIAN NURSE OFFERS VICTIMS OF THE DISEASE THEIR BEST CHANCE FOR RECOVERY.

THE EFFECT OF THIS TREATMENT HAS BEEN TO REDUCE TO A MINIMUM THE CRIPPLING AFTER-EFFECTS OF POLIO.

WHAT TO DO DURING POLIO OUTBREAKS

- EXERCISE NORMAL PRECAUTIONS AGAINST EXPOSURE TO COMMUNICABLE DISEASE.
- AVOID COMING INTO CONTACT WITH NEW GROUPS OF PEOPLE... SWIMMING IN POLLUTED WATER... OVER-FATIGUE.
- CLEANLINESS OF EVERYTHING TAKEN INTO THE MOUTH MUST BE CAREFULLY GUARDED.

WHERE IS KENNY TREATMENT AVAILABLE?

FULL KENNY TREATMENT IS AVAILABLE AT KENNY TREATMENT CENTERS ACROSS THE COUNTRY. EACH CENTER IS STAFFED BY GRADUATE KENNY THERAPISTS AND DOCTORS THOROUGHLY FAMILIAR WITH THE KENNY CONCEPT OF POLIO.

THE KENNY TREATMENT INCLUDES...

POLIO SYMPTOMS

HEADACHE... USUALLY SEVERE AND GENERALIZED.

MODERATE FEVER SELDOM RISING OVER 103°.

STIFF NECK, STIFF BACK, PAINFUL EXTREMITIES, MUSCLE WEAKNESS.

THESE AND OTHER SYMPTOMS USUALLY ABATE AFTER ABOUT 24 HOURS, RECURRING WITHIN 2 OR 3 DAYS.

EARLY APPLICATION OF FULL KENNY TREATMENT IS IMPORTANT IN PREVENTING POLIO CRIPPLING!

CALL YOUR DOCTOR AT ONCE IF THESE SYMPTOMS ARE OBSERVED!

OBEY TRAFFIC LAWS FOR SAFETY

With the Labor Day weekend and the usual series of football weekends just around the corner, the thoughts of many Texans are turning toward traffic safety. There can be no doubt but that a better acquaintance among drivers with the "rules of the road" and other traffic safety regulations could greatly reduce the death toll of our highways.

To obtain correct and authoritative information about driving is a simple matter. A letter or postcard to the Department of Public Safety, Driver's License Division, Austin, Texas, will bring an official publication, the "Texas Driving Handbook", to anyone who requests it.

Aside from considerations of personal safety, proper driving habits and observance of traffic laws will help prevent financial loss. This is true in spite of the fact that most people now carry liability insurance as a protection under the Texas "Drivers Responsibility Act." Jury verdicts in personal injury cases tend to go higher and higher, and the likelihood of suffering an adverse judgment for an amount in excess of the limits of your liability policy is ever present.

Fault, or liability, is determined by applying the law to the particular facts of an accident. In Texas the law is in several forms—the statutes as enacted by the Legislature, the ordinances of each city and town, and the court decisions in cases similar to the one to be decided.

A negligent or intentional act is necessary in order to impose legal liability for damages. Where both parties to an accident are negli-

SPOT LIGHTS

"Better an open enemy than a false friend."

"The only way to have a friend, the court will very likely say that both are at fault, and that each must pay for his own damages."

Two of the most important legal rules pertaining to accidents are those having to do with "proper look-out" and "proper control". Driving in a lawful manner and complying with all ordinary traffic rules is not always sufficient. In addition, the driver is expected by law to be alert to all that is happening around him.

If an accident should occur and the driver has not been alert—has failed to keep a proper look-out—he may be charged with "improper look-out" as a traffic violation and also held liable in damages to the other driver. The courts call a "proper look-out" such as look-out as a reasonable prudent driver would have kept under the same circumstances.

Of equal importance is the rule of "proper control". This rule means pretty much what those words imply—that the driver should have his car under such degree of control as to be ready for any emergencies as might arise. It may be breached even though no violation of ordinary traffic laws is involved.

For instance, a driver may be complying with the legal speed limit but still be driving at a rate of speed which is unsafe under the existing circumstances.

Even though legal speed limits are expressed in terms of a certain number of miles per hour, conditions may arise which prevent the driver from maintaining "proper control" of his automobile at that speed. On a rainy day on a slick street or highway, or in heavy traffic, the reasonably prudent driver will know that he should reduce his speed considerably below the legal maximum.

This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.

is to be one."

A patched-up friendship is an unhealed wound."
"No friend's a friend till he shall prove a friend."
"When Zeno was asked what a friend was he replied, "Another T."

No man is the whole of himself; his friends are the rest of him."

"A friend ought to be like the blood, which runs quickly to the wound without waiting to be called."

"A man ought to be the same to his friend that he would be to himself. For his friend is himself in another person."

"Those who have loved longest love best. A friend may be often

COMIC CHARACTERS ASK SUPPORT FOR 1953 KENNY FUND APPEAL

Minneapolis, Minn. — Author-producers of some of the best-known comic strips, appearing in Warner Bros. Cartoons, Inc., and the nation's leading newspapers, for several years have contributed their time and efforts in support of the annual Sister Elizabeth Kenny Foundation polio fund appeals.

Familiar comic-strip characters who this year are urging generous contributions to the Sister Elizabeth Kenny Foundation include The Nebbys by Hess, Donald Duck by Walt Disney, Bugs Bunny by Warner Bros. Cartoons, Inc., and Steve Canyon by Milton Caniff.

"These nationally-known comic strip artists are helping to insure that the polio-combating program of the late Sister Elizabeth Kenny will be continued and, where possible, expanded," Marvin L. Kline, Sister Elizabeth Kenny Foundation national executive director, said.

Mrs. Albert Erhard Beckmann

Miss Anne Marie Karnes Bride Of Albert Erhard Beckmann Saturday

In a double-ring ceremony solemnized at noon on Saturday at the First Methodist Church, San Angelo, Miss Anne Marie Karnes became the bride of Albert Erhard Beckmann.

The bride is the daughter of Mr. and Mrs. William Houston Karnes of Sonora and San Angelo. She is a granddaughter of Mrs. Will F. Drake, Sr., of San Angelo and the late Mr. Drake. The bridegroom is the son of Mrs. Albert E. Beckmann of Brownwood, formerly of Charlotte and San Antonio and the late Mr. Beckmann.

The ceremony was performed by the Rev. Fred Hamner, assistant pastor. A white and green theme was used throughout the church. The altar featured a low bowl holding white gladioli and asters flanked by white candles. Tapers in eight seven-branched candelabras entwined with palm leaves, and baskets of gladioli and asters completed the scene. A white satin-covered kneeling bench and white aisle cloth were used.

The bride was given in marriage by her father. The bodice of her gown was of French Chantilly lace. Sequin trim was featured on the peplum and at the neckline. Long glove sleeves enhanced the bodice. The skirt of duchess satin was designed with unpressed pleats and extended into a shallow train of traditional length. Her cap of Chantilly lace was caught to a short, flared veil of tulle.

She carried a white prayer book topped with a white orchid showered with stephanotis.

Miss Betty Drennan of Sonora was maid of honor. Her waltz-length gown was of imported blue Swiss taffeta. The draped bodice was designed with a picture frame neckline. The full skirt featured insets of pale blue taffeta and a draped effect at the hemline. Her blue cap of horsehair braid was trimmed with light blue ribbon. She carried a cascade bouquet of pink carnations and pink roses.

Lois Jane Nobles of Midland, cousin of the bride, was flower girl. Her gown of Alice blue polished cotton was designed with a basque bodice and bouffant skirt. She wore a matching headband of Alice blue satin and carried a white basket holding ping sweet heart roses.

Candlelighters were Bill and Dick Karnes, twin brothers of the bride. Charles Gordon Jones of San Antonio was best man. Phillip Drake of San Angelo, Thomas B. Thorp and Raymond Morgan of Sonora, cousins of the bride, and Phillip Thomason of Montgomery, Alabama, were ushers.

Mrs. A. W. McMillan, organist, presented traditional wedding music and accompanied Miss Gay Glanks as she sang "Because" and "The Lord's Prayer."

A reception was held in the Green Room of the St. Angelus Hotel. The table was centered with

an arrangement of white carnations, asters and pom pom chrysanthemums flanked by tapers in silver holders. Baskets of the same flowers were used throughout the room.

Mrs. Neal Sanders, aunt of the bride, presided at the cake. Alternating at the punch service were Mrs. Minda Jones and Mrs. Lawrence Hurst of San Antonio, aunts of the bridegroom. Mrs. Lelia Drake, cousin of the bride, registered guests.

Other in the house party were Mrs. Adolf Beckmann and Mrs. Kurt Beckmann of San Antonio, Mrs. Harriett Ming of Richland Springs, aunts of the bridegroom. Miss Alice Karnes, aunt of the bride, Miss Flora Dell Davis, Jaynie Kiser and Nancy Neill, all of Sonora; and Mrs. Lindsay Hicks of Ozona, aunt of the bride.

When the couple left for a week's wedding trip to East Texas, the bride was wearing a dressmaker suit of twilight blue sheer wool. The jacket was designed with a high closed neckline and a velvet collar. The skirt was slim. She wore matching accessories and a white orchid corsage.

The couple will live in Centerville where the bridegroom is employed with Humble Oil and Refining Corp.

Mrs. Beckmann is a graduate of Sonora High School and attended Stephens College in Columbia, Mo., and San Angelo College. At Stephens, she was a member of the Stephens Independent Association. The bridegroom is a graduate of Texas Military Institute in San Antonio and attended Southern Methodist University two years and Sul Ross College a year.

Attending the wedding from out of town were Mrs. Albert E. Beckmann of Brownwood, Mr. and Mrs. Laurence Hurst, Mr. and Mrs. Werner Beckmann, Mr. and Mrs. Kurt Beckmann, Mr. and Mrs. Adolf Beckmann, all of San Antonio; Mrs. Harriett Ming, Mrs. Bill Kennedy, and Harold Dean Kennedy, all of Richland Springs; Miss Alice Karnes, Mr. and Mrs. Thomas B. Thorp, Mr. and Mrs. Raymond Morgan, Mrs. Fred Simmons, Miss Nan Karnes, Mr. and Mrs. Vernon Marion, all of Sonora. Other guests were from San Antonio, El Paso, Midland, Sonora, Ozona, and Junction.

MISS WORD HOSTESS TO BIRTHDAY CLUB TUESDAY

Miss Nettie Word was hostess to the Birthday Club Tuesday afternoon at the home of Mrs. J. H. Brasher.

Mrs. Nellie Allen won high score and Mrs. G. G. Bennett won consolation.

Cold drinks were served to Mmes. Robert Rees, Nellie Allen, Wesley Granger, G. G. Bennett, J. H. Brasher, Louin Martin and B. C. McGilvray.

MISS TURK MARRIED TO H. T. ESPY SATURDAY

In a ceremony performed Saturday afternoon by the Reverend W. H. Marshall at the First Methodist Church, Miss Ruth Turk was married to H. T. Espy, son of Mrs. Thomas Espy and the late Mr. Espy.

The daughter of Mr. and Mrs. L. J. Turk of Mansfield, Ohio, Mrs. Espy is a graduate of the Mount Carmel School of Nursing at Columbus, Ohio, and was formerly a member of the nursing staff at the Clinic Hospital, San Angelo.

The couple was attended by Mr. and Mrs. Alton Hightower.

For her wedding Mrs. Espy chose a knit suit of dusty rose with brown accessories and a white orchid corsage.

Mrs. Hightower wore a burgundy suit with black accessories and a pink carnation corsage.

After a trip to Ruidosa the couple is at home at the Espy ranch.

MRS. GREENHILL HONORS DAUGHTER WITH PARTY

Mrs. Henry Greenhill honored her daughter, Mary Lena, on her second birthday with a lawn party at her home Monday afternoon.

Small horns were given as favors. The children played at tables with toys.

Chicken sandwiches, potato chips, birthday cake, ice-cream and lemonade were served to Kathy Rogge, Kara Lynn Rogge, Sharon Logan, David Archer, Robert Louis Rogge, Kay Frances Archer, Susan Prugel, John Derebery, Mmes. Sid Rogge, Joe B. Logan, Francis Archer, A. E. Prugel and Jean Derebery.

MRS. VENTERS ENTERTAINS FRIDAY MORNING

Mrs. John Venters was hostess at a Coke party Friday morning from 10 to 11 o'clock at her home.

The table was covered with a hunter green cloth and centered with a cabbage shaped in a re-seate effect covered with colored toothpicks topped with olives, small pickles, cherries and small pickled onions.

Various shaped open-faced sandwiches, cake, coffee and Cokes were served to wives and children of the Humble Seismograph Crew and friends.

Mrs. Venters was assisted by Mrs. Gene Henderson and Mrs. John Wesley Joy.

Mr. and Mrs. W. B. McMillan and son, Dick, were in San Antonio last weekend.

JUST US CLUB MEETS AT ED MAYFIELD HOME

The Just Us Club met Monday at the home of Mrs. Ed Mayfield. Mrs. Sim Glassecock won high score, Mrs. A. C. Elliott low, Mrs. Ella Wallace won high guest and Mrs. C. W. Taylor won low guest. Mrs. Nancy B. Wilson won bingo.

A sandwich, a salad and iced-tea were served to three table of members and three table of guests.

Try your sporting goods dealer first. G. E. Ellis.

MRS. GLASSCOCK INITIATED INTO EASTERN STAR ORDER

Mrs. Travis E. Glassecock was initiated into the Order of the Eastern Star Sonora Chapter last Tuesday at the Masonic Hall at a Rob Morris Day program.

Mrs. James Wilson, worthy matron, presided. Other officers taking part on the program were Mmes. Glen Green, Joe Hull, L. E. Johnson, Sr., Edgar Glassecock, Dave Locklin, Carl Cahill and Francis Archer.

Mrs. Alfred Schwiening, Jr., presented musical selections.

Mmes. R. C. Vicars, L. E. Johnson, Sr., and Dave Locklin were hostesses. Mrs. Edgar Glassecock and Mrs. N. J. Moore had charge of decorations.

Plans were made for a covered dish supper next Monday night for members and their families at the home of Mrs. Dave Locklin in honor of the birthday of Rob Morris, founder of the organization. Committee in charge of arrangements for the supper include Mmes. O. G. Babcock, Gene Lightfoot of Junction and Dave Locklin.

ATTEND CONFERENCE

Mrs. A. E. Newton, Mrs. S. M. Loeffler and Mrs. Lloyd McMullen attended the Wesleyan Service Guild Conference held in Kerrville at Mount Wesley August 21 through 23.

Outstanding speakers were Dr. Eugene Smith and Miss Ruth Harris, both from the Division Headquarters in New York City.

You can reach a Star

Is it a matter of dollars that keeps you from stepping up to something better?

Come, discover a new peak of motoring pleasure at a price that never leaves the ground.

Yes, this big-power-packed Buick SPECIAL Convertible is yours to enjoy for scarcely more than the Convertibles of "the low-priced three."

And what a joyous carload of thrills that little extra provides.

Here you get a Fireball 8 Engine with the highest horsepower and

compression ratio a Buick SPECIAL ever commanded.

Here you get the big car lift and luxury of Buick's Million Dollar Ride—gentled to lullaby softness by coil springing on all four wheels.

And here are all the other unique and wonderful things that make a Buick SPECIAL such a special Buick. The casual comfort. The suave styling. The neat and knowing craftsmanship that marks every inch of the structure.

Here, too, if you want them, are Twin-Turbine Dynaflo* to give you new, smooth and silent get-

aways—and Power Steering* to guide your going with finger-tip ease.

So why not try it yourself, this dazzling beauty that gives so much and asks so little. Check it for price, test it for performance, compare it for value. How about dropping in this week?

*Standard on Roadmaster, optional at extra cost on other Series.

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - The son of a friend of mine was killed in an automobile

accident on his way to report to his draft board. Would he be covered by the free automatic indemnity paid to survivors of Korean servicemen?
A - No. Indemnity coverage of selectees is limited to those who

died as a result of disabilities incurred while en route from the draft board to the induction station, or who die within 120 days after the incurrence of such disabilities. The coverage does not extend to travel to the draft board.

Q - I'm planning to sell the house I bought with a GI loan. What can I do to make sure I won't be liable, in case the person who buys the house fails to make his payments?
A - Generally, you should see

to it that the GI loan is repaid in full at the time of the sale. In that way, you will be released from all personal liability. Consult your lender or your VA office for full details.

Q - I am receiving a VA disability pension. I have just sold my house, but at a price less than what I paid for it. Must I figure the proceeds as income for pension purposes?
A - No. So long as the house was sold at less than the purchase price, no part of the proceeds of the sale need be considered as income.

Q - I'm drawing compensation for a service-connected disability I received in Korea. I was on active duty for two years. Am I automatically entitled to vocational rehabilitation training at Government expense?
A - Not necessarily. One requirement of the law is that you must need the training to overcome the handicap of your disability.

MOURNING DOVE—WHITE-WINGED DOVE OPEN SEASONS 1953

MOURNING DOVES

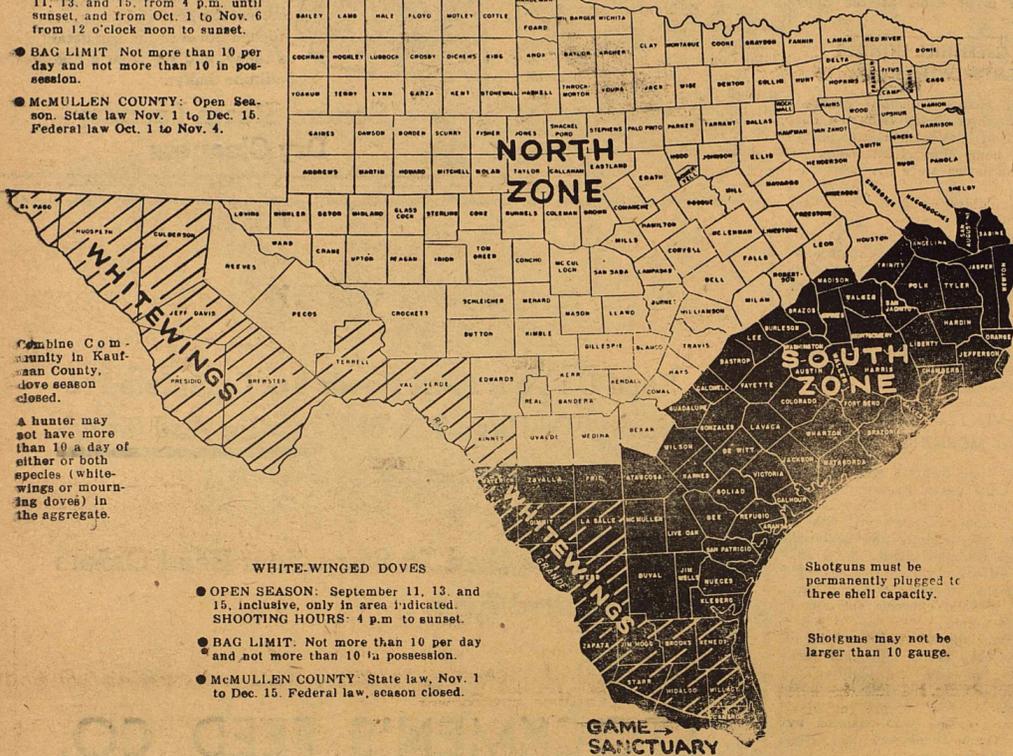

- OPEN SEASON - NORTH ZONE: Sept. 1 to Oct. 10, both days, inclusive. Shooting hours, 12 o'clock noon to sunset.

Elliott Brothers Co.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in Chevrolet's field - the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response - right now! Chevrolet's improved brakes are the largest in the low-price field.

I was ahead in every way after this demonstration!

I figured on paying about \$200 more for a new car . . . until I discovered all that Chevrolet offered me.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide®. A lot finer performance on a

lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

And it's the lowest-priced line

A demonstration will show you

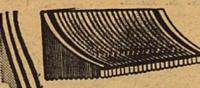

that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Soil Conservation District News

Prepared by Local SCS Personnel
News of Edwards Plateau Soil Conservation District

Fort Worth, August 20—The Soil Conservation Service today reported greatly improving soil moisture conditions in some drought ridden areas of Texas with markedly lessened prospects of widespread wind erosion damage in the coming winter and spring months although general rains are still needed before the extreme drought is relieved.
The improved moisture in 43 counties in western Texas has touched off one of the most determined efforts to produce soil cover in recent years, says Regional Director Louis P. Merrill of SCS.
Hundreds of thousands of acres in the Rolling Plains, the South Plains and the rain-blessed Panhandle sections of Texas already have gone into grain sorghums, sweet sorghums, sudan grass and

other cover producing crops, SCS field men have reported to Merrill. Most of the plantings are up to good stands, and with a good rain or two would make needed cover or even a crop of grain barring early frost. In the Panhandle of Texas and the northwestern Oklahoma sizable areas have accumulated moisture for wheat planting next fall but too many farmers are turning under an effective stubble mulch before sufficient moisture has been trapped to sustain a stand of wheat.
Eighty-six counties in the less fortunate areas of southwestern and southern Texas still have received no effective moisture or not enough to relieve the record drought conditions.
Range grasses are growing rapidly in areas which have received moisture in the last five weeks, Merrill reported. Returning from a trip into the High Plains and Rolling Plains this week Merrill observed that on short range in poor to fair condition there is the temptation to keep too many stock where numbers have not been materially reduced as in the Panhandle counties.

Where numbers have been reduced there may be a tendency to re-stock. He says it should be remembered that grass gets about 95 per cent of its food and energy from the air and sun, 5 per cent from the soil. The leaves must feed the roots. The food reserve of living plants in drought areas has been exhausted and most of the needed vigor must come from new growth. The amount of growth required about equals what can be expected between now and frost. The rancher who waits until late spring to re-stock and who saves a feed bill this winter will be ahead of the one who doesn't. Heavy range use now is like putting a sick man to work.

41 Years Ago

Mr. and Mrs. Trescott were in Sonora Friday shopping. Mr. Trescott is ranging his goats on the Jas. Cauthorn ranch.

J. Emmet Allison, manager of the D. K. McMullen ranch left on Wednesday for Rudd to bring his family home.

Miss Pearl Parkerson returned Monday from Galveston.

Tom Pulliam of San Angelo was in Sonora this week looking for cattle to buy.

Gerome Shields of San Angelo was a business visitor in Sonora this week.
Mrs. Rogers of Miles, grandmother of Dr. H. R. Wardlaw is in Sonora on a visit.
A. H. Darnell of San Angelo is in Sonora representing the San Antonio Life Insurance Co.
Marvin Alley, mail carrying contractor from Sonora to Owenville reported Sunday that a good rain had fallen all the way from Owenville to Sonora.
Mr. and Mrs. J. L. Tarver and children returned Monday from Del Rio where they have been visiting Mrs. Walton, mother of Mrs. Tarver.

there's more 'go' in every gallon

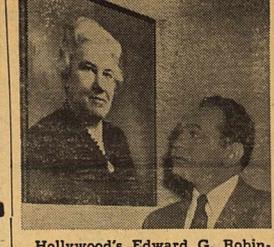

... But don't take our word for it. Try Mobilgas and see. Since one out of every three dollars you spend on your car goes for gasoline, mileage economy is mighty important. So do as the experts do in the Annual Mobilgas Economy Run: 1. Give your car regular Mobil-Care. 2. Drive with care. 3. Always use Mobilgas or Mobilgas Special.

TOP ENTERTAINMENT STARS SUPPORTING KENNY FUND DRIVE

Minneapolis, Minn. — The nation's top ranking personalities of the entertainment world are giving their active support to the 1953 polio fund appeal of the Sister Elizabeth Kenny Foundation, now under way, according to Marvin L. Kline, the foundation's national executive director.

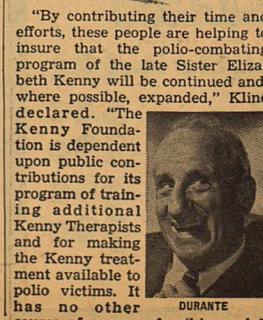

The long, star-studded list from stage, screen, radio and television includes Henry Fonda, Edward G. Robinson, Groucho Marx, Rosalind Russell, Jimmy Durante, Rosemary Clooney, Frankie Carle, Guy Lombardo, Spike Jones, Gene Autry, Hopalong Cassidy, John Cameron Swayze, Eddie Cantor, Jack Benny, Kate Smith and many others.

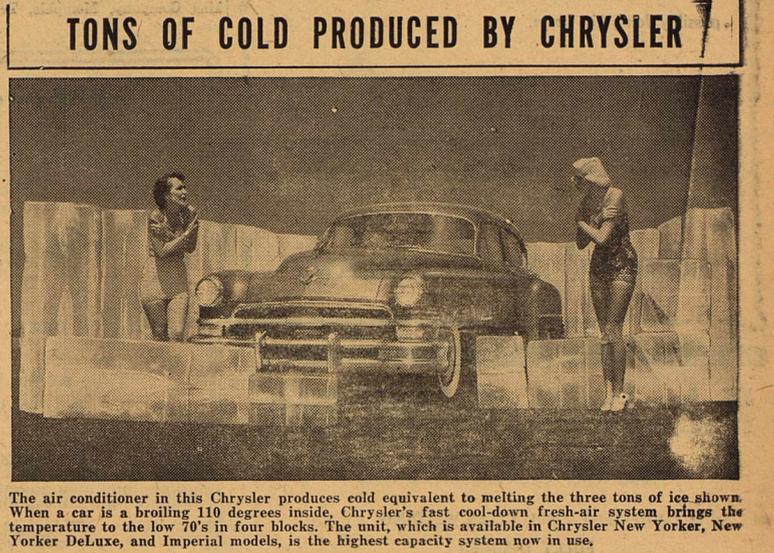

RUSSELL LOMBARDO

"By contributing their time and efforts, these people are helping to insure that the polio-combating program of the late Sister Elizabeth Kenny will be continued and, where possible, expanded," Kline declared. "The Kenny Foundation is dependent upon public contributions for its program of training additional Kenny Therapists and for making the Kenny treatment available to polio victims. It has no other source of revenue for this work."

DURANTE

TONS OF COLD PRODUCED BY CHRYSLER

The air conditioner in this Chrysler produces cold equivalent to melting the three tons of ice shown. When a car is a broiling 110 degrees inside, Chrysler's fast cool-down fresh-air system brings the temperature to the low 70's in four blocks. The unit, which is available in Chrysler New Yorker, New Yorker DeLuxe, and Imperial models, is the highest capacity system now in use.

West Texas Utilities Company

Unused Rx's. May Be Dangerous

That old, unused prescription in your medicine chest may be dangerous. Prescriptions and medications deteriorate with age. They should not be reused by the person for whom the original prescription was written, every time he feels sick. Under no circumstance should they be given to someone else in the family.

The best thing to do with a prescription no longer being used is to throw it away—and get rid of the temptation to doctor someone else with the wrong medication—possibly doing him harm.

For instance, headaches may be caused by low blood pressure or by high blood pressure. But it takes a doctor to decide the cause. If you give someone with a low blood pressure headache a remedy for high blood pressure headaches, serious injury may result.

Jerry Don and Nancy Reynolds of Goldthwaite are here this week as the guests of their grandparents, Mr. and Mrs. A. H. Adkins.

Dr. Joe B. Logan and family returned last Friday from a vacation trip to Red River and Santa Fe, New Mexico.

Mr. and Mrs. A. E. Prugel and daughters, Nancy and Susan, were on a vacation last week at Red River, New Mexico and in Colorado.

Roy E. Pfister and family of Fort Stockton were here over the weekend as the guests of his mother, Mrs. Buelah Pfister, and

A KISS FOR TESSIE...

DOING A BIT of good-natured clowning for the camera, an airman plants an affectionate kiss on one of his turret guns. Yet we realize—as he does—that there's another side to this picture. For the job of keeping America strong is a mighty serious one. And we know now that *peace is only for the strong.*

You are in this Defense picture, too! Stop and think about it: your United States Savings Bonds provide the economic strength to protect America, just as the people in our Armed Forces provide the military strength. By investing in Bonds you are helping to build a sturdy economy for your country—and a more secure future for yourself and your family.

If you aren't one of the 43 million Americans who own Bonds, why not become one now—today! Join the Payroll Savings Plan where you work—a practical way to save, because it saves something out of your pay check *before* you're tempted to spend it.

Don't put it off—get started today! Invest *regularly* in United States Savings Bonds—a simple, sure, *safe* way to save for your future, and for the future of America.

NOTHING DOWN
TERMS TO SUIT
3 Years To Pay

**Foxworth
Galbraith
Lumber Co.**

Here's how E Bonds now earn more money for you!

Now safe, sure U. S. Series E Savings Bonds pay an even better return than ever before . . . thanks to 3 brand new money-earning features announced by the U. S. Treasury.

1. Now every Series E Bond you get begins earning interest after only 6 months. It earns 3%, compounded semi-annually, when held to maturity.
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!
3. All maturing E Bonds automatically earn interest at the new, higher rate (average 3% compounded semi-annually) for 10 more years. Your original \$18.75 can now repay you \$33.67. \$37.50 pays back \$67.34. And so on.

Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank!

Where Every Day
is Bargain Day

Everything points to one outstanding fact—your telephone offers you the biggest bargain you can buy today.

A look at its low cost will prove the true value of your telephone. While the price of almost everything you buy has greatly increased during the past 5 to 10 years, your telephone service costs little more today than it did 10 years ago. And today's service is better, too. Long Distance calls are faster—local service is improved.

Every day in every way your telephone proves that it's still the "best buy" in your budget.
