CoFC ORGANIZATIONAL MEET SET FOR MONDAY

Public Urged To Attend Night Meeting At Central Elementary Auditorium To Decide Chamber's Future

An organizational meeting for the proposed Sonora Chamber of Commerce has been called for 7:30 p.m., Monday, October 20, in the Central Elementary Auditorium. All interested citizens, ranchmen, and businessmen of Sonora and Sutton County are urged to attend.

Question And Answer Period
The meeting will get underway with a brief explanation of the plan whereby local businessmen will share on a 50-50 basis with the City of Sonora the salary of H. V. (Buzzie) Stokes as City Manager and Chamber of Commerce Head. Following this explanation, Stokes will outline the purpose of and the organizational procedure involved in the formation of chambers of commerce. Local application and problems will then be discussed in a question and answer session.

Members To Sign Up
Following the question and answer period, local citizens and businessmen will be given an opportunity to sign membership cards either as active voting

members or as associate members.

In a preliminary canvass conducted by four two-man teams, nearly 100% of the businessmen contacted have indicated their approval of the plan and have pledged over \$650.00 monthly in its support. These funds will be used to pay office rent and utilities, office secretary, managers salary and other expenses involved in the operation of a Chamber of Commerce. It is hoped that financial support will remain at its present high level until such time as a healthy emergency reserve can be accumulated.

First Official Meeting
The newly organized Chamber will hold its first official meeting to elect officers and directors. It is of vital importance that every member be present to assist in electing capable people to guide the organization during its first year of operation.

Attend the meeting and bring your neighbor.

Sonora Loses Second Game Friday As Mason Marches To 20-0 Victory

The Sonora Broncos lost their second game of the 1958 season Friday night when the Mason Cowpunchers maintained their no loss record by downing the Broncos 20 to 0. Sonora's defense was strong enough to hold the state's third-ranked Class A team to its narrowest victory margin, but was unable to score against the powerful Mason line.

Statistics: First Downs, Sonora 7, Mason 13, Yards gained rushing: Sonora 135, Mason 205; Yards passing, Sonora 17, Mason 63; Passes completed, Sonora 2 of 3, Mason 3 of 6; Fumbles lost, Sonora 2, Mason 2; Penalties, Sonora 3 for 25 yards, Mason 3 for 25 yards; Punts: Sonora 2 for an average of 39.2 yards, Mason 2 for an average of 42.5 yards.

NOTICE

Mrs. Alfred Schwiening, Jr. spent several days in Austin this week where she attended a meeting of the Texas Association of Hospital Accountants.

PTA To Serve Spaghetti Supper Before Ozona Game

The Sonora Parent-Teachers Association will serve a chicken spaghetti supper at the school cafeteria before the Sonora-Ozona game Friday night. Serving will begin at five o'clock and continue until 6:30. Charge will be \$1.50 for adults and \$1.00 for children.

Asylum Escapee Captured Here

The Sutton County Sheriff's Department Tuesday turned in its fifth apprehension of persons on wanted lists within a period of little more than a week.

Alex L. Lognion was apprehended at a local restaurant Tuesday afternoon by Deputy Earl Clark. Lognion had escaped from a mental institution at Lake Charles, Louisiana, several weeks ago. He offered no resistance. Lognion had been hitchhiking since his escape and is known to have spent a night in a west Texas jail.

Authorities in Lake Charles were notified of Lognion's apprehension and a deputy was sent to return him to Louisiana.

Last Week's Scores

Scores in the games featured in last week's football contest are as follows:

Mason 20 over Sonora; Burnet 26 over Junction 8; Robert Lee 14 over Menard 8; Ozona 44 over Sander 6; Eldorado 20 over Trent 6.

Rankin 53 over Marfa 14; Artesia 27 over McCamey 13; Tivy of Kerrville 50 over Kingsville 6; TCU 26 over Texas Tech 0; Rice 24 over Arkansas.

Duke 12 over Baylor 7; Hardin-Simmons 14 over Arizona State 6; University of Houston 44 over Wichita; SMU 32 over Missouri 19; Texas 15 over Oklahoma 14.

Texas A. & M. 14 over Maryland 10; Georgia Tech 21 over Tennessee 7; Mississippi 19 over Tulane 8; Rochelle 26 over Eden 20; Army 14 over Notre Dame 2.

Father And Son Team To Head 4-H Clubs, As New Officers Are Elected Wednesday

The Sutton County 4-H Club met Wednesday, October 8, in regular monthly meeting. Officers for both the 4-H Club and the parents' organization were elected and committee appointments made.

Tommy Love was named to head the 4-H Club. Other officers are Gene Brodhead, vice-president; Claire Jones, secretary; Jack Baker, reporter, and James Nicks, parliamentarian.

Preston Love will serve as president of the 4-H Parents Club for the coming year with Herbert Fields as vice-president, Mrs. V. J. Glasscock secretary, Mrs. Dorothy Baker treasurer and Mrs. Marie K. Ellis reporter.

Named to the Show Committee are W. B. McMillan, chairman. Serving with McMillan will be Bill Morris, Herbert Fields, Wilfred Berger, Harold Friess and Preston Love.

E. A. Brodhead will act as chairman for the Achievement Banquet committee assisted by Harold Friess, Herbert Fields and Dorothy Baker.

Mrs. W. B. McMillan will be chairman of the food committee for the banquet with Mrs. L. E. Johnson, Jr., and Mrs. V. J. Glasscock also on the committee. Date for the banquet was tentatively set for December 6.

County Agent D. C. Langford reminded all club members to turn in their record books.

Alvis Johnson Given Lions Club Plaque As Outstanding Conservation Ranchman

Southwest Texas ranchers are expected to turn out in great number for a Range Conservation Day at Sonora on Saturday morning, October 25, starting at nine o'clock. The group will gather at the Courthouse according to James M. Fletcher, who will act as master of ceremonies for the tour. Fletcher is chairman of the Texas section, American Society of Range Management who is sponsoring the field day in cooperation with a group of Sonora ranchers and the Texas Range Experiment Station.

Ranch manager Harold Schwiening will conduct the group on a tour of the Allison Ranch. In early summer a pasture was rootplowed and seeded with a blue grama, blue panic and sorghum alum grass mixture with a small acreage also cutplanted.

Next stop will be the Mack Cauthorn Ranch where ten variations of treatment have been applied to a 132-acre pasture. This acreage was rootplowed and seeded in late May and June with a good stand of grass being realized. However, the rootplowing destroyed a good stand of forbs which were heavily infested with false chinchbugs. The stand of seedlings were soon destroyed by the insects. On August 25 studies to explore means of getting grass where stands have not been obtained on rootplowed pas-

tures were initiated. Various seeding techniques as well as different methods of cutplanning for moisture conservation were tried. Results to date are excellent and this promises to be one of the highlights of the day's tour.

A noon barbecue will be served at the Experiment Station with the following playing hosts: Mack Cauthorn, Harold Schwiening, G. T. Rode all of Sonora and H. R. Murphy of San Antonio.

Leo B. Merrill will conduct the group on an afternoon tour of the station to observe a system of rotational deferment on native pastures. The group will also see results of rootplowing, ripping and seeding on a 68-acre low stony hill site. Cutplanning following rootplowing was also applied on a deep valley site. Twenty native grasses as well as blue panic were seeded on this acreage.

ATTEND 2SC MEETING

Mrs. W. A. McCoy, Mrs. Herbert Fields and E. A. Brodhead attended the 2SC Council in Ozona Thursday, October 9. The program consisted of an exchange of ideas from local P.T.A.s and it was decided that interchanging of visits between Ozona, Eldorado and Sonora will be the action of the council. Next meeting will be held in Eldorado in January.

This Week's Winners

First Prize \$25.00
Louie Trainer.
Second Prize \$15.00
To be divided between: J. E. Eldridge, Beth Davis, Clayton Hamilton, Maria Segovia, Tom Neville, Hensel Matthews and Mrs. D. C. Langford.
Third Prize \$10.00
To be divided between: George Johnson, Walter Sharp, Donny Letsinger, Bill McGilvray, Harold Scherz, Mrs. Charles Haines, James D. Trainer, Mrs. G. M. Owens, Mrs. Jerry Shurley, Mrs. Jimmy Hugh Harris, and Maria D. Arredondo.

Revival Closes At Baptist Church

The First Baptist Church closed its revival meeting Sunday, October 12, the church's "Victory Day". Attendance goal for the Sunday School was set at 185 and this goal was surpassed with 190 present.

Three persons joined the church by letter and five by profession of faith during the revival.

The official opening and dedication of the Sonora and Sutton County airport has been rescheduled for Sunday, October 19, after unfavorable weather forecasts made postponement of the event from last Sunday necessary.

Ceremonies will begin at 12:15 Sunday afternoon with a barbecue lunch served at \$1.00 per plate. Fly-in guests will be registered as they arrive.

Features of the air show to be presented in the afternoon include parachute jumping, helicopter demonstration, jet flights, and one of the top air stunt men in the nation.

All major makes of civilian planes will be on exhibit and there will be a demonstration of spraying and dusting.

Sonora NFLA Has 180 Loans Out

According to A. E. Prugel, Secretary-Treasurer of the National Farm Loan Association, the Federal Land Bank has adjusted its loan values upward and is now in position to lend more on most properties.

The Sonora NFLA now has 180 loans outstanding for approximately \$5 million in Scheleicher, Crockett and Sutton Counties.

Officers and Directors of the corporation are Frank P. Bond, president; P. T. Robison of Ozona, vice-president; Charles E. Davidson, Jr., Ozona, James T. Williams, Jr., and B. E. Moore, both of Eldorado, directors.

Odds And Ends

We knew it was too good to last! Things were just looking too good—we've had lots of rain, Texas beat Oklahoma. We hoped for once there was no fly in the ointment, but there was. The Sears Sentells moved back from South Dakota and in so doing added another Aggie to the ranks of the Maroon and White already cluttering up the countryside.

There's one advantage to it, though, when the Longhorns wallop the Sharecroppers come November, there'll be one more sick Sutton County Aggie!

Welcome, home, Sentells!

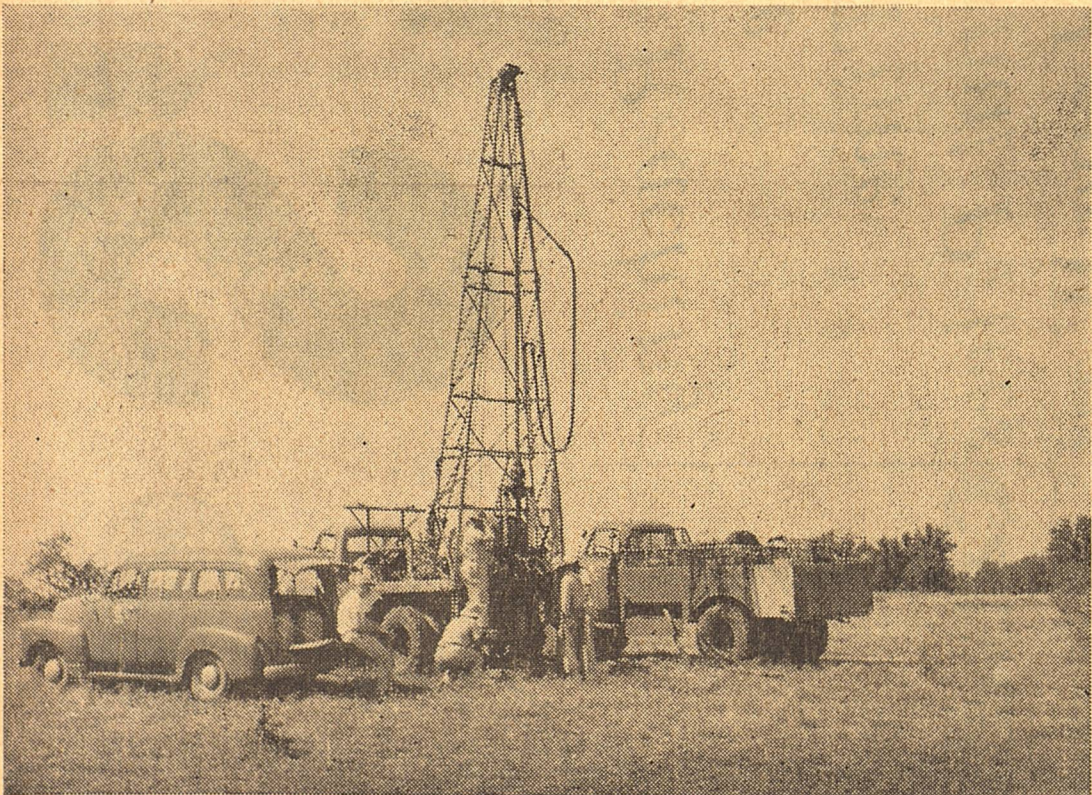

You will notice among the list of this week's football contest winners the name of Beth Davis. Beth, in case you aren't acquainted with the young charmer, is the daughter of Louis and Monica Davis. Beth came up with four misses to tie for second place. Well, of course, her daddy helped her out a little bit.

Beth, next week you fill out your own and our guess is you'll win first.

If you think you've been having bad luck just take a look at Charlie Howell and think again. Charlie, as you most likely know, got himself bunged up pretty thoroughly in a football game early this year and spent several weeks in the hospital here.

Well, Friday Charlie had to have his appendix removed. He seems to be convalescing rapidly, though. He was back to school Wednesday.

Bids May Be Let In December On Lowrey Draw Project

By E. B. Keng

A Soil Conservation Service core drill rig is shown in operation on the Thomson Estate ranch. Foundation investigation must be made under all planned structures to determine characteristics of below-ground material.

Tentative plans call for preparation and advertisement of bids on Sites 9 and 10 (Wynn and Thomson ranches) in December for construction of dams in the Lowrey Draw watershed project. Contracts would be awarded in January and actual construction would start very quickly. Contracts for the three remaining dams on Lowrey Draw should be awarded before June 30, 1959.

A core drill party is expected in Sonora within the next few days to complete core drilling operations on three sites on the draw. Core drilling has been completed on the Thomson Estate and Mrs. Ada Wynn ranches.

Following core drilling, samples of material are sent to a laboratory for analysis. Some 10 to 20 tests are made on the centerline of each dam. Most of

the tests are drilled one foot into solid rock, but at least one test is drilled 30 to 40 feet deep. In addition to obtaining information on the underground material, caves or cracks which might make a dam unsafe can be located.

The emergency spillway area is also core drilled to determine the amount and type of rock or other material which must be removed by the contractor. The barrow area is tested to determine the amount and type of fill material available.

Core drill and other engineering information is then sent to the SCS engineering unit at Fort Worth, where detailed designs for each structure are develop-

ed. Specifications are set up, and blueprints are prepared. Bids can then be developed for advertising the work to prospective contractors.

Sonora was very fortunate to escape flood producing rains during the hurricane season just passed. Heavy floods occurred in nearby areas, with 10 to 13 inches falling in west Sutton County. Barring unforeseen developments, work on Lowrey Draw should be completed in time to provide protection from the normal heavy rainy period next fall.

Work on the eight structures planned on Dry Devil's River will start immediately following completion of the five structures on Lowrey Draw.

Broncos Ready For Ozona And First Conference Clash

Sonora meets Ozona here Friday night for the first conference game of the 1958 football season. This game will in all likelihood determine the District championship since observers agree that Ozona and Sonora are top teams in the conference. Sonora goes into conference play with a record of four wins

and two losses while the Lions also have a four two record. Sonora's losses were to two highly ranked teams, Ballinger and Mason. The Mason eleven is currently ranked third in state Class A and Sonora held them to their closest margin of victory.

Ozona lost early in the season to McCamey and two weeks

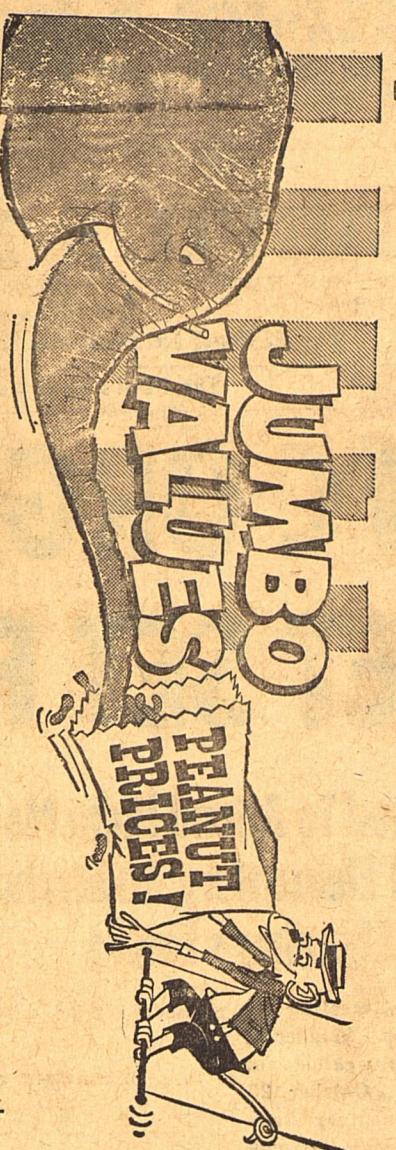

ago to Fort Stockton.

Probable starters for the Lions will be Center, B. B. Ingham; Guards, Kenneth Deland and Tommy Porter; Tackles, Johnny Cooper and Dickie Flanagan; Ends, Jim Williams and Jerry Jacobs; Backs, Jim Freeman, David Sykes, Bobby Sutton and Billy Bob Holden.

Probable starters for the Broncos: Ends, Johnny McClelland and Jerry Potmesil; Tackles, Doroteo Castro and Bobby Smith; Guards, George Caldwell and Luther Chalk; Backs, Ben Castillo, Sam Galindo, Eddie Sosa and Alfred Sykes.

Game time is 7:30 at Bronco Stadium.

Now... all America sees the one that's truly new!

Like all '59 Chevs, the Impala Sport Sedan has Safety Plate Glass all around.

'59 CHEVROLET

It's shaped to the new American taste. It brings you more spaciousness and comfort with a new Body by Fisher. It has a new kind of finish. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. It's new right down to the tires!

Chevy's all new for the second straight year! Here with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—windows are bigger, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier than ever. New suspension engineering gives you a smoother, more stable ride. There's a new Hi-Thrift 6 that goes and goes on a gallon of gas. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. Impressive new Impala models. Wonderful new wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

ALL NEW ALL OVER AGAIN!

Parties Saturday Honor Bride-To-Be

Mrs. W. T. Hardy, Mrs. Ruby Dameron and Mrs. Joe Brown Ross were hostesses at a breakfast Saturday morning honoring Miss Nancy Neill, bride-elect of Paul Foster Law. The party was given in the Hardy home.

Guests brought their favorite recipes and gave them to the bride. She was also presented with a recipe card case and a gift of pottery.

Breakfast was served to the honoree and guests, Mmes. George H. Neill, Andrew Moore, Bill Stewart, Frank Bond, Bill Whitehead, Carra Simmons, Joe Neil Smith, W. B. McMillan, Bill Fields, Zu Clinton, and Nancy Dawes and Misses Jane Neill and Jayne Kiser.

Miss Nancy Neill and Paul Foster Law were honored with a dinner party Saturday night given by Mr. and Mrs. Bill Stewart and Mr. and Mrs. Glen Richardson at the Stewart home.

Guests were Messrs. and Mmes. Bud Halbert, Bill Whitehead, R. W. Wallace, Clayton Hamilton, Lawrence Finklea, George H. Neill, and Jack Neill of Eldorado; Miss Jane Neill, and James T. Hunt and Richard Cooper of San Antonio.

HOSTESSES AT TEA

Hostesses last week at the tea for Nancy Neill were Mrs. Andrew Moore, Mrs. Frank Bond, Mrs. Gay Copeland, Mrs. Web Elliott, Mrs. W. B. McMillan and Mrs. Bill Fields. Out-of-town guests included Mrs. Fielding Breeden and Miss Pop Harris of Cuero, Mrs. Puddin Allison and Mrs. Babe Karnes of San Angelo, Mrs. J. L. Neill, Sr., and Mrs. J. L. Neill, Jr., of Eldorado. The Reverend Alanson Brown also attended.

EDGAR SHURLEYS HOSTS TO SATURDAY NIGHT CLUB

Mr. and Mrs. Edgar Shurley were hosts for the Saturday Night Dinner Club in their home last week. The Halloween theme was carried in decorating and Halloween symbols with pyroantha berries made the table arrangement. Arrangements of fall garden flowers were featured in room decorations.

Mrs. Harold Friess won the high score prize and Mr. and Mrs. Rip Ward won bingo prizes. Attending were Messrs. and Mmes. Edwin Sawyer, Harold Friess, Rip Ward, and A. E. Prugel, Mrs. Belle Steen, Mrs. Alice Jones and Miss Ann Palmer.

A. & M. MOTHERS MEETS AT DAVIS HOME

Mrs. G. H. Davis and Mrs. W. T. Hardy were hostesses for the A. & M. Mother's Club in the Davis ranch home Wednesday, October 8 with a luncheon. The table was centered with an arrangement of red roses and fall arrangements of flowers and leaves were featured in room decorations.

Mrs. Jack Grafa presided during the business session. It was decided that a book will be presented to the Sonora Library in Memory of Mrs. D. T. Briggs. A report stated that 171 A. & M. students have received loans from the A. & M. Mother's Club funds during the past year.

Attending the meeting were Mmes. Jack Grafa, Mae B. Sawyer, O. L. Richardson, Thomas Morriss, Bill Morriss, Fred Campbell, Leo Merrill, E. S. Mayer, George Brockman, Alanson Brown, Cashes Taylor and Mollie Morriss.

MRS. HUNT ENTERTAINS THURSDAY LUNCHEON CLUB

Mrs. Bryan Hunt was hostess to the Thursday Luncheon Club in her home last week. Mexican food was served from a table covered with a Mexican table cloth and centered with an arrangement of red roses.

Mrs. Duke Wilson and Mrs. W. R. Cusanbary won high score prizes and Mrs. Gay Copeland won second high score prize. Mrs. Allie McBride won the slam prize and Mrs. Edwin Sawyer won at bingo.

Others who attended included Mmes. Lea Allison, Frank Bond, E. A. Brodhead, C. F. Browne, Lee Fawcett, W. B. McMillan and Harold Schwiening.

MUSIC CLUB HEARS TALK ON AMERICAN COMPOSERS

The Sonora Music Club met in the home of Mrs. Herman Smith last Thursday with Mrs. J. C. Stephen presiding in the absence of the president.

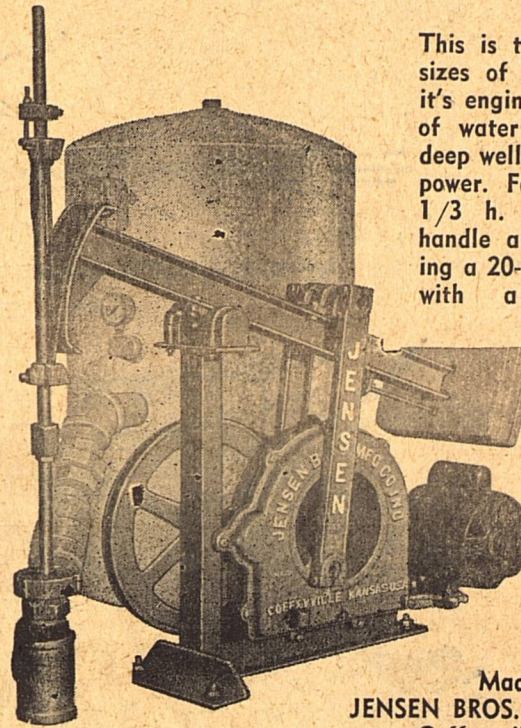

The Club's project is to buy Christmas Choral Music for the Elementary School Choir. Mrs. W. P. McConnell was chosen as delegate to represent the club at the district convention to be held in Brady this month. Mrs. W. L. Davis talked on "American Music and Composers".

A social hour followed the meeting and refreshments were served to the following members: Mmes. Maysie Brown, Alfred Schwiening, Jr., S. M. Loeffler,

NOTICE—The PTA will sponsor a chicken spaghetti supper at the school cafeteria Friday from 5:00 to 6:30 p.m. Charge per plate will be \$1.50 for adults and \$1.00 for children.

Mrs. R. H. Kokernot and children, Jan, Peggy and Walter, left Wednesday for Dallas where they will spend a week in the home of Mr. and Mrs. Edward Tipton before leaving for their home in Johannesburg, South Africa. Mrs. Kokernot spent six weeks in Sonora with her parents, Mr. and Mrs. O. G. Babcock.

W. L. Davis, O. G. Babcock, H. M. Smith, Alvis Johnson, W. P. McConnell, Jr., Louie Trainer, J. C. Stephen and Herbert Fields.

This is the smallest of 14 sizes of Jensen Jacks, but it's engineered to lift a lot of water from surprisingly deep wells with mighty little power. For example: With 1/3 h. p. motor it will handle a 215-ft. well having a 20-40 pressure system with a 2-in. cylinder. Even deeper with a smaller cylinder or open discharge. Before you equip a new well or re-equip your present well—talk to us about JENSEN JACKS or JENSEN AUTOMATIC WATER SYSTEMS.

Chevrolet introduces VERSATILE, SLEEK EL CAMINO

The Chevrolet El Camino, a new vehicle combining ultra style with utility, complements the company's 1959 line of both passenger cars and trucks. Designed with fleet crisp passenger car lines, El Camino retains the versatility of a pickup for hauling light or bulky cargoes. It is intended as a true dual purpose vehicle for businessmen, ranchers and farmers, and others needing attractive, comfortable personal transportation and hauling ability in one vehicle. A compound-curved windshield and wrap-around rear window assure pilothouse visibility.

Nancy Hart and her roommate, Lee Henderson of Shamrock and Millicent Sneed of Fairfield, all students at Southwestern University, Georgetown, spent last weekend in Sonora guests of Mr. and Mrs. A. C. Hart and Peggy. Ann Morris and Roy Jean Pope of Austin were in Sonora last weekend the guests of their parents, Mr. and Mrs. R. S. Teaff hunting trip in Colorado. Mr. and Mrs. Roy Pope. Mr. and Mrs. R. S. Teaff and Mr. and Mrs. Henry Burke of Del Rio left last weekend for a

YOUR MINISTER SAYS

By Rev. William Mitschke
ONE FOR TWO is a pretty good bargain. We usually consider such terms a profitable trade. A similar bargain is offered in Holy Scriptures.

There are two temptations which the devil loves to use on his prospects. Sometimes with our thinking we fall right in line with them. We are sinners. The Bible clearly says, "There is not a just man upon the earth that doeth good and sinneth not." We also know by examining what we did yesterday and the day before that we do sin. Here is the problem. Sins have a way of cropping up and leading one to despair. One can become so obsessed with them all he sees is defeat. We have heard this

and perhaps even thought it ourselves: "How can God forgive me. I've done so much evil."

Strange as it seems the exact opposite happens too. People put themselves in a world of unreality. It seems easier in this case to ignore sin than to admit it. Here is something we like to think: "I'm not a bad sinner, in fact, I'd say my life was pretty good."

It boils down to this. In their extremes these two attitudes would be: I'm so sinful even God sending a Savior can't help me; or, I'm a decent fellow and I don't need a Savior from sin.

The thought of being in despair over sin is not limited to the death bed. Neither is the idea that I'm a good man and sin doesn't bother me. Young as well as old have these temptations. Here is where the profitable trade is offered. Scripture tells us, "It is God who justifies, who is to condemn?" God forgives our sins, no one can hold them over our head. We need not despair of so many sins because God justifies, God forgives. We can also acknowledge the reality of sin because there is an escape. Sin has been conquered, why disregard it because of fear?

All this has been done for us, God's Son died for us and rose again. But He not only arose but also is enthroned in glory in heaven. Also, He not only is enthroned in glory, but he intercedes for us in heaven. Jesus is working on our behalf. Jesus Christ is the answer to both. This One for two is the best bargain ever offered. It involves not just a mere material gain here—but an eternal reward.

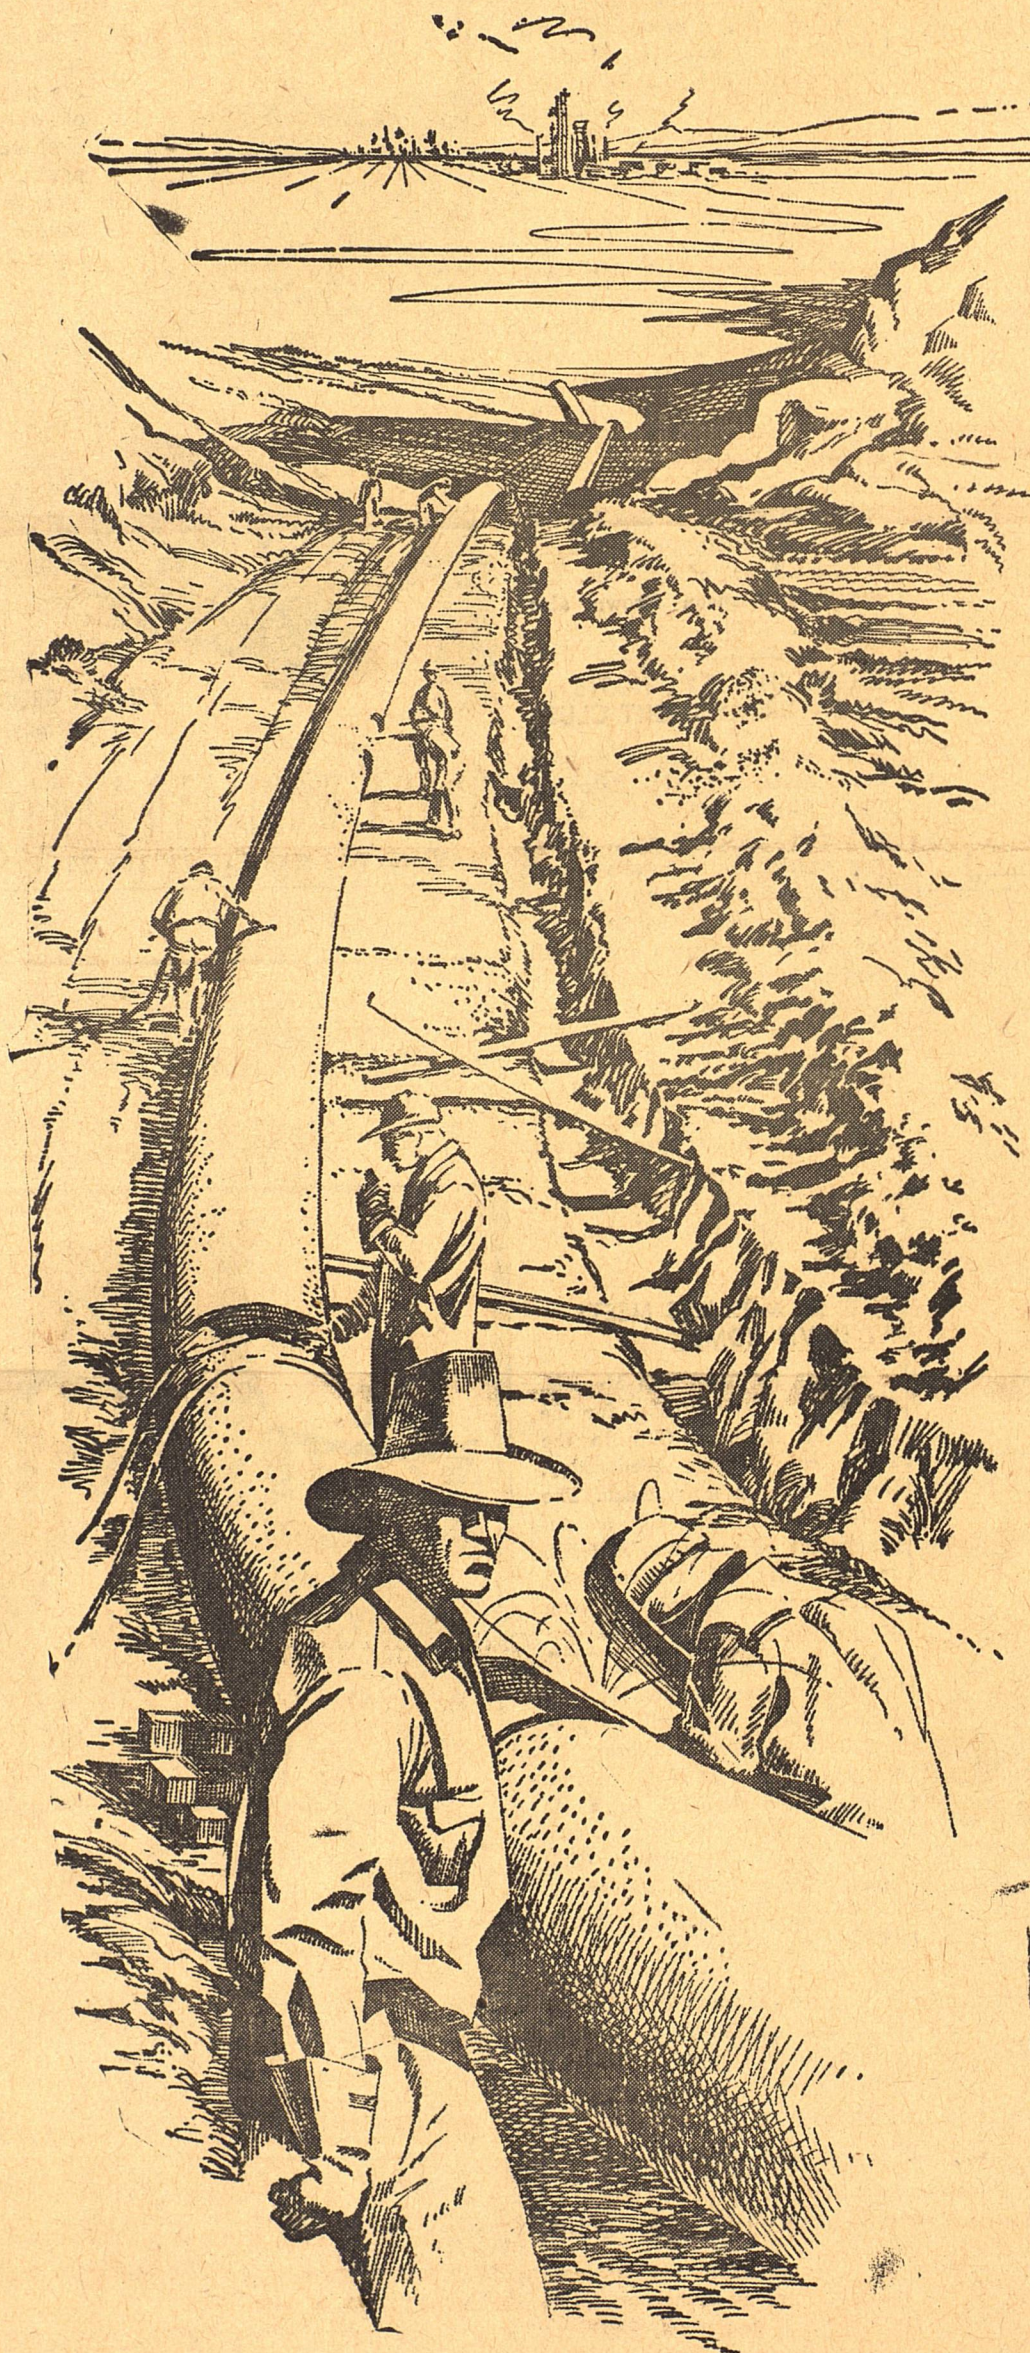

Grant O Lord, that we daily come to Thy throne of grace and receive pardon for our sins. Amen.

ENERGY BUILDS

The use of energy resources is the basis of man's standard of living everywhere. The United States has both the highest standard of living in the world and the highest per capita consumption of energy. With the aid of increased investment, better techniques and a five-fold expansion in energy use, the United States produces almost six times as great a volume of goods and services as it did just fifty years ago.

Natural gas is playing an increasingly important role in the expanding use of energy in our economy. In 1957, natural gas and related liquids supplied 27.9% of the nation's energy as compared to 19.7% in 1950, 12.4% in 1940, 9.9% in 1930, and 4.4% in 1920. Largely a regional fuel before the Second World War, natural gas has become increasingly useful to the entire nation because of the construction of large-diameter, long-distance pipelines.

El Paso Natural Gas Company supplies gas to communities and industries in west Texas, New Mexico, Arizona, Colorado, Nevada and California. The Company pledges its continued wholehearted efforts to help keep energy in abundant supply so that our economy can continue to grow and expand.

Devil's River Philosopher Figures Out A Plan He Claims Will Save Country Millions In Foreign Aid

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River has an odd idea for cutting down on foreign aid, his letter this week reveals.

Dear editor:
 Every once in awhile I read in the papers where some visiting delegation from a foreign country is coming to this country to inspect farms and ranches, and I have discovered right there is where this country makes a big mistake.

That is, there's nothing wrong — G. H. Hall spent the weekend in Hobbs, New Mexico, the guest of his son-in-law and daughter, Mr. and Mrs. Jimmy Sloan.

What happens? Somebody in Washington lines up the best ranches in the country, hires an air-conditioned bus, and whisks the visitors from one good ranch to another, the kinds of ranches where all the machinery is brand new, the livestock all rolling fat, the fences painted white, lawns mowed like a country estate, etc.

Well, there are a lot of good ranches in this country, but psychologically we couldn't do worse than to show them off to visitors from foreign countries. It gives the wrong impression.

Mr. and Mrs. K. A. Reeder of Altadena, California arrived this week for a visit with their son-in-law and daughter, Dr. and Mrs. Charles F. Browne, Brenda, Chuck and Paul.

What is that they see all these fine ranch spreads, find out what new sprayers cost, etc., and they go back home and report America is so prosperous it ought to be good for twice the size of the loan they got from us last year.

I believe I could save this country millions of dollars in foreign aid if I'd send a few foreign delegations by my bitter-weed ranch out here on Devil's

The Devil's River News-Sonora, Texas, Thursday, October 16, 1958

River. After a trip over my place, trying to open and shut my sagging gates, looking at my equipment and checking on my yields, most delegations would shake their heads, pull themselves together, and flee back home before this country started asking theirs for foreign aid.

I guess it's all right to put your best foot forward, but once in a while it doesn't hurt to let visitors in on the fact you've got another foot too.

The next time a foreign delegation shows up in this country send em out here. It'll save the country money.

Yours faithfully,
 J. A.

More Acreage Purchased For Wildlife Area

The Game and Fish Commission has added another 18,313 acres of land to its holdings in the Black Gap area of Brewster County.

Negotiations finally have been completed for the purchase of the Shurley property, lying to the north and west of the present 30,000 acres owned by the State and used as a management area.

E. A. Walker, director of wildlife restoration, paid over checks totaling \$155,000 for the new property. This acquisition is made through matching funds of the State and the federal aid program.

Since the property is adjacent to the present Black Gap Wildlife Management Area it will become a part of the same project.

"We have a headquarters area already established," the executive secretary said. "All operations will be directed from this headquarters." The purpose of the areas is to develop wildlife management practices that can restore grasses and habitat for wildlife.

There will be a controlled deer and javelina hunt on the original portion of the Black Gap area Nov. 1 to 8. Persons desiring to hunt the area are advised to send their applications for permits. There will be a public drawing shortly after November 1, for 400 permits to harvest either buck or doe on the area.

Baylor-Tech Game To Be Televised This Saturday

A live statewide telecast of the Baylor-Texas Tech game will highlight the Humble Co.'s coverage of Southwest Conference football Saturday. In addition there will be broadcasts of four conference games.

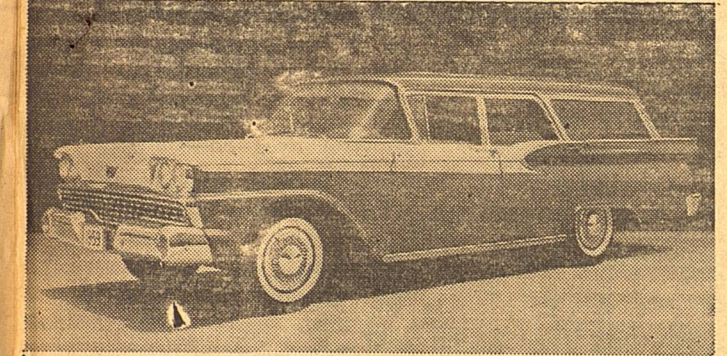

The Baylor-Texas Tech game will be telecast from Lubbock, beginning at 1:45 p.m. Kern Tips and Alec Chesser will describe the action and color over KCTV, San Angelo and WOAI-TV, San Antonio.

The game will also be broadcast from Lubbock. Dave Russell and Jack Dale will describe the action and color beginning at 1:45 p.m. over KONO, San Antonio.

The Texas A. & M.-TCU game will be broadcast from College Station by Eddie Barker and John Smith. Radio time will be 1:45 p.m. over WOAI, San Antonio.

The Texas-Arkansas game will be broadcast from Austin by Bob Walker and Dave Smith. Radio time will be 7:45 p.m. over WFAA, Dallas and KGKL, San Angelo.

The SMU-Rice game will be broadcast from Dallas by Ves Box and Eddie Hill. Radio time will be 7:45 p.m. over KRLD, Dallas.

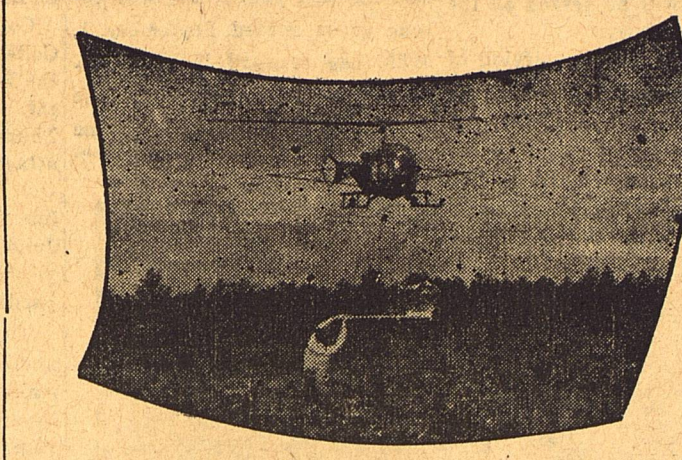

This 1959 Ford Country Sedan is one of six models in the Ford station wagon series. Ford station wagons are available in two- and four-door models, accommodating six or nine passengers. The new, longer Ford station wagons have a cargo space that is eight inches longer and 11 cubic feet greater than in 1958. The second seat has a locking device that prevents the seat from folding forward in a sudden stop, and the foam rubber cushions from the third seat can be removed and used as ground cushions.

Baby Tigers Latest Addition To World's Largest Menagerie Coming To Sonora Saturday, October 18th

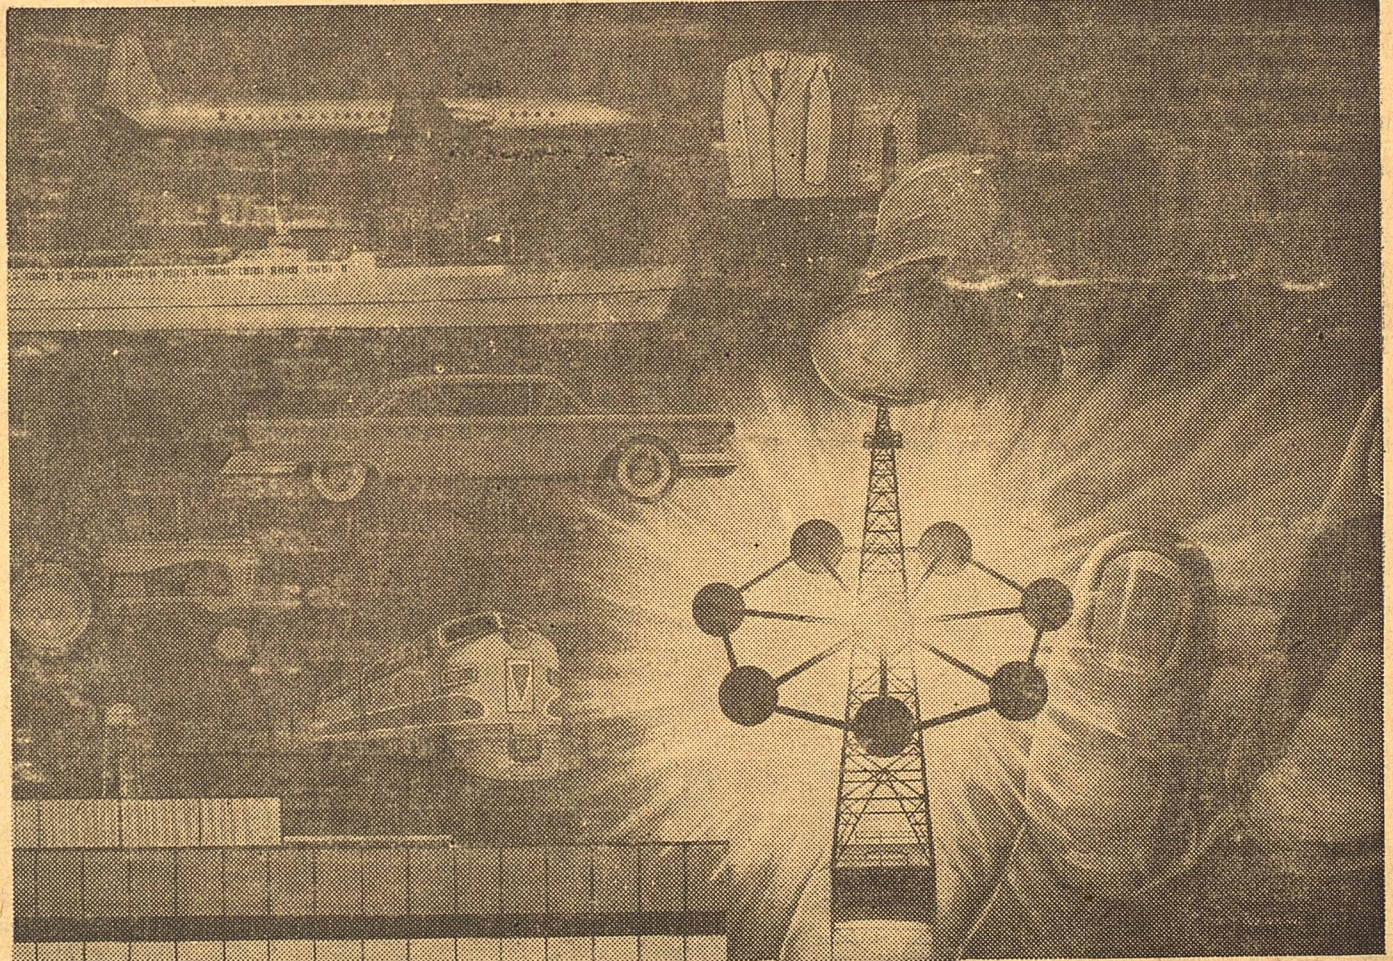

Beauty, (Miss Marlyn Medina) and the little beasts—the most recent acquisitions to the enormous traveling zoo of Al G. Kelly and Miller Bros largest Circus, two baby tigers named Joplin and Paris, named in honor of the two cities in which they were born, respectively Joplin, Missouri, and Paris, Texas, during the first week of this year's tour. Coincidentally the month is named "Paris," the fact she was a product of "Jungle Imports" in 1946, arriving to begin her circus career at Paris, Tennessee, an engagement stand on that year's itinerary. Traditionally, circus menagerie animals are named after towns in which they were born or received in shipment from the jungles, unless the particular metropolitan has a 'tongue twister' name. More than 200 rare and unusual beasts and birds grace the block-long menagerie of Al G. Kelly and Miller Bros. Circus scheduled for afternoon and night performances at Sonora on Saturday, October 18th at the grounds on Highway East 1691.

PETROLEUM—basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers . . . Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.

An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.

But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals . . . the ubiquitous plastics derive from petroleum products . . . paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.

Thus, oil's progress has made other progress possible all along the front of American industry . . . Petroleum is the American resource that is

basic to the needs of our time . . . that is essential to our national security.

★ ★ ★

The Humble Company, established in 1917, has developed with the industry.

Humble's exploration activities extend from Florida around the rim of the country to California, Oregon and Washington, and beyond to the new State of Alaska . . . The Company is a leader in the production of oil and gas in the United States . . . Humble Pipe Line Company is a public carrier transporting not only Humble's oil but that of many other companies and independent producers to Gulf Coast terminals . . . Baytown refinery is one of the nation's great manufacturing plants . . . And Humble is a marketer in the Southwest, supplying the needs of motorists in modern service stations.

The Humble Company believes strongly in research, maintains two outstanding research facilities, and annually budgets considerable sums for this activity . . . Humble research has made substantial contributions to the discovery, production, and utilization of petroleum.

This Is Oil Progress Week

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Ranchmen in the Edwards Plateau SCD will have an opportunity to observe and discuss the merits of root plowing and seeding on Saturday, October 25.

A very interesting root-plowing tour and study of range work on the Experiment Station has been planned, starting at the So-

nora Courthouse at 9:00 a.m. on October 25. Root plowing and seeding will be observed on the Clara Allison and Mack Cauthorn ranches, and a free barbecue dinner will be served at the Experiment Station.

Root plowing and scarifying of stony hill land will be observed in the afternoon, followed by a

tour of the deferred-rotation pastures at the Station. Leo Merrill has some outstanding results from a grazing system operated during the past 11 years. Every ranchman should see this work.

A remarkable stand of grass has been obtained on root plowed land on the Mack Cauthorn ranch, ten variations of raking, packing and seeding combinations were made in an effort to improve success of seeding on root plowed areas. Sorghum alnum, blue panic, oats and rescue grass seeded September 1, 1958, has resulted in an excellent cover of vegetation. The tests will be continued for some

time to determine whether a good stand of desirable perennial grass can be obtained.

Hosts for the barbecue dinner are Mack Cauthorn, Harold Schwiening, G. T. Rode and H. R. Murphy of San Antonio.

"B" Squad, Juniors Tangle With Edison

By Mike Ellis
COLTS OVERWHELM EDISON Coach Kenneth Cleveland's Colts galloped to a 22-0 win over the Edison Waves at the old Bobcat Stadium in San Angelo Thursday afternoon. The Colts' attack, spearheaded by Nelson Guajardo, Carlos Badillo, Arthur Bermea, Calvin Berry and Julio Samaniego, racked up 154 yards rushing to the Waves' 84 yards.

The scores came in the second and third quarters with Guajardo making a 26-yard run and Badillo and Berry making four-yard runs respectively. The extra points came on a pass from Badillo to Bermea and Samaniego running respectively.

Sonora was penalized seven times for 45 yards and Edison twice on clipping and unnecessary roughness for 30 yards.

EDISON RACES PAST "B" The Edison Tides raced past Sonora's "B" team here last Thursday night. Edison's backfield shot past the Sonora boys with runs from a 70-yard pass interception runback to a one yard drive.

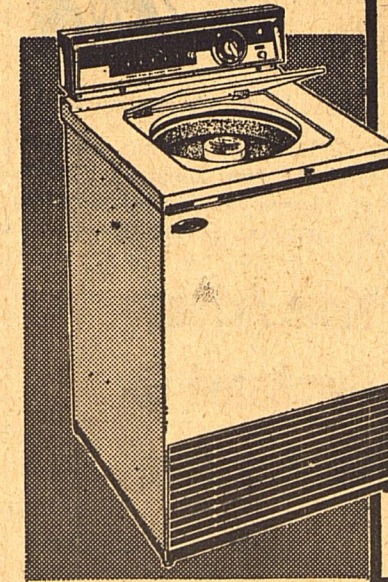

Spearheading the Tide's attack were Wayne Fox, Weldon Allen, Lonnie Tucker, Mike Tabor and Eddie Eisenback. Edison's scores came in all four quarters with their brilliant running skill overwhelming the Sonora team.

Ford brings Thunderbird elegance to the low-price field with

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! For left is the new Thunderbird... center, the new Custom 300 Tudor Sedan... and above, the 9-passenger Country Sedan.

AWARDED THE GOLD MEDAL for beautiful proportions—by the Comité Français de l'Élégance at the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these '59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-gear axle.

Altogether NEW in everything you can see, feel or touch!

'59 FORDS

Come in and get that NEW FORD FEELING in the cars with Thunderbird elegance

30 YEARS AGO

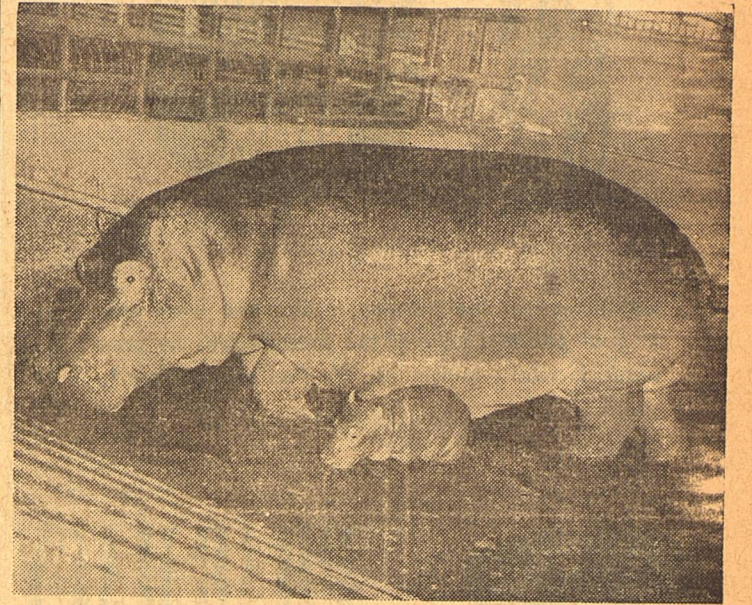

1905
J. R. Baker, of Devil's River was in Sonora Friday and will remain several days visiting his uncle, G. W. Morris.
1905
Tom Stuart and son, Arthur, were in from their stock farm last Thursday with a load of hay and took out with them a load of provisions. Arthur says they had a hayel of a time getting to town with the hay.

1905
Tom Sandherr was up from their ranch Thursday trading. Tom says his brother, Natt, and family will move out here in about a month.

One angle cannot show the complete styling changes which have been made in the 1959 Chevrolet. Lowered headlamps, set into the freshly styled grille, and functional air intakes accent the beauty of the front view of the Impala convertible (below). Smart and original is the bold sculptured treatment given the rear quarters and trunk deck of the Impala sport sedan (above).

Children Invited To See The Unloading Feeding And Watering Of Animals Largest Circus Coming To Sonora Saturday, October 18th

ABOVE: "Miss Oklahoma," the 4-ton hippopotamus, shown with "Junior Hippo" taking the daily bath. Children of all ages are cordially invited to be on hand at the circus grounds at nine o'clock the morning of Saturday, October 18 at East Highway 1691 grounds in Sonora for a free treat, witnessing the unloading, feeding and watering of the hundreds of animals carried with the A. G. Kelly-Miller Bros., now America's largest circus.

LIONS ROAR

The parsonage committee of the Methodist Church served lunch Tuesday to Lions at their regular weekly meeting.

E. A. Brodhead announced that the PTA will serve a chicken spaghetti supper at \$1.50 and \$1.00 per plate from five o'clock until 6:30 Friday night before the Ozona-Sonora football game. Brodhead also called attention to the fact that this game will start at 7:30 Friday night.

Lion W. R. Cusenbary, a director of the West Texas Chamber of Commerce spoke briefly on the Chamber's work on state, county and school taxation.

It was announced that Masons are having a barbecue supper Saturday night.

Lion President Hillman D. Brown reported that 1,572 pounds

DARLA SUE MOORE FETED ON SECOND BIRTHDAY

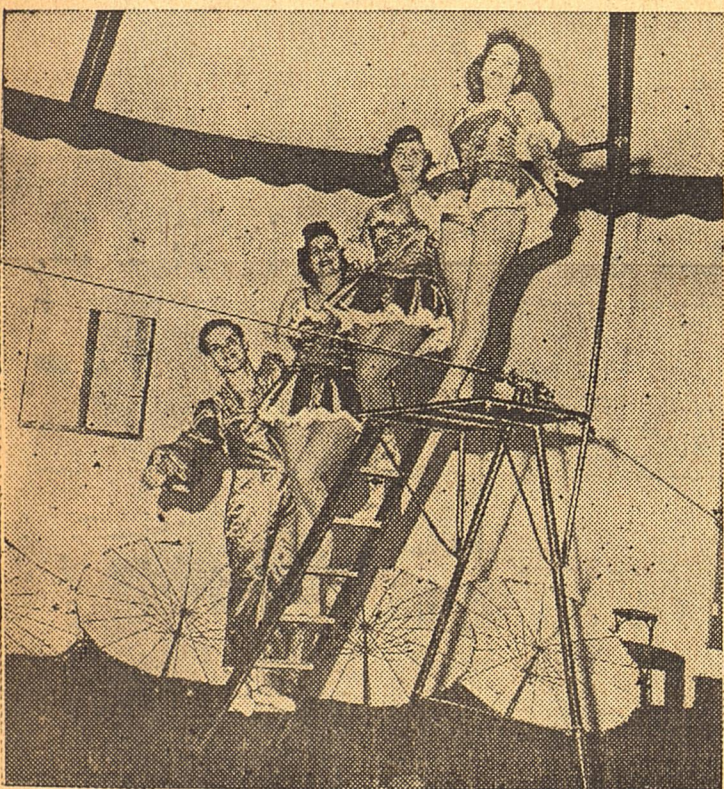

Mrs. Hut Moore, assisted by Mrs. Billie Green, feted her daughter, Darla Sue, on her second birthday with a party at the Parish House Thursday. Rabbits were featured in the decorating scheme with rabbit balloons given as favors and a rabbit shaped cake served with punch.

Those who attended included Lorie Nusbaum, Chuck and Paul Browne, Sarah Allison, Mark Brown, Drew Scherz, Teddy Coker, Melinda Earwood, Derry Lynn Shurley, John Guthrie, Billie Ann Stewart, Forster Shurley, Tom Green, Maggie Galbraith and John Martin Beckham.

of goat meat have been donated for the airport opening.

Guests present were Duard Archer and Jim Cherry, Junctin.

Florenze Troupe European Wire Walkers Latest Importation Feature Miller Bros. At Sonora, Saturday, October 18th

The internationally known famous Florenze Troupe, the first American appearance of the "Parisian Sensations", of the "silver-strand" executing the ultimate of all daring and clever manipulations on the tight wire will thrill Sonora circus fans at the matinee and night performance of Al G. Kelly and Miller Bros. largest circus coming to the grounds on Saturday, October 18.

What Girl Scouts Look Forward To

By Sandra Lou Newton

Girl Scouts look forward to the day when all girls in the world from the ages of seven or eight to 13 or 14 will be Girl Scouts or Girl Guides; also to the day when all the organizations of Girl Scouts set an example for men, women, and older and younger children.

Of course, from 14 to 20 the "children" are adolescents. By the time this happens many of the present Girl Scouts may no longer be Girl Scouts, but they will always remember the good works and fun they learned in Girl Scouts.

Miss Bertha Eaton of San Angelo spent last week in Sonora the guest of her brother and sister-in-law, Mr. and Mrs. John Eaton.

Mr. and Mrs. Bryan Hunt, James and Nancy attended the horse sale in Llano Saturday, October 11. Horses sold were owned by George Miers of Del Rio.

For the help we have had and are continuing to have from the community and our leaders, I as a Girl Scout "thank you".

Hale-Aikin Committee Releases Proposal Prior To Final Meeting On October 15

A summary of the tentative agreements which have been reached by the state Hale-Aikin Committee of 24 in its grass roots survey of the needs of Texas public schools was received this week by local teachers. The proposals most affecting the schools in Sonora as outlined by Principal A. T. Barrett are as follows:

Each public school district shall provide a full 12-year program of education of not less than 190 days per year with a minimum of 180 days of classroom instruction and a minimum of five days for formal in-service education programs for teachers and staff members which conform to standards established by the State Board of Education. Local districts electing to operate a ten-month program with a minimum of 190 days of instruction and the same minimum in-service programs shall be allocated. Minimum Foundation Funds on this basis.

a biennial census on even numbered years under rules and regulations to be set by the State Board of Education.

It is also proposed that the State of Texas discontinue the practices of accepting Federal funds for the reimbursement of vocational education and school lunch and milk expenses in the school districts of the state and that state appropriations should finance the vocational education program with school lunch and milk program to be financed at the local level.

And that the Legislature make provision for each school-age child who is a resident of the state of Texas to attend school in any school district in the state of Texas and have his attendance count toward the district's eligibility for state financial assistance.

A final report will be drafted by the committee on October 15.

IDLE HOUR CLUB MEETS AT DAVIS HOME TUESDAY

Mrs. G. H. Davis entertained members and guests of the Idle Hour Club with a bride luncheon in her home Tuesday. Arrangements of roses and carnations decorated the party rooms.

Club members who won prizes were Mrs. E. S. Mayer for high score, Mrs. N. B. Wilson for second high score and Mrs. J. F. Hamby for bingo. Mrs. E. A. Brodhead won high score prize for guests. Mrs. Norman Rousset won second high score prize and Mrs. Cecil Westerman won at bingo.

Also attending were Mmes. C. F. Browne, Sterling Baker, Ben Cusenbary, W. R. Cusenbary, Ella Wallace, L. E. Johnson, Sr., David Shurley, R. A. Halbert, Allie McBride, Mae B. Sawyer, Robert Mayer, Harold Scherz, Belle Steen and Jerry Shurley.

MRS. KELLEY ENTERTAINS PASTIME CLUB THURSDAY

Mrs. R. B. Kelley entertained the Pastime Club in her home last Thursday afternoon. Arrangements of fall garden flowers decorated the party rooms and she served apple pie a la mode with coffee.

Mrs. J. A. Cauthorn and Mrs. Ella Wallace made high scores for members and Mrs. Karern Peterson made high score for guests.

Also attending were Mmes. Joe Berger, Charlie Hull, R. V. Cook, Robert Rees, C. E. Stites, Lee Labenske, O. G. Babcock, Rose Thorp and J. W. Trainer.

Mr. and Mrs. Darcy Carroll, University of Texas students, spent last weekend in Sonora guests of their parents, Mr. and Mrs. Arthur Carroll and Mr. and Mrs. A. B. Hightower.

The state salary schedule should provide a beginning salary of \$4,000 for the four-year college graduate based upon ten months of service. A minimum beginning salary of \$3,800 would be paid for nine and one-half months of service. Annual increments in the amount of \$100 for each year of teaching service should be added to the bachelor degree base. The beginning minimum base for a master degree should be \$4,200. To this would be added \$100 per year for each year of teaching service through the first 12 years and \$200 per year for each additional year over 12.

Provision should be made for
