PROCLAMATION

BE IT PROCLAIMED:

WHEREAS, burglary is a constant hazard in our City, the State of Texas, and over the Nation:

WHEREAS, burglary causes such loss of property, personal valuables, and in many instances bodily harm, and

WHEREAS, the individual can take preventive measures to discourage the crime of burglary:

NOW, THEREFORE, I, A. E. Prugel, Mayor of Sonora do therefore join with Governor Price Daniel and proclaim that the week of April 30th through May 6th be observed as

BURGLARY PREVENTION WEEK in our City. I ask all citizens of Sonora to aid and assist the Texas Police Association by doing all that is possible to discourage and prevent burglary, and loss from burglary, by taking the safety precautions recommended by the police department.

IN WITNESS WHEREOF, I have hereunto set my hand, and have caused the Seal of the City of Sonora to be affixed this 25th day of April in the year of our Lord Nineteen Hundred and Sixty-One.

Annual Race Meet Opens April 29 With 2 Weekends Of Top Racing

Mrs. Nettie Marion, Sonoran's Mother, Buried Friday

Funeral services for Mrs. Nettie Marion, 89, were held Friday afternoon, April 21, in a Greenville funeral home. Mrs. Marion died in Greenville Wednesday night, April 19.

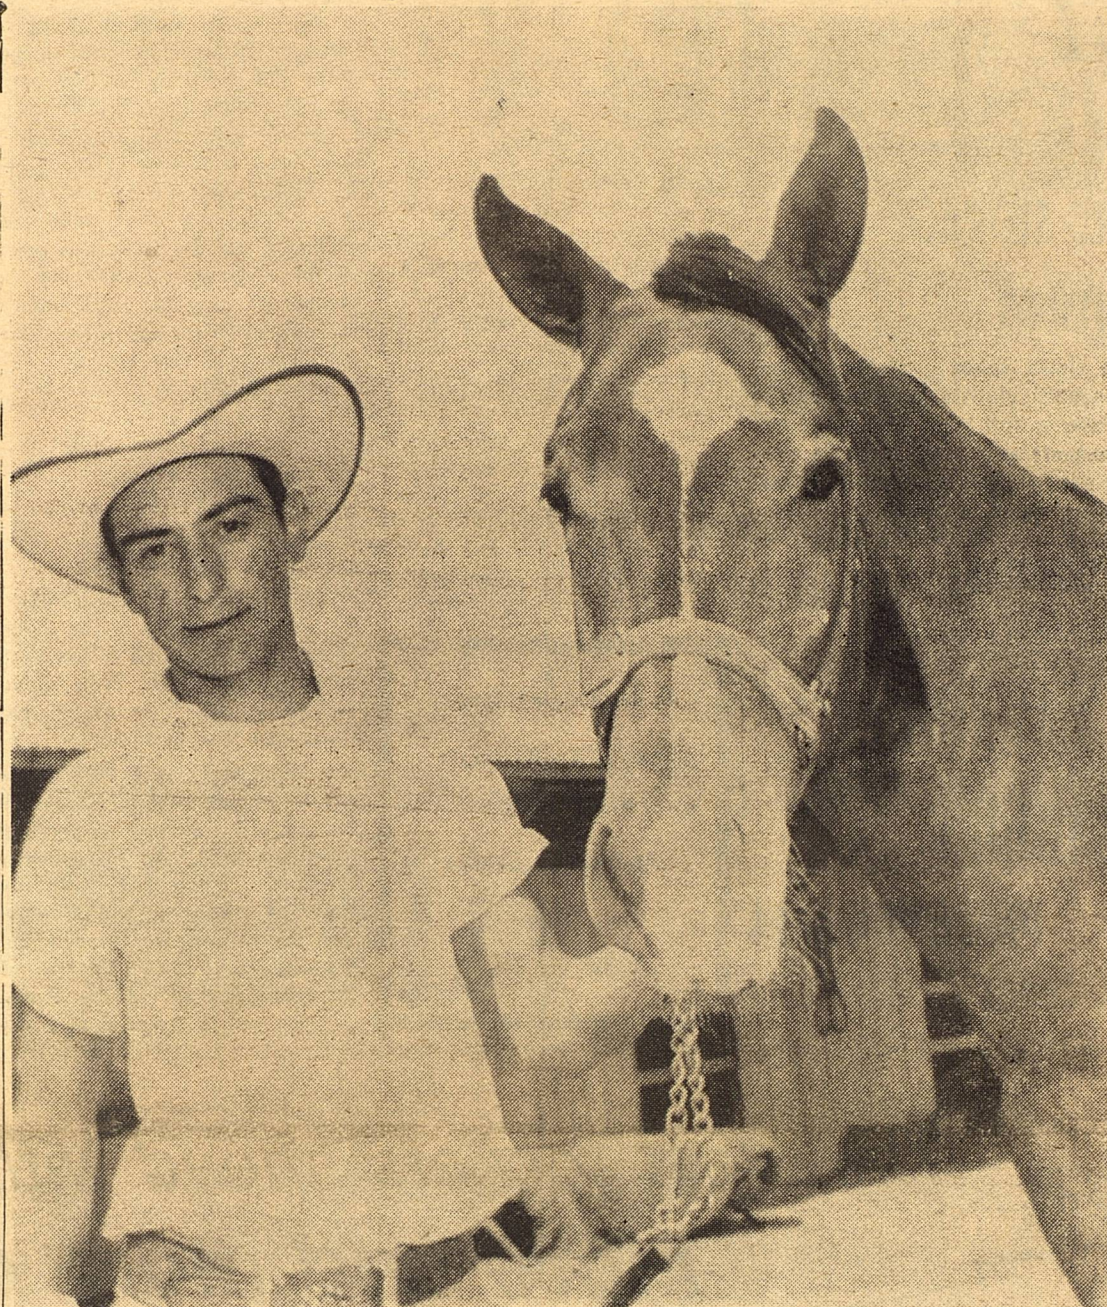

She is survived by two sons, Frank Marion of Greenville and Vernon Marion of Sonora.

Interment was in East Mount Cemetery.

Adams Retiring As Nightwatchman

Sam Adams has announced that he will retire as city nightwatchman on May 1. Adams has held the position of nightwatchman for 13 years.

Manager of City Utilities R. M. McCarver has announced that F. M. Mayhew will assume Adams' duties on May 1.

Sonora's annual spring race meet will open here Saturday, April 29, with eight races scheduled the opening day and at least six daily the remaining three days of the meet. The event, which runs this weekend and next, will include the third annual Quarter Horse Futurity. Finals in the event are slated for Saturday and Sunday, May 6 and 7.

RECORD ENTRIES

At least 136 horses, both Quarter Horses and Thoroughbreds, will be here, many of them consistent winners throughout the nation. This is the largest number of entries and the best qualified in the history of the event. Entries come from eight states.

A capacity crowd is expected both weekends.

FUTURITIES

More than 50 promising young race horses are entered in the Quarter Horse Futurities. The Sonora Park and Horse Show Association, which sponsors the annual meet, will award a blanket to the Futurity winner.

Winner in last year's Futurity was Lady Miers, owned by W. L. Miers of Sonora.

DERBIES MAY 7

The Sonora Thoroughbred Derby and the Sutton County Derby will be run Sunday afternoon, May 7, with \$200 in added purses in each event. Ruidoso Downs will award a blanket to the Sonora Thoroughbred Derby winner. Regular races will have \$100 in added purses.

TRACK IN GOOD CONDITION

The track is reported in top condition and ready for the event. Many additional improvements have been made including additional box seats and a new paddock located at the north end of the grandstand.

Duke Wilson is president of the sponsoring organization and Wesley C. Young is track chairman and head steward.

Former Resident Dies In Corpus

Word has been received here of the death of Mrs. Lewis Mayfield, a former Sonora resident. Mrs. Mayfield died in Corpus Christi Monday, April 24 and services were held Wednesday morning, April 26.

She is survived by one son, Jack Mayfield of San Antonio, formerly of Sutton County, two daughters and several sisters.

Traveling the greatest distance to enter the third annual Sonora Quarter Horse Futurity is Barblo Twist, a mare owned by David Seeley of Osage, Wyoming, and under contract to Hoss Inman of Lamar, Colorado. The jockey who will ride her in the event is shown with the young mare.

Letter Praises Band Conduct

Superintendent of Schools Rex W. Lowe this week received the following letter from Paul J. Lewis, superintendent of schools at Garwood, Texas:

Dear Mr. Lowe: I have always believed that one of the best criteria for judging a school is by the conduct of its students. This, in my opinion, is especially true when the students are on trips away from home.

I stayed at the Crockett Hotel in San Antonio this past weekend where your band members were staying. The behavior of your boys and girls was above reproach. They are a credit to your school and town.

Sincerely,
Paul J. Lewis.

Saturday Deadline To Apply For Incentive Checks

Deadline for filing and signing 1960 shorn wool and unshorn lambs applications for incentive payments is April 30, 1961, according to Mrs. Marie K. Ellis, Sutton County ASC office manager. Mrs. Ellis says all sales documents received in the office for shorn wool and unshorn lambs sold in the marketing year from April 1, 1960 to March 31, 1961 are now ready for producers' signatures.

Those producers who have not turned in their sales documents are reminded that these must be in the original. In case the original document has been lost, a certified copy may be presented.

Little League Season Opens Tuesday Double-Header To Start At 5:45

Everything is about ready for placed.

The first game will start a League season, according to League Director Oliver Wuest. Wuest announced that ten yards of sand, five yards of it donated by W. W. Renfro, has been spread on the field, repairs are being made to the backstop and some \$320 worth of field lights knocked out since last summer are being re-

The first game will be between the Yankees and Tigers and will start at 5:45. The second game, between the Cubs and Giants, will begin 15 minutes after the completion of the first game, but not later than 7:30.

Umpires signed up to serve this season are Clayton Hamilton, Jackie Sharp, Charles L. Haines, Pat Brown, Fred Kemper and Jessie Villarreal. Anyone who would like to act as umpire is urged to contact Wuest.

Devil's River Philosopher Advises Big Cities That Problems Won't End When They Get New Department

Editor's Note: The Devil's River Philosopher on his bitter-sweet ranch on Devil's River lets international problems slide this week and discusses city affairs. Dear editor:

According to a news article I found squeezed in between news about all the whooping and holering and threatening to shoot now going on in the world, President Kennedy, in between international crises, has asked Congress to create a new department of the government to be known as the Department of Urban Affairs, with cabinet rank. Its purpose is to help cities deal with their growing problems, it was announced, sort of like the Department of Agriculture has been helping us ranchers for years.

As I understand it, big cities are all in favor of this new Department, but I would like to give them just one word of advice, with the understanding of course that when somebody offers one word of advice it's usually a lot of words.

Now it's true that cities have a lot of problems and they're growing more numerous and probably worse all the time and certainly something ought to be done about it and if San Angelo and New York can't handle their

problems, it seems natural, if unplanned by the founding fathers, for them to turn to Washington.

But here's what I was thinking: these big cities shouldn't get their hopes up too high. I mean, after they get a Department of Urban Affairs set up and going strong, they shouldn't give a sigh of relief and figure they've got smooth sailing.

The Department of Agriculture has been working on us ranchers' problems for years and so far we've managed to stay at least fifteen problems ahead. I don't know where we'd be without the Department of Agriculture, no doubt in much worse shape except for one or two periods in there, but as a man from a group with some experience with a special Department in Washington, I'd like to suggest to the big cities that the problems won't go away as soon as their Urban Department is created. It may be years before their Department can solve their problems. Say two million.

Yours faithfully,
J. A.

Saltwater Fish Moved To Pecos

Another stocking of saltwater fish has been made in the Pecos River, near Imperial, it has been announced by Marion Toole, director of inland fisheries, of the Game and Fish Commission.

A truck carrying several hundred shrimp, croakers, 150 small redfish, and a number of speckled trout, was sent from the coast to the Pecos. These fish were the result of seining by the Commission for redfish, for introduction into the Pecos River. Because of the saline content of the Pecos, it is believed that redfish in parti-

IN THE YEAR OF

September 14, 1895 Thomas Bond, the well-known ranchman was coming to Sonora on horseback Tuesday, when he was overtaken by Dr. Robt. Dickinson also bound for Sonora and driving one of his fast teams. Mr. Dickinson asked Mr. Bond to ride with him which he did, leading his horse behind the buggy. Having gone some distance Mr. Bond's horse stopped and the rope which was coiled up in the bottom of the buggy became entangled around Mr. Bond's feet and he was pulled from the buggy turning a somersault and hitting the ground on his hip. The News is sorry to say Mr. Bond was badly hurt but not seriously injured. He was brought to Sonora and made as comfortable as possible at the Decker Hotel. Mrs. Bond was sent for and is now caring for her husband.

The Methodist protracted meeting is being satisfactorily attended.

Several new buildings will be built in Sonora this fall. The plans for same are being drawn.

September 21, 1895 Sutton County's jail is empty. Not many counties on the frontier can show as clean a record as Sutton.

The Baptist protracted meeting opened at the church Wednesday night with that eloquent and earnest divine Dr. Robnett of Brownwood in the pulpit. In anticipation of a large attendance at these meetings the services will be conducted in the court house. The meeting will continue all next week and probably close Sunday the 25th.

C. T. Turney was in town this week and reports that the hill this side of his ranch has been worked and put in a passable condition.

The petit jurors had an easy time this term not having to try a case and only having to answer the roll call four times.

This has been going on for some time, and several good redfish catches have been reported.

The West rockets ahead with more and more energy from natural gas

Ten-Year Population Growth Figures from U.S. Census, 1950 and 1960.

Growth and expansion continue to be the two big activities in the West—both for the people who live and work and play in this booming region, and for El Paso Natural Gas Company which supplies natural gas to so many of them for so many purposes.

Much of the story in detail is in the Company's Annual Report for 1960, just out.

The growth part of the story for El Paso, in a sentence:

In 1960, El Paso furnished customers in 11 Western states more than 1¼ trillion cubic feet of gas—an all-time record and over four times as much as was delivered just a decade ago.

The growth story in the 11 states is a climb in population to a total of 35,718,636 (1960 census), up 33.9 per cent in the past 10 years and still rocketing.

As for expansion—Demand for El Paso's services and products by long-time customers keeps increasing as families and communities and businesses grow. Then add the millions of new people, more new businesses and all their needs. Add, too, the ever-increasing realization by everyone of the economy and conveniences of gas as a source of dependable energy for a multitude of uses.

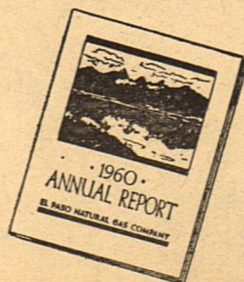

And El Paso is expanding to meet this need. To supply its customers—including such growth areas as California—it has developed the most diversified gas supply of any company in the nation. Today, El Paso's pipelines are connected with the principal producing areas of the West and Southwest, in addition to vast reserves in Canada.

The Company's Annual Report reviews a number of important projects recently completed, and reports progress on others from Canada to the Mexican border.

Fisher Writes On Wool Act Extension Castro's Future

By Congressman O. C. Fisher — EXTENSION OF THE WOOL ACT, which expires in another year, was considered by the Agriculture Committee of the House this past week. Penrose Metcalfe of San Angelo, President of the National Wool Growers' Association, and Charles Schreiner of Kerrville, were here to testify in support of the extension. I also testified, as did a score of other Congressmen.

This law, which has been in effect since 1954, has worked out very well. It is an incentive program, designed to achieve higher production of wool in this country. The program is financed by funds derived exclusively from duties on imported wool and wool products.

Prospects for extension appear to be good. But it now appears likely that the committee will include the extension in a major farm bill, due to be considered by that committee in the near future.

CASTRO'S FUTURE is by no means secure despite his success in repulsing the abortive invasion by Cuban patriots. Czech machineguns, Soviet jets and tanks did the trick, while the Police State arrested some 50,000 Cubans, including a hundred Catholic priests, known to be anti-communist.

President Kennedy's firm policy announcement remains to be translated into action. Just what form it will take remains to be seen, as the immediate future unfolds. Around Congress there appears to be a solid front of support for any firm and positive action the President may choose to pursue, designed to protect us and the Western Hemisphere against the Communist beachhead now well established in the Krem-

lin's most recent satellite—Cuba. Certainly the security of the United States is involved in the Russian penetration into the island that lies only 90 miles off our shores.

Headlighters Top List Of Arrests

Headlighters continued to lead the list of game violators during the month of February, according to the report of Captain E. M. Sprott, director of law enforcement of the Game and Fish Commission. There were 36 arrests for this illegal hunting method.

Fines assessed in justice court ranged from \$50 to \$200 each, and hunting licenses were revoked by the courts.

Four men also paid fines of \$200 each for possession of live young oysters taken from Gulf waters in violation of the conservation laws.

During the short month there were 265 arrests. Failure to possess hunting and fishing licenses was the principal offense. There were 34 arrested without hunting and 40 arrested without fishing licenses.

TEXAS LAWYERS
SAMUEL H. WALKER
Ranger, Fighter, Scout
He was the "Colt revolver man"

History doesn't record how many early-day outlaws were delivered to the calabozo by live, healthy Texas lawmen... because Samuel Hamilton Walker knew how to design a gun. He had come to Texas in 1836, to join Captain John C. Hays' company of Rangers and soon distinguished himself for coolness and courage. In 1839 he was sent to New York to purchase arms for the young Republic. There he met Samuel Colt. Walker suggested certain changes in Colt's popular "Texas model" revolver, and successfully modified the pistol that made frontier history as the Walker-Colt. In the Mexican War years, Walker served as a fighter and scout, penetrating deep into embattled Mexico. He was at Mier, in Mexico, and was captured in that disastrous battle, escaped, was recaptured and survived the infamous death lottery, the Black Bean Episode. Only 37 years old, he was killed on October 9, 1847... the first of many Walkers who have brought military honor to Texas!

Texas could never have become a great state without the courage and devotion to duty of her lawmen... nor without the commerce and industry that have provided prosperity and the good life. The brewing industry, too, has had a part in this development. Providing payrolls and the pleasures of moderate beverages, revenue and relaxation... "beer belongs." The United States Brewers Association is constantly at work with brewers, wholesalers, retailers and local authorities to assure the sale of beer and ale under pleasant, orderly and law-abiding conditions.

Get in on Chevy's brand of savings at your Chevy dealers

TRUCK ROUNDUP

Western star Roy Rogers spreads the good word for your local dealer! "Right now he's making it easier than ever to own America's easiest riding truck. That's Chevy—the truck that saves you plenty with its special brand of Independent Front Suspension."

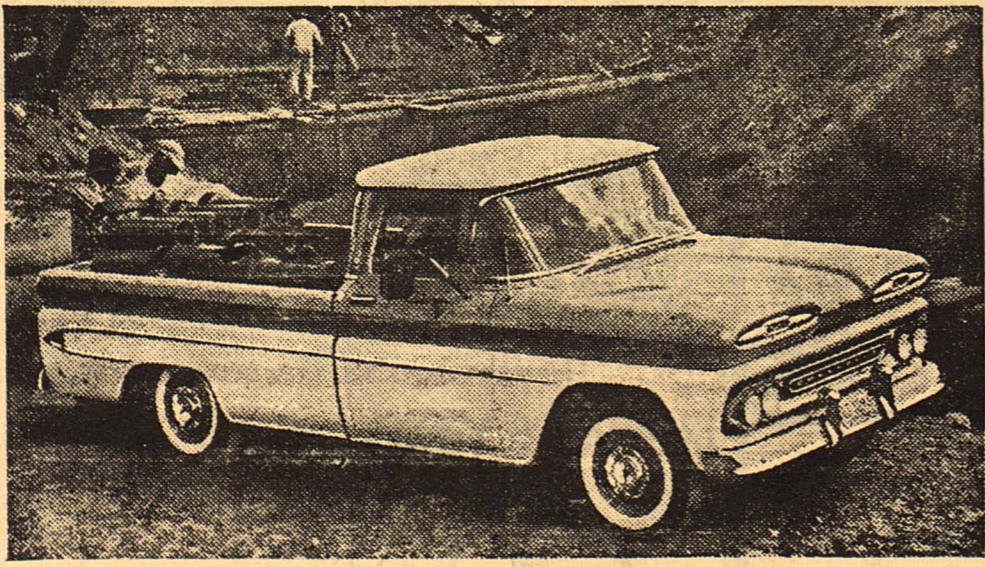

Chevy's hefty Jobmaster 6, standard in Series 60 middleweights, is known far and wide for its fuel-saving performance.

Just pick the model that fits your job and you can be sure you're putting your truck dollars where they'll do the most good. You'll get a super-efficient power to capacity ratio, a truck that's Sturdi-Bilt clear through, a king-size cab to keep your driver happy. And savings that just naturally go along with Chevrolet's I.F.S. ride.

You save on maintenance costs. I.F.S. lengthens truck life and protects cargoes by soaking up as much as 78% of all objectionable road shock and vibration. Your truck keeps working for extra thousands of miles! How in the world can you go wrong! Especially now—during truck roundup time!

CHEVROLET I.F.S. TRUCKS

Chevy's famous Thriftmaster 6 does the saving in this Fleetside model. It's the most highly respected truck 6 ever put under a hood. It's best known for economy and

dependability—for pulling more loads over the years than any other truck engine. The 135-horsepower 235-cu.-in. Thriftmaster's standard in all Chevy pickups.

LIONS ROAR

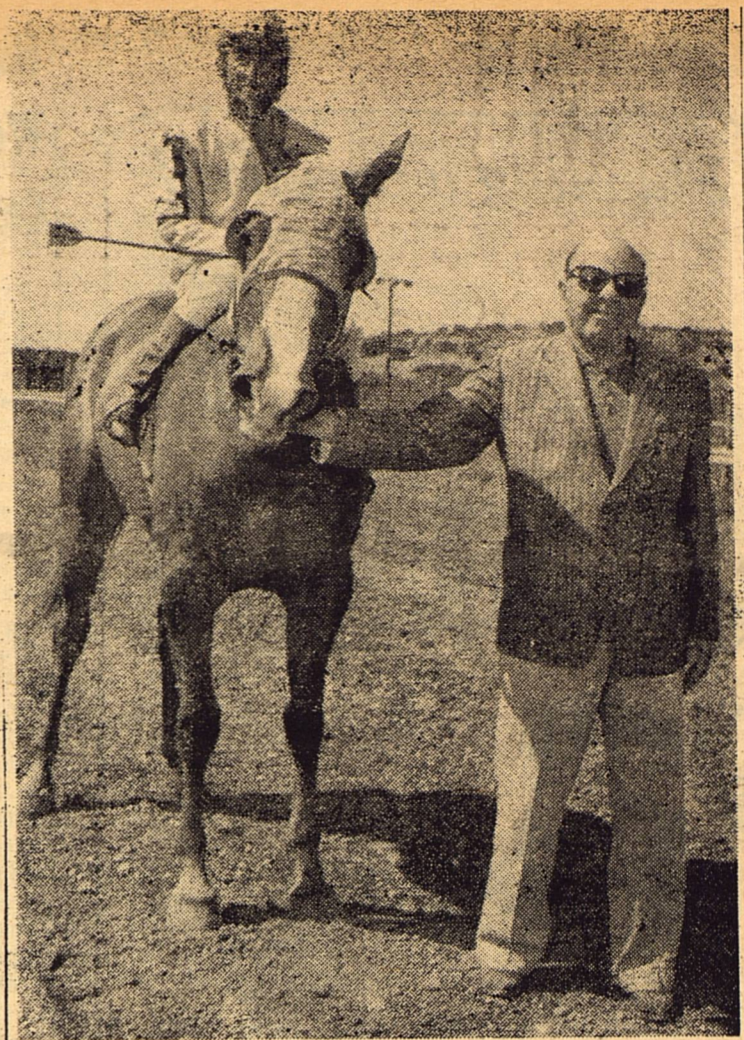

The girls' chorus from Sonora High School presented a choral program for members of the Sonora Lions Club at their Tuesday luncheon meeting at the First Methodist Church this week. Under the direction of Mrs. A. E. Prugel and accompanied by Mrs. James Wilson the group sang "The Lord's Prayer", "Some Enchanted Evening" and "Look for the Silver Lining".

A group of members of the Eldorado Lions Club was present, bringing "Leo" the stuffed lion which the Sonora Club will later take to another Club. Those from Eldorado were: John Stiegler, president; and Douglas Du Bose, Charlie Hahn, Henry Speck, Jr., and Vernon Rogers.

Lions President Joe Nance announced that new officers will be elected at next week's meeting and will be installed on May 16.

Other guests present included Wayne Beaty and Martin Boone of San Angelo.

The record of drivers between the ages of 18-25 improved during 1960 but they still were involved in nearly 28 per cent of all fatal accidents—twice what their numbers would warrant.

Winner of the 1960 Quarter Horse Futurity was Lady Miers owned by W. L. Miers of Sonora. Lady Miers was recently among the winners at the South Texas Race Meet at Goliad.

YOUR MINISTER SAYS

By Rev. Allan Guthrie
"Which of these three, do you think, proved neighbor to the man who fell among the robbers?" (Luke 10: 25-37).

Herbert Butterfield, the distinguished historian of Cambridge University, has written that Christianity gave to Western Civilization a precious quality of humaneness which is to be found nowhere else in history. Certainly humaneness was a quality of the life of Jesus. Certainly His teaching points to it as an indis-

pensable quality of discipleship. The story of the Good Samaritan is one of many passages in Scripture which reminds us of the very great importance of humaneness. Humaneness is not the whole of the Christian life, but no life of faith is sound or safe which does not express this quality. In these days when brutality is on the increase throughout the world, the Bible calls us to humanity of outlook and action. Jesus confronts us with the question, am I a neighbor?

MRS. HAMILTON HOSTESS TO TWICE TUESDAY CLUB

Mrs. Clayton Hamilton was hostess to members and guests of the Twice Tuesday Bridge Club at her home this week. Spring garden flowers were used in decorating and refreshments of a salad plate and iced tea were served.

Prizes were awarded to Mrs. George Wallace and Mrs. Jerry Hopkins for high score, Mrs. Nolan W. Johnson and Mrs. Gene Wallace for bingo and Mrs. Jerry N. Shurley won the traveling prize.

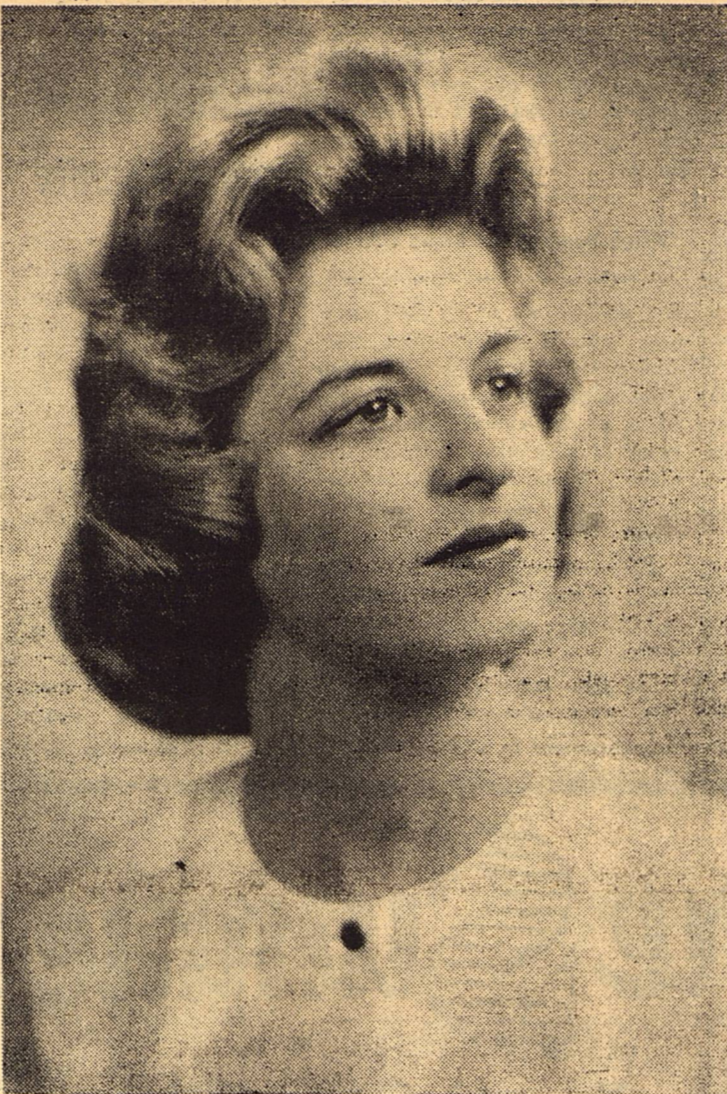

Guests present were Mmes.

Jerry Hopkins, Gene Wallace, R. W. Wallace, A. E. Lowe and Bill Morriss.

Club members attending were Mmes. Nolan W. Johnson, D. C. Langford, W. A. McCoy, Cleveland Nance, Robert Pfluger, David D. Shurley, Jerry N. Shurley, Tommy Smith, Bill Tittle, George Wallace and Louis Wardlaw.

Guests of Mr. and Mrs. Jack Drennan are their daughter, Mrs. Raymond Mittel, and children Keith and Theresa of Pep. The Drennan's son, Pfc. Roland Drennan of Fort Hood, spent last weekend here with them.

Engagement Announced

Miss Clare Perkins

Mr. and Mrs. Clarence W. Perkins of Alice have announced the engagement and approaching marriage of their daughter, Margaret Clare, to John Thomas Ratliff, son of Mr. and Mrs. J. T. Ratliff of Eldorado, formerly of Sonora. The wedding will take place Friday, June 2 in the First Methodist Church in Alice.

Miss Thomas is a graduate of the University of Texas and is now employed as a legislative secretary in Austin. She also attended the University of Mexico, the University of Madrid and Texas College of Arts and Industries. At the University of Texas she was a member of Pi Beta Phi social sorority and Orange Jackets, women's service organization.

The bridegroom-elect is a graduate of Sonora High School and holds a bachelor of arts degree from the University of Texas. He is a senior law student at the University where he is a member of Phi Gamma Delta social fraternity, Silver Spur, Friars and Phi Delta Phi legal fraternity. He is comment editor of the Texas Law Review.

Studies compiled by The Travelers Insurance Companies show that traffic violations can be blamed for 2,600,000 injured and more than 30,000 deaths on our highways during 1960.

MRS. AWALT ENTERTAINS THURSDAY BRIDGE CLUB

Mrs. A. W. Awalt entertained members and guests of the Thursday Bridge Club at her home last week.

Mrs. Bailey Renfro held high score for guests and Mrs. Rose Thorp for club members. Mrs. C. E. Stites won consolation and Mrs. Maysie Brown won at bingo.

Refreshments of a sandwich plate and iced tea were served those named and Mmes. Laura Trainer, Karen Peterson, R. V. III, Billy Wayne Smith, Jerry Cook, O. G. Babcock, Joe Berger, R. B. Kelley, Lee Labenske and Jim Cauthorn.

HOUSEWARMING THURSDAY HONORS MRS. PAT COOPER

Mrs. Pat Cooper was honored with a surprise party and housewarming at her new home last Thursday evening, by members of the faculty of L. W. Elliott School.

A covered dish supper was served and everyone brought gifts for the new house.

MRS. LOEFFLER TO HAVE RECITALS SUNDAY, MONDAY

Mrs. S. M. Loeffler will present her piano pupils in two recitals next week. The first will be at the elementary school auditorium at four o'clock Sunday, April 30. Advanced students will be presented in recital at the auditorium at eight o'clock Monday evening, May 1. Participating will be Jo Ann McReynolds, Jo Bess Vander Stucken, Alice Lee Duncan, Betty Jack Cooper, Gil Allison, Joe Lopez, Kay Campbell, Patricia

Sutton Bond Sales

Reach 14.8% Quota, Says Jack Neill

Sales of E and H Saving Bonds in Sutton County for the month of March totaled \$1,168.00, according to George H. (Jack) Neill, county saving bonds chairman. Total sales in the county for 1961 amount to \$12,852, or 14.8% of the county's \$80,000 quota.

Sales in Texas for March totaled \$12,574,391, or 25.7% of the 1961 goal of \$165,100,000.

Speed is still the number one killer on our highways. During 1960, 10,970 persons lost their lives in accidents blamed on speed. More than 1,000,000 were injured.

JACK BENNY WILL BE HONORED by the concert world for his many benefit performances. The tribute, CBS's "Carnegie Hall Salutes Jack Benny," is now being taped for broadcast in the fall. Joining Benny will be pianist Van Cliburn, violinist Isaac Stern and the Philadelphia Orchestra conducted by Eugene Ormandy... Mrs. Eleanor Roosevelt will serve as consultant and commentator on ABC's series covering her husband's years in the White House. Plans call for Ben Feiner, producer of the Churchill series, to have the Roosevelt series ready for the 1962-63 season... Millie Perkins, star of "The Diary of Anne Frank," will make her TV debut in a forthcoming Wagon Train episode, co-starring with her husband Dean Stockwell.

HALFWAY THROUGH THE TEST FILM for the proposed *Some Like It Hot* series, Jack Lemmon and Tony Curtis, reprising their movie roles, will visit a plastic surgeon to change their appearance. Then they'll turn over their roles to Vic Damone and Dick Patterson, who'll star in the series... Rod Serling's Emmy winner, "Requiem for a Heavyweight," goes before the movie cameras in the fall, with Anthony Quinn as the star... Jackie Cooper will appear in Mickey Rooney's picture "Everything's Ducky" in return for Rooney's appearance on *Hennessey*... NBC's 100-odd specials for next season include 40 news and information documentaries, all of them to be scheduled in prime evening time... Some never-seen film of Polish and Yugoslavian World War II underground activities will be spotted in a forthcoming episode on ABC's Winston Churchill series.

LAWRENCE WELK VACATIONS FOR EIGHT WEEKS this summer. Filling in as replacement will be new taped Welk shows plus four reruns. All other ABC prime-time summer fare will be reruns... Gian Carlo Menotti's first non-musical work, a 90-minute play titled "The Choice," will be televised as a CBS special next fall... Cliff (Charlie Weaver) Arquette, resident of Gettysburg and a Civil War buff, is the man behind the plans for a "showmanship-type" museum of American history in Washington, D. C... Fractured Flickers is out as a *Hennessey* replacement and New Faces is in. Leonard Sillman, who produced several "New Faces" reviews on Broadway, will also handle the TV production.

Weather Factor Important For Good Game Crop

The coming season's game crop will be fairly well established during the next few weeks, subject to weather conditions, according to H. D. Dodgen, executive secretary of the Game and Fish Commission.

Reports received in his office indicate that drought conditions have prevailed for several weeks over some of the best game area in the State. Up to now, large game hasn't suffered too much from the lack of food. However, rain is badly needed over a great deal of the range.

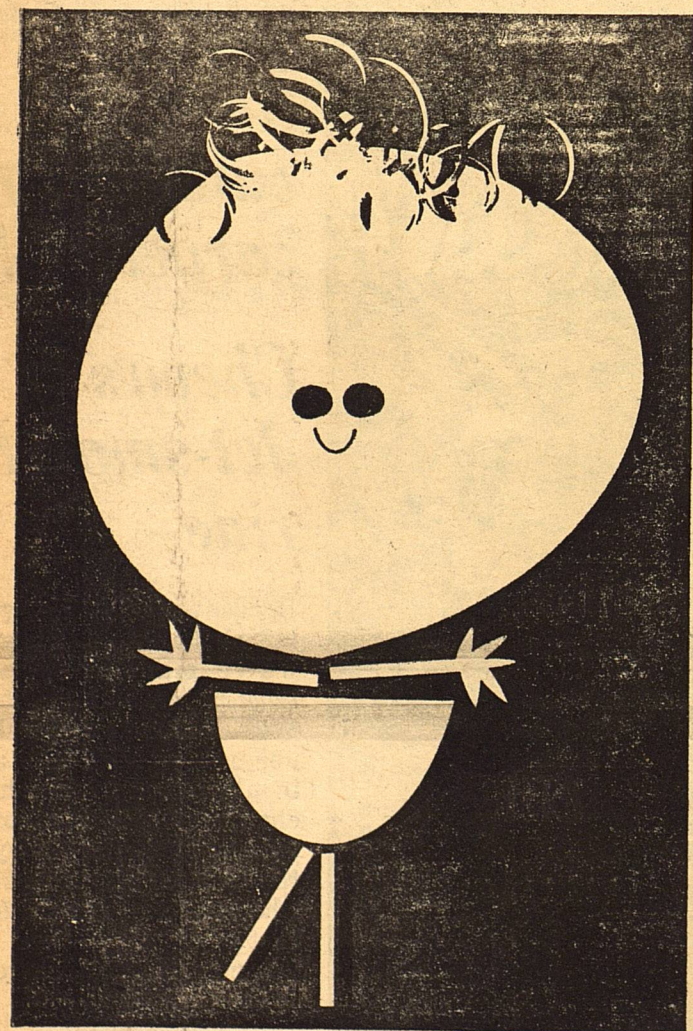

Field personnel have reported to the Austin office that there

has been comparatively little pairing off of mourning doves, and that there is still a large concentration of doves in South Texas. Quail are beginning to pair off, and if nests are not destroyed by early summer flash floods, there is a possibility of a good quail crop again this fall.

Practically all the waterfowl on the coast have migrated northward to the summer nesting areas. This also goes for the whooping crane colony at Aransas Wildlife Refuge. Information from the refuge this week indicates only three birds are left there, of the 36 which wintered on the refuge.

Studies made by The Travelers Insurance Companies show that the safety record of commercial vehicles is far better than the private passenger car.

Humans Warned Young Wildlife Better In Woods

Don't pick up young of the wild. This is the warning of Capt. E. M. Sprott, director of law enforcement of the Game and Fish Commission.

This is the time of the year when many babes of the woods stroll out in the open. They are tame and curious, and there is a tendency on the part of most people to take them home.

In the first place, according to Capt. Sprott, this is illegal. Just as important is the fact that the wild can take care of itself a tree.

Pedestrians crossing the street didn't make it on more than 170,000 occasions during 1960. Dead after being struck down by a car were more than 5,000 persons while more than 165,000 were injured.

out, where lives of animals have been saved and landowners take care of them after something has happened to the mother. However, when an individual picks up a fawn or any other animal and takes it home, the animal actually has much less chance of surviving.

He also warns against raiding bird nests, although this practice has decreased in recent years.

Anglers Given Reminder About Fishing Permits

This is the time of the year when many fishermen get caught without licenses, according to Capt. E. M. Sprott, director of law enforcement of the Game and Fish Commission.

In the arrest report for the month of March, there were 111 persons who were arrested for fishing without first buying the regular \$2.15 license required. This license is required for all persons between the ages of 17 and 65, who fish outside their home county, or who fish with any type of winding device, such as rod and reel, regardless of where they fish. The \$2.15 license

applies to residents and non-residents alike. It can be bought in practically all sporting goods stores and many other places throughout the State.

Game wardens also arrested 27 night hunters during the same period of time. Although several were arrested for netting violations, no arrests were made during the month for "telephoning" fish. In all, there were 245 arrests which netted fines and court costs of \$5,929.40.

The law enforcement director warned that with the approaching summer months, all fishermen should be careful to have their required licenses. While persons over 65 years of age are not required to have a license, there is an exemption certificate available for asking, and it is good to have one of these in possession because it properly establishes the age when the fisherman is checked by a game warden.

Telecast on Shelter

How civilian Americans might fare in a fallout shelter during or after enemy attack will be dramatized for the public for the first time on April 26. The "Armstrong Circle Theatre" telecast, scheduled for 10 p.m. (EST) and titled "Briefing from Room 103," will authentically depict the experiences of 30 persons who spent two weeks in a Pittsburgh shelter. Frank B. Ellis, Director of the Office of Civil and Defense Mobilization, will speak to the American people at the conclusion of this unusual dramatization.

The record of drivers between the ages of 18-25 improved during 1960 but they still were involved in nearly 28 per cent of all fatal accidents-twice what their numbers would warrant.

The Way to Fight Cancer

ROBERT Frost once wrote about two roads that diverged in a woods and he "... took the one less traveled by, And that has made all the difference." I thought about these lines the other day when a touch of spring in the air made me feel how good it was to be alive.

Arthur Godfrey

When that pain — which turned out to be cancer — developed two years ago, I had a choice of two roads. One was to live with my pain a little longer — to "wait and see"; the other was to go to a doctor. I did consider the "wait and see" road, but not for long. I took the other. "And that has made all the difference." I took the road "less traveled by" — and it is "less traveled by" because a great many people do not know Cancer's Seven Danger Signals and do not have an annual health checkup. Now the road I am talking about is the road that if followed takes you to your best protection against death from cancer. And if some 45,000,000 Americans now alive — that's the number who will develop cancer if things go on as they are — do not take the road "less traveled by," their chances of dying will be greater. So take the road to better health and life. It is your responsibility; the family's responsibility. The danger signals of cancer and the annual health checkup should be as much a part of your health program as eating and sleeping. They will not only lead you to better health but to a great deal more happiness. They will eliminate a lot of worry and it could stop a lot of heartbreak and financial stress. Know the danger signals; have that yearly health checkup. Let's make the "less traveled by" road the "most traveled by!"

An Open Letter To Our Sonora Customers

The changeover of Sonora rural lines from magneto to dial service is progressing on schedule. All company owned lines and the majority of customer owned facilities are completed and will be ready for dial service by May 1, 1961 deadline. Additional central office equipment has been installed in readiness for the new rural service.

New telephone directories will be distributed approximately June 5. Dial numbers for rural customers will be listed in the new directory. Only Sonora and Eldorado listings will be included in the new phone book. Eden, which has been part of the Sonora directory in the past will become part of the September 1961 San Angelo directory. In June, 1962, Sonora listings will be in the same directory with those of Eldorado, Ozona, Texon, Barnhart and Big Lake.

All Sonora customers will be provided with a list showing the change of number from the present rural numbering plan to dial numbers. This list is to be used until new directories are distributed.

On May 1, the Sonora traffic force will be relieved of duty as the manual switchboards are made inoperative. Some of the telephone operators will transfer to the San Angelo Traffic Department. Information service for rural numbers will be provided to calling parties.

Due to some delayed customer notification of plans to abandon customer owned facilities and gain service from company owned lines, several lines will require regrouping and number changes. Approximately 25 rural customers will thus have temporary dial numbers from May 1 until additional carrier equipment is received from the factory and installed.

We wish to express our appreciation for the cooperation displayed in making this dial modernization possible. It is sincerely hoped that all Sonora subscribers will benefit from and enjoy this improved service.

CHAMBER OF COMMERCE COMMENTS

MISS WOOL has been to town and left a nice impression. She is the only young lady to have taken a swim in the Caverns of Sonora, she is a brilliant mistress of ceremonies and lends great dignity and prestige to the wool industry of America. Those other 20 candidates were real competitors and we don't envy the judges' job. Their selection of Gayle Hudgens of New Mexico was popular in Sonora even though most of us were pulling for Jean.

Reports from San Angelo indicate the girls enjoyed their visit to Sonora and insisted that this trip be put on the annual program. We're highly pleased.

FIRE? A question has come up, what to do in case of fire, particularly a grass fire. You heretofore called the operator who turned in the alarm. The operator you get on the line after May 1 might be a great distance from the scene of the fire, San Angelo the nearest. Our local fire department is trying to work out a system.

SOMETHING NEW- George Barrow is giving a watch and engraved belt buckle this year, and annually hereafter, to a jockey for a sportsmanship award, as determined by the judges. Cleanliness in appearance and in riding, refraining from rough stuff and all around sportsman-

ship will be paramount in making the decision.

HOUSES- Sonora has gained three houses which will relieve our unfurnished house needs. Carl Cahill bought the five houses offered by the Humble Pipe Line Co., moved one to his ranch, sold one to the Caverns of Sonora and three are being moved to Sonora, having been sold to Oliver Wuest, Charles Land and Burt Holley. These house are nice, large, well built houses.

CONGRATULATIONS to the many merchants who have decorated their windows for the Race Meet. As this is the biggest activity Sonora has each year it is only proper and fitting that Sonora go all out. The Race Meet covering two weekends brings much outside business to town and as this is the largest race meet in Texas, with the Quarter Horse Futurity, much prestige is gained.

CAVERN NEWS- Activities at the Caverns of Sonora are picking up with warmer weather. Many out of state people are stopping by and all are amazed at the underground attraction. The Cavern management is frantically looking for an elevator as an exit for the tunnel completion can't be before Fall. The extension of FM 1989 is progressing nicely. This road will take off the county maintenance system more than one half mile and will bring paving one half mile nearer the Cavern.

GOLD- The Sonora Golf Assn. is true. Some preliminary work has been done on the proposed course, an engineer is due and before long people driving over the San Angelo road will be amazed in seeing several beauti-

George Barrow To Present Jockey Award

George A. Barrow of Barrow Jewelry will present the first of a proposed annual Sportsmanship Award to the outstanding jockey of the spring race meet here. Barrow's award will be a 30-jewel gold watch and will be presented to the jockey selected by the judges to be most deserving.

The award will be based on sportsmanship, sportsmanlike conduct both in racing and at other times, and cleanliness of conduct and appearance.

fal grass greens. It is planned to put six holes south of the highway and three on the north side. Two driving ranges will be installed north of the El Paso well and a putting green nearby.

Much interest is being manifested by local people and by citizens of Eldorado and Rocksprings. The proposed golf club appeals to parents of teenagers a lot for there is no cleaner, healthier or more wholesome sport than golf. For membership see Son Allison, Harold Scherz, Bob Teaff or H. V. Stokes. The list might be closed at 100!

KICK OFF- The West Side Lions Club of Sonora had their first regular meeting Tuesday evening at the Commercial Cafe. With 25 of their 26 members present, several from San Angelo and from the Sonora club, plans for their Charter night were made. Santos Lopez said, "We are green but green things grow," so that is their program. Charter Night is May 11.
