FIRST WEEK

Fashion Designer, Male Model To Give Style Preview Saturday

"Bronco" Blondy Cross paused long enough in his coverage of the Sonora-Menard football game Friday night to have his picture made. Blondy, who has covered sports for the San Angelo Standard-Times for years, was wearing the sweater presented him in 1954. "The elbow patches wore out once and I replaced them," Blondy told us, "but they're about gone again."

Wallace, Neely, Mears Presidents Of 4-H Organizations For 1961-62 Year

Plans for the year's work were discussed and officers elected at the Wednesday night meeting of the Sutton County 4-H Club at the Club Center.

Gene Wallace was re-elected president of the Parents' organization. Serving with Wallace will be V. J. Glasscock, vice-president; Mrs. V. J. Glasscock, secretary; Mrs. Dorothy Baker, treasurer, and Mrs. Marie K. Ellis, reporter.

Preston Neely will head the 4-H Club for the coming year. Other officers are John Paul Friess, vice-president; Betty Jack Cooper, secretary; Ann McKinney, reporter, and Tom Glasscock, parliamentarian.

Royce Mears was named president of the Junior 4-H Club. Elected to other officers were Jim Fish, vice-president; Robert Brown, secretary, and Lee Bloodworth, reporter.

A fish fry was enjoyed by members and their parents before the meeting.

Nina Jennings of Houston is visiting here with her parents, Mr. and Mrs. B. R. Jennings.

Sub-Station 14 Has Field Day September 27

A range management field day was held at the Ranch Experiment Station near here Wednesday, September 27, beginning at ten o'clock Wednesday morning.

Topics discussed were the economics of range management, progress of range management, and wildlife management. Speakers were C. L. Leinweber, R. J. Hildreth, O. C. Wallmo and A. H. Walker.

Barbecue was served at noon by the Sutton County 4-H Club.

A guided tour of the range study pastures was conducted in the afternoon with guests observing the results of different kinds and combinations of livestock grazing, rates of grazing, outstanding results of deferred rotation of pastures, and results of rootplowing and re-seeding on rangelands.

Sonorans are in for a real treat Saturday night at the high school auditorium when they will be given a fashion preview by costume designer Broderick Bloodworth who will have his own staff of trained professional (male) models showing his newest collection of feminine dress creations.

Background music for the showing will be furnished by pianist Millard Allen and drummer Oscar Galindo. Special music and comedy numbers and skits will be presented during the

evening by the Corkettes, traveling talent troop from Lower Slobbovia.

Bloodworth's creations for the season will include sports wear, lingerie, special occasion costumes and formal evening attire. Waistlines are high, low and at times lost altogether. Colors are gay, subdued and appear at times in almost startling combinations. Fabrics range from sheerest tricot to sleek satins and frothy chiffons.

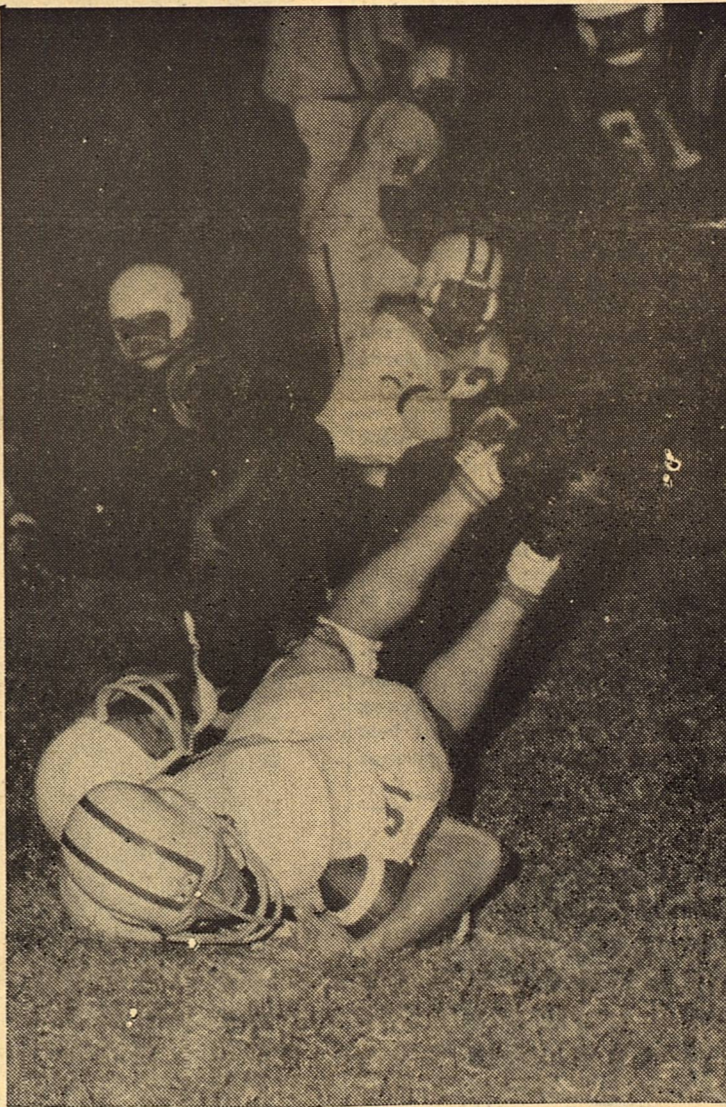

Modeling the "Fashions of the Future" will be couturier man-

nequins Fifi Richardson, Winnie Ward, Carla Kerbow, Stephanie Steed, Henie Hays, Penelope Black, Snookie Snodgrass, Wilhelmina Walker, Candy Bar Greer, Hedda Shurley, Schotzie Scherz, Rose Finklea, Robyn Rousselot, Loretta Lowe, Ginger McMinn, Nelita Neil, and Dolle Morgan.

Curtain time is seven o'clock and admission is 50 cents and 25 cents.

The showing is sponsored by the Sonora Parent-Teachers Association.

Sonora Defeats Menard 21-14 In Hard Fought Battle Friday

Halfback Danny Rutherford sets up the first Bronco touchdown of the evening last Friday. As shown here, Danny was stopped just short of the Menard goal line on a 15-yard sprint. The following play put the Broncos ahead of the Yellowjackets 7 to 6.

The Sonora Broncos won their fourth consecutive football game this season by defeating the Menard Yellowjackets here Friday night 21 to 14 but it was anybody's ball game up until the final buzzer sounded.

The Yellowjackets showed an unexpected offensive strength early in the opening quarter, receiving the Bronco's initial kickoff on the 'Jackets own 34 and setting up a series of downs that unminuted in Quarterback Hicky Powell's skirting the Sonora right end for the first touchdown. The try for extra point was no good.

Bronco Quarterback Primo Gonzales returned the Menard kickoff to his own 39 and there was no stopping the Bronco short of the goal line with Gonzales making the plunge over right end. His kick was good for the extra point.

In the second quarter Guard Preston Neely recovered a Menard fumble on the Sonora eight yardline, setting up a drive which ended when a 28-yard pass from Gonzales to Halfback Julio Samaniego was good for the second Bronco touchdown. Gonzales ran around the Menard left end for the two bonus points.

It was the Bronco again in the third quarter with Gonzales connecting with End Augustin Chavez with a 24-yard pass. The try for extra point was no good.

Minutes later, two penalties against Sonora set Menard up on the Sonora 25 and the Yellowjackets' drive ended with a plunge over the line by Fullback Wayne Pope from the two and a half yardline. Guard Dudley Tipton carried around the Sonora left end for the two conversion points.

Both teams made real threats in the fourth quarter but each found the other's defense a little too much and the game ended on the 21 to 14 score.

Statistics: First Downs, Sonora 19, Menard 22; Yards gained rushing, Sonora 208, Menard 253. Sonora completed five of seven pass attempts for a total of 117 yards. Menard completed five of seven for 94 yards and had one intercepted. Sonora lost two fumbles and Menard three. There were no punts.

In other 8-A games, Ozona lost to Stanton 14 to 0, Junction fell to Fredericksburg 49 to 0, Eldorado defeated Rankin 14 to 6 while Big Lake lost to Fort Stockton 17 to 8.

Rev. Alanson Brown Main Speaker At Annual Lions-PTA Banquet

The annual Lions Club-Parent-Teachers Association meeting honoring the faculty of Sonora schools was held Tuesday evening at the school cafeteria with 150 persons attending.

The Rev. Alanson Brown, rector of St. John's Episcopal Church, was the principal speaker, telling of his experiences and observations during his trip to England this summer. "I found

the English people friendly and interesting", Rev. Brown said. He spent two weeks as a guest in the home of an English family.

Mrs. W. A. McCoy, president of the Sonora Parent-Teachers Association, introduced the faculty members. E. B. Keng, president of the Sonora Lions Club, presided at the meeting.

All Texas Air Tour To RON In Sonora Sunday, October 8

"Interest is growing and registrations are pouring in to join the mass flight of civil aircraft which will wing its way over 3,000 miles in the 13th Annual All Texas Air Tour," tour Director Asa Burroughs said this week in Austin.

The tour will officially start at Temple October 7 and will make 34 stops during the week-long flight, stopping overnight at Harlingen, Sonora, Carlsbad, New Mexico, Plainview, Denton, Lufkin, Galveston, and ending in Austin October 17.

Already registrations have been received from 16 states and Mexico, as well as the many Texas pilots who participate in this event each year.

all stops have plans for a warm welcome for the tour participants, with receptions and entertainment. The purpose of this annual tour is to point up the safety of mass movement, the utility of the small aircraft, the betterment of "Good Neighbor Relations", and to publicize the "March of Dimes".

Sponsors of the Tour are: Texas State Aviation Association, Texas Private Flyers Association, Texas Flying Farmers and Ranchers, Texas Ninety-Niners, Texas Wing of the Civil Air Patrol, and the Texas Aeronautics Commission.

Albert, Alfred and Janis Sykes have entered Eastern New Mexico University for the school year.

L. W. Elliott PTA Sponsoring Kindergarten, Pre-School English Class

L. W. Elliott Elementary School will open its combined kindergarten and pre-school English classes for five-year-olds. The class will be the first of its type to be conducted anywhere.

Mrs. Wesley Sykes will be the teacher and is considered to be

especially well trained for this type of work, having taught in the Elliott school for years prior to her retirement several years ago. Mrs. Sykes has taught the fathers and mothers of many of her new pupils.

Thirty-six youngsters have registered for the class and will be given lessons in English as well as standard kindergarten training.

Troy Selzer, principal of the school, says the school will appreciate the contribution of any educational toys and other items suitable for use in the classroom. Especially needed is a record player.

The special class is being sponsored by the Elliott Parent-Teachers Association of which Mrs. Alfred Bermea is president.

Red Cross Drive Only \$49 Short Of \$264 Goal

Mrs. Nelson Stubblefield, local Red Cross fund chairman, announced Tuesday that the special drive for funds to assist victims of Hurricane Carla was only \$49.00 short of its goal.

Sutton County was asked by the American Red Cross to contribute \$264.00 in special funds for relief of the hurricane victims in Texas. This is the first time in several years that the Sutton County Chapter has asked for contributions over and above its annual fund raising drive.

"We have received \$215.00 and feel sure the remaining \$49.00 will be forthcoming soon," Mrs. Stubblefield said.

W. Central Texas Peace Officers To Convene Here Next Thursday

Between 150 and 200 lawmen and their wives and families are expected to attend the Thursday, October 5 convention of the West Central Texas Peace Officers Association to be held here. Registration will get underway at 8:30 Saturday morning at the 4-H Club center and will continue until 9:30, according to Schleicher County Sheriff Orval Edmiston, president of the organization.

Meetings are scheduled to begin at 9:30 and continue until noon when the Sonora Chamber of Commerce will be host to the group at a barbecue luncheon.

Door prizes donated by Sonora merchants will be presented lucky lawmen.

Speakers during the day will be Sutton County Attorney Jerry N. Shurley; Bill Kavanaugh of Austin, legal advisor to the Department of Public Safety, and "Speedy" Martin, also of Austin, with the legal document section of the Department of Public Safety.

Officers of the organization include Edmiston; Howard

County Sheriff Miller Harris of Big Spring, first vice-president, and Jean Mathis, Coke County office deputy of Robert Lee, recording secretary.

Directors are Melvin Childress of Robert Lee, Coke County Sheriff; Sutton County Sheriff Herman E. Moore; Constable Red Williams of Abilene; Chief of Police Raymond Grover of Coleman; Miller Harris; District Attorney Weldon Kirk of Sweetwater, and Constable Jack Davis of Abilene.

The meeting is expected to adjourn about three o'clock Thursday afternoon.

B Plays Eldorado Here Tonight; Colts Play There

Both the High School "B" team and the Junior High team will play their Eldorado counterparts Thursday night, September 28. Both the local teams enter competition with no defeats for the season.

The B squad has played Eldorado B before this season, defeating them 28 to 0. It will be the Junior High Colts' first tangle with the Eldorado Eagles.

The B game will be played here while the Colts travel to Eldorado in their second out of town game of the season. Last week's game between Sonora and Big Lake was canceled.

Broncs Seeking Fifth Victory In Friday Night Alpine Game

The Sonora Broncos take on Class AA Alpine on the Bucks' home field Friday night. Sonora schools will be dismissed at 1:30 to enable those desiring to attend the game to have plenty of travel time.

The Broncos will be trying for their fourth consecutive win of the young 1961 season while the Bucks will be fighting for their first win. Alpine has lost to three powerful teams, scoring only 12 points to their opponents' 93. Sonora has scored 86 to their opponents' 28.

Alpine lost to Del Rio 39 to 0 in the opener, to Sanderson 28

to 6 and to Var. Horn 26 to 6.

The Bucks boast a strong interior line and will be starting with seven lettermen including backs Pete Hernandez and Darrel Mueller, Guards Milo Mintavetz and Joe Molinar, Tackles Buddy Burling and Woody Hitchcock and End Garrett Briggs. Newcomer Eligio Leyva is their leading driver in the halfback position.

Likely starters for the Broncos will be: Quarterback Primo Gonzales, Halfbacks Julio Samaniego and Johnny Morris or Danny Rutherford; Fullback Lester

Schmidt; Center George Robertson; Guards Preston Neely and Bob Nevill; Tackles Douglas Wood and Luis Perez, and Ends Augustine Chavez and Arthur Bermea.

Also likely to see service are Bobby and Ruben Castillo, Larry Bob Moore, Buck Bloodworth, Philip Chalk, Jimmy Caldwell, A. Perez, Pat Castro, Raymond Gutierrez, Dick Swails and Bill Karnes.

Other games in District 8-A will find Ozona meeting Rankin, Junction playing Sabinal, Eldorado taking on Rocksprings, and Big Lake facing Coahoma.

State Health Dept. Expects Increase In Flu This Winter

Between now and mid-December is the critical period for taking immunizing shots against influenza—particularly for people in "high risk groups."

Health and medical authorities are in unanimous agreement as to the probability of an upswing in influenza this fall and winter. Especially vulnerable, say the experts, are people with heart disease, pulmonary disease, diabetes and other chronic illnesses, persons over 65, and pregnant women.

Recommended vaccination procedures, drawn up by the national advisory committee on influenza, have been mailed from the State Department of Health to all local health officials throughout the state.

Most of the 86,000 flu-triggered deaths between September '57 and March '60, were among people in these categories, the record shows.

Some Asian flu outbreaks are expected, since they come in two to three year cycles. Also, Texas is due for Type B flu outbreaks, which usually come in four to six year cycles.

Asian influenza has been dormant in Texas since March 1960, and it has been more than six years since Type B has caused much of a flurry.

State Health Department officials say susceptible persons should be vaccinated early for maximum protection. Generally, the most troublesome time for flu in Texas is toward the latter part of December.

To reduce the hazards to persons in high risk categories, it is recommended that they be immunized with a multiple-virus vaccine—a product which will protect against more than one form of the disease—well before the beginning of the flu season.

Protective antibodies usually develop within two weeks after inoculation, so it is important that the vaccine be administered before epidemics occur.

A second dose is recommended approximately two months after the first. Persons previously immunized should be re-inoculated with a single booster dose each year.

In view of the predicted upswing of influenza for 1961, it is recommended that serious consideration be given to the vaccination of people in vital public service posts and for those among whom the disease incidence rate is usually high—namely persons between the ages 5 and 25.

Devil's River News-Sonora, Texas, Thursday, September 28, 1961

Devil's River Philosopher Says Russia's Idea Of U.N. Is Like Bank Robber Serving As Own Jury

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River discusses the United Nations this week. He may be getting too far away from his ranch.

Dear editor: While I have always suspected that joining up the countries of the world in the United Nations was a laudable goal but about as hard as uniting a bunch

Dan Eaton left Friday for Houston where he will re-enter the University of Texas Dental Branch after spending the summer here with his parents, Mr. and Mrs. John Eaton.

Mrs. Marie K. Ellis was in Houston last week where she attended the Texas Heart Association convention.

Mr. and Mrs. R. A. Halbert have returned from a business trip to Missouri.

of ranchers, and while I can't name off-hand very much the U.N. has done, still it must recede a threat to some form of disorder or Russia wouldn't be concerned with it.

However, I'm not going into a discussion of the U.N.—not just because I'm ignorant of it, that's no excuse for not discussing anything, you set up a standard that a person has to know what he's talking about before he talks and nine-tenths of the conversation would stop—but what interests me is Russia's idea that the U.N. ought to be run by a three-man board, one from Russia, one from the United States, and one from some place else, each with the right to veto the other two.

I have given this proposal careful thought, and the best I can figure it out, it'd be like trying a bank robber before a three-man jury consisting of the judge, the prosecuting attorney, and the bank robber, with a un-

animous vote necessary for conviction.

It'd be like borrowing money from the bank, with an agreement that before the loan could be called in, me and the banker both would have to vote unanimously on whether or not to foreclose on me.

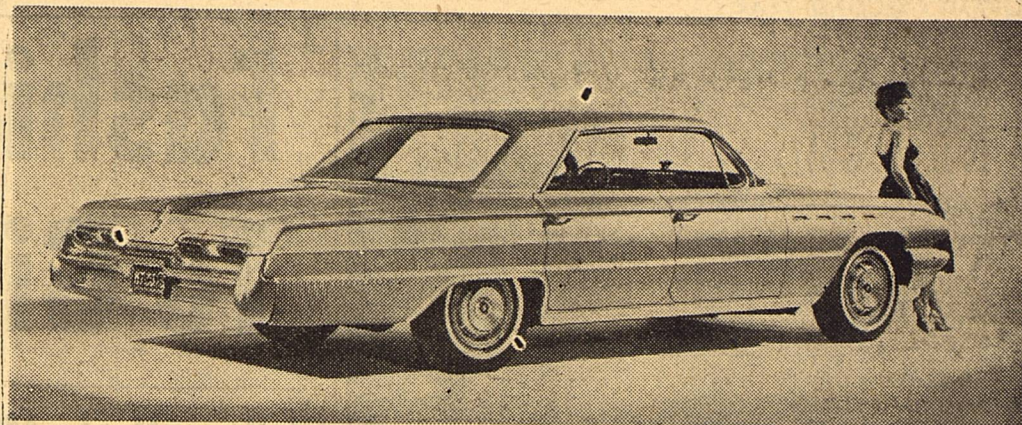

I don't believe Russia will get anywhere with this proposal, yet on the other hand I doubt if the United Nations will get anywhere as long as it has Russia on its hands.

Russia is like a hurricane. You don't know where it'll strike next, but you do know where-

ever it strikes, it's bad. The world though has survived lots of hurricanes, and it probably can survive Russia, but you'll have to admit, it's going to take a long time for it to blow itself out.

Yours faithfully,
J. A.

Buick's New Electra 225 For 1962

The clean, uncluttered styling of Buick for 1962 is exemplified in the Electra 225 series with its sporty new roofline and its tailored rear decklid with the wind-split down the center. The long, sweeping lines of the front and rear fenders make the car look bigger without increasing its size. The new roofline with its wide, sloping rear pillars identify the Electra 225 series, one of the most luxurious cars in the fine car field. Passenger comfort has been improved for 1962 by the almost complete elimination of the transmission hump in the floor of the front passenger compartment. The Electra 225 is powered by a 401 cubic inch V-8 engine with four-barrel carburetor, coupled with Buick's smooth Turbine Drive transmission.

Now here—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its 3/4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!

Cadillac presents for 1962
the Masterwork of the
Motoring Age

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars".

Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences on every hand.

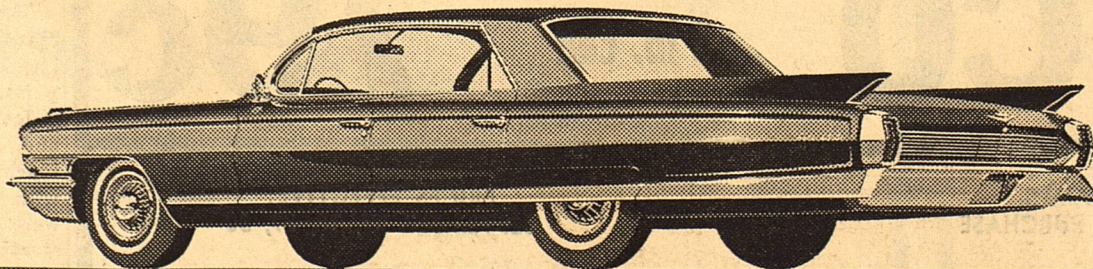

Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . a revolutionary three-phase rear lighting system . . . and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

Good Hunting For Over 2,100 With Pronghorn Permits

The big game hunting season will open in the trans-Pecos area of Texas, Oct. 1, with permits issued for the harvesting of approximately 2,100 pronghorn antelope in that area, according to Howard Dodgen, executive secretary of the Game and Fish Commission.

Summer rains have improved range conditions in the area and the antelope are reported to be in excellent condition.

Persons wishing to hunt the pronghorns may get lists of

ranches where hunting is available by contacting the Chambers of commerce in Marfa, Alpine, Sierra Blanca and Van Horn.

Permits are issued to landowners based on head counts by game department personnel. Landowners in turn charge hunters for permission to enter their places. The prices usually range from \$40 for a doe to \$60 for a buck.

Although most of the places are leased up early for the first two or three days, good hunting still can be had, depending upon weather, for the remainder of the season.

Hunters have been having better than 90 percent success and the antelope are in excellent condition.

SCD Supervisor For District 3 To Be Named Oct. 3

An election will be held Tuesday, October 3 at 2:00 p.m. at the Sutton County Courthouse to elect a district supervisor for Subdivision No. 3 of the Edwards Plateau soil conservation district. Subdivision No. 3 includes all land in Sutton County which is north of Highway 290 toward Junction, and east of Highway 277 to Eldorado.

Frank Bond is the present district supervisor in Zone 3. All landowners in Zone 3 are invited and urged to be present to vote. Each soil conservation district is administered by five re-

GIRL SCOUTS, BROWNIES HAVE ALL DAY OUTING

Sonora Brownies and Girl Scouts enjoyed an all day outing on the Billy Galbreath ranch Saturday, September 23. Six of the seven Sonora troops participated in the playday.

The girls hiked and laid trail and got acquainted with the outdoors.

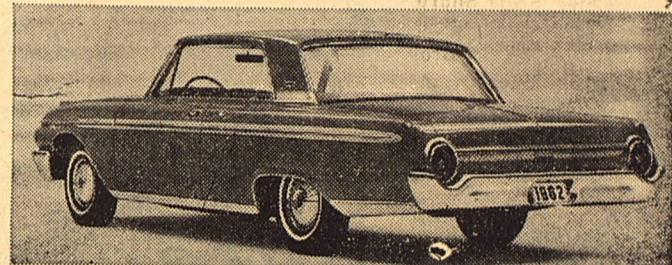

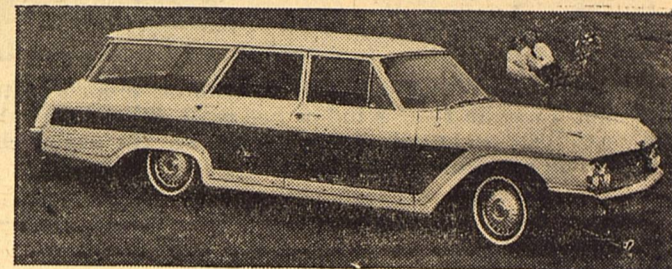

Another outing is planned for next spring, according to Mrs. Louis J. Wardlaw, Neighborhood Chairman.

ident landowners. One supervisor is elected each year.

The Edwards Plateau soil conservation district was organized in 1948. It includes all of Sutton County and about one fourth of Edwards County. Present district supervisors include Joe B. Ross, Fred T. Earwood, Edwin Sawyer, W. B. McMillan and Frank Bond.

The 1962 Ford Galaxie line features a crisp, fresh approach to Ford's classic styling. Shown here is the Galaxie 500 Sunliner convertible, one of twelve models in the Galaxie line. While the new Galaxie is slightly shorter and fractionally narrower than the 1961 model, the large passenger compartment is the same as 1961. Large door openings, coupled with Ford's convenient two-position door stops, make entering and leaving the Galaxie an easy and natural movement. The Sunliner top is anchored at each roof bow to prevent "ballooning" when underway. The vinyl-lined top is stowed under a color-keyed boot.

The top offering in Ford's station wagon line for 1962 is this four-door, nine-passenger Country Squire (top). The power-operated rear window is standard in this Squire as well as in the six-passenger Country Squire and in the nine-passenger Ford Sedan. The Galaxie nine-passenger wagons have the only forward facing third seat in the low-priced car field. Tailgate openings on all of the wagons are more than 50" wide. This Galaxie 500 two-door hardtop (bottom) is one of twelve models being offered in Ford's expanded Galaxie series for 1962. The sculptured body of the 1962 Galaxie gives the appearance of actual motion to its unmistakably classic Ford lines. This appearance of movement is emphasized in the recessed Thunderbird-like rear window and in the forward thrust of the roof itself. The new Galaxie series will feature an industry first—"Twice-a-year" maintenance.

I Give You Texas

By Boyce House
Recollections of a visit to the West in the summer of 1960:

An archway of antlers spans the street of a Wyoming town. In the mountains to the west of Denver is this intriguing sign, "Popcorn Motel." Established by a former picture show manager?

Electric signs giving the temperature read, for example, "plus 81"—which means (I think) above zero. I'm sure that a "minus" is used in winter but I don't intend to be there to see!

Wyoming cafes uniformly serve excellent beef.

On a highway bordering a mountain stream, my first sight of dams built by beavers; at one point, instead of a bridge for a pedestrian, a chair on a trolley; slim white birches and graceful aspens which flutter when all other trees are motionless.

The first time I ever head of

Laramie was in connection with the writings of Bill Nye, the most widely-read American humorist of his era. It was a surprise, therefore, not to see his picture on the wall in the lobby of the main hotel nor a copy of even one of his books in the hotel's leading library nor a book by, or about, Nye on display in the book store windows.

Nye was postmaster in Laramie and tendered his resignation in a highly amusing letter to the President.

If you haven't read "A Resignation," do yourself a favor; read it; also his account of a cyclone. Bill Nye deserves a kinder fate.

Would you believe it—Honey Melody was the name of a man?

And not only that but he was a prize-fighter—and one of the best of his day.

Mark Twain's recipe for happiness, "Good friends, good books—and a sleepy conscience."

Army Reservists

Get Ready For

Annual Inspection

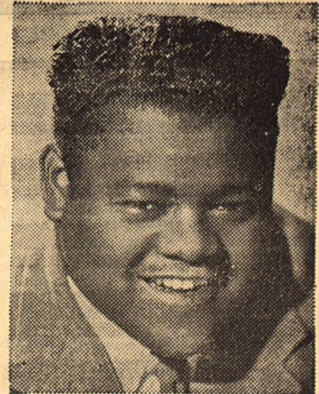

The local Army Reservists began work at 7:30 Sunday morning, September 24, in preparation for the annual Command Maintenance Inspection which took place Tuesday night, September 26 in Sonora Armory. The Reservists worked until 5:30 Sunday afternoon, an eleven-hour day which saw attention to the following items:

All weapons were cleaned again and a coat of oil left on each to prevent rust.

The M-46 tank took a washing, cleaning, and rust spots were cleaned and painted with OD paint.

Jeep drivers washed, painted, and polished their vehicles, touching up rust or worn spots with OD paint. Classroom walls were painted as was the administrative office. The interior wall of the Armory was whitewashed and all classroom furniture was spray-painted along with some 15 tables, 30 chairs and 20 helmet liners.

The reference library was reworked and all lockers dusted and cleaned. The next drill period was set for October 3 at the Armory.

PRISON RODEO STAR — FATS DOMINO, versatile nationally-famous jazz pianist and singer, will be the featured attraction for the opening performance of the 30th Annual Texas Prison Rodeo in Huntsville, Sunday, Oct. 1 at 2 P.M. "Fats," the "Blueberry Hill" man, will appear along with thrilling convict riders contesting stock for top prize money. Other features of the two-hour, fast-moving show will be several inmate entertainment groups, plus free-world calf roping, a girls' barrel race, and mounted quadrilles. Net proceeds from ticket sales are earmarked for the benefit of inmates of the Texas Department of Corrections. The Rodeo is held every Sunday in October and highlights a different top TV or recording star during each performance.

Miss Carol Plants, Joe deBerry Plan Fall Wedding

Mrs. Clifford Plants of Fairfield, Connecticut announces the engagement of her daughter, Carol Meredith Plants, to Joseph Gilbert Thorp deBerry, son of Dr. Ellett Morrison deBerry, of Sonora, and the late Mrs. deBerry.

Miss Plants, daughter also of the late Mr. Plants, was graduated from Rosemary Hall, Greenwich, and Connecticut College, New London, Connecticut.

deBerry is a graduate of Haverford College, Class of 1954. He is president of Walker-deBerry, Inc., Publishers, Cambridge, Massachusetts.

A late fall wedding is planned.

Army Reservists Answer Pay Call September 19

Tuesday night, September 19, was pay day for Junction-Sonora-Ozona-Eldorado United States Army Reservists who answered "pay call" as a brief recess from their busy preparations for the annual Command Maintenance Inspection slated for the Sonora Army September 26. They also spent a full day of work on this preparation Sunday, September 24.

Reservists were paid on a quarterly basis and Tuesday night's pay was the first since the Unit returned from the annual 15-day active duty training at Fort Hood in June.

Mrs. White's fifth grade: President, Jane Sawyer; Vice-president, Monte Dillard; Secretary, Vera Beth Wade; Treasurer, Shelley Morriss; Fire Chief, Mark Jacoby.

Mrs. Moore's sixth grade: President, Debbie Galbreath; Vice-president, J. V. Cook; Secretary, Maxine Davis; Treasurer, Mark Shurley; Fire Chief, Tim Thorp. Mr. Walker's seventh grade: President, Jim Fish; Vice-president, Nedra Raye; Secretary-Treasurer, Prissy Howell; Fire Chief, Bonnie McKinney.

THE WOMEN'S PAGE

MRS. STITES ENTERTAINS THURSDAY BRIDGE CLUB

Mrs. C. E. Stites entertained members and guests of the Thursday Bridge Club at her home last week. Refreshments of a dessert plate and coffee and iced tea were served.

Prizes were awarded to Mrs. Ida May Kerbow for high guest score, Mrs. A. W. Await for high member, Mrs. Karen Peterson for low member and Mrs. Auther Simmons for low guest.

Others present were Mmes. Joe Berger, J. W. Trainer, Rose Thorp, T. W. Sandherr, Robert Rees, O. G. Babcock, Maysie Brown and R. B. Kelley.

PINK AND BLUE SHOWER HONORS MRS. LUTTRELL

Mrs. Joe Luttrell was honored with a pink and blue shower at the home of Mrs. Cashes W. Taylor Wednesday afternoon, September 20. Games were played and refreshments of cake and coffee or "cooks" were served.

About twenty guests were present including Mrs. Royce Reagon of Big Spring and the honoree's mother, Mrs. Bessie Westbrook of Eldorado.

First Meetings of Woman's Club To Be Held Oct. 5

The Sonora Woman's Club will have its first meeting of the year at the Club House Thursday afternoon, October 5. Mrs. Harold Scherz, president, will preside over the meeting.

Topic for the afternoon will be "China-Past and Present" with Mrs. Ralph Finklea in charge. Objects from Asia will also be displayed.

Hostesses for the afternoon will be Mrs. W. F. Berger, Mrs. John Bell, Mrs. Thomas A. Morriss and Mrs. Bill Morriss.

Welfare Council Loan Repaid By Californians

During the course of a year the Sonora Welfare Council is called upon to assist with many requests for transient aid. Though many of the cases are perennial down-and-outers, some of them are real decent people who have hard luck and run out of funds enroute to their destination.

The following letter, addressed to the Sheriff and Department of Welfare, was recently received from a California woman:

"I passed through in June one rainy night and you all helped me. I promised to pay and I do thank you so very much. Words can't explain. I am mailing you the \$4.80 and thank you again."

Each case requesting aid should be referred to Sheriff Herman Moore, who will investigate the need and issue a voucher to cover gasoline, food, or lodging necessary to get the travelers on their way.

The Sonora Welfare Council is supported by the Lions Club, the Methodist, First Baptist, St. John's and Church of the Good Shepherd, the City of Sonora and various other organizations. It provides a central welfare clearing agency, so that needy cases may be handled quickly with minimum trouble to local merchants and pastors, or to the travellers.

The Council also assists with local relief, and distributes baskets of food to needy families at Christmas time. Last week the Council sent some 20 boxes of used clothing to victims of Hurricane Carla.

Melvin Allen Glasscock, a student at San Angelo Business College, spent last weekend here with his parents, Mr. and Mrs. Melvin Glasscock.

Greater choice as Chevrolet Offers 3 Lines for 1962

The wide range of choices Chevrolet dealers will offer for 1962 is hinted in this three-car photograph. Pictured to compare over-all length are (top to bottom) the 180-inch Corvair 4-Door displaying September 29. The new Chevy II's bow Sedan; the 183-inch Chevy II 4-Door Sedan, and the Impala Sport Sedan which measures 209.6 inches. They are representative of 32 passenger car models which Chevrolet dealers will start displaying September 29. Congratulations To These New Parents

Dr. and Mrs. Hi Eastland Newby of Del Rio announce the birth of a son, Justin Hi Eastland Newby, Jr., weighing seven pounds, eight ounces, Tuesday, September 27 in Del Rio.

Grandparents are Mr. and Mrs. Byron Newby of Del Rio and Mrs. Lullie Northcut of Houston. Mrs. Hi Eastland of Sonora is the baby's great grandmother.

Mr. and Mrs. Jack Price, Jr. are the parents of a son, Justin Clay, born Tuesday, September 26, in a San Angelo hospital, weighing six pounds 13 ounces.

Grandparents are Mr. and Mrs. Bobby Baldwin and Mr. and Mrs. J. A. Price, Sr., all of San Angelo.

Sutton Bond Sales Reach 68.1% Quota, Says Geo. H. Neill

"Savings Bonds sales for the first eight months in Sutton County totaled \$54,504. Of this amount, \$10,543 was purchased during August." This announcement was made this week by George H. (Jack) Neill, chairman of the Sutton County Saving Bonds Committee. This represents 68.1 percent of the county goal of \$80,000.

Bond sales in Texas for the month of August totaled \$12,937,895. Sales for the first eight months of this year were \$108,261,876, which represents 65.6 percent of the Texas 1961 sales goal. August was the eighth consecutive month that Bond sales have shown an increase over the corresponding of 1960.

Mr. and Mrs. Harold C. Saunders, Jr. and Kay Ann are visiting in Kerrville with Mrs. Saunders' parents, Mr. and Mrs. Dan Auld.

Mr. and Mrs. Fred R. Campbell, Bill and Scott spent last weekend at Paint Rock with Mrs. Campbell's mother, Mrs. Ellen Simms.

A 2/c Don Cooper spent a 16-day leave here with his mother and sister, Mrs. Pat Cooper and Betty Jack.

Devil's River Philosopher Takes Exception To Claim Farmer Has No Right To Advise President

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River seems to be standing up for his rights this week, part of the way, at least.

Dear editor:

One thing about newspaper, you can be reading along on one, not taxing your mind much and enjoying the fact so many people went to so much trouble to round up news from all over for you and deliver it to you in one handy package, without you even stirring off your ranch, and then something will jump out of an article at you.

Like what happened to me yesterday. I was reading about an interview some reporters had with Ex-President Harry Truman, and along in the middle of it this jumped at me:

"Mr. Truman declined to make specific comment on the conduct of American foreign affairs, saying, 'No retired farmer from Missouri, like myself, has any business telling the President what to do.'"

Thunderation. Maybe ex-Presidents haven't got any right to tell the President what to do, but if a farmer, retired or active,

hasn't got that right, there sure are a lot of them subject to arrest.

Telling the President what he ought to do, and especially telling him what he should have done after it's happened and you've got the advantage of hind-sight, is a fundamental right that ought to be written into the Constitution if it's not already there.

If a farmer can't tell a President what he did wrong, this leaves a farmer staring at himself in the mirror when he has another bad year on his hands, and such a situation is worse than a drouth or a plague of insects.

You might as well tell a football fan he hasn't got the right to tell a coach what he ought to do, might as well tell a taxpayer he hasn't got the right to tell a mayor how to run the city, might as well tell a parent he hasn't got the right to tell a teacher how to teach, might as well tell a man he hasn't got the right to tell his wife what to do, might as well . . . wait a minute, let's back up a little, just rub that last one out. No use going hog-wild.

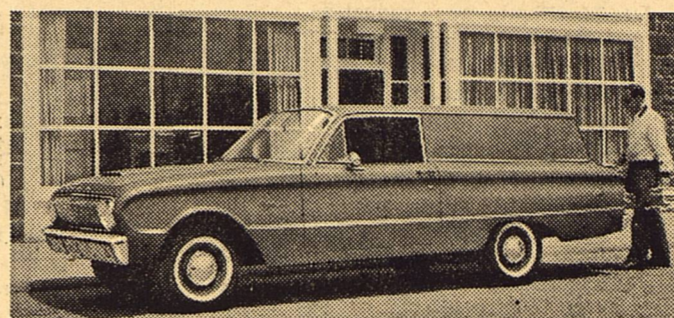

Yours faithfully,
J. A.

Motorists Urged To Get Vehicle Safety Stickers

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, suggested today the start of fall "is an excellent time to have motor vehicles safety inspected" in preparation for hard winter driving.

The Ford F-100, (top) and Falcon Sedan Delivery (bottom), are two members of Ford's 1962 fleet of light duty trucks. The F-100 one-half ton pickup is powered by the Ford "223" six or optional "292" V-8, both proven economy leaders. The three-man cab features wide-opening doors with no dogleg and handle-operated latches that make the tailgate easy to open and close. Standard body is the Styleside with integral cab-and-box construction. The Flareside box, with wooden floor is optional on all F-series pickups. Standard power plant in the Falcon Sedan Delivery is the economical 85-horsepower six; optional is a more powerful 101-horsepower engine. Low loading height and an easy-to-operate tailgate are customer-convenience features. Styling changes include redesigned fenders, hood line, grille and rear taillights, and new standard and deluxe interior upholstery and trim combination in the cab.

The new 1962 Texas Vehicle Inspection Sticker is now available at the 5,000 official inspection stations in compliance with orders issued by the Texas Public Safety Commission. The order states that all vehicles coming under the provisions of the Vehicle Inspection Act must display the new sticker by April 16, 1962.

Garrison said that during the past three months mechanics at inspection stations over the state have undergone an intensive training program on the inspection of vehicles under the law.

"There have been no changes in the Inspection Law from last year," he explained, "but we have re-examined every mechanic in

the program to be certain he knows the procedure."

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association
As the weeks go by and new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons.
It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard, from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called out for hurricane duty made up the largest peacetime operation in Guard history.
After Governor Daniel's aerial tour of the hurricane-struck coastal area, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordinating with local groups, to evacuate the area.
He also estimated \$400,000,000 loss to public and private property.

"I can see now that we need to provide more money for the National Guard and we need to provide more Highway Patrolmen, too," said the Governor. "I am sure I will add those to the call for a special session."

Rep. C. W. Percy, Jr. of Temple proposed that the legislature permit cities and counties to issue bonds to make loans to disaster victims.

Speaker James A. Turman asked the House general investigating committee to start an inquiry into the payment of insurance claims as a result of Carla. He said many hurricane victims were surprised to learn that much of the damage was not covered by insurance. Adjusters held that their windstorm and hurricane policies did not include flood damage even though caused by the hurricane.

Governor Daniel, irked over the adjusters' interpretations, urged policy holders not to be too hasty in settling their claims.

STORM CROP DAMAGE EXTENSIVE—The U. S. Depart-

ment of Agriculture at Austin says the recent hurricane caused the most extensive wind and rain damage to crop, fields and pastures, ever experienced.

Of the prospective 100,000 bales of cotton in the fields, about \$11,000,000 worth was probably lost, the USDA said. Additional losses will result from grade reductions, the agency states.

JANUARY SESSION TALKED—Chances are that Governor Daniel will have legislators back in Austin during January.

Rep. Murray Watson of Mart suggests that Daniel set up a grass-roots committee of citizens to bring in proposals for removing inequities in the new sales tax law for action at the special session.

Comptroller Robert S. Calvert continues to explain the law. He ruled that the American Red Cross is exempt from the sales tax on its purchases, since it is an agency of the Federal government.

Calvert is studying a request from some large industrial firms that they be allowed to be "direct" payers of the tax. Theory is that life would be simpler if they could keep records and pay the tax once each quarter, instead of paying it hundreds of times a day in the normal course of business.

TAX DOLLAR ANALYZED—Texas Legislative council has taken a new look at where the State's tax dollar comes from and where it goes.

Study reveals that 52 per cent of it is derived from the several types of sales taxes levied in the state, including 15.8% from the new 2% limited sales tax.

Oil and gas production and severance taxes account for 19.1%, business taxes 11.4%, motor vehicle registration fees 9.5% state property taxes 4.1%, inheritance tax 1.3%, others 2.6%.

Motorists get tapped for 33.9% of the tax dollar, including the motor fuel tax at 21.4%, the sales tax at 3%, and registration fees at 9.5%. Nine per cent comes from tobacco taxes and 2.2% from alcoholic beverage levies.

Our free public school system is taking 33.9% of the tax dollar. Highways and roads are next at 26.8%. Public welfare gets 15.8%. Higher education comes in for 9.6% while health, hospitals and special schools account for 4.5%.

Public Hunting Dates Are Set; Permits Offered

More than 2,000 permits will be issued by the Game and Fish Commission this season for deer hunting on wildlife management areas, according to Al Springs, wildlife coordinator.

Persons seeking these permits should write to the Game and Fish Commission for application blanks. The hunts have been set up as follows:

Kerr AREA, Nov. 16-23, inclusive and Nov. 26 to Dec. 14, inclusive, with 520 permits.

ENGELING AREA: Nov. 16 to 27, inclusive, with 180 permits.

BLACK GAP: Dec. 1 to 8, inclusive, 500 permits.

SIERRA DIABLO: Dec. 1 to 8, inclusive, 100 permits.

ANGELINA AREA: Nov. 16 to 20, inclusive and Nov. 29 to Dec. 3, inclusive, with 725 permits.

All applications must be in by October 30. There will be a public drawing on October 31. Permits then will be mailed out, as soon as they can be made ready.

Hunting on these areas in the game management program is permitted when there is a surplus of game. Harvest of both sexes will be permitted under the permits.

FRIDAY

A New World of Worth from Chevrolet for '62!

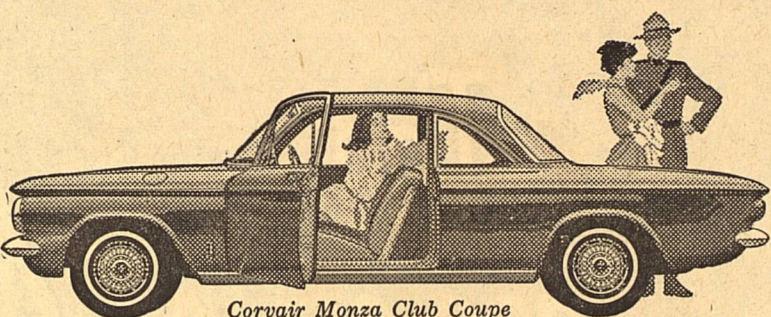

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Freshly minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. New steel front fender underskirts guard against corrosion. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

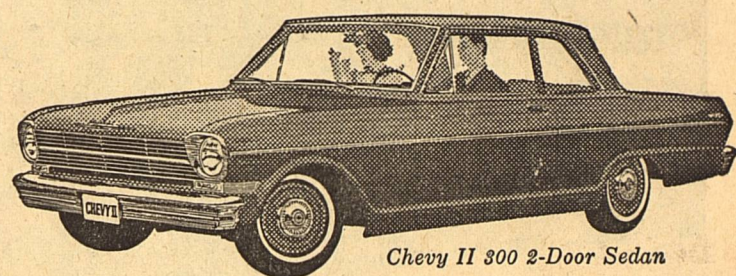

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

The car that puts sport in the driver's seat!

Step right up and meet the latest version of the car that's proved its mettle in the fiercest competition going—'62 Corvair. Bigger new brakes team up with Corvair's renowned rear-engine traction for just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

Chevy II 300 2-Door Sedan

HERE'S THE NEW CHEVY II

Modern basic transportation in a totally new line of cars

Here are all the solid, time-tested virtues you know you can count on from all the Chevrolet family—plus some surprises you've never seen on any car before. A full line of saucy new-size models, each built a new way for easier service and maintenance. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

ATTRACTIVE ADDITION to Pontiac's new Tempest series for 1962 is the superbly styled convertible pictured above with the LeMans option, which includes front bucket seats in beautiful shades of expanded Jewel-tone Morrokide and rich floor carpeting. The Tempest sports coupe with its own distinctive styling is also available with the LeMans interior. The 1962 Tempest has an entirely new grille and new rear end styling.

YOUR MINISTER SAYS

By Rev. Alanson Brown, Rector St. John's Episcopal Church
BITTERWEED! God's tool for showing man the error of his ways? Not only a lesson for ranchers in the proper use of their grass but also a lesson to all men! There are all kinds of BITTERWEED in our midst. Alcoholism, broken families, children in trouble, shot-gun marriages, unwed mother, murder, gossip, sociable slander, discrimination and others you can name. All the same they are bitterweed in our midst. Like bitterweed they take over when men misuse themselves and others. Misuse of self, others, or grass is the result of playing God. Men must remind themselves each day that we are creatures dependent on Power Greater than ourselves.

This Power has a Plan for this Universe and if we violate His Plan we create the conditions for BITTERWEED to take over. When we cooperate and are obe-

dient to the Power of the Universe the BITTERWEED died out and becomes insignificant.

The tools given to us by the Power of the Universe are obedience and forgiveness, forbearance, understanding, love, and sympathy for our fellow man. The mark of the man who uses these tools is HUMILITY—the feeling of insignificance in the face of THE PLAN of the CREATOR.

In the face of this TRUTH let us not worry about how our neighbors in the next County are doing. Let us worry about how we are fitting into God's Plan here in Sonora, Sutton County, Texas.!!

I Give You Texas

By Boyce House
 Pat Neff was, perhaps, the last Texas orator in the grand tradition.

He was tall and handsome, with features like those of a Roman senator—a toga would have been perfectly appropriate for him. He had an impressive manner, a deliberate form of utterance, his sentences were long, his diction elevated.

The first time I heard him speak he was governor and the occasion was the laying of the cornerstone of Texas Tech. His rhetoric was worthy of Cicero. The next time, he spoke in the open air at the summer commencement at TCU, sometime after his second term as governor. Still another speech I recall was at the State Democratic convention in Austin in the 1940's. He was then close to 70. His form was as straight, his voice as clear and his command of language as great as ever. He spoke for half an hour, making what was easily the best address of the convention.

Afterward, reporters asked for a copy of his speech. He replied that there was none and pointed to a small card on which there were a few notes.

Death some time ago claimed a long-time friend of mine—Clyde Garrett, who served as Eastland city manager, as county judge and as Congressman.

When he was making his first race for Congress, he called at my office in Fort Worth where I was publicity director of the original Casa Manana. Vice-President Garner was to attend the show that night and Judge Garrett hoped that I could arrange for him to meet the vice president but Garrett's opponent was then a Congressman and the official in charge of the tour bawled me out for making such a suggestion. (It so happened

too that the incumbent had named a relative of his as a postmaster.)

His violent reaction so antagonized me—plus the desire to try to help my friend—that I arranged for a photo of Judge Garrett being pushed in one of the picturesque little sight-seeing carts by another county judge; also the suggestion was made that, when the vice president entered the gate, Judge Garrett be in the crowd and join in the applause. The next day the papers carried the picture and said that Judge Garrett was on hand to "join in welcoming" Garner.

Clyde Garrett was in Eastland County when oil was discovered and he made a fortune which was swept away when the boom collapsed. But he did not let the experience banish his mile or vanquish his spirit but went on to a career of distinguished public service. He was capable and conscientious—a genial gentleman.

CUB SCOUT COMMITTEE TO MEET OCTOBER 2

There will be a committee meeting of all leaders of Cub Scout Pack 19 at the First Methodist Church at seven o'clock Monday evening, October 2.

The gas-saving "4" with Pontiac Punch!

PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS. Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra cost options: Put on a 4-barrel carb and get 166 h.p. The citizen who wants even more can go for an aluminum V-8 option that pulls 185 horses.

TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION! (The only American car with this feature.) It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats six—easily!

TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR! Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ). The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

TODAY! '62 TEMPEST

PONTIAC'S NEW TEMPEST IS ON DISPLAY TODAY AT YOUR LOCAL AUTHORIZED PONTIAC DEALERSHIP

24th Annual Lions Auction Sale

Your splendid cooperation in donating and buying livestock and merchandise during the past 26 years has enabled the Sonora Lions Club to carry on an active program of aiding in youth development, help for the blind, and community improvement projects. We sincerely appreciate your support.

The Lions Club expresses appreciation to following ranchmen whose goats were used for the barbecue: G. H. Davis, Harrison Ranch, George Brockman, George Wallace, W. L. Davis, L. E. Johnson and J. V. Alley.

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs as precisely as though it had been made to measure. For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as

a secret. With Thunderbird styling, Thunderbird power, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier fine cars. If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. Wagon

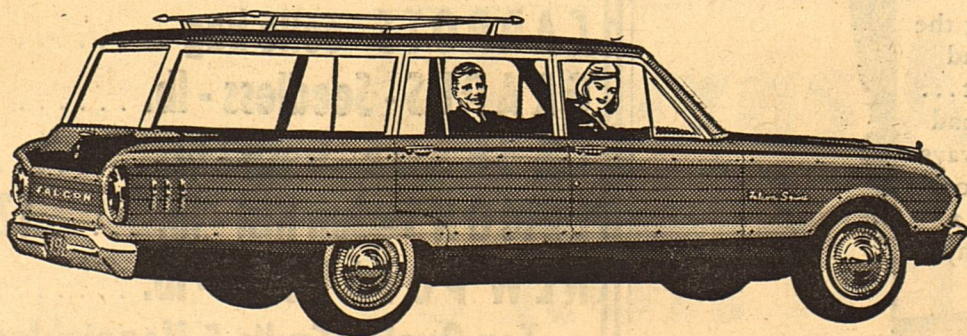

fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

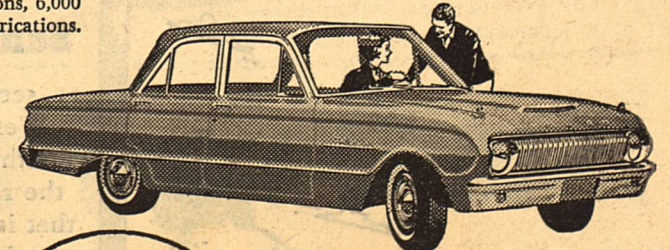

GALAXIE/500 CLUB VICTORIA (foreground)... GALAXIE TOWN SEDAN (background)... The Galaxie/500—new in name, new in luxury—is for those who want all of the elegant extras. The Galaxie makes it easier than ever

to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications.

Brakes adjust themselves automatically. Special zinc coating protects vital body parts against rust and corrosion.

FALCON SQUIRE WAGON... Brand new for '62, it's sleek, sophisticated... and the only compact wagon of its kind. Inside, it is available with Futura bucket seats and a handy console! Outside, it has steel side paneling with elegant woodlike finish.

FALCON FORDOR SEDAN... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a six or eight in the 25-year history of the Mobilgas Economy Run. Falcon's low price for '62 makes it America's best compact value!

Ropers From Wide Area Present For Saturday Steer Team Roping

A large number of team ropers, some from as far away as Lovington, New Mexico, Abilene, and Aspermont, were entered in the Team Steer Roping held Saturday, September 23, at the rodeo arena. The event was sponsored by the Sonora Park and Horse Show Association and featured big wild Mexican steers furnished by Ray Hutto and Vernon West of Del Rio.

Thirty-nine teams were entered in the afternoon roping which got underway at two o'clock. Results of the afternoon round were as follows:

First Go-Round: 1st, Walton Poage of Rankin and Merle Kelton of Crane, time 12.9; 2nd, Tom Powers of Dryden and Buddy Fort of Lovington, N.M., time 14.7; 3rd, Vernon West of Del Rio and Howard Westfall of Sonora, time 16.2; 4th, Penny Pennington of Menard and John Ray Powell of Eldorado, time 17.2.

Second Go-Round: 1st, Kelton and J. L. Sawyer of Big Spring, time 12.4; 2nd, Tom Powers and Poage, time 13.2; 3rd, Charlie Davidson of Ozona and Joe B.

Chapman of Ozona, time 13.4; 4th, Jack Riggs of Dryden and Buddy Fort, time 14.1.

Third Go-Round: 1st, Pancho McMullan of Rankin and Bill Black of Ozona, time 12.7; 2nd, Bill Black and Bud Upton of San Angelo, time 13.0; 3rd, Tom Powers and Walton split with N. A. Pitcock of Aspermont and George Frazier of Aspermont, time 13.1.

Average: 1st, Poage and Kelton, time 44.0; 2nd, Kelton and Sawyer, time 52.2; 3rd, Powell and Sawyer, time 53.2; 4th, Poage and Bill Teague of Crane, time 53.8.

The Saturday night roping had 42 entries with these results:

First Go-Round: 1st, George Teague and Bill Teague of Crane, time 12.7; 2nd, J. L. Sawyer and John Ray Powell, time 13.6; 3rd, Merle Kelton and Walton Poage, time 13.8; 4th, Louis Powers and Jimmy Powers of Sonora, time 14.0.

Second Go-Round: 1st, B. Teague and Poage, time 13.5; 2nd, Kelton and Sawyer, time 15.3; 3rd, L. Powers and Mickey Powers, time 15.6; 4th, Kelton and

Poage, time 16.0.

Third Go-Round: 1st, T. Powers and Fort, time 12.5; 2nd, Kelton and Sawyer, time 13.0; 3rd, Bud Cox of Ozona and Joe B. Chapman, time 13.5; 4th, West and Westfall, time 13.7.

Average: 1st, Kelton and Sawyer, time 44.3; 2nd, Kelton and Poage, time 44.6; 3rd, B. Teague and Poage, time 46.5; 4th, Sawyer and Powell, time 53.7.

L. P. Bloodworth, Jr. announced the event and C. W. Taylor and Mrs. Jack Riggs of Dryden were timekeepers. Flag Judge for the afternoon performance was Jim Powers of Dryden. Hoot Nix was Flag Judge Saturday night. Jim Hugh Richardson was Barrier Judge and Jim Frank Richardson, Bill Karnes, Dick Karnes, Tim Thorp and Steve Thorp assisted in handling stock.

Boys Register By Friday For Football Contest

John Bell has been named Director of Competition for the Sonora Punt, Pass and Kick program, to be held at 9:30 Saturday morning, October 7, at Bronco Stadium.

Announcement of Bell's appointment was made by Joe Hull of Sonora Motor Company, local sponsor of the competition. Bell announced that judges for the new competitive event for boys aged six through 10 will be J. D. Ingram, Pat Brown and Tommy Smith.

In the competition, boys will be judged on the distance and ac-

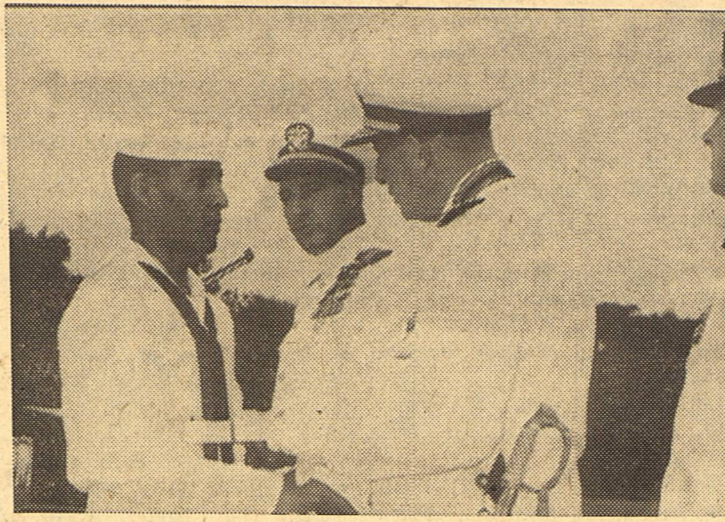

Sutton FM 1989 Due Extension Of 4.3 Miles

The Texas Highway Commission approved September 20 the expenditure of \$86,000 for construction of new Farm to Market Road mileage in Sutton County as part of the 1961 FM Road Program, according to District Highway Engineer J. A. Snell of San Angelo.

The District Engineer said 4.3 miles in this county will be involved. The work will take place from the end of Ranch Road 1989, 5.7 miles southwest of U.S. Highway 290, Southwest a distance of 4.3 miles. It will include grading, structures and surfacing and will be under the supervision of R. A. McCulloch, Senior Resident Engineer of Sonora.

The work authorized for this county is part of the \$15 million FM Road Construction Program which will involve 133 counties throughout the state. Some 600 miles of new farm roads will be built under the program.

Israel Leija Graduated From Great Lakes As Honorman Of Navy Recruit Company

Israel Leija, son of Mrs. Maria C. Leija and former solo trumpet player with the Sonora Bronco Band, is pictured here as he was congratulated on being named honorman of his recruit company at Great Lakes Naval Base, Illinois.

Israel Leija, son of Mrs. Maria C. Leija of Sonora, was graduated as honorman of his recruit company, August 19, during recruit graduation ceremonies at the Naval Training Center, Great Lakes, Illinois.

The honored recruit was chosen on the basis of his high initiative, outstanding military bearing, leadership ability, immaculate appearance, pride in the Navy, religious interests, adaptability to military training and because he best displayed a high example to comrade-in-arms.

After a 14-day leave he will attend the Naval School of Music at Washington, D.C.

Before entering the Navy in June 1961, Leija was graduated from Sonora High School.
