

WITH A MINUTE TO GO, the Broncos held the Big Lake Owls within the ten-yard line on the fourth down. A slight drizzle fell most of the game time in the Friday night encounter, but it

failed to dampen the spirits of the Broncos, who defeated the Owls 7-6. This was the Broncos first win against the Owls in the last three years. Sonora's score came in the first half of play.

## 33rd Lions Auction Sale Planned Tuesday Night

"Who will give me \$20 for this loaf of homemade bread?"

Inflationary prices prevail at the Lions Club Auction Sale held annually at the Sonora race track arena, and it is hoped that this year will be no exception when auctioneer Lem Jones of Phoenix, Arizona, will conduct the auction for items donated to the sale.

Hershel Davenport, chairman of the local merchandise soliciting committee and Lions Joe Lane, Doyle Morgan, Darcy Carroll and Doug Hill have been contacting merchants

this week. The building formerly occupied by Davis Insurance will be used to store and gather items for the sale. All articles should be in by noon Tuesday

in order for the item to be listed on the printed sales list that is passed to those coming to the auction. A free barbecue will be held prior to the sale at 6 p. m.

The Lions will hold the auction this year Tuesday night. The money raised by the club is used to sponsor and assist worthwhile community projects.

## Auxiliary Meeting Termed Success

Sixty-four persons registered for the council meeting of Hospital Auxiliaries of District II, Area III, held here last Tuesday in the Hudspeth Nursing Home.

unteers, Goodfellow Field, San Angelo.

very important job of public relations."

Mrs. Weldon G. Kolb, president of the Texas Association of Hospital Auxiliaries of LaMarque, and two members of the executive committee, Mrs. Joe A. Tate, president-elect and Mrs. E. M. Kendall, second vice-president, were here for the meeting.

Addressing her remarks to the volunteer workers present she said that hospital volunteer work is becoming more and more important, when the increasing shortage of hospital professionals is compounded by a larger and larger patient load. There are just not enough trained hands to do all the myriad little jobs that need to be done, she added.

Mrs. Perry pointed out to the hospital auxiliary workers that every one of us, every time we come in contact with another human being, does some kind of public relations job. To them she advised, "just remember that public relations consists of the opinions other people form of you, your work, and the place where you work, and your role in forming those opinions".

Registration and a coffee hour were held from 9:30 a. m. to 10:30 a. m. Mrs. R. L. Hardgrave, Mrs. R. C. Vicars and Mrs. A. W. Awalt registered guests. Mrs. John Fields, Mrs. Alvis Johnson and Mrs. Bill Fields were in charge of the coffee.

"Each of you renders a most valuable service, both to the medical staff, by relieving them of small jobs so they can get on with the larger and more complicated aspects of caring for the sick, and to the patients who otherwise would not get many small services performed for them.

Door prizes were awarded and favors were presented to each person who registered. They were cleverly designed tote bags of traditional Christmas colors of red and green, and the bags were filled with souvenirs. Handmade styrofoam, cloth covered Christmas balls, colorfully decorated, were presented to each state officer by Mrs. Browne.

Mrs. Charles F. Browne presided during the morning session at the Nursing Home, and the invocation was given by Mrs. J. E. Eldridge, president of Hudspeth Hospital Auxiliary. Mrs. J. H. Nail of Abilene, immediate past-president, gave the thought for the day.

But over and above the actual physical services you volunteers provide the staff and the patients, you also perform a

The meeting adjourned at 2:30 p. m. and a tour of the Caverns of Sonora was made by some of the visitors who were here from Rocksprings, Menard, Eldorado, and some of the other twenty-six counties comprising the district.

Mrs. Kolb, offering the president's message, was introduced by Mrs. Browne.

## Woman's Club Sponsoring Art Show By Carl Barho From Austin Store

Following the morning session a luncheon was served to the group at St. Ann's Parish Hall with Mrs. Collier Shurley and Mrs. Joseph Vander Stucken as hostesses. The Rev. Michael Fernandez of St. Ann's Church gave the invocation.

Paintings from the Country Store Gallery in Austin, will be displayed at the Courthouse today (Thursday) for those who are interested in unusual and fine selections of old and modern masters. The framing has been especially designed for each picture from the wide variety of styles in the store frame department, under the direction of general manager, Carl Barho.

as and many others. His speech to the Woman's Club members will include mounting a print, processing a print, matting single, double, one mat, two mats, single hole, double opening, etc. He will also discuss different types of framing, plus other phases of art work.

Mayor Norman Rousselot welcomed the group, followed by Alton Pearson, administrator of Baptist Memorial Geriatric Center of San Angelo.

Barho is coming here to speak at the Sonora Woman's Club meeting and luncheon. He will bring paintings by B. R. Garvin, C. P. Montague, Dave Saunders, Melvin Warren, H. Zeeger, Edourd Cortes, C. N. Ma-

The public is invited to the showing at the Courthouse, according to Mrs. Vestel Askew, who will introduce Barho at the Woman's Club luncheon.

Serving on the panel were Dr. C. F. Browne and Robert Vernor, administrator of Hudspeth Hospital, and Mrs. Robert M. Perry, Coordinator of Vol-

MISS JAN VANDERSTUCKEN furnished music during the coffee hour at the district meeting of the Texas Association of Hospital Auxiliaries, Inc. The beautiful organ in the Hudspeth Nursing Home living room was given to the

convalescent home by the Rev. and Mrs. Lea Roy Aldwell, Mr. and Mrs. Robert Halbert, Mr. and Mrs. Bryan Hunt, Mr. and Mrs. George H. Neill and Mr. and Mrs. Joseph Vander Stucken.

### Proclamation

WHEREAS, the President of the United States has proclaimed October 4-10, 1970, as National Fire Prevention Week. As Mayor of the City of Sonora, I do hereby proclaim the aforementioned time as Fire Prevention Week in the Sonora community.

WHEREAS, all citizens of Sonora will join our local fire department in a conscientious effort of Fire Prevention, not only this week, but every week of the year.

WHEREAS, Fire Prevention is an essential function which is carried on at every level of Federal, State and local government.

WHEREAS, it is the duty and responsibility of every citizen to safeguard his home and property from fire hazards that cause untold suffering and loss of thousands of American lives each year.

IN WITNESS WHEREOF, we have hereunto set our hand this 1st day of October, 1970.

NORMAN W. ROUSSELOT, Mayor, City of Sonora

DARCY CARROLL, City Fire Marshall, City of Sonora

## Broncos Defeat Big Lake Owls

by KAY KERBOW

The home team Sonora Broncos defeated the Big Lake Owls 7-6 in a heart-stopping defensive battle. This was the Broncos first win in three years against the Owls, losing 34-14 and 15-6 in the two previous years. The only score in the first half was managed by Milton Noel as he surprised the Owl defense by taking the pigskin 32 yards for the score. Mike Taylor's extra point was good and as the game progressed to

the finish, proved to be the winning point. The score was set up by one of the two fumbles the Owls lost and Lupe Espinosa fell on it at Big Lake's 30-yard line.

Big Lake made a valiant attempt to tie it up late in the first half but the stiff-backed defense of the Broncos would not give up an inch. The Owls actually had a first down on the three with a minute and a half remaining on the clock.

After two unsuccessful running attempts, the Owls sent David Hickman, fullback, over the right side of the line only to be met by the entire right side of the Bronco line and was forced to fumble. Bronco tackle, Scott Shurley fell on the ball and the Broncos took a 7-0 lead to the dressing room.

The first half was all Sonora Bronco as the small, determined line completely outplayed the large Owl line. The Broncos managed 120 yards on the ground in the first half, a feat most teams cannot accomplish against the rugged Owl line. The dangerous Sutton-Taylor pass combination kept Big Lake guessing and helped to establish the ground attack.

The second half began and looked to be an exact replica of the first half. However, midway through the third quarter the Owls began to get their offense going and Gregory Watson scored from eight yards out. The score was set up by a 41-yard scamper by Roger Neill. Larry Nunnally's PAT was no good when the ball hit the crossbar after a strong Bronco rush forced Nunnally to hurry his kick.

In the closing minutes, the Owls drove within the ten yard line of the Broncos but again the Sonora defense halted their attempts.

The last time the Owls had the ball, they faced a fourth down and two at the Sonora 11. With a minute to go, Hickman plunged through and apparently got the needed yardage, but Jimmy Cade recovered the fumble when Hickman lost control of the ball. Sonora then ran out the clock for their third victory in as many outings

Heading the Sonora line was Shurley, Willie Gutierrez, Tony Renfro and Gene Trainer. The defensive backfield of Cade, Sammy Perez, Arnold Samaniego and Lupe Espinosa kept the Owls from completing a single pass.

The Eddie Sutton-Mike Taylor combination went for 95 yards keeping the Owl defense guessing and paving the way for the running backs--Noel, James Noel and Scott Jacoby--to make yardage.

The Broncos meet Ozona here Friday in an 8 p. m. game.

Statistics	Big Lake	Sonora

## William C. Bricker Dies Following Long Illness

Mr. William Clyde Bricker, 71, died in Hudspeth Memorial Hospital, September 25, 1970, after a long illness.

Services were held Sunday at 4 p. m. with Mr. Mike Puckett, minister of the Church of Christ officiating. Graveside services and burial were in Sonora Cemetery with Ratliff-Kerbow Funeral Home directing. He had lived here since 1924, and was a Butane Gas Dealer. He was an active member of the Church of Christ. Mr. Bricker was born in Gonzales, in 1899 and was married to Beula Hardin in 1921. She died in 1933. He then married Alta Merck, March 22, 1941, in Eldorado.

Survivors include his wife; four sons, Hollis Bricker of Florida, Royce Bricker of Grants, New Mexico, W. C. Bricker, Jr. and Jack Bricker, both of Loving, New Mexico; three daughters, Mrs. Dorothy Brown of Poteau, Oklahoma, Mrs. Martha Hopkins of Van Horn, and Mrs. Carol Truly; twenty-three grandchildren and a number of great-grandchildren. Pallbearers were John Eaton, Charles Howard, George (Bud) Smith, George Smith, Philip Jacoby and E. J. Wipff.

## Moisture-Robbing Brush Creates Area Problems

Invading, moisture-robbing brush continues to be one of the number one headaches for Sutton County ranchmen. Mesquite is the most serious pest, but cedar, prickly pear, agarito and persimmon are spreading rapidly also.

From a once open country with occasional large trees, mesquite brush has covered the valleys and is moving relentlessly to the hills. The absence of old trees on our hills indicate that mesquites did not grow there—at least during the past several hundred years.

The most widely used control measure for mesquite has been the hormone spray 2-4-5 T. This chemical, at best is only a control, and the operation

## Rainfall!

BY E. B. KENG

A slow, soaking fall rain that started Friday night continued through the weekend, bringing rains of one to 2.5 inches over a wide area. Though moisture varied a great deal—even on one ranch—it was probably the most general rain of the year.

Representative rainfall amounts included Lin Hicks, 1.20; John Mittel 1.85 to 2.50; George Wallace 1.30; W. L. Davis 1.60; George Brockman 1.0; W. R. Cusenbary 1.50; Frank Bond 1.70; Mier Compressor Plant 1.30; Edwin Sawyer 1.60; Gene Wallace 1.30; W. B. McMillan 1.70; James Hunt 2.10 and Jerry Johnson 3.70.

Rain gauges on Lowrey operated by the Agricultural Research Service showed 1.83 to 2.27

MRS. WELDON G. KOLB of La Marque, president of the Texas Association of Hospital Auxiliaries, Inc., was introduced by Mrs. Charles F. Browne at the District II, Area III meeting held here last week at the new Hudspeth Nursing Home. Mrs. Browne presided at the morning session and gave the welcome address. Following the luncheon at St. Ann's Parish Hall, a panel discussion of the State president's theme was held.

## Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

### "Grassroots Opinion"

**LOVINGTON, N.M., LEADER:** "The hate-America element has had its hey-day in recent years, and is now on the verge of being repulsed by aroused citizens who are recognizing the abuse of freedom of speech for what it has become: license to bring about the destruction of the nation. We sense a new mood in the air. Frustration and dismay is giving way to anger and determination. There are going to be some changes made... but not exactly of the type that the hate preachers expect.... We feel that the vast majority of American people have about had it.... with insults and all types of defamation against their country. Admiring and defending it in no way is covering up for its inadequacies and errors; and tearing it down in no way solves the problems alluded to by its unreasonable critics."

**HARRISONBURG, VA., NEWS-RECORD:** "No one can realize the effects of a recession like those who are numbered among the jobless, no matter how small their ranks may be. Their despair, shattered dreams and sometimes financial disaster are

not reflected in the statistics which disclose unemployment is rising as inflation is cooled. This is something to remember as the nation continues to struggle against the effects of years of profligate spending, too little concern for mounting deficits and bureaucratic excesses. The piper must be paid, even in the land with the vast resources of this one."

**BLOOMSBURG, PA., PRESS:** "It is unfortunate American industry and business do not devote more of their talents and promotion to the basics of free enterprise—the system which has made this the number one country of the world. The average American as he or she goes through the various stages of education has little if any exposure to costs and profits. Consequently, most share a distorted picture.... American industry and business have a wonderful story to tell. We are missing the opportunity of talking about free enterprise in our school system. It is a subject which we have been taking for granted."

**GRAND RAPIDS, MICH., NEWS:**

"In business as most of it is constituted today, a man becomes valuable only as he recognizes the relation of his work to that of all his associates. One worker more or less makes little difference to most big organizations, and any man may be replaced. It is the cumulative effort that counts."

**YOUTHFUL SENILITY:** A study of the problems of growing old in America has turned up a bit of information on senility, which is supposedly one of the afflictions of age, that may explain the aberrations of some of our younger people. The study found that, "... senile traits are not peculiar to the aged. A group of college students and a group of the elderly were recently rated according to the characteristics of senility, and the students were found to be the more neurotic, negative, dissatisfied, socially inept and unrealistic. The students, in sum, were more senile than their elders."

It is gratifying to discover that some of the more extreme exhibitionism and general hell raising among a minority of youths is not the work of imbeciles or communists, but rather symptoms of early senility.

From the 50th Anniversary edition of the Devil's River News: S. H. Stokes was one of the pioneers who settled Sutton County. He ranched in the country for many years and was well known all over West Texas. He was elected County, District Clerk in 1894 and held this office for two terms and in 1900 was again elected for a term of six years. He served on the draft board with Roy Hudspeth and Dr. Craddock and was chairman of the board.

Mrs. M. S. Davis, the widow of former sheriff J. L. Davis, came with her husband from Burnet County, November 24, 1890. Her parents were Mr. and Mrs. David Howton, and

### He Knows Why Hurricanes Are Always Given Feminine Names

Editor's note: The Dry Devil's Philosopher on his bitterweed ranch on Dry Devil's River is on his own this week as far as we're concerned.  
Dear editor:

Somebody who didn't sign his name has sent me a clipping from a newspaper—I don't care whether his name is signed or not but it looks like it'd been just as easy to send me the whole paper—with a note asking me what I thought about it.

The clipping reported that the Women's Liberation Movement is complaining because the Weather Bureau gives female names to hurricanes. In fact, they were doing more than

complaining, they were raising Ole Ned about it.  
"Would like to see what you have to say about this," the anonymous note said.

He, or maybe she, has come to the right source if a fair and impartial answer is wanted, as hurricanes and women are two things I'm no authority on. However, there are certain characteristics about both a person is bound to detect.

For example, the Weather Bureau will report Hurricane Felice say is headed for a certain point on the coast, reporters and TV people rush there, and an hour later Felice has changed her mind and gone in another direction. You never know where she's going or when she's going to arrive. In the entire history of hurricanes, nobody has ever been able to predict one with any dependability in the entire history of women. And why do they refer to it as a tropical disturbance before it becomes a full-fledged woman, I mean hurricane?

I don't want to get tangled up with the Women's Liberation Movement, but would it seem right reading that Tropical Disturbance Albert is headed toward the mainland? Or to take protection against Hurricane Teddy?

No. Celia... Felice... such feminine names just sound more accurate and ominous than Thomas and Donald. However, on the other hand, there are some male characteristics about hurricanes. For example, you have to clean up after them.

Yours faithfully,  
J. A.

Texas has 115 colleges and universities.

### A Bishop Looks at Life Nothing Wasted

By Everett H. Jones  
Retired Bishop of the EPISCOPAL CHURCH

Keith Miller, a Christian layman of Austin, has written a new book, "Habitation of Dragons". The title is from a passage in Isaiah 35, in which the author tells us that one day the Lord will make that frightening and desolate place which is the habitation of dragons into a new land, and thru this land He will build a highway. (Miller has two previous books, "The Taste of New Wine" and "A Second Touch", which have sold over 750,000 copies, an unusual record in the field of religious writing.)

This new volume is described as "a book of hope about living as a Christian." The author deals openly and frankly with such personal dragons as loneliness, a sense of insecurity, frustration, anxiety, fear and resentment.

One of his best chapters is entitled "Nothing Wasted." In it he tells of his fear through much of his life that any kind of failure would cripple him and ruin his future. He hesitated to make any decision that might damage his reputation. Finally, he came to realize that for a Christian nothing is wasted in this life: no bad decision, no vocational change, no personal failure.

"When I broke my back and thought I was going to be paralyzed from the neck down," he writes, "when my parental family was destroyed by sickness and accident, and when I did not get a certain crucial promotion, such tragedies seemed so meaningless and wasteful."

"Yet these and other disappointments provided the only doorways I now have into the hearts and lives of struggling men and women. For many of them live with tragedy and disappointments and are also afraid to make decisions which involve risk. Finally, it was my inability to be able to control my circumstances which led me to begin to turn my life toward God."

In support of his own discovery, Miller quotes Dietrich Bonhoeffer, the German Christian imprisoned and then executed by Hitler. This man, who has had profound influence on Christian thinking in the last 25 years, wrote from his prison cell: "Much as I long to be out of here, I don't believe a single day has been wasted. What will become of my time here it is too early to say; but something is bound to come out of it...."

MISS CYNDY HOPKINS, daughter of Mr. and Mrs. Jerry Hopkins, was crowned band sweetheart during halftime ceremonies at the Sonora Bronco-Regan County Owl game September 25. Miss Hopkins was presented a bouquet of red roses by Johnny Butterfield and a special gift by Jimmy Butterfield, both sons

of Band Director and Mrs. John Butterfield. Other nominees for the selection of band sweetheart were Miss Mary Gallegos, daughter of Mr. and Mrs. Frank Gallegos and Miss Kathy Hardegree, daughter of Mr. and Mrs. Max Hardegree.

## TEEN SCENE

By KAY KERBOW

The Broncos determination to beat Big Lake and avenge losses to them in the two previous years paid off as the Big Reds outlasted the Owls 7-6 in their non-district bout.

Even though the Owl line had a definite size advantage, the Bronco linemen pushed the Owls aside time and time again proving once and for all to all those who ever doubted it, that SHS football boys are as good as any others anywhere.

The Broncos' skills will be put to another test here in Bronco stadium against the Ozona Lions tomorrow night in a more or less grudge contest beginning at 8 p. m. The Lions are 2-1 on the season with their loss coming to the Coleman Bluecats Friday night.

or not. It doesn't seem possible that six weeks have already flown by but they have indeed as is evidenced by piles of books being carried by students in order to prepare for exams.

First period exam was given Wednesday at the regular time with fifth, sixth and seventh being administered Thursday. Friday ended the dreaded time with second, third and fourth period tests bringing the first six weeks to an official end.

Not only tests have taken up the week, but also pictures were taken Tuesday and Wednesday. Individual and organizational shots were snapped beginning at 10:30 Tuesday morning. As one knows, students dress nicely for school pictures, so if you drove by and saw the boys in ties and the girls in nicer clothes, don't worry—it's not a permanent condition. The girls will be back in pants and the boys in their blue jeans and boots shortly thereafter.

Report card will be issued Wednesday after the teachers have tabulated the grades. I wonder how many students will face the age old problem of explaining their bad grades and attempting to talk The Parents out of severe punishment.

The United Youth Fellowship will begin its year October 11,

Not only did the Varsity prove their skills, but so did both junior high teams and the "B" squad as they defeated the corresponding Big Lake teams. The "B" Broncos in a game here Thursday night slashed the "B" Owls by a 32-6 margin.

The seventh and eighth grade Colts showed their developing skills by defeating the Owlets by scores of 28-8 and 30-14, respectively.

Well, it's test time already! Yes, the first six weeks of school ends Friday, believe it

kicking off with a hot dog supper and hootenanny at the Walter Pope home beginning at 6:30 p. m.

In case of a lapse of memory, the UYF is an organization sponsored by the First Methodist, Presbyterian, St. John's Episcopal and Hope Lutheran churches involving any high school student interested. It will meet the second and fourth Sundays each month under the leadership of Mr. and Mrs. Walter Pope, Mr. and Mrs. Fred Campbell and Mrs. Stuart Fimhaber.

Two monthly meetings will consist of one recreational and one educational meeting. Plans are made one month in advance by the adult sponsors, the preachers and by a youth council of two representatives per sponsoring church.

These include June Alexander and Kay Kerbow, First Methodist; Scott Campbell and Kelly Sentell, Church of the Good Shepherd, Presbyterian; Janet Pope and Chuck Browne, St. John's Episcopal, and Jean Fimhaber and Patricia Carroll, Hope Lutheran.

Last year, the UYF's first meeting drew some 35-40 students. The number dwindled as the year progressed, but the 25 steady UYF'ers enjoyed themselves immensely and this year the program should be every bit as much fun.

### Hospital News

Patients receiving treatment at Hudspeth Memorial Hospital during the period from Tuesday, September 22, through Monday, September 28, include the following:

William Durbon  
James McLaughlin  
Mrs. Jerry Phillips  
Estelle McConnell  
Tomas Perez  
Mrs. Pryce Taylor  
Glinda Lewis  
Mrs. Alfred Schwiening, Sr.  
George Bennett  
Fidel Reyna  
Carlos Trevino  
Maria Rouché  
Candelario Paredes  
Mrs. John Ward  
Collier Shurley  
Michael Santangelo, Pittsburg, Pennsylvania  
Frank Moore  
Inez Rawls, Ozona  
Olga Castas  
Teddy Guana  
Felicitas Flores, Ozona  
Mary Najar, Ozona

\*Patients released during the same period.

### Jamless Locks

To prevent sticking and jamming of door locks that must operate in corrosive atmospheres, cylinders of high-quality locks are made from a copper-nickel-zinc alloy called nickel silver.

### Happy Anniversary

OCTOBER 30	Mr. and Mrs. A. C. Hudson
	Mr. and Mrs. Paul F. Law
	Mr. and Mrs. Elba Adams

**Propelling Metal**

Many of the American-built workboats—tugs and ferries—operating in coastal and fresh waters are equipped with cast nickel stainless steel propellers.

### BAND NEWS

Hershel Davenport, band booster president, said he is well pleased with the manner in which the band parents are supporting the Bronco Band. The concession stand "sold out" Friday night, and it was mainly due to the help and cooperation of the parents this success was possible, he said.

The booth will be open for the Thursday night game, and band students will be in charge. Barbecue beef sandwiches are planned for the night's menu.

Chairmen for Friday game against Ozona are the John Westons. Parents working will be the Ken McAllisters, Frutoso Chavarrias, Francisco Gallegos, Santos Hernandez, William Radles, Bill Morrisses, Milton Cavanesses, Hershel Davenport, Mrs. Ann Feagin and Mrs. Lucy Ward. Sandwiches will be donated by the McAl-

## Wheels in Motion

When the gears of a machine mesh together in motion, things begin to happen. Wheels turn, and power is transmitted to every part of the mechanism.

Prayer is something like that. Individual prayer is a vital and sacred thing. Each of us has moments when we—and we alone—must turn to God.

And collective prayer—mass prayer—can be a tremendous force for good too. It is as if thousands of "spiritual gears" suddenly were meshed together into a unit directed by a single purpose.

On Worldwide Communion Sunday, remember the power of collective prayer. Join with your neighbors throughout the globe by attending church and praying both for peace and for each other.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Philippians	3	1-16
Monday	II Corinthians	6:14 to 7:1	
Tuesday	Genesis	28	10-22
Wednesday	Exodus	3	1-15
Thursday	Exodus	13	17-22
Friday	Deuteronomy	32	1-12
Saturday	Psalms	119	105-112

### Letter TO THE Editor

(Editor's note: The following letter was received in the sheriff's office from Robert Gibson of Preston, Lancashire, England 21 Waterloo Road, Aston-on-Ribble, Preston, Lancashire Dear Friends,

Now that my holiday in North America is over, I am able to recall with delight the natural wonders of your continent that I was able to see personally: the Canadian Rockies, the Columbia Icefield, the Arizona Desert and the Grand Canyon. But it is the town and people of Sonora that I remember with special affection, for without the combined help of the ladies in the Land Record Office, the gentlemen of the State Agricultural Advisory Service and Mr. Neill of the local bank:

1) I would not have been able to traverse the 40 miles to Fort McKavett,  
 2) I would not have been able to trace my two elderly relatives who now live in San Angelo.

May I further indulge upon your kindness by asking that this letter of appreciation be circulated among the people to whom I am specially indebted.

Sincerely yours,  
 Robert Gibson  
 (Gibson also enclosed two color postcards and added a post script to his letter. The postcard with the country views is of our beautiful English Lake District and the Preston town view shows, on the right-hand half, the market place overlooked by the Art Gallery and Museum and on the left, the War Memorial overlooked by the Courthouse.)

**A LOOK AT CAPITOL HILL WITH Dick Gill YOUR CONGRESSMAN**

**FOR THE '70s AND BEYOND**

Since I began my campaign for the U.S. House of Representatives back in January, I have tried as often as possible to let you know how I feel about the important issues of this campaign—about the challenges facing America as we enter this new decade.

But I also feel that politics is a two way street, and if I am to be a truly effective Congressman, then I must also know how you feel, what you think. That is why one of my first acts as your Congressman will be to open offices in the three major cities in the 21st District—San Angelo, Odessa, and San Antonio—and then schedule regular weekend visits to each office so that people could have the opportunity to talk to their Congressman. I will also set up a regular schedule for visiting each of the other counties in the District.

In the meantime, however, I'd like to know what's bothering you. So I'd like to ask you a favor. Take five minutes and drop me a note. Tell me what your problems are, what you think is right and what you think is wrong. And then let's get to work together to see if we can't get something done.  
 Pd. Pol. Adv., Gill-For-Congress Comm., Dale Dorn Chmn.

## NEWS for OUTDOORSMEN

... by VERN SANFORD

Despite some thoughts to the contrary, the hunter is directly responsible for today's extensive wildlife conservation program. Without him many species now plentiful would be extinct.

Hunters rate the mourning dove as the number one game in the United States. Regardless of whether it is hunted or not, the annual mortality of the mourning dove is between 70 and 80 percent.

This you may not believe, but there are more rifle and pistol ranges in the United States than there are golf courses. Furthermore, shooters outnumber golfers three to one.

Hunters have spent more than \$100 million for duck stamps since the passage of the migratory bird-hunting stamp act of 1934. This revenue is used to preserve wetlands for waterfowl habitat.

America's wildlife program has been financed at the rate of \$22 per minute for more than 30 years through the Pittman-Robertson Act—a sportsman-supported excise tax.

Hunters spend nearly \$300 million a year on automobile travel for gas, oil, tires and maintenance.

A porcupine can destroy two trees in a single night and is known to cause damages ranging from \$10 to \$100 per acre. He's a busy little fellow!

Sportsmen are said to be the cleanest when it comes to littering, with the least number of offenders. They are responsible for only 5 percent of the litter. Picnickers are blamed for 25 percent and passing motorists for 70 percent.

The National Park idea began with Yellowstone in 1872, but the National Park Service was not created until 1916.

Camping is here to stay. In the na-

tional park system alone there are approximately 30,000 camps. During the summer months most of them are filled every night.

When you refer to something big as a "whale" there is good reason. An average adult gray whale weighs about 18 tons and is approximately 35 feet long.

No wonder you see so few porcupines. A female produces only one offspring a year.

While the lobster is no speed demon, he has been known to travel 97 miles in 27 days.

Texas cottontail rabbits weigh only about two pounds each, while the European hare will average nine pounds.

Unlike other birds, the woodcock lays a single clutch of four eggs per season.

Birds which feed on insects have a special membrane on the retina which enables them to see the smallest flying bug.

Pelicans nesting on Great Salt Lake in Utah must fly up to 100 miles a day for fresh water and food.

Fastest of all fish is the sailfish. It has been known to tear off 100 yards of line in three seconds, which indicates a speed of about 70 miles an hour.

Under normal conditions, when a cricket chirps it can be heard for more than a mile.

Camels can go for eight days between drinks.

If you can identify a queen bee, you can safely hold her in your hand for she has no stinger.

That tall giraffe has only seven vertebrae in its neck. A sparrow has 14.

### Ranchers To Receive Questionnaires From Crop And Livestock Reporting

Information supplied by some 25,000 Texas farmers and ranchers will become the basis for the official crop production estimates for each county and the State.

County Agent D. C. Langford said a representative number of farmers and ranchers in Sutton County will be among the 25,000 in Texas receiving the questionnaire from State Statistician Cary Palmer of the Texas Crop and Livestock Reporting Service in Austin. The questionnaire will be mailed during the last half of October and early November.

Accurate estimates are of great importance to producers in planning their production and marketing, farm program participation and also for providing an unbiased picture of Texas agriculture, emphasized Langford.

The program of estimates for each county is provided by the Texas Legislature. Since Texas covers such a wide area and with great diversification of production, State totals alone do not provide adequate information on our most basic industry, Agriculture, the county agent explained. This is a joint project, he said, between the Texas Department of Agriculture and the Statistical Reporting Service of the United

States Department of Agriculture.

Because of the importance of the program, the county agent urges every producer in the county who receives a questionnaire from the Crop and Livestock Reporting Service to fill it out completely for his farm or ranch and return it to the Austin Office of the Reporting Service.

### Letter TO THE Editor

The Devil's River News Sonora, Texas  
 Enclosed you will find a check to renew our subscription as well as one for the Gene Eubanks, Victoria.

Dale, our daughter, and Gene really enjoy the "Devil" as well as we do.

The column of 1931 carried me back a few years, and I wondered just what our lively class had gotten into—we had fun, and I'm sure our wonderful teachers wondered if we'd ever amount to anything.

Thank you,  
 Mrs. Palmer West (Blanche)

The Devil's River News

Published in Sonora, Texas - "The Capital of the Stockman's Paradise"

FIVE PEOPLE LUCKILY WALKED AWAY from this airplane without any injuries. The pilot, John Barbee of Ozona, landed the plane on the IH 10 construction site about one-half mile from the Lea Allison ranch home. He and his wife Janice, had been to New Orleans, Louisiana, to pick up the other three passengers, Vincent Miceli and his wife, Shirley, and Alan McCraw. They

were enroute to Ozona, when the fuel supply ran out. Barbee assumed the plane had sufficient fuel to reach Ozona, but when the supply ran low, he thought he could make it to the Sonora airport, but apparently the fuel supply was exhausted about eight miles short of the airport. The crash landing occurred during Friday night's rainy weather.

Phone news to 387-2222

### Coffee Break by Shirley Hill

Wigs have become a part of our apparel. Sure takes the worry out of going to work when it is the day before a beauty shop appointment. Some change our looks completely and some are just the color of our own hair and therefore no drastic change occurs. The following item appeared in a popular magazine and all you gals buying a wig might keep this in mind before surprising hubby.

"A woman bought a new wig and thought it would be good joke to surprise her husband at the office. She walked in and asked him, 'Do you think you might find a place in your life for a person like me?'"

"Not a chance," he snapped. "You remind me too much of my wife."

—SKH—

Kay Campbell and a friend, Mildred Devine, both of Norwich, Connecticut, are here visiting with Kay's parents, Mr. and Mrs. J. Wray Campbell. Mr. and Mrs. T. K. Nevill spent the weekend visiting relatives near San Antonio and New Braunfels. Visiting were Mr. and Mrs. Don Stallings, Debbie and David of Houston, Mr. and Mrs. J. B. Shanks, Mrs. R. D. Stallings and Mrs. Serena Siverling and Paul of Pasadena, Mr. and Mrs. Fred Trainer of Pasadena and Jack Trainer.

**42 FUN CLUB**  
The 42 Fun Club met in the home of Mr. and Mrs. W. O. Crites, Thursday night. Bing cherry pie with whipped cream was served, along with tea and coffee. Dips were also served as refreshments. Playing 42 were Mr. and Mrs. J. B. Wright,

Mr. and Mrs. Freeman Mears, Mr. and Mrs. A. W. Awalt, Mr. and Mrs. Ervin Willman, Mr. and Mrs. Si Loeffler, Mr. and Mrs. Tom Nevill and Mr. and Mrs. Don Jones. Mrs. Wright won the high club prize; Mrs. Jones, high guest; Mrs. Awalt won the ladies bingo prize and Loeffler won the men's bingo prize.

**METHODIST WOMEN INSTALL OFFICERS**  
At a recent meeting in the First Methodist Fellowship hall, the Rev. John Weston, installed officers for the Women's Society of Christian Service.

Officers installed included: Mrs. Alvis Johnson, president; Mrs. W. R. Cusenbary, vice president; Mrs. Alice Jones, secretary and treasurer, Mrs. Ben Cusenbary.  
Chairman of various committees were also installed and they were: Christian Social Relations, Mrs. Frank French; Mission Education, Mrs. Edwin Sawyer; Spiritual Growth, Mrs. W. L. Davis; Program Material, Mrs. J. F. Howell; Committee on Nominations, Mrs. R. V. Cook; Membership, Mrs. John Weston and Local Church Responsibility and Lions Club, Mrs. Cook.

The Society presented a gift to Mrs. C. M. Epps and to Mrs. Robert Wilson, Jr., who was always given a life membership. Mrs. Epps was hostess for the meeting.

## Green News

by Jo & Monica

The Green News reporters apologize for the lack of news this week. Monica is on her honeymoon and Jo has been off playing golf in The Old Folks Tournament.

—GN—  
Last week, Sonora golfers played in various tournaments. Sammie Espy and George Johnson played in San Angelo's yearly Fiesta Tournament—they won third place in Championship Flight.

Cullen Luttrell, Elaine and Kyle Donaldson played in a Mixed Couples Tournament in Bronte—Elaine's team won first place—Cullen's team won third and Kyle JUST PLAYED!

Clayton Hamilton, Doyle Morgan, Francis Archer, Bud Smith and Wallas Renfro played in Brady's Tournament. A good representative, but no

winners.  
Jo and J. W. Neville went to Odessa to play in The Texas-New Mexico Senior Golf Tournament. Jo won first place in her flight Tuesday and Wednesday and second place overall net. J. won second low gross Tuesday and third low net Thursday.

—GN—  
Eldorado is having a Mixed Couples Tournament October 3, 4. They invite Sonora golfers—if you do not have a partner, they will try to provide one.

—GN—  
Several have called for Lonnie's address. He and Myrtle are staying at Pioneer Motel, Room 8, 2902 Old Spanish Trail, Houston, 77021. They will probably be there until the middle of October.

### Tom Davis Shows Top Fleece At N.M.

W. L. (Tom) Davis, Sutton County registered Rambouillet sheep breeder showed the grand champion fleece at the annual New Mexico State Fair Livestock Show judging at Roswell, New Mexico. Jim Gray, animal husbandman with the Texas A&M University Agricultural Extension Service at San Angelo made the announcement last Thursday.

Davis, well-know Sutton ranchman, showed the cham-

pion fleece of the registered division and then went on to capture the grand champion honors. Davis's fleece was from a ram being used on his ranch with his Rambouillet flock.

The reserve champion fleece was shown by the A. B. Jones Estate of Tatum, New Mexico.

Other Sutton Countians winning honors at the show, included Debbie Howard, who had the first place Rambouillet ewe fleece of the youth show, and Steve Street and Chris Berger who had fleeces which placed in the range division judging at the show.

County Agent D. C. Langford and Mrs. Langford were in Roswell, New Mexico, also where he judged the breeding sheep and classified fat lambs. The Langfords returned here Tuesday.

### REHABILITATION COUNSELOR FOR BLIND TO SERVICE AREA

Jerry L. Lewis, rehabilitation counselor, for State Commission for the blind, will be working in this area and is interested in contacting those persons with visual problems that are not correctable with glasses. Anyone interested in corrective surgery or other visual aids can contact Lewis at 310 N. Willis Street, Abilene, 76903. Lewis also advised that the commission helps those persons with sight handicap to find employment, schooling, etc.

### AREA RANCHMEN IN VIRGINIA

A group of local ranchmen and businessmen left for Clarksville, Virginia, Tuesday as guests of Burlington Industries. Armer Earwood, Norman Roussetol, Fred Campbell of Sonora Wool & Mohair and J. M. Auld of Kerrville, are touring the Burlington plant in Clarksville, the wool combing division of Burlington. The men will then make a tour of Burlington mill in North Carolina, and will return here Friday.

# SONORA vs OZONA

BRONCOS                      LIONS

FRIDAY, OCTOBER 2, 1970  
8:00 P.M.  
BRONCO STADIUM

**BACK THE BRONCOS**  
**ATTEND ALL THE GAMES**

A REGEAN COUNTY OWL gets a piggy-back ride from a Sonora Bronco, who digs in and holds on while other Broncos and Owls swarm around. Both teams played good football and provided many thrills for the big crowd who sat through intermittent showers to see Sonora victorious. The score ended 7-6 in favor of the Broncos over the Class AA school.

MRS. J. E. ELDRIDGE, president of the Hudspeth Hospital Auxiliary, emphasizes a point to Mrs. R. L. Hardgrave, Mrs. Bob Vicars and Mrs. A. W. Awalt, who registered visitors to the Texas Association of Hospital Auxiliaries, Inc., meeting. Mrs.

Eldridge gave the invocation at the morning session. Visitors were registered during the coffee hour of 9:30-10:30, hosted by Mrs. John Fields, Mrs. Alvis Johnson and Mrs. Bill Fields.

AMONG THE FIRST PATIENTS admitted to Hudspeth Nursing Home were Mrs. H. P. Allison, Mrs. Dona Stites and Ollie Walker of Menard. They are shown here enjoying the music provided by Miss Jan Vander Stucken. Jan has played several

times for the pleasure of the patients, and once when she played "Put Your Little Foot", Mrs. Allison said, "play that again, Jan—I bet I've danced a thousand miles to that!"

HEALTH & SAFETY

Mainly for Mothers  
by Carol Hart

Setting the right example with medicines

Psychologists tell us that basic attitudes are all important in setting the life-style and habits of a youngster when he reaches the age when the apron strings are loosened and he has to make his own instant decisions about right and wrong.

Many of those important attitudes are formed early in life and are based on observation of what parents do—not what they say. Ideally parents hope their children will learn to respect themselves, their fellow human beings and the world around them. Certainly an important element of self-respect is learning to respect your body.

Respect for your body involves many things, cleanliness, keeping fit, eating properly and using good sense in protecting your health.

Thoughtful parents have little problem in establishing the habits of cleanliness, fitness and good nutrition. But sensible health protection is something few people think about much. Yet the attitudes young people develop towards medicines and health care can be very important in later years.

The Council On Family Health, a non-profit, public service organization sponsored by leading medicine manufacturers, has some tips that could be helpful in teaching your child to think twice before taking medicines or other substances about which they know little.

These are some things you can do during those impressionable years to establish attitudes of proper respect towards medicines:

- Take your own medicines in private. No child should get the idea that taking medicines is an everyday occurrence.
- Make sure your child really needs medicine. Sometimes

a headache or a tummy ache can be readily cured with a little attention. The main thing to avoid is setting a pattern where medicines are taken without a clear reason.

- Don't make a big deal out of taking medicine. Most children will take medicine without a fuss if you simply give it to them in no-nonsense fashion.
- Avoid associating pleasure with medicine. Youngsters should not be told that medicine is like "candy".

These simple steps can help you to establish the proper attitudes towards medicines at a time when children set the traits that will last a lifetime.

Snips, Quips, And Lifts

by LOTTIE LEE BAKER  
—That income tax is really something. Who said you couldn't be wounded by a blank?  
—And then there's the woman who drives with her emergency brake on... "When there's an emergency, I'm always ready. COULD THERE BE A POINT FOR US?"

A boy away at college wrote this to his father:  
"Dear Dad" Gue\$\$ what I wi\$h for mo\$t of all. Plea\$e \$end me \$ome ri\$ht away. That'\$ ri\$ht. Your \$on, \$am."  
He replied: "Dear Sam: NOthing ever happens here; you KNOW. We KNOW you are having a good time. Write us ANOther letter. I mu\$t go for NOW. Your father."  
—At one time in Utah mo\$t of the girls married Young.

—It's great to have your children home from school. It takes your mind off your other troubles.

—If you think you can be happy by letting the government take care of you, just remember what happened to the American Indian.

—One famous writer had a pen name, an unlisted phone, a cable address, and a Swiss bank account. When he died they couldn't find him to bury him.

—Just think, while you're sitting here reading this column a big fat computer somewhere is checking your tax returns.

—Tough luck is when you reach your September years and find out you missed the

best of July and August.  
—People who live in glass houses shouldn't throw parties.  
—All things come to those who wait, but when they come they're out of date.  
—Records are immortal things—you can't break an old one without making a new one. A LIFT FOR THE WEEK  
A man's temper improves the more he doesn't use it.

Pete Snelson

PETE SNELSON  
LIONS SPEAKER

State Senator Pete Snelson of Midland was guest speaker at the Lions Club Tuesday meeting and luncheon.

Senator Snelson presented a program on the seven proposed amendments to the Texas Constitution which will be voted on November 3.

Since it became effective in 1876, the present Texas Constitution has been amended 195 times.

Senator Snelson represents the 25th District, which includes 21 counties and 45,000 square miles. Currently he is serving on six interim legislative committees which are now preparing recommendations for the 62nd Legislature which convenes in January.

Rainfall from page 1

on the Jimmy Powell Thompson ranch; Joe Logan 1.14 to 1.86; Vestel Askew 1.73 to 2.40; Stella Keene 1.54 to 1.95; W. L. Miers 1.82 to 2.16; and the Hunt Hospital gauge showed 1.50. Gauges on the Experiment Station recorded 1.14 to 1.53.

The good moisture, coupled with lower fall temperatures, will produce immediate germination of a heavy annual weed crop. Cold nights are expected to hold grass production on short ranges to a minimum.

The widespread rains hold out a promise of winter grazing for sheep and goat raisers, but cattle forage will probably be limited over much of the Edwards Plateau soil conservation district. Continued winter moisture will be needed to produce sufficient weed growth for significant grazing.
