Reward Offered For Papers

Somewhere between Midland and Dallas there is a flat package with 52 copies of 1977 Devil's River News editions missing.

The bad thing about the missing papers is that some issues were our last remaining copies and they were to be bound for a permanent file.

So now we've got a problem...not only are our 1977 issues to the bindery no where to be found, according to the Loose in the Mail Section at the Ft. Worth post office, but we also are short 10 issues. The 10 editions we need copies for are

March 23, March 30, April 20, May 4, May 18, June 22, September 21, September 28, October 12 and October 19.

In order to complete our files we are offering a \$5 reward to people who bring us complete and in good condition copies of the Devil's River News of the missing dates.

The reward will be paid to the first person to bring in a complete and good copy for the specified dates only.

The Devil's River News reserves the right to determine the condition of the papers for payment.

Division I Bronco Band members are: [front row left to right] Denise Neal, Daphney Smith, Debbie Parrish, Johnnie Myers [second row] Tammy Van Hoozer, Micky Mooney, Maray West, Angie

Bautista, Laura Cayce [third row] Julie Stewart, Cathy Polocsek, Marla Van Hoozer, Fran Friess, Rick Powers [fourth row] Brad Johnson, Steve Jennings, Sandie Wright, Patsy Duran, Tonya Ridgeway.

Special Buy in Sonora Campaign Emphasizes Benefits of Shopping Here

This week concludes the special campaign of the Devil's River News and the various businessmen to acquaint you with the advantages of doing business in Sonora and has been appropriately titled, "Buy in Sonora Week".

Although this series of articles and the special advertising sections will be discontinued next week, the benefits to you of trading in Sonora will continue throughout the year.

Here summarized are those benefits:

Business firms that are interested in you, the customer.
Reasonable and fair prices.
Courteous service.

Personal attention.
Reliability, dependability and trust.

Friendship and neighborliness.
Businesses that have earned your confidence.

Good quality products, services and merchandise.

Men and women who build and support your community.
Appreciative businessmen and sales personnel.

Promotional events from time to time.
Selection for satisfaction.
Credit services. Lay-away services. Convenience.

Easy, comfortable and pleasant shopping, and the many intangible

benefits that come from doing business with people you know.

Your response to this campaign during the last seven weeks has been greater than expected. All of the participating merchants, business firms and the Devils River News are deeply appreciative and believe that you have a new awareness and enjoy trading in Sonora.

More surprises are to be found in the final advertising section today.

A&K Parts and Supply, Big Tree Restaurant, Ken Braden Motors, Inc., Bronco Pharmacy, Commercial Restaurant, Dairy Queen, First National Bank, Food Center, Hershel's Foodway,

Foxworth-Galbraith, Gosney's, Hurry-Up, John's Auto Body and Paint Shop, Live Oak Phillips 66, Modern Way Grocery, Doyle Morgan Insurance and Real Estate,

Neville's, Nina's Beauty Salon, P&S Stop & Save, Perry's, San Angelo Savings and Loan, Sonora Agency, Sonora Auto Parts, Sonora Floral, Gifts and Fashions, Sonora Heating and Air Conditioning.

Also Sonora Motor Co., Sonora Wool and Mohair Co., Shear Power, Ruth Shurley Jewelry, Teaff Oil Co., Tim's Liquors, Westernman Drug and White's Home and Auto.

Bundy Resigns

Sonora High School Athletic Director and Head Coach Bill Bundy announced his resignation last week, and has accepted a similar position with the Alamo Heights Independent School District in San Antonio.

Bundy has been in Sonora since 1974 and in addition to his coaching duties, he has also served as a classroom teacher in biology, anatomy physiology and physical education. Superintendent Dr. Joe Andrews announced yesterday that the school board will consider applicants from the Sonora coaching staff before opening the vacancy to outside applicants. "We will interview assistant coach Don Pattom this Friday in an executive session," Andrews commented.

In a statement to the Devil's River News, Bundy expressed his appreciation to the people of Sonora for their support of the athletic program and especially the backing of fans for the players.

"The new tax forms. A good reason to let us help with your taxes."

At H&R Block, we understand these new forms, we know the laws. We'll do everything we can to save you money. And that's Reason No. 1 why you should let H&R Block do your taxes.

Special Arthritis Telethon Aired Sunday

by Hilda Smith
A special Arthritis Telethon will be broadcast this Sunday from noon to 6 p.m. on KCTV, Channel 2 on the cable, and will feature Dennis Cole as master of ceremonies. The telethon is designed to relate information, to entertain and to encourage contributions from area residents. There are 100 different types of Arthritis which effect people in many different ways. The 3 well

known dreaded cripplers are: (1) Rheumatoid, the severest #1 crippler-no prevention and no cure. (2) Osteo, mostly effects the elderly. (3) Gout, more common in men than women. But has a known cure if found in time.

There is no known cure for Rheumatoid Arthritis, which effects joints and usually attacks between ages 30 to 40, but can occur at any age. Dr. William Reiley of Big

Springs is the only known Rheumatologist in our area. Texas Teck Medical Center is the nearest research center I know of. Money is needed desperately to search for a cure or help for this dreadful nation wide chronic disease. About 17,000,000 people are victims, nearly 12,000,000 are women.

The National Headquarters is in New York.

Our nearest foundation is Midland, which is helping the new San Angelo Chapter. There are at least 6 well known Sonorans with this dreadful disease so

please support KCTV's Telethon, broadcast from noon to 6 p.m. this Sunday, Feb 26th in San Angelo. I am a victim, I know the pain, PLEASE HELP.

Firemen Extinguish Fires

February 15, 7:30: Pick-up fire at 277 North and IH10. Units 20, 30, 60 and 70 responded. Firemen responding were James Blackman, Kyle Donaldson David Flores, Frank Guerra, Bobby Huffstutler Vernon Humphreys, Joe Luttrell, James McLaughlin, Sammy Odum, Jr., Louis Olenick, Carl Teaff, Robert Taylor, Gene West, and Everett Ogburn.

Letter To The Editor

We will be moving to San Antonio the end of this month as I have just accepted the athletic director/head FB coach position at Alamo Heights High School.

I was contacted about the position about three weeks ago and after some lengthy negotiation decided that we would accept their offer. The job will be extremely difficult initially as their program is really down and they are in one of the best AAAA districts in the state. Needless to say, we will have our work cut out for us but, that is what makes coaching a true challenge.

I would like to express my gratitude to the athletes and student body for the support they have given us while in Sonora. They have been a tremendous group to work with in every respect. Leaving this group of young people is quite hard to do as we have been through a lot together.

Also a very special thanks to our faculty for all the work, support, and encouragement they gave us through the past four years. They are a tremendous group of people and I am proud to have worked with them.

During the past four years, we have been able to upgrade our athletic facilities to the point where they are among the best in class AA in the state, and additional planning is already being done for the future. This could not have been accomplished without our school board and administration. These people deserve a pat on the back for their work in a sometimes thankless position.

To the many fans and friends here, our family says a very special "thank you" for everything that you have done to make our stay here so meaningful. We will miss you all and pray our paths may cross again in the future.

Bill Bundy

February 19, 2:30 P.M.- Firemen responded to a call on IH10. A truck carrying cotton bales burst into flames. Approximately 50% of the load was damaged. Firemen used 8,550 gallons of water in extinguishing this fire. The truck was enroute from Arizona to Corpus Christi. No reason was determined for the fire. Units responding were 30, 40, 60, 70 and old red number 41. Ozona 0-5 also responded. Brittain Construction had a crew out to help remove the bales from the highway and Pool Co. sent out a tanker with extra water.

Firemen responding were: James Blackman, Frank Guerra, Vernon Humphreys, James McLaughlin, Sammy Odum, Jr., Bud Smith, Robert Taylor, Robert Stokes, Carl Teaff, Tim Thorp, Gene West, Jerold Zech, Jack Duren, Louis Olenick, and Bob Tidwell.

February 19, 7:20 P.M. A blaze was reported at a Sonora residence. Firemen arrived and discovered a closed damper to the fireplace in the home.

7:20 P.M.- Units 30, 60, and 70 responded to a call at the 399 mile marker on IH10 for a truck fire. When firemen arrived the Sheriff's Office was there and reported that no fire had been seen.

James Blackman, Glen Davis, Frank Guerra, Vernon Humphreys, Joe Luttrell, James McLaughlin, Sammy Odum, Jr., Bud Smith, Robert Stokes, Carl Teaff, Tim Thorp, Gene West, Jerold Zech, and Bob Tidwell responded.

The Volunteer Fire Department would like to thank the Highway Patrol, Sheriff's Office, Brittain Construction and Pool Co. for their help in fighting the fire on IH10.

Sonora Volunteer Fire Department responded to a truck fire on IH10 last Sunday. The firemen managed to save half of the load. Photo courtesy of L.B. Sikes, Ozona.

Reddy's helpful tips for your HOME LAUNDRY

PLAN AHEAD
Sort clothes according to type of fabric, color-fastness, degree of soil and garment construction. You'll save both hot water and electricity by doing similar items together. Accumulate a full load before running your washer.

BE SELECTIVE
Choose the cycle that is precisely appropriate for the clothes you are washing. Is a "hot" temperature setting really necessary? Except for heavily soiled items, most loads will come clean in either a cold or warm wash. Lock into cold wash detergents.

Too much detergent can clog machine and drains... always measure, don't guess!

Follow the manufacturer's recommendations for your type equipment. Mixing brands of detergents can cause graying of clothes.

FOR SAFETY SAKE
Be sure control is "off" before reaching into your washer. If one is necessary, use only a heavy duty extension cord. Be sure your washer is grounded. Keep dry cleaning agents, color remover and Fiberglas out of your washer. It's a good idea not to wash clothes containing cleaning fluids in your washer.

Chavez' Host Los Compadres

Los Compadres Club met last Saturday evening, with Mr. and Mrs. Tiodoro Chavez hosting the dinner.

The menu for the evening was Chicken Mole, spanish rice, beans,

guacamole salad, green chili sauce, tossed salad, tea and a lenten dessert, capirotada.

Twenty members attending and guests included Mr. and Mrs. Tony Morales of Del Rio, and

Messrs. and Mmes. Isael Perez, Harold Martinez, Oscar Perez, Cale Mesa, Eduardo Arteaga, Baldo Castaneda, Alvin Hernandez, C.A. McMillan and Abelino Sanchez, Jr.

Committees were named for 1978, with the Ralph Gonzales and the Frank Gallegos being named co-chairmen for all dances. Door prizes committee will consist of Messrs. and Mmes. Ricardo Perez, Claudio Flores, Julio Samaniego, Polo Cervantes and Pedro Galindo.

Sutton County Days booth committee will consist of Messrs. and Mmes. Polo Cervantes, Pedro Galindo, Ralph Gonzales, Frank Gallegos and Marciano Hernandez.

Mr. and Mrs. Arturo Trevino were named as chairmen for the decoration committee for Fandango '78. Also on the committee were Messrs. and Mmes. Tiodoro Chavez, Lemuel Lopez, Robert Zapata and Frank Morales.

Trudy Draper To Wed Kelly Carta

The engagement and approaching marriage of Miss Trudy Elaine Draper to James Kelly Carta has been announced by her parents, Mr. and Mrs. Raymond Draper. The prospective bridegroom is the son of Mr. and Mrs. Clay Carta.

The June 10 vows will be exchanged in the First

Baptist Church. Both are candidates for May graduation from Sonora High School.

The prospective bridegroom is a member of the National Honor Society and is President of the Student Council. He plans to attend Texas A&M University in the fall.

Quick Sewing Tips; Topic of Programs

Two special programs have been planned for Monday, February 27 at the 4-H Center. The programs, one at 10:00 a.m. and the other at 7:00 p.m., will be conducted by Sarah Mahon, County Extension Agent. At each program, information on Quick Sewing Tips will be given and then information concerning the formation of Home Demonstration Clubs in Sonora will be discussed.

As mentioned in an article several weeks ago, a Home Demonstration Club (H.D.) is a club that helps provide homemakers with an opportunity for continuous information in a variety of areas relating to the home, family, community, and country. Membership is open to anyone interested in learning more about homemaking or improving family life. Home Demon-

stration clubs usually consist of 20-25 homemakers, living in the same neighborhood or vicinity.

The Texas Agricultural Extension Service sponsors the clubs as part of a statewide effort to bring current information to all families. Educational programs conducted are open to all regardless of social-economic levels, race, color, sex, religion, or national origin.

George & Abraham Who??

George Washington and Abraham Lincoln, two of our most famous presidents, were both born during the month of February. With this thought in mind, Mrs. Tyler asked some of kindergarten students who these men were. She got variety of responses and thought that you might want to see what these 6 year olds thought when she asked "Who is Abraham Lincoln?"

Here are a few of the responses to this question: "He's up on the board.", "He's a man at the Court House", "He's our president.", "He owns half of America.", "He's my friend.", "He's my daddy's boss.", and "He helps people get out of

cars. When asked "Who is George Washington?" the responses were just as varied.

"A president of the United States.", "A man with a birthday.", "George Washington the United States.", "A nice man.", "The 16th president.", "He's the president of America.", "He is the United States of America.", "He wants to help us.", "He was a good man with the people."

Brownie News

Four Brownies from Troop 231 attended a business in operation Friday working towards points to earn a Brownie Patch.

Troop leader Carolyn Owings took the girls to the Dairy Mart where they saw a pizza being made.

Brownies attending were Sylvia Arvelo, Brandy Childress, Tonja Moore and Camile Cauthorn.

New Arrival

Johnny and Susie Humphreys are the proud parents of a 9 pound, 3 ounce baby boy, 1:16 a.m., February 16, 1978. Kerry Lee was welcomed by a sister, Katrina Kay, 2 1/2 years old.

Also, welcoming him home were his grandparents, Mr. and Mrs. H.V. Humphreys and Mr. and Mrs. A.L. Armentrout of Sonora.

Great grandparents are Mr. and Mrs. Hub McKee, Sr. of Coleman, Mr. and Mrs. W.A. Humphreys of San Angelo, and Mrs. Maude Clark, also of San Angelo.

Melinda Otte, A&M Honoree

Melinda Gene Otte of Sonora has earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

A nuclear engineering major, Ms. Otte is the daughter of Dr. and Mrs. Elroy Otte.

Mrs. Ben Lawson Hosts Bridge Club

Mrs. Ben Lawson was hostess to the Monday Night Bridge Club at her home February 14. The Valentine theme was carried out. Red velvet cake, coffee and nuts were served.

Members attending were Mmes. Horace Hill, Bill Savell, Clayton Hamilton, Linda Johnson, and Betty Renfro.

Guests were Mmes. Nolan Johnson, Pauline Thompson, and Clint Langford.

Winning high was Mrs. Thompson; second high, Mrs. Johnson, and bingo Mrs. Hill.

Duplicate Bridge

Winners in the February 9 meeting of the Duplicate Bridge Club were Billie Porter and Tom Peaslee, first. Helen Ridgeway and Jack Bebee took second place honors with Lottie Puckett and Fred Adkins coming in third. Fourth place went to Betty Kay Lacy and Candy Richards, Eldorado.

Winners last week were Billie Porter and Tom Peaslee, first and Mabel and Bill Freitag second. Third place was won by Zeila Baker and Imogene Edmiston, with Jo Nell Johnson and Ruth Shurley coming in fourth. Frankie Williams and Bobby Sanders took the fifth place honors.

Girls Beat Ozona

Sonora girls varsity closed their season February 10 with an easy 77-55 win over the Ozona Lionettes. The girls shot 84% from the free throw

line with Becky Cavaness hitting 22 of 24. The girls led 51-29 at half and were never threatened as they led 25-12 at the end of the opening period. The final

quarter saw Sonora add 10 points while allowing Ozona 18 points. Cavaness had a career high 52 points to again take high point honors. Jamie Condra hit for 14.

Gloria Gomez added 6 and Paige Pollard contributed 5. The girls finished second to Crane in district with a 2-2 record. Crane was 4-0.

Golf Team Competes In Fort Stockton Tournament

The Sonora High School Golf Team travelled to Fort Stockton to participate in the Blue Ribbon City Classic for their first meet of the season.

The golf team consists of five boys and is coached by Oliver Wuest. The members of the first team are R.B. Alexander, Mitch

Johnson, Johnny Doan, Tony Butler and Billy Bob Galbreath. Other team members are James Minatra, Eric Olsen, Peter Gomez and Lucy Morriss. Fort Stockton won their home meet with a total of 633. Kermit came in second with a two round total of 636 and Pecos came in third with 665.

Medalist was Richard White of Pecos with a total of 150.

101-91; Johnny Doan, 101-99; Tony Butler, 97-96; and Billy Bob Galbreath, 103-87.

Competitors from Sonora had a total of 756. R.B. Alexander had the best score from the Sonora boys with a 94-87, a two day total of 181. Other team members scores were: Mitch Johnson,

Team members will travel to Fredericksburg, March 2 for their next meet.

District meets begin March 31, with the first meet to be held in Sonora.

J.V. Girls Lose Last Game To Ozona

by Kay Holdridge
Sonora J.V. girls had a disappointing final game play as the offense was ineffective and the defense was little better in a 31-19 loss to Ozona.

The girls scored only 2 points in the opening period while allowing Ozona 8. Second quarter

action again saw both sluggish offense and defense. The offense hit only 6 points and a leaky defense allowed Ozona 15. The second half was better defensively as Sonora allowed Ozona 7 points in the third quarter and only 1 in the final period. The third quarter

saw Sonora add 7, the highest point total per quarter of the night. The offense that never got untracked only scored a small 4 points in the final stanza.

Annabelle Gonzales, Janie Gold, and Linda Smith were the only scores

for the Red and White with 9, 8, and 2 points respectively.

J.V. Boys Lose Final

The J.V. boys totaled 40 points in their season finally, losing to Ozona whose total score is unavailable.

Preston Love's 12 points were high and Jesse Vela added 9. Johnny Doan hit for 6 and both Ricky Wright and Johnny Reyna had 5. Ronald Berkley tossed in 3.

7th Grade Girls Win Big Over Ozona

By Kay Holdridge
The seventh grade girls finished their first year of competitive basketball with a victory over the Ozona team by a 30-19 score. The girls led the entire game and were never really threatened.

Sonora led by 9, 14-5, at the end of the first half and by 18, 25-7, at the end of the third quarter.

Scorers for the young colts were Delma Noriega with 14, Sonya Ridgeway with 12, and Twyla Woodall and Debra Zapata with 2 each.

Varsity Boys Fall Short

by Kay Holdridge
The Sonora Broncos had their share of offensive problems as they managed only 31 points against 43 for Ozona on February 10. The boys shot only 6 points in both the first and third quarters. The second quarter saw the offense

pick up and they netted 16 points in the period. The final quarter saw the boys net 15 points but it was too late to catch the Ozona 5.

Bruce Phillips led the Bronco offense with 19 points and Pat Street was second with 8. David

Reyna shot 6 points. Dan Lawson and Preston Love scored 3 while Eddie Favila and Jesse Vela netted 2.

The boys district record was 1-5 against larger, powerful contenders, Crane, Kermit, and Ozona.

Commissioner Blames Dependence For Dollar Drain

Railroad Commissioner Jon Newton today told students and faculty members from Lamar University that dependence on foreign oil has taken the United States for a ride, "worsening from a dollar drain to a dollar hemorrhage."

The clearest indication of this, Newton observed,

is the slow but steady devaluation of the dollar caused by a U.S. trade deficit which is in turn caused in large measure by increasing importation of foreign oil.

"This dependence on foreign oil threatens not only our national security but our economic security as well," the Texas energy regulatory official warned.

Newton said the effects of U.S. dependence on Arab oil while domestic energy prices are held

artificially low can be dramatically illustrated in the record \$61 billion national deficit incurred in President Carter's proposed federal budget for 1978.

"The entire American deficit, about \$61 billion

under the current proposed budget, is about equivalent to the amount Americans will spend on foreign oil next year," said Newton.

The Railroad Commissioner's comments about hazards facing the U.S. economy because of twist-

ed energy policies were made to government and political science students and faculty members at Lamar University's student center.

The Commissioner noted it was fitting to discuss current energy issues in

Beaumont which sits atop the legendary Spindletop oil field. Discovered in 1901, Spindletop became one of the first major oil discoveries in the world and helped to usher in the petroleum age.

The original Spindletop Field, now producing a trickle's amount of oil, has produced in excess of 150 million barrels of oil in its lifetime.

Newton's talk also touched on the energy plan now being debated in Congress.

RAID TEXAS
"The basic condition for Washington Sen. Henry Jackson's support of any

national energy bill quite plainly is the allocation of Texas gas out of our state, regardless of an emergency," Newton said.

Newton said he feels a more acceptable plan is found under the latest proposal offered to members of the House-Senate energy conference committee.

"This would give the President the right to allocate Texas gas under emergency conditions where human needs are involved and no Texan would deny other states the right to our resources when there are human needs," Newton said.

Seminar On Oil and Gas Forms, March 8

Because of increased public interest in various oil and gas forms and the Railroad Commission's processing procedures, the Commission's Oil and Gas Division has scheduled a seminar on forms and procedures for Wednesday, March 8 at the Broadway Plaza Hotel in San Antonio.

The Commission's Oil and Gas Division is charged by law with the prevention of waste within the state's oil and gas industry. To aid in accomplishing that task,

the Commission has adopted various forms used to accumulate and evaluate statistics and gather engineering data on which to base their decisions.

Seminar planners hope the meeting will give oil and gas operators a better insight into the proper manner in which forms should be filed and into

how they are processed by the Commission. Commissioner John H. Poerner will address seminar participants during a luncheon session.

Included in the seminar will be discussions on regular drilling permits, oil transportation reporting, comingling permits, oil and gas completion

reports, testing requirements, oil and gas production reports, frac oil movement, skim oil movement, gas nominations and authorization to transport oil and gas.

There will be four discussion periods beginning at 8 a.m. and concluding at 4:45 p.m.

Discussions will be led by James C. Herring,

senior staff engineer; Bishop McKendree, staff engineer; Don Rhodes, staff engineer; Jim Walker, administrative assistants, and Rex King, staff services officer.

A fee of \$30 per person will cover cost of materials and the luncheon. Registration deadline is Feb. 24 with registration limited to

the first 20 applicants. To register or for more information contact Ms. Candice Smith, Railroad Commission of Texas, Drawer 12976, Capitol Station, Austin, Texas 78711.

The San Antonio meeting is one of eight such seminars planned by the Commission. The others are set for the Midland, Abilene, Pampa, Wichita Falls, Kilgore, Houston and Corpus Christi areas with exact dates and locations to be determined later.

Average Allowable Totals 3,515,546

Average calendar day allowable of Texas oil production as of February 15 totals 3,515,546 barrels, the Railroad Commission's Oil and Gas Division has reported.

This legal rate of flow from 181,296 wells on allowable schedules compares with 3,491,238 barrels daily on February 1 when 180,620 wells were listed.

Texas oil allowable in February 1978 is pegged statewide to a 100 per cent market demand factor. Estimated actual production this month is approximately 2,982,000 barrels

daily and compares with actual production of 3,071,920 barrels daily in the same month last year. The Commission lists 8,944 oil fields in the state on February 15.

Lions Taking Applications For Summer Camp

Applications for summer camping fun for diabetic children in Sutton County Area are now being sought by members of the Sonora Downtown Lions Club.

For more detailed information about the various Lions Camp programs, you are urged to contact George Kellogg of the Lions Club at 387-3530.

The Texas Lions Camp is again offering two camping sessions at two different locations for its

1978 diabetic program. A two-week session at Camp Manison near Friendswood for diabetic

children, ages six through sixteen, from June 5 through June 16, is limited to 150 campers.

Another two-week session is scheduled from Monday July 31 through Friday August 11, at Texas Lions Camp, Kerrville, Texas, for 150 diabetic children, who are six through sixteen.

Both sessions are free for eligible campers.

Police Chief Warns Sonorans of Fraudulent Schemes

by Police Chief Jerry Kemp
Information has recently been received which

should be of great importance to the citizens of Sonora. Over the past two or

three months there have been several groups of individuals who have involved themselves in fraudulent repair schemes. These con-men have worked the areas around Kerrville, Floydada, Uvalde, Alice and the Rio Grand Valley. They are involved in asphalt and driveway repair frauds, home repair frauds, and

home insulation frauds.

These people usually quote their "customer" one price for work to be done and when the work is completed, if it is actually done, they will double the price. In those rare cases where the work is actually performed it is done with cheap, low grade material that usually does not last

past the first good rain. In home insulation and repair scheme these con-men use basically the same method: low price quotes and inferior material.

These people are highly mobile, using late model pickups and impressive looking equipment. They can work one area for a short time then quickly move on to another area.

As a consumer, you should be doubly cautious of those individuals with whom you are about to do business or those individuals who solicit your business in these areas mentioned. Consumer fraud has long been a problem for law enforcement. Mainly because of

the time lapse involved in reporting the offense by the victim. The con-artist usually contracts a job then requests an advance or down payment.

When this is received he will tell his victim he will return at a certain time to begin the job and he leaves town. The victim

usually waits a day or two then reports the incident, but by this time the con-artist is long gone.

If you are contacted by people soliciting home repair work and you are not convinced of their reputation or their legitimacy, please contact the Sonora Police Department at 387-2051.

Cub Scout Webelos Terry Duren and Curt Kneese helped in planting and fertilizing trees last Saturday at Camp Sol Meyer. The cubs are members of Pack 19, Den 2.

Fifteen members and one guest were present when Vicki Zech was hostess to the Valentine Day meeting of the Firemen's Auxiliary. Carrie Morrison was the guest and members were: Trevlin Luttrell, Frances West, Jinx Taylor, Rhonda Blackman, Jane Smith, Edna Duren, Jean

Humphreys, and Melissa Teaff. Other members attending were Melba Stokes, Loxie Huffstutler, Vicki Cearly, Ruby Lee Jolly, Linda Odum, Molly Hite and Nora Olenick. Winning 84 prize was Ms. Jolly, with Edna Duran having high game. Low was won by Melissa Teaff.

SHS Attendance 95.03

Overall high school attendance during the last six weeks was 95.03 per cent, with junior boys leading all classes at 96.57 per cent.

Attendance standings shows sophomore boys with 96.29 per cent, followed by senior boys at 96.23, sophomore girls with 95.96, junior girls at 95.16, senior girls with 94.42, freshmen girls, 94.25 and freshmen boys at 92.11 per cent.

SHS Plans Financial Aid Seminar Tuesday, Feb. 28

Mr. Jim Valentine, Financial Aid Director at San Angelo University, will talk to parents and students on how to apply for financial aid for college. The discussion

will involve the application procedures for all universities, not just San Angelo State.

Mr. Valentine will be here on Tuesday, February 28 at 7:00 P.M. The meeting will be in the home economics room at the high school.

Jaycee-ettes To Host Telethon

The Sonora Jaycee-Ettes had their regular monthly business meeting Wednesday, February 15 at the Commercial Restaurant. Mr. Bill Colby, Regional Director for Easter Seals, spoke to the eight members present about the upcoming Easter Seals telethon. Jaycee-Ettes will be the local representatives for the telethon, Sunday, April 2, 1978, from 12 noon until 6 P.M. Julie Parker is chairperson for this project.

Stewart, Ross Place In San Antonio Show

Julie Stewart and Joe Hill Ross exhibited Angora Goats in the Junior Division of the San Antonio Livestock Show. Julie's placing included third and fifth place buck kids, third and eighth place doe kids, fifth place yearling doe and fourth place pair of Angora goats.

Joe Will placed fourth and seventh in the doe kid class. Mary Ross assisted both Joe Will and Julie in exhibiting their goats. Dr. and Mrs. Joe David Ross, Mr. and Mrs. Bill Stewart and County Extension Agent Clint Langford, supervised the 4-H members at the San Antonio Show.

Family Living Committee Plans 1978-79 Year

The Sutton County Family Living Committee met Monday, Feb. 13 at 5:00 p.m. in the 4-H center. The members helped plan the Adult portion of the Sutton County Extension Home Economics program. The area of Family Clothing was chosen as an area to emphasize for the 1978-79

year. Programs will be given at home demonstration club meeting and at special interest meeting in this area. The Family Living Committee is a Sub-Committee of the Sutton County Program Building Committee. County Agent Sarah Mahon coordinated activities at the meeting.

Hunting, Fishing To Be Discussed

A public hearing on proposed changes in hunting and fishing regulations will be held at 7 p.m., March 13 at the 4-H Center in Sonora, according to officials of the Texas Parks and Wildlife Department.

To attend and express their views on the proposals which are still subject to P&WD Commission approval. A transcript of the hearing will be forwarded to P&WD Commissioners prior to their consideration of the proposed changes.

FOR MID-FEBRUARY TO MID-MARCH 1978

Predatory Control Focused On At TS&GRA Meet

Much of the focus of the recent winter tri-annual meeting of the Texas Sheep and Goat Raisers' Association was on predator control. The topic received such attention, in fact, that the scheduled predatory animal committee ran overtime.

The two-day San Angelo meeting opened Friday, Feb 3 with afternoon committee meetings followed by an evening reception at

the TS&GRA office. The general business session was Saturday. Predatory animal committee members agreed during their deliberations that any solution to predator problems will require public understanding and support. It's a tall order, but a necessary one.

To that end, the membership expressed appreciation to Patricia A. Chamberlain of the Predatory

Animal Division of the Fish and Wildlife Service, for her work in acquainting urban dwellers with the problems of the sheep and goat industry. Ms. Chamberlain has instructed her personnel to show the film, "The Lost Sheep", at schools and community meetings in Dallas and Houston. Thanks also went to the Farm Bureau, producers of the film.

An accompanying resolution voiced support for Idaho sheep producers in their attempts to close all private land to hunting beginning this fall. The ban is intended to make the public aware of the predator problem, both in the field and in Washington.

A resolution relating to the proposed federal bureaucratic reorganization asked that the Great Plains Conservation Program, now under the Soil Conservation Service, and the Agricultural Conservation Payments, under ASCS, be allowed to remain as is. President Carter has proposed combining the two programs.

TS&GRA also endorsed the upcoming wool referendum, designed to raise incentive payment deductions to two and one-half cents on wool and 12 1/2 cents on lamb, from the current one and one-half and seven and one-half cent levels.

A further resolution expressed the industry's "most sincere" appreciation to Tucker Sutherland and Scott Cambell, publisher and chief photographer, respectively, of

Glen Fisher's Wool & Mohair Report

The weather is still holding up shearing of Texas Mohair. Very little hair is available for sale but some amounts have been contracted, mostly adult hair at prices around \$3.00 to the grower. Buyer interest is strong and supply is very short right now. However this could change quickly with a few days of sunny dry weather. Most of the trade is awaiting the first South African sale which will be held on March 7. After that, a definite trend or market should develop.

Of course, the Texas wool market is quiet. Sales of coarser wools in New Zealand and Australia were very strong last week with neither of the two governments being a factor in the sales. All grades up to 58's are well above year ago levels, but 62's and above are still slow and below year ago prices. There is still not much activity in Arizona shearing due to the weather.

Hubenak To Speak

State Representative Joe Hubenak will be the principal speaker at the meeting of the Hill Country Association of Soil and Water Conservation Districts announced Jim Voulgaris, president of the organization.

The meeting will be held February 27, at the Lady Bird Johnson Park's Pioneer Pavilion at Fredericksburg. The meeting will start at 6:30 p.m.

Representative Hubenak is expected to speak on:

- the need for seeking new domestic and foreign markets for American agricultural products,
- the concept of taxing agricultural land on its productive as opposed to its market value,
- the need for farm credit to keep agricultural producers in business,
- the need for consumer education on problems of the farming and ranching industry and
- the need for seeking additional agricultural research.

Representative Hubenak has served in Texas House of Representatives 10 years. He has served as chairman of the House Committee on Agriculture and Livestock during the last three sessions.

Also on the program is A.C. Spencer, executive director of the Texas State Soil and Water Conservation Board, former State Senator Nelson W. Wolff of San Antonio, Joe Antilley, chairman, Texas State Soil and Water Conservation Board and Kenneth Kuykendall, president, Association of Texas Soil and Water Conservation Districts.

Twenty soil and water conservation districts are members of the Hill Country Association of SWCD's. They include: Eldorado Divide, San Saba-Brady, Menard County, Kendall, Kerr County, Pedernales, Gillespie County, Nueces-Frio-Sabinal, Edwards Plateau, Mason County, Devil's River, Upper Llanos, Medina Valley, Maverick, Bandera, Llano County, Crockett, West Nueces-Las Moras, Upper Nueces-Frio, and Hill County.

Current officers of the organization are: Jim Voulgaris, president, Harper; Guenther G. Ottmers, Jr., vice president, Fredericksburg; Bob Caruthers, secretary, Sonora, Harold Kneese, treasurer, Fredericksburg.

The Gillespie County Soil and Water Conservation District, headquartered in Fredericksburg, will host the meeting.

Seminar To Be Held Tuesday

A Beef Cattle Management Seminar will be held at the Sutton County 4-H Center at 1:30 P.M. on Tuesday, February 28.

Dr. Robert Steger, Extension Range Specialist from San Angelo, will discuss "The Management of

Range Resources to Attain Efficient Livestock Production." "The Nutritional Requirements of Cows" and how they can be met will be discussed by Dr. A.L. Horemann, Extension Beef Cattle Specialist from Uvalde.

Mr. Bob Kensing, Extension

Economist-Management Specialist, will discuss "Economic Decisions for a Cow-Calf Operation".

The Seminar is being sponsored by the Sutton County Extension Beef Cattle Committee. All area ranchers and other interested persons are invited to attend.

Introducing...

The Rancher

A special edition to the

DEVIL'S RIVER NEWS

In your Devil's River News Mar. 15, 1978

WATCH FOR IT!

The first time ever for Sutton County...a special tabloid edition devoted entirely to the important ranching industry which for so many years has been the back-bone of Sutton County and Sonora.

Our comprehensive special edition will be available just in time for the annual American Rambouillet Sheep Breeder's Association meeting which will be held here in conjunction with the world-famous Ram Sale at the Sonora Experiment Station, March 15.

We encourage individual ranchers to contribute to this special edition...your stories do not have to be "polished," just readable...deadline for stories and advertising is Wednesday, Mar. 8, 1978.

If you're in the ranching business or associated with Sutton County ranchers, you'll want to be sure and be included in the First Annual Devil's River News special ranching edition, THE RANCHER.

For your advertising message in this BIG special edition, call SHIRLEY HILL or WES BURNETT 387-2507
