Bronco Band members Scott Savell and Marche Lane were selected to the AA All Star Band during the stage band festival held in Hamlin last week. Savell was named for his soprano saxophone performance and Lane for her trumpet sounds. Twenty-nine band members will compete in the state solo and ensemble contest, to be held in Austin, June 3 and 5.

County Buys Property For New Detention Center

by Shirley Hill

Property across the street from the jail's present location has been obtained by the county for a new Law Enforcement and Detention Center.

The building will front Oak Street with offices for the Sheriff, Department of Public Safety, Game Warden, Justice of the Peace, and Driver's License Officer.

The building will extend back with an entrance from Mulberry Street for a parking area and detention facilities. The property is 100' wide x 200' deep.

Architect Jack McDermott stated that with the new property purchase he would have to begin anew with blueprints and present them to the Committee on Jail Standard in Austin before final plans can be made.

In February of 1977 members of the Committee on Jail Standards inspected our present jail facilities and found 113 violations. At that time the county was given three years to either update the present facilities or build new ones.

Many Sonora citizens were upset with the present jail building and surrounding grounds being defaced. The jail is one of Sonora's and Sutton County's oldest buildings.

It is expected that the building will be reverted to a museum facility.

In order to finance the new facility a bond election for the \$700,000 building, will be held March 25.

The election will give Sutton Countians the opportunity to

approve or disapprove the building.

It is known however that Sutton County has been compelled to update their facilities or go out of the jail business. At this time Sheriff Bill Webster states that he has no facilities for juvenile or female prisoners, or any prisoner charged with a major offense.

County Judge Web Elliott told the News Monday that the county has no plans at the present time to raise county taxes in order to finance the building. In other words the passing of the bond election will only mean a new jail and law enforcement center...not a raise in your taxes.

GTE Sees Big Jump In City

The Sonora exchange of General Telephone Company of the Southwest had a 12.7 percent gain in total telephones and a 12.2 percent increase in main stations for 1977.

This growth surpassed the company's record growth, which was 8.4 percent in total telephones and 6.6 percent in main stations, according to Mike Sydiskis, San Angelo division manager.

"Sonora gained 376 new telephones of which 193 were main stations. Main stations can be equated to customers," Sydiskis said.

"At year end Sonora had a total of 3,327 telephones and 1,761 main stations," Sydiskis added.

General Telephone Company of the Southwest recorded the best year ever in 1977 with a gain of 105,967 new telephones, which included 49,687 main stations.

The company serves more than 1,367,000 telephones and over 800,000 main stations in Texas, Arkansas, New Mexico and Oklahoma.

Lutherans Salvage Building

by Rev. John Hafermann

It was a beautiful day that the Lord gave this past Saturday, and many of the members from Hope Lutheran Church gave their time and helped to dismantle the buildings located across the street from the new bank. Frank and Freddie Adkins donated the lumber from the old Laundermat and most of the adjoining buildings. Hope Lutheran is truly

grateful for this generous gift which will be used to help build a car port and storage room for the new parsonage located at 415 E. 2nd. It was a hearty group of workers who gave of their time to work and also pitched in for a delicious barbecue. Billy Martin was the cook who gave his fellow workers such a tasty treat. Many of the women helped to get other things ready for the

fine meal. The newspapers editor, Wes Burnett was a guest for dinner. The following is a list of those who gave their time and talents in this church project: Phil Head, Jeff Head, Sigruud Head, Randy Wuest, Willie Raphelt, Verna Raphelt, Billy Martin, Pam Martin, Shawna Hallmark, Amanda Martin, Freddie Adkins, Alissa Adkins,

Don Deel, Ann Deel, Josie-a friend of the church and the Martin Family, Gay Lea Hafermann, and Pastor Hafermann.

The project will take a couple of weeks or more to complete since it must be done in the spare time of the churches members.

Non-members who worked were: David Clawsen, Allan Clawsen, and Johnnie Samuels.

Members of the Hope Lutheran Church have been seen lately on top of the old laundry on Crockett...Willie Raphelt [left] wrestles with the

boards with Rev. John Hafermann [second left], Gaylea Hafermann, Pam Martin and Shaunna Hallmark [background].

Zoning Board Approves Annex Replat

City Planning and Zoning Board members voted last night to accept a replat of the Castle Hills Annex for descriptive purposes, following an involved discussion with Castle Hills property owners.

Junction surveyor Ben Thompson presented a two-pronged proposal to the board for the replat of the annex and for the subdivision of property adjacent to the annex and behind Castle Hills homes on Edgemont.

Board members agreed that the replat was acceptable but that the proposed subdivision does not meet city requirements.

Board chairman Walter Pope suggested to property owner Elmore Anderson that the subdivision could be re-filed after meeting city ordinances.

The majority of the proposed subdivision is on the side of the hill behind Edgemont and parts of Hightower.

Anderson answered one Castle Hills resident's question about future development by saying that he is trying to dispose of his property to potential buyers, and offered the adjacent lots to Castle Hill owners for \$1,500.

Board members present for the meeting were Pope, Vicenta Cervantes, Celeste Pruegel and Mike Sipes.

School Board Hires Hopkins

by Shirley Hill

Midland High School's head coach Jerry Hopkins has been hired by the Sonora Independent School District as head coach and athletic director.

Hopkins met with the board last Friday and made his presentation and in a phone call to Superintendent Joe Andrews Monday, accepted the board's proposal.

He will accept duties here March 27 unless he is released from Midland at an earlier date.

Hopkins was coach for Sonora High School for ten years (1960-1970). He left here in 1970

after leading the Broncos to their third state championship. At that time he accepted the job of coach and athletic director at the Seguin Schools and later went to Midland.

While in Sonora Hopkins, along with his coaching staff, accomplished a phenomenal football record. On October 20, 1970 after defeating Menard in football play, the Bronco's win record was 100 games with only 23 losses and two ties.

He led the team to state finals three times, winning the championship two of those times. The Broncos went on to tie for the state championship in 1971 under the

coaching of Bill Scoggins who replaced Hopkins and stayed one year before going to a coaching job at Baylor University in Waco.

Two Sonora coaches, Dennie Hays and Grosse Mohler, left here with Hopkins and are still on his staff in Midland.

Hopkins told Andrews Monday that at this time he was not free to comment on what coaching staff he would be bringing with him from Midland.

In other action of the board Friday resignations were accepted from Cora Campbell, Nellie Moore, Sterling Allen and Bill Bundy.

Reflections

by Rev. Jim Miles
Habits are interesting things. So often bad habits are easy to form, but difficult to break. Good habits, on the other hand, may tend to be more difficult to form, but far easier to break.

Participation in any group activity is a case in point. If one belongs to an organization, he or she may be quite some time in establishing a good attendance or participation record, and even then, if for some reason or another circumstances prevent participation for a time, there seems to be a tendency to remain inactive. Reasons for non participation deteriorate into mere excuses, and the longer the period of inactivity exists, the more flimsy the excuse becomes. As a result, quite subconsciously, what was once at the top of ones priority list slowly slides toward the bottom.

Church attendance is no exception. We may quite honestly tell ourselves that we are not going to church on a particular morning because the weather is simply too cold, while we have forgotten that the week before we happily stood for three hours in freezing rain watching our ball team play. We may tell ourselves that we really need the weekends to "rest up" when in truth, Saturday night is the most tiring part of our week.

Christ told us that he came that we might have life, and that we might have it abundantly. That certainly, in this theologian's opinion, includes the clean social amusements we all enjoy. But, this does not negate our responsibility as Christians to be part of the gathered community in worship on Sunday morning, giving thanks to the one who has given us love, liberty and life itself.

Cathy Mooney Joins Sorority

Mrs. Cathy Boyd Mooney has been invited to membership in the Mu Gamma Chapter of Kappa Delta Phi at Angelo State University. Membership is selected by unusual potential to the teaching profession and who demonstrates character and scholarship. Initiation is scheduled for March 7. Mrs. Mooney is a senior student at ASU and is presently doing her student teaching in the Wall Public Schools.

School, City Election

The April 1 School Board election has no doubt turned out to be a hotly contested race with five persons seeking election to place 2 as of Tuesday.

Lin Hicks who presently holds place 2 on the board, had not as of Monday filed for re-election.

Seeking that place on the board are Luther Creek, Hal Roberts, Bill Keel, Sam Perez and Cynthia Ward.

Place 1, which will also appear on the ballot, is occupied by Don Lawson. Lawson has filed for re-election and at this time has no opposition.

CITY ELECTION
Doyle Morgan, who is presently holding the office of Alderman, announced Monday that he will seek the office of Mayor in the City election.

Two places for alderman will be on the ballot. Incumbent James D. Trainer has filed for re-election and Mrs. Mary Owensby and John Cotten have also announced that they will seek a seat on the council.

Cub Scouts To Hold Bake Sale

The Cub Scout Pack #19 will have a Bake Sale Friday, March 3 from 10:00 a.m. until all goods are sold. Dens 1 and 4 will be at Foodway, Dens 2 and 3 at Food Center, and Den 5 at Westernman Drug.

This will be a good time to get those extra goodies for your Fling Ding entertainment, and help support a good organization.

Goat Cookoff

A Goat Barbeque Cookoff has been organized by the Sonora Jaycees, to be held Saturday, April 8 at the park grounds on Hwy 290 West.

Entry forms and details on the goat cookoff will be announced next week.

The decision came at the regular meeting last Thursday, when plans for Sutton County Days were also discussed.

4-H Meeting Set

There will be a meeting Wednesday, March 8 at 4 p.m. at the 4-H Center for all 4-H'ers that enrolled in the 4-H Clothing project.

All 4-H'ers and interested persons are urged to attend.

Elementary Sets Open House

Sonora Elementary will hold open house Tuesday, March 7, 1978. We would like to invite all parents to come up and visit their child's classroom. The open house is in conjunction with Public School Week.

New Arrival

Mr. and Mrs. Robin McAnally announce the birth of a son, Kent Lee, born February 18 at Schleicher County Medical Center, Eldorado. He weighed 6 pounds and 13 1/2 ounces.

Also welcoming the new baby is a sister Kendra, 4 1/2.

Maternal grandparents are Mr. and Mrs. Brady Shadle of Aspermont. Paternal grandparents are Mr. and Mrs. Dean McAnally of Aspermont.

Maternal great-grandparents are Mrs. W.L. Shadle of Aspermont and Mr. and Mrs. Charlie Goodrum of Roswell, New Mexico. Paternal great-grandparents are Mrs. Lewis Wood of Brownwood and Mrs. L.W. Hoffpauir of Hico.

Felipe Bernal Buried Tuesday

Funeral services were held Tuesday morning at St. Ann's Catholic Church for 43-year-old Felipe Bernal. Burial was in Sonora Cemetery.

Mr. Bernal was dead on arrival Sunday at Shannon Hospital in San Angelo after suffering an apparent heart attack.

Born September 11, 1933 in Sonora, he married Aurora Vasquez March 27, 1952 in Sonora. He was employed as a construction foreman for Wedge Oil Service.

Surviving him are his wife; one daughter, Elizabeth (Lisa) Galindo; two sons, Richard Bernal of San Angelo and Felipe Bernal III of Sonora; his mother, Mrs. Cruz Bernal of Sonora; a brother, Eriberto Bernal of Sonora; four sisters, Amalia Esquivel of Fort Worth, Olga Noriega of Sonora, Mary Elena Noriega of Fort Worth and Reyna Avila of San Jose, Calif.

Letter To The Editor

Dear Sir: Even though this letter is addressed to the editor, I would like to direct it to those people who insist, through their ignorance of God's word, to say that the Trinity Baptist Temple, practice the heresies of Speaking in Tongues. We do not practice such false doctrines and never will!

As a matter of fact, I am now bringing special lessons on this heresy that is sweeping our country. These have ceased 1 Cor. 13:8-10. They edify themselves and not Christ 1 Cor. 14:4.

The church at Corinth was the most carnal of Churches and Paul wrote to them a very stern letter of correction. Another question: "How can an atheist, infidel, Christadelphian (they deny the person of the Holy Spirit) all of these and more, speak in tongues right along with so-called Christians."

How can these people, some here in Sonora, that I have seen, who dress not as a Christian should, act opposite of Christian Character, read the stars and follow signs that are plainly of the Devil, how can these people truly, say we are Spirit-filled.

I have so many other questions, but because of space and, your patience, Mr. Editor, I challenge these people to come to my office, our services, and hear tapes of a man, that for 25 years, was a Pentecostal Preacher and today is pointing out the falsehoods of the "Speaking in Tongues" movement. I challenge you to come and listen to this man and see what the Truth is.

Trinity Baptist Temple does not believe in, practices, or condones speaking in tongues. If after this article you have any doubts as to our stand, come and see for yourself.

Thank you, Mr. Editor, for this space.

Rev. Gaylan McCellan
Pastor of Trinity Baptist Temple

New Arrival

Sammy and Lyn Perez of New Braunfels are the parents of an 8 pound 2 ounce baby boy named Ezequiel Javier born February 7. Also welcoming him are his grandparents, Mr. and Mrs. Sam Perez of Sonora and Mr. and Mrs. Q. Buentelio of Ben Bolt. Great-grand parents are Mrs. Trinidad Ramirez of Sonora, Gertrude Perez of Alice and Clara Buentelio of Ben Bolt.

Cunningham Criticizes Nation's Trade Policies

T.A. Cunningham, president of the Independent Cattlemen's Association, told members of the House Committee on Agriculture last week that the farm problem is a national problem brought on by government policies which have not allowed agriculture producers a fair return on their investments.

The committee is holding hearing in Washington, D.C. on the general condition of the agriculture industry.

Cunningham criticized this nation's trade policies saying untold millions of dollars have been lost in trade due to the "ridiculously low prices placed on our agricultural products."

He asked the 45-member committee to do everything in its power to change America's and the government's apparent lack of understanding to the farm crisis.

"The people in agriculture are asking that the policies of the government be changed from a cheap food policy to a fair food policy," said Cunningham. "In curbing inflation, government policies have sacrificed the agricultural sector of the nation. Prices received by the farmer have been held down while at the same time the farmers' costs have risen at an alarming rate."

He added that, "It is sad that these people (ranchers and farmers) have been pressed to the point that they must come here to demand what is rightfully theirs--a fair return on their investment. It is even sadder that the government has let the finest agriculture in the world reach a state of bankruptcy."

Speaking also for the cattlemen he represents, Cunningham requested that the committee members use their "expertise to influence" congressional colleagues to rewrite the 1964 Meat Import Act, allowing less imports into the United States when domestic beef production is high.

"In the past, the agriculture producers have been misled and often manipulated by government forecasts and crop reports. Not too many years ago, the American farmer was told that in order to head off vast world wide food shortages, it would be necessary to increase herd size, to maximize production because it would be impossible to supply the country with the beef necessary in 1980. These forecasts were nothing more than a myth."

Cattlemen refer to the 1964 law as the "Bankruptcy Act of the 70's" because it allows an

escalation of meat imports as domestic production increases and the set quotas do not include all processed meat and live cattle.

The ICA is supporting legislation by Sen. Henry Bellmon of Oklahoma (S.2484) and by Rep. Jake Pickle of Texas (H.R. 10894) which would limit beef imports at a time when domestic production is high, Cunningham told the committee.

The association is also backing legislation which would require tougher inspection and labelling of foreign meat products.

"We feel the consumer has a right to know what he or she is purchasing," said Cunningham.

Cunningham gave each member of the committee an American Produced Beef window decal. Association members are distributing the decals nationwide to stores and restaurants which use only domestic beef.

Glen Fisher's Wool & Mohair Report

The last week of warm, dry weather has allowed goat shearing to continue and catch up somewhat on past weather delays. Large volumes are now being unloaded at warehouses. Prices are still strong and up slightly over opening season levels. Actually, very little hair has been sold because of the weather and the fact that some warehouses intend to hold for a sale.

Demand is very strong at this time for the finer grades, but

adult is also moving well. The South African sale on March 7 and a few other sales in Texas will give the market some direction in a week or so.

Wool is still slow for the finer grades but buying has picked up slightly due to Japan's strong reentry into the Australian Markets. Some fine wool sold in Arizona around 70 cents per pound, grease basis. Coarser grades remain very strong for use in the woolen industry.

Ranchers Attend M-44 Training Program

One hundred twenty two Sonora area ranchers and other interested people attended the two M-44 certification training programs conducted at the Sutton County 4-H Center Tuesday, February 21.

Jeff Heath, Inspector for the Texas Department of Agriculture from Fredericksburg conducted the M-44 Certification Training Program.

Participants in the program should receive their certification packet and certificate from the

Texas Department of Agriculture in the near future.

They will then be eligible to purchase sodium cyanide capsules and use the M-44 in coyote control in compliance with state and federal regulations.

Heath advised the groups that the Sonora Wool and Mohair Company was the approved firm in this area designated to handle the M-44 and related supplies.

Following the certification program Dr. Dale Wade, Extension

Wildlife Specialist, discussed new developments in predator control such as a modified M-44 which under field trials has proven much.

He also discussed slides on the use of traps and snares in predator control. Dr. Wade was on hand following both meetings to answer specific questions that the participants had concerning the use of all types of predator control devices.

He had traps, snares, M-44's, and modified M-44's on hand so that he could demonstrate their uses.

The meeting was sponsored by the Sutton County Extension Sheep and Goat Committee in cooperation with the Sutton County Extension Wildlife Committee.

Ranchers who missed the M-44 certification programs may attend the same program at the San Angelo Research and Extension Center at 7:00 p.m. Monday, Feb. 27.

Texas Make It Yourself With Wool Has National Winner

The Texas Make It Yourself With Wool contest produced a national winner this year.

Ms. Ramona Skinner, Childress, took top senior honors in the Texas competition and for her efforts received a \$300 scholarship from the Texas Sheep & Goat Raisers' Association. She then moved on to national competition at Denver and duplicated her Texas win by capturing the national senior championship.

Other Texas representatives were junior state division winner Lisa

Beth Letsinger of Rocksprings and adult winner, Carolyn Neighbors of Krum.

Collection Centers Named For Operation Dead Lamb

Operation Dead Lamb is still alive.

Sponsored by the Texas Sheep & Goat Raisers' Association, Operation Dead Lamb is an attempt to obtain some form of documented inventory of lamb and kid kills by golden eagles.

Producers are reminded to bag and freeze any suspicious lamb carcasses, then drop them off at one of the area collection centers designated below.

From there, the carcasses will be taken to the San Angelo Research and Extension center for eventual posting by Dr. Bart O'Gara, University of Montana.

Dr. O'Gara is one of the few nationally recognized authorities on golden eagles, and is capable of determining whether or not an individual animal was killed by an eagle.

The importance of documenting eagle predation cannot be stressed too heavily. As long as no form of

documentation exists, eagle protectionists can and will maintain that predation is either minor or imaginary.

The recent revival of interest and controversy is graphic proof of that--after finally being forced to admit that eagles do kill lambs, the protectionists have dug in and held tight to the claim that such kills are "rare".

Producers whose stock disappear like popples on a hot day know the truth, but have been powerless to prove it alone.

They now have the opportunity to prove it together by taking suspected eagle kills to: **Flavil's Grocery & Market, 1705 N. Millam, Uvalde [512] 278-9576; D&W Processing, Menard [915] 396-2101; Del Rio Locker Plant, 515 Pecan, Del Rio [512] 775-2901; Kountry Korner Food Store, intersection of Hwy 90 & 163, Comstock [512] 292-4466; Branding Iron Smoke House, Dee Tyler, Sonora [915] 387-2801; Priour-Varga Whse., Rocksprings [512] 683-3970; Bernhard's Ingram Locker, Ingram [512] 367-5321; Mesa Packing Co., Hank Elliott, Old Alpine Hwy., Ft. Card of Thanks

George and Thelma are now home after George had surgery on both eyes for the removal of cataracts. Dr. Womack was the attending physician. His eyes are doing fine according to the Dr. in an appointment Monday. Thelma was in the Clinic Hospital for tests and X-rays to try and determine her condition. Both are doing nicely. Thanks to all our friends for sending cards and flowers and also to Rev. and Mrs. Terry for their deep concern.
