

The Future of Sonora Discussed at Special Community Meeting

James Hunt will serve as master of ceremonies when the Sutton County Resource Development Committee meets June 26 at the Sutton County 4-H Center.

The meeting will begin at 7:30 at which time several important issues of the development will be discussed.

The purpose of the committee, which was initiated in 1974, is to stimulate interest in industrial development in Sonora and Sutton County.

Some of the issues discussed in the 1974 meeting included extra housing for employees of the oil and gas industry. This has been done with the Meadow Creek Addition.

--Need for an industrial park where oil and gas companies could locate their plants and have room for expansion. This was brought about by the Shurley Industrial Park made possible by Bill Shurley who used parts of his ranch land south of Sonora to fill the need.

--Expanded sewer facilities and sanitary land fill. The City of Sonora completed this need earlier this year by purchasing land south of Sonora from Rip Ward.

Communications. A radio station has been completed and is in operation in Sonora for more than two years.

Recreational facilities. The Sonora Sutton County Park has been under construction for several months and parts of the park are operable and of use to the public and Sonorans are giving of their time daily to complete other areas of the facility.

Schools. Schools have busily and efficiently housed the many students added to our school system and a new junior high school building is soon to be under construction.

Tourism. At that time the committee discussed the need for a zoning committee to be appointed to preserve the natural beauty of the city, recreational areas and

residential sites. This has been accomplished by the City Board of Aldermen.

New ideas for the city and county to be discussed at this June 26 meeting will include potential for development of Sonora as a regional center for the development program; future of oil and gas

industry in the Sonora area; future development of the highway system; housing problems; potential for cultural development, community beautification programs; progress report on Sonora/Sutton County Park; and a panel discussion by program participants. Each proposed idea will have a speaker, knowledgeable in his field.

Guide Coming July 5

by Wes Burnett

The first annual Devil's River News Newcomers' Guide will be published as a special edition to the Devil's River News on July 5.

The Newcomers' Guide will tell our new residents details about our schools, city and county governments, hospital and medical services, civic organizations, recreational facilities, industry, tourism, churches, history and a look into the future.

Retail merchants will want to take advantage of this opportunity to show off their merchandise and services to an important audience.

Sutton County Takes Sweepstakes Award

Sutton County 4-H members captured top honors in this year's national wool judging contest in competition here. The first place team of Paula

Friess, Lance Love, Rex Surber and Tammy Van Hoozer are joined by long-time judging leader Jim Gray (back left), Sutton County Extension Agent Clint Langford and team coach Cleve T. Jones III.

The Sutton County 4-H Club, and their coach Clint Langford, accumulated a total of 4798 points in the forty-first annual Sonora Wool and Mohair Show last week to claim the best all around club of the show and to take the sweepstakes award.

The high senior team, composed of Tammy Van Hoozer, Clay Friess, Fran Friess, and Lance Love, captured first place in the junior division of the livestock judging contest. Joe Friess and Turney Friess serve as team coaches.

In the junior division of livestock judging, the Sutton County team of Brad Johnson, David Love, Miles Miller and Glen Love, placed second. Friess and Friess also coach that team.

The high junior team of Brad Johnson, Joe Will Ross, Rebecca Powers and Cathy Doran, were second place winners in the range judging contest. Mrs. Claire Powers is their team coach.

Also coached by Mrs. Powers is the high senior team who placed first in the range judging. Team members are Lance Love, Julie Stewart, Preston Love and Fran Friess.

In the wool judging division of the show, the high junior team placing third was Sutton members Rick Powers, David Love, Joe Will Ross and Brad Johnson. Cleve T. Jones, III is team coach.

Local team members coached by Mrs. Powers also placed second in the junior division of the mohair

judging contest. That team consists of Brad Johnson, Rick Powers, Joe Will Ross and David Love.

In the over-all junior individual competition Rick Powers was first with a total of 1361 points. Paula Friess had 1493 points to claim the over-all high senior individual competition.

The Fred T. Earwood Memorial Trophy, presented to the premier junior mohair exhibitor of the show, was presented this year to Ben Lockhart of Edwards County 4-H.

The Joe and W.F. Berger Memorial Trophy, presented to the premier junior wool exhibitor of the show each year, was awarded to Bryan Hunt of Sutton County 4-H.

Complete results of the show are listed on page of this newspaper.

SBA Declares County A Disaster Area....

Senator Lloyd Bentsen's office was advised Monday that the Small Business Administration has declared Sutton County and adjacent counties a disaster area as a result of high winds, hail and flooding that occurred June 2.

This declaration means that home owners and business people who suffered damage in the storm can apply to the Small Business Administration for long-term, low interest loans.

Home owners are eligible for loans of up to \$50,000 for damage to their homes and \$10,000 dollars for damage to personal property with a combined limit of \$55,000.

Business loans up to \$500,000 are available. Applications for loans as a result of physical damage can be made until the closing of business August 17.

Mr. Ray Smith, a representative of SBA in San Antonio, told the News Tuesday that the loans will only be available to those who actually suffered damage from the storm either to their home or its contents over and above the amount an individual's insurance pays.

Mr. Smith did note that loans could not be obtained to improve one's property but only to replace

what was damaged.

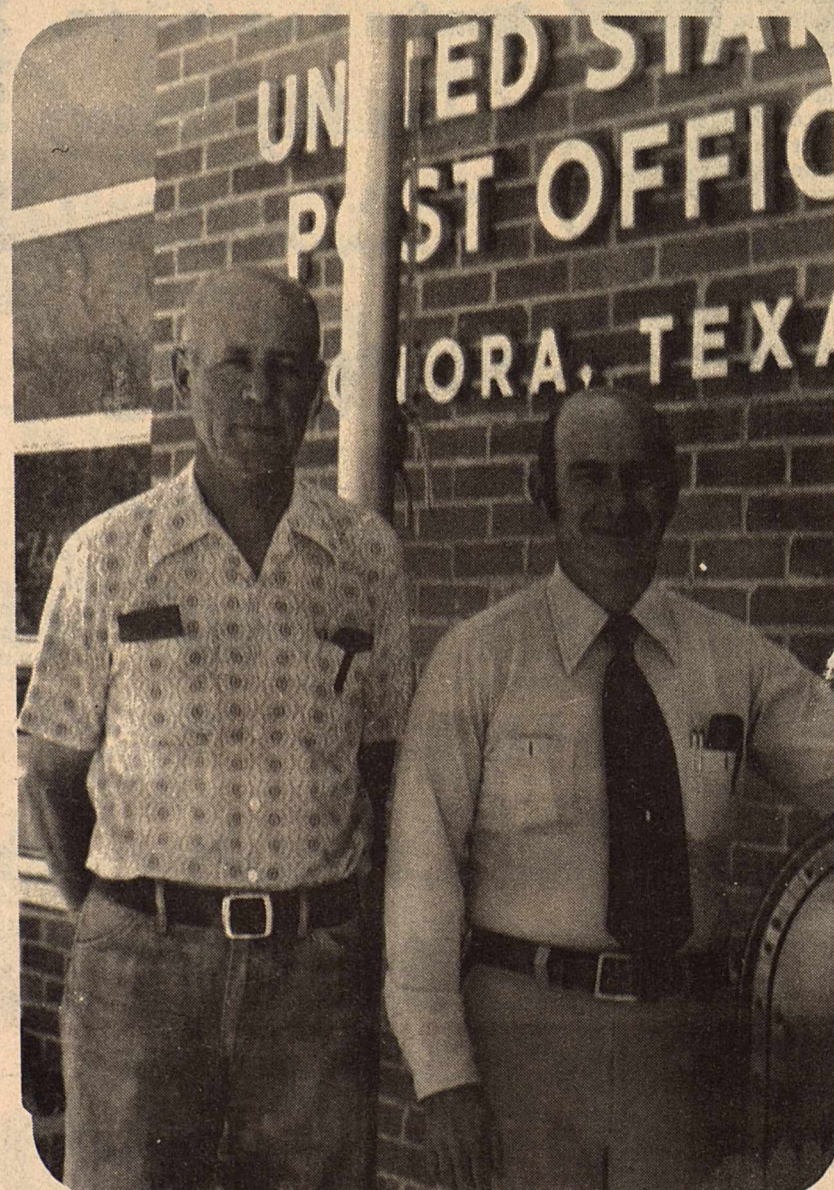

As to the interest on the loans, home owners may obtain the loans at one percent on the first \$10,000; three percent up to \$30,000; and 6 5/8 percent on loans above \$30,000.

Business loans may be obtained at an interest rate of three percent on the first \$25,000 and 6 5/8 percent on all above \$25,000.

A representative of SBA will be in Sonora Friday. As of Tuesday it was not known where the representative would set up an office.

Persons may reach the office in San Antonio by calling 512/229-6250.

Postmaster Retires

After more than 30 years of service, Sonora Postmaster James D. Trainer (left) retired last Friday. Officer-in-charge Arlen Vaughn from Midland will serve as postmaster until a permanent replacement is named. Trainer became acting postmaster in 1946 and was officially appointed in 1950 to the position. His grandfather, E.W. Smith, also served as postmaster of Sonora.

Paula Friess Wins Top In nat'l

Sutton County's Paula Friess, daughter of Mr. and Mrs. Turney Friess, captured first place high individual in Sonora's eighteenth annual National 4-H Wool Judging Contest held here last week.

Paula garnered a total of 622 points, eleven points ahead of second place James Wilde of Tom Green County 4-H.

Lance Love placed fifth and Rex Surber, sixth in individual competition.

The Sutton County 4-H team, composed of Paula Friess, Lance Love, Rex Surber, and alternate Tammy Van Hoozer, also claimed the number one spot in the team contest.

Sutton County's team had a total of 1743 points followed by the Albany County, Wyoming 4-H team with 1693.

Placing third in competition was Tom Green County 4-H; fourth, Curry County, New Mexico 4-H; and Logan County, Colorado 4-H team members claimed the fifth place spot.

Cleve T. Jones, III is coach of the local team.

Radar Site Contractors Chosen

The Federal Aviation Administration has awarded a contract to Interstate General Contractors, Inc., of Long Grove, Illinois for the sight development of the long range radar installation to be erected near Sonora, according to information obtained from Congressman Bob Krueger's office Tuesday.

The installation will be located eight miles southeast of Sonora on the Vander Stucken ranch property. The Illinois firm submitted the low bid of \$147,812 for the project.

Installation of the equipment will be completed by a national contractor under the supervision of FFA engineers.

Interstate General Contractors will build on access roads to the site, clear the site, and construct building foundations and fences.

The Sonora equipment will provide both primary radar and beacons. A radar beacon makes positive identification of air craft through the use of the airplane's transponder, the interrogator unit based at a air route traffic control center.

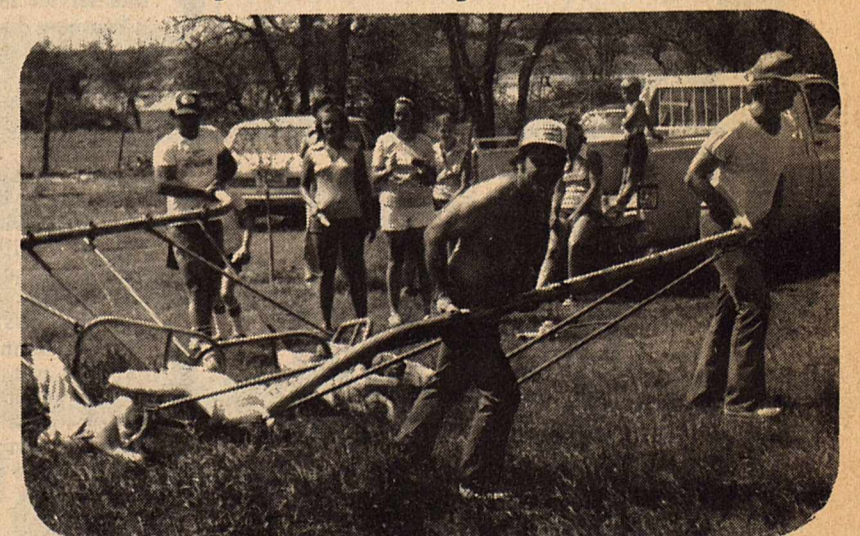

When the information is decoded on the radar display, this information is presented to the controller in Alpha-Numerics.

The new radar which is scheduled for commissioning in June of 1979 will provide better radar information from the area

along the U.S. Mexico border, especially about air crafts flying at low altitudes.

This information will be used by both the Fort Worth and Houston air route traffic control centers.

Playground Equipment Installed by Jaycees and Jaycee-ettes

Sonora Jaycees and Jayceettes worked Sunday installing playground equipment at the Sonora Sutton County Park. The playground equipment was donated by Mr. and Mrs. Robert Brown of the Hurry-Up and the Petroetts. Assisting in the project were Steve and Lynn Swift, Mike and Jeanette Spies, Melvin and Linda Perkins, Herb and Jo Ann Jones, Jim and Julie Parker, Mike Hale, Dan and Ginger Wagner.

Mrs. McPherson Named New Scout Head

Mrs. Ellen McPherson from Oklahoma City, Oklahoma, has been named the new Executive Director for El Camino Girl Scout Council. She will assume her position on July 26, 1978.

Mrs. McPherson has been active in Scouting all her life-going from Brownies through Senior Scouts, and then several years as a volunteer working with Cadettes and wider opportunities, training, and program services. Her experience in professional Scouting includes working as a Field Advisor, Program Services Director, and Camping Services in Red Lands Girl Scout Council in Oklahoma.

As Executive Director, Mrs. McPherson will be involved in planning, management, business, personnel, and finance for the Council; fund raising, public relations, human relations, and community organization.

Girl Scout leaders, Neighborhood Service Teams, and Board Members will get a chance to meet Mrs. McPherson on June 24th at the Council Planning Meeting to be held at 11:00 a.m. at Camp Jo Jan Van. All Girl Scout Adults are invited to attend to discuss program activities for 1978-79, Council Policies, and the 1980 National Event.

Mr. Elvie Moore of Junction is driver of this 12 passenger van purchased recently by the Concho Valley of Governments to provide transportation for Sutton County senior citizens.

Van Purchased For Elderly

A 12-passenger van purchased by the Concho Valley Council of Governments to provide transportation for Sutton County senior citizens began service Thursday, June 15.

Sutton County senior citizens will be provided with two service two days each week. The van schedule calls for a trip to Eldorado the first and third Mondays of every month. Transportation within Sutton County will be provided

each Thursday.

Because of limited seating capacity on the van, senior citizens must reserve a seat at least one day in advance. Reservations for transportation service will be accepted at the Sutton County Senior Center, phone 387-5657. Reservations will be accepted earlier than one day in advance of each schedule.

The van serving Sutton County is based in Junction and is one of three 12-passenger vans which CVCOG is placing in service to senior citizens of rural

counties in the Concho Valley region. The free transportation service is designed to assist senior citizens who need transportation to access medical services, service agencies, general shopping and recreation activities.

Purchase of the van was funded through a grant from the Governor's Committee on Aging to the Concho Valley Council of Governments Area Agency on Aging.

Reflections

by Rev. Jim Miles

The story I relate today is sad but true. There is a parent-in this case a father-who had been an excellent parent to his children. He had brought them into the world, and felt that it was his responsibility to care for all his offsprings' needs. It came to pass, however, that his acts of love-his kindness and compassion-ceased to be appreciated. He was taken for granted by his children who nevertheless expected his actions to continue. It was the appreciation-the thank yous that fell by the wayside.

They, one by one ceased to join him at his house on weekends, although this once had been the tradition. Communication even ceased. While in past years almost every one of them had taken time to visit with their father nearly every day, now they found themselves too busy to speak with him. After all they had their own lives to lead-their own priorities. They once had given of themselves to help with the parent's projects, but since communication had stopped, so did the work.

How would we react to such behavior? I would hope we would feel both saddened and angry by it. Who is this neglected father? Who are the children? The sad answer is that the neglected father is God-and we are his children. Worship, fellowship, stewardship, and service have taken a back seat to most of our other priorities. God's love to us is free, unmerited, unearned. We are not to act in order to attain salvation, an event completed in the person and work of Christ, but we are rather to respond to that act with life styles of love and compassion, always glorifying the Father.

Correction

In the June 4 edition, a special edition on baseball teams in Sonora, the News reported the Gassers as being sponsored by HNG Propane.

This team is sponsored by IntraTex Gas Company.

Three recent graduates of Sonora High School, Janice Gdder, Lucy Morris and Jane Wallace, left Tuesday from Austin enroute to Amsterdam. They will spend three weeks touring various points of interest in Europe. Also making the trip with the girls is Mrs. George Wallace.

Second Thoughts

by Tom Driskell

If urban sprawl is a disease, Texas has some chronic cases in Dallas, Houston, and San Antonio. Urban Sprawl is a disease, but it is somewhat like psoriasis, a catchall bag that dermatologists throw anything into when they do not have a clue as to cause or classification. Generally a diagnosis of psoriasis raises the curtain on a series of treatment of symptoms without concern for fundamental causative factors. It is amazingly similar to the city government's treatment, concurred in by the electorate, of the symptoms of urban sprawl.

A psoriasis patient, except in extreme cases, usually is forced into the economic compromise of bothering the symptoms only to the extent that they bother him or her. Unfortunately, the urban sprawl cannot be ignored. Against the background coming tax revolt (if it is not coming it will be).

Urban sprawl can become a chronic economic disease. The pat answer, in spite of its obvious idiocy, is more, better, bigger, and wider freeways for more and more monstrous automobiles carrying one person. The intersection, a multimillion dollar misconception, of 610 East and IH 45 at Gulfgate in Houston has been under construction for 9 years, and although incomplete it is obsolete in terms of traffic handling capability.

What happens when the total length of the automobiles in a given area equals the total length of the available lanes of highway in the same area. A graphic demonstration is available in Houston, San Antonio, and Dallas at about 8:15 a.m., five days a week, or 270 days a year, whichever you prefer. It is the same story, a frantic scurry for the space as the lanes approach saturation. It is not possible to build for the rush hour, employing private automobiles as the principal conveyance, especially carrying one passenger per car.

Yet perennially we keep dribbling our skull against that wall, making no noticeable dents. The

answer is simply not there, and the incessant seeking makes one wonder where the hay is coming from to utilize as motivational material for both the city governments and the electorates, behavior certainly does not leave much leeway for classification.

As a village dweller, one can certainly count his blessings, however, after having a moved at a walking pace for five miles, in an 80 degree temperature, with a relative humidity about the same number, they approach infinity. Reflection on the psychopathic trauma which confronts a commuter every day before he gets to work, gives a little tolerance of his mistakes and shortness of temper, and somewhere in the back of one's mind is a certainty that the hydrogen and neutron bombs cannot be all bad.

Services Being Offered West Texas Home Health Plan

MBFA was organized as a non-profit corporation in March of 1968. In 1969 the West Texas Home Health Agency was organized as a division of the Foundation. Due to the need in the Hill Country area a branch office was opened in Kerrville in May of 1964 to serve to forty surrounding counties. This branch was originally known as West Texas Home Health with an official name change to Hill Country Home Health Agency in 1977. Since its organization, Home Health Agencies have been the primary operating project of the Foundation. These agencies provide home health care to aged and other qualified persons in the 134 country area.

The following services can be provided at home under the supervision of the individual's physician: Intermittent skilled nursing care, physical therapy, speech therapy, occupational therapy, medical social services, medical supplies and use of medical appliances.

Some of the advantages of home health care are: Continuation of established life style, rehabilitation in a home setting, professional assistance, understanding, love and concern, patients loved ones taught skills needed to assist in recovery, professional help available at all times in emergency situations.

Payment available through the following sources:

Medicare, Medicaid, Veteran's Administration, Champus, Insurance, Private Payment.

Clients using home health care services often need skilled nursing service by an LVN or an RN, but they are ineligible for home health visits because their skilled nursing needs do not meet the Medicare guidelines for "skilled care".

Now those persons who require less than skilled care under the Medicare guidelines, or those who require the skills of a licensed professional (vocational) or registered nurse, but cannot afford to pay the regular charge and have no insurance covering these services are eligible through the Texas Homemaker Service, a division of MBFA Foundation.

An example of this type of service would be the client who needs a B-12 or other type of vitamin injection, as has been ordered by an attending physician, and has no Medicare, Medicaid, Veterans or private insurance of any kind and cannot afford to pay the normal charge. Now this patient can have the visits of an LVN or RN in the home at a beneficial rate based on one's individual financial status.

This service also will benefit the patient who has been on the home health service under Medicare, or some other type of insurance coverage, and has depleted this coverage, but is still in need of nursing care. Now the client can pay a beneficial rate and remain on the service under this new system through MBFA's Texas Homemaker Service.

The service should not be confused with regular home-maker services. This is still patient care given by an LVN or RN, but just does not meet the Medicare guidelines. The client must be under the care of a physician who will order this service for the patient. You may discuss this with your physician or you may call the Hill Country Home Health Agency for more information. The phone number or call is 512-896-3330 in Kerrville, Texas or in the Sutton County area, Fay Dunnam RN at 387-2427 will be able to answer any questions you or your physician may have regarding this new service.

Mrs. Dunnam indicates that this new service will provide another alternative to their clients toward better and more complete medical care available in the clients' homes. She adds, MBFA

Foundation's motto is a "Vision with a Task", and this task is continually being accomplished and the vision is becoming a reality to those the Foundation is privileged to serve.

MBFA has a 15 minute film presentation explaining all their services. Please contact us in Kerrville, Texas at 512-896-3330 if your club or organization would be interested in learning more about the services we provide.

Public Views Sought At Resource Meeting

"Public views on the future of the conservation, protection and enhancement of Texas' soil, water, and related natural resources will be sought at a meeting to be held in the 4-H Center in Sonora at 7:30 p.m., June 28, 1978," Albert Ward, chairman of the Edwards Plateau Soil and Water Conservation District, said.

The meeting is in response to President Carter's signing of the Resources Conservation Act last November which requires an appraisal and evaluation of the state and nations' soil and water conservation program.

"The RCA act authorizes and directs the Secretary of Agriculture to develop a national soil and water conservation program in cooperation with the public, our local soil and water conservation districts, the Texas State Soil and Water Conservation Board, and the Soil Conservation Service," said Ward.

"This program will establish new direction for future soil and water conservation efforts in Texas based on current soil, water, and related resources appraisals," Ward continued. "One point I want to make clear is that districts in their 40-year history have always assisted landowners with voluntary conservation programs on their farms and ranches. We do not advocate any other approach since farm and ranch land is privately owned and that the interests and welfare of the owners must be served and that programs must be acceptable to them," Ward added.

Actions required by the RCA act include gathering data to appraise the condition and quality of Texas and the nations' soil and water resources by 1979.

The act also outlines a 5-year plan for the U.S. Department of Agriculture's conservation assistance to districts and requires an evaluation of the effectiveness and progress of ongoing programs. Reports will be made to the public and Congress. "Our first meeting will

Attention Band Students!

All Bronco Band students who plan to attend Abilene High School Band Camp may come by the band hall Monday thru Friday (June 26-30) between the hours of 7 and 8 p.m. for help on their try-out music.

Dates for the high school camp are July 9-14 at Abilene Christian University. Band Boosters will be paying \$30 of the camp cost for all Bronco Band students who are in grades 9-12 as of September, 1978.

Those students who plan to attend the Abilene Junior High Band Camp may come to the band hall beginning June 26 (Monday-Friday) between 6 and 7 p.m., for

help with their music. Dates for junior high camp are July 16-21.

Historical Society Committee At Bank Thursday

A committee of the Sutton County Historical Society will be in the Founder's Room at the First National Bank Thursday from 2-4 p.m.

The committee will be on hand to help anyone with ideas on how to submit their family history to the history book under preparation.

Bob's Mobile Home and Camper Repair

Let us introduce ourselves to the community that had the unfortunate tragedy on June 2. Luckily everything can be repaired or replaced, which is what we are here for. We will work closely with you and your insurance company to put your mobile homes back as close as possible to the condition they were in prior to the storm.

We are now set up to do your immediate emergency repairs such as roofs, vents and windows to get your homes weather tight. We are setting up to handle the time consuming repairs [reskinning, doors, etc.] as soon as possible.

We will be living in your community for six to eight months, or as long as you need us here. We have a good reputation and business relationship in the Dallas, Ft. Worth Metroplex area and have been in the mobile home business for 12 years.

As soon as our permanent phones are installed we will notify everyone via this paper. Temporarily our answering service number is 387-2355.

Thank you,
 Bob and Sami

Public Notice

NOTICE OF BOARD OF EQUALIZATION MEETING
 In obedience to an order of the Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Sonora, Texas, Setton County, Texas, said such values have finally been determined for taxable purposes for the year of 1978, and any and all persons interested or having business with said Board are hereby notified to be present.

OFFICIAL NOTICE OF THE BOARD OF EQUALIZATION
You are hereby notified that the Board of Equalization of the City of Sonora, Sonora, Texas, duly and regularly convened and now sitting for the year 1978, desire to raise and/or lower the value of your property.

In order to afford every taxpayer an opportunity to be heard, you may, if you so desire, appear before said Board of Equalization. Said Board will convene at 9:00 a.m. on Wednesday, June 28, 1978, in the Sutton County Courthouse in the town of Sonora, Sutton County, Texas, at which time and place said Board will consider any evidence you may elect to submit as to the value of said property for taxable purposes. The Board, on said date, will from the evidence now before them and such additional evidence as may be submitted to them, finally fix, determine and equalize the value of your property for taxable purposes for the year 1978.

BY ORDER OF THE BOARD OF EQUALIZATION for the City of Sonora, Texas: Patricia D. Robbins, Secretary 2614

Card of Thanks

We are truly grateful to the good friends who did so much for us during our sorrow. May we take this means of saying thank you for the many comforting expressions of your friendship and affection.

BEGINNERS - Janice Lowe, Lancey Lowe, Lori Barbero, Lori Webster, Leslie Webster, Victor Fuentes, Ty Fincher, Justin Stanley, Kelly Cahill, Tama Parker, Janice Gomez, Michael Hooper, John Woodall, Tommie Woodall, Holly Estep and Tracey Fincher.

Trudy Draper Wed To James K. Carta

Baptist rites June 10 at the First Baptist Church of Sonora united Miss Trudy Elaine Draper and James Kelly Carta in marriage.

Mr. Ken Childress, pastor of the San Angelo Church of Christ, officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Raymond Draper of Sonora. She is the granddaughter of Mrs. D.C. Behns of Tow and Mr. and Mrs. Orville Draper of Llano.

The bridegroom's parents are Mr. and Mrs. Clay Carta. He is the grandson of Mr. and Mrs. Clint Reagor, formally of Llano.

The bride was given in marriage by her father and chose a gown featuring a stand-up collar of Alencon lace. The lace on the collar repeated on the front yoke which was trimmed with seed pearls. The long sleeves were accented by lace cuffs at the wrist. The empire waist highlighted the long, full skirt where Alencon lace flowed to simulate panels ending in a train.

Her veil was double chapel length edged in lace and attached to a Juliet cap of lace. Tiny flowers trimmed the cap.

The bride carried a bouquet of yellow silk rose buds, white daisies and flocked baby's breath with white and yellow ribbon.

Wedding music featured Mrs. William Keel at the organ with special music by Mrs. Ervin Wise and Dwight Whitman.

Miss Rae Ann Draper served her sister as maid of honor. She carried a white wicker basket of spring flowers. Bridesmaids were Kandis Carta, sister of the bridegroom, Nancy Mooney, Laurie Hollmig and Rachel Merck. They also carried spring flowers.

The bride's attendants wore gowns of yellow and mint green organza over taffeta. Empire waists were accented with satin ribbons. The wide brimmed hats matched the girls' gown colors and were accented with rose and ribbon streamers.

Miss Brandy Bauldree was flower girl and the bride's nephews, Edward and Brandon Draper, were ring bearers.

Serving the bridegroom as best man was Eric Olson. Groomsmen were Craig Hodges of Llano, David Robinett of Llano, Ricky Hard of Eagle Pass, and Perry Don Draper of Sonora, brother of the bride.

Serving as ushers were brothers of the bride, Charles Draper and Bobby Draper of Sonora, and Carey Draper of Seagraves. Miss Doris Hearn registered guests at the church. A white Bible and a silver bud vase with a single yellow rose was on the registrar.

An outdoors reception, given by the bride's parents, was held at the Lea Allison Ranch following the ceremony. Approximately 250 guests attended.

Assisting with the reception were Susan Merck, Mr. and Mrs. William Keel, Mr. and Mrs. R.H. McAshan and Mr. and Mrs. Jack Baker.

The bride's table was covered with a white organza appliqued cloth. Her four tiered cake, centering the table, was decorated with yellow roses and daisies. The traditional bride and groom miniature was accented by a heart of white flowers and a wedding bell.

An arrangement of spring flowers and a sterling punch bowl was also on the table.

The bridegroom's table featured a chocolate cake with a lighted candle and title of song, "You Light Up

My Life", etched on the top. There was also an arrangement of spring flowers and a silver coffee service on the table.

Serving the bride's cake was Mrs. Vernon Schwarz of Fredericksburg and Mrs. Bruce Lamber of Harker Heights.

Mrs. Gene Gilcrease of San Antonio and Mrs. Charles Draper served cake from the bridegroom's table.

Serving also were Miss Donna Mooney, Mrs. Ralph Weinhold and Mrs. E.J. Wipff.

Members of the house party were Mmes. D.A. Caldwell, Charles Browne, Robert Mooney, Sam Dunn, Kenneth Cayce, Charles Draper, Bobby Draper, Carey Draper, Ralph Weinhold, Charles Howard, Gretta Smith, E.J. Wipff, Don Holdridge, Joe Kiowski, Dan Cauthorn, Tom Glasscock, Hal Roberts, T.C. McCutchen, Doug Wise, Boyce Hooper and Misses Donna Mooney and Doris Hearn, all of Sonora.

Others serving in the houseparty were Mrs. Gene Gilcrease and Mrs. Mark Neuhaus of San Antonio; Mrs. Pete Bible of Burnett, Mrs. Vernon Schwarz of Fredericksburg, Mrs. Bruce Lamber of Harker Heights, and Miss Mildred Baugh of Tow.

Following a wedding trip to Colorado the couple will make their home in College Station where he will attend Texas A&M University.

Mrs. Carta and her husband are both 1978 graduates of Sonora High School.

REHEARSAL DINNER

Mr. and Mrs. Clay Carta were hosts to a rehearsal dinner at the Commercial Restaurant where 50 persons attended.

The head table was decorated with an arrangement of yellow roses, carnations and daisies with streamers of gold. Other tables were covered with white cloths and had green bud vases with yellow carnations.

Kappa Gamma Members Go To Meeting

by Jan Berry

Six members of Kappa Gamma attended the District VII Epsilon Sigma Alpha meeting held by Gamma Tau in San Angelo.

The first business meeting of a new year was conducted with plans for the year discussed.

Awards were presented and Kappa Gamma received nine including: 1st Place for Rush, 1st Place Outstanding Chapter, 2nd Place Service Monies, 3rd Place for Year Long Educational Programs.

Those in attendance from Kappa Gamma were: Jo Ann Wilkinson, Pat Burnett, Jan Robertson, Judy Miles, Nelda Mayfield, and Pam Martin.

Mrs. Ward Feted on Birthday

A small neighborhood party honored Mrs. Albert Ward Friday night in honor of her birthday.

Hosting the event were her husband, Albert, and daughter, Kelly.

Cake and ice cream was served to Mr. and Mrs. Joe Neil Smith and Linda, Mr. and Mrs. Gil Trainer and children, Mr. and Mrs. Glen Kemp and children, Mrs. Horace Hill, and Mr. and Mrs. Wendell McAndrew.

Dee Ora Lodge Sets Public Installation

A public installation ceremony at the Dee Ora Lodge 715 has been set for 8 p.m., July 8, 1978 at the Sutton County 4-H Center.

Sammie J. Stewart, worshipful master elect, has offered an invitation to the public to attend the special ceremony.

Installing officer for the event will be Harvey C. Bryd, most worshipful grand secretary of the Grand Lodge of Texas.

Mrs. Mayfield Party Honoree

Mrs. Batts Friend honored her aunt, Mrs. Zena Mayfield with a luncheon and bridge party June 15 at her home.

Guests attending were Mmes. Bob Vicars, Robert Halbert, Belle Jteen, Paul Turney, Robert Kelley, P.J. Taylor, Rex Cusenbary, James Morris, Jo Nell Johnson, Jack Neill and Elizabeth Mayfield.

At bridge play Mrs. Johnson was high and Mrs. Neill was low.

Lawson, Mayfield Rites Read

Miss Kammi Lynn Lawson and Stanley B. (Seco) Mayfield, II, were united in marriage June 6 in a small family ceremony held at the First United Methodist Church.

The Rev. Paul Terry, minister of the church, officiated.

The bride, given in marriage by her grandfather, Mr. E. C. Darter of Cleveland, Tennessee, chose a floor length gown of white organza. The bodice was designed with three quarter puffed sleeves and a sweetheart neckline. With lace inserts complimenting her lace picture hat. The bouffant tiered skirt was trimmed with lace.

She carried a nosegay of pink roses, baby's breath and spring flowers.

Parents of the couple are Mrs. Jeanie Lawson and the late Benford H. Lawson, Stanley Mayfield and Mrs. Elizabeth Mayfield, all of Sonora.

Miss Janna Lawson of Sonora, served her sister as maid of honor.

The bridegroom's father was best man. Eddie Sawyer and Guy Askew of Sonora and Bob Able of Electra were ushers.

Miss Martha Elliott provided organ music.

A reception held at the home of Ms. Linda Johnson, was held immediately following the ceremony.

Following a wedding trip to Hawaii, the couple will make their home at the Mayfield White House Ranch.

Out-of-town guests were Mr. and Mrs. J.D. Isaacks, John, James, Molly and Lynn, all of San Antonio; Mr. and Mrs. George Diaz and Lupe of Ozona; Mrs. Lucy Brown of Electra; Mrs. Roxie Lawson of Electra; Mr. and Mrs. E.C. Darter of Cleveland, Tennessee; and Mr. and Mrs. Bob Able, Lean and Tracy of Electra.

Library Sets Up

Temporary Facilities

The Sonora Woman's Club Library will set up a temporary library in the Episcopal Church Parish Hall Tuesday, June 27 during the regular hours.

All books that are due may be checked in at that time or renewed.

"New York, when we need your help, we'll ask for it"

The Labor "Reform" Act looms as another desperate attempt by big labor bosses to grasp even more power. To spread their control to the Sunbelt. And to deny Texans their freedom to choose.

Because if they win this one, repeal of the right to work is next. And we lose, among other things, our freedom to choose between joining a union and not joining a union.

That's why Senator Tower says the issue isn't unions. It's freedom. You only have to look as far as New York City to see what happens when the people lose that

choice. You'll see a once vibrant heart of a region now crippled by the excesses of big labor.

In standing for Texas, Senator John Tower stands squarely against the Labor "Reform" Act.

And for the right to work.

Today, he's spearheading the effort in the U.S. Senate to defeat this dangerous bill. And to preserve the right of employer and employee alike to choose.

His opponent, an ambitious two-term congressman, voted for the Labor "Reform" Act.

An unfortunate and *political* choice on his part.

Because the Labor "Reform" Act could be as devastating to the Texas economy as it is to our freedom to choose.

Which makes your choice in November clear. Senator John Tower. The man who votes for Texas. The man who stands on principle.

Not politics.

If you wish to volunteer your time or make a financial contribution, call toll free, 1-800-325-6400.

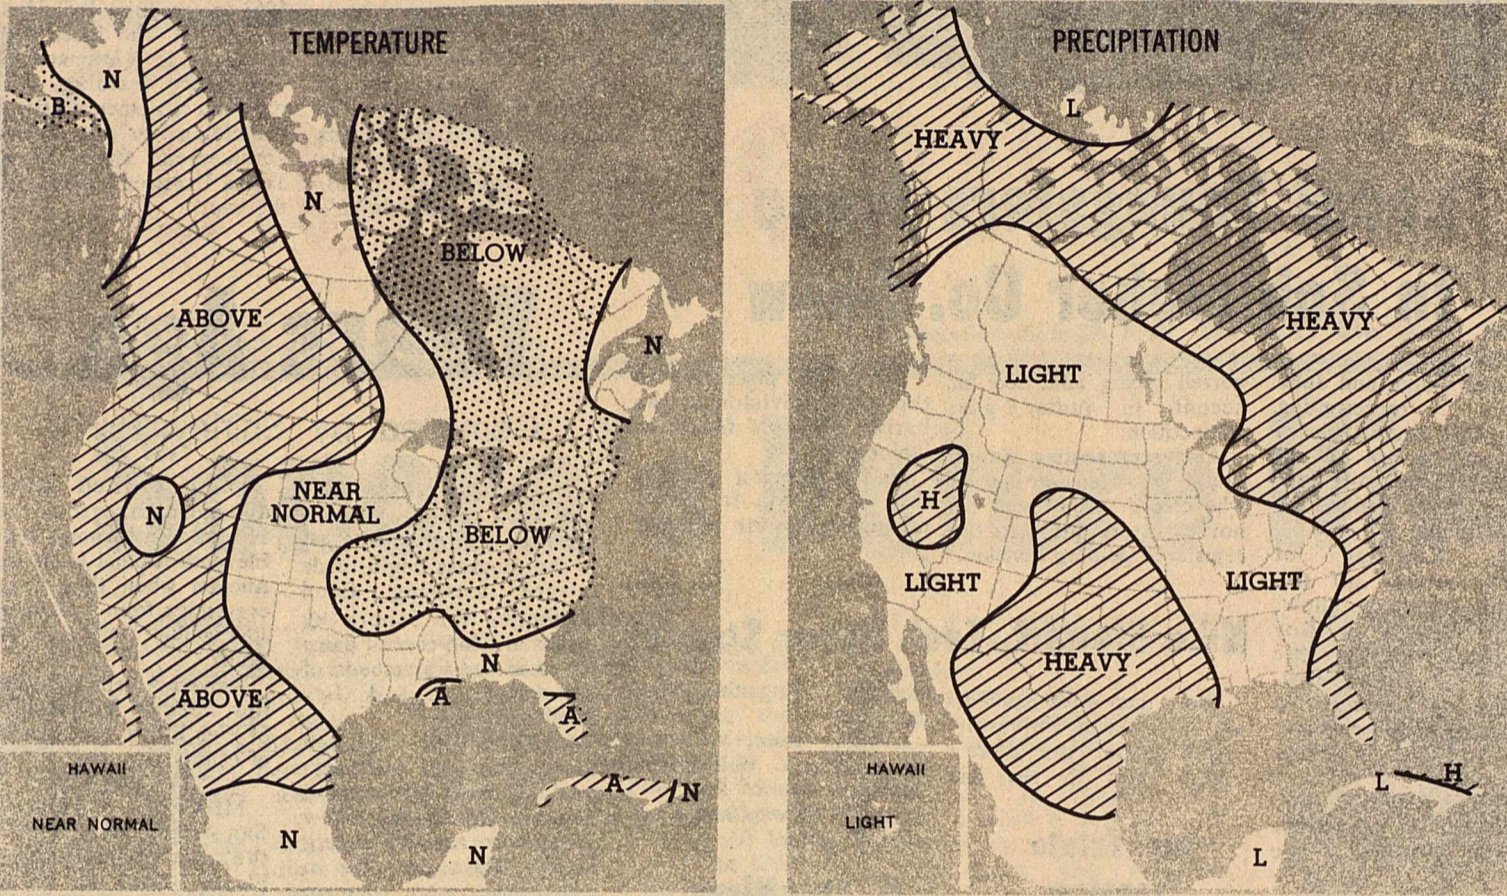

John Tower
**HE STANDS FOR TEXAS.
ALWAYS HAS. ALWAYS WILL.**

average monthly weather outlook

FOR MID-JUNE TO MID-JULY 1978

Dry Weather Creates Lower Weights and Prices

by Wes Burnett
Sonora Wool and Mohair Co. manager Glen Fisher reported last week that the 1978 wool sale results have been tabulated and show a decrease in weight and

grades from 1977.

"The biggest factor," Fisher explains, "is the dry conditions we had last year, which caused a decrease of 19 percent in weight and

overall each customer showed approximately 20 percent decrease."

Fisher also pointed out that weather conditions created more tender wool and shorter graded wool

weight was up 33 percent over 1977. Prices were generally good, however, with 315,000 pounds of staple wool selling for an average price of \$1.065 and a top price of \$1.15.

French wool averaged 98c per pound on 110,000 pounds and clothing wool sold for 91c on 64,000 pounds. Skirts and belly wool sold for 75c on 44,000 pounds.

Overall graded wool

prices were almost three cents down from 1977 and there was much more shrinking. Original bag wools (ungraded) of 115,000 pounds averaged 90.5c per pound from a low in the 70s for a few lots to a high of \$1.01 for very small, light shrinking lot.

"Again this year, according to early reports, our graded wools returned 10c per pound better than ungraded wools," Fisher commented.

Horse Owners Urged to Vaccinate Against Sleeping Sickness Virus

All horse owners in Sutton County are urged to vaccinate their animals against sleeping sickness.

Sleeping sickness, or encephalitis, is a virus disease transmitted by mosquitoes, explains Clint Langford, county agent with the Texas Agricultural Extension Service. Both Eastern and Western types of the disease can occur in Texas, and immunization and mosquito control are the only effective weapons to prevent the disease. No effective treatments are available once the animal is affected, so prevention is the best weapon to protect your horse.

Since vaccines afford protection for only one year, annual revaccination is recommended, notes Clint. Veterinarians can provide information on the proper vaccine and procedure for this vaccination. At the time of vaccination, a tetanus toxoid shot can be given in a combined vaccine to protect the horse or colt against tetanus as well.

Since mosquitoes are mainly responsible for spreading sleeping sickness, it's important to vaccinate horses before the mosquito season begins, emphasizes Clint.

Properly immunized horses not only prevent the spread of the disease to other horses, but also can help prevent cases of

the disease in humans. The cost of the vaccination is small compared with the loss of a valuable horse or foal, adds Clint.

Screwworm Cases Speed Up In May

"The Texas screwworm situation broke wide open with astonishing speed during the second half of May," comments Dr. M.E. (Cotton) Meadows, Jr.

The director of the U.S. Department of Agriculture (USDA) Screwworm Eradication Program says a late April case in Hudspeth County, and another tallied May 8 in Presidio County, were not particularly unexpected.

The surprises stated May 15 with confirmation of a case in west-central Texas' Coleman County, followed promptly by a second in that county and cases in Mitchell and Stonewall counties. Along with those in west-central Texas came six in three south Texas counties—Live Oak, 4; Hidalgo, 1; Willacy, 1.

The Big Bend area was strongly represented at month end with two cases in El Paso County, another in Presidio, one each in Culberson and in Brewster. This brought the 1978 total to 18 through May, compared to 22 at the same time last year.

Records at the Screwworm lab, operated for USDA by the Animal and Plant Health Inspection Service (APHIS), show 559

Arizona cases through May, 44 in New Mexico, and 19 in California. Exceptionally good grazing conditions in far western desert areas have created an ideal environment for the screwworm fly and thousands of animals from Texas are being shipped west for grazing.

Texas Animal Health Commission (TAHC) started requiring inspection and spraying or dipping of all animals entering Texas from Arizona and New Mexico as of June 1. All such animals now must have a prior permit from TAHC before entry. They also must be inspected and found free of screwworms within 72 hours prior to movement. This must be done by a state or federal animal health official or an accredited veterinarian.

Dr. Meadows says cases in west-central Texas are being treated with sterile flies from a temporary distribution center at San Angelo. This is done two days per week by APHIS planes based at Mission.

Plans are to establish a distribution center at Alpine next week. This will allow locally based treatment for cases occurring in the Big Bend Region.

You'll be as proud to own Frigidaire Appliances as we are to sell them.

We're Frigidaire Proud

We're proud to sell Frigidaire appliances for many of the same reasons you'll be proud to own them. Reasons like quality, craftsmanship, rugged dependability and elegant styling. To us, that's what "Frigidaire Proud" is all about. See us and discover that proud feeling of Frigidaire for yourself.

Refrigerator-Freezer Refreshment Center

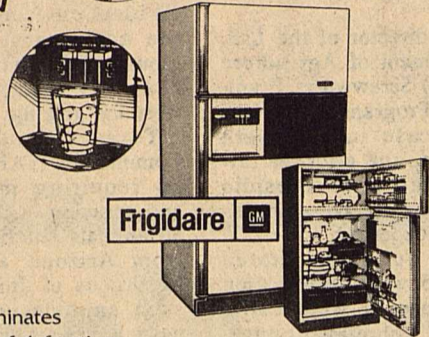

A conveniently located, 3-position Electri-Saver switch can help you save energy.

Only Frigidaire gives you "Four on the Door."

- Frigidaire's exclusive Refreshment Center Refrigerator dispenses ice, chilled water plus two juices or other beverages right through the door.

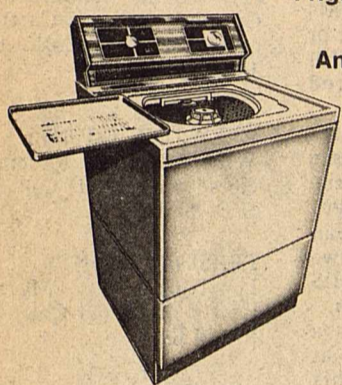

- Efficient Frigi-Foam insulation helps conserve energy by locking cold air in, warm air out.

- 100% Frost-Proof convenience eliminates the messy, time-consuming chore of defrosting.

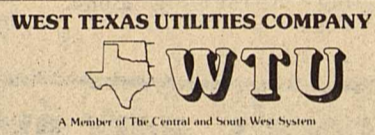

Frigidaire's unique up-and-down Agitator action makes the difference.

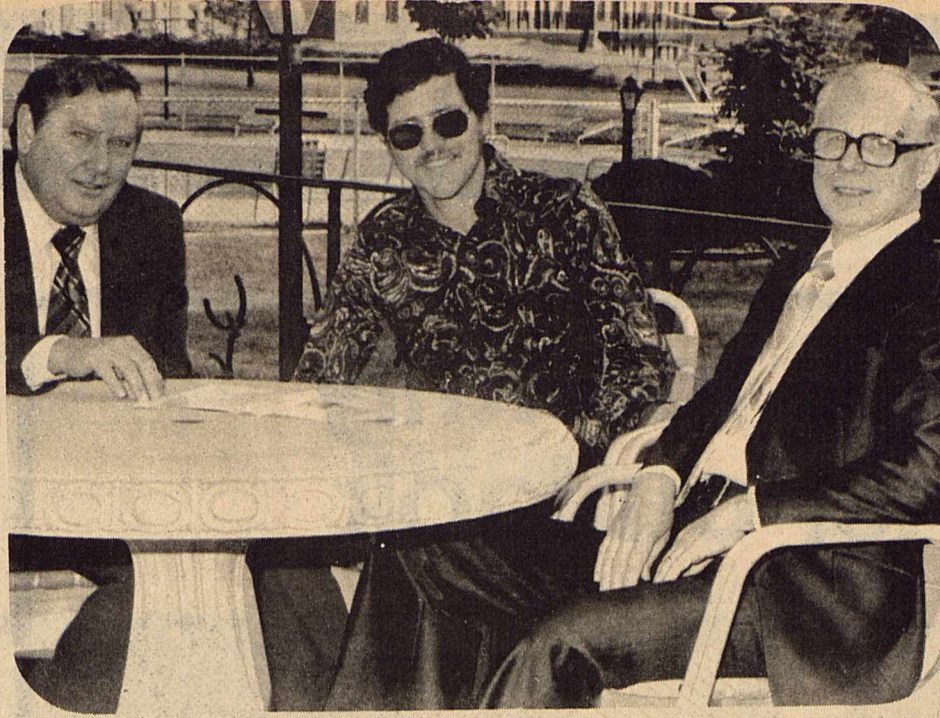

And every Frigidaire Jet Cone Washer has it! Automatic Heavy Duty Washer

- Dependable performance with a heavy duty motor.
- Four wash/rinse combinations including a Cold Water Temperature.
- Normal and Gentle wash cycles for regular or delicate loads.
- Many of the same components of the Frigidaire Commercial Washer.

WTU proudly offers you the finest in appliance service by qualified factory-trained servicemen. See our selection of Frigidaire ENERGY-SAVING appliances.

Scooter McMinn, WTU appliance serviceman at Sonora, is shown in Dayton, Ohio, with Frigidaire executives Jim Crawford (left) and Donald C. Schaffer.

Scooter McMinn Honored As Top WTU Serviceman

Scooter McMinn of Sonora has returned from Dayton, Ohio, where he was honored as one of the top appliance servicemen in the nation. McMinn, an employee of West Texas Utilities Co., won the expense-paid, two-day visit to Frigidaire Division of General Motors when he was selected as one of only 80 servicemen to represent 2,300 technicians across the country. At Dayton, the local technicians toured Frigidaire's manufacturing and quality control operations and participated in technical sessions and service seminars. The accredited technician program, first of its kind in the appliance industry, was originated by Frigidaire in 1963 to recognize individual servicemen who meet high standards in workmanship, experience, training, attitude and customer relations. McMinn was one of five servicemen from West Texas Utilities chosen for the trip.

Local Youngsters Place In Schleicher Co. Show

Marshall Doran and Julie Stewart, representing Sonora, took several places in various events of the Schleicher County 4-H Junior Horse Show held June 10 in Eldorado.

Alvin Kothman of Menard, carried off the top slots at the show, winning the Jess Koy Memorial Trophy for the second year in a row, garnering 43 points to top all contestants. He was also named all-around junior winner.

Doran's gelding, Top Charge, was named reserve champion gelding of the show. Other placings by Doran were on Butter. He placed third in senior showmanship; second in western pleasure; first in senior reining; fourth in senior poles; fifth in barrel racing; fifth in flag race; and fifth in the senior goat competition.

Miss Stewart placed fifth in the registered gelding class with her horse Spot Bee, Jr.

She took a first place in junior poles; second in

barrell racing and tied for second in junior goat competition.

Also representing Sutton County was Houston Powers who placed second with his horse, Interceptor, in the registered gelding division.

Powers also placed first in the junior division of the barrel race and fourth in junior flags.

Nancy Benson took a first place win in junior reining, and fourth in junior poles.

Mike Stewart, Tech Honor Student

More than 4,000 students at Texas Tech University qualified for the dean's honor rolls in the six

colleges during the spring semester.

Among them was one from Sonora. William M. Stewart, son of Mr. and Mrs. Bill Stewart and a soil science major.

Real Estate Transfers

WD/VL-Ernest L. Williams et ux to La Tienda, Inc., lots 11, 12, 13, 14 and west 5' lot 15, Block H.

*Patients dismissed during the same period.

Rains Asks For Fairness To Texans

In a letter to the President, State Representative Don Rains of San Marcos asked for national policy decisions which treat Texas with fairness.

Rains, who expressed discontent with the administration's decision to allow beef imports to rise twenty percent, said that Carter's programs are making it difficult on Texans. Rains is worried about the impact of the beef import program on the incomes of farmers and ranchers.

Rains told President Carter, "Texas families have the same needs in life and deserve the same luxuries as other Americans and should be given equal consideration."

Years Ago

Compiled by Shirley Hill

June 19, 1958

In view of recent heavy rains there is great interest in the progress begin made toward securing flood protection for Sonora by means of flood control dams proposed for watersheds of Lowrey Draw and Dry Devil's River.

Soaking rains drenched Sutton County and surrounding areas Monday and Tuesday, bringing new promise to rapidly drying ranges. Rains to give to eight inches were common with some ranchmen receiving more than ten inches.

...Mrs. Dorothy Baker has announced the engagement and approaching marriage of her daughter, Rex Ann, to Harold Turney Friess.

June 25, 1948

Connie Mack Locklin, Sutton County 4-H'er exhibited the grand champion nad of wool in the Eleventh Annual Wool and Mohair Show.

Public spirited citizens did more than their part Thursday afternoon at the Eleventh Annual Lions Club Auction when they bought everything from a registered Rambouillet buck to a baby skunk.

Announcement was made this week of the candidacy of Web Elliott, for the office of county attorney.

74 Years Ago

Mrs. C.G. Lovelace of San Angelo took leave on the train for Jacksonville, Florida, where she will join other Mental Scientists in the interest of Mental Science. She was accompanied by little Lou Lovelace.

W.C. Page was in from his ranch Saturday for a load of wire. Mr. Page intends putting in a farm on his ranch.

W.B. Hutchison of Barksdale was in Sonora this week on a prospecting trip. Mr. Hutchison formerly ran the hotel and butcher shop in Barksdale.
