## Russell Nominated For TASB SOTY

Charles L. Russell

Superintendents from 15 Texas districts have been nominated for the annual Superintendent of the Year (SOTY) award sponsored by the Texas Association of School Boards.

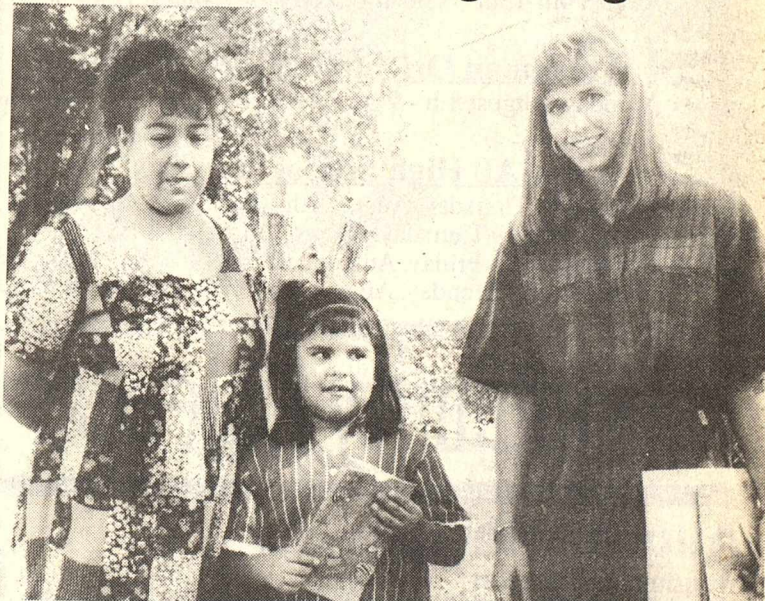

The 10-year-old SOTY program recognizes exemplary superintendents for excellence and achievement in educational leadership. The 1994 finalists and nominating education services centers (ESCS) are: Rafael A. Cantu, Mission CISD, ESC I; Luther Thomas, Falls City ISD, ESC III; M.B. "Sonny" Donaldson, Aldine ISD, ESC IV; Marc Williamson, Pine Tree ISD, ESC VII; James O. Hesson, Roxton ISD, ESC VIII; Wilburn G. Roesler, Maypearl ISD, ESC X; Joe M. Pirtle, Belton ISD, ESC XII; Paul H. Fleming, Bastrop ISD, ESC XIII; Charles H. Hundley, Abilene ISD, ESC XIV; Charles L. Russell, Sonora ISD, ESC XV; Thomas S. Robertson, Hedley CISD, ESC XVI; William J. (Bill) Moore, Muleshoe ISD, ESC XVII; Quentin S. Burnett, Greenwood ISD, ESC XVIII; Kay Karr, Dell City ISD, ESC XIX; and

Virginia A. Stacey, Lackland ISD, ESC XX.

Candidates are chosen for their dedication to improving educational quality, ability to build effective employee relations, commitment to public involvement in education, and community service. Superintendents from any of Texas' 1,051 local school boards are eligible for nomination by their school board. Local nominees are submitted to a regional selection committee, which chooses one nominee to send to the state selection committee.

The five finalists for SOTY are Rafael Cantu, Mission CISD, ESC I; M.B. "Sonny" Donaldson, Aldine ISD, ESC IV; Joe M. Pirtle, Belton ISD, ESC XII; Paul H. Fleming, Bastrop ISD, ESC XIII; and Charles H. Hundley, Abilene ISD, ESC XIV. The Superintendent of the Year will be announced October 2 at the TASA/TASB Joint Annual Convention in Dallas. The winning superintendent will receive a \$4,000 award funded by the Balfour Company.

## DPS Trooper Assigned To Sonora

D.P.S. Trooper, Robert Sherrod, Sr.

A new graduate from Austin D.P.S. Training Academy was assigned to the town of Sonora and Sutton County as a new trooper.

Robert Sherrod, Sr. is a native of Abilene, Texas and was assigned to Sonora July 11, 1994. He has a son Robert, Jr. that will be starting Sonora

High School in the fall.

"The thing that I like best about Sonora is that the people are so friendly. The Chamber of Commerce was very helpful in getting me started, even before I got here. When I did finally arrive, several good people gave me the help and information I needed to get settled. One of my true joys is helping children get through the hard times in life. With the help of many concerned parents in the community and some businesses, I have started a 'Kids Inc.' in an effort to keep kids off of the streets. I like reading and teaching Karate. Free time should be constructive time. This is just a little something that I can do to help pay back the community for the nice treatment that I have received."

Trooper Sherrod graduated with the second largest class from the D.P.S. Academy "128" since the academy began.

The City of Sonora has been awarded a grant in the amount of \$2805 to install a used oil recycling program at the Sonora Recycling Center. The grant was awarded by the Texas Natural Resource Conservation Commission (TNRCC).

A used oil recycling receptacle will be installed within 60 to 90 days, according to City Manager John Pape. The curbside collection unit is primarily for people who change their own motor oil; however, used oil from other types of engines, such as lawn mowers or recreational vehicles, can also be collected.

"Texas law prohibits

dumping of used oil for many good reasons," noted TNRCC representatives. "The amount of oil in one car's oil change can ruin a day's water supply for a small city. Put another way, just one quart of oil will ruin 250,000 gallons of water.

"Sonora has made a commitment to being environmentally responsible," explained Mayor Lemuel Lopez. "The addition of used oil recycling is another element in our efforts. We sincerely hope that the people of Sonora will make use of it, realizing how just a small amount of oil in the groundwater can contaminate a great deal of water.

## Tri-County Landfill Meeting

The landfill steering committee for the cities of Eldorado and Sonora in conjunction with Sutton, Crockett and Schleicher Counties held a second meeting July 28, 1994 to review results of the three county area solid waste problem. The steering committee, appointed by the commissioners courts and city councils are working cooperatively to produce economies of scale in controlling garbage disposal. According to Larry Skiles, Volunteer Coordinator for all jurisdictions, the committee will write an interlocal agreement, if approved, the committee will act as one body

and retain someone to perform a study.

Attendees were: Randy Mankin, Eldorado City Councilman; John Stokes, Crockett County Auditor; A.O. Fields, Acting Crockett County Judge; Jim Garret, Director Public Works, City of Sonora; Doug Meador, Manager Crockett County Water Control & Improvement No. 1; Charles Graves, Sutton County Auditor; Johnny F. Griffin, Schleicher County Judge; Kerry Joy, Schleicher County Commissioner; Fred Deaton, Crockett County Commissioner, and Larry Skiles Rauscher Pierce Reffnes, Inc., Volunteer Coordinator.

## Mabel Vander Stucken Celebrates 91st Birthday

Mabel Vander Stucken

On Wednesday, July 28, 1994, Mabel Vander Stucken celebrated her 91st birthday. Her family gathered at the Vander Stucken home to honor her on this great occasion.

Born to Edward L. and Ema Wilkenson Mears of Menard, Mabel spent her elementary school years in Menard. She then went on to attend the Hockaday private school for girls and St. Mary's school in Dallas. On April 27, 1925, she became a

resident of Sutton County after her marriage to Joseph Vander Stucken.

Mabel and Joseph were blessed with two daughters, Jan (deceased) and Jo Bess Jackson, who is now a successful attorney in Dallas. The Vander Stuckens are the proud grandparents of Joseph and Elizabeth and two great-grandchildren, Joseph and Josetta.

To date, Mabel and Joseph have been recognized many times over for their community support and their active membership in the Episcopal church. Mabel was also a member of the Sonora school board for many years.

When asked about the many changes over the years, she stated that during those good old days, she knew and was acquainted with everyone in town and their children. This is the one change in Sonora that Mabel regrets, she has lost this type of contact that she enjoyed so much.

Joseph is now retired and the couple spends their time between family, friends and home.

## SWTEC Annual Meeting

The 49th Annual Meeting of Members of the Southwest Texas Electric Cooperative will be held on the courthouse lawn in Eldorado on August 9, 1994. Barbecue will be served at 7:00 P.M. and the business meeting will begin at 8:00 P.M.

This year's barbecue will be prepared by McGowan's of San Angelo. Cooperative members, their employees and guests are invited.

The directors and employees of the cooperative look forward to visiting with you.

### Take a Moment to Listen

Take a moment to listen today

To what your children are trying to say;

Listen today, whatever you do

Or they won't be there to listen to you.

Listen to their problems, listen for their needs,

Praise their smallest triumphs, praise their smallest deeds;

Tolerate their chatter, amplify their laughter,

Find out what's the matter, find out what they're after.

But tell them that you love them, every single night

And though you scold them, be sure you hold them;

Tell them "Everything's all right";

Tomorrow's looking bright!"

Take a moment to listen today

To what your children are trying to say;

Listen today, whatever you do

And they will come back to listen to you.

## Cub Scout Resident Camp

Cub Scouts and their moms attended camp at Sol Mayer: Sandi Ainsworth, Beth Wallace, Tracy Ferguson, Joseph Ainsworth, Warren Wallace, Will Ferguson, and Wilson Wallace.

On Wednesday, July 6, 1994 through Saturday, July 9, 1994, the following Cub Scouts from Sonora attended Cub Scout Resident Camp at Camp Sol Mayer in Fort McKavitt, Texas: Joseph Ainsworth, Will Ferguson, Wilson Wallace and Warren Wallace. The boys, with their moms, spent three nights camping out in tents, and had a great time, despite the over 100 degree temperatures.

The boys participated in many activities and worked on achievements, electives, and sports awards for their

Scout ranks. The boys were able to swim, fish, ride horses, shoot BB guns, learn archery, boat safety, play soccer, frisbee, baseball, football, and many other things. They also learned first aid skills, proper use of knives, and proper use of the flag. They were able to go on a nature trail and learned about rocks and plants. The boys also learned how to make ropes and how to tie knots.

Also present at camp as Boy Scout staff members were Cody Ainsworth, Casey Fitzgerald, and Casey Thorp.

Prissy Castilleja is pictured above during summer band practice, which began on August 1st.

# Ask The Historical Society

George Smith, Nov. 2, 1945 at Miles, Tx.

by Jo-Ann Palmer,  
Secretary Sutton County  
Historical Society

**WWII Veteran  
George E. Smith**  
George Smith was inducted into the U.S. Army on February 16, 1943 and entered into active service on February 23, 1943 at Abilene, Texas. He spent 12 weeks at Camp Hulen then went to Camp Polk, Louisiana for armor and light infantry training. He next went to Camp Shank, New York to await shipment overseas. George got to take a cruise on the Queen Mary, which had been refitted as a troop transport, to Glasgow, Scotland, a train trip from the Firth of Clyde to Wallingford, England then on to Southampton to

await the invasion. The Invasion of Normandy - Utah Beach saw George and his companions hit the beach on June 8th, 1944. From there they went on to Ste. Mere Eglise. At Saint-Lo the sky was full of bombers, on their way to soften up the German positions at the front lines, a comforting thought for the infantry and armored divisions. George next went on to Paris, and Belgium.

There was one bad moment when George's mother was notified that he was missing in action in the Ardennes but the Army got that straightened out. It was on to the Rohr Valley, the Remagen Bridge and Kassel, Germany.

George Smith served in the following battles: Normandy, Northern France, Ardennes, Rhineland, Central Europe. He was awarded the FAME Campaign Medal with 5 Bronze Stars, the Good Conduct Medal, and was a Marksman with the rifle. He left Europe on October 17, 1945 on the USS Mariposa, which sailed into Boston on October 24, 1945. He was discharged on October 31, 1945 at Camp Fannin, Texas.

**Queen Mary**  
The Queen Mary was commissioned to the Cunard/White Star Line in 1936. She is a 80,774 ton passenger liner with 4 screws and is 1,019.5 feet. She was

built at Clydebanks, Scotland by John Brown & Co. Ltd.

The Queen Mary served as a troop transport from March of 1940 until September of 1946. During the war she transported 765,429 military personnel a total of 569,429 miles. She could carry 15,000 troops at a time. She was also used to transport wounded men and brought 12,886 G.I. brides and children to the United States.

The Queen Mary went back into passenger service on July 31, 1947. After 1,001 crossings of the Atlantic she retired on September 19, 1967. On October 31, 1967 she made her last cruise to Long Beach, California, arriving at 10:00 a.m. on Saturday, December 9, 1967. She now serves as a hotel, amusement attraction, and has many restaurants on board. Guided tours are

conducted. For more information of the Queen Mary contact her information line at 310-435-3511.

I bet Mr. Smith would enjoy the Queen Mary today. He would not be crowded into a cabin with a bunch of other men, half of them seasick. He would have his choice at restaurants instead of eating powdered eggs and kidney stew every day. He did say that he almost wished for the powdered eggs and kidney stew back after a few weeks of K-rations in France.

## New Sonora H.S. Band Director

Wayne Warren

Sonora High School Marching Band practice began Monday, August 1st under the leadership of their new director, Wayne Warren. Mr. Warren, his wife, Geanie and son, Aaron, moved to Sonora in early July from Rockport, Texas. Mr. Warren, originally from Warren, Arkansas (purely

coincidental) graduated from the State College of Arkansas, now University of Central Arkansas in Conway. He has 22 years experience teaching band, which will assist in achieving his goals for the 1994-95 school year. Mr. Warren's main objective is to win the U.I.L. Sweepstakes Award, which consists of winning 1st Divisions in three areas; U.I.L. Marching Contest held in October, U.I.L. Concert and Sight Reading Day both conducted in April.

According to Mr. Warren, an assistant band director will be hired.

Practice for ninth graders is held from 8:00 to 10:00 a.m., the entire band meets 7:30 to 10:00 p.m., with sectionals rehearsing throughout the day.

## Card of Thanks

We would like to take this opportunity to thank Vivian's Modern Way, Sonic Drive-In, Victor's Automotive, La Mexicana, Carrasco's Phillips 66, and Busy Bee's. These businesses sponsored Alex Gonzales on his trip to attend the Youth Conference at the Franciscan University of Steubenville in Steubenville, Ohio, July 20-27. Also, we'd like to thank those who purchased \$1.00 chances for the \$100.00 Grocery Giveaway during May. A big thank you goes to Arturo Gandar Jr. for his planning and organization of this trip, it was a big responsibility. He made this all

possible and we are grateful to him. The generosity we received will always be remembered.

Thank you

# Kelly's Kolumn

submitted by Kelly Lewis, C.E.A., H.E. (taken from Passenger Safety Education: Harris, Summer 1994)

Well meaning parents may not be providing adequate crash protection for their young children.

Many of the child safety seats that parents are using are old, used, or abused and do not provide adequate protection. A child's safety is seriously compromised when vital parts are not available to explain how the safety seat should be secured to the vehicle. If a safety seat has been involved in a crash, it has done its job and should be destroyed. The straps or shell may have experienced stress and may not provide protection if involved in another crash.

Families in Sutton County that cannot afford a child safety seat, can contact the Texas Department of Health, SafeRiders, at 387-2234 for more information on their safety seat loaner program.

To provide protection for a child, parents should:

- Select the correct safety seat for the child. make sure it is the correct size and type (infant, convertible, or booster); it meets Federal Safety Standards; it is for use in motor vehicle; and that it has not been in a crash, has instructions and all the parts.

- Secure child in safety seats correctly. Infants should face the back of the vehicle; babies over 20 pounds and one year face forward. Straps should be secured snugly over the child's shoulders. The harness clip is used to keep straps in child's shoulders.

When a child is too large for the safety seat, use a booster seat with the lap/shoulder belt. Use a booster seat with older children until they are at least 28 inches tall in a sitting position. Secure the children according to safety seat manufacturer's instructions.

- Correctly secure safety seat to vehicle by following the vehicle instruction manual as well as safety seat instructions. Secure the convertible seat facing forward or to the rear depending on the size and age of the child. The seat should be held securely in position.

Even if you purchase a new child safety seat, be aware

that occasionally parts of seats are found to be defective and the manufacturer issues a recall. If a recall occurs, the manufacturer will fix the defect at no cost to the owner.

If you have recently purchased a new child safety seat, the National Highway Traffic Safety Administration recommends that you either send in the manufacturer's registration card (if one is provided) or send your registration information to them and they will forward it to the manufacturer. (NHTSA is collecting names and addresses of individuals who want this information provided to child safety seat manufacturers, so they can be easily notified of any future

recalls regarding their particular seat.) The information provided must include: your name, telephone number, address, child seat manufacturer, model name and number, date of manufacturer (located on labels on your child safety seat), and a written request that you are authorizing NHTSA to provide this information to your child safety seat manufacturer. Send this information to: NHTSA Office of Defects Investigation, NEF-12 400 7th Street, S.W. Washington, D.C. 20590.

If you have questions regarding child safety seats or motor vehicle safety issues, call the U.S. Department of Transportation hotline at (800) 424-9393.

## Troop 19 Visits Philmont Scout Ranch

Boy Scout Troop 19 at the Philmont Scout Ranch near Cimarron, New Mexico: L to R, sitting: Matt Routh, Philmont Ranger Bret Martin, Andrew Dempsey. Standing: Will Allen, Lewis Allen, Steve Bauldree, Eddie Maskill, Timmy Bauldree.

Five members of Sonora's Boy Scout Troop 19 and two adult advisors have just returned from a ten day 62 mile backpacking trek at the Philmont Scout Ranch near Cimarron, New Mexico.

The Scouts left Sonora on July 14th and returned on July 27th.

While on their trek, the boys fired a black powder rifle and threw a tomahawk, climbed a 25 foot spar pole, toured the site of Anasazi Indian rock carvings, felled, trimmed, and stacked a number of diseased pine trees as a conservation project and climbed 12,441 foot Baldy Mountain. Some scouts panned for gold and toured the Aztec Mine.

Scouts who participated in the Philmont trek were Will

Allen, Timmy Bauldree, Drew Dempsey, Eddie Maskill and Matt Routh. Adult advisors were Scoutmaster Lewis Allen and Assistant Scoutmaster Steve Bauldree.

### CAROLE'S CORNER

"Summertime & the living is easy..." Now what joker came up with that line ??? Easy? It's hot, it's hectic, and if you go to Astroworld on a Saturday - it's H---!! Well, maybe I do exaggerate a bit, but life is not easy in any season. We can make the best of it one day at a time, or in my case, one moment at a time!

I saw a tee shirt the other day (at Astroworld!) that said "The difference between a Good Day & Bad Day is Attitude!" That is so true. Then I got to wondering why on days that I start out with a really good attitude, I sometimes end up having a bad day anyway. One of my sisters pointed out that the saying applies to everyone we interact with on a given day! So that helped some. To know that it is not just my attitude that makes a difference in what kind of day I might have. Others might have a bad attitude, and even though it is sometimes healthy and fun to speculate on how we might give someone an attitude "adjustment", the truth is the only attitude we can adjust is our own!

Isn't it peculiar how in small communities we always want to manipulate one another's attitudes? Why don't we all make a pact and promise to work on our own individual attitudes instead of spending so much time trying to control everyone around us. In the

## Tax Notice Information

By Charles Graves

The notice posted in the Devil's River News on next year's tax increase pertains to the effective tax rate (tax rate needed to raise the same amount of revenue as last year when applied to this year's values) which is \$.0091. The Board indicated at the noon meeting on August 1 that they would like to keep the actual tax rate at \$.0111, which is the same as last year.

The bottom line is that even though the tax rate in all probability will remain at \$.0111 for next year, since the rollback rate (effective rate of

\$.0091 + \$.0006) is \$.0097, then according to the Truth In Taxation Laws, we must provide a rollback election for the taxpayers.

I know it is confusing to say that we are planning on having the same tax rate as last year but that we must hold a rollback election because of a proposed tax increase. However, the key words are "effective rate" which is the tax rate that influences Truth In Taxation Law.

Please call or come by the Administration Office if you have either questions or comments about school finances.

## "Shots Across Texas"

On April 15, 1994, The Texas Department of Health kicked off the largest immunization campaign in Texas history. The goal of "Shots Across Texas" is to immunize at least 90% of Texas children age 2 and younger by 1996. Dr. David Smith, commissioner of Health said the need for this campaign is critical.

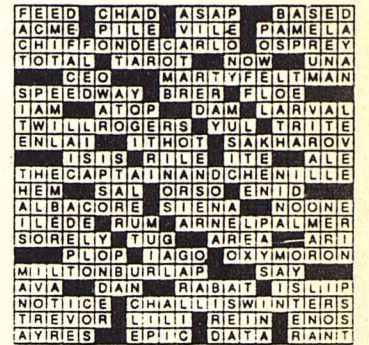

Currently, fewer than 60% of Texas children younger than 2 are fully immunized," Dr. Smith explained. Texas ranks among the last in the United States and is behind many developing nations in providing immunizations against polio, measles, and diphtheria for our children. The problem is not that the resources are not available, it's that many people are unaware of how important it is to immunize our children," he added.

Since Sonora has many children under two years old that are either not immunized or have never completed the

series of immunizations, the Health Department in Sonora has planned a clinic for Saturday, August 13th. This will allow working parents to bring in their children for immunizations--the clinic is for infants and for all school children and includes high school students.

Parents mark your calendars! Immunizations will be provided at little or no cost. Free Dairy Queen ice cream coupons will be given away.

For more information, call TDH at 387-2234 or 387-5720.

## Notice of Public Hearing on Tax Increase

The Sonora Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1994 by 9% (percent). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on August 11 at 12:00 Noon.  
**FOR** the proposal: Gloria Lopez, Preston Faris, Michelle Anderson and Bob Brockman  
**AGAINST** the proposal: None  
**PRESENT** and not voting: None  
**ABSENT:** Sam David Hernandez, Jesse Bustamante and Michael Smith

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on July 28, 1994. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$33,360	\$33,360
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$5,000	\$11,672
Average taxable value	\$28,360	\$21,688
Tax Rate	1.11 <sub>(\$100)</sub>	1.11 <sub>(\$100)</sub> (proposed)
Tax	\$314.80	\$240.74 (proposed)

Under this proposal taxes on the average home would decrease by \$74.06 or 23 1/2 % (percent) compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would not increase. These tax rate figures are not adjusted for changes in the taxable value of property.

## Notice of Public Hearing on Tax Increase

The Sutton County Hospital District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1994 by 8% (percent). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on August 11 at 7:00 P.M.  
**FOR** the proposal: Ray Smith, Lee Bloodworth, Ben Solis, Carol Parker, Dr. Alvis Johnson, Claier Powers and Lewis Allen  
**AGAINST** the proposal: None  
**PRESENT** and not voting: None  
**ABSENT:** None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on July 28, 1994. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$33,360	\$33,360
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	0	0
Average taxable value	\$33,360	\$33,360
Tax Rate	.13724 <sub>(\$100)</sub>	.13724 <sub>(\$100)</sub> (proposed)
Tax	\$45.78	\$45.78 (proposed)

Under this proposal taxes on the average home would not increase. Comparing tax rates without adjusting for changes in property value, the tax rate would not increase.
