PIONEER FAMILIES ANNOUNCED

by Bonnie Lou Campbell

Sutton County Days Association is proud to announce that the Pioneer Families who will be honored this year are George Sutton Allison and Esperidina Luna Castro.

The public is invited to the Pioneer Family reception which will be held in conjunction with the Community Box Lunch, on Friday, August 18.

Please bring your own box lunch and join us on the court House Lawn at 11:30 a.m. There will also be box lunches available for purchase. Tea and cookies will be provided compliments of Sutton County Steak House.

BOOSTERS HOLD FIRST MEETING

The Bronco Booster Club will hold their first meeting for the 1995-96 season Monday, August 7, 6:00 p.m. at American Sales office.

The agenda includes discussion of touching up the yard signs, repainting the hoof prints at Stadium Street, and planning the football kickoff social to be held Friday, August 18 at 6:00 p.m. at Bronco Stadium.

All Bronco Boosters are encouraged to attend and start off this new season with lots of support.

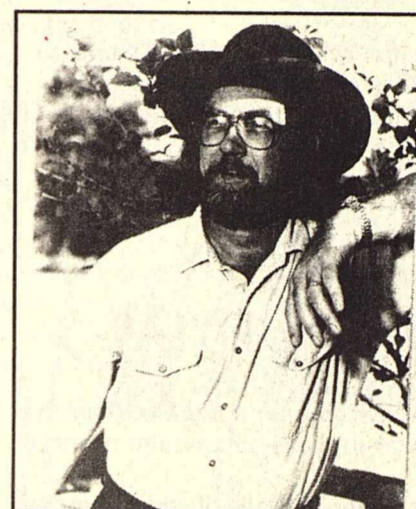

CWDT PRESENTS OL' TIME AMERICANA

The Covered Wagon Dinner Theater will host Ol' Time Americana at the Caverns of Sonora on Saturday, August 5th at 6:30 p.m.

The evening will be hosted by Lewis Allen, an Ol' Time Storyteller, and music will be presented by Olin Murrell, a Folk-Country-Rock-A-Billy, singer/songwriter.

Lewis Allen was born and raised on a ranch south of Junction, Texas. Now residing in Sonora, Texas, he is the Pastor of the Church of the Good Shepherd Presbyterian Church. Lewis is married to Cindy Allen and the father of Will and Andi. Always busy with community activities, Lewis still has time to bring out the good in everyone. Lewis always has a good story on hand about the ranching way of life and what it was like to grow up as a proud Texan.

While Olin Murrell has been writing songs off and on for

more than twenty years, many years spent in radio, interviewing, writing, and storytelling has given Olin the ability to spin poignant tales in verse. Olin doesn't just sing to an audience, he relates, sharing stories of commonality and inviting their participation. The music of Olin Murrell is very rich in American influences, and might be said to represent the epitome of modern folk music. You'll enjoy boogie woogie blues, rockabilly, haunting folk songs, and

touching ballads this evening.

A dinner of Smothered Pork Chops and Oven Fried Chicken, Mashed Potatoes and Gravy, Fresh Green Beans, Rolls, Tea, and Bread Pudding with Bourbon Sauce will be served.

The entertainment is sponsored by the Sutton County National Bank of Sonora.

Sonora Recycling Center - Water Avenue

CITY OFFERS OIL RECYCLING

by Melett Rowland

The City of Sonora is proud to announce the arrival of a used oil recycling station at the drop off recycling center. The center is located on the corner of Water Avenue and East Third. Private citizens who wish to use the facility may do so without the need of assistance. There is a bin for used oil and two barrels in front of the used oil container for oil filter collection. These barrels and bin are located on the Third Street side of the center, beside the used tire recycling area.

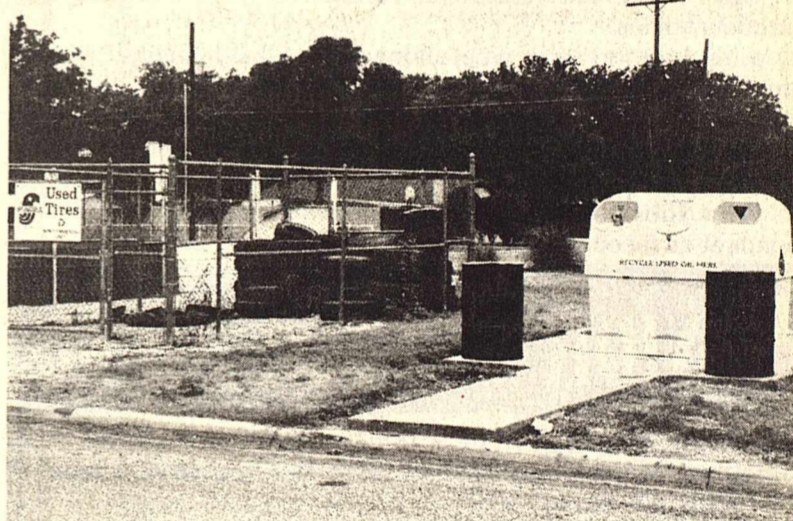

"Used oil recycling has been a requested item at the recycling center for some time," stated Jim Garrett, Director of Public Works. "We are very happy that we could obtain the container and crusher at no cost to the public," continued Garrett. The used oil container and the oil filter crusher were acquired by grant money from the state. Presently, the oil filters are being crushed by city personnel at an off-site location for safety concerns of the public.

The recycling center is well used by the public and this addition should enhance recycling opportunities. The other available recycling bins include aluminum cans, steel (tin) cans, brown glass, green glass, clear glass, and used tires. The city is happy to offer as many recycling alternatives to the citizens as possible. If you have any comments on additional recycling items you would like to see added to the center, please call City Hall at 387-2558.

SR. CENTER NEEDS COMPUTER

The Senior Center is in need of a new computer. According to director, Juanita Mesa, it will cost approximately \$2500 to replace the older machine currently being used. The Center has collected donations in the amount of \$1200 for the purchase of the new computer.

Anyone wanting to help with this project can contact Mrs. Mesa at 387-5657.

FAMILY COUNSEL FORMED

by Tammie Rogers

The Lillian M. Hudspeth Memorial Family Counsel held the first meeting July 13. The meeting took place at the first United Methodist Church.

The following officers were elected; Tammie Rogers, daughter of Mrs. Adelene H. Dietz, president; Nancy Johnson, daughter-in-law of Willie Ruth Meckel, vice president; and Carmen Sanchez, niece of Manuela Monreal, secretary/treasurer.

The members look forward to working with Mr. Goodrich for the benefit of the residents of the nursing home and their family members. Another meeting is scheduled for Thursday, August 17 at 7:00 p.m. at the fellowship hall of the First United Methodist Church. They encourage all interested family members of the residents of the nursing home to attend.

SUTTON COUNTY DAYS QUICKLY APPROACHING

by Sharon Key

Final plans for the 1995 Sutton County Days are underway with the August 18th date quickly approaching. Crafters from Del Rio, San Antonio, Eldorado, San Angelo, and other surrounding communities have requested booth spaces and promise to have a variety of hand crafted specialties for sale. Food booths will once again be manned by local non profit organizations, and these organizations need to be sure and complete a registration form available at the Chamber of Commerce.

Applications for Little Miss and Little Mr. Sutton County are available at the chamber office. Entrants are encouraged to sign up to allow time for pictures to be taken. Out of town judges have been found and are ready to travel to Sonora to join the weekend's fun.

The first Sutton County Fair is well organized by home economist, Kelly Lewis, and all credit goes to her and her office staff at the Sutton County Extension office. The chamber directors appreciate all the time and work involved in planning and coordinating a first time event.

Two final thoughts, is your bed racing team ready for Saturday afternoon on the 19th and have you gotten your advance tickets to the rodeo and dances?

EARWOOD EXHIBITS AT BENEFIT

Local artist, Barbara Earwood, is one of eleven artists that will exhibit their work at the Eleventh Annual American Plains Artists' Benefit Show and Sale. The benefit will be held Sunday afternoon, August 6 from 2:00 to 4:00 p.m. The Art Institute for the Permian Basin will house the exhibit. It is located at 4909 East University in Odessa, Texas.

A public exhibition is scheduled through August 28, 1995. The art can be viewed during regular gallery hours. Other exhibitors are Cliff Cavin of San Antonio, Texas; Jammey Huggins of Seminole, Texas; William Hagerman of Midland, Texas; Nancy R. Jellico of Amelia, Nebraska; Ben Miller of Fluvanna, Texas; Clyde Heron of Odessa, Texas; Ken Rowland of Gardendale, Texas; Fritzi Heron of Odessa, Texas; Marvin Stevenson of Odessa, Texas; and Lovella Todd of Brownfield, Texas.

FBC Youth Programs
Mission Friends, G.A.'s (Girl's in Action) and R.A.'s (Royal Ambassadors) will begin at the First Baptist Church on Wednesday afternoon, September 6th. The church van will pick up children from the schools. For more information, call the church office at 387-2957.

Boosters Kickoff Season
The Boosters will have their first meeting of the 95-96 season Monday, August 7 at 6 p.m. at American Sales office. A football kickoff social has been scheduled for August 18 at 6:00 p.m. at Bronco Stadium.

Apps For Little Miss & Mr. Sutton County Available
Applications for the Little Miss & Mr. Sutton County are available at the chamber office and entrants are encouraged to sign up to allow time for pictures to be taken.

Social Security Representative
Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his August visit to Sonora. He will be at the County Courthouse on Tuesday, August 29th between 9:30 and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Trust Fund Established For Gil Favila
A trust fund has been established by the Favila family for Gil Favila at the First National Bank of Sonora. Gil was the recipient of a heart transplant, and is in need of funds to help defray medical costs. Donations may be made by contacting Jo Ann Jones at the First National Bank of Sonora.

County Fair Catalogs Available
Copies of the County Fair Catalog are available at the Sonora Chamber of Commerce, the Craft Cottage, City Hall, Sutton County Senior Center, County Extension Office, The Devil's River News, the Sutton County Leader, and West Texas Utilities.

The location of the County Fair will be downtown in the old Spains building. The event is sponsored by the Chamber of Commerce.

FOUR SCOUTS WORK FOR EAGLE RANK
by Lewis Allen

Four boy scouts of Sonora's Troop 19 are currently working on their Eagle Scout Service projects. This project is usually the final and certainly the toughest hurdle for a scout to clear on his way to attaining the Eagle rank.

Andrew Dempsey has almost completed work on a wheelchair ramp connecting the lower and upper levels of the property of the Church of the Good Shepherd.

Eddie Maskill repaired cracks, repainted lines, built benches and added pipe barriers at the county tennis courts. The courts are adjacent to the rodeo arena.

Sam "Junior" Odom has repainted and numerated the mail boxes of those requesting this service in Sonora.

Casey Fitzgerald is in the preliminary stages of his project. It includes repairs to the footbridge at Will Carver Park, brush clearance, and general clean-up of park grounds.

BOY SCOUTS ENJOY FAVORITE EVENT OF YEAR

by Lewis Allen

Boy Scout Troop 19 canoed down the South Llano River the weekend of July 29. This is the year-in, year-out favorite event of the Sonora Scouts.

The scouts spent Friday night under millions of stars, camped out on the W.E. Allen Ranch south of Junction. An epic late night capture the flag game topped Friday evening's activities.

The next morning, the scouts got up early, broke camp, fixed sandwiches and were in the river by 9:30. Eight miles and several good swimming holes later, the scouts disembarked from Flat Rock Crossing below Junction.

Scouts who attended were Casey Fitzgerald, Drew and Russell Dempsey, Matt Routh, Will Allen, Alan Nicholas, Chris Weingart, Cody Ainsworth, Ryan Hardgrave, Jerad Shipman, and Brandon Adkins.

Little brothers who went along were David Adkins, Joseph Ainsworth, and Wade Shipman.

Adult sponsors were Wade Fitzgerald, Gary Hardgrave, Tony and Tammy Adkins, Joe Weingart, Gary Shipman, Lewis Allen, and Sandy Ainsworth.

Next Tuesday, August 8, Troop 19 will conduct a Court of Honor at its meeting at 6:30 p.m.

TEXAS PRESS ASSOCIATION MEMBER 1995

Ask The Historical Society

Frank and Frances Hill with four of their children, Willos, Collin, Melvin and Frances in photo taken approximately 1902 by Haskell Studio, Jerome, AZ.

by Jo-Ann E. Palmer, Secretary Sutton county Historical Society

Q. I am researching my family tree and have come up with a Fannie Carver born in Georgia and on census records who disappears from Georgia as a teenager. I think she is the sister of Will Carver buried in Sonora and that she married a Frank Hill from Panola County. Could Will Carver's body be exhumed for genetic testing to see if I am right?

A. You sure did take a long jump from Georgia to Texas in your research especially with no documentation to back up your assumptions. I do not know what happened to your Fannie Carver from Georgia but she is definitely not the sister of the Will Carver who rode with Black Jack Ketchum's Gang and the Wild Bunch.

Census records, family

Bibles, birth certificates, marriage certificates, and death records all clearly show that William Richard Carver was born in Wilson County, Texas, on September 12, 1868. His parents did not come from Georgia. His older sister Frances Emerline/Emerline Carver was born in Comanche County on January 9, 1866. Their mother and father are not the people stated as the parents of the young girl in Georgia. Francis Emerline/Emerline Carver born in Comanche County did marry Frank Walter Hill, of Panola County, on November 8, 1880 in Bandera County, Texas. This Frances/Fannie Hill died on July 26, 1934. From 1882 to 1912, Frank and Frances produced 14 little Hills named George, Alma, Bessie, James, Walter, Martha, Willos, Collin, Melvin, Frances, Floyd,

Theodore, Opal, and Thelma. Frank Walter Hill died on January 17, 1917 in Deer Lodge, Powell County, Montana. The descendants of Frank and Frances Hill are the closest living relatives of Will Carver, as descendants of his full sister since neither of Will's wives gave birth to a live child. Also he did not use his real name when he married his second wife, so she had no legal claims on his estate.

Will Carver's mother did remarry in the 1870's and had six children from her second marriage. These children would be half brothers and sisters to Will, which would make them further removed than Frances' children.

Since we have proof positive from so many different sources that your Fannie was not Will Carver's sister, you would have no case for an exhumation. Also his most immediate living relatives would strongly protest any desecration of his grave. It seems that Will's name was left off his gravestone because so many outlaws' graves had been desecrated by souvenir hunters. His sister wanted him to rest in peace. We feel her wishes should be respected.

We have put our WWII book on the back burner and are editing a book on Will

Carver. It will contain the true facts of the early days of his life, just who really were his parents and many other true facts that have never before been released to the public. Also, this book will have pictures, at least one has never before been released to the public. We just need to get enough money into the general fund to cover printing costs. If you would like to make a donation to the printing fund please send it to the address at the end of the column.

We also have on file, courtesy of Frances' descendants, family group sheets, copies of birth, marriage and death certificates, copies of Bible entries, and letters from Will Carver's uncle and step-father to Frances. This, combined with research done by Donna Ernst, the author of *Sundance My Uncle*, has gone a long way to proving that Will Carver is buried in the Sonora Cemetery and exactly who he was and where he came from.

If you have any questions concerning Sutton County history send them to "Ask the Historical Society" PO Box 885, Sonora, TX 76950-0885 or give us a call at 915-387-5144 or 387-2855 after noon please.

SONORA HIGH SCHOOL REGISTRATION SCHEDULE

Valiant Effort

by Martha Valliant McLain

The heat has many parts of the U.S. in trouble and Sonora has had its share of hot, hot weather. San Antonio has been like an oven, and Dean and I are really looking forward to coming home. We think that Wednesday may be the day that he can leave.

Bridge last week was at Doris Rouselott's home. She served a wonderful, cool meal of tuna sandwiches, fruit salad, potato chips, and cookies. High was won by Carol Love, second high by Celeste Prugel, and bingo by Jo Nell Adkins.

The Caverns program with a Cajun theme was well attended by almost 200 people. The crowd ate their fill of Gagneaux cooked crawfish. This week will be Ol' Time Americana, and lots of fun. Try to attend. You will have a good time.

Doris and Norm Rouselott were in San Antonio for a visit last weekend. It really was nice to have them. We saw the movie, *Braveheart*, and loved it. It is a bit bloody (war is bloody) but the story is so moving that you can ignore the gore. It is a story set in the 1200's in Scotland. The scenery is magnificent. The movie is over three hours, which usually makes me have trouble sitting, but I didn't check the time once. If you are Scottish or named Wallace, Campbell, or any of the grand old Scottish names, you will love it.

On Friday, we ate Thai food and went to see *Evita* followed by a performance of *Three Divas and a Deb*. *Evita* is a wonderful community theater production being done at the Josephine Theater. Following the performance, three of the best voices in San Antonio accompanied by Debbie Mayes, presented an hour of wonderful music. They do show tunes and many old numbers such as "Bugle Boy of Company D" and "Moon River".

Sergeant Manuel R. Villanueva, his wife Catherine and their daughter Cathy May, will be in Sonora for a week visiting with family. Manuel is in the U.S. Marine Corps stationed in California. He is the son of Manuel and Reta Villanueva.

If you are in Sonora, you will be approached by one of the candidates for Sutton County Days Queen contest. They sell tickets to the rodeo, and it is a factor in the selection of the queen. Even if you don't attend the rodeo, you should contribute to the contest. Ticket sales help keep the rodeo going, and it is an important economic factor in Sutton County.

Since I am in San Antonio for a while, I am up on the news here. The new Bexar County Library is painted a glowing red. In the contest held to name the color, it was decided that the color was enchilada red. Unfortunately, the wrong kind of paint was used. They must not have had a Joe Lane looking over the job. The paint used is fading in the hot South Texas sun. The paint was not what was required by the plans. The building is already becoming a mottled color of red fading to orange and yellow. In spite of the fight over who is responsible, the library has been most successful. Usage has been up over 80% over last year. This is remarkable in library circles. Hopefully, our library will generate higher usage when it is completed. We won't have to worry about fading paint as they did. The local rocks will always be beautiful. If you have not contributed to the building fund, please consider a gift. Money is still needed for shelves and furnishings.

The Folk Life Festival in San Antonio is always fun. The local gun smith, Jim Stephen will be showing his work and demonstrating gun making. Monte Jones will be telling stories as Biscuits O'Bryan. If you have a chance, take your kids and go see the Folk Life Festival.

EMERGENCY TIPS

by Donna Keese

An emergency has just occurred. What do you do? First, remain calm; then, take a quick survey of the situation.

Second, call 9-1-1, so the ambulance can be alerted. When the dispatcher answers the phone give them the following information:

Your name and the phone you are calling from.

Type of emergency. For example, a wreck, heart attack, etc.

Location of the emergency. For example, the address, place of business, etc. Also, give any other information which could help the responding ambulance pinpoint the location, such as across the street from..., or mile marker number..., etc.

Number of people injured.

Do the injuries appear serious?

Is other help needed: For example, is fire equipment needed (spilled gasoline, threat of a fire) or is the rescue truck needed for trapped or pinned victims? Or does the electric company need to be notified for downed wires, etc.

Everyone that needs to be alerted during an emergency can be by calling 9-1-1. Do not take time to do it yourself. Just give all the necessary information to the dispatcher, and it will be taken care of.

After giving the dispatcher the above information, stay on the line to see if further information is needed. The dispatcher will tell you when to hang up.

After following the above steps, return to the victim and do the following;

Keep the victim calm by talking to them and telling them help is on the way.

If possible, cover the victim with a blanket or sheet to keep them warm.

If the person is unconscious, maintain an open airway by gently tilting their head backward. Do not place any object under the victim's head such as a pillow. Also, take time to learn CPR before an emergency occurs.

If possible have someone meet the arriving ambulance personnel at the door or street curb to direct them to your position.

What other things should you not do?

Do not move the victim unless it is a life threatening situation. For example, possible explosion or fire caused by spilled gasoline.

Do not leave the scene once you have arrived.

Do not remove any broken glass or other penetrating foreign object from the victim, and do not apply any pressure to these areas. Control bleeding by applying pressure above the wound site.

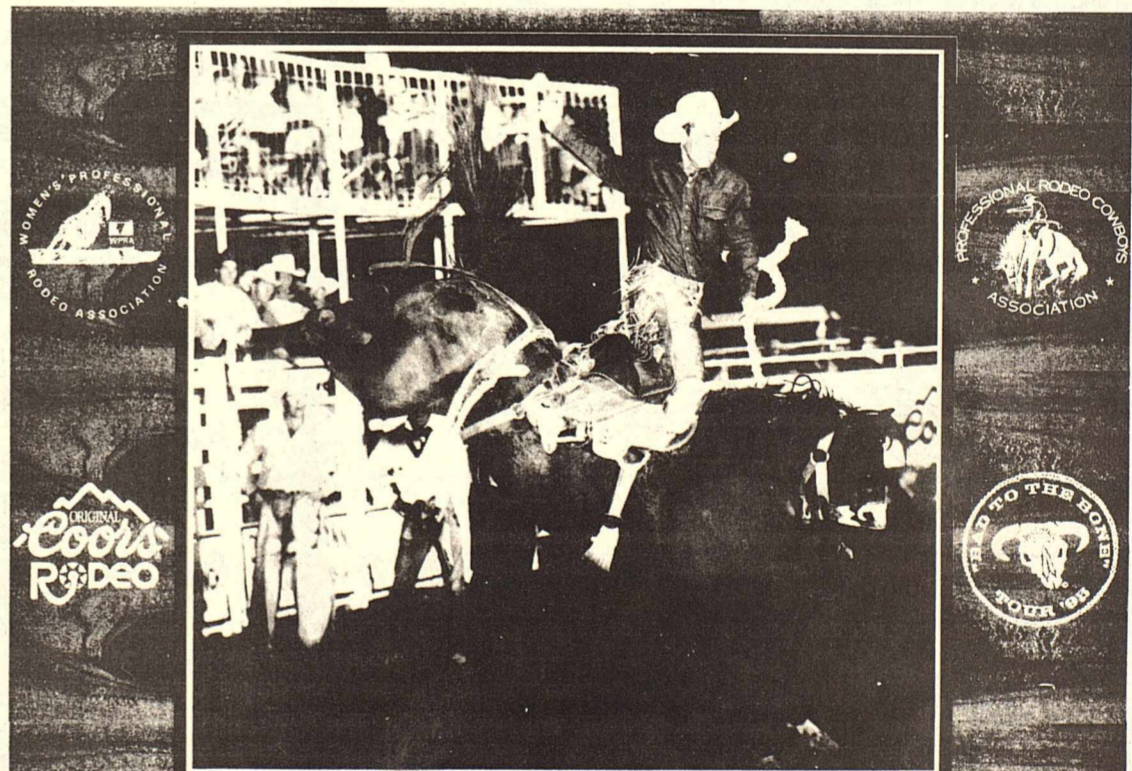

Do not apply any first aid to the victim, if you are not sure of what you are doing. In doing so, you may further injure the victim.

The Sutton County EMS is looking for volunteers, if interested please call 387-5132 or come by 211 East Third. We will be having an Emergency Care Attendant course in the fall.

SONORA WELCOMES 4MY TEEN

4MY TEEN, is a teen driver's monitoring service. The parents register their teen drivers with 4MY TEEN and provide their driving teen's name and vehicle information. This information is entered into the 4MY TEEN data base and the parents are provided with a bumper sticker which reads "How's my driving - Call 1-800-4MY TEEN". The bumper sticker is placed on the teen's car, and the report of driving compliments or complaints are encouraged.

As teen driving compliments or complaints are received at the 800 hot line, information is entered into the data base, matches are made and a report is generated describing the compliment or complaint. The information is then forwarded to the parents of the teen. Parents can then take what ever action they deem appropriate.

Cost of registration in the program is \$25, and the teens driving will be monitored for one year. A portion of the proceeds is placed in a scholarship fund. Teens who receive driving compliments, or go the year with 3 or less driving complaints are eligible to compete in a drawing for a cash scholarship at the end of the year.

The 4MY TEEN program was founded by Tom Deats, an Arlington Police Officer, and is celebrating its first year in service. Officer Deats says "citizens in our community often complain to me about teen drivers, I can do little to help them unless the offense occurs in my presence or view." He adds, "4MY TEEN allows the citizens a means of reporting dangerous teen driving behaviors, and teen driving compliments, to the people who need to hear it the most, the parents."

There are currently over 200 teens participating in the program, some in Sonora. Deats has surveyed teen displaying the bumper sticker and received this response from the majority of the teens, "it makes me paranoid, it makes me think." Deats says, "If that's what the program is doing, then it is working." Deats reports receiving six times as many driving compliments as complaints on teens displaying the 4MY TEEN bumper sticker.

Judge Maxine Locklin, Municipal Court Judge in Sonora has taken an innovative approach and adopted the program in her court as an alternate sentencing program. As teens are seen in her court for traffic violations, they are given the opportunity to join the 4MY TEEN program and have their citations dismissed as part of the court's differed adjudication program. Judge Locklin wants to see the program active in her community and used by teen drivers before they get to her court.

Officer Deats invites PTA's, church youth groups, school booster clubs, drivers education programs, new car dealerships, insurance companies, and any one interested in the safety and welfare of our driving teens to participate in the program.

Officer Deats says, "If the display of the 4MY TEEN bumper sticker prevents just one teen driving accident, injury, or death, then it's the best \$25 a parent could spend on their driving teen."

WILLARD NAMED EXECUTIVE SECRETARY OF TS&GRA

Zane Willard, 24, has been named as executive secretary of the Texas Sheep & Goat Raisers' Association, replacing retiring Senator Bill Sims. His appointment by the TS&GRA officers was officially confirmed at the 80th Annual Convention in San Angelo July 20-22, 1995. Sims served as executive secretary of the association for 29 years.

Willard, son of Ervin and Wanda Willard of Uvalde, graduated from Texas A&M University in 1993 with a degree in Agriculture Economics. Prior to joining TS&GRA in 1994, he served an internship with Congressman Charles Stenholm and as an administrative assistant to Dr. John Abernathy, resident director of the Texas Agricultural Experiment Station in Lubbock, coordinating agriculture summit meetings across the state. The purpose of the summits was to unite stakeholders from agribusiness, environmental interest groups and consumers, as well as local, state and national elected and government officials.

Taking over the reins from Senator Sims, Willard's primary responsibilities will include working with producers and wool and mohair warehouses and assisting the officers in coordinating Texas' promotion and legislative efforts with programs on the state and national level.

TS&GRA ELECTS NEW OFFICERS

T.J. Jarrett, son of Violet Miers Jarrett and the late Ed Jarrett, was selected as president of the Texas Sheep & Goat Raisers' Association at the 80th Annual Convention in San Angelo July 22, 1995.

Jarrett was born in Del Rio, Texas and attended Del Rio schools. He attended Principia College for two years and graduated from the University of Texas in 1960. He served in the Air Force Reserve and commenced ranching in Del Rio on the Miers Dos Primos Ranch with his cousin, F. H. Whitehead, Jr. He also ranches on the Jarrett River Ranch.

He is married to the former Judy Halsell, and the couple has two children, Thad Joel Jarrett and ViVi.

Jarrett has served on the boards of Del Rio Wool and Mohair, Del Rio Bank and Trust Co. and the Foundation Beefmasters Association. He also participated in the Ram Progeny Test at Sonora. He served for a number of years as vice chairman of the Natural Resources Committee of the Texas Sheep and Goat Raisers' Association and as a delegate to the American Sheep Producers Council. He has also served on the board of the Christian Science Church in Del Rio and also as a reader.

DA Harral, 39, 4th generation rancher from southeastern Pecos County, was elected first vice president of the Texas Sheep & Goat Raisers' Assn. at the 80th annual convention in San Angelo July 22.

Harral, who raises Rambouillet sheep, Angus and Black Limousine cattle, is the son of W. Alpheus and Peggy Harrall of Ft. Stockton. He is married to the former Angela Schaefer of Midland. They are the parents of four children - Mark, Christi, Kati and Calli.

DA grew up in the Ft. Stockton area and graduated from Ft. Stockton High School in 1974. He graduated from Texas A&M in 1978 with a degree in Agricultural Economics. From 1978-80 he worked as a assistant trust officer in the Trust/Oil and Gas Department of the First National Bank of Midland. From 1980-85 he worked on the family ranch during the week and served as Director of Youth Ministries of the First United Methodist Church of Midland. He and his wife moved to the ranch permanently in 1985, ranching in partnership with his mother and father in southeastern Pecos County.

He is a director of the Pecos County Farm Bureau, Director of the Trans Pecos Soil & Water Conservation District, an intermediate level Emergency Medical Technician and associate member of the Ft. Stockton Emergency Medical Service.

He was elected a TS&GRA director in 1985, serving as vice chairman of the Wool & Mohair Marketing & Promotion Committee for four years. He became chairman of the Natural Resources Committee in 1989.

DA commented that he felt very strongly about serving the Association and the industry even with the responsibilities of a young family because of the factors facing the ranching industry today. "If we don't all become involved in deciding the future course of the sheep and goat industry, we may see our way of life become a thing of the past."

Tim R. Turner of San Angelo was elected Second Vice President of the Texas Sheep & Goat Raisers' Association at the 80th Annual Convention in San Angelo July 22.

He received his Bachelor of Arts Degree in Finance from Texas A&M University in 1974 and his Doctor of Veterinary Medicine degree from Texas A&M in 1977.

Turner is a fifth generation ranchman who raises Rambouillet sheep, cattle and meat goats in Tom Green County. He is a partner in Turner Ranch Co., Water Valley, TX and is president of Southwestern Livestock Mineral Co. in San Angelo. He served as chairman of the TS&GRA Health and Product Development Committee from 1988 to date. His father, Percy R. Turner, served as TS&GRA president in 1975-1976.

Turner is active in both civic and agriculture organizations. He is a member of the board of the Texas Feed & Fertilizer Control Service, director of the National Live Stock & Meat Board and the American Sheep Industry Association and president of the West Texas A&M Club.

In addition, he is currently president of both the Santa Rita Elementary and John Glenn Junior High PTA and is active in Sierra Vista Methodist Church. He is married to the former Judy Dowling, and they have two daughters, Tara and Amanda.

EMERGENCY FARM LOAN

APPLICATIONS BEING ACCEPTED

submitted by U.S. Department of Agriculture, RECD

Applications for emergency farm loans for losses caused by drought are being accepted at the Rural Economic and Community Development office located in Eden, Texas, according to RECD County Supervisor, Fred J. Greenway.

Sutton County is one of eight in Texas recently named by Secretary of Agriculture, Dan Glickman, eligible for loans to cover part of actual production losses resulting from the drought.

Fred J. Greenway said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an RECD emergency loan," Greenway said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until January 26, 1996 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly run over into the new farming season," said Greenway.

RECD is a credit agency for the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The RECD office in Eden is open from 8:00 a.m. to 5:00 p.m. Monday through Friday. For more information contact Fred Greenway at Box H, Eden, Texas 76837 or call 915-869-3941.

CITY COUNCIL MET

The City Council met on Thursday, July 20th at City Hall. The meeting was called to order by Mayor Margaret Cascadden at 9:02 a.m., with all councilmembers present.

Sharon Key presented the council with the Sonora Chamber of Commerce Quarterly report. She stated that the Sonora billboards have been painted, but that the trees surrounding them needed to be trimmed so they can be seen. She also invited anyone to participate in the bed races during Sutton County Days. She stated that the beds will be provided for anyone who wishes to enter.

Mike Routh was granted permission to build a carport. John Yeager of Circle S Automotive requested permission to operate a paint and body shop in his auto supply store. The request was tabled until state and local requirements were investigated. Dedra and David Jennings requested a special use permit to operate a photo studio and travel agency. Permission was granted. The council stated that an ordinance revision will be necessary for parking in front of the building, due to an ordinance restricting parking for library use. Chief of Police Brent Gesch granted permission parking until the revision of the ordinance.

The council voted the depository of restricted funds into TexPool. Bids were also presented by First National Bank of Sonora and Sutton County National Bank.

An ordinance was passed amending the occupancy (hotel/motel) tax rate from 4% to 7%.

An ordinance amending Chapter 2.1, Advertising also passed. Action was tabled concerning the parking prohibition on a portion of College Street between Crockett Avenue and Tayloe Avenue and the first fifty (50) feet of Tayloe Avenue east of College Street.

A resolution to establish the fair market value for the acquisition of the easement of the water well and booster station of a 2.637 acre tract belonging to Jane Cooper and Nancy Law was discussed. Action was tabled until a budget modification is made.

The final reading of an ordinance amending Chapter 3, Airport was read. The first reading of an ordinance amending Chapter 13, Nuisances was read, and the final reading of an ordinance amending Chapter 4, Amusements was read.

Authorization was granted to City Manager Kelly Carta to sign continuing contracts with Concho Valley Council of Governments and Texas Department of Human Services in connection with Senior Citizen operations.

Mr. Carta stated that the General Telephone and Electric of the Southwest franchise agreement is still in the negotiation stages. He stated that he had sent a revised contract to GTE, and is waiting to hear back from them.

Department head reports were given by all department heads in attendance.

City Attorney Beth Wallace stated that the city needed to draw up job descriptions for all city employees to meet ADA requirements.

Mr. Carta presented the City Manager report. He stated that the budget is being verified with all department heads.

The City Council then went into executive session to discuss duties of the city manager.

Upon reconvening from executive session, the meeting was adjourned.

CHOIR PREPARES FOR NEW SEASON

submitted

Eleven high school choir students will get a head start on their 1995-96 All-State audition music this week. The students will be attending a choir camp beginning Monday, July 31 and ending Thursday, August 3. The camp is designed to help the students learn the difficult audition music, work on basic singing technique, and also have some fun. All of the students are thankful for everyone that helped them raise the funds to pay for camp expenses.

The Sonora ISD choirs are looking forward to a great school year. The high school choir alone will have more than forty students. The choirs will be performing a wide variety of music ranging from popular arrangements to music thousands of years old. The director of choirs, Frank Conlon, stated about the upcoming school year. "One thing that you can count on from our choirs is quality. We are constantly striving to be among the strongest choir programs in the state. If you haven't given our concerts a try, I urge you to give us a chance. I believe that you won't be disappointed."

On a more urgent note, the choir program is desperately looking for someone to accompany the junior high choirs and assist with the high school accompanying. The position would require that the accompanist attend the choir class two to three times a week. However, there is a lot of flexibility with this requirement. In addition, they need the accompanist to perform at concerts. The position pays a small amount per hour. If you think that you may be interested, please call Frank Conlon at 387-6128, please leave a message if you get the answering machine. Even if you feel like you could help out but not so consistently, please call and discuss it with Mr. Conlon.

TEXAS JUNE OIL AND GAS STATISTICS

Permits To Drill

The Commission issued a total of 996 original drilling permits in June compared to 1,160 in June 1994. The June total included 719 permits to drill new oil and gas tests, 40 to re-enter existing well bores, and 237 for re-completions.

Total drilling permits issued in 1995 year-to-date is 5,635, a six percent increase from 5,286 issued during the same period of 1994.

Permits issued in June included 423 oil, 201 gas, 329 oil and gas, 41 injection, and two other permits.

The San Angelo area had 136 permits to drill oil and gas holes, second to the Midland areas 179 permits. San Angelo also received 44 oil completions, second to the Midland areas 125, and had the most gas completions, with 69.

Sutton County's total total gas production for June was 5,961,701 Mcf. The total crude oil production was 1,846 barrels.

Oil And Gas Completions

In June operators reported 346 gas, 393 oil, and 40 injection and other completions, compared to 338 gas, 327 oil, and 34 injection and other completions during the same period of last year.

The total of well completions recorded for 1995 year-to-date is 4,242, a six percent increase from the 3,968 recorded in 1994.

Operators reported 540 plugged and 96 dry holes in June, compared to 1,484 holes plugged and 126 dry holes reported during the same period last year.

April Crude Oil Production
