ATTENTION ALL EX-BRONCO FOOTBALL PLAYERS that played under Coach Hopkins and/or Coach Snodgrass. Jerry Hopkins and Bob Snodgrass will be two of the honorees. We would like to have as many as possible of the former State Championship players who played under these two coaches to attend Homecoming. Please mark your calendars and make every effort to attend. We know you will enjoy visiting and reminiscing with both of these coaches and all of your former teammates. Remember, if you are not there, someone else may take credit for all of your "great plays"! Go Big Red!

Sheriff's Office Continues Fight Against Drugs

submitted
Sheriff Joe Fincher announced today that his office is continuing the fight against drugs in Sutton County. Sheriff Fincher stated that on Tuesday, September 18, 2001, at approximately 3:15 AM, Deputy Jodie Harris stopped a 1998 Chevrolet for a routine traffic stop 16 miles South of Sonora on Highway 277, and found nearly a pound and a half of suspected cocaine taped to the leg of a person in the vehicle.

Sheriff Fincher stated Deputy Harris arrested Pablo Hernandez, age 23, of 1012 Culberson in San Angelo and charged the subject with possession of cocaine, with intent to distribute. The subject is currently in the Sutton County jail under \$20,000 bond. Sgt. Nick Richter and DuWayne Castro of the Rio

Green Thumb Promotes Older Worker Week in Texas

Waco, TX - Each year Green Thumb, Inc. promotes Hire the Older Worker Week which spotlights seniors and the contributions they bring to the labor force. During this week, employers are encouraged to recognize the rich potential seniors bring to the workplace and to profit from their broad experience and strong work ethics.

According to Diane Cowan, Green Thumb Program Director, "During this important week, September 23 - September 29, let us focus upon the important contributions of our senior workers. Already we see in this century, an ever increasing demand for skilled workers. We must retain qualified older workers currently in our labor market and give other older job seekers the opportunity to prove themselves. Hiring experience, dependability, reliability and dedication is just good business."

Since 1965, Green Thumb, Inc. through its Senior Community Service Employment Program has provided seniors with training and part-time employment opportunities, which allow for transition back into the mainstream.

Funded through the U.S. Department of Labor, the program serves primarily rural areas in 132

3 CEU's Offered at Predator Awareness Seminar

Submitted
On Tuesday, October 2, 2001 there will be a Predator Awareness Seminar at the Sutton County 4-H Community Center. Registration will begin at 8:30 a.m., the Seminar will begin at 9:00 a.m. and conclude at 12:00 noon. There will be several speakers including wildlife specialists and government trappers, and those in attendance will receive three (3) CEU's for their private pesticide applicator's license.

The Edwards Plateau Soil & Water Conservation District will provide coffee and donuts during registration. Also at this time, there will be an election for Director of Zone 5 of the Edwards Plateau SWCD.

Green Thumb workers for the Sonora area are: Lucy Ramos who works at the Sr. Center, Victoria Romero who works at the Head Start & the Senior Center and Barbara Urbanski who works at the Sonora Schools and the Library.

Texas counties. Green Thumb gives older, economically-disadvantaged job seekers the opportunity of sharing their years of experience, hard work, and dedication through work assignments in locally-based organizations. Through their participation the seniors maintain their independence as productive contributors to

their communities and profit from job-skills training which allows for transition back in to private sector employment.

For more information regarding senior employment and training opportunities, contact Green Thumb, Inc. P.O. Box 7898, Waco, TX 76714, 254-776-4081.

PROCLAMATION

During this new century, Texas must continue to conserve and nurture our natural resources. One of our most valuable resources is the senior workforce. Seniors bring to the workplace sound judgment, broad knowledge and experience, and a strong work ethic. Seniors want to remain as active partners in the mainstream of our state's economic and social development.

Texas must intensify our efforts in support of our older workers by investing in their resourcefulness and talents. Seniors have the energy and motivation to compete in today's fast-paced work environment and we must give them the opportunity to share their years of experience, hard work, and dedication.

Since 1965, Green Thumb, Inc., through its Senior Community Service Employment Program, has provided seniors with training and employment opportunities to showcase their strengths, their wisdom, and their productivity.

Lions Club Auction Raises Money While Having Fun

The Sonora Downtown Lion's Club would like to thank the businesses and individuals that donated items to our 64th annual Lion's Club Auction. The club would also like to thank the businesses and individuals that purchased these items. The auction started off with a catered meal from the Sutton County Steak House. Then after the meal was served the club shared a patriotic slide tribute to those who lost their lives due to terrorism. Following the slide show the auction started. Between the items being auctioned off. Both auctioneers, Preston Faris and Trey Rushing, kept the evening full of entertainment. Through the evening the club raised over \$8,000.00 dollars to help support their projects in the community. The mystery package was one of the highlights of the evening as usual; a very faithful supporter of the club purchased the package for \$1,500.00. If you missed the auction and would like to make a tax-deductible donation to the club, please stop by the Bank and Trust. Again-thank you Sonora for your support.

State Reaches CHIP Enrollment Goal In 18 Months

AUSTIN - Gov. Rick Perry today applauded the TexCare Partnership for reaching its goal of enrolling 428,000 children in the Children's Health Insurance Program (CHIP). The enrollment goal was reached in just 18 months.

"When we created CHIP in 1999, few thought Texas could reach its goal of enrolling 428,000 children," Perry said. "We not only reached our goal, we reached it faster and more effectively than any other state."

"The Children's Health Insurance Program means that hundreds of thousands of Texans can sleep better at night knowing that our state's most precious resource - our children - have health coverage," Perry said.

"CHIP enrollment success is due, in large part, to those schools, community-based organizations, faith-based organizations, and countless individuals around the state that successfully joined together to make Texas parents aware of affordable children's health insurance through the TexCare Partnership," Perry said.

CHIP is a national program designed for families whose income disqualifies them for Medicaid, but cannot afford commercial insurance. The State of Texas developed the TexCare Partnership to raise awareness of new children's health insurance options and to help Texas families obtain affordable coverage for their uninsured children (from newborns through age 18).

CHIP offers a comprehensive benefits package with a full range of coverage, including regular check-ups, immunizations, prescription drugs, eyeglasses, lab tests, X-rays, hospital visits, dental care and men-

tal health care - from a broad choice of doctors.

In addition to success with CHIP, Perry noted that the recently completed legislative session expanded Texans' access to quality health care. He pointed out the Medicaid funding increased by \$4 billion, funding for CHIP increased by \$935 million, and funding for new rural and border health care priorities was also secured.

The Medicaid enrollment process in Texas was also simplified, making it easier for hundreds of thousands of additional children to be insured and to get routine and preventative health care.

"Between Medicaid simplification and the Children's Health Insurance Program, our young Texans will receive the care they need when they need it," Perry said.

AFFORDABLE CHILDREN'S HEALTH INSURANCE

For only \$18.00 a month you can provide all your children with medical, dental and eye care!!! Children newborn up to the age of 18 years old will qualify! Children with pre-existing conditions will be accepted. Programs offer a choice of doctors. For local information and assistance or to pick up an application please contact:

Be Cautious of Bacterial Meningitis

What is meningitis?

Meningitis is an inflammation of the covering of the brain and spinal cord--also called the meninges. It can be caused by viruses, parasites, fungi, and bacteria. Viral (aseptic) meningitis is common; most people recover fully. Medical management of viral meningitis consists of supportive treatment and there is usually no indication for the use of antibiotics. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

There are two common types of bacteria that cause meningitis:

- * Strep pneumoniae causes pneumococcal meningitis; there are over 80 subtypes that cause illness
- * Neisseria meningitidis - meningococcal meningitis; there are 5 subtypes that cause serious illness - A, B, C, Y, W-135

What are the symptoms?

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 1 year old) and adults with meningitis may have:

- * Severe headache
- * High temperature
- * Vomiting
- * Sensitivity to bright lights
- * Neck stiffness, joint pains
- * Drowsiness or confusion
- * In both children and adults,

there may be a rash of tiny, red-purple spots or bruises caused by bleeding under the skin. These can occur anywhere on the body. They are a sign of blood poisoning (septicemia), which sometimes happens with meningitis, particularly the meningococcal strain.

How serious is bacterial meningitis?

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability, such as deafness, blindness, amputations or brain damage (resulting in mental retardation or paralysis) even with prompt treatment.

How is bacterial meningitis spread?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as when kissing; sharing drinking containers, utensils, or cigarettes).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks or even months. Being a carrier helps to stimulate your body's natural defense system. The bacteria rarely overcomes the body's immune system and causes meningitis or another serious illness.

What is the risk of getting bacterial meningitis?

The risk of getting bacterial meningitis in all age groups is about 2.4 cases per 100,000 population per year. However, the highest risk group for the most serious form of the disease, meningococcal meningitis, is the highest among children 2 to 18 years old.

How can bacterial meningitis be prevented?

Cards of Thanks

The powerful foundations of family history, lifelong friendships, and shared loving memories magnify not only what we have in common but also the inevitable.
As we look back over our lives we discover that everything we've gone through with our loss has helped to create an unbreakable lifelong connection.
Most of all, we realize how much more beautiful our lives have been because of Nanny (Minnie).
Thank you family and friends for your generosity, love, and moral support during this past summer. Your acts of kindness shall never be forgotten.

Peace and love always!

Thursday night, the 1 and 2 JV Broncos played host to the JV Bucks from Alpine. Our JV team won last week at Brady and were hoping to continue its winning ways. Even though they played an outstanding game, the larger and more speedy 3A Bucks won the game 26 to 14. Due to the poor condition of the audio tape (excessive wind noise), we do not know who scored the first Bronco TD and cannot give our usual description of the game. The Bucks received the opening kickoff. The Broncos immediately started out in a hole as the Bucks hit a wide open receiver over the middle for an 80 plus yard touchdown. The Bucks' PAT was blocked by the Broncos and the Bucks led 6 to 0.

Diego Cardona took the Buck kickoff and gave the Broncos good field position. The Broncos moved steadily down the field with good runs by Stetson Perez and Shaun Ramos. On fourth down, Perez took the pitch for twenty plus yards to the one yard line. The two point conversion was good from Chris Martin to Perez. The Broncos led 8 to 6.

7th Grade Colts Beat Reagan County

Submitted

The Sonora Colts 7th Grade football squad blanked their opponent for the second straight week. This time it was Reagan County that fell to the mighty Colts. Led by the powerful running of Agustin Vaquera, the Colts charted 263 total offensive yards. The Colts received the opening kickoff and started at their own 35 yardline, but it did not take long to score. Behind an explosive offensive line consisting of C.D. Lipham, Austin Castaneda, Alex Perez, Marco Jimenez, and Travis Valliant. Vaquera took the pitch from Caleb Ramos and ran practically untouched for 65 yards for the touchdown because of key lead blocks by Justin Northcott and Ramos. The two-point conversion failed, but the quick score set the pace for the remainder of the game. The Colts would not score again until the second quarter. The Colts got the ball back after Alex Perez blocked a punt on the Reagan County 24 yardline. The second score was a 24 yard pass from Ramos to Lito Trevino for the touchdown. On the play, Ramos had plenty of time to get the ball off because of the great pass protection of Luis Lira, Lipham, Valliant,

the lead at half time 14 to 6. The Bucks' quarterback was basically unstoppable on the drive.

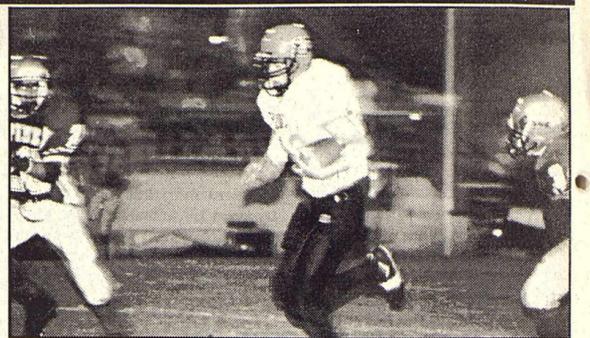

The Broncos took the second half kickoff. The JV put together their best drive of the season as they took almost the entire quarter to drive the field and even the score at 14 to 14. Chris Martin made some incredible runs and the Bucks were called for unnecessary roughness several times.

The larger Bucks were able to control the fourth quarter. They scored twice and won the game 26 to 14.

Wilson Wallace makes a diving tackle against the Bucks.

Perez, and Castaneda. The two-point conversion was a pitch to Vaquera around the left end to make the score 14-0 early in the second quarter. The Colts would get the ball back after a mighty defensive stand on the goal line. This time the Colts Offensive attack would take over at their own 5 yardline. Just as before, the Colts struck quickly. Vaquera took the pitch from Ramos off the left end and received essential blocks from Dustin Duhon, Trevino, and Jimenez to go 95 yards for the touchdown. Justin Northcott caught a 3 yard pass on the 2 point conversion to make the score 22-0. After the half, the Colts came close to scoring again after Pedro Gloria received a pass from Ramos and went 58 yards into the endzone. That play would be called back because of a penalty. In the 4th quarter, Robert Guerra would be joined by Ruben Mendez and Jose Casillas in the backfield. With the help of Castaneda, Marc Hernandez, Robert Lozano, Justin Zuniga, Shane Love, and Ryan Martinez, the Colts sustained one last drive that ended before any more points could be added to the score board by the time the clock ticked down to zero. For the game, the Colts rushed for 236 yards, 206 of which came from Vaquera. Ramos passed for 27 yards and one touchdown. The Colts were equally impressive on the defensive side of the ball. Led by the relentless pursuit of Ruben Mendez, the defense was impenetrable. Mendez had 9 tackles and a sack followed by Vaquera with 8 tackles. Trevino had one pass break up and 4 tackles, along with Casillas. Ramos and Duhon each had 3 tackles followed by Northcott, A. Perez and Gloria each with 2 tackles. Rudy Sanchez, Abraham Rivera, Armando Noriega, Evan Gulley and Guerra ended the game with one tackle a piece. The Colts will bring their 2-1 record back to Sonora, where they will try to stampe over the Winters Blizzards this Thursday. The Colts are gaining steam and Thursday night will be a fun one for all football fans.

#33 Chance Armke gains yardage for the Broncos against Alpine.

Broncos Dominate Bucks

by Tryon Fields

Facing the undefeated 3A Alpine Bucks last Friday, the Broncos had a tough test in front of them.

Having had some trouble putting two games back to back; everyone was not sure how the Broncos would respond. The Bucks coming into this game averaging over 300 yards of offense and 34 points per game and only having given up 7 points would be a formidable foe. The Big Red Machine responded on both sides of the football; scoring 28 points, gaining 318 yards (244 rushing, 74 passing), and limiting the Bucks to 83 total yards and only 7 points. The Bronco Express is back on track!

Winning the toss; the Broncos elected to receive the opening kickoff.

Landon Brockman, an upback for the Broncos, fell on the opening squib kick to give the Red Hosses excellent field position at their forty-six. William Renfro and Sean Fields averaging five yards a carry and Scottie Moore connecting with his go to receiver Emmanuel Lopez for six yards, the Bronco offense would steadily move the ball to the Alpine twenty-eight. At the twenty-eight, Moore would take a five step drop and behind excellent protection; would loft up a perfect pass to Bronco wide receiver, James Elliott. Elliott would cradle the pass in as he crossed the goal line for the Broncos first score. Stetson Hall would boom his kick through the uprights to give the Red Hosses a seven point lead with eight minutes and fifty-three seconds showing on the first quarter game clock. On the ensuing kickoff, the Bucks would start at their own sixteen after an illegal blocking call. Unable to move the football on their first possession, the Bucks resorted to the quick kick in hopes of pinning the Broncos back. Instead the Broncos would have excellent field position at the Bronco forty-one. Alpine's defense rose to the occasion and forced the Broncos to punt after three downs. Bronco punter, Scottie Moore, boomed a thirty-seven yard punt to pin the Bucks inside the twenty at the Alpine seventeen. Using a multiple offensive scheme; Buck quarterback, D.T. Dominguez, would use his running backs; George Keller, Henry Lara, Ian LeBlanc, and throw passes to Keller, Robert Rodriguez, and Anthony Ramon to move the pigskin into Bronco territory at the Bronco forty-five. Faced with a fourth and seven; the Bucks elected to go for it. Trying to catch the Broncos off guard, the Bucks resorted to trickery. On the reverse to Robert Rodriguez, Red Hoss defensive lineman, Israel Arevalo, would smell it out and drop Rodriguez for a seven yard loss. The Bronco Express is back in business at the Alpine forty-eight. The quick strike offense of the Broncos would only need five plays and a minute and fifty-three seconds. Short runs by Renfro and Fields; and a short pass to Lopez would move the ball to the Buck twenty-eight. Student body left - with Sean Fields out in front, taking care of the cornerback, William Renfro would have very little trouble in sprinting the twenty-eight yards to pay dirt. The PAT by Hall would make the score with no time showing on the first quarter game clock: Broncos 14 - Bucks 0.

thirty-five. Faced with a third and long, Renfro would suffer the Broncos first turnover, as he would loose the handle after some very hard hitting by the Bucks. The Bucks quarterback, D.T. Dominguez, would return the favor on Alpine's next possession. This time the turnover would be in the form of an interception.

Bronco defensive back, Dustin Martin, would collect the errant pass at the Bronco thirty-eight. It would only take twenty-one seconds before the Bronco quarterback, Scottie Moore, on a tremendous hit by Buck defender, Teryn Muench, would cough up the ball. Buck defensive end, John Navarrete, would recover the fumble at the Bronco thirty-two. It would take the Bucks nearly two minutes to cover the yardage needed for a touchdown. A very aggressive Bronco defense led by Thomas Bloodworth, Beau Hughes, James Elliott, and Sean Fields gave up ground grudgingly. But the Bucks were not to be denied. On a third and eight at the nine; the power running of Henry Lara would give the Bucks their only score of the game. John Navarrete would add the PAT to cut the Broncos margin by seven. Broncos 14 - Bucks 7. With only thirty-four seconds left in the half, the Broncos would try to get with-in field goal range. Two runs and two passing attempts would prove to be fruitless against a now energized Buck defense. The half would end with the Broncos in the lead 14 to 7.

Defense was the name of the game in the third quarter. The Broncos led by Stetson Hall, Beau Hughes, Thomas Bloodworth, Emmanuel Lopez, and Chance Armke held the Bucks to zero yardage gained in the entire third quarter. The Broncos fared a little better, but were unable to put any points on the board. Both defenses caused turnovers. For the Broncos, Chance Armke caused a fumble with Beau Hughes recovering the loose pigskin. Alpine's Anthony Ramon stripped the ball from Bronco quarterback, Scottie Moore, and recovered it himself. For the first five and a half minutes of the fourth quarter, the defenses still ruled the day. The Bucks forcing the Broncos to punt once and the Broncos forcing the Bucks to punt twice.

Midway through the fourth quarter, the Bronco Express began to get untracked. After the second punt of the quarter by the Bucks, the Red Hosses would start at their own thirty-three. Using the running attack of William Renfro and Sean Fields, as well as a pass to Emmanuel Lopez; the Broncos moved the ball to the Buck thirty-six. On the seventh play of this four minute drive, the Express (William Renfro) burned the Alpine blitz for a thirty-five yard touchdown run. Hall stayed perfect as he split the uprights for the Broncos twenty-first point. Sonora 21 - Alpine 7. Alpines woes continued on the ensuing kickoff. A short kick by Hall to Kevin Wood resulted in the Bucks fifth turnover. Heads up play by Dustin Martin resulted in his second fumble recovery of the evening.

Martin's recovery set the Broncos up at the Alpine thirty-six. With two minutes and thirty-nine seconds left on the game clock, the Bronco Express went to its running game to take time off the clock. A five yard run by Emmanuel Lopez and a fourteen yard gainer by Sean Fields would move the ball to the Alpine seventeen. The next two runs were made by Juan Rodriguez. A ten yard gain and then a seven yard scoring drive for the Broncos icing on the cake. With fifty-seven seconds left in the game, Stetson Hall would add the Broncos twenty-eighth point. Then it was up to the Bronco defense to close out the game. And close it out they did. Bronco 28 - Bucks 7.

Homecoming is this Friday. The Broncos will entertain the Winters Blizzards in their final pre-district contest. The festivities will start at 7:00 p.m.; so come out and support the Broncos.

GOOD LUCK BRONCOS!
BEAT WINTERS!

Sonora Broncos Football Game Preview Winters

by Nancy Glasscock

The Winters Blizzards travel to Sonora on Friday night to play the Broncos for this year's Homecoming game. Winters (3-1) is coached by Chuck Lipsey. The varsity squad has 23 players with eleven seniors and four returning starters. The District 9-2A team is picked fifth in their district. In the Blizzards' previous games this season, they defeated 1A Menard 21-2 and 2A Goldthwaite 27-0 and Mason 20-18.

Wall defeated Winters last Friday night 48-8. Winters runs a multiple set offense including the wishbone and the I-formation. They primarily run the ball behind Chris Hoppe, number 73. Most of the passing is the straight drop back or the play action pass. They also run the shovel pass. Winters runs the 4-3 defense.

Winters' biggest threat (literally) is the senior, Hoppe (6-2, 295). He has been all-district the past two years. TE-DE Rusty Jackson (number 42) is Winters' primary receiver for junior quarterback, Shane Colburn.

The game starts at 8 PM. For photos and the game story, check in with the Bronco Booster Club web site after the game and on Saturday. After the Homecoming Parade/Pep Rally, be sure to check out the Fajita fundraiser dinner before the game at the high school. Tickets are on sale at the high school office, Ronda's Styling Haus, and at the Elliott Law Office.

The first two possessions of the second quarter by both teams ended in the same way. Solid defensive play by both teams caused both offenses to punt after gaining minimum yardage. For the next eight and one half minutes; it was pretty much three and out for both teams. Both teams would suffer two turnovers apiece in this quarter. The Bucks suffered their first turnover on their second possession. A bone jarring tackle by Bronco Juan Rodriguez, would separate the ball from Buck running back, George Keller. Bronco defensive back, Dustin Martin would recover the loose ball to give the Red Hosses the football on their own forty-two.

Rodeo Team Brings Rain

submitted
If you want to know how to have a good rain in West Texas just ask the Region II High School Rodeo members. They will say "Have a rodeo!" Members of the 2001-02 Sonora High School Rodeo team are Stetson Hall, Laramie Hall and David Cook. Two weeks ago the fall rodeo series started in Del Rio. On Saturday, Stetson Hall won the Steer Wrestling with a time of 7.9. David Cook had to draw out of the Saddle Bronc because of conflicts. Stetson and Laramie's time in the Team Roping was too long to place.

Stetson has also picked up another event this year - Calf Roping. He roped good, but once again just a little too long for a pay check.

That is how Saturday wrapped up, and then Sunday rolled around and guess what... it rained, and rained, and rained.

So due to all the moisture, the Sunday performance will be made up this coming weekend in Ft. Stockton. Stetson and Laramie would like to say thank you to Mr. Steve Duhon and Mr. Terry Schenkel for all their advice and coaching.

This past weekend the team traveled to Big Lake (a town where it never rains). Several hours before rodeo time Big Lake got their annual rainfall in just a short time, but due to the nice sandy arena it dried enough to start. On Saturday, Stetson placed 14th in the Calf Roping and 4th in the Team Roping. Laramie placed 4th in the Steer Wrestling and 4th in the Team Roping. David had to draw out because something needed to be repaired on his Saddle Bronc saddle.

On Sunday the team made a good showing. Rain once again came and the rodeo had to be delayed. David drew a nice bronc, but was ejected just short of the 8 second buzzer. Laramie won the Steer Wrestling with a time of 10.7. This was exciting because he competes again all Seniors with the exception of one Sophomore. Stetson placed 9th in the Calf Roping with a time of 14.3. Stetson and Laramie placed 7th in the Team Roping with a time of 11.5.

Congratulations boys for representing our school and town so well and good luck at Ft. Stockton this weekend.

To Ensure Food Security, Texas Farmers And Ranchers Are Urged To Maintain A Heightened Awareness For Unusual Events

AUSTIN — Agriculture Commissioner Susan Combs today urged Texas farmers and ranchers to maintain a heightened awareness for unusual events around their farms and ranches in light of recent attacks in New York and Washington, D.C. "With federal officials voicing concerns about the potential for another domestic attack, I am encouraging our agricultural producers along the border and statewide to mobilize and be on the lookout for unusual activity and strangers on their farms and ranches," Combs said. "Texas is the largest cattle producing state in the nation, so we must continue to be vigilant about protecting our animal industry against the introduction of foreign diseases." Texas has a Foreign Animal Disease Emergency Response Plan, which was initiated after the outbreak this year of foot-and-mouth disease in Great Britain, Combs said. The animal disease plan is part of the state's overall Emergency Management Plan. "Early detection and containment play a vital role in the state's animal disease response plan," the commissioner said. Suggested appropriate security measures include:
1) Maintain a list of all emergency contacts and numbers and post these throughout your operation.
2) Review internal security and safety procedures and provide training to employees.
3) Report to local authorities all suspicious activities, vehicles or persons.
4) Report to local authorities all threats on personnel and facilities.

- Report to local authorities all thefts, inventory shortages or missing products that could pose a public health or safety risk.
 - Report to local authorities any missing blank documentation forms, such as shipping bills, or missing identification cards.
 - Report to local authorities all burglaries, sabotage to facilities or equipment, and all vandalism or activities that may pose a safety or security risk.
 - If you notice an unusual occurrence of animal diseases, contact your local veterinarian and the Texas Animal Health Commission at 1-800-550-8242.
 - Agricultural aviators should contact local authorities if they notice suspicious activity.
- Combs is forming a Texas Food Security Coalition of producer groups and associations including the Texas Farm Bureau; the Texas and Southwestern Cattle Raisers Association; the Independent Cattlemen's Association of Texas; Texas Citrus Mutual, the Texas Produce Association; and the Texas Vegetable Association. "The coalition will examine any additional measures that may be needed to maintain the best and safest food supply in the world," Combs said. "As a state and country we are standing together." Combs also praised the many farmers and ranchers who have posted the U.S. flag on their gateposts and urged them to continue flying the stars and stripes proudly to show their support for a national defense effort that includes ensuring a safe, reliable food supply.

 raised to the power of El Paso

El Paso Corporation is the largest and most broadly based natural gas company in the world, with global operations that span the energy value chain. With more than \$50 billion in assets, the company owns and operates a significant portion of the North American natural gas delivery grid and a substantial power portfolio. The following opportunity is available in Sonora, TX:

Field Operations Specialist
 This position maintains efficient and effective controls in processing and transmitting natural gas, in addition to solving problems in related electrical and pneumatic systems. Responsibilities also include conducting inspections and preventative maintenance for instrumentation equipment and controls, and maintaining compliance records/reports.

The ideal candidate will possess at least 5 years experience in gas plant and compressor controls; be able to read electrical drawings; and have a background calibrating pneumatic and electronic instruments, test plant and compressor shutdowns. PLC programming skills and thorough understanding of 480 volt 3 phase motor controls, 3 phase motors, and H2S Analyzer maintenance and calibration are a must. Some knowledge of process chromatography is required. Wonderware or Fixx MMI experience is a plus.

As you would expect from one of the premier suppliers of energy, we provide an excellent base salary and benefits package, including exciting performance bonus and equity opportunities.

Please forward your resume, indicating Job ID#E3107 and salary expectations, to: El Paso Corp., E-mail: tara.bond@elpaso.com; Fax: (832) 676-1669.

2001 Homecoming Guests of Honor

Jerry Hopkins

Jerry Hopkins was born in Brownwood, TX. He graduated from San Saba High School in 1951 and later received a Master of Education from Southwest Texas State University.

Hopkins lived in Sonora from 1960-1970, and again from 1978 - 1994. While in Sonora, he taught 9th grade World History, was Head Football Coach and was the High School Principal for three years.

Currently, Jerry and his wife Jackie live in Roosevelt, TX. The Hopkins have three children. Cyndy is a Dental Hygienist. She and her husband Mike live near Austin. Ronda is a Dance teacher. She and her husband Jeffrey live in Ozona. Wade is a Preacher. He and his wife Trudy live in Mansfield.

Gwen Kordzik

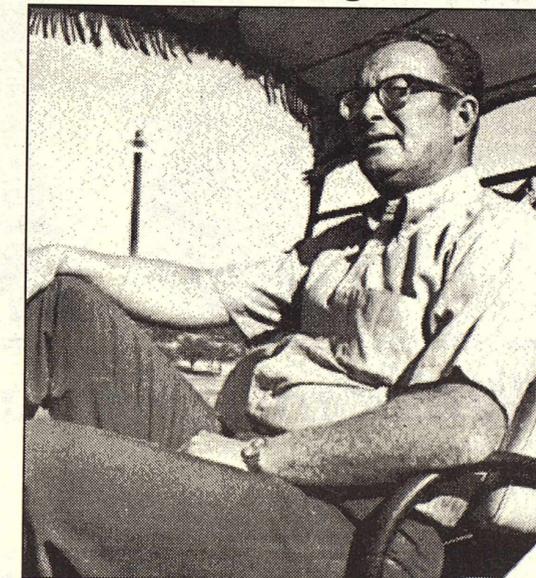

Gwen Kordzik was born Gwen Quillian in Gholson, TX, a small town 18 miles north of Waco. She graduated from U.T. Austin with a degree in P.E.

In 1958 Gwen married Kenneth Kordzik. They have one child, Lora Lee, who was born in 1966. In July of 1988 Lora Lee married Lanier Duderstadt. Lora Lee is currently employed by Irion Co. I.S.D. and her husband works for the Wall I.S.D.

Gwen and Kenneth moved to Sonora on January 15, 1967. She started to work for the Sonora I.S.D. in the Fall of 1967. She was a High School P.E. Coach and also taught Health. She was the cheerleading sponsor from 1967 to 1991, when she retired from S.I.S.D.

The Kordziks moved to Fredericksburg after retirement and built their home in Willow City (outside of Fredericksburg). She currently works on several projects, raises goats, and walks two miles a day.

Bob Snodgrass

Bob Snodgrass was born in Comanche, TX and grew up in Brownwood where he played football for the Lions. He attended Howard Payne College on an academic scholarship with a major in Secondary Education and Chemistry. He taught for two years at Blanket, TX before moving to Sonora in 1961. By going back to school in the summer, Bob obtained teaching majors in Math and Physics. He taught for 39 years at SHS. Over the years he taught 7th grade Math, Algebra I, Algebra II, Plane Geometry, Trigonometry, and Pre-Calculus, IPC, Chemistry and Physics. In Sonora, Bob coached football at every level, 7th, 8th, J.V. and Varsity. He also coached golf in high school and took them to the state meet four times.

He married his wife Barbara in 1957 and they were blessed with two sons, Robin and Chase. Robin works for an auto parts company in Kansas City, MO. Chase is the Patrol Agent in Charge for the U.S. Border Patrol at Presidio, TX. Robin's son, Zedekiah, lives with Bob and plays for the Broncos. Chase's son Gunther is 4 years old. Bob and Barbara also raised Bob's two younger brothers, Ben and David, following his father's death. Ben played on the 1971 State Championship team.

Barbara passed away in 1992 after 35 years of marriage. Zedekiah and Bob currently live on Poplar Street in Sonora.

2001 Homecoming Queen Candidates

Genny Cramer

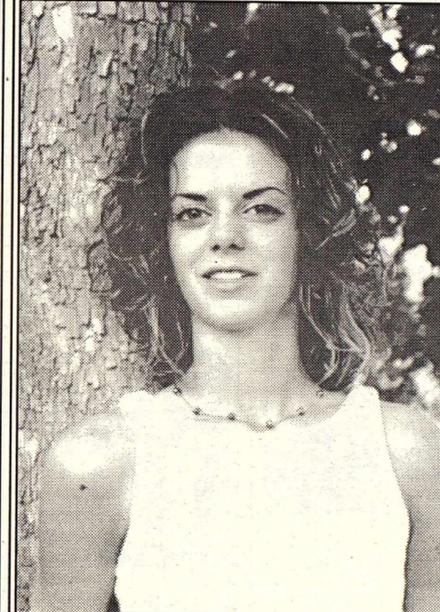

Genny is the daughter of Bob and Dorothy Cramer. She is eighteen years old. She was a Freshman Homecoming Dutchess, Fall Festival Queen Candidate and Freshman Class Favorite. She was also the Sophomore Class Favorite and a Junior Homecoming Dutchess. Genny was crowned the 2001 Fall Festival Queen and the 2001 Lions Club Queen. She is active in P.A.L.S., the National Honor Society, is the Student Council Vice President and is a Varsity Cheerleader. Her hobbies and interests include hanging out with friends, talking on the phone, traveling, playing golf, shopping and cheering for the Broncos.

Genny said "Homecoming is a time when old friends and former classmates of Sonora High School can reunite to support their high school football team and take pride in their former school once again."

Shalayne Hobbs

Shalayne is the daughter of Mike and Debra Hobbs. She is eighteen years old. She is active in the National Honor Society, Student Council, Varsity Basketball, Cross Country and Cheerleading. She is the Senior Class Vice President, the Peppermint Ball Club Vice President, P.A.L.S. President and a State contender for Varsity Track. She is also a member of the Lighthouse Baptist Church. Her hobbies and interests include traveling overseas, caves and caving, Dave Matthews Band Concerts, Oreos, sleeping, talking to friends on the computer, playing with her Pre-K class, cheering for the Broncos, tumbling and running the mile in track.

Shalayne said "Homecoming is the time when the community's true spirit shines through, seeing and spending time with all my friends that have graduated and of course, cheering the Broncos on to another victory."

Monica Lira

Monica is the daughter of Crispin and Francisca Lira. She is seventeen years old. She was voted Freshman Class Favorite, was a Sophomore Student Council Officer, a Sophomore Homecoming Dutchess and a Fall Festival Queen Candidate. She was a 2000 Lions Club Queen Candidate and a 2000-2001 Varsity Cheerleader. She is active in the Spanish Club, the Bronco Spirit Crew, P.A.L.S. and is a Senior Class Officer. Monica is also a member of the Lady Bronco Basketball team and Softball team. Her hobbies and interests include being with friends and family, playing basketball, watching movies and just having fun.

Monica said "Homecoming is when former S.H.S. students reunite to watch the Bronco football team and share old memories and just have fun."
