

WHITTLIN'

By DOLPH MOTEN

This isn't the first time mention has been made of the fact, but there seems to be two different ways to spell the name of our neighboring Parmer County community to the east.

We'd been more or less aware of the two different spellings of the names for a long time, but it's noticeable when the name of the community is spelled Lazbuddy on the front of the Methodist Church. The spelling is Lazbuddy on the nearby, impressive school building.

As far as we know, the post office there says "ie" is correct, but the postmaster may not be a Methodist.

However you spell it, the name sounds the same and the fact there are two variations of the spelling of the community name really doesn't make any difference.

But it's unusual. How many other towns do you know which have different spellings of the same name?

There's an interesting story about how the community got its name in the first place, but we've forgotten the details of it.

Reckon McGovern will be defeated in this year's presidential election as badly as was Goldwater in '64?

We doubt it.

McGovern isn't a popular candidate around the places we drink coffee, but the election is still some 60 days away. If the polls (?) keep showing him doing so badly between now and then he may even pick up some votes from people who like to support the underdog.

The polls we read about indicate that he doesn't have any more chance than a snowball in July. That could be right, but the situation could change, too.

Remember, the polls indicated that Harry S. Truman would lose to Dewey in '48, too.

The good thing, if there is one, about McGovern's present position according to the polls, is that it can't do anything but get better. Surely it won't drop much lower.

The Bovina Mustangs and their fans have that open date behind them. It was last Friday night and the first on the Mustangs schedule in many moons.

The schedule this year, either with or without the open date, isn't exactly desirable. The games with far-away Sanford-Fritch, which comes here this week, and Plains don't hold a lot of natural rivalry.

However, the schedules are drawn up two years in advance and this is the first year of such an agreement. Thus, we'll have the same situation next season except the home dates will be reversed, we understand.

If we don't know any more about football schedules than we do about picking winners of football games, you can discount a big part of what we say, anyway.

Last week was a bad one for us. We got five out of the 10. That's how good you should be able to do if you eenie, meenie, minie, mo.

We notice that the football contest leaders are batting a nice, round .800 after the first three weeks of the contest. That's down from the norm, we're thinking. Sometimes the percentage of the leaders is higher this early in the contest season. Ordinarily, a percentage of about .750 is good enough to win the overall contest. Don't be discouraged if you're several points back in the overall race now; there's plenty of time to catch up.

Just to prove that we can do better than that .500 business, here's the way we see 'em this week:

Boys Ranch at VEGA --- We've picked at the Longhorns twice this year and missed just that many times. However, if they're ever going to rebound, they should do it this week. They have the homefield advantage.

FRIONA at Springlake-Earth --- The S-E Wolverines slipped up on the AA Dimmitt Bobcats last week, but they're not apt to be able to do that two weeks in a row to a higher classification school. However, if the Chiefs lost their speedy back, Lee, to an injury, the Wolverines could pull an upset . . . again.

Canyon at HEREFORD --- The Whitefaces are off and running and they won't let a AAA team slip up on them now.

Littlefield at MULESHOE --- This is supposed to be a good game between a pair of natural rivals. We'll go with the Mules because of the unoriginal home-field advantage.

Anton at HART --- We're probably wrong here, too, but we've been reading that Hart is good this year. Speed, they have, according to the reports we get. But Anton beat Sudan last week.

Select Petit Jurors

A list of 100 jurors who are to report for petit jury duty Monday and Wednesday of next week has been released by the Parmer County Sheriff's office.

The following persons will appear on the dates given below.

Monday, 1:30 p.m. -- Carliss D. Woods, Jack Raymond Auburg, Floyd Damron, Henry L. Ivy, Mrs. Sydney R. Sherley, Mrs. Walter Steinbock, Mrs. Margie Louise Fallwell, Marc Houser, R. T. Harbour, Mrs. J. A. Rushing, Mrs. Larry E. Scott, Alton H. Peak, John Baca, Mrs. Marvin R. Jordan, D. N. Armstrong, Mrs. Martha Garner, Jack E. Taylor, Mrs. Duane Herington, Mrs. Zeferino Villarreal, Walter H. FIRST MILO --- The first load of '72 milo was delivered to Bovina Thursday afternoon by Leland Gustin, who cut the grain on Houston Bartlett's farm north of Bovina. Here, Gustin and Mrs. Carole Jean Wright of Sherley Grain Co. inspect a sample

of the premium load. The irrigated grain tested 12.9 per cent moisture. Most milo in the area won't be ready for cutting for several days yet.

With the start of harvest of this year's crop just a few days away, area grain sorghum farmers are cautiously optimistic about an "up" price for their crop.

Elevator people here indicate that the price at present is in the \$2.10-\$2.15 cwt. range. What the price will do between now and the time harvesting gets underway is anybody's guess, they indicate.

The milo could be contracted here for \$2.15, but there are no takers as farmers feel that the chances are greater that the price will remain stable or in-

crease slightly than they are that it will go down.

The current price quotation is some five to 20 cents higher than last year's price. Most grain sorghum in '71 was sold for \$1.95 and \$2.

Grainmen agree that this year's price will probably be higher than that of last year.

The price of corn is \$2.30 to \$2.35 ---- some 20 cents higher than milo. Traditionally, corn is slightly higher than grain sorghum.

"What the price will do in the next few weeks depends on (Continued on Page 3)

Temperature Drops --

Fall Weather 1 Day Early

Fall weather moved into the area last week almost on perfect schedule.

The calendar says Friday, Sept. 22, was the first day of the new season, but the weather

missed that date by one day as a front moved into the area Thursday morning, the 21st. Temperatures dropped to the 30 degree range early Thursday morning.

A warming trend developed earlier in the day. However, the nights and mornings have continued cooler since that time.

The rainy season which prevailed during much of September has evidently left the area as there has been no moisture nor prospects of any during the past week.

The no-moisture situation is pleasing to farmers, however, as it allows normal farming activities to continue. Plans are being made for grain sorghum and corn harvests to begin. Harvesting of both is underway on a limited basis.

Milo harvest won't get underway on a large scale until next month, it now appears.

The low temperature of last week was considered cold enough to damage the crops. Some weather watchers believe that the season's first freeze will follow the first norther by six weeks, if that's the case, this year's first freeze will be around Nov. 1 ---- plenty late to allow maximum maturity of all crops.

Dewayne Haney --

Bovina Soph Wins On Tiebreaker Pick

Dewayne Haney, sophomore student at Bovina High School, won the first place prize money in the third week of Bovina Businesses Dallas Cowboy Football Contest, coming in ahead of five other contestants with the same number of picks.

Haney was one of six contestants to pick nine of the 10 games. He was awarded \$5 on his tiebreaker score which was only two points off the actual 23-14 score of the Cowboy-Giant game Sunday afternoon. Haney predicted the score at 21-14.

Earl Whitten, only six off on the tiebreaker score, came in second for \$3. Gary Cox was close behind for third place prize money of \$1. He was seven points off on the score.

Of the other three with nine correct guesses, Jim Noyes was eight off the score, Dana Harris nine off and Darrel Read of Dumas was 14 points away. Haney was the only one of the six to miss the outcome of the Sudan versus Anton game, with Whitten and Read missing the outcome of the Dimmitt versus Springlake-Earth game, Cox and Noyes missing the Indiana versus TCU tilt and Harris missing the Kress versus Petersburg game.

For the third consecutive week of the 1972 contest, en-

tries totaled over 200 with 212 entering last week.

Nine contestants turned in eight correct predictions. They included Kent Stanberry, Billy

Whitecotton, Rex Rash, A. M. Wilson, Scooter Russell, Monty Malcom of Tulla, Larry Webb, Charlie Trimble and Gary McCormick. McCormick won third

Deadline Oct. 13 --

First Freeze Contest Set

Eighth Annual First Freeze Contest in Bovina, sponsored by The Blade and Bovina Weatherman Willie Williams, gets underway this week.

People wishing to enter the contest may write their predictions of the first killing freeze date on a post card, with their name, and mail it or bring it to The Blade office on Third Street.

In case of a tie, the entry received first will be declared the winner.

Williams will serve as judge of the contest and declare the date of the first killing freeze. Contestants are urged not to confuse the first freeze date with the first frost.

Deadline for entering the contest is 5 p.m. Friday, October 13.

First place winner will receive a \$5 cash prize and will earn the title of "1972 Champion First Freeze Predictor of Bovina."

Mrs. Lester (Flossie) Rhinehart won the contest last year. She predicted the exact date, Oct. 31, one of the latest dates recorded since the contest began in 1965. Forty-seven people entered last year's contest.

To Name King, Queen --

Homecoming '72 Set October 6

Homecoming, 1972, at Bovina High School has been set for Friday of next week.

A new opponent for the Mustangs in the featured football game Friday night will be the District 5-A powerhouse, the Plains Cowboys.

Theme for the homecoming parade this year will be "I Believe In Music," announces Heidi Corn, Student Council president. The Student Council sponsors homecoming activities.

The parade will begin at 2 p.m. that day and classes will be dismissed at 2:30 p.m.

All high school and junior high classes will have floats, says Miss Corn. A grand prize of

\$30 will be awarded the first place float.

Businesses and other organizations are invited to enter a float, however, only school classes will be eligible for the prize, Miss Corn stated.

Also participating in the activities will be Bovina bands, cheerleaders and homecoming King and Queen candidates. Nominees for the King and Queen will be selected later this week by the Mustangs and Pep Club.

A pep rally is tentatively scheduled Thursday afternoon with everyone in the community invited.

The 1972 Homecoming King and Queen will be crowned dur-

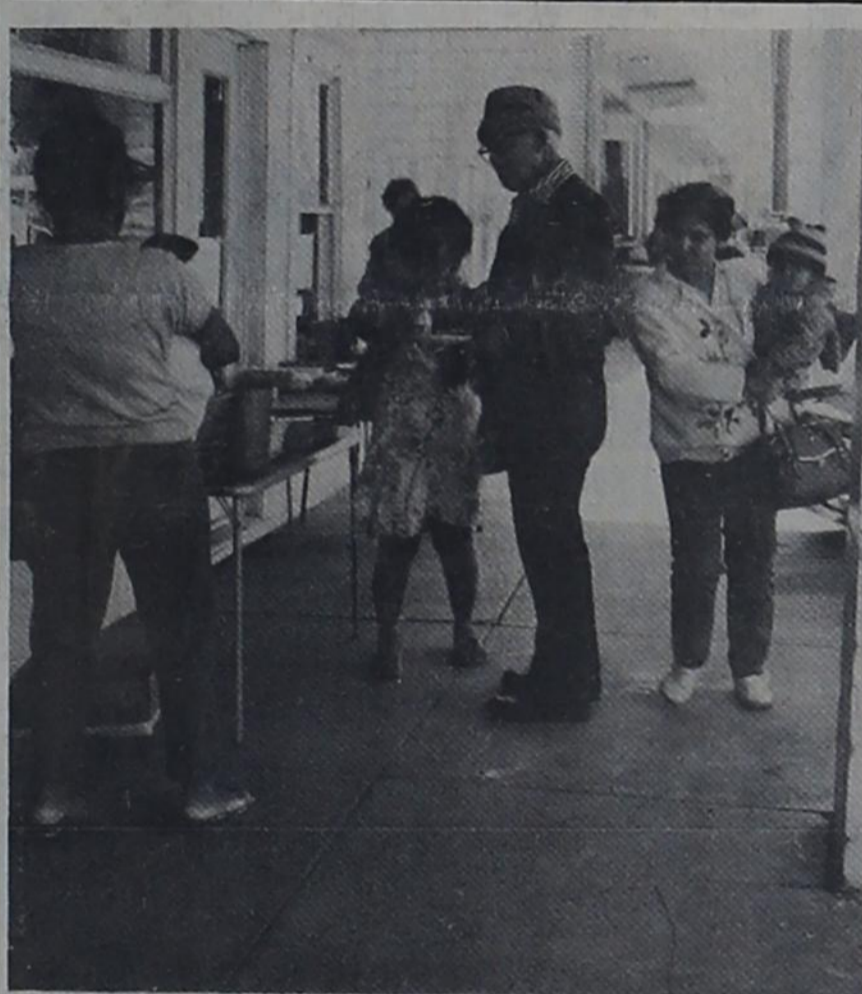

ing halftime activities of the football game that night.

Beginning next week, the Senior Class will sell homecoming corsages and will also raffle off an \$80 AM-FM radio cassette during the game, announces class president, Ronnie Nuttall.

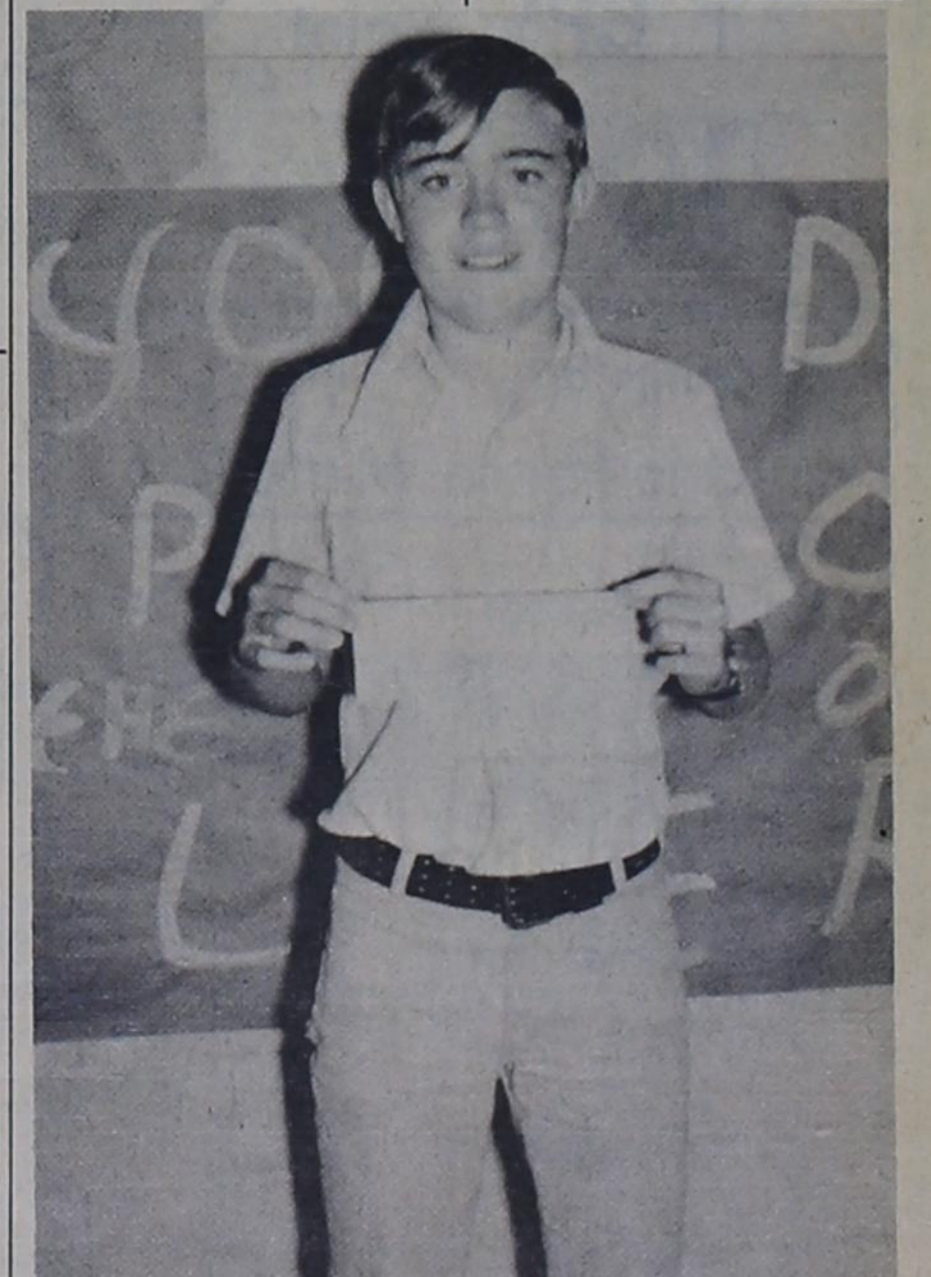

The Junior Class will sell raffle tickets on the game football, says Sonja O'Hair, class president.

Also on the schedule will be a pie supper in the school cafeteria following the game. The pie and coffee supper will be sponsored by the Booster Club.

Further details about homecoming activities will be published in next week's edition of The Blade.

SIDEWALK SALE --- The first ever such sale in Bovina was hampered somewhat by a cold, windy front that moved into Bovina Thursday morning, but business picked up later in the day, according to business firms who participated. In top photo, Neal Mager of Gaines Hardware Co. makes a sale while in the middle photo, customers browse through the racks in front of Isaac's Department Store and at bottom, two customers look through the merchandise at the Fantasy Beauty Salon. Also participating in the sidewalk sale were the Stitch Niche and Marie's Used Values.

WINS WEEKLY CONTEST --- Dewayne Haney, sophomore at Bovina High School, took first place prize money of \$5 in last week's Bovina Businesses Dallas Cowboy Football Contest. Haney picked nine winners along with five other contestants, winning on his tiebreaker prediction. He guessed the score between the Dallas Cowboys and New York Giants at 21-14, only two points off the actual score of 23-14. Earl Whitten took second place and Gary Cox third. They were six and seven points off the tiebreaker score.

Reflections From The Blade

TEN YEARS AGO
 September 26, 1962
 It'll be game number four of the 1962 season, but the home debut for Bovina's Mustangs when they take on Amherst Bulldogs in a non-district clash here Friday night.
 "Rain is always good in this dry country."
 That's the way at least some area farmers feel about moisture which began falling here Sunday night and continued through the first part of the week.
 More than two inches had fallen in most of the area at Blade deadline time, with no promise that the rain would quit within the next few hours, halting all milo harvesting.
 Jerry Rogers won first place in Bovina Businesses Cotton Bowl Football Contest last week, a week that saw a vast majority of entrants only name five or six winners correctly.
 Mrs. Wylie Bullock of Lazbuddie was elected committeewoman from this senatorial district at state Democratic convention at El Paso last week.
 Bovina Mustangs encountered more opposition than they bargained for in Friday night's game with Whitharrel Panthers. Going into the game as slight favorites, they were forced to settle for a 14-14 tie and had to come from behind in the game's fading minutes to earn that.
 Congratulations to Mr. and Mrs. Billy Don Read on the birth of a baby boy, born Saturday morning at Memorial Hospital in Clovis. The new arrival is named Lyndon Nathaniel and weighed eight pounds, six ounces, at birth. He was born on the birthday of his late grandfather, Nat Read.
 Mr. and Mrs. Buck Ellison and Mr. and Mrs. I. W. Quikkel returned recently from a four-week vacation in which they toured 17 states and parts of Canada.
 Chris and Cathy Mast, twin daughters of Mr. and Mrs. Art Mast, celebrated their ninth birthday Saturday afternoon with a party at their home.

SIX YEARS AGO
 September 28, 1966
 The first bale of Bovina cotton was ginned at 2:30 p.m., Saturday by Bovina Gin Co. which paid the grower, Charles Hawkins, 50 cents per pound.
 "Our schools are now faced with overcrowded conditions," said Otis Spears, Bovina Schools superintendent, this week as he looked over figures showing 715 total enrollment, up 54 from the same period in 1965.
 "We have taken art rooms and the music room for classes. There are now 86 first graders enrolled and three teachers employed in that grade. If more enroll in that grade another teacher will be required. We will have to take the elementary library for a classroom and again break the library down into room units. After that, there are no rooms available."
 The second First Freeze contest, sponsored jointly by The Bovina Blade and Bovina Weatherman Willie Williams, is now underway.
 Out of 184 entries in the Bovina Businesses Cotton Bowl Football Contest, first-timer Tommie Hamilton was the first place \$5 winner, the only one correctly naming eight.
 Two tied for second and third places, Patricia DiCuffa and Harry Johnson. They named seven winners and tied on the tie-breaking score, both missing the correct score of the Bovina-Friona game by 13 points.
 Joanna Showdown, 1965 mare owned by James Roach of Bovina, was the winner in the Golden Spread Halter Futurity event at Tri-State Fair in Amarillo Wednesday.
 Bovina Mustangs led in most all departments except the score Friday night in their non-district game with the Friona Chieftains there. The host team won the game, 13-0, on a pair of first half touchdowns.

Political Views Club Subject

Views of two major political parties will be presented at the 3 p.m. meeting of Bovina Woman's Study Club tomorrow (Thursday), announces Mrs. Jack Clayton, president of the club.

Headlining the program will be Mrs. Jack Hart of Gruver, district chairwoman of the Republican Women of District 31, and Mrs. Ruth Osborn of Pampa, district chairwoman of the Democratic Women of District 31. The speakers will be introduced by Mrs. Earl Stevenson.

Questions for discussion will be presented by Mrs. Jack Kasshan, Mrs. Henry Ivy and Mrs. Lowell Boozer. An open question and answer session will follow. "Because this is a presidential election year, we wish to welcome all interested members of

the community to this program," said Mrs. Clayton.

Hostesses for the meeting will be Mrs. Joe Fowler, Mrs. W. E. Williams and Mrs. O. H. Jones.

39ers Fete Mrs. White

Mrs. Odie White was honored with a birthday dinner Tuesday night of last week by members of the 39ers Club. Mrs. Paul Jones hosted the event.

Attending were Mrs. Robert Read, Mrs. Mary Ruth Redden, Mrs. Joe Wilson, Mrs. Nola Read, Mrs. Jesse Walling, Mrs. Emmett Tabor, the honoree and hostess.

 SUDAN at Shallowater --- If you're going to play the game, you have to pick one or the other.

RALLS at Kress --- Ditto. Besides, the Kangaroos let us down when they played Hale Center. Got skunked they did. Lamar Tech at WEST TEXAS --- O.K., O.K., so the Buffaloes are better than we thought. We sure missed their game last week.

Army at TEXAS A&M --- You didn't think we'd put the Aggies in the contest when they were playing Nebraska or LSU, did you?

Texas U. at TEXASTECH --- We'll go this way since we're not playing the contest for the money, anyway. We saw Tech beat Texas the last time it happened. Was it '67? It could happen again. This game comes too early in the season to suit hardly anybody.

L. B. Lookingbill --

Bovina Man's Father Dies

Funeral services were conducted Tuesday morning at Summerfield Baptist Church for L. B. Lookingbill, father of Jim Lookingbill of Bovina and Mrs. Jamie Clearman of Lawn, a former Bovina resident.

Mrs. Lookingbill died about 11:25 p.m. Saturday in Deaf Smith County Hospital at Hereford.

Rev. Neal Foster, pastor, officiated at the rites. Burial was in Rest Lawn Memorial Park Cemetery at Hereford.

Mr. Lookingbill, 74, moved to Summerfield in 1920 from Tulla. He owned and operated the Summerfield Store and post office. He had been a member of the Baptist Church there for the past 50 years.

Other survivors include his wife; three other sons, Fred Lookingbill of Summerfield; Bill Lookingbill of Hereford and Bradley Lookingbill of Amarillo; five brothers, Lloyd Lookingbill of Hereford, Cecil Lookingbill of Amarillo, Alton Lookingbill of Twin Falls, Idaho, Frank Lookingbill of Loco, Okla., and Harry Lookingbill of Black; and two sisters, Mrs. Effie Crow of Tulla and Mrs. Ruth Adams of Bullhead City, Ariz.

The family requests that memorials be to the American Cancer Society.

Harvest --

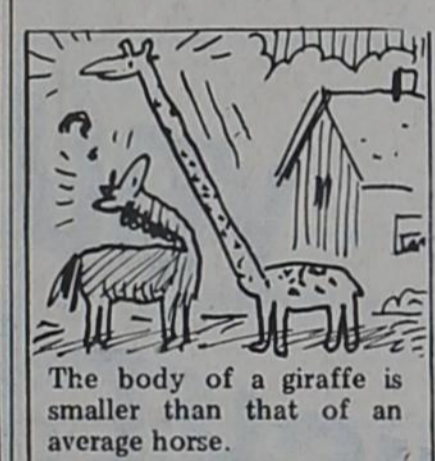

(Continued from Page 1) several things," said Jim Russell of Bovina Wheat Growers, Inc. "Export activity is the primary thing which can influence the market."

The grain sorghum price enjoyed an increase recently with the announcement of the sale of United States wheat to Russia. This kicked the price of wheat upward and grain sorghum followed, but on a lesser scale. The prospects for this year's milo crop are excellent. Yields are expected to be outstanding.

The crop may be somewhat later than average due to a three week-long period of wet weather recently. This seems to have delayed the maturing of the crop. Earl Whitten at Sherley Grain Co. says he expects it to be next week, at least, before harvesting of the crop begins on more than a limited basis.

Sherley Grain received its first load of '72 milo Thursday of last week. It was harvested on Houston Bartlett's place north of town. The moisture content was exceptionally low for a first load -- 12.93.

Reports of contracts being offered for this year's milo at \$2.25 could not be confirmed early this week. There was some talk of such contracts being offered in nearby areas, however.

The body of a giraffe is smaller than that of an average horse.

Band Parents Discuss Fund Raising Projects

Fund raising for the planned out-of-state band trip in 1973 was on the agenda of the Band Parents meeting Monday night in Bovina Schools library.

"As our band is increasing in number each year, it is going to require more projects and considerable help between now and the trip to finance the project," Mrs. Tom Caldwell,

president of the organization, told the 17 people present.

The group will begin its fund raising activities with the sale of Halloween candy in three weeks, followed by a fruitcake sale during the Thanksgiving and Christmas holidays. A salad supper is tentatively scheduled in November. Mrs. Jack Kassahn and Mrs. John Dixon will be in charge of the supper.

Bryant Harris, band director, reported that 25 students were in the beginners band, 47 in the junior high band and an all-time high 76 in "That Mustang Band." He expressed his appreciation to the parents for their interest and help in Band Parents.

A meeting has been called for Monday, October 16, announces Mrs. Caldwell.

Ex-Students Set Meeting At Friona School

The annual meeting of Friona Schools' Ex-Student Association will be Saturday at the Federal Credit Union building at Sixth and Euclid in Friona, according to an announcement from Floyd Reeve, secretary of the Class of 1962.

Registration will begin at 7 p.m. and a drawing will be held during the meeting for a Chieftain blanket.

Since its organization, the association has held its meetings during the Christmas holidays, however, due to the lack of attendance the meeting date was changed to coincide with Friona's annual Maize Days celebration, said Reeve.

Ex-students are urged to attend the meeting.

As fashion does a Classic encore for Fall, so do hairstyles. They are chic, refined, and beautifully proportioned to flatter and balance the season's long, lean lines.

After-five flair includes soft ruffles and a soft, feathery coil that keeps its style with Clairon's Final Net.

Designers have abandoned costume-y, ethnic inspirations

TOP FASHION FOR FALL

and are "taking it easy" with lines, colors and fabrics. Classic after-five wear includes the simple chemise and the halter dress done in jewel-tone jersey and brocade. Often, necklines are softened by ruffles, as shown in Nina Ricci's Boutique collection among others. The short, feathery coil frames the face and completes Fall's evening flair.

Daytime favorites include Halston's sweater ensemble. The soft, cowl-neck sweater is teamed with a matching cardigan, draped over the shoulders with long sleeves tied casually in front. The Classic pageboy is a natural with the sweater set, reminiscent of falling in soft, loose waves and gently turned under.

Today's fashion-conscious woman knows that a professional cut, a regular set, and a strict haircare regimen are the

basics for a smooth, full-bodied style, but the lack of manageability starts when rain, humidity and wind destroy the set. In vogue for effectively holding fall hairstyles is Clairon's Final Net, a non-aerosol hair mist that helps hair to keep its natural, shiny appearance while maintaining the set.

Using Final Net to its fullest advantage means being able to refresh a set with the concentrated formula, too.

1. For a quick set, thoroughly brush hair to remove traces of dust. Spray Final Net on dry hair, set and comb out. This mist can be re-applied without the dulling build-up that often prevents a good set. Always brush hair thoroughly before reapplying and setting.

The Classic pageboy, beautiful with Halston's fall sweater set, needs the firm hold of Clairon's Final Net to

keep waves softly in place.

2. After shampooing and towel-drying hair, lightly spray the mist all over and comb through. Setting, a final comb-out and another light spray means firm hold with a soft appearance.

A chic, head-to-toe fashion look depends on a hairstyle that holds. Now, it will, thanks to Clairon's new hair beauty accessory.

SCS Studies Dust Storms

By Herb Evans
District Conservationist
"How many dust storms will we have next year? Farmers and city folks alike might wonder why talk about dust storms in the fall of the year. The reason the SCS and the Parmer County Soil Conservation District are concerned is because of new information developed at the Big Spring Experiment Station.

"The Big Spring Index, as it is called, is a method of predicting the number of days with blowing dust in West Texas. The method utilizes evaporation, precipitation and average daily wind movement for September through December to predict the number of days with blowing dust in the following calendar year. With this information steps can be taken to reduce potentially severe dust storms.

"When severe dust storms are forecast, it will be possible to apply extra effort to get dust preventive conservation practices applied, such as growing cover crops, mulching with cotton burs, and leaving grain sorghum stubble on the soil surface. "These are some of the reasons why conservationists are dust storm conscious this time of the year."

For more information contact the Soil Conservation Service in Friona.

Hospital Notes

Mrs. J. R. Caldwell of Bovina remains a patient at Parmer County Community Hospital in Friona.

She was admitted about three weeks ago suffering from injuries in a fall at Kings Manor Home in Hereford.

Minibike Accident Hurts Hughes Boy

A minibike accident Monday afternoon of last week resulted in surgery for nine-year-old Kevin Hughes, son of Mr. and Mrs. Dudley Hughes of Bovina.

Kevin was taken to Parmer County Community Hospital in Friona by his parents for treatment. He was transferred to Deaf Smith County Hospital in Hereford late Tuesday afternoon and underwent surgery Wednesday morning for removal of his spleen.

He was released from the hospital Monday afternoon and is recuperating at home. Visitors are welcome, especially his classmates, according to Mrs. Hughes.

Caldwell Completes Training

FT. KNOX, KY. -- Army Private John B. (Bruce) Caldwell recently completed eight weeks of advanced individual training at the U. S. Army Armor Center at Ft. Knox.

During the training, students learn the duties of a tank crewman, including the firing of the tank's armament and small weapons. They also receive instruction in field radio operation, map reading and tank maintenance and repair.

The 20-year-old private is a 1970 graduate of Bovina High School. His parents, Mr. and Mrs. Bedford Caldwell, and his wife, the former Miss Darlene Murphy, live in Bovina.

Bovina Area Churches Welcome You! —

Church Chuckles by CARTWRIGHT

"Sorry, that space is reserved for the pastor's car!"

YOU ARE RICH

They huddled inside the storm door, two little children in ragged, out-grown coats, "Any old papers, Lady?" I was busy and wanted to say so -- until I looked down at their feet. Thin little sandals sopped with ice and mud and sleet. "Come in and I'll make you a cup of cocoa," I said. There was no conversation. Their soggy sandals left marks upon the hearthstone. Cocoa and toast with jam fortified against the chill outside. I went back to the kitchen and started again on my household budget. The silence in the front room struck through me: I looked in. The girl held her empty cup in her hands, looking at it. The boy asked in a flat voice, "Lady, are you rich?" "Am I rich? Mercy No!" I looked at my shabby slip covers and the worn place in the rug. The little girl put her cup in its saucer, carefully. "Your cups match your saucer," she said. Her voice was old, with a hunger that was not of the stomach.

They left then, holding their bundles of papers against the wind. They hadn't said thank you. They didn't need to. They had said more than that. Plain blue pottery cups and saucers. But they matched.

I tasted the potatoes and stirred the gravy. Potatoes and brown gravy! Roof over our heads! My man with a steady job! These things matched, too. I moved the chairs back from the fire and tidied the room. The muddy prints of small sandals were still there on my hearth. I let them be. I want them in case I forget how rich I am!

Hunting seasons for dove and quail are approaching for most parts of Texas. Although dove season has opened in the northern zone, elsewhere the seasons don't begin until later. Dove and quail make tasty wild game treats when properly dressed and prepared.

Age quail and dove at a temperature just above freezing for 24 to 28 hours to remove some of the gamey flavor which might detract from eating pleasure. Dry-plucking the birds has been recommended rather than skinning them, to conserve flavor and moisture. After they are plucked, singe them over a flame to remove the down.

Next, make a cut along or across the back to split the bird apart and remove the entrails. Then remove the head, claws and feet. Wipe the body cavity clean with a damp cloth. Once dressed this way, they are ready for immediate use or for freezing.

Frying is a popular way to prepare quail and dove. First dredge the birds in flour, salt and pepper, and fry in deep fat. Brown each bird on both sides. Then lower the temperature, cover the skillet and cook slowly for about 20 minutes, turning once to brown evenly.

To freeze dressed birds for later use, place in moisture-vapor proof containers. Label these containers with the name and date, and store at zero degrees F. They may be stored at this temperature from six to 12 months.

Besides serving as a taste treat, dove and quail are nutritious. They are excellent sources of protein needed for growth and repair of body tissues.

Wild game birds can offer a refreshing and nutritious change in menu when hunting seasons arrive -- and afterwards, during holidays -- when cooked or frozen properly.

FOOTBALL CONTEST --- (Continued from Page 1)
Most football fans really slipped when only 23 picked Spring-lake-Earth to defeat Dimmitt while 189 were picking the Class AA team, and only 60 contestants believed West Texas State University could defeat Colorado State while 152 went along with Colorado. The Vega-Claude tilt was marked wrong for 150 contestants with only 62 picking Claude and 71 chose Anton to 141 for Sudan.

Two contestants are tied for the lead in total points in the contest with all four who were in the lead the week before dropping back a notch or two. Setting the pace at an 800 clip are Gary Cox and Scooter Russell with 24 points each. Close behind with 23 points are Weldon Beardain, T. W. Carpenter of Clovis, Donna Criswell, Mrs. Larry Crump and Gary McCormick.

Ten contestants have a total of 22 points. They are Rex Beardain Jr., Janice Carpenter of Clovis, Dewayne Haneey, Roberta Mager, Joan Morrison of New Deal, Tracy Russell, Kent Stanberry, A. M. Wilson, Gladys Wright and Larry Wardlaw of Farwell.

Contestants with 21 points are Wilson DiCuffa, Wendell Garner, Glen Hromas, Donna Jester, Ben McCain, Cindy Morrison of New Deal, Jim Noyes, Darrel Read, R. B. Riley, Terry Sherrill, Billy Smith, Sandra Ware and Earl Whitten.

Contestants with 20 points include Rocky Bartlett, Dixie Carson, Joan Carson, Lynn Chitwood, Larry Crump, George Douglas, Keith Garner, Audrey Graham, Leon Grissom, L. F. Jacobs, Neal Mager, Howard Marcom, Bill Moore, Terry Newell of Muleshoe, Lee Roy Nuttall of Friona, Patricia Read of Dumas, H. W. Roberts, Radford Venable, Jesse Walling, B. J. Whitecotton Jr. and Mary Jane Wilson.

The contestant with the highest score at the end of the 13-week-long contest will receive an expense-paid trip to a Dallas Cowboy professional football game in December.

Sponsors of the contest are Parmer County Spraying Service, Birkelbach Machine and Pump, Bonds Oil Co., Oklahoma Lane Farm Supply and Gin, Bovina Gin Co., Sherley Grain Co., First State Bank of Bovina, Bovina Wheat Growers, Inc., Agri-Sprayers and Charles Oil Co.

Last Week --

Friday Night At 8 --

Colts Stampede Longhorns, 22-6

Bovina Junior High, combining their seventh and eighth grade squads, defeated Lazbuddie Junior High, 22-6, in a tilt played Thursday evening of last week at Lazbuddie.

Earl Quintana accounted for all three Colt scores, racking up runs of 40, 40 and 20 yards. Tommy Serna converted a two-point for the Colts for their only extras.

The Colts scored in the first, third and fourth periods, holding a 6-0 lead at halftime. The teams traded TDs in the third period with the Colts' defense getting in on the scoring, trapping a Lazbuddie back in the end zone for a two-point safety.

Next game for the Eugene Boza - Darrel Selke - coached team will be the district opener with Vega junior high teams at Vega on Oct. 13.

An intrasquad scrimmage session between the seventh and eighth graders will begin at 5:30 p.m. tomorrow (Thursday), announces Boaz. There will be no admission charge for the game. "We will play under regular game conditions," said Boaz.

A proposal to amend the Constitution to prohibit the sale of alcoholic beverages was introduced for the first time on Dec. 12, 1876.

WEDNESDAY -- Meat loaf, green lima, macaroni and cheese, cornbread, butter, cherry gelatin with topping, milk.

THURSDAY -- Hamburgers, pickles, onions, lettuce, tomatoes, potato chips, oatmeal cookies, pear halves, milk.

FRIDAY -- Fried chicken with gravy, creamed potatoes, lime gelatin with pineapple and carrots, hot rolls, butter, apple-butter, milk.

Bovina's Mustangs, following a week's rest, will have their defensive prowess tested to the hilt this week when they host the Sanford-Fritch Eagles Friday night. This will be the initial home game of the season for the Ponies, who have a 1-1 record.

A new non-district opponent for the Ponies, the District 1-A Eagles own impressive 42-0 and 48-0 victories over Booker and Texline, respectively, this year.

The only loss for the Panther team was to Class AA Stratford, 8-28. However, Stratford is considered to be a

relatively weak team, moving up from District 1-A to District 1-AA this year. Last year, when the two teams were in the same district, Sanford-Fritch defeated Stratford, 34-14.

Under new Head Coach Harold McCreary, the Eagles have 14 lettermen, including eight offensive regulars, returning from a 5-5 record last year in what he states is one of the toughest Class A groupings in the state, Sanford-Fritch is in the district with White Deer,

Stinnett, Canadian, Sunray and Gruver.

"The Eagles have fair speed and their front four averages about 210 pounds. They are going to be very tough," said Head Coach Roger Ezell this week. "They run a Houston veer offense which is similar to the wishbone and have an outstanding quarterback in Mike Dunham, who can throw well and has good speed."

Dunham's size (130 pounds) is deceiving, according to pre-

season information. He proved he could handle the ball when the Eagles' basketball team made the state tournament in Austin with the senior guard sparking the team.

The Mustangs are back in top physical form for the tilt which will kick off at 8 p.m.

Probable starting lineup is as follows:
OFFENSE:
Center -- Terry Sherrill, 193, junior;

Guards -- Ronnie Nuttall, 130, senior; Tony Serna, 160, junior; Tackles -- Danny McKay, 180, junior; Weldon Beardain, 215, senior;

Tight End -- Alan Cockerham, 125, senior;
Split End -- Ben McCain, 140, senior;
Quarterback -- Kim Rundell, 144, senior;
Tailback -- Billy Shelby, 157, junior;
Halfback -- Jeff McCormick, 152, senior;

Fullback -- Larry Wiseman, 160, senior;

DEFENSE:
Guards -- Mike Dixon, 157, sophomore; and Serna; Tackles -- McKay and Beardain;
Halfbacks -- Joe Delgado, 111, junior; and McCain; Cornerbacks -- Rundell and McCormick;
Middle linebacker -- Shelby; Ends -- Wiseman and Elbert Shelby, 152, freshman, or Cockerham.

Pie Supper Set Friday After Game

Bovina Booster Club will serve pie and coffee in the school cafeteria Friday night immediately following the football game between Bovina's Mustangs and Sanford-Fritch, announces Leon Ware, president of the organization. Proceeds from the pie and coffee suppers during the 1972 season will be used to buy film for the football games and other club-sponsored activities.

R. Stanberry Injured In FB Practice

Ricky Stanberry, freshman center on the Mustang Junior Varsity, suffered a knee injury in football practice last week, according to Corky Criswell, JV coach. Stanberry was treated at Parmer County Community Hospital in Friona and later transferred to an Amarillo hospital. His knee has been placed in a cast in an effort to avoid surgery, said Criswell.

It is not good to refuse a gift.
