

Shermans mark 50th anniversary

Mr. and Mrs. Alvin Sherman celebrated their 50th wedding anniversary Saturday, Aug. 22, with a reception at the First Baptist Church in Haskell.

The event was hosted by their children, George and Lynn of Amarillo, Hank of Haskell, Wynette and Franky Don of Spearman, and grandchildren, Nathan, Nikah and Nisha Sherman of Amarillo; Alisha and Lisa; and Albert Sherman of Haskell; Terrie and Wes Morrow, Donny and Dee Ann Mullins of Rotan; and Keith and Shelly Mullins of Hale Center.

A table of "past memories" was enjoyed by all who attended, as background music was played by Terrie Morrow and Dee Ann Mullins.

Out-of-town guests included Effie Sherman, Bill and Mary Sherman, Gayle Reay, Mark, Lezlee and Ben Sherman of Lockney; Key and Kami Wilson, Jim and Ruth Ferguson of Lubbock; Ed and Kate Mears, Ed L. and Ann, Jenna and Matthew Mears of Menard; Keith, Shelly and Jeremy Mullins, J. C. and Novella Sneed of Hale Center.

Danny, Dee Ann, Dayne, Dane and David Mullins, Wes, Terrie, Tyler and Coby Morrow, Mac and Carolyn Weathersbee of Rotan; Lonnie Pippen of Bridgeport; Lynda Rexrode of Sherman; John Alex and LaVerne Mayfield of Weinert; Tony and Jane Hall of Kerrville; Melinda and Cynthia Bradford of Austin; Penny Wootton of Denton.

Haskell visitors included: Fern Casey, Avis Pennington, Bonnie Jircik, J. B. and Iva Lee Gipson, Robert and Gladys Darnell, Norma Sherman, Rev. and Mrs. James Densman, Joe and Joyce Davis.

John and Ann Darnell, Royce and Jimmie Lou Adkins, Doris and Burl Darnell, Buck and Carolyn Everett,

Melvin and Juanita Miller, Jennifer Burgess, Vivian Roberson, Carl and Phylecia Bailey, Jimmy and Helen Owens, J. L. and Martha Toliver.

Mr. and Mrs. Virgil Wall, Satch and Pearl Lusk, Ella Belle Burson, Durene Boone, Charles and Learcie Swenson, Virgil and Evelyn Cobb, Lois Sherman, Franciene Johnson, Jo Cox, Elmer Hagins, Barbara and John Kimbrough.

Johnny and Eloise Perrin, Mary and Ben Charlie Chapman, Ferrell and Jane Coston, Sarah Hodge, Eula B. Therwhanger, Estebelle and Weldon Turnbow, Ramia Lee Frazier, George and Helen Fouts, Tom and Mary Kaigler, Flora Pace, Ann Lusk, Joyce Hawkins, Connie Pace and Crystal Motley.

All six of the couple's great-grandchildren were present.

Sherry Denise Payne Huckabee

Payne-Huckabee vows exchanged

Sherry Denise Payne became the bride of Jimmy Randell Huckabee in a wedding ceremony performed Aug. 28 at the Assembly of God Church in Haskell. The Rev. J. C. Amburn, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Danny Payne of Haskell, and the bridegroom is the son of Mr. and Mrs. Gene Huckabee of Munday.

Organists were Mrs. J. C. Amburn and Mrs. Kenneth Campbell and soloist was Mrs. Doyle Mitchell.

Given in marriage by her father, the bride wore a traditional gown, a Bridallure original designed by Michelle Piccione. The sheer empire bodice, fashioned with a Queen Ann neckline outlined with wide chantilly lace extended to the waist line front and back, embroidered with silk floss and embellished with seed pearls and sequins. The full sheer lantern sleeves graced with re-embroidered lace medallions, lace ruffles and banded with tiny white satin ribbons and lace ruffle cuffs held the sleeves at the wrist. The full five-tiered skirt, embroidered with wedgewood lace, flowed to a cathedral length train.

Her Camelot cap, covered with white chantilly lace and embroidered with silk floss and sprinkled with seed pearls and sequins, held the two-tiered fingertip veil of silk illusion. The veil was circled with Venise lace.

Maid of honor was Malinda White of Graham, sister of the bride, and bridesmaid was Bonnie Clendennon of Seymour.

Flower girl was Joanna Payne of Haskell, cousin of the bride, and ring bearer was Daniel Payne, brother of the bride.

The bride's attendants' dresses, tea length with puffed sleeves, were of yellow satin.

Best man was Terry Mason of Fort

Worth, brother-in-law of the groom. Ushers were Ricky Huckabee, brother of the groom, and Rusty Stocks, cousin of the groom.

A reception in the Community building followed the ceremonies.

The couple will live in Sweetwater.

Homemakers kick off new year

Haskell Young Homemakers had their kickoff for the new year Tuesday night at the home of Katie Hopper. Members and prospective members were served taco salad in the patio.

New officers for the coming year were introduced. They are:

Katie Hopper, president; Sue Anderson, vice president; Norma Richardson, secretary; D-Anne Melton, treasurer; Bonnie Neal, reporter; and Jill Harris, parliamentarian. Advisor is Wanda Thompson. Dee Ann Ballard won the door prize.

Members then made plans for the new year. Programs include wood art, tin punch art and writing wills.

All people not over 40 years old interested in homemaking are invited to Young Homemakers' meetings on the second Monday of each month.

The next meeting will be Sept. 14 at Selina McGuire's home. Bettye McBroom will present the new looks and accessories for fall.

Thank you for reading The Haskell Free Press.

Quilt on display

The Home Extension Council Quilt Committee has reported that the quilt is finished and is being displayed at The Aladdin House for public viewing. The public is invited to go by and see it.

The quilt will be given away on Saturday night of the Haskell County Fair. The winner does not have to be present for the drawing.

For each \$1 donation made, the contributor's name will be put into the drawing. All funds from the quilt will be used for 4-H scholarships.

Any member of the county clubs will assist with donations. Quilt committee members are Alice Yates, Reatha Mullins and Ann Sinclair. Mildred Robertson serves as council chairman.

We want to thank all our Friends who came by to help us celebrate our 82nd Birthday. Friends are very special People.

You may have to pay for that tan

The approach of summer's end is bringing sunbathers out in droves in search of the "golden tan." What these people may not know is that they may pay dearly for their new bronze skin when they get older.

Texas A&M health education specialist Dr. Mary Ann Heussner says, "Frequent exposure to the sun's ultraviolet rays may lead to skin cancer. The earlier you are exposed to the sun and the more often you are in it, the greater your chances are of getting skin cancer."

Certain people are more predisposed to skin cancer, says Heussner. Those with fair skin and those who freckle easily are more likely to get the disease than those who have more pigment in their skin. The more pigment in the skin, the

more natural blockage from the sun's rays in the skin contains.

"Early detection is very important with any type of cancer," the specialist warns. "Lesions on the skin can be removed fairly easily if they are caught in their early stages. Look for any change of coloration or texture of your skin, or any raised surfaces. These may be the beginning of skin cancer and should be treated immediately."

According to the American Cancer Society, 90 percent of all skin cancers happen on body parts that usually aren't covered by clothing. Common places for skin cancer to occur are on the forearms, ears, face and hands.

"The best cure for skin cancer is prevention," she says. "Stay out of the sun when its rays are the hottest, usually from about 10 a.m. to 3 p.m. If you must be outside during that time, wear enough clothing to protect your skin. Any exposed areas should be covered with a sunblock, with more sensitive skinned people and children using the highest degree of sunblock possible."

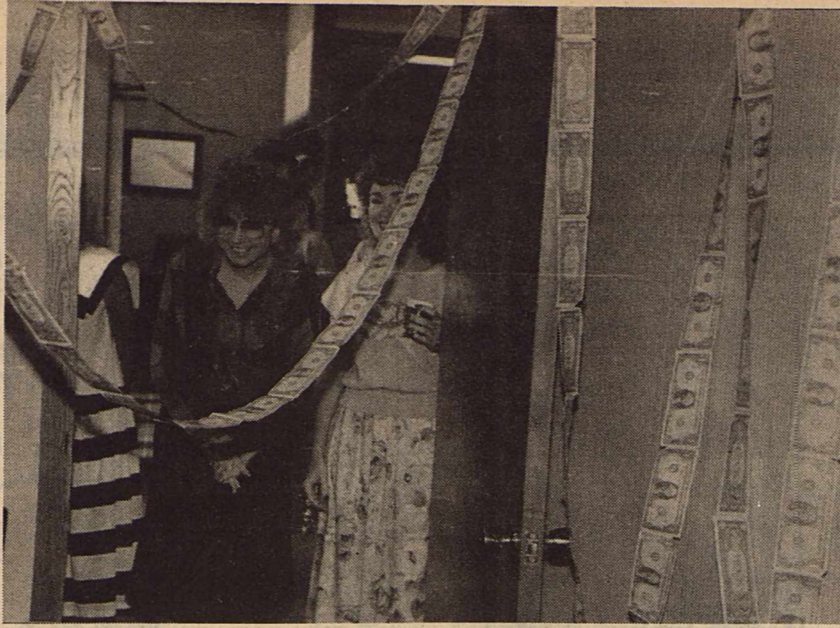

Heussner adds, "People in the Sun Belt are especially susceptible to skin cancer because they are exposed to the sun so many months of the year. They should be careful about the amount of exposure they get and be sure to take extra precautions from the sun's rays."

Temperatures vary widely during August

Temperatures in Haskell during August ranged from a low of 61 degrees on the 28th to a high of 103 degrees on the 17th, Sam Herren, official weather recorder, reported this week.

Only .89 of an inch of rain fell during the month, giving Haskell 20.72 inches for the year.

Despite the lack of rain in August, the yearly total of 20.72 is well above the normal of 16.25 for the first eight months of the year.

Sagerton church to offer film series

Faith Lutheran Church of Sagerton will offer the six-part film series, "Turn Your Heart Toward Home," at 6 p.m. each Monday, beginning Sept. 7 and continuing through Oct. 12.

More than 50 million parents were inspired by "Focus on Family," Dr. James Dobson's first film series.

Now, Dr. James and Shirley Dobson have taken the next dramatic step in this film series, in which traditional family values are affirmed as a counterbalance to the humanistic forces in the world today.

"Turn Your Heart Toward Home" reflects on the meaning and importance of the family. Dr. Dobson's challenge to everyone is to

make a renewed commitment to traditional family values.

In the first of the six films, "A Father Looks Back," Dr. Dobson emphasizes how swiftly time passes and appeals to all parents to "turn their hearts toward home" during the all-important child-rearing years.

The program is free to the public.

Ask VA

Q: Will the Veterans Administration release my new address to my estranged wife?

A: No. Your address is privileged information and may not be released to anyone without your permission.

Q: Does the Veterans Administration help veterans find lenders for VA-guaranteed mortgages?

A: No. Veterans must make their own arrangements for loans through the usual lending channels, such as banks, savings and loan associations and mortgage loan companies. Real estate brokers will ordinarily assist a veteran in finding a lender.

Richardsons attend new tractor show

Case IH set new standards for the agricultural equipment industry as dealers convened in Denver to witness the launch of the company's new 7100 series of two-wheel-drive

tractors, called the Magnum line.

A. C. Richardson, owner of Richardson Truck and Tractor in Haskell, joined hundreds of dealers at the kickoff meeting.

The four new tractors, in the 130 to 195 PTO horsepower range, represent the company's totally new approach to tractor design and manufacture, inspired by the 1985 merger of J. I. Case and International Harvester.

"Case IH has improved upon the best that both Case and International Harvester offered," said Richardson. "New design and manufacturing systems will ensure that our customers can buy a product of unparalleled performance and reliability."

Case IH executives and training personnel briefed dealers during a full day of seminars detailing product features, comparisons with competitive products, servicing the new tractors and sales goals.

"It has been a very productive trip," said Richardson. "I am confident that the industry now has a tractor with the power, performance and comfort that will enable farmers to operate more productively and efficiently than ever before."

Magnum tractors feature the industry's only 18-speed full power-shift transmission, a new turbo-charged engine, optional mechanical front drive engaged by a simple on-the-go switch, totally electronic hitch control, a new cab that offers unparalleled visibility and an advanced instrumentation system.

Also attending the convention in Denver were Gil Richardson, general manager of Richardson Truck and Tractor, and Mrs. A. C. Richardson.

Bank taxes reported

Haskell County and the Rule Independent School District have received checks from the state comptroller for the year's second allocation of the state franchise tax on banks.

The county's check was for \$1,331.71, bringing the year's total to date to \$6,247.87. Although the second-period check was more than last year's check of \$1,110.54 for the same period, the year-to-date total is 3.79 percent last year's total of \$6,494.66.

The Rule school received \$4,124.38, representing most of the \$4,349.76 the school has received so far this year. For the year, Rule ISD has received 19.3 percent more than for the comparable period of 1986.

Banks have paid franchise taxes since 1984 when the legislature allocated receipts from the tax to cities, counties, school districts and other local taxing units where banks are located.

Banks are taxed at the same rate as other state corporations and the tax is prorated among local taxing units based on their tax rates.

—Letters to the Editor—

Continued from page 4

The loss in revenue they were talking about is due to the oil slump. Can't they gamble as we all are doing that it might come back? Our businesses are based on our farmers and oil people; if they don't make it, then we don't.

We younger taxpayers need to take care of the senior citizens by signing this roll-back petition and other petitions when they are circulated. Remember, we'll be senior citizens one day and by then the tax rate will be 100 percent probably. Young and old need to sign and vote.

I know we need the ambulance service and Soil Conservation, but as we told them, there are people unemployed that would be glad to work for the wages their employees are making. When some of them ran for office they knew what the pay scale was and accepted it. There are many people that make a lot less, or none at all.

Fellow citizens and taxpayers, let's stand up for our rights and be heard. At every turn there is a new tax or an increase. Let's help put a cap on it.

Sue Patterson

took the time to stop and help my son. His horse fell on his leg and broke it and he was alone.

Mark Hannsz and Steve Michaels saw that he was in trouble so they stopped to see if they could help. They carried him to their pickup, took him to the hospital, and later they went back to unsaddle the horse. It was reported to us later that another pickup went by and saw the riderless horse but didn't slow down to even look to see if something was wrong. If Mark and Steve hadn't stopped, how long would my son have lain there before he got help?

There is no way to repay or fully express our gratitude and appreciation for these two who cared enough to stop and help.

Maybe our world isn't quite so cold and callous as we're led to believe.

Gun control

Editor: The recent tragedy in a London suburb in which a man shot and killed 14 people is sad proof that strict gun laws do not and cannot stop determined criminals and crazed persons in any country from committing murderous acts.

It is internationally acknowledged that England's gun laws are among the most restrictive in the world. Automatic firearms only may be

possessed with authority from the Home Secretary, while rifles, pistols--for competition only--and shotguns with barrels of less than 24 inches require that a certificate be issued by a police chief only to persons who can show "good reason" for possession. Even long-barrelled shotguns require a certificate.

While horrible incidents such as the one that occurred in Hungerford are rare in England, it is widely acknowledged that gun-related crime has been increasing over the past several years despite the country's tough gun laws.

According to former Chief Inspector Colin Greenwood of the Halifax Constabulary, "The use of firearms in crime was very much less when there were no controls." In fact, from 1969 to 1979 Great Britain's gun-related crimes rose from 1,308 to 6,547, according to a report by the U.S. Library of Congress titled "Gun Control Laws in Foreign Countries." A 1971 Cambridge University study of England's gun laws suggested "abolishing or substantially reducing controls."

Most scholars agree that English customs and culture are the determining factors in crime rates, not gun control. Another major factor in the low violent crime in the country is its system of jurisprudence. Criminals are swiftly and severely punished for their crimes. (Use of a gun in a burglary calls for imprisonment for life.)

The answer to reducing violent

crime and gun-related crime in the United States is tougher penalties for criminals. But our criminal justice system doesn't seem to be doing the job.

In many places in the United States--Texas, Oklahoma and the District of Columbia are among the leaders--hundreds of prisoners are being released from jail before serving their full terms because of overcrowding. Others are turning more and more to probation.

Two recent cases of violence show the real problem in America: William Cruse, who in April shot and killed six people in Palm Bay, Fla., still is awaiting trial. Cruse probably will plead not guilty by reason of insanity, and may never serve time in prison; and a Virginia man who murdered a Virginia state trooper and another man just last year could be eligible for parole in only seven years.

There are approximately 20,000 gun laws in this country, yet violent

crime continues to climb. And it is no coincidence that crime rates, which fell from 1980 to 1984 when the prison population was reaching an all-time high, now are on the rise as crowded prisons turn prisoners loose by the hundreds or refuse to accept new criminals.

It's a shame we have to be reminded of the truth by such a painful incident occurring so far away. It's time we learned the lesson. To reduce the abuse of firearms, we must certainly and severely punish the abusers. No law can ever eliminate access to firearms to those intent on inflicting evil on good and decent people no matter where they live.

Troop leaders have meeting

A troop committee meeting of Boys Scout Troop 136 was held Monday evening.

Approval was given to purchase several pieces of new equipment for the scouts. Sept. 14 will be the Scout Round-Up for registration of new scouts. The time will be announced later.

The Boy Scouts will have a camp out on the weekend of Sept. 12-13.

Committee members expressed their thanks to the citizens of Haskell for their continued support of the Boy Scout program.

Committee members will meet on a regular basis at 6 p.m. on the first Monday of each month. All parents are encouraged to attend.

State fees for records are higher

The Texas Department of Health (TDH) has announced that fees charged Texans for vital records searches and birth and death certificates increased as of Sept. 1.

Fees for each certified copy of a birth certificate, the first certified copy of a death certificate and each records search when the certificate is not already on file increased from \$5 to \$7.50.

The fee for additional certified copies of a death certificate included in a single request will remain \$2 each.

The fee increases apply at TDH in Austin, at county clerk's offices statewide and at local registrar offices.

"The TDH Bureau of Vital Statistics, which records the state's births, marriages, divorces and deaths, among other data, has seen a tremendous surge in the number of people requesting certified documents in recent months," said J. L. Howze, chief of the bureau. "In spite of the increased demand, the legislature reduced general revenue funding for the services by 50 percent, making this fee increase necessary."

Junior class leaders

The Haskell Junior Class elected officers Tuesday. They are, front row, Loutina Hadaway; secretary-treasurer; Dalyn Gilly, Student Council; Mike Bailey, president; back row, Dala Harris, Spirit Booster; and Bo Watson, vice president.

Juniors elect leaders

The Junior Class of Haskell secondary school elected Mike Bailey to lead the class for the 1987-88 school year.

Other officers include Bo Watson, vice president; Loutina Hadaway, secretary-treasurer; and Joy McKeever, reporter.

Representing the class on the Student Council will be Dalyn Gilly

and Paul Harvey. Dala Harris was chosen Spirit Booster. Class dues were set at \$5.

The class has two major projects this year, homecoming and the junior-senior banquet.

Sponsors for the juniors are James Bevel, Mrs. Lynda Burris, Mrs. Jill Druessedow, Duane Gilly and Mrs. Christi Stapleton.

Market report

Haskell Livestock Auction

Prices for most cattle were steady Saturday at the Haskell Livestock Auction, but stocker cattle were \$2 to \$3 lower.

Gary Tate reported a run of 938 head of cattle, three hogs and 13 goats.

Butcher calves: choice 62-66; good 55-62; standard 50-55; rannies 40-50.

Cows: fat 44-49; cutters 46-52; canners 42-46; stockers 40-55; by head 450-600.

Bulls: bologna 55-63; stockers' 60-70; utility 45-55.

Stocker steer calves: choice 110-123; good 88-110; medium 78-88; common 68-78.

Mercury retards growth of plants

Scientists at the University of Florida have found a real off-the-wall reason why some common houseplants mysteriously wither and die.

It seems that mercury added to some paints to retard mildew is highly toxic to some indoor plants.

Because of their sensitivity, such plants could prove useful for detecting low levels of toxic chemicals in the indoor environment, International Wildlife magazine reports.

Stocker heifer calves: choice 85-95; good 75-85; medium 68-75; common 58-56.

Feeder steer yearlings: choice 80-85; good 70-80; medium 60-70; common 50-60.

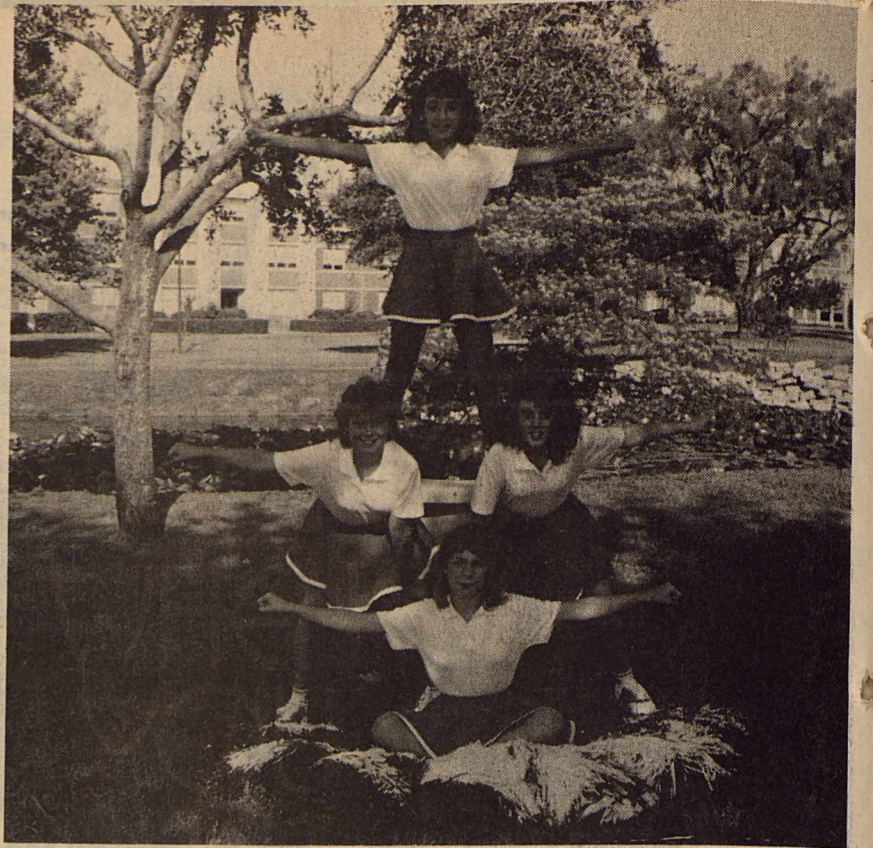

Feeder heifer yearlings: choice 70-76; good 65-76; good 65-70; medium 60-65; common 50-60.

Cows and calves: good 650-825; plain 500-650.

Close encounter of 'fishy' kind

A close encounter of a most unusual kind happened recently over Alaska when an airplane collided in mid-air with a fish.

According to National Wildlife magazine, the mishap occurred when a bald eagle dropped a fish that it was carrying in its talons. The fish slammed into a passing airplane, denting its fuselage. Fortunately, the aircraft sustained only minor damage, and the eagle reportedly was not hurt.

Rule cheerleaders

Four new cheerleaders for the Rule Kittens will be leading the drill team this year. Head cheerleader is Melissa Carreon (top), daughter of Mr. and Mrs. Ernest Carreon. Others are Laurie Boger, left, daughter of Julie and Monty Martin and Dr. James Boger of Dallas; Kenna Tanner, right, daughter of Mr. and Mrs. Kenny Tanner; and Angela Hisey, below, daughter of Mr. and Mrs. Danny Hisey.

Eddy Arnold joins rehab team

Eddy Arnold has joined Rex Allen as spokesman for the 28th annual Catlemen's Round-Up for Crippled Children which benefits the West Texas Rehabilitation Center in Abilene and San Angelo.

The two talented performers will be seen and heard throughout the Southwest on radio and television appealing to ranchers and farmers to donate livestock and cash to be used in helping operate this private, non-profit treatment and diagnostic network of facilities.

The West Texas Rehabilitation Center will serve more than 11,000 handicapped children and adults from throughout Texas, neighboring states and Mexico this year. No one is ever denied services due to inability to pay.

Arnold, whose career spans four decades, was the featured entertainer at a special, highly successful benefit for the center earlier this summer. He has sold more than 60 million records, a record topped only by the

Beatles, Elvis Presley and Bing Crosby in career record sales.

Allen, longtime friend of the center, is best known as the voice for more than 100 Walt Disney nature films, as a recording artist and as the "Arizona Cowboy" in many western movies in the late 1940s and early 1950s.

Booster Club

Coach Nelson Coulter told Indian Booster Club members Monday night that "even though we didn't score much against Bronte last Friday night, I was pleased with the progress we've made." He said the team is still making mistakes, but not because of lack of effort.

The coach said he was especially pleased with the defensive effort which saw lots of players hustling after the ball. There was also progress in the blocking game, the coach said, and the passing was better last Friday than it was the week before.

Coulter said the team probably would not play anyone this year with a stronger arm than that of the Bronte quarterback.

The junior varsity will open its season tonight (Thursday) at Munday in a game beginning at 6:30. The varsity Indians travel to Munday for their first game Friday night with the kickoff at 8 o'clock.

Square dancers

Grace and Dent Atchison of Haskell donned their square dance outfits and participated in the Texas Square Dance Jamboree in McAllen last winter. McAllen, billed as the "Square Dance Capital of the World," will hold its second annual jamboree Feb. 5-6.

4-H offers much to young people

The new 4-H year starts soon, so now is an excellent time to make a commitment to join this action-oriented organization.

Four-H is a national program for all youth between the ages of 9 and 19 regardless of race, color, ethnic background, economic status or cultural differences. In Texas, you can join 4-H when you enroll in the third grade, regardless of your age. The Texas 4-H program is administered by the Texas Agricultural Extension Service.

The purpose of 4-H is to develop leadership and character in young people. Four-H members learn by doing, through actively working on projects and participating in club meetings and 4-H activities.

Four-H clubs are organized in such places as rural, suburban and urban neighborhoods. Groups may be organized among neighborhood families in one or two city blocks, housing complexes or anywhere they are needed.

Youth can participate in a variety of projects in 4-H, such as foods, clothing, animal projects, electricity, photography, arts and crafts and many others. In fact, almost anything you want can be a project.

Most important, 4-H is a lot of fun. Where else can you get together with other people your age and have fun while you learn? Boys and girls in 4-H are always on the move doing something and participating in various activities. For instance, the 4-H shooting sports project attracts numerous youngsters each year who are interested in learning to shoot and observe gun safety. Livestock projects give youngsters a chance to be responsible for an animal and enter stock shows where they learn competitiveness and sportsmanship. Four-H members can even learn to

make their own clothes through clothing projects.

Other 4-H activities such as the Share-the-Fun give youngsters the chance to participate in organized recreation. Members can go on trips, take tours of interesting and educational places, and help finance their college education with scholarships awarded through 4-H.

Boosting the 4-H program is the private sector which provides resources of money, personnel and materials for the advancement of 4-H. The many business and industrial leaders who have supported and continue to support 4-H gives significant testimony that 4-H is a valuable educational program for America's youth.

Remember, you are what you want to be in 4-H. It is educational, interesting, challenging and lots of fun.

For more details on 4-H and how to join in on upcoming activities for the new club year, contact the county extension office at 101 S. Ave. D in Haskell, phone 864-2658 or 864-2546.

Cotton field day slated Sept. 8

The ongoing efforts of scientists to improve the area's leading crop--cotton--will be featured at a stop of the 78th annual field day Sept. 8 of the Texas Agricultural Experiment Station at Halfway.

Wagons will transport visitors to research sites at the facility, located 14 miles west of Plainview on US 70. Tours will be conducted from 1 to 4 p.m.

Obituary

Carrie Covey

Funeral services were held Friday afternoon for Carrie Covey, 82.

Services were at the First Baptist Church with the Rev. James Densman officiating. Burial was in the O'Brien Cemetery, under direction of Holden-McCauley Funeral Home.

Pallbearers were Dent Atchison, Bill Briscoe, Ford Cole, Victor Lowery, Randy McLeland and Tony Williams.

Mrs. Covey died Thursday (Aug. 27) at Haskell Memorial Hospital.

Born June 20, 1905, in Rockwall County, she moved to Haskell from Wichita Falls in 1981. She was a member of the First Baptist Church of Haskell.

Noah Project board meets

The advisory board of the Noah Project for Haskell County met Friday at Glenn's Barbeque.

Dianne Mehaffey, executive director of the Noah Project for the 18-county area, was the featured speaker. She gave board members an overview of the project's goals and needs for the upcoming year.

It was decided that the board will

meet every second Wednesday, at noon at Glenn's.

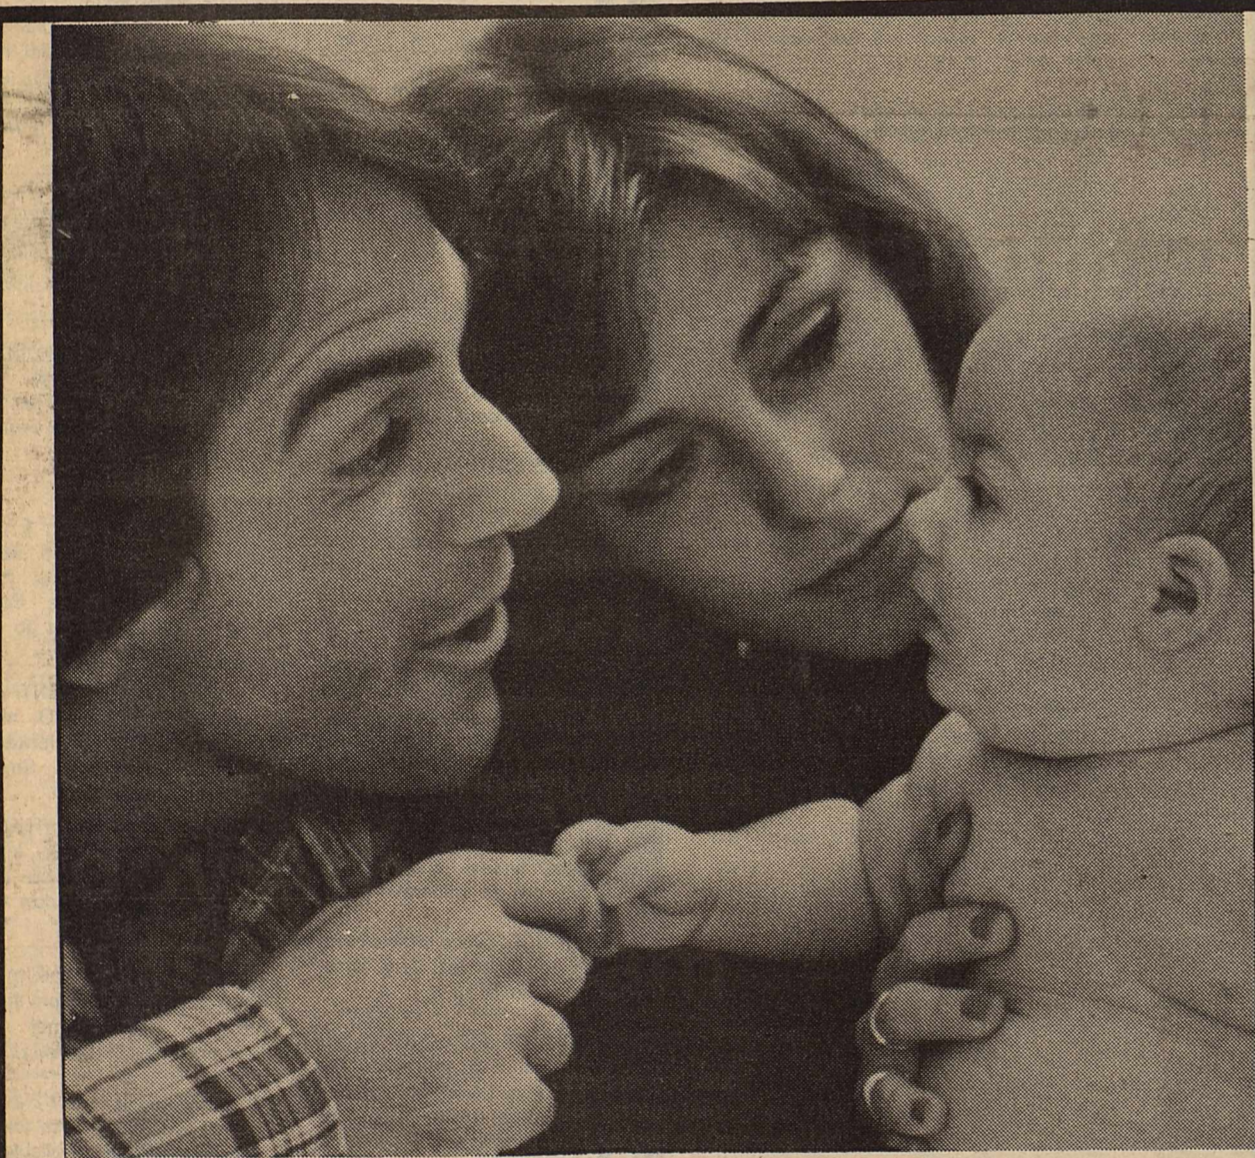

Members also were informed that before the next meeting Sept. 9, committee appointments will be finalized.

The Noah project is a program which aids victims of family violence.

Haskell's 24-hour Noah hotline

became functional Sept. 1. The number to call in Haskell for victims of family violence is 864-3972.
