NEFF MAKES A BELATED CONFESSION AS TO HIS AGE

If any of Mr. Neff's supporters can gain any comfort from the following letter they are welcome to it. Such a belated confession for "his friends" and "not his enemies" ought to bring the blush of shame to those "friends" for blindly following a man who would so impose upon their confidence. Mr. Neff would have better continued his silence on "the truth" as he claims:

Waco, Tex., Aug. 28.—At 7 o'clock tonight Pat M. Neff gave out the following statement:

"Now that the polls are closed and the voting is done, I feel, regardless of what the results of today's election may be, that my friends, not my enemies, are entitled to know the truth about my age record. I would have been glad to have explained this matter to my friends before now, but I did not deem it wise on the eve of an election to lose sight of the main issues by defensive explanations.

"The truth is, I have, for the major part of my life lived under an erroneous impression as to my correct age. Just when, how or why I became confused on this point, I do not know. I do not recall ever having named, either in a public or private way, prior to 1918, my birth year as being 1871. All my enrollments as a student, all my life insurance policies and every other thing of that nature, as far as I can recall, show my birth as 1872. I thought the date of my birth was 1872 until some time in the year 1918, when my mother, on her own initiative, in conversation about the war and the registration law, stated my age, which made me one year older than I thought I was. When this statement was called in question by me, she contended that she was correct, giving as the year of my birth 1871. Upon investigation I found to my surprise she was correct.

"In regard to my age as stated in my poll-tax receipt for the year 1919, I desire to say that was an unintentional and harmless error on my part. On some of my campaign cards my age was given as 47 years. The cards that contained that statement were the first ones I had printed. I have in my possession a sworn statement from the printer who made them, that these cards were printed in August, 1919, which was before my 48th birthday, and therefore correctly give my age as 47.

"As to the sworn application to have my name placed upon the official ballot, this application was drawn up by my secretary and he tells me that he placed my age in this application as 47 because he had seen this age stated on the campaign cards above referred to. At the time this application was drawn up I was busy carrying on my speaking campaign, and was at my office only one day in the week. I did not ever read

the application. Of course, I should have read the application before signing it, but as the form was prescribed by statute, and as I had implicit confidence in my secretary, I did not examine the application at all. I know I should have done so, but the truth is I did not.

"I make this statement and hand it to the press without regard to what the fickle wheel of fortune may hold in store for me as the returns come in."

HEART LIKE A SEA-SHELL PULSING SONG, SAYS NEFF

Waco, Tex., Aug. 30.—Pat M. Neff, who spent Sunday with his family and his mother near McGregor, was in his office early this morning and late in the afternoon dictated the following statement for the press:

"The returns from Saturday's primary are now sufficient to assure my nomination as candidate for Governor of Texas on the Democratic ticket. Words are inadequate to express my sincere appreciation for the confidence reposed in me and the high honor bestowed upon me by my friends and fellow Democrats.

"In the files of my office are the names of more than 3,000 personal friends who have been untiring workers in my behalf and with whom I have had much correspondence during the campaign. There is, perhaps, a greater number than this who have been equally as active for me with whom I have not had the pleasure of a personal acquaintance, and with a number of whom I have had no correspondence. Never has any one had truer or more loyal personal or political friends than mine have proven themselves to be in this campaign.

"To them I give credit for the success of this campaign, for indeed no man in a political battle ever had nobler or truer friends than those who won this victory. As the ocean shell holds forever the ocean song it gathered during its habitat in the sea, so the pulsing chamber of my heart will be resonant forever with a song of gratitude and appreciation for my friends who, during all this campaign, have aided me with their counsel and backed me with their untiring work. I wish that I might take each friend by the hand today and express to them personally, as best I could, my appreciation for their fealty to me and the cause I represent. I have received since Saturday night, nearly a thousand telegrams and letters of congratulations and good wishes. I cannot, just now, personally answer all these, and therefore I desire through the press not only to acknowledge receipt of these messages of congratulation and good will, but to sincerely thank my host of friends throughout the State for their kind words, their help and their confidence. To each and all who stood by me and for me during this historic campaign, I am and, shall forever, be debtor in the coin of sincerest appreciation."

EXHIBITION OF FINE PIGS BY BOYS OF KERR COUNTY

The Sun is pleased to note that the exhibit made Friday and Saturday of last week by the Boys' Pig Clubs of Kerr County was very fine. There were quite a number of pigs brought in and you could hardly find anywhere a finer bunch of pigs.

The boys showed great pride in their pigs and they had a right to feel that way. This better pig movement has already proved of inestimable value to Kerr County and will prove of more benefit to the boys who participate in these contests.

J. H. Ward first started the movement to have the boys exhibit their pigs, after it was decided not to hold the Fair, and Chas. Real, the capable secretary of the West Texas Fair, heartily joined in the movement, and the Peterson-Moore Lumber Company and Lee Mason & Son provided the quarters for the exhibit, while The Sun did the publicity. County Agent Quintal then took charge of the movement and, assisted by the Boys' Pig Clubs, made a great success of it.

Walter Schreiner had offered about \$100.00 in prizes for exhibit of pigs at the Fair, and when learning that the exhibit was to take place, the other Schreiner brothers at once offered to make this offer good as Walter was not present at the time. Of course, he made his part or all of it good, if necessary.

There was a live stock expert sent here from A. & M. College at College Station to judge the pigs exhibited, and the prizes were awarded as follows:

Best Pen of Weaned Pigs: Miss Luella Shumaker first prize, \$6.00; Adolphus Rees, second prize, \$4.00.

Best Boar Over 1 Year: Chaile Meeks, first prize, \$5.00.

Best Boar Over 1 and Under 2: Obie Griffin, first prize, \$4.00; Chaile Meeks, second prize, \$2.50.

Best Sow Over 1 and Under 2 Years: Paul Rees, first prize, \$4.00; Chas. Coppock, second prize, \$2.50; Warren Rees, third prize, \$1.50.

Best Sow Under 1 Year: Chaile Meeks, first prize, \$3.00; Chaile Meeks, second and third prizes, \$2.00 and \$1.50.

Special Class Gifts Over 6 Months and Under 1 Year: Claud Stark, first prize, \$3.00; Lloyd Griffin, second prize, \$2.00; Lourina Mayhugh, third prize, \$1.50.

Best Sow and Litter Suckling Pigs: Paul Rees, first prize, \$6.00; Chas. Coppock, second prize, \$4.00; George Aaron, third prize, \$2.50.

Best Pen, Three Pigs, Over 6 months and Under 1 Year: Talbert Cowden, first prize, \$6.00; F. A. Rees, second prize, \$4.00; Robert Storms, third prize, \$2.50.

Sweepstakes: Obie Griffin, best boar, \$8.00; Chaile Meeks, best sow, \$8.00.

FINE GRADE BEEF CATTLE RAISED IN KERR COUNTY

During the past month, Henke Bros., proprietors of the City Meat Market, have bought from Gus F. Schreiner 175 fine 4 and 5-year-old cows that ranged in weight from 950 to 1,000 pounds.

The total amount paid for the 175 cows reached \$6,000.00. Those who had a chance to see these beef cattle after being hung in the refrigerator declared they had never seen finer looking meat.

This excellent price for beef cattle and the high quality of beef they made shows what can be done in Kerr County when one gives proper attention to the growing of such live stock.

These cows were spayade Herefords and Black Mullies, and had reached a fine growth for their age. They had excellent pasturage and attention from birth, making them healthy and solid in flesh.

NEARLY HALF MILLION FOR WOOL AND MOHAIR SALES

The Schreiner Wool & Mohair Commission Company have recently closed deals for about one and a quarter million pounds of wool and mohair, which brought nearly half a million dollars. This is a much better result than was anticipated after the bottom fell out of the wool and mohair market a few months ago. It is creditable to the Schreiner Wool & Mohair Commission Company that such prices were finally realized for their customers.

Since the previous report, there have been sold the following clips: 500,000 pounds, 12-months wool, at 42½ cents per pound; 200,000 pounds, 6-months wool, at 35 cents per pound; 100,000 pounds, spring mohair, at 31 cents per pound, and 475,000 pounds, spring mohair, at 29½ cents per pound.

These sales clean up their holdings except about 300,000 pounds of short staple, defective and medium wool, which was consigned to Boston before the advance in freight rates. There was no sale here for this class of wool.

The new clip is now being brought to Kerrville in considerable quantities. This town is one of the best wool and mohair markets in Southwest Texas. The Schreiner Wool & Mohair Commission Company have the facilities and ample capital to handle large consignments of wool and mohair, enabling them to hold the stocks until the market is stable.

Mrs. T. B. Hamlyn and daughter, Polle, left Tuesday morning for their home in San Antonio, after visiting Mrs. L. A. Mosty for several weeks.

KERR COUNTY GIVES JOS. W. BAILEY MAJORITY IN RUN-OFF

In the first primary the friends of Jos. W. Bailey failed to turn out very well and Pat M. Neff had a majority of 151 in Kerr County. In the second or run-off primary supporters of Mr. Bailey became more active and reversed this and secured thirty majority for Bailey. This is considered some good political work. The following is the vote by precincts:

Precinct	Bailey	Neff
Kerrville	235	237
Center Point	49	111
Ingram	13	56
Cypress Creek	49	—
Lane Valley	51	—
Turtle Creek	18	7
Live Oak	25	—
Wharton Ranch	20	2
Hunt	7	18

PAT M. NEFF'S LEAD OVER JOS. W. BAILEY 77,383

Dallas, Tex., Aug. 30.—Pat M. Neff of Waco led Joseph W. Bailey, former United States Senator for Texas, by 77,383 votes for the Democratic gubernatorial nomination, according to the final telegraphic report today of the Texas Election Bureau. The figures were: Neff, 244,445; Bailey, 167,062. The figures represent partial and complete returns from 236 counties and an estimated 75 per cent of the total vote.

For the nomination for Lieutenant Governor the vote stood: W. A. Johnson, incumbent, 154,221; Lynch Davidson of Houston, 177,996.

For Associate Justice of the Supreme Court, the only other State race on the ticket at Saturday's election, the vote stood: William E. Hawkins, incumbent, 136,935, and William E. Pierson of Greenville, 185,674.

BUICK

POWER, sturdiness and dependability have been qualities of Buick Valve-in-Head Motor Cars from the time that the name Buick first became linked with the automobile industry. Today, in equal measure as in the past, the Buick Motor Company is dedicated to a continuance of the policy that has caused the Buick car to occupy the position it holds in the public mind.

To all that the name Buick has meant in twenty years of automobile history, the new Nineteen Twenty One Buick brings that grace of movement, that refinement of every line and feature, that sheer beauty of design which inspire a pride of ownership in a fine motor car.

The new Buick line comprises seven models, one for every possible demand. Each has the famed Buick Valve-in-Head Motor, as rugged and powerful as ever, yet refined into a mechanism of unusual quietness.

The improved radiator, hood and cowl lines give a finished touch of trimness to the body, yet without any sacrifice of Buick individuality.

A more resilient spring suspension gives these new Buick models a riding comfort as delightful as their exterior appearance is pleasing.

Each of the seven models has its own value particularly adapted to a distinct class of service. All possess those inherent Buick qualities that assure the owner the uninterrupted use of his investment.

YOUNG BURNEY TELLS OF TRIPS TO EUROPEAN POINTS

The following is a continuation of the interesting description of his trips in Europe, written by Joel R. Burney to his father, W. D. Burney, at Center Point:

Leaving London in the early morning we were fortunate in having a daylight ride most all the way to Edinburgh. The route we followed was almost due north and from New Castle on up was along the Eastern Coast. At 8 p. m. we arrived in Edinburgh and upon coming out of the depot and climbing up to the street we got our first view of the city, and I must say it was a beauty. The fact is, I think it was the prettiest and most substantial looking city we saw on our whole trip. We obtained rooms at the Royal Hotel, had dinner and then started out to see the city. We saw many things of interest and places of note of which it will be impossible to tell you in a letter. I will have to defer until I can see you the description of which will no doubt interest you. At 11:30 we returned to our hotel to find the door locked. We had to almost kick the door in to rouse anybody. Mind you it was not dark yet. Next morning we went out to the bridge over the Forth, about the longest bridge in the world, I guess. Then a visit to the great University of Edinburgh and to the Castle completed our stay here.

At 2 p. m. we left for Glasgow, where we arrived an hour later. Glasgow is the most American looking city I have seen in Europe. It is strictly a commercial center. I do not think many American officers have visited here for we seemed to attract a great deal of attention. We busted ourselves in Glasgow until 10 o'clock that night and took a sleeper for London, where we arrived at 7 the next morning.

The rest of my party had never been up in a plane so they decided to fly to Paris, but I didn't care about it as I had been up in planes before. So they left at 12 o'clock and I was to come over next morning by boat. That afternoon I spent in the museum, where I met an officer and his wife who are stationed in London and later we went to a show entitled "One Night in Rome," played by an American, Miss Loureth Taylor.

The next morning I missed my train, a pretty convenient habit for me, and as I wanted to be in Paris that afternoon I went over in a plane. At 12 o'clock I boarded one of the big

Handly-Paige machines and at 2:15 I was in Paris. Simplest thing in the world. The planes are just like an observation car on a train; a closed-in compartment with big easy chairs, glass windows, etc. Didn't hardly realize when I crossed the English Channel. Do you remember what a sensation flying across the Channel caused a few years ago? English landscape looked mighty pretty from about two thousand feet up, and France looked even prettier. I don't think I'll forget soon my trip from London to Paris.

As I said before I arrived in Paris at 2:15, and then a few minutes' ride in a taxi brought me to my hotel. This was July 14th, French Independence Day. The streets were all decorated and I never have seen such crowds of people and such pretty gowns in all my life before. In Paris the main street, Rue de Italians, is lined with cafes and in front of each are hundreds of tables extending in some places half way across the street. Here the people sit and watch the crowds go by. We spent several hours here just observing the people pass up and down the street. That night there was dancing everywhere on the streets, in the cafes and restaurants, besides lots of singing and band concerts.

Well, we stayed in Paris until Saturday noon and when we left my neck was sore from riding on rubber neck wagons, looking up at pictures, etc. In Paris we met literally hundreds of Americans and of course they could tell we were Americans, so we were kept busy everywhere we went telling people about the Rhineland. Even Douglas Fairbanks and Mary Pickford, who happened to be in Paris, hailed us on the street and had a very interesting chat with us.

Paris is quite the most fascinating city, I guess, in the world and it was awful hard for us to make up our minds to leave there. I shall not undertake to tell you of what we saw in Paris in this brief letter. You know our time was limited as we only had a three weeks' leave, and as we wanted to see as much of Europe as possible we had to hurry on. We left Paris on Saturday at 2 p. m. with tickets for Rome.

EDWARDS COUNTY MEN PUT UP BIG BONUS FOR OIL WELL

Rocksprings.—With \$10,000 posted as a forfeit and a similar amount awaiting them as a bonus, the Empire Gas and Fuel Company, one of the seven companies now putting down deep test wells in Edwards County, will drill to a depth of 5,000 feet on its 40,000-acre Wallace ranch lease in the south-central part of the county. The company already has deposited a certified check for this amount in the Bank of Rocksprings and business men of this town have matched the check with a similar amount in cash. If the company gets a good producing well at less than a 5,000-foot depth it will receive the \$10,000 bonus, or failing to get a producer the \$10,000 will be turned over to the corporation if its drill reaches the 5,000-foot level. Failure to bring in a well or drill to this depth will result in the company's \$10,000 being forfeited.

The bonus raised by Rocksprings business men is evidence of their desire to have Edwards County fairly tested out as a prospective oil field. Many of the most eminent geologists in the State have declared that the great Edwards Plateau is a recursion north of the Mexican border of the famous Tampico oil structure and have expressed the belief that if wells were drilled deep enough, one of the greatest gusher fields in the State would be uncovered.

The opinions expressed by geologists is backed up by the fact that many of the largest oil companies in Texas have taken up large lease holdings in the county and are drilling or preparing to drill. Among the companies with big lease holdings in Edwards County are the Sinclair, Benedum & Trees, the Humble, Ohio Cities Oil and Gas, the Sun Company, Devil's River Oil and Gas, the Green Cash Company, the Val Verde, the Transcontinental, Mission Oil and Refining, the Texas Eagle and the Empire.

Coming as an aftermath to the abandonment two weeks ago by the Green Company of its deep test well on the Whitehead ranch at 3,500 feet, the offering of a bonus to the Empire Company by Rocksprings business men would indicate a belief on their part that the Edwards Plateau formation was not given a thorough test. That the Green well got oil is evidenced by the fact that the company's big 114-foot derrick is covered with the golden liquid where it

shot over the top of the crown block at the 1,450-foot level and where, according to drillers on the well, at least a 150-barrel gusher could have been brought in. Officials of the Green Company say, however, that insufficient oil was found to warrant setting casing and bringing it in. Since starting the Whitehead ranch well more than a year ago the Green Company has secured more than 90 sections in leases surrounding its test well.

According to Rocksprings business men, practically the entire Edwards Plateau in Edwards, Real and Bandera Counties already is proven for shallow oil of high grade at only 200 feet by wells drilled by ranchers in search of water for their herds. On the Hy Eastland ranch in the northwestern part of the county, one of these shallow wells is said to pump 20 barrels of good grade lubricating oil a day, while on the Pettet ranch, adjoining the Empire's new deep test well, there are said to be over twenty of these shallow wells on 16 sections of land. Absence of pipe line facilities, however, makes the development of the shallow wells an unprofitable venture and it is in order to bring about the building of a pipe line system that local business men seek to have a deep test gusher of big caliber brought in.

Appreciation of Women's Work

Kerrville, Tex., Aug. 31.—The undersigned supporters of the candidacy of Mr. Neff, for themselves and in behalf of the Neff forces throughout the county, desire to express our appreciation of the thoughtful and efficient service rendered by the women supporters of his cause in establishing and maintaining a rest room and headquarters for the voters during election day. To this headquarters, where a quiet, cultured and intelligent atmosphere was created and where the work of the campaign was conducted with dignity and efficiency, we attribute our victory in Kerrville.

MAJORITY OF TEXAS VOTERS STILL TO BE CONSULTED

Dallas, Tex., Aug. 29.—Joseph Weldon Bailey was in Dallas today. He declined to make a statement regarding the result of the second Democratic primary election. In a statement attributed to Mr. Bailey and published today in Fort Worth, Mr. Bailey is quoted as follows:

"The returns received up to this hour indicate a decisive majority for Mr. Neff. I made the campaign for the principles of Democracy as they have been accepted and cherished for more than one hundred years, but the result convinces me that our party in this State will no longer support those principles. The people have spoken and I accept their verdict as a final conclusion of the matter, so far as I am concerned."

In the course of a statement made today, Mr. Nickels, campaign manager for Mr. Bailey, said:

"We made the fight for what we know to be sound principles. The office was purely incidental and unimportant except as it afforded means to the establishment of principles. We lost, and that settles the matter in so far as the office is concerned, and with respect to that we cheerfully acquiesce in the result, because a majority of that minority of the voters of Texas who affiliate with the Democratic party have the unchallenged right to confer the nomination upon whomsoever they will."

"As the majority of the minority composing the Democratic party in action yesterday had the right to confer the nomination upon its choice, so the majority of all the voters of Texas have the unchallenged right to confer the office itself upon whomsoever they desire in the general election in November. More than half a million voters have not participated in the Democratic primaries. Less than half a million did participate. Of those who did participate, there are about one hundred thousand women voters who probably cannot vote in November unless the State laws are amended; and if they can vote at all, then there will be several hundred thousand other women who can also vote and who, of course, did not participate in the primaries."

"There is no obligation of any sort upon anybody who voted yesterday to attend the polls and vote in November. The only obligation is that if they do vote they should vote for the nominee. If the women's vote is eliminated, and the vote cast for Sen-

ator Bailey is eliminated, there will remain about two hundred and fifty thousand of those cast yesterday from which the nominee will be able to draw.

"His opponents of the Republican party and the American party have more than twice this many to draw from, and if the women shall be permitted to vote at all in the general election, they will have 200,000 or 300,000 more. All this suggests interesting developments as November approaches."

MAN, 100 YEARS OLD, WEDS MISS OF 73 SUMMERS

Los Angeles, Aug. 22.—Dr. Andrew Malcolm Morrison was 27 years old when Miss Mary A. Barney was born. Saturday he had seen an even century of this life. He celebrated by obtaining a license to wed Miss Barney. She's 73 now.

This was her first matrimonial venture. It was the doctor's third.

CATHOLIC CHURCH NOTES

By Father Kemper

Schools Open Sept. 7th

Notre Dame Institute will begin her eighth scholastic year on Tuesday, September 7th, the morning after Labor Day. On the same occasion the Mexican School, Our Lady of Guadalupe, will reopen for the fifth time.

Our new faculties have arrived and we can anticipate with the fullest confidence a most successful year. Mother Lasarian has returned to supervise the management. Also Sr. Kiernan, head of the music department; Sr. Xavierius, in charge of the primary grades, and Sr. Constance, the community cook. At the Guadalupe School an entire change of teachers was made. Sr. Consolata traded places with Sr. Hermingild of the mother-house. Sr. Maria Della Passion went to the Guadalupe School in San Antonio and Sr. Adriano of Del Rio was sent here in her place. Both Sr. Hermingild and her assistant, Sr. Adriano, are native born Mexicans, but received their full college and normal training in this country, and have had pedagogical experience for more than a decade of years.

Our High School instructress at Notre Dame, Sr. Albert, was sent to Eagle Pass, and in her place we get Sr. Hilma of Notre Dame Academy, Paris, Texas. Sr. Rose Agnes, who made her life profession on August 15th, was sent to Norman, Okla. She will be substituted here by Sr. Bridget Mary from Fort Worth.

Sisters Protasia and Stanislaus Kostka, who assisted the nuns during the summer months, returned to their new appointments. Sr. Michael Edward left with all the San Antonio boarders on Monday for the Incarnate Word Academy, Alamo Heights, San Antonio.

Misses Roberta Farrell and Matilda Grisson had left last week. A few days later Katherine Burns and her cousin, Blanche Murphy, went back to San Antonio.

Picnic at Mosel's

All the teachers and summer students enjoyed a farewell picnic on the banks of the Guadalupe River at Arthur Mosel's ranch near Ingram Wednesday of last week. The young ladies spent a great part of the day in swimming and did full justice to the big assortment of wholesome goodies that the solicitous Sisters had provided for them.

On Sunday many of the local Knights of Columbus motored to New Braunfels to attend the annual K. of C. picnic. This year the Caseys affiliated with the Hibernians and looked forward to a crowd of at least 1,500 people. Particulars of this outing will be chronicled after our Knights return to Kerrville.

Arthur Mosel and members of his family motored to Rancho on Sunday to visit Charles Mosel, now established there in a flourishing drug business. On their homeward journey they took in Yorktown and Cuero.

Miss Angeline Kemper left Chicago on August 22nd with her mother and nephew to accompany the last two to Portland, Ore., via Canada. She will remain on the Pacific Coast till the last week in October, when she will return to Kerrville. During Miss Kemper's last week in Chicago she enjoyed the companionship of Miss Cecilia Menger, whose family conducts the San Antonio diocesan paper.

Mrs. Frederick Nye and children came home from California last Saturday.

The infant child of Julian Rios was baptized on Tuesday and received the name of Clementine.

Departures and Vacationists

Mrs. A. Siebeck and daughter Norma, returned to New Iberia, La. The latter expects to return soon as a full-fledged Notary Public.

The family of Mrs. R. H. Wood, who have been summering here, went back to Refugio last week.

Xavier St. Martin, a guest at the St. Charles Hotel for several weeks returned to Houma, La., on Sunday.

The following day Tom Scoggins, also a St. Charles summer boarder, returned to his immense shoe establishment in Houston. He had received a visit from his nephew, Wm. A. Nunez, on Thursday of last week, and from the following Catholic Houstonians earlier in the week: Jos. B. Tuffey, C. E. Howe, A. J. Zilker and Thos. O'Brien.

Miss Florence Carew of San Antonio spent her vacation in our Hill Country with her mother and her sister, Mrs. Richter.

Miss Isidora Garcia was the guest for many weeks of her grandaunt, Miss Gertrude Kirehens.

The family of Dr. P. J. Dominguez returned from their long and instructive motor trip through the Western

States on Thursday evening of last week.

Miss Verna Bulwer was entertained by her cousins, the Kaisers sisters, and Charlie Kuesel.

From Falls City we have Miss Gladys Moczygamba, who is staying with her friend, Miss Hedwig Ingenuhuett.

Ramon Castillo and his daughter, Amparo, spent Sunday in San Antonio.

Mrs. John Talley returned from Little Rock, Ark., with her baby daughter and her sister, Miss Stella Finley. The latter will help to nurse Mr. Talley until she must resume her teaching work.

Albert Lee Hail, formerly a citizen of Kerrville, has moved his family from San Antonio to Center Point.

SCHOOL NOTICE

The School Board has ruled that every child must furnish a vaccination certificate upon entering school. (Signed) A. E. SELF, Pres. J. D. BOWDEN, Secy.

Junction Jots

Eagle, Aug. 27: At high noon Monday, August 23rd, Milton Carson and Miss Nessye Fleming were united in marriage at the Baptist Church, the pastor, Rev. S. F. Marsh, officiating. The bride's parents, Mr. and Mrs. John S. Fleming, and her brother, Slatior Fleming, witnessed the ceremony.

Mr. and Mrs. W. M. Tinsley of Telegraph and Mr. and Mrs. C. Gardner Franks of Rocksprings met Mr. and Mrs. Frank Calcott of New York City in Kerrville last Tuesday. They will visit at the R. M. Stevenson ranch home, Mrs. Calcott's father and mother.

The London road, which is being built by W. S. Bailey & Sons, is progressing nicely, and hardly before you realize it we will have good roads to our little sister city. The road from Six-Mile into it has been graded and will be completed as fast as it is possible to have gravel hauled. This is also being built by Mr. Bailey. The road beginning at South Lane bridge leading to Kerrville, is now under good headway and is being rapidly pushed. A. McNeill is in charge of this part of the good roads contract and has, in our opinion, about the worst part of the road from here to Kerrville, as a good portion of the mountain on the right of the road has to be removed in order to make the road bed wide enough at this point. Kerrville is making preparations as fast as possible to come this way out of Kerrville to the Kimble County line.

Some time ago, while John Smith was digging a well for Sam Kenne, a large rattler fell into the well where he was at work. The facts in this snake story goes something like this: While Mr. Smith was busily engaged in digging a well, which was down some 15 or 20 feet and Mr. Kenne, who was doing the dirt digging a large rattler about 3 or 4 feet long and some 4 or 5 inches through, fell into the well while Mr. Smith was at work. Just before the snake fell into the well Mr. Kenne gave the alarm, but was unable to keep it from falling in, thinking all the time that the snake would crawl back from the well and did not attempt to kill it for that reason. Mr. Smith was drilling at the time with a 12-foot drill and when the alarm was given climbed to the top of the drill, and the snake fell past him to the bottom of the well. Bracing himself with his feet, and back against the wall, he succeeded in killing the snake with the drill.

Bandera Budget

New Era, Aug. 26: Born to Mr. and Mrs. Sam Stevens, August 21; a boy.

Born to Mr. and Mrs. Amasa Clark Jr., August 20; a girl.

Joe McCurdy of Port Arthur came up last week to join his wife in a few days' visit here and at Kerrville.

Mrs. Anna Manning and daughter, Marguerite, left yesterday for Rockport, where Mrs. Manning will teach in the school again.

Arthur Brient, while riding on a load of fodder at the home of his brother, C. H. Brient, on Privilege last Friday, was caught by a telephone wire and pulled off the truck, receiving a broken collar bone and other injuries. He is said to be recovering nicely after receiving medical treatment.

Bernice Surber has received his discharge from the U. S. Navy and arrived at home last week on a visit to his parents, Mr. and Mrs. J. H. Surber. He entered the service the year before war was declared and served all through the activities of the war, although being in the service four years. He brought home a new Harley-Davidson motorcycle and will enjoy riding some more on land after four years on the water. He also brought home a splendid record of service and a diploma from a school of electricity.

FIRST BAPTIST CHURCH

J. B. HOLT, Pastor

Sunday was not a good day for us. Many of our people were away and some of our best families are leaving the city for good. Brother McCauley and family left last week, leaving us without a church treasurer. We will miss them very much and pray that the Lord will lead and bless them in every move. Especially do we hope that Mrs. McCauley's health may rapidly improve. Brother Procter has accepted a position with The San Antonio Express and may move his family to that city soon. Many of our young people will leave for school and to teach school in a few days. We will miss them more than we can say.

The pastor preached both hours Sunday and there were two additions by letter. Those joining us were Miss Abbie Moore and Brother Durfee. We welcome both of them.

Elmer Deering left Tuesday morning for Jacksonville, Tex., where he is to be the principal of the high school next year.

The Teacher's Council had an interesting business and social meeting in the Sunday School room of the church Tuesday night.

The B. Y. P. U. will have a social at the pastor's home Friday night to say goodbye to those who are soon to leave us for the winter.

Dr. Joiner of the First Baptist Church of Longview, Texas, worshipped with us Sunday morning and led us in an earnest prayer for God's blessings upon us.

Miss Fay Turley gave her Sunbeams a delightful social at her home Monday afternoon. There was a splendid crowd and everybody had a good time.

The Medina River Association will convene at Bandera next Thursday night. A large attendance is desired and expected. We hope quite a number will go from here.

September will be Baptist Standard month. Let everybody subscribe. Come and worship with us.

Hunt Happenings

Miss Rosemary Capura of San Antonio is the guest of Miss Edna Todd at their summer camp.

Mrs. E. W. McCallish will leave Thursday of this week for San Antonio after a month spent at La Junta, the guest of Mrs. F. C. Walsh.

Mr. and Mrs. G. B. Gouger and daughter, Mrs. Naomi, have returned to San Antonio after spending the summer at Hunt.

Miss May Steigner of San Francisco, Cal., is the guest of Mrs. F. C. Walsh.

Mrs. J. E. King has returned to "Kamp King" after three weeks spent in San Antonio.

Dr. and Mrs. S. J. Steele will close their summer home this week and return to San Antonio. Miss Henrietta Steele will return to the Texas University, and Misses Jimmie and Dorothy will attend High School.

Rev. Byrd of Kerrville and Rev. Walker of Ingram have just closed a splendid meeting at the Baptist Church here. A large arbor was erected for the services, and large crowds came each day to hear these splendid men preach. Quite a number were added to the church.

Mrs. Owen and children have returned to their home at Little Rock, Ark., after spending the summer with Mrs. Owen's parents, Mr. and Mrs. J. W. Bratton.

Mrs. H. B. Gouger has returned to her home at Alice after spending several weeks here.

Judge Claude C. Carter of San Antonio is spending his vacation here.

Pupils' Recital

A recital was given by the pupils of Miss Rawson's Expression Class in the basement of the First Baptist Church of Kerrville on the afternoon of August 27, 1920. The program rendered was as follows:

"Two and Two Are Always Four," Loraine McCown.

"Little Miss Mischief," Elsie Rawson.

"Fatty," Blanche Shumaker.

"Johnny's History Lesson," Mattie Turley.

Chorus, "Miss Mousie," Catherine Shekell.

"Under the Buggy Seat," Catherine Shekell.

"Prior to Miss Belle's Appearance," Georgine Rawson.

Chorus, "Mr. Duck and Mr. Turkey," "How Rube Played," Catherine Shekell.

"Katy Did" (Pianologue), Mattie Turley.

"That Old Sweetheart of Mine" (Pianologue), Catherine Shekell.

Mr. and Mrs. Raymond Allen were visitors in Kerrville last week from their ranch near Junction.

PILING UP HAPPINESS

DOES each year find you wishing and hoping for better things in the future—and regretting lack of accomplishment in the past?

There is one sure way to fill your horn of plenty to the brim with all the good things of life. It entails no sacrifice now. It merely means the forming of a good habit.

Save! That good old formula for success is as true now as when it helped build the fortunes of our pioneer railroad builders, manufacturers and promoters.

Applying it on a small scale in your own way will bring you results in proportion.

WALTER G. PETERSON

The Sun takes pleasure in endorsing the candidacy of Walter G. Peterson, who is the Democratic nominee for Assessor of Kerr County. This is not a formality, but is because of the efficiency of Mr. Peterson. During the eight years that he has held the office of Assessor, Mr. Peterson has treated the taxpayers with absolute fairness and impartiality. Very few of his assessments are ever changed by the equalization board. However, while assessing property upon a basis of fairness and equality, Mr. Peterson does not ignore what the owner of that property considers it to be worth for taxation.

Walter Peterson is a native of Texas, and has lived in Kerr County since 1882. He is an upright citizen in every respect. At the time this country was in war he did only what any American citizen should have done to aid in the success of his country, and what he was expected to do. It is the practice of the people of Kerr County to retain capable officers in service for a long time, and there is no reason why there should be any change in the case of Walter G. Peterson.

When you take about 100,000 women and nearly as many, if not more, of the union labor forces for Mr. Neff you can see where two-thirds of the Neff vote came from. And again, this vote was mostly based on prejudice and misinformation. We do not say that the rank and file were not sincere, but they were simply misled. Alright, let them get as busy in No-

ANNOUNCEMENTS

The Sun is authorized to announce John A. Leinweber as an independent candidate for County Assessor of Kerr County, at the election to be held the second Tuesday in November, 1920.

The Sun hereby announces the candidacy of Walter G. Peterson, who is the Democratic nominee for Assessor. He solicits the suffrage of all of the voters of Kerr County, upon a record of efficiency.

vember. The responsibility is with them.

Kerr County got back to its old-time fealty in the run-off primary. It only required a turn-out of the natives.

Those who voted in the primaries and pledged themselves to support the nominees should do so, provided they vote.

Nominee Neff's "heart pulsing" was not for the good women who voted so solidly as to make possible his nomination, as he did not mention them at all.

The Republicans and American party constitute a majority of the voters of Texas if all who failed to vote in the run-off primary are members of those two parties.

Democrats in Texas are shy about 300,000 votes in the primaries recently held compared to elections previously held, it is claimed. This is enough to cause some changes if united on any candidate. Some claim that most of these voters are now adherents of the American party, which is being sponsored by Ex-Governor Ferguson and MacGregor, the nominee for Governor of that party.

There seems to have been a concerted movement in the State to have all of the men and women over 60 years old out to the polls, and especially the women. Some in this section over 80 years old were prevailed upon to vote for Mr. Neff. That aged vote throughout the State must have totaled many thousands for Mr. Neff. There was no poll tax necessary for those over 60 to vote.

The sugar jobbers have the gall to ask the Government to give them relief from the sudden drop in the price of sugar. We hadn't noticed the drop. The jobbers claim the refiners combined and kept up the high price of sugar. It looked like all of them were in the combine. It would be about like the Government to help the jobbers when it refused to help the people against the refiners, jobbers and retailers.

In the first primary, Pat M. Neff is reported to have said he would not vote for Mr. Thomason if he was nominated, and in the run-off primary is said to have stated he would not vote for Bailey if he was the choice of a majority in that contest. Well, that gives others the same privilege Mr. Neff claimed for himself—they can go fishing election day if they choose, and not consider they are doing any particular wrong.

WONDERFUL MUSICAL REVUE FAIR EVENT

Emile de Recat, Famous Producer, to Present Original Show.

Assuring the people of Texas and the southwest a wonderful and entirely original Coliseum show for the State Fair season by a daring adven-

ture into the production game, the State Fair management will present, beginning October 9 and ending October 24, Emile de Recat's latest and most famous production. It will be in the nature of a musical revue, giving world events in song and dance. De Recat is a genius in costuming, stage decorations and effects. He will be given free rein to make the State Fair revue the most wonderful in the way of costumes and stage scenes that has ever been produced in the South.

"There will not be a dull moment in this great revue," says Secretary W. H. Stratton, who visited a week at de Recat's studio in Chicago. "The singing and dancing will be extraordinary, introducing as it will ten principals and a chorus of twenty-four beautiful girls. The costumes will make every scene one of dazzling, vivid beauty. In addition four unusual specialty acts will round it out."

Three carloads of scenery will be needed to stage the revue, which will be shown in Dallas for the first time, making the State Fair rank with New York and Chicago for original productions.

COX'S CATTLE MAY VISIT STATE FAIR

Democratic Presidential Nominee is Owner of Fine Herd of Herefords.

Visitors to the livestock exhibit of the State Fair of Texas—October 9 to 24—will likely have an opportunity of seeing some of the famous Hereford breed raised by Governor James M. Cox of Ohio. Plans are being made to bring the pick of the Democratic nominee's herd here during the Fair and enter them in the contest for the livestock awards.

Assurances that the livestock exhibit this year will far excel any previous exhibit held here are made by Secretary W. H. Stratton, who has just returned from a trip to Chicago, where he visited a number of prominent cattlemen whose prize herds will be seen here this fall. Mr. Stratton declares that the coming Fair is arousing more interest in the North and East than ever before and that scores of cattle raisers from the Chicago district alone are already making plans for the trip during October.

Cattle, swine and sheep will have a prominent place in the exhibit and entries for all divisions have already begun to pour in. Those in charge of this department of the Fair are fired with enthusiasm over the prospects of staging the greatest livestock show that America has ever seen.

SCHOLARSHIP AWARDS EVENT FOR YOUNGSTERS

The awarding of seven college scholarships will be one of the many features of the Boys' and Girls' Educational Encampment to be held at the State Fair of Texas, October 9 to 24. It is estimated that more than 1,000 boys and girls will attend the encampment and each will be given an opportunity to win a prize.

In addition to the six scholarships announced recently, T. B. Trull & Son of Waxahachie, Texas, have offered an A. & M. College scholarship for the best acre of cotton grown by a member of a Boys' club.

The encampment which has been organized now for several years, is a very important factor in keeping boys and girls of Texas interested in farm work.

AUTO SHOW AT FAIR TO BRING NEW MODELS

Though the exhibition season of the State Fair of Texas—Oct. 9 to 24—is several weeks away, automobile dealers of Dallas and of North Texas have practically all placed their orders for cars to be brought here for the automobile exhibit, which will be held on a larger scale than ever before. Already more than a hundred entries have been made by automobile dealers and many more will be made before the Fair is opened, taking up every bit of available space in the automobile building.

Late models of cars of practically every make will be shown here. In many instances the new 1921 models will be displayed for the first time.

GOT SOMETHING YOU WANT TO SELL?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want. These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year.

Why Not Sell Them?

Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in The Mountain Sun?

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/4-inch tires front and rear, is a family car of class and comfort, both in summer and in winter. For touring it is a most comfortable car. The large plate glass windows make it an open car when desired, while in case of rain and all inclement weather, it can be made a most delightful closed car in a few minutes. Rain-proof, dust-proof, fine upholstery, broad, roomy seats. Simple in operation. Anybody can safely drive it. While it has all the distinctive and economical merits of the Ford car in operation and maintenance. Won't you come in and look it over?

C. Quintal, County Demonstration Agent, representing the State and Federal authorities, left today (Thursday) for Virginia, where he will superintend a large farm. Mr. Quintal has proven himself a careful, energetic and capable County Agent, and his departure is much regretted by live stock men and farmers, as well as the people generally. He has the best wishes of all of them.

27.2 Miles a Gallon Atlantic to Pacific

Piloted night and day for seven and one-half days by 25 drivers who never before saw the car, a stock Overland wrote ECONOMY across the country. Over all kinds of roads for 3442 miles it averaged 27.2 miles per gallon of gasoline; 1721 miles per gallon of oil. The entire trip was made with the original tire equipment. Again, as in hundreds of great tests, Overland alloy steels and Triplex Springs made possible the record of this light-weight car.

WHO'S SAVING THE MONEY YOU MAKE?

Where does your salary go? Who is getting the benefit of it? Unless you are saving something out of it every payday it is the other fellow and not you whom your work is aiding. Don't let the other fellow save those dollars of yours which you should save for yourself. Make it a point to put away 7% or 10% of your salary every payday. Invested in War Savings Stamps, which can be gotten at the postoffice or bank, it will be absolutely safe and bringing you interest at the rate of 4% compounded every three months. It is better to save than to be sorry.

HAVE YOU DONE THIS?

Have you gotten that other War Savings Stamp this week? The time to begin saving is now—not tomorrow. It is better to be ahead of the game, even if it is only a dollar or two, than to be a nickel behind.

TWO AND A HALF MILLION COME TO HOLDERS OF THIRD LOAN BONDS NEXT MONTH

Dallas, Texas.—Owners of Liberty Bonds of the third issue, bearing 4 1/2% interest, according to Dinsmore W. Hume, Federal Director of Savings, number 719,210 in this district. The total value of Liberty Bonds bought in the district was \$116,210,950. The interest thereon at 4 1/2% will be due and payable at any bank on September 15; it will amount to \$2,469,462.50 for this, the eleventh reserve district, according to Mr. Hume. A like amount of interest on the same bonds will be paid in six months later, on March 15, 1921. Bankers are frequently finding bonds issued in 1917 and 1918 from which no interest coupons have been clipped.

BOOKER T. WASHINGTON'S DAUGHTER URGES NEGROES TO EARN, SAVE, INVEST

Dallas, Texas.—Portia Washington Pittman, daughter of the noted negro leader, Booker T. Washington, wife of W. Sidney Pittman, a negro architect in Dallas, insists that now is the time when negroes, above all others, should earn, save a part of their earnings, and invest in government securities. "Negroes are now earning more than ever before in their lives," she said. "They should save and invest it so it will comfort and give them the things they need so much when age or sickness or death overtakes them. The War Savings Stamp and the Registered Treasury certificates are absolutely safe investments and make their owners better citizens."

STATE FIRE MARSHAL INVESTS THIRD OF INCOME IN LIBERTY BONDS MONTHLY

Austin, Texas.—Hon. A. P. Woodruff, former banker, long mayor of Austin, now state fire marshal, writes that he is investing at least one-third of his monthly income in Liberty Bonds, which he tells Dinsmore W. Hume, Federal District Director of Savings, of Dallas, he considers best for him. Mr. Woodruff adds that were he not buying these securities he would invest in other government savings securities. "War Savings Stamps and Registered Treasury Savings Certificates"

"I'VE QUIT PLAYING THE SUCKER'S GAME; I'M NOW BUYING W.S.S.," SAYS MAN

"Heretofore I have been playing the sucker's game and I have always come out at the muzzle of the cannon, now now, I am putting some of my salary in War Savings Stamps," writes a Smithville, Texas, man to Dinsmore W. Hume, Federal District Director of Government Savings. "After all, the safe saving game is the safest game to play, and War Savings Stamps are absolutely safe. They yield an attractive rate of compound interest."

REGISTERED TREASURY SAVINGS CERTIFICATES AT LOCAL POSTOFFICE

Paying compound interest and cashable on demand, the new \$100 and \$1,000 Registered Treasury Savings Certificates, registered against loss in any way, may be obtained from or through the local postoffice or banks. A \$100 certificate costs eighty odd dollars this month. The price of a \$1,000 certificate is only eight hundred and some odd dollars.

The difference between the capital-ist and one, who is not, is \$415, or one War Savings Stamp. Make your money work for you as well as work for it. Put it to work in a Registered Treasury Savings Certificate.

BATHING GIRLS IN SCANTY SUITS MAUL PREACHER WHO OBJECTED

Philadelphia, Pa., Aug. 30.—Nothing less than the intervention of a sheriff with a drawn and cocked revolver saved the Rev. Frederick Kopfmann from a merciless and perhaps fatal drubbing yesterday at the hands of 500 infuriated summer residents of Washington's Crossing. Rev. Kopfmann has stirred up trouble by a series of sermons condemning the scanty bathing attire of summer residents while bathing at Washington's Crossing.

Even as it happened the self-appointed enforcer of the various ramifications of the Sixth Commandment was badly mauled. He carries now, below his right eye, a bruise of many colors. He had been pelted with over-ripe tomatoes, struck with stones and other missiles and smacked over the mouth by the very "hussies" he has sworn to drive out of the State.

The Rev. Kopfmann began the day in high spirits. After the sermon at Titus the pastor shook hands with his parishioners, said he didn't know whether or not he'd be back for an evening service, and jumped into a waiting automobile.

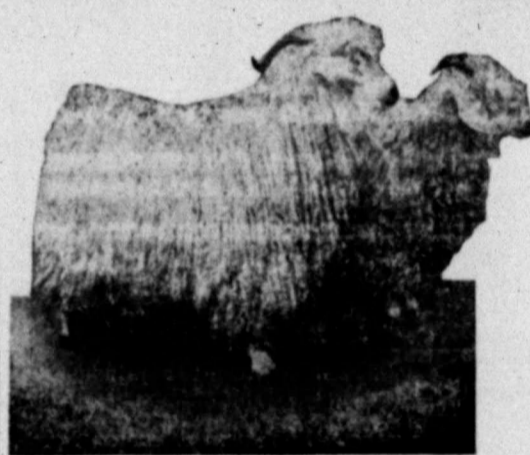

Unfortunately for the Rev. Kopfmann, the engine of the car stalled right in front of the cross roads store, just a few rods from the bathing bridge. The parson might have escaped detection had he not chosen to thrust his head apprehensively out of the window to ask what was the trouble. Some one lounging in front of the store recognized him and set up a shout. In an instant there were five hundred or more young men and girls in scant and dripping bathing costumes climbing aboard the car. They swarmed upon the running board with cries of "There he is, the dirty lizard. Throw him in the river! Duck him! Duck him!"

Keeping his head out of the window, he began to make a speech. At this point a tomato hurled apparently from a little distance struck the parson squarely in the middle of his pallid forehead. This was followed by a fusillade of sticks and stones. The Rev. Kopfmann sank back on the cushions.

"Let's leave it to the ladies," shouted someone. This was carried by violent acclaim.

"Out with him! Duck him!" shouted the ladies. "Take him to the river! Oh, the lounge lizard! The hypocrite! Drown him!"

Some of the young women pushed through to the machine and reaching through the window smacked the face of the preacher. Two heavy young men opened the doors and reached for the parson. The pitiful state of the Rev. Kopfmann made them hesitate for a moment. Tears were oozing down among the fragments of to-

McKay-Sweeney

Miss Mary McKay, a former Kerrville girl, and Harold J. Sweeney, prominent young business man of Urbana, Ohio, were quietly married on Thursday, August 19th, at San Antonio, Texas, only relatives and close friends being present for the ceremony.

The bride is a niece of Mrs. T. B. Peterson and has spent the greater part of her life here, graduating from the Tivy High School and from the San Marcos Normal. The past two years she has made her home in San Antonio.

She is beloved by a large number of friends here and all join in offering the happy couple every felicitation. Immediately after the ceremony the young couple left for their home at Urbana, Ohio.

QUALITY

has been a much misused word in advertising these last few years. Not a cheap-joint firm in the country but claims it. Once in a great, great while the claim is justified.

Not to change the subject at all, here is a little bit of what we hear every day or so in our store, from people who have visited Kerrville in years past. Almost invariably they want to buy some of our special makes of candy. And invariably they say, before they are served:

"But it can't be what it used to be. Not with butter and eggs and cream the price they are now. No candy maker in the world uses things like that in these degenerate days."

What they say after they have tried it—but we do not want this to sound like boasting. What they say is merely rendered possible by the fact that we DO USE those very materials still and now—in spite of the cost.

And we believe that we have the right to use that word—QUALITY.

Popular Young People Wed

Wednesday morning at 7 o'clock, Miss Minnie Mae Boeckmann and Joseph Lowrance were united in marriage at the residence of the bride's parents, Mr and Mrs. Wm. Boeckmann, Rev. W. A. Smith Jr., pastor of the Methodist Church, officiating.

Previous to the ceremony, Miss Mamie Sublett sang very beautifully "All for You" and "Sing Me the Rosary," accompanied by Mrs. Ernest Boeckmann.

The bridal party entered to the strains of Mendelssohn's "Wedding March," exquisitely played by Mrs. Ernest Boeckmann.

The bride was beautifully gowned in white georgette trimmed in hand-made roses over duchess satin, and carried a lovely bouquet of white carnations and dahlias.

The rooms of the residence were decorated in an artistic and attractive manner. An improvised altar of ferns and white dahlias was set in the parlor, tall vases of josh beans and dahlias, tied with maline bows, being placed about in the room.

After the ceremony the bride's cake, which was placed on a lovely decorated table in the center of the room and guarded by "Mr. Cupid" and also the "Cupid bride," was cut first by the bride and then by the guests.

Immediately after the ceremony an informal reception was held, after which Mr. and Mrs. Lowrance left for San Antonio to visit relatives before leaving for Uvalde, their future home.

The Sun joins their large circle of friends in extending best wishes.

Center Point Comments

Geo. Sellers returned Monday from a week's business trip to San Antonio.

Mrs. C. Stuckert, one of our summer visitors, left this week for her home in Brenham.

J. E. Davenport, wife and son visited at the Davenport Ranch for several days last week.

Earl Davenport returned last Friday from a two weeks' prospecting trip to Corpus Christi.

Fred Thalman and Herman Mansfield of Bandera were transacting business in Center Point Tuesday.

The election on Saturday passed off quietly here and now everybody has made friends with everybody, and we are moving on just as usual.

Mr. and Mrs. L. A. Wall and Miss Mary Andrews, who have spent the summer in Center Point, returned to their home in San Antonio Monday.

Time Witt of Phoenix, Ariz., is visiting his parents here. He is a son of Mr. and Mrs. J. M. Witt of this place and was born and raised near here.

Misses Jewel Griffin, Velma Coleman and Messrs. Rudy Fisher, Morris Kendall and Harold Dreck composed a week-end party who came up from San Antonio and spent Sunday at the Bruff House.

A numerous signed petition was in circulation in Center Point this week, asking Judge Wallace to appoint A. J. Gibbens of this place to fill out the unexpired term of Commissioner from this precinct.

M. K. Hood left Sunday for El Paso, where he goes in the service of the Blue Star Elevator Co. of San Antonio. Before leaving Mr. Hood resigned the office of County Commissioner, which he has held for some time.

Russell Irving, young son of R. J. Irving, had the misfortune to break his leg. He was plowing with a disc plow and in some manner caught his leg in the wheel. Dr. Jones was called and set the limb, and at present the boy is doing fine.

Among recent arrivals in Center Point are Mrs. Phillip Fulcrod with her son and daughter from Goliad, Mrs. McGaffey and three children from Houston, O. P. Jones from Bastrop and Mr. Ford from Louisville, Kentucky.

Our Policy for Half a Century

When Thrift perches on the window sill, Extravagance walks out through the door. For it is a well known fact that Thrift and Extravagance cannot breathe the same air; it is impossible for both to exist under one roof at the same time; one must choose 'twixt the two. Which is preferable? Extravagance, that sees no further than the sundown of today—or Thrift, that offers the supreme satisfaction of seeing "rainy-day insurance" accumulate, and the future well provided for? This store has chosen Thrift. Hence its policy of "selling what is best, with price the second consideration." It is this policy of economy that has created the powerful incentives of "greater values" for the money—incentives that are saving many dollars.

SET DATES FOR BIG AUTO RACES AT FAIR

Returning from Chicago, where he consulted with many automobile authorities, Secretary W. H. Stratton of the State Fair of Texas has announced

the dates for the auto races that will feature the State Fair season—October 9 to 24. These dates are:

Tuesday, October 12.
Saturday, October 16.
Sunday, October 17.

On these dates the kings of the dirt track racing game will meet in competition, insuring some of the greatest sport Texas has ever seen.

In addition to this, plans are now being made to stage a great international sweepstakes race on some day during the last week of the Fair, when the winners of the three days will meet in competition. This will undoubtedly be the greatest automobile racing event ever staged in the south-west.

COUNTY EXHIBITS WILL BREAK ALL FAIR RECORDS

With the co-operation of T. O. Walton, director of the State Extension Department at A. & M. College, assured, the State Fair of Texas is moving forward to a record-breaking season as regards county agricultural exhibits. Mr. Walton and Secretary W. H. Stratton of the State Fair have had a series of conferences on this important department of the Fair, and every assurance is extended by Mr. Walton that the exhibits will be far more numerous, and far more select, than those of any previous year in Fair history.
