Y. M. C. A. CAMP OPENS THIS WEEK AT CAMP RIO VISTA

San Antonio Express, May 26: The Y. M. C. A. will open next Wednesday, May 31, the 12th annual boys' camp of San Antonio at the site nine miles north of Kerrville, and run for a period of ten days. The location used this year is the Camp Rio Vista property owned by Herbert L. Crate. Mr. Crate has just expended \$5,000 on the site, which has made it one of the best and most fully equipped campsites in the State. The equipment there now consists of a large dining hall, kitchen, camp store, supply house and first aid house. The first aid house has been provided with a \$200 stock of supplies by Dr. Jackson, well known Kerrville physician, who will act as camp surgeon during the stay. Camp shacks that will house seven boys and a leader will be used by the boys as sleeping quarters. The houses are equipped with built-in steel cots, for which each boy must furnish his bedding. Part of the food used in the kitchens will be produced on an irrigated truck farm and at a nearby dairy and poultry farm. Every attention has been given the site in the hope of making it a permanent camp for boys.

The athletic features of the camp, which always appeal to the boys, are: Baseball diamonds, basket ball courts, volley ball and tennis courts, running track, jumping pit and other means by which the boys may enjoy themselves. A diving tower and spring boards have been constructed on the banks of the Guadalupe River, where the site is located, so that the campers may make use of the advantages that the river offers in the nature of fishing, swimming and boating. The boys will be permitted in the water only at stated times and then there will be close watch held by an experienced life guard.

The program for the "Y" camp is one that is aimed at the development of the physical, mental, social and religious side of a boy's life. Graded tests, track and field events and contests, minstrel shows and daily Bible study form the basis of this program. Every boy in camp must take part in all these courses. A prize is awarded to the one making the best average in all classes of work.

Among those who will make the trip this year are: Leaders, H. G. Spruce, camp director; L. R. Goodrich, physical director; W. W. Jackson, W. Sanderson, Gus Pfug, H. G. Leonard, Prof. J. F. Howard, E. L. Crate, W. B. Caldwell, James Dugger, Thad Perry, Harold Shaw, Cecil Lawrence and Carlos Coon. The five last named to be tent leaders. Other boys making the trip are: Vernon McNeil, R. C. Watts, Walter Baldwin, Hilmar Fritze, Eugene Garrett, Lawrence Joyce, W. B. Stokes Jr., Walter Scott, Jack McCormick, McCullom Burnett Jr., Lewis Scofield, Walter Lewis Hart, Harold Conway, Carl Bosshardt, Everett C. Lloyd Jr., Lavosier Lamar, Hopsan Lamar, Weldon Campbell, Henry A. Rogers Jr., Ben Jones, Napier Rogers, W. R. Ridgeway, Frank Woods, Chauncey Carter, Joe Vance, Frank Vance, Billie Steele, George Ellis, Harry Trail, Carleton Conners, Harry McCormack, Neil Howland, Harry Porter, Emory Williams, Perry McKinon, Harold Joseph, Phil Wright Jr., Andrew Jensen, Donald Brown, Roscoe Houser, William Staples, Lloyd Templeton, Edward Fontaine, Charles Jones, Jarrell Mallory, Joe Wiseman, Henry Gish, Douglas Travers, Evans Fitch, Albert Jemonde, Earl English, John Herren, Sam Steves, Victor Fritze, Charles Bergstrom Jr., Sam G. Newton III, Hi Eckhardt, Fain McDougal, Spruce Keen, Horace Kelton Jr., Bennett Storey, Dick Boyd and Charles Plum.

The party will leave the city Wednesday morning at 8:45 over the San Antonio & Aransas Pass Railroad and upon reaching Kerrville will be transported from the station to the camp in automobiles. A special fare has been granted by the railway company to those making the trip.

Harvest Commences

Last week several fields of oats and early wheat were cut, and this week, with favorable weather, will see harvest on in full blast.

Some fields of oats have rusted pretty badly, but a close examination has shown that in most cases the rust is only on the blades and will not seriously damage the crop. However,

most of the farmers are reporting a light yield.

Only a few fields of early wheat have ripened so far and the yield, on the whole, is believed to be below the average. Judge Julius Real cut a field of early wheat last week-end, however, that he says will run from 18 to 20 bushels, and other fields in that section give like promise. The Turtle Creek community received several showers last fall that did not extend to the rest of the county, which probably accounts for their good crop.

ASSOCIATED CHARITY DIRECTORS REQUESTED TO MEET FRIDAY

The Board of Directors of the Associated Charities of Kerrville are urged to be present at a meeting Friday afternoon, at 4 o'clock, in Pampell's Hall, as it is desired to select a secretary for the board and transact other business in connection with a complete organization. The following are the directors of the Associated Charities Board:

Rev. J. B. Holt, Rev. J. Grady Timmons, Dr. J. E. McDonald, J. L. Tullis, Mrs. J. W. Burney, Mrs. J. S. Wheelless and Mrs. Scott Schreiner.

DESERVING CASE RELIEVED BY ADVANCING AMOUNT NEEDED

The Associated Charities organization, recently formed, has not yet started to function, but an urgent case being presented the other day it was cared for. It was an instance of a young man coming here from Southwest Arkansas with a wife in advanced stages of tuberculosis, and being told she could live only a short while, and he desired to get her home to see several small children.

The husband being without sufficient means to make the return trip solicited aid and it was raised for him by seeing some of our citizens who could be conveniently reached. The young husband asked for it only as a loan, but even at that it is considered proper that credit should be given those making the advance. Especially ought the McCoy-Moore Construction Company be commended for advancing nearly half of the amount, which was in appreciation of the beneficiary having worked on road construction for that company a short while and proving efficient and reliable.

There was only time to consult those most convenient, so the following is the list:

McCoy-Moore Construction Company, \$22; Chas. Schreiner Company, \$5; Chas. Schreiner Bank, \$5; Wm. Brice, \$2.50; J. L. Tullis, \$2.50; First State Bank, \$2; W. A. Fawcett Furniture Co., \$2, and \$1 each from A. W. Henke, H. Noll Stock Co., Kerrville Bakery, A. E. Self, Mosel, Saenger & Co., J. L. Pampell, Home Market, C. C. Butt Grocery, W. B. Brown and H. C. Geddie, making a total of \$51.00.

In this connection we desire to state, that all contributions under the new charity organization will be acknowledged through the paper, and also the expenditures, so far as amounts go. We believe that when the public is solicited to give aid to any kind of public or charitable affair, the amounts received should be given publication, as well as where the money goes. The public is entitled to this much, and it ought to be done in all instances.

Swimming Party

Mrs. H. V. Scholl entertained a few friends with a swimming party last Friday afternoon.

A picnic lunch was served, following the swim, to Mrs. A. T. Adkins and little daughter, Mrs. Ally Beitel and children, Mrs. Tom Sutton, Mrs. Joe Gardner and children, Misses Edna and Annie Saenger and the hostess.

Morning Bridge Party

Mrs. A. T. Adkins entertained last Friday morning with three tables of Bridge, complimenting Mrs. H. V. Scholl. A yellow color motif was carried out in the decorations.

The prize for high score was given to Mrs. J. S. Wheelless and the consolation to Mrs. Chas. Rawson, both being attractive pieces of ivory.

A salad course was served to the following guests: Mesdames Ally Beitel, Leonard Rawson, Chas. Rawson, Mrs. E. H. Prescott, Mrs. A. F. McClellan, H. H. Kuhlmann, S. J. Williams, Ed. Mosel, J. S. Wheelless, Lee Wallace, J. D. Jackson, A. C. Schreiner Jr., the honoree and hostess.

WESTMINSTER ENCAMPMENT OPENS HERE ON JUNE 10

At a meeting of the Board of Trustees of the Synod, held last Saturday at San Antonio, it was decided to open the Westminster Presbyterian Encampment at Kerrville on June 10th, continuing till September 15th. There will be an unusual and interesting program for entertainment of guests and conferences, the following giving a synopsis:

Seven different conferences will be held this year, beginning with the Young People's Conference on July 12-19, and the last will be the Home Mission Conference from August 12 to 16. Many speakers who have won merit in their work in the affairs of the church will be at these conferences for daily addresses, and many of the problems of the church and its work today, will be ably discussed.

The faculty of the Young People's Conference this year will be composed of Dr. W. L. Lingle of the Assembly Training School, Richmond; Dr. B. R. Lacy, Central Church, Atlanta; Dr. C. C. Knight of Brazil, and Dr. J. O. Reavis, Dr. Homer McMillan, Jack Hupperts, H. C. Fullerton, Miss Elizabeth Shields, and others. Dr. Lingle will speak on "Essential Christian Doctrines," and Dr. Knight of Brazil will tell of the missionary work in that country. The aim of the conference is to promote fellowship, study and vision among the young people of the church. Those between the ages of 16 and 24 are eligible.

Sunday School Conference

The Sunday School Conference will be held from July 20 to 26, and will be under the direction of Rev. W. Taliaferro Thompson, of the Richmond Seminary, and will cover all departments of the Sunday School. The daily schedule will include Bible study at 9 o'clock each morning; pupils' first unit of teacher training at 10 a. m., and sectional conferences at 11 a. m. In the evenings there will be a storytelling hour from 7:15 to 7:45 and Rev. Dr. Thompson will make an address at 8 o'clock each night. He will also talk each morning at the teacher training classes and Dr. A. F. Cunningham will make daily addresses before the Bible class.

The section conferences will be conducted by the following: Children's division by Miss Shields; junior's division by Mrs. W. N. Wiggins; young people's division by Miss Mary Louise Woodson; adult division by H. C. Fullerton, and administration by Mr. Wiggins.

A synodical committee, composed of Mrs. J. L. Brock, Mrs. W. M. Fairley and Mrs. S. C. Hoyle, will conduct the Women's Synodical Conference to be held July 27 to 31. This conference will study the home and foreign mission work and the auxiliary work and a pageant depicting the progress of the auxiliary will be given.

Education and Relief

The Christian Education and Ministerial Relief Conference will be held from August 1 to August 3 and will be under the leadership of Rev. Luther M. Dimmitt, who will represent the executive committee. Prof. Frederick Eby of the University of Texas will make an address to the attendants at this conference.

The Foreign Mission Conference will be held August 4 to 7, and is expected to be conducted by Dr. Egbert W. Smith of Africa, who has been appointed to conduct the course and is now en route to the United States to fill his appointment. Dr. Smith will tell of the work of the missions in the Congo region of Africa.

Dr. B. I. Dieley, chairman of the Synod's committee on stewardship, and Dr. P. B. Hill of San Antonio, will conduct the Conference on Church Life and Work, Dr. Hill taking active charge of the morning sessions. The conference will last from August 7 to 13.

The final conference will be held from August 13 to 16 and will be the Home Mission Conference under the leadership of Dr. Homer McMillan of Atlanta. There will be a series of interesting lectures on the home mission work in Texas, and also on the Mexican Institute in this State.

Attendance at these conferences will not be compulsory on guests who go to the Encampment for recreation and leisure, the Synod's Board has made it plain, and the grounds and the amusements that are offered will be open to the guests at all times beginning June 10, with the regular

opening of the Encampment, and until the close on September 15.

Plenty of fresh water for swimming and fishing can be reached easily from the Encampment, and there also are tennis courts and other prepared conveniences for those who wish to indulge in out-door sports.

Charge Small Fee

A registration fee of \$2 for the individual for the time the Encampment is open, and \$5 for families, will be charged, this to go to the maintenance and upkeep of the grounds. The fee for less than a week's stay is \$1 or 25 cents a day.

Screened and un-screened tents, cottages and dormitories are prepared and will be rented to guests. The un-screened tents will rent for \$2 a week and those with screens for \$4 a week. The cottages will rent for from \$7 to \$10 a week, and meals cost \$1.50 a day or \$8 a week. A 10 per cent discount by the month will be allowed.

ATHLETICS LOSE TO STRONG JOSKE TEAM SUNDAY, 6-4

The Athletics went against the strong Joske team of San Antonio last Sunday and were beaten by a score of 6 to 4.

The visitors started a vigorous attack in the first inning, which netted three runs. The entire line-up faced Barry and three men were on the bases when the third out was accomplished. In the third they crowded two runs across and one in the fourth. Barry then retired in favor of Horton, and all future chances to score were cut off. Ten hits were registered, two of which were made off Horton, both being two baggers. Both the runners were later caught at third.

Kerrville began scoring in the first when Garcia, first up, hit over the right field fence. In the seventh, Holchak hit over the left field fence with two on ahead of him. At other times Swartzkop was master of the situation, even though he struck out but five men. Some member of the Joske defense was always in the correct position to cut off apparent base hits. Shortstop Philips, playing apparently away out of his position, had two such opportunities. The two errors charged to the visitors were not costly, while the three by the home boys were of assistance to the visitors.

It is safe to say the Joske's is one of the strongest teams to come here this year and with Swartzkop pitching in his Sunday form are not to be trifled with. They are alert to take advantage of every opportunity to advance their cause.

Alibis are numerous as to why the game was lost, and so varying that perhaps a little of each of many causes may have brought about the unfavorable final result. As to why the loss it is useless to speculate, but the reason the visitors won is quite simple. At the close of nine innings of exciting play they had six runs to their credit upon the score board as against four for the locals.

Next Sunday Boerne's team will appear on the local grounds and should be given a hearty welcome as they have been playing good ball all the season. A native son, in the person of Guy Rees, will appear in a Boerne uniform against his former team mates. A good game is sure to result, as our near neighbors have last year's defeat to retrieve.

Athletics Win at Pleasanton

Thursday of last week the Athletics, with a goodly following of fans, went to Pleasanton and, retrieved the defeat administered on the home lot two weeks ago. With Barry in form it was but a matter of time when the heavy hitting bunch would turn upon Pitcher Dixon. This occurred in the seventh. The home team had put a run across in the second. Up to the seventh Kerrville had made six scattered hits and were runless. In the seventh Wilson led off with a hit; Dreisch, playing to replace Keusel, followed suit; Guy Rees, subbing for Garcia, used patience and walked to first; Holchak scored two runs with a clean single, and McCarty drove the ball far-and-away into left and made the pillows by a good margin.

In the eighth Pleasanton threatened disaster. Two hits and a home run by Hanson made their count four. Then came an out followed by two hits, but the man ready to score was cut down at the plate, and Holchak

Kerrville made 13 hits, Pleasanton 11. Barry struck out the first three men to face him and seven in later innings. Dixon gets credit with but six strikeouts.

Pleasanton is an enthusiastic ball town and the visitors were most generously entertained. The fans were liberal with their applause for the visiting team when occasion offered.

The third and deciding game between the teams will be played at Kerrville, July 2nd. PODGER.

WONDERFUL WORKER FOR BOYS, GIRLS AND HUMANITY SPEAKS HERE

Rev. Harry Rimmer arrived in Kerrville Wednesday and was busy every minute of his stay. He spoke at a luncheon at the St. Charles Hotel and at 8:15 p. m. in the Auditorium of Tivy High School.

At each meeting there was a large crowd, and the addresses were very fine and uplifting. The advice, the experiences related, the moral lessons to be drawn, all combine to exert a great beneficial influence on the young people fortunate enough to hear this noted and able speaker.

The meetings were under the supervision of the Hi-Y Boys, assisted by the ministers of the city.

W. B. Caldwell, assistant director of Camp Rio Vista, has kindly furnished The Sun the following information about the activities and great work done by Mr. Rimmer:

"Mr. Rimmer is 32 years old, a Presbyterian minister, converted 11 years ago in a street meeting in San Francisco, the night after he fought his last fight in the ring.

"One half of his time is being given to evangelistic work among boys and the remainder to evangelistic work among the lumberjacks of the Canadian Northwest. He was the organizer of this work among the lumberjacks, which now reaches 50,000 men, in a territory reaching from the Mendocino Redwoods in Northern California to British Columbia.

"Mr. Rimmer has just come from that territory, where the snow on May 1st was three feet deep and the temperature was around 30 degrees below zero. They travelled by snow shoes, pack animals, dog sleds, train, automobile and canoe, a distance of approximately 5,000 miles.

"Mr. Rimmer is an outstanding athlete, his greatest single accomplishment being the winning of the Amateur World's Record in the 26-mile 385 yards Marathon Race. This record, which he set in 1911, running it in 2 hours and 52 minutes, has not been broken.

"During the World War, Mr. Rimmer served as a physical director for the army and also for the navy.

Among the various activities he directed was the boxing, teaching 65,000 different men the 'gentle' art. The need for such training is apparent when one considers that army reports show that 67 per cent of all the recruits during the war were below par physically and had to be built up before their training for fighting could be started.

"At the time of the armistice, Mr. Rimmer became physical director of the Pacific Fleet and in that capacity trained 25,000 men in games, putting out 185 foot ball teams, 605 baseball teams and 350 10-round boxers.

"During the school year that is now closing, Mr. Rimmer's activities among students includes work in 27 States of America and 2 Canadian provinces, delivering 1,620 addresses, and speaking to audiences totaling 825,000. The smallest audience which Mr. Rimmer has addressed in this period was a little mountain high school in the Sierras totaling 17. The largest crowd was about 9,000 at an open-air mass meeting for students and parents of four high schools, at which time Mr. Rimmer spoke through a magna-box."

BEAUTIFYING CAMPAIGN OF THE CIVIC LEAGUE HAS BEEN STARTED

The Civic League has started its Beautifying Campaign. Mrs. Alice Schofner was selected to take charge of the campaign, and on Sunday she appeared at the various churches and explained the plan of the work and asked the co-operation of the people, which was cheerfully pledged.

It is intended to have the people clean up their premises and beautify their yards. The city agrees to remove the rubbish if placed in receptacles and put in front where it can be conveniently reached. The city will also clean out the ditches and sidewalk from the outer curbing, but the citizens must do the cleaning to that point.

To aid in this most excellent program, there has been given the first of the week two performances and one matinee at The Play House, as a Civic League Benefit, and no doubt a creditable sum was realized, the amount of which will doubtless be furnished later, as well as the uses to which it is put.

The Civic League is to be commended for this effort to assist in raising funds for the work necessary to be done, and Chas. L. Mason and Payne Williamson, managers of The Play House, are due thanks for tendering their house for the benefits. And, in justice to the other picture house, it is stated that it also offered the same courtesy.

Mrs. Schofner is admirably suited for handling this Beautifying Campaign, and with the co-operation of other Civic League officers, as well as the public, we may soon look for a great improvement in the appearance of Kerrville.

TENTH COMMENCEMENT

Ideal weather not only enabled Notre Dame Institute to hold her closing exercises on the campus, but also allured a very large attendance to this free outdoor entertainment. In honor of our soldier dead at this Memorial season, the proscenium was arched with red poppies like rubies bejewelling the gold and blue college bunting, and offsetting the stars and stripes of fair Columbia.

As usual our National hymn, "The Star Spangled Banner," sung by the student body and the audience, was the opening number of the program. Thereafter followed a Commencement parody, written for the occasion, and staged by two dozen minims, who were thus given ample scope to display their ability at singing, playing, dancing and recitation.

The promotions awarded by the Fine Arts Musical Conservatory of St. Louis, and the diplomas conferred by the Palmer School of Business Penmanship were then announced. From the last-named examiners some Kerrville pupils received the equivalent of a Teacher's Diploma.

Miss Wilhelmina Mosel demonstrated her piano technique by playing Mozart's "Fantasia."

Through the kindness of Frank Michon, orchestral music was furnished by the talented Michon quintette.

One-Act Farce

A very instructive comedy was enacted by the boys, in which Debs Rogers filled the title role. One little newspaper ad, no doubt in The Kerrville Mountain Sun, brought him more inquiries for the position of confidential clerk than he cared to handle. After many undesirable applicants had presented their position, the advertiser was finally satisfied with a suitable employee. Willie Macdonald, as office boy, staged his part well, as did the petitioners: Jack Flye, Warren Rogers, Johnnie Joe Michon and Martin Louis Michon.

The High School Girls Glee Club sang "Balmy Breezes," and one of their numbers, Miss Frances Michon, delivered a patriotic monologue with her class-mates forming an illustrative background. "Union and Liberty" was sung by the entire ensemble, and for the final encore the Notre Dame College Song was rendered with vim and vigor.

There were no graduates this year to bid farewell to Alma Mater, but there is a possibility that next year our parochial school will be able to honor the first outgoing class selected from those who had made their kindergarten studies here. Unfortunately many of the scholars suffered the disappointment of not being promoted; but this misfortune cannot be attributed to the devoted Sisters, who pride themselves in maintaining a very high and rigid standard. They themselves are obliged to pass all the State requirements and in addition a superior test demanded by their religious community before they are permitted to teach. In order to keep this criterion unswayed the nuns must devote practically all of their time every summer in an authorized Normal School or at one of the accredited colleges. A former Notre Dame teacher will be honored this session with a doctor's degree from one of the State Universities.

Class Work Displayed

After the Commencement exercises the parents, patrons and visitors were

guided to the Exhibition Hall, where they could judge for themselves the efficient training given to our students. Many admirers were so awestruck by the artistic needle-craft that they tried to bribe the happy parents to sell the coveted articles. Drawings, compositions, class books were thrown open for careful inspection, and furnished cogent proofs of the wonderful results achieved by our talented Christian instructors and their responsive pupils.

It was announced that the next scholastic year of Notre Dame Institute will open on September 5th, and since the school aspires for the present to be better and not bigger, the enrollment will be more select than heretofore.

Vacation Notes

Mr. Cross of Frank Brothers establishment, San Antonio, came here on Sunday to take home his daughter, Margaret Rose.

Louise Colbath left the day after Commencement for her parent's ranch above Hunt.

John Ahnert took his boy and girls to the Alamo City on a brief excursion. With him went Mrs. Wm. Farris and most of her children.

Miss Madeline Sinn will spend her summer in Dallas.

Joe Boudreax came here from Beaumont to attend the Notre Dame Commencement and visit his invalid mother. He returned on Monday, leaving his sisters at the Convent for the summer months. They will be joined by the boarders of the Incarnate Word College, who live too far from home to make the vacation trip worth while. These young ladies we expect soon after June 5th, because the Sisters begin their Normal School there on the 19th.

Clarence Mosel spent the week-end with his parents. On Sunday afternoon he was accompanied to Fredericksburg where his baseball team, the Ajax Tire Co., played against the Giants.

Banders Budget

New Era, May 25: John F. Hodges bought 428 sheep from W. J. Davenport and W. W. Whitley for Senator Real of Kerrville at \$5.50 to \$7.50, more than half of them muttons.

Rev. H. Grady Timmons of Kerrville delivered the baccalaureate sermon to the graduates of Bandera High School at the Baptist Church last Sunday morning.

All witnesses in the attempted bank robbery case, which has been transferred to Kerrville, will have to appear there on Monday, August 4th, without being ressumoned. Failure to appear will subject them to a heavy fine. Witness fees and mileage will be allowed.

County Attorney Joe G. Montague was bitten by a centipede Saturday night, while in bed asleep. The reptile had crawled into his pillow and Mr. Montague was bitten on the arm. He promptly used iodine, and apart from soreness and considerable swelling, he suffered no inconvenience, which is probably due to the fact that the centipede bit him through a pillow slip and his shirt sleeve.

Boy Scout Hike

Thursday morning of last week, at 7:30 o'clock sharp, the Boy Scouts of American, Troop One, Kerrville, left their headquarters for the first hike

of the season. The weather was splendid and everybody set out in grand spirits, carrying full equipment of blanket, haversack, etc. Good luck attended them from the very start, by the Scoutmaster finding a large horse shoe right in the line of march. This emblem was carried in turn by every member and finally hung up on a tree in the Morris Camp, their objective. This point was reached exactly two hours from the start, which was very fair hiking for boys, many of whom were just 12 years old, and carrying a load of thirty pounds or more.

On arrival at camp the first thing was foot inspection by the Scoutmaster to see what the condition of the Scouts' feet were after the unaccustomed tramp of five miles. All were clear of blisters or chafings. However, Scout, Leazar Jr., detached the sole of his shoe from the upper, en route. Then after a welcome rest, a refreshing plunge into the clear, limpid waters of the Gurgling Guadalupe. Pretty soon dinner time came around and scout fires were started to cook the various viands brought along. One would be surprised at the different dainties in which the Boy Scouts indulged. Fancy soups, sardines and other delicacies, not to mention the plain potato and the eye-watering onion. After a siesta aquatic sports were indulged in and swimming stunts. The Scoutmaster went fishing with very primitive equipment, but nevertheless landed a perch that weighed under a pound—about nine ounces under or maybe twelve, but certainly under a pound—we admit it. All the same it tasted very choice

broiled in the glowing coals—scales, skin and all.

The shades of night falling apace, one large campfire was kindled and the troop sat around while eleven boys told weird stories of adventure and exploits on the mighty main, and in dark caves of the earth.

Lights out by 9 p. m. and the Scoutmaster's command to "say your prayers and get into bed" ended the day. But not the night. For it was reported that during the still, uncanny hours of midnight or thereabout, a mysterious monster passed through the camp, and horribly scared some of the juniors. Some asserted that it was a mare—a night mare—and they are the most horrifying of all animals, everyone will admit.

Reveille, sounded by Henry Simmonds blowing the Scouts' whistle at 5:30 a. m., and a new day dawned and began. Bacon frizzling on the embers wafted o'er the balmy breeze, and Otto Guenther made excellent chocolate, while tea was drunk by others. Some eggs, not fresh or too hard or something, were wickedly used as missiles with horrible results to the raiment of some. But that was condemned as wasteful and a Scout must be thrifty.

The routine of camp life ensued with a grand game of hare and hounds occupying the whole morning, and in the afternoon the return march was begun in broiling heat. Fortunately a Good Samaritan came along and took almost the entire troop. Rides on the outward march were forbidden, but coming home were allowed, and a Mr. Love, whom we were certainly very glad to meet, was most obliging.

CATHOLIC CHURCH NOTES
By Father Kemper
PARISH PICNIC

The annual outdoor get-together social of the school and congregation took place Monday of last week at Lake Side Park.

Prior to marching to the picnic grounds the children assembled in Washington Hall, and while they were there absorbed in a lecture, an unexpected fire alarm rushed them out of the building.

Never before had Lake Side witnessed so many people. The devout Sisters of Charity had provided a wash basket full of assorted sandwiches, to say nothing of the cakes and boxes of fruit.

The dance hall had been reserved by Mr. McClellan and was early engaged from the obliging proprietor.

Special thanks for the glorious success is due, after the Sisters and Mr. Farris, to the genial owner of Lake Side, Mr. McClellan.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Eaton had.

There is a growing interest in the work of the church. We anticipate a pleasant and a profitable meeting, beginning the first Sunday of June.

There are many characteristic difficulties connected with the training of nomadic Mexicans, who are here today and elsewhere tomorrow.

Much of the entertainment was in Spanish, but the greater part was rendered in a clear English pronunciation by the minims and older students.

Pete Torres' gifted daughters played a duet on the piano. The little girls staged a Mexican operetta, which shared equal honors with the English farce rendered by a dozen tiny boys.

After all the certificates from the Palmer School of Business Penmanship were awarded, and the promotions announced, the collective students sang a hymn to their national patroness.

ing progress made by the children under very trying circumstances to their devoted instructors.

On Sunday, when the Christian world rivited its eyes on Rome, because of the international Eucharistic Congress, our scholastic year came to a close with the last High Mass, followed by Benediction of the Blessed Sacrament and the singing of the Te Deum, or hymn of thanksgiving.

Pentecost will be observed next Sunday. For this reason Saturday is a vigil of obligatory fast and abstinence. On account of its being the first Sunday in the month, the Children of Mary Sodality will receive Holy Communion collectively.

Last Saturday the infant daughter of Delmore C. Reeves of Camp Verde was baptized and given the name of Lucille.

Dan Collins, who has been employed at the Legion constructive work, was united in marriage to Florence Langlais at San Antonio by an old classmate of Father Kemper.

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Kerrville residents recommend Doan's Kidney Pills.

Tom Eaton, farmer, says: "My kidneys were in a bad fix. I had such severe backaches and soreness across my kidneys I could not do much stooping or lifting."

At the 11 o'clock hour, Rev. A. E. Rector, our Presiding Elder, will preach for us. Let us be on time for this good service.

FIRST METHODIST CHURCH J. GRADY TIMMONS

My trip to San Antonio was delightful in every respect. Wesleyan Institute had a very successful year and closed with a very commendable program on Monday night.

It was my good pleasure to be present at the preachers' conference Monday morning at the Travis Park Church. It was joyful to meet and have fellowship again with such a band of noble workmen of God.

On July 6th there will be held a Lake Side Park, provided necessary arrangements can be made, an Aquatic Meet, consisting of high diving, fancy diving, swimming dashes and distances, under water swimming, tilting contests, etc.

We, the undersigned, after due examination and tests, do believe that the nut handling machine, invented by Rex Redwine, is at least 100 per cent better and more efficient than any other like machine on the market.

Last Sunday was a satisfactory day for us. The Sunday School was not quite as large as it should have been, but all things considered it was good.

At the 11 o'clock hour, Rev. A. E. Rector, our Presiding Elder, will preach for us. Let us be on time for this good service.

NEWBERRY HAS FLOOR

New York World: If Attorney General Daugherty's opinion on the Federal corrupt practices act stands, it would permit Republican spellbinders to claim that Newberry did nothing wrong because the law did not require him even to file his expenditures. Mr. Daugherty knows that his party will hear a good deal about Newberry during the approaching summer and fall. And anything he can do as a good fellow to help out his party he is prepared to do. If he has to wipe out an act of Congress to do it, what is that between friends? But Mr. Daugherty has made a mistake. Not merely a legal mistake, for he is no doubt used to that. He has made a political mistake, a Republican mistake, and that is serious. For now Congress will have to pass a new corrupt practices act with teeth in it before election and all the Republicans will have to step forward and be counted once more on the issue of Newberryism. And among those who will have to be counted is Senator Newberry himself. The country will fix its eye eagerly on him as he casts his vote for or against the practices which have made his name a household word.

With all the office-holding gang that refuse to turn loose, and are sufficiently strong to defy the President and Congress, still, when any real work is to be done, an extra appropriation must be had to secure outside and competent help. Attorney General Daugherty claims that the Government was swindled out of millions of dollars during the war by contractors, and that much of it can be recovered and some of the guilty punished. If he is given a half million dollars as a special fund to employ outside legal help. And, Congress gives him the appropriation, while at the same time there are thousands of lawyers being paid by the Government for just such work. It seems that even with a change of political control, the bureau chiefs and hangers-on in the various departments are able to continue to keep thousands on the payroll of the Government who are not needed. This combination of office-holding leeches are more powerful than any political party or President, unless we had another Roosevelt with the Big Stick.

J. E. Grinstead devoted the May issue of his Graphic to boosting the Hill Country. He secured sufficient aid from Kerrville and Junction to print 4,000 extra copies, which will be circulated quite thoroughly. Several hundred copies were left at the Gunter Hotel, San Antonio, where they will gain extensive circulation. The beautiful scenes secured by Mr. Grinstead are the best yet, and the reading matter accompanying these pictures is appropriate and soul-stirring. Mr. Grinstead is to be congratulated upon issuing such a creditable boost for the Hill Country—a section to which he is devoutly attached.

Miller, formerly a resident of Kerrville, is now an inmate of the Base Hospital at San Antonio, where he is convalescing after a serious operation performed three months ago at Brownsville. Last Sunday night he sent a message by a friend that he would like to see the Rector of the Kerrville Episcopal Church, and on Monday morning the Rector, Brother Macdougall, left early in his car for Fort Sam Houston. In the course of conversation it transpired that Captain Miller had been confirmed a few days previously by Bishop Capers and received into the Episcopal Church. The Rector thereupon administered Communion to the patient, at his request. Mrs. Miller and her mother, Mrs. Lockett, have a cottage near the hospital.

White went to Stockdale Monday, where she will visit for a month with her parents, Mr. and Mrs. Smith, of that place. Dee Richardson, formerly of this place, is moving his family from San Antonio to Kerrville, where they will reside for the present. T. A. McBryde and W. F. Jetton returned Sunday from a prospecting trip to Carrizo Springs and other points in that section. They report an enjoyable trip. Mrs. G. Strausel of Moran is here for a few weeks, a guest in the home of her uncle, J. L. Keith. She is thinking of locating here if she can find a place that suits her. D. E. Colp of San Antonio, representing the Old Spanish Trail, was here last Saturday. He was looking over the proposed camp site here and gathering other data pertaining to this now famous highway. M. C. Talley and Miss Mary S. Winkleman of San Antonio were quietly married here at the Methodist parsonage Sunday afternoon, Rev. J. H. C. Maxwell officiating. They returned to San Antonio the same afternoon, where they will reside for the present. Mr. Talley has business interests here, being interested in the hardware business at this place. We are glad to know that these splendid people plan to make their permanent home here in the near future. A very interesting session of the Women's Missionary Council was held with Mrs. W. D. Burney Monday afternoon. Mrs. W. H. Witt assisted Mrs. Burney in entertaining the guests. An interesting program was given, after which a delicious course of cream and cake was served. Besides the hostess and her assistant the following were present: Mesdames J. R. Herndon, H. G. Edens, M. K. Hood, J. B. Rees, J. M. Bruff, T. D. Willis, W. D. C. Burney, Wm. Burney, J. H. C. Maxwell, F. T. Vaughn, John Thomasson, Geo. E. Meeks, Geo. Thomas, Julia Ridgway, Miss C. Pafford and Brother Maxwell.

TOWN'S NEWSPAPER IS TRUEST MIRROR

Pharr Clarion: A town's newspaper is its truest mirror. It tells what the conditions are, or should do so. And it really reflects a city or town's condition of health, happiness and spiritual and material prosperity. If your newspaper is a credit to your city you should not throw that newspaper away, should not waste it. But wrap it up and send it to some relative or friend in some other State, in order that others may know what your city is doing. If your newspaper is a credit to your city you should pass it on and frequently that newspaper will bring some other people into the community, or will impress the recipient of that newspaper so much that he will seek investigation in that field which has a good newspaper. On the other hand, if your newspaper is behind the times, if it is incompetently produced, unintelligently presented, recklessly thrown together, discloses behind the times methods, the best thing for your community that you can do is to hide that newspaper from other people. For it will keep people away from your city.

AT THE DIXIE THEATER Monday and Tuesday, June 5 and 6 This Great Fox Special "OVER THE HILL"

Which Has Been Characterized As "The Most Absorbing Drama Ever Shown in a Theater."

Based on Will Carleton's famous poem, "OVER THE HILL," it depicts the homely joys and struggles of every-day life, and in contrast to the big, spectacular productions requiring hundreds of actors on the stage, in this play the entire action centers around the little patient mother with her lazy husband, six kids and the family dog. It seems inconceivable that from this scant material so vital and throbbing a heart-interest drama can be woven, but it is true nevertheless that "Over the Hill" carries a strange, indescribable element that has made upward of two million persons scramble delightedly to the box office to lay down their money to see it. And out of that two million persons not one has been disappointed.

HUNT HAPPENINGS

Lena Fowler, daughter of Dr. J. L. Fowler, and Marion Cade, were the two High School graduates, though a number from the Grammar Grades also received diplomas. Hon. C. A. Goeth, a prominent lawyer of San Antonio, who was in Kerrville on business Saturday of last week, drove over to Ingram for a short visit with friends here. The condition of G. C. McElroy, who was operated on at the Secor Hospital last week for appendicitis, is said to be very favorable, and his friends here are looking forward to his early return home. Mrs. Georgia Peters, residing on the Kerrville-Ingram Road, has as her guests Justin Eliff, a nephew, of Banquete, and Mr. and Mrs. Tom Ragland and two daughters, of Orange Grove, Mrs. Ragland being a sister of Mrs. Peters. A large number from this community attended the dance last Saturday night at the home of Virgil Taylor on Honey Creek. A platform had been built out in the open for the occasion, and a delightful supper was served, and those fortunate enough to be present report an exceptionally good time. Miss Maggie Benson of the North Fork community and Hubert Carson of Ingram stole a march on their friends and drove to the residence of Rev. J. W. Orr, on the Ingram-Hunt Road, last week and were quietly married. They expect to make their home in Somerset, and have the good wishes of their friends here. The many friends here of Claude Luttrell regret to learn of his death at Floresville a few days ago. While he had only been here a short time he was well liked by those with whom he came in contact, and his genial good nature won numerous friends in this community, who extend heartfelt sympathy to the bereaved family. Rev. R. C. Walker and wife, formerly of Hunt, left Friday of last week for a trip to the Rio Grande Valley. They were accompanied by Lee Byas, a brother of Mrs. Walker, who has been visiting home folks here. Upon their return, Rev. and Mrs. Walker expect to make Ingram their home and will occupy the C. E. Lumpkin cottage, where they will be glad to see their friends. There were only a few present for the Box Supper last Saturday night, owing, we presume, to the dissipation the night before, though very good bids were received for the boxes auctioned, the proceeds of which were to be used to purchase base balls and mits for Ingram's Ball Team. These boys are now sporting new suits, which were worn in the game last Sunday for the first time, and with new base balls, mits, etc., their outfits will be complete. These boys should feel very grateful to the girls furnishing box lunches for this purpose, as there is a lot of work attached to the preparing of same.

COMPLIMENTING TIVY GRADUATING CLASS

Mr. and Mrs. G. F. Schreiner were hosts to about forty young people last Friday evening, complimenting Bruce Magee and the members of the Tivy graduating class. Mexican Supper

Thursday night of last week, Miss Annie Claire Enderle was the hostess of a Mexican Supper, given by Mr. and Mrs. A. Enderle in honor of the Seniors.

Fifteen Seniors attended, all arriving before 7:30 o'clock. The guests were asked to supper and led into the dining room, where the table was decorated with red roses and ferns. Each person found his place by his name on the place card. Reuben Clapp asked the blessing and all were served. At the close of supper toasts were made to hostess, and all retired into adjoining rooms, where Forty-Two was played.

Ridgeway-Edwards

Sunday evening, May 28th, 1922, at 4:30 o'clock, Urbane Edwards and Miss Beatrice Ridgeway were pronounced man and wife by Judge Lee Wallace at the ranch home of the bride's parents, Mr. and Mrs. Will Ridgeway.

The marriage took place under a large wedding bell on the gallery, with the relatives and friends of the happy young couple seated on the lawn in front of the house. Preceding the ceremony, B. F. Denton rendered two appropriate selections on his violin, accompanied by his son, Raymond, on the guitar. Little Misses Sybil Bennett and Viola Lowrance acted as flower girls, with R. L. Bennett as best man, and Mrs. Bennett, bride's maid, it being their own wedding anniversary.

Following congratulations to the young couple, a splendid wedding supper, consisting of prime barbecued goat with all the fixings, pies, cakes and hot coffee, was served from a long table under the trees in the yard to the eighty-four guests present. A. J. (Uncle Jack) Gibbens, grandfather of the bride, had charge of barbecuing the meat, and everyone present were as one in declaring that this past master of the barbecue pit had exceeded all previous efforts.

The bride is the only daughter of Mr. and Mrs. Will Ridgeway and was born and raised in Kerr County. She is a charming and accomplished young lady and numbers her friends by her acquaintanceship. The groom is a son of Mr. and Mrs. W. R. Edwards, prominent ranch people of the county.

Guests in attendance from San Antonio included W. J. Knox and J. T. Briscoe, old time friends of the Edwards family; Howard Denton and wife, and Mrs. Tom Miles and two children.

After a short honeymoon at San Antonio, the young couple will be at home in a new cottage which is being built for them on the Edwards Ranch near the Medina Road.

The Sun joins with their large circle of friends in wishing them a happy and prosperous married life.
