DEAL CLOSED FOR SALE OF KERRVILLE ROLLER MILLS

Old Established Industry Sold to San Antonio Man—New Owner Planning Improvements in Equipment.

A deal was closed Monday whereby the property and business of the Kerrville Roller Mills, owned by A. C. Schreiner, was sold to T. V. Lawson of San Antonio. The property represents an investment of more than \$100,000, although the consideration in the recent sale was not made public.

Mr. Lawson is an experienced flour mill man and expects to assume active charge of the mill as soon as he can dispose of business interests elsewhere. In the meantime the mill will be under the direction of W. C. Cox, who has been in the employ of Mr. Lawson for over 20 years and is familiar with every phase of the flour making business.

The new owner is planning on the installation of some new machinery in the mill and a complete overhauling of the entire plant. He expects to have same in first class operating shape within the next few weeks.

In addition to first class flour the mill will put out all kinds of feed stuff, including specially prepared chicken and cow feeds for the benefit of the rapidly increasing poultry and dairy interests of the Hill Country.

The sale of the mill brings to light an interesting bit of history about its origin. The first flour mill, on the present site of the modern plant, was built by Christian Dietert about 1861. A saw mill was operated in connection with the flour mill and the lumber for the buildings was cut from native cypress.

The chief product of the mill of those days was graham flour. No bolting machines were available during that time and people of the Hill Country were grateful indeed to get even graham flour, considered high quality during the early days. The whole wheat was ground between two huge stones, the roller principle not being in use at that time.

About a year after its building fire destroyed both the flour and saw mills and the Dietert's moved over near Fredericksburg where they opened another plant. It was later washed away and they returned to Kerrville and re-established the saw mill.

In the year 1872 Capt. Charles Schreiner purchased the property and rebuilt the flour mill, putting in the best machinery obtainable at that time and making improvements as new machinery was perfected.

Seven years ago the old mill was torn away and completely rebuilt, a handsome brick and concrete building taking the place of the ramshackle old cypress board building that housed the machinery. The latest type approved roller mill machinery was installed and the new plant ranks as one of the best of its kind in the State.

AUXILIARY TO AMERICAN LEGION ELECTS NEW OFFICERS LAST FRIDAY

Mrs. G. M. Doyle Again Heads Local Chapter—Annual Reports Read; Past Year Successful One.

Mrs. G. M. Doyle was re-elected president of the Auxiliary to the American Legion at the first meeting of the new year, held at the home of Mrs. P. J. Dominguez last Friday afternoon. Vice-presidents are Mrs. E. Palmer and Mrs. A. B. Williamson and Mrs. W. A. Salter, secretary-treasurer. The president appointed Mrs. H. H. Kuhlmann as hospital chairman, which position she has so admirably filled the past year, and Mrs. J. M. Roberts as welfare chairman. Each chairman has vice-chairman to assist with the work.

The president gave a very interesting review of what the Auxiliary had accomplished during the past year. Ten meetings were held, one benefit party given, two delegates sent to the convention in Galveston, a burial place for former service men who have no home, several parties for the men at Legion and a paid up membership of forty-six.

Committee chairmen gave final reports on the work that had been done in their departments. Mrs. Dominguez, a former member of the unit in Texas University reported the receipt of \$10 from that unit to be spent on former Texas University men.

Mrs. E. E. Palmer, chairman of welfare work the past year, was unable to attend, so a report of her work could not be had at this time.

Mrs. Kuhlmann, hospital chairman, gave an interesting report, a very condensed resume of it is as follows: Packages distributed to the 375 patients at Veterans' Hospital No. 93, these packages contained toilet articles, stationery, cigarettes, handkerchiefs and other useful articles. Bath robes and bedroom slippers were given to the men who needed them and had no means to buy them. Flowers were distributed in the Infirmary and Receiving Wards. Members of the Auxiliary assisting with all Christmas trees and programs given in any ward. Checks were received

from the following units of the Legion Auxiliary in Texas: Alvin, \$15; Eagle Lake, \$5; Miami, \$5; Saragosa, \$25; Huntsville, \$10; Bay City, \$15; Thurber, \$10; Canyon, \$5; Paris, \$5; Edna, \$5; Victoria, \$5; Coleman, \$28; Austin, \$10; Kingsville, \$15; Corsicana, \$5; Post, \$10; Sinton, \$11.60; Wharton, \$10; Mexia, \$10; F. B. Baldwin Post of American Legion at Tyler, \$25. Personal checks were received from Miss Mary Crawford of Edna, \$1; Mrs. Percy V. Pennebaker of Austin, \$5; Geo. Dryden of Kerrville, \$50; Mrs. Margaret Hill of Kerrville, \$1; Total, \$295.01. The following sets either packages, boxes or barrels full of gifts, these were for both welfare and hospital work. The units of Legion Auxiliary were Victoria, Navasota, Alpine, Georgetown, Corsicana, Albany, Shiner, Wellington, Corpus Christi, Colorado, Estillino, Denton, Donna, Goliad, Mexia, Texas City, San Benito, Galveston, Seguin, La Grange, Electric, Bay City, Robinson, Smithville, Flatonia, Lampasas, New Braunfels, Tyler, Beaumont, Denison, Anson, Houston, Sinton, Brownwood, Plainview, Edna, Knox City, Gonzales, Mercedes, Pearsall, Hamilton, Austin, Thurber, Balingier, Temple, Sweetwater, Brady, Memphis, Waco, Huntsville, Amarillo, and Electric. The Lampasas Post of American Legion sent one box of 12 bath robes, Auxiliary to Veterans of Foreign Wars at Port Arthur sent one box and the Boy Scouts of Austin sent a wonderful box of assorted gifts.

Mrs. Kuhlmann desires to thank those who gave packages, money and time, especially to Lee Mason & Son, for use of trucks, A. G. Platte for driving truck, Dr. Macdougall for being Santa Claus, H. L. Crate, J. C. Robinson and Mr. Parrish for their assistance and the following ladies, Mesdames A. G. Platte, G. M. Doyle, J. M. Roberts, W. A. Salter, McElroy, and Misses Bennette Platte and Mattie Turley.

Several new members were enrolled who were very warmly welcomed as there is a great need for workers in this organization.

During the social hour the hostess served tea, sandwiches and cakes to her guests.

DIRTY FLUES CAUSE THREE FIRES DURING PAST WEEK

Fortunately No Appreciable Damage Results—Everybody Urged to Clean All Flues and Chimneys.

Three small fires that might have resulted disastrously were caused during the past week by unclean flues. Prompt work by the fire department prevented serious damage.

A run was made last Thursday morning to Otho Morris' residence on Jefferson Street, where a hole was burned in the roof as a result of sparks from a dirty flue.

A low flue caused a blaze in the roof of the Overland Sales Company building Saturday morning, but was discovered before gaining a big headway. This fire could have resulted in a huge loss as a brisk north wind was blowing and a large section of the business district was threatened had the flames gone beyond control.

The old Lockett residence at the corner of Quinlan and McFarland Streets was the scene of another fire blaze Monday morning, but was extinguished before any appreciable damage was caused.

Every resident of the city is urged by the fire department to have flues and chimneys cleaned and inspected in order to prevent fires. Blazes are usually caused through sooty flues becoming ignited and sparks falling on roofs. This is true especially in the case of flues being too short and extend but a slight distance higher than the roof.

CONSTRUCTION TO BEGIN AT ONCE ON HANDSOME LECKIE RESIDENCE

Summer Home of New Yorker to Be Built South of City—Will Be of Cedar Logs and Cobblestones.

Construction will begin on the handsome summer residence of Mrs. John Leckie of New York, it was learned several days ago. Mrs. Leckie spent several days here last week in the interest of the project and an architect accompanied her.

The home is to be built on a mountain south of the city, between Scofield School and the Gus Schreiner property. A landscape gardener has been on the place for the past several months laying out the grounds and drives for the estate and has done much toward adding to the natural beauty of the site.

The architect's plans show that the building will be of native cedar logs and cobblestones and will be so in harmony with the environment that it will appear as if nature instead of man had placed it there. The home will contain all modern conveniences and will be a model of comfort and beauty.

While in the city Mrs. Leckie was the guest of her old time friends, Mr. and Mrs. J. S. Whelless. Mrs. Leckie's cousin, who came here from Scotland, will superintend the construction work.

LOCAL FARMER'S WORKING TO INCREASE PRODUCTION

Two Men Purchase Herds of High Grade Jersey Cattle—Others Improving for Poultry and Truck.

As a direct result of the efforts of County Agent J. C. Yeary and the Chamber of Commerce "Greater Production" campaign Kerr County farmers, poultry raisers and truck gardeners are fast making arrangements to boost their production, and their bank rolls as well, and a number of them are improving their farms, stock and poultry.

A meeting of representatives from practically every community in the county was recently held at the Court House at which District Agent W. H. Darrow and J. L. Thomas, dairy specialist, both of Texas A. & M. College, were present and offered many helpful suggestions to the farmers relating to providing their places with high grade stock.

A direct result of this meeting is the purchase by two Kerr County farmers of high grade Jersey cows. B. L. Wiedenfeld has bought a herd of 18 cows and a bull from Herman Heap of Buda. All of the cattle are fine registered stock, some of them being prize-winning, high-producing cows.

D. S. Griffin of Ingram has bought four grade Jersey cows from a well known San Antonio breeder and plans to build his flock around this nucleus of high class cows. Hal Peterson is building a new dairy barn on his farm south of Kerrville and will soon have several fine Jerseys to start his herd with.

Lloyd Griffin of Ingram, who started out last season with a pen of eight S. C. White Leghorn hens and ranked fifth in the State, will start this season with 35 or 40 hens, all excellent grade stock. Several other parties are planning to increase their production and a number plan to start new production in the dairy, poultry and truck lines. Some of those who are taking steps in this work are Ernest Lindner of Lane Valley, Jim White, and M. C. Talley, Center Point, R. M. Wright and C. J. Wesch, of Kerrville.

County Agent Yeary has been holding a series of meetings over the county to take up community analysis and planning of work to be done this year. At these meetings the farmers of the community are asked to discuss their problems and troubles and determine in what ways the Extension Service can be of greatest help to them.

The farmers are also asked to elect a community leader to co-operate with the County Agent in promoting the work. Leaders for the several projects are also elected to take the lead and help promote his particular project in his community.

These leaders will meet in Kerrville as soon as possible after local meetings are completed to discuss and plan work on a county-wide basis. Meetings were held Monday at Camp Verde and at Ingram Tuesday.

Sunset will be the place of meeting tonight at 6:30; Lane Valley Friday at 6:30 p. m. and Center Point at 2:30 p. m. Saturday. Some of these are postponed meetings and meeting dates of other communities will be announced later.

"The Lord helps those who help themselves" farmer who is interested in the betterment of Kerr County, the Hill Country and himself should make it an especial point to be present at one of these meetings. Let's all get together and push for a better Kerr County and Hill Country.

Barnes-Guild

A very beautiful home wedding was that of Miss Mary Louise Barnes and Willis Taylor Guild of Jackson, Miss., which occurred Thursday evening at seven o'clock in the home of the bride's sister and brother, Dr. and Mrs. John Dee Jackson, Dr. W. P. Dickey of the First Presbyterian Church officiating.

The guests, who were limited to the intimate friends of the bride, were met at the door by Mrs. Wm. Lee Secor, who ushered them into the music room. In this room they were received by Mrs. E. C. Marsden of San Antonio. The decoration used in this room was a large silver basket of Agarita berries—this was placed on the piano and the effect was very pleasing. Many beautiful gifts were attractively displayed on tables in this room.

Green and white were the chosen colors in the living room and hallway. On the console and library tables were placed low green bowls of white Narcissus, these were flanked by silver candlesticks holding white tapers. At the far end of the living room an improvised altar had been arranged and it was banked with plumosa fern and on top was placed Narcissus and candles.

Preceding the ceremony Mrs. Scott Schreiner sang "O Promise Me," accompanied by Miss Harriet Garrett at the piano.

To the strains of Mendelssohn's Wedding March, also played by Miss Garrett, the bridal party entered from the sitting room; came down the hallway, then into the living room. The groom, with his brother, Eugene as best man, came first. They were fol-

lowed by the matron of honor, Mrs. J. D. Jackson. Preceding the bride was the dainty flower girl, Irene Jackson, carrying a basket of rose leaves and pink carnations. The bride entered with her brother, Raymond Barnes. They were met at the altar by Dr. Dickey, who performed the ceremony using the very impressive ring service. During the ceremony Miss Garrett played "Blest Be the Tie that Binds," very softly.

In the dining room pink and white was featured in the decorations and in the wedding supper consisting of chicken bisque sandwiches, candies, ices and cake. The circular table was overlaid with a beautiful embroidered cloth, the handwork of the bride, and in the center, on a pink satin frill, was a wonderful ring-shaped wedding cake. The cake was white, covered with pink roses and green leaves; the opening in the center was filled with tiny rosebuds and ferns. Here, also, were the favors for the girls. This cake was the gift of Mrs. Warren P. Colvert, who graciously presided over the cutting and serving of it. On each side of the table were pink tapers in silver candlesticks; on this table also was the beautiful silver coffee service, presided over by Mrs. Scott Schreiner.

The buffet had for its decorations a basket of pink carnations and the pink tapers.

A handsome silver punch bowl was placed in the music room; serving here were Misses Margaret Thorburn and Helena Brown.

The bride's costume was an attractive draped suit of King's Blue duvetyn, with gray squirrel trimming. A spring hat of platinum taffeta, with a becomingly draped veil, platinum slippers, gloves and accessories were worn. Her flowers were a corsage bouquet of brides roses and lillies of the valley.

Mrs. Jackson wore a handsome robe of black Canton and carried Killarney roses.

Irene Jackson wore a dainty dress of white Swiss with pink maline sash and hair bow.

Miss Nellie Barnes, sister of the bride, wore blackorgette and pink and white roses.

Mrs. Guild, mother of the groom, wore an exquisite gown of brocade chiffon in shades of mulberry and black. She wore white roses.

Mrs. Secor was in a beautiful dress of Spanish lace. The young ladies assisting the hostess wore evening dresses in soft shades and tones.

After the ceremony the young couple left by automobile for San Antonio, from there they went by train to New Orleans where they had a steamer to New York. While in the East they will visit Washington, Philadelphia, Boston and other places of interest. Returning by way of Chattanooga, Tenn., the girlhood home of the bride, they will go to Wiggins, Miss., their future home.

Miss Barnes is a sister of Mrs. J. D. Jackson of this city and of Raymond and Miss Nellie Barnes of San Antonio. She made her home in Kerrville last year where she was a popular and efficient teacher in the Public Schools. She was re-elected for this year, but was also selected as one of San Antonio's teachers, so resigned here that she might be at home with her brother and sister in the Alamo City. By her happy disposition and a charming and gracious manner she has made hosts of friends who will always remember "Mary Louise."

The groom is the son of Mr. and Mrs. W. E. Guild, a prominent pioneer family of Jackson, Miss., and is engaged in extensive business interests in Wiggins, Mississippi.

The out of town guests at the wedding were Raymond and Miss Nellie Barnes, Mrs. E. C. Marsden and Mrs. W. P. Colvert, all of San Antonio; Mr. and Mrs. W. B. Guild and son George, of Jackson, Miss., and Eugene Guild of Washington, D. C.

The Sun joins their many friends in wishing them every success and happiness.

DENNIS VARIETY STORE OPENS DOORS TODAY FOR FIRST TIME

New Enterprise Located in Chaney Building Starts Off With nice Stock of Goods; Well Arranged Store.

Today is opening day for the Dennis Variety Store. For the first time the new store threw open its doors to the public and a continual stream of shoppers, lookers-on and others thronged the aisles of the new enterprise.

The store carries an excellent stock to commence with and has a number of shipments of goods in transit and under orders, hence the present stock, while containing a wide variety of useful articles, is incomplete at the first opening.

Convenience and artistic display are the keynotes in the arrangement of the new store. The counters and display shelves and cases are placed so as to give the best possible display of goods and at the same time afford ample room for the stock and aisle space for shoppers.

The fixtures are finished in a terra cotta shade and are of approved types for variety stores. The interior of the new store presents a metropolitan appearance and is indeed a credit to the city.

Display windows in the front of the building carry further the appearance of the largest city stores and

(INCORPORATED)

WOOL AND MOHAIR COMMISSION MERCHANT

THE BANK WITH THE CHIME CLOCK

You have seen our chime clock. We would like this big clock to be a symbol to the people of Kerrville of this Bank's broad, sound-minded helpfulness—to typify an institution where co-operation, efficiency and courtesy are at your command.

Our facilities are as numerous as our desire to serve is broad.

ESTABLISHED 1869
KERRVILLE, TEXAS

1923 UNUSUALLY WET YEAR IN KERRVILLE AND HILL COUNTRY

Government Rain Gauge Registers Total of 36.12 Inches Here; Comfort Gets 35.94 Inches in 12 Months.

Rainfall in Kerrville and the Hill Country during the past year was a little above the average, reports furnished The Sun by Davis Horne, local Government Observer, and Willie Allerkamp of Comfort show.

The Government gauge here registered a total of 36.12 inches during the 12 months just closed while the private gauge kept by Mr. Allerkamp at his farm showed 35.94 inches for the year in his community. These totals are about six inches more than the average annual rainfall for this section.

Following is the precipitation each month in Kerrville, furnished The Sun through the kindness of Mr. Horne:

January	4.2
February	4.19
March	1.97
April	4.10
May	1.04
June	1.11
July	2.29
August	1.45
September	6.50
October	4.02
November	4.74
December	3.29
TOTAL	36.12

Mr. Allerkamp's report is given below and makes an interesting comparison between the precipitation for the two places:

January	5.6
February	4.62
March	2.09
April	4.58
May	1.51
June	1.54
August	.60
September	8.47
October	4.97
November	3.12
December	3.88
TOTAL	35.94

DR. S. E. THOMPSON TO DELIVER LECTURE SERIES AT GALVESTON

Will Speak Before Classes of State Medical School, Mothers' Club and Public on T. B. Prevention.

Dr. S. E. Thompson left Wednesday for Galveston, where he is to deliver a series of lectures on preventative measures in connection with tuberculosis.

At 12 o'clock today he is to address the Senior and Junior classes of the Medical School of the State University. He addresses the Mothers' Club at 4 p. m. and at 8 o'clock tonight will deliver a lecture for the benefit of the general public.

Dr. Thompson is fast becoming a nationally known figure in medical circles as a result of the work he is accomplishing at his Sanatorium at Kerrville. He has frequent requests to deliver addresses along this line all over the country, but is unable to accept many of them owing to the fact that he has not the time to spare from his duty towards his patients.

The regular sales force has been augmented by the addition of several sales people for the opening week.

The membership committee made its report and intimated that its plans for a membership campaign were about complete. The merchants of the city will be canvassed and as many new members as possible will be added. The exact date of this campaign has not as yet been announced.

The financial report of the secretary was submitted at this meeting and examined. Several bills against the organization were ordered paid. The committee on ratings made its report to the meeting and stated that ratings were somewhat slow in coming in. It was decided to urge all members to turn in their ratings promptly.

A discussion ensued on the meeting in San Antonio at which Fred F. Mann, a director of the U. S. Chamber of Commerce and one of the outstanding speakers of the day, will deliver a number of addresses of interest to retailers. At least one representative of the local organization will be sent, it was decided. This meeting will take place in the Alamo City beginning February 4.

Merchants reported their collections considerably better than at this time last year and praised the good results the organization had brought them.

JOHN W. BURNEY RESUMES CHARGE OF POULTRY PLANT

After having their poultry dressing plant leased to the New York Buyers Association for the past few seasons, John W. Burney, Inc., have again assumed charge of same and will conduct this business in connection with their grocery and feed business on Schreiner Street.

The poultry market, especially turkeys, has been way off this season, the majority of the time but 10 cents per pound being offered for the best grade of turkeys. Mr. Burney announces, however, that he has contracted with foreign buyers for a large quantity of poultry at a price that enables him to offer 15 cents per pound for turkeys, 13½ cents for chicken hens and 6 cents for old roosters. See Burney's ad elsewhere in this issue.

Turkey and Poultry Rally

PHONE 128

AT **JOHN W. BURNEY'S, Inc.**

FREE CAMP YARD

We have resumed charge of our turkey plant, and beginning Monday, January 14th we will be in the turkey deal to stay.

We have contracted and sold Forty (40,000) Thousand Pounds of your turkeys and poultry at the following prices for delivery January 14th to 17th, inclusive:

Choice Turkeys, 15c per Pound
Chicken Hens, 13½c per Pound
Old Roosters, - 6c per Pound
No Culls Wanted

This will give you an opportunity to clean up your surplus stock at a profit. Bring in what you have for sale between the 14th and 17th, inclusive.

We are trying to help the turkey growers clean up this season's crop at a profit, so they can and will stay in the business in the future.

So let's all pull together to this end, and RALLY AT BURNEY'S on the 14th to 17th of January.

THE WEEK IN SOCIETY

Mrs. Schreiner Entertains

Mrs. Scott Schreiner honored Miss Mary Louise Barnes, a bride-elect, at bridge Wednesday evening of last week. The house was decorated with red berries and green leaves. Numerous red tapers and silver candlesticks were used very effectively. After a buffet supper five tables of players enjoyed the games. Prizes for high score were won by Miss Yolande Robinson and Walter Saenger. Consolation was awarded to Mrs. W. P. Colvert and Mr. Lecke. The guests were limited to the intimate friends of the honoree.

Enjoyable Bridge Party

Miss Thelma McCorquodale entertained at bridge last Saturday afternoon in the home of Mr. and Mrs. J. S. Wheelers. Narcissus, red berries and Christmas greens were used in the decoration of the living room. Prize for high score, a string of choker beads, went to Miss Maybelle Roberts and low score, satin covered shoe trees, was awarded to Miss Kate Conger. After the games the hostess, assisted by Mrs. Wheelers, served a delicious two-course luncheon to her guests, who were Mesdames Amy Wallace, Guber Gibson, Glenn Brooks, and Misses Maybelle Roberts, Cleone Deaver, Helen Johnson, Bess Booth, Kate Renschel and Kate Conger.

Mrs. Kolodzey Entertains

Tuesday evening the beautiful new home of Mrs. John Kolodzey was the scene of a most delightful party given in honor of her sister, Miss Agnes Henceringer of Schroeder, and her cousin, Miss Julia Kolodzey of San Antonio. The home was exceedingly attractive in its decoration of lights and autumn leaves, and the clusters of mistletoe suspended from the chandeliers together with the soft glow of lights added charm to the occasion. The hostess, assisted by the honorees, received the guests in her usual sweet, cheerful manner. Bridge was the diversion of the evening. After several exciting games had been played, the hostess, assisted by her daughter, Irene, served a delicious luncheon. For the high score trophy, a set of beautiful bodior candles was given. Miss Agnes Henceringer had high score. Miss May Carpenter had low score and was presented with a lovely novelty bag. In cutting for consolation, Mrs. W. T. Kössel received a set of bridge numbers. To Miss Kolodzey the guest gift were two dainty hand-

made novelty handkerchiefs, and to Miss Henceringer a hand painting of "Autumn."

The invited guests were: Mesdames W. G. Carpenter, J. M. Droddy, P. J. Domingues, W. T. Kuesel, H. H. Kuhlmann, Bernard Kuhlmann, Walter Meyer, J. E. McCreary, A. F. McClellan, A. G. Platte, Phil Stricker, Mrs. Stricker of Houston, Pearl Grames, Ida Newton; Misses May Carpenter and Mary Habermann.

Parent-Teacher's Club

Mrs. H. Schulze, president of the Parent-Teacher's Club, called together the officers of that organization last Friday at the home of Mrs. W. B. Brown. The purpose of the meeting was to discuss the year's work. Among other things the beautifying of the public school grounds was taken up for consideration. A Martha Washington Tea was planned for February 22 and the chairman of committees will be named at the next regular meeting.

Mid-Night Owls

Mr. and Mrs. Ernest Meeker delightfully entertained the Mid-Night Owls last Friday evening at their home. The Owls voted to extend thanks to Mr. and Mrs. R. L. Mangum, and Mr. and Mrs. J. M. Dennis an invitation for membership in the club.

A delicious salad course was served to the following guests: Mr. and Mrs. Tom Hagens, Mrs. F. A. Marx, Mr. and Mrs. L. W. McCoy, Mr. and Mrs. R. T. Self, George Cook, and Walter Cook.

Real Estate Transfers

A. R. Rees and wife and Bertha Rees to San Antonio Loan & Trust Co., 76 acres in Survey 60; \$1,617.69.
 Hermina Scholl to C. W. Moore and R. C. Lawson, lots 23 and 24, block 4, Cage Addition to Kerrville; \$1,200.
 A. C. Schreiner to T. V. Lawson, Kerrville Roller Mills property; terms private.
 S. A. McDonald and wife to Lee Montel, 300 acres in Surveys 98 and 582, Kerr County; \$5,000.

Notice

The people of the Kerrville Lutheran Church solicit contributions of all kinds of old and new clothing, hosiery, shoes, hats, etc., for the suffering people in Germany. Whoever is able and inclined to help the good cause may send their packages to Mosel, Saenger & Co., who will take charge of same. If living in town and cannot bring them, we shall call for same. Please send the articles before February 1, 1924. We thank you all in advance for your kind interest in this matter.

 January 5th: A. Anderson Carlisle and Miss M. Effie Burgess.
 January 5th: Paulbo Garzier and Miss Susan Daam.

San Antonio Express: Another reason why life is worth living in Southwest Texas just now is that it is hog-killing time. The odor of leaf-lard rendering in the kettle; the whiff from behind the oven door where spareribs are sizzling; the incense of fresh sausage rising ceilingward from the skillet—these are compensations for crimp of cold weather, and are among the reasons why, in Southwest Texas, the month of January is synonymous with joy.

Kill Poultry Enemies Early

Saidee L. Slover, in Farm and Ranch: In warm weather poultry vermin of all sorts multiply very fast, and unless special effort is made to combat these vermin the whole flock will suffer. Little chickens will either die or become permanently stunted. Hens infected with lice or mites will not lay well, and are more subject to diseases.

It is best to begin before the winter is over, or not later than early spring, to begin war against the pests, instead of waiting until the henhouses are literally working alive with mites and fleas before doing anything. They multiply remarkably fast, and in a very short time. They thrive and hatch out in hot weather very fast, and the sooner they are killed out the better.

The mite is very injurious, especially the red mite, and can, in sufficient numbers, kill little chicks in one night's time. The mites live in cracks and nail holes of the poultry houses, and the roosts and nests, in the daytime. They crawl on the poultry at night and fill up on the blood of the chickens. They multiply with incredible speed.

The main thing is to keep the houses and nests clean, and free from particles of broken eggs. Kerosene liberally applied with a sprayer or brush once every ten days or two weeks is good. It is not hard to control mites if one starts early and uses kerosene liberally.

Lice on the fowl all the time, living and breeding on the chickens. Sodium fluoride is fine to kill all kinds of lice on fowls, either in powdered form or as a dip. We have found that fly powder, any good brand that is sold on the market, gives good results in killing these vermin, especially on setting hens. The fowl tick or blue bug is the hardest of all poultry vermin to destroy. They are not only naturally resistant to destructive agents, but

three to ten days before dropping off. They multiply rapidly, especially in hot weather, and can go as long as two years or over without food.

The substance necessary to use against blue bugs must have high killing and lasting power, and considerable penetration in order to reach every crevice. Carbolineum has been the most satisfactory agent found, and should be used liberally two or three times a year.

If the premises are badly infested it would be advisable to write to the United States Department of Agriculture at Washington, D. C., and ask for literature on the fowl tick or blue bug, and how premises may be freed from it. This literature is free on re-

quest and will be promptly furnished to those who ask for it.

Comfort Chat

News, Jan. 3rd: Mr. and Mrs. Walter Meyer and children of Kerrville spent Sunday with Mrs. Anna Overman.

M. and Mrs. Henry Wallace of Kerrville attended the German play and dance here Saturday evening.

Mrs. Hermann Stieler went to Kerrville on Thursday and returned Saturday with her grandsons, Herm. and Emil Rees.

Sisterdale Item: Mr. and Mrs. Adolph Marquardt visited the latter's home folks in Kerrville Wednesday.

\$100,000 PEACE PLAN PRIZE AWARD

Advocates Entering World Court and Cooperation With League Without Full Membership at Present—Suggests League Membership Be Opened to All Nations and Provides for Development of International Law.

The American Peace Award brought forth 22,165 plans and many thousands of letters. Since many of the plans were the composite work of organizations, universities, etc., a single plan often represented the views of hundreds or thousands of individuals. The content of these plans is therefore an index of the true feeling and judgment of hundreds of thousands of American citizens.

These plans come from every group in American life. Some are obviously from lifelong students of history and international law. Some are from persons who have studied little, but who have themselves seen and felt the horror of war—or who are even now living out its tragedy.

But among them all are these dominant currents: that if war is honestly to be prevented, there must be a face-about on the part of the nations in their attitude toward it; that by some progressive agreement the manufacture and purchase of the munitions of war must be limited or stopped; that while no political mechanism alone will insure cooperation among the nations, there must be some machinery of cooperation if the will to cooperate is to be made effective; that mutual counsel among the nations is the real hope for bringing about the disavowal of war by the open avowal of its real causes and open discussion of them; and finally that there must be some means of defining, recording, interpreting and developing the law of nations.

Statement of Jury of Award

The Jury of Award realizes that there is no one approach to world peace, and that it is necessary to recognize not merely political but also psychological and economic factors.

I. ENTER THE PERMANENT COURT

That the United States adhere to the Permanent Court of International Justice for the reasons and under the conditions stated by Secretary Hughes and President Harding in February, 1923.

II. COOPERATE WITH THE LEAGUE OF NATIONS, WITHOUT FULL MEMBERSHIP AT PRESENT

That without becoming a member of the League of Nations as at present constituted, the United States Government should extend its present cooperation with the League and propose participation in the work of its Assembly and Council under the following conditions and reservations:

Safeguarding of Monroe Doctrine

1. The United States accepts the League of Nations as an instrument of mutual counsel, but it will assume no obligation to interfere with political questions of policy or internal administration of any foreign state.

No Military or Economic Force

2. That the only kind of compulsion which nations can freely engage to apply to each other in the name of Peace is that which arises from conference, from moral judgment, from full publicity, and from the power of public opinion.

No Obligations Under Versailles Treaty

3. That the United States will accept no responsibilities under the Treaty of Versailles unless in any particular case Congress has authorized such action.

League Open to All Nations

4. The United States Government proposes that Article I of the Covenant be construed and applied, or, if necessary, reworded, so that admission to the League shall be assured to any self-governing State that wishes to join and that receives the favorable vote of two-thirds of the Assembly.

Development of International Law

5. As a condition of its participation in the work and counsels of the League, the United States asks that the Assembly and Council consent—or obtain authority—to begin collaboration for the revision and development of international law, employing for this purpose the aid of a commission of jurists. This Commission would be directed to formulate anew existing rules of the law of nations, to reconcile divergent opinions, to consider points hitherto inadequately provided for but vital to the maintenance of international justice, and in general to define the social rights and duties of States. The recommendations of the Commission would be presented from time to time, in proper form for consideration, to the Assembly as to a recommending if not a law-making body.

Author's Name Not to Be Revealed Until After Referendum

In order that the vote may be taken solely upon the merits of the plan, the Policy Committee, with the acquiescence of Mr. Bok, has decided not to disclose the authorship of the plan until after the referendum. The identity is unknown to the members of the Jury of Award and the Policy Committee, except one delegated member.

LOCAL AND PERSONAL

Items of Interest Gathered Here and There

Mrs. G. F. Schreiner will leave next Saturday for Glen Rose for a rest of several weeks.

Misses Tillie, Emma and Inez Lelweber of the Divide section were here Wednesday shopping.

H. H. Burt left Monday for a visit of several weeks with his mother, Mrs. A. F. Burt, at Josephine, Texas.

Peter Patterson of Austin stopped over here a few hours Tuesday enroute to his old home in Junction.

Mrs. Sara James and Miss Laura B. Taylor of Junction passed through here enroute to San Antonio Tuesday.

Mr. and Mrs. Pearcey Hill and daughter, Miss Willie Claiborne, returned Monday from a visit to Smithville.

Mr. and Mrs. E. P. Bowne arrived last Thursday from Fort Scott, Kan., for an indefinite visit and are staying at the St. Charles Hotel.

Mr. and Mrs. A. E. Bartz returned home last Sunday from Galveston where they had spent two weeks visiting relatives and friends.

Mr. and Mrs. Lee Barney passed through Kerrville Tuesday returning to their home in Rocksprings after having entered their son in the San Marcos Academy.

Miss Ruth Brown left Monday for San Benito to re-enter high school and make her home with her sister, Mrs. R. J. East, after spending the past few weeks with her parents, Mr. and Mrs. W. S. Brown.

N. S. (Doc.) Sellers of Brady was a pleasant caller at The Sun office Wednesday. Mr. Sellers recently sold out his interest in the Brady Sentinel and is out prospecting. He formerly lived in Kerrville and learned the printing trade in this office, leaving here in 1905. He has many old-time friends in this community who are glad to meet him again.

The financial statement of the First State Bank which appears on page eight of this issue shows that institution to be in a most satisfactory condition. A comparison with the statement of this bank for the same time last year shows a substantial growth in its business and may be taken as another indication of the growing prosperity of Kerrville and the Hill Country.

Bank Meeting

Annual stockholders meeting First State Bank of Kerrville, Texas was held January 8, 1924. The following officers were elected for the ensuing year:

E. Galbraith, president; A. B. Burton, active vice-president; A. B. Williamson, cashier; P. L. Williamson, assistant cashier; A. J. Lochte, assistant cashier; directors, A. B. Burton, E. Galbraith, A. B. Williamson, A. A. Roberts and J. L. Fowler.

An enterprising American is preparing to put a fleet of 500 yellow taxicabs on the streets of London, England. All the cars will be of the 4-cylinder type and comfortable.

CHOOSING A CAREER

Texas Commercial News: We find those who would tell the young how to "choose a career."

As we read their hows we are reminded that that is the trouble with the world today. For one hundred years men and women have been "choosing a career," whereas they should have been faithful to that inner urge that is invincible and inerrable.

The method of obedience to that inner urge is to do that that lies nearest you better than it has ever been done before.

Frank Munsey walked to the city from his old farm home, a boy obedient to that inner urge, and today he says:

"You cannot get out of a man what God Almighty didn't put into him. You must suit the man to the job; not the job to the man."

No man can choose a career, for he can't know a career until he has lived it.

Every man can do well the thing that lies nearest to him, and when he does that he will be as the planets who obey the planetary laws, and his career shall be all that society or himself could wish.

After Feb. 1st The Sun will cost \$2.00 per year.

More than \$3,000,000,000 have been spent by American railroads this year for materials, fuel, supplies and maintenance of equipment.

A Better, More Uniform Stand of Cotton and Corn

"The 'saw-tooth' picker wheel does the trick"—that's what thousands of highly satisfied farmers say who use the

John Deere No. 107 Cotton and Corn Planter

This planter has a steel picker wheel with teeth shaped like the teeth of a gin saw. This picker wheel separates the fuzziest, lintiest seeds without injury, and drops them one at a time, or more, if desired. It is the one big improvement in cotton-planter construction.

It does its work consistently, whether the hopper is full or nearly empty, because lint and trash are carried out with the cotton and not left to accumulate in the hopper. The spider and stirrer in the hopper keep the seed feeding uniformly to the picker wheel. No clogging or choking. You control the drop by a thumb-screw adjustment. You regulate the flow of seed to suit the field you are planting.

The No. 107 planter plants corn just as effectively. It is equipped with the John Deere "Natural-drop" so popular in the corn belt.

Using one of these planters may be the means of putting more money in your pocket this season. Come in and personally inspect them. That is the best way to decide.

The New Touring Car

\$295

F.O.B. DETROIT

A Striking Value—at \$295

Considering the improved appearance of the new Ford Touring Car, one would naturally expect a proportionate advance in price.

Larger scale production, however, has made it possible to incorporate in this new type touring car a number of decided improvements without increasing its cost to the purchaser.

A comparison extending over a long period of years will reveal the fact that the present price is actually the lowest at which the five-passenger open car has ever been sold.

The Ford Touring Car stands today, as it always has, a most remarkable value in the motor car field.

This car can be obtained through the Ford Weekly Purchase Plan.

PLAN FOR YOURSELF

By Phebe K. Warner in Fort Worth Star-Telegram

This thought is Scurry County's New Year's gift to the world and Texas for 1924. "Plan for yourself" and "STOP asking for credit." There is no greater gift we can give to anyone than the gift of a good thought. And that is what most of us need worse than anything else. There are thousands and millions of us, down and out, discouraged and despondent, and ready to give up when all we need is a good thought. A thought we can use, put into operation, cheer up and go on.

What it might have meant to a lot of us if somebody had flashed this same thought before us in such big headlines ten year ago, that we never could have forgotten it. But it is never too late to do good. And there are millions of young men and young women in the same stage of their lives and the same place in their struggle for success today that others of us were in ten years ago. It is not too late for them to profit by a good thought and that is why we are broadcasting Scurry County's advice to the world.

"Plan for yourself. Stop asking for credit. MAKE UP YOUR MIND to get on a cash basis and stay there." This is a fine resolution for anybody to start and finish the New Year with. But especially for the boy or girl that is just starting out to earn their own salary. It may be your first year in managing your own affairs. Do you get a cash salary for what you are doing? Are you living within that salary and a little less? If you do not learn the lesson of living within your income to begin with, when do you think you will have a better chance? The whole world is living on a strain and in a constant struggle to meet the demands of life simply because it has never learned this lesson. How many of us have ever been trained and educated to plan for ourselves? The most unkind thing we parents can do for our children is to plan everything for them as long as we live and after while DIE and leave them helpless to plan for themselves after we have taught them to live above their ability to produce a living.

But Scurry County's gift to the world for the New Year was intended not only for the young man and young woman just starting into life, nor for the new homemakers in their own county, but for business men in every vocation, but especially the farmers. "Invest in something that will make you a steady monthly return. Produce, poultry, eggs, hogs, cream and calves. Strive to own at least 100 hens, four sows and three cows on every farm. If properly taken care of they will pay your way during the year and leave your crop for other purposes."

"Don't wait, but make up your mind that the year 1924 will put you on top. Dispose of your scrubs and invest in good hens, good cows and good hogs. Good stock make a profit for their owners. Scrubs are high priced boarders on the farm. Plenty of feed is the keynote to success. Give your feed crops the same attention you do cotton, don't waste a pound you raise and feed at home. Start now and carry it through and the Scurry County Chamber of Commerce with all its resources will stand back of you."

Such are the suggestions and the promise of the Scurry County Chamber of Commerce to every citizen of that county. But that is not the end of the Scurry County Chamber of Commerce. Under the leadership of the secretary, E. J. Anderson, a program for 1924 is mapped out that would be a credit to any city in the State. The program for the city of Snyder includes 13 different goals. To continue the clean-up work until Snyder is the cleanest city in Texas. Build more sidewalks, continue improving the streets until every street is either paved or macadamized; plant trees until every street is bordered with trees, and then take care of them until they are able to grow alone; plant flowers between the walks and curbs and offer prizes for the best kept homes; elimination of badly rundown buildings and unsightly spots; paint the houses, keep the lawns and whitewash the trunks of trees. Obtain balance of property necessary to establish city park. Encourage parties financially able to provide convenient and modern camp grounds for tourists on the Seattle plan. Organize the school district under such State and national laws as to make possible the establishment of a junior college. Co-operate with the citizens of the county and the county commissioners to secure for Scurry County both a county farm agent and a county home demonstrator for the good of the whole county.

CATHOLIC CHURCH NOTES
By Father Kemper

RETROSPECT
On the threshold of a newborn year we cannot but feel thankful to Divine Providence for the many blessings He showered upon us during the past twelve months. It is true that we lost a very devoted and pious nun in the rather sudden death of Sister Josephine, but even in this instance, the just Paymaster called her to a better and happier home.

During 1923 there were ten other funerals besides that of the Guadalupe teacher. Forty-five persons were received into Mother Church by baptism. A dozen couples were united in the holy bonds of matrimony. His Lordship confirmed 73 candidates in our city during his recent visit. Mostly during the beautiful month of May, 25 children and adults made their solemn First Communion. In all, nearly 9,300 Sacred Hosts were distributed, and slightly over 4,000 confessions were heard.

Among the poor Mexicans, at a very low estimate, at least \$2,500 worth of wearing apparel and toys were distributed by the Sisters of Charity. Free meals and lodging were given regardless of creed at St. Vincent's Cottage. Nearly 160 different kinds of periodicals were mailed monthly, especially to parishioners who live too far from the church to be regular attendants.

Prospect
We face the current year with the fullest confidence in the Giver of all good gifts, knowing that we are absolutely dependent on Him, come what may. The outlook, as far as human eye can see, is very optimistic for both of our schools and churches. Changes in the financial administration will eventually put each parish nearer a self-supporting basis.

The Brownson Literary Society assumes charge of the four publications that used to be distributed gratis. Whatever profit accrues from this source will be invested in the school library. During 1923 nearly 500 bound volumes were added to this collection, which has already exceeded the 3,500 mark.

Besides our home interests, we will try to let our light shine into the foreign mission fields. For this reason, at the First Friday devotion, a collection will be held for the Propagation of Faith Society.

Personals
The first funeral of the current year was that of Arthur Ashworth who was a patient at Legion during the State administration and was considered too sick to be transferred to Carlsbad. He died at the home of Isaac Mayeux on the vigil of Epiphany.

New Year's services were held at St. Mary's and at Guadalupe. "Old Glory" was raised to its lofty summit to greet the first sunrise of the infant amid the clamorous clanking of midnight church bells.

Miss Angeline Kemper spent New Year's week in San Antonio with Mrs. Annie Mosel Tarrillion and other friends.

Joe B. Bomba came from Pleasanton to visit his sister, Mrs. Jessie Bullard at Thompson's Sanatorium, and his niece, Lottie Mae, at the Convent.

CHRISTIAN CHURCH NOTES
Sunday School every Sunday morning at 10 o'clock, in the Union Church.
Now that Christmas is over and the New Year has come, it is time to make some good resolutions. Let one of our New Year resolutions be, "I resolve to attend Sunday School every Sunday, unless something unavoidably prevent it"; then carry out that resolution.

The attendance last Sunday was encouraging for such a cold morning. One new member was received in the Young People's Class, which held the honor of being the largest class in the school.
Next Sunday the election of teachers and officers will take place. A nominating committee was appointed consisting of Mesdames Walker, Reed and Wall.
All members are urged to be present next Sunday.

Citation by Publication
THE STATE OF TEXAS
To the Sheriff or any Constable of Kerr County, greeting:
You are hereby commanded to summon Jusus Morales by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 38th Judicial District; but if there be no newspaper published in the 38th Judicial District, to appear at the Court House thereof, in Kerrville, Texas, on the first Monday in February, A. D. 1924, the same being the fourth day of February, A. D. 1924, then and there to answer a petition filed in said Court on the 28th day of December, A. D. 1923 in a suit, numbered on the docket of said Court No. 1185, wherein Maria Morales is Plaintiff, and Jusus Morales is Defendant, and said petition alleging Suit for divorce, on the grounds of more than three years' abandonment of plaintiff by defendant, prayer is made for decree dissolving the bonds of matrimony between plaintiff and defendant, for costs of suit, for general relief and for all other and further orders, judgments and decrees which the nature of the case, law and equity may warrant or permit.

Herein Fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and the seal of said Court, at its office in Kerrville, Texas, on this 31st day of December, A. D. 1923.

DANGER IN DELAY
Kidney Diseases Are Too Dangerous For Kerrville People to Neglect.
The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Pills, which are so strongly recommended right here in Kerrville.

Miss Adele Michon, Tivy Street, Kerrville, says: "I keep Doan's Pills on hand and whenever I have any signs of kidney complaint they are sure to give me relief. My kidneys were weak and I had attacks of backache when I felt so tired and worn I could scarcely do my work. Headaches annoyed me and my kidneys acted irregularly. Doan's Pills from the Rock Pharmacy quickly stopped the backaches and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Miss Michon had. Foster-Milburn Co., Mfrs. Buffalo, N. Y. (Advertisement.)

EPISCOPAL CHURCH NOTES
By Member

In spite of rather severe weather we had a good congregation Sunday and a fine number out to Sunday School, especially the little ones.
Dr. Macdougall took for his subject "The Virgin Birth" over which there is so much controversy. He believes firmly in the good old-time religion, and cited the many prophecies in the Old Testament on the birth of our Lord. St. Luke's account, and he was a physician, would likely be extra careful in his account of the subject, is to my mind, the strongest argument of all; how Jesus was the only absolutely sinless man (no person, non-believer or Christian critic, from Pontius Pilate to the present time, has ever been able to discover the least flaw in His character or hint of sin); if He had been born of earthly parents, no matter how good, would it have been possible for Him to have been perfect, as He was? Look at all the Saints, from Abraham to the present time, and you will find all, at times, gave way to sin of some kind; although thanks be to God, with His help, they can come out conquerors.

Let us not waste our time worrying over these subjects, letting ourselves be blown about by the vain doctrine, but stand fast securely anchored to the unchangeable Rock of Ages in Whom we live and move and have our being.

Many Women Use Glycerine Mixture
Women appreciate the quick action of simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Excellent for obstinate constipation and to guard against appendicitis. Helps any case gas on stomach in TEN minutes. Kerrville Drug Company, Kerrville, Texas. (Advertisement.)

Frequent Headaches
"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of
Theford's
BLACK-DRAUGHT

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."
Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.
Sold everywhere.

LEGION LIGHTS

A. M. Hubbard spent another brief vacation among friends in Houston. Miss Helen Wilkie from Hutchinson, Kan., is one of the new nurses added to the staff at the hospital.

George H. Stehley, property clerk, was ill for a few days, but is now on the job and is feeling quite as well as usual.

Mrs. Florence Blum is back in the occupational therapy department after a period of vacation which was spent in her home state of Ohio.

Miss Isabel Maier, reconstruction aide, returned from an extended visit over the holidays at her home in Pennsylvania. Miss Maier was at one time stationed at Houston.

W. R. Hudson, American Legion Liaison Officer, Dallas, visited the hospital in the interests of the executive men, principally in matters pertaining to the adjudication of claims.

Mrs. Fred Irwin, formerly Miss Elizabeth Beal, nurse at Hospital No. 25, visited friends at Legion during the past week. Mrs. Irwin has enjoyed an extended trip through the Southwest, having been stationed for a time at Fort Bayard, N. M.

Mrs. C. M. Doss, who has charge of the commercial work at the occupational therapy department reports that she has enjoyed a long journey through the state of Arkansas.

Mr. and Mrs. Doss motored to her home and after seeing all of the folks, decided that the Hill Country had charms that are alluring.

Texas A. & M. College is co-operating with Col. Cook, commanding officer, in the matter of making disposition of large numbers of plants, ornamental trees and flowering shrubs in connection with certain plans for landscape gardening at the soldiers' hospital.

Mrs. H. H. Kuhlmann, chairman of the State Hospital Committee, is interested in assisting to make the hospital grounds attractive. She has planned to work with the hospital administration in securing, through her own efforts, several consignments of shrubs and trees to be planted as soon as the weather will permit.

The Literary Society, organized by the personnel of the hospital, has its plans for the winter's work well formulated. Meetings are held Tuesday night of each week in the assembly room.

The Clinical Society, of which only hospital staff officers are members, will hold a regular meeting January 11, at 1 p. m. The names of Drs. C. L. Moore, W. H. Woods and P. B. Matz appear on the program.

SUNSET SPOTLIGHTS

Mr. and Mrs. "Kid" McCaleb and son of Kerrville were visitors at the Oehler home Sunday.

Rev. J. H. E. Willman of Harper met his regular appointment here Sunday, holding both morning and afternoon services.

Mr. and Mrs. F. H. Cobb of Smiley spent several days of this week visiting their son, L. R. Cobb. They returned home Friday.

Mrs. F. S. Ragland and daughter, Miss Dida, spent several days this week with Mrs. Ragland's daughter, Mrs. J. M. Thompson of Kerrville.

Mr. and Mrs. Al Sandels, William Elly Larremore and George Ruff and Misses Edna Heimann and Tillie Ruff spent New Year's Day with Mrs. Sandels' sister, Mrs. A. E. Oehler.

County Agent Yearly was to have met the people of this community at the school house Friday evening to make plans for the work of the coming year, but on account of the intense cold weather the meeting was postponed until Thursday evening, January 10th.

The entertainment at the Sunset School House on the evening of New Year's Day was a distinct success. The program consisted of three short plays and a song.

Mrs. Francis Zachry, principal of the school, was in charge of the program, all the parts, with one exception, being played by the school children.

The citizens of The Hill Country evidently approve of the efforts of the editors and employees of this paper as putting forth in their behalf, judging by the way the new subscriptions and renewals have been pouring into this office.

The following have either subscribed or renewed their subscriptions to The Mountain Sun since last week: Capt. Chas. Schreiner, Butt Grocery, Mrs. B. A. Parsons, L. A. Schreiner, A. B. Williamson, R. H. Chaney, S. Eastland, Ally Beitel, Chas. Heinen, Henry Schwethelm, A. W. Henke, H. Renschel, Noll Stock Co., Wm. Tagl, A. W. Henke, First State Bank, R. T. Lovin, Will Garrett, Scott Schreiner, A. C. Schreiner Sr., A. C. Schreiner Jr., C. W. Moore, H. Miller, J. B. Young, W. H. Rawson, L. T. Davis, W. L. Van Horn, M. F. Weston, J. L. Pampell, P. G. Canfield, J. R. Burnett, Dr. H. R. Wall, Robt. Saenger Sr., Oscar Salmons, Mrs. R. A. Dunbar, L. W. McCoy, S. K. Mason, F. F. Richards, W. B. Powell, Chas. Mosel, W. B. Brown, Geo. Shumaker, Wm. H. Kensing, Mrs. E. L. Hill, Patrick Macdowell, Mrs. Jno. Williams, Kerrville; David Schreiner, Rev. J. M. East, Ingram; Mrs. F. S. Ragland, O. J. Bean, Hunt; W. L. Surber, Willie Aller, kamp, Comfort; T. V. Lawson, Ralph Fawcett, Mrs. H. B. Shiner, San Antonio; W. P. Cowden, Center Point; C. B. Spevee, Harper; T. J. Moore, Rocksprings; W. R. Schreiner, Eura; Roger McCoy, Port Arthur; Mrs. Lucy A. Rees, Cleo; John H. Parsons, San Angelo; Mrs. L. A. Lundell; G. I. Hassell, Corpus Christi; Mrs. J. W. Goss, El Paso; Sam C. Sutton, Dallas; Marguerite Henke, Milford; R. M. Shurley, Sonora; J. W. Forsythe, Carnegie, Pa.

"The South is no longer dependent upon any other section, but is able to care for itself to a greater extent than any other part of the country," said James, adding that the South shipped out 300,000 cars of foodstuffs each year in addition to that consumed at home.

"The new South," he said, "requires twice as many cars to move its volume of products other than cotton, as required for cotton."

Any rate reduction, James said, would not be passed on to the consumers, but on the other hand, would tend to bring a lesser price for the farmer's products and thus discourage production of products other than cotton.

The economic effect of a rate reduction, he said, would be more disastrous than its monetary effect and dealers would use it as a two-edged sword to give farmers lesser prices for their products and at the same time the dealers would refuse to pass the reduction on to the consumers.

San Francisco, Calif., Jan. 8.—After 30 years in the frozen north, Bob Henderson, 65, who claims to have discovered the first gold in the Klondike region that started the frantic rush of '97, is back in San Francisco Tuesday, "still full of pep and glee" as he put it, and with an eye peered for an "honest-to-goodness reheaded girl with freckles as big as saucers."

PECAN GROVE MUCH BETTER THAN INSURANCE POLICY

Texas Pecan Nursery Bulletin: It is better to set out a ten acre pecan grove than it is to take out a \$10,000 life insurance policy of any form. You must die for your loved ones to get the money and in most cases insurance money does not last long.

If you will set out a pecan grove you will have the pleasure of watching it grow until it reaches the bearing age and then it will abundantly provide for you and your family. Remember you won't have to die to get the money that a pecan grove will make for you, but you can enjoy the many pleasures that a pecan grove will make it possible for you to enjoy with your family.

If you own your land you can set out four acres in pecans each year for the same money that the average man will pay on a \$2,000 twenty-year policy. At the end of twenty years your policy will have a cash value of about \$1,400. If you set out four acres of pecans with the money you will pay as a premium each year for twenty years you will have an eighty-acre grove from one to twenty years old. A grove like that would be worth an average of \$1,000 per acre or \$80,000 while your policy would only be worth about \$1,400. Won't it pay you to investigate this?

Subscription Honor Roll

It is indeed a pleasure to publish a newspaper in a community that appreciates the efforts spent in putting out same. The citizens of The Hill Country evidently approve of the efforts of the editors and employees of this paper as putting forth in their behalf, judging by the way the new subscriptions and renewals have been pouring into this office.

The following have either subscribed or renewed their subscriptions to The Mountain Sun since last week:

Capt. Chas. Schreiner, Butt Grocery, Mrs. B. A. Parsons, L. A. Schreiner, A. B. Williamson, R. H. Chaney, S. Eastland, Ally Beitel, Chas. Heinen, Henry Schwethelm, A. W. Henke, H. Renschel, Noll Stock Co., Wm. Tagl, A. W. Henke, First State Bank, R. T. Lovin, Will Garrett, Scott Schreiner, A. C. Schreiner Sr., A. C. Schreiner Jr., C. W. Moore, H. Miller, J. B. Young, W. H. Rawson, L. T. Davis, W. L. Van Horn, M. F. Weston, J. L. Pampell, P. G. Canfield, J. R. Burnett, Dr. H. R. Wall, Robt. Saenger Sr., Oscar Salmons, Mrs. R. A. Dunbar, L. W. McCoy, S. K. Mason, F. F. Richards, W. B. Powell, Chas. Mosel, W. B. Brown, Geo. Shumaker, Wm. H. Kensing, Mrs. E. L. Hill, Patrick Macdowell, Mrs. Jno. Williams, Kerrville; David Schreiner, Rev. J. M. East, Ingram; Mrs. F. S. Ragland, O. J. Bean, Hunt; W. L. Surber, Willie Aller, kamp, Comfort; T. V. Lawson, Ralph Fawcett, Mrs. H. B. Shiner, San Antonio; W. P. Cowden, Center Point; C. B. Spevee, Harper; T. J. Goss, El Paso; Sam C. Sutton, Dallas; Marguerite Henke, Milford; R. M. Shurley, Sonora; J. W. Forsythe, Carnegie, Pa.

TIVY HIGH NOTES

By Lucille Taylor

School started again Wednesday morning. Wednesday, Thursday and Friday and Monday were spent in review. Examinations were begun Tuesday afternoon. Several new pupils entered in high school after Christmas.

Margaret Morriss, Alice Moore and Annabel Council substituted in the Grammar Grades last week. They were relieved by Mrs. Franklin, the regular teacher, who took Miss Sutton's place.

All clubs' meetings have been postponed until the new term begins. Felt footballs were received by Margaret Morriss, Ada Nance, Mable Hardin, Floyd Van Hoozer and Lucille Taylor for success in selling football tickets. Herman Rees was especially lucky and won a silver football for his good work.

Arthur Saenger, Curtis Spinks, Robert Wolfmueller, Johnnie Miller, Ernest Ratliff, Le Roy Brandon, "Bub" Tarver, Fayette Wall, Harold Osborne, Gerald Lloyd, Arthur Inscore, "Pedro" Lloyd and Bill Jonas, for the good work that they had done during football season, received a silver football with their initials, T. H. S. and their score 282 and their opponents score 7 engraved on the ball. They were presented Monday.

Texas Silver Output 800,000 Ounces

Washington, D. C., Jan. 8.—Metal mines of Texas produced 800,000 fine ounces of silver in 1923, according to the Department of Interior Geological Survey. The Presidio Mine at Shafter operated steadily since 1884, was the largest producer. Lead-silver ores were shipped from the Sierra-Blanca district.

Ten Reasons Why It Pays to Use MOORMAN'S CLEANSWEEP AND MOORMAN'S GROFAST

- 1. They solve the stomach worm and stomach worm disease problem.
2. They solve the tape worm and tape worm disease problem.
3. More and better lambs are saved at lambing time.
4. More and heavier lambs at marketing time.
5. Sheep fatten faster on the same kind of pasture or feed.
6. The vitality will be better retained in breeding ewes at an old age.
7. Sheep will grow a heavier fleece of wool.
8. The wool will be of better quality.
9. These two products are enabling the sheep raisers throughout the country to turn their losses on unthrifty sheep into profit.
10. Whether worms are present or not, the use of Moor-Man's Grofast will make you a good profit.
If your Goats and Sheep look bad, see NAT B. JONES, Local Agent, at Kerrville.

Boy Scouts Hold Meeting

In spite of the cold northern ten Boy Scouts of Troop 1 met at the hall in the Episcopal Church last Friday afternoon at 5 o'clock. Scoutmaster Macdougall initiated them into the mysteries of spud drill, the movements of which are gone through successively until every Scout has mastered them.
Following the drills the boys indulged in the formation of pyramids and riotous merriment prevailed. The boys have the court ready but the basketball has not been received as yet.
Scouts who attended the meeting were Bobby and Garrett Schmerbeck, Aubrey Lee Shelburne, Guy Zachry, Pat Swazey, Murry Materne, Jack Beard, Rolfe Richards, Terrell Love and Jack Walker. REPORTER.

Election of Officers

Annual Stockholders Meeting of the Kerrville National Farm Loan Association of Kerr County, Texas, duly called and held at the Court House on January 8th, 1924, the following directors were elected:
Herman Schulze, Geo. E. Meeks, E. C. Fisk, Wm. Burney and B. F. Denton; officers, Herman Schulze, president; Geo. E. Meeks, vice-president; A. B. Williamson, secretary-treasurer. Loan Committee, Herman Schulze, B. F. Denton, J. F. Rogers and D. S. Griffin. Total membership 48, total loans now in force \$144,655.00.
A. B. WILLIAMSON,
Secretary-Treasurer.

GROCERIES

The above word is familiar to all, but did you ever stop to realize that it has more than one meaning? In some stores it means old, shop-worn goods that have been on the shelves indefinitely, goods that are of inferior quality and are a menace to the health of the consumer.

In this store the word has an entirely different meaning. Glance over our shelves—you won't see any dingy, shop-worn or fly-specked labels on the canned goods we sell, for we sell on such a close margin of profit that our stock is turned many times during the year. The result: When you buy here you know the groceries are fresh, wholesome and sanitary. Our green vegetables, flour, feed and country produce are the best and freshest that you will find anywhere.

Try an order of goods from this store and you will appreciate the full meaning of the word, "Groceries."
