

Bull Town Bulletins

By
Bill Ellis

SEPTEMBER IS HERE, and we hate to remind the football widows, but it's that time again.

The pros have already played a game, and the high schools and colleges kick off their schedules this weekend.

The Dallas Cowboys, America's Team, and the favorite pro team of 99 and 44/100 per cent of the residents in this area, are embroiled in a quarterback controversy as they begin their 1984 season.

At least it was a controversy prior to their game at Los Angeles Monday night. After the performance of Gary Hogeboom Monday, many of those who thought Tom Landry might have over-reacted by replacing Danny White as the team leader may now be saying "Danny Who?"

Hogeboom silenced the skeptics who may have wondered if he was up to the task. He didn't have just an "average" game, any way you look at it. His 33 pass completions set a Dallas single-game record, formerly held by White.

It's a typical Dallas dilemma, because now the Cowboys have the NFL's second most proficient passer in history (White), relegated to the bench, and back-up duty. And the way today's NFL stars are paid, White surely is one of the highest-paid bench-warmers in the league.

Up until the game's late stages on Monday, this writer kept thinking Landry was going to have to pull Hogeboom, and let White pull off a "miracle finish," due to all of the Dallas mistakes, which tarnished the new quarterback's opening game, and kept Dallas trailing most of the way.

But credit is due the 25-year-old, who kept his cool, and just kept plugging until everything jelled with the winning drive.

The Hogeboom-White controversy is just the latest in the series of quarterback dilemmas which Dallas has been through in its 25-year NFL history.

The broadcasters were talking Monday about when Don Meredith became the new Cowboy quarterback. Later on, there was the Roger Staubach-Craig Morton feud, with another young quarterback, Clint Longley thrown in.

Landry solved the "play me or trade me" demands of both Morton and Longley, by dealing them to other teams.

Fate is not really fair (it never is), because White has had fewer starting seasons than he spent in back-up years to Staubach. And, in three of the four years he's been the Cowboy quarterback, the team has been to the NFL title game.

But, as it has been pointed out, in Dallas, that isn't enough. Cowboy fans want Super Bowl rings, and nothing less will suffice. We wish Gary Hogeboom a lot of luck. He's going to need it. Next to the president of the United States, we don't know of a job that draws as much attention and criticism.

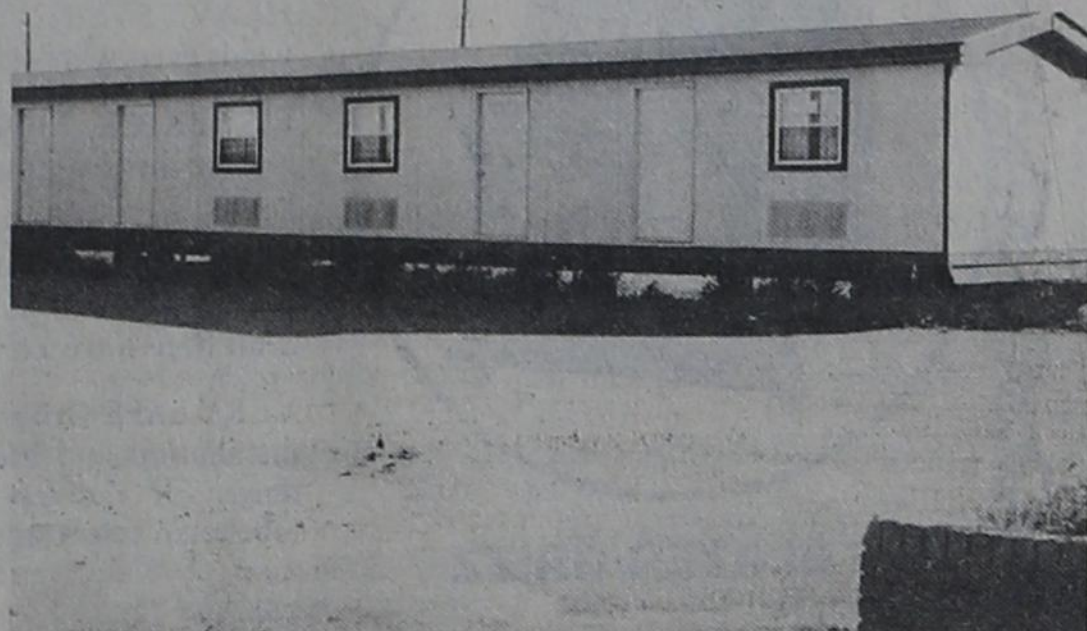

"SAY WHAT you mean, and mean what you say" is an old adage, which doesn't apply to these four news reports, which supposedly made it into print:

*Firemen today received 28 letters thanking them for their efforts which destroyed three houses last Wednesday night.

*A man was shot as he tried to foil an armed raider. Police have not named the man, who was shot at his request.

*The scales vanished from a locked office and police are weighing up the possibilities that they have been stolen.

*The doctor said that after the accident the defendant told him he had been to a very good dinner and had a good deal to drink. He was certain that his car had touched nothing.

MORE ROOMS....An additional ten rooms will be added to the Sands Motel, which will make twenty-two rooms in all. New managers are L.K. and Anna Shepherd, former McKinney, Texas residents. They are in the process of cleaning, re-doing and remodeling.

Motel Is Expanding

The Sands Motel is now under new management and an expansion program is underway. The owners are L.K. and Anna Shepherd, former residents of McKinney, Texas, where Shepherd was in business with the Satellite Oil Company.

Two buildings have been moved beside the motel, to provide an additional twelve rooms. When completed the motel will have twenty-two rooms.

They are in the process of completely re-furbishing the rooms with new drapes, new carpeting, and new air conditioners. When finished, Anna says they hope to have a first class motel. She also says they will be catering to the truckers.

Anna and her husband are happy to be in Bovina and will strive to please their customers with the finest service. Celia Fragoza is the motel maid.

Assn. Needs Items For T. Days

The Bovina Trade Days Association will be sponsoring a booth to raise money to help defray advertising and start-up costs for the Trade Days.

The Association is asking if you have any garage sale merchandise that you want to get rid of, to please donate it to the Trade Days Association. This is a good opportunity to help this civic group with a good worthwhile project.

Cash donations would also be accepted and appreciated. If you have any merchandise, please contact Billy Whitecotton or Keith Knight.

The second monthly Trade Days will be September 21-23.

BHS Grid Team Has Scrimmage

The Bovina Mustangs have played two pre-season scrimmages, against Dimmitt and Vega.

Dimmitt outscored the Mustangs in their first scrimmage here, three touchdowns to one. Vega downed Bovina, two to one in last Friday's scrimmage.

Johnny Villarreal scored both touchdowns for the Mustangs. In the Dimmitt scrimmage, he teamed up with Blake Scaff on a 70-yard scoring play, Scaff tossing Villarreal the ball at free safety.

Against Vega, Villarreal scored on a one-yard plunge, playing at the halfback spot.

Coach Hill said that in the scrimmage sessions, he had been pleased with Terry Glasscock's work. Glasscock has been moved to the halfback position. Also, Doug Johnson, the other halfback, has been running well. Scaff and Villarreal are waging a battle for the quarterback position.

On defense, Hill singled out linebackers Glasscock and Terry Moore; defensive tackle Chet Hawkins and free safety Villarreal for their work.

"We are very fortunate in that we have suffered no bad injuries in our workouts or scrimmages," said Hill.

Enrollment Is Given

Enrollment in Bovina schools stood at 453 students as of Tuesday, September 4.

Kindergarten through second had 116 pupils; third-fifth had 116; junior high had 91 students and high school had 130 students.

WINS ONE HUNDRED DOLLARS....Shown is Darrell Embry of Muleshoe accepting \$100 for his winnings in the Annie Oakley event which took place Sunday afternoon in the Bovina 4-H Trap Shoot, held on the Larry Scott farm. Presenting the one hundred dollar bill was Bovina's coach Sammy Stormes and standing in the middle is Mindy Neal, president. Proceeds from the Trap Shoot were donated to the Muscular Dystrophy Foundation.

Ponies Host Happy In Football Opener

The Bovina Mustangs will host the Happy Cowboys on Friday night. The team will be hoping to make up for their lack of numbers with a lot of enthusiasm.

New head coach Howard Hill said the team's enthusiasm has begun to swell. "We started slowly, but the spirit has begun to come on. Monday we had a great workout. The kids are giving it all they've got," he said.

In addition to being short on numbers, the Mustangs for 1984 are also shy on experience. Hill was met by only nine returning lettermen and a few starters from the 1983 team.

Out of a squad of 24 players, six are freshmen, and only six are seniors. Two of the seniors, Ted Clayton and Jimmie Heard, haven't played football since their freshmen years, so they have some lost time to make up.

Hill said after Monday's practice he has a real battle going for the quarterback position, between returning starter Blake Scaff, a junior, and senior Johnny Villarreal. "I may not know until Thursday who will start for us in the ball game," Hill said.

The starting lineup is expected to look like this: Offense: split

receivers: Ray Duran and Craig Pearson; tight end: Matt Howell; strongside tackle, Toby Dutton; strongside guard, Chet Hawkins; center: David McKillip; quickside guard: Terry Moore; quick tackle, Todd Schilling; quarterback: Blake Scaff or Johnny Villarreal; right halfback: Terry Glasscock; left halfback, Doug Johnson.

Defensive starters: ends: Pearson and Chad Clayton; tackles: Dutton and Hawkins; inside linebackers: Glasscock and McKillip; cornerbacks: Tommy Hutto and Robert Tapia. Free safety: Villarreal.

Happy, who will furnish the opening game opposition, and has one of the better runningbacks in the area, David Johnson. The Cowboys have a good sized team. They also are expected to throw the ball, with all-district tight end Jody Johnson also returning.

The Cowboys, like Bovina, are in a tough district, with the likes of Vega, Nazareth, Farwell, Kress and Lazbuddie.

Speaking of districts, Bovina finds themselves in District 3-AA, which gained Abernathy, down from class AAA. The Antelopes have 96 boys out for

football in high school, and this is more boys than most of the district schools have in school. Hale Center is always a powerhouse, and Olton and Springlake-Earth are expected to be competitive. Hart and Bovina are both facing rebuilding seasons.

Hill is back coaching football after spending a year coaching basketball only. At Springtown in 1982, his team had a 7-3 record, placing second in district, after turning around a 0-22 losing streak.

"It seems like it has been my fate to be in a rebuilding situation," said Hill, who also spent three years at Round Rock when that school went from 4A to 5A in size.

"I'm looking forward to the season. We have a great group of kids, and they're trying hard," he said.

Blood Drive Is Friday

The ladies of the United Methodist Church are sponsoring a blood drive on Friday, September 14 from 1-5 p.m. at the Bank Community Room.

Blood drives are extremely important to area hospitals since overall donations are considerably low, yet the demands for this priceless human medicine increases daily.

The Coffee Memorial Blood Center in Amarillo has asked to conduct a special blood drive for our community on September 14. This blood drive will enable us to continue a Blood Donor Club which can be used by all residents and their immediate family members to help defray the processing charges for blood components during periods of hospitalization.

No one is penalized for not donating because of medical or physical deferments.

Make plans to give blood, September 14 at the Bank's Community Room.

Football Contest Kicks Off Here

The annual Bovina Businesses Football Contest makes its 1984 debut this week in the Bovina Blade, with extra games and extra prize money.

Contestants are being asked to pick 20 games on the weekly contest, six more than in previous years.

Winner of the weekly prize will receive \$10 cash, with second place receiving \$7.50 and third place \$5.00.

Grand prize winner, at the conclusion of the event, is a straight cash award of \$100 cash.

The contest is sponsored by 20 area businesses.

Contestants must choose a winner and write his or her choice on the entry blank. A tie-breaking score must be predicted, usually the Dallas Cowboys' game, to help separate ties for one of the top three positions each week.

Contest rules are listed on the contest page each week. Only one entry blank may be submitted by each contestant. Deadline for entering is 5 p.m. on Fridays.

Entry blanks may be brought by the Blade office on Third Street or mailed to the Bovina Blade. Entries that are mailed must bear a postmark of Friday, and must be received by the Blade by Monday to count for the week's prizes.

Tabulations of individual entrants' scores will be kept all season, and at the end of the 13-week contest, a grand prize winner will be named.

A scoreboard, with all contestants listed in alphabetical order, will be on display in the

Blade office, showing the contestants' current week's score as well as the running score.

Sponsoring the contest with the Blade this year are Bovina Pump Company, Dudley's Auto, Bovina Fuel and Supply, Charles Oil, Ted's Spraying Service, Bovina Feeders, First State Bank, Sherley Grain, Lawlis Gin, Paul Jones Texaco/Dairy Freeze, Parmer County Spraying Service, Don's Medicine Chest, Agri-Sprayers, Bovina Supermarket, Clayton Farm Center, Big Nick Machinery, J.P. Family, Inc., Bison RV Center and Sherley-Anderson Lazbuddie Elevator.

HUDDLE TIME... Mustang footballers are shown in a huddle during time out at a recent scrimmage. The Mustangs will host Happy in their opening game this Friday.

Bazaar Is Success

The Guadalupana Society held their monthly meeting Sunday, September 2 at 1 p.m. in the St. Ann's Parish Hall, with eleven members present.

The main item on the agenda was the bazaar that took place last Sunday. All organizations took part with booths. The Society reported a good profit. They appreciated everyone's attendance.

Apolonia Sierra gave the Parish Pastoral Council report. She said it was decided to have a special collection once a month for the poor. A census will be taken as soon as there are enough volunteers. She also said that the Sacred Heart Society gave a donation of \$125 to the Parish for the "United Catholic Appeal."

Miss Sierra is the Guadalupana representative in the Parish Pastoral Council.

The meeting adjourned with a prayer led by Graciela Ortiz. Refreshments were served.

The next meeting will be held October 2.

Study Club To Meet

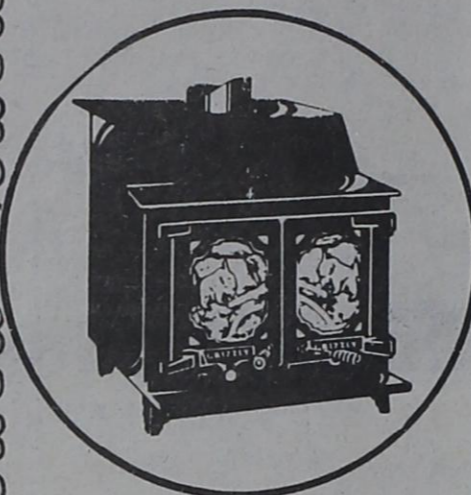

The Bovina Study Club will meet September 13, for a noon luncheon at the home of Yvonne Stevenson.

The speaker for the day will be Mrs. Loretta Hoderick, Caprock District President. All members are urged to attend.

Laura Jacobs, Roger Wallace Exchange Wedding Vows

Laura L. Jacobs of Farwell and Roger A. Wallace of Lubbock exchanged wedding vows at 7 p.m. Saturday, August 11. The ceremony was performed in the back yard of the bride and groom's new home in Lubbock.

The bride is the daughter of the late Mr. and Mrs. W.F. Jacobs of Matador, Texas.

The groom's parents are Mr. and Mrs. Don Wallace and Mr. and Mrs. David James of Lubbock.

The Reverend Duane Knowlton of the First United Methodist Church, Morton, performed the double ring ceremony.

Richard Campbell, cousin of the bride, sang "The Wedding Song" as the ceremony began.

The bride wore an ivory crepe street length dress. The knife pleated bodice had long sleeves with lace cuffs and rounded neckline, accented with a choker of amethyst and pink beads.

She carried a bouquet containing pink carnations, miniature ivory pom chrysanthemums, and alisteromia from Holland with mauve ribbon.

Sharon Hillis of Snyder was the maid of honor. She wore a long sleeved street length dress of cranberry silk. She carried a bouquet of pink carnations and daisies and mauve ribbon.

David Wallace was best man. Danny Wallace was usher. Both are sons of the groom. The groom and groomsmen wore pearl grey tuxedos with ivory tuckered front shirts, pink bow ties and cummerbunds.

Following the wedding, a reception was held at Tara Restaurant.

The bride's table was set in front of a fireplace and decorated with the bride's bouquet and a hurricane lamp with a pink taper candle and silk candle ring. The

wedding cake was ivory with pink and mauve piping and pink silk flowers.

Cynthia Thigpen of Farwell served wedding cake and Joan Johnson of Farwell served punch.

The groom's table was decorated with the bridesmaid's bouquet. The groom's cake was German chocolate with cherry-nut filling. The bride and groom's initials decorated the top of the cake in shades of pink and mauve. Kendale Burch of Texico served at the groom's table.

The buffet table featured fresh fruit, finger sandwiches, raw vegetables, dip and meatballs New Orleans.

Stacy Hillis of Snyder registered the guests.

The couple will make their home in Lubbock.

The bride graduated from Matador High School and Texas Tech University. She is employed by Texas Agricultural Extension

Service as County Extension Agent, Home Economics for Parmer County.

The bridegroom graduated from Lubbock High School and is employed by Houseour Printing in Lubbock.

Out-of-town guests included Mack Jacobs of Houston; Charlotte Richardson of Dallas; Mr. and Mrs. Ray Morton of Floydada; Mr. and Mrs. Thurman May and Mr. and Mrs. Joe Sholz of Amarillo; Mr. and Mrs. Wayne Rhodes of Friona; Mary Dale Williams of Plains; Pam Smith, Mr. and Mrs. Wilfred Quickel, Mr. and Mrs. Gary Patterson, Peggy Goettsch, Gay Goettsch and Liz Phillips, all of Farwell.

Also, Mr. and Mrs. W.N. Pipkin, Mr. and Mrs. R.E. Campbell, Jr., Mrs. Robert Darsey, Robin Darsey, Mr. and Mrs. Gerald Pipkin, Leigh Ann and Amy, all of Matador.

Scooter's Scoops

By Scooter Russell

Probably no one has ever received a more hearty welcome from Bovina people as did little

Brooke Charles on Tuesday night of last week when she came home from the Clovis Fair with her mom and dad, Barbara and Billy J. Charles.

Bovina residents spent about three very scary hours, when we thought the little one may have been taken or lost. Joining our police force were the Clovis and Friona Police Departments.

Also looking were members of the Bovina Fire Department and the Ambulance crew. Citizens met down at City Hall and divided the town and started searching with spotlights, flashlights, and headlights on their vehicles.

We were told that two firemen were out looking near the draw, when two men from Lazbuddie came by, stopped and asked what they were looking for. Our men told them and the Lazbuddie men parked their vehicle and joined the search.

Brooke's grandmother, Margaret Charles, thought she was supposed to be babysitting her and her little brother and hadn't realized Brooke was with her parents.

Some who were not out looking were walking the floor and praying.

About midnight, we learned she was safe, breathed a sigh of relief and thanked God.

It was good to know how Bovina people can come together when there is a need. We're grateful to live in a town where people love and care for one another.

NEWS AROUND TOWN...

J.T. Jones had a hip replacement and came home from St. Mary's Hospital in Lubbock, only six days following surgery. He is getting along great, according to his wife, Tessie.

Mr. and Mrs. Alvo Kersey went on Friday of last week to Boise City, Oklahoma and visited with their daughter and family, Alva Lou and Donald Walker and their

daughter, Stassi. While there they enjoyed a trip to Berry's Ranch, which is near Raton, New Mexico. While there, they had a good time fishing and a good visit together.

Jerry Ware, her son Tom and his wife Sandy have been to Ruidoso over a weekend attending the Windom family reunion, which was held at Tom's and Sandy's mountain home in Ruidoso. Attending the reunion were all of Jerry's brothers, E.J. of McClean, Clyde of Truth or Consequences, New Mexico, Cloyd of Morton and Clell of Amarillo.

Accompanying Jerry to Ruidoso were her niece, Maxine Bennett of Pampa.

Jerry said they had fun during the six days, playing games, golfing and visiting. It rained three of the six days she was there but the rest of the week, the weather was pleasant.

Delpha Vinson flew August 22 to Penn Yan, New York, and visited her daughter and family, Eva and Richard Vickery and their children, Mike, who is 13 and Karla, who is seven years old. Mrs. Vinson had not seen her daughter and family in three years.

While there, the family ate at Geneva and shopped at a nearby village, Watkin Glenn. She had a good time fishing with her grandson, Mike. One day the family had dinner with Richard's aunt Mary. She said the weather was hot and humid in the daytime but nice and cool at night. Mrs. Vinson said there was wild deer everywhere and the scenery was very pretty. She returned to Bovina August 29.

Visitors in Bedford and Pauline Caldwell's home last week were Warren and Jeannette Morton of Tyler, Texas. The Mortons lived in Bovina and left here about twenty years ago. Warren was high school superintendent here and Pauline

said he was now working at the Tyler newspaper. They spent last Thursday and Friday in Bovina.

Brother Bass and his wife, Flaura Lee, have had their children visiting in their home. Their daughter and family, Janice and Jarvis and baby daughter Heather have been visiting from Oklahoma, and their daughter Sherry and her daughter Lisa visited from Aurora, Colorado.

We want to express our sympathy to Freda Lloyd, whose father passed away. Sam

Hartsfield, 90, lived in Tyler. He was survived by fifteen children, many grandchildren and great-grandchildren.

Larry and Patsy Webb of Adrian and their children, Becky and Kendall, came to Bovina over the weekend and visited with their mothers, Sid Lloyd and Bessie Webb. While here they attended church with their mothers and in the afternoon the family went to Muleshoe to the Jerry Lewis Telethon held at the Community Center. Also with the family was Sid's daughter, Julia, of Farwell.

Sandra and James Clayton and family spent Sunday in Levelland with Sandra's parents, Mr. and Mrs. Earl Mays. Also with the family were Sandra's sisters, Diane and family from Dallas and her sister Janice and her family from Arlington. They also enjoyed visiting with a cousin, who was there from Lubbock. The family attended church together Sunday morning and the Claytons came home Sunday evening.

Immigration Reform—In the Wake of Simpson-Mazzoli

This week in Washington, Representatives will meet to decide the fate of the Simpson-Mazzoli Immigration Reform Bill. Their job is to find a way to draft a compromise version acceptable to both the House and the Senate. At this point it is doubtful they will succeed.

Even if the Senate accepts most of the provisions of the House bill, there are many, including Kent Hance, who believe the House would not pass its own version again if it came up for another vote. It passed by only five votes last June.

The problem is that the House version of Simpson-Mazzoli would be unfair and too expensive to implement. At the root of the problem is a House leader lacking in political courage and leadership. At one point House Speaker Tip O'Neill said illegal immigration was a "regional problem" and he wished

the bill would just disappear. There are those who feel the same way about Tip.

The House version would grant amnesty to illegal aliens who came into this country before 1982. This is not only unfair to those who have waited for years to enter legally, it would also cost over a billion dollars a year in services for the next four years.

The House version also fails to provide a good solution for proper identification which is necessary for a workable program. Senator Alan Simpson of Wyoming has a collection of forged identification cards that proves this point. One illegal alien obtained a forged driver's license and social security card, enrolled in college and got tuition aid, food stamps, Medicare, Medicaid and unemployment benefits.

Many people oppose a na-

tional identification card for workers, but we already have one. All that is really needed is a counterfeit-proof social security card.

The House version has many sections that I object to, but there is one provision I support. I agree with the need to provide a program for guest workers for agriculture. This is necessary to keep from causing hardship on our struggling agricultural economy.

Our immigration problem continues while Congress debates the solution. Professor Donald Huddle of Rice University estimates that for every 100 illegal aliens employed, 65 Americans are left unemployed. And, in 1982 alone Texas' taxpayers paid \$85 million to educate the children of illegal aliens.

Loss of jobs and the costs of social services are the most obvious burdens of illegal immigration, but there is a more fundamental issue. A sovereign nation must have firm, controlled borders. We cannot continue to live at the mercy of social and economic conditions outside the control of the United States.

A STEP AHEAD IN BOLL WORM CONTROL

Yield (lb/acre)	1981	1982	1983	1984
Pay-Off	100	100	100	100
Other Pyrethroids	95	95	95	95

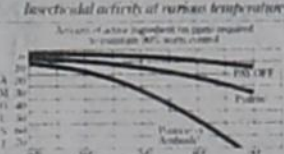

Consistently higher yields

In four years of side-by-side field tests comparing PAY-OFF with other pyrethroids, cotton treated with PAY-OFF consistently yielded more per acre than cotton treated with other pyrethroids. Yield increases ranged from 2% to 5% more per acre, at least in tests conducted during 1980, 1981, 1982, and 1983 in fields irrigated throughout the Cotton Belt.

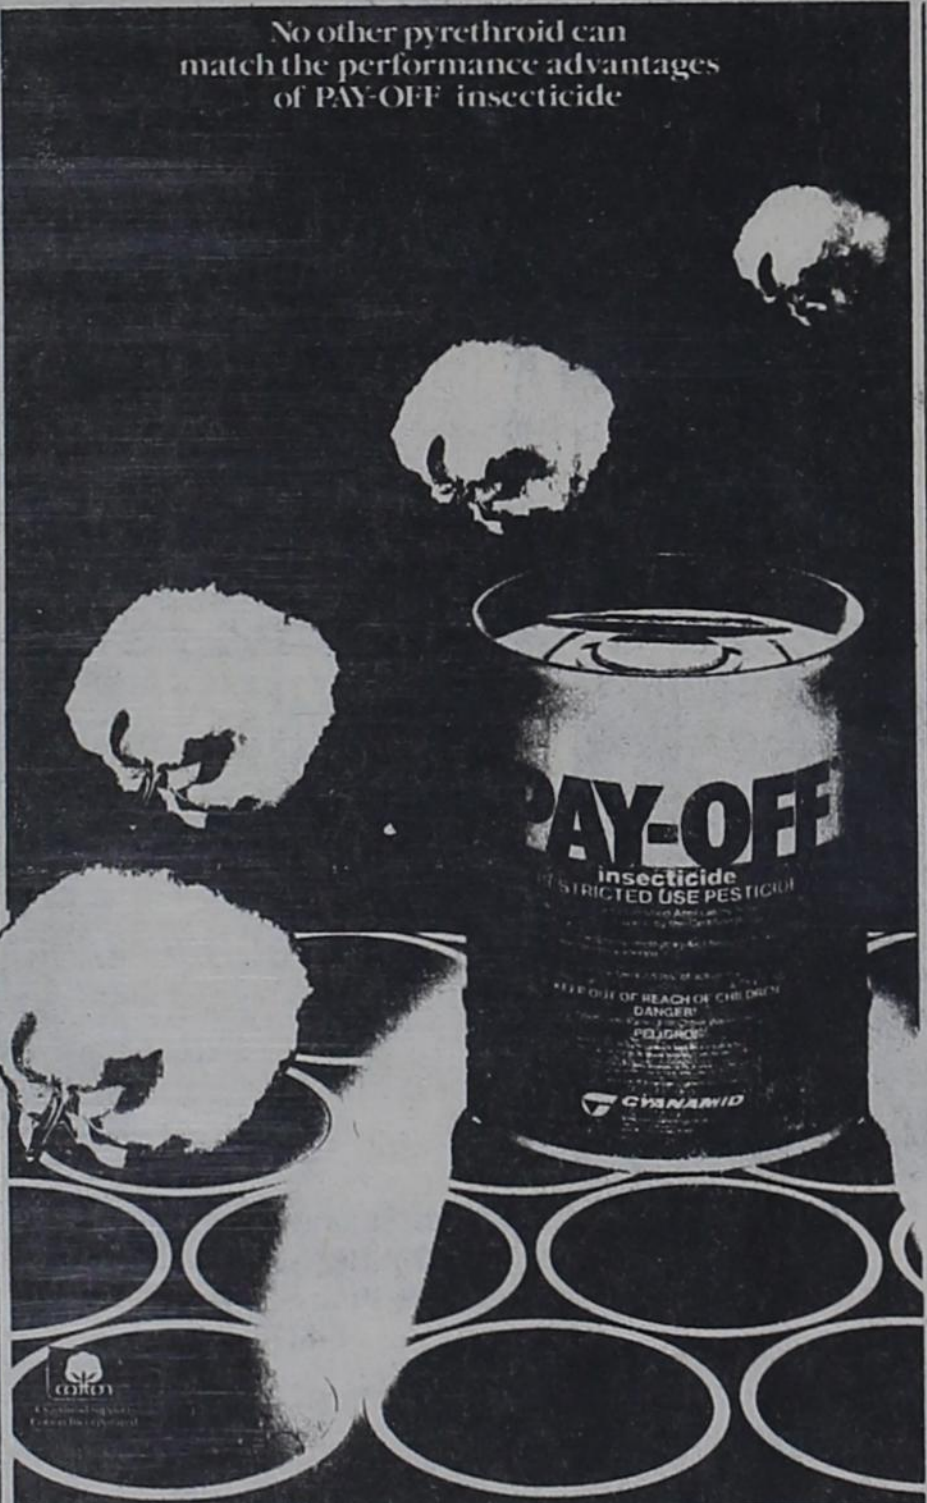

Effective at high temperatures

High temperatures can reduce the effectiveness of pyrethroids, an important consideration in cotton production areas where high, hot summer days are the rule. Higher the temperature, the less active pyrethroids are. PAY-OFF is an active pyrethroid designed to be more effective at high temperatures. Laboratory testing shows PAY-OFF remains insecticidal at 100°F, 110°F, 120°F, and 130°F. The net result is that temperatures are significantly higher when cotton is treated with PAY-OFF.

Single formulation for water or UTV oil application

With PAY-OFF there's no need to be other with multiple formulations. It's been specifically formulated for use in water, or for UTV applications. An optional oil concentrate is available. Applied either way, PAY-OFF lasts longer than other pyrethroids. And, in the PAY-OFF there is no harm to the number of applications that may be made in a single season.

Least harmful to beneficials

Not only is PAY-OFF the most effective pyrethroid against the BOLL WORM complex, it's also the least harmful to beneficials.

Effective against boll worm complex

PAY-OFF captures the complex when it comes to BOLL WORM control. One female

may lay from 1,000 to 3,000 eggs, normally during a period of from one to two weeks. The eggs are minute and are placed singly, usually on the tender terminals in the upper third of the cotton plant.

Several hundred larvae usually feed on the tender body portions of the plant. After feeding for a few days these young larvae molt to a second instar which prefers to feed on squares and flowers. As the worms continue to develop, they often concentrate attack on larger squares and buds further down the stalk.
