

"MY TURN"

By
Carol Ellis

A COUPLE of football fans were recently overheard discussing their favorite subject . . . football, what else! The conversation went something like this (Names have been changed to protect the innocent):

"I hear Brownview has a real good team this year."

"Well, I'm here to tell you, they've got some seasoned veterans coming back (Vietnam or Gulf War?) and they've got the talent and experience to get it done."

"Of course y'know, our rookies are no slouch on the field. We've got some good defensive plays lined up. You turn these youngsters loose on the grass and they'll show you what they can do."

"I dunno. After last week, I think we're in trouble with our offense. We can't move the ball a lick."

"I saw Greenhart play a couple of weeks ago. They're two and oh. They know how to keep the other guys out of the end zone. These dudes got a real good kicking game and they execute real well. (I thought executions were illegal.) That tight end they've got looks real good up front. (That sounds plumb lewd. Are these guys gay or what?)"

"I mean to tell ya', if Jones and Smith can get their passing game in gear, we can show those Lizards a thing or two next week. We were battling the officials all the way to the goal line last time. When the ref killed the ball on the twenty in the third quarter, we couldn't get any momentum going after that. (How do you "kill" a ball?)"

"Sure hated to see 'em call back that punt return and kill it, too, but they just weren't up to it last week. Couldn't execute their plays. (More killing and executing! Sounds like too much violence for me.) They had backsides in motion called and were doing some sloppy performance overall. (Is this motion some sort of new teenage dance step?)"

"You said a mouthful there, fella, but our front line looked real clean and we got some good backs. (Maybe their Moms used a lot of bleach and hung those uniforms out on the clothesline.) And we're way out ahead in penetrations this season. (Is that something you can get arrested for?)"

"Well, I'll tell you the truth, for a young line, we campaign real good even if we don't have the starters we did last time around. (I didn't know anyone was campaigning yet. These political races get started earlier and earlier.)"

"On the other side of the ball, if we can confuse their defense, make them make some mistakes, get the distance situations to favor us, then maybe ole Masher'll get free and make a really big play for us. (Get free? Was he being held hostage somewhere?)"

"Man, I mean to say, the key to this whole season is we need to put the pressure on and get these guys to overcome some of those mistakes they made last two times out on the field. If they can get excited about it from the git go and bring that kick-off return all the way back, we'd be off and running then. (This must be some sort of male-bonding ritual.)"

"Well, it ain't over till it's over. I hear the coach has got 'em all psyched up. They're real excited about this week and they're gonna be out there to play the game!"

"Now, tell me, do football people talk a different language, or what? Do any of these banal cliches actually mean anything at all? Guess I just need an interpreter."

"Did you notice that when the home boys were not doing well, the team was referred to as "they," but when the home team was okay, they were known as "we." I wonder if the conversation would have been as intense if they had been discussing something important?"

GRIGGS HONORED...Tom and Julie Ziegler of Yankee Cafe held a fundraiser for Donna Griggs to help Miss Griggs attend the Macy's Thanksgiving Day Parade. They raised \$104 which will go toward Donna's expenses to attend the parade, as a member of the NCA All-American Cheerleading team.

SWCD To Elect New Zone Director

An election of a soil and water conservation district director to serve in zone three on the Parmer County Soil and Water Conservation District is scheduled for October 1, 1991 at the Friona State Bank, announced McFarland C. Osborn, chairman of the board. The election will be held at 10 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county, all or any part of which is in the district and the voter must be 18 years of age.

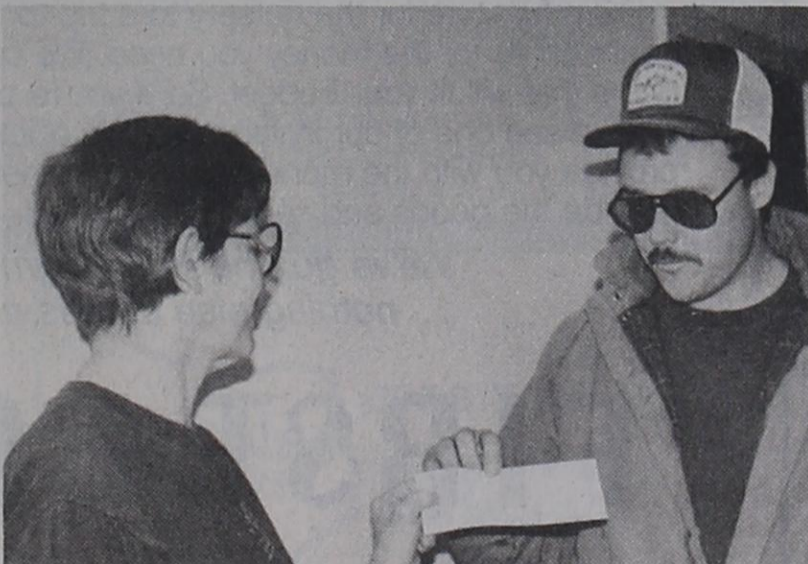

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county, all or part of which is in the district. Soil and water conservation district directors serve four year terms of office.

Did Area Have Men At Attack?

Was any local or area serviceman in the Pearl Harbor area at the time Pearl Harbor was attacked (December 7, 1941) by the Japanese?

J.P. Sims, who is local and district commander for the American Legion, is responding to a query by the Amarillo Globe-News, which plans a special feature on the occasion of the 50th anniversary of the attack, which drew the United States into World War II.

If you know of someone who was stationed in Hawaii at the time of the attack, please call Sims, or the Bovina Blade. We would like to know if we had any area casualties, or survivors, of the attack.

PICKS 13 GAMES...Mike Read was the week's winner in the Bovina Blade football contest, picking 13 of the 14 contest games. He is shown receiving his \$10 check from Dorothy Stowers.

BHS Sets Visit To Plains

The Mustangs will travel to Plains Friday for their fourth game of the season, and it marks the third time in four games that BHS will meet a member of the tough District 6-1A.

Bovina played Whiteface and Lorenzo the first two weeks of the season. Plains will be the team's final non-district opponent.

Although the Cowboys are winless going into the game, with an 0-2-1 season record, the Mustangs needed to be wary of that record.

Plains coach Larry McMinn has led Plains into the playoffs seven of the last 11 seasons.

The Cowboys earned a playoff spot last season, in spite of having to compete against the likes of Whiteface, Petersburg, Sudan and Anton.

Plains tied Farwell, 6-all, in their season opener, then suffered defeats at the hands of Seagraves, 37-0 and Morton, 20-8.

However, the Cowboys have eight starters back from their playoff team of 1990, including running-back Wade Redman, a senior. Kickoff time is 8 p.m.

Club Has Meeting

The Bovina Women's Study Club met Thursday, September 12 at the First Bank of Bovina. A program on "Crime and Punishment" was presented by Alma Clayton. All programs this year will be based on current events.

Virgie Cary had refreshments for the ladies. Those attending were Carlene Jones, Joe Looney, Arty Faye O'Hair, Alma Clayton, Norma Whitten, Alleen Russell, Virgie Cary and Doris Lawlis.

Alma Clayton, club reporter, stated that all guests are welcome to attend the meetings. The next meeting will be held October 10 at 2:30 p.m. at the Bank.

August Report

Capt. Rusty Davis, District Supervisor of the Amarillo Highway Patrol District, which is made up of 31 counties said, "For the month of August, our troopers investigated six fatal accidents, 75 personal injury accidents, and 88 property damage accidents. There were nine persons killed and 105 persons injured in these accidents."

Sgt. Marshall Henderson of Hereford stated, "In Parmer County, our troopers investigated no fatal accidents, two personal injury accidents and three property damage accidents in the month of August. No one was killed, and two persons were injured in these accidents."

Highland Park Upends BHS

A stingy defense by the visitors, coupled with a potent passing attack, spelled doom for the Bovina High School Mustangs in their bid for season win number three last Friday at Mustang Field, as the Highland Park Hornets prevailed, 20-7.

The class AA Hornets were intent upon getting into the win column for the first time in the 1991 season, after having suffered defeats in their first two games at the hands of two potent football teams, Happy and Sunray.

Highland Park quarterback Joe McGill threw for two first-quarter touchdowns, and they proved to be as much offense as their charged-up defense would need, as the Hornets held Bovina's ground game to minus six yards for the evening.

McGill connected on an 11-yard scoring strike to Cedric Wells to open the scoring and give the visitors a 6-0 lead in the first quarter. Highland Park's PAT kick failed following that touchdown.

Later in the same period, Jason Cox hauled in a seven-yard touchdown pass from McGill, who then passed to Wells for a two-pointer and Highland Park had a 14-0 lead. Bovina never could sustain a drive, and that turned out to be the halftime score.

In the third quarter, the Mustangs finally had a drive that paid off, as Kory Mitchell and Hector Guevara teamed up on a 35-yard scoring play. Mitchell was the passer and Guevara was the receiver, as the fullback pass combination worked for a score for the second consecutive week. Angel Porras' kick made the score 14-7, and got the Mustangs back in the ball game.

However, that proved to be the high point of Bovina's offense for the evening, and Highland Park salted away the win with another touchdown in the fourth quarter. Matt Johnson completed the scoring drive for the Hornets with a one-yard plunge. The kick again failed, but the Amarillo team had extended its lead to 20-7, and that turned out to be the final score.

"We gave them two touchdowns right off the bat, but held them after that and played to our ability, but we had dug too deep a hole to recover," said Mustang Coach Rock Stanley, who had said prior to the game that it would be a dog-fight.

Pacing Bovina on defense was defensive back Corey Kirkpatrick, who had ten unassisted and two assisted tackles. Stanley said that three of Kirkpatrick's tackles were of the touchdown-saving variety, and one was of the "crunch" variety.

The loss left the Mustangs with a 2-1 season record, heading into their final non-district game at Plains on Friday. Highland Park improved its season ledger to 1-2.

Mike Read Wins Weekly Grid Event

Mike Read was the winner in the third week of the Bovina Blade football contest. Read was one of five contestants who correctly picked 13 of the 14 contest games.

Using the tie-breaker system, Read was awarded the weekly first-place of \$10 cash. He was the closest of the top four contestants to the Dallas-Phoenix score, missing the score by 12 points. His only miss was the Farwell-Hart game.

Tommy Platt was awarded second place and \$7.50, after missing the tie-breaker score by 14 points. She also missed the Farwell-Hart game.

Sager Is Buried In Littlefield

Services for Henry Arnold Sager, 87, of Littlefield, were held Sunday in Hammons Funeral Home Chapel of Littlefield with the Rev. Mike Holmes, pastor of St. Martin Lutheran Church, officiating.

Burial was in Littlefield Memorial Park.

He died Thursday in Knight Nursing Home after a lengthy illness.

He was born in Washington County and moved from Clifton to Lamb County in 1935. He was a retired farmer and ginner. He married Elnora Lang on December 18, 1926 in Bosque County. He was a Lutheran.

Survivors include his wife; a son, David of Santa Fe, New Mexico; three daughters, Virgie Mae Cary of Bovina, Laverne Harper of Sudan and Judy Cox of Muleshoe; a sister, Elsie Sager of Clifton; eleven grandchildren; and ten great-grandchildren.

The family suggests memorials be made to the St. Martin Lutheran Church Memorial Fund.

Third place turned out to be a tie between Virginia Steele and Jackie Morgan, when both missed the tie-breaker score by 15 points. They split third-place money and received \$2.50 each. Both also missed the Farwell-Hart game, which tripped up most of the contestants for the week.

Hattie Burnett was the other contestant to correctly pick 13 games, but missed the tie-breaker score by 20 points.

Five contestants correctly picked 12 games, missing by just one at having a shot at one of the weekly prizes. They were Donnie McDonald, Dennis Field, A.M. Wilson, Don Spring and George Villarreal.

Sixteen other contestants correctly picked 11 games: Luis Franco, Scott Sims, Blake Scaff, Judy Hromas, Adam Murphy, Jim Cockerham, Kay Roach, Blake Clements, Ronnie Cary, Joe Harris, Erith Hawkins, Dorothy Stowers, Jerry Roach, Corey Kirkpatrick, J.T. Roach and Richard Beauchamp.

In the race for grand prize, Virginia Steele took the lead with her score of 13, and has 33 overall.

Jackie Morgan is in second place at 31. Mike Read and Scott Sims are at 30. Dwayne Acker, Carl Harris and Dean Stanberry are next at 29.

On their way home, they came back through Amarillo to leave some things at the publisher for their daughter. They returned home Thursday, September 19. Flossie and Lester celebrated their 52nd wedding anniversary at Casper, Wyoming.

Edna Estes, mother of Suez Smith, had colon surgery Wednesday, September 18 in Abilene. Suez said when the test came back, the report was good. Herman and Edna Estes live in Coleman.

Our sympathies to Jan Thieman and family on the loss of her mother, Mrs. Kincaide, who was killed in a car accident in Missouri. Jan teaches home economics at Bovina High School.

Kevin Hughes and Stan Miller of Bovina and Be Barrett of Farwell have recently made several trips to Conchas Lake to go spear-fishing and scuba diving.

On their last trip on September 15, the three returned home with 40-50 crappie and catfish for their effort. The fish were found approximately 45 feet deep near Rattlesnake Island. The spear gun used has a 2-1/2 to 3 foot long spear that is propelled by compressed air. The three men are certified scuba divers.

Chuck and I and our three girls, also Scooter Russell, went to Amarillo, Sunday, to see the Ice Capades. People said this was the best year in many years and we agree.

Joining us at the Civic Center were Chuck's sister, Diane, and her husband, Don Maynard, who live in Amarillo and Scooter's daughter, Tami, and her daughters from Spearman. The tickets were provided by boss, Bill, and we really had a fun day!!

Erma Bradshaw spent last weekend in Amarillo visiting her daughter, Dyalhia. They had a lot of fun and did a lot of "girl talk." Erma's son-in-law, Larry, was in Albuquerque, N.M. showing two of his Palomino horses. Larry came home with two first places and two second places. Needless to say, he was a very happy man.

D'Anne Jones has been chosen Youth of the Month at the First Baptist Church in Bovina. D'Anne is the 13-year-old daughter of Joe and Denise Jones of Bovina. She lists her hobbies as playing basketball and volleyball and talking on the phone. She is in the seventh grade.

Our sympathies to Virgie Cary on the loss of her father, Henry Sager of Littlefield. He died Thursday, September 19 in Knight

Nursing Home after a lengthy illness. He was survived by his wife, a son, three daughters, a sister, eleven grandchildren and ten great-grandchildren.

Mary Alice Merrell, her grandsons, Eric and Chris, and her son, Dale, and his family of Clovis, spent a few days at a mountain home in Colorado that belonged to Mary's daughter-in-law's father. It was located in a beautiful area between Walsenburg and Ft. Garland. Mary said the deer would graze in the yard. The men had a good time fishing.

They also spent time in Taos, New Mexico and visited with Amanada Miller, a former resident of Bovina. They went to Colorado a week ago Friday and returned home the following Sunday.

Harry J. Charles was in the office for a short visit and was telling us about their trip to California. He and his son and daughter-in-law, Billy J. and Barbara Charles, and children, Brooke and Cameron, flew to California for twelve days.

They first attended a family reunion in Las Vega with Harry's two sisters, Ellen Estes and Mary Kaminski and their families. They went on to San Diego and spent four days. They saw many sights including the zoo and Sea World. They drove to Anaheim and spent four days there and visited Disneyland. Harry said they really had a good time.

Ella Jo Stormes and family are having a good time with her niece, four-year-old Ashley Dixon. Ashley's little brother, Jason Andrew, was born Monday in the Clovis hospital. The children's parents are Ella Jo's sister, Sharon, and Kevin Dixon. The baby weighed nine pounds and four ounces and measured 21-1/2 inches long.

Gene and Barbara Lowe spent an enjoyable weekend at Cloudcroft, New Mexico, visiting with friends from Lubbock.

Dorothy Ellison was out-of-town for a week visiting her daughter, La Trelle Miehler of Rio Rancho, N.M., who had surgery and is doing real well. While there, she also got to visit with daughter, Lynda Boothman of Albuquerque, N.M.

On the way back to Bovina, Dorothy had car trouble near Clines Corner. It just so happened that a wrecker was passing by and saw her smoking car and stopped to assist her. They towed her car to Moriarty, N.M., where she stayed all afternoon.

The radiator hose had burst and her car was so hot they had to let it sit for a good while to cool before they could work on it. Dorothy arrived home safely by 10:30 that night and she commented that she counted her blessings all the way home.

Short cut: a route on which you can't find anybody to ask where you are.
 Thanks for helping with the Scoops and news....Joyce.

Hromas Families Gather In Bowie

Members of the Hromas families gathered August 17-18 in Bowie, Texas for their annual reunion. There was a good attendance this year, with members coming from Texas, New Mexico, Oklahoma and Arkansas.

The reunion opened Saturday morning with registration in the meeting room. There were sales of t-shirts and caps with the name "Hromas" and symbol and the meaning of the name being of Czech origin, meaning "thunder."

There were also caps with "Hromas Reunion 1991" sold to the members. As each one registered, they received a ticket for the door prize. The crock pitcher was drawn for at the business meeting that evening. Gaylon and Judy Hromas of Bovina won the door prize. Coffee and visiting were on the agenda that morning.

Family members brought delicious home-cooked food, cakes, pies and homemade bread for the lunch and dinner. After lunch activities included dominoes, card games, looking at picture albums and memorabilia, and having some members tell some of the family history. The younger set was entertained with swimming, skating and bowling.

Saturday evening's dinner was served at 6 p.m. Afterwards, the group had a business meeting and program. They had reports from Charolette Wilburn and Darlene McManigal, on the new-found family from California. They brought pictures and correspondence from

the Frank John Hromas family.

Harmon Atkins, Jr., from Arlington, is the family historian, and has done some years of research. He provided each family with copies in booklets. The copies include marriage license certificates, death notices, pictures, family tree information, etc. "We all feel fortunate to have such a priceless booklet, and we appreciate all his time and talents," said a spokesman for the family.

They were entertained with a beautiful song, "Look Me In the Eyes," by Lori Wilburn of Hereford, Jerry and Charolette Wilburn's daughter and granddaughter of Arnold and Amy Hromas of Bovina. Brad Hromas was in charge of the sound effects.

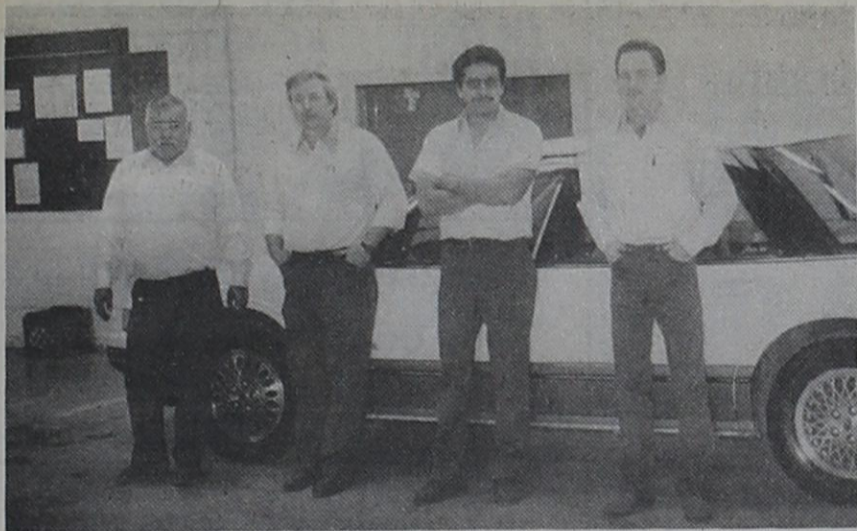

Discussion on next year's reunion was held. Ernestine and Jick Lovell of Ft. Worth and Arnold and Amy Hromas will be the coordinators for next year's reunion. The business meeting adjourned and family group pictures were made. A picture of the oldest member and youngest member were made together, being Ernestine Lovell of Ft. Worth and Michael Nichols, son of Curtis and Jill Nichols of Ft. Worth.

Sunday morning was again spent visiting over coffee. The lunch was catered by the Golden Corral Restaurant.

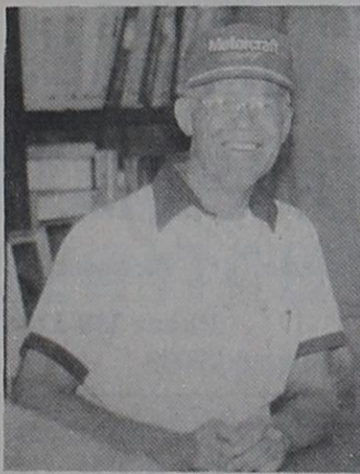

Glenn and Glenn Hromas of Amarillo, Greg Hromas and family of Clovis, N.M., Rodney Hromas of Houston and Jeff Hromas of Amarillo were the coordinators for the 1991 reunion.

Facts About The **BIBLE** *BY JOHN LEHTI*

THE FORGOTTEN ONES

THE STORY OF ABRAHAM'S WIFE, SARAH, AND HIS BELOVED SON ISAAC, IS WELL RECORDED—AS IS THAT OF HAGAR, WHO BORE ABRAHAM'S FIRST SON, ISHMAEL, BUT LITTLE IS SAID OF THE WIFE THAT ABRAHAM TOOK AFTER SARAH'S DEATH, KETURAH. THIS FINE WOMAN GAVE ABRAHAM NOT ONE—NOT TWO—NOT FOUR—BUT SIX SONS!

FOUR TERSE VERSES (GENESIS 25:1-4) GIVE SHORT SHRIFT TO KETURAH AND HER SONS: ZIMRAM, JOKSHAN, MEDAN, MIDIAN (FOUNDER OF THE MIDIANITE NATION) ISHBAK, AND SHUAH.

BUT ABRAHAM, FATHER OF EIGHT SONS, LOVED BEST THE ONE OF WHOM GOD SAID, "I WILL MAKE OF HIM A GREAT NATION," FOR, AS GENESIS 25:5 REPORTS: "ABRAHAM GAVE ALL THAT HE HAD TO ISAAC."

NEXT WEEK: THE IMPORTANCE OF CONCUBINES!
