P. T. A. Appeals for Waste Paper—Truck Coming Saturday Afternoon—Bring In All Paper You Have

## C. W. Luttrell Dies, After a Long, Lingering Illness

After many weeks of suffering, most of which time he spent in a San Angelo hospital, Charlie Luttrell died at the family home in Bronte at 2:30 o'clock, Thursday morning, February 7, 1945. Interment was in the Bronte cemetery late Thursday afternoon, following religious services at the Bronte Baptist church, conducted by the pastor, Rev. C. R. Blake, assisted by Rev. R. L. Denton, Baptist minister, San Angelo, and Rev. A. Hanson, pastor of the Bronte Methodist church.

Deceased was born in Casey County, Kentucky, February 26, 1883, making him to lack only a few days of being sixty-two years old when death came and brought him surcease from his suffering.

The son of the late Mr. and Mrs. T. M. Luttrell, he came with his parents, to Bronte when he was a lad of fourteen years. Hence his family was one of the later pioneer families of this part of Coke county and have had to do with the onward progress of Bronte and surrounding section of country.

Deceased was engaged in the cafe business, but some fourteen years ago he had to retire on account of his health, since which time he has striven against the disease that finally took him away.

Deceased and Miss Tannie Clark, daughter of the late Dr. and Mrs. J. F. Clark, another pioneer family of Bronte, were married, in Bronte, August 28, 1903, the late W. P. Hudman, who was Justice of the Peace, officiating. To the union four children were born, who with their mother survive to sorrow over his passing. The children are Mrs. Vivian Sanderson and Mrs. C. E. Wood of San Antonio; Cullen Luttrell, Bronte, and Freeman Luttrell, San Angelo. Other surviving relatives are two sisters, Mrs. Leonard Keeney, Bronte; Mrs. Pearl La Baume, Dublin; two brothers, J. D. Luttrell, Bronte and A. C. Luttrell of California. The grandchildren are Jo Carolyn Wood, Gene Luttrell, Milton and Charles Ray Sanderson and Elaine and Joe Bailey Luttrell.

Late yesterday afternoon, out there in the golden sunshine, reminiscent of springtime, beneath an embankment of flowers, placed there by loved ones and old time friends, "Charlie" was left, among others of the precious dead, in that silent place, to sleep undisturbed, without any more pain or anguish from suffering.

The next P. T. A. Show at the High School Gym for next week will be "Thirteen Hours by Air," starring Joan Bennett, Fred McMurray, and John Howard. The admission is 10c and 25c.

R. E. Cumbie returned Thursday night from a merchandise-buying trip to the Fort Worth and Dallas markets. Mr. Cumbie says that conditions in the markets are the worst he has ever seen in all his years of merchandising.

## Local PTA will Observe Its Founders Day

The Bronte-Parent Teachers Association will meet in the High School Gym, Tuesday, February 13, 1945 at 3:45 p. m. The "Founders Day" program will be led by Miss Thelma Carr with a special number from the sixth grade.

## Bronte Sr. Woman's H. D. Club Meets with Mrs C. R. Blake

The Bronte Sr. Women's H. D. Club met Wednesday afternoon, February 7, with Mrs. C. R. Blake as hostess.

A short business session was held with the president, Mrs. O. W. Chapman, presiding.

The following officers were appointed by the chairman: Mrs. I. E. Lloyd as alternate club delegate to serve with Mrs. L. T. Youngblood.

Mrs. C. R. Blake and Mrs. Jess Perciful to serve with Mrs. Hermon Rogge who is chairman of the membership committee.

Mrs. A. Hanson and Mrs. Floyd Modgling, with Mrs. Leonard Keeney on Finance. Mrs. Keeney is chairman of this committee.

As program committee, Mrs. J. D. Leonard chairman, with Mrs. Fred McDonald and Mrs. Chas. Keeney as members.

The following alternates were appointed:

Mrs. J. D. Leonard to serve as alternate to Mrs. I. E. Lloyd who is Food Supply Demonstrator.

Mrs. A. Hanson as alternate to Mrs. Minnie B. West who is Clothing Demonstrator.

Mrs. Fewell Sims as alternate to Mrs. Claudia Huffaker who is Poultry Demonstrator.

The Club Yearbooks and clothing leaflets prepared by Miss Croslin were distributed to the club members following a short demonstration on pattern fitting given by Mrs. Minnie B. West. Mrs. West used one of the dress forms made at a previous meeting of the club.

Delicious fruit cake and coffee were served to the nine members and one visitor present. The hostess was aided in serving by her husband, Rev. Blake and their little daughter, Miss Juanelle.

Mrs. A. L. Carlisle was the visitor.

Mrs. Minnie B. West, Reporter.

### 4-H MEETING

The Bronte 4-H girls met Tuesday, February 6 at the school house. The thirty-five girls present answered roll call of, "Number of bedroom slides I have made." Sixty-one slides have been made and some of the girls plan to make more.

Yearbooks in the shape of a four-leaf clover were made for the year of 1945.

The meeting adjourned. Jean Smith, Reporter.

LeRoy Price of Lubbock was in town Wednesday and advanced his subscription figures to

## MRS. C. C. SMITH'S BROTHER DIES IN SAN ANTONIO HOSPITAL

Members of the family in Bronte attended the funeral of W. C. Jones, brother of Mrs. C. C. Smith, who died in a hospital in San Antonio, Tuesday. Interment was at Coleman, home of deceased, Wednesday.

Deceased was born at Hallettsville, in 1866 and was 78 years old. He came to Coleman when he was fifteen years old and had made his home there since that time.

Those attending the funeral were Mr. and Mrs. Smith, their sons, Clytus and Otis and Mrs. Otis Smith and Mrs. Jim Stovall, San Angelo and Mrs. A. H. Jones of Maryneal.

The writer has known deceased for more than forty years. He was an excellent Christian gentleman. He is survived by his wife, six daughters and one son, and his sister, Mrs. Smith.

## Union H. D. Club Meets with Mrs. LeRoy Scott

The Union H. D. Club met Tuesday, February 6, in the home of Mrs. Le Roy Scott. There were 9 members present and one visitor.

Our clothing demonstrator Mrs. Le Roy Scott, gave a demonstration on how to adjust the pattern to fit the form.

The club will meet with Mrs. A. M. Wynne, Tuesday, February 20th at 2 P. M. There will be a demonstration on baby chicks.

Mrs. Felix Allison, Reporter.

## P. T. A. Executive Committee Holds Regular Meeting

The Bronte P. T. A. Executive Committee met in its regular session, Tuesday, February 6, 1945. Plans were made to get the "Black Out" curtains for the gym finished in the near future. Agreement was made to sponsor the Waste Paper Drive for Bronte and the surrounding communities. A report was given that a pot plant had been sent to Mrs. B. F. Kirk from the P. T. A.

### WHAT'S FUNNY?

Look who is laughing!! And you could be you when you see the Junior play—"He Couldn't Marry Five."

Date: February 26, 1945.

Place: Bronte High School Auditorium.

Caution: Have all seams well stitched and be sure all buttons are firmly in place. (They won't be after you've seen the play.)

Don't miss the screamingly funny play—February 26, "He Couldn't Marry Five"

Mr. and Mrs. Felix Allison of route 1 become readers of The Enterprise for which we thank them. Mrs. Allison is the efficient and prompt reporter for the Kickapoo Quilting Club, and also for the Union H. D. Club.

"the old home town paper" for which we thank him.

## Earle Moore Dies at Ft. Worth; Buried in Ross Cemetery

Earle Moore died at the home of his sister, Mrs. Fanny Snead, in Fort Worth, February 4, 1945. Interment was in the old Ross cemetery, northwest of Fort Chadbourne, Wednesday afternoon, following religious services at the Fort Chadbourne Baptist church, conducted by Rev. C. P. Blake, pastor of the Bronte Baptist church.

Deceased was born at Fort Chadbourne, October 2, 1891. He was reared there and resided there until World War I, in which he served. Upon his return from the war he went to Comanche, Oklahoma where he made his home. Following the war his health was never good and he suffered from the effects of injuries he sustained in the service.

Mr. Moore had gone to Fort Worth to visit his sister. He retired Sunday night and had gone to sleep. His sister heard him give two gasps and she went to his bedside and found him already dead.

The body was brought back to Fort Chadbourne Monday afternoon and lay in state in the Baptist church until Wednesday afternoon. Old neighbors and friends of deceased and his family had charge of the arrangements.

Deceased is survived by four sisters and four brothers, as follows: Mrs. Snead; Mrs. Mary Porter, Tempe, Arizona; Mrs. Ida Miller, Winters; Mrs. Amelia Silen, Hollywood, California; Robert Moore, Oscar Moore Portales, New Mexico; Ed Moore, Lingo, New Mexico; Walter Moore, Blackwell; Ernest Moore, Bronte. There are several nephews and nieces.

Being a member of one of the old time families of Coke county deceased was widely known throughout this section, and had many friends who will sorrow at his passing.

### NEW AUTO LICENSE MUST SHOW ONLY IN TWO PLACES

The new automobile license number will need to be shown in two places, Geraldine Bell, Chief Clerk of the Coke County War Price and Ration Board, announced today. "The OPA District office informed us that it will not be necessary to write it on every gasoline ration coupon." It will suffice, she said to cross out the old license number and write in the new license number (1) on the face of the ration cover or holder, and (2) on the Mileage Rationing Record (Form R-134, stub.)

A deluge of inquiries about how to show the new automobile license numbers on gasoline ration coupons already bearing the old license number have been reaching the Coke County War Price and Rationing Board, according to the Chief Clerk.

A great many people seem to have the idea that it is necessary to scratch out the old license number and write in the new number on each individual gasoline ration coupon, the Chief Clerk said.

## Bronte P. T. A. Sponsors Waste Paper Drive

Every family in Bronte and surrounding communities is urged to bring their old paper and place it in front of The Enterprise building. A truck from San Angelo will be here Saturday afternoon at 5 o'clock to gather up all the waste paper we have.

Families in town who absolutely do not have any way of getting their paper brought to The Enterprise building, call Mrs. Alfred Taylor, P. T. A. president, phone 129 and some one will pick up your paper.

Please—EVERYONE—bring all your waste paper in. It is vitally needed to make ammunition for our boys to fight with.

Bronte P-T Association.

## J. Len Keeney Opens a Feed Store in Bronte

Bronte announces this week a new business—the Keeney Feed Store.

This new business is that of J. Len Keeney. Mr. Keeney is opening a feed supply house in the building on Main street, between the office of the West Texas Utilities Company and the Cactus Cafe.

"Len," as everybody calls him, says that, just as far as it is possible to secure feedstuffs he expects to carry anything and everything that the people may need in the way of feed for both livestock and poultry.

Mr. Keeney already has a good stock of many of the lines he will carry and is adding other lines fast as he can haul them in.

"Len" knows everybody and everybody knows him—he has many friends throughout the Bronte trade area. He says if the folks will stay with him by buying their feedstuff needs from him he will do his best to keep a good supply of all kinds of stock and poultry feeds on hand notwithstanding the conditions that exist due to the war.

Mr. Keeney has an announcement of his feed store in this issue of The Enterprise—read it and visit Mr. Keeney in his place of business—he will be glad to see you.

## Kickapoo Quilting Club Meets With Mrs. Felix Allison

The Kickapoo Quilting Club met with Mrs. Felix Allison in an all day session. Each lady brought a covered dish. There were 14 ladies present.

Everyone present had a wonderful time. Miskie Walker was the life of the party.

The next quilting will be with Mrs. John Warner and her daughter, Lela, Wednesday, February 14. Everybody is invited.

Mrs. Felix Allison, Reporter.

PNEUMONIA CAUSED MANY DEATHS IN TEXAS LAST YEAR

Austin, Texas, February 8, 1945.—According to Dr. Geo. W. Cox, State Health Officer, pneumonia caused over 2,800 deaths last year in Texas, a reduction over the previous year but still too high. It is more prevalent during the winter and spring months.

Pneumonia is usually caused by a germ called the pneumococcus, which many of us have lurking in our throats ready to

start trouble when our resistance to it is lowered. We can keep up our resistance by avoiding undue fatigue and avoiding unnecessary exposure to extreme weather conditions. When we go out into the cold, additional wraps should be sufficient to protect us. Keeping the temperature of our homes as low as is consistent with comfort will greatly lessen the difficulties encountered in adjusting ourselves to the cold when we go out.

Another method of prevention in pneumonia is not to neglect a cold, for the common cold often results in pneumonia when neglected. A person with a severe cold should stay at home and call his physician as a precautionary measure. Then he should follow his physician's advice until the cold has disappeared.

The successful treatment of a pneumonia case often depends upon beginning treatment very early. That is why a physician

should be called at once in such cases. A patient may really have beginning pneumonia when he thinks it is a cold. If the physician's advice is sought for the cold he will have an opportunity to start treatment early if pneumonia occurs in such cases.

What's the matter with the other Haystack?

**CATTLE** are smart critters, as any livestock man knows. They'll even show you whether your land is properly fertilized!

That cattle can give you the answer to this question has been proved by an experiment reported by Dr. Wm. A. Albrecht of the University of Missouri, which is illustrated here. The cattle were turned loose in a field in which there were two stacks of hay. The grasses were the same species; the curing was the same; they looked and smelled the same. But the cattle ate one stack and never touched the other.

The hay from the stacks was analyzed in a laboratory. Then it was discovered that the stack the cattle liked contained much more calcium and phosphorus—two minerals cattle must have for good health. The good hay came from soil that had been treated with lime and phosphate . . . the poor hay from untreated land.

Minerals essential to both human and animal health come from the soil, are absorbed into plants and so get into the bodies of grazing animals. Human beings, of course, get their supply of minerals from plant foods like fruits, vegetables and cereals, and from foods of animal origin like meats, fish and eggs.

Better soil produces better food, better livestock and healthier people.

WHAT DO YOU KNOW!

- 1. Corn is grown in how many states in the United States?  
36    12    43    29
- 2. Two of the thousands of domestic animals originated in the Americas. Which two?  
Beef Cattle    Turkeys    Llamas  
                  Thoroughbred Horses
- 3. What is the average distance meat must be transported to get it from producer to consumer?  
530    3000    1050    250 miles

THE EDITOR'S COLUMN

So many important things are happening in the livestock and meat business that it is difficult for an editor to decide which to write about and which to leave out.

Few people realize how much beef, pork, lamb and veal must be set aside by meat packers operating under federal inspection for the armed forces and Lend-Lease. As of January 7, 1945, 50% of all utility steers, heifers, and cows are set aside for the government canning program. The government will continue to call for 60% of the choice, good, and commercial steer and heifer beef carcasses, excepting extremely light weights; also 80% of the cutter and canner beef. Of the total pork meat produced, excluding lard, approximately 50% has to be set aside. Government priorities on "Good" and "Choice" lambs have averaged from 40 to 50% of the suitable lambs. Priority orders also apply to approximately 50% of the "Choice," "Good" and "Commercial" veal produced within specifications.

Of course, such regulations are necessary in order to insure the proper conduct and winning of the war. Nevertheless, producers and consumers should know of these regulations as a partial explanation of why they are having difficulty in getting the supplies of beef, lamb, pork and veal which they want.

F.M. Simpson,  
Agricultural Research Department

VODA BILL SEZ

That hens that cackle the loudest are often better at lying than laying.  
That he makes the livin', but it's his family that makes livin' worth while.

"The pig that pays" is the "extra" one that lives in an average litter. Baby pig death losses of from 30 to 50 per cent are far too high. They can be greatly reduced.

Cleanliness is the first rule of profitable hog raising. Dirt breeds disease and parasites, so it pays to move young pigs to clean pastures and to keep them away from old pens and yards. Old dry bedding has been known to start dust-pneumonia. Cholera and erysipelas can be prevented by early vaccination, and transfer of diseases from newly purchased hogs can be controlled by a period of isolation.

Observe common-sense rules and your pigs will live and grow. Feed them well and when your hogs are ready, you'll get your "profit" from the extra ones raised in each litter.
