Last Home Game of Season with Trent II

The last home game of the season will be played here Friday night, putting the Bronte Longhorns up against the Trent Gorrillas. Trent and Bronte are in the cellar so far as district 8-B play is concerned, neither having won a district contest. The Gorrillas, however, did win two games earlier in the season in non-district contests.

Coach N. M. Curlee said Tuesday that Tommy Glenn Sims would be going in Bronte's backfield again this week, after staying out last Friday night because of injuries. The coach said that Malcom Johnson, also out last week, might see some action too. Linemen Russell Brown and Jerry Roach have both been down with flu this week, and may not be able to play Friday night.

Robert Lee and Loraine, the two contenders for top spot in District 8-B, will slug it out tonight, and

will decide the district championship. The Steers will travel to Loraine.

Last week the Steers trampled Trent, 31-8, while Loraine topped Hermleigh 32-14.

Special events coming up Friday night are Fathers Night, and crowning of the sweethearts of the football team and band.

Longhorns Lose To Roby, 58-0

Bronte Longhorns were clobbered last Friday night at a football outing in Roby. The Lions downed the Longhorns 58-0, making a touchdown a majority of the times they had the ball. In addition to their smart running and passing game, the Lions took advantage of the local lads by intercepting their passes, blocking their punts and recovering their fumbles. Regular starters Malcom Johnson and Tommy Glenn Sims were held on the sidelines because of injuries, weakening the Longhorns below their usual strength.

The Longhorns received the ball on the 10 yard line and on the second play a fumble gave the ball to the Lions on the Bronte 11. It took two plays for the Lions to make their first TD. Henry went over from the 7 and Randolph ran the conversion to give Roby an 8-0 lead after playing about a minute.

Barry Curlee took the kickoff on the 2 and got a nice runback of 21 yards. Jimmy Wells made 4 and then Curlee added a 12 yard gainer for a 1st on the 39. The drive bogged down on the next series

R. E. PATTON TO MEET WITH LONGHORN CLUB

R. E. Patton, superintendent of the West Texas Utilities Co. power plant at Oak Creek Lake and a member of the Abilene officials association, will meet with the Bronte Longhorn Club next Tuesday night.

President Royce Lee said Patton will answer any questions on officiating which members wish to ask. Lee said, too, that films of the Roby and Trent games will be shown.

Mr. and Mrs. C. B. Barbee and children attended homecoming at Rule last Saturday and spent the weekend with his parents, Mr. and Mrs. J. R. Barbee.

Coin Operated Dry Cleaners Opens Today

Bronte's newest business will open this weekend when Robert H. Sims officially opens his new automatic dry cleaning plant, to be known as Coin-Op Service Center. The dry cleaning machine is located in the south side of Sims' building formerly housing his hardware store. Also included in the setup will be the automatic laundry on the north side of the building. Formerly known as Maytag Laund-o-Rama, the laundry and dry cleaning will both be operated under the new name.

Sims is running an ad in this week's Enterprise announcing his new business. In the ad is a coupon which will entitle the bearer to 50 cents off on his first load of clothes to be cleaned. He is also sending out a large quantity of coupons through the mail.

The dry cleaning machine which Sims has installed is made in West Germany by Permac company, manufacturers of textile machines for nearly half a century. The company has machines of this type in operation throughout the Free World. The machine cleans 8-10 pounds of clothing in 20 minutes, Sims said. "Highest quality material and electrical parts, combined with finest German craftsmanship are used to make these machines," Sims added.

Sims invited everyone in this area to visit the new cleaning establishment and take advantage of the 50 cents saving on a first load of clothes.

Coke Stays in Demo Column

Bronte and other east side voting boxes went Democratic along with the rest of Coke County and the state in Tuesday's general election. Highest interest locally and over the state was the race for governor. John Connally,

Republicans Add Something New

Something new was added Tuesday to three voting boxes of Coke County. Republicans running for office signed permits to have poll watchers at the three largest boxes of the county, Robert Lee, Silver and Bronte.

The publisher of the Enterprise talked with Fred Killam of Sanco, the man who was sent to watch at Bronte. Killam said that he understood that the Republicans had watchers at all polling places of any size over the entire state.

When asked if there was any particular reason for having a watcher at Bronte, Killam replied that there was no special reason, other than for the part the local box plays in the state-wide picture. He said no crooked work was suspected here and that it was his job to assist election officials in preventing errors and to make sure they follow the election rules when helping those who ask for aid in marking their ballots.

Killam said he was sworn in just as the other election officials, that his job was permitted under Texas election laws. Killam told the Enterprise that Republicans hope this job being done over the entire state will help rid Texas of any illegal voting procedures and help cut down on errors made by those counting the ballots.

Matthew Caperton, election judge for the Bronte box, said that election laws of the state allow poll watchers, but that he didn't think much of the idea. "Mr. Killam was just as nice as he could be while watching," he said, "and I certainly don't have anything against him personally. But I do think the Republicans hurt their cause more than they helped it because of the implication that election judges were either dishonest or not qualified for the job."

Killam said, in connection with errors, that at the time he talked

Democratic nominee, won handily in this area over his Republican opponent, Jack Cox. A total of 324 votes were cast in the Bronte box.

Democratic nominees for other offices won by even a higher plurality than Connally. Cong. O. C. Fisher received the highest number of votes of any candidate with a Republican opponent, getting 276 votes to his Republican opponent's 35.

Bronte voters were not too friendly toward passing the constitutional amendments listed on the ballot. Only three of the 14 were passed in the Bronte box. Controversial No. 14 took the hardest licking, with only 31 voting for it to 192 against.

An intensive campaign was waged this year by the Republican party and observers feel that some progress was made toward converting Texas to a two-party state. The GOP picked up an additional congressional seat in the House of Representatives, as incumbent J. T. Rutherford was defeated by Ed Forman. Both men are from Odessa.

Over the nation as a whole, the situation looked as though it would remain about the same as it's been for two years in both houses of Congress. The Democrats maintained a comfortable majority in both the house and senate.

Tabulations of results for various races in Coke County are on page 4.

Dam Bid Goes To Coleman Firm On Low of \$159,618

T. L. Free Construction Co. of Coleman was apparent low bidder on the third contract for dams on the Kickapoo Creeks. The bids were opened Tuesday afternoon. The Coleman firm's bid was unexpectedly low, amounting to \$159,618.73.

Bids were received Tuesday for building a dam at Site No. 5 on the Middle Kickapoo Creek. Main portion of the dam will be located on property of Edward Rawlings with a part of the structure extending onto property of Royce Fancher and N. J. Taylor. The dam, at flood stage, will back water up on property of Garland Spencer and Sid Eubanks in addition to the three landowners already mentioned.

Directors of the Kickapoo Water Control and Improvement District, who are in charge of the project, were pleased with the low bid, as the engineer's estimate amounted to \$174,892.15, some \$15,000 higher than the bid of T. L. Free Company.

Lyles & Davis of Childress was the successful bidder on the four dams in the project for which contracts have already been let. The firm had second low bid Tuesday.

High bid among the 11 submitted amounted to \$267,036.86, approximately \$108,000 higher than the low bid.

F. S. Higginbotham, chairman of the water district, said that some details have to be worked out and the bid has to be approved by the State Conservation Service, but that he expects the contractor to start work on the project within 10 days or two weeks.

Methodist Church Auction Sale Set for Saturday

The First Methodist Church of Bronte will sponsor an auction sale Saturday starting at 1 p.m. The sale will be held in the building which formerly housed Sims Hardware Co. A large variety of livestock, sporting goods and other merchandise will be up for sale to the highest bidder. George Newby of Ballinger will be the auctioneer.

O. L. Shurley is chairman of the committee in charge of arrangements and members are J. T. Henry and Clifford Clark. Shurley said that a large amount of merchandise has been offered for the sale, but that more is needed.

Rev. A. S. Neely, pastor of the church, said that everybody in the community is invited to attend the auction. "We're going to have a fine selection of things to auction off, and somebody is going to get some bargains," he said. "I want to invite everyone to attend," he added.

Shurley said that such items as children's toys, including bicycles, tricycles, wagons, etc., are particularly needed. He urged everyone who wants to contribute to the sale to look around their premises to see if they have these items and no longer need them.

The committee chairman also said that livestock are especially desirable items for the sale. He offered the service of any member of his committee in picking up items that donors cannot get to the sale. "Just call one of us and we'll send a pickup or trailer pick up whatever you wish to give," Shurley said.

Some of the items that have already been donated included a yearling Appaloosa saddle horse, some sheep, calves, ammunition, camping equipment, adding machine and other items.

Rev. Neely said that proceeds from the sale will be used to further various projects of the Methodist Church.

BANK HOLIDAY MONDAY

Employees and officers of the First National Bank will take a holiday Monday in observance of Veterans Day. Nov. 11 is the official holiday, but it falls on Sunday, so the holiday will be observed on Monday.

Sabin Polio Vaccine Given Today

Type I Sabin oral polio vaccine will be offered to all residents of this area today (Thursday) from 9 a.m. to 6 p.m. at the Bronte School. The oral vaccine inoculation here is part of a nationwide effort to have everybody take the vaccine and stamp out polio completely in this country.

The local program is headed by Dr. John R. Harris, city health officer and will be carried out under direction of Mrs. A. R. Bagwell, R.N. Dr. Harris said he would be at the school as much as possible Thursday and that Mrs. Bagwell would be there during the entire time.

Dr. Harris said Tuesday in commenting on the vaccination program: "I want to urge everyone,

regardless of age and regardless of whether or not you have taken the Salk vaccine, to take the Sabin vaccine Thursday. There have been no reactions reported from taking Type I vaccine and we feel that it is absolutely safe."

The vaccine will be given in the nurse's office and the adjacent hall in the elementary school building.

Parents who wish to have their children take the vaccine must sign a request form which has been given to the children by school officials or a copy may be clipped from last week's Enterprise. The vaccine positively will not be given to minors unless the request form is signed and presented to the nurse on duty.

Type I vaccine inoculates

against the most common forms of polio. Plans are being made to administer a second dosage of the vaccine in about six weeks. Announcement will be made when the date is definitely set.

Mrs. Bagwell said she plans to give the vaccine on a sugar cube, and that diabetics should take the vaccine as they will not receive enough sugar to upset them. One thousand doses have been ordered for the Bronte program.

No charge will be made for the vaccine; however donations to help defray expense of the program will be appreciated. Everyone who takes the vaccine is asked to contribute 25 cents, but no one will be refused the vaccine because he doesn't have the money, Dr. Harris said.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

The Good Parson come by our session Saturday, reported that things was going pritty good at his church these days. There fer a spell, he said, the money situation was mighty bad and he figured he'd have to git on the welfare roll if the offerings didn't pick up. He told the fellers he wasn't grumbling, that most of the Church members had also been in a bind. Some of 'em has bought new cars, a few has been forced to take fishing trips, and a couple of members was tricked into buying color TV sets.

But, the good Parson announced, him and his officials has got it all straightened out now. They had a meeting and decided on a new kind of giving. Seeing as how everybody has gone on the credit card system, they voted to have some credit cards made up with the Church's name on 'em. Two Sundays ago they give ever member a card and folks couldn't wait till preaching was over to use their credit cards.

He said they had a little machine in the back of the Church and they put the credit cards in and when they pull the lever it stamps a piece of paper showing how much they owe. It was wonderful, he said, to see the members line up to git their credit card punched. Farthermore, he pointed out, nobody that has any

respect for hisself or his reputation wants to lose his credit card and he predicted they wouldn't have no trouble collecting come the first of the month.

He told the fellers that they was also checking on them bubble gum machines. They seem to think the Church might pick up a little money by putting some of 'em in, special fer the kids. Taking it all in all, he allowed, with credit cards and bubble gum machines, his little Church might git famous fer stabilizing finances in the field of religion.

He also reported that they got them cushions put in the Church pews. He said they didn't seem to help the attendance none but them that was attending was setting up straighter and listening better. And he noted one feller that was sleeping much better. Said the feller gave him a good scare last Sunday, thought he was going to have to call the undertaker fer him. The Parson couldn't see him breathing and he figured he was a goner fer shore, but the fellers old lady gouged him in the ribs with her elbow and he come around okey in time fer the benediction.

The good Parson left a little early, said he was working on a sermon "fer adults only," told us he got the idea from seeing the crowds they got at the picture shows with that gimmick. He said

he aimed to give his sermon fer "adults only" a catchy title, like "Adam and Eve Before The Apple."

Yours truly,
Uncle Huie

and Wells' punt was partially blocked. The Lions wound up with the ball close to the Longhorn line of scrimmage. Six plays later a pass to Parsons was good for a touchdown. Then another to Pullig was good for two extra points, making the score 16-0.

On the third play after the kick-off Green intercepted a pass to give the ball back to the Lions on the Bronte 20. Fields, Henry and Stuart carried the ball down to the 2. From that point Henry went over the double stripe. A conversion pass was intercepted by Curlee and the score was 22-0.

Hodges kick off went to Wells and he was downed on the 31. Losing 7 on a pass attempt the Longhorns added 5 to make it 3rd down and 12 to go at the end of the quarter.

Second Quarter

Picking up 2 more, the Longhorns had a 4th and 10 and were forced to punt. The punt went to Stuart on the Bronte 40, and the Longhorns were able to hold the Lions on the next series and get possession of the ball on their 35.

After 3 downs, Wells punted to the Lion 38, where the Roby lads started moving down the field for another touchdown. Stuart, Field, Henry and Hughey all had a hand in setting up a 1st and goal on the Bronte 5 yard line. Henry made 2½ yards, Stuart went over for the counter and Hughey ran the conversion for a total of 8 points, setting the scoreboard at 30-0.

A couple of plays after the kick-off a Bronte fumble was recovered by Roby on the 16 yard line of the Longhorns. Royce Lee knocked down a pass try and the Longhorn defense then set Henry back for a loss of 3, but on the 3rd try, Hughey tossed a short pass to Henry, who slipped by several Bronte tacklers to get into the end zone. Try for extra points was no good. Score 36-0.

Third Quarter

Tony Olivas kicked off to start the second half. It went to Kiker on the 50. The Lions made 30 yards on the ground and had a 3rd down and 4 to go on the 20 when they fumbled. It was recovered by Russell Brown for the Longhorns, setting them up with a 1st on their 18. A couple of plays later, the Longhorns backfield lost the ball on a fumble, giving the Lions a 1st on the 17. The Longhorns line held the Lions on the next series of downs and Bronte got the ball with a 1st on the 15.

After a gain of 1 by Curlee, Pullig intercepted a pass and ran a-

cross the double stripe for another Lion TD. Hughey ran the conversion for 2 points, to make the score 44-0.

Hughey kicked off to Curlee on the 21, running the ball back to the 25. Olivas made 2 and Wells got a nice gain of 8 for a Longhorn 1st down. A jump pass was almost intercepted on the first play, then Curlee got loose for 11 yards and another 1st on the 46. The drive stopped on the next play when Roby recovered a Longhorn fumble on the Bronte 49 yard line.

The Lions couldn't overcome a 15 yard holding penalty, and had to punt. The ball went into the end zone and gave the Longhorns possession on the 20. First play by the locals gave the ball back to the Lions when Daniel intercepted a pass on the Bronte 25. Unable to move the needed 10 yards the Lions gave up the ball to the Bronte team on the 24 yard line, when the 3rd quarter ended.

Fourth Quarter

The Longhorns fumbled on the 1st try and the Lions recovered on the 23. Hughey made it up to the 11 for a 1st down, and Daniel went over on the next play, but it was called back and the Lions were penalized 15 yards for clipping. The Lions almost made the 25 yards needed for a first down, but came up a little shy and the ball went over to the Longhorns, giving them the ball on the 1 yard line. Lee made 3 yards and then Roby recovered a Longhorn fumble on the 5 yard line. Two plays later the Lions fumbled and Mike McKown recovered on the 7 for the Longhorns. Wells and Olivas picked up short yardage in 3 tries, then Wells tossed a short pass to Curlee, but the gain was short of a 1st down. Roby took over on the Bronte 9.

Three incomplete passes looked good to Longhorns fans, but on the 4th effort Hughey tossed to Waddell for another counter. Field ran for 2 extra points and the score stood 52-0.

The kick off went to Wesley Murphy on the 37. Lee and Jerry Holcombe picked up 3 yards each, then Daniel intercepted a pass for Roby on his 42 yard line. A pass to Daniel moved the ball up to the Bronte 24 for a 1st down. Faced with a 4th and 11 after 3 tries, Hughey tossed another touchdown pass, this time to Howard. Field tried the conversion but it was no good. Score 58-0.

Curlee received the kick off and carried to the 24. Three incomplete passes and 1 complete to Murphy netted 2 yards and the ball went over. Roby ran 3 plays before the final whistle sounded.

Two Wrecks Here In Last Week

Two automobile accident, one Friday night and the other Saturday morning, damaged four cars and hospitalized one person.

The accident last Friday night involved cars driven by Monroe Alexander of Bronte and Gloria Craig Dougal, presently staying in Odessa but who gave her home address as Rapid City, S. D.

The collision occurred at the intersection of Main and Washington streets. Mrs. Alexander is in Bronte Hospital being treated for a broken rib and bruises. She was thrown from the car by the impact of the collision. Mr. Alexander received minor bruises.

The other wreck occurred Saturday morning on Highway 277 in front of Henry's Food Market and Nita's Cafe. Automobiles driven by Isaac Garcia Flores and Sarah Mildred Stokes ran together when the Stokes car attempted to make a left turn from the highway. No injuries were reported.

Paul Clark was taken to Veterans Hospital in Big Spring Monday, to undergo treatment for a broken foot. He sustained the break in a fall.

College students home last weekend included Tommy Boecking from Texas Tech, Lubbock; and Mike Luttrell from NTSU at Denton.

It's good to be back home and at work after a week in College Station attending the State Conference of Texas Agricultural Extension Service Agents.

"Pursuing Excellence Through Our Own Professional Improvement Efforts" was the theme. Many new people met for the first time, forming new friendships, and many old friendships were renewed—some of them classmates from college days.

A most enjoyed "extra" was a breakfast with former T.S.C.W. now T.W.U. graduates. Another rich experience was in sharing a room in the home of an eighty-two year old little lady in Bryan. Here's hoping I can be as alert and alive at 82. She was wonderful. Six other H.D. Agents were fortunate to share this experience with me.

Good reports are coming in from 4-H leaders who are working with Food Unit groups. Among them were reports from a Unit III group in Robert Lee led by Mrs. J. O. Rudd and Mrs. J. W. Service Jr. Nine girls are enrolled and all attended the first meeting. Mrs. Joe Rawlings, Bronte, reported six in Unit I and seven in Unit II. This sounds wonderful.

Usually the contents of this column interest women only, but this time there's a bit of information to pass on to the men and boys of the family. I hope you lady readers will read this article to the men of your household.

These tips from the American Institute of Men's and Boys' Wear, and can serve as basic guidelines for selecting apparel.

1. The Suit. As the foundation for any wardrobe, the suit should be selected with an eye to appropriateness, flexibility, and quality. Three suits for winter and three of lighter weight for summer wear are the suggested minimum for a man in the public eye.

2. The Accessories. A wise selection of a wide range of accessories will add color and variety to your suit. One bold touch is enough for any ensemble—do not use checks on checks or stripes on stripes unless you have the skill to do it properly; no single element should clash with another.

3. The Shirt and Tie. Consider these points: Does the collar style flatter your face; does the style of the shirt blend with the suit or sportcoat or general style of your outfit, and does the color and patterning of the shirt match the occasion? Neckwear is one of the best ways of expressing yourself.

4. The Hat. Many fashion authorities and most businessmen believe you cannot be correctly dressed without a hat. Besides its practicality, a hat adds a touch of maturity and assurance flattering to every man.

5. The Shoes. The really well-

dressed man gives his shoes as much attention as any other item. Shoes are chosen to complement the color and style of the suit.

6. The Outerwear. The choice of overcoats and outercoats should be in keeping with the tenor of the wardrobe. The current trend is toward shorter, height-adding lengths.

7. The measure of fashion. Watch for the following indications of poor fit in a garment, and make sure they are marked for alteration: wrinkles in the coat, trouser sag, too much or too little collar exposed, cuffs too long or too short; and improper coat length.

8. The basic ingredient. Next to an adequate wardrobe of appropriately fitting clothes, the most important ingredient in dressing right is good grooming. A daily shave, shower and change of linen, regularly scheduled haircuts and nail trims, a clean shirt and a pressed suit, polished shoes—all of these are musts for the well-dressed man.

9. The Care. Proper care and cleaning of your wardrobe will increase its useful life. A well organized clothes closet, trips to the dry cleaners, careful packing and a small investment in wear and care accessories—like shoe trees, wishbone hangers and a shine kit—are a vital part of dressing right.

10. The over all effect. The size and variety of your wardrobe is determined by what you need and can afford. The best test to apply in evaluating is to answer these questions: Is the wardrobe robe adequate? Is it appropriate?

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

Funeral Rites Held For Mrs. McCoy, 89

By Mrs. Charles Ragsdale

Funeral services for Mrs. Mattie Irene McCoy, 89, were held Monday afternoon at the Patterson Chapel of Memories in Sweetwater. The Rev. J. L. Cartrite, pastor of Lamar Baptist Church, officiated. Burial was in Midway Cemetery near Hodges.

Pallbearers were Wilson and Glen Arnold, Finis Olney, Walter Sanders, Walter King and Cecil Crain.

Mrs. McCoy sustained a fractured hip early Friday morning at her home in Blackwell. She was taken to Simmons Memorial Hospital in Sweetwater where she died Sunday. She had been a resident of Blackwell 24 years. She was born in Arkansas on Nov. 2, 1873 and was married to Tom G. McCoy in Ark in 1905. He died in 1914.

Survivors are one son, Paul McCoy of Blackwell, two granddaughters, Mrs. Robert Pickett of Abilene and Miss Paula McCoy of Blackwell; one great granddaughter; one brother, Jim Haynes of Ormanda Beach, Fla.; two sisters, Mrs. Sid Wood of Camden, Ark. Mrs. Fred Johnson, Alamogordo N. M. and a number of nieces and nephews.

Her son, Paul, was unable to attend as he is in the Sweetwater hospital recovering from a recent heart attack.

Mr. and Mrs. Harold Sherwood of Springtown spent the weekend in the Leslie Lammers home. Mrs. Sherwood is a niece of Mrs. Lammers.

Mr. and Mrs. Alvin Tipps of Waco are parents of a daughter, Sherry Kay, born Sept. 2. The little girl is a granddaughter of Mr. and Mrs. Leon Rogers of Waco and is a great granddaughter of Mr. and Mrs. J. V. Rogers of Bronte, Mrs. J. H. Vinson of Quinlan, Mr. and Mrs. Boyd Tipps of Copperas Cove, and Mrs. J. T. Ford of Oak Creek Lake. She is a niece of Mrs. Leonard Fletcher of Bronte. Mrs. Tipps and Sherry recently spent a week here

with relatives.

Mr. and Mrs. Bill Alexander and daughter of Eules visited last weekend in the homes of their parents, Mr. and Mrs. Monroe Alexander and Mr. and Mrs. J. W. Spurlock. Also visiting the Alexanders were Mrs. Doris Conley and Linda of San Angelo, SSgt. and Mrs. James Sanker and girls of Big Spring, and Mr. and Mrs. Dick Webster and Ricky of O-zona.

Southwest

Here, in the very heart of the Nation's largest sheep-producing area, a famous packer has established a lamb processing plant.

Any new industry contributes to the economy. But a new industry which processes a product of the area is doubly important.

We are convinced that this is a growing trend. It has become an important part of our continuing efforts to inform America's business leaders about our industrial advantages.

It is another reason why we say that we face GROWTH UNLIMITED here in the Center of the Southwest.
